FRIENDS!!

As a result of the renewed heavy rains during the past two days many sections of Springfield, particularly the Henshaw-Hawthorne avenue areas, are again confronted with flood conditions. . . the situation probably will set the stage for another mass attack on the Township Committee with scores of residents clamoring for action — "or else" . . . a phone caller, who refused to disclose his name, suggests that local authorities select a representative, pay his expenses, and send him off to the Florida Everglades to see how the Seminole Indians have solved their flood problems . . . the anonymous caller says old fashioned paddle wheels have done wonders down there in showing the water to adjacent territories from swollen streams . . . "if we keep pushing the Rahway River tides in the direction of Cranford a good deal of our local problem will have been solved," he stated . . . it would be up to Cranford, he observed, to keep the water moving or suffer the consequences!!!

A joint memorandum issued this week by Police Chief Thompson and Police Commissioner Binder tells of a recent "epidemic" of unlocked or open windows or doors in various business establishments throughout the community . . . they refer to it as simple carelessness . . . "And to make matters worse," they say, "when Police Headquarters notifies the responsible individual they often take an indifferent attitude, even to the point of becoming perturbed because they were notified at a late or early morning hour" . . . we would suggest this matter be taken up by the Chamber of Commerce, and, instead of criticizing police for their diligence, the guilty "businessmen" should be told off in no uncertain terms.

During summer months nothing can be more dangerous than the "old swimming hole" and such places dot this area like holes in Swiss cheese . . . parents should know when and where their children spend their time while in or near water . . . statistics show that of the more than 6,500 deaths by drowning each year, nearly 50 per cent happen to children from 5 to 14 and teenagers from 15 to 20 . . . this places drownings as one of the foremost causes of accidental death among younger people . . . records show that July is the worst month for drownings, with August following a close second . . . these are the two months when parents should be especially watchful to prevent such disaster.

Half-Year Tax Collections Top 1951 by \$125,000

Tax collections for the first six months of 1952 are nearly \$125,000 higher than the figure for the same period last year, Tax Collector Charles H. Huff revealed today. The total collections for the period are \$448,748. The figure for the same period last year was \$323,778. The total increase, the tax collector said, is \$124,970. Of the total, the amount collected representing taxes owed for 1951 is \$408,811. The total for 1951, collected this year, is \$18,942. Tax collections for other years are: 1950: \$168, 1949: \$6 and 1948, \$37. Other collections included: total delinquent taxes, \$19,184; tax title

Education Board Buys School Bus For New Set-Up

Completes Plans For 3 Janitors To Be Drivers

The Board of Education at a special meeting Tuesday night purchased a school bus seating thirty-four students. Cost of the vehicle was \$4,323.50.

The bus was purchased from the International Harvester Company. The vehicle has a 154-inch wheel base. The company's bid was lowest of eight for that type of bus.

Bids were received last week and studied prior to the award of the contract. The step was taken after the board reached a decision recently to eliminate transportation of students by private carrier under contract, and to take students to school in a board-owned bus.

The board also revealed that it will authorize three janitors to obtain licenses as bus drivers. It is expected William Wagner will be the principal chauffeur. The others will serve as substitutes, it was indicated.

The commissioners recently announced they would reduce the number of students taken to school by bus from approximately 240 to twenty or less. It was pointed out that under State regulations the school board is under no obligation to furnish transportation.

In most instances children who were being transported lived within the distance set by the State as the maximum. Only children who live more than two and a half miles from the school must be transported.

Actually it is expected that only students along Route 29 and in the southwest area of the township will be transported. The school board also will receive State aid when it furnishes its own transportation.

Sixty-Nine Down, 136 Sticks to Go

Police still are searching for 136 unburst sticks of dynamite after they failed to come to light during the township's hilarious Fourth of July celebration. The department would not have been surprised if the dynamite had been exploded as part of the holiday celebration. However, there were no signs of the missing explosive that day.

An Army ordinance official today pointed out that the recent hot spell has made the dynamite more dangerous. This demolition expert in an exclusive interview conducted by The Springfield Sun said that rapid changes in temperature, extreme heat, such as has been experienced recently, or extreme cold could be responsible for glycerine forming in pure state in the bottom of the box.

Chief of Police William J. Thompson, apprised of this fact, told the Sun today the department will redouble its efforts in an attempt to discover the missing explosive. He indicated he may urge township residents to volunteer to go over the municipality "with a fine comb" to use his expression, in order to make certain to hid- ing places might be overlooked.

