Named Vice President of Kislak Firm

Sheldon H. Ellowitch

"Advertising in The Sun Does Pay," Says Cardinal

There's no question that "advertising pays" and, below is an unsolicited testimonial letter from one of SPRINGFIELD SUN'S regular advertisers to prove.

"Ed" Cardinal, proprietor of the company bearing his name, insists that his sensational increase in business has been due to the use of space in the SUN. Ed doesn't give any figure in the letter but he has told friends and other Springfield business men who have been watching his operation, that "the total in dollars and increase in business" has been tremendous since he started his regular advertising campaign in the SUN.

Here's Mr. Cardinal's fine letter for which the SUN now, publicly, says "thanks!"

I wish to extend my sincere thanks for the fine story about our nursery which appeared in the last issue of the Sun. Customers of ours said they saw the entire page of the Sun planned to the factory bulletin board and were sure that a proud resident of Springfield placed it there.

My faith in Springfield has been justified by the tremendous increase in our business during the past few years, and I feel that a great measure of our success was due to the advertising program we started, with your cooperation. About that time there is no doubt that the people of Springfield want to buy in town, but an amazing fact is that a large percentage of new comers, as well as a good percentage of oldtimers, are not aware that they can buy most of their needs in town at prices as low or even lower than in the larger cities. Our nursery, with the help of your paper, has informed the people of our wonderful values and they have responded well. Many customers have told us that they now look for our ad each week to take advantage of our sales and timely information.

Thanking you again and hoping that more stores in Springfield prosper, I am

Very truly yours,
Edward A. Cardinal

Weinberg Says Apt. Ordinance Still Defective

Irwin Weinberg, Democratic candidate for one of the two vacancies in the governing body in the coming elections, threw a bombshell in what appeared to be a routine meeting of the Township Committee last night, charging that the ordinance relating to the Angleton development planned in the North Jersey Quarry area was defective and subject to litigation.

"The ordinance on the Angleton matter," said Weinberg in a statement following the meeting, "was defective when it was originally presented and is still defective. It has never had the proper first passage."

"It was I who pointed out at the May 23 meeting that the ordinance should first go to the Planning Board. The matter was then adjourned and I am ready to show that nothing can be done at an adjourned meeting that couldn't be done at a regular meeting."

"I am giving the Township Committee an opportunity to correct this defective ordinance before Francis Keane and I are elected to the governing body."

Township Attorney Max Sherman made public an opinion that the ordinance, approving of the Angleton matter, was correct in every respect and that the Township Committee should feel confident there can be no legal justification for the charges made by Mr. Weinberg.

New Barber Shop Is Open for Business

Alex Dominski who has been giving "crew cuts" and shaves in Morris avenue barber shops for some time, announces the opening of his own Regional Barber Shop at the corner of Mountain and Henshaw avenues, just past the railroad crossing.

Alex is now ready for business in his new 3 chair shop, with the most modern of equipment. He is specializing in children's hair cutting and, because the new shop is so centrally located to all the schools, a great deal of his patronage is expected from the children. Alex says his shop is prepared to do the latest in ladies' hair cutting and all the usual services for adults in a barber shop.

J. Schroeder Marks 25 Yrs. With NJ Bell

John Schroeder

John Schroeder, of 32 Kew Drive, Springfield, has marked his 25th year of service with the New Jersey Bell Telephone Company.

Presently assistant engineer in the telephone company's Elizabeth district, Schroeder's plant department service has included assignments as splicer, lineman and installer.

Schroeder saw service in the European theatre of operations during World War II. Now active in the reserves, Schroeder is a Captain in the 35th Signal Construction Battalion.

He is also a member of the American Legion, the Shunpike Civic Association, and the H. G. McCully Chapter, Telephone Pioneers of America.

Girl Scouts to Get Property For Building

There's a chance that the Township may make available some property for the Springfield Girl Scouts whose officials have been seeking a site for the construction of their own headquarters.

Township Committeeman Frederick A. Handville has written to Mrs. Teresa Doherty, President of the local Girl Scouts, that a piece of property may soon be had for their construction program.

