Unproductive 2nd Quarter Costs Bulldogs Decision

By DONALD ROSSELET
ELIZABETH—Regional High School's gallant basketball team was tumbled from the field in the seventeenth annual renewal of the Union-County Conference tournament last night at the Armory here, as Linden fought off a last half rally by Coach Lou DeRosa's Bulldogs to triumph, 53-44.

The local quintet, which lost out on a poor second quarter, threw a scare into the Tigers before bowing to a height advantage. Paced by Tom Luckie's 21 points, of a variety of shots, the Bulldogs came to within three points of Linden in the final period, only to have their comeback efforts thwarted by a fine shooting display by Dutchy Givens.

Regional, trailed by 37-27 as the final period started. Jack Keith's foul shot with 7:40 to go cut the lead to nine markers and Joe Schaffernoth's layup with 6:18 left dropped the margin to seven. Luckie then found the range with a set with 6:19 remaining and George MacKenzie's layup with 6:02 to play put the score at 37-34, Linden.

The Tigers, which hadn't scored in the period up to that point, then called time out. The resurser seemed to cool the Bulldogs off. Linden pulled away to a five-point edge on Sam Elliot's layup, but Luckie threw in an equalizer and the Tigers were still in trouble. A jump shot by Givens and Denel's hook broke the back of the Regional rally.

Keith hit on a jump shot to make the count, 43-38 and Luckie's pair of free-throws put the score at 44-40 with 2:34 left after Givens dropped in a foul.

Linden then got a charity toss from Statish and three points from Givens to clinch it with 29 seconds remaining.

Post Office Will Increase Services

Acting Postmaster George M. Turk, announced the addition of six new dispatches at the local Post Office for the benefit of all patrons in Springfield.

Effective Thursday, Feb. 19, 1953, the following changes were instituted:
8:00 p.m. dispatch every day except Saturday.
8:00 p.m. collections of mail in all boxes throughout the town every day except Saturday.

This means that prior to the new changes, letters mailed after 4:00 p.m. was not picked up until the following morning, since the last dispatch was at 6:00 p.m. Now a patron may mail a letter any place in town up to 8:00 p.m. and in the box in front of the Post Office up to 7:00 p.m. for dispatch that same evening.

However, anyone wishing to mail a letter to someone else in town after 6:00 p.m. is requested to deposit it in the box in front of the Post Office for delivery the next day. Otherwise this mail will not be delivered the next day, since there are no more early morning collections. The 8:00 p.m. Sunday dispatch is one which has been sorely needed at this office and it is felt that the benefits derived therefrom will be greatly appreciated by everyone.

The postmaster added that since Nov. 1, 1952, outgoing and incoming mail is handled via direct rail connection at Summit, which results in a more rapid delivery as compared to the old Star route method. Tests have shown that letters which used to take 24 hours for delivery to another post office are now received in a few hours.

These two steps are further proof of the forward strides being made in the effort to provide the finest and most rapid service possible for the people of Springfield.

School Board Will Divide Insurance

All Brokers Will Be Given Share In New Setup

Taking a step requested by insurance agents here nearly two years ago, the Board of Education at its monthly meeting Tuesday night established a new policy of distributing school insurance business among local agents. The business in the past has been given Bunnell Brothers Inc. of Springfield, over the protests of several other local brokers.

The board, after hearing an advisory report on insurance division by B. H. Fox, a local agent, designated Bunnell Brothers as the board's insurance manager. Fox was named chairman of the five participating brokers. How the policies will be divided will be decided by Bunnell Brothers and Fox, and not by the school board, it was said.

The board was originally confronted with the problem of division of school insurance when it received a letter from local brokers in July, 1951, requesting distribution of coverage. At that the agents pointed out that Springfield and Kentworth were the only Union County school boards with only one school insurance agent. It was pointed out that the majority of surrounding municipalities divided the insurance equally among local brokers with one acting as manager.

Fox will represent former Township Treasurer Floyd E. Merlette, Mrs. Helen Ebbel, Ed. Edward Conroy and Edward Gidback, all agents.

The resignations of Mrs. Janet Wronsky, kindergarten instructor in the James Caldwell School and Mrs. Ruth Ames, lower grade teacher in the same school, were accepted.

New teachers hired for 1953-54 were Mrs. Mary G. Ackerman, of Millburn, who will teach art and Mrs. Doris B. Anderson, of Dunellen, a physical education teacher. Each will receive \$1,000 a year.

