TOWNSHIP OF SPRINGFIELD
OFFICIAL NEWSPAPER

10¢ A COPY, \$3.50 BY THE YEAR

THIS WEEK

One of the paragraphs in a story on last Tuesday's Board of Education election which appeared in the Elizabeth Journal, February 15, reads as follows:

"Mr. Kapstatter's big lead in the Chisholm district indicated he received a number of bullet ballots, election officials said."

Of course, "election officials" are not always qualified to make statements analyzing the balloting, especially with the apparent accusation that some group was guilty of "bullet voting." This form of concentrating on one or two candidates is nothing new to the experienced political campaigners, even in Springfield, and is generally accepted when the result comes close to being an upset.

Just as this "election official" said, Mr. Kapstatter's big lead in Chisholm does not mean anything. It only does this same political expert explain that Mrs. Hillier and Alan R. Cunningham received 184 votes in the Caldwell School districts while Kapstatter was able to get only 83. Dr. Raymond Baumrind received only 46 votes in the Caldwell School while other candidates were given a total of from 173 to the high of 184.

While on the subject of the School Board elections of last week and the fact that the total number of ballots cast here was 562, a look at figures in other nearby municipalities is very interesting but it explains nothing.

For instance the total number of Millburn qualified voters who came to the school board elections a week ago Tuesday was 385. Union, with no contest, reported the same as Springfield—532. South Orange, Maplewood attracted less than 150 voters, according to the Newark News story and the high man in Westfield polled 456.

West Orange had an interesting school budget battle but, the News story said "less than 700 ballots were cast on a proposed expenditure of \$2,202,328."

Mountainside hit its highest number of voters—417; Cranford's total was 832, Kenilworth 720, Roselle Park's high vote getter received 682 and Garwood reported 537 out of a total-qualified list of over 2600.

All of Springfield is wishing for a quick recovery for Rev. Aloysius S. Carney, pastor of St. (Continued on page 7)

Drunken Driving Charge Dropped

Willard A. Lohr, 38, of Rumson, and said to be an official of an oil company, was found not guilty by Magistrate Henry C. McMullen on a charge of drunken driving at the regular session of Municipal Court Monday night.

According to the report by Springfield police Lohr was arrested on Morris avenue January 27 by Lieut. Otto Sturm and Patrolman Earl Hendrickson. Lieut. Sturm, who has been on the police force for eighteen years, is reported as having taken Lohr to headquarters to have him examined and the doctor's report indicated that the driver of the car "was under the influence of intoxicants." Lohr, according to local police officials, "was detained at police headquarters over night."

Mr. Lohr appeared before Magistrate McMullen Monday evening. Town Attorney Max Sherman represented the police officers and the Township while Howard F. Casselman, local attorney, appeared for the accused car driver.

ARRIVES IN KOREA—Pvt. Clifford Cameron has arrived in Pusan, Korea for duty with the U.S. Army. Pvt. Cameron, who was inducted last July, is the son of Mr. and Mrs. Bruce A. Cameron of 15 Fowler Drive. He is a graduate of Seton Hall Prep and Fordham University.

RECEIVE GIFT—Local members of the V.F.W. Auxiliary were honored at Tuesday night's meeting when they were presented with a flag from their sister V.F.W. Auxiliary in Elizabeth. Shown from left to right are Mrs. George Briggs, Patriotic Instructor of the Springfield Auxiliary; Mrs. Edward Cardinal, president of the Springfield group; Miss Dorothy Becker, Patriotic Instructor of the Retsytown Elizabeth Chapter of V.F.W. Auxiliary Post-1862 and Mrs. Robert Rafferty, President of the Elizabeth Post. (Photo by Bob Jones.)

Mayor's Complaint Brings \$200,000 Power Plant Here

Mayor Albert G. Binder has been given quick action and assurances that Springfield will not be subjected to the power failures experienced this past December.

Several months ago Mayor Binder addressed a letter to the Jersey Central Power & Light Co. offices in Morristown, pointing out the inconvenience caused by "three power failures in five days."

A carbon copy of the Mayor's letter was sent to the Public Utilities Commission and a series of conferences with the Jersey Central Power executives resulted in the announcement that a new substation is being built on Waverly avenue in Springfield which should eliminate any further power failures and "result in better continuity of service throughout the township."

