Eugene F. Donnelly and Albert G. Binder came through with flying colors and won the rather bitter and spirited campaign for the two places on the Township Committee in Tuesday's election although the margin of their victory indicated that the Republican organization will have to plug up several weak spots before the next test at the polls. Donnelly was high man in the local race, polling a total of 1605 votes while Binder, present incumbent, finished with 1520.

The two Independent candidates, Thomas A. Argyris and Francis J. Keane, finished next in order with 1,209 and 1,081, respectively, while Vincent J. Bonadies and J. Leo Moran, the two Democratic candidates, made it very interesting.

The Republican Party of Springfield, whose candidates were elected to Township Committee issue their statement of thanks. "We express our sincere gratitude to the people who showed their support of the Republican Party. We sincerely hope to be able to live up to their expectations for a better Springfield. We owe a debt of thanks to all the workers who gave unselfishly of their time and efforts which assured the success of the campaign. We are indeed gratified to know that we have the confidence of the people of Springfield and we in turn hope to make this confidence a reality."

even though they finished fifth and sixth in the day's balloting. Bonadies, who carried the ball for the Democrats in the campaign, most of the time polled a very encouraging total of 965 votes—while Moran's total was 723.

The Third and Sixth districts produced most of the changes as compared with last year's results, the Independents losing considerable ground here with the two Democratic candidates picking up enough votes to make this district, practically even. Argyris and Keane were high here with 292 and 262, respectively. Last year the Independent candidates, George Marchese and Keane received 620 and 522 in this same Third. Donnelly polled 246 and Binder, 245, against Remlinger's high of 297 for the Republicans last year. The Democrats made the greatest gain in the Third, Bonadies getting 243 while Moran polled 174. Last year the Democratic candidates were (Continued on page 2)

Democrats Plan to Continue Campaign in Spite of Defeat

Vincent J. Bonadies, who led the Democratic surge against both the Republicans and Independent forces in Tuesday's township election, despite his defeat of his ticket, and is already making plans for the political future of his organization in Springfield.

Bonadies has already been contacted by various people close to the leadership of the Democratic party both in Union County and the State and the local man may soon be called in to a conference, which has for its purpose the strengthening of the party in Springfield. Because of his fine showing on Tuesday—and Bonadies practically ran the whole show by himself and without the usual machinery used for political campaigns—and as a result of the fine vote given to Meyer and the two local Democratic candidates on Tuesday, the spunky which has characterized Democratic activities may now be replaced by a militant, well oiled organization, aimed at the Township Committee.

It is generally believed that with the Democrats in control of the governor's office and the possibility of some patronage, the surge of the Democrats under Bonadies and Moran on Tuesday may bring many voters out for the next election who might not have wanted to bother last Tuesday.

Bonadies is being looked upon as the "prince on the white horse" as far as the Democrats are concerned and the next few weeks may bring interesting political developments.

Following is the statement issued by the two defeated Democratic candidates which shows that the campaign is still on.

"We wish to express our deepest appreciation and thanks to the many people who voluntarily took part during this current election. Through a broad reaching program, the Democratic candidates had embarked upon a crusade for the betterment of our town government. Day and night these volunteers had worked untiringly to achieve that goal and overcome the tremendous odds of three groups of candidates.

"As before, this was not a victory for the victors but a loss for the forces of good government. For the second straight year the victors captured no more than 40% of the total votes cast in 1952 and 1953.

"No greater argument can be found for a good two party system than the fact that our township committee will be serving contrary to the desires of the majority of the voters. This year, with new leadership, the Democratic Party in Springfield has clearly demonstrated that it can and will function in the best interests of the people of Springfield. We encourage above all that we return immediately to the two-party system, thereby guaranteeing that future governing bodies will be representative of the majority of the voters.

"We dedicate ourselves toward the consolidation of all forces interested in our crusade for a good government, one in which all people play a more important part. The time is now ripe for such a consolidation which will give to the voters by Springfield the kind of government they seek."

JEWISH GROUP RUNS NIGHT

Announce Increase in Mailing Costs

By order of the Postmaster General certain changes in international surface postage rates and special fees became effective on November 1.

In order to acquaint those who use this service or expect to use it during the coming holiday season, the following items should be specially noted.

The surface letter rate will be 8 cents for the first ounce and 4 cents for each additional ounce, except to Canada and Mexico which remains at 3 cents per ounce.

International parcel post rates and fees for special services are also changed, however information on this type of service will be given at the time of mailing.

Banned List Driver Pays Fine of \$103

Paul D. Sargent, 20 years old, of 528 West Front street, Plainfield, was found guilty of driving a car while his name was on the revoked list and fined \$103 by Magistrate Henry C. McMullen in Municipal Court.

Penalties totaling \$218 were meted out for seventeen traffic violations.

Among others assessed were: Speeding, Walter T. Hobby, Jr., 1636 Rambo way, Scotch Plains, \$23, and Maurice Sloane, 1214 Fairmount avenue, Elizabeth, \$7, and for improperly loading a truck, Paul Van Valen, 200 Elm avenue, Union, \$5.

Urges Ticket Sale For Theatre Group

Cancellation of two of the three plays presented by the Salome Gaynor Theatre for Children, which is sponsored by the Parent-Teacher Association, may come about as a result of poor sales of tickets.

In bringing the Theatre back to Springfield, the PTA hoped that the parents and children would support the project which would bring them excellent dramatizations of the children's classics. However, unless more tickets are sold they will have to forgo the pleasure of seeing "Kilt Carson and Pandora."

Since the PTA does not expect to realize a profit, a minimum of 400 tickets must be sold to cover expenses of "The Under Boy."

Tickets are on sale in all schools and will be on sale at the door of Gaudinier school auditorium this Saturday, November 7 before the performance which is at 3 o'clock. Again this year, a staff of hostesses will be placed throughout the audience so that children can be left unaccompanied at the door by parents and picked up an hour and a half later.

Enrollment Rises At St. Stephen's

With the new church school curriculum acting as a strong incentive, enrollment at the St. Stephen's Church school has increased from 97 pupils at the beginning of the term to 197 pupils as reported on All Saints Day, November 1, by Donald Kiehm, secretary.

More than half the pupils come from Springfield.

Empty Church Site Target of Vandals

While spooks were invading haunted houses Halloween vandals invaded the now unoccupied former building of St. James Roman Catholic Church on Morris avenue Saturday night. Folding chairs were tipped over, electric light bulbs broken, materials were strewn over the hall and two pews of wood were smashed on the floor.

The damage was discovered by Patrolman Earl Hendrickson at 10:15 p.m. while making his rounds. He found a rear door unlocked and partly open.

Rev. John M. Mahon, pastor, said there was no real damage nor much monetary loss since most of the items left in the building were being discarded.

