Club Night Program to Be Held On Feb. 2

GEORGE JASON

A delightful, diversified, and distinctively different type program is assured for the Club Night program of the Springfield Woman's Club on February 2, 8:15 p. m., in the James Caldwell School.

Program Chairman, Mrs. Edwin G. Davenport, has secured Mr. George Jason, versatile pianist and humorist, as the entertainer for the evening. He is a humorist of the highest type; a marvelous pianist, and wonderful as a master of entertainment. As a television star, George Jason makes frequent appearances.

Candidate Helps Pick Herself Last

Mrs. Clarice Weiniger, who is a candidate for one of the three vacancies to be filled on the Springfield Board of Education on February 8, should have no difficulty explaining why her name will be found on the bottom of the ballot on election day.

Mrs. Weiniger was the only candidate present last Thursday in the office of A. B. Anderson, secretary of the Board, when the places on the ballot were selected. There is some psychological advantage, according to students of politics, in having the candidate's name on top of the ballot but Mrs. Weiniger couldn't do anything about it.

It was Mrs. Weiniger who helped Mr. Anderson pick the order in which the names will appear on the February 8 ballot and her name was last.

The names will appear on the ballot as follows:
Mrs. Sally A. Bandomer
Loran E. Skousen
Howard S. Smith
C. Roderic Gibbins
Mrs. Clarice Weiniger

Date Set for Woman's Club Mid-Winter Dance

The beautiful Audubon Room of the Hotel Suburban, Summit, will provide the setting for the Mid-Winter Dance of the Springfield Woman's Club on Friday, February 25, from 9:00 p. m. to 1:00 a. m. Music for dancing will be furnished by Bud Laird and his orchestra.

Chairman for the Mid-Winter dance is Mrs. J. Frank Jakobsen, 262 Mountain Ave., and Co-Chairman is Mrs. Anthony Pilar, Jr., 67 Flermer Ave. Ticket sales will be managed by Mrs. Louis James, 136 Pitt Rd.

The dance is a project of the Ways and Means Committee of which Mrs. Robert W. Hamilton, 81 Meisel Ave., is Chairman and Mrs. George Wilson, 291 Northview Terrace, is Co-Chairman. Other Committee members include: Mesdames Walter Baldwin, Harold Bishop, Arthur Buckley, Charles Heard, Leonard Hodapp, Arthur Hoffman, Frank Jakobsen, Louis James, Daniel Lucy, Anthony Pilar, James Stewart, George Walton.

The dance is open to all club members and friends of the Springfield Woman's Club and tickets priced at \$5.50 per couple may be obtained from Mrs. James or from any member of the Ways and Means Committee.

Carl Richards Named Palsy Drive Treas.

Carl A. Richards has accepted appointment as treasurer of the local United Cerebral Palsy League fund-raising campaign, it was announced today by Mrs. Gladys Beardsley, local chairman.

Contributions, in response to the mail appeal which will be made next week, should be sent direct to the treasurer, Carl A. Richards, at First National Bank of Springfield, it was urged by the chairman.

In explaining the need for funds, Mrs. Beardsley stated that: "Because of the work in the Cerebral Palsy Center in Elizabeth, and similar establishments, several hundred thousand children throughout the United States have hopes and aspirations that were never possible before."

"With proper treatment and help, the handicap of having Cerebral Palsy is gradually being overcome."

"Although Cerebral Palsy results in a lack of muscular coordination which has made it extremely difficult to teach children even the simplest things, improved methods are making it possible to overcome this deficit."

Appeals Being Made To Support March of Dimes

The Springfield March of Dimes campaign—a little late in starting—is now under full steam and the committee in charge of this worthwhile campaign hopes all regular contributors will respond to the appeal so that Springfield can maintain its position as one of the leading municipalities in reaching its quota. The usual dime cards are being distributed and general letters of appeal are being mailed to industry and business places.

