FRIENDS!!

A dozen local big wigs (political) were in the audience at the Chautauqui in Millburn yesterday noon when Senator Taft spoke in behalf of General Eisenhower for the presidency. Independent candidate for Township Committee, George Marchev, Mrs. Marchev and another woman in the party waited for nearly two hours for Taft to speak... just as the big guns were about to be fired in walks a gal with a huge lily in her lapel and tells Marchev he is erroneously seated at the press table... all other seats in the house were taken and George is reported to have successfully demanded his money back... he ate lunch elsewhere, heard Taft's speech over the radio and saved nearly five bucks to boot!

Had occasion to chat with Senator Taft for a few moments just before his speech yesterday... told him we represented a weekly newspaper in Springfield... he said he didn't know where Springfield was, but expressed the hope it was "good Republican town"... "Yes," we replied, "it's a Republican town."

Wonder whether storekeepers and others who maintain display establishments in Springfield realize how foolhardy was their decisions to refuse grammar and high school art students permission to paint their windows... the mixture used in the ghost-like diagrams comes off with soap and water... but soap alone, crayons and chalk can make a devil of a mess!

Police Commissioner Al Binder's "Letter to the Editor" today is worth while reading should you be interested in the local political picture... and you should!!

Confusion about deliveries this week in the metropolitan area are perplexing to a Morris avenue merchant whose truck enters neighboring out-of-town sections almost every day... on Friday, the truck was prevented from entering Market street, Newark, when General Eisenhower paraded through the Essex County streets... so again on Tuesday, back into Newark went the same truck, this time to become entangled in the parade of President Truman... this could be understood, but the last straw came yesterday noon, when

Spooky Art Students Paint Springfield Store Windows

Goblins, witches and "spooks" will again adorn the windows of Springfield shops today and tomorrow, as more than 125 youngsters of high school and elementary schools decorate store windows in the fourth annual Halloween window decorating contest.

Competition, which is sponsored by the Springfield Rotary Club, is divided into the high school and grammar school divisions, with prizes to be awarded for the most original, artistic and comical.

Miss Doris Perry, of the art department at Regional High School and Russell Post, grade school art supervisor, are in charge of details among the children, with Grant Lennox heading the Rotary Club's committee on arrangements.

Several members of the Springfield Women's Club, to be announced, will judge the various entries.

Stores to be decorated are situated in the area, on Morris avenue from Meisel avenue to the post office, and also on Plener avenue. It is expected that almost 40 windows will be displayed in the Halloween decorations, with about 25 gallons of paint being used.

At the weekly luncheon meeting of the Rotary Club Tuesday at Baltusrol Golf Club, members heard a talk by Henry Garrity, executive of Union County, Boy Scouts, who explained highlights in the Scouting program. He was introduced by Felix Forlenza, vice-president, who will again be in charge of Springfield's fund raising drive in February for the Scouts.

Charles Rémlinger, convention chairman, announced plans for District session Tuesday and Wednesday, November 18 and 19 at Laurel in the Pines, Lakewood, which will be attended by delegates of 36 Rotary clubs in the area.

Binder Claims Charges Of Fusion Libel Township

Police Commissioner Albert G. Binder today blasted the Fusion candidates for their statements last week inferring there is graft involved in township politics.

The member of the governing board said-implications were made that could well be libelous in the event the charges were made in good faith and were specific in fact.

The commissioner challenged George Marchev and former Township Committeeman Francis J. Keane, the candidates, to produce evidence to substantiate the inferences.

He said he deeply felt such "irresponsible statements."

Charging "sneaky tactics," Binder said, "if the perpetrators of such sneaky tactics are forthright citizens, with a sense of obligation to their community, then I say let them name names and state facts. I can assure them if there are any fundamental facts for the basis of such charges I will pledge myself to a thorough public investigation.

"Without such cooperation the citizens of Springfield can only attribute such vicious charges as coming from sources which are irresponsible, unreliable, and in keeping with the present day practice of 'gutter politics'."

Township Police Chase Stolen Car

A 16-year-old boy who wrecked a stolen car while being chased at an 80-mile-an-hour clip by Radio Patrolman Daniel Madding is in the Juvenile Home in Bayonne after being apprehended Sunday morning.