File As Independent Candidates

Francis J. Keane

Thomas A. Argyris

Fusion Nominees File Petitions For Committee

A spirited contest in next November's general election was assured today with the announcement by former Township Committee Francis J. Keane and Thomas A. Argyris, that they are filing petitions as independent candidates for the Township Committee.

Indications are that the township may see a repetition of last year's closely-contested election which found Finance Commissioner Fred A. Handville and Fire Commissioner Charles Remlinger, who at that time was not a member of the governing board, finishing only 200 votes ahead of Keane and George Marech.

Argyris lives at 49 Fieldstone drive. An independent Republican, he is 39 years old. He is married and has three children. He is an attorney in the home office law department of the Prudential Insurance Company. He is a graduate of Rutgers University and of its Law School. He was admitted to the District of Columbia bar as an attorney and counselor in 1949 and to the New Jersey bar in 1947. A veteran, he served in Europe with the First U. S. Infantry Division. He has resided here four and a half years.

Keane served three years as a member of the township committee. He was police commissioner for two years and served as fire commissioner in his final year. He did not seek reelection. He is one of the two Democratic members of the governing board elected during the past decade.

The independent candidates in their statements criticized the present township committee members for failing to utilize available talent in the township. They said they have been encouraged by both Republicans and Democrats.

Keane said he was asking every interested resident to join him and Argyris in their campaign to bring better government to the township. He said if elected they would use the talents of persons who have not been called to aid.

"We feel strongly that party politics has no place in our local government," he said.

Rigby's Chances Seen Improving

As the complexities in the political situation in Union County increased this week observers here say an increasingly strong opportunity for former Freeholder Lee S. Rigby to regain his seat on the county governing board.

A heavy turnout, especially of voters who sometimes vote only in the general election, is virtually assured for the April 21 primary, in view of the many contests which will be offered voters for a decision.

Persons who keep a watchful eye on the political scene pointed out there will be contests for the assembly, freeholders, county register, surrogate, and for the shrievalty. In addition there will be the contest for governor in which three prominent Union County political figures are entered.

The latter may have considerable bearing on the freeholder race, it has been pointed out. In event the three incumbents, Freeholder George Herlich, of Hillside; Donald M. Benninger, of Westfield; and Albert J. Benninger, of Mountbarn, do not bracket, many observers believe that Rigby may oust Benninger.

The Mountbarn freeholder has led campaigns which have ousted four freeholders in the past two years. Rigby was one of the quartet. He generally has opposed the holdover group but currently is associating himself with both Herlich and Pearson. Currently there are only four Republican freeholder aspirants.

One of the important reasons given for a possible shift of sentiment away from Benninger as contrasted with the situation of the past two years, is his support of Paul L. Troast, chairman of the New Jersey Turnpike Commission, as a gubernatorial candidate.

Observers who make this claim cite the personal popularity of Congressman Clifford F. Case and say that Benninger's failure to support him is likely to cost him the post of chief executive could result in thousands of county voters casting the Mountbarn freeholder at the polls. Apparently Benninger realized there is such a possibility. He recently left for South America on a cruise at about the same time the county Republican dinner was held in Union Township.

Two years ago there appeared to be a feeling throughout the township that Benninger was (Continued on page 2)

Committee Move Made For Departmental Morale

In a move which came not altogether as a surprise, the Township Committee at its session in Town Hall last night approved the request for retirement of Chief of Police Thompson and promoted Lt. Albert A. Sorge to be the new department head. Sorge will be acting chief until Thompson's retirement is acted upon by the Pension Board, which should be in a few days.

Sorge has been a department member for approximately 25 years and has been a lieutenant since early 1951. His salary as chief will be \$5,868.

The move, based on service and ability and considered to be orderly and just, as stated by Commissioner Albert Blund, was actually prompted by the action of Chief Thompson himself, who asked to be relieved after the governing board had reappointed him for an additional year.

Thompson was 58 early this month and retirement thus became mandatory unless the township committee reappointed him. This can be done each year until the chief becomes 70.

However, after the action, Chief Thompson's ire was aroused by reports that he had sought the one-year appointment. He said he had not made the request and wrote a letter to the committee reiterating his request that his application for retirement be processed.

To fill the vacancy the Township Committee promoted Sgt. Wilbur Selander to the rank of lieutenant, at a salary of \$4,913, and named Patrolman Leslie Joyner a sergeant, replacing Selander, at a salary of \$4,588.

