OFFICIAL NEWSPAPER

SPRINGFIELD, N. J., THURSDAY, MAY 1, 1952

TOWNSHIP OF SPRINGFIELD

10¢ A COPY, \$3.50 BY THE YEAR

## LISTEN

FRIENDS!!

Allstate Insurance Company's decision to withdraw its application to locate in Springfield, which was prompted by scores of vigorous protests, was another horrible blow to this community's rising tax rate. . . local authorities say we will lose about \$20,000 a year in taxes. . . chances of the company selecting another local site for its undertaking appear pretty remote. . . oh, well, we're accustomed to disappointments!

The Albate meeting in town hall last week was a humdinger. . . horn of the affair, of course, was Committee man Walt Baldwin, who had the throng of opposing residents with him. . . the officials who deserve credit for displaying the courage, right or wrong, of their convictions in the matter were Mayor Bob Marshall and Committee man Al Binkler. . . Fred Brown said he wanted to "sleep on it" while Fred Handville, coming up for reelection, said about as much as nothing.

Town fathers here and in other towns receive many complaints, but one filed truly locally topped them all. . . "There are pigs, chickens, frogs and dead fish, and everything is surrounded by a stagnant water," said the letter.

The Lions Club's "Plant Springfield" program will soon result in a complete new look being given the triangle which now presents so ugly an appearance at Morris avenue and Prospect place. . . with cooperation from the town road department, the area will be graded, shrubbed and planted. . . once the project is completed one of our ex-freeholders will have to find a new spot to park his Cadillac!

Herb Kavin, former township attorney, came through Springfield last week-end from Florida. . . he stepped long enough a my hello to a few friends.

Morris avenue merchants, already plagued by the rush-hour parking ban, are now worried about a plan to build a highway by-pass. . . this may help to relieve the tension. . . according to the American Society of Planning Engineers, rerouting of highways to by-pass business districts usually brings more business instead of less to the merchants. . . the society, cited a study made by the California highway department, which investigated the effect of turnpikes and throughways on business and land values in five by-passed California towns. . . in North Sacramento the four-mile business-street served as a highway for cross-street traffic until 1917, when a by-pass was built. . . in the next few years, overall volume of retail business in the by-passed streets increased 48.5 percent. . . similar experiences were noted in Auburn, Calif., and several other towns.

There have been reports that Regional High's new school site will be in Clark Township, across from the Charles Brewer School. . . this is said to be the choice of the board after voters rejected the Mountainside site, but all has been quiet on the subject at the last two board meetings.

One of the most bitter opponents of the Short Hills Village apartment project, a man whose ravings were somewhat instrumental in bringing about the servery court case recently, admitted publicly at an oral together last week that "these apartments really look good after all."

## JUDY HOLLIDAY

Judy Holliday, who won nationwide fame and an Oscar for her highly original portrayal of Billie Dawn in "Born Yesterday," is again winning hearts in an entirely different role, that of Georgia Allerton in Elnor Rice's "Dream Girl" which is playing a special two week engagement (May 3-17) at the air-conditioned Maplewood Theatre, Maplewood, N. J. nightly except Sunday, with matinees Thursday and Saturday.

## DANCING RECITAL

A dancing recital will be given by members of Mona A. Jenkins' dancing classes on Friday evening, May 16, at 8 p.m. in the Regional High School auditorium.

## GOP Eyes Job Of Postmaster For Next Year

### Turk Holds Post For 12 Months On Acting Basis

Observers here are puzzled over failure of the President to make a permanent appointment of a Springfield Postmaster. George M. Turk was appointed acting postmaster on April 30, 1951. The Springfield Sun in January of last year carried an exclusive story revealing that a new postmaster would be named in the Spring.

The most instances of permanent appointment follows designation of an acting postmaster. Unless there is another possible appointee involved, designation of a postmaster on a permanent basis generally is routine procedure, observers point out.

As far as is known Turk has no formal opposition for the post although Timothy J. Sheehan and H. Stanley Glenn apparently were interested when the temporary appointment was made. The permanent appointment of a Union Township postmaster was delayed for nearly three years but this involved the passing over of a disabled veteran. The situation here is entirely different.

In the event Turk is not nominated by President Truman for the appointment and confirmed by the Senate before the end of the year, there appears to be a considerable element of doubt as to whether he will be the permanent postmaster. The answer is that there is no certainty there will be a Democratic president in 1953. Of course, any appointment of the new president could be refused confirmation by a Democratic Senate but there is no certainty that the Democratic party is going to retain control of the upper house. It is no secret that local Republicans were dismayed when the only federal patronage plum in the municipality went to Turk who is popular with the Republicans. A slunk at a Sunday School party.

It is not inconceivable that some of the G.O.P. leaders, hoping for an Eisenhower victory in the convention and subsequently in November, may be pulling all the Washington strings they possess to keep the permanent appointment from Turk. Reports are to the effect that in such an event the next postmaster may be Mayor Robert W. Marshall.

However, Turk has never gone down without a fight and it's a odds bet that President Truman will nominate him for the post unless some other Democrat has gone over the head of Edward A. Wielen, Democratic county chairman, to place another name before the President.

In the meantime Republicans are taking increased hope that there will be further delay to benefit them. The job is considered lucrative and plenty of people in this area would give an arm for it, to use the vernacular.

## NAMED ASSESSOR

Richard C. Horner, former member of the Township Committee, last night was named to the Board of Assessors to fill the unexpired term of Lewis F. Macintyre who recently resigned. The action was by unanimous vote of the Township Committee following a 3-2 ballot defeating Charles Ferrugia for the post. Committee men Fred Brown and Walter W. Baldwin voted for Ferrugia while Mayor Marshall and Committee men Arthur Handville and Albert Binder voted opposed. Horner, a resident of Springfield for 26 years, lives at 297-Northview terrace. He is active in defense work and formerly was a member of the Town Planning Board.

