**EDITORIAL**

The SPRINGFIELD SUN, the publishers and members of the staff, extend the season's greetings to all and wish a very Merry Christmas to everybody.

Thanks for "Pat on the Back"  
People may bounce around, pretending to be very blasé, but "a pat on the back" is just as exciting and welcome now as it ever was. The Springfield Sun received two letters recently which are not only fine gestures in public relations but they also helped to increase the holiday spirit.

One letter was from Assemblywoman Florence P. Dwyer who took the time from her many other duties to write the Sun that "During the past campaign some friends of mine from Springfield sent me a copy of the very nice editorial you wrote on my behalf. I want you to know how much I appreciate your comments concerning my candidacy for re-election to the House of Assembly."

Assemblywoman Dwyer then went on to paint a picture of the forceful, progressive and humanitarian legislation being planned for New Jersey.

The other warm letter was from another very busy man, Congressman Harrison A. Williams, Jr., who heard that the Springfield Sun had won four awards in the annual Better Newspaper Contest conducted by the New Jersey Press Association at Rutgers University.

"It was thrilling to read," wrote Congressman Williams, "that the Springfield Sun received so many awards recently in the state newspaper competition. They are all richly deserved and I want to add my congratulations to all those I know you are receiving."

In addition to the above, the Sun has received many, many warm congratulations from Springfield residents for which we are very grateful.

**When the Lights Went Out**

When a very strange looking antique was brought into our home some time ago which, for the want of a better name, was described as a "candle maker," we sighed the usual sigh and resigned ourselves to another thing in the living room "not to be sat on or used or even pointed out." It was what they casually refer to as a conversation piece and looked like a glob of polished junk that has been hammered out of a discarded musical flute.

However, candles fitted perfectly in the slots and the new antique adorned just the spot, between the foot-warmer which now serves as a long-armed silent-butler, and the old-brass match box which, surprisingly enough, serves as a brass match box.

All this is inspired by the power failure last Saturday evening which plunged Springfield into total darkness for several hours, cooling-off the heating systems and heating up the tempers of a great many. Electricity and the important part it plays in our daily life is taken for granted and very few seem to be resourceful enough to know what to do in such an emergency.

Which brings us to that exciting, history making moment last Saturday night, when all the electricity suddenly failed, throwing television, martinis, ice cubes and lamb chops completely off every schedule. That's where reflexes count and, before anyone could be found to listen to just exactly what we thought of the service, a figure groped across the darkened room, struck a match and lighted the two candles in the "don't touch" candle-maker. Thus, making it possible to live until the power had been restored, and then resolving forever to hold our tongue when any other conversation piece or antique is brought into the living room. However, this still doesn't give us permission to sit on the antique ladder-back rush bottom chair.

**What? No Colonial Design?**

This news will come as a shock to lovers of Colonial design in architecture.

Having recently been knee-deep in everything Colonial during a visit to Williamsburg, we couldn't wait for that part of our itinerary which would permit visiting the newly opened "Colonial Shopping Center" in that famous historic spot.

We pictured the last word in Colonial architecture. Yes, you've guessed it. We came, we saw and we rushed back to the Duke of Gloucester Street where the King's Arms Tavern was serving some of that Sally Lund bread.

There wasn't anything Colonial about the shopping center. In fact it was modern—as stream-lined and as modern as Springfield's—and people used the same language as they do here when you park out of line and onto the next space. "The Colonial Shopping Center" in Williamsburg was no more Colonial than Springfield.

**What 100 New Families Mean**

The search for additional ratables in Springfield may be turned in the direction of industry, research laboratories, office buildings and retail outlets such as Channel Lumber and Davega on Route 22, now that the Township is rapidly approaching its saturation point in the matter of homes and apartment houses.

The Angleton enterprise which will mean high class apartment houses on half of the North Jersey quarry property, the Fisher development on the Flemer tract in Meisel avenue and the homes being built on the Haseleman's land in South Springfield avenue, should come very close to giving Springfield everything it needs in one family homes. Statistics and figures, presented by the Angleton interests, show that the average number of children from apartment houses who would need school facilities is very low. However, the one family homes will emphasize the need for greater school facilities as well as other public services.

One of the important targets for the Township Committee in 1956 will be to explore the field thoroughly for new ratables which will not immediately tax the facilities of Springfield.

The American Society of Planning Officials recently released a newsletter which gives very interesting figures on the subject of "Added Municipal Costs of 100 New Families." Not all of the article below is applicable to Springfield but most of it can fit into the picture here.

serious happenings of past years. The Christmas party for the children of the Association members initiated the Yuletide season with merriment. Members and families combined forces to make this affair a success. Toys, candy, cookies and cake were donated to the group and the Evergreen Lodge donated their hall. The children, besides having goodies galore, had Santa visit them and a magician who held their concentration to round out the merry affair.

**Shunpike Civics Close Out Season**  
The Shunpike Association of Springfield closed 1955 with two big events. At their regular meeting for December held at the home of the Robert Kennedys on Warwick Circle they had a thorough education on the Police and Fire Departments of the Township, and the annual Christmas party for the children was a smashing success.  
Built around the theme "Know your township police and fire departments," the association had two excellent speakers who presented the illuminating details. Captain Selander spoke on the Police Department and Deputy Chief Mesker spoke on the Fire Department. # Hi Neighbor!!

NEWS AND TIDBITS ABOUT YOUR FRIENDS & NEIGHBORS. If You Have Any News Call...

DREXEL 6-4502

LORRIE LEWIS

A hearty welcome to eight families who have recently moved to our town.

Mr. and Mrs. George G. Carty are now residing at 65 High Point drive having moved here from Irvington. They have a married daughter, Mrs. Lawrence Scherwin of Union. It will interest our readers to know that Mrs. Carty is the aunt of the Broadway and Hollywood actress Vivian Blaine.

