## Woman Dies Following Auto Crash

### Summit Resident Is First 1953 Traffic Victim

The first 1953 auto fatality of the township occurred with the New Year less than four days old when Mrs. Valerie B. Donely, 49 years old, of 767 Springfield avenue, Summit, died Sunday in Overlook Hospital, Summit, of a cerebral hemorrhage, which followed injuries she suffered the preceding afternoon in an auto crash in Morris avenue.

Police said the car Mrs. Donely was driving in Morris avenue near Salter street, struck a parked car, owned by Gilbert Btallio of 27 Proffit avenue. It was unoccupied.

George A. Donely, Jr., 18, Mrs. Donely's son, was a passenger in the car. He was taken to the hospital and detained for treatment of a concussion and head injuries suffered when his head struck the windshield. He and his mother were taken to the hospital in the First Aid Squad ambulance.

Mrs. Donely's body was removed to Brough's Morgue, Summit, where Dr. George W. A. Horre, county physician, performed an autopsy.

There were three auto fatalities here last year.

Mrs. Donely is a former resident of Berkeley Heights. She is survived, in addition to her son, by her husband, who is general superintendent of the Hoboken Division of the Todd Shipbuilding Corporation; a daughter, Mrs. William Taylor of Fargo, N. D.; and four sisters, Mrs. Hazel Borthault, Mrs. Agnes Edwards and Mrs. Zelma Killeen, of New Orleans, and Mrs. Louise Schurz, Gretna, La.

## Essex Grand Jury Indicts Ferrone

Pasquale (Pat) Ferrone, of 3 Shynpke road, business agent of the Port Newark International Longshoremen Association's local, Monday was indicted by the Essex County Grand Jury on a charge of false swearing in connection with his testimony on the alleged \$70,000 shakedown for unloading furs from two ships in Bayway in 1950.

The indictment charges the local resident swore falsely in denying before the jury that he had any knowledge of any money payments or any offer of any payment being made by Gregory Butman, New York fur broker, who told the New York Crime Commission last month about the alleged shakedown.

Ferrone was arrested here December 29 on a New York warrant after he was indicted by the New York County Grand Jury for extortion. He is free in \$20,000 bail pending a hearing on extradition which he is fighting. New Jersey's two-year statute of limitations barred any prosecution on the alleged extortion.

Butman's story was denied by Ferrone according to the Essex indictment. Butman said he had to pay the \$70,000 to the late Anthony Glatomasi and a man he believed was Ferrone in order to have longshoremen unload \$3,000,000 worth of furs from two ships at Bayway.

According to the indictment Ferrone testified December 24 before the jury that he did not know Butman and had no part in making any deal for unloading the furs. He also denied receiving a fur jacket from Butman as the latter alleged. He refused to sign a waiver of immunity when he testified in Newark.

## Driver Gets 390 Sutures After Crash on Highway

Charles Colucci, 28 years old, of 736 Oak avenue, Westfield, a milk truck driver, probably established an all-time record for this township and probably New Jersey, when 390 sutures were taken in multiple lacerations suffered when his truck crashed into a wall in Route 29 near the Swiss Screw Machine Company last Thursday.

Colucci, who drives for the Sunrise Dairies, Hillside, was showered with glass from broken milk bottles. Police said he suffered lacerations over virtually his entire body.

The driver was taken to Beth Israel Hospital, Newark, by a passing motorist. A dairy representative reported Dr. Lester W. Blenscott, of Newark, a plastic surgeon worked on him nearly three hours removing small pieces of glass.

## It's Still School to the Kids

Mrs. Thelma Sandmeier, principal of the New Florence M. Gaudineer School welcomes students as they prepare to enter the new building for initial school sessions yesterday. Left to right: Chuck Gamley, 32 Waverly road; Tommy Scriba, 28 Morrison road, standing in bus; Joan Wagner, 46 South Springfield avenue and Doris Volden, 24 Bryant avenue, shaking hands with Mrs. Sandmeier.

## Gaudineer School Opens Doors to 400 Grade Pupils

For the first time in three years double sessions were eliminated in township schools as 400 upper grade students attended classes in the new \$800,000 Florence M. Gaudineer School.

