TOWNSHIP OF SPRINGFIELD  
OFFICIAL NEWSPAPER

## THIS WEEK

The result of Tuesday's school board election here assures good education administration for Springfield but there is still a discouraging lack of interest on the part of the voters and the final figures tell the story.

There are 5491 eligible voters in Springfield but only a total of 562 thought it important enough to respond to appeals and come to the polls Tuesday.

Last year there were 5263 qualified voters and that election brought out a total of 973 ballots. Mrs. Sally Bandomer was the choice of 393 voters last year which would have been enough to win last Tuesday. In fact, it would have been the high of the election since Mrs. A. Russell Hillier was the top vote getter on Tuesday with a total of 336.

The re-election of Mrs. Hillier and Alan R. Cunningham, and the victory of Milton Kapstatter for one of the three year terms, are very gratifying. Mr. Kapstatter, who offered his qualifications for the first time on Tuesday, defeated Harold C. Oakman, the only other candidate for the full term.

Mr. Kapstatter should bring many years of personal experience to the local Board of Education, having been a teacher in the high schools of Newark since 1935. Edwin G. Davenport nosed out Raymond Baumrind for the unexpired one year term but the friends of Baumrind were very much heartened by the support he received throughout the Township and steps are being taken to urge him to become a candidate for one of the full terms next year.

New plate glass fronts are being installed this week in Kappaport's Spring Drug store and Marcel's, which were crashed several weeks ago when a car bumped over the curb and went out of control into the store fronts.

The driver of the car, Harry Shaw, Jr. of Newark, according to the records in the Municipal Court, was fined \$105 and had his driver's license suspended for three months by Acting Magistrate Mil-

DAVE HYATT

Dave Hyatt, Director of Public Relations of the National Conference of Christians and Jews will be the principal speaker at the Founders Day Meeting of the Springfield Parent-Teacher Association on Monday, February 27th at 8:15 p.m. at the Florence Gaudineer School. This meeting will celebrate the 26th Anniversary of the founding of the Springfield P.T.A.

Also, he was assistant director of publicity and public relations for the Institute of International Education and manager of Public Relations for the Hartford Accident and Indemnity Co. From 1948 to 1950, he was Assistant Professor and Director of Public Relations for the New York State School of Industrial and Labor Relations at Cornell University. He handled publicity for Northwestern University School of Speech; directed the Santa Fe Civic Theatre; performed on CBS and ABC-network radio shows and taught at Lenox School and Manhattan College. During World War II, he served with the British Eighth Army in Africa and with the U. S. Navy.

## Motor Vehicle Office Here to Remain Open

The Springfield motor vehicle office has been selected to remain in operation for the convenience of motorists in this area of Union and Essex Counties.

## P. O. Super Is Named Head of County Assn.

Jack Fisher

At an election of officers of the Union County Branch of the National Association of Postal Supervisors, Jack Fisher, Springfield's Postal Superintendent, was elected as president of the organization at a meeting held on February 8th. Term of office is for one year.

Fisher started his postal career with the local post office in 1942 as a substitute-clerk-carrier. From 1943 to 1945 he served with the Armed Forces. Upon his release from service, he became a regular clerk in which capacity he served until June, 1952, at which time he was appointed Superintendent of Mails, the position he currently holds.

It is interesting to note that the Springfield Post Office has only two supervisors compared to offices as Elizabeth which have as many as 30. Accepting the presidency, Fisher said, "I am fully aware of the fact that a majority of members in our organization is better qualified to fill the office to which I have just been elected. It is with the deepest sense of gratitude that I humbly accept the honor bestowed upon me and will extend every effort to bring credit to the entire organization which so kindly elected me to the office."

## V. F. W. Testimonial

Hahn, state commander of the V.F.W., at the Robert Treat Hotel, Newark, Saturday evening, February 18, representing the Springfield V.F.W., Battle Hill Post will be Clarence Buckalew Jr., commander, and Tony Fiorelli. On Sunday afternoon there will be an open discussion by the national commander at the hotel, to which everyone is invited.