The new address of Mr. and Mrs. Irving Tass and Mrs. Tass' mother, Mrs. Clara Dessel, is 2 Archbridge lane. They are formerly of Newark. The Tasses are parents of two sons, Howard age 5 1/2 and Gary age 7 months. Mr. Tass owns Dick Page Clothes, a man's shop, in Elizabeth.

Just moved from South Orange to 62 Irwin st. are Mr. and Mrs. Louis Scelto and their two daughters Betty and Ann. Their daughter and son-in-law, Mr. and Mrs. Dominick Lamotta are also Springfield residents.

Our new neighbors at 16 Garden oval are Mr. and Mrs. Joseph Fleischman, formerly of Union, their two children are Elaine Sue age 5 1/2 and Howard Jay age 1 1/2. Mr. Fleischman is a public accountant.

Former Newarkers, Mr. and Mrs. Thomas Scelto are now residing at 18 Garden oval. They are the proud parents of three sons, Joseph age 11, Louis age 9, and Leonard age 6. Mr. Scelto is a model maker with Airex in Hillside.

Mr. and Mrs. Henry Jung have moved from Millburn to 51

A Forest drive. They are parents of two married daughters, Mrs. John Pritchard of Millburn and Mrs. Edward McRobie of Cleveland, Ohio.

Mr. and Mrs. McRobie and their two sons, Jimmy and Scotty, will shortly be visiting their folks for the Xmas holidays.

A big hello to Mr. and Mrs. Murray Millerhoff of 141 Hawthorne ave. They moved here from Irvington and have two sons, Barry age 3 and Michael age 11. Mr. Millerhoff is a lithographer.

The charming family at 65 Wabeno ave. are Mr. and Mrs. Max Fischtron and their sons Jerry (a student at Regional High) and Edward (who attends Florence Gaudinier). A third son, Harvey, is the recipient of a Fulbright Scholarship. He is studying at the University of Vienna (in Austria) toward his Ph.D. in history. Harvey Fischtron is a recent graduate of Wesleyan University, Middletown, Conn.

To all of these wonderful families may we add, "Hi Neighbor."

Partly of the two parts was the cause for the birthday celebration of Mr. and Mrs. Sanford Kessler of 397 Hillside ave. and Mr. and Mrs. L. Scroff of 371 Hillside ave. Both Mrs. Kessler and Mrs. Scroff had birthdays on the same day. They attended a performance of "Pajama Game," and afterwards wine and dined at "Asti's" where they heard operatic arias sung by the host waiters.

A gala surprise birthday party was held at the home of Mr. and

Mrs. E. Burton Henry of 13 Courier ave. to honor their good friend, Mr. Ed Eppinger of 35 Kipling ave. It was truly a complete surprise for the guest of honor and the gayest of gay parties. The guests included Mr. and Mrs. John Hemberger of Short Hills, Doctor and Mrs. Daniel Siegel of East Orange, Mr. and Mrs. Lawrence Vollmuth of Morristown, Mr. and Mrs. Wm. Krenke of Elizabeth, Mr. and Mrs. Stan McConkey, and of course, Mrs. Eppinger.

Mr. and Mrs. Elliot Hall of 106 Morris ave. will have as their guest for the holidays, Miss Lorraine Pierce of Boston, Mass. Miss Pierce is the fiancee of the Hall's son, Douglas.

A Xmas party was held at the home of Mr. and Mrs. Bruno Stec of 62 Wentz ave. Their guests were Mr. and Mrs. W. Staker of Newark, Mr. and Mrs. J. Kocur of Union, Mr. and Mrs. M. La Scala of Preakness, Mr. and Mrs. A. Mackow of Rahway, Mr. and Mrs. A. Wans of Irvington, and Miss Sophie Mazur of Irvington. The Stecs are new residents of Springfield and moved here from Irvington. Their son, Randy, is 2 years of age. Mr. Stec is employed by Hudson Metal Products in Newark.

He did not come to conquer by force of arms and physical weapons—but by love—planted in the hearts of individuals.

—W. W. Melton

The joy of brightening other lives, bearing others' burdens, easing others' loads and supplanting empty hearts and lives with generous gifts becomes for us the magic Christmas.

**ORATORICAL CONTEST WINNER.** Nancy Walpole, 7th-grade pupil at St. James School, shown above receiving first prize from Sister Theophane, O.S.B., school principal, as the best speaker of the finals in the oratorical contest sponsored by St. James in the school auditorium last Friday evening. Also shown in the photograph, looking on, left to right, are: Sister Ann Flavian,

Nancy's teacher; Robert Andrews, one of the judges of the contest; Edward Stiso, the best in the boys' section; and Rosemary Napoli, best in the girls' section. Fr. Aloysius Carney, Pastor of St. James, sponsored the speaking contest which has been under way for several weeks and presided when the winner was selected last Friday.

**Named to Phi Beta Kappa at Dartmouth**

Joseph S. Gonnella, a senior at Dartmouth College and son of Mr. and Mrs. John B. Gonnella of 635 Dunn Parkway, Mountain side, recently was initi-

ated into the Phi Beta Kappa, national collegiate honorary fraternity. Thirty-two seniors were initiated into the Dartmouth chapter of the organization. These men are known as "Junior Phi Betes" for having achieved a sufficiently high academic record in their first three years at Dart-

mouth to warrant their election into the group at this time. Dunn is a member in Phi Gamma Delta, and he has been active on Dart, the college humor magazine. He is a member of the Jonathan Day Register High School, Springfield, before entering Dartmouth. He is a pre-

**News of Local Troops**

**Troop 7.** Mrs. Ross Anfuso, leader; Mrs. Robert Smith, co-leader. Springfield may not boast a "Disneyland," but it does have an interesting show place known as the "Miniature Village." Our troop visited this delightful spot at our December 5th meeting. After a tour through this "toy town," we went to the home of our leader, Mrs. Ross Anfuso, at 36 Glenview drive where we topped off the afternoon with a party.