The youth escaped from the car and a short time later was apprehended by Union Township police as he emerged from the wooded area along Route 29.

Police said the juvenile later admitted stealing the convertible sedan from in front of the home of Reuben Pitts, 2 Midwood terrace, Madison. Madding saw the youth driving the car near Morris and Millburn avenues.

He reported when he attempted to force the vehicle to the curb the boy increased his speed, cut through a service station area and sped off in Baltusrol way. The patrolman fired four pistol shots, one of which hit the auto's trunk.

The youth, still traveling at a high rate of speed, turned into Milltown road. As he neared the Union line, he failed to take the curve. The car struck a fire hydrant and careened against a utility pole, knocking down the power lines. Madding said he was unable to give chase immediately because of the grounded lines.

Earlier Madding had radioed for help and Patrolman John Baber had attempted to cut off the car at Shunpike road. Madding reported the youth had narrowly missed collisions with other vehicles at two intersections.

Building Dedicated By Presbyterians

A Dedication Service for the laying of the cornerstone was held Sunday afternoon, October 19, at the new parish house of the First Presbyterian Church on Main street. The service was conducted by the Rev. Bruce W. Evans, pastor, assisted by James M. Duguid, president of the board of trustees and chairman of the building committee. The traditional Netherland hymn "We Gather Together" was presented by the Senior Church Choir. Members of the congregation as well as representatives of all the trades working on the building were present.

Among the many papers contained in the metal box which was sealed in the cornerstone, was a history of the local Church together with a detailed account of the 200th anniversary observance held in 1945; a complete list of all ministers who have served in this parish; a history of the present project and a list of subscribers; a facsimile copy of an original subscription list to the support of the church dated 1792; a picture of the ground-breaking ceremony held last spring; and a New Testament which Mr. Evans carried during his war-time service with the United States Navy.

Ground was broken for the two story brick colonial building at 37-39 Main street last spring with Stephen Potter of Union, as architect and Dean Widmer, of 132 Meisel avenue, as general contractor. The building is expected to be in full use by Christmas. All work on the building has been

Fusion Nominees Fight to Reduce Margin of GOP

Democrats Silent As Campaign Heads Into Final Week

Criticizing the Republican aspirants for the Township Committee for an allegedly enfeebled apathy toward a tax reduction, Former Township Committeeman Francis J. Keane and George Marchev, Fusion candidates for the governing board, today charged that the GOP faction had admitted their inability to reduce the 1953 budget.

Last week the Republican candidates asserted no candidate can logically promise to bring about a sizable reduction in municipal taxes," Keane and Marchev said in a statement issued today. "They charged that the national policy constitutes reckless and wanton waste of the taxpayers' money and said that until that is curtailed there can be no reduction at the local level.

"No mention is made by the incumbent finance chairman of even an effort to reduce local taxes. We will make a vigorous effort to lighten the tax load for Springfield and to give every taxpayer a better buy for his money.

"No mention is made of the sorry failure over the Republican years to properly promote light industry, the only tax hope we have. We will work hard and logically to bring desirable industry to town.

"From the article it would appear that if Washington spends and taxes, Springfield must spend and tax. This thinking is ridiculous. We charge that there is no remote or logical connection between the policy in Washington and the mess in Springfield.

"We charge that the record of the township committee to date offers little hope for the management or leadership that might correct our tax situation. If elected, we will try to do something about it—no comment that nothing can be done," the Fusion candidates concluded.

Taft Speaks as Marchev Leaves

George Marchev, Fusion candidate for the Township Committee, almost heard U. S. Senator Robert A. Taft at the G.O.P. luncheon at the Chautauqui, Millburn, yesterday. He missed the talk by a table—a press table.

Perhaps a wit would have said George was tabled. To be corrected he was seated and dined. When he and two companions walked in after presenting their tickets at 11:30 a.m., they were seated at a table near the speaker's rostrum.

Later they learned it was a press table when a big card was placed on it. Soon it was filled and when the Sun editor and a Sun reporter arrived to cover the session, they found no places. A poll of the table's occupants was requested. As a result Marchev was ousted.

The good natured Fusion candidate, told that no other seats were available, demanded his money be refunded.

"We've never refunded money at these luncheons," a dignified female cashier protested.