Funeral services for Mrs. Ruth Schramm, 26, of 474 Meisel Avenue, were held last night from Smith and Smith (Suburban) at 415 Morris Avenue, with members of the Springfield American Legion Auxiliary and friends and relatives attending. Mrs. Schramm was found dead, according to a police report, shortly before 12:30 p.m. Monday.

**PROCLAMATION**

I commend the observance of **BROTHERHOOD WEEK**, February 10-26 to all our citizens in Springfield. It is well, at a time when the principles upon which our democracy is founded are gravely threatened, that we should reassert them firmly and rededicate ourselves to their daily practice.

**BROTHERHOOD WEEK** provides an opportunity to affirm our acceptance of the obligations implicit in the brotherhood of man under the Fatherhood of God.

**ALBERT G. BINDER**  
Mayor of Springfield  
February 16, 1956

The Township office at 60 Springfield Avenue will remain open, according to notices sent out by the State Motor Vehicle Department, while the offices formerly located in Summit, Millburn, Maplewood, Cranford, Westfield and Hillside will be closed down.

The IBM cards being received for passenger or driver's license renewals can either be processed at the local motor vehicle agency office or returned to Trenton. This, according to local Motor Vehicle Agent Vincent J. Bonadies, is at the option of the motorist.

"After March 1, he has the option of returning the card application," said Bonadies, "or coming to the Springfield office for renewals. Springfield will handle commercial renewals, transfers, new drivers' licenses, permits, new car registrations and all other motor vehicle business."

The new registration and drivers' licenses must be procured by April 1.

## Truck Crashes Car Stopped for Light

William Anderson, Jr., 407 North Fifth Street, Newark, a driver for one of the James Petrozello Company's garbage trucks, has been ordered to appear in Municipal Court this coming Monday night, February 20, to answer a reckless driving charge.

According to the police report made by Patrolman John Wentz, the truck, driven by Anderson, crashed into a car standing still for the red stop light at the corner of Morris and Springfield avenues, Saturday morning at approximately 10:15.

The driver of the stopped car, waiting for the light to change when struck by the Petrozello truck, was Sam O. Sarokin, publisher of the Springfield Sun. The impact of the garbage truck did considerable damage to the Sarokin car which was later hauled away to the Morris Avenue Motor Car garage near the scene of the crash.

Mr. Sarokin was taken home by Patrolman Wentz in the police car and Dr. N. F. Vogel responded to a call to examine him. He is still under observation and, on Tuesday, was taken to the Overlook Hospital in Summit for x-rays.

## Hillier, Cunningham, Kapstatter And Davenport on School Board

Mrs. A. Russell Hillier

Alan R. Cunningham

Milton Kapstatter

Edwin G. Davenport

Two incumbents, Mrs. A. Russell Hillier and Alan Cunningham, and a Newark high school teacher, Milton Kapstatter, were elected Tuesday to fill the three full term places on the Springfield Board of Education.

It was a closely contested election with only a very few votes separating all four candidates. Mrs. Hillier led the ticket with 336, with Cunningham polling 317 votes and Kapstatter taking one of the places with 313. Mr. Oakman received 303 votes.

In the contest for the unexpired one year term, Edwin G. Davenport won over Raymond Baumrind, 288 to 240.

Only 562 voters were attracted to the polls on Tuesday which was very discouraging to those who had hoped for a better response. They pointed out that there are 5491 eligible voters in the Township and even the proposed expenditure of considerable money for school purposes was not enough to bring out more voters.

Tuesday's election showed a division of strength in the Township which will be studied carefully by those who find such figures interesting. Kapstatter picked up 250 votes in the Raymond Chisholm School voting machine which includes the No. 3 and 6 districts in Springfield. The Caldwell School machine found Mrs. Hillier, Cunningham, Oakman and Davenport running fairly even but the voters in Districts 1, 2, 4 and 5, practically ignored both Kapstatter and Baumrind. Mrs. Hillier and Cunningham received 184 votes in the (Continued on page 6)

## Nation-Wide Firm Takes Over Cannon Ball Inn

The Cannon Ball Inn, located on Morris Avenue, one of Springfield's landmarks and a famous restaurant for many years, has been taken over by business. Starting with March 1, this building will be the executive offices of the National Bonded Cars, Inc., a nation-wide organization.

