Gaudineer May Have 15 More Class Rooms

Additional school room for the rapidly increasing population in Springfield was under serious discussion by members of the Board of Education Tuesday evening with the announcement that 15 rooms may be added to the Florence Gaudineer School. A referendum on this addition will be set for the early part of next year.

F. A. Elasser, who was the architect for the Florence Gaudineer School, was authorized to prepare preliminary sketches for the additional rooms.

The special planning committee of the local board announced that the study indicated that the only feasible method of caring for the growing school population is the additional class room space in the present buildings. The new Walton School which, according to the latest reports, will not be finished until November, is already being considered for a new wing.

Double sessions throughout Springfield will be necessary because of the delay in completing the Walton School. The new school was first scheduled to be ready in time for the school opening next month but the latest progress report gave October 1 as the completion date. Now, according to members of the School Board, it will not be ready until November.

Appointed As Naval Reserve Exec. Officer

Lt. Robert G. Hirsch.

Lt. Robert G. Hirsch of 198 Lelak Avenue was appointed as Executive Officer of Division 3-27 of Port Newark Naval Reserve, it was announced by Lt. Commander Robert Plumb, Commanding Officer. Mr. Hirsch is a graduate of the U. S. Naval Academy and was on active duty during the Korean conflict.

In civilian life he is a scrap metal dealer with Abe Hirsch Metals in Newark. In addition, he is attending Stevens Institute of Technology and is working toward his masters degree, specializing in metallurgy.

Mr. Hirsch was former Assistant Training Officer at Division 3-27 which has the responsibility for training naval reservists as boilermen, electricians, pipefitters, in sonar and in communications. Division 3-27 is one of six divisions which comprise the Naval Reserve units at Port Newark, and meets one night a week.

Mr. Hirsch is married and has a daughter two years old.

Legion Fights Off Garbage Invasion

The local American Legion Post found themselves up to their necks in garbage recently because of a Springfield SUN error.

The July 21 edition of the SUN reported that the American Continental Post No. 228 would pick up scrap metal from Springfield residents would "put all their papers and rubbish in bundles and place them by the curb." Of course, the Legion only picks up newspapers.

So the Legion went out on the first Sunday of the month to pick up the papers which they sell for funds for veterans' rehabilitation. But Springfield residents had taken the SUN at its word and laid out rubbish as well as papers.

Now, Post Commander Wilber C. Selander reports, the Legion is stuck with a "load of garbage." He says it has very little resale value and it smells. Phew.

Registration for Springfield Elementary School

Registration of all children who have moved into Springfield during the summer has been set for Thursday, August 25. The hours are from 9:00 A.M. to 1:00 P.M. It will take place at the James Caldwell, Raymond Chisholm, and Florence M. Gaudineer Schools.

The date has been set in advance of the opening day of school which is Thursday, September 8. The early registration is arranged to enable the work of the schools to begin promptly and efficiently. No registrations will be accepted on the days of the opening, September 8 and 9.

The entire faculty will report on Wednesday, September 7. This will be an all-day session to orient new personnel and complete final preparations for opening day.

Branch P.O. In Newberry's To Open On Monday

Postmaster A. V. Del Vecchio announced that Contract Station No. 1, located in and operated by the J. J. Newberry Store in the General Greene Shopping Area, will be open for postal business at 9 a.m. on Monday, August 22. Robert Davidson, manager of the Newberry store, will be in charge of the new station.

Contract Station No. 1 is the first such unit ever established in Springfield. "The opening of postal facilities in the General Greene shopping area provides local residents with a centrally located and readily accessible point at which postal business may be transacted. This unit satisfies an urgent need for such facilities as well as keeping the Springfield post office in step with the growth of the Township," the postmaster stated.

The following domestic services will be provided by the new station: money orders, registry, stamps of all denominations and stamped envelopes, parcel post, ordinary, insured and COD.

It must be pointed out that because of the varied and complicated regulations governing the acceptance of foreign parcels and foreign money orders, these services will not be provided by this contract station. Stamps for foreign ordinary and air mail letters will be sold at the station.

The hours of operation will be 9 a.m. to 4:30 p.m. daily and 9 a.m. to 12 M. on Saturdays. There will be no Sunday or holiday service. The hours will be prominently displayed at the Newberry store.

Four Injured In Highway Accident

The heavy construction on Route 22 in Springfield took its toll last week according to police when a car hurtled into a hole, turned over three times, and injured all four members of a family.

The mother, Mrs. Mary Firestone of 250 Livingston Ave., New Providence, was seriously injured, suffering face and scalp lacerations, fractures of both legs, and head and elbow injuries. She was reported in fair condition at Overlook Hospital, Summit.

Her husband, driver of the car, and 4-year-old son Kenneth Jr., both received face and skull lacerations, requiring stitches. Six-year-old daughter Elaine suffered a black eye.

Police said the car was traveling eastbound about 9 a.m. on Sunday morning when it went out of control between Sander Worth and Furniture Craft stores near Hillside Ave. It tore through a wooden horse marking construction, skidded into the hole, turned over about three times and landed right side up. Police described the car a total loss.

The Springfield First Aid Squad was, as usual, first on the job. They took all four injured to the hospital in the ambulance.

THROUGH HEAT AND HURRICANES—Mrs. Eleonore H. Worthington, Township Clerk, ably assisted by Mrs. Christine Ungemah, work through the summer humidity on all the town's problems ranging from ventilators to voters, births and bicycles, garbage and government.

Welcome Home Sale Planned For September

The Springfield Chamber of Commerce is planning a "Welcome Home" sale for early September to acquaint local vacationers with the changes in town since they went away.

Chamber President Ike Freedman has set Sept. 8-9-10 as "Springfield Days" and announces that those days will see the values go up and the prices come down in all of Springfield's rapidly expanding stores.

"Springfield Days" will fall on the first Thursday, Friday, and Saturday after Labor Day. Merchants will be setting special prices on "Back to School" items and apparel as well as their extensive new Fall lines.

