FRIENDS!!

Within the next week every member of the Chamber of Commerce will receive an invitation to attend a dinner meeting of the group at Orchard Inn, Route 29, absolutely free of charge. The primary purpose is to attempt once again to stimulate interest in the local organization. . . . It is expected there will be a banner attendance with expenses for the meal, tips, speakers and entertainers being paid out of the chamber treasury. . . . Joseph Foeltz is handling arrangements and will serve as toastmaster. . . . Invitations probably will be extended to some municipal officials.

The township clerk situation, serving no purpose other than to contribute to create it will in GOP ranks, has overshadowed the Township Committee "conflict" between Republican Fred A. Brown and Democrat H. Stanley Glenn. . . . few persons will disagree with our prediction that Brown will be reelected by an overwhelming majority with or without united support of his own party. . . . they tell us that all these monkeyshines in the local GOP are being eyed very carefully by party leaders in the county. . . . someone is going to get his political head chopped off if things continue to run in miserable fashion. . . . and most of us know who that someone will be, too!

A couple of garage dealers in town who possess the latest in wrecker equipment wonder why the police department doesn't make a habit of dividing the accident haulage business instead of limiting the profits to one concern?

Let's push the politicians aside for the rest of this issue and rest our eyes on the school spirit and great football tennis Regional High produces. . . . you can't have winning teams unless you've got the zing, punch and enthusiasm to make them. . . . Regional has proven it has what it takes to go places again this year. . . . everyone, including the Board of Education, the principal, teachers, coaching staff, student body and players, deserve a vote of praise, not only for winning football games but for bringing some semblance of pride in a community which all too often finds itself in the throes of bickering and political hatred. . . . as a result of the victories of both teams last Saturday, thoughts of another Timmering Day are involving undefeated Parkway and Regional eleven obviously must be ended prematurely, but the possibility can be considered.

Hats off to the Lions Club for last week's successful picnic. . . . more than 700 local youngsters were entertained and fed to capacity by a group of men who took time off from their everyday routine to provide a banner afternoon for the kids.

There's a barber shop out Mountaintop way where local politicians get the once-over figuratively as well as literally!

G.O.P. PLANS DANCE
The Springfield Republican Club will hold a Square Dance on Friday evening, October 5, at Old Evergreen Lodge. George Hill and his Hillbillies will provide the music and dancing will begin at 8:30 p.m. Mrs. Amy Boudreau is chairman of the affair and Mrs. Edwin J. Schnell, co-chairman.

Introducing New Teachers

This is the third and final article in a series, picturing and describing the new instructors who have been added to the staff of the Springfield school system this year. . . .
MRS. VIRGINIA G. REYNOLDS, teacher of fourth grade at James Caldwell School, formerly taught fourth grade in Livingston. She attended Newark State Teachers College and Montclair Teachers College and holds a B.S. degree. She is a resident of Livingston.
LILLIAN V. HAYWARD of 445 Meisel avenue, teaches fifth grade at James Caldwell School. She attended Geneva College and Newark State Teachers College, and holds a B.S. degree. Last year she taught in Millburn.
MRS. OLGA R. TIMKEN, teacher of fourth grade in Raymond Chisholm School, received a B.S. degree from Seton Hall University and is now a graduate student at New Jersey State Teachers College. A resident of Newark, Mrs. Timken taught in Newark last year.