The restaurant equipment had been taken out of the building several weeks ago and the property was up for sale or lease. This new organization plans no structural changes and will maintain the Colonial theme of the building as much as possible. Partitions for offices will be built in the dining room section of the building and the kitchen will be converted for use as executive and private offices.

The original building was constructed a great many years ago, according to Donald Palmer, one of Springfield's historians. The main dining room was added many years later but the residential portion of the inn has considerable historic value.

The new company plans to move its clerical and executive offices to Springfield and start operations here by March 1.

## Local Florence Nightingales Do Their Part At Overlook

"It is the soul of man that often needs healing as well as his wounds. There is so much to be done. So few to do it." So wrote England's first great nurse, the beloved and far-seeing heroine of the Crimean War, "The Lady of the Lamp," Florence Nightingale, in a letter to the British Foreign Ministry urging that more nurses must be trained.

In the past century since this wise woman wrote these immortal words, our country has seen many economic changes through an Industrial Age, and has passed through the vicissitudes of the birth of an Atomic Age; yet Florence Nightingale's words could never have meant more than they do today.

In an effort to interest more Regional High School girls in a nursing career by providing an opportunity for them to observe the broad field of service open to those who enter the profession, the Springfield Woman's Club is sponsoring the Junior Volunteer Nursing Corps at Overlook Hospital for its fourth year. Mrs. Robert (Continued on page 3)

### CD Test Set for Late February

"Operation Surprise," the first state-wide Civil Defense and Disaster Control test for 1956, will be held in the evening sometime during the last ten days in February.

There will be no public participation and no sirens will be sounded, Acting Director Thomas S. Dignan disclosed.

The exercise, designed to evaluate internal procedures, will specifically test the Attack Warning Communications System: to implement and test control center mastering plans at all levels; to activate and test the adequacies of control center staffs on short notice and to determine the efficiency of focal plans designed to alert key agencies and industries.

The alert will be touched off by the assumption that unidentified aircraft have been detected by remote control radar indicating that a definite strike appeared imminent.

All of New Jersey's 508 municipalities are expected to activate upon receiving the alert transmitted from the State Control Center at the State Police Headquarters in West Trenton. It is anticipated that the message would be received in every municipality within three minutes.

The New Jersey National Guard will participate in the operation by the utilization of communications personnel and equipment only. RACES, the Amateur Radio Operators, will be fully activated in this exercise and Dignan said the Ground Observer Corps also will take part.

### Jersey Central Output Report

Jersey Central Power & Light Company's electric output in 1955 increased about 10 per cent over the previous year, according to Clyde A. Mullen, vice-president in charge of operations.

Total electricity generated, purchased and interchanged last year was about 1.6 billion kilowatt-hours. In 1954, the total was 1.45 billion kwh.

In 1954, JCP&L had 204,816 customers, of which 178,531 were residential. The average annual use per residential customer in 1954 was 2490 kwh. Number of customers in 1955 rose to 216,370 of which 189,409 were residential. The average annual use per residential customer in 1955 was 2553 kwh.

The increasing number of customers served by the company and the greater use of electricity were also reflected in record breaking daily and hourly electric demand.

On December 21 and 22, 1955, the gross system output (electricity produced during a 24-hour period) reached a new high of 5,902,000 kwh. The highest one-day total in 1954 was 4,893,000 kwh.

A record one-hour peak load of 331,000 kw. was attained on December 21, 1955. For 1954, the record was 281,000 kw.

CATHOLIC INFORMATION

Let's pretend for a minute or so. It's cold and blow outside and you and I are lolling lazy-like in my cozy den. Your thoughts are on me, a dim, misshapen figure screwed up in my deep chair before the fire.

"Say, old chap, how can you be a subject of a foreign king, be a hundred per cent citizen of this country?"

"The Pope?" I ask. "He shouldn't bother you not a fellow with your strict conscience. Your conscience dictates your actions in religion and morals, but you do not find those dictates conflicting any with your duties as a citizen. It's the same with Catholics and the Pope. He dictates in civil matters to a few hundred people living on about 160 acres. He has nothing to do with civil affairs in America, Canada, England, or any other country. In spiritual matters he rules over 338,386,000 Catholics throughout the world somewhat as your conscience rules you, only his authority comes from God while yours comes from an innate sense of right and wrong."

