Marshall Says Opponent Is No Superman

Former Mayor Robert W. Marshall, who seeks the spot on the Township Committee in the coming general election, turned loose a volley against his opponent, Vincent J. Bonadies, in a statement as follows:

438 New Voters Registered For Next Election

Political candidates, seeking support in Springfield, will have 438 new voters "to sell" for the coming general elections. At least, this is the number announced by Mrs. Eleonore H. Worthington, Township Clerk, as new qualified voters registered since the first of the year but more may be added to this list when all transfers are in.

But the total number of qualified voters eligible to cast ballots in the coming elections is lower than the total qualified voters in the last primary. However, according to Mrs. Worthington, a great number of people have moved into Springfield since the first of the year who have not, as yet, qualified to register based on the time of their residency in the Township.

Following is the unofficial number of Springfield residents eligible to vote in the coming elections which shows that there were 5,282 qualified voters eligible for the last primary while the total registered now is 5,279. This figure may be increased when all the transfers and final figures are reported but, according to Mrs. Worthington, there were 438 new registrations processed since the first of the year:

PTA FUND DRIVE

The Springfield PTA has been conducting a fund-raising fund through the sale of sweat shirts and T-shirt to all grammar school children, and those who received notices and have not yet ordered can do so by telephoning Mrs. Bender at Millburn 6-6233.

Evangelism Crusade To Start Here On Sunday

The Reverend Frank D. Dennis, pastor of the Rahway Trinity Methodist Church, will open the Evangelism Crusade of the Springfield Methodist Church Sunday morning, October 10 at the 11 o'clock service being held in the sanctuary at Main Street and Academy Green, Springfield.

The local crusade is one of many being held throughout the world at this time and the Springfield church is fortunate in having Mr. Dennis as guest preacher. In addition, Mr. Dennis will conduct the evening service at 8 o'clock, Sunday, and at the same hour every evening following, Monday through Friday, October 11 to the 15th.

Rev. Dennis was born in Cranford, New Jersey, graduated from Morrisstown High School, took his A.B. from Duke University in Durham, North Carolina and his B.D. and M.A. at Drew Seminary. His pastoral experience includes an assistant pastorate at the Madison Methodist Church, at the Teabo Methodist Church, three and a half years as Chaplain with the U.S. Army Air Force, (2½ years with the 13th Air Force in the South Pacific), minister for 4½ years at the Tranquility (N. J.) Methodist Church, and since 1950—at the Rahway Church.

Rev. Dennis is considered one of the outstanding young men of the Newark Conference. His administrative experience includes Chairmanship of the County Audit Committee for Sussex County in 1950 which prepared the President's White House Conference report on the Welfare of Children and Youth. He is now chairman of the Rahway Municipal Youth Guidance Council, the Rahway Juvenile Conference Committee of Rahway, and president of the Rahway Council of Churches. He also holds important posts on several of the Newark Conference

own making as the new political "super man" the Democratic party's nominee for the township committee is suddenly riding through Springfield as the four-armed candidate, preaching efficiency, decision, action and optimism, former Mayor Robert W. Marshall, Republican candidate for the governing board, declared today.

"He promises there will be no bickering if he is elected. Causes will be eliminated, action will be taken on every front, there will be no delays in reaching any decision and all will be well with the township."

"His campaign certainly is promising. In fact it is composed mostly of promises which will be taken on every front, there will be no delays in reaching any decision and all will be well with the township."

"It's Bigger than..."

"The Democratic nominee for the Township Committee apparently has been seeing too many television programs," former Mayor Robert W. Marshall, Republican candidate for the governing board, observed today.

"Every issue he discusses is always 'bigger than both of us.' It sounds wonderful but if he doesn't watch out, Ruth Gilbert of the Milton Berle show will be demanding royalties for years. However, if the issue is bigger than both of us then the minority candidate certainly has taken a long time in getting around to it."

"The Democratic candidate talks of my holding forth in a smoke filled room. Perhaps he doesn't know that any session, public or otherwise at which I presided was featured by fresh air, and not by hot air."

anyone acquainted with the situation here knows, will be difficult to fulfill. Democratic nominees have been making the same promises for years. However, when elected they proved to be apostles not of what they preached but of frustration, futility, and futility.

"A political party must stand on its record and the Democratic record is not a healthy one in Springfield. I have yet to see the candidate do any 'pointing with pride' to his party record here. That's understandable in view of the confusion into which his party threw the governing board the last time they were elected."

"This nominee would have you believe that with his years of business experience he will soon solve all the township's municipal (Continued on page 2)

THEY'RE OFF AND JUMPING—Kids get off to a fast start in the potato race, a feature of the Field Day sponsored by the Baltusrol Civic Association held at the Irwin Street playground last Saturday. Contestants include, from l. to r., Butch Mutschler, Johnnie Schreiber, Danny Etzold, Joel Granick, and Paul Biddleman.

Any spectacular base-stealing or fly-chasing of the recent World Series was outshone in a demonstration of speed and agility by 150 youngsters, ranging from the age of 2 to 15, in last Saturday's Field Day program held at the Irwin Street playground. The annual event is sponsored by the Baltusrol Civic Association for its members and neighborhood children.

The proverbial program of foot, potato sack, 3 legged, wheelbarrow races, etc., was highlighted by an egg throwing contest that had the many adults and children cheering as two stubborn finalist pairs kept extending their lines towards Union and parts west. All winners in each of the boys and girls age-group divisions received prizes. The versatile 2 to 3 time winners were Billy Taylor, Ned Davenport, Fred Puorro, Paulette Morse, Barbara Havala, Mark Biddleman, Carolyn Kordalski, Tom Geoghegan, and Herbert Etzold.

The odor of grilled hot dogs, soda, and chocolate bars next tempted the worn and hungry stomachs of the contestants and rooting parents as the tug of war climaxed the program.

Summing up the day David Starnesman, president of the Civic Association, quoted a 7 year old's unprompted comment: "I want to thank you very much. I had a wonderful time."

Lab, Costing Ten Millions, May Come Here

A very important meeting of the Planning Board is to be held at Township Hall this evening at which time "several loose ends" will be picked up in discussing the final stages of the master plan, as submitted by T. T. McCroskey, the consulting engineer hired by Springfield to make a thorough survey of the Township. Several matters will be "ironed out" at tonight's meeting and it is hoped that the entire plan will be ready for the Township Committee so that it may introduce the new zoning ordinance soon.

Several proposals—three have already said to have reached the negotiation stages with the Township authorities may be discussed in caucus prior to this evening's meeting since it calls for zoning that will bring three of the nation's largest concerns to Springfield with the kind of real estate that should mean enormous tax receipts.

Two of these will not be manufacturing operations, one being other a research laboratory with a building program that is said to go over the ten-million dollar mark. The property where the laboratory is to be located will require an expenditure of nearly \$100,000 for sewers and other public utility services which, according to the reports, will be financed by the national concern.

There is general sentiment in favor of "doing everything" to have these large firms build in Springfield since it will bring considerable tax money to the Township without affecting any of the property adjoining the sites now being considered.

Representatives of these national concerns have already been in conference several times with members of the Township Committee and the over-all picture is so appealing, as far as the future (Continued on page 2)

State Federation Of Women's Clubs To Sponsor College Day

College Day at New Jersey College for Women, Rutgers University, New Brunswick, will be observed this year on Saturday, October 16. The all day event is sponsored by the New Jersey State Federation of Women's Clubs and is designed to acquaint high school girls, club members, parents, teachers, and friends with the women's college of the State University.

Mrs. Henry Wasung, 65 Woodcrest Circle, is College Day Chairman and is in charge of reservations.

College Day program includes Campus Tours for the high school girls, an organ recital for the clubwomen and other guests, a general assembly, box luncheon, and the Rutgers vs. William and Mary varsity football game. The day will begin at 9:15 a.m. with registration at Jameson Auditorium.

New Jersey College for Women was founded in 1918 in response to public demand created largely by the women of the state under the leadership of the New Jersey State Federation of Women's Clubs. The Federation had initiated efforts towards the founding of a women's college in Rutgers as early as 1911. It is the only State Federation of Women's Clubs in the country to have founded a college and to be officially represented on the Board of Trustees of a State University. Through their many generous gifts, the State Federation of Women's Clubs has aided the college in its building program, has established many scholarships, has appropriated books and furniture, and has maintained a stock of room furnishings for the use of foreign students who are unable to bring such supplies to this country from their homelands.

Each June the campus is the scene of the Citizenship Institute, sponsored by the Youth Conservation Committee of the Federation, when high school girls spend a week studying the various functions of state government. The Springfield Woman's Club each year sends a Regional High School student to participate in the Citizenship Institute. College Day plays an important

part in keeping alive an active interest in N.J.C., giving Federation women an opportunity to see at first hand the strides made during the past years, and serving to clarify college problems in the minds of parents and students. Anyone in the community who is interested in attending this event is invited and should contact Mrs. Wasung by October 11.