The Jersey Central Power and Light officials cooperated with Mayor Binder in making a thorough study of the supply of power in Springfield and the needs in the rapidly growing community.

Asked for Action
Following is Mayor Binder's letter, dated December 22, 1955, addressed to the Jersey Central offices in Morristown with a carbon copy mailed to the Public

Registered To Vote?

The Township Clerk has announced that anyone interested in voting in the April primaries who has not as yet registered, may register on March 5, 6, 7 and 8 at the clerk's office from 9 a.m. to 9 p.m.

Naturalized citizens must bring in their naturalization papers in order to qualify for registration!

Boy Scout Workers Meet This Evening

"Bill" Jensen, one of Boy Scouts big boosters, announces that the working committees of the current drive for funds will hold a Dutch Treat Supper at the Orchard Inn, Route 22, this evening to receive reports and make plans to "pick up loose ends" in the present campaign.

Harry Bishoff, general chairman of the arrangements for this evening's supper meeting, hope to wind-up the campaign in the next week or two.

Membership Applications Invited by Local Elks

Approximately 60 members and prospective members attended the weekly meeting of the recently organized Springfield Lodge of Elks held at Walter's Inn Monday night and another good batch of new applications will be received at next Monday night's session.

Ernest W. Nagel, well known local business man, has accepted the chairmanship of the publicity committee for the local lodge, and his release this week invites all residents of Springfield to make formal application for membership.

"The membership in the local Elks," said Ernie, "includes many leading citizens of Springfield and we welcome all those who want to join in a fraternal organization that is nation-wide and teaches its members—of different political faiths—the value of American citizenship and love of the Stars and Stripes. If any one would like to become a charter member of the local lodge, please telephone me at DRexel 6-1926 or any member of the committee. The applications are ready." School Board Committees For '56 Named

Robert Smith was re-elected president of the Springfield Board of Education at its reorganization meeting held Monday night in the

Florence M. Gaudineer School, and Howard Smith was again given the post of vice president. Both selections were unanimous.

Millon Kapstatter, newly elected member of the School Board for the full three year term, and Edwin G. Davenport who won in the contest for the unexpired one year term, were installed at Monday night's meeting. Mrs. A. Russell Hillier and Alan R. Cunningham, re-elected last week were also seated.

The following committees were announced by Board President Smith at Tuesday's regular meeting:

Buildings and Grounds, Howard Smith, chairman; Haas, Gibbins and Davenport.

School Government, Cunningham, chairman; Haas, Hillier and Skousen.

Finance, Gibbins, chairman; Haas, Skousen and H. Smith.

Supplies, Mrs. Hillier, chairman; Cunningham and Kapstatter.

Luncheon, Skousen, chairman; H. Smith and Kapstatter.

Public Relations, Mrs. Hillier, chairman; Skousen and Davenport.

Representatives to the State and County School Boards, Mrs. Hillier with Mr. Davenport as alternate.

School Expansion, Haas, chairman; Skousen and Gibbins.

Civic groups and residents are invited to attend a meeting next Tuesday evening at the Gaudineer School to discuss various points of the proposed expansion program.

A referendum on the expansion will be submitted to the voters on April 12.

Local Man is Elected to Post at Pru

Julius J. Vogel, 18 South Derby road, has been elected assistant secretary, the Prudential Insurance Co. has announced. He was associate actuarial director in the actuarial and new business department.

A native of New York City, Mr. Vogel graduated from Brooklyn College and did graduate work in mathematics at Johns Hopkins University in Baltimore. After two years service in the army, he joined the home office of the Newark Insurance Company and in 1954 was promoted to associate actuarial director.

Mr. Vogel is a fellow of the Society of Actuaries and chairman of its preliminary examination committee. He is married, and has two children, Robert, 3, and Charles Donald, 1. The Vogels have lived in Springfield since 1954.

James J. Olsen is promoted by Pru

James J. Olsen, of 144 Pitt road, Springfield, has been promoted by the Prudential Insurance Co. to associate actuarial director in the company's sickness and accident department.

