THURSDAY, DECEMBER 29, 1955

Boston Symphony To Play in Newark

Ernest Ansermet, the famous Swiss conductor, has arranged an intriguing and varied program of symphonic music for the concert of the Boston Symphony Orchestra which he will conduct at the Mosque Theater, Newark, on Tuesday evening, January 10, under the auspices of the Griffith Music Foundation. Symphonic works by Mozart, Bela Bartok and Cesar Franck will be performed at the concert which will be the only one the eminent Bostonian organization will give this season in the Foundation's symphony series.

As befitting the 200th anniversary of the birth of Mozart which occurs in the same month, the program will open with a performance of that versatile composer's "Jupiter" Symphony in C major, K 551, which is one of the three greatest symphonies Mozart wrote and, in the opinion of several authorities, his greatest.

The Bartok work will be the "Music for Strings, Percussion and Celesta" which was written by the Hungarian composer in 1935 and was first produced in Basle, Switzerland, in 1937. It has been described as a characteristic Bartok work infused with a vigorous elemental pulsation in which the percussion instruments serve as a backbone.

For the final half of the program, Ansermet has selected Franck's sonorous and stately Symphony in D minor, a symphonic work which, through the years, has come to be accepted as the French composer's masterpiece. It opens with a majestic introduction in which the principal subject is stated at once by the basses. Beginning with a pizzicato of strings and harp, the second movement swells into a melody of rare sweetness voiced by the English horn. The final movement is one of rare charm and beauty in which the principal themes of the entire work are renewed.

O.R.T. Board Meets

The Board of the Springfield Chapter of Women's American O. R. T. will meet at the home of Mrs. Max Marech, 117 Mapes Ave. on Thursday evening, January 5th at 8:00 p.m. Reports will be given by the Mesdames Morton Weiss, constitution committee; Franklin Rothenberg and Bernard Borius, Study groups; Mrs. Norman Lowenstein, dance chairman; and Harry Wegischer, Victor Schapira, and Meyer Lasky, special projects. Mrs. Philip Goldhammer will preside.

Dorothy Burt
Announces Troth

Mr. and Mrs. Harry Burt, 170 Linden avenue, Springfield, have announced the engagement of their daughter, Miss Dorothy Burt to Marine Pfc. Gerald Meyer, son of Mr. and Mrs. Meyer, 645 Summer avenue, Newark. The engagement was announced on Christmas Eve. Miss Burt, a graduate of Regional High School is employed

at the Prudential Insurance Co., Newark. Pfc. Meyer, who attended Newark schools, is stationed at Camp Lejeune, North Carolina.

Boy to Yannacones

Mr. and Mrs. Edward Yannacone of Stirling announce the birth of their first child, a boy, Gregory, born December 19 at Overlook Hospital. Mrs. Yannacone is the former Janet Ulichny of 170 Henshaw avenue.

Mabel Schmitt
Engaged To Wed

Miss Mabel Schmitt

Mr. and Mrs. Leo Schmitt of 238 Morris avenue announced the engagement of their daughter, Mabel, to Staff Sergeant Donald Davis, son of Mr. and Mrs. Walter Davis of Middletown, N. Y. The betrothal announcement was made at a Christmas Eve party at the home of the Schmitt family in Springfield.

Miss Schmitt is a graduate of Levittown, Long Island, High School and is employed with the New Jersey Bell Telephone in the Newark office. Staff Sgt. Davis is with the Air Force and now assigned to duty in Washington, D. C.

Plans are being made for the wedding to take place in Springfield in the early spring.

Roe-MacMillan
Troth Announced

Barbara Ann Roe

Mr. and Mrs. David C. Roe of 148 Meisel avenue, announce the engagement of their daughter, Barbara Ann to Kenneth MacMillan, son of Mr. and Mrs. Daniel Mac Millan of 63 Hillside ave., Florham Park, Madison.

Miss Roe is a graduate of Jonathan Dayton Regional High School, is now employed with Jerome M. Horowitz DDS, in Millburn. Her fiance served with the U. S. Navy and is now employed with Federal Tool and Engineering in Cedar Grove, N. J.

