Fight Against Sunday Selling Gets Under Way

Organized opposition to increasing number of places open for business on Sundays in this area is beginning to crystallize, and Springfield is expected to join other municipalities in asking for some control of the practice. The New Jersey Council of Churches is supporting a bill already introduced in the Legislature which is intended to ban Sunday selling except for specified commodities and needed merchandise.

Hutchinson To Head Drive For Mental Health

Arnold C. Hutchinson

The appointment of Arnold C. Hutchinson, 210 Baltusrol avenue, Springfield, of the Hutchinson Head Estate and Insurance Company, as the chairman of the Springfield 1955 Mental Health Fund Drive, was announced at a meeting held Wednesday evening at the Hutchinson home. The announcement was made jointly by Donald L. Ferguson of Westfield, assistant manager, East Coast Manufacturing Division, Esso Standard Oil Company, Linden, the Union County chairman of the 1955 Mental Health Fund Drive, and by Mrs. Arthur F. Ackerman, 277 Summit ave., Summit, president of the Union County Association for Mental Health.

Mr. Hutchinson was treasurer of the 1954 Mental Health Fund Drive and is a member of the Board of Directors of the Union Co. Assn. for Mental Health. The county goal for the drive is \$40,000 which will be used to provide research, training of desperately needed psychiatric personnel and leadership in organizing more county and state Mental Health Associations, to carry on a local action and preventive program, such as is being currently carried on by our own county group.

In commenting upon the importance of this drive, Mrs. Ackerman said: "Citizens throughout Union County are already organizing to conduct the third annual Mental Health Fund Drive, which will again be a missionary effort through which more and more people will learn of the great work being done through the network of Mental Health Associations throughout the nation and with which Union County Association is affiliated. The drive for funds will take place early in May and will again be a neighborhood appeal.

Union Township, faced with the problem of Sunday business, fired the first shot in the campaign to halt the growing practice with an address by Adolph Jaeger, president of the Jaeger Coil and Supply Company, delivered to the members of the Better Businessmen Bureau in Union which appeared in last week's issue of the Union Register.

An advertisement from one of Union's merchants also appeared in the same issue deploring the fact that "his competitors were permitted to openly sell on Sundays and asked for some legislation to stop this growing practice." Following is Mr. Jaeger's remarks, cautioning that continuance of the growing practice would bring about an intolerable situation, bound to affect the people adversely.

He further stated that the lack of regular competition from reputable establishments permitted much unfair practices in pricing and grading of merchandise. Mr. Jaeger's summation began with a quotation from the book of Genesis.

"And God blessed the seventh day, and hallowed it; because that in it He rested from all his work which God had created and made." Genesis 2:3.

The Springfield Reserve Fire Corps has swelled its ranks to 25 active members with the recent swearing in by Mrs. Eleanor Worthington, Township Clerk, of the following new men: Robert J. Johnston, 51 Meisel Ave., Frank E. Harlow, 72 Garden oval, Edward Seid, 2 Kipling ave., Vincent Stahl, 40 Evergreen ave.

The Springfield Reserve Fire Corps, a unit of local Civilian Defense, is constantly undergoing training on modern fire fighting methods every other Tuesday night at Fire Headquarters. Practical fire experience is gained by the opportunity of working side by side of the Regular and Volunteer members at all township fires. Members of the Reserve Corps also receive rubber equipment at no charge and ride the fire apparatus to all calls.

The unit is headed by Dan Lucy, who has issued a call to any male residents of Springfield to join up now and enjoy the training and social activities of this active township unit. Further information can be secured by dropping in at Fire Headquarters at any time.

To Head New Eyes For Needy Drive

MRS. ROBERT HAYES
Drive Chairman

The Civics Department of the Springfield Woman's Club is making an appeal for discarded eyeglasses, jewelry and scrap gold and silver to be donated to New Eyes for the Needy, Inc., Short Hills, N. J. Heading the drive is Mrs. Robert Hayes, 175 Short Hills avenue.

New Eyes for the Needy, Inc., is a non-profit charitable organization which is sponsored and staffed by volunteers of the Short Hills Junior Service League. It is endorsed by the National Society for the Prevention of Blindness and by the Essex County Medical Society. No appeals are ever made for money. Revenue is derived solely from the sale of discarded eyeglasses and jewelry to a refinery. Permission to solicit such material is granted by the United States Assay Office.