Springfield alumnae members of N.J.C. include Mrs. Thomas A. Argyle, 49 Fieldstone dr.; Mrs. Robert Champlin, 131 Bryant ave.; Miss Ruth Dannefelze, 24 Severna ave.; Mrs. Edwin G. Davenport, 42 Edgewood rd.; Miss Joan Kosuth, 36 Windsor Circle; Mrs. Adam La Sola, 15 Country Club Lane; Mrs. John Schwannhasser, 117 Wentz ave.; Mrs. Stevens C. Sperling, 54 Waverly ave.; Mrs. Robert Stefany, 151 Salter st.; and Mrs. Arthur Von der Linden, 97 Colfax Manor rd. Mrs. Adam La Sola is the Fifth District College Chairman of the N. J. State Federation of Women's Clubs.

Postmaster Will Take Over This Saturday

Postmaster Abel V. Del Vecchio will take up his duties as head of the local post office at the start of business this Saturday, October 9, according to information received yesterday.

Postal inspectors will take charge Friday afternoon according to the same source of information, and when their work has been completed, Postmaster Del Vecchio is expected to report to them at the local post office at the close of the day's business for a transfer of the Springfield office.

Postmaster Del Vecchio received his commission and other authorization this week in respect to his taking charge of the post office department business in Springfield. Saturday morning he will assume his duties as postmaster, replacing George M. Turk who has been acting postmaster since the retirement of Postmaster Otto F. Heinz in 1951. The new postmaster was confirmed by the United States Senate on August 20 and sworn in at the Township hall by Magistrate Henry C. McMullen on August 30.

Crestmont To Formally Open On October 23

Transformation of the old St. James Catholic Church wooden structure into an eye-appealing Colonial style building at the corner of Morris and Linden avenues, is nearing completion and will be formally opened as the new home of the Crestmont Savings and Loan Springfield office on Saturday, October 23.

It is now one of the most authentic Williamsburg design of buildings and there is nothing left of the 30-year-old wooden structure except the frame work. Loren F. Gardiner, Crestmont executive, is arranging an elaborate program for the opening of the new savings and loan association office here with the public invited to inspect the new, air conditioned building.

Residents of Springfield and surrounding areas will be able to save in a newly-equipped and specially designed air conditioned building when the new Springfield office of Crestmont Savings and Loan Association opens its doors to the public.

The building, at the corner of Morris and Linden avenues, was redesigned for the association by Alfred Odell Pollitt, Maplewood (Continued on page 2)

Bonadies Shouts Deception; Asks Public Debate

Vincent J. Bonadies, candidate for Township Committee, took off the eight ounce gloves yesterday, charging his opponent, Robert W. Marshall with "deceiving the people of Springfield" and challenging him "to a public debate at any time or place of his choosing."

Following is Mr. Bonadies' statement in full:

My opponent, Mr. Marshall, in a news release to the Sun on September 30, suddenly discovered that "the residents of Springfield are entitled to a clean political campaign based on issues strictly pertaining to the Township of Springfield." He further urges that I join him in subscribing to the clean campaign pledge set up by the senatorial candidates of our respective tickets.

This statement on the part of my opponent, perhaps made for the lack of something more concrete to release, clearly and unmistakably marks him as a follower and not a leader. My opponent who professes to be completely informed on municipal matters knows very well that long before Mr. Howell and Mr. Case subscribed to any pledge, I issued a statement on April 29, 1954, which was labeled as our creed and theme for this campaign. On September 16, I again in a statement to the Sun reaffirmed my previous conduct.

Schaible Oil Buys Mountain Ave. Property

Another landmark—the property on Mountain avenue, adjoining the Railway Valley Railroad, which has been the home of the Union County Lumber Company for a great number of years, has been sold to the Schaible Oil Company, now located at 623 Morris Avenue. John A. Schaible, proprietor of the firm, confirmed the purchase of the property and announced that the offices would be moved to this new location as soon as alterations and improvements are completed.

"We hope to move into the new quarters," said Mr. Schaible, "about the middle of the month. Long range improvements will be made after we ascertain just what we may need. We are planning an expansion program and, in anticipation of the future we have also purchased the property next to ours on Mountain Avenue back to Tooker Avenue."

The Schaible concern is the wholesale distributor in this section of New Jersey for nationally known oil and anti-freeze products. The company was located at 239 Millburn Avenue, Millburn, for 13 years before moving to the present Morris Avenue address in Springfield four years ago. Warehouses are also maintained in Summit and Millburn.

The Union County Lumber Company is now located across the street at 191 Mountain Avenue in a new and up to date building just completed which is conceded to be one of the most modern and best equipped for servicing the lumber and building industry.

Cong. Williams To Appear On Candidates Night Here

Word was received yesterday that Congressman Harrison A. (Pete) Williams, candidate for re-election in the coming election, will be on hand to participate in the annual "Candidates Night" to be staged by the Springfield Chamber of Commerce at the Baltusrol Golf Club Tuesday evening, October 19. Fred B. Shepard, the Republican candidate for this Congressional seat, has also been asked to appear on the same platform and his supporters in Springfield feel confident he will also be present.

The presence of these two Congressional opponents on the same platform in addition to the fireworks expected when Vincent J. Bonadies and Robert W. Marshall, opposing Springfield Committee candidates, should attract a full house. The evening will start with a dinner to be followed by these two feature political battles.

Cong. Williams has been waging an aggressive campaign throughout the entire Sixth District and has many friends in Springfield where a very active Independent for Williams committee has been hard at work in his behalf.

The Chamber of Commerce staged a local Candidates Night prior to last year's election which resulted in one of the most interesting events of that campaign. Both Bonadies and Marshall have been collecting material for this program which again may be one of the high spots of the hot local campaign.

Bonadies Shouts

(Continued from page 1) victory regarding principles governing the conduct of my campaign. I quote from my statement, "The conduct of our campaign must and will be on the highest level, during which we will stand on principles, deal with pertinent issues and facts."

To date we have no such expression or pledge from our opponent Mr. Marshall whose performance in the spring primary election left much to be desired in the direction of a fair and honest campaign waged with truth and facts.

The committee as made up at present is as follows (as time is short and contact with everyone is difficult, anyone desirous of serving should get in touch with the chairman at the above address): Albert G. Binder, Fred A. Handville, Charles Remlinger, Charles Beardsley, Thomas A. Argyle, Karl R. Tallan, Georgia McMullen, Everett Spear, Jean Haas, Raymond W. Forbes, Frank M. Kerr, Elasmbr Worthington, Lewis Macartney, Fred W. Compton, Francis Sammond, Stephen Terrel, Peter McGrath, Lillian Bartholomew, Clifford Zimmer, Richard Horner, Wilbert Laying, Elsie Laying, Gladys Beardsley, John Hoppling, James Duguid, Charles Heard, Howard Christensen, and Charles Huff.

It is imperative that Mr. Marshall be reminded that it is the sworn duty of any member of the Township Committee to reveal immediately charges or acts of dishonesty that may occur on the Committee or in other phases of government. I charge that any such elected official who deliberately withholds information of dishonesty from the public until he feels the time is right is guilty of gross misconduct in office.

I further charge that my opponent is guilty of deceiving the people of the Township of Springfield - if he persists in evading this issue and disclosing the facts of dishonesty which occurred during his administration.

I further charge that my opponent's contention that the questions put to him in my letter of September 22 have been answered is false and is a move to divert attention away from the prime issue of honesty in government.

I wish to assure Mr. Marshall that if I'm in the dark on these matters, then I find myself in good company for the public is also in the dark on the charges of dishonesty during your six years in office. In a letter to the Sun immediately after the primary, Mr. Binder has repudiated your charges and has joined the Township Committee in urging that you come forward with your information. The record is quite clear that the governing body still awaits your pleasure in meeting with them on this matter.

In conclusion, I served notice on my opponent that since he is reluctant to discuss his record in office, we shall expose and bare the facts of Mr. Marshall's six years of do-nothing and say much record. We also serve notice that we challenge Mr. Marshall to a public debate at any time or place of his choosing in a joint venture

Marshall Says

(Continued from page 1) problems. Perhaps he is going to do it with mirrors. As a candidate I feel the voters are entitled to know my views on what I consider to be important issues. I have discussed fully the problems of flood control, tax rate, garden apartments, zoning and water supply.

"But he has been strangely silent about such matters which are of vital concern to this community. He apparently believes that as long as one is a successful businessman and has shown personal interest in civic affairs, that completes the requirements for a township committee seat. Plenty of men have had that background but it had taken them several years to get acclimated to municipal governing board problems."