The general committee in charge of the March of Dimes drive in Springfield is made up as follows: Honorary Chairman, Mayor Albert G. Binder and Township Committeeman Vincent J. Bonadies; general chairman, J. Leo Moran; assistant general chairman, Marvin Gould, DDS.; secretary, Dr. William J. Belliveau; corresponding secretary, Julian Sarokin; treasurer, Counselor Felix G. Forlenza.

As soon as all the records of previous fund raising campaigns are in the hands of the committee it is planned to work out a house to house solicitation. The committee asks all those who have been good enough to contribute in the past to please send their checks to the treasurer, Felix G. Forlenza at 269 Morris Avenue, Springfield.

"Last year, 1954, was the most successful in the long history of the National Foundation for Infantile Paralysis," said Chairman Moran. "Yet, in spite of Springfield's support and the very liberal response all over, an emergency drive had to be scheduled to enable the battle against polio to go on."

"We cannot afford to let anything happen in 1955. With the final defeat of polio becoming more certain, tremendous sums must be sent to save lives and more money than ever will be needed this year. You can help by increasing your contribution over last year."

"If we missed contacting you or if none of our mail has reached you—please help us make up for lost time by sending us your contribution TODAY."

Letter From Turk Denies Delaying Polio Drive

George M. Turk, former acting postmaster and chairman of the annual March of Dimes drives in the past, sent the following letter to the Springfield Sun which is self explanatory:

174 Linden Avenue,
Springfield, N. J.
Editor, Springfield Sun,
Springfield, N. J.
Dear Sir:

Last week there appeared in your paper a front page article which attempted to place the responsibility for delaying the start of the current March of Dimes Drive on me. Any one of my many friends and co-workers who have assisted me in all types of civic activities know that such a charge is baseless, unfair and vicious.

It is well known that this drive has been handled by me ever since the late Otto Heinz, our former postmaster, because of ill health turned it over to me. The progress of the drive has exceeded all expectations through the cooperation of all the people of Springfield; last year we broke all records with a total of over \$6,000 for the Regular and Emergency drive.

Examination of the following facts, and the attached copy of my formal resignation will disprove any allegation that my action was inspired by anything other than a desire to recover my health and rebuild my business. I might add also that my physician

advised me to limit my outside activities for awhile; hence my resignation.

I accepted and agreed to conduct the 1954 regular and emergency March of Dimes Drive; however, not having received the usual notices from headquarters of a prearranged meeting for the 1955 drive, I presumed that the new regime had taken this drive over, as they had others.

On January 6, 1955, information was requested from me by headquarters in Springfield. I informed them I had no information and was told they "assumed" I would continue with the 1955 drive. I stated such an assumption was wrong as my situation now required my being out of town as compared to my former status whereby I was able to devote the necessary time which enabled me to achieve such excellent results in the past. I did however inform headquarters that I would attempt to get someone else to assume charge. I tried unsuccessfully for a week contacting six or more civic workers with a background of local experience and civic activity that would enable them to continue to do justice to the afflicted and needy. All of those contacted affirmed their willingness to work for the drive as in the past, but due to other commitments could not undertake the responsibility of working and dis-

Left Hand Turn Law Is Passed By 2 to 1 Vote

Despite vehement protests by residents of Wabeno, Flermer and Meisel avenues who jammed the council chambers in the Municipal Building last night, the ordinance prohibiting left hand turns for vehicles from Main street into Morris Avenue was passed on its final reading by a vote of two to one.

Only three members of the Township Committee attended last night's meeting, Mayor Albert G. Binder and Township Committeemen Frederick A. Handville voting to pass the ordinance while Vincent J. Bonadies voted "no" with the suggestion that final passage be delayed for several months until a more careful study can be made of this serious traffic problem.

Mayor Binder and Handville explained, in detail, the many surveys that had been made to alleviate the congestion caused by left hand turns at this intersection with State Highway traffic engineers and other experts cooperating.