With the funds obtained from the refinery, New Eyes purchases new prescription glasses and artificial eyes for the needy. This is done by establishing funds with hospitals in many major cities, through payment of specified quotas of glasses and artificial eyes guaranteed to hospitals and welfare agencies. Any other hospital or accredited agency may receive assistance for purchase of (Continued on page 5)

Township Gives Rigby Excellent Support; 841 Of 5,344 Go To Polls

Will Meet In November

Raymond W. Forbes
Republican

Francis J. Kane
Democrat

Frederick A. Handville
Republican

Democrat
Irwin Weinberg

The primary election in Springfield last Tuesday was a pretty well kept secret with only 841 of the 5,344 eligible voters in the Township taking the trouble to cast their ballots.

Lee S. Rigby, local entry in the field of ten, seeking the three places on the Board of Freeholders, failed to win but his vote in Springfield was very heartening, beating all the Freeholder candidates in all six districts and leading in the total.

Rigby polled a total of 446 votes, 105 of which were given him in his own district, the fourth. Second to Rigby in the total township vote for Freeholder was Mayor P. Edward Biertuempfel—of Union with 301. Third in Springfield voting was Ernest S. Hicok with 284 and fourth was Richard P. Hatfield with a total of 275.

The highest vote polled in Springfield was by Senator Kenneth C. Hand, seeking renomination without any opposition. He attracted 607 votes and Mrs. Florence P. Dwyer, present assemblywoman, led the Assembly contest by a wide margin in the Township, polling 512 votes, William R. Vanderbilt was second with 402 and C. Clifford Thomas received 336 votes for third in Springfield.

Raymond W. Forbes and Frederick A. Handville, the two unopposed Republican candidates for the two vacancies on the Township Committee, received a fine token vote of 372 and 317, respectively.

There was very little interest in the Democratic side in Tuesday's balloting here since there were no contests. The highest total was 109 votes, Robert L. Shelton, Democratic candidate for Senator, and Francis J. Kane, (Continued on page 5)

Biertuempfel To Address Local Lions

A well-known speaker, F. Edward Biertuempfel, Mayor of neighboring Union Township and member of the Union County Board of Freeholders will address the Lions Club tomorrow evening at the Orchard Inn, on the subject of Juvenile Delinquency. A large turnout of members is expected to hear Mayor Biertuempfel, who is a recognized authority on the subject.

Last Friday evening the local Service club entertained Coach Lou Da Rosa, members of the Regional High Basketball team, which lost the State Championship by only a whisker, and Al La Balbo, head basketball coach at St. Mary's H. S. in Elizabeth who gave an interesting talk on present day youth problems. All members of the team received bronze basketball trophies in recognition of their fine play and sportsmanship during the current season, just ended. Principal Warren Halsey, a Club member, also spoke briefly commemorating this occasion.

Reports from Committee Chairmen indicate that the sale of ad- (Continued on page 5)

Vaccine Program Delayed For Week

First inoculation of Salk vaccine scheduled for first and second grade school children in both the public and parochial schools here, yesterday has been postponed for a week. Announcement of the one week's delay was made by Mrs. Eleanor H. Worthington of the Board of Health and at Tuesday night's regular meeting of the Board of Education.

The program here will be carried out next week by the Board of Health in cooperation with school authorities and the Infantile Paralysis Foundation. The need for the available Salk vaccine in the southern states where the threat of polio comes earlier was given as the reason for sending the ready supply to that area first. Assurances have been given the local Board of Health and school authorities that the vaccine will be available at that time; program of inoculation may start next week.

Failure to receive the expected shipment for this week caused the postponement of the program. The mass immunization was planned to start yesterday.

Forlenza Is Guest Of Honor Tonight

Deputy Attorney General Felix G. Forlenza, recently appointed local attorney to that high state office, will be the guest of honor at a testimonial dinner to be given him at the Chateau, Route 22, Mountainside, this evening. Friends, college friends, members of the bar as well as state, county and municipal officials are expected to be among the more than 200 that have already made reservations for this evening's testimonial.

