Putting Finishing Touches on School

SOON READY FOR SPRINGFIELD—General Contractor Louis Palmisano feels confident the new Edward V. Walton school will be ready, as promised, with only "some loose ends to pick up" and finishing touches to turn the modern, new building over to the Board of Education. The photo above shows a view of the school taken about 10 days ago—but a visit to the scene and a personally conducted tour with "Lou" Palmisano early this week shows the job very well advanced. "In a few days all the paving will be done," the contractor pointed out, "and we're just about ready to have the heat turned on for a thorough interior cleaning job." Palmisano pointed with considerable pride to the job done by his skilled workers in finishing the interior. "We went far and beyond some of the specifications to make certain that Springfield school children would have the finest accommodations. Weather conditions and shortages of materials were responsible for delaying this job—but we would not substitute inferior material in order to make up for lost time. We know Springfield will be very happy when the building—with all its facilities and modern equipment—is finally ready for classes."

The lower photo shows some of the building organization responsible for the new Walton School, reading from left to right: Morris Fallacaro, Vincent De Pasquale who is one of the project superintendents; Mel Hass, who has charge of material supplies; Louis Palmisano, head of the general contracting firm; Sal De Blasio and Paul Flytall, both of Commerce to eliminate the paving of the school grounds, responsible for the

Special Xmas Mail Services In Springfield

Postmaster A. V. DeI Vecchio, announced today that W. H. Kuntze, District Operations Manager of the Philadelphia Region of the Post Office Department has inaugurated a new mail service, designated "Operation Santa Claus," to expedite mail movement during the Christmas heavy mails period.

Effective yesterday there will be two trips daily by Post Office mail truck between Springfield and fifteen other post offices in this immediate area.

This special service has been established in order to bypass the congested terminal facilities which normally supply these post offices. It will provide for prompt dispatch and will expedite considerably the receipt and delivery of mail between the offices on this circuit. In some cases it may even result in delivery of mail on the same day as deposited. Operation Santa Claus is an expansion during the holiday heavy mailing period of a speed-up system placed in effect at the local office several months ago whereby terminal facilities were bypassed for the dispatch of about one-half of the outgoing mail normally processed at this office.

Operation Santa Claus is in addition to the regular year-round railroad service, which has also been expanded to care for the increased volume of holiday mail. The terminus of the two mail trucks of Operation Santa Claus will be at Newark. All mail earmarked for transfer or further distribution will be handled by the Newark post office.

The District Operations Manager feels that the establishment of this particular service will do much to speed the delivery of mail between Springfield and Newark, Elizabeth, Linden, Rahway, So. Plainfield, Plainfield, Fanwood, Scotch Plains, Westfield, Garwood, Cranford, Kenilworth, Summit, Vaux Hall and Union. A similar Santa Claus circuit will be in operation for Essex County post offices and mail addressed to these cities will be carried similar handling between those post offices. Mail for the Essex Santa Claus circuit from Springfield will be transferred at Newark.

It is planned to terminate Operation Santa Claus on December 24. The experience and statistics derived from this year's operations will be used in planning of services of this nature in subsequent years.

Springfield's Merchants Ready for Big Xmas Rush

The Christmas spirit is taking over in Springfield. All of the merchants have their stock rooms bulging with Yuletide merchandise and early holiday selling is already showing signs of establishing new records in the Township.

The shopping center, with the J. J. Newberry store and Grand Union, as featured units, is bringing new purchasing power to Springfield and a lot of it is spilling over into Morris Avenue and other sections of Springfield.

Morris Avenue merchants are augmenting their regular advertising in the Sun with a tabloid shopper this week which is being delivered by mail to 10,000 households in this area to attract more people to Springfield.

The annual Christmas electric lights add to the holiday scene in the Township.

Springfield came in for considerable publicity when the New York Daily News and Newark Evening News this week published pictures showing the covered parking meters, marked "Do not open until 'X' Merry Christmas." It was an idea by the Chamber of Commerce to eliminate the payment of parking fees during the Christmas rush and the plan has attracted a lot of fine comment. Shoppers can now park on Morris Avenue except during the usual no parking hours—from 7:45 a.m. to 8:45 a.m. and from 4:30 p.m. to 6:30 p.m. Shoppers do not have to put coins in the meters.

All stores in Springfield will remain open until 9 o'clock from now to after the holiday rush.

Parent-Teacher Group In Interesting Program

One of the most interesting programs of the year was presented under the combined auspices of the Parent-Teacher and P.T.S.A. groups Monday evening in the Florence Gaudineer Grand Union School auditorium with teachers and parents being told the value and necessity of a second language taught in the primary grades.

Mrs. Russell Hillier, member of the Springfield Board of Education, was moderator and, before the regular program started, gave a report on the Workshop for New Jersey Boards of Education which she recently attended. This program, said Mrs. Hillier, dealt with teaching foreign languages in public elementary schools and placed emphasis on an early start in training, also stressing the position of the United States in world leadership in the mastery of other languages.

Miss Filomena Peloro, Co-Ordinator of Languages in the Hackensack school, as speaker of the evening, gave a background of the rapidly spreading language movement in all parts of the country, telling of the gaining popularity courses, language records and foreign language radio programs and telecasts.

"Educators agree that the best time for introduction of other languages," said Miss Peloro, "was between the ages of two and ten when a child is eager and mentally, to learn new sounds. At that age, a child has no self-consciousness and his ear is attuned to sound."

Both Mrs. Hillier and Miss Peloro spoke of the need for lan-

guages in the armed forces, pointing out that the "lack of foreign language knowledge has been said to be the weakest link in our armor."

This has been demonstrated, continued Miss Peloro, "by the 'quickie' language courses given our troops who are administering abroad in 28 different countries. Both President Eisenhower and Adlai Stevenson were quoted as declaring that knowledge of language is necessary to cultivate better understanding among nations. In business, too, language is playing an increasingly important part. Our export markets are widening and American business is investing and expanding more and more in other countries. Ability to speak their languages and understand their customs is becoming a necessity."

Methodist Women Meet Next Tuesday, Dec. 13

The regular monthly meeting of the Woman's Society of Christian Service of the Methodist Church will be held Tuesday, December 13, starting at 12 noon with a Christmas luncheon.