This ordinance, they both insisted, is to be given a thorough and if it causes any hardship or increased congestion on other residential streets in the Township, steps will be taken at a later date to either repeal it or make drastic changes in the text.

The residents were represented by Counselor Felix G. Forlenza who submitted the objections of the group and suggested a great number of recommendations as a

Fire Chief Warns On Extinguishers

In a nation-wide drive to alert home owners and industrial heads against sub-standard fire extinguishers, Deputy Chief Ormond W. Mesker of the Springfield Fire Department, issued a warning to all those planning to purchase extinguishers.

"We would like to have all prospective purchasers of fire extinguishers consult with the local Fire Department," said Deputy Chief Mesker. "We're not in that business but for your own protection, we could help you before you buy one."

"Small home fire extinguishers, aimed primarily at the home market have received considerable attention recently. Several types and designs are involved, ranging from glass balls which break by heat, through beer-can containers, on to a few ounces of liquid in an attractive handized device."

"We should be alert for shabby products in our homes as well as in our industries. The average person has no concept that he may be endangering his life and the lives of his loved ones by installing sub-standard devices which are too small to be effective against actual fires."

"Unfortunately, there is no effective, cheap and non-hazardous extinguisher for all fires, and this fact should be passed on to the public."

Students From Regional On TV Teen Show

Friday, January 21 was Regional High Day on Ted Steele's Teen Show and all of Springfield was tuned in to the show which is broadcast over WOR-TV channel 9 five days a week from 5 to 8 p. m.

Included in the show were cheerleaders; a forum group, dancing couples and representatives of the Regional agriculture department and school paper.

The cheerleaders who demonstrated several of the more popular school yell were: Carol Kristiansen, Mary Rae Schweitzer, Arlene Ruggieri, Diane Wadas, Liz Huber, Joan Wagner, Prudence Madura, Nancy Howard, Carol Leaycraft and Nancy DeLeonard.

Following the cheerleaders was a panel discussion between four exchange students from foreign countries who are attending Regional High and four American students. The group discussed several aspects of the American way of life as opposed to the mores of the native lands of the exchange students. The participants in this discussion were:

1955 Tax Rate Shows Slight 8 Point Increase

ESTIMATED 1955-TAX RATE			
	1955	1954	
Local Purposes	\$3.33	\$3.41	\$.08 decrease
Local School District	\$3.37	\$3.41	\$.04 decrease
Regional High School	\$1.35	\$1.18	\$.17 increase
County	\$.91	\$.88	\$.03 increase
	\$8.96	\$8.88	\$.08 increase

Taxpayers in the Township will find a very slight increase in the new 1955 tax rate, the new figure being \$8.96 as compared with \$8.88 last year, according to estimated figures announced yesterday.

Last year the final budget figures showed a rise of 81 points over 1953 and the slight increase of only 8 points for 1955 in the estimate released yesterday shows that conditions as far as expenditures for local purposes are concerned are very excellent.

As a matter of fact the estimated new tax figures show a decrease in the actual rate for local purposes with 3.33 for 1955 as against 3.41 for 1954. Even the local school costs call for a decrease of four points, the estimated rate for 1955 being 3.37 as compared with 3.41 last year. This decrease was probably due to the increased state aid for all schools.

The figures show an increase for Regional High School purposes the rate being 1.35 in 1955 as against 1.18 for 1954. State aid, according to those who study budget and tax figures, was not available to the Regional High School which accounts for the increase this year. The Union County figures also show an increase of three points, the 1955 rate being .91 while 1954 asked for .88.

Springfield Township is in very excellent financial condition, according to office of the municipal auditor.

Local Voters League To Hear School Candidates

A part of the public meeting to be held this evening (Thursday, Jan. 27) will be devoted to the following answers by the school board candidates to the questions which were submitted by the League of Women Voters of Springfield. The League is sponsoring this meeting, which will take place in the cafeteria of the Florence Gaudinier School at 8:15 p. m., for the two candidates for the Regional Board of Education and the five candidates for the Springfield Board of Education. All of the aspirants have consented to be present and will be called upon to give a seven-minute speech as well as to answer questions from the audience.