The Town-wide sale is being timed to coincide with the Springfield SUN's big new "Blanket Edition," a triple sized paper that will be mailed to every home in Springfield and Mountaineer. The Blanket Edition is planned to give unprecedented coverage to Regional High School events. (Continued on page 5)

Township Fire Reserves Give Relief During Flood

Several Springfield residents had reason to appreciate the efficiency of the Springfield Reserve Fire Corps and its "C. D. Pumper" Saturday afternoon, when they found their cellars full of water, after the terrific downpour which accompanied hurricane "Connie."

Soon after the rain stopped, calls for help began to come in at fire headquarters, and shortly thereafter the little red pumper, towed by the fire department's jeep, and manned by a crew of reserves, under the supervision of Fire Chief Charles Schilling, appeared on the scene.

Two lengths of "hard suction" hose, about six inches in diameter, which are part of the pumper's regular equipment were coupled together, and one end was dropped through a cellar window by means of a guide rope, until it reached the cellar floor. A strainer over the end of the hose prevents debris from getting in and clogging the pump. The other end of the suction line was coupled to the intake of the pumper, a length of regular fire hose attached to an outlet was run into the street or the backyard of the house, and the outfit was ready for business. Then the motor was started, and in a short time the water was on its way to the Railway River.

Six flooded cellars in Battle Hill and Marion Avenues were pumped out in this manner during the afternoon.

This use of the equipment is only incidental, its primary purpose being that of fire fighting, and with an adequate water supply, the pumper is capable of throwing two powerful streams, with a pressure as high as 120 pounds.

Springfield Students Named On Dean's List

Three Springfield students of the Rutgers evening division cited on the Dean's list for outstanding academic achievement were, Fred Dannerman, Jr., of 33 Country Club Lane; Mary Jean Mandl, of 141 Hawthorne Ave.; and Robert T. Southward, of 194 Bryant Ave.

All students qualifying for the Dean's list maintained an average grade of 1.90 for twelve or more credit hours completed during the preceding academic year of 1954-55.

Sidewalk Costs To Be Aired Again

Property owners along South Springfield Avenue, who objected to an assessment report for sidewalks and curbs constructed two years ago, at last Wednesday's meeting of the Township Committee will have another opportunity to tell their stories September 14 when the contractor and engineer on that particular job have been invited to attend the regular meeting and answer questions.

The property owners, through an attorney, claimed that "it was a sloppy job, that the assessments were excessive, that top soil from their own properties was replaced by inferior soil when the job was completed."

Mayor Albert G. Rinder explained that the assessments will be thoroughly investigated and a decision made after the contractor and engineer have had an opportunity to give their side of the controversy.

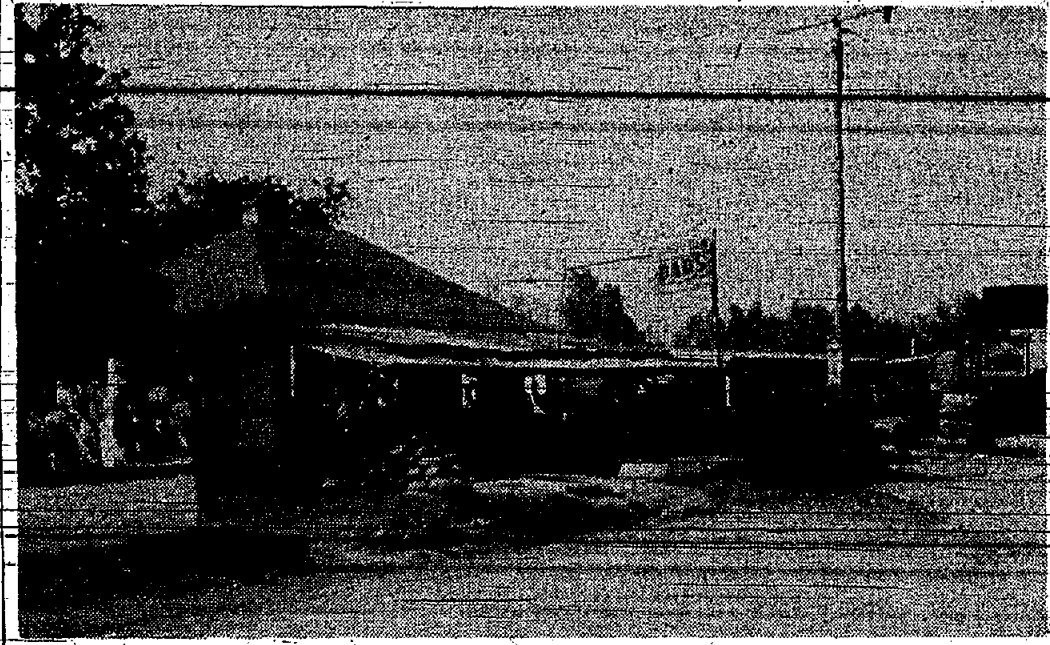

Mayor Rinder deplored the fact that there have been so many instances of attorneys appearing in matters of this nature. "We are always willing and glad to listen to our residents—our taxpayers," said Mayor Rinder. "If there are complaints, the Township Committee is always ready to hear them and the employment of legal talent is only an added expense to the taxpayer."

Traffic Court Suspends Driver's License 30 Days

Highlight of Magistrate Henry C. McMullen's traffic court last Monday night was a 30-day suspension of a driver's license for speeding.

Arthur E. Flor, of 949-Kenneth Ave., Elizabeth, lost his license for a month for driving 70 miles-an-hour in the 50 mile-an-hour zone on Route 22. He was arrested July 14 by Springfield Patrolman Earle Hendrickson.

To "Crack Down" On All Zoning Law Violators

TOWNSHIP DOESN'T LIKE THIS—Violators of new zoning ordinance are warned that local authorities will "crack down" on stands unless new code is rigidly observed. Formal notices have been given "the most flagrant cases" and charges will be pressed if the violations aren't immediately eliminated, say Springfield officials.

Violators of the new zoning ordinance in Springfield are facing a "drastic crack down" by the Township authorities.

The immediate targets, according to a Township official, are "the ugly and illegal sidewalk displays and the placing of business signs," and notices are being given to some of the most flagrant violators this week.

"The Township Committee authorities have been making an inspection," continued the Springfield official, "and we have found a great number of violations especially where business is being conducted on some of the streets other than Morris Avenue. Several complaints have been received and we have thoroughly investigated every infraction and violation of the new code."