The business session, starting at 2 o'clock, will be conducted by the President, Mrs. Elliott Hall. This will be followed by a Christmas program consisting of music by the Junior Choir and a recitation by Miss Gladys McCallum of "A Visit to Bethlehem." Members have been asked to bring gifts for the Methodist Home at Ocean Grove.

Those who participated in this dance feature were Donna Orlando, Dale Calausso, Dorothy Peart, Virginia Mertz, Louis Puopolo and Janice Beam of St. James School; and Betty Bull of James Caldwell School.

The Cinderella show was presented by the Children's Theatre under the direction of Mrs. Constance Loux of Summit.

Bonadies Denies Rumor He Plans Resignation

Garbage Contract Bids in Tonight

Bids for a new garbage contract will be received by the Township Committee at a meeting to be held tonight (Thursday) with very little else on the agenda. No action is expected on the scavenger contract this evening since the bids, will probably be accepted and referred for further consideration.

The garbage contract is now held by Peter Roselle & Sons of East Orange who have been giving Springfield this service for 18 years. The specifications for the new contract have been drawn so as to improve the service for both the residents and the business places. It is understood that the Roselle organization will bid for continuation of their services and submit a bid for a new contract.

Methodist Men To Hear NY Lecturer

James Pickering, noted Hayden Planetarium lecturer of New York City, will be the guest speaker at the Methodist Men's Club, meeting on Monday evening, December 12, at 8 p.m. at the local Methodist Church.

Mr. Pickering will show colored slides and speak on the topic, "Man-made Moons." A large group of men is expected to be in attendance.

Progress reports from the various Amateur Contest committees will be given, headed up by Mr. Harry V. Webb, general chairman. Mr. Howard J. Falmer, president, will preside at the business meeting.

All men in the community, if not affiliated elsewhere, are cordially invited to attend free of charge.

Organ Recital

An organ recital will be given in the First Presbyterian Church on Sunday, December 11th at 4 o'clock by Mr. Charles H. Sills, organist and choir director. The program will feature "Third Sonata in C Minor—Prelude," "Suite—Gothique," "My Heart Ever Faithful," "The Beatitudes," "Elevation in A Minor," "The Swan," "Evening Shadows," "Berceuse" and "Suite" from Water Music. Mrs. Raymond Pierson, soloist, will sing a few selections. Everyone is invited to join in this prelude before Christmas.

Township Committeeman Vincent J. Bonadies spiked the rumors that "he intended to resign from Springfield's governing body on January 1" with a bristling statement in which he declared that "such reports can be attributed to those who seek to destroy and sabotage the progress made by the Democratic party in Springfield."

Publication of the rumor that Bonadies planned to devote more time to his business and personal affairs and "would relinquish his post on the Township Committee" brought such immediate reaction that he asked for an unqualified denial in today's issue.

Following is a statement by Bonadies in which he makes it clear that there is no truth to the story published in last week's Sun.

"Since early fall there have been recurrent rumors throughout the township that I will resign as a member of the township committee on January 1, 1956. These persistent rumors have finally reached the newspapers and are now receiving wide circulation and comment.

"Because of the effect of such publicity, I am compelled to make known my feelings on the subject and what has motivated such rumors.

"First of all, I do not intend now or have I ever intended to resign from my obligations as a township committeeman. It is my earnest intention to fulfill these obligations to the people and to continue to make myself available for as long as the voters so desire. There is therefore no basis whatsoever to substantiate the report that I am now prepared to resign on January 1st.

"Two-Party System. "Yet these rumors persist and can only be attributed to those who seek to destroy and sabotage the progress made by the Democratic Party in Springfield in recent years. Such action on the part of rumormongers can only be for the purpose of giving aid and comfort to those who oppose a strong and militant Democratic Party in Springfield. These tactics will not and cannot deter the leadership of the Democratic Party in its earnest desire to achieve and maintain a strong two-party political picture in the township. Only through such progressive thinking can the two major parties truly serve the public and accept the responsibility of a political party.

"Political responsibility and public service are measured in terms of the ability of any politician to attend these monthly luncheons, specifically on a Thursday at noon, and help the Methodist complete their new building and remodeling program. Contact Mrs. Nina Hayward, DR 6-6015 for more information, and for reservations.

School Board Elections May Be Interesting

Four places will be filled on the Springfield Board of Education in the regular election scheduled for February 14 and even though there isn't any activity on the surface, the contest promises to be very interesting. Rumors have it that there are already several candidates for places on the Board of Education but no definite announcements have been made nor is it certain to what extent these will receive the public support.

The terms of Mrs. Raymond Forbes, Mrs. Russell Hillier, Alan R. Cunningham and the unfinished term of George D. Harrison who was appointed to fill the vacancy on the School Board caused by the resignation of Dr. Gifford G. Hale, all expire. It is fairly certain that all of these would be re-elected to the Board but these same sources of information indicate that Mrs. Forbes is not anxious to be a candidate again and Mr. Harrison is said to have already made it clear that he will not seek to continue in office.

Mrs. Hillier, who has done such an outstanding job as a member of the Board, has been prevailed upon to seek re-election so that her work in behalf of the Springfield school system may again be available. Mrs. Hillier is expected to have no difficulty in re-election if she is a candidate and, at this writing, there is every indication that she will run again.

Official notice of the election is expected very shortly. Those who have only recently moved to Springfield and haven't yet registered, can do so by appearing at the office of the Township Clerk in Town Hall. New registrations will be accepted until 40 days before the February 14 date of the School election.

Evening Group To Hold Xmas Meeting

The Christmas meeting of the Ladies' Society Evening Group will be held on Thursday, December 15 at 8:15 in the First Presbyterian Church Parish House.

A reading appropriate to the Christmas Season will be offered by Mrs. Herbert O. Bailey with special music by Mrs. John Trout and Mrs. Raymond Pierson. As in the past, small gifts will be exchanged around the Christmas tree. Mrs. Glenn Oyler will provide refreshments.

At the last meeting of this group the following officers were elected for the coming year: Mrs. Walter Baldwin, President, Mrs. Harry Donhauser, Vice-President, Mrs. Arthur Buehrer, Secretary and Miss Alice Reig, Treasurer.