Children were welcomed by Benjamin F. Newschwager, superintendent of schools, and Mrs. Thomas Sandmeier, school principal. Opening of all schools had been delayed two days after the holidays to complete moving of classes from the James Caldwell and Raymond Chisholm Schools.

Newschwager pointed out that twenty-nine classes which had been on a double session basis were eliminated. These included students in the first six grades. The new school houses sixth, seventh and eighth grade pupils.

New facilities include fourteen classrooms, a cafeteria, and an all-purpose room to serve as a gymnasium and auditorium. Sewing and home economics rooms and shops are included.

No date has been listed for the formal dedication, according to District Clerk A. B. Anderson.

Actually, opening of the new school was an historic occasion in view of the fact that there have been no new elementary schools in the township in many years. In event the school population continues to grow, it appears likely it may be necessary to construct an addition or another new school, officials here pointed out.

## Presbyterians Set Program on Africa

Dr. Arthur F. Cole, T.L.B.A.M., noted world traveler, lecturer and journalist, will add Springfield to his list of visits when he speaks to the Fireside Group of the Presbyterian Church next Wednesday at 8 p.m. in the chapel.

Dr. Cole's program will consist of an illustrated travelogue titled: "A Light on Dark Africa." Pictures will include scenes of native life in the jungles, the mission stations, Victoria Falls, the jungle and the Veldt wild game reserves, the historic cities of South Africa, and the interpretation of life in the unknown continent.

Dr. Cole, who tours extensively and is currently planning a trip to India, is a graduate of Columbia University and the Harvard Law School. He is an officer in the Sons of American Revolution. He has been working for years with Dr. Albert Schweitzer, world renowned figure, in the African Congo attempting to fight leprosy. He says that "35 cents will keep a Leprosy alive for one week, and gives much of his money to that cause."

It was explained that plastic sutures use smaller sutures than regular ones. This is done to leave less scar tissue. Had the conventional type of suture been used the number probably would have been reduced to 180, it was said.

Colucci reported he was driving east in Route 29 when he was cut off by a passing motorist. He said it caused the truck to go out of control and strike the retaining wall.

MRS. AMY BANDOMER

## Amy Bandomer Will Head Heart Appeal

Mrs. Amy Bandomer, of 541 South Springfield avenue, has been named chairman of the Springfield 1953 Heart Appeal campaign in February by Mrs. Helen M. Glaser, county chairman. The campaign is conducted by the Union County Heart Association in conjunction with the American Heart Association.

Mrs. Bandomer has been a member of Springfield Woman's Club, the Springfield Civics Club, the Republican Club and the Union County Federation of Republican Women. She has been active in many municipal drives. She has two sons, Kenneth C. Bandomer, of Springfield, and Russell W. Bandomer, of Cincinnati, Ohio, and five grandchildren.

## First-year Patrolmen Get Citation From Town Officials for Fast Capture

Rookie Patrolmen John Ennis (left) and John Baber are commended by Police Commissioner Albert G. Binder (right) for fast work in breaking up hold-up of local tavern.

Patrolmen John Ennis and John Baber, who recently broke up an attempted holdup at the Mountain Avenue Bar and Grill and captured the alleged thief, have been cited by the Township Committee for their action. The resolution, adopted at a recent meeting of the governing board on motion of Police Commissioner Albert G. Binder commends the two youthful patrolmen for performing their duty with prompt action and commendable courage.

"These officers performed their duty with prompt action and commendable courage. It is even more significant to note that both men are relatively new members of the department; Officer Ennis joined the force only approximately four (4) weeks prior, and Officer Baber has been a member slightly over one (1) year.

"On December 19th, 1952, we had an outstanding performance by the Police Department that in my estimation should be publicly cited and commended.

"In a matter of minutes after an attempted holdup in a local establishment, two members of the Police Force, Officers Ennis and Baber, apprehended and captured the criminal while in the act of the crime.

"Subsequently to the capture of the criminal, through the untiring and ceaseless efforts of Det. V. Pukava, together with the two mentioned officers, they were successful in locating and holding for investigation, two other men who are thought to be either conspirators or accomplices of the act.

