General Greene Village Tenants Must Pay Rent Increase Says F.H.A.

Case Informs Local Group Of Decision

Tenants of the General Greene Village, who objected to an increase in rents, were notified this week by Congressman Clifford P. Case that he has made every effort to get some relief but that the Federal Housing Commission announces that the increase is justified and nothing can be done.

Formal notices were sent by the Greene Village owners announcing an increase in rents for those whose leases expire the end of this month. The tenants' association took the matter up with Congressman Case who immediately requested the Federal Housing Commission to investigate the matter.

Following are letters from Congressman Case to the tenants' association and the one received by the Congressman from the Commission:

Gentlemen:
Upon the receipt of the petition from your Association and several other communications from individual citizens, I requested the Federal Housing Administration to review the matter of the rental increase recently allowed the owners of General Greene Village. I am pleased to advise you that the Commission has done this and I (Continued on page 2)

Somerset Bus Fare to Newark Will Be 30c

Bus riders who used the Somerset Bus Company vehicles for their trips to Newark will have to pay an increase of five cents beginning with this Sunday. The fare from Springfield to Newark has been 25 cents and will be 30 cents with the Sunday increase.

The Public Utility Commission granted the temporary fare increase last Monday on its Newark-Somerville Route 140-141, including a rise of 2 1/2 to 5 cents for school tickets for a one-zone ride. Mr. J. Noll, president of the Somerset Bus Company, said in a statement yesterday that they were compelled to seek higher fares because of business conditions and the rise in contract for drivers' pay. Mr. Noll said that the new contract calls for an increase in drivers' pay from \$1.67 to \$1.93 an hour and other labor and material costs have soared in costs.

Donnelly and Binder Victors In Close Race

If only eight and a fraction of the voters had changed their minds and cast their ballots for Mayor Robert W. Marshall in Tuesday primary election, Hizzoner would be one of the Republican candidates for Township Committee in the coming November elections. However, as the official returns show today, Police Commissioner Albert G. Binder and Eugene F. Donnelly, fraternal and civic leader, are the two who will carry the Republican banner in the regular elections. Mayor Marshall having lost his bid for renomination by a slim margin of 16 votes.

Flood Problems To Be Discussed

A very important conference which may help eliminate the flood conditions in Springfield is being held today with members of the Township Committee meeting with George Shanklin, assistant engineer of the State Water Policy and Supply Council. Shanklin, who has been making a study of the local problem, is furnishing technical data on the area which may be helpful in solving the drainage problems.

MAYOR SAYS THANKS!

Mayor Robert W. Marshall, who was ousted on Tuesday's primary election, issued a statement last night in which he thanks all those who supported him in the voting. "I want to express my sincere thanks to the voters who supported me in Tuesday's primary contest and I also want to express my appreciation to those people who worked so hard and conscientiously supported me. Each man and woman who supported my candidacy at the polls Tuesday has my heartfelt appreciation. My crusade to assure better government for Springfield will be continued and I shall continue to work hard for Springfield." (Continued on page 6)

Will Not Retire

Mayor Marshall's supporters believe he will not retire. (Continued on page 6)

Hearing Tuesday On Parking Law

Representatives of the Chamber of Commerce and other interested parties will attend a preliminary hearing next Tuesday on the proposed ordinance requiring parking facilities in connection with new construction and expansion of existing buildings to be held at the Town Hall.

The final vote on this ordinance is scheduled for May 27 and the hearing next Tuesday will give all those who have some objections to present their views to the Township Committee.

Property owners and merchants who would be affected by the passage of the ordinance were alerted by the Chamber of Commerce and strong objections at the last reading of the ordinance resulted in postponing the ordinance until the interested parties could be heard.

My dear Mr. Case:

of 6 1/2 per cent upon our estimate of replacement cost, after payment of all operating expenses and taxes. All other service charges, of course, will be paid out of said net profits.

This rate, we believe, is a fair one, accepted as necessary to insure that the stand in properties of this nature.

In this particular case our estimate of the average rental to be obtained was \$1,000 per month. It was upon this basis that approval of the initial rental schedule for this case was given by the Administration on November 17, 1950.