"Humpf!" you exclaim. "Some sense to that; but tell me how long a soul must stay in Purgatory if his family has no money to bail him out? Why confess to a mere man when God's right at hand? Why ask favors of the Virgin and the Saints, when God hears your every word? How about these divorcees that you call annulments, and that terrible doctrine of celibacy?"

But here you stop. Perhaps you have gone too far. However, I am serene and unperturbed and you find my answers straightforward and really quite reasonable. So much so that you are glad to take home with you a few pamphlets on these and other subjects.

And now you have gone and I'll have to stop pretending. My deep regret is that I shall probably never experience any such fireside chat with you. But I am hoping that this little make-believe episode will arouse in you a desire to know the true Catholic answers to the questions I have made you ask here.

### Women's Club News

A hearty "Thank you" is extended to all members of the Ways and Means Committee headed by Mrs. Anthony J. Pilar, Jr., and special congratulations are in order for Mrs. Gustave Lueddeke, Dance Chairman, and Mrs. Daniel Donovan, her co-chairman, for the wonderful Mid-Winter Dance which was so much enjoyed by an overwhelming crowd last Friday evening at the Hotel Suburban, Summit. The dance measured up to all expectations at "The social event of the season."

Adding largely to the evening's success was the music of Bud Laird's orchestra. Elimination dances, a multiplication dance, and the "Hokey-Pokey" were inserted in the evening's program as novelty numbers which contributed to the fun. A high spot of the night was a "So You Want to Lead a Band" stunt, in which Mrs. Edward Reibold, Mrs. Frank Haydu, Jr., Mr. Roger Showell and Mr. Ralph Sayre participated. The orchestra rocked and rolled under the snappy batons of the aspiring contestants, and won for Mrs. Reibold and Mr. Sayre the titles of the Best Band Leaders.

To all who were responsible for such a pleasant evening, we again say "Thank you."

The February meeting of the Garden Department will be held at the Cannonball House on Monday evening, February 20 at 8:15 p.m. Mrs. Joseph Carriero, proprietor of the Millburn Florist, will give a lecture and demonstration on using "Fewer Flowers Offener." She will demonstrate arrangements for table centerpieces, mantel arrangements, and small displays for hall and console tables, all used in the gracious home of today. Mrs. Carriero will tell department members how to make

their floral arrangements a focal point in the room by use of the right types of flowers for the room as well as the location in the room to which it is suited. She has been lecturing on arrangements for the home and modern adaptations of flowers for the past ten years in northern New Jersey. Her program promises to be a most informative and enjoyable one, and any member of the Club who would like to learn about the art of flower arranging in invited to attend. Garden Department Chairman, Mrs. Edward J. Schubert, urges all members of her department to be present, as there are several important items on the agenda which are of concern to its entire membership. Mrs. Hilton Wood will act as hostess with Mrs. William Peacock and Mrs. Sommerer as co-hostess.

The Fine Arts Group of the Art Department will meet on Tuesday, February 21 at 8:00 p.m. at the home of Mrs. Russell D. Post, 115 Salford Street, in preparation for the forthcoming Spring Art Exhibit and Silver Tea, to be held Saturday and Sunday, March 3 and 4 at the Cannonball House.

The Public Welfare Department will meet at the Cannonball House on Tuesday, February 21 from 1:00 to 2:30 p.m. with Department Chairman Mrs. Rupert Humer as hostess.

Mrs. Merton D. Williams, By-Laws Committee Chairman, has scheduled the third meeting of her committee to take place this evening at her home. The object of this committee is to review the Club By-Laws and suggest revision where it is felt necessary. The chairman will read the suggested revisions at the March club meeting, and action on the revisions will be taken at the April club meeting. Members serving on Mrs. Williams' committee are Mrs. Henry Bouchard, Mrs. Eva Brown, Mrs. Robert D. Hardgrove, Jr., Mrs. William J. Melick, Edward A. Murdock, and Mrs.