"As Charles F. Beardsley recently pointed out there is no substitute for experience. It's excellent publicity to talk of vision and foresight. Other Democrats have said the same thing. But it failed to develop when they were elected. Springfield has had previous experience, much to its sorrow, with Democratic promises followed by petulance, procrastination and ultimately pleas for another term."

"For years the Democratic party has been a one-man party. It had no primary contests for U. S. Senator, for Congressman nor for township committeeman. The party heads either are bereft of candidates or the leaders dictate the choice. Contrast this with the open primary of the Republican party. Here in Springfield the Republican party offers a candidate with a background of experience and ability. The people can choose between that and a campaign of promises, grandiose words and illusion," the former Mayor declared.

to bring our views to the public on issues of interest and importance.

Lab Costing

(Continued from page 1) of Springfield is concerned, that very little or no objection is expected in making the necessary concessions.

"The building of a research laboratory in Springfield," said one resident who doesn't want to be identified, "will do a great deal for the future of the Township. We understand they plan a beautiful building, beautifully landscaped and an operation that will cost over ten million dollars - or even a little less - is just the thing that will make Springfield."

North Carolina has an ideal climate and ample average rainfall to make it one of the nation's best grassland farming areas.

The actual 1954 taxes received for the month of September was \$17,549.84 as compared with \$12,034.94 in the same month of 1953. Taxes due for 1953 in the amount of \$39,123 were received during September and there was even a check for \$8.41 for a 1952 payment.

Daily Tells Blertuempfel To Quit County Tax Post

Engene F. Daly, Summit printer, independent Republican candidate for freeholder at the November 2 general election, today wrote an open letter to F. Edward Blertuempfel of Union, his Republican opponent, calling on him to resign his post as a member and president of the Union Board of Taxation. Mr. Daly asks Union's mayor how he can "ethically" hold the county appointive office and still seek an elective office.

The Summit aspirant who has key TC on the ballot, is running on the slogan, "Labor Needs Voice." He has the endorsement of AFL Typographical Union 781 of Summit.

TODAY'S GIRL SCOUTS. TOMORROW'S CITIZENS

Psychologists tell us that the more often we perform a gesture, use a phrase, take a position, the more deeply that gesture, phrase or attitude is engraved on our personalities. That's why it is a heartening thing to know that all over the country millions of girls are repeating a ritual that is helping shape them as effective human beings and as valuable citizens.

What is that magic ritual? Simple! It's the Promise which every Girl Scout repeats after her Pledge Allegiance to the Flag at the start of every Girl Scout gathering or ceremony, whether in homes, in schools, or under the sky. It is an affirmation of faith

and an assurance of effort to live by an ethical code that has guided two generations of American girls. "On my honor," says the Girl Scout, "On my honor, I will try... to do my duty to God and my country... to help other people at all times... to obey the Girl Scout Laws... And as the Girl Scout stands to salute and repeat these Scouts in uniform with her sister Scouts and her adult leaders, she is impressing deeper and deeper into her consciousness a code which will help guide her through life.

What are these Laws which the Girl Scout promises to observe? They are familiar to most of us. They require that a girl should try always to be trustworthy, loyal, helpful, friendly, courteous, kind to animals, obedient, cheerful, thrifty, and clean in thought, word and deed.

The girls who join their young voices in the Promise, the leaders who take the same pledge, are part of our arsenal of defense against those who would divide us and who would cynically try to weaken our faith in the moral principals which have helped make us a great nation. We have much to be proud of in the United States, but nothing in which we can take more pride than our daughters, linked through the simple moral and ethical code of Scouting, who are learning today the lessons that will shape them as the active, contributing, valuable citizens of tomorrow.

The Springfield Girl Scout Council would like to extend a most hearty welcome to all new leaders who will be starting their troops 1954-1955 Scout program next week. They are as follows: Mrs. Charles Mink of 67 Bryant ave., Mrs. H. M. Wasung of 65 Woodcrest circle, Mrs. Gerald Bodner of 69 Meisel ave., Mrs. Robert Marino of 82 Battle Hill ave., Mrs. Henry Brucker of 65 Spring Brook rd., Mrs. Ed York of 17 Spring Brook rd., Mrs. Emil Bontempo of 694 Morris ave., Mrs. Walter Anderson of 46 Lyons pl., Mrs. J. De Azevedo of 54 Salter st., Mrs. Charles Reilly of 50 S.

Springfield ave., Mrs. Roger Shotwell of 536 Mountain ave., Mrs. Wm. Hartz of 74 Spring Brook rd., and Mrs. E. Cooney of 167 Batusrol way. These new leaders are receiving basic training at a course given by Mrs. E. M. Mayer, of Union, each Wednesday night at the Florence Gaudineer School, to run for three more weeks.

Altar Society To Hold Spaghetti Dinner Saturday evening, October 9, is the date for the spaghetti dinner which will be given by the Rosary and Altar Society of St. James Church. Reading Diagnosis Program Oct. 13

On Wednesday, October 13, at 3:30 p. m. there will be presented at the Florence M. Gaudineer School a program concerned with the diagnosis and correction of reading disability. The program will be aimed at all grade levels of the elementary and secondary schools, and various instruments involved will be demonstrated. Included in these are the Wechsler Intelligence Scale for Children, Telebinocular, Audiometer, Ophthalmograph, Metronoscope, Tachistoscope and Rate Accelerator.

E. James Jan Tausch, psychologist and director of reading in the Springfield Schools, will be chairman of the meeting. Parents of children in the local schools are invited to attend.

Although Atlantic City is known to be in South Jersey, few realize just how far south it really is. If Mr. Mason and Mr. Dixon's famous "line" were extended in an easterly direction, the resort would be in the "you-all" section of the United States.

1st Meeting Held By Women's Guild

The Women's Guild of the Community Congregational Church of Short Hills held its first meeting on Tuesday, October 5 at the home of Mrs. Ralph E. Cooper, 101 Knollwood road, Short Hills. The meeting was opened by Mrs. Frederick P. Noelling, chairman of the Board of Deaconesses, and Mrs. H. Othman Smith held a devotional period.

The report of the Nominating Committee was presented by Mrs. Alfred H. Hauser, elections were held and the new officers continued with the business of the meeting. The officers are: Honorary President, Mrs. H. Othman Smith; President, Mrs. Thomas R. Gallagher; Vice President and Chairman of Program Committee, Mrs. Robert V. McWilliams; Recording Secretary, Mrs. Hugh R. MacMillan, Jr.; Corresponding Secretary, Mrs. Herbert D. Tietz; Treasurer, Mrs. Alfred J. Williams.

Mrs. McWilliams, chairman of the Program Committee, announced that meetings will be held the first Tuesday of each month with the exception of the November meeting, which because of Election Day will be held on November 9th.

The general theme for the Guild will be a study of the relationship of the local Women's Guild in the community to the world-wide Fellowship. Programs are planned for November through May and will include several to which well known speakers will be invited. Special announcements of these meetings will be made.

Church Society Inducts Members

There were about 40 new members inducted into the Rosary and Altar Society of St. James Church by Father A. S. Carney on Monday evening. There were 125 women present at the induction and regular monthly meeting.

Mrs. William McAuliffe, president, presided at the meeting and refreshments were served by hospitality chairman Mrs. Louis James, and her committee. A film "Plan For Better Living" was shown by Paul Bentley of Huffman & Boyle of Hackensack.

Regional PTA To Present Variety Show November 5

The Executive Board of the Jonathan Dayton Regional High School Parent Teacher Association has selected November 5 as the night to present "Regional Review," a variety show displaying talent from the six regional communities. The show is being arranged by the finance committee, under the co-chairmanship of Mrs. Ralph Dietz and Mrs. Wilford Twyman. This show is for the benefit of the scholarship fund.

The membership drive is underway and Mrs. Milton Buchbinder, chairman, is preparing envelopes to be sent home with the students, about October 15. The envelopes should be returned to school for the enrollment of the parents.

The program committee have planned varied and interesting meetings for the year using the theme "Planning a Career." The first will be "Back-To-School Night" on October 28. To aid the budget, while refreshments are being served in the cafeteria, a cake sale will be held. Mr. and Mrs. Everett Fay are chairman of the program committee.

Mrs. Harold Danielson of Kenilworth, president of the PTA, urges full cooperation and a good turnout from all for the coming year to make it a very successful year.

At Seton Hall Prep Among the 275 freshmen who have entered Seton Hall Preparatory School for this semester are Herbert E. Heimbuch of 26 Mapes Avenue, Raye H. Reiff of 417 Hillside Avenue and John P. Smith of 34 Crescent Road.