"Well, there's always a first time," Marchev rejoined.

He didn't get another table but he got his money back.

Marchev eventually heard Taft but it was via radio.

The candidate said he finished his meal at another restaurant.

"It was a lot cheaper and there was no press table," he added.

Town Registration Is Up 50 Per Cent

The township's registration is up 50 per cent as compared with the figure for 1948, statistics made public today by the Union County Board of Elections indicate.

Four years ago the township had 3,330 registered voters. Today the figure is 5,100. The biggest gain was made by Union Township but Springfield's increase was one of the largest among the county's smaller-municipalities.

"This increase here is 1,814. Thirty-four soldiers ballots were sent out from Springfield.

Challenge Issued By First District

Daisy Johnson and Arthur Marshall, Republican County Committee members in the first district, said today they expect their district to lead the town again in the percentage of registered voters going to the polls on November 4.

Springfield was one of the high towns in the county in 1948, and the first district led all other districts in Springfield with a turnout of more than 90 per cent.

They have challenged the other districts to try and beat their record, which they expect will be even larger this year.

Fusion Candidates Blast Republicans on Budget

With Election Day less than two weeks away politics in Springfield as well as throughout Union County and the entire area continues at a terrific momentum. The feeling prevails here among political observers that there probably will be a flurry of last minute activity, particularly on the part of the Republican and Fusion candidates for the Township Committee.

Only the Democrats have failed to show any activity. Despite the fact that the nominees, J. Leo Moran and Mrs. Anna Turk were write-in candidates, it was generally believed that they would wage an all-out campaign in a presidential year. However, little has been heard from them and there appears to be little campaigning according to what few reports come out of Democratic headquarters here.

It is generally conceded that the Fusion ticket, comprising a former

Parents' Group Hears Speakers

Superintendent of Schools Benjamin Newsawanger, Mrs. Lucy Forsythe, his assistant, Mrs. Thelma Sandemier, principal of the Raymond Chisholm School and Miss Florence M. Gaudineer, school nurse, were the speakers at the first meeting of the Parent Education Study Group of the Springfield Parent-Teacher Association last Thursday at the James Caldwell School. More than 50 attended the meeting.

Mrs. H. M. Wasing, chairman of the group, opened the meeting by outlining the aims of this study group for the year. She said the plan is a acquaint the parents of Springfield with the operation of the school system under present difficult conditions. This type of program puts an added burden on Superintendent Newsawanger and his staff, since it is only they who can give the facts.

Mrs. Wasing then introduced Newsawanger to the group. He outlined the policies pertaining to children going to and from school. The children have been instructed to arrive at school as near to the starting time as possible, because of the double session, he said, and parents have been asked to cooperate. He said that safety is stressed at all times. Numerous safety films are to teach the children the proper precaution, he added. Upon dismissal children are requested to go straight home.

Mrs. Forsythe explained rainy day and free time policies in the James Caldwell School. On the playground each age group is assigned areas and activities suitable to them, and in the lower grades junior police assist the teacher, she said.

S. forces to reach the Yalu River.

Zeller is serving as a cannonner in Battery B of the division's 57th Field Artillery Battalion. He entered the Army in September, 1951.

Father's Night Set for Monday

"Father's Night" is next on the agenda for the members of the Parent Teacher Association. The meeting, to be held in the James Caldwell School, because of lack of necessary space in the Chisholm, will start at 8:15 on Monday, October 27. Speaker for the evening will be Crofton J. Hayes, Agent-in-Charge of the Newark Branch office of the Bureau of Narcotics. He will speak on that subject.

Local Cub Scouts Hold Cake Sale

The Springfield Cub Scouts, Pack 171, netted \$70.20 from the cake sale it held recently. This sale was held at the Mountain Avenue Garage, Mountain and Morris avenues.

The financial report was the highlight of a meeting of the Cub Scout Cake Sale Committee at the home of the committee chairman, Mrs. Alfred D. Donovan, 54 Hunslow avenue.

At that time Mrs. Donovan turned the proceeds over to Paul C. Weis, chairman of the Pack Committee. Mr. Weis, in turn, asked Mrs. John Neisler, secretary, deposit it to the Pack account.