Mr. Olsen joined Prudential in 1934, soon after graduation from Abraham Clark High School in Roselle. He is a native of Elizabeth.

This Springfield man was a staff sergeant in the Army during World War II. He is married and has three daughters—Candace, six; Nancy, four, and Linda, aged two.

ONE GOOD TURN DESERVES—Trophies and gifts were exchanged recently between the members of the P.B.A. softball team and its sponsor, the P.B.A. after the team won the playoff title in the local softball league. Shown in the foreground accepting the trophy for the P.B.A. is president John West.

Binder and Donnelly To Seek Re-election

Mayor Albert G. Binder and Township Committeeman Eugene F. Donnelly "have thrown their hats in the ring" and yesterday announced that they would be candidates for re-election to Springfield's governing body. Petitions for both have been in circulation for some time and will be filed within a day or two.

The official "kickoff" came yesterday morning at a breakfast held in Orchard Inn with leaders of the Springfield Republican organization attending.

The last day for filing petitions this year is March 8 at midnight—but there is no indication at the present time that there will be any primary contest.

Mayor Binder and Committeeman Donnelly went through a very bitter primary on April 23, 1953, when former Mayor Robert W. Marshall sought a place on the Republican ticket. Binder was high in that election with 959 votes and Donnelly beat out Marshall for the other place on the ballot, 903 to 857.

Binder and Donnelly then had to go through another battle in (Continued on page 7)

90 Seconds Is Longest Wait For Traffic Light Change

Though the croupier's stick, the dice and the roulette wheel are illegal in this state, much excitement along betting lines seems to be generating regarding the traffic lights in Springfield.

For many months—perhaps many years, residents have been begging for traffic lights in different strategic areas in town as a protection for school children and pedestrians. Now that this has been accomplished in most of the trouble spots in town, some townspeople are objecting to the time it takes for the light to change—which brings us to the point of the story. Some of these impatient citizens have been willing to bet that they have "waited anywhere from 5 to 10 minutes waiting for the lights to change."

A report from Albert A. Sorge, Police Chief of Springfield, shows that at the Short Hills Avenue, Saller Street and Battle Hill lights, the moment a car hits the tripper, the longest time it takes for the light to turn green is 90 seconds.

The Mountain Avenue-Shunpike Road intersection light works 45 seconds green on Mountain and 30 seconds green on Shunpike Road.

Most of the main arteries work either under what is termed the "120 cycle" or the "90 cycle," depending on time of day and traffic conditions. However, the longest wait for a light change is still only 87 seconds at the Morris-Meisel-Springfield Avenue intersection.

Chief Sorge stated that "the timing of the lights was set by state traffic surveys and that certainly the time spent (all 90 seconds of it) waiting for a light to change is not intended primarily to aggravate the impatient driver, but to try to assure a steadier, even flow of traffic and act as a safety measure."

INTERESTED IN SCOUTS??
Springfield Boy Scouts No. 66, sponsored by the Methodist Church of Springfield would like to obtain the services of some interested citizen to be Scoutmaster for the No. 66 Troop.

If anyone is interested, they are requested to get in touch with Rev. Marvin W. Green at the Methodist Church.

Full Approval Looked for in Saks' Proposal

Several conferences held recently between Township officials and the top-drawer executives of Saks Fifth Avenue have practically ironed out most of the kinks in the proposal to bring a branch of this New York City retail establishment to Springfield.

The Saks Fifth Avenue organization plans to construct a most elaborate retail store on what is known as the Anderson property in the Township. It borders Millburn and has frontage on Millburn avenue, and all of the approximately nine acres to be used for the building are in Springfield.

Property owners in the immediate vicinity have been cooperating with the Township officials in paying the way for necessary changes in the current zoning laws that will include all of the land needed for construction and operation of the store.

All of the property now fronting on Millburn avenue is already zoned for business and application is being made by the owners of the land to have all of the tract changed to business. The application for this change is expected to be made to the Board of Adjustment at a meeting to be held in the Municipal Building March 8.

According to unofficial reports of the conferences held, the only difference of opinion at the present time is the depth of a buffer zone and the location of a fence to separate the large parking area from the residences in the (Continued on page 7)

Set Dates for Red Cross Drive Here

The annual Red Cross drive for funds will be held in Springfield March 16, 17 and 18. These dates were selected at a meeting of the Springfield chapter held Monday night.