League Of Women Voters To Conduct Drive For Funds

Pre-School P.T.A. Holds 1st Meeting

The first meeting of the Pre-school section of the P.T.A., was held this past Monday night, at the Florence Gaudineer school. The films, "The Terrible Twos and the Trusting Threes", and "The Frustrating Fours and the Fascinating Fives" were received with enthusiasm by the audience. Miss Jean Ginsberg, director of the Playhouse Nursery, in South Orange, led a stimulating discussion pertaining to the films. It was most interesting to note the many ways that the same situation involving a child's behavior would be handled by different parents. It was agreed that distracting the child's attention rather than promiscuously punishing him, was generally most effective.

The committee was delighted with the gratifying number of mothers who attended the meeting, but the committee urge that the December gathering would bring forth a more substantial number of fathers.

Refreshments were served by the hospitality committee at the close of the meeting.

Following is a list of staff members of the Pre-school Group:

Chairman, Mrs. D. T. Stammel; co-chairman, Mrs. E. Andrews; secretary, Mrs. J. W. Phelps; publicity, Mrs. S. K. Freeman; hospitality, Mrs. E. Inley; membership, Mrs. B. E. Henry; telephone, Mrs. E. J. Harbeck; publications, Mrs. G. M. Luedcke and chairman of study group, Mrs. Robert Smith.

Holler-Schenack Nuptials Held

Mrs. Albert R. Holler

The wedding of Miss Doris Marie Schenack, daughter of Mr. and Mrs. George Schemck of 719 Bergen street, Newark and Albert Raymond Holler, son of Mr. and Mrs. Albert Holler of 75 South Maple-avenue took place on Saturday at 5 p.m. at the Emanuel Methodist Church, Newark. Rev. Leopold Schneider officiated. A reception followed at the Veterans Memorial Hall, Hillside.

Maid of honor was Miss Irene Schenack of Newark, sister of the bride and Miss Sharon Yeske of Elmwood, Conn., cousin of the bridegroom. The bridesmaid, flower girl and ring bearer were Evelyn and George A. Schenack of Newark, sister and brother of the bridegroom. Ralph Holler of Springfield, brother of the bridegroom, was best man and the ushers were another brother, Richard Holler of Springfield, James Kraus, cousin of the bride, of Parsippany and Robert Van Winkle of Plainfield.

The bride's gown was of white satin and she wore a finger tip veil. She carried a bouquet of white gladiolus and orchids. The maid of honor wore an aqua blue satin gown and the bridesmaid wore a fuchsia satin gown. They carried bouquets of white gladiolus and red roses. The flower girl also wore fuchsia.

Mrs. Holler is a graduate of Weequahic High School, Newark and is employed as bookkeeper and secretary for Sater's Rug Co. of Newark. Mr. Holler is a graduate of Regional High School and is a member of the National Guard of Westfield. He is with Newark Specialty Co., of Newark. After a two weeks' wedding trip to Canada the couple will reside in Irvington.

League of Women Voters Attends Westfield Forum

A great number of members of the Springfield League of Women Voters and many from the Township not affiliated with the organization, attended the candidates' forum sponsored by the Union County Council of the League in Westfield Tuesday night and heard the three aspirants for Congress

the Newark News, described Mrs. Multhaup's painting as "a rapturous restatement of the mother and child theme. The difference lies in the scraped, opalescent areas of color, which are softy-toned. 'First-Born' is deservedly titled: 'First-Born' is deservedly one of the dominant pictures in the show."

in the Sixth Congressional District, air their views from the same platform.

Congressman Harrison A. (Pete) Williams, the present incumbent, Fred E. Shepard, the Republican candidate, and Harry W. Mopsick, the Independent of Linden, were asked to discuss important issues.

Both Mopsick and Shepard declined to answer several questions from the audience but Cong. Williams eagerly discussed all phases of the issues and appeared to satisfy the questioners from the floor.

Both Williams and Shepard agreed that this country should not withdraw from the UN if Communist China is seated but

the former said that this country should use every parliamentary maneuver to keep the Red Chinese from getting a seat in the UN. "This country," said Cong. Williams, "must retain its membership as the United Nations is the final hope we have for establishing world peace."

The Union County league includes Springfield and the Township was well represented at the Westfield open forum Tuesday evening.

Expect Word Soon On Special Stamp

Word is expected this month from the office of the Postmaster General in Washington that authorization has been given for a commemorative stamp to be issued in connection with the elaborate plans being made for the observance of the 175th anniversary of the Battle of Springfield during June of next year. Magistrate Henry C. McMullen, President of the Springfield Historical Society, who requested the special stamp to help mark this historic date, said he was quite confident the Post Office Department would include Springfield as one of the half dozen authorized each year.

"There have been no definite promises," said Mr. McMullen, "but we have many friends here and in Washington looking out for Springfield and October is the time the selections are made. The local Church and Cannon Chapter of the D.A.R. is giving whatever aid it can. Freeholder Albert J. Benninger is doing what he can through people in high places in Washington—and the Township Committee has gone on record as favoring such a stamp. Springfield's place in the history of our nation deserves this honor—especially next year when we observe the 175th anniversary of one of the important battles of the Revolutionary War."

Permission has already been given, it is understood, to use Dunsmore's famous painting of the Battle of Springfield, the original of which hangs in the historic Fraunces Tavern, Broad and Pearl Streets, New York City, and is the property of the New York City Sons of Revolution.

If weeds get too much of a start in the garden and grow maybe a foot high, it's usually better to cut them off than to pull them. Pulling up weed roots may destroy plants in the row. Weeds are a lot easier to handle when they're young.

Local Artist Wins In Jersey Showing

Mrs. Merrel (Robert H.) Multhaup of 25 Lyons place was among the winners of paintings at the New Shrewsbury's First Annual Jury Show at the Old Mill Gallery at Tinton Falls in South Jersey on Friday, September 24. The jury members were Marshall Simpson, Raymond Mintz, Thomas T. K. Frelinghuysen, Lajos Markos, Geza de Veigh and Michael Lenson. Of the 150 artists who submitted their paintings to the jury, there were 60 accepted and the pictures were promptly hung. Mrs. Multhaup won second prize for her painting, "First-Born."

Local Residents Help In New Fabric Development

Several Springfield residents, employed in the research laboratories of the Celanese Corporation of America, Summit, took a very active part in the development of a new man-made fiber called Arnel which was previewed this week and given to the nation. One of those responsible for enlisting the personnel of this startling development is Joseph A. Berg who lives at 545 Morris avenue in Springfield and is head of personnel administration at the Summit Celanese plant.

The Rev. Bruce W. Evans, minister spoke on "Opportunity Knocks Twice." There was also special music by Mrs. William Stewart. Mr. Stewart has sung with the Hall Johnson Chorus and with the DePaul Infantry Chorus. He is a tenor and will sing negro spirituals.

CATHOLIC FORUM

"Look at that waitress fussing herself!" "Some lightning!" remarked Jim from across the table in the golf club grill. "And look, will you, at that waitress crossing herself. I suppose that weird sign will keep her from being struck—poor superstitious creature."

"That weird sign," I answered, "has a history." "Let's forget the waitress for a moment and go back 1900 years to a sunny day in Rome. Look carefully at that old Jew standing by the side of the Apollon Way. Isn't he too making that same weird sign? Yes, but a bit more secretive—just on his forehead or breast. Romans passing by—some spitting at that old Jew, others jeering at him. But here!—one Roman has stopped. He is stepping toward the Jew. Hat—he too is making the weird sign—the Sign of the Cross, by which one Christian knew another and so could, with less danger, communicate about Masses or other important events."

"When Rome became Christian, no longer was there need of secrecy; but always there has been, and always there will be, need of faith in the Cross of Calvary on which the God-man died for you and for me. And so the Sign of the Cross has lived down through the ages—the same sign except that it is now made conspicuously with the fingers of the right hand which outline the cross from the forehead to the chest and from the left shoulder to the right. As this sign of faith is made, the following words are spoken: 'In the name of the Father, and of the Son, and of the Holy Ghost,' and act of faith, also in the great mystery of the Blessed Trinity."

"All over the world Catholics begin and end their prayers, with the Sign of the Cross, which we call 'blessing ourselves,' because we are sure so beautiful an act of faith brings down Heaven's blessings upon us. In the Mass, in the Administering of the Sacraments, and in most all prayers and ceremonies, the Sign of the Cross is made many times. And we Catholics are proud of it because it is, like many of our time-hallowed customs, symbols, and ceremonies, pregnant with meaning, devotion, and humble faith."

"So let the little waitress bless herself whenever the lightning flashes; for remember that an all-hearing God must hear her plea and that an all-powerful God can stop a storm today on a golf course just as readily as He stopped a storm another day on the sea of Galilee."

