SPRINGFIELD, N. J., THURSDAY, JULY 19, 1951

TOWNSHIP OF SPRINGFIELD

10¢ A COPY, \$3.50 BY THE YEAR

LISTEN

FRIENDS!!

Once in a great while a weekly newspaper gets a break and is able to compete with the dailies in an important story in its territory... that very thing happened a week ago last night when the Howard Johnson Restaurant in Route 29 was ravaged by fire to the tune of \$150,000... the blaze was the biggest in Springfield's history and the story broke in time for this newspaper to be on the street with complete details just a few hours afterward.

A Sun reporter arrived at the scene of the fire soon after the first engine... to Chief Charles Pinski and his hardworking firefighters we express our commendation for a job well done... we've seen several big fires in our reportorial career... in most instances, particularly when a blaze gets started during the night, the results generally are four walls and that's all... although the Route 29 restaurant was almost completely gutted, the establishment remained standing and portions of the structure have been declared structurally sound... it will be rebuilt, instead of being replaced... the loss figure would have been considerably higher had the place been completely wrecked.

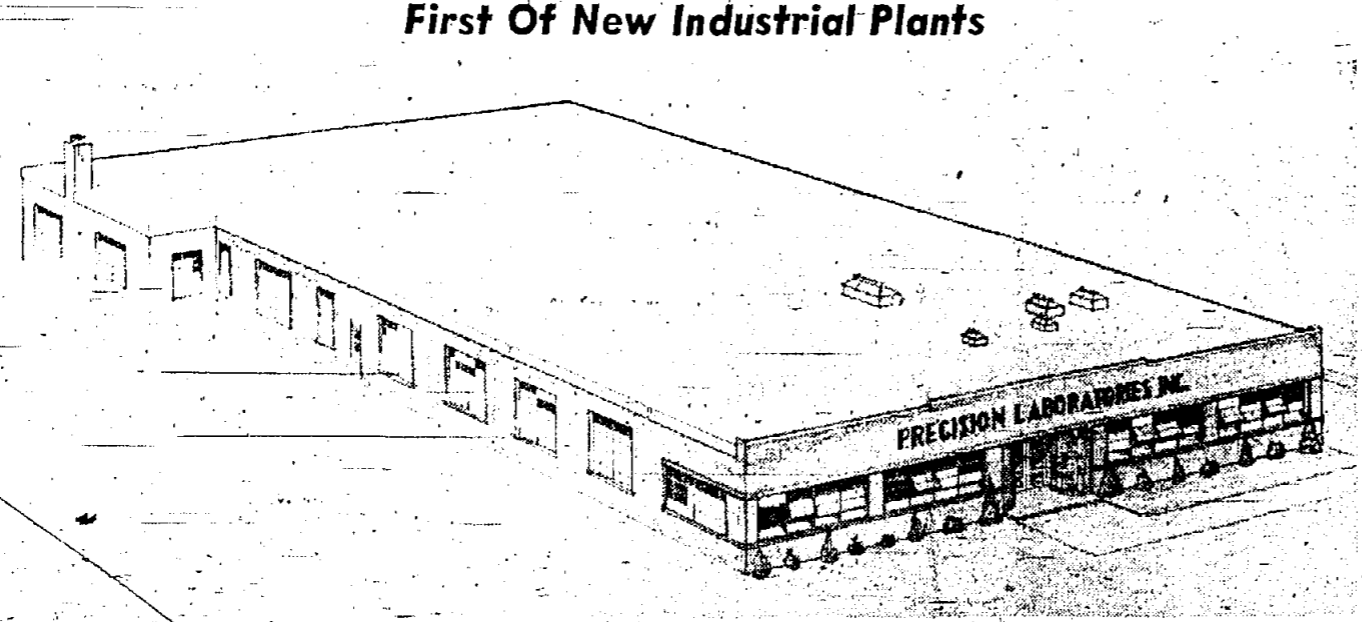

After every football game in the fall of the year we always hear from the famous "Monday Morning Quarterback" as to how this should have been done or that in order to have won the game... the same holds true for spectators at fires, especially big fires... we ran into one of those non-fires at the restaurant blaze... had been chief of the fire department he would have attacked the blaze from the front instead of the rear, from the roof instead of the ground floor, etc... but never once during the height of the blaze, when everyone's help was needed did he even give an inkling of offering any assistance... he just puffed away at a cigarette while the volunteers worked about 75 cents for hours of back-breaking and dangerous work... he's a Springfield resident, heads a fine organization in town and needs some first-hand instruction in keeping his hand shut.

