Education Week To Be Observed In Schools Here

The week of November 6 to November 12 marks the 35th observance of American Education Week. Schools across the length and breadth of our country will open their doors to millions of parents during these days.

As in the past the sponsors of the week are the National Education Association, the American Legion, the National Congress of Parents and Teachers, and the U. S. Office of Education. The general theme for the 1955 observance is appropriately: "Schools—Your Investment in America."

President Eisenhower in a formal presidential proclamation has called upon the nation to observe the week "as a pledge of citizen interest in better education." He asked "the people of the country to participate fully as evidence of appreciation of teachers and school officials for work well done."

The local elementary schools are observing American Education Week by extending an invitation to participate in a variety of activities.

New Doctor Comes To Springfield

Dr. Ralph I. Mond

Springfield is to have another physician, Dr. Ralph I. Mond, a graduate of New York University, Bellevue Medical Center, having leased offices in the building formerly occupied by late Dr. Henry P. Deangler at 250 Morris Avenue. The entire building is being converted to offices and, as soon as the alterations are completed, Dr. Mond will be ready to start his professional practice.

Dr. Mond is coming to Springfield after serving as Chief Resident in Medicine at the Lenox Hill Hospital in New York City and will specialize in internal medicine.

Dr. and Mrs. Mond have already moved into Springfield, having taken an apartment at Baltusrol Gardens, 545 Morris Avenue. Mrs. Mond is a graduate of Cornell University and hopes to become active in the civic and cultural life of the community.

Bonadies Urges Voters To Elect Keane, Weinberg

Township Committeeman Vincent J. Bonadies, the lone Democrat in the current governing body, has issued a statement appealing to the voters of Springfield to give him "the two votes necessary to carry out a forward looking platform for the good of Springfield, by electing Francis J. Keane and Irwin Weinberg next Tuesday. Elect these two men as Township Committeemen and we will pledge to give Springfield the kind of an administration that will keep pace with the rapid growth of our community."

Following is Bonadies' statement in full:

"Last year, as a candidate for the office of Township Committeeman, I made many promises to support a program for the betterment of our town. The Republican majority on the Township Committee won't tell you that I made many attempts to have my complete program introduced for consideration but to no avail as the majority constantly knocked it down. The steam roller operators wouldn't even listen.

"In making these promises, I thought that the majority were reasonable men interested in the welfare of their town first and not their political future. But, unfortunately, I found otherwise; that they were only interested in power politics and feathering their own vested interests.

"My record will show I have stood up to this real estate machine and fought for the rights of people and a better Springfield.

"They expected me to be a 'yes' man who would go along with their every whim. It did not take them long to find out otherwise that my campaign promise to represent the people's interest was forthright and sincere promise. They learned that I would not compromise my position where the interests of the people was at stake.

"The Republican candidates have spent all their time at tempting to deceive the public with claims of accomplishments and with calling me and the Democratic candidates names of all kinds. They have tried to intimidate us and muzzle the free press. But all this failed. We would not be intimidated as we are dedicated to tell the public the facts.

"I urge all of those people who placed so great a confidence in me last year to support Keane and Weinberg and, together we shall return Springfield's government to the people."

FOR A GOOD CAUSE—Robert Brucker and "Tuffy" Hartz shown turning over money to Mrs. Gladys Beardsley, collected by going from door-to-door to help CP fund.

Local Youngsters Help C.P.; Collect Over \$30.

Two local youngsters, who might have been out in the back yard throwing forward passes, on such a nice day, were so affected by what they saw on the Celebrity Parade for Cerebral Palsy telethon that they decided "to do something about helping this cause."

Robert Brucker, 12, son of Mr. and Mrs. Henry Brucker, 55 Springfield road, and Robert "Tuffy" Hartz, 11 years old, son of Mr. and Mrs. William Hartz, 74 Springfield road, put away the football when they heard the plea for money on the recent WOR television show, and started a door-to-door visit of all their friends and neighbors.

The response was very gratifying and when the full tour of duty had ended, Bob and Tuffy counted up \$30.80, which they turned over to Mrs. Gladys Beardsley, local representative and worker for the Cerebral Palsy Association. Mrs. Beardsley was pleased to receive this additional donation to Springfield's part in the fund-raising. The exact amount contributed by Springfield has not been announced as yet but a complete report is (Continued on Page 14)

"What Happened to Remlinger?" Dems

The steering committee for the Keane-Weinberg ticket in next Tuesday's election turned its guns on Township Committeeman Charles A. Remlinger in a statement in which the Democrats want to know "what happened to change Remlinger after last year's sensational charges in which he referred to Handville, Binder and Donnelly as the Kremlin like administration."

"This year," the statement reads, "Mr. Remlinger has been the fair haired boy on a white charger but last year he was making all kinds of charges against his present cronies.

"Springfield knows that all these charges were never refuted, never denied. Springfield also knows that this year Remlinger wound up as the leading man in the Angleton deal and other real estate deals." (Continued on Page 14)

License Revoked

Wade Daniel Winslow, 19, 110 Shore Hills Avenue, was one of 65 drivers in New Jersey whose licenses were revoked today, according to the list issued by Director of Motor Vehicles Frederick J. Gassert, Jr. under the point system. The local driver is charged with speeding, careless driving and two stop sign violations. His license was revoked for 3 months.

Send in Your News; We Have Space Now

With politics coming to a welcome last gasp this week, the Springfield Sun will now be able to devote more space to many of our community activities which have been shunted to one side by the avalanche of election statements. PLEASE send in whatever you want published—letters, news articles, social notes, and the SUN will be very happy to see that they are printed.

Use a typewriter, double space, if possible. If not, make certain all names are spelled correctly and write on one side of the paper. If you need any help on articles, telephone the SUN. DRexet 9-5900.

Dems Say Bell Writes Ads For GOP Campaign

A new target receives the full force of a statement issued by supporters of the two Democratic candidates for Township Committee next Tuesday in which Ray Bell, head of Ray Bell Associates of Union, is charged with participating in the local campaign by writing the advertisement for the Republicans.

"The people of Springfield will be both surprised and chagrined to learn that Ray Bell Associates, with Township Committeeman Remlinger as the local agent, have been discharging some of the poison pen propaganda on behalf of the Real Estate Monopoly mob candidates.

"Bell's interest is rather obvious—to perpetuate and maintain the stranglehold of the real estate dominated Township Committee. The people know the influence wielded by the Bell organization through this real estate mob-how Remlinger, a member of the Bell organization, guided the Angleton quarry matter through the various channels because the Bell office receives thousands and thousands of dollars for all insurance on the Angleton properties.

"The people of Springfield should know that Angleton is Bell's client, that Remlinger had the cash bond." (Continued on Page 12)

Vote Early Next Tuesday

The local political campaign—as far as the Springfield Sun is concerned—ends with this issue of the newspaper. Now—the entire decision is up to the voters and all eligible and registered citizens are urged to get out early next Tuesday and select the two men they want to have represent them on the Township Committee as well as their choices for State Senator, Freeholders and Assembly.

"It is the hope that all citizens—who have been bombarded with campaign material for many weeks, will be spared any last minute "poison pen" matter or one of "those no-time-to-reply" circulars. The political battle has left supporters on both sides with frayed tempers and any last-minute wild charge may not bring the desired effect.

"Those who go to their voting districts on Tuesday should know that THEIR VOTE IS ABSOLUTELY SECRET AND SACRED. No one needs to know for whom you vote—no one can find out how you voted. You don't have to follow blind loyalty to any political party and you can vote for a candidate in the Republican column and then move up to the Democratic column. YOUR VOTE WILL COUNT.

"Also—both sides deplore anything but issues being brought into the voting booth. The vote shouldn't be inspired by classes, minority groups, fraternities, alma maters or civic organizations. Voters should make their choices on the basis of which two men will serve the best interests of Springfield.

"Rumors of last minute, desperate attempts, requesting support for favored candidates in next Tuesday's election by injecting the usual frowned-upon whispering campaign, have alerted both the Republicans and Democrats.

"A campaign worker who does not care to be quoted, reported that law enforcement agencies and county election officials will be given the names of several members of a telephone squad who have been contacting voters to spread scurrilous propaganda and attacking candidates not on the issues of the campaign.

"We have names of those who have been making such telephone calls," said this same informant. "And we are close to getting sworn-to affidavits, giving the text matter of the appeals made on the telephone. As soon as we have more definite proof, we intend to turn the names over to the proper authorities for whatever action they care to take to stop these insidious electioneering methods.

"Voters in Springfield are asked not to be intimidated, not to consider these whispered telephone calls on behalf of or against any candidate. No one knows how you vote. Your ballot is secret and sacred and there is no one who can tell how you voted—or for whom."

