Short Hills Driver Pays \$110 In Fines

Ralph N. Coxhead of Short Hills was fined \$110 Monday night by Magistrate Henry C. McMullen for driving an unregistered vehicle and for driving without a New Jersey driver's license in his possession.

Coxhead said he was driving with a Florida license and registration but admitted that he had lived in this state since last January.

Coxhead was given the two summonses July 5 by Patrolman Thomas Kennedy. He originally was slated to appear here July 11 but asked for a postponement until Aug. 1. When he failed to appear then, McMullen ordered a warrant issued.

The judge said last night that if Coxhead had attended court in Springfield, Aug. 1, he probably would not have gotten into trouble several hours later in Madison Township. Coxhead asserted that he had misunderstood the date for his appearance.

Suspended Sentence
Coxhead was given a suspended three-month sentence in the Middlesex County Workhouse and fined a total of \$325 Thursday in Madison Township on three motor vehicle violations and a disorderly persons charge. His New Jersey license was revoked for a year. Coxhead said he had obtained the license the day after he was arrested in Springfield.

The Madison Township charges grew out of a 29-mile chase on the Garden State Parkway early last Tuesday morning during which Coxhead was charged with speeding 120 miles an hour in his 1955 sport car.

P.T.A. Plans Fall Thrift Sale Here

Mrs. I. J. Gershen, the finance chairman of Springfield's P.T.A., has announced that their annual Thrift Sale will be held on Oct. 17, 18, and 19.

Mrs. Gershen says inquiries have already been received from "early birds" who have started cleaning out closets and garages for items to donate to the sale.

She wants Springfield mothers to search through their homes for usable clothing, home furnishings, bric-a-brac, etc., for contributions.

"These items, which are not needed in your home, can be turned into cash for the many P.T.A. projects," stated Mrs. Gershen last week.

For information on how the P.T.A. will pick the gifts up at individual homes, Mrs. Gershen suggests calling Millburn 6-5772, which is her home.

Palmer To Parade In Shore Pageant

The latest entrant in the annual Ocean County Big Sea Day Parade and Pageant to be held here on Saturday, August 13th is Donald H. Palmer, 4-Bleeker avenue, Springfield. Palmer will ride an eight-foot high wheeled bicycle in the parade, competing for honors in the general entries section.

Record crowds are anticipated again this year for the Pageant which was viewed by more than 200,000 persons last year. Highlights of the event are a 2 1/2-mile parade of early Jersey Shore Americana, and finals of the New Jersey Seafood Princess Contest.

Antique autos, floats depicting scenes during the Gay Nineties, cornet units, and twelve or more marching bands will participate in the twilight parade, honoring Miss Seafood Princess of 1955. The Princess will be selected in an afternoon competition on the boardwalk here.

Other events to be held during the day include a gigantic fireworks display, several old-fashioned barn dances, and an antique auto display.

Sets 4 Week Sales Record

The Grand Union Company sales for the 4 week period ended July 30, 1955, established a new record amounting to \$21,090,065. This compares with \$16,448,146 in the comparable period last year, an increase of 28 1/2%.

Sales for the 22 weeks ended July 30, 1955, were \$111,843,056 compared with \$91,196,275 in the corresponding period a year ago, an increase of 22 1/2%.

TESTING - TESTING—Installation activities at New Jersey Bell's telephone center, 386 Millburn Ave., have progressed to the testing stage. Left, Western Electric installer William B. Crowell of Montclair operates a busy test set, aptly named the "Mighty Midget," which is capable of making 50,000 test calls a day. Inset above, installer Arthur Shannon of Pequannock makes one of the final connections necessary to interconnect the more than 200 dial equipment frames. A million wire connections have already been completed. Coincidentally with the change-over to dial service, scheduled for early October, Millburn 6 and Short Hills 7 telephones will get new designations—Drexel 6 and 9.

Democrats Declare "Right Of Inquiry" Being Denied Citizens

The democratic candidates in the November Election, Francis Keane and Irwin Weinberg today issued a statement in protest of the so-called imposed gag rule by the Township Committee. Their statement refers specifically to the town meeting of July 27, at which time the zone variance for the Angleton property was in question.