## Morris Ave. Apart. Project Approved

The Township Committee, following executive session last night, gave its preliminary approval for creation of a 48-family garden apartment dwelling on approximately four-acres of land on the south side of Morris avenue, between Baltusrol avenue and Baltusrol way. The project will cost approximately \$400,000.

Application for the development was rejected nearly a year ago by the Board of Adjustment. Meanwhile a court case on the subject appeared imminent and local officials were advised it seemed hopeless for the town. Several concessions have been granted by the developers including a reduction from the original number of apartments, larger off-street parking areas and further setbacks. Harry Silverstein, Millburn attorney, representing the developers, conferred last night with the Township Committee.

## Kindergarten Round-Up Set

Dates have been set for the annual local Kindergarten Round-up. Kindergarten children will be registered on Wednesday, May 14, from 1 p.m. to 3 p.m., and Thursday, May 15, from 9 a.m. to 11 a.m. All registrations will be conducted at the Presbyterian Church School rooms; these are the rooms currently used for kindergarten classes.

Parents of kindergartners who were in Springfield at the time of the recent P.T.A. pre-school census will be informed through the mail as to the exact time they should report with their children. Parents who are not notified by mail should report at 1 p.m. on Wednesday, May 14, with certificates of birth, vaccination, and diphtheria (Schick test) and whooping cough inoculations.

The school physician and dentist will be present at these designated times. All parents have been urged to register their children on these specific dates; no other registrations will be held until the latter part of August.

## Town Cancer Drive Starts On May 15th

### Full Canvass Of Industry and Homes Planned

Springfield's fund solicitation phase of the Cancer Crusade will start May 15, it was announced today by Charles Justice, chairman of the township's campaign division of Union County Chapter, American Cancer Society. The fund appeal here was delayed, Mr. Justice explained, to avoid conflict with pleas of other organizations. Although this community probably will be the last in the county to launch its solicitation, Mr. Justice expressed optimism that its goal will be achieved. He explained that a special solicitation will be made among industrial, business houses and organizations, to be followed by a house-to-house canvass.

"In former years," Mr. Justice continued, "Springfield led the county in the effectiveness of its fund appeal for the Cancer Crusade. We are confident that our delayed start, plus careful organization, will enable this community to regain its position. The delay here this year will receive added impetus from the new group of women who are operating as part of the society's voluntary services group."

"We appeal to every resident to support the fund appeal which is a personal message, as all of us have knowledge of the ravages of cancer. The answer, of course, is the American Cancer Society's hopeful message that cancer can be cured when uncovered by early diagnosis. Right now, cancer strikes one in five; strike back at cancer and help protect yourself, your family and your neighbors."

Contributions may be made to Mrs. Eleanor Worthington, treasurer of the committee. Other details have been assigned as follows: Publicity, Richard White; business and organization solicitation, Charles Quinzel; house to house canvass, Herbert J. Levin, and general advisors, Joseph Foelt and Charles F. Heard.

## Women Plan Club Day Flower Show

The Garden Department of the Woman's Club of Millburn will sponsor a Flower Show to be given on the regular Club Day, Friday, May 9. Members have been urged to make one or more entries.

The classes, with the exception of one, have been planned so that arrangements may be used in any home. The classes follow: Kitchen Caper, an arrangement suitable for a kitchen; arrangement using a tea cup and saucer, arrangement for a coffee table, arrangement for a radio or television set, "As I Like It," in a favorite container, and "There's Always a Time for It."

There will also be an invitation class for neighboring clubs called "The Merrie Month of May," but these entries will be judged separately and will not be in competition with the Millburn Club's entries.

## Civil Defense Leaders Praise Results Of Test

### Town Lists Ten New Stop Streets

Fines of \$25 are provided for violations of stop streets established at ten intersections in an ordinance which will be considered by the Township Committee for final approval, Wednesday, May 14.

The measure provides that violators may be subject to a fine of not more than \$25 or imprisonment for ten days in the county jail or both, in the discretion of the court.

The through streets at the intersections are: Mountain avenue at Sherwood road; Mountain avenue at Nelson place; South Springfield avenue at Shumplee road; Flerer avenue at North Trivet avenue; Flerer avenue at Mountain avenue; Mountain avenue at Mages avenue; Mountain avenue at Remer avenue and Mountain avenue at Edgewood avenue.

## Lutherans Set First Communion Service

The Springfield Lutheran Church will celebrate its first Communion Service this Sunday, May 4, at 10:45 a.m. in the Raymond Chisholm School Auditorium. The participants will be the forty communicant members which the church welcomed into its fold last Sunday.

## Regional Teacher Completes Course

Gall E. Koplin, mathematics and science instructor at Regional High School, has just completed the advanced course, Radiological-Chemical Monitoring for Civil Defense, at Montclair State Teachers College.

## Springfield PTA Elects Officers

Mrs. L. E. Skousen was elected president of the Springfield Parent-Teacher Association, Monday evening at the James Caldwell School. She succeeds Edward Wronsky, retiring president of the organization.

## Newarker Faces 3 Auto Charges

Peter R. Pocius, 17 years old, of 245 Smith street, Newark, will be arraigned in Municipal Court, Monday, May 12 on three motor vehicle violations. He will face charges of reckless driving, driving an unregistered car and driving a car with an improper muffler.