"Official notices are being sent this week and if the violations aren't remedied, the proper authorities will be ordered to press charges."

The violations, the official pointed out, have to do with merchandise of all kinds—vegetables, fruits, foods—spilling over the front of the selling stands into the roadway. Morris Avenue, he stated, disclosed very few violations but there are several on the other off main street thoroughfares and immediate steps will be taken to eliminate these.

The campaign against improper display of business signs in violation of the new zoning laws will also bring down the official crack-down. Compliance with this section of the zoning ordinance will probably mean that many signs will have to be removed and the Township officials are now conducting (Continued on page 3)

Township Committee To Consider Applications For Various Jobs Here

Center Chimn'y New Shopping Is Condemned

The contractor for the General Greene Shopping Center who did the job of erecting the chimney over the portion of the building occupied by the J. J. Newberry Company was notified yesterday by Building Inspector Henry Grabarz that "the chimney has been condemned as unsafe and not in compliance with the permit granted for that work."

The chimney is used as an incinerator but Building Inspector Grabarz found that it does not have all the necessary interior construction safeguards and has informed the contractors that it cannot be used until certain changes have been made. The contractor's engineers are inspecting the chimney in an effort to correct it so that it may be used in compliance with the Township's building code. (Continued on page 3)

The Township Committee looks for a quiet session at its adjourned meeting this evening at which time consideration will be given to names for three very important jobs in Springfield.

This evening's adjourned meeting has only one matter already on the agenda—consideration of the architect to be selected for the municipal building and library expansion program—but names for other jobs may come before the governing body.

It is understood that there are applications from four qualified local residents for the appointment as building inspector and names of five citizens have been advanced as members of the Board of Appeals whose job it will be to listen to complaints in the administration of the recently passed building code in the Township.

Architects have been interviewed by the Township Committee in planning for the \$300,000 expansion program to rebuild the municipal facilities, add a wing to the present Public Library and construct a new township garage. There is a good possibility that the architect will be named at this evening's adjourned meeting so that work can be started on the (Continued on page 3)

St. James To Get Nursing Services

Nursing service will be made available for the St. James Parochial School, the Springfield Board of Health announced at its last meeting.

The Health Board will provide public health service to the parochial school four hours each week. The decision came after months of deliberation during which time a study was made of other municipalities with the same problems.

The request for nursing service at St. James was denied when first presented to the Board of Health but an exhaustive survey of the needs of the local parochial school and study of the policies of other towns, led to the decision to furnish nursing. (Continued on page 3)

TO TAKE BASIC—Anton T. Bremec of 58-Edgewood Avenue has arrived at Fort Dix for eight weeks of basic training with the 60th Infantry Division. He graduated Regional High School in 1953 and formerly worked at the Grand Union Co.

Playground Director, Ed Ruby, Looks Ahead To Next Summer

Edward J. Ruby, manager of Springfield's seven playgrounds, admitted yesterday that slip-ups had occurred in equipping the playgrounds for this summer's activities.

But he says the problem will be ironed out for next season. He listed a number of steps that he and the Recreation Commission were taking so that children won't go through another summer without tether ball, basketball, and other "minimal needs."

Two weeks ago an article in the Springfield SUN stated that the Kolsen Playground "suffered from a lack of even the most rudimentary equipment." Mr. Ruby gave three reasons for this.

First, he says the property of the Kolsen playgrounds opposite Mrs. Prince's Stand on Mountain Ave. does not belong to the Recreation Commission.

"We don't want to spend a lot of money on land we may have to give up," he said, explaining that the ground belongs to the Township and may be turned to other uses.

Second, there was trouble in getting necessary parts for the equipment, the Recreation Commission did install.

"First brackets, and then proper sized bolts were missing to put up the basketball backboard," explained Ruby as he

outlined a long list of problems that came up.

"Third, there has been trouble in getting the maintenance man to the right job at the right time."

"With seven playgrounds to keep up," Ruby said, "I just haven't been able to get the maintenance man out to fix the Kolsen tether ball pole."

But Mr. Ruby assured the SUN yesterday that steps were being taken to make sure these three problems don't plague summer activities next year.

"For example, we're putting in new type of tether ball poles at all the playgrounds," he said. The old type kept breaking loose from their foundations, according to Mr. Ruby. He describes the new ones as one piece poles buried in cement and surrounded by a black top playing area. They will cost about \$25 each.

"I'm going to have more control over the maintenance end of things next year," says Ruby, "and therefore we shouldn't have problems in getting things fixed."

He also revealed that the Recreation Commission is looking hopefully toward the new Walton School as a solution to their playground problems out in the Kolsen area. When the ball field is put in for the new school, it is hoped the Recreation Commission will be able to use it for summer activities.

"But that may be several years," says Mr. Ruby, referring to his experience with the construction of the Gaudineer School diamond. "So next year we are planning on continuing to improve the Kolsen area."

The summer season ends for the Recreation Commission this Friday. At a big picnic and stunt (Continued on page 5)

PLAYGROUND CONCLAVE—Kids from all the Springfield playgrounds gathered at the Irwin Street Playground for a combined activities program as the final week of the summer program comes to a close. Pictured here, playing quietly in the sandbox until the games begin, are Mimi Marchev of the Denham playground, Jeffrey Glen of the Irwin playground, Richard Brill of the Gaudineer playground and Karen Farmer of the Denham playground.

Palsy Sponsored Golf Tourney To Be Held At Shackamaxon

Springfield will share in the proceeds of the \$50,000 Calvacade of Golf Championship Tournament for the cerebral palsy campaign to be held at the Shackamaxon Country Club, Scotch Plains, September 6 to 11. Membership or pro-celebrity tournament tickets for this great event are now available by telephoning Mrs. Charles Beardley at Millburn 6-0243. Sale of tickets in Springfield will cease after August 31.

The cerebral palsy association, which conducts a program of research, education, and service on behalf of several thousand handicapped children and adults throughout the state, will be the only charity benefitting from the event. The spectacular golf attraction, in which most of the nation's leading shotmakers will compete, is the largest link event ever staged in the east from the standpoint of prize money and caliber of contestants.

The Cerebral Palsy League of Union County will receive a substantial percentage of the admissions fees from a special pro-celebrity one-day tournament on Sept. 7, in which an array of sports, stage, screen, and radio-television stars will match shots with some of the nation's top professional golfers.