Township Committeeman Eugene F. Donnelly will be the general chairman of the Red Cross drive with Henry Grabar in charge of the industrial division, Elliott Lichtenstein taking care of the business solicitation and Robert Bunnell to serve as treasurer.

Other chairman and committee workers will be announced very shortly.

Well Known Artist to Judge Woman's Club Art Exhibit

Residents of Springfield and surrounding communities have an unusual treat in store for them this coming week-end. The famous old Historic Cannonball House, located at 126 Morris Avenue, Springfield, well known throughout the State of New Jersey for its significance during the Revolutionary War, will be open to the public to display local artistic talents at an Art Exhibit sponsored by the Art Department of the Springfield Woman's Club on Saturday, March 2, and Sunday, March 5, from 2:00 to 6:00 p.m.

Among those exhibiting paintings are Mrs. A. Pancani Jr., Mrs. Walter Tietze, Mrs. C. Leslie Williams, Miss Gertrude Sala, Mrs. Glenn Oylar, and Mrs. Joseph Zidonik. Immediately prior to the opening of the exhibit on Saturday the paintings will be judged by Mrs. Cornelius A. Lowe of North Branch, New Jersey, Fifth District Art Chairman, State Federation of Women's Clubs, and Dr. Boylan Fitz-Gerald, artist and teacher of landscape painting, of South Orange. Paintings to be awarded first, second and third places in the judging will represent the Springfield Woman's Club at the Art Symposium at Douglass College on April 21.

As an added highlight of the afternoon on the opening day of the exhibit only, Dr. Fitz-Gerald will give a demonstration of oil painting at 2:30 p.m. Dr. Fitz-Gerald, who has exhibited widely in Metropolitan New Jersey and New York, is contributing editor of "The Artist" magazine, and is National President of the American Artists Professional League. He is a member of the Exhibition Committee of the National Arts Club. Dr. Fitz-Gerald has taught at the Newark News Craft Center, at the Art Centre of the Oranges where he maintains his studio. Magazine articles, radio, and TV appearances, demonstrations, and art jury duties are among his other activities. In 1953 he was Winner of First Prize in the Salmagundi Water Color Exhibition. A winner of 48 Colfax Road.

of many other awards, Dr. Boylan Fitz-Gerald, a doctor of philosophy, is pastor of the South Orange Methodist Church.

Immediately following the oil painting demonstration on the opening day of the exhibit, a Silver Tea will be held.

Proceeds of the two-day exhibit will go into the Art Fund of the Springfield Woman's Club, to be used in purchasing additional supplies and materials for the Art Department to carry on its work.

Members of the committee arranging the county-wide event are Mrs. Joseph Zidonik, Art Department Chairman, Mrs. A. Pancani Jr., Mrs. Walter Tietze, Mrs. Merion D. Williams, Mrs. Frank Johnson, Mrs. Fred Spangler, Mrs. Russell Post, Mrs. Adolf Sisum, and Mrs. Daniel Donovan.

In Concert

Local boys attending Pingry School, Elizabeth were part of a Glee club concert given on February 18. Those from town included: James and John Allen of 150 Balmisrool Avenue, Robert Jewett of 85 Forest Drive and Ian Struthers of 48 Colfax Road.

Springfield residents.

Gaiety prevailed at the Nevele Country Club last weekend after five of our Springfield couples arrived. They were Mr. and Mrs. Ben Sussman, Mr. and Mrs. Milton Kappstatter, Mr. and Mrs. Dave Kaplan, Mr. and Mrs. Mort Weiss, and Mr. and Mrs. E. Weiniger. They were accompanied by a 6th couple, Mr. and Mrs. Bill Lax of Millburn.

Recently moved here from Kenilworth are Mr. and Mrs. William Grush of 64-C Linden ave. and their daughter Rita. Their son William is a Roselle resident. Mr. Grush manages National Appliance in Union.

Kearny is the former residence of Mr. and Mrs. Raymond Benedetto of 56 Pitt road. Both Mr. and Mrs. Benedetto are musicians. Mr. Benedetto is the director of the educational division of Dorn and Kirschner, Newark.