Mayor Albert G. Binder had announced just prior to the hearing that in order to "avoid long debates," questions could be directed from the floor at one time, noted by the clerk and answered collectively by the Committee. Below is the statement:

"We were recently returned to feudalism when the 'rulers' of Springfield imposed a gag on the citizens of this town. At the July 27th Meeting of the Township Committee the 'rulers' decreed that they did not have to answer directly any questions proposed by the townspeople who were present, inquiring as to how major changes in existing law would affect them and their neighbors.

"A Township Committee should have nothing to fear if it has nothing to hide. Citizens of the town who ask informative questions are not 'politically inspired.' All they ask is that their questions be answered intelligently, that the cloak of secrecy be lifted and the air cleared.

"Township Committee meetings give a fundamental right to a citizen, that right is the prerogative to inquire into their government, its actions or its decisions.

Home Building Designs Make National Mag

William C. Chirgotis, well known local architect, has gained national prominence in the Beacon Publications Magazine, Architect-Designed Homes.

The entire issue of the magazine is devoted entirely to home styles designed by Chirgotis including ranch, two-story, colonial and 13 split level designs.

William Chirgotis is one of the nation's foremost architects of small homes and since his graduation from Newark College of Engineering and Pratt Institute, he has concentrated on designing house plans which combine the maximum of economy with the maximum of convenience — the perfect combination for the perfect home.

He is a member of the American Institute of Architects and endorsed by the National Council of Architectural Registration Boards. He has pioneered the development of garden apartments, notably in Springfield, Short Hills Village and the General Greene apartments and recently served on Mayor Binder's committee to investigate the enlargement of town hall facilities.

Sayre Home Purchasers To Hold Auction Sale Aug. 20

Lovers and connoisseurs of authentic Americana which includes antiques and numerous objects for the collector and householder, are looking forward to the unrestricted public auction to be held at the residence of Mr. and Mrs. Clyde W. Heath at 13 Lorraine Place, Summit, on Saturday, August 20, starting at 11 a.m.

The Coleman Galleries of 234 East 59th Street, New York City, will conduct the auction. All the items to be sold at auction will be on exhibition at the Heath residence in Summit next Wednesday, Thursday and Friday, August 17, 18 and 19 from 7 to 10 p.m. All those interested in the collection to be offered for sale on August 20, Saturday, are invited to visit the Heath residence to see the various exhibits.

Mr. Heath purchased the historic Sayre home in Springfield, said to be more than 200 years old, and the job of preparing the place for occupancy is nearing completion so that the Heaths may move into the famous house on top of the mountain. Many of the very old furnishings of the Sayre home will be part of the auction on August 20, the Sayre homestead having many unusual items of Americana, some of them over 200 years.

The historic Cannon Ball House in Springfield was also furnished by the Heaths during the recent celebration of the 175th anniversary.

Palmer Still Insists On 24 Hour Parking Ban For Our "One Street Town"

The heat spell was broken a bit early this week—but Springfield's controversy with State Highway Commissioner Dwight R. G. Palmer is still sizzling.

The most recent exchange of letters quotes Commissioner Palmer as referring to Springfield as "a one street affair" while Mayor Albert G. Binder's boiling reply throws the responsibility on the State Highway Department "for the potential loss of life and limb" caused by the exposed car rails on Morris Avenue.

Commissioner Palmer's apparent ridicule of Springfield in his letter to Assemblywoman Florence P. Dwyer regarding the Morris Avenue matter, has aroused loyal Township officials and residents. He insists that "the parking area back of the stores (on Morris Avenue) are more than adequate. To continue to run this town as if it were a one street affair is gradually shaping its destiny into exactly that channel, and no town can grow in that pattern. It's been tried before and failed."

The controversy is the result of repeated requests made by the Township of Springfield to the State Highway Department to eliminate the exposed street car rails on Morris Avenue which is part of State Highway 24. Many accidents have occurred on Morris Avenue because of these exposed tracks.

Through the efforts of Assemblywoman Florence P. Dwyer word was relayed to Mayor Binder and the Township Committee that the State Highway Department was not only ready to resurface Morris Avenue and thus cover up the rails and eliminate the hazard but that the job could be done immediately and finished by September.