Regional Beats Hillside, 21-13

RHS Gains 18th In Row; 2,500 See Herman Star

By DONALD ROSSETT
Regional and Hillside met for the initial time in a gridiron battle last Saturday, and the Bulldogs emerged victors, by 21-13 before 2,500 at the local grounds. Smart quarterbacking on the part of Judd Herman gave the local heroes a triumph, which at this early stage of the campaign, might help decide the sectional championship. With Regional and Parkway on the down grade after the dramatic 7-7 deadlock on Turkey Day last year, a re-shuffling of the county powers was in order, but as has been the case in the past few seasons, only the two arch-rivals were impressive in their respective debuts. Parkway (26-12 winner over Dover) and Westfield (10-6 conqueror of Somerville) and one of the county entries, which figures to break into the Sectional-Bulldogdomination of Union County Group III (football) meet next Saturday. Hillside, ready for Group IV competition after the Regional pasting; Summit, also unsuccessful in its debut; and Linden were rated an even chance in the sectional race. Following football's first big Saturday, only Linden showed any signs of rising to the Regional-Railway heights.
After a scoreless first period in the Regional-Hillside fray, the Bulldogs threatened early in the second quarter. Herman sparked a drive that culminated in a 10-and-one foot-quarterback sneak, sent over for a 10-and-one yard gain. The Regional Junior picked up a 3-and-one on the 10-and-one on a one foot-quarterback sneak, sent over for a 10-and-one yard gain. Summit to Have First OPS Citizens' Group in Area

Summit has been selected as the first city in the Newark OPS district to form a Citizens' Committee for the control and administration of OPS regulations. A group of local businessmen were told last Thursday evening by Thomas J. McGarry, deputy director of the Office of Price Stabilization at Newark.
Speaking before the full general meeting of the Summit Area Chamber of Commerce, and at the special invitation of Mayor Prelvina M. Bland, Mr. McGarry explained that similar committees will be formed in the sixty communities of 10,000 or more population in the Newark district jurisdiction and Summit will be used as a model for other municipalities.
The OPS office recommends a citizens' group of possibly thirty persons, half of them representing consumer interests and half representing retail and industrial interests. Meetings should be held monthly and the primary task of the Committee would be to aid in the effort of price control on a strictly local level by informing the general public as to rules, regulations and methods of OPS.
The group, the OPS official stressed, would in no way be a "snooper" committee but it may serve as a grievance committee by hearing complaints from any person, consumer or businessman, and passing these complaints on to the main OPS office for action. A member of the Newark OPS staff would sit in on all local Committee meetings, he added.
These committees, it was said, would perform a function of clearing up local misunderstandings concerning OPS regulations and would be a community project. Various sub-committees would be formed to assist the main body in its work. For example, a "small business" sub-committee would confine its activities to that group of businessmen.

Albrecht Services Held In Cleveland

Funeral services were held last Thursday for Willard J. Albrecht, a former resident of Morris avenue, who died recently after a long illness. He had been under treatment at the Ohio Veterans Hospital, Cleveland. He had been a resident of East Cleveland, O., for several years. He lived in Springfield for many years.
He is survived by his wife, Mrs. Lena Albrecht; two daughters, Mrs. Wanda Stiebeling and Mrs. Garnet Kay; and three grandchildren, all of Cleveland.
Masonic services were held September 19. Interment was in Aetna Masonic Memorial Park, Cleveland.

Mental Health Clinic To Be Brazilian Model

Union County's mental hygiene clinic operated by the Union County Mental Hygiene Society at Plainfield, a member of the Summit Community Chest, will be used as a model for a similar organization to be established in Brazil.
A Brazilian psychiatrist, Dr. Jay Acrua, sent to the United States by his country, has been making a study of mental hygiene clinics throughout the nation and narrowed his survey to New Jersey.