Impetus was given with the discovery this week by Summit youth of a single stick of dynamite on the shores of Bryant pond here near the Summit line. He turned it over to police. However, more than 100 of the 297 sticks which were stolen from the North Jersey Quarry cache two weeks ago, still are missing.

Sixty-eight sticks were recovered along a lonely dirt road in Mountside near the Scotch Plains line. It was discovered as a result of an anonymous telephone call.

LACKS FINE, SPENDS 15 DAYS IN JAIL

Leroy Briggs, 30 years old, of 9 Sherman avenue, Newark, is in the Union County jail today serving a sentence of 15 days, imposed by Magistrate Henry C. McMullen in a special session of Municipal Court. The jail term was imposed in lieu of a fine of \$100 and \$5 costs after Briggs had pleaded guilty to operating a car while on the revoked list.

Briggs was apprehended in Baltusrol road by Radio Patrolman George Parsell for a minor traffic violation. He discovered that Briggs did not have a driver's license. A subsequent check revealed the license had been revoked.

Committee Lists July 4th Winners

Winners of the athletic events, the watermelon contest, and other novelty competitive events held July 4 on the athletic field on Mescal avenue, were announced this week by Louis Pignolet.

Those receiving awards for novelty events were: Boys Hole in One, Don Eichhorn, Joe Schaeffer, and Dennis McDonough; Mescal Hole in One, Lou Berstler, Jack Keith and Eugene Haggerty; Watermelon Eating, boys, Orion Wolf, and George Marlin; Watermelon Eating, girls, Diane Nielson and Geraldine McEvoy, and Women's Egg Race, Mrs. A. Zaruski and Mrs. Sally Bandomer.

Winners of the dashes were: Boys—Henry Dreher, Teddy Schust and Richard Lock, fourth grade; Richard Coan, Billy Faucher and Billy Haggerty, fifth grade; Eugene Haggerty, Billy Kelsey and Bobby Keith, sixth grade; Tommy Doherty, Raymond Nendze and Johnny Haselman, seventh grade, and Billy Connes, Bobby Schwartz and Pat Morgan, eighth grade.

Springfield Girl to Make Cycle Tour of Continent

Like many another girl, Aileen Slovak of 176 Baltusrol avenue has often dreamed of far away places, but she never believed she'd actually visit them. Not that, until she and Joan Kocou of Irvington, one of her colleagues at Upsala College, got together for lunch last May.

As Aileen tells it, it was spontaneous combustion. "I looked at Joan," she says, "and Joan looked at me. Then I said, 'Joan, I have an idea and you'll probably think I'm crazy.' And Joan said, 'I bet I know what it is, and then we both said, 'Let's go to Europe!'" It didn't take them long to get busy. Within a few weeks they had made arrangements to join a group of eight other girls under the auspices of the American Youth Hostels, Inc. According to the AYH plan, the girls will bicycle by day and sleep in comfortable hostels at night, preparing meals and doing various chores to help pay for their lodging.

Since this is a budget plan, Aileen and Joan are taking with them all the personal items they will need on the ten-week voyage. (Continued on page 2)

Blood Donors Add 101 Pts. to Army Plasma

Local Assistance Praised by Head of Mobile Unit

Under the auspices of the Springfield Chapter, American Red Cross, mobile blood unit made another successful visit to Springfield last week and collected 101 pints to add to its total stock pile of plasma for the armed forces.

This was the second visit of the unit to Springfield since the post World War II defense blood program was inaugurated.

Mrs. Hazel W. Schock, chairman in charge of the visitation, gave praise to the excellent cooperation received from all those of the local doctors, nurses and volunteers who participated and to the 110 donors who reported for their scheduled appointments. She also expressed thanks to the 8 unscheduled donors, including Dr. Lull, whose contributions swelled the total to three figures.

Mrs. Schock explained that the success of a particular visitation depends upon the proper scheduling of appointments of donors, and a maximum efficiency is obtained when appointments are honored as scheduled. She pointed out that some donors who apparently could not keep their appointments failed to notify the chapter in advance. This resulted in some lag during the early afternoon hours, which, it is hoped, can be reduced to a minimum on future visitations.

Youth Recovering From Shell Wound

Seth Brown, 14 years old, son of Mr. and Mrs. Seth C. Brown of 22 Center street, is recovering from minor injuries and now is home after suffering last week when a 30 caliber shell with which he was experimenting, exploded.

Police said the youth had melted lead and poured it into what he believed was an empty shell. They said the shell apparently contained a live cap and quantity of powder, and was exploded by contact with the hot lead.

The youth was struck on the hands and chest by lead pellets which had solidified. He was taken to Overlook Hospital, Summit, for treatment and released.