The charitable organization also will receive a substantial share of the proceeds of memberships sold in the Celebrity Club, established for the duration of the \$50,000 Open and available only through advance sale.

W. Evans will preach during this month.

Letters to Editor

Editor, SUN:

The article in the last edition of the SUN, grossly misinterpreting the facts concerning Kotsen Playground and falsely implying that I had complained about the job-being done by the Recreation Commission, was written without my permission and does not in any way represent my opinion.

I resent having my name used to stir up animosity, and feel that I must make public my true feelings.

The Kotsen Playground, which was incorporated into the Recreation program last year, has steadily improved in facilities, landscaping, activities, and attendance. The Recreation Commission and the South Springfield Community Club have cooperated to make this playground possible, and although we lack some items of equipment, as do other playgrounds in the system, we are proud of the progress we have made and of the plans for future improvement.

I have always found it possible to discuss with the Recreation Commission any problem that arose with the assurance that it would receive just consideration, and that sincere efforts would be made to solve it.

Articles like the one to which I refer can only create misunderstanding and unfounded antagonism, and in the best interests of all concerned should be guarded against in the future.

Sincerely,
 Ruth Rand

Editors Note: Mrs. Rand's letter, submitted the morning after she was called before a special meeting of the Recreation Commission, is a legitimate complaint on one point.

By reading the article in the August 4 edition of the SUN, it would easily be implied that she did complain to the paper about playground conditions.

She did not. She merely answered questions put to her by the paper with no knowledge of what the SUN would print.

And she did answer truthfully. From her answers the SUN drew the conclusion that the Kotsen Playground had been ignored by the Recreation Commission.

Below is a list of the seven playgrounds in Springfield with all equipment available.

Major Playground Equipment
 Caldwell — Supervisors: Dale Jones, Agnela Ingate, Joan Capozzi. No. of kids registered: "About 100." Equipment (belongs to school): 1 set swings, chinning bars, monkey bars, basketball courts, small asphalt softball field with fence for backstop.
 Denham — Supervisor: Marilyn Derbyshire. No. of kids registered: 45. Tether ball, 1 set swings, see saws, basketball backboard, 1 fire place, cleared ball field with no backstop.
 Gaudineer — Supervisors: Scott Donington, Marjorie Bash. No. of kids registered: 130. Equipment (mostly school-owned): baseball field and backstop, scoreboard, 2 basketball courts, 2 handball courts, 2 tether ball poles.
 Henshaw — Supervisors: Jan De Vone, George Coan. No. of kids present daily: "About 42 in mornings, 50 in afternoons." Equipment: Split rail fence, baby swings, regular swings, merry-go-round, jungle gym, water fountain, basketball court, see saws, sand box, 1 fire place, baseball field with no backstop.

DO YOU KNOW???

Excerpts from the "Know Your Town" booklet of the League of Women Voters of Springfield to be ready for distribution on September 15.)

1. That on the 27th of July 1800 a number of inhabitants of Springfield "appointed a committee to purchase a lot and also to build a schoolhouse, employ teachers and discharge them at their discretion" and thus was created the school system of Springfield.

2. That it was over two years later on December 27, 1802 that a Board of Trustees was elected, a constitution adopted and the name that was selected for the system was the "Springfield Union Academy."

3. That the "Academy" was divided into 175 shares at 8.00 a share.

Children Compete in County Meet

Children from all the playgrounds in Springfield were represented in the Union County Playground Championships held at Waranico Park in Elizabeth on August 10.

Only one Springfieldite, Sony Haubold, came through by taking third place in the Boys Tether Ball competition.

The group of youngsters, which included Bill Franklin, Boys Checkers; Nancy Schubert, Girls Checkers; Sony Haubold, Boys Tether Ball; Maryanne Pettinichio, Girls Tether Ball; Norman Muller, Boys Foul Shooting; Elaine Hunton, Girls Foul Shooting; Donald Weiss, Chess, and Dennis McDonough, Horseshoes, did a very commendable job considering this was the first time Springfield was represented in this competition in a number of years. Nancy Schubert, our magnificent eight year old checker-wizard, did a terrific job against much older competition in the

To Organize New Baptist Church

The formation of a Fundamental Baptist Church here in Springfield is being encouraged by the efforts of Ray Schneidermann of 24 Shunpike Road.

"Springfield has been growing in leaps and bounds in things both material and worldly," said Schneidermann, "and it behooves every Christian in this area to see that it grows spiritually."

"We are looking," he said, "for Born Again Christians, those lost souls in the Springfield area, and it is our great commission to go out and seek the lost and lead them to a saving knowledge of Jesus Christ."

Organizational meetings will be held at the home of Mr. and Mrs. Ray Schneidermann, 24 Shunpike Road on Friday evening, August 19 and Tuesday, August 23. Both meetings will begin at 8:15 p.m. If you cannot attend either of these Cottage Prayer meetings, but are interested, please call Millburn 6-4566-W.

League of Women Voters to Survey Water Supply Issue

Citizens all over the State of New Jersey are becoming aware of the water supply problem that has been developing over a number of years. With this in mind the League of Women-Voters of Springfield is gathering information on the local situation through questionnaires and interviews.

The State Board of the League of Women Voters will analyze all such material from Leagues all over the State of New Jersey then attempt to determine at which levels of government the various problems of water should be solved. The Board will review and evaluate proposed solutions for providing more water.

Mrs. Roy Gertmanian, President of the Springfield League, interviewed Mayor Albert T. Binder and T. W. Coleman, General Manager of the Commonwealth Water Company.

Mayor Binder stated that the only restrictions that have been placed on the local citizens has been that of prohibiting of lawn sprinkling between 4 and 10 P.M., during July and August of the past two years and this order was issued to build up the pressure. The main problem in Springfield is due to lack of distribution facilities because of the very rapid growth of the township.

The Commonwealth Water Company is constantly studying the need for more water, according to Mr. Coleman, and is constantly improving the distribution system. Only recently they have made improvements to the distribution system and the reservoir storage. This company supplies water to 13 neighboring communities.