Mrs. Andrews Helps 1953 Scout Funds

Mrs. Lee L. Andrews, Jr., chairman of the Home-Solicitation Division of the 1953 Boy Scout Drive, announced the most successful financial results ever reported in Springfield, an amount in excess of \$1,500 having been collected by her and her workers. Felix Forlenza, general chairman of the Boy Scout Drive is especially pleased with the excellent work done by this group in the one day drive and hopes to have it a fixture in the campaign next year.

Despite the inclement weather on the day of the campaign by this group, over 60 enthusiastic workers, agents and guests attended the breakfast which opened the day's program prior to the drive to raise funds, including many of the Township officials as well as the leaders in the local scout movement.

Magistrate Harry J. McMullen will head a committee to collect funds from the business men in the next week or two to further add to the financial quota for the local Scouts.

5 HS Students Hurt in Crash

One Regional High School student is in Overlook Hospital, Summit, and four others have injuries suffered when cars in which they were riding were involved in a three-vehicle chain reaction collision Tuesday afternoon in South Springfield avenue near the Florence M. Gaudinier School.

The hospitalized student is Gerald Richio, 16 years old, of 710 South Springfield avenue, who suffered facial injuries and the loss of two front teeth. Hospital authorities today said his condition is good.

August R. Steinhil, 18, of 287 Indian trail, Mountbarn, who was driving one of the cars, suffered a concussion and head injuries. He was detained at the hospital for treatment and released yesterday.

Other students treated at the hospital were Judson Herman, 18, of 221 Palatka avenue, Kentworth, who suffered head injuries; Richard Sherman, 16, of 61 Woodcrest circle, whose injuries included broken front teeth and Richard Robinson, 17, of 500 Center street, Garwood, who had (Continued on page 2)

Local Resident Is Commissioned

Ensign Clayton Roger Test

Ensign Clayton Roger Test of 28 Oakland avenue, graduated from the Newport (R. I.) War College Naval School as a commission officer in the United States Navy. He is at present stationed at the Naval Base in Bayonne where he will remain until June after which he will be assigned to sea duty.

Ensign Test was married last December 27 in Toronto, Canada to Miss Dorothy Turnbull, a graduate nurse and daughter of Rev. and Mrs. Johnson Turnbull. They are now living in Bayonne during Ensign Test's tour of duty at that base. He is a graduate of Bucknell University in June, 1952, and enlisted in the U. S. Navy in September of that year.

Retrenching Swamp Township Sectors May Keep Pests Away Next Summer

Employees of the Union-County Mosquito Commission retrench area off Springfield avenue to keep pressure against mosquito breeding.

Springfield residents this summer may find increasingly fewer swarms of mosquitoes to annoy them.

If this proves to be the situation they will be able to attribute it to the Union-County Mosquito Commission, and to what George Powers, superintendent of the county agency, describes as "a wonderful winter."

A considerable part of the commission's winter activity has been spent in retrenching the meadow area off Springfield avenue, known to older residents as Seven Bridges road. Powers said the lack of funds limits the range of the commission's activities to draining off the small ponds throughout the county and alleviating the marshy conditions in the Elizabeth meadows.

However, he pointed out, assistance is given by the Union County Park Commission which handles operations covering the Railway and Elizabeth Rivers. The Railway River flows through a large section of this municipality. The superintendent explained the commission spends the winter months working on drainage problems throughout the county. In the mild winter they just had, the department to accomplish more than twice the work usually completed when the ground is frozen or covered with several inches of snow, he said.

A year-round crew of twenty men is employed by the commission and it forms the nucleus of a group that will be double during the warm weather. Retrenching areas to drain off swampy sections deprives the mosquitoes of fertile breeding areas, it was said.

The superintendent warned that the mild winter may not be the complete answer. "A hot, rainy (Continued on page 6)

\$1,000 Fine Cut To a Mere \$50

The \$1,000 fine recently imposed by Magistrate Henry C. McMullen on Rocco Lupo, of Plainfield, owner of a drive-in at Mountain and Flermer avenues, for violation of the building code here, was reduced to \$50 by County Court Judge Edward A. McGrath last week.

The penalty, believed to be the largest ever in the township for a building violation, was imposed after Lupo, who operates Rocco's Drive-In, had been found guilty in Municipal Court of erecting a road stand twelve and a half feet too near Flermer avenue in violation of the building code.

Lupo was represented by former Township Attorney Robert F. Darby, who once again found himself opposed by Township Attorney Max Sherman.