Police Stress Need For Merchants' Cooperation

Thompson and Binder Charge Business Men Are Indifferent To Departmental Problems

Chief of Police William J. Thompson and Police Commissioner Albert G. Binder today charged township merchants with an indifferent attitude toward receiving police protection and with being uncooperative to the extent of apparently resenting being contacted when protection is offered.

Pointing out that protection of individuals, lives and property is the primary function of the department, the police heads in an official memorandum directed to all business establishments, said the department is not receiving the support it should have.

The department head and the commissioner said township merchants have failed to lock windows and doors. In the statement the merchants were charged with "carelessness or negligence." Binder and Thompson said "to make matters worse, when Police Headquarters notified the responsible individual they often take an indifferent attitude, even to the point of becoming perturbed because they were notified at a late or early morning hour."

The police heads also warned merchants as well as residents not to keep large sums of cash on the premises. They pointed out that the department will provide at all times escorts for payrolls, bank deposits and urged the protection be utilized.

The statement cautioned that in the event it is necessary to keep large sums proper safeguards in the form of strong boxes or safes should be used. The commissioner and chief warned that keeping big sums of cash in easily accessible places "is to disregard all precaution and can only result in eventual trouble."

Referring to unlocked windows and doors Chief Thompson and Commissioner Binder said, "To better enable us to afford you the maximum protection we must have your cooperation. In many instances we are not getting this

Change Ordinance On Town Building

Radical changes in regulations governing construction of buildings and structures are embraced in an ordinance introduced last night at the semi-monthly meeting of the Township Committee. The measure will be given a hearing Wednesday, July 23 subsequent to final passage.

The seven page measure, one of the longest prepared by the township attorney in recent years, amends the ordinance which limits and restricts construction. It originally was adopted in 1933.

Among the important changes is a section stating that a non-conforming use, if discontinued six months or longer, or if changed to a conforming use, shall never again be continued as, or changed back to, a non-conforming use.

Another section states: "Any such non-conforming use may hereafter be extended throughout any part of the building or structure designed for such non-conforming use at the time of the enactment of this ordinance or any amendments thereof, provided, however, that an exception be first obtained from the Board of Adjustment Committee.

Another important change provides "Any building or structure containing a non-conforming use which has been 50 per cent or more destroyed, cannot be re-built. The quantum of destruction shall be determined by the Building Inspector as approved by the Township Committee.

Another change states: "Here-

Voters Urged to Analyze New Deal

Union County Republican campaign workers this fall will urge voters to analyze the so-called "New Deal" and will present facts which will graphically show it actually is a "raw deal," Mayor F. Edward Blertumpel, of Union Township, chairman of the executive committee of the Union County Republican Committee, announced today.

The Union chief executive said that the security which constantly has been offered by Democratic administrations of the past two decades "is security in name only.

"Everything the people will receive through social security and other benefits is being paid for by them. The tragedy is that they actually will get a good deal less than their money's worth," the Mayor said.

The G.O.P. executive chairman added "the fact that a person 29 years old who is married with two children and earns \$4,300 a year will have to work eight and a half years to pay his share of Federal taxes at the present rates in order to retire at 65. "Many persons fail to realize the cost of such 'security,'" he observed.

Mayor Blertumpel said Republican campaign affairs will present those and other facts regarding the inequalities of social security and other alleged benefits publicized by Democratic leaders. (Continued on page 2)

Three Are Hurt In Town Crackup

An Orange resident is in Overlook Hospital, Summit, today in fair condition as a result of injuries suffered when the car he was driving struck a tree at South Springfield avenue and Beverly road early Sunday morning. Two passengers also are confined to the hospital following the collision. Hospital authorities said their condition is good.

The driver, police said, is Charles P. Bush, 29 years old, of 141 Oakwood avenue, Orange. They reported he failed to keep his car on the road as it was rounding a turn and the vehicle crashed into a tree. The auto was demolished.

Bush's injuries include multiple fractures of the ribs on the left side, lacerations of the face and body, and shock. Roosevelt Coppage, 26, of 304 Washington avenue, Newark, suffered compound fractures of the jaw and right leg. The third person injured was Mrs. Evelyn Green, 22, of the Orange address. She suffered lacerations of the face and a fracture of a vertebrae. The trio was treated by Dr. Henry P. Dengler at the scene. They were removed to the Hospital in the First Aid Squad ambulance.

Summit Speeders Pay Local Fines

Two Summit residents were fined \$10 each by Magistrate Henry C. McMullen in Municipal Court Monday night when they pleaded guilty to speeding. They are George S. Louvis, 25 Beechwood road and Marjorie A. Morz, 35 Lowell avenue.