Basketball Program

The Recreational Commission will open their Basketball program for the winter months this Thursday night at the Florence Gaudineer School gym.

Boys from the following ages are urged to attend this Thursday's program:

13 Through 15 Years of Age—Saturday morning; (another basketball program for "small fry" basketball only).

9 Through 12 Years of Age—The Recreation Commission will provide the basketballs, facilities and referees.

Monthly Luncheon Set for Dec. 15th

The monthly Cafeteria Luncheon sponsored by the ladies of the Methodist Church, proceeds for the Building Fund, will be held on Thursday, December 15th from 11:45 a.m.

Local business people have found these luncheons very satisfying and selections full of variety. Often men's groups have made up tables and reserved ahead for their complete parties. The food is reasonable in price and many often wonder how a profit for such a good cause could be made.

The entire community is invited to attend these monthly luncheons, specifically on a Thursday at noon, and help the Methodist complete their new building and remodeling program. Contact Mrs. Nina Hayward, DR 6-6015 for more information, and for reservations.

Program to Honor New Members

A Family Night Supper and program honoring new members received into the fellowship of the Building Fund, will be held on Wednesday evening at 6:00 o'clock. All families are expected to bring a covered dish, which is placed with other dishes on tables; and then all are served buffet-style. Mrs. Nina Hayward is in charge of arrangements.

The program will be the showing of the Ralph Edwards' "This Is Your Life—Kiyoshi Tanimoto" sound movie, exact replica of the May TV show-out of Hollywood. This movie was presented to Mr. Tanimoto personally by Mr. Edwards and is shown for the first time in America. Additional colored slides of local people and events will be shown by the pastor, the Rev. Dr. Marvin Green, who states that the general public is invited to attend free of charge.

New members to be honored include: Miss Dorothy Banner, Mrs. A. L. Bell, Mr. and Mrs. Melville Beck, Mr. and Mrs. R. C. Eckman, Mrs. Harry Florini, Mr. and Mrs. DeForrest Hillier and De Jr., Mrs. Barbara Hinchings, Mr. and Mrs. Robert J. Johnston, Mr. and Mrs. Philip D. O'Neal, Mrs. Frederick Strubbe, Mrs. Richard Tilly, and Mr. William Vincent.

First Aid Cake Sale

The Ladies Auxiliary of the Springfield First Aid Squad will hold a Cake Sale on Saturday, December 10th, at 246 Morris Ave. All cakes will be homemade by the members and friends of the Auxiliary. The Ladies of the Auxiliary are hoping that everyone will help them to make their first Cake Sale a success.

CORRECTIONS

In the SPRINGFIELD SUN TABLOID SHOPPER, Newberry's advertisement published the store hours during the big Christmas sale. The Newberry store shopping hours from now until after the holidays, are from 9:30 a.m. until 9 p.m. from Monday to Friday. On Saturdays the store will be open from 9:30 a.m. to 6 p.m.

An advertisement in the same Shopper for Kay's Hobby and Toy Center at 279 Morris Avenue, Springfield, includes an item, Pixie Dust, with Gitter, regular price, \$1.49. The correct Christmas sale price at Kay's for this item is 98 cents.

In last Thursday's issue of the Springfield Sun the price of the Six Foot Work Bench in the Columbia Lumber and Millwork Company advertisement, should have been \$18.95. Also—Reinette Youth Center advertisement in last Thursday's issue, 3 pairs of Nylons were incorrectly priced for \$1.00. The correct price should have been 3 pairs of Nylons for \$1.99.

St. James CYO Plans Dance to Raise Funds for Church Chimes

LOOKS SUCCESSFUL ALREADY—A special meeting of officers and members of the Saint James' Senior CYO selecting committee heads for the forthcoming New Year's Chime Dance to be held evening of January 1 in school auditorium. Standing from left to right are: William Rhatigan, James Battelle, Paul Jones, Vivian Fisher, William Mahoney, Dolores Raymond, Claire Jaeger and Kathy Tierney. Seated: Nancy Battelle, Anne Marie Churra, president of the CYO; Bert Jones, Jr., dance chairman; Mary Ann Roessner and Dale Jones.

The St. James' Senior C.Y.O., at a recent meeting, decided that it would sponsor a dance on the evening of January 1, beginning at 8:30 in school auditorium. As it is being planned the dance is expected to be one of the most ambitious affairs ever to be conducted by the club.

The purpose of the dance is to raise funds in order to provide chimes for the church. The campaign to accumulate a sufficient amount for this purpose is to extend over a period of time which will include various club activities. (Continued on page 3)

Fireside Xmas Party

The Fireside Group of the First Presbyterian Church will hold their annual Christmas party on Wednesday, December 14th by meeting for dessert in one another's homes at 8 p.m., then proceeding to the Parish House at 9 p.m. for "trimmin'" the tree and having a real old-fashioned holiday party.

 tical party to present for the
 voters' approval the best avail-
 able men to serve in local govern-
 ment. When a political party
 fails to accept this responsibility,
 the public, as in the past,
 must turn to splinter organiza-
 tions which weaken rather than
 strengthen local government.
 "The local Democratic Party
 has recognized this basic prin-
 ciple of our two-party system and
 has accepted its responsibility.
 It knows full well that to best
 serve the interest of the public
 and the cause of good govern-

ment, it must constantly seek out
 qualified individuals who can
 serve their community without
 a conflict of personal interests.
 "Such is our goal and those
 who seek to divert us, by devious

 efforts for a strong two-party

 you may qualify, thereby con-
 tributing to the future well-being
 of the town."

Letters to Editor

Editor, Sun:
 On behalf of our club I would
 like to thank you for the excellent
 newspaper coverage you gave our
 first Bazaar. We feel that many
 of the people who came out were
 there because of what they had
 read in your paper. In this way
 you have contributed towards the
 outstanding success of our Ba-
 zaar.

Editor, "Sun":

How wonderful it was to hear
 that the Springfield Woman's
 Club is once again to be responsi-
 ble for making Christmas a more
 joyous occasion for less fortunate
 Springfield children.

The "White Christmas Gifts"
 which have come to us for the
 past five years to be distributed
 are almost "far too beautiful to
 describe—with their pretty red,
 green, gold or silver bows. They
 are always clearly marked as to
 age and sex—thus making distribu-
 tion simpler for us.