## Local Resident In Stairs Fall

Mrs. Martha Hoehn, 53 years old, of 11 Lewis drive, is recovering from injuries suffered recently when she fell down the cellar stairs of her home. She was given first aid by the Rescue Squad and was removed to Overlook Hospital, Summit.

## Capacity Audience Sees Lions Show

The Springfield Lions Club presented its sixth annual "Lions Roar" show last Friday evening in Regional High School Auditorium before a capacity audience.

## Parking Banned On Two Streets

Parking restrictions on two thoroughfares in the township will be curtailed if the Township Committee passes on final reading a measure which was introduced last week.

## Anderson, Mayor Say Any Flaws Will Be Checked

Civilian Defense leaders generally were high in praise of the various units and the manner in which they swung into action Tuesday in the first State-wide alert.

## Springfield Boy Wins Five Awards

Twelve-year-old Raymond Walsh of 102 Tooker avenue, brought fame to Springfield when he won five blue ribbons at the annual Trail Club of Essex County Horse Show at the Montclair Riding Club Saturday.

## Barn Dance Set By Country Oaks

Plans for a barn dance to be held tomorrow night, Friday, at the Evergreen Lodge, were discussed at a meeting of the Board of Trustees of the Country Oaks Association Tuesday at the home of Mrs. Amy Bandomer, 511 South Springfield avenue.

## Regional Teacher Completes Course

Gall E. Koplin, mathematics and science instructor at Regional High School, has just completed the advanced course, Radiological-Chemical Monitoring for Civil Defense, at Montclair State Teachers College.

## Springfield PTA Elects Officers

Mrs. L. E. Skousen was elected president of the Springfield Parent-Teacher Association, Monday evening at the James Caldwell School. She succeeds Edward Wronsky, retiring president of the organization.

## Newarker Faces 3 Auto Charges

Peter R. Pocius, 17 years old, of 245 Smith street, Newark, will be arraigned in Municipal Court, Monday, May 12 on three motor vehicle violations. He will face charges of reckless driving, driving an unregistered car and driving a car with an improper muffler.

## Local Resident In Stairs Fall

Mrs. Martha Hoehn, 53 years old, of 11 Lewis drive, is recovering from injuries suffered recently when she fell down the cellar stairs of her home. She was given first aid by the Rescue Squad and was removed to Overlook Hospital, Summit.

## Capacity Audience Sees Lions Show

The Springfield Lions Club presented its sixth annual "Lions Roar" show last Friday evening in Regional High School Auditorium before a capacity audience.

## Parking Banned On Two Streets

Parking restrictions on two thoroughfares in the township will be curtailed if the Township Committee passes on final reading a measure which was introduced last week.

## Anderson, Mayor Say Any Flaws Will Be Checked

Civilian Defense leaders generally were high in praise of the various units and the manner in which they swung into action Tuesday in the first State-wide alert.

## Springfield Boy Wins Five Awards

Twelve-year-old Raymond Walsh of 102 Tooker avenue, brought fame to Springfield when he won five blue ribbons at the annual Trail Club of Essex County Horse Show at the Montclair Riding Club Saturday.

## Barn Dance Set By Country Oaks

Plans for a barn dance to be held tomorrow night, Friday, at the Evergreen Lodge, were discussed at a meeting of the Board of Trustees of the Country Oaks Association Tuesday at the home of Mrs. Amy Bandomer, 511 South Springfield avenue.

## Services Held for Mrs. Louis Geils

Funeral services for Mrs. Virginia Waininger Geils, 84 years old, of 61 Denham road, widow of Louis C. Geils, who died suddenly in Danbury, Pa., were held Saturday at the Smith and Smith Suburban Funeral Home, 415 Morris avenue. Rev. Herbert J. Cooper, rector of Christ Church, Short Hills, officiated. Interment was private.

## Colonial Gardens Sets Spring Dance

The Colonial Gardens Association's annual Spring meeting and dance will be held at the Chateau Baltusrol, Saturday, May 3, at 8:30 p.m. Joseph L. Focht, president of the organization, announced today.

The majority of the members of the association are expected to attend. Many plan to bring guests. Music will be provided for dancing. Prizes will be awarded and refreshments will be served. Sturgis Oors is chairman of the affair.

## NAMED COP

Robert M. Tarr, of 88 Hawthorne avenue, last week was appointed a third class patrolman by the Township Committee. The appointment is effective May 16.

## Five Pass Bus—Get Court Fines

Five motorists were fined a total of \$50 on charges of passing a school bus when they were arraigned before Magistrate Henry C. McMullin in Municipal Court Monday night. Each driver paid \$10 for passing the bus which was discharging passengers.

## Local Teachers Honor Alice Rieg

Miss Alice Rieg of 82 Wabeno avenue, marked the completion of 25 years of teaching in the Springfield school system recently when she was guest of honor at the annual dinner meeting of the Springfield Teachers Association held at the Millburn Inn, Millburn.

## Local Teachers Honor Alice Rieg

Howard Smith, president of the Board of Education, and Benjamin Newsinger, supervising principal, spoke of her services to Springfield's children. Miss Rieg's mother, Mrs. John B. Rieg, George Harrison, Mrs. Margaret Pitzinger, member of the board, and Henry McMullin, board attorney, were among the seventy-five teachers and guests who attended the dinner.

## Mountainside PTA To Hold Fair

The Mountainside Parent-Teacher Association will hold its annual fund raising event, a fair, on Saturday, May 10, at the Mountainside School, Route 20, Mountainside. Springfield residents have been invited to attend.

## Local Teachers Honor Alice Rieg

Howard Smith, president of the Board of Education, and Benjamin Newsinger, supervising principal, spoke of her services to Springfield's children. Miss Rieg's mother, Mrs. John B. Rieg, George Harrison, Mrs. Margaret Pitzinger, member of the board, and Henry McMullin, board attorney, were among the seventy-five teachers and guests who attended the dinner.