Alfred R. Krentz, 321 New Jersey avenue, Union, was fined \$7 on a similar charge. Other fines imposed were: Emil O. Ruegner, 1074 Mt. Vernon road, Union, stop street violation, \$5; William N. Neville, 650 South Second street, Plainfield, operating a non-registered vehicle, \$8 and Daniel Cook, 833 South Twenty-second street, Plainfield, no driver's license, \$3.

The magistrate heard a total of 19 traffic cases. Fines totaling \$114 were imposed.

Mrs. Frances Kime Services Held

Funeral services for Mrs. Frances Kime, wife of Vernon L. Kime, of 11 Marcy avenue, who died last week in St. Michael's Hospital, Newark, after a long illness, were held Thursday at the Colonial Funeral Home, East Orange, Rev. Shields T. Hardin, pastor of the North Orange Baptist Church, officiated. Interment Friday was private.

Mrs. Kime was a native of East Dodham, Mass. She was 56 years old. She had lived in this township 11 years. She previously lived in Newark and Orange. She was a member of Lady Trinity Lodge, IOOP of Newark and Progress Chapter, O.P.S. of East Orange.

Surviving, in addition to her husband, are four brothers—John and George Kehlbeck, of East Orange; August E. Kehlbeck of Newark and Joseph J. Kehlbeck of Clifton.

School Crowding Due to Be Solved

Springfield's chaotic school situation is well on the way to a solution today with announcement by District Clerk A. B. Anderson and Rev. John M. Mahon, assistant pastor of St. James R. C. Church, that the township's Florence M. Gaudineer School and the combination parish school and church are rapidly nearing completion. Occupancy of both schools is anticipated before the end of the year, it was reported.

Anderson said the public school, which is a one-story structure, being constructed on a lot across South Springfield avenue from the Raymond Catholic School, is practically enclosed and inside furnishing has started. It will have fourteen rooms, an all-purpose assembly room and gym and a domestic science room. The school is being built by the Zwiagard Construction Company of Millburn. Fred A. Blansser, of Union, is the architect. Construction cost has been listed at \$675,000. Anderson said construction has been proceeding at a rapid pace with no delay due to shortage of (Continued on page 6)

Female Politicians Enjoy GOP Chicago Convention

Special to the Sun
By a Staff Correspondent

CHICAGO—With election of a Republican candidate for President today awaiting the outcome of a tense struggle between the Taft and Eisenhower factions, Springfield's two convention representatives were taking a keen interest in the political developments as well as the social whirl which has enveloped them.

Mrs. Amy Bandomer, who is an official alternate, and Mrs. Henry C. McMullen, wife of Magistrate Henry C. McMullen, who constitute the township delegation, went to Chicago on a special Jersey train. Mrs. Bandomer is an enthusiastic supporter of General Eisenhower. Both Springfield women were

invited to a reception tendered in behalf of Senator Taft. However, they passed it up in order to be present at a similar gathering held for General Eisenhower at the Palmer House.

From there they move to the Colony Club for another reception given by Mrs. Clifford Mayes, of Idaho, assistant chairman of the National Republican Convention. "However," as the social whirl melted away in the face of increasing political activities, the two Springfield women, in addition to two other Union County female residents, concentrated on their roles as spectators at the Convention Hall.

Mrs. Bandomer was quite proud of the fact that she had shaken General Eisenhower's hand during the reception.

LETTERS from Our Readers

Editor, Sun:

Through your paper, the Girl Scout Council would like to express its appreciation for the wonderful support the people of Springfield gave them at the time of the Annual Strawberry Festival. Its success was possible only through the splendid cooperation and active participation of those called upon to help.

Your paper loyally supported us and we appreciate the good publicity you gave us in the June 12 issue.

support. Specifically, we refer to the protection of your place of business. It is the function of the department to physically check all business establishments after closing hours. Recently there has been an epidemic of unlocked or open windows or doors. This can only be attributed to carelessness or negligence, and is simply inviting trouble.

The charge of cooperation is expected to get results—however, just what they will be is a question. Few merchants today were ready to comment about the police department's aid comments on their alleged lack of cooperation.

bonnage. In addition, they have been asked to bring along such necessities as tableware, bread-knives, and clotheslines. The latter two items, Allen twinkles, will help stave off any conviving counts they may encounter on their cycle.

Allen and Joan left Tuesday night for Montreal, where they are scheduled to sail today on the Canberra for Cherbourg. From there they will cycle through France, Germany, Holland and Belgium, getting to Paris on August 17, when the planned part of the tour ends. The following three weeks are unscheduled and the girls can go where they please.