Torrid Campaign Ends; Both Sides Confident

Francis J. Keane and Irwin Weinberg, Democratic candidates who seek election to the two vacancies on the Township Committee next Tuesday, make a final appeal to the voters of Springfield in another statement.

"We are asking the citizens of Springfield," the statement reads, "to go to the polls next Tuesday and vote Row A so that the Township can throw off the yoke of the present real-estate-monopoly controlled administration. We feel confident right now—and all signs point to victory on Tuesday so that the people may conduct the affairs of the Township instead of the chosen few who have been feeding at the political crib for so many years. By electing both of us on Tuesday, you will be in a position to clean house and return the government of Springfield to the people.

"There are a few things to clear up statements by the opposition who want to confuse the issues and hide behind denigrate falsehoods.

"The term REAL ESTATE MONOPOLY does not refer to house building developments—and the Republican majority in Town Hall know it. Here are some important facts—to remember when you walk into the voting booth.

"We are TALKING ABOUT MEMBERS OF THE TOWNSHIP COMMITTEE WHO TOOK OUT THEIR REAL ESTATE LICENSE AFTER THEY BECAME MEMBERS OF THE GOVERNING BODY. They are gainfully occupied in other businesses of their own and THEY OPERATE ONLY IN SPRINGFIELD REAL ESTATE.

"We are talking about big real estate deals made by MEMBERS OF SPRINGFIELD'S GOVERNING BODY who received their real estate license AFTER THEY BECAME MEMBERS OF THE GOVERNING BODY.

"We are talking about THE DEALS THAT GAVE TOWNSHIP COMMITTEEMAN CHARLES A. REMLINGER AND HIS ASSOCIATE, RAY BELL, THE EXCLUSIVE SALES OF PRACTICALLY EVERY DEVELOPMENT IN SPRINGFIELD. THAT (Continued on Page 12)

Mayor Albert G. Binder hits back at the Democratic candidates on the matter of the Morris Avenue parking regulations in a statement printed in full below:

"The attempt on the part of the two Democrat candidates for the Township Committee to distort my position in the matter of the Morris Avenue parking regulations must convince the people of Springfield that these two Democrat candidates will make any statement, regardless of the fact, which they think might win them a vote.

"Either these candidates, particularly Mr. Keane, badly need a memory course, or they are deliberately concealing the truth. The people of Springfield, who have repeatedly rejected Mr. Keane's bid for election after his one-term on the Township Committee, should know that it was this same Mr. Keane who sponsored and secured the passage of the Morris Avenue rush-hour parking ban seven years ago. Traffic conditions in the main business section in 1940 were bad. Today, they are ten times worse.

"Mr. Keane, his fellow candidate and the amazing Mr. Bonadies, who sponsors their candidacies, now tell the people of Springfield that they will, if elected, abolish the present parking ordinance and permit unlimited parking in that section. At the same time, they say, they will get the State Highway Department, to repave the street.

"If the rush-hour parking ban was necessary seven years ago, it is ten times as important today. Mr. Keane knows that. He also knows, but is not telling the public, that any revision of the present parking ordinance cannot become effective without the approval of the State Highway Department.

"All three know very well that their Democrat highway commissioner has very clearly stated that he will not approve the covering of the unused trolley tracks by the repaving of that section of the highway unless parking is banned for 24 hours.

"Completely disregarding the record, the minutes of the Township Committee for November 10 and November 24, 1948, Mr. Keane's great heart now aches and bleeds for the people who are inconvenienced by his parking ban seven long years later. To supplement his great concern, his fellow candidate sheds copious tears while the third member of the trio makes imaginary trips to Trenton to whip the Highway Department into line.

"The next time Mr. Bonadies' candidates run for public office, they should take the precaution to destroy the evidence of their actions of yesteryear."

Record Vote Is Looked For in Local Election

A record turnout of voters, for an off-year election, is expected next Tuesday, November 8, when the most torrid political campaign in the history of the Township comes to a close with the decision left to the "real bosses," the voters. The polls open at 7 a.m. and close at 8; and the result, with voting machines doing the addition, should be in by 10 o'clock.

Voting districts will be manned by full forces from both the Republican and Democratic camps, since victory next Tuesday means control of Springfield's affairs. The Township Committee is now lined up with four Republicans and one Democrat, but a victory for both Democrats would swing control.

The Republicans now in office are Mayor Albert G. Binder, Township Committeeman Frederick A. Handville, Charles A. Remlinger and Eugene F. Donnelly. The lone Democratic member is Vincent J. Bonadies who, last year, defeated former Republican Mayor Robert W. Marshall.

Handville and Raymond W. Forbes are the two Republicans seeking election to the two vacancies on the Township Committee while Francis J. Keane, a former member of the Township Committee, and Irwin Weinberg, an attorney, are carrying the Democratic colors in what has been a most interesting political campaign.

Both camps claim victory and political prognosticators who have been watching the current scrap see a very close race. Bonadies, the lone Democrat in the governing body, defeated Marshall who was the former Republican Mayor in the Township 2113-to-1806 votes last Fall. The supporters of the Democratic cause, this year, point to the fact that 1954 presented a nation wide battle for control of Congress—and local voters had a U. S. Senatorial race as well as the battle for the Sixth Congressional district election which (Continued on Page 12)

Dems Cite Tax Figures At \$125

A final parting shot on the matter of Springfield taxes brought the following from the Democratic opponents, Francis J. Keane and Irwin Weinberg:

"Our opponents, on many occasions, have attempted to give a distorted and false picture of the tax situation in Springfield. They have maintained that taxes in Springfield are lower than most communities in Union County. A study of the cost of governments in Union County indicates clearly that Springfield's taxes are one of the highest paid in the County.

"A survey of the cost per person which is the most accurate barometer, shows Springfield's cost to be \$125.00 for every person living in the Township. The following will show a comparison of costs in other municipalities:

Springfield	\$125.00
Union	101.00
Scotch Plains	95.00
Roselle Park	77.00
Roselle	74.00
Rahway	118.00
New Providence	100.00
Mountainside	117.60
Westfield	141.00
Garwood	86.00
Clark	84.00
Berkeley Heights	87.00
Plainfield	122.00
Kenilworth	130.00
Fanwood	103.00
Elizabeth	95.00
Cranford	111.00

"With the enormous increase in rates in Springfield—over \$5,000,000.00 higher than five years ago, there has been no decrease in the tax load for the property owner."

Chairman Beardsley Asks For Republican Victory

Municipal Republican Chairman Charles F. Beardsley reviews the local campaign in a statement issued yesterday which reads as follows:

"A review of this campaign, which comes to an end next Tuesday, has, I am confident, convinced the voter that his interests will best be served by voting for the Republican candidates for local, county and state offices.

"In Springfield, the Democrat candidates, for the two seats on the Township Committee, have established an unchallengeable record for a complete disregard of the facts—Berett-of-issues, they have resorted to the half-truths, baseless accusations and innuendo. On the other hand, Committeeman Frederick A. Handville and Raymond W. Forbes, our Republican candidates, have based their bid for election on the enviable record compiled by the Republican majority on the Township Committee. Mr. Handville's six year service on the governing body, and upon Mr. Forbes' recognized business and civic background as qualifying him to continue sound government for the Township of Springfield.

"As chairman of the Republican Municipal Committee, I can recommend, without reservation, Mr. Handville and Mr. Forbes to be elected to the Township of Springfield." (Continued on Page 12)

Drive Ends Here For Flood Victims

Mrs. Robert F. Walter of 19 Kipling Avenue who conducted a local drive to provide flood victims in New England with necessary clothing, announced yesterday that the final load had been sent off last week-end.

"This final load of clothing—especially the heavy clothing for the colder weather," said Mrs. Walter, "marks the end of our campaign here in Springfield. We had the most wonderful cooperation and help from neighbors in collecting the clothes and sending them to the flood stricken victims. Collections were made and stored until transportation could be furnished and the people who received the clothing as well as the Red Cross and other helping organization have written and told us how grateful they are to all the people of Springfield.

"I would like to personally thank all those who helped and to those who so willingly donated clothing for these sufferers. It is (Continued on Page 12)

Remlinger Justifies His Position; Proves No Deals

Township Committeeman Charles A. Remlinger yesterday released a statement which tells of his position in the current campaign to be decided at the polls next Tuesday. Following is Remlinger's statement in full:

"Many stirring inferences and innuendoes have been hurled by the Democratic candidates in this campaign regarding my membership on both the Township Committee and the Planning Board, and the fact that I am also earning my livelihood as a Real Estate Agent. As a result, I think it would be well to clear the air regarding their false charges.