Congratulations to Mr. and Mrs. Andrew Pyar, Jr. of 39 Meisel ave. on the birth of their son. John Drew was born at Overlook Hospital on February 6th weighing 8 lbs. 4 oz. Mrs. Pyar is the former Olga Kostolny of Newark.

NEWS**

The meeting of the Springfield Parent-Teacher Association which will be held on Monday evening, February 27th at 8:15 p. m. in the Florence Gaudineer School, will celebrate the founding of the National Congress of Parents and Teachers 59 years ago, and the founding of the Springfield PTA 26 years ago. We will pay tribute to the National founders, two women of far-reaching vision, Alice McLellan Birney and Phoebe Apperson Hearst, who dared to insist that the future of our nation must depend upon the well-being of the children. They also realized that the education of children must be carried on through an active and sympathetic partnership between home and school, parent and teacher. The Springfield PTA will send a gift to the

Founders Day Fund. This Birthday offering is set aside for extension work, and is used for the following activities: Field Service, Organization of local units, training of leaders, contacts with educational groups, and contacts within the organization that will further the aims and purposes of the National Congress of Parents and Teachers. Mr. Dave Hyatt, who is affiliated with the National Conference of Christians and Jews, will speak on "Brotherhood in the Community." There will be a film "The House I Live In" starring Frank Sinatra. Refreshments will be served following the meeting.

The fourth orchestral concert for Young People at the Mosque in Newark, will be on Saturday, February 25th. The bus will leave from the Florence Gaudineer School at 10 a. m. On the program will be "Till Eulenspiegel" by Richard Strauss. The popular musical cartoonist, Lisl Weil will perform. Also, an exciting new work about a contest of all the

animals to see which can make the most perfect sounds, entitled "The Greatest Sound on Earth" will have its world premiere.

IMPORTANT: Members of the Springfield Parent-Teacher Association will VOTE on the question: Shall the PTA continue as one organization for the entire school system, or shall the PTA be organized with one PTA for each school? The results of the vote of the members present at the next regular meeting on February 27th, will determine the future of the Association. BE SURE TO ATTEND, and URGE your NEIGHBOR MEMBERS TO ATTEND!

Women's Club News

Have you made your reservations for the Fifth District Legislative Forum and Luncheon to be held Tuesday, March 6 at 12:30 p.m.? Only 125 reservations can be accepted, and if you hurry you may still be able to attend. Senator Malcolm Forbes and Assemblywoman Florence P. Dwyer will be the guest speakers, and will discuss the legislative picture from both State and County points of view. Call Mrs. Kenneth Ban-

domer, General Chairman of the event (DR 6-4460) or Mrs. Russell Post (DR 6-0214) who is in charge of tickets and reservations, and put in your order today. Luncheon-Forum tickets are \$2.25 each and there are only a few left.

Circle Saturday, March 3 on your calendar, for on that day the historic old Cannonball House on 128 Morris Avenue will be open to the public to display local artistic talents at an Art Exhibit sponsored by the Art Department. The Exhibit will also continue through Sunday, March 4; however, on the first day of the Exhibit Dr. Boylan Fitz-Gerald, well known artist, teacher, lecturer and author, will give a demonstration of oil painting, which should be of interest to all residents of Springfield, whether they paint or not. Following the demonstration, a Silver Tea will be held. Proceeds of the two-day exhibit will go to the Art Fund of the Club.

This department deserves the support of all club members, so do your part. Invite your friends and neighbors to join you in attending, March 3 and 4, 2:00 to 6:00 p.m. Further details are pub-

lished elsewhere in this issue of the Sun.

Music Department members will meet on Tuesday evening, February 23, at 8:00 p.m. at the Cannonball House, where rehearsals are underway for a few selections to be rendered at Club Night in the late spring. Mrs. Charles J. Frey is hostess and Mrs. John Kennedy and Mrs. John G. Williams are co-hostesses.

The Executive Board will meet on Wednesday, February 23 at 8:15 p.m. at the Cannonball House. Mrs. Vincent J. Bonadies is hostess, and Mrs. Henry Bulman and Mrs. Merton D. Williams will serve as co-hostesses.