The development of an adequate water supply for all New Jersey citizens was one of the issues of the 1955 Convention of the League of Women Voters chose for concerted action. The large growth of population and industry together with a low rainfall for several years now makes the water problem a crucial issue.

Heads Orientation Committee
 William A. Konrad of 210 Hawthorn Avenue will head a committee responsible for coordinating a three-day orientation course sponsored by the Esso Research Center in Linden-Linden.
 The three-day course offered to some 25 railroad representatives was designed to acquaint the group with the types and nature of oil products used by the railroads and with the laboratory test methods conducted at the Esso Labs.

THERE'S NO PLACE LIKE A HOME --- of your own!

THIS BOOK tells you how to go about selecting and purchasing a home of your own. It leads you through the different steps — looking over the neighborhood, checking the house, arranging the financing, taking possession and so on. Then it tells you about the many conveniences and luxuries a house could have. This book was popular last year. If you want a copy, use the handy coupon.

Hi Neighbor!!

LORRIE LEWIS

NEWS AND TIDBITS ABOUT YOUR FRIENDS & NEIGHBORS.

If You Have Any News Call . . .

MILLBURN 6-4502

Mr. and Mrs. N. Edward Day, Jr. and daughter, Miss Muriel F. Day, former residents of Springfield, have returned to their home in St. Petersburg, Florida, after spending part of July and August with their son, Gordon E. Day and family in Livingston, and Mr. Day's sisters, the Misses Flora and Carol Day of 160 Tooker ave.

The family dinner was held at the home of the Misses Days and the guests were Mr. and Mrs. N. Edw. Day, Miss Muriel F. Day, Mr. and Mrs. Joseph O. Day, of Shark River Hills, Mr. and Mrs. Gordon E. Day, and sons Richard and Barry, and daughter Judith of Livingston, Mr. and Mrs. Robert O. Day, son Donald and daughter Nancy of Boonton, and Mrs. Bernard Mayer of Newark, N. J.

Other guests were Mr. and Mrs. George F. Wahl, and Mr. and Mrs. William Reich of Berkeley Heights, N. J.

Mrs. Raymond Sagendorf and sons Wilbur, and Leonard, of 155 Tooker ave. have returned to their home, after spending a week at the Jack Wyrzeman Camp at Schroon Lake, New York.

Mr. and Mrs. Harry Speicher of Eggenvreen avenue are entertaining Mrs. Speichers grandson, Master Guyon Turner who is visiting Springfield for 10 days. Master Turner is from Southbury, Connecticut.

Vacation time found Mr. and Mrs. I. Yablonsky of 315 Hillside ave. on a motor trip through the New England States. Their son, Alan Yablonsky, and Barry Hollander of 84 Kipling ave. are

spending a fun-crammed month at the New Jersey "Y" camp in Milford, Pa.

Also motoring through the New England States were Mr. and Mrs. Charles E. Miller of 216 Milltown rd. and their sons, Peter and Bob. Peter was also lucky enough to have spent a month at Camp Winnebago, Rockaway, N. J.

Lynn Leslee is the last who was born on July 20 at the Beth Israel Hospital, Newark to Mr. and Mrs. Maryin Simon of 28 N. Derby rd. She weighed 7 lbs. 5 oz. Lynn's big brother is Larry, age 10½.

The tiny tot at the home of Dr. and Mrs. Elliott Kaplan of 8 Woodside drive is named Donna Dale. She was born on July 12 at the Beth-Israel Hospital, Newark weighing 7 lbs. 5 oz. The Kaplans have two other children, Gale Lynn age 3½ and Benjamin Edward age 3½. Mrs. Kaplan is the former Irma Weiner of Roselle.

The charming Springfield trio who are at the Girl Scout camp, Camp Lou Henry Hoover, Swartswood Lake, Newton, N. J. are Elise Lindauer of 74 Wentz ave., Renee RoJahn of 107 Jefferson terrace and Carol Jensen of 35 Edgewood ave.

Elise's sister, Dana Lindauer, flew to Bradenton Beach, Florida where she is visiting with friends.

Mr. and Mrs. Loran Skousen of 72 Wentz ave. their son "Chip," and Mr. and Mrs. E. W. Schneider took an interesting motor trip to Williamsburg, Virginia, Washington, D. C. and several other cities in the Pennsylvania Dutch country.

A gay surprise party was staged by Mr. and Mrs. Ed Epinger of 35 Kipling ave. in honor of the birthdays of two good friends. The lucky recipients of this double treat were Stan McConkey of 12 Meisel ave. and E. Burton Henry of 13 Cottler ave. The Henrys and their two children Pam and Martin have just returned from a vacation at Clinton Beach, Clinton, Connecticut.

Mr. and Mrs. Sam Parkin of 62 Kipling ave had a wonderful time on their annual fishing trip to the Thousand Islands.

Marking his fourth birthday, Leonard Whitlock, son of Mr. and Mrs. Edward Whitlock of 282 Morris ave. was feted at a family party. Leonard's mom is "Marion" of Marion's Beauty Salon.

We want to welcome to Springfield Mr. and Mrs. James Moses who are now living at 38 Tower drive. The Moses, who are formerly from University City, Missouri, have two children—Jayre Ellen age 6 and Jimmy age 3. Mr. Moses is employed by

Township Com.

(Continued from page 1)

expansion program as soon as possible.

Applications for appointment as building inspector have been received from four Springfield residents and there is some talk that the man may be selected tonight to take over that important township office. Henry Grabarz has been doing an excellent job as building inspector in Springfield but he informed Mayor Albert G. Binder, when he accepted the appointment, that he could handle the work only for a short time since the duties conflict with his own private business as building contractor.

There is also a possibility that members of the new Board of Appeals will be under consideration this evening. Five names, all qualified in the building industry, have already been advanced to the Township Committee for this Board who will have authority to listen to appeals from rigid compliance with the new building code.

To Crack Down

(Continued from page 1)

a careful survey to root out the violators.

"The new code permits a maximum size in business signs to be displayed," this same official said, "and we find many cases where the law is ignored. The projecting

Blanchard Bros. and Lane Leather tannery in Newark.

A vacation with friends at Wildwood, N. J. was enjoyed by Mr. and Mrs. Henry Bellon of 29 Becker rd. and their children Lawrence and Philip.