Robert Deerin, of Islen, a classmate of Forlenza's at Seton Hall College, and a life long friend, will serve as master of ceremonies. Father James Carey, member of the Seton Hall faculty who taught and has known Forlenza for some time, Deputy Attorney General Benedict Harrington assigned to the Public Utility Commission, and Mayor I. J. Padula of Belleville are on the program as speakers. "The Freedman" as president will speak for the Springfield Chamber of Commerce and Milt Keshin will say some nice things concerning Forlenza on behalf of the local Rotary Club. Father Edward will give the invocation and Rev. Marvin Green, the benediction.

Youth League Fund Drive To Start April 30

The combined Springfield Youth Baseball and Babe Ruth League drive for funds to help defray current seasonal expenses, will take place on Saturday morning, April 30th. According to plan, 39 teams, each with an adult leader and 4 boys, will leave Gaudineer School about 9:30 a.m. and repair to their designated sections of town, to call on each homeowner for a voluntary contribution.

Officials of both leagues wish to stress that there will be only one team calling on each home owner; there will be no annoying repetitions calls, the only exceptions will apply in cases where townspeople are not at home at the time of the Saturday visits in which event they will be revisited on the following day.

In order that all may know the facts and understand the need for a generous response to this appeal, the governing bodies wish to (Continued on page 5)

We're Sorry

A mechanical error in setting up the advertisement of the Crestmont Savings and Loan Association for last week's issue of the Springfield Sun spoke of "checking accounts" as part of Crestmont services. Type, set for another advertiser, was inadvertently picked up by the printer and added to the signature of the Crestmont Savings and Loan Association.

Crestmont is a savings and loan association and has no checking account services, and the Springfield Sun regrets that this composing room error was not discovered before the issue was off the press.

Officials of the Crestmont Savings and Loan Association were in no way responsible for this error in the advertising copy and the Springfield Sun takes this means of informing all its readers that Crestmont, with offices at 175 Morris avenue, Springfield, and 1888 Springfield avenue, Maplewood, offers the best of savings and loan association services but does not handle checking accounts.

Primary Results Will Not Alter Committee Control

Control of the Republican and Democratic County Committees, after Tuesday's primary election, will see no changes although there were several contests.

In the first district the Republicans named Gilbert Mann with 75 votes against Bruno Papclak who polled 25. The other contest on the Republican ballot gave an easy victory to Carl F. Legig, receiving 84 votes against 38 for Henry J. Buttman, Jr.

The lone contest on the Democratic ticket for County Committee members was in the Fifth District where George M. Turk received 19 votes against 15 for his opponent, Carmen Catapano and

Mrs. Anna M. Turk, in the same 5th District, won from Mary Cagliano, 22 to 12.

The highest vote for County Committee on either ticket was the 128 polled by Georgia McMullen in her own district, the 24th—John E. Billings received 133 in the same district.

Mrs. Amy Brundome and Charles F. Beardley tied for second, each receiving 103 votes in their own districts.

"Here's a Switch" Industry Now Objecting To Homes

It always brings a chuckle when the baseball commentators say that "anything can happen in Brooklyn and it usually does." But Springfield is beginning to press Brooklyn for these honors with a "perfect switch" at a public hearing before the Township Planning Board.

Usually — and especially in Springfield — objections are voiced by property owners in residential areas against the encroachment industry. But the "perfect switch" came when two industries on Brown Avenue sent an attorney to appear before the Planning Board to protest against the plan to build homes on the Haselmann property "too close to their plants."

The New Brook Estates, with John A. Celestano of Clifton, as the developer, plans to construct 66 one-family, split-level homes on the 17 acres of ground, east of South Springfield Avenue.

The industries protesting against having homes built so close are the Investment-Casting Company and the C. G. Enterprises who, through their attorney, Norman Popper of Newark, told the Planning Board members that construction of residences too close to these plants might result in some protests from the future

residents because of the "smoke, noise and fumes from these plants." The Planning Board approved the proposed development by the New Brook Estates with the understanding that a ten-foot high line of shrubbery be planted between the new homes and the plants. The "noise, fumes and smoke" will be taken care of when there is such a nuisance, said a Township official, and appropriate action will be taken by the proper Springfield department.

After refreshments were served, the guests and guest of honor had a songfest. According to all reports, a good time was had by all.