When a cop makes a mistake everyone and his brother shouts from the rooftops... now we have an opportunity of honoring two noble patriots, instead of criticizing them, and we urge Chief Thompson and Police Commissioner Hunter to take official recognition of the efforts of Patrolmen George Ursell and Louis Quinlan in connection with their rapid thinking and fast action when they discovered smoke pouring from the Howard Johnson Restaurant... the officers were on patrol duty near the highway when they were attracted to the restaurant by the smoke... they first alerted to headquarters and then assisted in directing more than 100 restaurant patrons to safety... the officers cleared traffic sufficiently to enable the fire department to get through and immediately started on the herculean task of attempting to unjam the history of Route 29.

Today's newspaper carries an advertisement from the Independence Day Celebration Committee listing the names of all merchants, business firms, professional men and others who contributed in dollars and cents to make the recent July 4 event a huge success... frankly, we're amazed to notice how many local establishments are not included!

Still waiting for that traffic light in front of the post office... it was months ago that word was received here that installation had been approved... what's the holdup?

In a recent column we told how joyous members of the Springfield Women's Club felt upon their announcement that the organization finally was beginning to receive official recognition... they referred to receipt of notice from the Civil Service Commission pertaining to the local postmaster examination... It isn't our desire to dampen the group's spirits, but

First Of New Industrial Plants

Precision Laboratories, Inc., an affiliate of General Electric Company, will be the first of a series of new industrial plants to locate in Route 29, Springfield. It is expected that ground for the firm will be broken sometime next month. Lawrence Construction Co., of Union, will build the structure which was designed by Engineers Company, Inc., of Newark.

Brokers Ask Bd. To Divide Insurance

Point To Policy Of Most Other Nearby Towns

Declaring that Springfield was one of two municipalities in the entire county which fails to divide its insurance business among all brokers in the community, five township insurance firms Tuesday requested the Board of Education to make an investigation of the matter with a view toward making "a more equitable distribution among the local brokers and agents in the future."

Present complete holder of the Board of Education's insurance business is Bunnell Bros., Inc., of Flemmer avenue. This year's new school budget lists an appropriation for insurance premiums of \$1,850. Following reading of the subject, the board voted unanimously to refer the matter to its printing and law committee.

Teams To Compete For Softball Title

Eliminations in the Union County Amateur Softball Association will start July 27, George T. Cron, State Softball Commissioner and assistant superintendent of recreation for the Union County Park Commission, has announced. Teams will compete in three divisions, Class AA, Class A, and Class B. All games will be played at Westborough Park, Elizabeth and Warren, unless otherwise arranged. Each division will compete on a single elimination basis except Class AA division, which will play on a double elimination basis. State A.S.A. rules will govern all games.

RHS Grads Enlist In Air Force

Three Regional High School graduates recently enlisted in the Army Air Force, and have reported to Sampson Air Force Base for training. They are John T. Wilson of 1705 Front street, Scotch Plains, Robert H. Nielson of Riverside drive, Clark, and Douglas C. Evans of 289 Birch Lane, Mountlanside.

Both Sides Withhold Clerk Choices Until Next Month

Indications today were that neither major party would name its candidate for the post of township clerk until next month. Three reports that both the Republicans and Democrats may wait until the Labor Day deadline to file for the post.

The GOP received a setback last week with the terse announcement by Finance Commissioner Frederick A. Handville that he was not interested in the post. Previously reports had labeled him as the foremost candidate. Dismissing the situation with newsmen the finance commissioner said "I will take a \$10,000 job to persuade me to give up my present work." Handville is proprietor of a pet store in Westfield.