The matter was brought before the Township Committee by Mr. Handville at its regular meeting last night and received support to insure immediate legal steps for the transfer of the property.

Following is the letter to Mrs. Doherty concerning the property:

Dear Mrs. Doherty:

At a recent executive session of the Township Committee, at my request, the Township Engineer was instructed to include in his plans for the development of Township owned property (located between Rose avenue and the brook which touches Mr. Anderson's property, with a small frontage on Mountain avenue), plans for the purpose of making some of it available to Girl Scouts for the erection of the long awaited Little House.

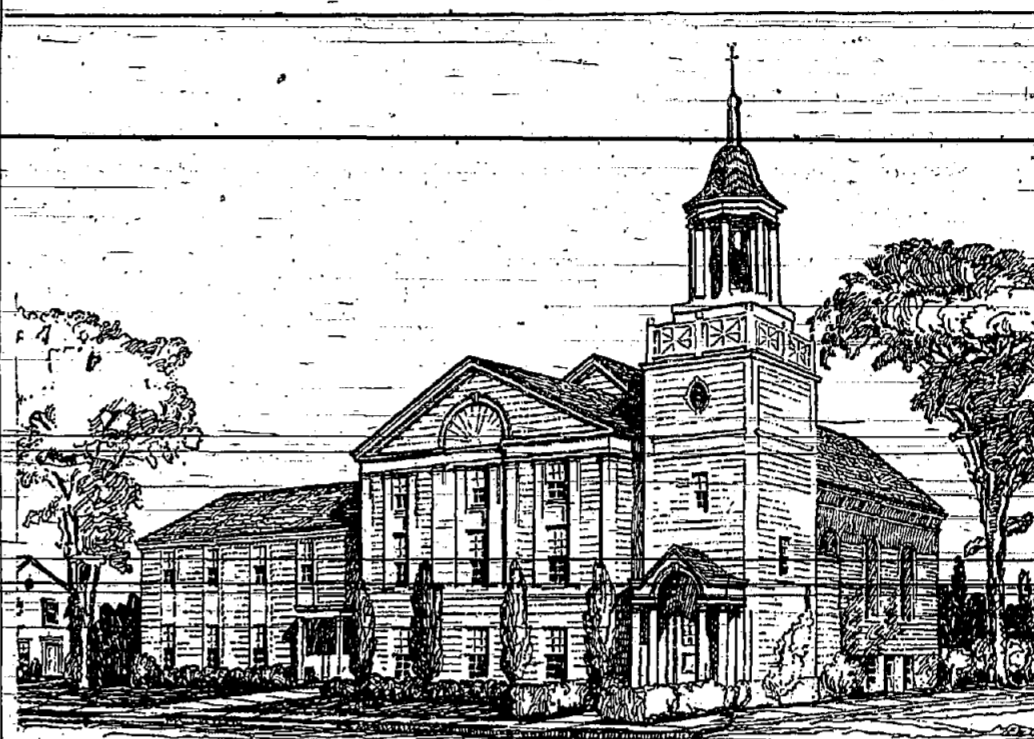

As you know up to a short time back we were prevented by law from giving away Township property, but the State Legislature in a recent enactment has empowered Township Committees to make lands available for an organization such as the Girl Scouts.

Based upon this authority I made the proposal referred to and at the Township Committee meeting on September 14th I will introduce the subject.

It is my recollection that for some time the Girl Scouts have been searching for a piece of property upon which to erect a headquarters, which has my complete support. It is my feeling that organizations such as the Girl Scouts are an integral part of community life and are deserving of every support that we of the Township Committee may give.

Sincerely yours,
Frederick A. Handville

Murphys Ask More Time To Find Quarters

The Murphys—Mr. and Mrs. Eugene F. and their 12 year old son, Clifford, have not as yet been evicted from the home they have occupied for more than 10 years at 352 Morris Avenue.