Word that the hazard would be removed was received with considerable acclaim by Springfield. Then followed the exchange of letters in which Commissioner Palmer informed Mayor Binder that "though we could complete this job by September of this year, WE WOULD BE UNWILLING TO UNDERTAKE IT UNLESS YOUR PARKING REGULATIONS ARE MATERIALLY CHANGED. IN OTHER WORDS NO PARKING ON MORRIS AVENUE." Commissioner Palmer asked for a 24 hour

Teeming Town Taxes Topping 1954's Take

Springfield's tax collector is getting hungrier every day. He bit off more than \$100,000 during the first seven months of this year over what he gobbled up in the same period last year.

Charles H. Huff, the collector of taxes in Springfield, shows \$912,830.72 taken in on his books through July of 1955, compared with \$797,195.70 received in 1954. But July's heat wave appears to have taken the edge off his appetite. The tax bite for the month dropped off \$4,649.96 from the amount collected in July of 1954.

An encouraging sign from the tax report is that Springfield has almost reached the \$4th mark of the anticipated budget with (Continued on page 4)

Hustling Newsboy Proves To Be Honest As Well As Enterprising

Those who wring their hands in despair because of the much publicized increase of juvenile delinquency may get some comfort from an incident, last week, in which one of the Springfield Sun newsboys played an important and heart-warming part.

Dieter Riegel, who lives with his parents on Mountain Avenue, a wide eyed youngster who needs that "extra money" has been selling the Springfield Sun for some time and he's enterprising enough to keep increasing his list of regular customers with each new issue.

Last Thursday Dieter was hustling along his route on Morris Avenue and asked a lady behind the wheel of a car stopped for a light, if she cared "for a copy of the Springfield Sun."

She did care for a copy and the sale was completed rapidly so that she could proceed with the changing of the traffic lights. Dieter had hurriedly accepted the bill she handed him, gave her 50 cents in change and the lady in the car drove away.

Dieter smoothed out the bill and he was startled and confused when he discovered that the lady had given him a \$10 bill which, evidently both thought was a dollar. Dieter immediately reported the incident to his mother and then came to the Springfield Sun office and asked that the \$9 be held in case the lady discovered the mistake.

And, happily, the lady not only discovered that she had given Dieter a \$10 bill but also that she recognized the eager little newsboy and knew his aunt, Mrs. Elizabeth Mittnach, a neighbor on Mountain Avenue.

The Springfield resident who is \$9 richer today is Mrs. K. D. Tompkins of 153 Baltusrol Avenue, wife of Patrolman Tompkins of the local police department. Dieter rushed to the Springfield Sun office and when last seen was actually running towards Baltusrol Avenue with the nine dollars clutched in his hand.

Mrs. Tompkins is happy, the Springfield Sun is proud of Dieter and those who are worrying about the new generation can take heart.

TWO MORE LETTERS ON THAT MORRIS AVE. CONTROVERSY

FROM COMMISSIONER PALMER
State of New Jersey
State Highway Department
July 27, 1955

Honorable Florence P. Dwyer
Assemblywoman, Union County
320 Verona Ave.
Elizabeth, N. J.
Dear Assemblywoman:

Mayor Binder and I had quite a visit over the telephone and I repeated our constant stand that the Highway Department could not under any circumstances proceed on a resurfacing of Springfield's thoroughfare unless all parking at the curb ceases.

The parking areas back of the stores are more than adequate. To continue to run this town as if it were a one street affair is gradually shaping its destiny into exactly that channel and no town can grow in that pattern. It's been tried before and failed.

Dwight R. G. Palmer,
Commissioner.

cc: Hon. Albert G. Binder

FROM MAYOR BINDER

Hon. Dwight R. G. Palmer
State Highway Department
Trenton 1, N. J.
Dear Commissioner:

I note from a copy of your letter of July 27th to Assemblywoman Florence P. Dwyer, that you reiterated your stand not to eliminate the car rail hazard on Morris Avenue, thru Springfield, unless we ban all parking on this thoroughfare.