## Local Teachers Honor Alice Rieg

Mrs. Isabel Huff, chairman of the dinner, presented the program. Russell Post, art teacher, decorated the place cards.

### WHAT A SUPERSTITIOUS BIRD!

**Always Knocking on Wood!**

The bird in the picture is a superstition. It is a bird that is said to knock on wood. The bird is a crow or raven. It is said that if a crow or raven knocks on wood, it is a good omen. The bird is shown in the picture standing on a branch and knocking on a piece of wood.

### YOUR LIBRARY

**Hourly:**  
Daily 10:30 a. m. to 6 p. m.  
Mon. and Fri. Eves. 7:30 to 9 p. m.

Librarians and library trustees are always on the alert for new ways to serve the public. During the past decade of library history many new services have been instituted, most prominent of which has been the addition of audiovisual aids; today phonograph records, reproductions of famous works of art, and motion picture films are an accepted part of every large library. The Springfield Library's picture collection includes albums of miniature reproductions of paintings in the Metropolitan Museum of Art, as well as a variety of works by painters of different schools. It may be some years before Springfield can offer the other services mentioned above, but this steadily growing picture collection is the nucleus of a worthwhile permanent art department.

Your library also offers books on the history of art in all its phases, and books of instruction for those who wish to express themselves in color, whatever the medium chosen or the degree of ability.

Among the new books in demand are—"The Sarcophagi" by Clark Yerby—"Jasmine Street" by Clifford Dowdy—"The Elegant Witch" by Robert O'Neill—"Hold Back the Night" by Pat Frank—"The Devil's Advocate" by Taylor Caldwell—"The Strange Loyalty of Dr. Carlisle" by Elizabeth Seffert—"Upside Down in the Magnolia Tree" by Mary Bancroft and "Visa to Moscow" by Michael Gordy.

### Attention Office Managers

**BEDROSIAN'S will CLEAN the tacked-down CARPET of your office right on the floor. We suggest this service for carpets where it is impractical and inconvenient to take them up. There is no fuss or muss... THE CLEANING IS DONE OUTSIDE OF WORKING HOURS. Brighten up your office now.**

PEOPLE WE KNOW

By KITTY OHLER  
Phone Millburn 6-1276

Mr. and Mrs. William C. Dwyer of 508 Melrose avenue, are parents of a daughter, Catherine Louise, born April 14 at Overlook Hospital, Summit. Mrs. Dwyer is the former Irene Rudinski of Springfield, Mass. The couple have another daughter, Elizabeth Ann, 18 months.

Richard C. Schroeder, son of Mr. and Mrs. R. C. Schroeder, of 142 Linden avenue, a junior at Dartmouth College, Hanover, N.H., was recently elected co-chairman of the Student Christian Movement of New England. He is chairman of the Political Action Committee of the Dartmouth Christian Union. Schroeder and Lee Smart of Bates College head the policy-making body of the New England organization. Aside from his work in the DCU, Schroeder is a member of the Dartmouth Glee Club.

Rozanne Showell, daughter of

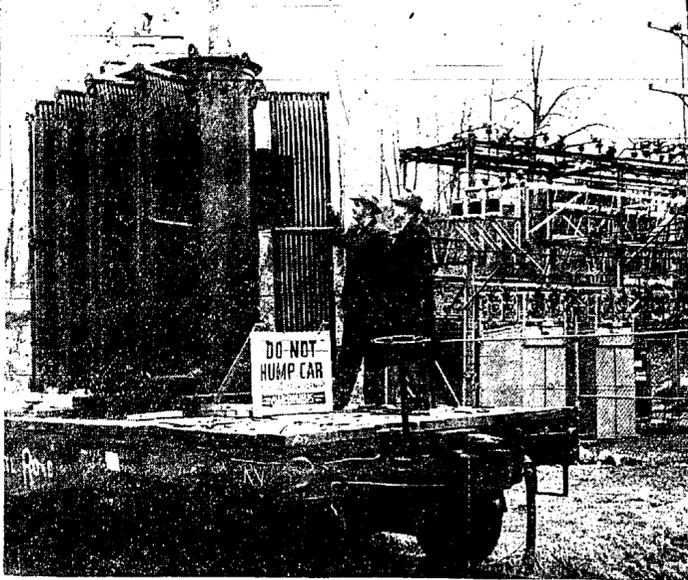

Mr. and Mrs. Roger Showell of 536 Mountain avenue, celebrated her sixth birthday Saturday at a party held at her home. Her guests were dressed as hobos and decorations followed the theme. Birthday refreshments were served. Those attending were: Carol Anne and Elaine Strachle of East Orange, and Sandra Tatuako, Jack and Bobby Handley, Wendy Scharf, Glen Cavenough, Donny Schoenheber, Butch Burke, and Rozanne's brother Gary, of town.

On Sunday, Mr. and Mrs. Showell entertained at a family supper party in honor of their son, Gary, who was celebrating his second birthday. Sunday was both children's birthday.

Mr. and Mrs. Carlton Roberts and daughter, Alice, of Country Club lane, have returned after vacationing at Delray Beach, Fla., where they are building a new home and where they will live permanently after July 1.

Barbara Crafts Patton, Regional High School graduate, and daughter of Mr. and Mrs. Temple C. Patton of 527 Birch Hill road, Mountaintop, recently took part in a modern dance recital at Pembroke College, Brown University, Miss D. Patton, a member of the sophomore class at Pembroke is a candidate for the degree of Bachelor of Science in Nursing. During her college career, Miss Patton has participated in inter-dormitory sports and is a member of the sports club.