Well Known Orchestra to Play at St. James Dance

The Saint James' Parish Chime Dance to be held this coming Sunday evening, January 1, will feature the very talented combination known as the Star Dusters. The eight-piece ensemble is particularly well-known by lovers of music in this area.

The Star Dusters contributed greatly to the success of this year's annual Parish Variety Show and who recently were engaged to entertain at the Christmas dance of Saint Michael's of Elizabeth.

The advance sale of tickets, directed by Anne Marie Churia, has proved very successful. The number of tables reserved has shown that many parties have been arranged. Mary Ann Roessner and Dale Jones, co-chairmen of the decorations committee, have announced that special lighting effects and table arrangement will be features of the over-all plan.

This dance is only one of the events to take place in support of the St. James Chime Fund.

A monument surmounted by a statue has been erected at Gadsden Ala., in honor of Emma Sanson a 15-year-old Confederate heroine who during the Civil War guided General Nathan Bedford Forrest to a ford on Black Creek.

During the recent demolition of some old buildings in the center of Copenhagen a shell from the 1807 British bombardment of the Danish capital was found embedded in a wall.

New Garbage

(Continued from Page 1)
"Serrateili said the sanitation workers have been very patient and cooperative in waiting for the budget hearings."
"He said New York sanitation employes receive \$114.40 pay for a six-day week, overtime included. The mayor is talking about

turning over the city garbage collections to private contractors but he does not say anything about our demands," said Serrateili.
"In view of this, the sanitation men have authorized Local 945 AF to continue their negotiations right up to the City Council hearings and have sanctioned the union to call a work stoppage to enforce these demands if the City Council fails to give them consideration."

Judge Reserves

(Continued from Page 1)
muted that the tract would have to be drained and filled before it could be developed.
Finkel also said there would be no decline in property values near the theater site since, he said, the nearest developed area is a minimum of 600 feet from the proposed site, with a wooded area serving as a "buffer" between the two.

Finkel also said that the trend in the vicinity of the Springfield ave. property is toward business and light industry. He added that in his opinion, the tract involved could be most appropriately employed in that way. He said that all areas surrounding the property owned by the water company have been zoned for business or light industry uses.
Louis Pantages of the Newark law firm of Mead, Gleeson, Hansen and Pantages, represents the Kenco Corp. and Gustav Kein of Kein and Seitch of Union is appearing for the township and the building inspector, Richard Stein. Stein, Stein and Hughes of Elizabeth represents 25 home owners in the vicinity of the proposed theater who object to its construction, who have been named in the complaint as intervenors.

New Cub Scout Pack Is Being Organized Here
A new cub scout pack is being organized under the sponsorship of the Jewish Community Group and all parents who want to enroll their boys between the ages of 8 and 12, can do so by contacting Ralph Feldman, 28 Sherwood road, or by calling DRexel 6-4996.
There is also a need for den mothers, or fathers; pack leaders or any residents interested in scouting. Those interested in

Schaffernoth To Report To Florida

Charley Schaffernoth

Charley Schaffernoth, well known Regional High baseball star, will report on February 20 to Tampa, Florida for Spring training with the Chicago White Sox, American League major league team.

Schaffernoth was mentioned in the December issue of Sporting News as a standout player in the White Sox farm system, batting .316 with the Bisbee-Douglas team last season.

Schaffernoth played in the All-star game in his league in Yuma, Arizona last August and the Douglas Daily Dispatch had this to say: "Schaffernoth is regarded as the finest catcher in the league. Properly of the Chicago White Sox, he has been with the Kings since the start of the season, and his strong throwing arm, excellent ability to judge pop fouls, and a .327 batting average made him a real asset to the club!"

Statistics from the official record of the Arizona league indicate that Schaffernoth was a real leader with 139 hits for 441 at bats; 15 home runs and 104 runs batted in. He was walked 39 times and scored 81 times.

helping this new cub pack are urged to telephone or contact Mr. Feldman. A meeting will be held in a few weeks to complete the organization.