I believe I made our position clear to this unreasonable request, so we are right back where we started from. Your statement to Mrs. Dwyer that Springfield is a "one street" town is so far from the fact that I hesitate to comment. I personally invite you to visit us, and I assure you we can readily dissipate such an erroneous conception.

In the meantime, while we continue this irrelevant and unrelated controversy, the hazard of the car rails remains, and the State Highway Department must naturally assume full responsibility for the potential loss of life, limb and property to the unsuspecting motorist.

However, as public officials, we do have our responsibilities to protect both the local and transient motorists who use this stretch of highway thru Springfield. Consequently, as a precautionary measure, we are contemplating posting signs on the approaches to these rails, warning the public of the dangerous condition that exists on this state highway. Whether the state's responsibility is both legal and moral, I am not in a position to state. Time and recurring accidents will decide the point.

I appreciate such signs will have a retarding effect on the movement of traffic throughout this highway in Springfield, but we have no other resource but to alert the motorist to a condition which is beyond our control.

Sincerely,
Albert G. Binder,
Mayor.

New "Know Your Town" Booklet To Be Out Sept. 15

Put a red circle on your calendar around the September 15, for that is the publication day of the booklet "Know Your Town of Springfield."

While everyone has been sweltering in the torrid, summer temperatures, the League of Women Voters has been engaged in editing copy, collecting photographs and reading proof on the township booklet.

This ambitious undertaking has been headed by co-chairmen Mrs. Mort Adell and Mrs. Norman S. Freedman. The book contains 17 chapters and is profusely illustrated. In addition it boasts a complete business directory without any cost to the local merchants, and a map of the township.

All phases of life in Springfield are covered in this well planned project and include such topics as History, Government, Budgets, Police and Fire Departments, Public Welfare, Education, Library, Recreation, Streets, Housing Landmarks, Churches and Organizations.

Many local citizens have played an important role in the preliminary gathering of information and pictures for the book. Donald H. Palmer, Curator of the Springfield Historical Society, has been of invaluable assistance as has Henry McMullen, President of the Society. Mrs. Eleanore H. Worthington has given generously of her time to insure the accuracy of the chapters on civic matters.

Mrs. Teresa Doherty, Secretary of the Recreation Commission, Helen Reyer, of the Public Library and B. F. Neuwanger, Superintendent of Schools, are other civic-minded citizens who have aided the League of Women Voters during the past few months.

Guests Offer Thanks
Walter and Martha Gaestel of 38 Shunpike road, Springfield, expressed their sincere thanks last week to neighbors and friends for the kindness and thoughtfulness following the loss of their son, Philip, who was killed by a car on August 1.

The Gaestels also thanked the many total strangers who have sent flowers, cards and thoughts of sympathy to them.

Girl To Cicconis
Mr. and Mrs. Anthony Cicconis of 751 South Springfield Avenue announce the birth of a baby girl, Louise Anne, born on July 29 at the Hospital Center in Orange. The mother is the former Genevieve Zara of Union. The Cicconis have two other children.

Rocket Ship Leaving For Moon Thurs.

Last week-end the residents of Springfield saw a merry-go-round in front of Grand Union, and this week-end they will be astonished to see a real live rocket ship all ready for a take-off to the moon.

This week-end the Silvercup rocket ship, sponsored by the Grand Union, is offering a free ride to all Springfield shoppers who can take time out for a quick trip to the moon and back again.

The rocket ship which is 47 feet long and weighs 21,000 pounds, is the actual ship seen on the TV show "Rocky Jones." To add to the excitement one of the space cadets from the show will be there to greet all passengers.

This is a very complete rocket ship indeed. It has taken 4 years to build, and will hold approximately 30 kids at one time. Anyone entering the ship will be amazed at the equipment on the control board. These controls include a ray-gun, television sets, a visograph for photographing anything ahead of the ship, and a reactor which measures the ship's weight and can also shift gas from one tank to another when needed.

Behind each button on the control board there is a tape recorder which has sound effects of the ship's take-off, gun fire, and small rocket explosions.

All this will take place in front of Grand Union in the General Greene shopping center Thursday from 12 noon to 6 P.M., Friday from 12 noon to 9 P.M., and on Saturday from 12 noon to 5 P.M.