Business Increase At PO Is Reported

Acting Postmaster George Turk today reported an increase in receipts for the fiscal year ending June 30, 1951, of \$10,000, or approximately a 20 per cent rise over the same period last year. Total receipts for the fiscal year 1950 were \$81,288, as compared to \$69,038 for 1949. These facts plus the increasing volume of mail now being handled by the local post office, will require a revision of procedure in the handling of the "vacation mail," Turk said. In the past it has been the practice to hold this mail in the post office, at the request of the patron, for periods of time up to 90 days.

Community Club Elects Officers

South Springfield Community Club Inc., held election of officers last Monday evening at the home of Mr. and Mrs. John Neville of Street, 47 Diven street. Irving Street replaces Neville as president of the organization. Officers reelected were: Mrs. Anna Mae Rone, vice president; Mrs. Ralph Walker, financial secretary, and Mrs. Irving Street, corresponding secretary. Neville replaces Street as treasurer.

Some Optimism Over Polio Pay Heavy Fines With Three Cases In County On Motor Charges

Although only three cases of poliomyelitis have been reported to date, one of them in Springfield, Union county authorities expressed guarded optimism of the 1951 polio incidence. The fact that twelve Union County residents were victims of the disease at this date last year is no indication of a "light" polio year, they said. In 1949, when seventeen fatalities resulted from a record-162 cases, only four children had been stricken on June 27, when the first death occurred.

Over Million in Building Reported In Springfield For First 6 Mos. of 1951

School Transport Firm Renewed

Somerset Bus Company of Mountainside, was awarded renewal of Springfield's school transportation contract by unanimous vote of the Board of Education Tuesday night. The figure is \$5,447.10.

Offer of Charles Ferrugia of Pitt road, a building contractor, to donate 1,000 loads of dirt fill for use where needed on Board of Education property was accepted with thanks.

Shoots Fireworks, Pay \$3 Fine Here
Albert Ellis of 98 Mountain avenue, Springfield, was fined \$3 by Magistrate McMullen in Police Court Monday night for shooting off fireworks in violation of the local ordinance.

Town Clerk's Parting Message

"This is my 25th anniversary and parting message, as Township Clerk, to the good people of Springfield. It will be twenty-five years next January 1st when I was sworn to faithfully discharge the duties of Township Clerk, according to the best of my ability. This, I have tried to do impartially regardless of color, race, creed, or political affiliation.

"I have handled voluminous township business, both by personal negotiation and with the written word, since January 1st, 1927. So at this time I would like to share with you, briefly, a few reflections.

"Contrary to the title 'Looking Ahead,' I have been doing a little looking back. First of all, I will reflect back to the first year of my service when I was new on the job, and now at this time will extend thanks and appreciation to two men, both of whom have passed on, David S. Jeakins and Gabriel Larsen, members of the Township Committee at that time, who patiently 'stood by' with a spirit of cooperation and human kindness and guided me, until I got 'my feet on the ground.'

Police to Check School Vandalism

Police officers here are expected to start a crusade against vandalism as the result of complaints made by the Building Grounds Chairman Bailey and Mrs. Thelma Chaudmeier, principal of Raymond Chisholm School, that numerous windows in both township schools and in Regional High School have been broken during the last several weeks.

Local Man Hurt By Hit-Run Driver

Donald H. Esposito, 20, was struck by a hit-and-run driver Tuesday night, police said, while he stood in the eastbound lane of Morris avenue near Millburn avenue. He was taken to Overlook Hospital, Summit, in the Springfield First Aid Squad ambulance, where he was treated for ankle injuries and released.

Inspector Issued Permits For 58 New 1-Family Homes

The total value of building operations for the first six months of 1951 is \$1,188,300, it was revealed today by Building Inspector Reuben H. Marsh. The figure is about \$144,000 less than the total for the same period in 1950.

Mayor Robert W. Marshall was continuing to recuperate today following a ten-day siege of pneumonia during which he was confined to St. James' Hospital, Newark. Announcement of the chief executive's illness was not made public until he returned from the hospital on Monday.

Howard Johnson Reopening Planned

Robert F. Downs, owner of the Howard Johnson Restaurant, Route 29, which was gutted by fire July 14, said this week that he plans to reopen at the same site as soon as possible.