The Metropolitan New Jersey Alumnae Association of Alpha Delta Pi will hold a benefit bridge party on Friday, April 29th, 8 o'clock in the evening, at the Summit-Field House, Summit, N. J., the proceeds to go to the sorority's national philanthropy, the equipment fund of the National Society of Crippled Children and Adults. Reservations may be made by calling Mrs. John H. Redfern, Jr., Chatham 4-0840-W.

Mrs. N. Madura, mother of John Madura of 115 Edgewood Avenue, died at her home in Goshen, N. Y., on April 11 and was buried April 13 from St. Joseph's Church in Florida, New York, with Mr. and Mrs. Madura and family attending the funeral services. She had been living in Goshen for 45 years and was a very active member of the Rosary Society of St. Joseph's Church in Florida, N. Y.

In addition to Mr. Madura, she leaves ten children, 12 grandchildren and 2 great grandchildren.

GIRL SCOUT Corner

Troop 4—
 Mrs. Edward Kirsch, Leader; Mrs. Eugene Boehm, Co-Leader. "South Pacific," here we come! We are all looking forward to Thursday afternoon, April 14th, because that is the day we are all going to the Paper Mill Play House in Millburn to see the Rodgers and Hammerstein smash musical, "South Pacific." It should be one of the biggest events of our vacation. We have been working hard on the Child Care badge and have now finished all of the requirements.

Troop 7—
 Mrs. Hilda Anfuso, Leader; Mrs. Martha Smith, Co-Leader. Working on our Second Class requirements has kept us busy for many weeks. We have had time, however, to finish making very attractive leather-lapel pins. Tuesday, April 12th, we are hoping for good weather so that we can have an outdoor picnic at the home of our leader, Mrs. Anfuso, at Glenview Drive.

Troop 21—
 Mrs. G. Rau, Leader; Mrs. F. Custeau, Mrs. J. Döge and Mrs. J. Moses, Co-Leaders. As Brownies, we have been working on our Girl Scout tenderfoot badge requirements. When we go on a picnic at Echo Lake Park on Wednesday, April 13th, we will be able to work on the "trailing" requirement. This is a wonderful way of combining "business with pleasure." We were all pleased to see how attractive our felt belts turned out. We made them and sewed sequins on for decoration.

Troop 28—
 Mrs. Emil Bontempo, Leader; Mrs. W. Anderson, Co-Leader. At Easter time, we turned our creative talents towards the painting, dressing and decorating of egg dolls. After painting the faces, we made hats and veils, then mounted the "heads" in egg box stands. We had lots of fun being hat designers and make-up artists. On April 12th, our whole troop will go to the George Washington Headquarters in Morristown.

Troop 31—
 Mrs. John Boehm, Leader. Before Easter, we all made Easter baskets and had fun dyeing eggs to fill them. This was a part of our troop's Easter party. During our spring vacation, we are planning a hike to the tower at Baltusrol Top. Mrs. Boehm, our leader, is now holding the troop meetings in her home at 38 Fieldstone Drive. A friendly welcome to a new scout in our troop, Leigh Freyman.

Word wanted to serve as trustee for the 1955-56 season of Temple Sinai at Summit at the annual election meeting held at the YWCA in Summit last week. Radin's trusteeship is a two-year term. Rich will be a trustee for one year.

Springfield was well represented at the Fifth District Drama Festival held Monday, April 18, at the Paper Mill Playhouse. Mrs. Henry Bultman, Mrs. William Darrow and Mrs. Henry Gross gave fine performances in "Men, Women and Dogs," a one act play by Florence Ryerson and Colin Clements. Assisting with our Drama Department's production were Mrs. Lee Andrews, Jr. as director; Mrs. John Williams, as prompter; Mrs. Harry Speicher, in charge of Make-Up; and Mrs. Robert Briggs, in charge of properties.

In her capacity as Property Manager for the Drama Festival Committee, Mrs. Lee Andrews was assisted by the following members of our Drama Department: Mrs. Edmund Bates, Mrs. John Bradley, Mrs. Leonard Field and Mrs. William Geitz.

Serving as members of the Hostess Committee were Mrs. Michael Tatusko and Mrs. John Trout.

Top honors at the Drama Festival were awarded to The Monday Afternoon Club of Plainfield. Their entry, "The Great Dark," by Dan Rotheroh, a drama of coalminers' wives in Wales, was judged the best production. Mrs. Donald Nease, of the same club, received an award as the best director. An award for the best, most original costume went to a member of the show's cast, Mrs. Muriel Leggett.