The girls will return home on September 16, and Allen avers that, sunburn, liniment and all, she will be back on the job at Upsala on September 22. She is secretary to Dr. H. S. Carlson, head of the psychology department.

Allen graduated from Upsala in 1951 with a bachelor of arts degree in psychology. While at college she was the president of the psychology forum and vice-president of the English literary society. She was also a member of the art league, the sociology forum, and Phi Omega Chi sorority. She resides with her parents, Mr. and Mrs. Fred J. Slovák.

People have been so worried about propaganda about security they have no conception of what actually constitutes a happy life, he said.

"Millions of Americans today are working for an illusory security instead of securing the liberty guaranteed in the preamble of the Federal constitution," the G.O.P. leader said.

"What is needed is a new Declaration of Independence which will guarantee freedom from fear of a hideous old age manufactured and exclusively propagandized by Democratic ghost writers to keep their administrations in Washington."

Playground Activities

HENSHAW AVENUE

Dorothy Appar The second week at the playground was a busy one. Approximately ninety-five children are registered.

Winners of last week's contests were, Old Maid, Sue Keane, checkers, Arlene Kauer, and Pick-up-Slicks, Sue Keane. We started arts and crafts last Wednesday and the children are engrossed in making rings, lanyards, and bracelets. Arts and crafts are held every Monday and Wednesday afternoons.

Phyllis Kaplan, Sue Keane, Peter Volkman, Richard Minette, Barbara Neigel, and Wade Maxwell, made lanyards, while Karen Kauer, Sally Little, Jack Appar, and John Marino finished rings. Tom Minette, Arlene Kauer, and Dennis Maxwell made pot holders.

This Friday, we will hold a Pet Show at 2:30 p.m.

RAYMOND GHISOLAI

Mary Beth McEnroe Our second week at the playground has been completed and to date, eighty-two children have enrolled. Good weather has permitted a few outside games.

Foul shooting, hot potato, spud, and dodge ball are particularly popular. When the sun is too hot for active play—we hold indoor tournaments. Many of our young children have become quite adept at pick-up sticks, checkers, old maid, and dominoes. Our younger members also have done some nice coloring and picture work.

Richard and Tommy Battalle and Carl Haushold won first prize in our Wheels on Parade contest. They built and painted a realistic locomotive. Second prize went to Carol Ann Hardy for her decorated doll carriage. Bob Yeager took third place with his crepe paper decorated bicycle. Diane Yeager won fourth prize with her wagon.

A Pet Show, always our biggest contest will be held this Friday. We urge the parents' cooperation in helping us judge the events. Instruction in arts and crafts on Monday and Wednesday afternoons became a weekly feature last Wednesday. Dennis McDonough, Richard Battalle, Betty Jane Gurski, Ruth Velels, and Ruth

lowing winners:

Up to three years—Chryssie Jo Landrigan, 3 to 8 years—Peggy Cawley, 6 to 9 years—Richard Arends, and over 9 years—Katherine Slipko.

Prizes and points were awarded to the winners. The points go toward the playground medals which are awarded at the close of the summer season.

Our next show—a Pet Show—will be held next Friday at 2:30 p.m. This event has also been a huge success. The contestants are urged to bring their pets on a leash or in a box. We also ask for some assistance by the parents in judging the various shows.

IRWIN AVENUE

Barbara Wood Our hobby show was held Monday afternoon. The children who entered the contest were: Ronny Gargano, Ned Davenport, Ray Slsun, Leonard Scharffenberger, John Kisch, Herb Etzold, Irene Zidonick, Paul Meade, Mary Ann Scharffenberger, John Hettinger, Dick Panconi, Irene Panconi, Tommy and Michael Geoghegan and Bruce Goldstein.

The winners were Paul Meade, Mary Ann Scharffenberger and John Hettinger.

A pet show is being planned for tomorrow afternoon, Friday. Starting this week we will have Arts and Crafts every Monday and Wednesday afternoon. Our equipment will be stored in the shanty which will soon be completed.

Swimming The swimming program, ever

popular with Springfield children, started off with a bang this year. More than 380 went to Rahway Pool on July 3.

To date, 20 have passed the beginners test in the "Learn to Swim" campaign and 17 have passed the 25 feet test.

These swimming trips will continue, every Tuesday and Thursday, during July to August 14.

Miss Janet Layng Is Affianced

For your library is small in its physical plant only, its scope is comprehensive beyond the average person's expectations. As long as there are eyes to see and books to read, nothing will surpass the quiet pleasure of reading.