Local Cub Scouts Hold Cake Sale

The Cake Sale Committee expressed its appreciation at Monday's meeting for the complete cooperation given it by the Cub Scouts who prepared 29 posters advertising the affair. These posters were given window room by local merchants on Morris avenue.

Selling the cakes last week were Bill Jensen, Lions Club International Representative; Frank Holler, Cub Master of Pack 171; Mrs. Joseph Olechnich; Mrs. Charles Miller and Mrs. Donovan. An amusing "extra added service" was the delivery service by Bill Jensen who brought orders from, and delivered cakes to, several prospective buyers not able to attend in person. Jensen even took orders from several disappointed women who came to the sale too late (it was a pre-noon sellout), and phoned these orders to willing workers. He delivered these orders when completed.

Among those contributing to the benefit's success were: Mrs. Seth Brown, Mrs. J. C. Rile, Mrs. William C. Jensen, Mrs. Paul C. Weis, Mrs. Thomas F. Conlon; Mrs. Paul F. Muller, Mrs. John Utz, Mrs. F. G. Morfette, Jr.; Mrs. Edward R. Koenig, Mrs. W. D. Maxwell, Mrs. Donovan, Mrs. James Chalmers, Mrs. Robert Warren, Mrs. Clifford Zimmer and Mrs. Edward P. Kaye.

Also Mrs. Frank Holler, Mrs. George F. Holler, Mrs. Leonard Hodapp, Mrs. John McMahon, Mrs. J. Benjamin Sussman, Mrs. Henry Vance, Mrs. Edward Cardinal, Mrs. Miller, Mrs. Stephen Windish, Mrs. Ted Dabbaty, Mrs. Edward Kisch, Mrs. Robert E. Bonnett, Mrs. A. F. Zurawski, Mrs. Olechnich, Mrs. Stanley Robbins, Mrs. Norman Ziegler, Mrs. Julius Benko and Mrs. Kurt Wernbach.

Town Jewish Unit Slates Inaugural

Dr. Samuel Goldstein

Dr. Samuel Goldstein, president of the Jewish Community Group of Springfield, will preside at the organization's inaugural dinner and dance, Saturday, Oct. 25, at 8 p.m. at the Moresque, West Orange.

The inaugural will mark the formal admission of the Springfield Community into the Essex County Jewish Council. The dinner dance will also highlight the group's first inauguration. A 1952-53 officer slate will be installed.

Dr. Goldstein, a Newark chiropractor, is chairman of the Eastern Division of the Chiropractic Society of New Jersey. Besides Dr. Goldstein, these officers will be installed: Vice-president, Norman Freedman; treasurer, Daniel Kalem; recording secretary, V. L. Seltzer; corresponding secretary, Mrs. Roslyn Yablonsky.

TO AID VOTERS

Edward Reibold of 36 South Maple avenue, has been appointed a member of the committee which will assist new Union County voters to exercise their franchise. The committee was organized last week at the Union County Republican Campaign Committee headquarters in Westfield. Organizers were appointed by Charles F. First Aid Squad Short of Quota

The 1952 fund drive of the Springfield First Aid Squad is being closed this week with 60 percent of the goal realized. There are still many in town the squad has not been able to reach at home, and it would be appreciated if they will mail their contributions.

The last two weeks the Jewish Community League has been making call back visits for the Squad to help reach the \$9,000 goal. A group of three children from Tooker avenue has been very busy recently—making pin cushions which they have sold to residents in their neighborhood. They have turned over to the Squad \$6.60. The children are Victor Tuma, age 9, Ruth Ann Toomy, 10, and Janet Helmsetter, 9. They call themselves the "Chicken Coop Club".

Three members of the Squad have finished their probationary period and have been accepted as regulars. They are John Baier, Theodore Naumann, and Edward Smith. Delegates of the Squad will attend the State convention of the New Jersey State First Aid Council at Asbury Park on Sunday, October 26. The State Convention is being held at the same time as the International Convention of International Rescue and First Aid Association.

Will Mark Grave Of Mrs. Macartney

The Church of Cannon Chapter, Daughters of the American Revolution, will place an official D.A.R. marker on the grave of the late Alevia Compton Macartney (Mrs. Lewis P.) on Sunday, October 26, at 1 p.m. in the Clinton Cemetery, Irvington.