Prior to completion of the construction of this project, however, various construction changes were put into effect which resulted in construction costs considerably in excess of those originally estimated. In recognition of these increased construction costs, approval was given to a revised rental schedule of \$1,200 per month. This new rate of \$1,200 per month per month.

Under the terms of the original contract, the total cost of the project was estimated at \$1,000,000. The actual cost of the project, however, was \$1,200,000. This increase in cost was due to the fact that the original estimate was based on a rental schedule of \$1,000 per month. The actual cost of the project, however, was \$1,200,000. C. of C. Plans Sales Event
 The Point and Hardware and Harry Boughner of Boughner's Department Store, have been selected as co-chairmen of a committee by the Chamber of Commerce to make plans for a three-day community-wide sale in which it is hoped all of Springfield will participate. "Tom" and Russell Lyons and several other merchants have already volunteered to serve on the committee with Freedman and Boughner and more names will be added as soon as the plans begin to crystallize.

Just what program will be carried out for this sale will depend on the result of surveys being made by the committee and the plans which were successful in other communities. It is to be held some time early in September and the committee hopes to arrange the kind of a selling show that will attract shoppers from all the surrounding municipalities.

The Chamber of Commerce is sponsoring this sale and next week a short notice is to be addressed to each home in Springfield pointing out the benefits of patronizing local merchants, business and professional men.

John and Betty got a bonus check. What a break! At last, thought John, we can buy a brand-new car. Maybe a red one with a black top. All the latest gadgets. But Betty had her dream. Now they had the down payment for a home of their own. What a joy that would be. Their very own home to decorate and fix up to suit their way of life. NO MORE MOVING. A PERMANENT ADDRESS. A place for the kids to play. The whole family to enjoy it—and their friends, too. Then came the explosion! A hot argument. Tears. Nearly blows.

John tried to cool down by reading. He picked up a Better Homes and Gardens magazine. His eyes spotted an interesting ad. And the headline ran: "Buy a Home FIRST! It's your Only Real Security!"

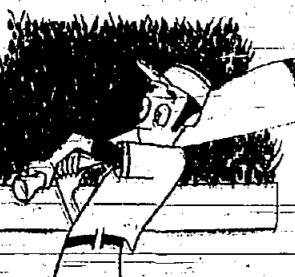

The message sunk in, John pondered. That's true, he thought. Betty's right. We'll get a nice home of our own. It's the smart thing to do. Better for the whole family. Well, they bought a cute place. Out in Tall Oaks. Now they're both as pleased as a 2-year-old with a new toy. Buy your own home FIRST! Call us today.

Woman's Club News

Club members and guests thoroughly enjoyed the luncheon, bridge and fashion show held Tuesday, April 14 at the Hotel Suburban in Summit. The fashion show, presented by Lillian O'Grady of Summit, featured late spring and summer styles.

A highlight of the afternoon was Jean Williams' stirring rendition of "Because," which put everyone in the proper mood for the "Final Parade of the Fashion Show." The parade featured "The Bride," carrying white garlands, was exquisitely gowned in sheer white tulle and lace cap to match the "Maid of Honor," presented a lovely picture in pale pink voile and the "Bridesmaids" wore daintily gowned in pink cotton chintz delicately figured with rosebuds.

All three attendants carried pink carnations sprayed with hyacinths. Theodore Buerklin, Chairman, wishes to thank members of her committee for their part in making this affair a success. Committee members are: Ruth Hayes, co-chairman; Dolly Goss, chairman of the Ways and Means Committee; Amy Bandemer, Sally Bandemer, Kathleen Grogan, Marie Gavenight, Kathleen Forster, Helen Jones, Sylvia Post, Urs Strawwell, Myrtle Schoenher and Mary Talska. Nancy Woods' of the Louise street Union, was hostess to members of the American Home Department on Friday evening, April 17. The theme of the evening was a plastic demonstration given by Mrs. Harold Need, a representative of "Praxair." Later, refreshments of ice cream, coffee and tea were served.

The next meeting of the department will be held at the home of Mrs. Williams, 322 South Springfield avenue on May 20, at which time program plans will be made for next year.

Miss Elaine Hestbury, daughter of Mr. and Mrs. H. W. Bradbury of 77 Sherwood road, took part in a music department student recital at Mount Holyoke College last Sunday afternoon. She was one of two piano soloists.

Miss Bradbury's contribution to the program was the "Nocturn in G Major" by Chopin. Also participating in the recital were four vocal soloists whose selection included songs by Brahms, Grieg, Haydn and Puccini.

A graduate of Regional High School, Miss Bradbury is a freshman at Mount Holyoke.

With only one week to go in the Springfield Bowling League, Hershey Ice Cream and Nelson's Texaco are deadlocked in a first place tie with 31 wins and 35 losses. Nelson's Texaco had a good opportunity to jump into the lead at the Woodruff alleys, but they faltered in their last game against Bunnell brothers last Monday night. Marshall

(Continued from page 1)
Heve that he started his campaign a little too late but losing by a small margin Tuesday night. The Mayor's defeat does not remove him from the political scene. He still serves as Mayor until the new Township Committee organizes at the end of the year. Marshall and his friends have some consolation in the fact that the Mayor actively supported Senator Forbes in the gubernatorial contest and the results of that vote showed Forbes far in front of Troast, 835 to 567. Police Commissioner Binder led the ticket with 859 votes which is further proof that he has a great number of friends in Springfield who have great confidence in his ability to administer the affairs of the Township. Mayor Marshall's showing in

Tuesday's primary contest was quite remarkable in view of the odds that were stacked against him. Although the chief executive failed of renomination by a hand-full of votes the election results show that he will have a following. Sentiment against the Mayor was primarily caused by flood conditions and other items which his administration either inherited from previous Mayors or over which it had no control. Forbes received a very strong vote in Springfield, the final count showing 835 to 567 for Troast. Hand polled 114 votes. Lee Rigby gave a very good account of himself in the 1952-53 Springfield election though he was waging a lone fight against a well organized machine. Rigby's total vote here was 706 against 718 for Beinner and 774 for Herlich. Pearson was high man on the Republican ticket in Springfield with 838.

"Gene" Donnelly, nominated Tuesday to replace Mayor Marshall on the Republican ticket for Township Committee, left by plane yesterday for a rest and short vacation to Washington, Williamsburg and other points of interest. Donnelly plans a very active campaign for the general election campaign as soon as he returns and his supporters map out a plan of battle with Commissioner Binder. Assemblywoman Florence P. Dwyer and G. Clifford Thomas, both big favorites in Springfield, drew the heaviest vote here, 788 and 701, respectively in the General Assembly race. These same two led the county wide ticket for Assembly. Mrs. Dwyer polled 25,963 and Thomas 21,688.

TERMITES

are flying again. Watch for "Swarms" of "Flying Ants" which come with Spring, shed their wings, then disappear. These wood destroying insects cause much damage to property. Buildings not protected during construction usually require it later.

We Specialize Exclusively in protection of property against TERMITES and other Wood Destroying Insects, using dependable engineering methods. We are not simple exterminators. Every job is supervised by an experienced, technically trained, licensed engineer.

We are a New Jersey organization, employing New Jersey residents, and we have served New Jersey property owners successfully since 1935. Our reputation in this field is unsurpassed.

Thousands of references are available in New Jersey—not in some distant state. Our work is GUARANTEED FOR 5 YEARS without additional charge—a one-year guarantee is worthless.

Youth Baseball Tryouts Start

Ed Hoffer, Board of Education Commissioner announced today that tryout sessions will begin next Monday night at 6:30 p.m. at the Meisel-Avenue Athletic Field for all boys in the 9 to 15 age group interested in baseball. The boys are asked to bring their own equipment, but nevertheless, all are invited. The week-long tryouts will be under the supervision of Regional High Coach Bill Brown and assisted by Coach Johnny Muller, and Ray Schmidt, former Newark Bear pitcher. Director of Leagues Eddie Ruby stated that catchers' equipment, balls and bats would be made available to the hopefuls. At the conclusion of the week's tryouts, if there is enough interest and ability, more than likely a decision will be reached to inaugurate the league.