"I cite this episode for the purpose of incorporating such citation in the minutes of this meeting, as well as on the records of the men involved.

## Cardinal Case Recessed Until January 21 After Five-Hour Legal Battle

### Township Cites Police Leaders

Chief of Police William J. Thompson and Lt. Albert A. Sorge, ranking officers of the township's police department, were honored New Year's Day when they received mantel clocks from the Township Committee.

In making the presentation Police Commissioner Albert G. Binder pointed out the clocks were a token of appreciation from the municipality for the twenty-five years of service which the pair have served.

Chief Thompson has been the head of the department for the past two years. He was named chief following the retirement of Chief M. Case Runyon. He previously held the rank of lieutenant.

Lieutenant Sorge served as a sergeant for many years. He was elevated to his present post a few weeks after Chief Thompson was named head of the department.

Appointments made at the organization session included Planning board, Edward E. Lindauer, Albert Schatz, Robert Anderson and Frank M. Kerr. Named to the Board of Adjustment were James Callahan, Clifford W. Zimmer, E. H. Fox and Eugene F. Donnelly. Jean Hopping was retained as a

### Crowd Jams Hall To Hear Charges Against Assessor

The first act of the Tax Assessor Frank E. Cardinal case played before a packed house at the Town Hall last night but the final curtain won't be rung down until the evening of January 21. For five hours Township Attorney Max Sherman and Robert F. Darby, Newark attorney representing the suspended tax assessor, turned their legal talents loose in airing the charges against Cardinal but shortly after one o'clock this morning Mayor Robert W. Marshall announced that a recess would be taken to hear further testimony on Wednesday, January 21. A decision is expected at that time.

The charges against Cardinal were highlighted in an affidavit dated October 23 by Herman Koppman, residing on Route 29, in which he charged, according to the statement, that "About three months ago I re-

## Republican Leaders Study Bids for Postmastership

Names of candidates for the office of postmaster, the only Federal plum available to Springfield residents, are being reviewed by heads of the Republican party here, it was learned today.

Indications are that Acting Postmaster George M. Turk, appointee of the Democratic administration which will go out of power on January 20, will retain the post, until a new nomination is made by New Jersey officials. The situation holds unusual interest in view of the fact that the GOP county chairman, who customarily makes the recommendation for the appointment, is Charles Beardsley, a Springfield resident. The final decision presumably will rest with him since county Republican leaders are not likely to interfere with a local choice.

It is understood that Mrs. Amy Bandomer, city Republican chairman, and Mayor Robert W. Marshall, who generally is considered to be leader of the municipal organization, will consider the names of applicants. Their party record, their years of service as Republicans and their availability will be taken into consideration.

Actually, there has been no indication that the Post Office Department has announced results of a second examination. After Turk failed to achieve a passing grade on the examination, which consisted of an interview and the candidates' business experience record, it was said a second test would be given. This would not appear important, however, in view of the fact that the candidate would have to be nominated by a Republican President and confirmed by a GOP Senate.

It is understood Republican leaders are reluctant to discuss (Continued on page 2)

## 9-Year-Old Girl Struck by Auto

Kathleen Foley, 9-year-old daughter of Mr. and Mrs. Eugene Foley, of 457 Melsol avenue, is recovering today from a linear fracture of the spine and other injuries suffered when she was struck by a car Saturday in front of her home.

Police said her injuries included abrasions of the arms, head and back. She was taken to Overlook Hospital, Summit, in the First Aid Squad ambulance. X-rays were taken. The child later was taken home.

## Robert Conley Honored for Work

Robert Conley, of 19 Brook street, has been honored by being selected as one of twenty-one Seton Hall University students designated for "Who's Who Among Students in American College and Universities."

Conley is a graduate of the Jonathan Dayton Regional High School. He is a senior at Seton Hall and is majoring in chemistry.

## Hoffert and Melick Seek Regional School Bd. Post

A contest for the Regional Board of Education, a rarity in Springfield, was assured today with the announcement by Recreation Commissioner Edmund Hoffert, of 33 Maple avenue, that he is filing a petition for his candidacy.