Magistrate Henry C. McMullen had ordered the family to quit the premises "by September 8 or go to jail" but Murphy's attorney, H. Lee Sarokin, appeared in Municipal Court Monday night and asked that the eviction order be set aside and a new trial granted on the grounds that there were several errors in legal procedure.

The motion for a new trial was denied by Magistrate McMullen at Monday night's session and Murphys were given ten days to file an appeal.

Through his attorney, Murphy pointed out that he is not contesting the authority of the Township to condemn the property but that he is asking for more time so that he may move his family into a new home he is building in Morris Township. Murphy stated that he has had difficulty locating suitable quarters for his family and believes he can complete his new home very shortly and move from the condemned building.

3 Polio Cases In Springfield Out of Danger

The mild polio scare in Springfield is over, according to information received yesterday from the Township Board of Health.

Two of the three cases reported last week—all of them adults—have been returned to their homes in Springfield from St. Elizabeth's Hospital, Elizabeth, where they had been admitted.

The third, Mrs. Thelma Stroud, 27, of 153 Meisel avenue, has been detained for further treatment and, according to the Board of Health officers here, she is now in a Middlesex County hospital where her condition is said to be very much improved.

An Invitation!

The public is cordially invited to attend the presentation of the booklet "Springfield" by the League of Women Voters to the township on Thursday, September 22, 8:30 p. m., at the Florence Gaudin School.

Refreshments will be served following the ceremony.

Local Residents Answer Call for Needed Clothes

The recent flood disaster and the call for help reached a great many people in Springfield—but Mrs. Robert W. Walters of 12 Kipling Avenue has every reason to appreciate the response of local residents to the needs of the flood victims.

Mrs. Walters decided to do something about getting clothes for the disaster victims and she started asking the neighbors. She was soon joined by other neighbors and before you could say "Hurricane Hilda," there was a fast-moving drive for clothing in that entire section of Springfield.

Mrs. Walters' front porch became the temporary warehouse for the clothes and, before the sun went down on the second day of "Operation Clothes for Flood Sufferers," the Walters' family had to use the back door to make the dinner table.

The dilemma of how to deliver all the needy clothes became an

The Methodist Church in Springfield has assumed responsibility for the first two phases of a three-step program of re-decoration, remodeling and building to cost a total of probably more than \$100,000, the Rev. Dr. Marvin W. Green, local Methodist pastor, stated yesterday in an interview with the Springfield Sun.

This church has come a long way since the first meeting of interested Methodists was held in 1827 in the home of Philemon Dickinson, and then other meetings held in what is now the Methodist Parsonage.

From 47 members listed in the church records of August 27, 1861, the church has grown to nearly 300 members with approximately 350 enrolled in the church school. In the last four years there has been an increase of 25% in attendance both at Divine Worship and enrollment in the Sunday School; creating an urgent demand for a necessary space increase of a minimum of 11% in

Plan Rejected For Drive-In On Union Line

There will be no drive-in theatre on Springfield avenue, opposite Club Diana, in Union. At least, not in the immediate future since application for a variance was unanimously rejected by the Board of Adjustment in Union Monday night after a long and heated debate.

Opposition came from residents of both Union and Springfield, a great number from the Township appearing at the meeting to voice their objections.

The hearing on the variance was highlighted by charges that an anonymous letter had been mailed to practically every resident in Springfield asking them to appear last Monday night at the Union Municipal Building.

The letter had no signature but was mailed in a government stamped envelope from the Springfield post office. The addressing of the envelope was traced to a Chatham addressing service but, checking with the proprietor of that plant, brought the information that a "tall, thin, dark man came to Chatham two weeks ago and asked for the price of addressing envelopes. The job was done, picked up by the same unidentified man who paid cash for the work and departed with the addressed envelopes without leaving his name."

The property, owned by the Elizabethtown Water Company, is situated on the Union-Springfield boundary line. One of the largest drive-in theaters in this area was planned on this site but rejecting the application for the variance postponed the project. Springfield was concerned because of the added traffic which such a theatre would bring to the Township although the proponents of the drive-in showed that automobiles would be moving in and out of the area from eight until late, when there was no real traffic problem.