The League is urging all citizens to attend this meeting where it will be possible to see and hear all of the candidates at one time. Five candidates are on the ballot for the three vacancies on the Springfield Board of Education: Mrs. Sally A. Bandomer-Loran E. Skousen, Howard S. Smith, C. Roderic Gibbins and Mrs. Clarice Weiniger. The election will be held Tuesday, February 8, with polling places for Districts No. 1, 4 and 5 at the James Caldwell School and Districts 3 and 6 at the

Raymond Chisholm School. The polling places will be open from 3 p. m. to 9 p. m.

Two candidates seek to represent Springfield on the Regional Board of Education which election is to be held next Tuesday, February 1. The polls for all districts in the Township will be in the James Caldwell School and will be open from 3 p. m. to 9 p. m. The term of office is three years.

The two candidates are Frank M. Kerr of 14 Crest Place, and Mrs. Antoinette Simmons of 168 Short Hills Avenue, who submitted the following replies to questions from the League of Women Voters:

Six-Team Youth League Negotiating For Support

At a recent meeting of the officers and directors of the Springfield Youth Baseball League presided over by President Joe Focht, it was disclosed that there will be six teams operating this year instead of the four last year. League officials are now negotiating with various local organizations to sponsor these teams and are extremely confident that final arrangements will be consummated in the immediate future.

Meanwhile, according to Leslie Lawn, a league official, the required funds have already been allocated to refurbish Irwin Field and provide adequate seating for approximately two hundred spectators. Negotiations are also in progress to assure the use of additional local playing fields to accommodate a complete league schedule. Major League games will be played on Monday and Wednesday evenings and Minor League games on Tuesday and Thursday evenings between April 15th and July 1st.

All local boys who will be at least nine by April 15th but will not reach the age of thirteen prior to July 1st are eligible to register and try out. The six Major League teams will each consist of twelve boys chosen through tryouts on their merits; will be fully uniformed, sponsored and under the supervision of an adult manager. Each Minor League team will consist of not more than fifteen players, made up of boys unable to qualify for a Major League team; will be partially uniformed by use of tee shirts and caps and will also be under the supervision of an adult manager.

There are still a number of important positions such as managers and other supervisory personnel unfilled and the League officials are making a very strong appeal to all interested men, particularly fathers of participating boys to come forward and offer their services. All volunteers are urged to contact Publicity Director Jay Longfield of 37 Colfax Road as promptly as possible. This League is a wonderful step forward for our boys! Fathers,

don't let your boy down! Volunteer now!

Registration for all boys nine to twelve, who should be accompanied by a parent, will be held Wednesday evening, February 2nd, 7:30 p. m., at the Gaudinier School. Let's have every eligible Springfield boy there!

Dedication Held Last Sunday

Formal dedication exercises were held last Sunday at the Springfield Jewish Center, Balausur way, Springfield, for a Torah contributed by Mr. and Mrs. Paul Karlin.

The Torah was the first to be given to the Center, which was purchased last year and is the first Jewish house of worship in Springfield. The first five books of the Bible, the Torah covers the period from the Creation until just before the entrance of the Jewish people into the Promised Land.

It is written in ancient Hebrew by hand on parchment and rolled around two wooden handles in the manner of all ancient manuscripts. Sunday's ceremonies were conducted by Dr. Max Gruenewald, Rabbi of Congregation B'nai Israel, Kitterborn, assisted by Cantor Irving Kfirameram of the Springfield group.

Raymond Baumrind is president of the Jewish Community Group of Springfield, and Dr. Arthur Williams heads the religious activities committee. The dedication committee included Ralph Feldman, Naum Gershin and Milton Kappslatter.