"Whether we can salvage the present building is a question," Downs said. "It would appear that much of the building can be rebuilt but the portion comprising the kitchen and soda fountain room probably will have to be entirely replaced."

The fire, which caused damage estimated at \$150,000, remained the principal topic of conversation in Springfield for several days afterward. Observers who watched the local fire department fight the conflagration agreed that a remarkably fine job was done in saving most of the building.

'51 Polio Drive Begins In County

Distribution of State-Kenny Foundation collection coin commemorating the annual reminder of the opening of the polio season. This is the annual reminder of the opening of the polio season. Although the actual Sister Elizabeth Kenny Foundation's 1951 fund-raising campaign will not begin until August 29, according to the Eastern Area Campaign Headquarters, 507 Fifth Avenue, New York, many anxious parents will be glad to drop their spare change into the canisters in business establishments.

Police to Check School Vandalism

Police officers here are expected to start a crusade against vandalism as the result of complaints made by the Building Grounds Chairman Bailey and Mrs. Thelma Chaudmeier, principal of Raymond Chisholm School, that numerous windows in both township schools and in Regional High School have been broken during the last several weeks.

LETTERS from Our Readers

OPEN REPLY

Mrs. Herbert A. Kuvin, Springfield, N. J.

Dear Mrs. Kuvin: I want to acknowledge with thanks your letter of July 9 expressing appreciation of the Water Safety Program...

As you probably know, the success of the swimming program is due in a large measure to the work of the recreation committee.

Very gratefully yours, Howard E. Casselman, Chapter Chairman

Looking Into Yesteryear

First Church of Christ, Scientist
222 Springfield Avenue
Summit, New Jersey
Sunday Service, 11 a.m.
Sunday School, Wednesday evening.

The assurance that man's life is immortal, indestructible, and wholly spiritual will be elucidated in Christian Science services next Sunday.

The Golden Text is from Romans: "The wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord" (6:23).

Among the selections read from the Bible (King James Version) will be this from Luke: "For he is not a God of the dead, but of the living; for all live unto him" (20:38).

Correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, will include the following: "Life is without beginning and without end" (48:27).

Ten Years Ago
The Springfield Board of Education held preliminary discussions to consider possible increase in the local grammar school population.

Federal government plans to bear the entire expense of erecting a ten-room building to accommodate students from the defense housing project in Clark Township.

Mr. and Mrs. Charles Fischer of 358 Second Avenue, Garwood, announced the engagement of their daughter, Norma, to Arthur Albanese, son of Mr. and Mrs. Arthur Albanese of 46 Clinton Avenue.

Mrs. Rose Keller was inducted as Councillor of Pride of Battle Hill Council No. 19 D. of A. at a meeting held at Legion Hall.

Charles N. Young of Springfield, left Fort Dix for Fort Bragg, N. C., where he was to be assigned temporarily to the Field Artillery Replacement Center for training.

The following local businessmen contributed to Springfield's 1951 Independence Day celebration. Without their help the all-day affair would not have been possible. I urge residents to patronize them often.

Poison Ivy Advice
Among the seasonal distresses to which summer exposes us are those forms of dermatitis—or inflammation of the skin—which result from physical contact with noxious plants.
The best way to prevent the inflammation caused by poison ivy, or poison oak, or sumac is simply to keep away from the plant. Poison ivy has glossy foliage arranged three leaflets on a stem. In the fall among the first to change color, the leaves turn a beautiful red and are often collected for this reason by uninformed nature lovers, who subsequently regret their artistic impulsiveness. It is wise to heed the old rhymed warning, "Leaflets three, let it be!"
The symptoms of plant dermatitis—blisters, swelling, and inflammation—appear a few days after exposure. The outbreak may occur as a result of indirect contact, through animals or insects which have been in contact with the plants, or through clothing or dust.
If contact with the plant has been made, the next step should be to wash the exposed part of the body thoroughly with strong soap and water, avoiding vigorous scrubbing. Then the area should be rinsed with strong grain alcohol or ether. Soothing lotions are sometimes helpful in relieving the itching. Scratching the skin which has been erupted by poison ivy causes a secondary infection worse than the ivy poisoning.
Immunity is not dependable. An individual unaffected by one exposure may succumb another time. Not even heavy gloves are dependable protection against contact and infection. Some people are so sensitive to the poison that smoke from a fire in which poison ivy plants are being burned causes their skin to erupt.