If it's anything Catholic, ask a Catholic!

CYO Harvest Festival At St. James Is Big Success

The first CYO Harvest Festival held at St. James Church on Saturday of last week was a huge success. The weather was nice and there was a wonderful turnout of Springfield residents and also neighboring townsmen. The festival opened with a bang at 1 p. m. With all the booths ready for business, Aunt Gemma arrived and received the keys of the grounds from Father Edward, CYO Director. After visiting several booths, she later presided over one of her famous pancake suppers.

Mrs. Alfred Meslar and her hard working committee, who had planned on 250 persons attending the supper were pleasantly surprised to have almost 400 persons attend, making the famous supper the most popular event of the day. Mrs. Meslar wishes to thank everyone and hopes that next year will prove another thrilling event. Chairman Mrs. Leo L. Andrew, Jr., wishes to express her sincere thanks to the children and adults whose efforts made it possible for the success of the first festival. Special thanks to the Girl Scouts for their kindness in loaning their booths; to the Board of Education for the use of the Florence Gaudinier School grounds for parking cars; to the Springfield Radio and Television for the use of the mobile unit; to Officer Thomas Kennedy for his fine protection; to Bill Jensen for all the beautiful signs and posters announcing the coming festival and games; to the Springfield Sun for its publicity and to the group of persons who worked so hard on the grounds and at the booths.

The following were the helpers: The Mesdames R. Taffee, Arthur McDevitt, Herman Trimbarn, Kent Cooper, A. Wuestman, Philip Del Vecchio, V. J. Tuma, M. Patten, Sr., George Graziano, Louis James, A. J. Woman's Club News

The Women's Literary Club of Bound Brook will be the hostess club at this year's Fifth District Fall Conference to be held Tuesday, October 16 at Middlebrook Country Club, Mountain Ave. at Wanaeta Dive, Bound Brook.

Fifth District Vice-President, Mrs. Stanton H. Davis, of Plainfield, will preside over the all day conference. The morning session, beginning at 10:15 a.m. will feature an address, "Man's Apology," to be delivered by Mrs. William H. Dunn, Garden and Conservation Chairman, and also brief forecasts of plans for this year which will be given by Fifth District Chairmen of the various departments.

Luncheon will be served at the Presbyterian Church, one block from the club. After lunch, the conference will be resumed at the Country Club beginning at 1:30 p.m. Mrs. Richard D. Hudson, N. J. State Federation Treasurer, will speak on the topic, "Figuratively speaking." Mrs. Peter E. Pall, Chairman, Evening Membership, will have as her topic "From the Same Bolt." Southern Vice-President, Mrs. B. Frank Stratton, of Trenton, has chosen "A Little Candle" as her topic for an address. Musical interludes will provide pleasant moments of relaxation.

All members of the Springfield Woman's Club are invited to the Fall Conference. The cost of luncheon has been set at \$1.65. Mrs. George Rau, 36 Beverly Rd. is in charge of reservations which must be received by Friday, October 15.

A plant exchange and the choosing of flower containers were enjoyed by members of the Garden Department on October 27 when they met at the home of Mrs. Henry Wassung, 65 Woodcrest Circle. Mrs. William Mojais, Mr. Leslie Kroeger, and Mrs. Howard Sherwin were co-hostesses for the evening. Under the leadership of chairman, Mrs. Christian Anderson, the girls are greatly enjoying their new activity. Mrs. Joseph Zidonik, a department member created several lovely planters or flower containers from which the other members could make their selection. Mrs. Zidonik will supervise the painting and firing of the containers at the next meeting of the department on October 18.

The reading of several plays will provide the program for the next meeting of the Drama Department on Monday, October 11, at the home of Mrs. William Geitz, 487 Meisel Ave., at 8:00 p.m. Co-hostesses will be Mrs. John Bradley and Mrs. Edward Porter.

As its theme for this year, the Literature Department has chosen "Famous American Men." Department members will present biographies of famous Americans at each department meeting. At their first Fall meeting, October 11, members will hear Mrs. Lemuel Stevens review the life of General Douglas MacArthur. Mrs. Stevens has chosen for her bibliography "The Riddle of MacArthur" by John Gunther and "Douglas MacArthur" by Clark Lee and Richard Henschel. Mrs. J. W. Phelps is Chairman of the Literature Department. Hostess for the first meeting will be Mrs. Frederick Mitchell, 21 Woodcrest Circle.

Mrs. Henry Ostrom, American Home Department Chairman, announces plans for the department meeting on October 12 at the home of Mrs. Paul Weic, 21 Salter Place, Maplewood. Mrs. Carl Ledig and Mrs. Charles Miller will serve as co-hostesses for the meeting. At this meeting, department members will choose names of Springfield children obtained from Miss Florence Gaudineer for whom they will assemble a Christmas package. These packages will be

distributed by Miss Gaudineer at Christmas time and will contain an article of clothing and a Toy Department member's "pool" their materials and talents in making these gifts so that "Christmas Gifts" is really a department project.

Another interesting project will be undertaken by the American Home Department this year. Members will begin embroidering their names in gold thread on a green linen tablecloth. The finished cloth, in our club colors, will be exhibited on Hobby Night next May and will also be used at the department's annual party during the same month.

Once again members of the International Relations Department will treat themselves to a wonderful International Cuisine. Dinner to be held on October 14 at the home of Mrs. Herbert Bailey, 37 Keats Road, Short Hills. Last year's dinner was so highly successful, department members are planning to include guests at this dinner.

Music Department members are doing some serious rehearsing for this year's Christmas program. Once again, Mrs. William Osborne, supervisor of music in the Springfield Public Schools, has volunteered to direct the chorus, and under her very capable guidance, the Music Department is sure to present a most impressive and delightful program. Mrs. Vincent Bonadies is department chairman and Mrs. George Lancaster is piano accompanist. Next meeting will be October 14, at the home of Mrs. John Williams, 11 Lyon Pl., 8:00 p.m.

Do you know of any club member who has not yet received a Yearbook? If so, won't you please contact Year Book Chairman, Mrs. Charles Miller, 216 Milltown road, or call MI-6-4283-M, and let her have the person's address so that the yearbook may be sent without further delay?

Chairman of the Ways and Means Department, Mrs. Robert Hamilton, has announced that postal cards will be mailed to each club member regarding the Desert Card Party to be held on Tuesday, November 9, at Koos Bros., Rahway. Keep your card handy so that you will remember the date and time which will be from 1:00 to 4:30 p.m. Mrs. Louis James, 135 Pitt road, is chairman of this event and is being assisted by Mrs. George Wilson, 291 Northview Terrace, as co-chairman. They hope to have the support of the entire club membership with this first project, the proceeds from the sale of tickets benefitting the scholarship

fund. The card party is not limited to club members so why not plan to invite your friends and neighbors? Tickets may be secured from Mrs. James, Mrs. Wilson, or from any members of the Ways and Means Department.

The Art Department held their first annual meeting Monday, October 4. A large crowd of busy, happy girls worked at their ceramic painting project and are impatiently waiting for the firing results. The completed results will be delivered at the next regular meeting.

The project for the November 1st meeting will be Jewelry. The various types of jewelry pieces to be made were selected.

Committees were set up for handling the Third Annual Outdoor Art and Handcraft Exhibit which will take place Saturday, October 23, and Sunday, October 24 on the grounds of the Springfield Public Library. Hours for the exhibit will be from 10:00 a.m. to 4:30 p.m. Entries for the exhibit are to be brought to the library on Friday, October 22 between the hours of 9:00 to 5:00 p.m. and 7:30 to 9:00 p.m. A charge of twenty-five cents for each piece exhibited will be made. Further news on the subject will be published in the next edition of "The Springfield Sun."

The first meeting of the Fine Arts group of the Art Department will take place Wednesday, October 13, at 8:00 p.m. at the home of Miss Gertrude Sola, 468 Morris Ave. Miss Sola will have charge of the Fine Arts group. She will compose a still life to be sketched. All those who wish to participate please bring charcoal or soft pencil and a sketch pad.

It was decided that all proceeds from dues, exhibits, etc., will be used for an Art Scholarship Fund for the Florence Gaudineer graduating class of 1955.

Argyris' Add Another!
Mr. and Mrs. Thomas Argyris of 49 Fieldstone Drive announce the birth of a baby boy, Philip Thomas, born at Beth Israel Hospital on September 24. Young Philip will have plenty of playmates right around his own home. The Argyris' have three other boys—Archie, 12; Chipper, 7, and Thomas, Jr., 4.