We only wish that every mem-
 ber of the Club could share with
 us the joy and warmth of the
 mothers when these lovely pack-
 ages are delivered. We know that
 you will be interested and pleased
 to know that not only do the chil-

dren who now live in Springfield
 receive gifts, but also the less
 fortunate who have moved away
 are still remembered.

We are always mindful of one
 young mother with four children
 living in a nearby city. The moth-
 er was a girl who attended Spring-
 field Schools at one time—and
 she has the full responsibility for
 providing for her children. How
 happy and pleased she is as she
 says, "I knew you would remem-
 ber us. You always do." The light
 in her face no one could forget—
 and I know we never will.

Sincerely yours,
LILLIAN HAULER,
 School Nurse.

Welding Company Plans Relocation

The Springfield Welding Co.,

 plans for a relocation of their

 the new industrial park on Com-

 items as Jig-Tables, ducts, con-

 the company to process their

 ized facilities.
 Mr. and Mrs. Walter Sommer,

 living at 62 S. Maple ave.

"Best car manufactured in America today"

Mr. Floyd Clymer

That's what Floyd Clymer, famous automobile authority,
 said about Chrysler in Popular Mechanics (October)

"I have tested many fine automobiles
 over all kinds of terrain," writes Mr.
 Clymer, "and in my judgment Chrysler
 is the best automobile manufactured
 in America today."

When you compare this Chrysler with
 the other two major cars in its price
 class, you will be in for an electrifying
 awakening. Because this is power driving
 as it was meant to be.

You push the "D" on the Pushbutton
 PowerFlite Drive and a mighty airplane-
 type engine whisks you away in an in-
 stant. There's a new, wonderfully easy
 feel-of-the-road with full-time PowerFlite
 Steering—a straight, sure, velvety
 sense of safety in the stops you get with
 PowerSmooth Brakes... a world of
 authority in the tremendous response of
 Chrysler's exclusive airplane-type Fire-
 Power V-8 engine!

Just one look at this car tells you the
 power's there. You see it in the flaring
 "PowerStyle" lines... in the light-
 weight look of its rear deck and fenders.
 Let us put you behind the wheel of the
 "PowerStyle" Chrysler for just 15 minutes,
 his week. Compare its all-around per-
 formance with its two price competitors.
 Then you'll know why "the best car
 manufactured in America" is your best
 buy! Come in or call us today!

Woman's Club News

Smiles of satisfaction, accomplishment, pride and relief cover the faces of all Club members this week as we look back on our First Annual Bazaar of December 1. To say alone that the Bazaar and the raffle were successful would be a great understatement, as all who attend well know. The American Home Department had over a hundred home-baked items for sale when

the doors opened to the public at eleven o'clock, and two hours later there wasn't a cake in sight! By three o'clock this booth was completely sold out. The red felt personalized Christmas stockings which reportedly sold extremely well at the International Relations booth will make many a child's eyes light up even brighter on Christmas morning. The Art Department's handiwork was very popular with the shoppers, as were most hand-made items at other booths. The Garden Department's outstanding array of heavenly Christmas pieces and beautiful Christmas arrangements added greatly to the festivity of the occasion and attracted considerable attention. The Public Relations Snack Bar did a land-office business! Sandwiches and cakes were sold out before the lunch hour was over, and members had to work with the speed of Superman to make sandwiches fast enough for the hungry shoppers. Children of all ages dropped in to play in the Publicity Department's Nurgery Room where coloring books, toys, "Frostie, the Snowman" and other children held their rapt attention while Mommys shopped. The Bazaar was climaxed at four o'clock when Mr. B. F. Newswanger, Superintendent of Springfield's Public Schools, drew the winning ticket in the mink stole raffle, proceeds of which benefited the Scholarship Fund. The lucky winner is Mrs. C. E. Wen-

die of 91 Oakview Terrace, Short Hills. On behalf of the Ways and Means Department sponsoring the Bazaar, Mrs. Anthony Pitar, Jr., 67 B. Flemer Avenue, Chairman of the event, wishes to thank all Department Chairmen and every member of the Club for helping to make this great undertaking the outstanding success it was.

The Pre-Spring Art Exhibit formerly scheduled for the January Club Meeting has been postponed until Saturday and Sunday, March 3 and 4, when members of the Art Department will exhibit their paintings at the Cannonball House, Dr. Boylan Fitz-Gerald of South Orange and Mrs. Cornelius Love of North Branch, New Jersey. Fifth-District Art Chairman will judge the paintings on the first afternoon of the exhibit. On that day tea will be served immediately following an oil painting demonstration by Dr. Fitz-Gerald.

The Music Department, having met several times weekly for the past few months in preparation for the excellent Christmas Program we all enjoyed so much last evening, has cancelled its department meeting tonight. Department members now look forward to celebrating the joys of the Season at their Christmas Party on Monday evening, December 19 at the home of Mrs. Robert Kennedy, 1 Warwick Circle.

The Literature Department will have as its guest speaker Miss Alice Holland of Roselle Park at its next meeting on Monday, December 12 at 8:15 p.m. at the home of Mrs. Henry M. Wasung, 85 Woodcrest Circle. Miss Holland is in charge of the Music and Education Departments at the Elizabeth Public Library, where she started both of these departments twelve years ago. As all music-lovers in Union County and surrounding areas well know, the Elizabeth Public Library features a "Music Appreciation Room" where one might go to listen to records of his choice obtainable at the Library either for taking out or for appreciating there. For this we are indebted to Miss Holland, who started the "Music Appreciation Room" and a library record collection in 1945. Through her efforts this collection grew from 450 records to approximately 6,000 — records of all types, including standard jazz, folk music, music for square-dancing, classical and secular music, educational and language records. Miss Holland, who obtained her B.A. and a double M.A. in both history and education at Columbia University,

is presently Chairman of the Public Affairs Workshops in Elizabeth, which conducts seven workshops through the year on public affairs. Miss Holland will speak at the Literature Department meeting on "Books You Might Have Missed."