Mr. and Mrs. C. J. Sperco of 220 Baltusrol ave. and their children Nancy and Steve holidayed at Surf City, Long Beach Island, N. J.

signs are our greatest trouble. There's nothing we can do with those people who already have signs and billboards erected conforming with the regulations when those permits were issued, but we will carefully consider each before a permit is given for such large signs in the future. If any of these signs now in violation, should fall down or be removed, the new zoning ordinance will come very close to banning the issuance of another such permit.

"We believe that compliance with the new zoning ordinance—both to the sidewalk displays and the advertising signs—will give Springfield a much better appearance. Some of our roads are cluttered with merchandise spilling over from the stands, creating a hazard to auto traffic as well as any pedestrians who might want to use the sidewalk portion of the highwalk. There is also a health matter to be considered and this particular matter, in the case of some of the roadside stands, is receiving the close attention of the Board of Health inspectors. Some of the gas stations have been in violation with the display of their price signs and notices will be given them to comply with the code or face charges.

"We believe the appearance of

Cops Keep Eagle Eye on Drivers

Sharp-eyed Springfield Police

our township will be improved by the elimination of these violations. The formal notices this week will go to the most flagrant cases but we hope to cure all of them before our campaign is over for a better Springfield.

are like the Mounties. They always get their man.

Last week they recognized a man driving on Morris Ave. as the same person a ticket was given to four weeks ago for speeding on Morris Ave. He had failed to keep his Monday night date with Magistrate Henry C. McMullin's traffic court.

The man, Mohamed A. Kahn of Union, was first stopped by Springfield police on July 14 for speeding through town. When he failed to show in court, police issued a warrant for him. When he tried to drive through town, police recognized him and took him off to headquarters for the posting of \$15 bail.

You have to have 20-20 vision to get on the Springfield Police department. They don't miss a thing.

To be prepared for war is one of the most effectual means of preserving peace.

—George Washington

Playground Activities

IRWIN PLAYGROUND
M. Suchena
J. Worthington
Activities last week were limited because of weather conditions. Tether ball, for the 7th consecutive week, remained as the activity which attracts most participants, regardless of age or size. Donald Weiss, Mary Ann Pappalardo, and Adario Pomeroy are leading in this sport.

Baseball is running a close second to tether ball since the organization of a baseball team which to date has won one game and lost two. A fourth game with Henshaw was cancelled because of rain. Boys who have shown some ability as pitchers and did quite well in the games played are Art Gerber, Fred Poutro and Lenny Arnold. David Bonkowski, Johnny Johnson, and Gary Chasler show great promise as infielders.

Two members of the Irwin Playground took part in the Union County tournament last Wednesday. Mary Ann Pappalardo and Donald Weiss, Springfield champions in tether ball and chess, lost to champs of a neighboring community. Activities such as chess, checkers, pool, and yard games, horse races, and coloring are being treated with the usual interest and enthusiasm. During the past three weeks more youngsters accompanied by mothers, have been using the swings, sandbox and see-saw.

DENHAM PLAYGROUND
Marilyn Deerbayre

With the return of slightly cooler weather there has been a largely increased attendance at this playground. Yet the most desired activity is still tether ball and checkers. For a short time during the week of August 8th-12th, checkers became popular but then the children once again returned to tether ball. "Connie" courteously cancelled our chief event for the week which was to have been a pet show. We are hoping "Diane" does not ruin our closing activities for August 18th-19th.

On Wednesday of that week we are attending a gala picnic at the Irwin Playground. Here the activities will be a picnic lunch, games for all, plus ice-cream, and the bestowing of prizes to the boy and girl who has received the most points at each playground. At this time at Denham Playground Carole Wilson is the winner for the girls, and Bobby Wittich, George Rupp, and Glenn Steiner are tied for the boys. On Friday of that week we plan to have our own party at the Denham Playground.

HENSHAW PLAYGROUND
Jeanette DeVos
The week of August 8th was cool

and comfortable. On Monday we had a sack race which had been postponed from Friday due to rain. The sack race was a lot of fun and the children enjoyed themselves immensely. We had a sack race, a 2-legged race, and a 3-legged race. The winners of the three races were: Jim Lela, John Lela, Bob Warkman, Mary Graziano, and Jean Anderson; Jim Lela, Michael Pano and Richie Blase; Paul Lodiato and Eleanor Haupt; John Lela and Bruce Fuhrer; and Mary Graziano and Jean Anderson.

The children have been progressing their arts and crafts. Aside from the usual bracelets and lanyard making, we have introduced "tapping" and "molds." They have tapped out on copper sheets many interesting figures and floral designs. With the molds, they have made different scatter pins to wear and figures of animals, etc. and painted them. We have quite a collection.

On Wednesday we took our weekly trip to the library for the story reading hour. In the group were Dennis and Valerie Del Vecchio, Fanda and Lee Huntoon, Carol Malton, Judy Allen, and Tom Minton.

We also had a baseball game with the following players: Team 1—Bill Franklin, Joe Gwathney, Eddie Bullock, Lester Woods, Eugene Neville, Lewis Parker and Norm Jean Johnson. Team 2—Ants Goforch, Larry Watkins, Richard Franklin, Howard Green, Eddie Bullock, 2nd, Joe Gwathney, 3rd.

We also had a baseball game with the following players: Team 1—Bill Franklin, Joe Gwathney, Eddie Bullock, Lester Woods, Eugene Neville, Lewis Parker and Norm Jean Johnson. Team 2—Ants Goforch, Larry Watkins, Richard Franklin, Howard Green, Eddie Bullock, 2nd, Joe Gwathney, 3rd.

CATHOLIC INFORMATION

The church that is never empty.

If you had seen the face of a certain man, who was walking dejectedly down the street, you probably would have said: "Poor fellow, he is in some grave trouble!"

If you had seen the same face a few minutes later at the altar rail of a Catholic Church—a face whose eyes were glued on the tabernacle door in the center of the altar—whose lips were moving slowly and silently, you might have said: "He seems to be—not just praying—but talking to someone."