LOCAL COVER GIRL—Deborah Ziegler, 17 months, daughter of Mr. and Mrs. Robert Ziegler, 120 Edgewood avenue, is currently featured in a national magazine. Her photograph appears in the October, 1954, issue of the Book House for Children magazine, "Your Child's World," published in Chicago. The caption printed under her picture in the magazine reads: "Here is little curly-haired Deborah Ziegler who is 17 months of age. She and her toy dog are all set for mother to read that good-night story. Deborah looks much more interested than the dog, doesn't she?"

Christian Science Lecture
The power of scientific Christianity to heal sickness and bring freedom from fear and other evils will be the topic of a public lecture to be delivered in Summit today, by John J. Selover of Long Beach, California.

Mr. Selover, who is a member of the Christian Science Board of Lecturers, will speak under the auspices of First Church of Christ, Scientist in Summit High School Auditorium at 8:30 p.m. His subject will be "Christian Science Fulfills God's Healing Promise."

An authorized public practitioner and teacher of Christian Science, Mr. Selover practiced law in Long Beach from 1928 until 1941. In that year he was appointed Christian Science Committee on Publication for Southern California, and since then has devoted full time to Christian Science activities.

Navyman Home On Leave
Donald S. Knowlton, USN, was home on a two weeks leave from Baldrige, Md., where he recently completed his boot training. Donald is the son of Mr. and Mrs. C. Stuart Knowlton of 16 Tulip road. He arrived home on Thursday last week, September 23. He was a graduate of Regional High School in June of this year and entered the Navy on June 28. At the completion of his leave Donald reports back to Bainbridge for further orders.

Kol Nidre Services Are Observed Here

Very impressive Kol Nidre services were held last night by the Jewish Community Group in their new house of worship on Baltusrol Way, joining the Jews throughout the world in the observance of Yom Kippur, the Day of Atonement. Starting at sundown yesterday this solemn holiday in the Jewish calendar continues until sundown today with all day services having begun at 9 o'clock this morning.

Rabbi Louis Feier conducted the services with Irving Kramer as cantor. Today marks the end of the High Holy Days which started with Rosh Hoshanah at sunset September 27.

This is the first time that High Holy Day services have been held in the new home of the Springfield Jewish Community Group which was formerly the Chateau Baltusrol. The chapel was filled to capacity and all those attending were very impressed with the inspiring services for Kol Nidre last evening.

Charter Study May Be Started Here

A resolution to launch a preliminary charter study in Springfield was passed at an interesting and well attended meeting of the Springfield Civic Alliance held last Wednesday at the residence of David Stammelman, who is president of the Baltusrol Civic Association. The Civic Alliance is made up of representatives from all civic groups in the Township and the subject of a charter study met with immediate and enthusiastic response.

A committee will be appointed, according to the sponsors of program, to make a survey and bring in a report on the possibilities of further exploring this matter.

A letter was also addressed to the Township Committee concerning the many increasing traffic problems confronting Springfield. The letter specifically requested the Township to investigate the traffic situation at the corner of Henshaw, Mountain and Oakland avenues, at Hillside and South Springfield, and the congestion of traffic adjacent to the road stands located on South Springfield avenue.

In the nine years from 1847 to 1856 on a 10-mile stretch of beach near Atlantic City, more than 60 vessels became grounded on the shore, five of the 69 during one night.

SUNNING SPORTS

By BOB DUBOW

After a fine opening game Regional's Bull Dogs, although favored over Morrystown, bowed to the Colonials by a score of 13-0. In their initial contest the Regionals displayed a strong and powerful offense but in their last encounter their play was extremely ragged.

The team that they faced in mine and many other unbiased opinions was anything but superior. Both teams battled evenly defensively and offensively except for an intercepted lateral and an intercepted pass both leading to Morrystown scores.

The contest started out with Morrystown kicking to Regional. The Bull Dogs took the ball deep in their own territory and immediately obliged the Morrystowners by fumbling. Fortunately the defensive team held true to form stopping anything that could be thrown against them. The first quarter ended with a 0-0 score.

The second stanza proved to be a nightmare for the Bull Dogs as they just couldn't do anything right offensively, and finally the Morrystowners pulled an interception of Richie Walker's lateral and tallied 5 points on the 40 yd. run back. The kick for the extra-point was wide.

The second half of the contest seemed to be an exact replica of the first, with the two eleven's battling evenly in the first stanza and the Morrystowners scoring in the second on an intercepted pass.

Highlighting the last period was a touchdown drive started by the Bull Dogs, deep in their own territory and ended by the clock which also ended the game at that time. Feature play of that series was a dramatic 21 yard pass to Joe Gallini just as the game-ending gun sounded.

STATISTICS

Regional-fumbled 7 times to Morrystown's 1, and was penalized 25 yards to the Colonials' 0. One good thing of this contest was the return of veteran quarterback Art DeBlasio. Art called only a few signals but did fine after his long lay-off.

In spite of the poor contest I am sure that the Bull Dogs will rebound with a booming victory over a tough Somerville club. This Saturday's contest will be played at the locals' home stadium which is the Melsel Avenue field.

St. Stephens To Hear Rev. Stark

Right Rev. Leland Stark.

The Right Rev. Leland Stark, D. D., Bishop Coadjutor of the Episcopal Diocese of Newark, will be guest speaker at the first Fall Fellowship meeting at St. Stephens, on the Episcopal Church, Millburn, on Saturday evening, October 10th, at 8 o'clock according to Dr. Thomas C. Kienle, vestryman in charge of Fellowship activities. Bishop Stark, who was consecrated Bishop Coadjutor in June, 1953, was formerly rector of the Church of the Epiphany in Burlington's capital, where he was active in various community endeavors, and particularly prominent in interdenominational church work.

3-Way 1st Place Tie In Local Bowling League

Bunnell Brothers and the Community Shop won three games each from Cuzzolino Furs and Clare Plastics in this week's league and are now in a three-way tie for first place with Frank's Auto Service.

Frank's Auto lost ground by losing two games to Shup-Rite, while the American Legion took all three from Suburban Liquors. Regional Sweet Shop got the odd one from Cameron Tydol and Anderson and Son won three from Suburban Five and Dime.

Red LaPierre of the Community Shop team was high man with

games of 183, 203 and 210 for a 596 series. Highest single game honors went to George Schwert's 222. Other high games included Jaquin, with a 207, Lawn 205, Bob Bannell 203, H. Burdett 203 and Bobby Bataille 201.

Roy M. Jacobus of Union, Northern District Training Chairman and Harry Holder, Jr., District Cub Training Co-ordinator announced that the Cub Leaders Basic Training program will get

Committeemen and Parents are invited to take part in this Training Course.

The first meeting of Cub Pack 172 was held last Friday at the James Caldwell School. Mr. E. Clark, district Boy Scout commissioner, spoke to the cubs and their parents.

Mr. V. Bracht, cubmaster, indicated a new den and also stressed the need for parent-son relationship in Cub scouting. The new den mother is Mrs. C. H. Wolf and her cubs will be: Edward Billings, John Heller, Ted Hellman, Thomas Lucy, Billy Steinen, Thomas Toukin, Philip Ylt and Charles Wolf. Mrs. O. A. Cooper will be the new den mother of Den 2.

There is an urgent need for additional den mothers and assistants. Anyone interested can contact Mr. V. Bracht.

Pack 171 held its first pack meeting of the season at the James Caldwell School. Friday, September 17, Cubmaster Frank Heller was very pleased to welcome into Pack 171 19 new Cubs and five new Den Mothers and one new Den Dad. The new Cubs with their parents took part in an impressive induction ceremony. The new Cubs were Fred Brown, Tommy Niesz, Jimmy Mullin, Lloyd Shaeffer, Paul Sore, Ernest Fuhrer, Richard Humphrey, Douglas Kappstatter, Bruce Ledig, Daniel Maudling, Robert Miller, William James, Charles Morrison, Karl Roetger, Joseph Shipka, Booy Haas, Ronald Gargano,

Donald Schoenleber, and Dale Sward.

The new Den Mothers were Mrs. Eleanor Seltzer, Den 9; Mrs. Stella Morrison, Den 7; Mrs. Myrtle Schoenleber, Den 12; Mrs. Rose Miller, Den 4; and Mrs. Helen Niesz, Den 3. They were all presented with Den Mother pins. The new Den Dad was Anthony Verlangieri for Den 2.

Cub Scout Tom Conlon who played the piano for the Cubs added much to the music end of the program.

The boys enjoyed an evening of games which was ably supervised by John Niesz, Adolf Sism and Anthony Verlangieri.

Union Council-B.S.A. Northern District Committee, had its first

meeting of the Scouting Season last Monday night at the Scout office in Elizabeth.