"The Democrats state that my survival in the real estate field is dependent upon my position on the two municipal bodies. Let me point out that I have had my real estate license for only four months, three of which I was either in the hospital or under doctor's orders to do no work of any kind. These happen to be the three months during which most of the action on the real estate developments took place—a period of time, as the record of the meetings will show, during which I did not attend any meetings of any municipal body.

"Furthermore, if my position on these municipal bodies was so important to my survival in the real estate field, it would be a natural assumption that I would be a candidate for re-election right now instead of retiring from politics on December 31 of this year." (Continued on Page 12)

Sisters Here Get \$4,791 in Wages

Two Springfield sisters, former employees of the Sayre homestead, were awarded a total of \$4,791 in wages by a jury in County Judge Edward A. McGrath's court.

Mrs. Jennie Hall and Miss Jessie Day claimed they worked a total of 2,738 hours between June, 1950, and April, 1954, at which time their employer, Miss Nellie C. Sayre, died. They sought \$2.00 per hour. The verdict gave Mrs. Hall \$3,650.50 and Miss Day \$1,141.

The defendant was Ralph Sayre of 191 N. Arlington Avenue, executor of the estate.

The Sayre home, located off Baltusrol road, is 210 years old. During the 18th century George Washington was a frequent visitor to the home, and is believed to have mapped some of his campaigns there.

No More Frayed Tempers

Springfield's noisiest political campaign turns into the home stretch this week and, by Tuesday night, the vitriolic scrap will be history. And, like the inmate in an institution who, when asked why he was hitting himself on the head with a hammer, replied, "it feels so good when I stop," the citizens of Springfield will breathe a sigh of relief and turn to reading more about the Regional High School football players who have already won every game played this season.

The roar of charges and countercharges will be repeated on Morris avenue long after the victors have gargled enough antiseptics to clear their jubilant, sore throats. It has been a free-swinging campaign, with hard-hitting accusations and even attacks against personalities and individuals, a great deal of it based on the "guilt by association" theory.

The Springfield Sun literally "stuck out its neck" when the current "sex-you" campaign started by announcing that space would be made available to both sides in the campaign. We believe in a two-party system and we wanted to properly present the pros and cons of the political scrap. The Sun believed this would be a public service but we didn't reckon with the enterprise and aggressiveness of the campaign managers—we didn't realize how many new words and angles and innuendos these prolific publicity men could dig up for publication. We never bargained that the Sun would be compelled to keep its promise without any limitations as to the number or length of the campaign material.

However, the Sun has kept its end of the bargain by making room for practically everything submitted to the exclusion of local items which, in our opinion, were even more important. Depending on the perspective, on the point of view and on one's personal political inclinations, the Sun has been forced to run the gauntlet of criticism from both sides in the campaign. We are making no excuses—the Sun furnished the medium through which both the Republican and Democratic parties were able to "sell a bill of goods" and we made it clear that we "must let the chips fall where they may." Neither side can say that we refused publication of any article submitted for that we censored, blue pencilled or changed any of the many statements released during the torrid campaign.

There were rare instances where the Sun detected a phrase, or an adjective or some personal evaluation of a candidate that might be better left unsaid. In such cases, we took the trouble to telephone the authors of the article, or those whose names were being released with the statement, and only then would the word or words be deleted.

Right now the entire matter of Springfield's future is in the hands of the voters. If the campaign wasn't stirring enough to bring out every eligible voter in the Township, the public relation boys evidently didn't do a good enough job. The last thing we can do this week is to urge every voter who cares anything about our home town to get out next Tuesday—AND VOTE!

Before we get off the subject of politics, we are reminded of an old friend of ours, in a congressional district, whose name appeared on the ballot every time his term expired—and he never lost an election. This Congressman wasn't the Claghorn type of eager-beavers and he didn't crowd the Congressional Record with his speeches against erosion of Nevada beaches—but if one of his constituents asked for a favor, or if he received a request to do something about someone, it would be done.

Mrs. Florence P. Dwyer is that kind of a legislator—that kind of an Assemblywoman. "Flo" Dwyer is capable, knowl-ledgeable and is held in such high esteem by people all over the state, especially by her own Union County and certainly by Springfield voters that her re-election is just a foregone conclusion. Mrs. Dwyer is everybody's idea of what a representative of a county should be in the legislative halls at Trenton and a request from a constituent, if it is deserving, will get immediate action from "Flo" Dwyer. She is on the ballot for re-election next Tuesday and Mrs. Amy Bandemer, who is handling Mrs. Dwyer's cause in the Township, is hoping Springfield will give this true representative of the people a big vote.

In glancing through the files of the Sun the other day, we were attracted to the little plug given "Perry Dempsey's Restaurant here and the heavenly garlic bread his boys whip up for dinner. We drooled as we re-read the blurb and, that same evening, we were surrounded by baskets of garlic bread whose aroma should be captured and put in small bottles for the gourmets, the epicures and just plain lovers of good food.

We did a little research by talking to the kitchen and dining room staff but no one would divulge the secret recipe for making this palate delight.

We did learn that Kenneth "Ken" Jennings, who has served at some of the best dining rooms in the state, is Dempsey's vice-president-in-charge of Garlic Bread and travels from Montclair daily to his job in Springfield. Freddie Reynolds and Louis Ralston help "Ken" guard the garlic-bread secret and the chef who puts the sizzle in those steaks is Reginald Brown who can do tricks with fried chicken and French fried onions.

GRANDFATHER'S CORNER—Several doting grandpas have sent in interesting "out of the mouths of children" anecdotes and the best of the lot has to do with his little granddaughter who accompanied the family to a swank restaurant. She went through the entire meal without spilling a crumb, and when the waiter brought finger bowls, she watched her parents immerse the tips of their fingers, and she followed suit.

The waiter picked up her finger bowl but she stopped him with "Wait a minute, please, I haven't washed my arms yet."

We have to make room for another one from our own Jimmy, who, at three years, talks a blue streak. Jimmy had a bad cold and his mother warned him to keep away from his new little brother, Jeffrey. "Don't get too close, Jimmy," said Jimmy's ma, "or you'll give your cold to Jeff." "That'll be fine," was Jimmy's happy retort. "If I give it to Jeff—I won't have it."

Return Union County Government To The People! Vote Democratic!

Never before has the stake been so high in your future as residents and home owners of Union County. In the November 8th election, you have the opportunity to end once and for all the one-sided political rule that has placed politics foremost and almighty under a system of the "privileged few." You have the opportunity now as a voter to have a DIRECT voice in your government by electing Democratic slate to county and state offices, a slate of candidates whose integrity is unchallenged, whose goal of returning the voice in a better, more economical government—to the people—remains a vital one. Indeed, never before has the stake in your future been so high!

LORRIE LEWIS

I just returned from the P.T.A. convention in Atlantic City and my three-day stay there was especially nice because Rose Miller and Edith Jakobsen were such pleasant traveling companions.

Mr. and Mrs. Thomas F. Conlon of 129 Henshaw Ave. announce the birth of a son, John Brian, on October 22 at Orange Memorial Hospital weighing 9 lbs. 1 oz. The Conlons are justly proud of their four other fine children, Tommy age 11, Jimmy age 8, Ann age 7, and Kathy age 2.

A very special welcome to my good friends, Mr. and Mrs. David Strunin who have moved from Hollis, L. I. to their new home at 8 Archbridge Lane. Mrs. Strunin's parents, Mr. and Mrs. Irving Feinsod are residing here for about a month at which time they plan to leave for Florida. Mr. and Mrs. Feinsod are also from Hollis.

The Strunins recently returned from a six-week European trip. Among their stops were Madrid, Paris, Rome, Lucerne, and London. The little black Volkswagen seen around town was brought back by them from Germany.

Mr. and Mrs. S. Kesler of 387 Hillside Ave. and Mr. and Mrs. J. Blake of 27 Becker Rd. enjoyed their weekend at the Nevele, Ellenville, N. Y. along with other members of Suburban Deborah.

Garwood is the former residence of Mr. and Mrs. Stuart Douglas whose new address is 38 Washington Ave. The Douglases have 3 children, Katherine Ann age 6, Susan Margaret age 3, and Stuart Duncan age 2. Mr. Douglas is employed by Swift & Co., Jersey City.

Mr. and Mrs. Seymour Simon of 59 Garden Oval were hosts to their "cousins' club" last weekend. The cousins present were Mr. and Mrs. Martin, Mr. and Mrs. Skolnick, Mr. and Mrs. Raderman, Mr. and Mrs. Ross, Mr. and Mrs. Rutkow, and Mr. and Mrs. Davidson, all of New York.