School board officials pointed out this will be the second contest involving a Springfield board seat in the history of the Regional Board.

ON THE SUNNY SIDE
In this column we would like to raise the spotlight of publicity on all subjects of interest to Springfield and, perhaps in the very next paragraph, lower the boom of mild censure on those outraged citizens who refuse to hear both sides of the story.

ON THE SUNNY SIDE
With all the bad press and, very often, undeserved condemnation being aimed at police officers all over the nation, it is refreshing and very pleasant to have attention of the public directed toward a heroic and courageous act performed by the men in blue.

Winter-Wonderland in Canada

The snow usually comes early and stays deep and long in the famous Laurentian Mountains winter sports area less than 60 miles north of Montreal. Here is seen along one of the trails at Morin Heights, a popular ski resort right in the heart of the famous Laurentian skiing country.

Many Attractions Listed for 16th Sportsmen Show

With many new faces and features and the best of its unique offerings on hand as usual, the 16th annual National Sportsmen's Show will hold forth in Grand Central Palace from February 21 through March 1, Campbell-Fairbanks its sponsors announced this week.

The National Sportsmen's Show has come to New York every winter since 1936 with the exception of two war years, 1943 and 1944. Prior to 1943 seven annual shows were held in Grand Central Palace. In 1945 and '46 they were resumed in Madison Square Garden and have been back at the Palace annually since 1947.

Continuing the trend of recent years in this type of show business there is additional emphasis on the outdoors, fishing and hunting spots, vacation and recreation places in the 1953 show. Maine, New Hampshire, New Jersey, Massachusetts and New York are all back again with fine exhibits depicting the flora and fauna of their territories. In addition various outdoor games, croquet, chess and outdoor resort areas are represented all the way from Jersey to Quebec and Montreal to Narrowsburg.

There will be the usual list of contests—the rifle marksmanship affair, the ball casting, fly casting and the angler-versus-swimmer events in the big main-floor tank—as well as the canoe tilting, log rolling, log chopping and sawing by workers and guides from the north woods.

Mickey Mantle Due Ted Williams, the great baseball player of the Boston Red Sox who has been seen at the National Sportsmen's Show, is now in service with Mickey Mantle, the great young diamond luminary of the

New York Yankees will be in the 1953 show, in a demonstration of his fishing and hunting ability, sports which he loves as well and indulges almost as much as he does baseball.

Another outstanding athletic personality who will be on hand is Florence Chadwick, the only woman to swim the English channel in both directions. She will appear to display some of her famous swimming strokes in the main events tank.

Jack Sharkey, former heavy-weight boxing champion of the world and one of the best fly casters in the East will again give exhibitions of his casting prowess.

Axe Tossing Act Among the exhibitions will be a half-rigged axe-throwing act by Archie Laddell who slips heavy axes to outline the head and shoulders of his partner and brother. It is one of the most exciting exhibitions ever offered an audience.

### DIAMOND APPRAISERS

# Regional, Westfield Return Go Set for Sat. Night

## Sports In The Sun

By DONALD ROSSELET

### A Prophecy for '53

Your reporter turns prognosticator, for this week as we point out some of the things to look for in local sports in 1953 (it says here).

Regional High will replace Rahway as the county Group 3 power in football. The Bulldogs, with a number of veterans and a talented group graduating from the '52 freshman team, are due for a banner year. Off hand, we think the 'Dogs will win about seven or eight games.

In basketball, the remainder of the season should find Regional's quintet improving steadily. Three of the starting five are vets. As the newcomers gain poise and savvy, the wins will be posted more frequently. The Bulldog quintet should do fairly well in the Union County Conference court tournament.

The RHS wrestling team cannot miss a big year, any way you look at it. Lacking only depth—which is not the most important thing in the grappling sport—the Bulldog matmen should defeat every team on the schedule with the exception of Roselle Park and Union, perennial county powers, and Somerville.

The local high school's baseball team will not be as good as those of the past, simply because the material has graduated. Coach Bill Brown will have to start almost from scratch this year. The pitching will be good if it develops, but the batting power will be missing unless a strong-hitting new-comer can be found. The fielding again will be good.