And if, a while later, you had seen the same young man leaving the church with vigorous step and with soft, grateful eyes, you might have actually witnessed the fulfillment of Christ's promise: "Come to me, all you that labor, and are burdened and I will refresh you." (Matt. 11:28)

Catholic churches are often crowded. They may at times contain no human beings. But at no time is a Catholic church empty: for in that little altar-closet, called the tabernacle, there is always the Body and Blood, the Soul and Divinity of Jesus Christ, under the form of bread.

This is the Personal Presence, the Real Presence of Him who died to redeem the world. This is the Bread of Life, concerning which Christ said: "He that eateth this bread shall live forever" (John 6:53). This is the Bread of the Last Supper, divinely changed to the Body of the Son of God and offered daily to every Catholic in Holy Communion.

This is God, Himself, to reverent whom the Catholic bends his knee before the altar and doffs his hat before the church door. This is the Holy Eucharist which draws from all quarters of the globe hundreds of thousands of pilgrims, for public acclaim, glorification, and supplication at the great Eucharistic Congresses.

Some time step inside a Catholic church when no services are being held. Watch the worshippers. Be there but one of our hundred present; you will notice that each is individually praying—not as one prays at home or out in the open spaces—but more as one converses with a Great One and a Loved One who is right there personally present. If you do this, dear neighbor, we believe you will have respect, at least for the Catholic's firm conviction that a Catholic church, even when deserted by human beings, is never really empty.

—Oliver Goldsmith—

KOSTEN PLAYGROUND
Monday was a perfect day for races and we really took advantage of it. The participants in our relay were: Team 1—Howie Green, Eddie Bullock, Freddie Anthony, Betty Watkins, Larry Anthony, and Elsie Block; Team 2—Joe Gwathney, Bill Franklin, Richard Franklin, Oretta Davis, Bertha Worrlis, and Larry Watkins. Team 2 was the winner.

Individual races the participants were: Elsie Block, Arline Johnson, Norma Jean Johnson, Elaine Block, Betty Watkins, and Elaine Block. Winners: Betty Watkins, 1st; Norma Jean Johnson, 2nd; Elaine Block, 3rd. Boys: Larry Anthony, Alfred O'Neil, Lewis Parker, Marshall Anthony, Bill Franklin, Eddie Bullock, Eugene Neville, and Joe Gwathney. Winners: Bill Franklin, 1st; Eddie Bullock, 2nd; Joe Gwathney, 3rd.

We also had a baseball game with the following players: Team 1—Bill Franklin, Joe Gwathney, Eddie Bullock, Lester Woods, Eugene Neville, Lewis Parker and Norm Jean Johnson. Team 2—Ants Goforch, Larry Watkins, Richard Franklin, Howard Green, Eddie Bullock, 2nd, Joe Gwathney, 3rd.

We had a wonderful masquerade at our Day Camp last Thursday. Every camper had to make their own costume to be eligible for prizes. The prizes were awarded for the most original, funniest and best costumes in both the older and younger groups. The following campers won: Younger division: Jackie Liden, prettiest; Gary and Larry Jay, funniest; Billy Gold, funniest; and in the older division: Most original, Frank Kramerman; prettiest, Judy Lawet; funniest, Adrienne Marler. Sixteen prizes were supplied by the following campers: Barry Davis, Marilyn Greenberg, Joan Krueger, Marsha Davis, and Betty Kaypeter. The afternoon was topped off with delicious home made cookies and ice cold milk. The campers also enjoyed another boating trip at 6:00 L.A.K.E. Park this week. Many were in row-boats for the first time and they were very excited when our counselor, Danny Ackerman let them handle the oars. The campers also enjoyed feeding the ducks and swans.

Adrienne Marler is the newest camper to join the deep water swimmers and divers.

We have another new camper who will be with us for the rest of the summer. He is Robert, brother, son of Mr. and Mrs. Sam Broder of Springfield.

We had a very exciting day Monday. The entire camp went on an day trip to Central Park in New York. Our bus company, The Bus Diagnostic Line, which has been wonderful to us all summer long, furnished us with a de luxe air-conditioned bus. The campers also enjoyed the view of the city and didn't feel the heat at all.

We arrived at the zoo just in time to enjoy our trip to the rest of the day. Many of the campers were on a real boat for the first time. It seemed as though we were on the ocean.

The older campers were very anxious to climb to the top of the Statue. They did, even though it meant climbing almost two hundred steps up the narrowest staircase we ever saw. It was a long, hot climb, but it was worth it. Some of the campers were so excited they were so frightened to look out the windows of the Statue's head more than a second. The view was wonderful and so was the breeze that hit our faces as we looked out over New York Bay. We had refreshments and bought all kinds of souvenirs for our selves and our families.

We hope the returned movies our director Sid Krueger took on the trip come out. We will add these films to

JEWISH COMMUNITY CENTER DAY CAMP
Suzan Golan
Phyllis Kaplan
Roberta Kappeter
We had a wonderful masquerade at our Day Camp last Thursday. Every camper had to make their own costume to be eligible for prizes. The prizes were awarded for the most original, funniest and best costumes in both the older and younger groups. The following campers won: Younger division: Jackie Liden, prettiest; Gary and Larry Jay, funniest; Billy Gold, funniest; and in the older division: Most original, Frank Kramerman; prettiest, Judy Lawet; funniest, Adrienne Marler. Sixteen prizes were supplied by the following campers: Barry Davis, Marilyn Greenberg, Joan Krueger, Marsha Davis, and Betty Kaypeter. The afternoon was topped off with delicious home made cookies and ice cold milk. The campers also enjoyed another boating trip at 6:00 L.A.K.E. Park this week. Many were in row-boats for the first time and they were very excited when our counselor, Danny Ackerman let them handle the oars. The campers also enjoyed feeding the ducks and swans.

Annual UC Public Links Tournament To Start Sunday
An expected field of nearly 150 top-ranked public link golfers from all sections of the county will tee off at Galloping Hill Golf Course on Sunday, August 21 at 9 a.m. in the 18-hole qualifying round medal play of the 28th Annual Union County Public Links Tournament, traditionally the most popular amateur event in the area, The Union County Park Commission announced.

The thirty-one low scorers in the qualifying round will be eligible to compete in the championship flight match play starting the following weekend, August 28. Match play will continue on September 3, 4, 10 and a 36-hole final on September 11.

Any male amateur golfer residing in Union County and not a member of a private club is eligible to compete in this year's classic. United States Golf Association rules will govern play, but local rules will be enforced.