The new address of Mr. and Mrs. Volmer Uhrenholdt is 26 Franklyn Place. The Uhrenholdts moved here from Union. They have a married son who lives in Wyoming.

Wyonore Ann is the name of the baby girl born on October 16 at Orange Memorial Hospital to Mr. and Mrs. Renato Benedetti. She weighed 5 lbs. 4 oz. Mr. and Mrs. Benedetti have two other children, Douglas age 14 and Russell age 9.

Mr. and Mrs. Jerry J. Ciasulli have moved to their home at 364 Milltown Road from Orange, N. J. They are parents of a daughter, Gail age 4½. Mr. Ciasulli owns Gaylin Buick in Union.

A very Happy Birthday to Ronnie Barz, son of Mr. and Mrs. W. Barz of 511 Meisel Ave. Ronnie celebrated his 14th birthday with his parents and wonderful grandma, Mrs. K. Barz.

Mr. and Mrs. James Pappas have moved into their lovely new home at 16 Archbridge Lane. They are formerly of Union. Their son, Ronald, is serving with the U. S. Army in Japan. Mr. Pappas is an attorney with offices in the Academy Building, Newark.

A birthday belle of this week is Kathy Clark, daughter of Mr. and Mrs. F. Clark of 1 Hundar Road. Kathy celebrated her 4th birthday at a party in her honor on Saturday, October 29. Her guests were Judy Croyce, Pat Durand, Pat Mentzer, Judy Vance, Pat Dreher, Melinda Bradley, Sue Kish, Joyce Field, and Kathy Slipka.

The new residents of 18 Archbridge Lane are Mr. and Mrs. Sidney Sklar and their sons, Richard Brian age 6 and Steven Lawrence age 28 months. They are formerly of Maplewood. Mr. Sklar is an accountant and his office is in Newark.

Cute Meryl Granick, daughter of Mr. and Mrs. O. Granick of 85 Remer Ave. was honored at a family dinner on the occasion of her first birthday. Halloween parties are always fun and a highly successful party was given on Sunday eve, Oct. 30 by Mr. and Mrs. Richard Moore of 89 Remer Ave. The guests, all in gay costumes included Mr. and Mrs. M. Reisberg of 86 Remer Ave. and couples from Irvington, Maplewood, Linden, and Union. The hosts, dressed as clowns, greeted Ubangas, cigarette ads and many others.

Freedmans Open New Hardware Super-Market

An Horatio Alger story unfolds in Springfield tomorrow afternoon with the grand opening ceremonies of a hardware and paint super-market, displaying acres and acres of items in the new Springfield Paint and Hardware store at 265-267 Morris avenue, formerly occupied by a food super-market.

When "Ike" Freedman and his help-mate, Helen, first opened their hardware store in Springfield about 18 years ago, there were about 3,000 residents in the Township and very few of them had much need for the items they had in their establishment. But "Ike" was only 27 years of age then, sparked with the usual aggressiveness and desire to succeed, and he could not be discouraged. Even if the five regular charge account customers, his five only accounts for a long time after he started—even if those 5 regulars failed to drop in for some purchases, Helen wouldn't let Ike even think of being discouraged.

The Freedman's Springfield Paint and Hardware store grew each year, new items were added, new customers became regular and satisfied customers and there are now 400 charge accounts—400

people who regularly purchase everything they need in the paint, hardware, household goods and sundry items from the Freedman family.

The new super-market for hardware and paints, will have over 50,000 items, all displayed in the most modern manner with prices lower, according to Freedman, than any other establishment. "With the big stock we are carrying in the new store," said Freedman, "we can sell many items at very low prices since we now have greater buying power and can therefore take advantage of purchases to the advantage of our customers."

"We are carrying all top quality items, all well known brands and our sales displays will afford everyone an opportunity to see what they need since we have installed the most modern of visual

displays with everything catalogued and in a set location. As an example of some of the new items this new hardware super-market will have for its customers, there are displays of

Sunbeam, Mall, Skil and Black & Decker power tools; complete Cosco line of tools and metal goods; Weaver, Revere, Vollrath and Pyrex products; Flint knives and kitchen tools, Rubber-

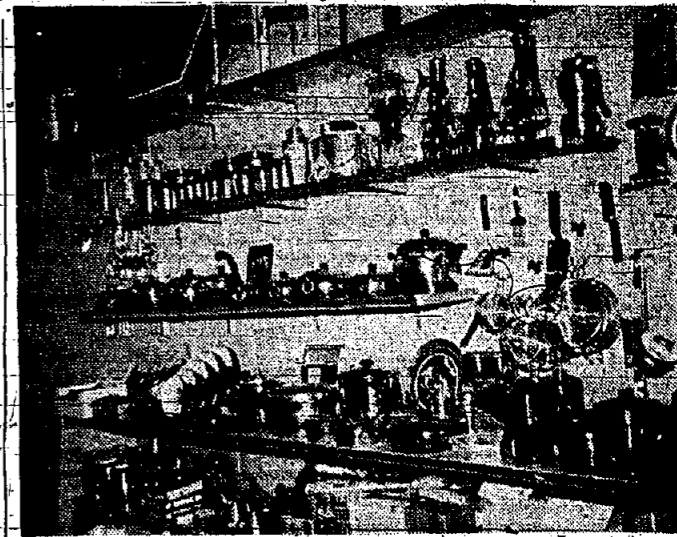

maid line of plastic products; Vita Var Paints, complete electrical and plumbing products, Stanley, Miller-Falls, Truemper and Diston tools and practically everything needed in the hardware or paint lines.

"We believe this new store of ours," Freedman pointed out, "has everything and what we haven't got, we will get it in a hurry. We want people to come in and browse around because there is nothing so fascinating to a home-owner or a 'do-it-yourself' fan as walking through a hardware store. Everything is so well displayed in this new store. Everybody is invited to come in and see this new super-market in action."

"Ike" Freedman is one of the pioneers of Springfield's business, with eighteen years of enterprising promotion of his line or Morris avenue. He has always been active in civic affairs in Springfield and spearheaded many of the drives for worthy causes. Freedman is now president of the Springfield Chamber of Com-

merce, a member of the Springfield Rotary Club and was one of the founders and prime movers in the organization of the Springfield Jewish Community Group. The Freedmans reside in one of Springfield's fine homes near the two sons, David, who is fifteen, and Richard, age 9.

The story of Springfield's newest ideas in super-markets could not be complete without mentioning Elton Insley who has been a part of the Freedman organization for the past five years. Insley is the combination mechanical man, the trouble shooter of the organization and his services have played an important part in the growth of the store since coming with the Freedmans. "Elton is one of those rare persons," said Freedman in talking about Insley, "who can perform the most remarkable fix-it jobs, do a fine selling job on anything in the place and convince the purchaser so thoroughly that he never thinks of

hardware and paints without thinking of coming back to our store." The new hardware and paint super-market will be open daily from 8 to 8:30 p.m., till 9 p.m. on Friday and on Sunday from 9 to 1 p.m.

We moved to Springfield because we like the town, love its suburban atmosphere and the open-and-above manner in which it is managed. The Democrat candidates have injected filth and slander into their campaign in order to gain a foothold. We fear for any such minds and thoughts seek to ridicule and create distrust. This town has been developed to the point where it is the ideal of the suburban home seeker. Let's keep it that way. Please vote for Mr. Handville and Mr. Forbes for Township Committee.

Woman's Club News

Last call! Last opportunity of the year! If you've been intending to drive to the country to see the many beautiful paintings exhibited in the grand ballroom of the Inn are seven entered by members of the Springfield Woman's Club.

the plot of autumn color while there's still something left to see this week-end will be your last chance. And for a special treat on your return route, make it a point to stop for dinner at the Fair Hills Inn in Somerville, N. J., where the Fifth District Art Exhibition is being held during the entire month of November. Among the many beautiful paintings exhibited in the grand ballroom of the Inn are seven entered by members of the Springfield Woman's Club.

Miss Gertrude Sala, 468 Morris avenue, is exhibiting an oil entitled "Preparation," and a watercolor entitled "The Blue Teapod." Mrs. C. Leslie Williams, 148 Linden avenue, is exhibiting an oil entitled "Peace and Security," and a portrait in watercolor called "Nancy's First Lipstick." Mrs. G. Oyster of 28 Pitt road has entered a portrait in oils entitled "Ahead of Spring." Mrs. Joseph Zidonik, Art Department chairman, of 20 Remer avenue is showing her "Sunset at Sea"; her co-chairman, Mrs. A. Raganani, Jr., of 95 Madison avenue has entered a still life in pastel chalk.