Police Chief Albert A. Sarge reported that in general Halloween was "very quiet." He said that the town was well policed with special and reserve officers supplementing the regular men.

Church Budget Set at \$16,208

Marshall Hatfield, chairman of the Every Member Canvass Committee of St. Stephen's Episcopal Church announced that the church budget for 1954 has been set at \$16,208—an increase of more than \$2,000 over 1953. This added income is needed to meet the rising cost of living, paint the church, buy a larger choir and a new church school program and other spiritual activities.

More than 50 per cent of the parishioners of St. Stephen's are residents of Springfield.

Dismissed Officer To Appeal Verdict

Attorney for Ivy Hoeberle who was dismissed from the Springfield Police Department by the Township Committee on charges of misconduct and disobedience announced Wednesday that he was planning to appeal the verdict.

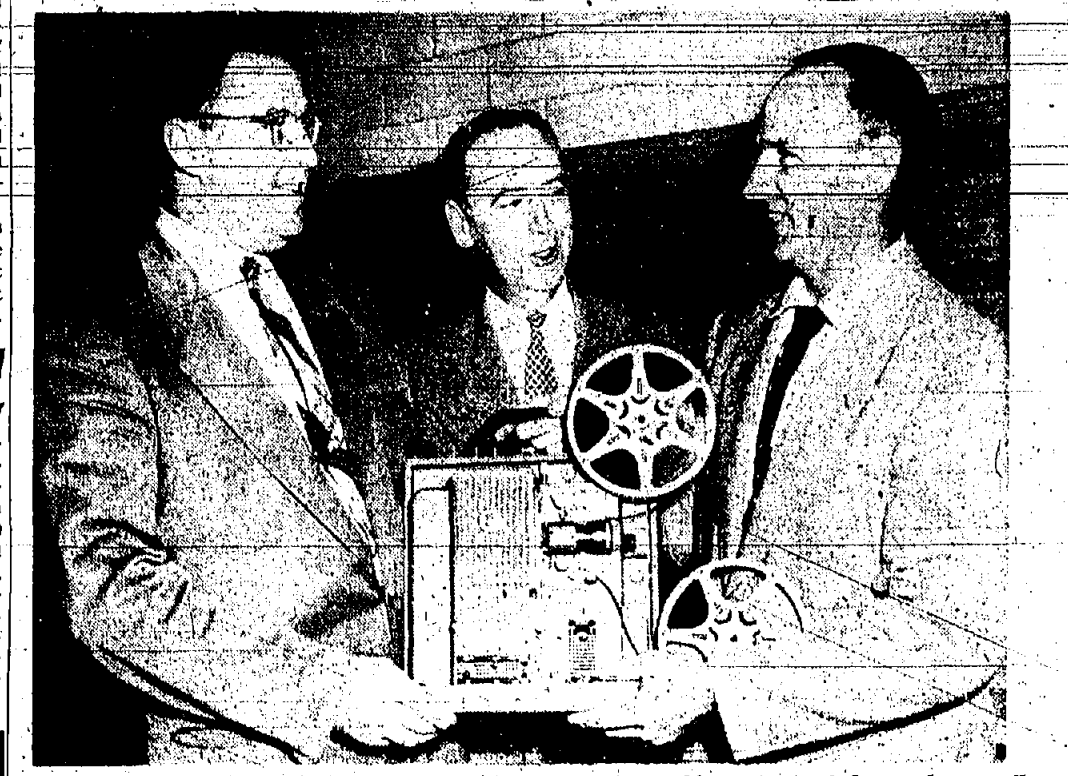

The former police officer was found guilty after a lengthy hearing during which the members of the Township Committee heard testimony from a 29-year-old girl that Hoeberle had conducted a courtship with the Springfield girl "taking advantage of his position as a police officer and while supposedly on duty."

Hoeberle's lawyer, Sarant's Saros of Elizabeth, claims that the evidence against his client did not justify dismissal. Hoeberle did not take the stand in his own defense.

ON THE SUNNY SIDE

The local Republican organization bombers roared safely into Springfield's political landing field Tuesday with Eugene F. Donnelly and Albert G. Binder at the controls...

Donnelly and Binder were winners in the race for the two spots on the Township Committee by good margins but those who like to go in for statistics and trends see a strengthening of the anti forces in Springfield after a study of the local results.

"Gene" Donnelly surprised most of the political prognosticators by coming out as top man in the vote but Gene was in the race as new material and the snipers couldn't make him the target for any anti-administration propaganda.

We're still of the opinion that the "hottest thing" in the six man scramble was Vincent Bonadies—and the vote was excellent proof of that. Bonadies ran a remarkable race—due a great deal to his own personality, charm and qualifications—but his real strength is still to be felt in Springfield.

The most important incident in Tuesday's election was the quick congratulations on the part of the defeated candidates to the winners. Bonadies invaded the enemy camp, walking right into Republican headquarters after he had heard the results—and shook hands with everybody.

We won't say there is any relationship between the vandalism at the old St. James Church and the window painting project sponsored by the Rotary Club in Springfield—but those who have made a study of this subject insist that there has been less destruction and mischief since the kids competed for prizes with their artistic ability.

Not only the school kids—but grown ups, as well—find the painted windows a very pleasant change from the hillarious nights Halloween used to be. Springfield, thanks to the Rotary Club, still believes in guiding some of that kid enthusiasm in the direction of painting for prizes and the majority of the merchants are to be congratulated for their help and encouragement in participating in this annual event.

Name Winners of Halloween Contest

Announcement is made of the winners of the fourth annual Halloween window decoration contest for local grade schools and high school students as sponsored by the Rotary Club.

Grade school winners are: First prize for most artistic, goes to Nancy Anderson, Mary Ann Donnington and Doreen Lynn for their painting on Roo's; second prize to Robert Cather, Richard Holter and Carol Rehberg for the painting on Hi-Way Tailoring and Shoe Repair; and third prize to Jean Curiale, Judy Thompson and Martha Haggert who also painted on Hi-Way Tailoring.

The first prize for the funniest goes to Patty Haggerty, Joan Diener and Ruth Valois for their decoration on Suburban Cleaners; second prize to Felix VonDerLinden, Henry Ruban and Roger Smith who painted on Schaffer's Delicatessen; and third prize to Bill Haggerty, Dan Lucy, Nick Calanus and Paul Blaney who decorated the Suburban Five and Dime.

The High School winners are: First prize for the most humorous is awarded to Francis Mosconi and Pete Witkowski for their decoration on Residence Construction Co.; second prize to Kenneth Rogers and Richard Martinka who painted Merg's Sweet Shoppe and third prize to John Moscarello and Ralph Melick who decorated Milton's Liquor Store.