At its Christmas Party on Tuesday, December 13 at 8:30 p.m., the American Home Department will assemble gifts of clothing and toys donated by members of the Department to be distributed by Miss Florence Gaudineer, school nurse, to fifty-five needy children in the community. All these shiny new gifts will be beautifully wrapped as only Santa's real helpers could do, and Department members will truly share in the spirit of Christmas as they label each gift at their Christmas Party for the happy little boy or girl who is to receive it. Bless these "Helpers!"

ties with the chime fund as its aim.
The president of the organization, Anne Marie Churla, has expressed hopes that the chime dance will also start a year that will be at least as favorable, if not more so, to the success of the club as has been the past season. During this time the organization has gained widespread recognition in many ways, and especially, from its own age group.
The feeling is high among the members that the club's activities should be made to encom-

pass, more often, the public in general rather than just the group itself. For this reason the New Year's Chime Dance is expected to be very successful.

News of Local Troops

Troop News

Troop 3—Mrs. L. Andrews, Jr., Leader; Mrs. E. Ellis, Co-Leader. Troop 3 started off the year by setting up four patrols and electing the following leaders: Spars—leader, Veronica Cookley; assistant, Celeste Brody. Firebirds—leader, Betty Ellis; assistant, Edythe Montanari. Cavaliers—leader, Karen Stone; assistant, Carole Plante; Musketeers—leader, Toni Minette; assistant, Dolores Barberio. We also elected our troop officers for the year. They are: president, Maureen Ost; Vice-president, Nancy Siofik; secretary, Josephine Cucuzella; treasurer, Patti Biondi.

The "Campfire" and "Back Yard Camper" badges were chosen as the ones we wanted to work on as a troop. They will prepare us for an overnight trip which we hope to make in the spring. Already we have learned how to make emergency fuel out of newspaper, wax and string, how to waterproof matches and how to assemble an overnight kit—including how to make a bed roll that will stay made! We've loved every minute of our camp training.

Mr. John Schroeder, father of scout Marilyn Schroeder, came to one of our meetings to show us how to tie several useful knots. The highlight of his demonstration was the use of a rope to rescue a person who was drowning, trapped in a tree or any other place where the proper throwing of a rope might save his life. We

all join in thanking Mr. Schroeder for his interesting visit and hope he will come again.

Troop 13—Mrs. J. Zidonik, Leader; Mrs. W. Doerig, Mrs. C. Leisig, Mrs. A. Feinhardt, Co-Leaders.

As the climax of our work on the "Hospitality" badge, we have planned a big "co-ed" party which will be held at the home of our co-leader, Mrs. A. Feinhardt of 15 Tooker place on December 9th. We are going to make the decorations and refreshments. There will be games, dancing and fun for all.

After Christmas we can tell about the things we made at our craft meeting. Until then, we'll keep our Christmas secrets.

Troop 28—Mrs. E. Bontempo, Leader; Mrs. W. Anderson, Co-Leader.

Our "terrarium" meeting turned out to be lots of fun! We hiked through the Bryant woods looking for pretty and interesting ferns and mosses. When we found ones we liked, we dug them up carefully and planted the mini coffee cans. Back home, we looked over our collection and selected the best specimens for transplanting in our terrariums. All winter long we will have an attractive reminder of our hike in Bryant woods.

For Thanksgiving, we were able to do a little something for the "shut-ins" in a Newark convalescent home. Using luscious red apples, we decorated them so that they looked like little turkeys. Judy Anderson, Anita Humer and Kinda Kuehn went with our co-leader, Mrs. W. Anderson, to the home in Newark to deliver our little gifts.

Your Library

This year the children who read at the Springfield Public Library are truly enjoying the Christmas Books. Nearly all the books (and it is a large collection) are out. A few of the young readers like them so much that they come almost every day to change them. This is fortunate, because the rapid exchange means new books are on hand to be borrowed.

Among the books are many old favorites: "Night Before Christmas," "Christmas Carol," "Birds Christmas-Carol," "Other Wise Men," "Rudolph, the Red-Nosed Reindeer," "Littles' Angel," and the carol "Twelve Days to Christmas."

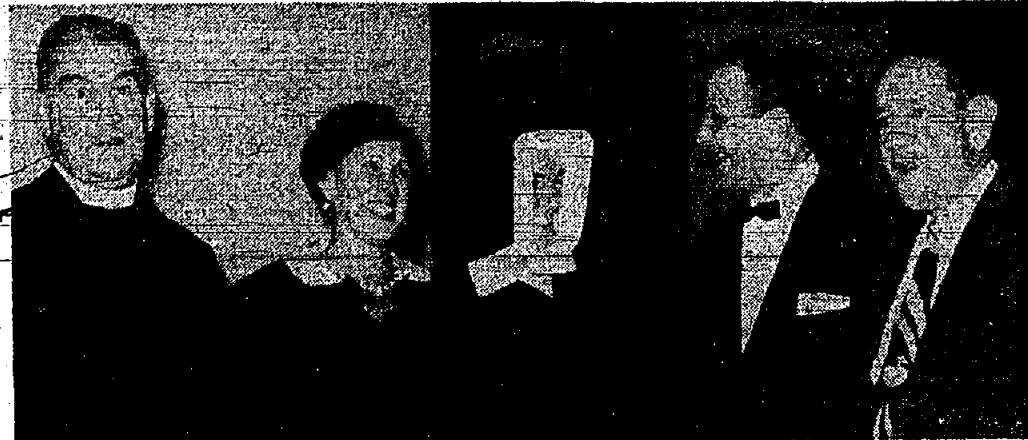

New Christmas stories which have been added to the collection and are making their bid for favor are: "One Thousand Christmas Beards," "Brownies—It's Christmas," "The Christmas Bunny,"

"Amahl and the Night-Visitors," "Tall Book of Christmas," and "With Bells On."

On Friday of this week—the three-to-five year olds who come to the Pre-School Story-Hour will place the first decorations on the Christmas tree. Next week, on December 16th, they will have a special Christmas program. Then they will not meet again until January 13th, when the older boys and girls have gone back to school. Although the stories are just the same—at the 10 o'clock and 11 o'clock sessions on Fridays, more children are coming out for the first hour. If this unequal division continues, it may be necessary to issue tickets in January.