The "Best Actress" award was received by Mrs. Mary Woldin of the Woman's Literary Club of Bound Brook for her portrayal of "Ma Clevenger" in "Keep Me a Woman Grown" by Gladys Charles and George Savage.

Drama Critic for the Festival was Mr. Ralph Theodore and the presentation of awards was made by Mrs. Merle J. Unger, State Drama Chairman.

A complete scoring for each play will be forwarded to the Drama Department Chairmen of the respective Fifth District Clubs.

In addition to the one-act plays, the Festival featured a competition of costumed dolls and miniature stage settings. In the "Stage Sets" class first prize was awarded to the Rahway Woman's Club for "Life Mask" set. Second prize went to the Somerville Civic League for a setting of "Letters."

The best costumed doll was entered by the Connecticut Farms Woman's Club. Second prize was awarded to the Monday Afternoon Club of Plainfield and the Third prize was given to the Connecticut Farms Woman's Club. The dolls were dressed to represent a character from a stage production.

Your Library

The special Gardening Exhibit in the Springfield Free Public Library which was mentioned in this column recently has been so popular that new titles have been added. A very attractive series which gives concisely the essential information on each phase of gardening includes these titles: "Hardy Bulbs" by R. M. Carleton, "Perennials" by M. P. Johnson, "Annuals" by A. R. Robbins, "Vegetables" by J. M. Swartout, and "Small Fruits" by R. E. Barker.

A very handsome book is "A Treasury of American Gardening." The Complete Book of Bulbs" by Rockwell and Grayson is a comprehensive book. The younger readers are not neglected. "Guide to Gardening with Young People" is for them. "All About African Violets" by Monague Free, which was bought to fill a special request, is a nice addition to the house-plant section.

Why all the fuss-over censorship?

If there's one word that makes most Americans hot under the collar, it's the word censorship. They immediately think of dictators like Hitler and Mussolini and start rolling up their sleeves for a good fight. Yet there are very few homes in America today where some form of censorship is not practiced.

When Mom and Dad, for example, think Junior is watching too many murder stories on television, what happens? Click. Off goes the TV set. Mom and Dad also separate their small fry from horror movies and too-lurid comic books. Isn't this censorship? You're darn tootin' it is. Yet whenever well-meaning groups try to burn "harmful" library books of "obscene" magazines, these same parents blow their top. You can't blame these groups then, for asking, why all the fuss-over censorship? After all, how can a little censorship hurt a big country like America?

People who constantly plug for some kind of organized censorship in America, however, overlook two important points:

1. There's a big difference between telling your children what to read, and telling your neighbors!
2. History has proved that you can no more have a "little" censorship, then a man can be a "little" dead.

When Hitler first came to power in Nazi Germany, his regime started out just to censor "treasonable" books and magazines. The Nazis, as we well know, ended up stamping out every trace of government criticism. This censorship even applied to churches. The same thing has happened in Red Russia and Franco Spain. What started out as a LITTLE censorship, ended up as large-scale thought control.

Some people urge a "reasonable" amount of censorship in this country (whatever that is), claim it's their democratic privilege to suppress what they consider harmful. This is downright silly. In America, you don't put your neighbor in jail because he doesn't agree with you. Neither do you tell him what he can read or what movie he should see. If you don't like a movie, stay home. But don't tell everyone else they can't go either. That's not censorship, that's dictatorship.

Protestants, of course, have always been suspicious of any kind of mass censorship. That's why America's freedom-loving forefathers guaranteed freedom of speech and freedom of press when they wrote our Constitution.

Censorship for children? Well, maybe. That's up to the individual parents. But censorship for responsible, adult citizens? This, we pray God, will never happen in America!

Springfield Entitled To Recognition, Says Rigby

Lee S. Rigby, former Sheriff and member of the Board of Chosen Freeholders, lost in Tuesday's ten man contest for one of the three nominations on the Republican Freeholder ticket, but he finds considerable consolation in the fine vote given him by his own Springfield.

Rigby was high man in the Township and won every district in Springfield over all the other Freeholder candidates, his total being 446 against 301 for his nearest competitor, Mayor F. Edward Biertumpel of Union.