The annual spring meeting of the Swarthmore College Alumni club of North Jersey will be a dinner meeting to be held Friday, May 9, at 7:30 p.m. at the William Pitt, Chatham. Featured speaker will be Professor John L. Michaels of the Swarthmore College political science department.

PROOF OF GROWTH—This 14-ton transformer, about to be derelicted into position at Jersey Central Power & Light Co.'s Springfield Substation (background), will double transformer capacity for electric energy supplying 2,800 homes and businesses in the southeast quarter of Summit and in Springfield's northwest section. The enlargement of this

local substation prepares as well for future community growth, according to Werner Gustafson (right), JCP&L line foreman, who, with Donald Worcester, junior engineer, is examining the 3600 KVA "tank", transported to the Orchard street site by Railway Valley and Luckawanna railroads.

Announce Marriage Of Miss Cosgrove

Mr. and Mrs. William Cosgrove of 115 South Maple avenue have announced the marriage of their daughter, Helen, to Pvt. William E. Huntley, son of Mr. and Mrs. William Huntley of 557 Braun terrace, Union. The ceremony was performed on Sunday, April 6, in St. James Church with the Rev. John Mahon officiating.

The bride was attended by her sister, Mrs. Joan Cosgrove. Gerald E. Ennis of Elizabeth served as best man. A reception for the immediate families was held at the Hotel Suburban, Summit. Mrs. Huntley was graduated from Regional-High School and Payne Hall, New York. She is employed as medical secretary at St. Elizabeth Hospital, Elizabeth, a graduate of St. Mary's High School, Elizabeth, Pvt. Huntley attended Seton Hall University, South Orange, before entering the service.

After a wedding trip to Washington, D. C., Pvt. Huntley reported to Seattle, Washington for a new assignment. Mrs. Huntley will reside temporarily with her parents.

**CARD OF THANKS**  
We wish to thank our friends and relatives for their expressions of sympathy and floral tributes at the funeral of our beloved husband and father, John T. Hohlman, also Rev. E. A. Hewitt for his kind words of consolation and Alfred L. Young for his efficient service rendered.

There have been about 40,000,000 people on earth, according to The American Magazine, from the birth of Christ to the present day.

According to tablets excavated in Egypt and deciphered, the installation system was known to the ancient Egyptians.

## LETTERS from Our Readers

### MENTAL HEALTH WEEK

Mental Health Week, being observed from May 4th to 9th, brings to the attention of the entire country the nation's Number 1 health problem — mental illness. The really shocking aspect of the situation is that this vital problem

is being so badly neglected. Do you realize that at least 9,000,000 Americans — men, women and children — are today suffering from mental illness or other personality disturbances? One in every 12 children born this year or last year or next year — will develop some time during his life a mental illness severe enough to require hospitalization. At the beginning of 1952, there were about 155,000 people in mental hospitals as many as in all other hospitals put together, and by the end of this year more than 250,000 new mental patients will have been admitted. At least another 200,000 people will be seen during the year at psychiatric clinics. We must face the frightening fact that sooner or later mental illness will touch one out of every five families in this country.

In addition to working to improve the facilities for taking care

of the mentally ill and promoting research on mental problems of all ages, etc. During Mental Health Week, through the cooperation of the Springfield Library there will be an exhibit of books and pamphlets that have been found helpful in dealing with these varying problems. Everyone is cordially invited to come to the library and find out how they can get information and help on their own particular problems.

Many Springfield parents have already learned the value of having in our schools people trained to recognize the difficulties children sometimes have in adjusting to school work. The school psychologist is a very busy person and has done much for our children.

MRS. RUSSELL MILLER,  
Springfield Representative.

## Looking Into Yesteryear

\*\*\*

### From Files OF THE SUN

Ten Years Ago

The two-way police radio system, which had been twice denied to Springfield by the War Production Board, was installed.

Miss Irene A. Randall, daughter of Mr. and Mrs. L. L. Randall of Bridgeport, Neb., became the bride of Pvt. Frank Edward Hecht, son of Mr. and Mrs. Frank E. Hecht of Milltown road, The Rev. Dr. George A. Liggett officiated at the ceremony which was performed in the First Presbyterian Church.

Seven selectors from Springfield left for induction into the Army. They were: Francis J. Bojor, William R. Bostell, James F. Jakobson, Jay Nell Jakobson, Harold C. Ross, Edward J. Snyder and William Spera.

Mr. and Mrs. Isaac Bemer of Hillside terrace, Irvington, announced the engagement of their daughter, Allene Coray, to Charles Reynolds, son of Alan O. Reynolds of Colfax Manor, and the late Mrs. Reynolds.

Russell B. Gogel, student of the evening branch of Rutgers University, was awarded a certificate for work on the student newspaper at the annual Student Awards dinner.

## Olympic Park Set for Season

Olympic Park will be open Saturday and Sunday, and patrons will find, probably as an added pleasure, that prices are no higher than last season's. Rides, concessions and other features are holding the price line despite cost increases in virtually every commodity.

The week-end preview, sure sign of spring for the small fry and grown-ups alike, will find everything in operation at the Irvington-Manlewood park.

On Sunday afternoon and evening there will be special concerts by Capt. Joseph Basile's Olympic Park Band, the same musicians who have starred during the winter on the television show "Big Top."