Henry M. Wasung. A reminder to all club members from the Education Department: Do you remember the letter received from the Springfield Board of Education inviting interested members of the Springfield Women's Club to attend the regular monthly meetings of the Board of Education? Let you may have forgotten, the regular meeting is held in the Florence M. Gaudineer School Library each third Tuesday at 8:00 p.m. Why not plan now to attend the next meeting? It's THIS Tuesday, February 21. Can you spare a morning or an afternoon every other week? If you can, and you have the use of your car for that day, call Miss Helen C. Keyner, Director of the Springfield Free Public Library (DR 6-4284). She will explain how you can render invaluable and enjoyable service to your community by offering your leisure half-day. The library is currently planning to inaugurate a new service to our community, your support and assistance are needed to launch the new program and assure its success.

Have you made your reservations for the Fifth District Civics and Legislative Luncheon and Forum to be held on March 5 at the Baltusrol Golf Club? Reservations have been coming in fast from clubs in our district, and as only 125 reservations can be taken, the General Chairman of the event, Mrs. Kenneth Bandomer, suggests you contact her as soon as possible if you are interested in attending. (DR 9-460).

An enthusiastic group of twenty-four Drama Department members is diligently rehearsing three evenings a week to get the polishing touches on its "Husbands' Night" production of the biggest undertaking in the department's history. Under the direction of Mrs. Lee Andrews, Jr., this group is putting forth its very best effort to bring to you a completely different type of "Husbands' Night" performance—a three-act play which ran on Broadway for many years to the rave notices of the critics. Last year it was revived on a two-hour television spectacular with a brilliant cast headed by Paulette Goddard, Shelley Winters, Mary Boland, and many other well-known Hollywood stars. Do you remember it? We're speaking, of course, of Clare Boothe's "The Women," the delightful satirical comedy which nearly brought down the Ethel Barrymore Theater in New York with applause when the first closing curtain came down in December, 1936.

**DINNER-DANCE CHAIRMAN** — Mrs. Norman Lowenstein of Millburn is chairman of the dinner-dance to be held by the Springfield Chapter of O.R.T. at the Club Diana on Feb. 25. Tickets may be obtained from the chairman or the co-chairman, Mrs. S. Wolf, also of Millburn.

This is a performance which you and your husband will both understand and enjoy. We're hoping to see both of you in the audience at the March meeting at the James Caldwell School. Line up your baby sitters this week; the date is March 7.

The Springfield Woman's Club is glad to have lost a good friend and a loyal member in the passing of Miss Lydia E. Casselman who resided at 225-S Springfield Avenue. Miss Casselman was well-liked by all who knew her; she was an active member of the International Relations Department.

**17 New Members** (Continued from page 1) Monday's meeting for approval by the investigating committee. Secretary Blake also announced that at the next meeting a temporary chairman, secretary and treasurer will be elected. All interested citizens are urged to attend this meeting and become charter members of this new lodge dedicated to community welfare and good fellowship.

Until 1857 England had no divorce law. Up to that year civil law and canon law were in agreement on the indissolubility of marriage. A divorce required a special act of Parliament, and very few persons tackled such an expensive venture.

### Royals-Warriors in 1st Place Tie

The Royals and the Warriors are deadlocked for the lead in the Springfield Youth Basketball League with identical 4-2 records. The Warriors walloped the Royals last Tuesday evening at the Florence Gaudineer School gym, with "Luke" Lopanik and Norm Mueller sparking the second half drive to easily defeat the Royals. The first quarter was all even at eight points each, but the Royals pulled away to a 25-22 lead at the half with Gladstone and Rupp sparking the drive.

The Warriors came back strong in the third period with Mueller, Baker and Arnold spearheading the drive. In the final period Coach Donnington of the Royals conceded defeat with four minutes remaining by substituting his own first five with subs. The Royals lacked their usual drive and hustle, while the Warriors with Coach Sid Atkin again at the helm, came through with a good exhibition.

Last Thursday night the Globetrotters sparked by Bill Franklin, Wade Maxwell and Ted Hohn easily defeated the lack-luster Warriors. Big Luke Lopanik, Norm

### Urge Greater Interest in Youth's Activities Here

A call for greater interest in youth activities here was made in a letter which appears in this issue of the Springfield Sun.