Miss Carol Hart's Nuptials Held

Miss Carol Cecilia Hart, daughter of Harry S. Hart of 92 Tooker avenue, and the late Mrs. Hest became the bride Sunday in the rectory of St. James Church, of Emanuel A. Robinson, son of Mrs. E. W. Robinson of 383 Lincoln avenue, Orange. The double-ring ceremony was performed by the Rev. John Milton. A reception followed at the Hart home.

The bride wore a satin gown with a Peter Pan collar and long sleeves trimmed with seed pearls. She carried roses and baby's breath. Miss Nancy Hart attended her sister as maid of honor. Richard G. Nielsen was best man.

Mrs. Robinson is a graduate of Regional High School and the School of Dental Hygiene at West Liberty State College, W. Va. The bridegroom, an alumnus of Pascale High and Upsala College, served with the AAF during World War II and is with the U. S. Rubber Co., Passaic. They will live in Allwood after a trip.

V. R. Colandrea To Take Bride

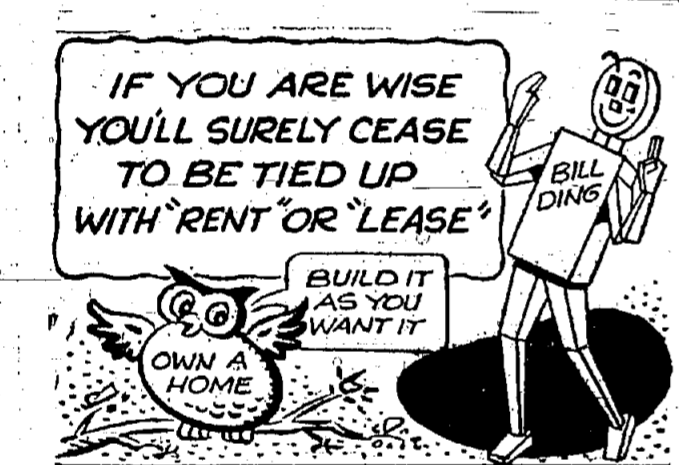

Miss Doris June Kennally's engagement to Vincent R. Colandrea, son of Mr. and Mrs. Benjamin Colandrea of 30 Millburn avenue, has been announced by her parents, Mr. and Mrs. Francis X. Kennally of 22 Oakdale avenue, Maplewood.

The prospective bride is a graduate of Millburn High School and plans to attend Katherine Gibbs School in the fall. Mr. Colandrea, a graduate of Regional High School, is employed by his father.

GIRL SCOUT CORNER
By M. E. PENARD

The Girl Scout Day Camp started its second week last Monday. Mrs. George Harrison is director for the week. Her assistants are: Mrs. Alfred Zurovski, Mrs. John Kennedy and Mrs. Eugene Haggerty for the Scout group, and Mrs. Wilbur Eno, Mrs. Russell Post, Mrs. Carl Ledig and Mrs.

PEOPLE WE KNOW

By KITTY OEHLER
Phone Millburn 6-1278

A son, Thomas Keller, was born July 4 at Overlook Hospital, Summit, to Mr. and Mrs. Francis J. Donovan of 138 Short Hills avenue. Mrs. Donovan is the former Genevieve Keller of South Dakota. The couple have three other children, Barbara Lynn, 6, Francis James III, 4, and John Edward, 2.

Mr. and Mrs. V. W. Penard and family of 39 Lyons place, visited Mr. and Mrs. Robert Ball in New York City last Saturday.

Mr. and Mrs. Robert Smith and sons, Bob, Roger and Barry, of 14 Henshaw avenue, and Robert Shaw, son of Mr. and Mrs. J. H. Shaw of 38 Henshaw avenue, spent last week-end at the home of Mr. Smith's mother, Mrs. Preston Smith, in Bridgewater, Mass.