The Fair Hills Inn, well known for its fine food and excellent service in the picturesque Watchung Mountains, is open seven days a week. You will enjoy the atmosphere in the main dining room where lunch is served daily from 11:30 to 5:00 p.m.; dinner is served from 3 to 9 p.m. (with roast prime ribs of beef a specialty of the house), and supper and ala carte service is offered from 9 to midnight. The modern cocktail-lounge featuring Bill Floyd at the organ is open until 2:00 a.m. every evening.

So whether it's a day out for the family or an evening out for you and yours, make it a point to get to the Inn sometime this month. Everyone's welcome; if you're not interested in dining or dancing, breeze right through the Inn's beautiful lobby into the grand ballroom to see the art display—and be sure to cast your vote for your favorite painting in the popularity contest of the Fifth District Art Exhibit.

All departments of the club are busily engaged making, collecting or baking items to be put on sale at the Springfield Woman's Club Bazaar on December 1, from 11:00 a.m. to 5:30 p.m. It promises to be a big day for everyone, and especially for the lucky winner of the luxurious ten-skin lot out natural French mink stole! The exciting drawing to determine the winner of the Scholarship Fund mink stole raffle will take place at 4:00 p.m. at the Bazaar at the American Legion Hall. Mrs. Merton D. Williams, chairman of the raffle, announces that the winner does not have to be present at the drawing. Donations are 25 cents each and books of ten tickets are available for \$2.50 each. Raffle tickets are selling very well, and any club member who has not as yet received a book is urged to contact Mrs. Williams (DR. 6-6314) or any member of her committee, as soon as possible. They are Mrs. Frank Beebe, co-chairman, Mrs. Henry Bullman, Mrs. John Billings, Mrs. Robert Dvor, and Mrs. John Niesz. This active committee wishes to thank the many club members who have so eagerly supported and cooperated with them in the sale of tickets for this worthwhile project.

able for \$2.50 each. Raffle tickets are selling very well, and any club member who has not as yet received a book is urged to contact Mrs. Williams (DR. 6-6314) or any member of her committee, as soon as possible. They are Mrs. Frank Beebe, co-chairman, Mrs. Henry Bullman, Mrs. John Billings, Mrs. Robert Dvor, and Mrs. John Niesz. This active committee wishes to thank the many club members who have so eagerly supported and cooperated with them in the sale of tickets for this worthwhile project.

Mrs. Howard Sherwin of 287 Northview terrace is in charge of the White Elephant Table, a feature of the Ways and Means Department, at the Bazaar. She will be most happy to receive donations from club members for that booth. If you've run across some unwanted "treasures" in your fall housecleaning of bureau drawers, cupboards, or attic, call Mrs. Sherwin right away at DR 9-2238, and she will be glad to see that they are picked up from home and taken off your hands as soon as possible.

The Handcraft Group of the Art Department will continue its textile painting project at the next meeting of the group on Monday, November 7 at 8:15 at the home of Mrs. Gertrude Sala. Co-hostesses for the meeting are Mrs. W. Raymond Mas, Mrs. Russell D. Post, and Mrs. Adolf Sissum. Hand-painted-guest-towels, hand towels, handkerchiefs, aprons, placemats and scarves will be featured at the Art Department's booth at the Bazaar, and we venture to forecast that customers will line up three-deep at this booth to choose from the many attractive hand-painted items for Christmas gifts!

The Fine Art Group of the Art Department will meet on Tuesday, November 8 at 8:00 p.m. at the home of Mrs. Russell D. Post, 115 Salter street, to prepare for the Annual Club Night Exhibit in January. Mrs. Vincent Bonadies, chairman of the American Home Department, announces that the department is busy at working compiling recipe booklets which will be sold at this department's booth at the Bazaar, along with a great variety of home-baked cakes, cookies, and pies. Club members who wish to donate home-baked goods to the department to be put on sale at the Bazaar to help make their project a success, are urged to contact Mrs. Bonadies at DR 9-4446 as soon as possible. All home-baked items will be most welcome, as the tremendous project undertaken by this department is too great for its limited number of members to handle alone.

the home of Mrs. James Stewart, 89 Salter street. Mrs. Robert D. Hardgrove, Jr., and Mrs. William P. Wood will be co-hostesses. Mrs. Thomas Geddes, chairman of the International Relations Department, will be hostess to her department on Thursday, November 10 at 8:30 p.m. at her home, 111 Hawthorn avenue. "A Look at the Philippines," previously slated for that meeting, will be postponed until a later date. This department will have a great variety of items at its Bazaar booth, including United Nations Recipe Booklets, mittens, Christmas stockings, and handmade costume jewelry. Members will be busy making these many items at Thursday's department meeting.

A package of sewing materials has been sent to Germany by the International Relations Department and the department wishes to thank club members who contributed to the "Meals for Millions" project on Club Night.

The Music Department, currently busy making aprons to be sold at its Bazaar booth, has secured an outstanding treat for us to look forward to at Club Night in December. The department will present "The Nutcracker Suite" at its Annual Christmas Program at the December meeting, and six Temple University's dancers have been secured to interpret the delightful legend of what happened on Christmas Eve more than a hundred years ago in the old German town of Nuremberg.

The Public Welfare Department, under the chairmanship of Mrs. Lee Andrews, Jr., will present four acts at the evening program on November 4 at Regional High School. The Public Welfare Department, under the chairmanship of Mrs. Lee Andrews, Jr., is proud to announce that 24 new Junior Volunteers and six Senior Volunteers who have already had one year of training, are assisting at Overlook Hospital this year. It also wishes to announce that the next Pre-Teen Dance, sponsored jointly by the Springfield Recreation Department and the Public Welfare Department of the Woman's Club, will be held in the Florence Gaudineer School Gymnasium from 7:30 to 9:30 p.m. on Friday, November 18. This dance will be open to seventh and eighth grade students. A snack bar is being provided at the Bazaar for the shoppers by the Public Welfare Department, and sandwiches, cakes, and coffee are on the menu. In operation all day, this booth will provide the many shoppers and busy workers with a substantial lunch—so everyone, come early! For the best assortment and selection of unique Christmas gifts, be at the Legion Hall on December 1; bring your kiddies and meet your friends for lunch there!

VOTE RIGHT!!

Springfield — a community of home-owners, administered by home-owners, has enjoyed Good Government by a continuation of Republican administrations, throughout the years.

The kind of good government, re-instituted for the Nation by President Eisenhower three years ago, has long been enjoyed by the people of Springfield. It has been and remains a government based upon the integrity and capability of Republicans who have acted consistently in the interest of the whole Township. The record of these Republican administrations has been upheld, without exception, by the voters of Springfield.

As candidates of this Republican Party, which has discharged — in full measure — its sworn obligation to the people of Springfield, we are proud of the record of government by our party. We take a genuine sense of satisfaction in the Republican administration's having expanded Springfield's municipal services to meet the increasing demands of a growing population. At the same time, careful

and efficient management wiped out Springfield's municipal debt, making it possible for the Township to undertake the construction of new and sorely needed facilities.

We are more than satisfied with the safeguards the Township Committee has adopted to protect all home-owners in the residential expansion that has taken place here.

We find a sense of satisfaction in the fact that the Republican majority on the Township Committee has provided all the necessary services for the people at a reasonable tax cost to them.

We pledge our continuing efforts to continue the high type of Good Government that the Township has enjoyed. We respectfully request your support at the polls next Tuesday.

VFW Halloween Party Success

A gala time was had by all at the second annual Halloween Dance of the Veterans of Foreign Wars Battle Hill Post 7883, which was held on Friday evening, October 28, at the Post-Home on Morrison road.

Everyone was in costume and it was difficult to decide who should be the winners. After much thought, Judge Mrs. Ed Cardinal, who is the Auxiliary President, awarded prizes to Mrs. Hortense Hetling of Linden, who came as Peter Pan, as the prettiest; Mrs. Marion Deckert of Union, as the most original dressed as a ghoul, and Mrs. Charles Morrison of Springfield, dressed as Mummy Yokum for the funniest.

Refreshments were served by the Auxiliary members and music was supplied by Sam De Vito.

CATHOLIC INFORMATION

What—No Arithmetic?
 "No arithmetic?" Gaped the boy's father. "Do you expect me to send my son to a school that eliminates the basic principles of mathematics, a knowledge needed in every walk of life?"

A school with no arithmetic! What nonsense! Yet it is more deplorable than a school that teaches nothing of God, our first beginning and our last end—of Jesus, our Redeemer and the greatest of all teachers—of the Ten Commandments and the Sermon on the Mount—of love of neighbor for the sake of God, of obedience to our civil rulers because their power comes from God?