 As we near the end of the playground season, the competition for points has become very keen. We are all anxiously awaiting the final tabulation. Here are the top ten so far: Larry Watkins 117, Bill Franklin 110, Eddie Bullock 105, Kay Eskin 63, Warren Watkins 46, Edsell Westerfield 44, Dirinda Wither 36, Joel Gwathney 35, Eloise Neville 34, and Vernon Watkins 32.

We have closed the entries for the "Name Your Playground Contest" with a long list of suggestions from which the new name will be chosen. These suggestions will be voted upon by the South Springfield Community Club on Monday evening. The winner's name will be announced at the playground Tuesday and will appear in our article next week.

Our Tether Ball Tournament, scheduled for Friday, was postponed because of the weather, but will be held on Monday. In arts and crafts this week there was a noted mania for covering coat hangers with plastic lace, using the spiral stitch. Outstanding jobs were done by Larry Watkins, Eddie Bullock, and Charline Collins. Checkers, chess, and pot holders are still holding their own in popularity, and in the sports line, we found a few minutes cool enough on Friday for some races. Dirinda Wither and Bill Franklin were the victors. We have scheduled more races, including some relay races, for the next cool afternoon.

Jewish Community Center Day Camp

We celebrated Frank Kramer's eighth birthday with a hot dog cookout. Mrs. Kramer treated us to two ice cold watermelons for our dessert. We had entertainment by Arnold Mintman, Mark Kravetz, Eugene Johnson, and Douglas Kappstater.

Kenny Max joined the deep water swimmers. He now dives off the low and medium height diving boards and can swim in deep water. Larry Simon surprised us with some beautiful diving off the high diving board.

The older campers went boating at Echo Lake Park. Adrienne Marder, Susan Johnson, Judy Lawit, Regina Cooperman rowed boats for the first time. Kenny Max and Douglass Kappstater took their fishing poles but didn't catch a single fish.

We are making papier mache puppets under Mrs. Lillian Johnson's supervision. We are planning a puppet show for the last week of camp. The older campers are going to impersonate famous movie and TV celebrities. Their puppets will be made to look like them.

The boys and girls in the older group are making beautiful rings and bracelets out of beads. Some of the campers are learning to weave on a loom.

The younger campers made a very large model zoo in our sand-

pile. They made cages, pipe cleaner animals, roads, a parking lot and a lake.
 The campers are enjoying using hammers and saws. Even the girls have been making projects out of wood.
 Our sports program is as popular as ever. Badminton is the game both boys and girls seem to enjoy most.
 We are having a masquerade

this week. The older campers must make their own costumes. They have to be original in order to be eligible for a prize. Winners will be announced in our next Day Camp report.
 We have two new campers. They are Freddie Gold and Steve Atkins.

 Due to the rain we had Friday,

We could not hold our weekly contest as planned. We will have it sometime this week along with our regularly scheduled contest for the week.
 As we rapidly approach the end of the playground season, the fervor for various activities has seemed to slacken just a little. To the contrary, though, the excitement for checkers and baseball has continued, and seems to have mounted in popularity.
 The new rage of James Caldwell is a detective game called "Clue." Yesterday was the first day we played the game. The boys and girls who were the first to try their luck at this novel pastime were: Ed Raekowski, Pete Conn, Kenny and Judy Ryder, Richard and Robert Neumann, and Laura Mertz. Even the playground supervisors became intrigued with the new game and joined in the fun.

The professional gag men and scriptwriters insist that all jokes boil down to seven basic situations. The "new" jokes you hear are merely twists of the basic seven.
 Since summer time is the season for more people getting away and getting to meet more people, it's also the time for hearing new jokes. Come Fall and these "new" ones will get their workout hereabouts.
 It's good to laugh — even if you've heard them before. "A little nonsense now and then is relished by the wisest men."

Former Newarkers whose new address is 83 Garden oval are Mr. and Mrs. Alfred Hausman and their children, Kenneth Bruce, age 7 and Robin Sue, age 2. Mr. Hausman owns a pharmacy in Linden.