The birth of a daughter on July 5 at Overlook Hospital, Summit, has been announced by Mr. and Mrs. Charles Calderaro of 228 Short Hills avenue.

Home after a vacation spent in Bay Head, are Mr. and Mrs. LeRoy Emmel, and son, Ricky, of 15 Dayton court.

Mr. and Mrs. A. B. Anderson of 36 Maple avenue, plan to leave tomorrow, Friday, for Greenwich, Conn., where they will visit for two weeks with their son, Charles, and his family.

Janet Leonard, daughter of Mr. and Mrs. Frank Leonard of 890 Morris avenue, and Sandra Penard, daughter of Mr. and Mrs. W. W. Penard of 39 Lyons place, have returned from a two week stay at Camp Lou Henry Hoover, Girl Scout camp at Bear Mountain, N. Y.

Former Township Attorney and Mrs. Herbert A. Kuvins and son, Michael, of 2 Marcy avenue, are on a six weeks' motor trip through the southern states. The Kuvins expect to spend a good portion of the time vacationing on the East Coast of Florida.

Mr. and Mrs. Alfredo Barbato of 54 Main street, are parents of a daughter born July 4 at Overlook Hospital, Summit.

Wendell A. Compton of Roselle, Springfield, reported for the Elizabeth Daily Journal, returned over the week-end following a two week vacation spent at his summer home in Levallette.

John Shea for the Browne group. Mrs. Frank Jahn is in charge of the afternoon programs and Mrs. Henry Vance gives handicraft instructions. Mrs. Frank Kerr is staff nurse.

Monday the girls in the older group made outfits for little dolls. They were so pretty that the Browne group wants to try them next. Mrs. Vance showed the girls how to make napkin rings and belts on Tuesday. A tour of the farms in Union County, under the leadership of Mrs. George Richelo and Adam La Sota of the High School staff, was scheduled for yesterday, Wednesday. More about this next week.

Next week a final resume of Day Camp activities will appear in this paper. We hope that this taste of camp life will encourage more girls to go to established camps.

- HAPPY BIRTHDAY**
- A Happy Birthday is extended this week to the following residents of Springfield:

Censorship of any kind has always been a controversial subject and it remains one of the dangers for which we must be constantly on the alert. We must be determined that American literature shall never be subjected to the restrictions under which that of many countries is now stifled. American writers are free to describe what they see and feel, and in his own way, and the price we pay for this freedom—as we pay for all freedom—is too frequently paid up in books that shackle the finer sensibilities. We can only hope that, as time goes on, the writers may see more clearly or perhaps with less jaundiced eyes, and so depict both the contemporary scene and the historical one, in a more pleasing light or at least in more pleasing language.

Becomes Bride Of H. G. Foerster

The marriage of Miss Joan Ellen Thompson, daughter of Mr. and Mrs. Joseph O. Thompson of 10 Gibson place, Elizabeth, to Henry G. Foerster, son of Mr. and Mrs. Henry A. Foerster of 311 Coolidge drive, Kenilworth, took place Saturday in St. Theresa's Church, Kenilworth. The Rev. George D. Dolerty officiated. A reception followed at the bride's home.

Given in marriage by her father, the bride was attended by her sister, Miss Gladys Thompson, as maid of honor, and Miss Doris Mae Downey and Mrs. Betty Veitinger as bridesmaids. Jack Monney was best man and Frederick Schaeffer and Joseph Thompson, brother of the bride, were ushers.

The bride's gown was of white Chantilly lace over taffeta made with long sleeves and Pelet Pan collar. Her finger-up veil was attached to a Chantilly lace and tulle headress. She carried a cascade bouquet of white gladioli and roses.

The couple will reside at 25 Adams avenue, Cranford, following a honeymoon at Wildwood.

Mrs. Foerster was graduated from Battin High School and formerly was employed as a secretary to William B. Marlow, Elizabeth attorney.

Mr. Foerster, an alumnus of Regional High School, is a machinist apprentice at the A. K. Tool Company, Union. He formerly served in the Navy.