**Troop 17.** Mrs. E. Neal, leader; Mrs. A. Buckley, co-leader. We all want to give our sincere thanks to Mrs. W. Humphrey for all of the time and experience she shared with us during the years she was our troop leader. We will miss her. Luckily for us, however, Mrs. E. W. Neal, who had been our co-leader, has agreed to take over the leadership of our troop. Our new co-leader will be Mrs. A. D. Buckley of 167 Pitt road. We are looking forward to a fine year with our new leaders.

Although our main work will be on the requirements for our First Class badge, we took time off to make cute little "Pilgrim" trays for the "Pilgrim" time for within her patrol.

the patients of the Colonial Rest Nursing Home in Springfield. We have also made attractive Christmas cards. Mrs. Eley, who's daughter, Kathy, is a member of our troop, gave us a lovely Christmas party at her home.

**Troop 34.** Mrs. M. Wachtel, leader; Mrs. V. Bracht, Mrs. R. Southward, co-leaders. We're a little late, but we'd like to mention what a wonderful time we all had at the annual Girl Scout picnic which was held at Echo Lake Park. We celebrated Juliette Low's birthday, and gave our contribution to Mrs. R. Hurter the Juliette Low chairman.

Our investiture was a big success; we feel sure that our Mothers enjoyed our rendition of "Reuben & Rachel" and our party refreshments. They also seemed most interested in "looking" at our troop scrapbook which we passed around. We have celebrated all scout birthdays up to date. Links Bracht, Joyce Dausser, Lynn Ernst, Christine Mende, Kathy Thrum and Marya Wasing were honored with birthday candles, gold crowns and a Brownie friendship book as a gift from the troop.

We were very successful with the Girl Scout cookie sale. Arlene Arends, Joyce Dausser, Eva Fleetwood, Lynn Southward and Jane Wachtel were awarded pins for selling more than fifty-five boxes of cookies. The Girl Scout calendars have been distributed and they are pretty that we will have no trouble finding eager buyers.

Patrol sections have been held and now each girl has a new job.

**Edna Spencer Enraged To Wed**

Mr. and Mrs. Harry H. Spencer of Prospect Place announce the engagement of their daughter, Donna, to Walter C. Johnson, son of Mr. and Mrs. Oscar S. Johnson of Roxbury, Connecticut. Miss Spencer, a graduate of Springfield Jonathan-Dayton Regional High School and Bucknell University, is employed by the Equitable Life Assurance Society in New York.

Mr. Johnson is a graduate of the Electrical Engineering Department of Rensselaer Polytechnic Institute. He is a member of the technical staff of Bell Telephone Laboratories and is currently located at Lincoln Laboratory in Lexington, Massachusetts. A spring wedding is planned.

**Your Library**

Although a great many of the regular readers of the Springfield Public Library are not borrowing books these days, the library is still busy. Some of the "regulars" are away visiting or taking a vacation from reading, or enjoying new Christmas gifts.

However, to replace them are students home from college working on special projects, and the other people who've reading so much that to them it is a recreation.

For some of these their occupations and obligations make such heavy demands that they have no time to read. However, they take advantage of a few days leisure to catch up on books.

To all of these the Springfield Library says "Welcome." We have a new collection of magazines for browsing and will do the best we can to find you interesting books.

We are open our regular time, 10:30 a.m. to 5:00 p.m., Tuesday through Friday, and Friday evening 7:30 to 9:00 p.m. Do not let the boys and girls forget that there are two special story hours this week. The one for the older group about fourth grade up will be at 10:45 a.m., Thursday, December 29. It will last about an hour. Miss Eileen Brown, Head Children's Librarian of Passaic, N. J., will be the special story-teller. On Friday, December 30, the younger group grades one to three, will have about an hour beginning at 10:45 a.m. Mrs. Ester Porter, who was Children's Librarian in Springfield last year is coming back especially to tell stories for this group.

**Schedule:**  
Friday, December 23 - No story hour. Open 10:30 a.m.-5:00 p.m. 7:30-9:00 p.m.  
Saturday, December 24 - Closed all day.  
Monday, December 26 - Closed all day.  
Tuesday-Thursday, December 27, 28 - Open 10:30 a.m.-5:00 p.m.  
Friday, December 29 - Open 10:30 a.m.-5:00 p.m., 7:30-9:00 p.m.  
Tuesday, January 3 - Open 10:30 a.m.-5:00 p.m., 7:30-9:00 p.m.

**Story Hours:**  
For Pre-School Children - Next Story Hour is January 13, 1956.  
For grades four up - December 29, 10:45 a.m.  
For grades one-three - December 30, 10:45 a.m.

**Obituaries**

**Mrs. Edna Terry Towrley**  
Mrs. Edna Terry Towrley of 357 Morris Avenue, a member of one of Springfield's earliest settler families, died last week after an intermittent illness at her home, at the age of 89. Mrs. Towrley was a direct descendant of the Briant and Denman families, original settlers of Springfield in 1643. Her father, the late Lewis T. Terry, operated a grocery store in Morris Ave.

Born in Springfield, Mrs. Towrley was active in the Methodist Church activities. She was church organist for some 20 years and took an active part in the township's 175th anniversary celebration last summer of the battle of Springfield.

Besides her husband, former manager of the Blue Coal Laboratories of the Delaware, Lackawanna & Western Coal Co., she leaves a son, Edward C. Jr., two daughters, Mrs. George Kure and Mrs. John Geljack; two sisters, Mrs. Benjamin Beard and Miss Helen Terry, and two grandchildren, all of Springfield.

Rev. Dr. Marvin W. Green, pastor of the Methodist Church, conducted services at Young's Funeral Home, 149 Main st., 11:15 a.m.

**Stanley V. Woznak**  
Stanley V. Woznak, 43, of 31 Keefer street, was buried Tuesday in the Holywood Memorial Park in Union last Tuesday with funeral services held at the Smith and Smith Suburban funeral parlors, 415 Morris Avenue. Mr. Woznak died in Overlook Hospital after a short illness.

Mr. Woznak was born in New York and lived in Plainfield before moving to Springfield 18 years ago. He was a salesman for the Hathaway Bakeries in Plainfield before joining the Newark company. He was one of the better amateur golfers at the Gallop Hill golf course, Union.