"Naturally, I am disappointed but not crushed," said Mr. Rigby in discussing his defeat throughout the county. "Mine was an important and his fine showing may encourage Springfield leaders to present a candidate for county office from the Township."

"I wish to express my appreciation to the Republican voters and workers for the vote I received in Springfield. While I did not win the nomination for Freeholder, it is most gratifying to know that my neighbors expressed so forcibly their confidence of my candidacy."

dependent campaign and I was battling against terrific odds with well-oiled political machinery and unlimited funds against me.

The vote given me by my neighbors and friends in Springfield was very gratifying and the figures should serve as encouragement for those who believe as I do that this Township should have definite representation on the Union County Board of Freeholders. We have been ignored for years and the Republican leadership in Springfield should accept the support given me as an independent candidate on Tuesday as an indication that the Township deserves recognition from the Freeholders by electing some one from Springfield to that Board as soon as possible."

Rigby conducted his campaign without actual organization sup-

"Electric Cooking heap big bargain"

"Cook'um whole meal only 2¢"

"HONEST INJUN," electricity is the most economical type of cooking known. Just two cents worth cooks an entire meal for a hungry family of four. That's less than a dime a day. A real bargain, you'll agree. And electricity offers other advantages. Because it's flameless, it's cleaner and cooler. Because it's precision heat, baking failures are a thing of the past. And because it's automatic, dinner cooks itself, keeps hot until serving time. See the new electric ranges at your Reddy Kilowatt dealer's.

Eileen Zuber Wed To R. W. Behrle of West Orange

Fight Against

(Continued from page 1)
 recognized as the Sabbath. "Our business is highly competitive. It calls for good merchandising, progressive management, good credit analysis, a good understanding of costs and proper mark-up to show a profit. We must always be on our toes to better serve rather than to give better prices than our competitors. In their zeal to give better service some stores are open evenings, and now a wave of stores are open Sundays. Is it impossible to serve in five or six days? Of course not. Is it because of a particular religion? Decidedly not. "I would say it would be because of a lack of it. Some find it difficult to compete on the basic principles of fair play, others have simply replaced God with the Dollar Sign.

Practice Unfair
 Some dealers who open Sundays, even go so far as to put in appliances and other merchandise as well so they may have the advantage of that "Good Day" when Department Stores and other establishments are closed.

"Some merchants such as druggists have a special function. Even the roadstand and the florist with their perishables have some reason for opening Sunday. In a rural section where dealers cater to a vacation trade there is a semblance of excuse for opening

Sunday. However, in our highly competitive metropolitan area one could almost place in the same category the black marketer of war days; the unscrupulous misleading advertiser (not advertising loss-leaders, but misleaders); the short count down graders; and the violators of the Sabbath.

"With the host of dealers striving to help each other, sacrificing their time and imparting the benefit of their experiences and knowledge, surely industry need not be relegated to the status of a roadstand. The violation of the Sabbath is a serious threat to our personal liberty. Surely we are entitled to this day of freedom from toil. Let us help each other so all may enjoy that freedom. There is one part of the world that is Godless—we are not living in that part!

"Let us hope that the God we worship, who gave us the Ten Commandments, will ever prevail not just in the church or synagogue but in every day living. Let each and every one of us love his neighbor and respect his competitor's rights and principles. Let us help rather than destroy."

Pledged To Fraternity

 one of the men selected to battle for Township Committee in November, both getting this number of ballots. Irwin Weinberg, the other Democratic nominee, received a total of 104, a fine showing for a newcomer to local politics.

Lack of real local interest accounts for the very light vote on Tuesday with a total of only 116 ballots cast by Republicans and 125 by the Democrats.

Comparison of Tuesday's figures with last year's primaries shows that Senator Clifford P. Case received 1553 votes last April and Mrs. Eleanor H. Worthington who was on the ballot unopposed for Township Clerk, polled a total of 1326 votes. The winning Freeholder candidates on the Republican side last year showed Carr with 972 votes, Mackey with 935 and Scheidler 931.

Township Committeeman Vincent J. Bonadies who was on the primary ballot last year without an opposition received a total of 163 votes as against the high of 109 for Keane and 104 for Weinberg.

The number of ballots cast by districts is as follows: Republican, 1st, 108; 2nd, 111; 3rd, 87; 4th, 155; 5th, 119; and 6th, 136. Total 716.