Among the new books in demand are—"Jehovah Blues" by Marguerite Stein—"Rage of the Soul" by Vincent Shean—"All About Elmer" by Ruth McKenney—"The Mystery of Marie LaFarge" by Edith Saunders—"Book Door to War" by Charles C. Tansill—"The Flight of the Arctic Tern" by Constance and Harmon Helmericks and "The Cry Is Peace" by Louis Budenz.

Richard Jennings, son of Mr. and Mrs. Louis Jennings of 316 Partridge run, Mountaineer, has been named to the Dean's List at Marietta College, Marietta, Ohio. He is a graduate of Regional High School.

Miss Janet K. Layng
Mr. and Mrs. Wilbert Willis Layng of Lyons place, and Late Lenape Andover, have announced the engagement of Carson, of the engagement of their daughter, Janet Katherine, to Corporal Lynn Lionel Carson, Jr., son of Mr. and Mrs. Carson of Wellsburg, West Virginia.

Miss Layng is a graduate of Regional High School. She attended Marietta College, Marietta, Ohio; New Jersey State Teachers College, Montclair, and will enter her junior year at Dickinson College, Carlisle, Pa., this fall. She is an alumna of Chi Gamma Chapter of Chi Omega sorority, and a member of the North Jersey Chi Omega Alumnae Association.

Corporal Carson attended Linsley Military Institute, Wheeling, West Virginia, and was graduated from Wellesburg High School, Wellsburg, West Virginia. He attended Marietta College, before entering the Army. A member of the Medical Corp, he is stationed at Fort Lawton, Washington, awaiting reassignment.

SEAL-GRIFFITH ENGAGED TO WED
Mr. and Mrs. Mariner Parks Griffith of Lavallette, formerly of Springfield, have announced the engagement of their daughter, Joan Ruth, to William Edward Seal 3d, son of Mr. and Mrs. Milton Willard Seal of 721 Mountain avenue.

Miss Griffith is a graduate of Regional High School and Newark Preparatory School. Mr. Seal, a veteran of World War II, was graduated from Scotch Plains High School.

GIRL SCOUT Corner

Our Day Camp
The Scout Day Camp, organized by Mrs. William Dunn, camp chairman, started Monday with 15 Intermediate Scouts registered. Three leaders are on duty each day. Mrs. Herbert Kern supervises craft work each morning and Mrs. Frank Jahn coaches dramatic groups each afternoon.

Senior Scouts who are assisting the leaders this week are: Virginia Gregory, Frances Jahn, Nancy Frey and Patricia Mathews. The campers take a short hike each day. They are making a study of wild flowers and have brought-back specimens for the terrariums they are making.

ORDINANCE
(Continued from Page 1)
after no lot shall contain any building used for residence purposes unless such lot conforms to Planning Board subdivision regulations. Lots excepted from the provision are those lots which were set off or established as lots previous to the following dates: Residence 60 foot zone, May 24, 1945, and residence 75 foot zone, May 2, 1950. No lot shall house more than one family in Residence A Zone or two families in Residence B Zone.

Another new restriction is: "No solid fences shall be permitted in Residence Zones. The front fence shall not be over four feet high to the rear line of the house and not over six feet in height in the rear of the house. Necessary retaining walls will be permitted. No hedge fence, bush or any obstruction to view, may be over two feet

The spiritual sense of sacrament, which touches the truth of being, enables mankind to seek out error and heal the sick. This thought will be further elucidated in Christian Science services this Sunday. The Lesson-Sermon is on the subject "Sacrament." The Golden Text is from Isaiah: "What shall I render unto the Lord for all his benefits towards me? I will take the cup of salvation, and call upon the name of the Lord."
(1100)

A further citation from the Bible reads: "The cup of blessing which we bless, is it not the communion of the body of Christ? The bread which we break, is it not the communion of the body of Christ?" (1 Cor. 10:16)

Among the correlative passages from the Christian Science textbook, Science and Health with Key to the Scriptures by Mary Baker Eddy, will be all who seek His (Jesus') commemoration, through material symbols will take up the cross, heal the sick, cast out devils, and preach Christ or Truth to the poor—the receptive thought—they will bring in the millennium. (p. 341)

Mrs. LoRoy Emmel and son, Ricky, of 15 Dayton court, are spending a month at Bayhead.

Alfred Bowman, Howard Christensen, Adelbert Kuenzel and Peter Miller are attending the Union County Band and Orchestra School, Roselle, this summer.