In last year's event a field of 146 players found Frank Eckert of Union defeating former champion Lester Jankoski of Summit for the public links championship. Medalist in last year's qualifying round was Alvin E. Peterson of Cranford.

Awards including a season card good at both Galloping Hill and Ash Brook Golf Courses for the player with the lowest qualifying score. A trophy and other suitable awards will be presented to the tournament winner and runner-up. Prizes for winners and runners-up in each flight will also be presented.

Your Library

The Summer Series of Story Hours has been attracting more and more children each week. This week the story-tellers were Mrs. Dean Widmer and Miss Helen Keyner. Next week they will be Mrs. Widmer and Miss Myrna Libby. The last week of the series Mrs. Widmer will continue but Miss Adeline Tallau will take care of the middle age group. During the hot weather the children have particularly enjoyed sitting out in the yard under the trees but this week, it was so cool, they had to stay in doors. "Curiouser and Curiouser!" cried Alice. "Busier and Busier," says the Springfield Library. This week the combination of cool weather and the end of July vacations is bringing people in with arm loads of books. In addition those getting ready for later summer vacations are taking out arm loads of books.

All too soon it will be Labor Day and the fall season. Because of the long week end and opening of school, there will be stories for two more weeks and then the winter schedule will be announced late in September.

The Golden Key Reading Club, which now has over 300 members, will not accept new members after August 20th. This is the last chance to join. The Keys will be given out to those already members until September 15th. This will give the people who have been away on vacation a chance to report.

The Free Public Library of Springfield will be open on Tuesday evening, September 6th. On Monday, September 5th, Labor Day, it will be closed all day for the holiday.

Daily Hours: 10:30 a.m. to 5:00 p.m., Monday through Friday. (Closed Saturdays and Labor Day)

Evening Hours: 7:30 p.m. to 9:00 p.m., Monday and Friday. (Tuesday after Labor Day)

Story Hours: 10:45 August 17th and 24th. (Last two of Summer Season)

Playground

(Continued from page 1)

day attended by children from all the playgrounds Wednesday, the playground awards were given out. The ceremonies and fun were held at Irwin Playground and 100 children showed up. The awards were given on the basis of attendance, participation and attitudes on the part of children who used the playgrounds all summer.

As the summer activities drew to a close, Mr. Ruby announced some of the plans for this fall and winter.

He says a touch football league is being organized for boys between the ages of 9-14. The games will be played on Saturday mornings on Regional High School's Athletic Field. Coaches from the High School will help out.

Mr. Ruby is planning a handball tournament for the new courts behind the Gaudineer School. He says it will probably be for young adults, but if kids are interested, a schedule will be organized for them too.

Come winter and the Recreation Commission's extensive basketball program will be launched. Four nights a week and on Saturday mornings, games will be played in the Gaudineer and Caldwell auditoriums. Mr. Ruby says one of the most interesting events on the courts will be the "Itsy-bitsy" league for boys of 8 and 9. He is trying to get a lower basket installed for the youngsters so they can concentrate more on shooting skill and less on sheer brawn.

Girls also will get in on the basketball program, according to Mr. Ruby. Games are planned for one night a week for the fairer sex.

In looking back over the summer season, Mr. Ruby says it was quite a success. "Registration at the playgrounds was at an all time high," he reports, "and despite the heat, attendance was very encouraging."

Next year will be bigger and better than ever, according to the man who runs the show, Ed Ruby.

The first dyeing is attributed to the Egyptians about 1500 B.C. The English are said to have sent fine goods to be dyed in Holland till the art was brought to them, probably in 1608.

Along The AVENUE

GRAND UNION—One of Grand Union's employees, Miss Helen Kronsecker of Union, is representing New Jersey students at a national student council leadership conference in Denver this week.

RUSSELLS—Saul Freeman, tailor at Russell's Men's Shop has just returned from a 10 day vacation at Niagara Falls.

Russell Lyons says that of all things, the big fall fashion in men's clothing is a "burnt grass color."

BRETTLER'S—Irving Brettler, son of Mr. and Mrs. Sol Brettler of 242 Morris Ave., recently visited his sister, Florie Goldhamer in Chicago. On his return trip he stopped off at several cities in Canada and at Concord, New York.

PACE-SETTER—Here is only the middle of August and the Pace Setter now has in part of their supply of Christmas cards. This year they are featuring a selection of studio type Christmas cards. Just rushing the season a wee bit.

The Pace Setter is expecting to have an extra large supply of Christmas gifts this year. They are planning to build 40 feet of foot-high shelves just for Christmas gifts, starting the middle of September.

About two weeks ago they started a rental library with over 100 books. Every three weeks they make a complete change, except for best sellers, and get approximately 100 new books.

HOTCHKISS CORNERS—Are decorating in Early American style for their Grand Opening on August 25. This is the new women's sportswear shop that is coming to Springfield from Newark.

Welcome Home

(Continued from page 1)

football prospects, and community clubs schedules for the coming year.

Vacationers returning to Springfield after the hottest summer in recent memory will find that trades has been equally hot up and down Morris Ave. The multi-million-dollar General Greene Shopping Center will have been completely opened by September when the Colonial Kitchen starts serving meals within the next two weeks.

All told 14 new shops have been opened in downtown Springfield during the hot summer months. Ten of these have been in the shopping center. Two are new hairdressers, Mr. Roberts and Marions. The other two are the Pace-Setter, a quality gift shop, and Hotchkiss Corners, women's sportswear.

Like Freedman says that not only will Springfield Days be held

to acquaint vacationers with the new shops in town, but to demonstrate how complete and convenient shopping has become in Springfield.

"People should realize," said the hardware store proprietor, "that parking is no longer a problem in Springfield for the shopper."

He points out that there is now plenty of parking behind the stores on Morris Ave., as well as in the new shopping center.

Freedman says he is behind the idea of Springfield Days primarily because it will emphasize everyone's loyalty to Springfield by living and buying in town.

"Springfield is still a small friendly town," declared Freedman, "where a housewife can buy everything she needs from people she knows."

By skillful conduct and artificial means a person may make a sort of name for himself; but if the inner level be wanting, all is vanity, and will not last. — Johann Goethe