Democratic: 1st, 15; 2nd, 12; 3rd, 22; 4th, 4; 5th, 35 and 6th, 37. Total 125.

Youth League

point out that the equipment vitally needed for the season's opening, early in May, will require an outlay of approximately \$2,000.00, the major portion of which must be raised by public subscription. Included in equipment needs are such items as uniforms, caps, baseballs, catchers' protective

equipment, bats, gloves, tee shirts, liability insurance, and many other smaller units too numerous to mention.

Both groups, while originally inaugurated by the Town Recreation Commission, are entirely autonomous and are manned completely by civic-minded volunteers who devote a great deal of time and effort to the development of Springfield boys from 9 to 15 years of age through the medium of League Baseball. These games which are fully supervised, and regulated by the well-qualified volunteers, aforementioned, not only serve a most useful purpose by keeping our boys wholesomely occupied, but also inculcate and stimulate such necessary qualities as self-reliance, fair play, good sportsmanship and competitive spirit.

This movement is most important and vital to Springfield, to each and every family; the boys who participate know that you will not let them down; they confidently rely on your generous support.

CATHOLIC FORUM

Wanted a job—any kind of work—no limit to hours—no pay accepted.

Who in the world would seek a job such as described above? Hundreds do every year! Hundreds of splendid, intelligent, educated young women—some from our very finest families—are applying for just such jobs in the great Catholic Sisterhood.

"The poor ye have always with you," said our Lord; and in God's scheme of things, He has called to the service of His beloved poor the very flower of womanhood.

In this country alone there are more than 152,000 humble, holy women, joined by common vows of poverty, chastity, obedience. Some of them teach in convent and parochial schools. Others care for impoverished-old folks and orphans. Some nurse in hospitals, in homes for cancerous paupers, in leper colonies, and "hospitals" of the "battlefields." Still others go about begging at restaurants, hotels, and other places for leftover foods with which to feed the hungry, making their own meals from the remnants left by their charges.

There is no work too difficult, too menial, too revolting for these angels on earth to undertake gladly for God through His poor, regardless of race, color, or creed. And they earn no money. They possess no earthly thing—not even the clothes they wear. Yet the Catholic Sister is ever-smiling, ever-happy, because she is the "Bride of Christ" and in all things His will is her will.

More than 152,000 nuns in this country alone! What a tremendous national asset! How much would it cost in money and results to replace them with paid workers, who could not, and would not, labor with the same devotion and disinterestedness?

Beware of the story of the "Escaped" nun. There can be no such thing. Any Sister may freely leave any convent at any time. Beware of him who spreads such poisonous lies; for he is viciously striking at our country's benefactors and at those who are very, very close to the Sacred Heart of Jesus.

If it's anything Catholic, ask a Catholic!

80 Prospects Turn Out For Babe Ruth League

The prospects of a well balanced league were forecast last Saturday afternoon as the Babe Ruth Baseball League inaugurated their initial tryout sessions. About eighty boys turned up, and were greeted by League President Gene Donnelly, with many Dads and adults assisting with the various tryouts. The pitchers and catchers were given an opportunity to show their ability during the first hour, with the infielders and outfielder candidates working out for an hour and a half.

Several standout boys were missing, due to the Boy Scout Jamboree which was held at Warnanco Park Saturday afternoon, this was also the first day of trout fishing. This Saturday's tryout session will start at 10 a.m. at the Regional High School Athletic Field, with pitching, catching, infield and outfielders reporting at the same time.

Should any boy feel to make the grade as a pitcher or catcher, he will then be eligible to try out for either any infield or outfield position. The tryouts will continue through all of next week, with the selections to be made after next Friday night's workout. Daylight Saving Time commences this Sunday, which will give all boys additional time to prove their ability to make the grade. Those boys who fail to make the grade will be given an opportunity to work with the 2-team minor league group, replacing any boys who fail to keep pace. Each of the four-team league will have thirteen boys; two will include three hurlers, two catchers, five infielders and three outfielders. Several of the pitchers and catchers look good enough to play either first base or the outfield when not pitching or catching.

All four clubs will be completely uniformed, bearing the sponsor's name as well as having capable Managers and Coaches. There is need of additional men for the overall program, which includes coaching the boys in the fundamentals of the game. Scorers, trainers and equipment men are also needed.