To the Catholic the elimination of religious teaching is more than deplorable. It is tragic. For religion is the only solid basis for morality—religious instruction for the mind, religious training for the will. Home teaching or an hour in Sunday school can hardly suffice. God and His will must be an integral part of the child's daily life.

It is because Catholics believe this so firmly that while paying their full share of the support of the public schools, they are also buying land, erecting buildings, and educating with their own money more than 3,000,000 pupils, thus saving you and other taxpayers more than \$300,000,000 annually. And this Catholic education in its academic standing, in its teaching ability, and in its educational results, averages well up to the public school education of today.

The United States of America was founded on religious principles. All our schools, up to 1840, were essentially religious. George Washington said: "Reason and experience forbid us to expect that natural morality can prevail in exclusion of religious principles;" and this sentiment has been echoed by nearly every President since. Who, then, can say that the Catholic School, the nursery of Faith and citizenship alike, is un-American?

tion to all parents to visit the schools on Monday evening, November 7.
The James Caldwell and Raymond-Chisholm Schools will be open at 7:15 p.m. From 7:30 p.m. to 8:30 p.m. each teacher will discuss with the parents the program and plans for the year. Parents of children who will attend

the Edward V. Walton School will meet in the Raymond Chisholm School.
The Florence M. Gaudinger School will be open from 8:45 to 9:45 p.m. Parents will go to their children's homerooms. The teachers will change from one room to another in order to meet all the people.
The purpose of this special observance is to inform the public about its schools, the accomplishments of the school, the needs of

the school, and to secure the cooperation, support and understanding of every member of the community. Communities have good schools when the people want them enough to take an interest in them and to work for them.
B. F. Newswanger, Superintendent of Schools, urges all parents to make every effort to visit the schools of the evening of November 7th.

with 1520, Argyris third with 1209, Keane fourth with 1081, Bonadies fifth with 985, and Moran sixth with 723.
Both sides have conducted bitter campaigns with charges and countercharges. There are no further explosions planned and the various workers will go about the mechanics of getting the vote out next Tuesday.

for both state and county office to be possessed of the same faults that distinguish the two local candidates of that party. By their irresponsible statements, they decry Union County's low county tax rate, the low bond interest rates that the county's favorable financial position commands and the ably-administered departments of the county government. The Democrat Party is putting forward men of little or no experience on any level of government, whose sole claim to election is that "the minority should be represented." I contend that the so-called minority in the county has been well and honestly represented by Republican freeholders.

Not once has he registered any official or unofficial objection until his unofficial objections during this campaign. If I am acting improperly in any way, was Mr. Bonadies not derelict in his duty during the past 10 months for not preferring charges—or did it not suit his political conscience at the time? The above indicates without a doubt that the present administration is not responsible in any way for my position and that there has been no dereliction of duty on my part.
I would like further to point out that as a result of the careful and diligent work of our present Planning Board, developers of land are required to spend a great deal more money for the benefit of the Township of Springfield. In particular, all open ditches must be piped, concrete sidewalks must be installed, a considerably higher standard of curbing must be installed, trees cannot be removed from properties and developers now put up 100% security to cover the full cost of improvements before building permits are issued. All of this means more cost to builders. Mr. Keane did not have the foresight to do this during his 6 years on the Planning Board and 3 years on the Township Committee. A complete new zoning ordinance has been adopted which is the fulfillment of a pledge made by Art Handville and myself in our 1952 campaign for election to the office of Township Committee. This achievement, entailing many long hours of conscientious work on the part of the Planning Board and Township Committee, should be contrasted with the achievement of the Planning Board when the self-righteous Mr. Keane was its chairman, at which time he considered it unnecessary to even hold regular meetings or keep detailed minutes of his meetings. I can't help but wonder if these two Democratic candidates envision a large pot of gold at the end of their fancied rainbow. There is no pot of gold at all except for the development of a fine town, of which we can all be proud.

(or gesture) of one's opponent, and then to seize upon and hysterically denounce every inconsistency.
It is apparent to me, and I think to most of the other voters in our Township, that most of the candidates have made mistakes at some time in their pasts, which mistakes should not necessarily and of themselves detract from the ability of these men to act as public servants. If a sufficient number of these "errors of judgment" are present on any candidate's record, the wisdom of his election is always open to doubt.
There has been much commotion in one "camp" over reputed use of political position for financial betterment. While the public no doubt instinctively raises its collective eye-brows at the mention of such a "charge", it should be remembered that local candidates do not materialize full blown from out of nowhere, but are local business or professional people. Before they choose, or are persuaded, to run for public office they are engaged, as we all are, in the never-ending task of earning a living. Unless there is some statutory prohibition, these men retain their "outside" interests after election. Viewing the salaries paid public officials today, this is neither unusual nor unconscionable.
If there are specific instances wherein our public servants have been guilty of misfeasance or malfeasance, the place to bring those charges is in the Superior Court, and not merely bandied about at election time.
It is my belief that the average voter is becoming rather fed up with election hysterics and will only be further alienated by their necessities or keep detailed minutes of his meetings. I can't help but wonder if these two Democratic candidates envision a large pot of gold at the end of their fancied rainbow. There is no pot of gold at all except for the development of a fine town, of which we can all be proud.

brought out many voters. Also, they state, the presence of Cliff Case on the ticket there attracted a great number of voters but results showed that supporters of Case then jumped from the Republican column to vote for Bonadies or, in many cases, did not vote at all for the local candidates.

In the three cornered scrap of 1953, Mayor Binder and Township Committeeman Donnelly were the winners but the independent candidates, Thomas Argyris and Keane, and the Democrats split the opposition. The Democratic bell-ringers say that the combined vote of Argyris-Keane and the Democrats could have won that year. Donnelly was high man in 1953 with 1605, Mayor Binder next

"We're talking ABOUT THE THOUSANDS AND THOUSANDS OF DOLLARS THE OFFICE OF THE REMLINGER-BELL COMBINE RECEIVED IN INSURANCE PREMIUMS FROM MR. NICHOLAS ANGLETON.
"We're talking about THE NESS DEAL, THE HASSELMAN TRACT SALE, THE SOUTH SPRINGFIELD AND HILLSIDE AVENUE SALE, about the many others by these members of the official family WHO HAD AND STILL HAVE BUSINESSES OF THEIR OWN AND BECAME REAL ESTATE SALES AGENTS AFTER BECOMING MEMBERS OF THE GOVERNING BODY.

"We're talking about Meisel avenue matter where the boys got scared and rescinded the ordinance hanging heavy assessments on property owners and if they are still in control, watch them introduce that same bit of legislation with even higher assessments.

"We're talking about making a speedway of Milltown road and Shunpike road—about the many matters that brought hundreds of objectors to public hearings—but all in vain against the steam-roller tactics of the present bosses in Town Hall.

"Elect Keane and Weinberg, drive these powerful string-pullers from the Town Hall Ivory tower and we will give the government back to the people of Springfield."

Letters to Editor

Editor, Sun:
The current local political fracas is assuming dimensions quite out of proportion to the size of the election. I fear what has happened is utilization by both sides of a corollary of the "big lie" theory employed, often in national (and more often international) politics. This corollary might be termed the "little lie" theory. It requires the use of a political magnifying glass with which to scrutinize the every word, act

Keane Points With Pride To Record As Committee's

Francis J. Keane, who served as a member of the Township Committee and is seeking election as a Democrat next Tuesday, asks the people of Springfield to support him and his running mate, Irwin Weinberg, in a statement which tells of his service to the Township as an official.

"I would like to discuss at this time," says Keane in his prepared statement, "my record as a Democratic Township Committeeman. My friends, Republicans, Democrats and Independents, will vouch for the fact that I never, at any time, put a man's political party above his ability. "The record will prove beyond all doubt that I was the strongest champion of bi-partisan government. The man is always more important than the party. Ability must be above affiliation. I will never deviate or be deterred from what is right and just. I have nominated for office people who were of the opposite political faith. I have supported to the fullest extent of my ability any man who was doing a capable and efficient job. I went into office a humble man and left office even more so, and I might add, a poorer man.

"Of course, you will hear rumors that I will be told what to do and what to say. People of Springfield know that I will not have any political obligations tied around my neck.

"I know that statements made by our opponents is that as police chairman I recommended the two hours parking ban on Morris avenue. This I will freely admit to.

Regional Teachers Take New Courses

An active interest in professional advancement is one of the reasons why Jonathan Dayton Regional High School's faculty is an outstanding one in the area. During the current semester 16 members of the staff of 83 teachers and administrators of the Springfield school are enrolled in graduate courses at Teachers College of Columbia, Montclair State Teachers College, Rutgers and Seton Hall Universities.