First prize for the most artistic was taken by Robert Halloran and Robert Garland who also decorated Residence Construction Co.; second prize to Sylvia Feldman, Adeline Tallan and Virginia Gregory for their painting on Karlin's Paint Shop; and third prize to Evelyn Chabek and Diane Taylor who decorated Haddon Hall Upholstery.

Judging was done over the week-end by Miss Gertrude Sala, Mrs. Andrew Nelson and Mrs. Raymond Forbes. The winners will receive their prizes in the form of a trophy or plaque. A word of thanks goes out to Russell Post, art teacher at the grade schools, Mrs. Ackerman of Gaudineer School and Miss Perry at the High School who acted as advisors.

International Cat Week

International Cat Week is being observed during November 1 to the 7. It has been announced by the American Feline Society, Inc. which is celebrating its 25th anniversary this year. The organization, composed of only volunteers, is now having their financial drive.

When the Pilgrims first heard the rasp of cloacas, they thought it resembled the sounds made when they said "Pharaoh" and it reminded them of the "looser" plagues of Egypt which they had read about in the Bible.

Vestry is chairman of the men's gadget table.

Other features and committee chairmen are: Apron & gift table, Mrs. H. L. Benedict; Christmas decorations Mrs. J. Barnaby; Dolls, Mrs. Robert Smith; Glass, Mrs. H. Brooks; Mitten tree, Mrs. K. Penn; Pantry shelf, Mrs. E. Dorman; Parcel post booth, Mrs. G. Jacobs; Plant wagon, Mrs. H. Dickinson; Sniffle tree, Mrs. S. Vorhees; White elephant booth, Mrs. M. Hettrick and Younger set, Mrs. E. Donnelly, Binder

(Continued from page 1)
able to poll a high of 115 in this district.

The Republicans lost considerable ground in the Sixth District, Argyre being high man here with 282 and Keane next with 225. Bonadies beat out Binder with 193 votes against 158 for the present Township Committeeman.

The Fourth and Fifth Districts plied a fine vote for the two winners, the Independents giving up a great deal of the strength shown here last year to Bonadies and Moran this time.

The Republican organization, with Charles F. Beardsley as the chairman, did its usual job in bringing out the vote and the results were highly encouraging in view of the inroads made by the Meyner sweep through the State and Union County. Workers were active in all six districts and the seriousness of the local challenge was evident by the attention given to every detail.

The highest vote in Springfield, however, fell far below the highest number cast here for Donald M. Pearsall for Freeholder which was 2340. Donnelly, high man on the Republican winning ticket received 1,905.

machines on Tuesday and 904 in the Sixth with 651 voting.

There were some "diehards" in Springfield—those voters who just won't give up.

In the Fifth District former Representative Clifford P. Case received 4 write-in votes for Governor. Senator Malcolm Forbes was given one and even General Douglas MacArthur had his name

written in for one vote for Governor. H. LaGuarda, who served 11 years, was mayor of New York City longer than any

in the second district and had one. In the 6th district Case's name was written in 3 times and once in the Third District.

The Mississippi and the Missouri are the only rivers in the United States longer than the Rio Grande.

Prayer Heals All Problems, Lecturer Says

The healing of physical ailments is an essential element of Christianity, Mrs. H. Hay of Indianapolis, Ind., told a large audience here Monday evening at Summit High School auditorium.

Today, as in the days of the early Christians, healing by prayer is being demonstrated as a vital part of Christianity, Mrs. Hay declared. She said Christian Scientists throughout the world are proving increasingly the effectiveness of prayer based on scientific knowledge of God's laws.

On nationwide tour as a member of the Christian Science Board of Lectureship, Mrs. Hay spoke under the auspices of First Church of Christ, Scientist, of Summit. She spoke on "Christian Science: Its Awakening and Healing Mission," and she was introduced by Paul G. Crommelin, first reader of the Summit Church.

Mrs. Hay emphasized that true Christianity is a way of life, and that the benefits one receives from it depend on the quality of thought that one brings to daily situations.

Mrs. Hay stated that spiritual understanding of God can be applied to all kinds of human problems and situations.

"Through Christ or Truth, our homes, churches, human relationships, and governments become better, progressively approaching the ideal. Health becomes the rule, not the exception. Governments improve proportionally as truth permeates universal thought, since governments mirror the thoughts of the governed."

One right thinker serving humbly can do much to lift the thought of those around him.

She added: "We should conserve our existence by knowing God and demonstrating divine principle in alertness, intelligent action, purity, uprightness, and brotherly love."

"When . . . we watch our thoughts, reject error, and entertain the Christ-in-our-consciousness, we written to the health and satisfaction which come from knowing God and recognizing true selfhood."

Over 300 Attend Fathers' Night Program of P.T.A.

"Everyone Worries but Father" could well have been the theme of the Father's Night program of the Springfield P.T.A. The meeting held last week in the Florence Gaudineer school was attended by more than 300 fathers, parents, but more important by a feeling of good-will, good humor and good comradeship.

Of special interest was the announcement by Mrs. C. Weiniger, Membership Chairman of the James Caldwell school that the total membership to date has reached 1865, of which 614 are from the Raymond Chisholm school, 633 from the James Caldwell school and 618 from the Gaudineer school. Last year's registration was 1,857. She said that the membership contest officially closed on Oct. 23, but that all parents who still have not joined are urged to do so.

The meeting was opened by Mrs. L. E. Stousser, president, and Dr. Marvin Green, of the Springfield Methodist Church, gave the invocation. This was followed by the salute to the flag and the singing of the National Anthem led by Mrs. Ruth Osborne, music instructor in Springfield schools. The regular business meeting followed.

It was decided to turn over money accumulated in the James Caldwell lunch room fund to Mr. Newslinger to be used at his discretion for the school. Jay Levin gave a brief talk on the hazard presented to children by the discarding of old and used refrigerators. It was recommended that a letter be sent to the Township

Committee requesting the adoption of an ordinance restricting the discarding of such until the hinges and latches have first been removed.

Mayor Robert W. Marshall explained that the delay in the laying of sidewalks on designated streets was caused by lack of reasonably priced bids. He said that a request for additional bids would be made and upon the receipt of an acceptable one, work would be started.

Dr. Minor Jones of the Regional Board of Education gave a report on the proposed expansion program for the Regional High school. Mrs. Henry Bouchard, chairman, announced the first production of the Children's Theatre, a P.T.A. sponsored project, will be "The Tinder Box" a fairy tale. It will be presented by the Salome Gaudineer Theatre players in the Gaudineer school, Saturday, November 7.

Announcement was also made of the proposed cake sale to be held in Pineau's Garage, November 21. A special interval of music followed. This part of the program was arranged by Harold Bishop and H. Kern. It included the singing of "The Old Family Toothbrush" to the tune of "My Bonnie." Then the Dads serenaded the moms with "I Want a Girl," and they answered with "The Old Grey Mare, Ain't That What He Used to Be?" The come back was "You Made Me What I Am Today."