Mr. Woznak leaves his wife, Mrs. Mary Lene Woznak; his parents, Mr. and Mrs. John Woznak of Plainfield; a daughter, Miss Barbara; two sisters, Mrs. Mae Demske of Oradell and Mrs. Janet Frink of Plainfield, and a brother, Frank of Millington.

**Pearl Dance School Holds Xmas Party**  
A delightful Christmas party was held on December 17 at the Millburn Recreation House for the students of the Pat Pearl School of Dance. The Pat Pearl School is at St. James' Church, Springfield.

Specialty numbers were performed by Nancy Dziubaty, Patti Feeney, Donna Orlando, and Miss Pearl's sister Darcy. A charming group dance was done by Lois Puopolo, Virginia Mertz, Janice Beane, Dale Calausso, and Betty Burt. A second group dance was given by Ann and Mary Triola, Patricia Metz, and Judy Halus. There were also students present from Millburn.

Features of the party, in addition to the dances, were refreshments, games, and a special visit from Santa Claus.

**Area Air Unit Returned to Reserve Status**

The 327th Engineers Aviation Group has recently been returned from active duty to reserve status with headquarters at Morristown. The 327th Engineers is familiar to a number of residents of the Berkeley Heights, New Providence and Summit Area as when this unit was called to active duty in January, 1952 during the Korean incident a number of reserves from this area were among those called.

With the transfer of the 327th Engineers back to reserve status a number of the original personnel earlier relieved from active duty will be rejoining the unit as well as other veterans.

Recruits are now being accepted with special consideration given to young men in the 17 to 18 1/2 year-old age bracket. This is the age whereby a young man can fulfill his military obligation by serving six (6) months active duty and 7 1/2 years in a Reserve Unit. The six month active duty period can be served on completion of high school or upon reaching his 20th birthday, whichever comes first. This allows one to plan his military obligation with the least interference with his planned life.

Further information to young men or their parents can be obtained by contacting Morristown Army Training Center, Jefferson 8-5222 or by calling Commanding Officer, 327th E.A.G., at CR 3-9120.

### Annual Heart

(Continued from page 1)

ated. Last year the Union County Heart Association was one of the 47 affiliates of the American Heart Association to exceed its 1954 total.

The collection totaled \$55,300.75, \$10,000 more than the goal of \$45,299.70 with fourteen of the 21 communities in the county passing their quotas.

Freeholder Bailey observed that the municipal chairmen will seek sufficient volunteers in each community to limit the number of families for each volunteer to about twenty.

Twenty-five per cent of all monies raised are sent to the American Heart Association to conduct the extensive program of research. Twenty per cent is allocated to the New Jersey Heart Association for education in those areas not covered by local associations and for consulting services for all local groups.

The remaining 55 per cent remains in the county for community services and for educational purposes. Community services include \$10,000 donations to local hospitals for equipment to measure the heart beat or stimulate the heart beat, and to cardiac clinics at Muhlenberg Hospital, Plainfield, St. Elizabeth and Elizabeth General Hospitals. Elizabeth for equipment and literature, \$2,400 annually to visiting nurses associations, and some \$900 for purchase of penicillin distributed through clinics to indigent patients with heart diseases.

The association also conducts a "Fight Heart Disease Through Education" program for members of the medical profession through purchase and distribution of bulletins dealing with advances in treatment of heart diseases and through meetings.

The public participates in the educational program through the provision of motion pictures, lectures by members of the association and distribution of literature dealing with various phases of heart diseases.

While the association is unable to give direct aid because of the huge number of persons suffering from heart diseases (more than 52 per cent of all deaths last year resulted from heart and related diseases), the local association through Miss Helen E. Jacobs, executive secretary, conducts a referral program to seek assistance from other public and private agencies in solving problems facing cardinals.

### Garbage

(Continued from page 1)

mittee were not too happy about the increase in the costs of garbage removal here for the next five years. However, the new contract is being drawn up "with teeth," with specific duties and restrictions, and much improved service is expected for both residents and commercial houses.

Among the many regulations for the new scavenger contractors are: that all garbage trucks will have to be covered and each truck will carry brooms and shovels so that the loaders may clear up every bit of garbage and debris before going on to the next street. There will be better handling of the garbage receptacles, less noise and a definite elimination of extras. It is also understood that the new garbage contractor will give Springfield extra service during the clean-up campaign in the spring without any additional cost to the taxpayer. This was formerly the job of the Township road department.

It is common in Spain to present women with a bottle of Sherry wine after childbirth.

### Women's Club News

Members of the Literature Department enjoyed a most interesting and enlightening talk by Miss Alice Holland at their recent December meeting at the home of Mrs. Henry Wasung, 65 Woodcrest Circle. Miss Holland, who is in charge of the Music and Education Departments at the Elizabeth Public Library, spoke on "Books You Might Have Missed." Among the books, she most heartily recommended for serious and pastime reading are "Stranger and Alone" by Saunders Reading, a book written by a Negro dealing with racial problems; "Road Without Turning," a book of non-fiction written by Jim Robinson, a Negro Minister in the City of New York; "Behold the Jew," a non-fiction book by

Ada Jackson who presents vivid sketches of interesting, fascinating people she has known. Whitaker Chambers' "Witness" tells the story of being a Communist and of his great decision to leave. The Party in his thrilling novel of non-fiction, "Case," "At Midnight on the 31st of March" tells the story of a town which suddenly becomes isolated from the rest of the world, and of the many problems it has to face alone. For recommended continuous reading, the philosophy of life set forth in Harry Emerson Fosdick's "On Being a Real Person" is hard to beat. Miss Holland suggested this work for every family's bookshelf—a work which deserves repeated reading by all who feel at times that they cannot match themselves with life.

If there's still someone on your Christmas list whom you've nearly forgotten, may we suggest one

of the above recommended books? The next meeting of the Literature Department will be held on January 10 at the home of Mrs. Henry Bouchard, 253 Hillside Avenue. Following the theme chosen by the department for the current year on "American Rivers," Mrs. Henry Wasung will review "The Lower Mississippi" by Hoddins Carter.