PEOPLE WE KNOW
By KITTY OHLER
Phone Millburn 6-1278

Paul Fenard, son of Mr. and Mrs. W. W. Fenard of 38 Lyons place, celebrated his seventh birthday recently with a party at his home.

Guests included: Al Stender, Richard Getleau, Sandra Tutusko, Susan Kennedy, Bruce Allston, Michael Brecht, Peggy Haggerty, Lynn Field, Richard Ahrens, Lee Bowman, and Paul's sisters, Margot and Sandra, of town, and Elly and Jacque Tyndall of Scotch Plains.

On Sandra's birthday, she and her parents made a tour of New York and dined at Leone's.

Mr. and Mrs. Bill C. Jensen of 126 Meisel avenue, are vacationing in up-state New York. They plan stop-overs in Rochester, Buffalo and Irving, where Mrs. Jensen's parents reside.

Mr. and Mrs. Carl Roberts and daughter, Alice, formerly of 23 Country Club lane, are now residing in their new home at 219 N.E. 16th street, Delray Beach, Fla. They report that "while it has been hot, there is always an ocean breeze and the bathing is ideal."

Mr. and Mrs. Victor Brecht and children, Michael and Linda, of Lyons place, are spending the summer at Normandy Beach.

Two local couples, members of the same family, have announced the birth of sons on June 30 at Overlook Hospital, Summit. Mr. and Mrs. Mathew Dandrea of 23 Mountain avenue, and his brother-in-law and sister, Mr. and Mrs. Robert Hagenbush of 83 Koeler street, are the proud parents.

The Dandrea's have two other children, Marie, 5, and Christine, 3. Mrs. Dandrea is the former Agnes Dech of Gillette.

The new member of the Hagenbush family is the couple's first child, Mrs. Hagenbush is the former Theresa Dandrea. She and her brother are the children of Mr. and Mrs. John Dandrea of the Mountain avenue address.

Miss Mary Ann Ulbrich of 225 Short Hills avenue, sailed for Europe last Tuesday on the Queen Elizabeth. She will tour France, Italy, Switzerland, Germany, Belgium, Holland and England. While in Brussels she will visit Miss Chantal Van Esche, a former high school classmate. Miss Ulbrich, home economics teacher at Regional High School, will be accompanied by Miss Gertrude Marley of Jersey City. They will return August 12 on the Queen Mary.

Tri-City Tennis Tourney Listed

The first in a series of annual Tri-City Tennis Tournaments open to residents of Elizabeth, Union and Hillside will be held at the Warrinaco Park courts, Roselle on Saturday, July 19, starting at 10:30 a.m. The Union County Park Commission announced.

Entries will be confined to residents of the three cities who are not members of private tennis clubs and who do not have the privilege of playing on private courts.

Competition for local honors is expected to be keen in the four scheduled divisions: Men's—singles and doubles; Junior's, 15 to 18 years of age—singles and boys', under 15 years of age—singles matches. United States Lawn Tennis Association Rules will govern all play.

Players must furnish three new tennis balls and the losers must furnish two. Winners and runners-up in each division will receive suitable awards.

Applications may be obtained from George T. Cron, Assistant Superintendent of Recreation, Union County Park Commission, Box 231, Elizabeth. Entries close at noon, Wednesday, July 16.

building materials. Indications are the school will be ready for occupancy between Thanksgiving and New Year's.

Father Mahon said the steel-reinforced concrete structure has been listed as a \$700,000 project. Work started about the same time as that on the Gaudinier School. It will be a two-story T-shaped building of brick. It will have an auditorium with a capacity of 300, double kindergarten room, a cafeteria, a kitchen and two meeting rooms.

A parish census indicated there are 750 school and pre-school children in the Springfield parish and 210 in Union. A recent subscription drive netted \$125,000 toward the building fund. The parish has outgrown its present church building in Morris avenue, it was said.

A \$64 Question...He Chooses College

Bob Phinney, who teamed with Springfield's Charlie Schaffernoth at Regional to form one of Union County's top schoolboy batteries of 1952, has decided on a four-year stay in college instead of a professional baseball career—at least for the present. The Bulldog hurler, who topped Regional's '52 hill operations, has announced that he will enter Ithaca College in New York State in the fall.

At the Empire State Institute, Bob will join five outstanding UC scholastic contemporaries including all-county pitcher Don Kern of Cranford (the 180-mile-an-hour set an all-time county mark) and Johnny Mangini, Roselle Park's all-county third baseman. Also scheduled to matriculate at Ithaca next fall are pitcher Don Bregan of Hillside and third sacker Glen Owens and Andy Crisanti, both of Cranford.