The Nominating Committee has met several times during recent weeks in an effort to complete a proposed slate of officers and chairmen for the coming year.

In an effort to bring you their very best effort to produce a completely new and different type of show for "Husband's Night," the members of the Drama Department have been diligently rehearsing three evenings a week. "The Women," a three-act play described in further detail in next week's issue of The Springfield Sun, is a delightful comedy you and your husband will truly enjoy.

Get your baby-sitters lined up now, and plan to be in the audience with your husband on Wednesday evening, March 7. You're in for a real treat!

recognize GLASS or HATS, please call Club President, Mrs. Edwin G. Davenport (Drexel 6-1476) for further details of the workshop series and exhibits.

Annual Club Day at Hahn & Co., Newark. Registration begins at 9:45 a.m. and continues until 2:00 p.m. Three fashion shows will be presented at various intervals during the day. The "Prelude to Spring" will be shown at 10:30 a.m., 12:00 noon, and at 2:30 p.m. All members who can find it possible to attend are urged to do so; please call Mrs. Davenport and tell her to "count you in!"

HELP FIGHT Multiple Sclerosis

The cause and cure for multiple sclerosis are locked in mystery. But the National Multiple Sclerosis Society is hopeful that the mystery will be solved. That is why this fund-raising campaign is named MS Hope Chest.

It takes money to finance research, to bring aid to patients, to service clinics, to prepare and distribute educational material. Will you help to fight Multiple Sclerosis, the crippling disease that affects so many young adults?

Give and you help to unlock the mystery

A HOUSEFUL OF SERVANTS FOR LESS THAN 25c A DAY*

They're electric servants, of course. Total wages—less than the cost of a single pack of cigarettes a day, paid monthly on the family electric bill.

Average family use of electricity has more than doubled in the last 10 years—so the monthly bill is higher. But the average price of electricity is lower—so the bill hasn't gone up in the same proportion as the use of electricity.

It's a fact: The monthly bill, based on average usage, has gone up only about one-third as much as the increased use of electricity in the last ten years. That's because the average rate per kilowatt hour goes down with increased usage. Another reason—electricity is one of the few things you can still buy at less than pre-war prices.

When you stop and think of all the things electricity does—don't you agree it's about the biggest bargain today?

You can live better electrically.

*Based on average family use of electricity in JCP&L service area.

Your Library

"We, too, shall gladly serve." Last week, the library column carried word that the Free Public Library of Springfield was starting a new service and would be open on the two holidays this month, Lincoln's Birthday and

Washington's Birthday. It seems fitting when speaking of service to honor those who serve. It may not be known to citizens who recently moved to Springfield that they owe their library to a group of energetic, far-seeing, and public-spirited women. This group in 1933 collected books and volunteered to

care for them without any compensation. During the years, individuals in this group have changed from time to time, but the spirit of unselfish service has been carried on, so that today there is a large group of volunteer librarians who work along with the paid employees. The fact that both

groups cooperate and work in perfect harmony shows the fine spirit which inspires these women. Most of them serve either for one afternoon, one morning, or one evening a week, although a few can come only once in two weeks. These have been paired so that they work on alternate

weeks. Now that the circulation in the Springfield Library is increasing so rapidly, more women are joining the group and two are working together. The names which follow record those who have given generously of their time since January 1, 1955. Mesdames M. R. Adell, D. E.

Baker, C. F. Beardley, D. Blaine Jr., H. Bouchard, H. R. Day, P. B. Dennis, J. M. Duguid, W. J. Dwyer, S. Ellowitch, A. E. Ferguson, C. R. Gibbins, E. E. Hall, W. A. Hohn, J. C. Joas, J. P. Laico, C. P. Martin, J. W. Percival, J. T. Porter, H. Sautter, W. Schmitt, F. A. Schumacher, R. Smith, J. E. Sneed, Jr. E. E.

Troop 70, Springfield, held a Court of Honor-Parents' night last

Thursday, Feb. 16, at which time the 1956 charter was presented to the unit. John Schwannhauser, neighborhood commissioner, made the presentation to Harold Bishop, representing the Presbyterian Church, the troop's sponsor.