The Springfield Sun would be very happy to devote space for necessary publicity and to cooperate where possible to help this work.

Following is Mr. C. L. Seltzer's interesting letter:

Editor, Sun:

Although the baseball season is still some distance in the future, the men who have become responsible for recreational baseball in Springfield called two meetings recently for organizational purposes.

One was a meeting for those interested in the Youth League; the other was for those interested in the Babe Ruth League.

A magnificent total of some 20 people attended these meetings, which dealt with matters that will involve, in a few months, a portion of the welfare and happiness of approximately three hundred Springfield boys.

I confess to more than a modicum of indignation. The conclusion is inescapable that parents are taking less than a minimal interest in the activities of their children. The basis of American democratic civilization is still the family, as it proclaimedly should be. Yet, parents are content to allow others to shoulder responsibilities that properly should not be delegated to others.

Important as is the task and philosophy of Ed Ruby and his volunteer workers—and both the task and philosophy are admirable—the best cannot be achieved without the whole-hearted support and help of the families of the boys who are served. It is insufficient for parents to put their trust in these men, no matter how well qualified, and to regard them as unglorified baby-sitters. For the sake of the boys and the men they will one-day be, for the sake of Springfield, fathers must awake to the importance of the work and must be persuaded to help.

How can the fathers be brought to this state of awareness? It appears that here the Sun can be useful by publishing articles on the nature of the League.

It would be selfish to insist that only baseball be publicized. An entire series of articles could be written in order to familiarize the town with other activities; the work, philosophy, ideals, aims, and mechanics of the Recreation Commission, service clubs, volunteer organizations, Boy Scouts, and similar groups should be publicized, and would prove of real interest and value to our citizens. More, such articles might create in the hearts of many a true desire to serve.

A few people working together, working together create a community. Yours, very truly, C. L. SELTZER, 32 Sherwood Road

No man likes to be told that he is bad or wrong. So, when the Bible says, "Look unto Me, and be ye saved, all the ends of the earth; for I am God, and there is none else." (Isaiah 45:22), men object to the inference.

The Bible boldly declares "All have sinned—there is none that doeth good—there is none righteous, no not one." All need salvation from sin and its penalty. God made provision for this through the sacrificial atonement accomplished by Jesus Christ on the Cross of Calvary. "Believe on the Lord Jesus Christ and thou shalt be saved." (Acts 16:31)

ton Freitag, an attorney from Millburn, who sat in court to hear this matter.

Speeding on Morris Avenue is endangering the lives and property of Springfield's citizens and the local police department intends to enforce the laws against reckless drivers.

The off-street parking ordinance is a good regulation only if it is enforced throughout the Township. However, there are some glaring instances of "cutting corners" that need the attention of the officials.

This closer adherence to the off-street parking law is especially important with the many new building projects starting in Springfield. Whoever says the "okay" on the off-street parking area for the four story apartment house at the corner of Morris and Marion Avenue must have used higher mathematics to approve that building. There are several other incidents in the Township where the off-street parking regulation was not altogether in compliance with the ordinance. Mountain Avenue, especially, has some examples of giving the law a "close crew cut."

Cub Pack 72 had its annual "Blue and Gold" dinner on Thursday, Feb. 9th at the Presbyterian Parish House, which turned out to be a great success with about 70 attending including cubs and their families.

Each den made their table settings and centerpieces—all were done up very nicely.

Entertainment was also on the successful side with a quartet consisting of Mr. J. Longfield, Mr. Dammig, Mr. Graberz, Mr. Bishop, and Mr. Castelman at the piano, all Lions. The fathers of Den 6 put on a hilarious skit, enjoyed by all, which kept things on the bright side.

Guest of the evening included the Pack's "Lion" representative, Mr. David Brobst and Mrs. Brobst, District Scout Commissioner Mr. John Schwannhasser and Mrs. Schwannhasser, Reverend Bruce Evans of the Presbyterian Church, who opened with a prayer of thanksgiving.