The other half of RPH's top-flight battery, Schaffernoth, is on the verge of signing with a major league team. We phoned the Schaffernoth residence last night and at that time, they had nothing definite to report.

So, just like everyone else, we are forced to sit back and wait for further developments, which according to our telephone conversation should come fairly soon.

Father and Son Game

A part of the Springfield July 4th afternoon program was a father and son-softball game, approximately 30 men and boys participating in the contest. However, a sudden storm, which rained most of the afternoon's festivities, interrupted play in the fifth inning.

At the time of the showers, the sons maintained a slight edge. But, it was the surprising performances of some of the old timers that took the spotlight away from the sons.

Police 9 Drops Chrysler; Bond Upsets Whitey's, 7-6

Rain washed out two-thirds of the week's Springfield Softball League and the mud it left in its wake threatened to make a clean sweep of affairs. Already postponed by the elements are games pitting the PBA against Springfield Sheet Metal and Whitey's against Marcel's. Tonight's scheduled contest involving the cellar-dwelling entries, Bond Electronics and Chrysler-Plymouth also might be called off.

At press-time, no date had been set for re-matches, but the policy generally followed by the league is to re-schedule the rained out ball games for Monday evenings. That probably would mean that one game will be contested this Monday night and the other on following Mondays.

The Bond Electronics-Chrysler-Plymouth affair, from all aspects might prove to be an interesting struggle. Chrysler won the first meeting of the teams, but since that time Bond has come a long way. The Electric nine has begun to hit the long ball and has vastly decreased its usually high error total.

Chrysler also has not been relaxing. C-P has been giving the front running clubs considerable trouble and with a break here and there could boast a record far superior to its current 2-5 standard.

Bond won its second straight league outing last Wednesday night in upsetting Whitey's, which literally dropped from contention. The score was 7 to 6. As far as can be factually ascertained, only Springfield Sheet Metal stands a good chance of manipulating the crown from the clutches of the PBA, which incidentally has a rather firm grip on it now. The PBA beat Chrysler, 7-4.

Back-to-back singles by Paul DeBerjols and Bob Battelle with one down in the second inning, coupled with Ed Parce's two-run double game, Whitey's an early lead.

Bond got one back in the third as Scott Donnington singled. John Weber pushed him up on a fielder's choice play which backfired on Whitey's. After Don-Bleichen had singled out Al Tucsnak singled to deep short to load the bases. Richie Betz then fled to left, Donnington tallying after the catch.

With the score 2-1 in the third, George Graziano, Joe Leone, and Marty Martin singled in succession and that, plus two Bond errors,

accounted for two more runs for Whitey's.

The comfortable 4-1 margin proved to be not so comfortable as Bond batted around in the fourth for five markers. Al Hector walked to start the uprising. Then, successive safeties by Jack Wyckoff, Donnington, and Weber brought two runs home. After the second out, Tucsnak and Betz singled for two more tallies. Grand-ano's miscue on Bernie Spang's tap in front of the plate got the final run home.

Bond notched what later proved to be the winning tally in the seventh on Betz's single, a passed ball, and Leon Bideau's two-out hit.

Betz's error, a passed ball, and Leone's single made the score 7-6 in the last of the seventh. Al Tucsnak's error on Martin's bounder let in another run, but that was all as Ken Belliveau ended the tussle by popping to third for the final out.

The PBA scored three times in the first round against Chrysler and it appeared that a slaughter was in the making, but C-P came back with four runs in the sixth to knot the count. Previously, the Police nine had made a single marker in the second.

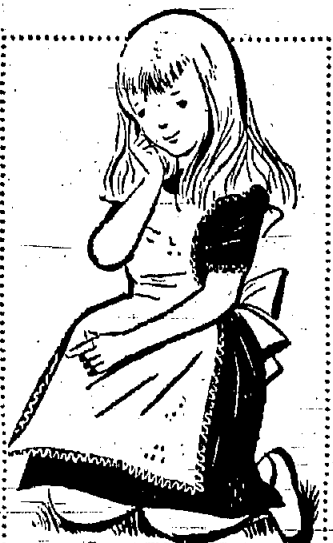

After the Chrysler rally died, locked the count, the PBA slammed home three runs to win by a 7-4 tally.

The line scores:

Bond Electronics 0 0 1 5 0 6 1-7
 Whitey's 0 2 0 0 2 2-4
 Weber and Bideau, Parce, BATT-LETT (7), and Graziano.
 Chrysler-Plymouth 0 0 0 0 4 0-4
 PBA 3 1 0 0 3 2-7
 HAUSMAN and Schwertz, DON-NINGTON, ATLET (7), and Bednarik.