GIVE FOR YOUR HEART'S CONTENT

"A member of the Heart Sunday Army will ring your doorbell on the afternoon of Sunday, February 20. Open your door and open your heart to your neighbor who will ask you for a contribution to fight heart disease and to carry forward the work of the Heart Association.

"The solicitor will have an identification tag and an envelope for your contribution. There will be no high pressure 'sales talk'; as a matter of fact, you can seal the envelope, and it isn't at all necessary to disclose the size of your contribution. The Heart Fund Volunteer will, of course, leave a 'thank you' receipt.

"A major portion of all contributions will be retained to advance heart projects in this community and state, the remainder going to support national programs of research, education and community service.

"This community has never failed a worthy cause. Be generous. Welcome your Heart Fund Volunteer on Heart Sunday, February 20. Give for your Heart's content."

Abel V. DeVechio, Heart Chairman

CEREBRAL PALSY PROCLAMATION

WHEREAS, there are approximately 1400 children and adults in Union County today who were born with Cerebral Palsy, and there are an untold number who acquired this condition later in life, some of whom are members of this community, and

WHEREAS, it has been demonstrated that the majority of the Cerebral Palsied can be helped by proper diagnosis, treatment, care and education but that existing facilities provide for the needs of only a limited number of these individuals, and

WHEREAS, United Cerebral Palsy League of Union County is currently conducting a vigorous county wide attack on this problem; and the success of this Campaign will benefit this community by improving and increasing the diagnostic, treatment and educational facilities offered to the children of Union County at its Cerebral Palsy Center.

NOW, therefore, I Albert G. Binder, Mayor of the City of Springfield, do hereby proclaim the Month of February 1955 as CEREBRAL PALSY MONTH, and I call upon the citizens of this community to cooperate in this worthy crusade and respond generously to a great humanitarian appeal.

ALBERT G. BINDER,

Mayor Binder officially named Adam La Sota for a five year term. Felix Gold for four years and Edward A. Cardinal for three years as the newly created Shade Tree Commission which became a law last night with the passing of that ordinance.

The third and final reading of another ordinance which was to prohibit parking on either side of Wabeno avenue was postponed for a later date to give the Township Engineer an opportunity to study the problem.

Township Committee Bonadies introduced and had passed a resolution to install a light on Black's lane which many residents have been demanding for years.

Azedio T. Pancani, of 95 Madison terrace, was named to the Springfield Planning Board to fill a vacancy now existing.

The long debate gave several of the residents an opportunity to voice their objections which gradually narrowed down to the request that the Township Committee place a trial limit on the ordinance. Mayor Binder, in a statement prior to the voting, said the

recting the drive. On January 13, 1955, I advised headquarters of the results of my untiring efforts to secure a chairman with the necessary qualifications to conduct a successful drive, and reiterated the necessity of confining my attention to my own health and business; much as I regretted this action, it was dictated by urgent need rather than choice. I confirmed this conversion in a formal letter of resignation dated January 14, 1955.

In view of the above you can appreciate my surprise upon reading the article which appeared in the Springfield Sun dated January 20, 1955.

It is all fairness to the success of the drive and the many faithful workers who made this success possible, as well as to myself who have given much towards this and to other worthy causes during my 14 years as a resident of Springfield, I am confident that the publication of this letter along with my resignation will serve to clarify any misunderstanding.

I do know, however, that during approximately the last six years, this total budget has risen from about \$20,000 to almost a million dollars. This is a budget of respectable proportion and I am most interested to see that it is administered so that all of us, as taxpayers, get the greatest possible value for the dollar we spend.

Woman's Club News

"A few carefully placed leaves such as magnolia or eucalyptus can provide an attractive home decoration without the expense of cut flowers" was a bit of advice offered by Mrs. Joseph Carriero to Garden Department members at their meeting on January 17. Mrs. Carriero, of the Millburn Florist, was guest demonstrator at the meeting held at the home of Miss Gertrude Sala, 468 Morris Ave. Practical help with flower arrangements was given by Mrs. Marriero as she created seven lovely displays of flowers and greens. Various types of flower holders were used including a Chinese rice bowl on a teakwood stand and a miniature bathtub. The traditional brass, pottery, and glass containers were also used. A low arrangement of pink tea roses in a purple egg-shaped dish was especially beautiful. Members were advised to use fewer flowers in their arrangements. Too many flowers can spoil the lines of a display.