A survey of professional training shows that 38 of the teachers hold master's degrees and 8 have completed at least 30 hours of graduate work beyond the master's. At the present, 3 have completed all course requirements for their doctorates.

A further indication of the desire for professional improvement is the fact that more than 50 percent of the staff of 85 will attend the New Jersey Education Association convention in Atlantic City on November 10, 11 and 12. The theme of the meetings will be "Teaching - Yesterday, Today and Tomorrow."

The adoption of the new Episcopal Church School Curriculum by St. Stephen's and the hiring of a senior seminary student from

An adult parent class is under the direction of Seminarian R. Dean Johnson. Robert G. Esler is the superintendent of the church school.

late manipulations with the full sanction and approval of the same men whom he had attacked only a year ago.
"What the answer is, is very obvious. Mr. Remlinger was pitching for the Real Estate Monopoly. He sat on the Planning Board, spoke up for the Angleton zoning change, showed pictures of the zoning property to help get the change. Remlinger's office, Ray Bell Associates, carry all of Mr. Angleton's insurance which may have influenced Mr. Angleton to some degree.
"Isn't this what they call conflict of interest?"
"Elect Keane and Weinberg which will give a majority on the Township Committee and we pledge a business like administration without any selfish motives—without any of the shop-

worn-deals. Let us clean house after next Tuesday by taking the control away from the present "me-too" administration who even claim credit for increased population here and the bingo-raftles."

A total of \$73,743 was pledged by New Jersey residents during the telethon according to Mrs. Charles B. Bronson, telethon coordinator for United Cerebral Palsy Associations of New Jersey, Inc. Delayed contributions turned in after the show are expected to raise the total considerably, Mrs. Bronson said.
Funds raised by the telethon will go to provide increased facilities for research, diagnosis, treatment and care of the cerebral palsied. Contributions made by New Jersey residents will be allocated to na-

tional, state and county C/P organizations, with the major portion going to the county affiliates. The sum pledged by New Jersey residents is part of a total of \$504,000 pledged throughout the metropolitan area.
New Jersey headquarters for the telethon was in Hotel Robert Treat, Newark, where hundreds of volunteer workers manned switchboards and recorded and tabulated pledges. Pledges of \$5 and over were picked up immediately by volunteer canvassers in many New Jersey areas.

Baptist Sunday School Opens
The new Springfield Baptist Sunday School termed a Success. With the Lord's help and guiding Hand, got under way with a successful start. Opening exercises at the Florence Gaudineer School included Scripture reading, singing of hymns Prayers to Almighty God and an accordion duet by Ruth and Clark Pringle. Being the first session of the new Springfield Baptist Sunday School every one present signed the original register in their own handwriting and this document will go down in the archives of the Springfield Baptist Sunday School.
Rev. Dreschel delivered a Salvation message for the morning meditation. Not knowing exactly how many people would attend, it was unable to form classes the first Sunday. However, this past Sunday the students including the

adults were separated into their respective classes which range from Beginners to Adults. Sunday School sessions will continue each Sunday at the Florence Gaudineer School, South-Springfield avenue, Springfield, from 9:45 to 10:45 a. m.
Local Girl Designs Sterling Pattern
Miss Louise A. Govett, daughter of Mr. Thomas Govett, 45 Morris avenue, and a student at Wellesley College, Massachusetts, provided inspiration for Reed & Barton's newest sterling silver pattern design, Tara, through her participation in the company's Annual Scholarship Program.
Her essay on silver design helped convince company officials that there is today a strong trend among the Nation's young women back to sentimental or romantic design. The new sterling design, Tara, is a traditional pattern of great simplicity whose time-honored motifs—the Georgian scrolls and delicate roses—have been endowed with a contemporary freshness. The delicate jewel-like ornament of Tara is carried the entire length of the handles, leaving the smartly modelled surfaces sparkling in contrast.

LaSota To Address Lions Club Here
The Lions Club of Springfield is in for a treat tomorrow evening when Mr. Adam Peter La Sota, head of the Department of Agriculture at Regional High School, will address its members at the regular dinner meeting at Orchard Inn. The subject will be "Vocational Agriculture and What It Means to the Community."
Mr. La Sota has had a very interesting career, originating in a rural area of Passaic County where he learned the rudiments of farming at an early age. From here his family moved to Wycoff in Bergen County where his agricultural career was further developed.
Paterson High School was the scene of Mr. La Sota's secondary schooling, whence he enrolled at Rutgers University, College of Agriculture, from which he graduated with a B.S. degree in 1941. Ten years later Mr. La Sota was awarded his Masters Degree by the same institution.
After teaching his favorite subject "agriculture" at Paterson High for three years, Mr. La Sota managed a million-dollar poultry enterprise at Hillsdale, N. J., which included in its stock some 70,000 chickens, 3,000 turkeys and 6,000 ducks. Later this business was converted into a candy factory which the subject managed for about a year.
Again feeling the urge to re-enter his original field, Mr. La Sota served as a teen salesman for slightly less than a year, whereupon he accepted an offer to head the Department of Agriculture at Regional, in which capacity he has been faithfully serving for the past nine years.
Mr. La Sota, who resides with his wife, son Larry and daughter Nancy, at 15 Country Club lane, is an ex-chairman of the local Shade Tree Commission, past president of the Springfield Rotary Club, president of the New Jersey Vocational Teachers Association and Secretary of the New Jersey State Section, American Vocational Association.

Rededication of Memorial Tree Part Of Veterans Day
A Veterans Day Memorial service will be held next Friday at 11 a.m. on the Academy Green. Cooperating in the service are V.F.W. Commander Clarence Buckalov and Legion Commander Raymond Schramm and members of both organizations.
Wilbur Selander, committee chairman of the affair, has announced that the service will include the re-dedication of a Memorial Tree replacing one being removed because of its rotted condition.
Donald Palmer, custodian of the Historical Society, submitted the following article concerning the history of the well-known tree:
"On May 25th, 1885, a public meeting was called at the Springfield Town Hall, then located on the second floor of the school building at the east end of Academy Green, to arrange for the observance of Decoration Day. N. C. Cox was elected Chairman and R. C. Marsh Secretary. The handwritten minutes of this meeting, giving the names of those appointed to the various committees, carefully preserved by Mr. Marsh, was recently presented to the Springfield Library by his grandson, Reuben H. Marsh, and it is believed that this was the first celebration of Memorial Day in Springfield.
"As a part of the program, on May 30th, a delegation of Civil War veterans from Edward H. Wade Post, No. 520, Department of New York, Grand Army of the Republic, was presented and planted a tree at the main street end of Academy Green in memory of their namesake, a young Springfield officer who gave his life in defense of the Union. The tree was enclosed by a circular iron fence, and on the fence was placed a metal tablet which read: "This tree was planted by Edward H. Wade Post No. 520, Dept. of N. Y., May 30th, 1885, to commemorate the name of Capt. Edward H. Wade, who died Oct. 5th, 1862, from wounds received at the Battle of Antietam."
"Captain Wade, who was only 25 years of age at the time of his death, was the son of Jonas and Mary-Meeker Wade, of Springfield. A white marble monument to his memory stands in the family burial plot in the large Presbyterian Cemetery, The Battle of Antietam, or "Sharpsburg," as it is sometimes called, in which he gave the last effort for his Country, was one of the bloodiest engagements of the Civil War. More than 100,000 men took part in the fighting on September 17th, 1862, when about 60,000 Federal troops under General McClellan turned back Confederate General Lee's invasion of Maryland, with terrific losses on both sides. One account states that at the end of fourteen hours of desperate fighting, "There lay upon the ground, scattered for three miles over the valleys and hills or in the improvised hospitals, more than twenty thousand men."
"In August, 1885, a G.A.R. Post composed of Springfield veterans was organized. From the scanty record available, it appears that it was sponsored by Millburn Post already in operation, and, as there evidently was no suitable place for meetings in Springfield, they were held in a hall above Bonnell's store, on Millburn avenue, in Millburn, about where the present movie theatre stands. The name chosen for the new Post was "Edward H. Wade Post, No. 86, Department of New Jersey."
"Presumably, as long as the G.A.R. men were able, they watched over the tree in Academy Green, decorating it each Memorial Day. As they followed Captain Wade, one by one, to the last roll-call, their responsibility was taken over first by the Spanish-American War Veterans, and then by the men of the American Legion. The Green, which was strictly the playground of Springfield's only school when the tree was planted, gradually became a public thoroughfare, until now it is being subjected to fairly

Martin Luther To Be Shown Nov. 4
Holy Cross Lutheran Church will present the "Martin Luther" film on Friday night, November 4, at 7 p.m. and again at 9 p.m. at the Florence Gaudineer School Auditorium. The townspeople are invited to see the free showing of this great film of the Reformation which had a record breaking run on Broadway. This is the first time in the history of Springfield that a Broadway run film has been shown here.
"Mr. Robert Robinson, Mr. John Utzat, Mr. Paul Lissv, Mr. Ralph Ladoto, Mr. Victor Reichle, Mr. John Haselmann, Mr. Robert Wilkins and Mr. Gordon Becker will serve as ushers for the two showings."
"Martin Luther" is the dramatic story of the 16th century monk who set out to find God's truth and became the Father of the Reformation. It was filmed in the castles, monasteries, market squares and churches of Germany. Not only are the settings authentic but the actors also really look like the people they are portraying. Seeing "Martin Luther" gives the unforgettable experience of living during the Reformation.