Through Darby Lupo dropped his appeal and Judge McGrath thus reduced the fine to \$50. The judge said he felt the original fine was too high, especially in view of the fact the township committee recently granted Lupo a varation, which in effect, he said, legalized the position of the building.

Darby had contended the municipal court had no right to fine more than \$100 because only one charge, specifying one date, had been filed. He asserted Acting Building Inspector Dean Withler had approved the building footings.

To The Citizens of The Township of Springfield A Proclamation

WHEREAS, our Country is now in a state of emergency, and

WHEREAS, the danger now facing us requires all-out mobilization of national resources and manpower for adequate defense, and

WHEREAS, there is a mounting need for whole blood and blood derivatives for military, civilian and civil-defense uses; and

WHEREAS, the relentless war of the elements against mankind leaves in its wake destruction and suffering, and

WHEREAS, the American National Red Cross, under its congressional charter, is serving the armed forces; is mobilizing for defense for the protection of the family, the community, and the nation and is aiding the victims of natural disaster; now

THEREFORE, I, Robert W. Marshall, Mayor of the Township of Springfield, proclaim the month of March 1953 as Red Cross month and do urgently request all citizens of our community to contribute generously and without reserve to the 1953 Red Cross Fund through our local Chapter, and I do further urge that all of our people bear in mind that in these critical times this great humanitarian organization must be maintained in full strength; that this symbol of man's humanity remain bright as a guide to those who turn to it in time of need.

Given under my hand and the seal of the Township of Springfield, this 26th day of February, 1953.

Robert W. Marshall
Mayor.

government. Never has this been more opportunistically done than by the present state of affairs at Town Hall.

"We do not intend to foster any dynasty nor serve any special group. We will never inject politics into any department nor allow it to influence our selection of township officials."

Only by the determined effort of all its citizens can we achieve this goal.

No Power Politics

Argyris also expressed belief that partisan politics has no place at the township level. He said the township "has suffered much too long in the hands of a few who revel at the sport of power politics."

It is my belief that better government for our community can be achieved only through independent officials, free of party domination.

The candidate charged "There has been a complete failure on the part of the township committee to utilize the available talent existing in town. We are fortunate in having men and women with a wide range of experience and skill who have made their mark in business, education, industry and the professions. These people, working to-

Dr. W. B. Morris Honored by State

Dr. W. B. Morris, 193 Morris Avenue, Springfield, N. J., was honored by the State of New Jersey at the first Western-Hemisphere Conference of the World Medical Association in Richmond, Va., on April 23 to 25.

Dr. Morris was appointed by Dr. Alfred E. Driscoll, following a conference with Dr. Daniel Bergama, State Commissioner of Health.

Gov. John S. Battle, of Virginia, asked each of his fellow governors to appoint a physician who will attain the age of 75 during 1953 to visit Virginia and tell of medical advances that have taken place during his lifetime.

Dr. Morris was born in 1878, the year when Robert Koch published a history-making treatise on causes of infection opening the way to rapid progress in surgery and other fields of medicine. He was graduated in 1902 from the New York University School of Medicine. He is a fellow both of the American College of Surgeons and the International College of Surgeons.

At the Richmond conference, guests will be welcomed by Dr. Louis H. Butler, president of the American Medical Association, and by leaders of Latin American medical societies. In addition to scientific sessions, there will be opportunities for visiting historic sites in Virginia, including the Eighteenth Century Williamsburg restoration.

county that Rigby and R. Story Rowland, of Plainfield, would not make it. But this year, with a dozen candidates for the four Assembly seats; with three well known Republicans seeking to succeed the late Herbert J. Pascoe as register and with the gubernatorial scramble there are many observers in the county who believe that the general confusion will be of definite benefit to the former freeholder.

Rigby has been before the voters both as a sheriff and as a freeholder. He has shown it is not wise to count him out and right now there are many observers who will tell you that the local man will be an important figure in the approaching primary.

Students from Springfield enrolled in Pratt Institute, Brooklyn, New York are Ronald Weiss of 23 Alvin terrace and Robert Brandner of 144 Toker avenue. Weiss is studying Illustration and Brandner will specialize in Textile Design.

Anne Pfizinger Halliday, wife of Colonel Joseph P. Halliday of Fort Bragg, North Carolina, died following an operation Friday, February 20th, at Fort Bragg. She was a frequent visitor in Springfield at the home of her brother, Russell J. Pfizinger, 73 Sovereign avenue.