Mr. and Mrs. Joseph Rokosny of 27 Warner avenue journeyed to Pittsburgh, Pa. last weekend to see their cousin, Regina Rokosny, join the 3rd order of St. Francis at Mt. Assisi Academy. The Rokosnys recently returned from a two week holiday at Highlands, N. J.

Mr. and Mrs. Ivan Crouch of 18 N. Derby rd. proudly announce the birth of their daughter, Ellen Ann, on June 25 at Beth Israel Hospital, Newark, weighing 6 lbs. 13-oz. Mrs. Crouch is the former Judy Mendelsohn of Newark.

A daughter, Lynn Robin, was born on July 13 at St. Michael's Hospital to Mr. and Mrs. Daniel Gerber of 121 Mapes ave. She weighed in at 7 lbs. 2½ oz. Mrs. Gerber is the former Rosalyn Alperin of Boston, Mass.

The week's birthday belle is Randi Ellen Sherman, daughter of Mr. and Mrs. M. Sherman of

23 S. Derby rd. Randi Ellen celebrated her 3rd birthday at a party in her honor on Saturday, August 6. Her guests were Glenn Wurtzel, David and Andrea Margolies, Robert and Charles Vogel, and Freddie and Dick Freundlich.

Lake George, N. Y. was the ideal site chosen for a vacation by Mr. and Mrs. David Kaplan of 185 Henshaw ave. and their daughters Phyllis and Toby.

Off to camp went two members of the Biddelman family of 122 Mapes avenue. Marc and Janet (Continued on page 5)

Palmer Still

(Continued from page 1)
The latest letter from Commissioner Palmer, addressed to Assemblywoman Dwyer, repeats that the "Highway Department could not under any circumstances proceed on a resurfacing of Springfield's thoroughfare unless all parking at the curb ceases."
Mayor Binder's reply, dated August 5, invites Commissioner Palmer to visit Springfield so it disproves his statement that it is a "one street town."

Teeming Town

(Continued from page 1)
five months to go. It was figured at the beginning of the year that it would take \$1,331,511.00 to run the Township schools, police, etc. The "take" on any particular month is not too indicative of increased taxes because of the amount of delinquent taxes that were due years ago, but are just being paid now. For example, so far this year \$32,016.33 has been collected for taxes due in 1954. And for "mad money," the Township received a cool \$6.40 for taxes due in 1950.

Doris Pollock, Regional Grad, Announces Betrothal

Miss Doris Pollock

Hi Neighbor

(Continued from page 3)
Biddleman are now at Camp Wappalame, Stokes State Forest, Branchville, N. J.

When Dr. and Mrs. G. Hale and their daughters Susan, Diane, Nancy and Jo-Ann, left for England last Friday on the liner United States, many good friends were there to wish them "Bon Voyage." Friends from Springfield included Reverend and Mrs. Bruce Evans and their children Janet and Bruce; Mrs. Dor Hestegrove and her son Matthew; Mrs. Bryant Haas and her son Bobby and former Springfield residents Mr. and Mrs. John Handley.

The Hales will spend a year in England where Dr. Hale will serve as an exchange professor at Luftboro Training College.

What better way to spend a summer vacation than with good friends! Mr. and Mrs. Wilbur Schoenleber of 7 Remer ave. and their son Donald and Mr. and Mrs. Adolph Sisum of 13 Remer ave. and their sons Raymond and Robert have just returned from a happy holiday at Pleasant Lake, Elkins, New Hampshire.

Mrs. C. W. Myers of Los Angeles, California is now visiting with her daughter and son-in-law, Mr. and Mrs. Bryant Haas of 38 Edgewood ave.

The new address of Mr. and Mrs. Bert Hope is 99 Bryant ave. The Hopes and their two children, Alison age 3 years and Drew age 6 1/2 years, have moved here from Maplewood.

Plan Rummage Sale

The Ladies Auxiliary of the Veterans of Foreign Wars Post in Springfield are planning a rummage sale for sometime in October, according to Mrs. Lillian Cardinal, auxiliary president. Mrs. Cardinal is anxious to have as many families as possible take part in the sale. She says anybody with items to donate should call Millburn 6-1072 or Millburn 6-6235-J.