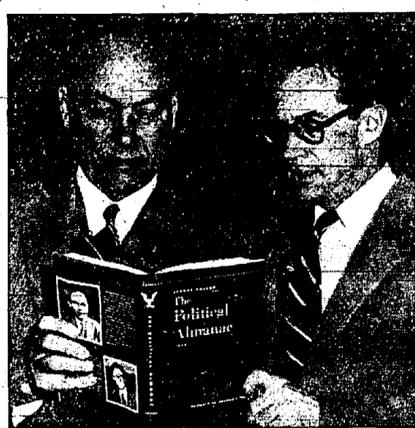

The park also will be open May 10 and 11, preparatory to the start of the regular season May 17.

## New Policy At Theatre

Frank J. Dams, General Manager of the Warner Theatre in Northern New Jersey, announced the re-arranging of policies and seating days for new shows in the entire Warner chain-of-theatres.

owing to the demand of patrons for new shows over the week-end, the period of the week most people want to go out for their entertainment, Mr. Dams has set Friday as the opening day for new shows throughout the entire Warner Circuit and will inaugurate a policy of playing one show for an entire week. With the week starting Friday, May 2, this policy will be in effect in all the Warner Theatres.

A meteorite weighing 30 1/2 tons was discovered in Greenland in 1895, and brought to the United States by Robert Peary, discoverer of the North Pole.

EXPERTS AGREE—Dr. George Gallup (left), famed poll expert, and State Senator Malcolm Forbes look over advance copy of their new book, "The 1952 Political Almanac" which will be published next week. In a foreword to this political encyclopedia Senator Forbes declares balance of political power has shifted to independent voters who can be won to a party not by its name or patronage but by caliber of candidates and genuine determination to carry out platform promises.

## VETERANS' QUERIES

Q—I feel a \$120-a-month pension from VA because of a non-service-connected disability that has left me so helpless that I need the regular aid of another person. I'm supposed to enter a VA hospital soon for treatment. Will the payments of \$120 a month go on while I am hospitalized?

A—No. While you are receiving VA hospital care, you will be paid only the basic rate of pension, and not the additional amount paid to those in need of constant aid and attendance. Basic rates are \$60 a month, going up to \$72 after the veteran has been on the rolls for 10 years or when he reaches age 65.

Q—Will I have to take a physical examination in order to apply for the new form of non-connected term insurance available to Korean veterans?

A—No physical examination is needed for that insurance. But you must apply in writing to VA in Washington, D.C., within 120 days after your release or separation from service, and pay the required first premium.

Q—I have just been discharged from service, and have applied for the new form of Government term insurance for non-disabled veterans. At some later time, may I convert this to a permanent plan?

A—No. This insurance is not convertible to any other plan of Government life insurance. However, it may be renewed every five years—as term insurance—at the premium rate for your then-attained age.

Q—I got a GI home loan three years ago, when the top VA guarantee was \$1,000. I understand that a law passed since then has raised the maximum guarantee to \$7,500, and that I'm entitled to another GI home loan guarantee for \$3,500—the difference between the old and new guarantees.—May I use this new GI loan to build an addition to my house?

A—No. Under the law, your GI home loan may be used only to purchase or build another house, and not to improve your present one.

Q—I have just been discharged for wounds I received in Korea. Can you tell me what types of Government life insurance I may be entitled to get?

A—Several types of policies are available to newly-discharged disabled veterans. They include term, ordinary life, 20-pay life, 30-pay life, and endowment plans. However, totally disabled veterans may not be issued endowment policies.

Q—I was disabled in a bus accident while traveling under orders from my draft board to an induction station. What's my deadline for applying for

## VETERANS' QUERIES

the new form of Government life insurance?

A—You must apply for the insurance within one year from the date you suffered your disability.

## N. J. Asparagus Now in Season

New Jersey asparagus is here and Mrs. Margaret C. Shepard, Essex County home agent, suggests you serve it often while the short season lasts.

In selecting asparagus, choose stalks with firm, heavy heads and green for at least two-thirds the length of the stalk. The greener the asparagus the higher the vitamin A content. This vegetable also contains other vitamins, as well as such minerals as calcium and iron.

Asparagus has the best flavor when it reaches the table as soon as possible after it is cut. If it must be kept for a time, cut off the lower tough ends, place in a cellophane or plastic bag or in a lightly covered container and store in the refrigerator.

Before cooking asparagus, place the stalks in a pan of water for 14 minutes to remove any sand that may be in the tips. Now remove the scales where sand or soil may be lodged.

Miss Marie Doermann, extension nutrition specialist at Rutgers University, suggests that when you wish to serve asparagus spears the stalks in several bundles, then either steam or boil in a small amount of water.

"A deep kettle in which the spears can stand upright is best for this, but the double boiler with the top inverted over the tips is a good substitute," she says. "Have about two inches of boiling water in the kettle, cover tightly and cook the stalks until tender. Usually 15 to 25 minutes, depending upon the thickness of the stalks, will be sufficient. Serve with melted butter, Hollandaise or lemon butter.

If the stalks of asparagus are cut in pieces of about an inch, keep the heads separate and cook the lower pieces five to eight minutes in a small amount of boiling water before adding the stalks. Cook only until tender. Serve with melted butter, cheese sauce or as short-cake with creamed asparagus between and over the biscuits."

Save the liquid in which asparagus is cooked to use in sauces or soups. The N. J. State University specialist adds: "The tough ends may be peeled, dried, cooked until tender and served in soup or scalloped dishes with some of the green pieces.