Becomes Fiancee Of H. H. Palmer

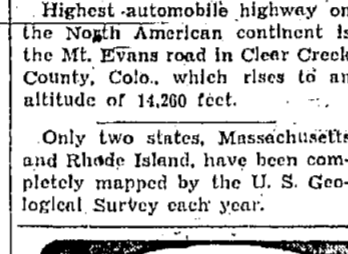

Mr. and Mrs. George Raymond Mills of 21 West Hanover avenue, Morris Plains, have announced the engagement of their daughter, Mary Elizabeth, to Herbert H. Palmer, son of Herman Palmer of 369 Lincoln drive, Kenilworth, and the late Mrs. Palmer. The announcement was made at a tea Sunday afternoon in the Mills' home.

A graduate of Morristown High School and Maryville College, Maryville, Tenn., Miss Mills is employed as a home economics adviser for Public Service Electric and Gas Company, Paterson.

Mr. Palmer is a graduate of Regional High School and was graduated last month with a B.S. degree in physical education from Maryville College.

Highest automobile highway on the North American continent is the Mt. Evans road in Clear Creek County, Colo., which rises to an altitude of 14,200 feet.

Only two states, Massachusetts and Rhode Island, have been completely mapped by the U. S. Geological Survey each year.

Why Coffee Ground For YOUR Coffeepot Gives You Better Flavor - Better Value!

Once your coffee is ground, flavor fades faster. So it's smart to buy in-the-bean coffee and have it ground to order. And only correctly ground coffee gives you all the rich flavor you pay for.

Advertisement for Strand Theatre featuring Humphrey Bogart in 'Sirocco' and 'Tokyo File 212', and 'Children of Paradise'.

Our Arts and Crafts days have been quite full. Many of our children completed lanyards this week. Among these were: Mary Lee Moran, Richard Battelle, Merlyn Muller, Richard Strickler, Ruth Valois, Kathleen Glynn, Bobby Clifford and Richard Minette.

We also started leather work this past week. Leather purses, bracelets were made by Gary Dietz, Melinda Bradley, Marilyn Muller and John Bradley.

Hot holders were made by Frank Zarawski, Donald Immerata, Rita Blomberg and Susan Rivkind. A new tether ball pole has been erected at our playground and we hope to start playing the game next week.

Last Friday afternoon we held our Annual Costume Show. The children had great fun dressing up and all the costumes were very colorful.

Tomorrow, Friday, at 2:30 p.m. there will be a Hobby Show. All children from the Irwin Street Playground are welcome to participate in this contest.

at Union County Park, Springfield, are Robert Zellers, Robert Zeoli and Billy Trivetti, who took first, second, and third places, respectively.

In the broad jump, Vincent Altieri outdistanced Dave Monroe and Richard Fornelli in the senior boys group; and Ray Nendze won first place, Carl Utzat, second, and Robert Zeoli third in the junior boys' group.

An advance detachment of Mess. personnel left Tuesday to attend a four day food service school and to prepare kitchens for the arrival of the main body of troops on Saturday and Sunday.

In the Softball Throw for girls, Sheila Sullivan placed first, Diane Grimmer, second, and Dorothy Augenstein, third.

Town Men Join Guard As Encampment Begins

This week 3,000 soldiers of the New Jersey National Guard including many from Springfield will depart from their home stations on a 400 mile trek to Pine Camp, N.Y., for their annual two weeks of field training.

An advance detachment of Mess. personnel left Tuesday to attend a four day food service school and to prepare kitchens for the arrival of the main body of troops on Saturday and Sunday.

In the Softball Throw for girls, Sheila Sullivan placed first, Diane Grimmer, second, and Dorothy Augenstein, third.

TEAMS TO COMPETE

(Continued from Page 1) Team will be eligible. The county team with the highest standing in the New Jersey State League as of July 15, may also enter. Class A and B entries must be the leading teams in Industrial Club or Church leagues. League directors and the Union Softball Commissioner will determine the classification.

The winner in each class in the County Tournament will be eligible for the State Championships which start August 11. The winner of the Class AA division in the state will qualify for the Middle Atlantic meet to be held at Rochester, New York, August 31, September 1, 2, and 3 and that winner will qualify for the World Championship tournament at Detroit, Michigan, September 10-14.