Chief Gives "Bad Check" Warnings

Police Chief Albert A. Sorge has issued a warning to local merchants to be very careful when checks are presented for payment of merchandise—especially if the purchaser is a stranger.

Chief Sorge says "some bad check operators" are in this area and one of the very rubbery type in the amount of \$15 was passed in a Springfield store last week. Quick work by the local police who traced the automobile license discovered the maker of the \$15 bad check who, according to the reports, is wanted in several other New Jersey municipalities.

"Merchants should make certain they know the maker of the check," said Chief Sorge. "Cashing it and then discovering that it was bad, gives the police a very difficult job. The best advice is to refuse to cash a check for a stranger."

Jewish Group To Observe High Holy Days

The Springfield Jewish Community Group is preparing for the ten-day series of religious rites which mark the high holy days and the beginning of the Jewish New Year.

The observance of Rosh Hashanah will begin at sundown on Friday. The period of prayer and contemplation will be climaxed Monday, September 26, by Yom Kippur, the Day of Atonement.

Rabbi Reuben R. Levine, spiritual leader of the Jewish Community Group here, in Springfield, has announced that services will be held at the Jewish Center on Friday and Saturday evenings and Saturday and Sunday mornings of this week. Yom Kippur services will be held Sunday evening, Sept. 25 and all day Monday. Rabbi Levine will be assisted by Cantor Irv Kramerman.

IN OBSERVANCE—Rabbi Reuben R. Levine of the Jewish Community Group of Springfield explains to Mark Biddelman the significance of the Shofar (the ram's horn) in the Jewish New Year service. Cantor Irv Kramerman looks on. The group is standing before the arch which contains the holy scrolls, the five books of Moses.

ital outlook, the symbolism attached to the Shofar has further importance. When hearing the call of the ram's horn the worshipper is reminded that through bettering himself, he too, is an instrument in helping to bring about a better world.

"...hope it tastes as good as it smells"

It will! It's Nob Hill! Yes, the fragrance of Nob Hill will be right there in your cup where you can taste it. That's the special thing about Nob Hill... its "aromatic flavor." It comes from special (and costly) coffee beans called "aromatic selects." You grind them yourself at the Safeway Coffee Mill. When Nob Hill is freshly ground it's doubly delicious. You'll never know till you try it.

Methodist Church

(Continued from Page 1)

both the Church and the Sunday School.

In 1949 the Church began to discuss the problem of more space and in 1950 engaged the services of the New York architects, Bell and Warren who have been with the Church ever since. The need for a new pipe organ became acute in 1952, and so a Building Fund drive was inaugurated to include these two projects in 1952 under the leadership of the former pastor, the Rev. C. Albertus Hewitt, now pastor of the Belleville Methodist Church.

Relocation Needed

When Dr. Green took over the Springfield Church in 1953 he had been strongly advised by the Bishop's Cabinet and leading Conference and Jurisdictional authorities that the Springfield church needed to relocate. Two years were spent exploring the many possibilities of such a move, but were finally shelved due to two important factors:

(1) After careful house-to-house surveys it was found that Methodists had only a 6% potential membership in the south side's new housing developments; and (2) no offers to purchase the present property were forthcoming.

This spring complete specifications and blueprints were issued to interested contractors setting forth the first two phases of the program: that of remodeling the sanctuary preparatory to installing a new Moeller pipe organ; and general space increases in the basement and sanctuary by a new extension at Main street.

The lowest bidder was Nonemaker Construction Company of Maplewood, who were awarded the contracts immediately. This company built the First Presbyterian Church at Irvington, the Lutheran Church in Plainfield, and the Sunday School plant for the Warming Presbyterian Church in Millburn. The congregation, after general approval from Method's Bishop Newell and District Superintendent Roland L. Luerich of Westfield, voted to permit the trustees to mortgage their properties for a maximum of \$50,000 so work might get under way.