Cub-Pack 172 held its Halloween pack meeting on Friday, Oct. 28, at the James Caldwell School.

Each boy made a paper mask for this occasion, which he wore. They all were very good. The three judges picked the following for the first three prizes of Davy Crockett outfits: Michael Kramer of Den 10, he was a pirate; John Janukowicz, Den 1, as a pack of Lucky Strikes; and Tom Tonkin of Den 4 as a Mechanical Man. There were 12 next prizes of auto transports. The remainder of the boys all received a jar of bubbles. A game was played by the parents so a good time was had by all.

E. Baumer, cubmaster, welcomed into the pack three new cubs, Dennis Mahoney, Joseph Scarzini and Lloyd Charton. Welcome again fellows.

Mr. B. Maidment, advancement chairman, made the following awards: Wolf Badges, John Janukowicz, Den 1; Robert Garner, Bruce Jones, Russell Benedict and Robert Wertz, Den 2; Zelman Gershwitz, Den 10. Gold Arrow on

requirements within the next few weeks. Then all fourteen of us our entire troop — are going to concentrate on attaining the Curved Bar rank. We realize that this is a difficult and ambitious plan, but we are going to try our best to make it!

Troop 17: Mrs. W. Humphrey, Leader; Mrs. E. Neal, co-Leader.

We had a wonderful cook-out at Shady Nook in the South Orange Reservation on Columbus Day. Mrs. Humphrey made arrangements for us to cook a "one-pot meal" for our First Class Badge requirements. The stew was so delicious that we ate up everything! Our thanks to Mrs. F. Gold, Mr. R. Kransdorf and Mrs. E. Neal who provided the transportation that made our picnic possible.

On October 11th, Mrs. Humphrey held a "Mothers' meeting" at her home, 176 Milltown road. She explained the First Class Badge requirements and they discussed organization, plans for the year.

Wolf Badge—Alan Isley, Robert Wertz, Den 2; Bert Maidment, Den 5. Silver Arrow on Wolf Badge—Bill Heady, Den 2. 1 Gold 2 Silver on Wolf Badge—John Heller, Den 6. 1 Gold 1 Silver on Wolf Badge—Eugene Johnson, Den 9.

Den 2 went on a fall cook out with some of the fathers, last Saturday. They visited some of the out looks. A good time was had by all.

Final plans are now being made for the coming football game between Rutgers and Penn State. Buses will be hired to transport all the cubs and their immediate families.

The pack is selling Christmas cards and wrapping paper. We want to thank all who have purchased same.

May we again at this time thank Mrs. H. Flemer for her splendid job as game chairman. Mrs. Flemer had to retire because of health reasons. May we welcome into the pack as our new game chairman Mr. Al Garner. "Good Luck Al."

Den 2 received the attendance award for this meeting.

SCHOOL NEWS

RAYMOND CHISHOLM SCHOOL NEWS

Kindergarten Florence Towner It looks like autumn (a new word we learned) inside our Kindergarten room as well as out doors. We have leaves of all kinds and colors on our walls — real ones that have turned red, yellow and brown; ones we have cut out of colored paper or have colored ourselves; some painted ones; and leaf "designs" that we made with a paint spray-gun.

Besides, the fall leaves, pumpkins, jack-o-lanterns, witches and black cats are arriving. We are getting ready for our Halloween party. We know four Halloween songs and two about autumn that we can sing at the party.

Grade 1 Miss Claire Hoopman Miss Claire Ellen Lupino The first grades have started reading, printing, and counting. We are ready for our first primer, "We Look and See." During fire prevention week we had our first assembly. Fireman Johnson came to Chisholm School and explained what fire prevention should mean to us. We saw a film about "Smoking, the Fire Prevention Bear." After the

Grade 2

Mrs. Ursula Potts Miss Alice Ries Recently the children of Mrs. Potts' second grade played host to Miss Ries' class.

Ellen Nilsson, Lewis Nemerson, Evelyn Grimshaw and Martin Pedinoff took part in this program by giving short talks about the different phases and adventures of Christopher Columbus. We used crayon pictures to illustrate the talks. Both classes enjoyed this very much.

We have been making quite a study of autumn leaves. The children have been spending much time outdoors finding as many different types of leaves as possible. Some children found as many as fourteen varieties in their immediate neighborhood. Now we are trying to identify each leaf. We were pleased to note that our dental examinations at school showed twelve children in Miss Ries' class with perfect teeth, and seven in Mrs. Potts' class in perfect condition.

Grade 2

Mrs. Estelle Kohn We had fun making Halloween puppets in Miss Booruly's class. Pumpkins, a man in the moon, black cats, and witches swung from strings attached to a strip of oaktag. We carried our mobile home carefully. They may be seen decorating our homes on Halloween night.

If you walked into Mrs. Kohn's third grade classroom, you would think that the witching hour had

come. Cut puppets, pumpkins, witches, and ghosts leer down from the walls so beware!

Grade 4 Miss Jean Carroll Mrs. Lillian Gushin Our "Trip for Tomorrow" best describes the topic our class wrote about. Our story — and an accompanying picture — would like to visit Stanley Trotter's wanted to go to Vienna, Florida. Florida was the choice of Harriet Roche, Eugene Tubach, and Donald Inamorado. "Gay Paris" and the Eiffel Tower were the attractions for Anna Mary Giannattasio and Susan Bates. Switzerland, Israel, and Africa completed our continental whirl.

When the President fell ill, all the children in Mrs. Gushin's class decided to write get well letters to him. We mailed them to the Hospital in Delmar.

We are now hoping for a quick recovery and reply.

Our reading club has been organized for the coming year. Richard Friedman is president; Paula Blifer, vice-president; Adrienne Marder, secretary; Douglas Kappstatter had presented with a novel. We are busy thinking of a good name for our Club. Can you help us?

Grade 5 The fifth grade enjoyed the All-Star and talk which Gretchen Forbes prepared for the class.

The following class officers were selected by the class for October and November: President, Beverly Ross; Vice-president, Susan Rivkind; Secretary, Gretchen Forbes; Treasurer, Billy Valois and Judith DiBlase gave interesting talks on books they have read. They also brought in the books to share with the class.

Susan Rivkind, Steve Atkin, Judy Shohada, Karen Anuso, Irene Hauryuk, Judith DiBlase and Billy Valois were interesting bookers about the New England States.

Remlinger Accuses Township Committee; Charges Secret Sunday Meetings Held

— from SPRINGFIELD SUN, April 15, 1954

LET THEM DENY THIS!!

Complete Proof of ROTTEN Politics

CHARLES A. REMLINGER
230 Riverside Drive
Springfield, N. J.

April 14, 1954.

To All Residents of Springfield:

The following facts will demonstrate undeniable evidence of unethical practice, bad faith and wanton disregard of the rights of voters:

On Sunday, December 6, 1953, and on the following Sunday, Frederick A. Handville, Albert G. Binder and Eugene F. Donnelly held secret meetings in Town Hall. Despite the fact that I am a member of the Township Committee, I was deliberately not notified of these meetings.

Several township officials were interrogated. This was absolutely unjustified . . . People do not hide such matters if they are aboveboard. Obviously there is no place for clandestine legislation in Springfield. This is not the Kremlin.

However, there is little doubt, that there was a Kremlin-like atmosphere about these star-chamber sessions . . . But in order to gain support for future political campaigns, the objective can be gained WITHOUT THE USE OF DIRECT THREATS. When an organization tries to gain complete control, its leaders naturally will brook no interference . . .

This PROCEDURE IS TYPICAL OF WHAT HAS BEEN TAKING PLACE AS THIS HANDVILLE - BINDER - DONNELLY FAC-TION HAS DOMINATED ADMINISTRATION POLICIES . . .

This is the first opportunity I have had to call this situation to the attention of the voters. I am fully convinced that this "closed-door" type of operation can be stymied.

Respectfully yours,
CHARLES A. REMLINGER