The meeting was called to order by "Bill" Jensen of Springfield, the newly elected District Chairman, who stated that he had full confidence in the well organized committee, and could look forward to an active Scouting season which would serve to mold all Northern District into a real family of Scouting. He also urged that more I. R. and Members at large come out to the meetings.

Ed Clark District Executive gave a resume of summer activities and spoke on the progress of the 1954 goals, he also presented a special program on Exploring, with the aid of visual slides.

State Facing Dust Bowl Era, Conservationist Says

The Garden State may become a "dust bowl state" unless long-range planning is developed and immediate action taken against water shortages and drought, Dr. Joseph E. McLean, Commissioner of the New Jersey Department of Conservation and Economic Development declared this week.

Commissioner McLean said many municipalities are already experiencing the pinch of water shortages, although the current dry spell is of relatively short duration compared to those that have occurred in New Jersey in the past.

Water reserves in most systems are insufficient to cope with long dry periods. "Every individual in the State needs to become water conscious," McLean said, "so that water will be used sparingly and not wasted."

The problem, as the Department of Conservation and Economic Development sees it, is that the development of additional water supplies in the State has barely kept pace with the expanding population and demand even when rainfall is normal. There is little reserve water to sustain the state when rainfall is below normal, and, of course, there is no way of foretelling the duration and severity of drought.

Floods, Droughts Linked

That floods and droughts go hand-in-hand is apparent from recent news stories and is confirmed by Dr. Thurlow C. Nelson, chairman of the State Water Policy and Supply Council. Dr. Nelson points to record floods in Paraguay, the State of Iowa, and to the Rio Grande and Danube Rivers. At the same time he says, new dust bowls are forming in Colorado, in parts of the Middle West and in our own Garden State.

Thus far, he adds, New Jersey farmers with irrigation systems and adequate water sources are suffering relatively light drought damage, but other growers see their crops withering in the fields. City dwellers watch their lawns and shrubbery die as water restrictions increase.

50-Year Drought

Dr. Nelson recalls that in 1940, geophysicist Halbert P. Gillette predicted that the dry weather that began in 1930 would continue for 60 years with minimum rainfall due from 1954 to 1956. The year 1953 closed with a considerable deficiency in the last months, while 1954, to date, has been the driest in the New York-New Jersey area since weather records began. Nelson adds, "If Gillette's predictions for the period 1954-1956 continue to be realized in the months ahead as accurately as they have been during the first half of 1954, many areas of New Jersey will suffer the most severe water shortages in their history."

Recommendations for immediate measures include: a water consciousness on the part of all residents to use water sparingly

and stop waste. In the most critical areas, the water conservation measures used in 1949 should be instituted again. Full use of existing interconnections between water supply systems should be made wherever possible so that any surplus waters can be made available to those systems in greatest need.

Land for watersheds and reservoirs should be acquired as quickly as possible. The Wharton Estate in South Jersey and the Round Valley Reservoir site in northern New Jersey are specifically recommended.

10-Year Build-Up

The long-range planning, which in many respects is even more urgent than the current measures, Commissioner McLean believes should be underway at once. "It takes at least 10 years before any water is available for a major reservoir," he explained. "At the Wanauke Reservoir, put into operation in 1931 and meeting a vital need, preliminary planning was underway in 1916 and construction started about 1920."

The Commissioner refers to State Water Policy reports in past years which stressed the great lack of storage in New Jersey and the State's immediate problems: the necessity of increasing storage through retention of flood waters. During one flood in late 1950 and early 1951—and only a year after the extreme drought of 1942—records show that enough water passed the official State gaging station on the Raritan River at Manville to have filled Wanauke and all the reservoirs of Newark, even if each started as a completely dry basin. But instead of being able to conserve this water, it rushed uncontrolled to the sea. If such waste is allowed to continue, in the next few years, New Jersey may indeed fulfill the scientists' predictions and become another dust bowl."

Basques on the French-Spanish border have netted pinecones commercially for generations. Each fall thousands of the birds fly through a narrow Pyrenean pass enroute to the Mediterranean. Hunters stretch their nets across the narrow pass.

SCHOOL NEWS

JAMES CALDWELL - School News
September 24, 1954

Kindergarten

Mrs. Anne Bean
Mrs. Dolores Webber
The other day as we were walking into James Caldwell we heard one of the kindergartners say impulsively "an older child." Now I go to school, I could add I paint and I "squish" things out of clay. The babies of yesterday have become school children and they feel the biggest in this step in their growing up.

Grade One

Mrs. Orla Corby
Mrs. Vola Hannan
Mrs. Mary Edna Snyder
How exciting it is to begin first grade! Now we come to school all day and the serious business of learning to read and write has begun in earnest. We have all learned to write our names and many of us have mastered our first words in reading. We look forward eagerly to the day when we will bring home the first book to read to Mother and Father.

Grade Two

Mrs. Audrey Shaffer
Even though we had a wonderful vacation everyone was glad to come back to school. The boys and girls brought in many plants to help make our room cheerful. The class has already learned the names of these plants. We also brought our favorite books to school and put them in our class library. Our science table now has a large collection of rocks and sea shells. We have learned so many interesting things about them. There are also two seasons on our table. We are all wondering what will come out of the cocoons.

Grade Three

Mrs. Patricia Brunetto
So many third graders have become interested in animal life! The boys now have five gold fish, nine puppies, and three cowfish. We worked hard on our study of cotton and silk. We drew maps to show where cotton is grown and where the most silk is produced. We saw cotton cloth from China and a roll from Japan dressed in hand painted and hand sewn silk material.

Grade Four

Mrs. Mabel D. Stearns
The children of Mrs. Stearns' third grade class have begun their study of the American Indian. We want to learn how the Indians were dressed, what kind of food they ate, and how they lived in, and how they used to work and play. Many of the children have brought in Indian objects which we have had on our display table. We have had Indian jewelry, dolls, canoes, paper, several peace pipes, a war club, and many other interesting things. We want to learn about weaving and making Indian drums and masks.

Grade Five

Mrs. Isabel Hurff
We are very happy in the attractive room of our new school. After a tour of the building we can now find our way to Miss Gaudin's room, Mrs. Forsyth's office and to the gym for lunch and assembly. We hope to visit the pathhouse soon. The bus trip, too, is fun! The following people were elected class officers for this year: Mrs. Forsyth, Leader, Diana Eger, Attendance, Helene Ray, Paper Monitor, Allan Yablonsky, Money Keeper, Betty Watkins, Nils Shapiro, Walter Witt, and Fred Terry.

Grade Six

The School Safety Patrol has been organized by Mrs. Forsyth, our school principal. Its members are helping our school to run smoothly and safely. They keep our playground safe and well organized. They help the children pass into the building and on the playground safely and quickly. They deliver messages for the teachers and the office. They see that all doors are locked and locked. They look and unlock the doors at the proper time. They check the basement to make sure they are clean and neat at the beginning of each session. At their weekly meetings they discuss our problems with Mrs. Forsyth and together try to solve them. They also keep a record of our activities. The patrol members chose Angela Molyneux and Tuffy Hariz captains for the first six weeks. Mrs. Forsyth is the sponsor. The other members are: Gail E. Edward Mowry, Cynthia Beardsley, Georgia Bess, Larry Cohen, Hank von Linden, John Strub, Billy Trapp, and Edna Ray. Bob Kirk, Judy Skonkiewicz, Jim Crowley, Susan Hale, Garry Benko, Joan Ryder, Bob Baker and Raymond W.

Kindergartners

Mrs. Dorothy Chandler
Miss Margaret Hergenhan
We were happy to welcome our children to Kindergarten. We have had a very busy first week. We have explored the school. We took a walk around the building and on the playground. We are studying safety to and from school. We have made pictures of policemen and firemen. We have had our first nature experiment. Vernon Rondani brought a small oak branch with acorns on it to school. After we had talked about it, we saw a small oak tree growing on the school lawn. Arlene Marvito, Linda Rosenberger and Stanley Roll brought in celery to do another experiment. We saw how plants get their food.

Vacation days are just behind us, not really, but our room makes us think so. We made pictures of what we did during the summer and decorated our room with them. When we look around we almost believe we're still at the seashore. We also drew pictures of ourselves and our classmates. It's nice having a desk to ourselves with our crayons, scissors and our very first book. We are helping us to read. Our number books are fun too. We count pigs, chicks, birds, cherries and carrots. We're certainly very busy. The following boys and girls are new to our first grade. We are glad to have them. They are: Elizabeth Walsh, Alan Schell, Lewis Gark, John Diefenbach, Charles Martin, Wyszokowski, Steven Biegel, Carol Frenner, Barry Palmer, Sanford Braverman, Kathryn Strauss and Michael Zidonic.