Hi Neighbor!!

NEWS AND TIDBITS ABOUT YOUR FRIENDS & NEIGHBORS.

If You Have Any News Call . . .

DREXEL 6-4502

LORRIE LEWIS

Five Springfield boys and girls have just returned from a two day holiday in Newport, R. I. They are Donald Weiss, Richard Sussman, Bruce Goldstein, Susan Gold, and Phyllis Kaplan. Escorted by their teacher and principal of the Hebrew School of the Jewish Community Group of Springfield, Mr. Frank Brown, the quintet visited the Touro Synagogue and the Vanderbilt mansion in Newport. They also enjoyed an afternoon of ice skating.

The new residents of 5 Craig road are Mr. and Mrs. John Pettit and their son, John, age 13. The Pettits are formerly of Newark where Mr. Pettit owns a grocery. Mr. Pettit's brother and sister-in-law, Dr. and Mrs. C. Pettit, are also Springfield residents.

Happy birthday wishes to Larry Simon, son of Mr. and Mrs. Marvin-Simon of 28 North Derby road. Larry celebrated his 11th birthday at a party on December 26th. His guests were Bonnie Brier, Mary Pomerantz, Paulette Morse, Steven Bender, Barry Hollander, and Bob Seltzer, all of Springfield and Sheila Statman of Maplewood.

In tune with the holiday season, Mr. and Mrs. Ed Eppinger of 35 Kipling ave. entertained at a cocktail party at their home. Present were Mr. and Mrs. E. Burton Henry, Mr. and Mrs. Stan McConkey, and Mr. and Mrs. Raymond Lyon of Springfield. Dr. and Mrs. Daniel Siegel of East Orange; Mr. and Mrs. L. Vollmuth of Morristown; Mr. and Mrs. Wm. Krenke of Elizabeth; Mr. and Mrs. Robert Faatz of Summit; and Mr. and Mrs. John Hemberger of Short Hills.

Mr. and Mrs. Benjamin Colandrea are parents of a new son, Jeffrey Joseph, born at Overlook Hospital on December 9th. He weighed in at 5 lbs. 15 oz. The Colandreas are also parents of a 5 year old son, Bruce. Mrs. Colandrea is the former Rose Bruno of Summit.

Mr. and Mrs. Harold Barg of 232 Lelak ave. and their daughter

\$10 Home Air Raid Alarms Seen Within Next Few Years

Engineers working with the Federal Civil Defense Administration now are convinced that within the next few years, 99 per cent of American homes can be equipped with a warning signal to alert families of enemy attack or a civil defense emergency that will cost less than \$10.

Research funds for a home warning system were made available for the first time under the current FCDA budget, although studies in this field have been under way almost from the time civil defense was first organized. FCDA's Warning and Communications Office has long recognized that the present system of siren warnings is not completely adequate in that it cannot reach all areas and that the sirens are not always audible to many people who are indoors.

To Supplement Sirens. Since the goal is to alert 100 per cent of the population in times of possible danger, it is accepted that an indoor signal must be developed which will supplement the outdoor sirens, or warnings broadcast by radio.

FCDA does not envision the indoor signal system as supplanting other warning methods. Instead it is thinking along the lines of a signal to call attention to the possibility of impending danger and to make sure that everyone gets the information which is being transmitted by radio or other means. Obviously such a system would have a value beyond its use in event of enemy attack. It could be used to alert the public in time of immediate danger and send those at home to their radios where they would hear bulletins and receive instructions.

To Test in West Tentative plans are under way in one western community for a test, Marcy, had as their house guest this weekend. Miss Amy Solomon, daughter of Dr. and Mrs. P. Solomon of South Orange.

Mr. and Mrs. Andrew Anderson have again taken up residence in Springfield after residing in Summit for the past year. Their address is 801 D Mountain ave. Mr. Anderson is plant manager of Solar Steels in Union.