Mrs. Macartney, who was a resident of Springfield for many years, was an organizing member of the local D.A.R. chapter and its first chaplain.

The ceremony will be conducted by Mrs. Milton P. Brown, regent, and Mrs. John Kulp, chaplain. Chapter members and other friends desiring to attend the service will meet at the Springfield municipal parking lot at 12:30 p.m. and go together to the cemetery.

LISTEN, FRIENDS (Continued from Page 1)

the delivery to the Chanticleer, Millburn, was halted... this time it was Senator Taft... the merchant is thinking seriously of a moratorium on deliveries until after Election Day, ten days hence.

Sorry to hear that the First Aid Squad's recent fund drive fell short of its goal by more than \$3,000... this is one of the few times on record locally that a worth-while campaign for funds has flopped... just in case you know of someone who can use them, the squad is offering for sale five tires and tubes (7-50x16-6 ply) with good treads at \$50... call Mrs. Wilson at Millburn 6-0601 for details.

Mrs. Thomas Doherty asks us to comment on the Recreation Committee's request that it be set up as a commission. "We were promised action but somebody is sitting on it," says Mrs. Doherty. "We are drawing near to the end of the year and I feel certain that present acting committee members do not care to carry on under such a loose arrangement. After all, we are handling some \$8,500 of the town's budget—shouldn't we have some recognition of a request to put the town's recreation program on a more secured and insured long term plan, such as a rotating membership with a term of 5 years and all lands needed for recreation done so in such a way that they are for recreation permanently and not until further order of the Township Committee... this is just a boiling on my part but it also represents the sentiments of the committee, too," concludes Mrs. Doherty.

FIRST CHURCH OF CHRIST SCIENTIST

Spirituality, the fear of death diminishes as mankind understands. He knows that his life is not made of matter. This will be brought out in Christian Science churches this Sunday when the subject of the Lesson-Sermon is "Prohibition After Death."
 The Golden Text is from I Corinthians: "The sting of death is sin; and the strength of sin is the law. But thanks be to God, which giveth us the victory through our Lord Jesus Christ" (15:56, 57).
 Among the scriptures from the Latin Vulgate version of the Bible to be read will be the following: "Thou hast redeemed my soul from death; wilt not deliver my feet from falling, that mine eyes should be ever upon thee in the light of the living?" (Ps. 56:13).
 Correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include this one: "When I walk before thee, wilt thou not destroy life, and that mortals are not saved from sin or sickness by the death of the body? Thou wilt quicken into newness of life. It will master either a desire to die or a dread of death and thus destroy the great fear that begets mortal existence." (p. 426)

Scouts to Visit 30 Million Homes

Just before Election Day, Nov. 4, the nation's Boy Scouts will place on the door knobs of 30,000,000 homes, Liberty Bell cutouts, shown above, urging every citizen to vote. Their "Get-Out-the-Vote" Campaign is being conducted in cooperation with the Freedom's Foundation. It is entirely non-partisan, without reference to any candidate or party.

LETTERS from Our Readers

PROVE IT!

In the last issue of the Springfield Sun there appeared an article attributed to the Independent candidates for the office of Township Committee. By subtle innuendo it was charged that "Graft" is part of the functions of the present Township Governing Body.

As I am one of the members of the Board I feel deeply slighted by irresponsible statements, which are broad in scope and hidden behind the skirts of "Dime Rumor." The perpetrators of such sinister tactics are forthright citizens, with a sense of obligation to their community, then I say let them name names and state facts. I can assure them if there are any fundamental facts for the basis of such charges I will pledge myself to a thorough public investigation. Without such cooperation the citizens of Springfield can only attribute such vicious charges as coming from sources which are irresponsible, unreliable and in keeping with the present day practice of "Gutter Politics."

\$1,000,000 Worth Of Area Dwellings Near Completion

Eleven homes, which are open daily for public inspection, are nearing completion in the new Country Club section of Short Hills bordering Summit, which is being promoted by the Prudential Insurance Company of America, owners of the land, and Frank H. Taylor & Son, Inc., realtors and mortgage bankers, who are their managing and sales agents.