High Bids Stymie School Building Program; Board Seeks New Referendum

Split In GOP Ranks Widens On Clerk Job

The split in the local Republican party widened today as Mrs. Eleanor Worthington, regular party candidate for township clerk, criticized the independent candidacy of former Mayor Wilbur M. Selander and his supporters hurled defiance at the Republican Municipal Committee's manner of selecting its nominee. With the gap widening there were indications that this rock-ribbed Republican community may elect a Democrat to take the prize political plum.
Mrs. Carolyn Harmon, acting township clerk, today revealed that she will not be a candidate. Although her formal support of the former Mayor has not been announced it is generally expected that later in the campaign it will be made known that she is backing his candidacy. It has been reported that in the event of Selander's election, Mrs. Harmon will consent to retain her job as assistant clerk, a position she has held for the past decade.
The unknown factor in the increasingly complex situation, however, is the identity of the Democratic candidate. A delegation of Democrats recently obtained a petition with a view to filing for the nomination. Indications yesterday were that they may not make public their choice until the deadline which falls early next week. The minority party apparently has decided it is easier to big chance and is making certain it will make no errors in its campaign to steal the coveted job from the Republicans.
It is understood the Democrats are saying they missed control of the township a few years ago by one vote and they are not going to slip up when their opponents face a split. "It's our year," they are alleged to be telling their other observers, noting the bitterness surrounding the opening of Mrs. Worthington's and Selander's campaigns, are inclined to believe the Democrats are not overrating their chances.
The Selander campaign committee today made public a letter from Township Clerk Robert D. Trent, congratulating the former mayor on his decision to seek the post. Trent said, "Being associated with you for twenty-seven years in official township business starting with our work as fellow members of the Board of Education in 1924, I feel that I am in a position to know that you are fully qualified to handle the responsibilities of township clerk."
"During the many years working together in township committee affairs, I was impressed with your keen insight and good judgment relative to vital matters that had

Harmon Is Out; Democrats Eye Complex Setup

The Springfield Republican County Committee held a meeting at the home of its chairman, Wilbert Layng, Sunday night. The following members were present: Daniel Wendland, Daley Johnson, Charles Beardsley, Margaret Runcie, Max Sherman, George McMillan, Robert Anderson, Julia Brown and Andy Bandemer. The purpose of the meeting was to organize the campaign for the coming November general election. Layng was elected campaign manager and working committees were set up. All members present pledged themselves to work for the regular Republican ticket from the top down through Township Committee and Township Clerk.

Church Group Will Hold Elections

Election of officers will be held at the October 3 meeting of the Ladies' Benevolent Society of the First Presbyterian Church. The meeting will be held in the church auditorium at 2 p.m. Officers and committee chairmen will give their annual reports. Guest speaker will be the Rev. Bruce W. Evans, pastor of the church.
Fall meetings of the Elizabeth Presbyterian will be held at the First Presbyterian Church, Rahway, at 10 a.m., Tuesday, October 2. Local members who attend should take their lunch, a cup and spoon. If transportation is desired, phone Mrs. Paul Voelker, Millburn 4-6448-R.

Union Jr. College Starts 18th Year

The eighteenth academic year of Union Junior College was launched last week with orientation classes. Dr. Kenneth C. McKay, dean, said enrollment probably will reach 400, which he said was a decline of approximately 5 per cent. This is less than was anticipated by many colleges this year.
Also organized was a battery of the 93rd Field Artillery Battalion, Organized Army Reserve. Students were addressed by Dr. Mackey, Maj. G. V. Kullner, of Ft. Monmouth, battalion commander, and Col. H. Russell Morse, commander of artillery in the parent 78th Division.
Members of the reserve are not subject to induction and go on active duty only when their entire unit is called up. It is expected the response at the college will provide personnel for at least two batteries of twenty-seven men each.

Assigned to 9th Infantry Outfit

Captain John F. Peterson of the Far East Command, has been assigned to the 9th Infantry Division, Fort Dix. His wife is the former Elizabeth R. Bouwmeester of Springfield and they have two children, Lisbeth Ann and John F., Jr.
Captain Peterson is credited with ten years of service and served in the European Theater of Operations during World War II. He was awarded the Bronze Star Medal and Purple Heart for his participation in the action at Ardennes and the Rhineland. He also served in the Far East Command and fought in the Korean Campaign.