All entries must be submitted to George T. Cron, assistant superintendent of recreation, the Union County Park Commission, Box 231, Elizabeth, New Jersey, before midnight, July 23.

Softball Race Tightens; PBA Wins Two, Creates Tie For Second Place

By DONALD ROSSELET
The PBA featured last week's softball action with two impressive triumphs. The Police team dumped the Braves, 4-2, and beat the Springfield Sheet Metal team, which has lost five in a row, 8-4. The pitching of Scott Donnington helped the PBA to a win over the Braves at the Washington avenue diamond. The PBA, with the help of a costly error by Whitey Schwerdt, moved into a tie for second spot in the league standings with the 8-4 win. Don Eichhorn belted a home run in a losing cause.

The Indians, fresh from a 5-3 triumph over the Sheet Metal, defeated Strauss Stores, 4-1. The loss dropped Strauss one game behind the league-leading Regional Shoppers which was idle. Hubson hit a home run for the Indians.

Municipal Softball League
W L Pct.
Regional Shoppers 5 2 .750
Strauss Auto Stores 5 3 .625
PBA 5 3 .625

Indiana 4 4 .500
Springfield Sheet Metal 3 5 .375
Braves 1 7 .125

Jobs
Earlier in the campaign, we said something about the Regional Shoppers not winning another cup. But, however, this was before the "The Team" came, so at this point we must take it all back. Off the record, we give the Indians, despite its 4-4 record, the only chance of catching the high-flying Shoppers. Too bad—some more of the townspeople don't come out and watch the games. We have been at most of the games and, with the exception of the time we officiated, have thoroughly enjoyed every contest. And what ever happened to the Sheet Metal team? The new city for the other five teams in the softball loop is "Break up the Regional Shoppers!"

SCHOOL INSURANCE

(Continued from page 1)
insurance coverage for the new building and its contents. A few months ago, while talking with the state agents for two of the better-known insurance companies, the subject of the placement of Springfield insurance on local school property was discussed. It developed that school boards generally divide the school insurance business equally among the locally licensed agents and brokers. For our own information, we contacted the clerks of the school boards in every municipality in Union County as well as several of the larger cities situated close to Springfield. The facts as borne out by our inquiry substantiate the information given us by the State agents—school boards are agents taxpayers licensed to sell Fire and Casualty insurance may all participate in the schools' insurance portfolio.

Lists Other Towns
"We have set forth on the attached sheet the names of the municipalities contacted. You will note that every town in Union County places their school insurance proportionately through their locally licensed brokers and agents except Kenilworth and Springfield. Fifteen out of the seventeen municipalities contacted divide the school insurance among the local men and women engaged in the Fire and Casualty insurance business; Cranford, for example, distributes its school business among eight agents and brokers with one acting as an insurance manager. "We feel that the facts obtained indicate that a review of the board's placement of the school insurance might be in order. After looking into the matter, we hope the board will see fit to make a more equitable distribution among the local brokers and agents in the future."

"We respectfully request the board's consideration when the placement of new insurance business is under consideration."

Hospitals in Japan are now required to have central kitchens and trained employees to prepare food, thus abolishing a requirement that patients furnish someone to prepare food and for other physical needs.

TWO GREAT NAMES

COMBINED TO GIVE YOU GREATER VALUES at LOW PRICES

Grand Union is now operating the Great Eastern and Stop & Shop Markets. The savings made possible through the increased purchasing power of the combined companies will be passed on to all our customers in the form of even lower prices. Join the Grand Parade to the Bigger Grand Union!

GAS

is the Choice of 27,000,000 Women

The experienced cooks and the beginners, the women who try all the tricky gourmet dishes and the ones that stick to 'run of the mill' recipes agree on this: GAS is the favorite fuel for cooking. When asked to cite their reasons they have a long list. Gas is clean, quick, dependable, economical and its response to automatic control is instant.

If you questioned manufacturers, they would give the same reasons for the popularity of gas as an industrial fuel. In factories and in both commercial and home kitchens the trend is to GAS.