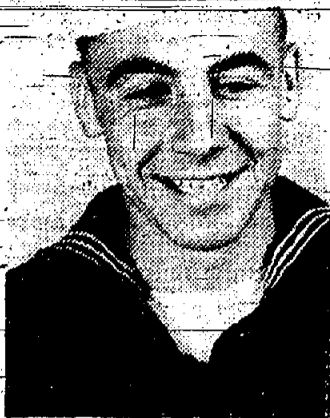

Mr. E. Baumer, cubmaster, introduced Mrs. Gertrude Hanson as the new den mother of Den 3 and Mrs. Elsie Roller as her assistant. New cubs welcomed into the Pack for Den 3 are Harold Hansen Jr., James E. Bellivan and Kerry Tompkins.

Mr. F. DiBlase, advancement chairman, made awards to the following: CUBS: Den 1—David Ronco and John Janukowitz, Gold and Silver Arrow on Wolf Badge; Ernest Erskine, Wolf Badge plus Gold and Silver Arrows. Den 2—Bill Heady, Bear Badge, Robert Wuerz, Silver Arrow on Wolf Badge. Den 5—Douglas DiBlase, Gold Arrow on Wolf Badge. Den 6—Frank Stevens, Frank Kerr and John Cadmus, Wolf Badge plus Gold and Silver Arrows, David Roberts, Wolf Badge. Den 8—Ric Multhaup, Silver Arrow on Wolf Badge, Robert Nuttall, Wolf Badge plus Gold and Silver Arrows.

Jack Moore of Den 1 received his Webelos Badge which is the highest award in Scouting. He was welcomed into a Scout Troop by Scoutmaster Robert Isley. Another highlight of the evening was the presenting of a gift by Chairman John Billings to Mrs. Gladys Bowman for long and faithful service to Pack 172. Everyone has appreciated the time and energy she has put into the Pack as former secretary and handicraft instructor.

Mr. Jay Longfield led in community singing with the assistance of Miss Marsha Wilson at the piano.

Cub Scouts of Pack 171 celebrated Boy Scout Week with a bang as Pack Committee Chairman,

**ENDS BASIC**—J. Storch, son of Mr. and Mrs. George Storch of 25 Denham Road recently finished boot training with the U. S. Navy at Bainbridge, Maryland. Prior to entering the service last November, Storch attended Fairleigh Dickinson College.

John Niesz, presented 94 individual awards at the February 10th Pack meeting! Cubmaster Anthony Verlangieri, who last month had urged the boys to "work hard", expressed his appreciation of the tremendous job the Cubs had done in winning these awards. The highlight of the award presentation was the impressive "Four Winds" ceremony, during which Barry Hollander of Den 9 received the coveted Webelos badge—the highest award in Cubbing. David Bonislowski, Robert Lueddeke, Robert Seltzer and Alan Yalonski as the four winds and Arthur Mutchler as the flag bearer (flanked by Boy Scouts Mark Biddleman and Jay Warman) joined Cubmaster Verlangieri in the candlelight ceremony. Mrs. Hollander received an American Beauty rose from her son in appreciation of her cooperation during his years as a Cub Scout.

The opening ceremony was led by Den 14. Again Pack 171 had a perfect attendance record! For the monthly "theme", the Cubs created projects based on one of the four main February celebration days. Among the ingenious displays were replicas of Lincoln's stovepipe hat, Washington's famous cherry tree, Edison's first light bulb and Cupid's best Valentine. Each den received a ribbon for "theme of the month" completion. Cubmaster Verlangieri welcomed one new Cub Scout, Peter Stamelman, in the traditional induction ceremony. A round of exciting dodge ball was enjoyed by all of the Cubs.

Pack Committee Chairman John Niesz presented the following awards: Den 1—Steve Freeman, 2 silver arrows on Wolf; David Gershen, gold arrow on Wolf; Richard Kisch, gold and one silver arrow on Wolf; Donald Lewis, Wolf badge and gold and one silver arrow; Eddie Sikorski, silver arrow on Wolf. Den 2—Frank Haydu and Kenny Max, Wolf badge and gold arrow; Keith Nei-

gel, silver arrow on Wolf badge. Den 3—Fred Brown and Jimmy Mullin, Bear badge; Tommy Niesz, gold and one silver arrow on Bear badge. Den 4—Richard Humphrey, Bear badge, gold and two silver arrows; Doug Kappstatter, gold and two silver arrows on Bear; Bruce Ledig, Bear badge, gold and one silver arrow;