The lady teachers under the direction of Mrs. Ruth Osborne then sang "I Been Workin' On the Railroad."

The speaker of the evening, Mrs. Ellis Ott, was introduced by Mrs. R. B. Anderson, vice-president from James Caldwell school. Mrs. Ott told the group that wherever you go if you look only at what you see you won't know the country in which you are traveling. You must look below the surface. Smells, dirt and poverty of India to see its wealth of beauty, customs and ideals. In her illustrated talk on India, Mrs. Ott pointed out that while Nehru is greatly loved by them, the people will follow him only to a certain extent and even

with his great statesmanship governing India is a terrible problem because it has more customs and religious and language barriers than any other country in the world. Refreshments were served by the sixth grade Class Mothers under the direction of Mrs. H. A. Ketter and Mrs. C. J. Varga.

Industry of Springfield

JOSEPH G. GALLINI, owner and operator of Springfield Sheet Metal Works, which designs and installs heating and cooling equipment.

When Joseph George Gallini went into business for himself in 1944 and established the Springfield Sheet Metal Works, he decided to cash in on the trend to heating—high priced large residential.

brought him an enviable reputation. Gallini's shop on Springfield avenue from which he operated a sheet metal and air conditioning plant. Soon after he bought property on Springfield avenue and in January of 1948 he moved into a newly built building. Joseph Gallini owns and operates Springfield Sheet Metal Works, Springfield Heating Supply Co., and Galber Heating Co., Inc., all which are operated from the same premises. They design and install heating and cooling equipment for homes and commercial and industrial buildings. They are the distributors for Carrier, American Radiator and Thatcher Furnaces. Mr. Gallini designs the system according to the blueprints of the house. He has personally been connected with about 10,000 installations, many of them garden apartment developments. A main furnace does both the cooling and heating. A blower blows air through the house thus making it cooler with circulating air. In winter the air is kept warm thus reducing the amount of fuel being burned. This system can be used with gas and oil heat.

He has been in the line since 1936. He is responsible for making the model for the quietest room on earth at the Bell Laboratories in Murray Hill, which is used for testing television and

mechanical instruments. He styled his own business at a time when sheet metal was not considered a business but he was fortunate to get enough to begin successfully. Recently the shop has been enlarged and new modern offices built. The shop is well equipped for handling all sheet metal work related to heating.

Springfield Sheet Metal employs 20 skilled workers. Many have been with Mr. Gallini since he started and turnover is very low. Mr. Gallini is a Springfield resident also. He and his wife, Ann, live at 128 South Maple avenue with their four children, Gloria, Joseph Jr., Louis, and George. He is a member of the Chamber of Commerce and the Lions Club locally and a member of the Sheet Metal Contractors of America and the Sales Executive Club of New Jersey.

Meyner Carries U.C. By 15,000; Williams Wins

Described as the most startling political upset in the 66-year history of elections in Union County, Robert B. Meyner, Democratic candidate for governor, carried the county by 15,000 votes and 33-year-old Harrison A. Williams Jr. of Plainfield, candidate for Congress to replace the retired Clifford P. Case, edged out the heavily favored Republican candidate, George F. Hetfield, also of Plainfield, by less than 2,000 votes.

The swing toward the Democratic Party in Union County almost bowled over Freeholder Albert J. Benninger, Republican county "boss," who finished with 68,588 votes, only 2,382 ahead of Joseph A. Sharkey of Union, high man among the quartet of Democratic candidates for Freeholder with a surprising 64,203 votes. The other incumbent Freeholders George W. Herlich and Donald M. Pezarsall and Donald D. Mackey, Assemblyman running to fill the unexpired term of Freeholder Charles Bauer who was elected County Register on Tuesday, had more comfortable margins of victory.

G.O.P. candidates for other county and state offices had no trouble winning with Assemblywoman Mrs. Florence P. Dwyer of Elizabeth leading all candidates as usual with a total of 73,429 votes.

Veterans' Queries

Q—I'm a disabled World War II veteran, and I've delayed entering training under Public Law 16 until now. How much waiting will I be allowed to get?
A—You may train for as long as is necessary to restore your ability to earn a living at the objective you've selected. However, the course you take must be one that can be completed by July 25, 1958, the legal ending date of the Public Law 16 program.

Q—What papers will I need in order to apply for a certificate of eligibility for a GI home loan? And where do I apply?
A—You'll need your original discharge or separation paper. The place to apply is your nearest VA regional office.

Q—I understand that if I am totally disabled for at least six straight months, I need no longer pay premiums on my GI insurance, but I'll still be insured. What does VA consider to be a total disability, for insurance purposes?
A—A total disability would be any impairment of mind or body which continuously makes it impossible for you to follow a substantially gainful occupation.

Q—May I take on the job training under the Korean GI Bill on a part-time basis?
A—No. The law does not authorize GI on-the-job training which is less than full time.

Q—I've gone back on active military duty, and my National Service Life Insurance policy is under waiver. Will I collect dividends during the period the waiver is in effect?
A—No. Dividends may not be paid on policies during the period when the premium waiver is in effect.

Q—I used to be a bookkeeper before I entered service. I've just been released, and I want to take a course in bookkeeping under the Korean GI Bill. Can I brush up on the subject. Will I be allowed to do so?
A—No. The law prohibits veterans from studying for objectives for which they already are qualified. And you already are qualified for the objective of bookkeeper, because of your past experience. But you would be permitted to train for an advanced objective you haven't already reached, such as that of accountant.

Q—I figured that I'm eligible for 36 months of Korean GI Bill training. But I want to take a four-year college course. Could this be done?
A—It probably could. The average college year runs for nine months. Four such college years would amount to 36 months—the extent of your entitlement.

Lions Hear About Bottling Industry

At the last regular meeting of the Lions Club of Springfield, Lion Gene Donnelly delivered a very interesting talk on the soda bottling industry. He particularly stressed the effect of persons not returning empty bottles. As he pointed out this factor has a very important bearing upon costs of the product and deliveries.

Several weeks ago the item of control of old refrigerators had been discussed and it was announced that control of this measure had been adopted by the Lions and it was further noted that recently there was a state regulation passed on this matter.

The next regularly scheduled speaker this Friday evening will be Murray O'Connor of Parkersburg, West Virginia, who is a representative of the National Blind Foundation. Mr. O'Connor who is blind himself is a humorist of national reputation and should provide an interesting evening.

Joe Pinkava New Motor Co. Owner

Springfield gives a welcome to Joseph Pinkava Jr., who recently moved back from Oregon to take over Pinkava's Motor Company at 280 Morris avenue.

Joe's father operated the garage since 1910 until 1948 when it was sold to Charles Emigh. The family left for Oregon in 1947 and upon the death of Joe's father decided to return to their town, friends and relatives.