Referendum on Ballots For More Park Funds

Union County residents will be asked to vote for or against increased funds for county park maintenance in a referendum at the general election in November. And according to the County Park Commission the present allotment is inadequate.
If the referendum is approved it would allow the Board of Freeholders to appropriate up to one mill per dollar of assessed valuations for county park maintenance instead of the present three-quarters of a mill.
At a news conference held last week at the Winfield Scott Hotel, Elizabeth, commission officials estimated that approval of the referendum would raise the park maintenance allotment by approximately \$150,000.
This year the appropriation from the Freeholders amounted to \$442,000. Of this amount \$405,077 went for maintenance and \$37,022 went into the state pension fund for park employees.

GOP Committee Plans For Nov.

The Springfield Republican County Committee held a meeting at the home of its chairman, Wilbert Layng, Sunday night. The following members were present: Daniel Wendland, Daley Johnson, Charles Beardsley, Margaret Runcie, Max Sherman, George McMillan, Robert Anderson, Julia Brown and Andy Bandemer. The purpose of the meeting was to organize the campaign for the coming November general election. Layng was elected campaign manager and working committees were set up. All members present pledged themselves to work for the regular Republican ticket from the top down through Township Committee and Township Clerk.

Town Voters To Be Asked For Additional \$150,000

The Board of Education today is making plans for another referendum at which township voters will be asked to authorize appropriation of an additional \$150,000 to finance construction of the projected, one-story, sixteen-room upper grades elementary school. Decision to seek the additional sum was made Tuesday night after construction bids indicated the original appropriation of \$650,000 will be insufficient to finance the program.

Quinton Installed As Legion's Head

Herbert W. Quinton, Jr., was installed as commander of Continental Post 228, American Legion, recently.
Other officers inducted were: Vice-commanders, John A. Schock and James M. Cawley; finance officer, William H. Young; sergeant-at-arms, George Y. Tuzman; cheerleader, Gerard Colantone and adjutant, Everett L. Martling.
The new commander was installed by his father, H. W. Quinton, Sr., who is a past commander. It was the first time in the history of the post that a past commander's son was inducted as commander.
Past Commander Charles A. Zoeller, ritual chairman, was in charge of the installation. Members of the auxiliary and other guests were present.

Variation Plea Is Studied Here

The township planning board is scheduled to consider another application for a zoning variation to permit construction of a fifty-unit garden apartment development. The applicant is Paul V. Ness, of Short Hills, owner of nurseries here and in Maplewood. He is seeking a variation for the twenty-five acre tract north of Morrison road. Ness is the prospective builder.
Harry Silverstein, Millburn attorney, who represents Ness, said that only six acres in the western section of the tract would be utilized for the development. Ness owns the tract. About 18 months ago, Ness requested rezoning of the entire tract for construction of a considerably larger development. Silverstein said the project was abandoned, primarily because the cost was believed to be prohibitive.
In the event the Township Committee adopts an ordinance rezoning the site from residential "A" to "D," construction can be commenced immediately, according to Silverstein. Plans for the development have been prepared by McMurray and Chirgoff, Union architects, he said.
Final action will hinge on the Township Committee. The planning board merely makes recommendations.

First Aid Squad Continues Drive

The 1951-52 drive of the Springfield First Aid Squad is 75 per cent completed, it was announced today by Willard Watkins, drive chairman. He revealed that the squad has attained 80 per cent of its goal. The campaign will be continued into next week.
All calls will be completed this week. Persons who were not home at the time of the original call will be contacted next week.
The squad this week participated in the "dry run" civilian defense test in which they reported to Chatham police to rescue an alleged victim in part of a simulated disaster. The run was made in connection with the New Jersey State First Aid Council Mobilization Plan, in which outside help was called from a number of municipalities.
Squad members who participated were Harold Moser, Mrs. Ormond Moser, Mrs. Bruce Linnick and John Wilcox.