At the Court of Honor which followed, six tenderfoot Scouts were inducted: Dwight Hummel, Robert Hartz, Thomas McCracken, Jack Moore, Dieter Regal and Skippy Williams.

Second Class badges were awarded

to Edwin Schnell, Kenneth Ryder and William Geoghegan after which First Class awards went to the following: Eugene Becker, Gary Bies, Ronald Himer, Howard Selander, Robert Smith, Philip Rittersbacher and Curtis Roth.

Star Scout badges were awarded to Scouts Donald Gibbins and Charles Knowles.

Merit Badges for various achievements were given to Gary Bies, Mike Besch, Donald Gibbins,

Charles Knowles, Philip Rittersbacher, Kenneth Ryder and Peter Besch. In an example of two-phases of Scouting, a demonstration of commands with silent signals was given by Senior Patrol Leader Peter Besch aided by four fellow Scouts while a pioneering group constructed an eight-foot ladder using only logs and lashings for their tools.

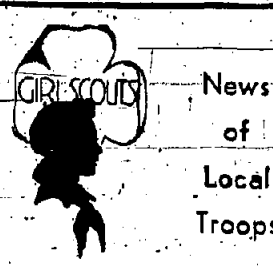

Mr. Phil Halpern of Troop 69, Union, a guest at the proceedings,

rounded out the program with a showing of a movie taken by himself, showing summer activities at the Union Council's Camp Winnebago.

Mr. Halpern also pointed out to the parents present that a very small percentage of Cub Scouts now enrolled will pass on to Scouting when they become of age. Various reasons were given for this condition, but he urged all parents of Cub Scouts to do their utmost to persuade their youngsters to avail themselves of all Scouting can offer.

Future plans of the troop call for participation in the Northern District rally at Union High School Feb. 28, and beginning in March, there will be monthly week-end camping outings at Camp Winnebago.

Although most bald eagle nests are high off the ground, often in trees, they sometimes are found in low vegetation or on the ground when appropriate high sites are not available.

After inspecting the huge ovens, mixers, cutters and packaging machines, we were treated to soda and delicious Burry cookies. Our added thanks to Mrs. Bucci, Mrs. Norulak and Mrs. Werle who provided the transportation which made our trip possible! Although we have had our share of measles, chicken pox and mumps, we are

enjoying our many scouting activities. We're hard at work rehearsing for the big Girl Scout Festival which will be held on March 2nd at Regional High School. Our next trip will be to Springfield's own "Miniature Village".

Our leaders wish to extend sincere thanks to our troop committee for their wonderful cooperation. Mrs. Bucci, Mrs. Norulak and Mrs. Werle have been most helpful.

Troop 30 Mrs. I. Shatten, Leader

Mrs. R. E. Purkhiser, Co-Leader

This year will be our first chance to take part in the Juliette Low Song Festival on March 2nd. We have chosen our song and practice every chance we get so that we will do a good job on the

big night. Daria Rothbard has joined our group recently. We are glad to have her with us and are looking forward to having an investiture service for her in the near future. Welcome to scouting and troop 30!

America's Best Buy FOR BEAUTY-BIGNESS AND BLAZING-GO!

Why not have fun while you're being practical?

Here are some wonderful ways to do just that! Each one is sleek and exciting as a sports car, handy as a pickup truck... and extra big in the bargain with a road-leveling 122" wheelbase!

But the really breath-taking difference in Pontiac's line of fabulous family wagons is the way they GO!

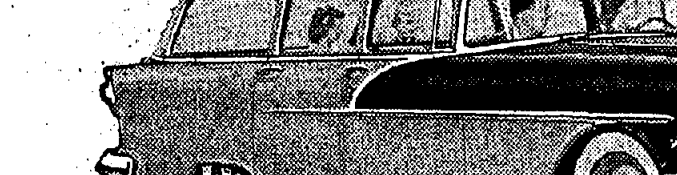

There's nothing like it... because they're powered by the greatest performance team ever offered in a station wagon... the mighty 227-horsepower

Strato-Streak V-8* and revolutionary Strato-Flight Hydra-Matic Drive!

And that big, extra power means a new kind of handling ease and liveliness you've never known in a big car.