Joe, a personable young fellow, attended Regional High School and served two years in the Navy. He's happy to be home and already in the swing of the business world.

Guild Meets Nov. 10

Letters to Editor

Editor, Springfield Sun:

On the eve of Election, there was distributed a slanderous statement whose authors arbitrarily divided the voters of Springfield into "Workers" and "Wreckers." Shortly after the closing of the Polls, it was learned that the "Wreckers" outnumbered the "Workers" 2,200 to 1,600.

Fearing the worst, I scurried home and barricaded the doors and windows, all the while assembling such weapons as I could. Determined to hold the fort against all odds, I maintained a vigil through the night, venturing forth only with the coming of the dawn to survey the scene of carnage.

Greatly to my surprise, things appeared as usual; the business center still stood, the churches had not been pillaged, and in front of Town Hall where I expected to find the Skull and Crossbones, the Stars and Stripes floated proudly in the breeze.

To reassure myself further, I went rapidly (25 MPH) to South Springfield avenue. When I observed the gasoline and milk trucks roaring through at their usual clip, I sank sobbing to the ground—"Hallelujah," I cried, "SPRINGFIELD IS SAFE!"

BULLDOG

BITS

By DON HALBSGUT

Halloween, with all its goblins, ghosts, and witches, did prove somewhat of a nightmare in the Bulldog camp last week. Regional was not outplayed nor were they outcoached. They were beaten by a little thing like an extra point. In their previous conquests, that one point didn't mean a thing, but that "little thing" became a mighty large weapon. The fact remains that the Regionals have scored nine touchdowns and have converted just once. And with a percentage like that, the law of averages was bound to catch up. And if they still want that Group 3 title, they'll need all the points they can get. Although their 7-6 loss to Union set the record back to 4-4-2, the Bulldogs still cannot be counted out of the race.

The Group 3 section, 2-state championship hinges on many "ifs." Regional (4-2), Morristown (3-2), unbeaten Rahway, and unbeaten Dover are the only serious contenders left. And if they all can get by their next assignments, the stage will be set for the championship to be crowned on Thanksgiving Day. Morristown faces the Doverites and the Bulldogs take on Rahway. Another loss to either Regional or the Colonials would knock them completely out of the race. Rahway, at this point, appears the strongest.

The Blue Devils of Westfield High are next in the Springfield array. Westfield won its first game of the season last week against a fair Bound Brook eleven, and despite its 1-6 record, appears to have shaken the jinx. George Euchanan is the Devil "ace" and if that Regional defense can stop him, the locals should come away with their fifth victory of the current campaign. The Regionals surprised Westfield last year with a 15-0 victory, and again appear to have more than the Blue Devils can handle.

THIS WEEK'S PICKS

Regional at Westfield—The Bulldogs will rebound from that 7-6 loss. Westfield, although also unable to convert after six T.D.'s, could be rough. Regional 19-6.

Roselle at Cranford—Winless Blugs have no relief in sight. The Tigers still are in the title running, and Cranford won't stop them. Roselle 20-7.

Linden at Hillsdale—In perhaps the closest contest of the day, this is a toss-up. Linden appears to be better balanced. Linden 12-6.

Central at Jefferson—Jesse Queen should lead the Jeffs to an upset win. Jefferson 6-0.

North Plainfield at Plainfield—North Plainfield has quite a powerhouse. They lost only once, to unbeaten Somerville 7-6. So they should take this one easily. North Plainfield 24-7.

Rahway at Summit—The Hilltoppers are "top" for this one and will make it rough. Rahway, however, is a better club. Rahway 28-12.

Millburn at Roselle Park—The Parkers have the best unit in the county. Herm Shaw's club should win going away. Park 30-7.

Union at Morristown—Another toughie. Regional best Morristown, and lost to Union, but let's play a hunch. Morristown 7-0.

The "line-man of the week" award goes to that big number "31" Jack Wyckoff. Jack gets the honor mainly on his performance in the Roselle game, rather than the Union affair. Two fumbles were recovered by Wyckoff and both resulted in Bulldog touchdowns. The Springfield lad was in there when the chips were down. Jack also

does the kicking-off and puts some beauties right up the middle to the goal.

George MacKenzie is the standout in the backfield. The 1952 all-county star stands out among other greats like Joe Appello of Roselle from County of Jeff, or Roger Sampson in Summit. If he's not putting in receiving punts, and what returns! The speed-merchant from Kentworth also handles 45 per cent of the plays himself. He is average in the blocking game, and what returns! The speed merchant from out when these college scouts come a-calling.

On Thursday, October 29, the Regional High Booster Club met in the new gym. All Bulldog coaches were on hand and moving pictures of the Caldwell victory were shown on the new projector, given to the athletic department by the club. The Booster Club also plans to erect a plaque in the gym in honor of all Regional athletes selected. It was also decided Jack Keith, voted Athlete of 1953, would become the first name.

The Club also expressed the desire for more parents to join. Joining it, not only strengthens the organization, but also gives you a chance to really back up the gang. So come on out; friends and relatives as well as parents are welcome!

Union Upsets Bulldogs 7-6

A hepped-up Union eleven came out with a 7-6 upset over Regional, Saturday, at the Biertweffel "Dust Bowl." The win was the first over the Bulldogs since 1945. The Farmers almost ran away in the beginning as Edwood Smith grabbed a punt and raced 65 yards down the right sideline to score. What proved to be the winning point was a jump-pass to Paul Dinamere, for the extra point, and Union led 7-0. A 15-yard penalty on the following kickoff pushed the Orange and Blue back to their own 2 yard line. MacKenzie punted to Smith who returned it to the Regional 15. Union again looked like they were going to score, but the Bulldog forward wall held and the Farmers lost possession on the five.

Regional scored in the second period, after recovering a Union fumble. Larry Robinson carried to the ten, MacKenzie went to the five, and Robinson again went to the one, where Goggle DeBlase scored on a quarterback sneak. Regional lost its chance for a tie.

Stairs Need Good Light For Safety

The user of stairs or hall should never have to walk directly towards the light, or directly away from it (into own shadow). All light sources should be from sides or ceilings. Maybe the hall can be illuminated by light "borrowed" from another room—with small high windows of clear or opaque glass. You might consider for your home such commercial fixtures as lighted tread, lighted railings or fluorescent carpeting. Install three-way switches for all stairs, long halls and main rooms so that lights may be turned on or off at either entrance or exit (including basement stairs). Locate all switches conveniently for a person entering room in the dark. Highly polished surfaces should be avoided—especially on stairs. Nonslip materials or anchored carpeting should be planned. Use roller, clean it with water or turpentine, depending on the paint you have used. When it is dry you can go on to the next room or put the thing away.