Boosters to Plan For Fund Drive

The Regional High School Boosters Club will meet tonight in the high school auditorium to make plans for the 1951-52 fund drive. Officers will be nominated. A color picture on the new rules of football will be shown. There will be a short talk by a football official.

PTA Makes Plans For School Year

Plans for fall and winter activities were made Monday night by members of the Springfield Parent-Teachers Association at the first meeting of the season at the Raymond Chisholm School. All members were the colored oak leaf, emblem of the National Congress of Parents and Teachers.
Announcement was made that the year's program is based on the theme "Youth and Preparedness." Classrooms were opened for visitations with teachers prior to the meeting.
New teachers were introduced by Supervising Principal Benjamin F. Newswanger. George D. Harrison, vice-president of the Board of Education, presented school board members. The invocation was made by Rev. Bruce W. Evans, pastor of the First Presbyterian Church. Hostesses were the eighth grade class mothers of both the Chisholm and Caldwell Schools.
Edward Z. Wronsky presided at the business meeting.

Tim Sheehan May Be Party Choice

Springfield Democrats today are in a cold sweat in decision of their candidate for township clerk. Currently it looks as if Timothy J. Sheehan, former candidate for the Township Committee, may be the party choice. Former Fire Commissioner Francis J. Keane has an outside chance but Sheehan is reputed to have the inside track.
Herman Scriba, chairman of the Democratic Municipal Committee, today told a Sun representative the party realizes it has the opportunity of a lifeline in electing a municipal clerk in a field of a Republican split. He indicated party leaders are sweating it out for many who might have been popular choices actually have rejected the nomination.
Democrats concede that naming Sheehan may alienate one faction of the party. But Sheehan fills the bill of being a well known political personality and that's what counts, they say.

HOURS: Daily 10:30 A. M. to 5 P. M. Mon. & Fri. Even. 7:30 to 9 P. M.

It is always reassuring to find that the old books are being recognized for their true worth by each succeeding generation of readers. With modern methods of publishing and the ever increasing number of books being published, the competition is keen but the result always gratifying.

This applies to both adult and juvenile books for reprints of the classics for all ages are in constant demand. There is always some one getting their first taste of Dickens, thrilling to the deeds of King Arthur and his knights or discovering Jane Austen and the Brontës. Among other old favorites worth rereading are David Grayson, Robert Louis Stevenson, Booth Tarkington, Joseph C. Lincoln, James Fenimore Cooper, O. Henry, Albert Payson Terhune and Rudyard Kipling. Books written by these authors are suitable for young and old. The stories of the lives of these famous people make delightful reading too and in the children's department biographies are often first choice and always one of the three most popular, the others being mysteries and the beloved horse stories.

Among the new books this month include—"The Picture Window" by Josephine Lawrence—"Moses" by Sholem A. Asch—"Fables" by Olive Higgins Prouty—"The Holy Sinner" by Thomas Mann—"Point

Viewed" by Susanne McConaughy "Defender's Triumph" by Edgar Lustgarten—"The Nature of Things" by Dr. Roy K. Marshall and "Across World Frontiers" by Thomas W. Lamont.

What may have been the world's first fashion books were written in the 16th Century, one by a Swiss printer and the other by a Spaniard, Juan de Alcega.

Experts Agree Correct Grinding Gives You Better Coffee Flavor

Experts agree that fresh coffee, ground exactly right for the way you make coffee, gives you better flavor. Homemakers evidently agree, because the coffee that outsells any other offers "Custom Ground" service. There is no extra charge for this, either. In fact, compared with "factory ground" coffees of like quality, this American favorite offers substantial savings. What coffee is it? Superb A&P Coffee—the coffee of magnificent flavor. Try it! You'll agree with the experts—Custom Ground A&P Coffee does taste better.

LETTERS from Our Readers

Open Letter From Robert Trant
Editor, Sun:
Dear Wilbur:
Having read in a recent issue of the Springfield Sun that the former Mayor has definitely thrown his hat into the ring, I wish to congratulate you.