Mrs. Joseph Zidonik of 20 Remer Avenue was hostess to the Executive Board at its December meeting last Wednesday evening. Mrs. Edwin G. Davenport, Club President, presided over a brief business meeting attended by the officers and department chairmen and Mrs. Victor Brink who represented the Membership Department of which she is co-chairman. It was announced that Miss Ruth Levens of 108 Morris Avenue is co-chairman of the International Relations Department for the current year.

As an added highlight of the evening, Mrs. S. Bryant Haas of 35 Edgewood Avenue entertained the group with a reading of the lovely Christmas story, "The Littlest Angel" by Charles Tazewell. Delicious Holiday refreshments and foamy eggnog in a brimming punch bowl were served at the close of the evening by co-hostesses Mrs. Michael Tatusko and Mrs. John G. Williams.

Members of the International Relations Department will forego their glimpse "Inside Denmark" at their January 12 meeting, to have "A Look at the Philippines" through the vivid description and commentary of Mrs. Thomas Geddes of 111 Hawthorn Avenue.

Twenty-five members and several guests participated in a hilarious take-off of Arthur Godfrey's "Talent Scout" program at the Music Department's Christmas Party held last Monday evening, December 19 at the home of Mrs. Robert Kennedy, 1 Warwick Circle. Arthur Godfrey (impersonated by the Department Chairman, Mrs. John Williams)

and his "Yes-Man," Tony Marvin (in the person of Mrs. Robert J. Hayes) had little difficulty persuading the merry-makers to join in the spontaneous and unrehearsed "talent acts."

Although authorities on the subject have noted many times that a woman's sense of smell is a great many times keener than that of the male animal, Mrs. Hayes (who was in charge of the evening's entertainment) wanted proof! Armed with a great many containers filled with assorted fragrances, armas, scents and odors, she set out to stump the guests in a "sniffing contest," with a prize for the femme with the keenest-detecting olfactory nerves. (P.S.—The only thing this game proved was that, contrary to the belief of today's rug-cutting teensters, music-lovers definitely aren't "Squares"!)

A Christmas Grab Bag afforded fun and presents for all, followed by the singing of favorite Christmas carols. At the close of the evening canapés and fancy sandwiches, assorted cookies, layer cakes and Danish pastries, fruit punch and assorted other Holiday goodies were served at the buffet table gaily decorated in the Yuletide theme.

Glowing candles, a mantle ready for Santa, and beautiful pine boughs and unusual floral arrangements provided the setting for the Garden Department's

successful Christmas Party held last Monday evening, December 19 at the home of Mrs. Edward J. Schubert, 284 Northview Terrace. In the final days of the "rush before Christmas," members provided the finishing touches to their own centerpieces, wreaths, and house-decorations, with this lovely setting as a per-

award is part of the Post Office's Vehicle safety program in cooperation with the National Safety Council. Pictured left to right, Bill Corby, Assistant Postmaster; Abel V. DelVecchio, Postmaster; Daudellin and Postal Superintendent, Jack Fisher.

### Floor Show To Be Feature of Dance

One of the outstanding features of the Saint-James' Parish Christmas Dance to be held on January 14 is the inclusion of a floor show which will star many of the favorite local personalities. Bert Jones, Jr., entertainment committee chairman, is attempting to make the dance a memorable occasion in this respect.

As part of the evening's entertainment it is expected that Miss Bunny Sobin of Miss Bunny's School of Dance will make her appearance and lend her talent to the enjoyment of all. In the same line will appear Molly and Carol Staak who have recently completed a successful tour with the well-known dancing chorus, Gay Easterns Rockettes.

In the vocal line the show will feature Miss Doty Moran, the lively little songstress, especially popular in this area, and Al Caporelli, the amazing pantomimist who, for the past two years, has thrilled the audiences of the annual Parish Variety Show.

The dance chairman has announced also that there will be a guest star who will go unnamed until the night of the show. The identity of this individual of these individuals will be as much a surprise even to the members of the Senior CYO as it will be to anyone else.

The "barking sands" of Kauli Island, Hawaii, makes a sound like the barking of a dog if they are rubbed in the heat of the day.

be particularly appreciative to your husband this Christmas morning. Your Publicity Chairman suggests the following grateful exclamation: "You angel! Just what I need to exchange for just what I wanted." Happy Holidays!

**Rappaport-Rosen Wedding Held**

Mrs. Nathan Rosen  
Berz Ross Photo

Miss Adele Rappaport, daughter of Mr. and Mrs. Philip Rappaport of 234 Baltusrol Ave. became the bride of Nathan Rosen, son of Mr. and Mrs. Max Rosen of Brooklyn, N. Y. on December 17 at 8 p.m. at the Avon Caterers in Newark.

The bride was given in marriage by her father with Rabbi S. Glatt of Hillside officiating. She was gown in Chantilly lace, princess style and carried a bible with camellias.

Mrs. Alvin Liebeskind of Metuchen, sister of the bride was her matron of honor and the junior bridesmaid was Lesley Ann Liebeskind, a niece, also of Metuchen.

Best man for the groom was Gilbert Tokajer of Brooklyn and the ushers were Sidney Rosen of Brooklyn and Jack Rosen of Levittown, Pa., brothers of the groom. Others were David Sterling, Alvin Liebeskind, Leon Hausner and William Ginsberg. Flower girls were Judith Lynn Liebeskind and Phyllis Rosen, nieces of the bride and brides-groom respectively.

The couple took a wedding trip to Washington, D. C. after which they will reside in Newton, N. J., where he is associated with Lynn Cleaners, Inc.

**Ella Mae Jahn Announces Troth**

Miss Ella Mae Jahn  
Chell Frantzen

Mr. and Mrs. Frank E. Jahn of Mountain Ave. announce the engagement of their daughter Ella Mae to Mr. F. Peter Chiovarou, son of Mr. and Mrs. Arthur Chiovarou of Hillside Ave., Orange.