Proceeds from the sale will go towards the new post home building fund.

Three-fourths of the population of Rio de Janeiro is under 40 years of age.

Mr. and Mrs. Percy T. Pollock of Shrew Hills, formerly of 46 Colonial terrace, announce the engagement of their daughter, Doris, to John Costello, son of Mr. and Mrs. John Costello of Quincy, Massachusetts.

Miss Pollock graduated from Regional High School and attended Springfield College, Massachusetts for two years.

Her fiance, graduated Quincy High School and is in his junior year at Springfield College majoring in Physical Education.

The wedding is planned for September 4 at St. James Catholic Church in town.

Democrats Declare

(Continued from page 1)

"It has become rather apparent that this right has been completely stripped from the citizens of this town. The so-called open meeting has become a farce. As constituted by the 'rulers' of our town, the open meeting permits them to take pot-shots at those who seek to question them and yet when the attack had reached a personal stage, those attacked were not given the right or opportunity to reply. To all those who recall that this great democracy was founded on the concept of a government by the people and for the people, Mr. Handville, reflected the majority opinion of our Township Committee when they overruled the Constitution in stating and we quote, 'We are not responsible to any minority group, we are not responsible to any majority group, we are not responsible to anybody.'

"In having to return the Angleton Ordinance to the planning board, Mr. Remlinger referred to the law as an obstruction, a technicality. He points to the fact that the law was on the books when Mr. Keane served on the board, but use was never made of it. We would like to point out to the people of Springfield that running for office we could have caused undue embarrassment to the Township Committee by permitting them to pass the ordinance illegally and then bringing a law suit and have the ordinance declared illegal. We took it upon ourselves to perform a service to the Town of Springfield by calling to the attention of the Township Committee their ignorance of the law and gave them an opportunity to correct the ordinance. We could have benefited our campaign far greater if we resorted to court action to have the ordinance set aside. However we decided to forego this opportunity

because a law suit would have cost the townspeople money. We say, the law protects us against irresponsible men and their actions. It's about time for the people of Springfield to start thinking about a change in their government.

NOW—LEARN SECRETS TO A RICH, GREEN, TROUBLE-FREE LAWN
 Methods of 5,000 golf course experts revealed
 How do golf course greenskeepers cultivate those gorgeous green and fairways so luxuriant, rich in color, always free from crabgrass, insects and disease? The secret is in the CONCENTRATED SPRAYS they use—low in cost, high in potency, and far easier to apply than old-fashioned bagged products.
 For the first time, these PROFESSIONAL CHEMICALS are available for HOME LAWNS! Thousands of delighted home owners are asking, "Why were we never told about these money-saving concentrates before?" The reason: only golf courses with their big tank sprayers could apply them, until CARAC offered professional concentrates along with sprayers designed for easy home application.
TREAT 4,000 SQ. FT. OF LAWN IN 8 MINUTES!
 Amazing CARAC EVEN-RAIN LAWN & GARDEN SPRAYER makes professional lawn treatments as easy as watering. Attach it to end of garden hose—water-pressure does the work, automatically gives correct mixture of chemical and water. This precision-engineered home sprayer features a wide-mouthed, calibrated jar, powerful suction, turbo mixing chamber, exclusive safety backflow valve, solid brass-lined jets. It's the only sprayer designed to let you apply low-cost, high-potency chemical concentrates to your own lawn! Only \$3.95

CARAC PMAS is the most powerful crabgrass and disease killer known to science. This is the same potent concentrate used by over 5,000 golf courses, universities, park departments, and other institutions. Kills crabgrass without harming good grasses. Stops all common fungus diseases that cause brown spots in lawns.
 8 oz. treats 4,000 sq. ft. \$3.69 16 oz. treats 8,000 sq. ft. \$5.95
CARAC CHLORDANE wipes out ants, Jap beetle grubs, fleas, white grubs, chinch bugs, lawn moths, all your lawn's insect enemies, and termites, too. One application grub-proof for 4 years. One pint of this super-concentrate equals 20 lbs. of ordinary 5% chlordane dust—and it costs about half the price!