And wait 'til you hear the prices. They're as practical... and exciting... as the cars themselves... starting right down with the lowest!

Come in soon—let us show you why these fabulous '56 Pontiacs are rated America's best station wagon buys!

870 4-DOOR, 2-seat, rear seat folds flat for 7 1/2' carrying space with gate closed, 9' gate open.

ment in Springfield possible. And according to one official who has been working hard to have the proposal accepted by all concerned, the owners of residences adjoining the Anderson tract have been very cooperative and no serious objections are expected when the application for the additional zoning change is considered by the Board of Adjustment. Progress has been made on every phase of the proposal and, as one official puts it, "it has been a case of give and take for both sides and all questions are being cleared away. The coming of this fine organization to Springfield will not only increase property values throughout but it will give the Township the kind of ratings we need. It will add prestige to Springfield and we are happy that everybody is working to-

gether to close the deal as soon as possible." Plans call for construction of a building which is to cost over \$1,250,000, according to one of the Saks officials. This will be planted in the center of the big Anderson tract with landscaping and large parking areas. Owners of homes in the immediate vicinity are cooperating as much as possible with the Township officials in approving the application for a change in the zoning. "We know what we're going to get with such a fine organization as Saks Fifth Avenue," said one of the home owners. "The plans call for one large store on a well landscaped piece of property with a buffer zone to protect our residences." Millburn avenue is already zoned for business and if stores are built there, all we would get in our homes is their back yards. It might mean delivery trucks and the general disorder of back yards if this property is sold to any other group. At least, we know the kind of establishment Saks is planning and we're very happy to help that plan as much as possible. We understand the Anderson property is going to be sold to some one and it will help Springfield and all property owners if Saks Fifth Avenue is the buyer.

along nicely" at Overlook Hospital in Summit. "Politics makes for strange bedfellows etc. etc." is a much used and abused cliché but Union County has one for the books. Thirteen municipalities, all of them Republican strongholds, in what is known as a Republican county, are appearing before the Union County Board of Taxation on the proposed tax table for equalization of property assessments. The thirteen municipalities appropriated \$1,000 each to employ a qualified attorney and tax expert to protect the figures. And who was selected? A Jersey City attorney, close to the Kenny or-

ganization and a Democrat. What else? Union County and even Essex must not have the legal talent necessary for this job. We doubt it. **Binder - Donnelly** (Continued from page 1) the 1955 general elections where they had to face not only the Democratic candidates but a very strong Independent ticket of Thomas Argyris and Francis J. Keane. Donnelly was high man in the balloting in 1953 with 1605 and Mayor Binder took the other place with 1529. Argyris polled 1209 and Keane was given 1018. No word has come officially

from the Democratic organization in the Township as to their candidates for the two places on the Township Committee. However, one of the leaders announced yesterday that "we have already received the acceptance of two of Springfield's outstanding men to carry the Democratic colors in this year's election." Announcement of the names of the two candidates will be made next week, this same leader stated.

HAVE YOU HAD A RAISE IN THE LAST 10 YEARS?
 In the last ten years your dry cleaner has held the cost of cleaning to you at a minimum. He has absorbed all the costs he can possibly absorb. In fact the cleaning industry has contributed the least of any industry to the rise in the cost of living during this interval of time.
 Did you know that each garment proceeds through 10 separate operations before it is considered ready for delivery, and the cost of each one of these operations has increased—most of them several fold and they're still going up! Yet our prices have remained stable for 10 years.
 On Monday, February 20th the dry cleaners of Union, in conjunction with cleaners in surrounding communities will ask you to consider these facts when they ask slightly more for their services.

In reach of everyone... an extra phone for only 75¢ a month
 It figures out to about 2 1/2 cents a day. And that's quite a value, don't you think? A bargain in steps saved alone. Yet, it's typical of the many low-cost conveniences the Telephone Company has developed to help you get the most out of your telephone service. Other items recently introduced include improved volume control sets for the hard of hearing, phones in color and Speakerphones. All of them are important in helping to increase the value of modern telephone service. And that is our constant goal.

Bringing you modern telephone service is the full-time job of telephone installers like R. J. Huston, Morristown. The installer's knowledge of efficient telephone layout and equipment helps customers to get the most out of their service.