'Tis a wee lass for the John Babers of 54 Edgewood ave. Karen was born on December 10 at Overlook Hospital weighing 7 lbs. 6 oz. Mrs. Baber is the former Lorraine Allier of Springfield.

Barbara Baldwin was feted at a supper party on her 10th birthday on Dec. 19. Her guests included her brother, Larry, Carol Jensen, Carol Bilet, Ronnie Weinberg, Nila Shapiro, René Rojahn, Gretchen Purkisher, and Shelley Feldman.

Former Newarkers, Mr. and Mrs. Rudolph Figuolo are now residing at 14 Garden oval. They are parents of a daughter, Renee, 3 months old.

Our very special birthday wishes are extended to Sam Sarokin, publisher of the Springfield Sun!!!

Happy New Year to all my friends and may you all have many gay-social events and happy occasions to tell us about in 1956!!!

'Choosing Career', Subject School Guidance Program

"Choosing Careers Carefully" is the theme of one phase of the mid-winter guidance program at Jonathan Dayton Regional High School. The month-long emphasis on the importance of careful consideration in choosing one's life work supplements the regular teaching and counseling efforts of the school.

The program gets underway on January 5, 1956, when the junior and senior classes will hear talks by leaders from industry and from college. Dean Westervelt Griffin, head of the College of Agriculture at Rutgers University, will speak on the topic "What the colleges expect of entering freshmen." Representing industry, Mr. A. J. Zannoni, Plant Personnel Director, Hyatt Bearings Division of General Motors, will address the group about "What industry desires of new employees and what it expects of them as they advance." This presentation is planned to develop additional interest on the part of students in choosing a career wisely.

The second step will be a day set aside for aptitude testing by many members of the junior and senior groups for the purpose of providing guidance counselors with additional information to assist the students in making wiser career choices.

Aptitude tests help to determine the kinds of things (areas of work) in which individual students probably could find success. This part of the program is administered by the Extension Testing Division at Newark College.

The right to reject any or all bids and/or to accept the bid that in its judgment will be for the best interest of the School District is hereby reserved. By order of the Board of Education of the Union County Regional High School, District No. 1, Springfield, New Jersey. Harry G. Insalaco, Secretary.

TO WHOM IT MAY CONCERN: Take Notice, that the undersigned will apply to the Union County Court on the 20th day of January, 1956, at 10 o'clock in the forenoon, or as soon thereafter as the matter may be heard, at the Court House, in the City of Elizabeth, New Jersey, for an order authorizing them to assume other names, to wit: the names of Paul Insalaco and Vincent Insalaco, respectively, pursuant to the statute and rules of Court in such case made and provided.

Paul Zegreckis, Jr.
Vincent Zegreckis
and
Mary G. Insalaco

Attorney
1139 East Jersey St.
Elizabeth, N. J.
Dec. 29, Jan. 5, 12.

program will be presented on February 15 when a Career Day will be held.

Representatives of 36 different vocations will be on hand in the school to conduct meetings with the members of the two upper classes. These meetings will last fifty minutes, with each student attending the two career talks of his choice. Speakers are chosen from the actual field of work involved, rather than to represent a school-offering-training in a particular vocation.

Parents of Regional High School students are being urged to have their sons or daughters participate actively in this program with special emphasis being placed on the importance of taking advantage of the aptitude testing phase of the work.

The entire month long program is being arranged through the cooperation of the Vocational Guidance Committee of the Clark and Millburn - Springfield Kiwanis Clubs. This is the second year that the program has been offered as a service rendered jointly by the school and the Kiwanians.

SUNNING SPORTS

By RITCHY SCHWARTZ

Exit another year. For some it was a hard twelve months, as far as Regional athletics were concerned perhaps there has never been a better '365'.

WRESTLING—The grapplers put on a terrific show by copping the State Championship last year. Leading the mat parade by capturing individual championships were Richie Scorsese and Jerry Sachsel.

BASKETBALL—Led by Coach Lou DeRosa, the hoopsters again shined bright on the hardwood floor. They didn't go all the way in the Armory, but came mighty close. Helping pull out the Sectional Championship were, Hubinger, Schaffernorth, Lawn, Goler, Merz Casale and Boiles.