The track squad will enjoy a successful season with a number of holdovers on the roster. The Bulldogs will be strong in the short sprints (and possibly the longer runs), the hurdles, the pole vault, and the high and broad jumps; leaving only a good weight-throwing group to be desired.

The nice thing about a second guess is its complete infallibility, whereas a prediction can always lead a writer to an early grave. But anyway, that's our forecast for '53.

### Odds and Ends of Sport

We understand that Westfield High's new and spacious gymnasium, with an advertised seating capacity of 1,500, has been under consideration as the site of Union County Conference's seventh annual basketball tournament. In the past, the tourney has been held in the Elizabeth Armory. The finished one the "basketball capital" of New Jersey, is rapidly becoming a "has-been" in court-dom. Most of the county coaches have voiced negative opinions of shifting to the Westfield court primarily because of the small backboards.

With the naming of a recreation in Springfield by Mayor Robert W. Marshall at the New Year's Day re-organization session of the governing body, the municipality's recreation should be quickly revived. Members of the new group are Mrs. Thomas Doherty, Ed Hofferl, John M. Keith, Harold Bishop, and Leslie Lawn.

Judd Herman is leading the Bulldog court scoring parade with 87 points. George MacKenzie ranks second with 54 markers. The rest of the scoring is divided among Jack Keith (49), Tom Primak (27), Joe Schaffernoth (21), Bob Arthur (4), Al Haussman (1), Scott Donnington (4), Guy Selander (3), Bob Anglim (12), and Fred Buehner (2).

## Bulldog Hoopmen Encounter Busy Part of '52-'53 Slate

### Local Quintet Nips Edison

Playing Westfield on the Blue Devils' new court at 7 p.m. Saturday evening, Coach Lou DeRosa's Regional basketball team heads into the busiest portion of its 1952-'53 schedule. The Bulldog five will meet five opponents in eleven days starting Saturday night.

Next Tuesday afternoon, the local quintet faces Union, a Big Five Conference foe, in the Farmer gym at 3:15 p.m., and travels to Somerville the following day (Wednesday) to tangle with the Pioneers at 3:15 o'clock.

Saturday's game at Westfield will be a return go between the two clubs. The locals won in their season's opener by 30-36. Since then, however, Carl Hornung has been on a scoring spree, totaling 35 markers against Summl in the Blue Devils' last outing. With his teammates also currently playing good ball, the contest shapes up as rather tight. Hornung is tops in the county with 132 points.

Union figures to be a supreme test for the Bulldogs. The Farmers have been a big surprise this year, getting lots of mileage (and points) from Trevor Gaskir, Ken Chavious, Gil Moen, Denny Thorpe, and Fred Kooyeigo in their bid for the BFC championship.

The Wednesday encounter at Somerville marks the first appearance of the Pioneers on the local schedule. The game itself appears to be a toss-up.

A week from tomorrow night, Plainfield makes its annual appearance, locally and the Bulldogs will be set to avenge a 69-47 setback by the Quon City five earlier in the campaign. The crowded part of the slate ends on December 20 when the Bulldogs play Linden for the initial time this year. The Tigers, rated number one in the suburbs of Union County, have an impressive quarter headed by Lew Chapman and Dutchy Givens.

Jack Keith scored 19 points in the regulation 32 minutes, but it was his free-throw after the buzzer that gave Regional a 64-63 victory over Edison of Elizabeth Tuesday afternoon here.

A five-minute deliberation between the officials and the time-keeper was necessary before Keith was allowed to attempt the shot, because it first appeared as though the official's whistle and the final buzzer sounded simultaneously. Upon consulting with the timer, it was determined that the whistle was the initial signal and Keith took the two shots, which are awarded a fouled player in the last two minutes of a game.

The first effort hit the rim and bounded away, but Jack pumped home his final toss to give the Bulldogs the triumph.

It marked the second consecutive game in which Regional's five has had to overcome a large production by an opponent. This time it was Justin Lukosius' 28-point harvest. A week ago, the Bulldogs beat Rahway despite Joe Cygler's 28 markers.