Refreshments were served by the hostesses with the help of her co-hostesses Mrs. William Mojis and Mrs. Henry Wasung. Garden Chairman, Mrs. Christian Anderson has arranged a visit to the Lager-Hurrell greenhouses in Summit. All department members are cordially invited to the famed orchid growers greenhouses on February 3rd at 1:30 p. m. Please contact Mrs. Anderson if you are interested at Millburn 6-1553-M so that arrangements for transportation may be completed.

A discussion of the comic book situation formed a part of the business meeting of the Civic and Youth Conservation Departments gathering on January 18 at the home of Mrs. Charles Heard, 7 Alvin Terrace. Mrs. George Varga, a special guest at the meeting, reported to the group on objectionable comics and provided samples of some of them which are on the newstand right now. At the same meeting plans were discussed for the next Pro-Teen dance which will be held February 11th for the Eighth graders. Mrs. Kenneth Bandomer will serve as program chairman for the event and Mrs. Edward Murdock will be hostess chairman. These ladies will alternate with Mrs. Ruppert, Humer and Mrs. John

(Continued from page 1)
 Mrs. Beardsley, in her appeal for funds, commented that "Cerebral Palsy is as old as civilization itself. The Bible contains 10 different references to the palsied. It is unfortunate that through the ages Cerebral Palsy was the subject of almost unbelievable unconcern and neglect. It is true that for a long time people thought that Cerebral Palsy was a hopeless condition, and that there was no way of helping those

afflicted. "It is only in the last hundred years that any scientific knowledge was developed concerning this dread ailment. "More recently it has been found that through three main forms of treatment, thousands of Cerebral Palsied victims can be helped. "Here, at the Union County CP Center in Elizabeth, as in other treatment centers, it has been found that physical therapy strengthens the affected muscles through repeated exercise; that

speech therapy can apply the same principles in overcoming speech involvements; and that through occupational therapy the palsied can be helped to become self-sufficient through practice in dressing themselves, feeding themselves, and in using a typewriter or similar devices. "Any financial help received during the present campaign which starts February 1 will aid the Union County Center to do even more than it has in the past for the many local children afflicted with Cerebral Palsy."

Pinney at the monthly dance. Federated Guest Day was observed by the Wednesday Morning Club of Cranford on January 19. Mrs. Merton D. Williams represented our club and was accompanied by Mrs. John Trout as her guest. Special guests at the program included Mrs. C. Howard Sanborn, northern vice-president, N. J. Federation of Women's Clubs, and Mrs. Stanton H. Davila, fifth district vice-president. A program of songs and a commentary "Problems of a Young Singer" was delightfully given by Miss Mary Lee Davis accompanied on the piano by Mr. Thomas W. Parker.

Circle February 2nd on your calendar. Guest artist at Club Night in the Caldwell School will be George Jason, a fine musician and a great story teller and humorist. He has a reputation for keeping his audiences in a constant uproar and the way he can turn fro-midnight-splitting humor to exquisite playing on the piano and back again is said to be startling.

SUNNING SPORTS

By BOB DUBOW

Looking over the progress of our local high school's athletic feats of the last week we find the wrestling squad still rolling up a long win streak with 7 now to their credit. The court team has added another win and a loss to their 6-4 record. The grapplers squeaked by Bound Brook on last Tuesday and the basketball squad traveled to North Plainfield on that same day.

Last Friday saw the wrestlers walk over a highly touted St. Benedict's team and the netsters rack up an uncoordinated Roselle Park squad.