Carved out of more than 150 acres, which were formerly a part of the estate of Stewart Harshorn, founder of Short Hills, this development is planned so as to afford views of two lakes, the rolling green links of Canoe Brook Country Club, and wooded hills stretching towards Union County. Located off White Oak Ridge Road, the land rises gradually from Canoe Brook road to its highest point on Addison Drive.

Announcement has been made by Harry A. Taylor, president of the promoting firm of realtors and a former president of the Institute of Real Estate Management, that 94 plots have been added to this section, making a total of 100 improved sites thus developed in the tract.

These new lots are made available after four months' work on roads, and utility installations along six new streets. All improvements, including storm and sanitary sewers, roadways, curbing, etc., are included without additional assessment in the price tags of the home sites, which run upward from \$45 a foot.

The tract contains ranch type, conventional two-story, 1½-story, and split level homes. To date 27 homes have been sold; 14 of which have already been occupied; the balance being in various stages of construction.

More than \$1,000,000 worth of dwellings are scheduled for completion in the tract this fall and early winter. Careful planning and attention to detail are apparent as soon as one enters these homes which range in price from \$28,000 to \$40,000. They feature large rooms, picture windows, fireplaces, ultra-modern kitchens which include dishwashers, exhaust fans, etc., patios with outdoor fireplaces, brick work flower boxes, and a number of other modern touches, such as Mercury

switches, recessed lighting, and electric controls for garage doors.

The Taylor organization is offering a "package" custom homeownership plan, under which the buyer is offered a wide choice of home sites, housing plans, contacts with architects and builders, and both construction and permanent financing.

Builders, well known in the area, who are cooperating in the tract are: Carl Kolodin, Inc., Jacquith & Smith, Pettey Construction, Olsen & Stansand, Robert G. Mulvahy, Jr., Granite Construction, Inc., Landrum & Nilson, Spingarn Brothers, Peter Koedoes, David Stoloff, Inc., National Builders, Inc., Adrian Construction Co. Ltd., Hadlen Corporation, and Richard Blaine.

Engineer Speaks To Local C.Y.O.

Joseph Kenny, a trainer of industrial engineers, was the principal speaker at St. James' Senior C.Y.O. Communion Breakfast. His theme was "Higher education does not insure success in the business world." "A young man needs initiative and determination to succeed in modern business," declared Mr. Kenny. He also said that a happy home is the keystone to man's success in any field.

Joseph Rokoszy, president of St. James' C.Y.O. was toastmaster. The Rev. John Mahon, and J. J. Ehwahit, president of the Holy Name Society, also spoke at the breakfast.

Regional, Roselle Elevens Set for Saturday's Test

Sports In The Sun

THE COUNTY SCENE . . .

Plainfield, Rahway, Pingry, and an Olympic ace hold the spotlight in Union County football circles this week.

Plainfield has come through four games with an unblemished slate, chiefly because Milt Campbell, who finished second to Bob Mathias in the 1952 Olympic decathlon in Finland, has scored 71 points.

Not satisfied in winning, the Queen City machine has turned every triumph into a slaughter. Plainfield beat Long Branch 33-13, Columbia 29-6, Boyd Brook 42-13, and Perth Amboy, 28-0.

Rahway, which is paired with its annual nemesis, Clifford Scott, has been the victor in four straight ball games, listing Carteret, Linden, Westfield, and Cranford as its victims.

Prep-school Pingry has a three-game winning streak alive. The Elizabeth school has turned back George School, Englewood School, and Morristown School.

Other county schools and their records follow: Thomas Jefferson (1-3), Roselle (2-2), Linden (0-3), Regional (2-1), Westfield (1-2-1), Summit (1-3), Cranford 3-1, Roselle Park (1-1-2), Hillside (1-3), Union (1-3), and Scotch Plains (0-4).

Plainfield, with 132 points scored, also is the leader in that department. Judging by points scored, against records, Pingry's 6 and Rahway's 19 lead the list.

The casual observer might notice that the pre-season "mites" have stumbled along the trail, while some "unknowns" have hit the headlines. Cranford, for instance, won three straights after being tabbed an also-ran in pre-season polls. In the opposite category, Summit, Westfield, Linden, Roselle Park and Scotch Plains, rated strong in the annual forecasts, have "bitten the dust".