She is survived by her husband, Colonel Halliday, two brothers, Russell Pfizinger of Springfield, William Pfizinger of Lawrenceville, N. J., and Mrs. Lyman Hutchison of Alabama. Funeral services were held in Trenton on Wednesday, February 25th. Interment at Riverview Cemetery, Trenton, N. J.

Among the more than 200 students due for initiation into Rutgers University fraternities are William Gashlin of 60 Marion avenue, a freshman, into Alpha-Sigma-Psi and David Rittersbacher of 50 Spring Brook road, a freshman, into Alpha-Sigma-Psi.

Most of the initiations are being held this week-end, climaxing the annual Greek Week celebration at the State University. Other events include a candle-light ceremony, and inter-pledge, basketball-tourney, a college-orientation day for high school seniors, a variety show and an interfraternity banquet.

A combined quota of 146 men for induction in March was announced recently by Union County's three draft boards as a contingent of 117 left from the Elizabeth Armory to join the ranks of the uniformed, Springfield draftees included George J. Graziano of 88 Toker avenue, and Robert W. Maguire of 31 Maple avenue.

Howard and Hildegard Wachtel of 339 Hillside avenue announce the birth of a baby girl born at Overlook Hospital on February 15.

A baby boy was born to Mr. and Mrs. Robert Saxon of 33 Lyons.

Caswell-Lance Marriage Told

Mrs. Dorrance B. Lance

Miss Patricia Joan Caswell, daughter of Mr. and Mrs. R. J. Caswell of Shunpike road and Dorrance B. Lance, son of Mr. and Mrs. E. B. Lance of Pittsford, were married last Monday at St. Mary's Church, Newark. A reception was held at the Orchard Inn.

Miss Arlyne Caswell was maid of honor for her sister and Mrs. Charles Lomerson, sister of the bridegroom, was bridesmaid. Mr. Lomerson was best man and Jack Cuneo ushered.

The bride is a graduate of Regional High. Her husband is a graduate of Washington (N.J.) High School. On their return from a southern honeymoon trip, the couple will reside in Newark.

Will Be Guests of Regional Students

Regional High School will again this year be host to overseas high school students selected for the annual New York Herald Tribune Forum on March 21. Josephine Glen Dopel of New South Wales, Australia, will be the guest of Oberta Slotterbeck of Ridge Road, Clark, and Kim Chung Hyun of South Korea will stay with Arthur Curciss of 1087 Sunny Drive, Mountaineer, from March 1 to 14. Both Regional students are juniors.

Miss Glen Dopel, who is 18, recently graduated from Sydney Girls' High School and plans to study medicine at Sydney University when she returns to Australia. In recognition of her excellent school record, she was elected captain of her class, awarded the highest honors and presented first prize in debating by the Royal Empire Society.

Hyun, a 17-year-old, attends Kyonggi Boys' High School which was at Seoul before the war but is now located in Fusan. Since his father was captured by the Communists, he has helped support his mother, sister and five brothers by working as a translator for a Korean newspaper and newscast. His older brother is now serving in the South Korean army.

ment had suggested that each town begin a study of its own history. Agnes Andrews and Edna Pursel explained what their troops were doing in connection with the study. Mary Gay Talcott suggested ad-

help the troops in their project. The best project will be submitted to Alice Cosgrove on April 1 and Miss Phoebe Briggs and Eve Brown have consented to act as judges. The best entry will be sent to the Fifth District Chairman of the Youth Conservation Department.

Genevieve Kates of Summit was hostess to members of the Garden Department on Monday evening, February 16. The group worked on scrap books and later members presented Mrs. Melvin Gillette, department chairman, with a book entitled "Wild Flowers in Your Garden" by Helen Hull.

Fourteen members of the Music Department attended a meeting on Thursday evening, February 19, at the home of the new chairman, Madeline Lancaster of 23 Alvin terrace. The group rehearsed a number which they are planning to present at the April meeting of the club. They also planned the program they will present some time this spring at the Kessler Institute. It is hoped to make this an annual affair. Co-hostesses for the evening were Shirley Keppert and Cora Pilar.

MARY: "There were only the four of us."
MARCIA: "What did you give them?"
MARY: "Lamb chops dressed up with pear halves and stuffed mushrooms—and my specialty—orange chiffon pie. Tom wanted to know what I had spent for food. I figured it out and it was \$4.70 for the four of us."
 "The next evening Tom announced that he had done a bit of research and came up with the cost of that meal in 1939. It was only \$1.86. What's more—he discovered this—the gas to cook that meal cost about the same today as in 1939."