During Christmas week, December 27 to December 30, there will be programs to interest the older boys and girls. These will be announced next week in "Your Library" column of the Springfield Sun.

During Christmas vacation the Springfield Library will be closed on Saturdays and Mondays, December 24, 26, and 31 and January 2. However, it will stay open Friday evening, December 23, from

SHOW ON THE ROAD—The St. James Musical Revue, after a very successful weekend of performances in Springfield, is staging the show at various places in the State. The first production on the road was at St. Rose of Lima in Newark where a crowd of more than 700 cheered and applauded the Springfield performers. The second road appearance was at St. Elizabeth's Juniorate, Convent Station where they were received with the same enthusiasm.

Photo above shows group from St. James after the Convent Station performance: Left to right, Fr. A. Carney, Violet Wille, Sister Julia Agnes, Director

of the St. Elizabeth's Juniorate; Michael Genovese and Bert Jones, Sr. Two more dates have been scheduled for the St. James' cast, performing next Tuesday at the Lyons Veterans Hospital and on December 21, the group has been invited to stage a Christmas show at the Veterans Hospital in East Orange. These trips to veterans' hospitals are being arranged through the efforts of a group of Public Service bus drivers who take care of transportation and refreshments for the East Orange vets. Bert Jones, Sr., is handling the arrangements for St. James and John Reinhardt is taking care of the Public Service group.

Into Fraternity
John M. Keith, Jr., son of Mr. and Mrs. John M. Keith, of 77 Springbrook Road, has recently been initiated into the Delta Tau Delta Fraternity, at Brown University. A graduate of Jonathan Dayton Regional High School, he is a member of the Junior Class, and a candidate for the Bachelor of Science Degree.

While at Brown, he has been a member of the Brown Engineering Society, the Freshman Basketball and Baseball Teams, and the Varsity Baseball team. He has received three "letters" for achievement in sports. Delta Tau Delta Fraternity was founded at Bethany College, in 1859, and the Brown Chapter was established in 1896.

The original frame tailor shop of President Andrew Johnson is preserved at Greenville, Tenn. His home and a monument in his honor are nearby.

P.T.A. NEWS

The second Concert for Young People will be held at the Mosque Theatre on Saturday, December 10th. The bus for the group attending from Springfield will leave from Florence Gaudineer School at 10 a.m., returning about 1 p.m. The program highlight will be "The Tree That Found Christmas," a musical fantasy with book and lyrics by Joe Darion and music by George Kleinsinger. This Christmas opera is based on a story by Christopher Morley.

Lost Angora Cat Back Home Again

That gray and white Angora cat which found a very warm welcome for the past six weeks at the home of Mr. and Mrs. William E. Loeffler, 108 Edgewood avenue, has been claimed and restored to its rightful owners, Mr. and Mrs. Raymond Lynn of 29 Kipling avenue.

The story in last week's Springfield Sun, concerning the lost Angora, brought a flood of telephone calls to the Lynn household from neighbors who remembered the cat and had read the Sun.

"Squeaky," which is the cat's correct name, said Mrs. Lynn, was evidently scared away from our home by some Halloween pranksters because we haven't seen him since that night. The Loefflers must have a way with pets because Squeaky appeared to have become accustomed to them and it has taken several days to make him feel at home again with us. We're very happy to have the cat back and our boy, Robert, who is attending school in Miami, will be especially pleased to know that Squeaky is back."

FREE TO NEWCOMERS—Harry Rosenthal, one of the owners of the Big Top Car Hop on Route 22, has just turned Santa Claus for Springfield's new residents. He is giving absolutely free to every new family, a complete "Get Acquainted-Snack."

This is part of the tie-in with Welcome Wagon. Shown in the picture are (left, in front of the counter) Mr. Rosenthal and to the right of him—Mrs. Murray Dubow, Welcome Wagon representative. Others in the picture are Car Hop employees. (Photo by Bob Jones)

Joe E. Brown Brings 'Harvey' To Paper Mill

In keeping with the Christmas spirit, Frank Carrington, director of the Paper Mill Playhouse in Millburn, will present Joe E. Brown in "Harvey" as a special gift for the holiday season. "Harvey" was written by Mary Chase, a Denver housewife, and during the late Forties the comedy became a fabulous international success.

Joe E. Brown, one of the world's funniest men, has made the role of Elwood P. Dowd, the lovable inept, a personal vehicle along with Frank Fay and James Stewart. Mr. Brown first stepped into the role in 1945 and has been playing it ever since. Most of his appearances have been on the West Coast and the Middle West. In Chicago alone he rang up a run of 43 successive weeks. Elwood P. Dowd and his 6 1/2-foot rabbit will be at Paper Mill from Monday, December 26, through Saturday, January 14.

Tuesday through Friday, January 20, 21, 22 and 23. At the same time, in New York, dramatist van Druten becomes director, van Druten and will be deep in the rehearsals of the play.

The principals of Chequered Shade are four in number and the van Druten comedy-of-affairs will mark the Broadway debut of each—although all have won distinction on other stages: Marjorie Steele, a Californian—made lights (and a big critical hit) in London last season for her portrayal of the title role in Sabrina Fair (played by Margaret Sullivan on Broadway). Donald Hotton has been in 11 off-Broadway and carpenter; five as actor; productions (six as set-designer).

CATHOLIC INFORMATION

THE REAL SANTA CLAUS

It was about sixteen hundred years since Saint Nicholas died. Although he has remained the same in the unchangeable kingdom of heaven, he has undergone many changes in the stories told about him here on earth. He has undergone so many changes, in fact, that you probably don't know him; if it were not for his heavenly wisdom, he would hardly recognize himself. For the stories have taken from him the dignity of bishop; they have laid aside his halo; they have even changed his name not only to the rather flippant (for a saint, at least) Saint Nick, but to the more popular, and somewhat less polite, Santa Claus. Santa Claus is—well, at least he was—Saint Nicholas.

Our modern ideas of Santa Claus must cause the saints to raise their heavenly eyebrows and the angels to flutter their very ethereal wings.

For Saint Nicholas was a bishop of the Church—a very real and very holy bishop, who died on the sixth of December in the year 345, or maybe it was 352. He was, moreover, a very remarkable person and he did some remarkable things.