Boro Team Seeks 1st Win Since '42; Bulldogs Conquer Caldwell, 12 to 6

Roselle, which has not beaten a Regional football representative since 1942, makes its annual stand against Coach John Brown's men Saturday afternoon at 2:30 p.m. on the local gridiron in a contest which could establish the Bulldogs as a definite threat to sweep the remainder of their schedule.

For it is generally agreed that the local squad is facing its toughest foe, excluding Rahway, in the borough eleven. Furthermore, if Regional wins by any margin resembling a rout, it might be a good bet to defeat traditional rival, Rahway.

Both teams are set for Saturday's tussle. Each looked impressive in last week's action; Regional dropping Caldwell, 12-6, and Roselle blanking Union, 15-0.

In the way of manpower, the clubs shape up fairly evenly. Roselle appears to have a slight edge in the backfield, mainly because Ike Holmes operates there. He owns five of the borough's eleven's seven touchdowns, but was held scoreless against Union last week.

Richie Eetz probably will break into the offensive alignment in place of Larry Robinson, whose knee is bothering his running. Harold Grapethin returns to the team and will take over his offensive end post, but will probably be the middle-line backer on defense. Pat Venier, who replaced Grapethin when the latter was on the injury list, is expected to get the defensive end assignment.

Ed Ruby, director, will hold basketball on the nights of October 20, November 3, 10, 12, 17 and 19; and December 1, 5, 8, 10, 13, 15, 17, 22.

Educators Urged To Use TV as Aid

Educators from every section of the county Tuesday night were invited to participate in educational television programs by William King, of Trenton, director of audiovisual aids for the State Department of Education. He addressed the Union County Schoolmen's Club at the Howard Johnson Restaurant, Route 29.

King in speaking on "The Outlook for Television in Our Schools," pointed out that six television channels have been assigned for educational purposes in New Jersey. He said he and his staff will welcome suggestions as to best use of the medium.

King urged school officials who believe they have programs worth telecasting to contact him. Scripts are prepared by members of his staff, he said. Another use which he indicated he would like to make of the channels is for telecasts of workshops for faculty members, he said.

Township police today were looking for a man who fired a shot at Mrs. Maggie Bartel, reporter for a New York tabloid newspaper, who told Sgt. Nelson Stiles that she had been used for a target shortly after midnight in Route 29 in Union near the Rahway Valley Railroad crossing.

NOTICE OF GENERAL ELECTION

Pursuant to the provisions of an Act of the Legislature of New Jersey entitled "An Act to Regulate Elections" (Revision of 1930), approved April 18, 1930, and the amendments thereto, and supplemental thereto...

GENERAL ELECTION

For the election of candidates, as follows: One President of the United States. One Vice-President of the United States. One United States Senator. One Member-At-Large of Representatives (Six Congressional Districts).

FUSION CANDIDATES

Democratic member of the township committee, Francis J. Kowalski, and a Republican, George Marzulli, probably will cut into normal majority of not-negatives; However, observers still insist that the GOP nominees, Township Committee member Frederick A. Handville and Charles Remlinger should easily win in this heavily Republican community.

Generally in a presidential election there is a greater turnout of Democratic voters here with the result that the customary Republican majority is cut. This year, however, sentiment in the municipality appears to be so strong for the presidential candidacy of Gen. Dwight D. Eisenhower that the normal GOP majority probably will be no question but what the rest of the Republican ticket which includes U. S. Senator H. Alexander Smith, Congressman Clifford P. Case, Register Herbert J. Pascoe and the party's threefold candidates will receive substantial majorities.

A survey by the Sun indicated sentiment in favor of the referendum for additional construction for State agencies. The substantial increase in registration leads observers to believe that a record vote probably will be cast in Springfield's six districts. Officials of both parties have urged residents to cast their ballots as early as possible so there will be less congestion at the polls during the last hour when many commuters and others who are unable to vote earlier, gather at the polls.

Furthmore will be assigned to the various districts to see that order is kept. As in other parts of the State inventories will be closed until the election is over. Considerable comment was given to the Fusion candidates-informed there is a graft in Springfield. There also was discussion relative of the Republican statement that no cut in the budget appears possible for 1953.
