February is being observed as -CYO Sponsor Month by the local parish units of the Catholic Youth Organizations throughout Union, Essex, Hudson and Bergen Counties. During this month CYO boys and girls from St. James will be busy selling special CYO Sponsor Seals to their families, friends and neighbors in a concerted drive to raise funds for the support of their CYO activities for the coming year.

This is the first such effort by the local parish youth groups, the CYO activities having been supported in the past by generous triends. However, activities have increased so much that a wider range of financing is necessary. The selling of seals is a means toward a greater number of youth participating in constructive and sound youth activities. The campaign will enable the youngsters to obtain uniforms for their teams, give them the means to hold outings and picnics, to help those less fortunate than themselves and to expand their activities in new directions.

CATHOLIC FORUM

Why do Catholics pray to Mary? Catholic devotion to the Mother of God has been the custom in the Church from the earliest days of Christianity. This is proved by the writings of the early Fathers and by the still extant relies in the Catacombs.

But, remember, all our prayers to the Blessed Virgin Mary have just two purposes: First, to please Almighty God by hon oring, revering, and praising His Mother, upon whom He conferred the highest of honors. Second, to plead for her intercession before the throne of God for our worthy needs. This is typified by our great and most frequently used prayer

to Mary—The Ave Maria: "Hail, Mary, Full of Grace. The Lord is with thee. Blessed art thou among women and blessed is the fruit of thy womb, (Words of honor, praise, and exaltation, spoken by the Jesus." Angel Gabriel and St, Elizabeth, as shown in your own Bible-Luke 1:28-42).

"Holy Mary, Mother of God, pray for us sinners now and at the hour of our death." (No worship, just a plea for our Blessed Mother's prayers now and just before we are to meet our God.)

The Catholic devotion to the Blessed Virgin is so beautiful, so inspiring, so well authenticated, that we cannot understand why it is the Catholic Church, almost alone, which fulfills Mary's own prophecy: "From henceforth all generations shall call me

have an "off day,"

G F PRupp, f

The league leading Globetrotters posted an easy 66-37 vin over the Hawks last Saturday afternoon at the James Caldwell gymnasium, running their unbeaten win streak to five games and thereby setting the stage for the big ing, with the Nats walloping the crucial game with the Warriors. The big game in the Knicks 36-12. The Lakers looking Springfield Youth Basketball League will be the first half like the best balanced club in the f a twin bill this Saturday afternoon at the Caldwell gym league came through with timely and is scheduled to get under way at 2 p.m. sharp.

The Warriors led by their stellar livot Warren Watkins and Henry Ruban, seemed primed to take the big one and from all indications this battle should easily be the best of the current campaign. A victory for either club means plenty, although the Globtrotters could afford a loss, whereas the Warniors could little afford to lose this character of the schadule. at this stage of the schedule.

The Warriors had considerable

rouble in downing the resurgent Royals last Saturday, finally coming through with the all important win by scoring 47 points in the last Sonny Haubold-Jack Vitale and Company. The big scorer in this encounter was Henry "Butchie" Rban with 36 points on fourteen games of the leaders, St. Michael's field goals and eight fouls. I looked like a Royal victory unti halftime, but big Warren "Goose" Watkins started to gain control both-backboards as well as adding many scoring assists to Ruban. plus-chipping-in-with-20-points in the scoring column. Haubold, bold racking up 26 points on 12 field goals ad two fouls. Burly Chet future. Albinowski played good defensive ball for the Royals, showing vast improvement under the back-

boards. The league leading Globetrotters came through with the highest point total in the opening quarter by scoring 28 points, with Dave "Froggy" Friedman racking up sixteen points on eight field goals. "Ace" Parker, Funcheon, Gwathney, Friedman and Mueller had an exceptional scoring average and probably could have topped eighty points, but frequent substitutions kept the score down. Bobby Keith and Bob Reaves were the top scorers for the Hawks, with Reaves getting seven baskets mostly on follow up shots. The