This is the Saint Nicholas of the early stories—a saint who helped the needy and protected the weak and brought happiness to all by his heavenly power. The people respected him and loved him and prayed to him. But this is a different kind of Saint Nicholas from the one we are used to. The one we know is no longer the Saint Nicholas of old, no longer the bishop of the Church, no longer the saint of the heavenly court.

The new stories did horrible things to Saint Nicholas. They took away his heavenly halo and put a red hat on his head. They took him out of heaven and put him at the North Pole—a very lonely and unpleasant place. They gave him a sleigh and some reindeer—and, really anyone knows a saint doesn't need anything like that in order to travel around. And then they changed his name; at least they forgot what his name really was. Poor Saint Nicholas! People no longer recognize him—and certainly never think of praying to him—when they see the chubby, funny-looking man in the red suit and cotton beard. In fact, they don't even believe he's real!

So if you want to know whether there really is a Santa Claus . . . about the man in the store window, I'm not so sure. But if you mean the saint in heaven—the saint who is a bishop who has a very shiny and very heavenly halo, who listens to our prayers and who can really help us—if that's whom you mean, oh, there most certainly is a Santa Claus. But remember—Santa Claus is Saint Nicholas.

Local Realtor Attending Atlantic City Meeting

Benjamin J. Chadwick, head of the real-estate agency bearing his name in Springfield, will be among the realtors in Atlantic City this weekend attending the 38th annual convention of the New Jersey Association of Real Estate Boards. It was announced by A. Craig Knight, president of the Board of Realtors of the Oranges and Maplewood.

President Knight said an outstanding array of realty, industrial, and civic leaders will address convention sessions, among them former Gov. Alfred E. Driscoll, State Banking Commissioner Charles R. Proceeds will be used to help purchase choir gowns for some members of the newly-formed Cherub Choir. Mrs. Roy Gertmanian is in charge of the sale. Donations are solicited and may be brought in on Saturday.

Historical Society Meets

RAYMOND CHISHOLM SCHOOL
KINDERGARTEN
 Mrs. Florence Towner

We have our first big building in our room—a fruit and vegetable stand. We put up the four walls with a door and three windows; some of us made the roof—others painted two orange crates for shelves. We all made fruits and vegetables out of paper and clay to sell in the store. We have fun play-

ing store-keeper and shoppers with the play-money—we made.

Just before Thanksgiving, we made applesauce in school. Each of us brought an apple to school, washed it and helped get it ready for the pan. After the sauce was cooled, we took turns putting it through the food-mill to take out the skins and seeds. Next day, we ate it with our milk and cookies and wished we had more.

Is there someone special on your Christmas list?

MAYBE it's a favorite grandson or niece. A godchild. Or your own new baby.

This Christmas give him something special—something that will increase in value and reflect your love and thoughtfulness for many years to come. Give him an interest-earning U. S. Series E Savings Bond.

Savings Bonds are easy to give. Just stop in at the Bank and ask one of the tellers for a Bond in the denomination you choose. Your shopping will take only minutes. Your Bonds will come in special gift envelopes.

And here's an idea. If you have employees, remember that bonds make wonderful bonus gifts. The sale of U. S. Savings Bonds is just one of the many banking services we have to better serve our customers, our community and our country.

GRADE 1
 Mrs. Claire Hoopmann
 Miss Claire Ellen Lupino

We have been very busy making our Christmas gifts for Mother and Father. They certainly will be surprised on Christmas morning. Our room is being decorated by each of us in class with Santa, Christmas trees and bells. You should see the big Santa Claus washing us from the top of our closet.

Some of us entertained our class last week with a variety of songs. Those boys and girls who participated were: Patricia Besalle, Linda Kluch, Manuel Roseberg, Mark Hummel, Ailens Marano, Dick Sklar, Thomas Brownlie, Debbie Townley, Chris Conales, and Phyllis Andrew.

We were happy to have Carol Crawford back with us after her Thanksgiving vacation at Little Rock, Arkansas. She had many interesting stories to tell us about her trip. Ralph Massa came to Miss Lupino's class last week from Pompton Lakes.

GRADE 2
 Mrs. Ursula Potts
 Miss Rita's class was the first class to have 100% perfect teeth.

The parents were pleased with the very nice Thanksgiving booklets taken home. Each child wrote stories and illustrated them about the Pilgrims and their Thanksgiving.

The classes have been having fun making Christmas decorations. Both second grade rooms look gay and Christmas-like.

GRADE 3
 Miss Gloria Boorly
 Estelle Kohler

The boys and girls in Miss Boorly's class have been looking forward with anticipation to the month when they would begin cursive writing. The time has come and they are happy.

The children are preparing for Christmas with decorations, gifts and songs.

In Mrs. Kohler's grade class, the children are awaiting Christmas expectantly. They are busy making decorations and gifts. The following children have made extra gifts to be given to needy children: Judith-Bill, George Annyrie, Carl Wilson, Meryl Boyntman, Tony Kaplan, Susan Giermont, Jeffrey Hitchman, Diane Scobey, Marguerite Freedman, and Milton Davis.

GRADE 4
 Miss Alice Rieg

Mrs. Lillian Gushin

Mrs. Carroll's class had a very interesting experience with the recorder. We all had an opportunity to read part of a story called "Andy Helps His Friend." When we finished we played our story back and were very surprised to hear ourselves.

We finished our study of Switzerland and made attractive booklets with materials we had gathered. Miss McPhillips, our art teacher, projected colored pictures which she had taken while in Switzerland. We really were thrilled to see in color all the many picturesque places that we had read and talked about.

Our Thanksgiving cards went home carrying a wonderful message. We all contributed to make a fine "Prayer for Thanksgiving."

One of the interesting outcomes of our study of New Jersey was the making of original relief maps. Flour and salt were used to create the mountainous effect. The maps are now on display in our room.

Original scrap books with clippings and articles about New Jersey have also been completed.

Letters were written for State information to the State Board and the Chamber of Commerce by the following children—Bruce Ledig, Pamela Blaser, Marsha Davis, Richard Humphrey and Darrin George.