Pingry Students Make Field Trip

The General Science classes of Pingry School, under the supervision of their instructor, Ernest C. Shawcross, took a trip to the plant of the Proctor & Gamble Co., Port Ivory, Staten Island, last Thursday. There, the students saw the various steps in the production of soaps, detergents, and shampoo. Local Pingry students who made the trip were: Robert Campbell, Nicholas Jordan, John Milton, George Rice, Robert Shippee and Warren Wheaton. SCHOOL NEWS

RAYMOND CHISHOLM SCHOOL NEWS Kindergarten Mrs. Dorothy Chandler Mrs. Florence Tower We have been looking forward to Halloween for a long time and now that it is almost here, we are very busy planning our party. First of all we want to decorate our rooms with Jack-o-lanterns, pumpkins, heads, witches and black cats, all of which we can make ourselves. Then we have to go shopping for a real pumpkin to be made into a real Jack-o-lantern. By the time you read this, the party will be all over, but we are sure we will have had a wonderful time. Many of us have made things out of paper, clay, the kind that gets hard if it stands over night. After painting and shellacking, we take them home for our mothers and fathers to admire.

Grade 1 Miss Claire Hoopmann Mrs. Mildred Thurber Mrs. Jane Schurr Such a surprise we had for our mothers and fathers last week we brought home our first Eve Prizes. We look and smile very proudly at the stories of Dick, Jane Sally to our little brothers and sisters. We also brought home our very first number book. Allison Kalem very capably led the class in a play on the National Assembly Program. Withers on broom riding, cats and mice entertained us for one half hour. We really frightened our audience.

Grade 2 Miss Rita Hleg Mrs. Ann Reaser Real Jack-o-lanterns, black cats and witches are making our room very attractive, as well as being fun for every one to enjoy making the cut-outs for our Halloween decorations. Our class participated in the assembly program. Eugene Boehm, Bruce Ledig and Danny Minding recited October poem. Pauline, Carol Schell, Roganna Showell, Dennis Glett, Barbara Cannon and Terry Cervone surprised us with a Charleston dance. Our October spelling chart for Friday reveals the following names, with 100% for two weeks' work every week. Dickie Wheeler, Darlin George and Marsha Davis. Friday afternoon, October 30th, our class will have a Halloween party. Water Gurski, Susan Wehrle and Barton Thelie are on the refreshment committee. Richard Franklin, Robert Lueddke and Marsha Davis are on the game committee. Dennis Siles, Robert Miller and Darlin George are on the "clean-up" committee. We are happy that eleven pupils, 47% of our group, have perfect work. We hope to have 100% before too long. The class made funny faces with Mrs. Askman. They would have scared you if you had seen them hung in our room.

Grade 3 Miss Ruth Arny Mrs. Lucille Lorraine Mrs. Arny's class welcomes Janet Mandl back home from her trip to Arizona. In a recent "Who's Right" she told of her visit to the Grand Canyon. In science lately we have been studying about where animals spend the winter. What was learned about the turtle. Stephen Albin brought in a box turtle he had caught in his yard. Miss Lorraine's class was host for the "Autumn Assembly." Judith Sloboda read the Bible. Pauline and Robert read the poem "Autumn Leaves." Virginia Deane and John Ray had some pictures. Our class welcomed Arlene Johnson. Arlene came to us from Newark.

Painting Wall Now Mainly Roller Work

Paint, today, is something you which is round, you have to do some brushwork in the corners where the roller doesn't roll. Brush narrow bands of paint into corners and along the walls next to woodwork. Now roll your roller down into the paint. Roll it back out over the dry end to remove any excess. Then roll it on the wall. Start about three feet below the ceiling. Roll up, then down over the same strip. After three such strips, roll lightly across them. The paint you have rolled on the wall will give it not only uniform color but a subtle textured effect which, according to the roll painters, is "high fashion for all interior walls." Grade 4 Mrs. Loreta O'Brien The assembly program of the fourth and fifth grades was about the United Nations. The United Nations Organization adopted their charter on October 24, 1945. The United Nations try to prevent wars wherever they may start, in any part of the world and to prevent them from starting. The work of the General Assembly was explained by Elaine Fisher. She said that it was like a court meeting, each nation has one vote and some live telecasts. Susan Krue told of the work of the Security Council. This group tries to "spot trouble" before it breaks out. The International Court of Justice was briefly explained by Carl Weisen. The justices handle disputes over treaties and boundaries. Zhou Youren told us that the secretary included the people who do the day to day work. They must serve all nations impartially. The job of the Trusteeship Council is to give people in non-self-governing countries a chance to be on their own as soon as they are able. This was explained to us by Leonard Simon. Joan Nemerson reported on the work of the Economic and Social Council. This group helps war torn countries and shows people how to raise more and better food on their own land. Edwin Schell said the Pledge of the United Nations and to conclude we all sang "The Hymn to the Nation."

The flag bearers were Dominic Leo, Dorothy Maudsley, Anita Mounberg, Joseph Lieb, Donald Coraggio, Dorely Zwickler, Sally Brown, Dick Muller, Mary Merillio, Leslie Plesler, Marjorie Pomerantz, Herbert Drolinger, Niedermeier, of Mr. Murray's fifth grade, gave a very informative talk on farm equipment. He illustrated his talk with large pictures and many models of farm equipment. We all feel certain Dick will one day be a farmer.

BRONC
RODEO KING
 W. M. Allison

POP! POP TILDEN -- OH, HO!

I'M GETTING YOU OUT OF HERE, POP -- AND PRONTO!

ON THE FLAMING CABIN, BRONC FINDS OLD POP TILDEN, SPRAWLED UNCONSCIOUS.

IS HE A GONER, BRONC?
 NO-TIME FOR PALAVER, PECOS! LET'S RUSH HIM OVER TO RODEO RANCH AND BRING HIM TO!

LATER, AT THE RANCH--
 WHO SLUGGED YOU, POP?
 JUTE JABROW'S SIDE-KICK, BAYO! TO GET RID OF ME AND MY MAP OF THE HIDDEN VALLEY! IT'S BURNT WITH MY CABIN!

MAYBE JUTE HEADED FOR THAT VALLEY AND TOOK GINGER AND JINGLEBUTTON ALONG!
 I RECKON-- MAYBE!

BUT YOU CAN STILL FIND THE VALLEY IF YOU RIDE OUT TO THE PINNACLE AND PICK UP THE TRAIL FROM THE SPANISH TREASURE SIGNS!

WHILE IN THE VALLEY...

THE HORSE WILL POINT TO THE KNIFE-- AND SO ON! YOU'LL KNOW THE VALLEY WHEN YOU REACH THE DRY RIVER BED!

GOOD ENOUGH, POP! WHEN THE BOYS GET BACK FROM TOWN, SEND THEM ON AFTER US!

YOU ALLOW MAYBE POP'S GONE LOCO, BRONC?
 IT'S WORTH LOOKING FOR THOSE TREASURE SIGNS TO FIND OUT, PECOS!