## SCALLOPED ASPARAGUS DE LUXE

- 3 cups cooked asparagus, cut in 1/2 inch pieces
- 1/2 cup pre-soaked, cut, bread crumbs
- 2 hard cooked eggs, chopped
- 1 can condensed mushroom soup
- 1/2 cup milk

## Trailside's New Season to Begin

The Trailside Museum in the Watchung Reservation nursery area will start its eleventh season on Sunday, May 4. The opening day program, a one-day nature conference, will begin at 6:00 a.m. with bird walks in Cedar Brook Park, sponsored by the Watchung Nature Club, Echo Lake Park, sponsored by the Bird Club of Westfield; and at the Deserted Village, sponsored by the Summit Nature Club, the Park Commission announced.

At 10:00 a.m., activities will begin at the Trailside Museum with Mr. Mathew Mann speaking on ferns in the Fern Garden, while Mrs. Gladys Anderson conducts a short field trip to study pond life at Surprise Lake; Mr. Ralph Carver, chief plantman for the Park Commission, will lead a group through the Nursery Area to discuss and identify trees and shrubs; and Dr. George Rawson and Mr. Fred T. Naumann will lead a walk to study insect life.

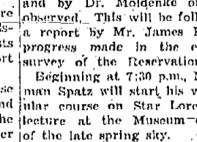

Beginning at 10:30 a.m., the Director of the Museum, Dr. Harold N. Moldenke, will lead a field trip to study plants, especially the flowering varieties, of the area. In the event of rainy weather, he will give an illustrated lecture on the plant treasures of the Reservation in the Museum auditorium.

Beginning at 2:00 p.m., there will be a program provided over by Mr. Elvoro Furth, Chairman of the Trailside Committee. This will include reports by Mr. James Hand, Mr. Don Maxwell, and Mr. Fred Drucker on the birds seen; by Mr. Mann on ferns; by Mr. Carver on trees and shrubs seen; by Dr. Rawson or Mr. Naumann on insects; and by Dr. Moldenke on plant's observed. This will be followed by a report by Mr. James Baird on progress made in the ecological survey of the Reservation.

Beginning at 7:30 p.m., Mr. Norman Spatz will start his very popular course on Star Lore with a lecture at the Museum on stars of the late spring sky.

The public is cordially invited to all these items of the program. The Director, Dr. Moldenke, states that the Museum is in need of native frogs, toads, salamanders, snakes, and other small animals suitable for exhibition in small aquaria or terraria. Persons with such material may contact Mr. Lloyd S. Rich at Cranford 6-4671 or bring it to his home, 1000 Raritan road, Cranford.

## Rudy Tone Stars At Paper Mill

Rudy Tone's triple-threat appeal as an actor, dancer, and singer has given added proof of the popularity he won with Broadway audiences in the original production and which he is repeating in "Kiss Me, Kate" at the Paper Mill Playhouse where the Cole Porter musical begins its fourth week Monday, May 5th.

Tone is one of the quartet of four artists who play the starring roles in "Kiss Me, Kate." Like Tone, Ted Sorel appeared in the Broadway edition, while Virginia Oswald is making her first appearance in the role although she has been previously seen at the Paper Mill. Sue Hight is also a newcomer who is scoring in her present part.

Few performers in the musical theatre prove as versatile as Tone, who acts the Shakespearean scene with full authority, dances with the grace of an accomplished member of the ballet and sings in a class with the best of the Paper Mill's company of outstanding singers. His dual part of Bill Calhoun and Lucentio require the varied skills he displays in the production.

"Kiss Me, Kate" qualifies as the most recent Broadway hit ever done at the Paper Mill, receiving

## What's New IN New Jersey?

Within a highly concentrated area in New Jersey are more than 400 facilities where some kind of research and development is under way. The newest addition to this incubator of industrial activity is the James Forrestal Research Laboratory at Princeton, New Jersey.

There are important reasons why \$150,000,000 a year—more than 10% of the nation's research—is being spent in New Jersey. New Jersey is close to the nation's largest cities . . . it holds an amazing diversification of industry within its borders . . . and this nucleus of diversified plants makes it possible to put innovations into pilot production.

An industrialist moving to New Jersey will find a variety of research facilities to meet the needs of a dynamic, expanding business.

Public Service believes in New Jersey

"The time has come the Walrus said, To talk of many things; Of shoes and ships And TV Sets. Of Necklaces and Rings."

"Why talk" asked Alice "You've only to Look

# St. Mary's Rocks Regional

## Sports In The Sun

When one mentions horses, all the racing fans immediately think of post positions and the winner's circle. We know of one resident who entered the winner's circle six times last Saturday and it was not at Jamaica, Monmouth, nor Churchill Downs, but at the Montclair Riding Club in West Orange.

He is Raymond Walsh, 12-year-old son of Mr. and Mrs. Edward A. Walsh, of 192 Tooker avenue. Ray attends the Raymond Chisholm School, where he is in the sixth grade.

Ray captured six blue ribbons, including the ASPCA horsemanship qualifying class.

He took four of his ribbons in the jumping events, then swept the junior hunter seat equitation classes and finished up with a triumph in the open class.

Recently, Ray obtained a new mount, a chestnut mare, Gino-Lynn, which he rode throughout the day.

Ray's victory in the ASPCA-horsemanship division, makes him eligible for the national championship in the National Horse Show at Madison Square Garden next fall.

The Springfield youngster did his first riding at the Watchung Troops in 1949. There, he won two championships.

Walking (or riding!) away with six blue ribbons is quite a feat. In fact, very few youngsters have ever won a half-dozen ribbons in one meet in New Jersey.

Having been competing in organized shows for only one year, Ray is scheduled to ride in the Rock Spring event on May 24.

## Betsytowners Outhit, 12-10; But Win, 8-2

By DONALD ROSSELET

A barrage of twelve hits, including a double by Charley Schaffernoth and four singles by Joe Pepe all were wasted as Regional took an 8-2 beating at the hands of St. Mary's yesterday afternoon at the Meisel avenue diamond.