Bobby Miller, Bear badge, gold arrow. Den 5—Bruce Brown, gold and two silver arrows on Wolf; Philip DeVecchio, two silver arrows on Wolf; Bobby Potter, silver arrow on Wolf; Bear badge, gold arrow on Bear; Anthony Verlangieri, Lion, gold and one silver arrow. Den 6—Peter Creede, Bear, gold

The Bulldogs defeated a Scotch Plains five 65-57, to bring last seasons defeat and bring their record to a neat 15-2. The 15-2 mark ties the 1953 squad who boasted the best record in the schools history.

The seedings for the Union County Basketball Championships are in and Springfield sporting a 15-2 record find themselves the number one team.

Other seeded squads are St. Mary's, Cranford (14-3), Scotch Plains (13-3), Plainfield (10-6), Sacred Heart (12-3), Union (8-6) and the defending champions Jefferson (8-9).

Coach DeRosa and his boys will be trying to overcome a jinx by being the first number one seeded team to take the Tournament. This feat hasn't been done since 1951 when St. Mary's turned the trick.

The first round pairings: Thursday night: Sacred Heart of Elizabeth vs. Rahway; Cranford vs. Roselle Park.

Friday night: Plainfield vs. Rodgers-Jefferson vs. St. Patrick's of Elizabeth.

Saturday: Union vs. Edison of Elizabeth; Regional vs. Pingry; Scotch Plains vs. Linden; St. Mary's vs. Westfield.

All games will be played at the Elizabeth Armory. The quarter finals are scheduled for Feb. 20 and 21st. The semi-finals for Feb. 24th and the championship game for Feb. 25th.

We wish the Bulldogs the best of luck in their quest of the county championships.

Springfield Market Still In 1st Despite Two Game Loss

The Community Shoppe, by virtue of a 2 of 3 game victory over the first-place Springfield Market, narrowed the Marketers lead to a mere one game in the local bowling league.

Meanwhile, The American Legion enjoyed a good night with a 3-game sweep over Frank's Auto Service and stayed on the heels of the leaders.

D'Andrea Driveways, the fourth place club took the odd game from H. C. Anderson & Son; Suburban Liquors did the same to Clare Mould; Mende's Florist swept three games from Cuzzolino Furs and Bunnell Brothers took two from Parkview Garage.

R. Jones of D'Andrea Driveways was high man for the night with a 214. Meisick of Mende's had two good games of 206 and 205 and Battalio of the Legion bowled a 202.

Large Crowds See Basketball Pro

A large turnout of basketball players in the Springfield Small-Fry Basketball League as well as parents and adults heard Bunny Levitt stress good sound basketball last Saturday morning at the Florence Gaudineer School.

The Clinic lasted one hour, with a foul shooting contest for boys nine through twelve concluding the two hour program.

New sneakers and trophies were awarded to the best foul shooters, through the courtesy of Solomon's Sport Shop and Colantone's Shoe Store. Jerry Colantone will make the presentation at next Thursday's Youth Basketball scheduled game at the Florence Gaudineer School.

Small Fry Play To Resume Saturday

The Small Fry Basketball League will start their second half schedule this Saturday morning at the Florence Gaudineer School gym. The Celtics won the first half, nosing out the Bullets

HAVE ANY GUNS???

The Junior Rifle Club, which specializes in giving instruction to youngsters in the proper use of firearms, asks residents to turn over any guns and ammunition to help aid this group.

by a single game margin.

This Saturday morning the Small-Fry will resume play with several player changes made on several clubs. Teams who lack scoring punch will be assigned a player or two in an effort to correct this shortcoming.

The team that wins the second half race will play the first half winner, the Celtics in a Championship final—with the hope that this game will be played on the new Walton gymnasium.

Six teams are in the Small-Fry Basketball League, playing each member once in each round. A ten game schedule is in operation, with five games in each half. Should the same team win each half, they would be declared the winner. Should any team other than the Celtics win the second half race, they would face the first half winner the Celtics in the Championship final.