In the basketball game on Friday the Bull Dogs totally wrecked the defenses of the Parkers with a smashing 64-49 victory. Leading the starting Bull Dog attack was Les Lawn who ripped five cords for twenty markers. Close behind him was Curt Merz who tallied 17 points.

Score by periods:
Regional 19 14 11 20-64
Roselle Park 6 9 14 20-49

In the most recent wrestling match with Bound Brook, the grapplers scored a 24-18 victory with Jerry Sachal marking the match with a 25 second pin. Other winners for the Regionals were Tony Rizzo, Scoville, Dyer, McInnis, who pinned his man, Richie Besnier, and Joe Sessa, freshman grappler who floored his man in the final match. The meet was close all the way and since the last match could have thrown the match either way the freshman wrestler withstood the pressure in fine style. Tomorrow

night the grapplers ride over to Hillside where we hope they will notch another victory. The basketball comes home to tomorrow night for its final three game homestand. They will face Union, Morristown, and Linden in that order. Following that stand the Bull Dogs will finish up with a three game road trip that will include Somerville Roway, and Scotch Plains. We know they will end the season in a real sharp manner and will do fine in the ensuing tournaments.

St. James CYO In First Place Tie

Saint James' Senior CYO basketball team won its third in a row this Sunday by beating the top ranked team, Holy Rosary of Elizabeth, 75-61. The local quintet, in winning this one, ran into a three-way tie for first place with Holy Rosary and Saint Adelberts. Saint James now has a 3-1 record.

Bob Sayles played his usual steady game for the Springfield team and came out high man with 23 points, followed by Tony Kimmick with 21. Also in double figures were Dale Jones with 16 and Tom Luckie hitting for 12. High man for Holy Rosary was Mike Marzano with 25. Holy Rosary outscored the local club 25-19 in field goals but St. James overpowered their opponents on fouls made, 37-11. The last six minutes of the game Saint James played with only four men due to Kimmick's five personal fouls and Jack of substitutes, but with a 16-point lead acquired early in the fourth quarter the team from Springfield held onto the ball and, with Tom Luckie's dribbling, managed to pull through.

Shop-Rite Gains On First Place

The race for first position in the Springfield Bowling League was tightened slightly last week when the second slot Shop-Rite team swept their series with Bunnell Bros. to gain ground on the front running Frank's Auto team

CATHOLIC FORUM

Is the Golden Rule sufficient? "Creeds and dogmas mean nothing to me. The Golden Rule is my religion." A common statement. A growing statement. A dangerous tendency which bodes ill for the human soul and for the good of our country.

With the Golden Rule, no real Christian has any quarrel. It is Christ's own command to "Love thy Neighbor as Thyself." But is that all that God commands? Is that all that Christ taught in His three years of missionary life?

No Bible student—no true Christian—will concede this, nor can he help but deplore a condition today which enables men, with his vaunted freedom of conscience, to cast aside one by one God's eternal truths, finding himself at last with only the Golden Rule—which he too often follows merely from an innate sense of decency and from a desire to maintain the respect of his fellowmen.

The Catholic Church with its positive creed, its absolute dogmas, its uncompromising adherence to eternal truths, has not only existed basically unchanged throughout the ages, but has flourished in all parts of the world, under all sorts of conditions and persecutions. To the unbiased thinker, all this must cause a wonderment and a desire to know the Catholic secret of success.

There is no Catholic secret. Everything Catholic is open to the world to inspect, dissect, to ask questions about with a demand for the authority and reasonableness of the answers. If it's anything Catholic, ask a Catholic!

Society to See Film

The Ladies' Benevolent Society of the Springfield Presbyterian Church will meet in the Parish House, Embassy 2 under the chairmanship of Mrs. J. Frank Jakobsen.

As a portion of the program, the technical color film "Dusty or Destiny" will be shown. This dramatic presentation depicts the miracles of nature and shows in a constructive manner the interference of scientific and biblical truth. Final plans will be made for the twelfth annual Antique Show and Sale to be held on March 29, 30 and 31st.
