# Interesting Letter Gives Views On Nurse Services

The subject of medical service | that in all fairness it must be for the local parochial school is admitted that the "tax supported still a topic of interest in Springfield\_and\_Mr.\_and\_Mrs.\_Harold. C. Strobel of 82 Fieldstone Drive, give their side of the question in a letter to the Springfield Sun today.

Following is their letter, dated March 8. Which is self-explanatory:

We read with interest the letter of Mr. and Mrs. John R. Edds in the March 3 issue of the Springfield Sun regarding a request for medical service for the parochial school. We feel that the Sun is to be

complimented on its impartial publishing of letters from citizens on subjects of public interest and that Mr. and Mrs, Edds deserve a vote of commendation for their sincere attitude and concern for issues which are the rightful concern of all Springfield residents.

However, we would not like to identify ourselves with any point of view which holds the safeguarding of the health of Springfield children to be a private in tc#est\_

After some reflection on this matter, it also occurred to us

service" referred to in Mr. and Mrs. Edds' letter-is supported just as much by parents of parochial school children, as by others. We found ourselves reluctant

to accept the thinking which concludes that because the parents of parochial school children choose not to avail themselves of all the school services toward which they contribute an equal share in taxes, that they should he denied the small service which they do ask for.

Therefore, we place ourselves on record as being in favor of Springfield supplying the medical service requested by the parochial school.

First - Because we feel that safeguarding the health of all children attending school in Springfield is the rightful interest of the township. Second - Because this service

is supplied from a tax supported fund contributed toward equally by all taxpayers of Springfield. Very truly yours,

Mr. and Mrs. Harold C, Strobel 82 Fieldstone Drive, Springfield.