The Springfield Recreation Commission purchased safety and protective equipment for the catchers, also bats and baseballs in an effort to organize the program. The uniforms and additional bats and balls will be supplied by the four sponsors.

The four-team league will get under way May 9th, with games played at the Regional High School number one diamond, and the new Florence Gaudineer diamond which is now under construction. All games will start at 6:30 p.m. promptly, with capable umpires handling the games. The league will operate through May, June and part of July, all dependent on the weather. Rained-out dates will be played on Friday nights or on nights agreed upon by those teams involved.

Gene Donnelly, League proxy, is now busy lining up an inaugural day program, with all particulars to be announced in next week's Springfield Sun. For any additional information on the tryouts, please contact either Norm LeBout of the Florence Gaudineer School Athletic Department, or Edward Ruby, Recreation League Director.

Attend Douglass College Opening

New Jersey College for Women, women's division of Rutgers university, at New Brunswick assumed the name of Douglass College on Saturday, April 16, at impressive ceremonies which were attended by nearly 1,000 guests.

Attending from Springfield was Mrs. Adam La Sota, an alumna of the College, and, currently, the Fifth District College Chairman of the N. J. State Federation of Women's Clubs.

The College has been named for Mrs. Mabel Douglass of Jersey City, the first dean. Mrs. Douglass was also the first Chairman of the College Committee of the N. J. State Federation of Women's Clubs and was responsible for interesting the "Federation" in spurring the movement for a women's college. The Federation pioneered for a liberalized college for women.

Dean Margaret Corwin, retiring dean of Douglass College, presented the Federation with a scroll, praising its "intelligent concern for every aspect of the college's development and welfare." The citation was accepted by Mrs. Wilson Y. Christian, president of the Federation.

In addition to Dean Corwin, speakers at the ceremonies included Governor Meyner, Dr. Lewis Webster Jones, Rutgers University president, Mrs. Millicent C. McKintosh, Barnard Col-

3 New Teachers Named By Board

Three new teachers, Mrs. Marjorie Ross of Chatham, and Mrs. Charlotte Eloquent of East Orange for elementary classes; and Miss Mary Zeek of Plainfield for music, were employed by the Springfield Board of Education at its regular meeting Tuesday night.

A meeting has been arranged with architect of the new Edward V. Walton School being built on Mountain Avenue, near Hillside to discuss the progress being made. The new school is scheduled to be ready for September. It was also announced that because the school system has no double sessions or need for summer coaching, the report being made by a special committee on the school population trends in Springfield is expected at the next meeting in May.

Show Musical Talent
Mrs. Theodore M. O'Connell of 132 Pitt road and her sister, Mrs. Josephine LeRoux, participated in a musical program held at the St. Aloysius Parish Hall in Newark on April 15, 17 and 18. They were billed as a whistling duet. Teddy, Jr., Mrs. O'Connell's son, sang a few songs with the St. Aloysius Players, a school group in their performance of the show, "Smiles of '55'."

Youth Baseball League Head Thanks Sponsors

Saturday, April 30, has been set aside for a drive for funds for the Springfield Youth Baseball League in a proclamation issued by Mayor Albert G. Blüder and citizens of the Township will be asked to help this worthwhile activity. Township Committeeman Eugene F. Donnelly, as head of the

Babe Ruth League, publicly thanks those who are sponsoring and financing the four clubs in the league this season, with the following letter:
Editor, SUN:
As president of the Springfield Babe Ruth Baseball League, I would like to publicly express the thanks of myself, and the members of the Babe Ruth League Committee on behalf of the boys who will benefit, to the sponsors of the four teams we are planning to field this year. Those who have come forward with the necessary basic money, without which we could not have gone far, are as follows:

Nicholas Angleton (Short Hills and General Greene Villages), Schaeble Oil Company, 192 Mountain Avenue.
Drake Fuel Sales Co., 679 Morris Avenue.
Lions Club of Springfield (Sponsored by Dean Widmer, Cliff Zimmer and Bunnell Bros.—Dick and Bob).

It is most encouraging to those of us who are doing the field work on this project to know that we are supported in this manner. I hope their fine work will be an inspiration to all of our citizens when they are solicited for funds on April 30.

Very truly yours,
Eugene F. Donnelly,
260 Northview Terrace.