Judd Herman, high for Regional with 21, and George MacKenzie, one-who in the local scoring race, helped Keith and the Bulldogs; MacKenzie gathering 10.

The game was tight all the way and was tied 11 times, the last at 43-43 before Keith—won it. Edison led by 4 at the first quarter, but a 6-point second period hurt the Tech school; considerably. It allowed Regional to take a 28 to 24 halftime advantage. The Yellow Jackets out-talied the Bulldogs in every period except the second.

Sam Dupree of Edison tied the score at 57-57 on a lay-up with one minute and 59 seconds remaining; but Ray Relf, making his second varsity appearance of the campaign, counted a foul to make Regional the leader by 58-57 with 1:08 to go. When Herman canned two fouls with 17 left to put the Bulldogs in front, 60-57, the local cause looked extremely bright.

Dupree netted two fouls at the 42 mark and Leo Sawicki's lay-up put the Yellow Jackets back in the lead, 61-60. Mike Fortuna swished a free throw to add a point to the Edison advantage. Then, it stopped Keith.

He killed a foul with 27 remaining and two more with 19 to go to give Regional 63 points. Meanwhile, Bob Moody squeezed in Edison's 63rd point. Keith's free throw then wound things up. The Bulldogs missed their big

### SEASON RECORDS FOR RHS TEAMS

The 1952-'53 season records of Regional High School's basketball and wrestling teams are as follows:

**BASKETBALL:**

sophomore center, Joe Schaffernoth, in the rebounding department; but MacKenzie did a good job off the boards to offset the six-foot, three-inch star's absence. Herman and Keith also contributed the rebounding work of Coach DeRosa's quintet.

As has been the rule this year in most high school basketball games, the free-throw total made by both teams was enormous. Ten was a happy medium last year for foul shots made, but Regional was down only as far as 16 thus far this year. Missing 12 of their tosses Tuesday, the Bulldogs completed 22, while Edison made 21 of 31.

### QUEER CREATURE

The olm, a batrachian of Dalmatia, sometimes brings forth its young alive, and sometimes lays eggs, from which the young hatch. The creature is entirely blind. Its breeding habits depend on the temperature.

### SLAKEBITE ANTIDOTE

Snake venom antidote is made by extracting the poison from the snake's glands, placing it in increasing quantities into a healthy horse, and then extracting part of the horse's blood, which is the serum used as the antidote.

## GREATEST FIGHTS of the CENTURY

## Regional JayVee Five Tips Edison

Regional's junior varsity basketball team beat back a last-quarter thrust by Edison's jayvees to nose out the Yellow Jackets by 42-40. Tuesday afternoon in the local school's gym, Stan Bruder paced the Bulldog attack with 15 points, while Bob Blaza collected 17 for the Techmen.

Regional opened up in the first period for a 16-8 lead, but Edison cut the margin at the half to 25-21. It was 36-28 at the three-quarter mark as the locals began to pull away again.

## Bulldog Matmen Crush Plainfield by 24 to 11

By HERB HEIMBUCH

Regional's wrestling team meets Rahway next Wednesday afternoon here at 3:15 p.m. in a match which should give the Bulldog matmen their third straight of the campaign.

The grapplers made it two in a row yesterday afternoon at the expense of Plainfield by 24-11. The Cardinals' Fred Fredericks out-pointed Dave Thompson, 6-2, in the first match, but Regional came back to win the succeeding three to take an 11-3 lead. From then on, the issue was never in doubt.

Al Hector, State AAU novice 112-pound king, pinned Sam Gibrano in 3:28, running his regular-season triumph akin to nine straight, the longest current RHS streak.

Wray Bailey and Richie Scores scored victories over Lindsey Bartletta and Al Alberino, respectively, to give the Bulldogs the commanding 11-3 advantage.

The teams split the next two tests. Plainfield's Wally Van Horn beating Paul Jordan and Regional's Don McKinnie conquering Isaac Reinkoff, Bud Mesker, of Regional, and the Cardinal's Ron Casterlan, tied at 6-6. The local matmen took the next

two easily. George Schwarz, doubled his tally on Bob Mansolino, 8-4, and Tom Thompson pinned Easton Capatano in 2:27. Charles Dell Bent defeated John Nadasky in the heavyweight dual, 2-0. The match marked the Queen City squad's debut.