The bride elect is a graduate of Jonathan Dayton Regional High School, and the Berkeley School of Secretarial Training in East Orange. At present she is employed as a secretary at Bell Telephone Laboratories, Murray Hill.

Mr. Chiovarou is a graduate of Our Lady of the Valley High School, Orange and at present is also employed at the Bell Telephone Laboratories, Murray Hill. A spring wedding is planned.

**IN FLOOR SHOW**—Molly and Carol Stasik of 5 Prospect Place will appear in the floor show of the St. James Parish Chime Dance to be held on January 1. Picture of the girls was taken as they appeared at the Steel Pier in Atlantic City with the famous Gay Foster Roxettes.

"I have attended and spoken at meetings held by various civic and neighborhood groups, who were interested in the activities of the Recreation Commission, Township of Springfield.

"I was Chairman of the Springfield 4th of July Committee for two years, helping coordinate all

the activities planned for the big holiday celebration, this included fireworks, baby parade, athletic events, refreshments, dancing, etc. I also conducted the fund drive for all items of expense.

"Financially, as well as a promotion, this was a success, of which I am justly proud. I have enjoyed all of the activities and efforts that I have been a part of, and have never regretted the time and effort expended.

"I helped organize the Regional High School Booster Club and for the past eighteen years have been an active member, provided many dinners for the athletic teams of Regional as well as several championship awards which were given through the fund raising drives which were conducted by the Booster Club.

"The Booster Club is a group of about seven or eight adults, of which I am one of two remain-

ing charter members. The Boosters are unselfish in their efforts, non-political, and a non-profit organization. Many boys and girls, who are active with the Regional varsity sports program, the band, twirlers, or the cheerleaders are the recipients of the big "All-Sports Dinner" which is held in the Spring.

"I have been urged to make myself available for more important civic duties and I therefore have designed as Recreation Commissioner. I definitely am not interested in politics, but understand that the Township is planning to establish the position of Chairman of the Tax Board (Tax assessor) of which I feel that I am qualified to hold. I am sincerely interested in the position, qualified, as well as young enough to continue growing with this active community. My educational background, experi-

ence in big business, as well as knowing the town is valuable. There is no indication on my part, I value the job, and I believe it shouldn't be considered a political plum to be kicked around from year to year. "I would devote my interests wholeheartedly, giving all of my time and efforts to this important job."

In speaking of the work of the Occupational Therapy Department, Mr. Halsey explained that Occupational Therapy is a scientific adjunct in medical treatment for the ill or injured, and is prescribed and guided by the patient's physician. To be thoroughly effective, it should be administered by qualified personnel, and should serve the patient physically, psycho-socially, and economically. Its keynote is self-activity.

In occupational therapy for the tuberculous at John E. Runnells Hospital, Miss Dorothy Yaeger, Occupational Therapy Director employed by the League, seeks to keep the patient at his total maximum level without overstimulating him to the point of fatigue. During the course of a long-term illness such as tuberculosis, the patient may go through several phases of occupational therapy.

Lengthwise saw cuts at the base will help the tree absorb water so the needles are less apt to dry. The place selected for the tree should be a safe distance from a stove, radiator or other source of heat. Avoid the use of flammable decorations on or near the tree. Use non-burning ornaments on trees and room decorations. Metal, glass, asbestos and other non-burning ornaments now available are just as decorative as the dangerous cotton, paper and pyroxylin types.  
Examine the lighting for loose bulb sockets, frayed cords or defective plugs. A short circuit in worn wiring might be sufficient to start a Christmas tree fire. Use waterproof cords for outside illuminated decorations. All cords should have the Underwriters' Laboratories stamp of approval. Always turn off tree lights when leaving the house. Unattended trees left lighted are a fire hazard. Smokers should be careful to stay away from Christmas trees, decorations, and gift wrappings. Ash trays should be located a safe distance from trees and decorations, and paper wrappings should be immediately disposed of. When decorating a tree always use a sturdy ladder to reach high places.

**EDITORIAL**

(Continued from Page 2)

What do we have to do here to supply all the public services that residents need and demand? How much will some of those things cost?

It seems to me that these figures would come in handy many times. It seems to me, too, that they would be quite easily pictured by laymen who don't know and don't care about such things.

Here's how they will look:

One hundred new families mean about 450 new people. One hundred new families will put about 100 new children in our schools. About 67 will be in grammar school and 33 in high school. If you operate on the 6-3-3 system, it will be 50 in grammar school, 25 in junior high and 25 in senior high school.

We can follow this school business, which is mighty important, a little further. You will need 2.2 new grade schoolrooms and 1.65 new high school rooms, which will cost about \$120,000.

You will need four new school teachers, and they are hard to find.

The 100 families will add about \$30,000 a year to the school operating budget.

The city will have to buy about four acres of land — one acre for grammar school, one acre for high school, one acre for parks and one acre for playgrounds and playfields. Besides school teachers, the 100 new families will re-

quire you to hire other municipal employees. The city will need 0.84 new employees in the police department and two-thirds of a new fireman. The police budget will have to be boosted \$4,510 each year and the fire department budget increased \$2,820.

You will need all sorts of additional jobs done, like cleaning streets and like collecting garbage and collecting taxes, like looking after the city health. You will probably need four new persons on the municipal payroll besides the policemen, firemen and school teachers, a \$12,000 to \$15,000 added to the annual payroll.

The water department will have to figure on pumping about 10,000 additional gallons of water each day. The 100 families will own 140 automobiles and trucks that will be added to your present traffic.

There are all sorts of odds and ends of things the 100 new families require. Like a new hospital bed (price \$10,000), 500 new volumes in the library (add \$675 to the library's annual budget), a fraction of a visiting nurse and a fraction of a cell in the jail.