WHAT DEVILMENT IS BAYO UP TO NOW, JUTE?
 IF YOU MUST KNOW, MISS GINGER JONES, WE'RE GETTING RID OF A TREASURE TRAIL THAT SOMEONE MIGHT USE TO FIND YOU!

THERE GOES THE FIRST MARKER, NOW!
 WHY THE ORNERY?
 THAT'S ENOUGH, JINGLEBUTTON!

WE'VE PASSED THE PINNACLE NOW, BRONC, AND NO SIGN OF THAT HORSE MARKER!
 TOLD YOU POP WAS LOCO!

LET'S BROWSE AROUND SOME BEFORE WE GIVE UP, PECOS!

CONTINUING ALONG THE TRAIL, BAYO AND HIS SIDEKICK BLAST THE DAGGER SIGN WITH THEIR SIX-GUNS!

Son of the Buccaneer
 WHILE BUCCANEERS DOZE IN THE NEW SAN DOMINGO SUE, PABLO REVEALS TO THE YOUNG BUCCANEER THE NAME OF HIS FATHER, LONG DEAD...

TRACKING THE WILD BOARS BRINGS PABLO AND THE YOUNG BUCCANEER NEAR THE SOUTHERN END OF DOMINGO ISLE...

SCENTING A NEW TRAIL, THEIR HUNTING DOGS POINT SUDDENLY.

SOMETHING'S GOING ON HERE...

THE DOGS LEAP FORWARD-- TAKEN OFF BALANCE, THE BUCCANEER STUMBLES...

GET UP! WE MUST FOLLOW THEIR TRACKS!

REACHING A HILL TOP, THE TWO MEN COME TO A SURPRISED HALT... (LOOK?)

IN A DESERTED COVE, A DISMASTED SHIP RIDES AT ANCHOR...

STRANGE! THEY FLY NO FLAG!

SUDDENLY, SHADOWY FORMS LEAP AT THEM FROM THE TALL GRASS!

A FURIOUS HAND-TO-HAND STRUGGLE FOLLOWS...

PABLO AND HIS YOUNG FRIEND WALK CARELESSLY TOWARD THE COVE...

SUBDUED AND TIED, A GIANT LOOKS THEM OVER.

THEY PUT UP QUITE A FIGHT-- FINE RECRUITS FOR US!

I'LL NEED A DOZEN MORE OF THEIR METTLE BEFORE I CAN ONCE AGAIN GO BACK TO SEA?

TELL US THE WAY TO YOUR CAMP, BUCCANEER, OR-- NOTHING CAN FORCE ME TO TALK, PIRATE!

GULLIVER'S TRAVELS

AFTER BEING SHIPWRECKED ON THE SHORE OF LILLIPUT, AND CAPTURED BY TINY PEOPLE, GULLIVER IS SET FREE.

"TAKING THE EMPEROR IN MY HANDS, I DID MY BEST TO THANK HIM--"

"MANY OF THE EMPERORS LEARNED MEN CAME, AND I SPOKE TO THEM IN SEVERAL DIFFERENT LANGUAGES, BUT TO NO AVAIL..."

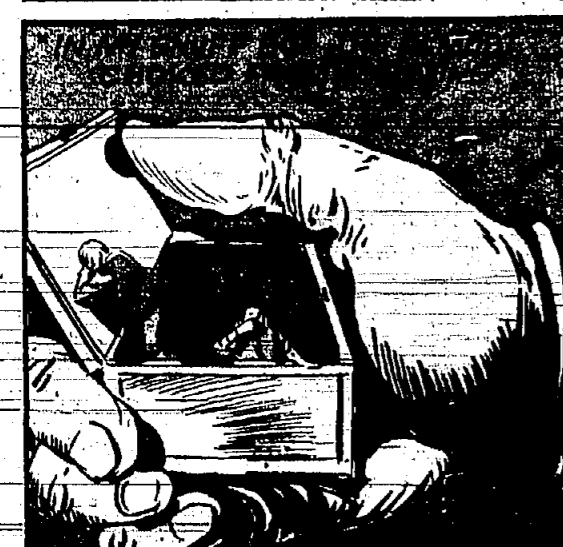

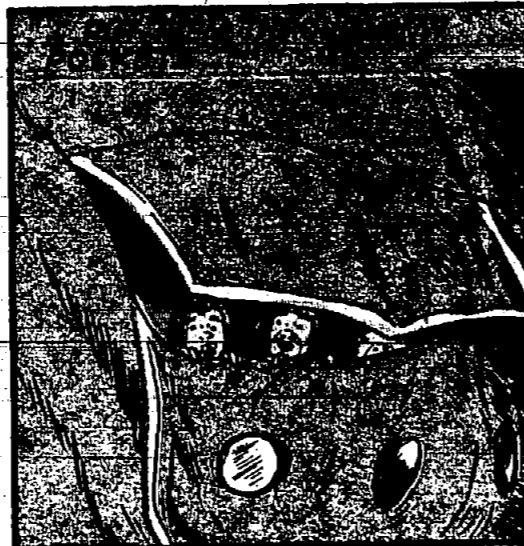

"SHORTLY AFTER, SOME ROUGH TOWNSPEOPLE SHOT AT ME WITH ARROWS..."

"THE RINGLEADERS WERE CAUGHT AND DELIVERED TO ME. HOLDING ONE, I THREATENED TO EAT HIM ALIVE..."

"THE KING ORDERED THEM PUNISHED. HE OFTEN VISITED ME..."

"A HIGH OFFICIAL INFORMED ME HE FEARED I MIGHT ATTEMPT TO BREAK LOOSE..."

"EVERY DAY I BEGGED TO BE RELIEVED OF MY CHAINS. BEFORE RELEASING ME, HIS MAJESTY ASKED THAT I BE SEARCHED BY TWO OF HIS MEN..."

"THE FEAR OF ME WAS ENTIRELY GONE. EVEN THE CHILDREN PLAYED HIDE-AND-SEEK IN MY HAIR..."

STRAIGHT ARROW

STEVE ADAMS, AS STRAIGHT ARROW, IS LEADING JOE RUXTON'S SURVEY PARTY THROUGH THE HAUNTED VALLEY OF WAKON TONKA.

WHY FOLLOW THE MIDDLE OF THE VALLEY, STRAIGHT ARROW? THERE MAY BE A TRAIL UP PAST THOSE BUSHES!

CHEYENNE RENEGADES ALREADY KNOW ALL TRAILS--

-- SO WE TAKE COURSE OF OLD DRY STREAM AND KEEP WATCH ON BOTH SIDES!

YOU SURE CALLED THAT TURN, STRAIGHT ARROW! WATCH US SCATTER THOSE RENEGADES!