Being associated with you for 27 years, in official township business, starting with our work as fellow members of the Board of Education in 1924, I feel that I am in a position to know that you are fully qualified to handle the responsibilities of Township Clerk.

Township. You always took a great interest in the many responsibilities of the Township Clerk's office, and followed them so that you might the better be prepared to pursue your duties more efficiently, as Chairman of the Township Committee.

Deciding upon the selection of a Township Clerk is similar to the designation of a Secretary of a large corporation. The taxpayers of the Township of Springfield are the stockholders of the municipality, and I hope that they will on November 6th elect a Township Clerk who is familiar with the duties of the office and who is well qualified to "carry on."

Sincerely yours,
ROBERT D. TREANT.
To the Voters.
Editor, Sun:
All these Springfielders who were Public Spirited enough to rally to the support of Wilbur M. Selander's bid for the office of Township Clerk, by coming out and signing his petition are to be commended. Many who were unable to do so have indicated their willingness to vote for him in November.

If there is more than one Republican Candidate for this office, the writer does not believe this will mean any wide split in the Republican Party. It simply will mean that certain of us are not satisfied with the way the County Committee decided upon a candidate. It means that those of us who are solidly behind Wilbur M. Selander would have supported him the same way had his name been presented at the regular Primary.

Had the County Committee Chairman insisted upon the proper closed ballot and listed all four of the candidates, we firmly believe that Wilbur M. Selander would have been the leading candidate. The fact that the voting was done by a show of hands indicates that the method was not proper procedure.

This coming election is to be a definite opportunity for everyone to be recognized as a good citizen rather than a selfish politician. As voters we must look for a way to reward the Township of Springfield. Victory for Wilbur M. Selander means that we shall also be fortunate to retain the services of Mrs. Carolyn Harmon, making the Township Clerk's Office an efficient one for the benefit of all citizens.

Let's all indicate at this next election, by a large vote for Wilbur M. Selander that the Republican Party is stronger than ever before because they are now considering Service to the Voters rather than rewards to politicians. Many of our cities throughout the nation would do well to copy after Springfield and decide to consider at election time what is right and best for those who pay the taxes and see that they get the

most for what they spend. Let's put the Citizen in control, no matter what politician may think he should be rewarded.

"BILL" C. JENSEN,
Campaign Manager for
Wilbur M. Selander for
Town Clerk.

From Eleanor Worthington
Editor, Sun:

I feel it is time to make a statement concerning my candidacy for the position of Township Clerk. When Mr. Trent resigned, we in Springfield were faced with the problem of filling the position which he had held for 25 years, and which because of the growth of the Township has become increasingly more important.

Upon reflection and investigation I realized that the work of the Township Clerk's office was in many respects similar to much of the work that I have been doing as a legal secretary for many years. I felt that my background fitted me for this position and that it was a position which a woman could fill. After further inquiry I learned that women held similar positions in other municipalities all over the State.

I then contacted the members of the Republican County Committee to submit my candidacy. I followed strictly the spirit and letter of the election laws of this State. The duty of selecting a candidate for the position of Township Clerk when there is a vacancy in that office after a primary, is expressly given to the County Committee of each party. The procedure which I followed was open to all members of both parties in their respective

County Committees.
There were four candidates under consideration by the Republican County Committee, one of whom was the independent candidate. However, the Republican County Committee after deliberation saw fit to name the as their candidate. In announcing my candidacy I made it very clear to each member of the Republican County Committee that if they decided upon another candidate I would abide by their decision and support the candidate of their choice. The independent candidate said in the August 23rd issue of The Springfield Sun that he would make the run in the event he is given the support of the County Committee, and further stated, "There may be other candidates who are interested and I do not want to create a split in the local Republican Party."