**Here We Go Again!**

When we permit our typewriter to drool in describing the mouth-watering garlic bread at Terry Dempsey's restaurant, we wonder whether we're not a bit too enthusiastic about this selfish gourmet's delight. But Dempsey's staff, which includes all the vice-presidents-in-charge of everything, tell us that we're not alone in shooting off Roman candles when we discuss garlic bread.

Gene Lockhart, famous stage, movie and television star, who had played the leading role in "The Music Master" at the Paper Mill Playhouse, discovered this delicacy at Dempsey's only a week before closing that play. It was such a delight to this star, according to the staff, that he actually tried to extend the run of the play at the Paper Mill just to be able to order a few more baskets of this delicious concoction.

Word about those sizzling steaks and the broiled lobsters which follow closely on the heels of the garlic bread, has evidently reached the ears of lovers of good food, because last Saturday night the place was hopping with a lot of nice people crowding the dining room and spilling over into the circular bar.

And, if Springfield's epicures want to forget the garlic bread theme for the while, "Jack" Powers, over at the Twigs in Springfield avenue, has a chef who can do sensational tricks with steaks. And they're worth waiting for since Powers has Ed Staley and his piano, helping you remember the songs from away back while you sharpen your appetite.

New York Town Suggests Builders Pay for Schools

Something is going to be tried in Tappan, N. Y., which has already been suggested here in Springfield since the school problem is as acute here as everywhere.

Following is the article appearing in last Sunday's New York Times which tells the story:

TAPPAN, N. Y., Dec. 17—A proposal to assess the builder of every new home \$500 for school costs is being considered by the trustees of the Tappan School District.

The plan is believed here to be the first of its kind in this state. It is aimed at solving the problems of overcrowded schools on one hand, and rising school costs and school taxes on the other hand, which have accompanied the rapid growth of home-building developments since World War II in many parts of the state.

Demands for new schools have risen in Tappan and throughout Rockland County. The county is one of the fastest growing areas in the metropolitan district, according to the New York State Chamber of Commerce.

The situation is expected to become aggravated here because of the opening last Thursday of the Tappan Bridge linking

Male natives of New Guinea may carry on their waistbands the fur of the flying fox, an adornment permitted only to the successful headhunter.

Rockland and Westchester counties over the Tappan Zee in the Hudson River. Tappan is six miles south of Nyack.

It is anticipated here that one effect of the new bridge will be to intensify building operations in Rockland County.

The proposed \$500 assessment would be placed in escrow to pay for new schools or additions to old ones.

Edward Huffman, president of the school board, has announced that the State Department of Education has been asked to rule whether the proposed assessment would be legal. If it is held illegal, the board plans to ask the next session of the Legislature to legalize it.

Karl Kirchner, head of a large real estate firm here, expressed the view that the plan had merit but required extensive study.

"Five hundred dollars may be too high a charge, or it may be too low," he said, but this may be the solution to serious problems that face developers, realty men and local residents throughout the state, especially near cities.

Ancient Greeks, knowing what keen eyes eagles have, concocted an ornamental, somewhat gaily and put it on eyes with a filling vision, hoping to work a cure.

Once again the Yuletide brings joy to the world. In the spirit of the season, we send you a sleighful of our sincere best wishes for your Holiday happiness.

### Local Baptist Church to Publish Series on Bible

A series of articles entitled "What the Bible Teaches" will be published in the Springfield Sun shortly after the first of the

year under the auspices of the recently organized Springfield Baptist Church. These articles will be prepared under the supervision of Rev. Edgar Drechsel, pastor of the new congregation.

Following is the announcement from the Springfield Baptist Church regarding this series of articles: "Search the Scriptures for in them ye think ye have eternal life; and they are they which testify of me," John 5:39. "And the brethren immediately sent away Paul and Silas by night unto Berea: who coming thither went into the synagogue of the Jews. These were more noble than those in Thessalonica in that they received the Word with all readiness of mind, and searched the Scriptures daily whether those things were so." Acts 17:10-11.

"Upon these verses of Scripture from the Holy Bible, we should like to embark on a series of new articles entitled "What the Bible Teaches." "We feel that there are many people in Springfield and surrounding area that are unaware of what the Bible teaches. It is therefore our intention to bring you from time to time an article on what the Bible teaches about such subjects as: Salvation; Law; Jewish custom of Tithing; Resurrection; Sin; Prophecy of Jesus Christ in the Old Testament; Man; Eternal Life, and many other interesting subjects, that will appeal to people of all faiths.

"We will not be teaching de-

### CATHOLIC INFORMATION

Merry Christmas and a Happy New Year.

Of all the festival days of the year Christmas is the brightest and most gladsome. No matter how cold the night may be and no matter if there be snow under foot there is always warmth in our hearts at this holy time. And though unannounced by any official proclamation, no one forgets the day as it approaches each year. It is a festival heartily enjoyed by all and it returns every year fresh and fragrant as the flowers of spring. At Christmas we are one with the old as they share in the innocent sport and mirth of the little ones. They are having a foretaste of the new youth they will one day possess when they romp through the deep purple grass of heaven.

We are one with the poor as they realize that the lowly shepherds were first to be welcomed at the humble crib and as they understand that it is not the raiment of the body which enables the man, but the divine look in the eye coming from the recesses of an innocent soul. The poor are joyful when they see the crib, knowing that God must have loved them, to be born without any comforts—riches bring.

For the rich too we are glad on Christmas morn, for they enjoy the great feeling of bringing joy to others. They can be closer in one way than any of us to the feelings of the infant in the manger. He left riches to become poor. He was the most generous "rich" man the world has ever known.

More than with anyone we are with the Pilgrim or the wanderer far from his parental roof, at Christmas time. The Christ Child was a pilgrim too, far from home, seeking an abode in the hearts of men.