BASEBALL—Keeping their heads above water Springfield Diamond crew came through with an admirable record. With the great hurling arm of Joe Schaffernorth, and the slick of Johnny Zigler, Regional was to be reckoned with.

TRACK—The least popular sport (from the students point of view) also did well. Coach John Brown took his boys through tough meets with flying colors. Curt Merz set a record throwing the discus, setting another milestone in his illustrious sports career.

FOOTBALL—There isn't room enough allotted to this column to write all there is to write about '55' football. Mike Suchena shaped his squad together and came through schedule with an amazing record. One of the best Grid seasons since the forties. For two years now, a few of

us at Regional have been trying vainly to start a golf team. In my estimation there are not too many sports that can compare with golf. I love the game and there are many at school who agree with me. If this edition of Sunning Sports reaches any students who are really interested in a link squad, please let me have your names as soon as we get back to school. Time is again running out on us.

The basketball team easily trounced an Alumni five at the Regional gym last week. Although the Varsity didn't play up to their standards they still won. The game was colorful and exciting. You've got to give those "old men" credit.

The Wrestling team also triumphed, squashing a Morristown squad. Winners were, John Supala, Jerry Sachsel, Ed Bies, Frank Rizzo, Fred Rica, Dave Thompson, Dick Beznier, George Harms, and Joe Sisia. Boy, do they look sharp!

Wishing you all a Happy New Year. Sunning Sports closes out its '55' Season. We hope we've satisfied you and hope to continue to do so. The voice of conscience is so delicate that it is easy to stifle it, but it is also so clear that it is impossible to mistake it. Mme. de Stael

Youth Hoopsters To Open Season Next Thursday

"Calling All Boys 13 Thru 15 Years of Age"

All boys interested in basketball are requested to attend next Tuesday's basketball session at the Florence Gaudineer School. The program will start at 7 p. m. and will end at 8:30. Coach Lou DeRosa, Regional High School cage instructor, will devote an hour and a half to the fundamentals of the game, stressing "moving the ball" as well as "higher scoring".

Tuesday's basketball program is for boys thirteen through fifteen years of age. Director of Leagues Eddie Ruby will also assign boys to either the Globetrotters, Hawks, Royals or the Warriors.

George Seltzer Cops Foul Shooting Contest

George Seltzer captured the Springfield Recreation foul shooting contest last Thursday evening at the Florence Gaudineer School gymnasium. The runner-up was Ed Kisch, with both boys to receive a pair of white sneakers through the courtesy of Colantone's Shoe Store. The awards to both boys will be made on the opening night of the Springfield Youth Basketball League, with Jerry Colantone making the presentation.

Twenty two boys participated in the foul shooting contest, with every effort made to insure a fair and sportsmanlike contest. Half of this total were eliminated after the first round, with each boy taking ten shots from the foul line. In each succeeding round, another half were eliminated, until the fourth round when Larry Atkin, George Seltzer and Ed Kisch were the participants. Seltzer and Kisch survived this round, with Seltzer winning by caging four out of five shots.

Although the common cold is a year-round disease, there are three peak periods when there are the most sniffles: From October 1 to November 1; the second, and most severe, from mid-January to mid-February; the third, from late March to late April.

There is but one failure, and that is, not to be true to the very best one knows.—Canon Farrar
Where you are is of no moment, but only what you are doing there.—Petarch

Conquer thyself. Till thou hast done this, thou art but a slave; for it is almost as well to be subjected to another's appetite as to thine own.—Robert Burton

The Springfield Recreation Commission sponsored "Youth Basketball League" will open their 1956 basketball season next Thursday night at the Florence Gaudineer School gymnasium. All league games will start promptly at 7:30 p. m. with the doors of the school and gym open at 7 p. m. for fundamental drills, instructions, and warm-ups by the teams participating.