Couch Bill Brown sent three pitchers to the mound in an attempt to stay off rally after rally by the Saints, but only his ace, Bob Thwaites, had any effect on the Hilltop bats.

St. Mary's took a one-run lead in the first inning when George Sullivan opened the game with a single and went to second when Tony Wojciechowski hobbled it in left. After a strikeout, Mike Mascaro, the starter and loser for Regional, got Ernie Rakoke on a grounder to short, Sullivan moving to third. A passed ball charged to Schaffernoth then allowed Sullivan to score.

Singles by Schaffernoth and Pepe in the Regional first plus a balk had Anderson in hot water, but he was equal to the occasion and Regional failed to rally. The Bulldogs broke the tie in the fourth frame when Pepe opened with a single. A hunt by Mascaro put runners at first and second. Johnny Keith then lined to center for a safety and Pepe scored.

Again in the fifth round, Regional dented the pitch. Schaffernoth doubled to open the inning and Pepe followed with a single, Schaffernoth scoring.

St. Mary's brought home a single marker in the fourth frame. With two out, Leo Ellbacher drew a walk. Al Coelho singled sending Ellbacher to third. Then, Lou Lutz hit Coelho with the ball after the latter advanced to second on a throw-in, and Ellbacher scored.

Lone rallies in the fifth and sixth rounds made the score 4 to 2. The Saints exploded for four big runs in the top of the seventh on four passes singled with two hits.

Regional committed eight errors. The lineup:

### RHS Teams Face Busy Schedules

Regional's baseball and track teams will tackle a five game schedule this week, starting this afternoon as the diamond squad entertains arch-rival Rahway. Bob Thwaites, ace right-hander, will go to the hill for the Bulldogs.

Tomorrow (Friday) afternoon, the track squad travels to Summit. Also on tap for Friday is a baseball game here in which Linden, beaten by Regional last season in a mild surprise, will send its Union County Conference leading nine against the Bulldogs. Tony Wojciechowski will probably get the mound call, which will be his debut on the rubber.

Next Tuesday afternoon, Plainfield invades the local diamond. Thwaites is expected to be in shape for another assignment. Coach John Brown's cinder crew entertains Westfield next Wednesday afternoon at the Meisel avenue oval.

**WARM WEATHER**  
The highest temperature ever recorded was 136 degrees Fahrenheit at Azziza, Libya, Africa, on Sept. 13, 1922. The lowest was 90 degrees below zero Fahrenheit at Verkhoyansk, Siberia, on Feb. 5 and 7, 1882.

When you make a snowball the pressure of your hands causes the snowflakes, which are crystals of ice, to melt at a few points where they touch. After you let go, the pressure is released and the water refreezes, joining the crystals tightly together.

The log-cabin village of New Salem, Ill., where Lincoln once lived, has been restored to the way it looked 120 years ago.

### Bulldogs Defeat Edison, 68-49

By HERB HEIMBUCH

Ronnie Hartsborn continued to run up points at Regional's track team vanquished Thomas Edison 68-49, at the Meisel avenue oval yesterday. Hartsborn, leading Bulldog scorer, has 25 points to his credit.

Regional's winners were Hartsborn in the 100-yard dash and the 220-yard dash, Ronnie Cooper in the 440-yard dash, George Schwarz in the 880-yard run, Judd Herman in the 1200-yard high hurdles, Jim Lambert in the 1500, and Art Curtiss in the pole vault.

Regional's record is now even at 1-1.

The summaries:  
Regional 68, Thomas Edison 49  
100-yard dash—1, Hartsborn, Regional; 2, Boyce, Regional; 3, Davis, Edison. Time: 1:09.  
220-yard dash—1, Hartsborn, Regional; 2, Boyce, Regional; 3, Betz, Regional. Time: 2:57.  
440-yard dash—1, Cooper, Regional; 2, Boyce, Regional; 3, Dudick, Regional. Time: 5:23.

Broad Jump—1, Tolhman, Edison; 3, Halsey, Edison; 3, Dudick, Edison. Distance: 47-feet-10-inches.

The Articles of Confederation, though adopted by the Continental Congress in 1778, were not ratified by all the states until 1781.

Sir Samuel Baker, British explorer, was appointed governor of African Sudan in the early 1870s by the Egyptian khedive.

### GOOD HEALTH

1. HOW ARE WE FIGHTING MUSCULAR DYSTROPHY?

2. CAN BLOOD POISONING BE FATAL?

3. ARE VOLUNTARY HEALTH INSURANCE PLANS POPULAR?

Answer to Question No. 1: Treatment and cure of the disease, which causes degeneration and increasing weakness of the muscles, are still mysteries. Some 100,000 Americans are afflicted with it. In recent months, citizens throughout the nation have formed local chapters allied with the Muscular Dystrophy Association of America, to stimulate public awareness of the disease and to raise funds to carry on more intensive research.

Answer to Question No. 2: Blood poisoning is caused by germs, especially the streptococcus which enters the blood through a skin abrasion or scratch. Its severity varies with the kind of germ and the resistance of the individual. Before

the use of antibiotics the death rate was from 50 to 80 per cent of all cases. Now most cases are cured by sulfa, penicillin and other antibiotics. Proper care should be taken of even the smallest scratch. Severe cuts or abrasions require cure by a physician.

Answer to Question No. 3: Latest figures show—1950 an all-time record year for such plans when 77 million persons were covered by hospital insurance, 56 million by surgical insurance, and 22 million by medical insurance. These figures include all voluntary plans, private insurance companies, Blue Cross, Blue Shield, fraternal and local medical societies, industry and others.