GRADE 5
 Mrs. Priscilla Butler

The fifth grade has been busy making "pop" boxes by copying, coloring, showing French, English, and Spanish explorers. Beverly Ross, Carol Milhon, Ernest Alkobeal, Art Kennedy, Barbara Vogel, Lee Hunsdon, Steven Atkin, and Karen Anzuso have shown very good imagination in making their boxes.

We have been enjoying the musical talents of our classmates' piano recitals, and flute playing by Sus Eirik, Gretchen Forbes and Jit Kennedy.

We are all very busy with hand work and hope to have some surprises for our parents for the holidays.

The centers of activity in the kindergarten classes are the markets that the children have built in their rooms. These fruit stands and super markets are filled with everything one would want to buy. Orange crates, sally painted, form the counters of the stands, while bright colored awnings make the overhead coverings. Some of the children serve as clerks and cashiers, while others are customers.

For the Thanksgiving party, the children are preparing their own appearance in their rooms. Following the Thanksgiving holiday all this will be changed in the stores and in keeping with the Christmas spirit the markets will become toy shops.

GRADE 6
 Mrs. Mary Edna Salder

November is the month of the year when we try to remember all of the things for which we are thankful. We talked about the many things for which we are thankful, and we made pictures about the things for which we are thankful. We learned two new words which are very special. These words are "Thanksgiving" and "November."

We had a special lesson in nature study on the day when Sam Asterford brought his pet raccoon to school. Sam told us how he had cared for his pet since it was only a few days old. It is several months old now, and it is a gentle pet. We watched it eat an apple. We learned that the raccoon eats fish before they eat them. We saw that their paws look much like little hands.

Our first grade classes have joined the Junior-American Red-Cross. We have the sticker symbol on our door.

Grade One and Two
 Mrs. Jeanne W. Holak

Britt-ri-ri-it's really cold these days. Winter is coming upon us fast.

In first grade we have been learning many, many words to read. What fun it is to make up our own stories. We wrote one called "The Lonesome Puppy." It was about a dog who was looking for a friend and playmate. Finally he found another puppy just his size with whom he could romp and play.

The second graders have been busy

at work studying their community. We have learned about shelter, food, and clothing. Later we will go into other phases of community life.

In assembly we gave a play called, "The Thanksgiving Turkey." We were happy to say all turned out well for the turkey in the end!

Grade Three
 Mrs. Harriet E. Smith

We have been very busy in our room trying to improve our writing. Learning to read well and to say our arithmetic facts correctly.

We have been learning about the Pilgrims and why we celebrate Thanksgiving. Mr. Post and Mrs. Depperman have been helping to learn about Thanksgiving. We have drawn some fine Indians and turkeys. We have learned several Thanksgiving songs.

Grade Two
 Mrs. Marilyn Perkins

The class has studied about community helpers of Springfield. They drew maps of their neighborhood and made figures of different helpers for a bulletin board display. In connection with their social studies unit, the class made a field trip to the library. They made a list of all the helpers they found on their talking trip through town. They also learned how a library functions and how they could become a library member in order to celebrate book week.

For Thanksgiving, the class presented a Pilgrim scene for assembly. Pamela Pace, Susan Johnson, Patricia Montello, Ruth Smith, Gary Wood and James Caffrey told about the meaning of Thanksgiving and the class sang a Pilgrim hymn. The costumes were made by the children as a part of their art activities.

Grade Three
 Mrs. Patricia Brunette

We are going to get in the spirit of Christmas early this year! We expect to start making our Christmas candles early in December.

A surprise in store for the other classes at our Christmas assembly. We have started practicing for that program, since we've chosen something which is a little difficult. We will give you a clue. We are going to be very animals with long tails. Can you guess our secret?

Grade Three
 Mrs. Margaret Dunn

In geography we have been studying about grains. On our display table we have samples of wheat, oats, rice and corn. We have a chart on the wall showing how grain is made into cereal and flour.

Our science lesson one day consisted of "showing things." Lynn Southward brought in her horned toad, John Cadmus had the skin of a snake and Thomas Lyan brought his turtle. From the library shelf we found books on the road and turtles.

This month we have been talking about the Indians and Pilgrims in our social studies period. We have been learning about how they lived, what they ate and how each helped the other. Lois Briggs showed us pictures of her western trip. In it

we saw Indian pictures. On our top shelf we have a nice Indian collection. Arlene Arends, Tom Lynch and James Martini made six frieze showing how different tribes live.

Grade Three
 Mrs. Mabel D. Stearns

Mrs. Stearns' third grade class has been bringing in many specimens for the science table. First, we studied leaves and seeds. We discovered that many seeds and pine cones can be arranged with evergreens to make ornaments for our mothers. We are making some of these now.

We have been interested in the formation of rocks, and have seen some interesting fossils.

We are also interested in discussing what the animals are doing now that cold weather is coming.

Grade Four
 Mrs. Helen Ryder
 Mrs. Audrey Shaffer
 Mrs. Elizabeth Powers

This is a busy time of year for all of us—enjoyed seeing our rooms ready for a visit from our parents and were very happy that so many mothers and fathers were able to see our school.

After American Education Week came Book Week and we have been drawing pictures to illustrate the library books we have read.

The fourth grades had charge of the Thanksgiving Assembly this year. To get ready for the program we have been reading about our first Thanksgiving and how the people celebrated. It makes us realize just how many things we really have to be thankful for today.

Arithmetic Baseball is our favorite rainy day game. It's fun and we've found out it's a good way to learn our number combinations.

**Mrs. Blanche Fernico
 Mrs. Kathleen Fallon
 Mrs. Isabel Hart**

The Junior Red Cross Council presented a program in assembly to open the drive for members. They also visited the lower grades to inform them about the drive. Lenny Senon was elected president of the council. Other officers are: Tom Ridd, vice president; Aneta Chirgots, secretary; Bob Kirk, treasurer.

The other council members are: Mary Sue Justice, Julie de Azevedo, Dale Christensen, Harold Bell, Teddy Hellman, Donald Dausser, Judith Hansen, Diane Rollet, Paula Bodnar, Ric. Muthaupt, Pamela Brown and Ned Billings.

The boys of Mrs. Huff's class gave a program for Veterans Day. They sang the song of each branch of the armed services. Donald Dausser and James Dickerson had solo parts. The life size pictures representing the uniform of the services were made by the boys and were very effective.