The league will hold a split season, with the first half and second half winners meeting in a Championship game at the conclusion of the season. The four-team league consists of boys thirteen through fifteen years of age, also several boys who are not quite thirteen years of age, but too big for the nine through-twelve year age group. The Youth Basketball League will play single games on Tuesday and Thursday evenings, with Wednesday evenings open for informal basketball play.

The Springfield Recreation Commission selected the four teams on their ability and size, making every effort to balance all talent. Any new boys who haven't been assigned to any of the four teams are requested to contact Ed Ruby, Director of Leagues, for assignment. The weakest team in the league will be assigned the strongest newcomers.

The Springfield Recreation Com-

"Tiny" Basketball Starts Saturday

The six-team Springfield "Small-Fry" Basketball League will open on Saturday morning, January 8th, with Knicks facing the Nationals at 9:30 a. m., an hour later the Celtics will face the Lakers, with the Pistons and the Bullets scheduled at 11:15 a. m.

Any boys who have not registered to date should attend the initial program to be assigned to either of the six clubs. All boys will be assigned to teams and should come prepared to play. Boys must wear sneakers and basketball trunks.

The league will operate a split season, playing each other twice, with the winners of the first round playing the winners of the second round in a championship game. Should the same team win both rounds, they would be declared the league champions.

The League will operate for ten Saturdays, with the championship game on the eleventh Saturday. The Florence Gaudineer School gymnasium will open at 9 a. m., with the first half hour devoted to instruction, fundamental drills and warm-ups. Fathers are needed as coaches and scorers. The Springfield Recreation Commission cordially in-

9:30 a. m., "Knicks" vs. "Nats"; 10:30 a. m., "Celtics" vs. "Lakers"; 11:30 a. m., "Pistons" vs. "Bullets."

All games at the Florence Gaudineer School gymnasium. Official Rosters of the "Small-Fry" Basketball League and the Springfield Youth Basketball League:

(Ages 13 thru 15)

Saturday morning (Jan. 8th) —

CATHOLIC INFORMATION

Let's get down to dots and Science. Science! Hark to the advertisements! By a "scientific" process one cigarette makes us a perfect 36 and another keeps us kissable—List to the news columns, One scientist states that there is no God, while another writes—as St. Thomas taught—"Where Science ends, Faith begins."

What conflict! What confusion! What are we unscientific folk to believe? Thank God for our common sense! Let's use a bit of it here to clarify matters.

Theories and facts are not the same. Let's remember that. Scientists are mere men—some honest, who seek only the truth—others biased, who regard not the truth if it interferes with their purposes.

The true scientist proclaims scientific "Facts" only when they can be proved. The pseudo-scientist under the prestige of a university degree, by a wave of his hand changes mere theories and guesses into "Scientific Facts," teaches them to his students, and, if sensational enough, finds a ready market for them in the modern press of "Modern Thought."

Let us laugh at the "scientific" advertisements; but let us deplore and denounce the pseudo-scientist, who would cast God Almighty from the heavens without the slightest semblance of knowledge, cause, or proof, and substitute for His worship a cult of self-creation, self-adoration, immorality, and destruction.

The Catholic Church and its relation with science is widely misunderstood, probably because it refuses to recognize theories as facts; and perhaps too because it forbids its children to teach mere hypotheses as facts, until they can be proved. In truth the Catholic Church is the greatest advocate and sponsor of scientific research that the world has ever known. It seeks the truth unafraid because it is well aware that both the natural and supernatural laws are God-made and therefore cannot possibly disprove one another. From the earliest days Catholics have been pioneers and leaders in all branches of learning. Below are just a few devout Catholics whose names will ever live in the history of scientific achievement:

Albertus Magnus, Leonardo da Vinci, Mendel, Nicholas Steno, Nicholas of Cusa, Muller, Lamarck, Copernicus, Marconi, Enery, Schwann, Fabre, Morgan, Pasteur, Galvani, Volta, La Verrier, Kircher, Dr. John B. Murphy, de Chardin, Braille, Foucault, Tricelli, Marconi, Abbe Lemaitre and hundreds of others in every century of the Christian era.