I have always worked for and supported the Republican Party organization and its candidate, including the independent candidate. In the past when the independent candidate ran for public office he always welcomed and accepted the support of the Republican Party organization, which Republican Party organization he now repudiates.
ELEANORE H. WORTHINGTON.

a hearing upon the future of the township. You always took a great interest in the many ramifications of the township-clerk responsibilities and followed them so that you might the better be prepared to pursue your duties more efficiently.

as chairman of the township committee.
Mrs. Worthington in her statement charged that in the event she had not been selected she would not have been an independent candidate. She said she would have abided by the County Committee's choice, and claimed that Selander has failed to observe his promise to do so. She said she had always supported the Republican party organization and its candidates, including Selander, and asserted that the former Mayor had always welcomed support of the Republican party organization which he now is repudiating.

Bill C. Jensen, campaign manager for Selander, declared the Republican Municipal Committee probably would have selected Selander in the event the chairman had insisted upon a closed ballot instead of a show of hands. He said the procedure which was followed was not proper. He pointed out that victory for Selander also means retention of Mrs. Harmon as the clerk's assistant.

The campaign manager said the presence of more than one Republican candidate did not indicate a split in the party but merely meant that there are party members who are not satisfied with the manner in which the County Committee selected the candidate. He cited the many persons who have signed Selander's petition.

BY DONALD ROSSETTI

Captain John Brown Speaks

In an exclusive interview with Regional mentor John Brown following his team's 21-13 victory over Hillside, he told us:

"Because of the lack of time for conditioning, we spotted many weak spots. But, with our young club, we are hopeful of rapid progress. I told the boys at the half that we would need another touchdown and they went out and got it. Our shortage of reserves forced us to use some men most of the game."

"We found out that Herman to Pepe was a good pass combination. Scouting showed a weakness in the Hillside right halfback defense and therefore we connected on two passes to that spot. Joe Cannonio's running and punting will help out."

"Dick Scheffler played a wonderful game and along with his co-captain Dick Beyer, who held the ball, kicked three good extra points."

Hillside-Regional Rivalry To Begin?

When a foot rivalry forward last Saturday and booted an egg-like ball a new Union County rivalry had begun. It is the hope of all Regional that this venture into the sports world shall live up to all expectations. If the previous athletic relationships can be used as a guide, that two schools can look forward to many years of keen competition and rivalry.

Jay Vee and Freshman Football

The local freshman grid team ran roughshod over a hapless Hillside frosh outfit to the tune of 33-0 at the local field last Monday. The RHS Jay Vees didn't fare as well. The local lads played a scoreless tie on the same date at Hillside. The freshman play Plainfield at home tomorrow (Friday).

of the top rookies in the major leagues this year have last names beginning with M. — Orestes Minoso, Gil McDougald, Willie Mays, Mickey Mantle, Cal McGLISH, Tom Morgan and Luis Marquez. . . . The Regional Booster Club meets tonight at 8 o'clock. . . . Report of scouting party which saw Bernardville and Roxbury collide last Friday night. . . . Bernard's big, but inexperienced. . . . Regional needs only four straight victories to tie Hillside's 22 game win streak set in 1942-44. . . . Regional has turned out an outstanding back for the last four seasons. First Ray Vohden, then Frank Chornikow, next Ken Belliveau, and finally Frank Prank dese. Who, if anyone, will it be this year? . . . The last team to beat RHS on its home field was Railway in 1948. . . . It was a case of Springfield, Massachusetts for Springfield New Jersey as Harvey Harman, Rutgers grid coach, moved up Joe Triggs of the former Springfield to play a defensive gap vacated by local boy, Ray Vohden. Vohden, out of the safety mtn position, suffered a strained groin and knee in a scrimmage with Pittsburgh.

HIGH BIDS

 However, with both schools operating on double sessions the Advisory Citizens' Committee on Education and other groups agreed that the school was in mandatory item on the agenda. It is believed that the current school housing congestion is so acute that the voters will not fail to approve the additional appropriation.