The third grade of the Raymond Chisholm School welcomed the following new people to Springfield and to our school: Adrienne Marder, Richard Strauss, Dennis Puorro, Maureen Bell, Arnold Miniman and Steven Goldman. There are more in the third grade than ever in the history of this school.

Grade Three

Mrs. Lillian Gushin
The fourth grade was very busy traveling with their class to their favorite vacation spots. The following items were on display from many parts of the United States: 1. Indian Doll, from Maine. 2. Shells from Seaside Heights and Florida. 3. Cotton from Virginia and North Carolina. 4. Tobacco leaves from Virginia. 5. Photos of the Seminole Indians. 6. Photos of the Casa Loma in Canada. 7. Photos of Skyline, Dive and Cay-catch. From our exhibit has stemmed the desire to learn more about our country, its climate and its products.

Fireside Group To Hear Missionary

The Fireside Group of the First Presbyterian Church will hold a "Favorite Dessert" meeting on October 13 at 8 p. m. under the direction of the president, Mr. Roger Shotwell. The Rev. Howard D. Hannaford, D.D., Presbyterian missionary from Japan, will be the guest speaker at this meeting. Dr. Hannaford is acting executive secretary of the Interboard Committee for Christian work in Japan. Before assuming this responsibility in New York, Dr. Hannaford had been a missionary in Japan for 38 years.

When Dr. Hannaford first went to Japan he was stationed in Kyoto, and later he went to Tsu for special evangelistic work and country itineration. In 1921 he was transferred to Tokyo to teach in Meiji Gakuin, and in the Oral School for the Deaf, both union institutions. He was also active in the work of the church, and in the hospital for lepers. Following Pearl Harbor Dr. Hannaford spent more than a year in a Japanese internment camp, and was repatriated in 1942. For the next few years he taught in Aleppo College in Syria, but in 1946 he returned to Tokyo, and immediately resumed his teaching at Meiji Gakuin. Dr. Hannaford is an accomplished organist, pianist and singer. In 1939 he received an honorary degree of Doctor of Divinity from Cedarville College, Cedarville, Ohio. He is from St. Louis, Missouri, and is a graduate of Wittenberg College, Springfield, Ohio, and of Auburn Theological Seminary, Auburn, N. Y.

Democrats

(Continued from page 1) ing of Newark to produce electronic equipment. The result as reported by the Springfield-Sun of December 27, 1951, is as follows: The Township Committee on December 26, 1951, failed to pass an ordinance rezoning from Class A residence to industrial, 63 acres on the south side of Route 22. The vote ending in a 2-2 tie with Mayor Marshall not voting was received as a shock to the audience since no protests were made. The purchasers of the land indicated the entire move to Springfield would be dropped as the result of the committee's attitude. "We quote directly from the Sun, 'Just a few minutes before the rezoning question came up Mayor Robert Marshall turned the chair over to Handville reportedly stating he had splitting headache. A five minute recess was declared when it appeared a tie vote was developing in order to find Marshall. But the Mayor had disappeared completely.' 'This is the record and Springfield had the headache ever since because of Marshall's indecision and lack of vision. 'Contrast if you will the strong forthright approach of the Democratic Candidate, Vincent J. Bonadies. During the 1953 campaign, Mr. Bonadies advocated the immediate appointment of an industrial commissioner and a commission of business men to exploit and promote the industrial development of Springfield. It is significant to note that Mayor Binder appointed an industrial commissioner during the early part of this year. Bonadies further pledges a program whereby industry will no longer bypass Springfield-for-towns-around us but will be welcomed to locate in the proper areas of the town without the need for spot-zoning. As an industrial executive Bonadies has first hand knowledge of the needs of industry and is well equipped to sit with industrial representatives and discuss these needs. 'Our opponent now claims he'll sit with Republican Assembly Representatives in an effort to gain state school aid for our local schools. There has been for six years during which time both Senator Hand and Republican Assemblymen have been available. Five years during which he as Mayor was in an enviable position to approach these people and get results. But the do-nothing say-much doctrine continues for our opponent. 'In contrast our candidate, Mr. Bonadies pledges the support and cooperation of a Democratic Governor in Trenton and his willingness to discuss our problems with him. 'Our opponent now paints a rosy picture of flood control through county and state aid. Again there has been for the last six years. Again we hear the tune of lip service but no action. For six years he has pleaded that nothing could be done as the problem involved tremendous expenditures of money. The floods and the promises continue side by side with Mr. Marshall leading the way. 'As evidence of the effort made by the former Mayor, an examination of past budgets which totaled over a million dollars shows only \$300.00 was allotted for flood control in 1950, \$200,000 in 1951 and \$200.00 in 1952. This at the height of protests from many areas in town that suffered much damage from floods. 'In contrast let us again examine the stand taken by Bonadies during the campaign of 1953. At that time he recommended that a permanent flood control commission be appointed composed of engineers and professional men on a voluntary basis. Such a commission could make studies on a strictly local level with a minimum cost and with the result that some immediate relief can be given to the more critical areas. 'It is significant to note that recently after a heavy hurricane-rain such a group was formed in the Henshaw area composed of engineers and interested people of the area. The formation of this group followed a protest to the Township Committee during September of this year and will coordinate with our present town engineer. 'Mr. Bonadies also contends that immediate adoption of the recommendations made by former township engineer, Lennox and Mr. Elson T. Killam, sanitary and hydraulic engineer for the City of New York would give re-

Good Government Gives Support to Fred Shepard

The Good Government Republicans of Union County issued a statement supporting Fred E. Shepard for Congress as follows: "Elsewhere in this publication there appears the second of a series of paid-political advertisements sponsored by the Good Government Republicans of Union County supporting the candidacy of Fred E. Shepard for Congress. "On September 16th the first of a series of proposed advertisements appeared supporting the candidacy of Clifford P. Case for United States Senator and at that time GGR announced that it was dedicated to support the Republican ticket on the national level within the framework of its support of the President. The recent unequivocal statement made by Fred E. Shepard in his support of the President and his pledge to work in harmony with Clifford P. Case is indeed reassuring and entitles him to the full and complete support of the Good Government Republicans of Union County. He is our friend who loves more than admires us, and would aid us in our great work.—William Elley Chapping.

Public Service
The hot, humid days which closed September and the interest in the many civic, social and school groups which have started fall programs, have slowed down reading in the Springfield Public Library. The summer reading club, called the Golden Key Club, has terminated its activities for this year and now it is time to add in the scores. Seventy-two boys and girls joined the club and started reading books. Of the group that started, twelve read and reported on ten books and won their Gold Keys. These were: Madelyn Birnbaum, Jeanne Powell, Sally Ann Bryson, Barbara Donovan, Barbara Feller, Raymond Ganska, Joan Carol Rawitz, Victor B. Tuma, John Sammond, Susan B. Willey, Susan White, and Gail Wilson. Two others, William F. Lynch, and Andrew Marotta, won two Golden Keys for reading 20 books. From now on reading for young people will be school-centered. The Public Library is planning to send boxes of books to all classes requesting them. Already two teachers, Mrs. Arvey and Miss Hicks, have made selections for their classes and others will soon be added to the list. Many of the school problems are finding their way into the library. The works of Mark Twain and lives of chemists have been the most popular during the past week. By this time, all the books for the teen-age readers have been marked with "Y" and many of those for the younger group have been marked with "J". This does not mean that readers with special interests, subject interests or unusual reading levels will not be permitted to take books outside their group. The books are grouped as guides for the browsing reader and to suggest the age at which they will be most appreciated. The Pre-school Group, which meets with Mrs. Porter on Friday morning from 10:30 to 11:00, is having lots of fun acting out songs. They particularly enjoy the one about elephants which shows how the elephant swings his trunk when children feed him peanuts. Several Springfield readers have been amused by the ultra English background "The Journal of Edwin Carp" by Richard Hayden which is becoming a national favorite. Requests are collecting for "The Long Ships" by Bengtson. This story of the Viking era should be popular with the men whose wives are still enjoying "Mary Anne", "The Dogmaker", "Never Victorious, Never Defeated" and "The Gentle House." During the month of October the Public Library will be open every day except Sunday and the one holiday, Columbus Day, Tuesday, October 12th.

lief to the critical areas of Springfield. "This is the undeniable record as it has been recorded with Mr. Bonadies' views clearly outlined during the 1953 committee campaign. Bonadies' stand on all issues has never been motivated by personal business interests or the political interests of parties, groups or individuals. Our candidate pledges to serve the interests of the people and to be responsive at all times to the needs of the town."

In the early years of the 17th century many fishermen along the Jersey coast made more money as wreckers than they did as fishermen. Jersey wreckers in the middle of the nineteenth century often practiced cold-blooded deceit to bring vessels around so they could be preyed upon.