The summaries:  
Regional 24, Plainfield 11.  
105-pounds—Fredericks, Plainfield, defeated D. Thompson, decision (5-2).  
112-pounds—Hector, Regional, defeated Gibrano, fall (2-28).

### CHRYSLER'S New Yorker DE LUXE

IT IS MORE CAR THAN YOU BELIEVED COULD EXIST...

If you're buying a car in the better ranges, there's a special reason this year to drive a Chrysler New Yorker before you decide. In this car you value you won't find elsewhere at any price today. Its great engine is not just surpassingly powerful, but new in performance and ruggedness. Its Power Brakes, full-time Power Steering and Oriflow ride give you not just better control... but a new kind of control, a new sense of safety. Its beauty is splendidly its own... splendidly right. Interiors are exquisite beyond compare—with fabrics and appointments that are the final word in luxury. Except for Chrysler's own Imperial, here is a car which is unequalled, and is unlikely to be equalled for years to come. Your Chrysler Dealer cordially invites you to drive it at your convenience.

**VETERANS' QUERIES**

Q-After World War II, I went to college under the GI Bill where I used my 48 months of entitlement to get my BS degree. After graduation, I went back on active duty. Now I hear there's a new GI Bill for Korean veterans. When I am discharged again, will I be able to use this new GI Bill to go ahead with graduate studies?

A-No. The law states that veterans like yourself, who have trained under earlier veterans' training programs, may be entitled to a total of 48 months of training under the old program and the new GI Bill combined. Since you've already used that maximum under the World War II GI Bill, you are not entitled to any further GI training under the new law.

Q-I was divorced by my wife, and naturally I want to change the beneficiary on my National Service Life Insurance policy. My former wife, however, won't give me the policy so that I can make the change. What can I do?

A-You don't have to have the policy in your possession to change the beneficiary. Either go to your nearest VA office and fill out a change of beneficiary form, or write to the VA district office where you pay your premiums and state how you want the insurance paid in the event of your death.

Q-I understand that down payment requirements have been lowered for GI home loans. But even so, I still don't have enough money to make the down payment on the house I'd like to buy. May I borrow money for the down payment? You may borrow on your life insurance policy for this purpose, but that is all. Other than this, you must certify that you have not borrowed to make the required down payment.

Q-I have been authorized orthopedic braces for leg wounds I received in World War II. If I ever need emergency repairs, must I get VA's approval before I have them made? A-Not necessarily. You may get emergency repairs costing up to \$45 from any commercial brace or repair shop without prior VA approval, provided you have the newly-issued "Orthopedic Service Card" or "Orthopedic Braces." These cards are issued by VA regional offices.

Q-I am the widow of a World War II veteran. My husband had GI insurance and specified that I was to get monthly payments for the rest of my life. If I die before the full amount of the policy has been paid out, I would like the remaining payments to go to my daughter. How can this be arranged?

A-Even though you are the beneficiary of your husband's policy, you cannot arrange the way the remaining money is to be paid, if there are any remaining payments when you die, they will go to the person your husband named as contingent beneficiary. If he didn't name one, then the money will go to his estate.

Q-I am a World War II veteran. I heard that at my death the VA will pay my funeral expenses. Is that true?

A-Funeral expenses, up to \$110, may be paid by the VA to the person who defrayed the cost, if he files a claim within two years from the date of the funeral. Your discharge from service must have been under conditions other than dishonorable.

Q-At present, I am training under Public Law 16. VA has reviewed my disability rating, and has reduced it to zero percent, which means I no longer will get disability compensation pay. Will I be allowed to continue my public law 16 training despite this fact?

A-Yes. The fact that your disability is no longer compensable does not require the discontinuance of your Public Law 16 training, until you have reached your training objective.

Q-I am in training in college under the World War II GI Bill. My entitlement will run out this semester. Is there any way it can be extended so that I can complete the semester?