Complete plans in the first two units of the program include: extending the east end of the sanctuary toward the cemetery to

provide space for the pipes of the new pipe organ; 40% increase in space for the choir; at the front of the sanctuary; \$2400 screen and new worship center with new lighting; tearing out of the old balcony; ripping out of the west wall of sanctuary basement and balcony and extending each 20 feet toward Main street with new Colonial front for the building; removal of the old steeple with new roof to cover space remaining with new roofing over entire building; construction of new narthex and tower on the corner of Main street and Black's lane with entrance to sanctuary and basement on the ground level; construction of new balcony; and new Sunday school rooms upstairs and on the basement level with accordion doors to sanctuary and basement assembly room; removal of old lights and chandelier; reinforcing of sanctuary ceiling and new sanctuary lighting system; and painting of the church inside and out.

New Pipe Organ

The new Moeller pipe organ has been built and is ready for delivery as soon as remodeling is completed. The organ will be a \$10,000 two-manual instrument with 450 pipes ranging in size from 16 feet to eight inches in length. Several miles of wiring will connect the console with the pipe unit.

Plans also call for enlarging of the present kitchen by extending the west wall, new cabinets to be built and new equipment to be installed. It is expected the latter plans will be handled by local members of the congregation.

The last phase of the total program yet awaits final adoption. Having to do with a new wing or new building space for the Church School. There has been talk among officials of razing the present Parsonage and building a new Parish Hall and youth recreational space underneath with Sunday school rooms connecting with the present wing to form an overall U-shape building when finished. Members of the Finance Commission have assured the congregation one and perhaps several more financial drives for building fund pledges will be required.

During the re-modelling which the Methodists are making other is expected to be completed sometime after the first of the year. Arrangements for their Sunday morning worship services through October 2nd, they will worship in the Presbyterian Parish House at 11:00 o'clock. A general congregational meeting will be held on Sunday, September 18th, at 12:15; all members of the church urged to be in attendance.

Don't lose their appetites about mid-November and don't fully regain them until late in March.

added problem. Packages were sent off to friends and relatives in the New England area of the floods and many heartwarming letters of thanks have already been received by Mrs. Walters.

One of the local delivery truck drivers gave Mrs. Walters the name of his in-laws in Westfield, Mass. who needed dry clothes. They in turn, called a few of their neighbors and the entire project mushroomed into such proportions that a great deal of the clothes collected here, is now in the hands of those who need it in that Massachusetts town.

Now the call has come to Mrs. Walters and her neighbors, that "toys are wanted" and Mrs. Walters, no doubt, will do something about that for the kids. Even furniture has been offered to Mrs. Walters for distribution but that presents real problems such as trucks and men to do a little moving. Mrs. Walters is still working at it.

One letter of thanks came to Mrs. Walters from Mrs. Ella Stearns of Westfield, Mass. and reads as follows:

"This is a short note to try to express our thanks to you

and your neighbors, who so thoughtfully collected clothing for my family.

"Being unable to use all of the clothes, I gave some of them to the 'Woman's Club' who distributed them to others.

"We are coming along fine and it's wonderful to know there are so many people thinking of all of us. Please thank everyone for me."

Woman's Club News

ATTENTION ALL MEMBERS! Mark your calendars now for three important forthcoming events. . . . Wednesday, September 28 is the date of the 1955 Fall Conference of the New Jersey State Federation of Women's Clubs of Douglass College in New Brunswick. Eighteen workshops are scheduled for the mornings beginning at 10:15 a.m. State chairmen have carefully planned these programs to inform and to appeal to a particular interest of every club member.

Each department and committee is urged to have a representative at the Department and Committee Workshops to take advantage of this excellent opportunity to meet District Chairmen and to arrange the work for the coming year with an exchange of ideas. Federation President, Mrs. Wilson Y. Christian, will preside over the General Assembly Session beginning at 1:15 p.m. The afternoon program will be highlighted by an outstanding speaker. Registration for the Conference will be in at 10:00 a.m. and the registration fee of seventy-five cents will admit clubwomen to all conference sessions. Box lunches brought from home will be eaten on Antilles Field and beverages will be served by the College. For information, inspiration, and pure enjoyment, no club member will want to miss this year's Fall Conference. Further information may be secured from Club President, Mrs. Edwin Davenport, at Millburn 6-3524.