But the young, the old, the rich, and the poor, the wanderer, and the guest at the family reunion cannot taste the real joy of Christmas unless they are all one with the infant Christ as He lay in the manger. The avaricious man is out of place at a scene of abject poverty. He desires wealth and positions of influence; he wants all the comforts that money can buy. He wants plenty of room in the arms of the infant. The sensual man does not fit into this picture, this most pathetic scene of almighty God suffering agonization at the very outset of a life of suffering which was to end with a cruel death on the cross. The proud man has no joy on this Christmas day, for he surely is not one with the lowly Christ. Such a man is vain and desires to be surrounded with pomp and ceremony. A bleak cave in the mountainside with only the breath of animals for warmth sends a shudder through his heart.

Merry Christmas and a Happy New Year. May you all through the year when you are troubled and sick at heart go in spirit to the Christmas crib, and there let the infant Saviour climb into your arms.

program and this year the girls are working with rhythmic rope jumping. Badminton equipment was purchased and has become another favorite activity. Our new rubber-wheeled roller skates have proved quite popular. The boys gym program would not be a success without hard working girls leaders. For the first quarter the following eighth grade boys did an excellent job: Larry Atkins, Ronald Clark, Peter Smith, Tom Fitzpatrick, Billy Franklin, Don Gibbins, Jay Glendon, Teddy Hoan, Ronald Himmer, Brian Meade, Anthony Monticello, and Mike Perico.

Physical education properly conducted results in the physical, mental and social development of the child. The value these activities receive from such a program is without limit, for through physical education activities, they learn to work together, and play together. Such a program also develops leadership ability and provides good citizenship training for all.

We have been very busy this month making our Christmas presents and wrapping them. We had Christmas trees for our room, gold and silver chains, snowflakes, and pictures of Santa Claus.

We made a Toy Shop with the big blocks and brought toys from home that we had made. Our Christmas Trunk was a fun. We made the ornaments out of plastic and they were very nice.

Grade I

Our reading program is progressing well. We are completing the third pre-printed book. The first book was "The First Reader." "Fun with Dick and Jane."

Christmas decorations and Christmas stories have been correlated with the program. The children are able to tell their own Christmas stories. The children are also capable of practicing the formation of the letters.

Grade III  
Mrs. Ruth Arrey  
The third grade classes have been busy with Christmas preparations. They have decorated their rooms with chains, angels, trees, Santa, snowflakes, and bells. They have each made very special gifts for the two very special people in their lives, not to be opened until Christmas. Much working together and sharing has been learned in these endeavors.

Grade IV  
Mrs. Nancy Martin  
The fourth grades are busy preparing for the Christmas season. Christmas gifts and Christmas decorations are displayed around the room, creating the true holiday spirit. Both classes are working hard to

FINALISTS IN ST. JAMES' SPEAKING CONTEST. Students who were selected to compete for final prizes in the oratorical tests held in the St. James' School auditorium in the past few weeks, first place being won by Nancy Walpole. Reading from left to right, front row: Nancy Walpole, Ellen

present a part of "The Nutcracker Suite" at our assembly on December 22nd. Mrs. Martin's group is working on "The Chinese Boy" with Mrs. Jacobson doing the narration. Alice Ederson will be the wind-guy in Miss DiNapoli's class. Robert Bergman will be the mouse king and the rest of the class will participate as gingerbread men or as mice. Costumes will be worn also and we are hoping the play will be a success.

Both classes have been working hard to make presents for their parents. On the day of school they will be ready to take home. We extend seasonal greetings to all.

Grade V  
Mrs. Charlotte Eloguin  
With the approach of the holiday season, the fifth grades have been engaged in many festivities. At the top of the list is the Christmas assembly. "The Nutcracker Suite" is being presented jointly with Miss DiNapoli and Mrs. Martin's fourth grades.

From Mrs. Eloguin's class, Helene Baur is playing the part of Marie, the heroine of the play; Alan Coban, her father; Virginia Dodge, her mother; and David Bonislawski, the grand father.

Mrs. Eloguin's class is providing the hero, Alan Yablonsky, and the sugar-plum fairy, Carol Bille.

Mrs. Margaret McGarrath  
Mrs. Margorie Ross  
The combined sixth grades recently were shown color-slides of various European countries by the art instructor. Their interest in the descriptions and architectural details pointed out by Miss McPhillips, who had taken the pictures on a recent trip. The slides showed many interesting places which had been studied in Geography class.

Both classes have been practicing for the assembly program which will be given next Thursday. Mrs. McGarrath's homeroom will sing "Winter Wonderland" and Mrs. Ross' class will sing "White Christmas."

The physical education program is a seasonal one through the school year.

During the fall, the girls concentrated on field hockey with an indoor program of volleyball, games, and dancing.

The boys' outdoor program of touch football and soccer has been completed and the indoor season has begun with dancing, basketball, and volleyball.

As the winter approaches, the physical education classes will participate in volleyball and basketball games, and special folk and square dancing. Once a month, during the winter season, co-educational activities such as roller skating, volleyball, and dancing will be held.

The regular program is supplemented with an after-school intramural tournament in all sports for both boys and girls at each grade level.

As a part of the intramural program the girls have again formed a Florence Gaudiner Girls' Athletic Association. Each girl is a member of the organization and may earn points toward an award. The G.A.A. consists of three floors. The offices are: Sue Kerr, Kathy Foley and Carol Marano add to a

HOW Water Works  
IT HAS BEEN ESTIMATED THAT THE MIGHTY AMAZON RIVER DISCHARGES CLOSE TO 5 MILLION CUBIC FEET OF WATER EVERY SECOND INTO THE ATLANTIC OCEAN!  
DID YOU KNOW...?  
THE AMOUNT OF WATER USED BY EACH PERSON IN A FAMILY IS BETWEEN 35 & 40 GALLONS PER DAY. THIS INCLUDES ALL NEEDS SUCH AS KITCHEN, LAUNDRY, BATHING, ETC.

what does Rx mean?  
If you care to be literal, it's an abbreviation of the Latin recipe meaning "take thou of..." But for most people, Rx is simply a symbol of confidence. Confidence in the training, ethics and know-how of your pharmacist and the prescriptions he prepares. Here registered pharmacists are always on duty, ready with expert and rapid service. They are guardians of your health, responsible for your continued confidence in the symbol "Rx."