NO, NO! KEEP ON-- PAST BEND OF STREAM-- AND HURRY!

YOU SEE? ONE BAND TRIED TO HOLD US BACK, WHILE OTHER BAND GATHERED FOR ATTACK!

LET 'EM HAVE IT, MEN!

THEY'VE GONE! NOW WE CAN PULL UP AND REST!

NOT YET!

KEEP ON! PAST NEXT BEND IN ARROYO! TO LITTLE WOODED KNOB IN VERY MIDDLE! OUR ONLY CHANCE IS THERE!

THOSE SLOPES ARE ALIVE WITH RENEGADES, STRAIGHT ARROW! IT'S LUCKY THAT YOU GOT US HERE FIRST!

HAVE MEN SAVE SHOTS AND CHOP TREES TO MAKE BARRICADE!

STRAIGHT ARROW, STAND GUARD WHILE WE FORM THE BARRICADE!

ATTACK NOW, LONE DOG, BEFORE THEIR FORT IS READY!

NO, NOMIDTIS! WE WAIT! LET WAKON TONKA, THE THUNDER GOD, STRIKE FIRST!

CAPTAIN GALAXY

I HAVE TOLD YOU HOW I, JUSTIN PARKER, AND TWO OTHER CAPTIVE SCIENTISTS, EDUARD DUPREZ AND GUSTAV DYRING, WERE PROJECTED FROM BEHIND THE IRON CURTAIN, IN A ROCKET TO THE MOON, ONLY TO FIND THAT "DEAD WORLD" INHABITED AND RULED BY AN INCREDIBLE MAN CALLED CAPTAIN GALAXY, WHO EQUIPPED US WITH QUAIN SPACE-SUITS AND TOOK US ON A TREK TO THE MIGHTY LUNAR MOUNTAINS, WHERE...

HEEDLESS OF GALAXY'S WARNING, I MADE A TREMENDOUS LEAP FORWARD, SEIZING HIM AS HE STUMBLLED.

BACK, PARKER! GAVE YOURSELF AND THE OTHERS!

AND WITH ANOTHER MIGHTY BOUND, I CARRIED HIM BACK OVER THE LUNAR CLIFF AS A MAMMOTH OBJECT CAME WHIZZING FROM THE EARTHLIGHT...

...TO BURST WITH BLINDING BRILLIANCE AS IT HACKED AWAY THE VERY BRINK THAT WE HAD LEFT!

AS WE LANDED LIGHTLY, AFTER A 250 FOOT MOONFALL, CAPT. GALAXY PROVED AS UNPERTURBED AS EVER...

I HAD FORGOTTEN THAT METEORS ARE STILL PREVALENT AT THIS SEASON. YOU SAVED MY LIFE, PARKER. THAT IS SOMETHING I SHALL NOT FORGET!

DEBBIE

NO, NO! IT'S ONLY A FEW MILES TO THE STATION! BOSCO AND I WILL ENJOY THE JAUNT AND HE DOESN'T MIND RIDING ON TRAINS!

IT DOES LOOK DESERTED, BOSCO! I GUESS THERE AREN'T MANY PEOPLE GOING INTO TOWN THIS LATE IN THE AFTERNOON... BUT STILL...

SURE YOU DON'T WANT ME TO DRIVE YOU HOME, MISS DEAN?

I'D BETTER CHECK MY TIME-TABLE BY THIS ONE! OH-HO!

CALLING ALL CARS! CALLING ALL CARS! INVESTIGATE MYSTERIOUS DOG HOWLS AT SUBURBAN HEIGHTS STATION!

... INVESTIGATE DOG-HOWLS AT SUBURBAN HEIGHTS STATION!

IT'S AWAY OUT OF MY ZONE, BUT I MAY AS WELL STOP BY!

INSTEAD OF SCALING THE MOON CLIFFS ANEW, CAPT. GALAXY LED US BY MORE DEVIOUS-- BUT SAFER PATHWAYS!

COME-- FOLLOW ME AND WE SHALL AVOID THE METEOR SWARMS!

BENEATH FORBIDDING, OVERHANGING BLUFFS...

WE ARE SAFE ENOUGH BENEATH THESE CRAGS?

UNLESS ONE OF THOSE METEORITES CRACKS A JUTTING BROW AND CAUSES AN AVALANCHE-- LIKE THAT!

AND THROUGH UNFATHOMABLE CRACKS, FIVE TIMES DEEPER THAN EARTH'S GRAND CANYON!

THIS CREVASSE IS ONE OF THOSE CLEFTS CALLED RILLS, THAT LEAD THROUGH THE MOUNTAINS OF THE MOON!

AND THIS RANGE IS PROBABLY THE LUNAR APENNINES!

MIKE, WE WANT TO GO HOME! I HOPE YOU BROUGHT YOUR PATROL CAR!

I SURE DID-- BUT TELL ME, DEBBIE, HOW DID YOU GET STRANDED HERE?

IT WAS ALL THE FAULT OF THE TIME-TABLE! MY TRAIN SAID IT'D FOR SUBURBAN HEIGHTS, WHICH MEANS IT ONLY STOPS TO LET PASSENGERS OFF!

I SHOULD HAVE NOTICED, TOO, THAT MY TRAIN WAS MARKED "K", WHICH MEANS IT ONLY RUNS SATURDAYS--

AND THIS HAPPENS TO BE FRIDAY!

UNTIL WE REACHED OUR DESTINATION-- THE SULPHUR MINES OF ARISTARCHUS!

GO THROUGH THE ADIT OR ENTRANCE-- AND REMOVE YOUR SPACE HELMETS! THERE IS AIR WITHIN THE MINE!

SEE ALL THAT SULPHUR, EDUARD? AMAZING!

NOT AT ALL, MY DEAR JUSTIN--

I HAVE SEEN ULTRA-VIOLET PHOTOS OF THE CRATER OF ARISTARCHUS, TAKEN THROUGH TELESCOPES ON EARTH. THEY SHOW SPLITCHES ON ORANGE-GENICIZED PLATES, PROVING THERE MUST BE SULPHUR HERE!

HALT WHERE YOU ARE-- ALL OF YOU!

SO, YOU HAD ALREADY KNOWN THE SECRET OF THIS MINE! THAT PROVES YOU ARE SPIES FROM EARTH! THE THREE OF YOU SHALL DIE... NOW!

WHAT'S MORE, IT SAID "NB", WHICH MEANS NO BAGGAGE CAR, SO THEY WOULDN'T HAVE LET BOSCO ON IT ANYWAY--

-- AND BESIDES, I HAD AN OLD TIME-TABLE AND THE TRAIN LEAVES EARLIER NOW, SO I'D HAVE MISSED IT ANYWAY! IF YOU HADN'T SHOWN UP, MIKE, I'D HAVE BEEN THERE ALL NIGHT!