Circle Thursday, October 20, on your calendar! On that date a Dessert Card Party will be sponsored by the Ways and Means Department at Koons Brothers, Railway, at 1:30 p.m. It's not too early to start getting your tables together by inviting your friends and neighbors to join you for a good time and a worthwhile cause. Proceeds will be used to further the club's good work for the benefit of our community. Mrs. Louis James, department chairman, will announce more details later.

Saturday and Sunday, October 22 and 23, are the dates you'll want to reserve for the Fourth Annual Outdoor Art and Handicraft Exhibit to be held from 10 a.m. to 4 p.m. on the grounds of the Springfield Public Library. Mrs. Joseph Zidonik, Art Department Chairman, announces that this exhibit is open to anyone who would like to exhibit paintings or crafts. Exhibits will be received

at the Library Friday, October 21, from 3 to 5 and from 7 to 9 p.m. During the entire month of November, the well-known and popular Far Hills Inn at Somerville, N.J., will feature an art exhibit of paintings which any member of the Springfield Woman's Club is eligible to enter, whether or not she is a member of the Art Department. The Fifth District Art Chairman, Mrs. Cornelius Lowe, announces that a popular contest will be held by permitting any guests of the Inn to vote for the paintings they like best. If you have an entry for the exhibit, please notify Mrs. Zidonik before October 15 so that arrangements to deliver the paintings to the exhibit may be made. And if you don't have an entry, you'll certainly want to dine at the Inn and cast your vote for your favorite painting!

With the torrid days of this unforgettable summer now a thing of the past, Department Chairmen are eagerly making plans for their first fall meetings.

The American Home Department, under the chairmanship of Mrs. Vincent Bonadies, met last evening (Wednesday, Sept. 15) at the home of Mrs. Victor Brink, 12 Tower drive. Mrs. Elmer Arnold and Mrs. George Wilson were co-hostesses at this interesting meeting of eager-beavers who discussed Department projects and activities for the coming year.

The Drama Department, under the chairmanship of Mrs. Lee Andrews, Jr., will hold its first meeting of the season on Monday evening, September 19, at the home of Mrs. William Geitz, 487 Meisel avenue. Mrs. John P. Bradley and Mrs. Harry Speicher will act as co-hostesses.

The Garden Department, under the chairmanship of Mrs. Edward J. Schubert, also has its first fall meeting scheduled for this coming Monday evening, September 19. It will be held at the home of Mrs. Christian Anderson, 32 Lyons place, with Mrs. Louis Schneider and Mrs. Harold Edsall acting as co-hostesses. Instruction will be given by Mrs. Paul C. Weis and Mrs. Edsall in the making of colonial nosegays. Members and anyone interested in joining the Department are asked to bring small types of flowers which they can use in making the nosegays.

The Executive Board has a busy day scheduled for September 28! After returning from Douglass College that afternoon from the State Fall Conference, its members will meet at 8:15 p.m. on the evening of that same day at the home of Mrs. Gilbert Mann, 11 Alvin terrace, for the first executive board meeting of the season. Mrs. Rupert Humer and Mrs.

Frank Johnson, Jr., will act as co-hostesses.

The Music Department will hold its second meeting on September 29 at the home of Mrs. Robert Kennedy, 1 Warwick circle, at 8 p.m. With the presentation of its annual Christmas program less than three months away, its chairman, Mrs. John Williams, announces that this energetic group is already at work on its production of inspiring Christmas music.

Mrs. Zidonik, Art Department chairman, announces that the first regular meeting of the Handicraft Group will be held Monday, October 3, at 8 p.m. at the home of Miss Gertrude Sala, 468 Morris avenue. The project is textile painting.

The Fine Arts Group will hold its first meeting on Tuesday, October 11, at 8 p.m. at the home of Mrs. Russell Post, 115 Salter street.

All Department Chairmen wish to announce that they will be happy to welcome new members who may register at the meetings mentioned above.