What Mary said is true. The cost for gas for cooking a meal today is very little more than it was in 1939.

Sports In The Sun

By DONALD ROSSELET

Regional unveiled its varsity basketball team to a sparse crowd at the Elizabeth Armory last Friday evening...

One could easily have picked off several flaws in the local attack, but the rebounding of big Joe Schaffernoth...

Herman, passing off beautifully on several drives, hit six times from the floor and also contributed to the Regional success under the boards...

Keith turned in one of his better performances of the campaign. His 16 points coupled with stalwart rebounding...

The passing of Luckie plays an almost uncalculable in every Bulldog game, be it a victory or a defeat...

As for MacKenzie, the most underrated Bulldog—but only by the fans—has had finer nights...

Even Regional's reserves are top-notch. Ray Reiff came off the bench to replace Keith when the latter collected his third personal foul...

The hurdles will grow a little higher as the Bulldogs move forward in the county tourney, but Regional, the first team with a sub-500 standard over to draw a seeding in the event...

The Bulldogs have played worse games and they have played better ones, but the performance in the Edison contest was a commendable one indeed...

RECREATION NOTES

Fourteen of the top players in the Saturday afternoon basketball league will participate in a game against Westfield as a preliminary to the Westfield-YMCA battle on March 14...

Matmen Seek Crowns at Roselle Pk. On Saturday

By IREB HEINBUCH

Roselle Park, defending champion, has been established as the favorite in the annual Union County wrestling championships...

The Parkers, who tripped Union by 20-12 last Friday evening, expect to get their biggest challenge from the Farmers...

The 106- and 125-pound divisions should go to Regional's Al Hector and Richie Scorsone, respectively...

At 106, Hector's main competition probably will come from the Parkers' Howard Burt, whom he defeated during the campaign...

service organizations in order to get their backing... It will also be shown in all local grade schools...

A baseball clinic will be held on March 28, with diamond tips and personalities featuring the affair...

It is hoped that the Union County Park Commission will be able to improve the Washington avenue diamond and the Meisel avenue athletic field...

Court Play Will Resume Friday Nite In Elizabeth

Without an overwhelming favorite in the remnants, the four surviving teams, all seeded, in the Union County Conference basketball production are preparing for the resumption of combat Friday and Saturday evenings at the Elizabeth Armory...

On seasonal showings, St. Mary's rated second in the field, is the probable choice now that top-ranked Jefferson has been retired from competition...

Form followed all the way down the line in the first round. Jefferson rallied to beat Westfield, 59-51; Plainfield swamped Sacred Heart, 81-61; Union routed St. Patrick's, 74-38; Pingry dropped Cranford, 65-52; St. Mary's slaughtered Roselle Park, 63-30; Scotch Plains elbowed Rahway, 53-45; Linden vanquished Roselle, 63-51; and Regional toppled Edison, 66-52...

But "Mr. Uppse" had his turn in the quarter-final round as Plainfield surprised Jeff, 55-52. In the other battles, Union trounced Pingry, 76-60, and Linden beat Regional, 53-44.

Of course the elimination of Jeff was the most significant event thus far, although Pingry's surprising success has been a thought-provoking item.

Regional JayVees Lose Tourney Tilt

Unlike their varsity brethren, Regional's jayvees were unable to cope with a high-scoring opposing player in the Union County JV court tournament and they fell before Jim Miller and Roselle, 52-42 Saturday morning.

Regional possessed a 40-37 advantage late in the final period, but Miller went on a scoring spree to tally 13 straight points to lift the Rosellians into a 50-40 lead.

Miller finished with 28 markers. The floor shooting was even, with Roselle's margin coming at the charity line.

Bobby Arthur registered 11 points to top the local scorers, while Stan Bruder netted 10.

scoring Olympians, whose most urgent need is a reliable scorer. The Nats controlled both backboards with Walt O'Neill and Richie Walker shining in rebound work.

Lawn continued his domination of the individual scoring race, holding an 18-point edge over Walker. Bailes, tied for fifth last week, moved into a deadlock for third spot with Ford, while Gallin advanced from seventh place to fourth and Utzat rolled from fifth position to tenth.

The schedule for this week pits the Lakers against the Nats and the Knicks against the Olympians. The Knicks and the Lakers gained victories in these pairings earlier in the campaign.

The box scores and individual tallies:
