VOL. XXVIII—No. 36

SPRINGFIELD, N. J., THURSDAY, JUNE 25, 1953

OFFICIAL NEWSPAPER  
TOWNSHIP OF SPRINGFIELD

10¢ A COPY, \$3.50 BY THE YEAR

## What Do YOU Think?

Beverly Rappaport

Question asked by your inquiring reporter: "What is your pet peeve about Springfield?"

Walter Kraft (teenager), 79 Washington avenue.

"We need more excitement in this town. A movie house or swimming pool should be built so the kids don't have to go out of town. Also, we need more people coming into the stores." Walter is a "soda-jerk" and evidently there aren't enough people letting him show off his talents.

Mrs. W. Kraus, 530 Meisel avenue.

"I sure do have a pet peeve. The personal taxes in this town are positively outrageous. I came here from Newark and the personal taxes are much bigger. Why the people here will always complain about the cost of water. If these taxes get any larger I'd just as soon move back to Newark."

Mrs. George Rau, 36 Beverly road.

"The merchants in Springfield ought to improve on their stock for stores. I find it insufficient. Some stores are all right but on the whole they don't carry enough to keep the people in town but rather drive them to shopping in other towns."

Mrs. Carl J. Wozniak, 43 Battle Hill avenue.

"I've been living in Springfield for over 20 years and the property taxes have gone up terrifically. We don't have any playgrounds and the taxes are too high."

Anthony J. Taddio, 234 Morris av.

"Why don't the freeholders of Union county take the Springfield traffic problem into consideration as Millburn has done. Charlie Boardley, chairman of the Union county republican committee could assert his influence in the right way in order to alleviate the bottleneck. The Union county freeholders should purchase land for a right of way to alter the situation."

Mrs. Mary Landau, 238 Morris av.

"You can quote me on this. My pet peeve is that we don't have any parks in Springfield. There is a park with benches. There is no place to take the baby for a walk or let him crawl around on the grass."

Nathaniel Silon, 240 Morris av.

"Springfield is a community and its residents have many common interests. Let us not seek to criticize. We know there is much to be improved. Rather, let us recognize our responsibility to make our community a better place to live."

## Hailstones Hit Springfield in Terrific Storm

Springfield was "the target for the day" during Monday's terrific thunderstorm with hailstones, more than a half inch in diameter, slushing the township for about 20 minutes. Drivers of cars proceeded slowly through the two-inch layer of hail but no accidents were reported.

Bruce Tully, who lives at 29 Flermer avenue, excitedly reported that the "situation was pretty bad" and that hailstones were piling a foot high in front of his doorsteps.

The near tornado storm of Sunday evening caused interruption of both telephone and power, and light service for about 30 minutes—the exact time being from 6:05 p.m. until 6:35. Power and light were off completely because of the severe storm in the Jersey Central Power and Light trouble-shooters located the cause in exactly 30 minutes. Service was in.

(Continued on page 2)

THE BEST RECIPE TO BEAT THE HEAT—Vacation time is here and it didn't take these Springfield children long to take advantage of the Recreation Commission's new summer swimming program at Rahway pool. Those boarding the bus were just a few of approximately 150 who left Monday morning by bus to escape the high humidity and have some fun.

## Hobby Contest to Include Gliders

Plans for the Hobby Contest sponsored by the Springfield Rotary Club have been altered to include a glider contest for children up to ten years of age. This phase of the contest will begin at 10:30 a.m. on Saturday, June 27, at the Municipal Athletic Field. Prizes for first, second and third place will be awarded. Gliders will be supplied at the field for those children who wish to enter this part of the contest.

Flying of motor-powered planes will begin at 1:00 p.m. Contestants may still submit their entries up until that time.

The judges will include Tony Chesek, Jim Davies, president of the Union County Modelers Club, Harry Gregory, Jim Hunt, Adam.

(Continued on page 2)

## License Revoked 30 Days for Speeding

A Newark motorist, Arthur A. Bobbit, of 54 Elm street, had his license revoked for 30 days by Magistrate Henry C. McMullin on Monday night for speeding 65 miles an hour on a residential street. He also paid a fine of \$8.

Operating a car with a defective muffler cost Nicholas Charlotta of Berkeley Heights a \$15 fine with \$3 costs.

## Recommend Building of 14-Rm. School

The Citizens School Advisory Committee will complete its report and make recommendations for construction of a new 14 room school to the Board of Education at a special meeting which will be called by the Board for the purpose. It is expected that a date for the meeting will be set for some time next week.

At its last meeting, the Committee had virtually completed the substance of its recommendations on all phases of the study except the details of construction which the Construction Subcommittee is

(Continued on page 2)

## Thanks Workers for Mental Fund Drive

Wilbur Eno, Chairman of the Mental Health Fund Drive in Springfield, and Mrs. Russell Hiller, local Board member of the Union County Association for Mental Health, wish to express their appreciation to those who have helped in the fund raising campaign.

This is the first year there has been a national drive for this work and it is very encouraging to find that there is a definite interest in mental health throughout the community. The Mental Health Associations have an all-year program of information and service, and it is anticipated that in the future they will be able to greatly expand their work, as more people learn about the need and possibilities for service in dealing with the nation's No. 1 health problem.

Special thanks should go to the following workers in Springfield, who cheerfully and willingly joined in the difficult task of launching a new campaign: Mrs. Alfred D. Donovan, Mrs. J. F. Roller, Mrs. E. J. Beebe, Mrs. D. Watson, Mrs. T. B. McClracken, Mrs. J. C. Pitney, Mrs. R. B. Slettle, Mrs. C. P. Heard, Mrs. A. P. La Sota, Mrs. F. A. Davis, Mrs. Robt. G. Smith, Mrs. R. B. Cook, Mrs. M. M. Wasonowick, Mrs. C. W. Rupp, Mrs. H. W. Platt, Mrs. D. A. Donovan, Mrs. W. Jauncey.

## 37 Regional High School Grads Will Go to College

The guidance department of Regional High School has given the information that of the 89 students from this township who graduated last Thursday, 37 have already been accepted to colleges and other specialized schools.

Upsala College has accepted the following: Vincent Altieri, son of Mr. and Mrs. Ralph Altieri of 158 Meisel avenue; Jean Capozzi, daughter of Mr. and Mrs. Fred N. Capozzi of 19 Pitt road; Karin Pucht, daughter of Mr. and Mrs. Harold Pucht of 60 Houshaw road; Ann Stalle, daughter of Mr. and Mrs. Leonard A. Stalle of 492 Mountain avenue; and Shirley Sweeney, daughter of Mr. and Mrs. William C. Sweeney of 162 Meisel avenue.

These attending Stevens Institute of Technology are: Ralph Bastian, son of Mr. and Mrs. Henry Bastian of 69 So. Maple avenue; and Richard Bednarik, son of Mr. and Mrs. Alex. Bednarik of 30 Mountain avenue.

Engineering will be the field of the following who will attend Newark College of Engineering: Stefan Eloom, son of Mr. and Mrs. Sam E. Eloom of 75 Kew drive; Richard Elvin, son of Mr. and Mrs. Tunia A. Elvin of 18 Beverly road; and Richard Rubleka, son of Mr. and Mrs. Joseph C. Rubleka.

Going to Beaver College will be: James Bates, daughter of Mr. and Mrs. Harry H. Bates of 330 Mountain avenue; and Norma Feindel, daughter of Mr. and Mrs. Abbott Feindel of 73 Kew drive.

Jane Brasser, daughter of Mr.

## Springfield Woman's Club Highlights for 1952-1953

The Woman's Club has just ended its fourth year. The application of "Service, Study and Sociability" to the club motto has resulted in many commendable accomplishments.

They are proud to have been able to support many Federal awards and national and local appeals: Red Cross, Sister Kenny Fund, March of Dimes, Cancer Society, Heart Appeal, Scholarship Fund at N.J.C., Pan American Scholarship Fund, Vinland Research, Girl Scouts, Boy Scouts, and Orthopedic Workshop.

In relation to their Education Department, contributions included: a \$100 donation to our new upper grade school for shelves for the library; \$200 to a senior girl at Regional High School who wishes to go to any advanced school of learning and would not be able to do so without some financial assistance; a \$25 bond to a boy and to a girl who excel in manual training and home economics as they graduate from eighth grade.

Through the efforts of the Youth Conservation Department, uniforms were provided for high school girls who served as Volunteer Aides at Overlook Hospital under the supervision of club members; bus transportation was provided for two Senior Girl Scout groups to spend a day in Trenton

## Telephone Co. Asks Increase in Basic Rate

New Jersey Bell Telephone Company today filed a general upward revision of telephone rates which it said is required to guarantee the financing of a new \$500,000,000 expansion and service improvement program through-out the state.

The revisions filed with the State Public Utilities Commission at Trenton call for a 10 cent coin box rate and increases in the basic rates of both business and residential telephone.

Also included in the revisions are increases in extension rates, changes in the initial and overtime calling periods on some toll calls and revisions in some miscellaneous items.

"The amount of the increase will of course vary," the company said, "depending upon the type and amount of equipment each customer has but on the average the increase will amount to less than three cents per day per telephone."

Plan All Dial Service

Citing a \$295,000,000 construction program since 1945, the company said it is planning an additional \$500,000,000 in construction over the next 8 years in expanding its facilities and providing New Jersey subscribers with all dial service, both local and long distance.

"What we are offering is exceeding, in my view," the company said, "in estimating the additional gross income from the proposed tariff revisions at \$18,250,000 a year. Of this amount \$2 per cent, or \$3,490,000, will go to the government in federal income taxes, the company pointed out, leaving the company \$14,760,000.

"These proposed changes are the minimum that will insure for New Jersey completion of a telephone system second to none in the nation, with service available to all," the company said.

During the past few years, we have installed in exchanges serving 155 municipalities, the most modern dial switching equipment, providing those areas with the very best in communications service.

"If we can successfully finance our program we aim to convert every telephone in the state to dial operation with automatic dialing calls to every part of the state by 1961. Within a very few years thereafter, it is our target to have all Jersey subscribers dialing across the nation."

"Adding to the urgency of this program is the fact that right now we are faced with a backlog of 23,000 deferred requests for service and over 75,000 applications for higher grades of service which we are striving to meet. There is also an immediate and pressing need for additional service for military and defense needs."

"The job is not only tremendous physically but calls for an outlay of money that will find the company competing in the investment market for the dollars that will make its completion a reality."

"With our low level of earnings, we cannot successfully compete with other companies for the necessary money. This is particularly true in these hard times."

"The additional revenues we seek are essential to the fulfillment of this aim," the company statement concluded.

## Pass Ordinance For Sidewalks

## Baby Parade to Feature July 4 Program Here

Arrangements have been completed for an outstanding Independence Day Baby Parade this year. This colorful and happy event is under the chairmanship of Mrs. Amy Bandemer, with the capable assistance of Mrs. Julia Brown, co-chairman, Mrs. Ruth Hayes and Mrs. Margo Ladig.

Registration of entrants will be expeditiously handled from 9 a.m. to 10 a.m. starting time at the grounds to the rear of Regional High School by the following high school girls: Arline Hayes, Mary Jane Campion, Ida Howarth, Joan Chadwick, Sally Meyer, and Phillip Heckman.

Groups will cover ages 2 years, and from 2 to 5 years, and floats to 5 years as previously announced in the Sun. Out of town judges will award prizes to the two winners in each class. The parade is part of the program of the Springfield Fourth of July Committee.

A surprise will feature this year's 4th of July fireworks display, the local committee has announced. While this remains a mystery, it is explained it will be a fitting climax to the all day celebration.

The aim of the program is to provide a safe and sane day of family fun in Springfield. Included are free amusements and rides for the kiddies, competitions for all ages, community singing and other activities to promote good will and neighborhoodness. The Fourth of July Committee explains.

Edmond Haffert, president of the committee, urges the generous cooperation of all residents in the fund drive as the program is financed by voluntary contributions. The drive is now in the second week and will continue through the Fourth.

## First Aid and Fire Dept. to Parade

The Springfield First Aid Squad and the Springfield Fire Department are scheduled to participate in the parade which is to be part of the 50th anniversary celebration of Garwood to be held in that municipality. The parade is to be held Sunday, July 5, and will be part of the closing day's program of a week long celebration.

## To Dedicate New St. James Catholic Church Saturday

The new church, school and auditorium of St. James Catholic Church will be blessed and dedicated this Saturday, June 27, at 4:00 p.m. His Excellency, the Most Reverend Thomas A. Boland, Archbishop of Newark, will officiate.

The additional revenues we seek are essential to the fulfillment of this aim," the company statement concluded.

The construction and installation of sidewalks became law last evening at the Town Hall before a packed house of irate individuals and boosters.

Those in favor of the ordinance including George D. Harrison, representing the Board of Education, and Mrs. Helen Skousen, speaking for the PTA, evidently outweighed the arguments put forth by Hobart C. Ramsey, President of Baltusor Golf Club, Carlton H. Morrison of Andrew Wilson, Inc. and a group of residents from Baltusor Way led by Mrs. H. E. Callahan.

Harrison pointed out that the Board of Education had carefully planned this broad overall program with an eye to the future. With probable school expansion, safety and safety alone of our children is the important factor in this program.

Mrs. Helen Skousen stated that as a matter of record, the PTA was in full accord with the recommendations of the Board of Education, that the safety and welfare of the children of Springfield was of utmost concern and that "if only one child walks on the new sidewalks once a month, they have served their purpose."

However, Ramsey of the Baltusor Golf Club registered a rather strong protest considering the very substantial expenditure involved and reminded the Committee that aside from the expense, the terrain being as uneven as it is, offers a problem in itself.

Committeeman Albert G. Binder summed it up thusly: "The problem we are concerned with primarily is the safety of children, to and from school; however, it is not this alone. Surveys may prove that Shimpfle Road for example, has only a small percentage of pedestrian traffic, but no one can deny that it is heavily traveled by trucks and cars. If no one walks there, it is only because no place has been provided. Not only children to and from school must be considered, but also children at play and adults who may want to use these heavily traveled streets."

The ordinance was passed unanimously, but Committeeman Frederick A. Hendville offered this additional resolution: "that this ordinance defer installation of sidewalks on Shimpfle Road between Warwick Circle and Baltusor Way from Shimpfle Road to Henshaw Avenue and Milltown Road. The resolution was passed."

Daniel Wendland of 97 Battle Hill Avenue brought up the topic of a traffic light on the corner of Morris Avenue and Marlon Avenue which was previously referred to the State Highway Department for action. The issue is supposedly on the State's agenda, according to reports of the Township Committee, but Wendland is going to get action.

## Shade Tree Commission Removes Flermer Ave. Trees

Residents along Flermer Avenue are up in arms because all those stately sycamore trees along that thoroughfare are being cut down and removed by the Union County Shade Tree Commission. Work was proceeding yesterday with several crews on the job.

A truck accident at the corner of North Trivett and Flermer avenue on May 23 started the series of events that led to the cutting down of these trees. The Township Committee pointed out to the Shade Tree Commission that the trees caused that accident and asked

## PARKING METERS?

Police Commissioner Albert G. Binder made the first official move at the Township Committee meeting last night which may lead to installation of parking meters in Springfield. He asked that the Township Attorney Max Sherman explore thoroughly the method of financing such a project and to look into the necessary procedures so that the Township Committee may consider and act.

After the Township Attorney has reported, the governing body will make a study of the plan in the hopes that installation of parking meters may help solve the traffic problem here.

AT HOME ON THE RANGE—Olaf Palmer of Residence Construction Company and 31 Marcy Avenue receives a Vernois gas range given as a door prize at the Masdu Corporation 1953 Appliance Show. Presenting the stove (on the right) is Thomas J. Elwood, Masdu salesman. In the background is E. R. Landgraf, Sales Manager for the Masdu Corporation in Newark.

### Woman's Club

(Continued from page 1)  
 members used plastic blocks for printing, painted plastic figurines and ceramic pieces, and designed the program covers for the Music Department program.  
 The Civics Department helped encourage a town-wide registration of eligible voters, urged all members to get out the biggest vote ever, studied and supported the Hospital and Institution Bond Issues and the Garden State Pension Plan, and attended sessions of the State Legislature.

The Civics Department presented "Second Best," a one-act play which was held at the Park Hotel in Plainfield in April. The cast received many compliments on their accomplishments. The same play was again presented at a regular club meeting.  
 The Garden Department donated Christmas gifts to Graystone Hospital, gave raffish bulbs to Kessler Institute, presented the local library with a dish garden, provided flowers, corsages and decorations for all the club meetings. They made terrariums, pictures of dried flowers, scrap books on horticulture, and attended six flower shows.

The International Relations Department started the year off with a supper typical of India, prepared and served by one of the members who had lived there. In December they had a Charity Sale of articles made by department members. The proceeds were used for the Pan American Scholarship Fund, the Lazere Foundation, two Care packages for West Germany and Israel, and dress materials with bindings for the General-Clay Fund. The local school Art Supervisor gave a lecture on the art background of European countries, and one of the members reviewed the life and music of Chopin. The group also attended a session at the UN Security Council Headquarters.

The Literature Department's monthly meetings included reviews and discussions of seven books of Contemporary Literature. One meeting was devoted to "Concerning Our Local Library."  
 The Music Department presented a Christmas concert, "White Gifts," at the December meeting which was Annual Presidents' Night. The Past Presidents and guests representing each of the 28 clubs of the district were invited, as well as the Fifth District Vice-President and the State President. Gifts wrapped in white were donated by club members and were distributed to underprivileged children by the School Nurse. In May, the department presented a program for the patients at Kessler Institute.

The Woman's Club publicity chairman initiated a weekly club column in the local paper, publicizing the activities of the non-

ness and departments. The bowling group, which is the nucleus for a real league, had much fun practicing once a week at the local alleys.  
 As a result of a net gain of 27 members, the club membership now stands at 257.

Methods for earning some of the money to help support projects for civic welfare were a Theatre-Party to New York, a Merchandise Club, a Card Party at Kew, a Fun and Frolic Dinner at Evergreen Lodge, and a Luncheon-Bridge-Fashion Show at the Hotel Suburban in Summit.

Keeping in mind "Service, Study and Social Unity," the Springfield Woman's Club has endeavored to fulfill their responsibilities so that they might be worthy of a large reputation as well as of a community.

**Storm**  
 (Continued from page 1)  
 immediately restored but many people overlooked the fact that their electric clocks had lost those minutes during the power failure and Monday's schedules and appointments were 30 minutes late.  
 The New Jersey Bell Telephone Company immediately turned on its Deibel emergency power plant when the regular power was out of commission, and in a few minutes had their service almost restored to normal. However, many subscribers, in an effort to seek further information on the power failure which affected lights, television and other electrical equipment, soon overloaded the telephone switchboard and the emergency power plant wasn't strong enough to carry full service.

As one official of the telephone company's service station put it, "Our board looked like a Christmas tree in a few minutes with all the lights flashing on and off but we soon had it hooked and back to normal. There was a slight delay on some calls but most of the subscribers never realized that power failure affected the telephone service."

**Hobby Contest**  
 (Continued from page 1)  
 Karp, president of the Hillside Aero-Nuts and Fred Pratt. These men have long been experienced in flying model airplanes.  
 Prizes will be awarded at 4:00 p.m. after all flights have been completed. In addition to the prizes for model airplane flights, the judges will also award prizes for all other entries which have been submitted in this hobby contest. These prizes will be awarded at the Melbel Ave. field and not at the Agricultural Building of Regional High School as previously announced. Winners will be notified by mail in time to be present at the field in order to receive their prizes.  
 Demonstrations will be given by State and National champs in precision stunt and combat flying. The general public is invited to witness both the contest and exhibition.

### Go to College

(Continued from page 1)  
 Carolyn Patmore, daughter of Mr. and Mrs. Allen W. Faltouts of Baltusrol road, who will study at Glassboro State Teachers College. Those planning to become engineers will study at Princeton University.

Mr. and Mrs. Frank John of 49 Mountain avenue; Karen Larsen, daughter of Mr. and Mrs. Waldemar N. Larsen of 45 Severna avenue; and Doris Lynn, daughter of Mr. and Mrs. William J. Lynn of 143 Fowler avenue, who will attend Berkeley Secretarial School; Lois Wagner, daughter of Mr. and Mrs. William Wagner of 16 So. Springfield avenue, will study at the Washington School for Secretaries and Grace Camlin, guardian of Mr. and Mrs. August Montziga of 52 Kew drive, will attend Katharine Gibbs School.

**Accepted at Brown**  
 John Keith, son of Mr. and Mrs. John M. Keith of 77 Springfield road, plans to study at Brown University.

Springfield College has accepted Doris Pollock, daughter of Mr. and Mrs. Percy T. Pollock of 46 Colonial terrace.

In furthering her education Eleanor Bittor, daughter of Mr. and Mrs. Edward Bittor of Forest drive, will attend Sweet Briar College.

Gerl Runyon, daughter of Mr. and Mrs. Milton C. Runyon of 121 Tooker avenue, will study at Wilson College.

Maryville College will receive as a freshman, Guy Selander, son of Mr. and Mrs. Wilbur C. Selander

 now whipping into final form. The recommendation for a 14-room school, to handle kindergarten through the fifth grade, was settled on by the whole committee after consideration of all available data on present and pre-school population indicated that a 1950 estimate of facilities that would be needed was completely inadequate. At that time, it was

thought that a seven-room school might be adequate. The subcommittee studying construction has had to spend considerable time on it because of the thoroughness and attention to detail it has given. It not only visited schools designed by various architects throughout the section of New Jersey, but it also interviewed a considerable number of architects who are interested in bidding for the Springfield school if and when the Board of Education teaches its decision based on the Committee's recommendations.

L. E. Skousen, chairman of the advisory committee, emphasizes that it is important for new residents of Springfield to register for voting as quickly as possible so that they may have a chance to express their wishes on any school proposal that comes before the public next fall. A public referendum will have to be held to authorize a bond issue before any project can be undertaken.

To register for voting, a citizen must have been a resident of the state for one year prior to November 3, 1953, and must have lived in this county for six months prior to that date. Citizens who move may register under the changed address if they have lived at that address for 40 days prior to November 3.

It not only visited schools designed by various architects throughout the section of New Jersey, but it also interviewed a considerable number of architects who are interested in bidding for the Springfield school if and when the Board of Education teaches its decision based on the Committee's recommendations.

L. E. Skousen, chairman of the advisory committee, emphasizes that it is important for new residents of Springfield to register for voting as quickly as possible so that they may have a chance to express their wishes on any school proposal that comes before the public next fall. A public referendum will have to be held to authorize a bond issue before any project can be undertaken.

To register for voting, a citizen must have been a resident of the state for one year prior to November 3, 1953, and must have lived in this county for six months prior to that date. Citizens who move may register under the changed address if they have lived at that address for 40 days prior to November 3.

 (Continued from page 1)  
 now whipping into final form. The recommendation for a 14-room school, to handle kindergarten through the fifth grade, was settled on by the whole committee after consideration of all available data on present and pre-school population indicated that a 1950 estimate of facilities that would be needed was completely inadequate. At that time, it was

thought that a seven-room school might be adequate. The subcommittee studying construction has had to spend considerable time on it because of the thoroughness and attention to detail it has given. It not only visited schools designed by various architects throughout the section of New Jersey, but it also interviewed a considerable number of architects who are interested in bidding for the Springfield school if and when the Board of Education teaches its decision based on the Committee's recommendations.

Titley-Repsher Nuptials Held

Mrs. Edwin Robert Repsher

Miss Carlotta Ruth Titley, daughter of Mr. and Mrs. R. R. Titley of 31 Bryant avenue, was married last Saturday to Edwin Robert Repsher, son of Mr. and Mrs. William Repsher Sr. of 26 W. Linwood avenue, Maple Shade, N. J.

The double ring ceremony took place at the Springfield Methodist Church at 2:30 p.m. with Chaplain Richard K. Titley, U. S. N. (Lt. jg) officiating, assisted by Rev. C. Alburus Hewitt. After the ceremony a reception was held in the Mundy Room of the Church.

The bride was given in marriage by her father, Mr. R. H. Titley. Miss Catherine Titley, twin sister of the bride, was maid of honor and bridesmaids were Miss Annie DeGroat of 46 Fairbanks avenue, Hillside, Miss Jeanne Walsh of Van Ness terrace, Union, and Miss Beatrice Shields of 4 Cottage place, Freehold, N. J. Lois Jane and Donna Titley of Virginia Beach were flower girls. Mr. Stewart Repsher was best man. Ushers were Mr. John Sorrow of Moorestown, Mr. Charles Repsher of Gloucester, and Mr. William Titley of Matawan.

The bride's gown was of imported white embroidered organza over satin. She wore a matching cap trimmed with lily of the valley with imported illusion veiling. She carried a white orchid with lily of the valley. The maid of honor and bridesmaids' dresses were pale blue embroidered organza with matching jacket. They carried tallman roses and blue delphinium.

Mrs. Repsher, a graduate of Regional High School, was graduated from Trenton State Teachers College and is now a teacher of health and physical education at Morristown High School. Mr. Repsher is a graduate of Moorestown High School and has served two years in Korea as a sergeant. He is now employed by the Whitaker Construction Co., Merchantville, N. J.

After a two week car trip through New England and Canada, the couple will reside in Camden, N. J.

A graffio does not have true horns. The projections often mistaken for horns are soft tufts of skin and fat without any hard growth.

Calvin Martin Takes Bride

Miss Ina Elizabeth Fransson, daughter of Mr. and Mrs. August W. Fransson, of 469 Third avenue, Garwood, was married Saturday, June 20, to Calvin Albert Martin, son of Mr. and Mrs. Gilbert P. Martin, of 26 Rose avenue. Rev. Eric Touger, minister, performed the ceremony at 4 o'clock in the Presbyterian Church of Garwood.

A reception was held immediately after the ceremony at Olympic Tavern, Irvington. The bride was given in marriage by her father. She was attired in a Victorian-style gown of Chantilly lace over-slipper satin, fashioned with standing collar, long sleeves and bouffant skirt, with nylon tulle inserts, ending in a cathedral train. Her French illusion veil was attached to a crest-shaped helmet.

Miss Nancy Cecchetti, of Mountaintop, was maid of honor. Miss Rosalie Coody, of Bayonne, and Miss Jacqueline Martin, of Springfield, were bridesmaids.

John Fransson, of Garwood, brother of the bride, was best man. Ushers were Richard Schwandt of Springfield and Robert Glock of Garwood.

Donald Snyder, organist, accompanied Mrs. Touger, soloist.

John-Eva Has-Lawn Party John-Eva of 89 Springfield avenue celebrated his fourth birthday at a lawn party at his home on Wednesday, June 17. Colors were in yellow and blue. Those present were: Richard and Gary Winn of Dunellen, Mary Jean Allacca and John Rosol of Summit, George and Louis Gallant, Mark, Nadia, and Barbara Cataldo, Wayne and Bruce Reeves, Linda Ann, and Patty Ann Conley all of Springfield.

John P. McDermott of 171 Pitt road is the inventor of a compound which may be useful as a high temperature antioxidant for lubricants, motor fuels, and rubber, for which he has been granted a United States patent. Dr. McDermott is a member of the staff of the Esso Laboratories of the Standard Oil Development Company.

Bridal Shower Held A surprise bridal shower was held for Miss Helen Sue Koel, niece of Mrs. Norman Eva of 89 Springfield avenue. Miss Koel is a B.S. at Morristown Memorial Hospital. Her fiancé is in the armed forces. The wedding will take place on June 27, in the Union Presbyterian Church.

### GIRL SCOUT CORNER

**Association Meeting**  
June 25th is the date set for the semi-annual Springfield Girl Scout Council meeting. It will be held at 8 p.m. at the Presbyterian-Parish Hall. All members are urged to attend and chairmen are asked to have their reports ready.

**Camp News**  
Day Camp. Registrations are coming in very slowly. Parents are urged to send in the registration forms to Mrs. Howard Hovewagen, 27 Lewis drive (M.L.), 6-6347-M. Please note this is a change from the application notice. Registrations must be in Monday, June 22nd.

Day camp will be operated July 13, 14, 15, 16 and 20, 21, 22, 23 on Melrose Avenue Athletic Field near the Equipment House. Each Brownie or Scout brings her own box lunch and milk is served at camp.

Red Arrow. Registrations for the troop camping project are now closed. Twenty-five intermediates have registered and will attend the camp from June 20 to July 8.

**Troop Activities**  
Troop 15 closed their Scouting year with a "Cook-out" on Decoration Day. It turned out to be a "Cook-in" at the leader's home. The weather was so rainy that Mrs. Hoppling had all the girls in her pump room after the 13 members had paraded. This Brownie troop will continue as it is under the same leadership and will resume their meetings next October.

Troop 13 Intermediates had a special adventure when they had a "Sleep-over" at their leader's home, Mrs. Ed. Fuhrer, last Friday. Needless to say, "sleep-over" is a very appropriate name for each one's sleep was held over till the next night—there was just as much "gabbng" and "pranks" to do. Breakfast was prepared not long after 5 A.M. Pancakes were

cooked on, can stoves over "buddy burners." The Court of Awards for these girls was held Friday, June 12th.

The Brownies of Troop 16 have completed all their Tenderfoot requirements and just recently had their "Fly-up ceremony." They are now ready to start "intermediate work" in the fall.

The following Brownies participated in the ceremony: Joan Arnold, Phyllis Brink, Nancy Brobst, Patty Circelli, Shirley Clark, Marilyn Eno, Jan Gleim, Sandra Gulamerian, Claire Hazlett, Marianne Kirch, Alice Maidment, Nancy Marshall, Nancy Oakman, Merrill Post, Linda Schrelihofer, Linda Sandstrom, Brownie Nancy Walpole from Troop 10 who was that Troop's only "Fly-up" came with her leader, Mrs. K. Cain and participated in the Troop 16 ceremony. She will join this group in their intermediate work.

Senior Troop 2 have closed their Scout year. Two of the Senior Scouts, Anita Doherty and Jackie Binder, will act as program aides at Red Arrow. Anita Doherty holds a Red Cross Junior Life Saving Certificate and will be

qualified to assist the water safety director at camp. Senior Scout Nancy Frey will act as program aide at the Day Camp.

### Engagement Told Of Regional Grad

Mr. and Mrs. Frank William Wehrle of 22 Shunpike road announce the engagement of their daughter, Barbara Joan, to John Francis McKeivitt, son of Mr. and Mrs. Frank McKeivitt, of 53 Tuxedo Parkway, Newark.

Miss Wehrle, a graduate of Regional High School, is employed in the accounting department of the New Jersey Bell Telephone Company of Elizabeth. Mr. McKeivitt returned recently from a five month tour of duty with the Navy in the Mediterranean aboard the USS Larson. He is now stationed in Boston.

### Cooking Course for Teen-agers July 14

An elementary four-lesson cookery course for teen-agers will be a summer activity offered by Public Service Electric and Gas Company this year. The classes for residents of Summit, Madison, Chatham, Millburn and Springfield are scheduled to begin July 14 at the Summit Commercial Office of the Company, 341 Springfield avenue, Summit.

The instruction will be under the supervision of Miss Elizabeth McNamara.

**SOCIAL SECURITY can't do it all!**  
Social Security income helps people to retire. But even the largest payments are too small, at today's price levels, for more than a bare subsistence. Further individual resources are needed.  
For comfortable retirement there is no substitute for a well-built savings reserve. This bank invites your Savings Account.  
**THE FIRST NATIONAL BANK OF SPRINGFIELD**  
Member Federal Reserve System Member Federal Deposit Insurance Corporation

**Berries are Ripening!**  
New Jersey berries are on the market. Strawberries — blueberries — blackberries — raspberries — this is the season to feast on New Jersey berries. Eat them with sugar and cream. Pile them between layers of shortcake. Bake them in delicious pies. Freeze them for future use. Enjoy New Jersey berries all year long. Fill in and mail the coupon and we'll send you a copy of our book, "The Riches of New Jersey".  
**PUBLIC SERVICE**  
1903 1953 50 YEARS OF SERVICE TO NEW JERSEY

**We need 3¢ more a day per telephone... ..and we want you to know why**  
No business can go on paying more and more for the things it takes to do business without raising its prices. So we have asked the New Jersey Public Utility Commission to approve an increase in telephone rates.  
For the average telephone the increases we seek would amount to three pennies a day. On the average residence telephone the increase will be even less.  
As you well know, the cost of almost everything has gone up over the past years. Your cost of living has gone up 88% since the beginning of World War II. Yet the cost of telephone service has gone up, on the average, only 18%.  
**AND WHAT DOES THIS MEAN TO YOU?**  
Since World War II, New Jersey Bell has carried on a construction program of over 385-million dollars to expand and improve telephone service in New Jersey. Nearly 900,000 more telephones are now served, and service is better, more dependable than ever. Yet thousands of people in New Jersey are still waiting for telephone service. And thousands more apply each month. We must take care of them and at the same time keep service dependable and efficient for everybody. More telephone service is needed. Many people want and need telephones. Many want one-party lines! More-dial service must be provided.  
**A \$500,000,000 CONSTRUCTION PROGRAM NEEDED**  
A \$500,000,000 construction program is needed between now and the end of 1961 to give New Jersey the best in telephone service. This program depends on telephone rates that will pay all expenses and leave enough profit to attract the investment money. Without that, New Jersey's telephone service cannot progress.  
Today there's too little left after expenses are paid to give investors a fair return on their investment—too little to attract the new dollars needed to keep service good and make it better.  
A reasonable increase in telephone rates is necessary if we are to continue to expand and improve telephone service—insure the reliability and dependability you expect of your telephone. Better equipment, improved methods, greater efficiency are all at work—but they are not enough to meet the pressure of higher costs.  
**YOUR TELEPHONE IS A BIG BARGAIN**  
We are sure you recognize that your telephone is one of today's biggest bargains when you compare its great usefulness to its small cost. Any way you look at it, your telephone serves you better than ever before.  
Even with the small increase in rates we are asking, your telephone would still be one of the best buys in your family budget.  
**LET'S LOOK AT THE FACTS:**  
1. WAGES are the biggest single item in our cost of providing telephone service. They take about 70c out of every dollar we spend—other than taxes—to give service. And wage rates have more than doubled in the last 10 years.  
2. EQUIPMENT AND MATERIALS used in the telephone industry have increased in price steadily. Raw materials such as copper and lead cost 2½ times what they did in 1940.  
3. A \$385,000,000 CONSTRUCTION PROGRAM since 1946—paid for by investors. Telephone rates must allow a reasonable profit to pay these investors for the use of their money.
