

THIS WEEK

A front page article in the Maplewood - South Orange News Record of last week stated that the 32 Maplewood physicians who administered Salk vaccine at Maplewood's public clinic now know that their services were appreciated.

The Maplewood Board of Health said so officially in a resolution of commendation pointing out that "the physicians of Maplewood did, remuneratively, unanimously give their time and skill to administer injections of poliomyelitis vaccine to all eligible children."

Springfield's governing body and the citizens of the Township also extended sincere appreciation to the three physicians who carried out the Salk program for \$18 on July 8. But, of those three physicians, only ONE was actually from Springfield.

Dr. Gabriel J. Liull, one of Springfield's leaders in medicine and a very, very busy man in his profession, gave of his valuable time to administer the vaccine. Working with him were Dr. Robert S. Milligan, of Summit, who is the Health Officer for the local Board of Health, and Dr. Irwin Kimche of Millburn.

Many, many thanks to these three doctors. But—residents here have asked: if all the doctors in Maplewood responded for this civic and humanitarian program, what is the explanation for Springfield?

What can Springfield hope for in case of an emergency if only one local physician made himself available for the fight against polio. We suppose there is a good explanation—or, is there?

While the Township is handing out orchids, we want to join in giving a good "pat on the back" to those residents who are making the "Little League" baseball program possible in Springfield.

It is almost a thankless job, with a lot of responsibilities and grief ironing out details. However, there must be some satisfaction in having a job well done as it is in the season just closed here in Springfield.

Parents of boys participating with the league clubs and adults who just "want to help the kids" devote many hours as coaches, umpires, managers, score keepers and many other jobs necessary for the successful operation of this fine program for the youth of the Township.

Little League baseball has been accepted as the strongest deterrent to all of youth's troubles and is conceded to be the finest inspiration and builder of good character for all kids. And, thanks again to all those civic minded grown-ups who helped make Little League baseball such a success.

We're still too far away from election to talk politics—but can't something be done about yanking out the trolley tracks on Morris Avenue? This topic usually comes up during political campaigns.

Why not build a fire under the State Highway Department and get some action before the winter comes? Traffic is increasing on Morris Avenue and accidents are bound to occur if the exposed rails are not removed.

As Mark Twain said about the weather—everybody is against the exposed rails but no one seems to be doing anything about it.

The speedway boys are still trying to beat the red light at Flener and Morris by roaring through the General Greene Shopping Center and getting ahead of the traffic. We hold onto the side of our desk as we watch them break through the line and narrowly miss crashing into some autoist who is trying to drive within the law.

Also the drivers who ignore the "no left turn" signs at the Morris avenue exit of the shopping center should be given a little jolt. They tie up traffic in both directions and then become abusive when the patient autoist points out that it is against the law to turn left at that point.

Perhaps, an officer, stationed there with a book full of tickets and instructed to hand out some summonses might cure the trouble.

DON'T BE ALARMED on Saturday if you hear an unusually loud wailing of air raid warning sirens.

Springfield is just giving the first public test to the four additional sirens that have been installed in the Township.

There will now be five sirens and the noise might scare those who are not aware that it is a test. Local Civil Defense Director Dan M. Lucey will supervise the test and is very anxious to get this word to all residents of Springfield.

Savings Rise Three Million At Crestmont

More money is being saved by more people today at Crestmont Savings and Loan Association than ever before in its history,

Loren F. Gardiner, executive vice president, announced.

Basing his assertion on the association's new Financial Statement, just published, Mr. Gardiner pointed out that at the close of the period ended June 30, 1956, savings totalled \$14,895,704.39, an increase of more than three million dollars over the same period a year ago, and the highest amount ever held in savings by the institution.

The rise in savings, Mr. Gardiner said, helped boost total assets to \$16,206,949.24, nearly four million dollars higher than the year before, and also enabled the association to lend more money to families wishing to buy, build or improve their homes. Money loaned for these purposes amounted to \$13,883,336.49, as against less than ten million dollars a year ago. At the same time, reserves were further strengthened by more than \$100,000.00.

The association has two offices, at 1888 Springfield Ave. in Maplewood, and 175 Morris Ave. in Springfield. A dividend was paid to save at the close of the period at the rate of 3% per annum. Savings accounts are insured, up to \$10,000 each.

TAKING BASIC—John R. Grausam, a year enlistee in the USAF, is now taking basic training at the Lackland AFB, Texas. Grausam, a recent Regional High School graduate, is the son of Mr. and Mrs. John Grausam of 16 Marion Avenue.

Ten Years Service

James A. Kruge of 134 Henshaw Avenue, has celebrated ten years service with the Esso Research and Engineering Company. Mr. Kruge is a staff engineer in the manager's office of the company's engineering division.

Playgrounds Show Big Registration

The summer playground program in Springfield is off to a good start and indications point to one of the largest numbers ever registered to participate in the variety of activities arranged by the Township Recreation Commission.

With no registration figures available from the Regional playground, the total already is over 700, with new children reporting each week. The largest registration is reported at Henshaw Playground with 173. Caldwell has 104 registered, Riverside reported 100, Aaron Garner gave 79 at its last report and Denham Place Playground's figure was at 60.

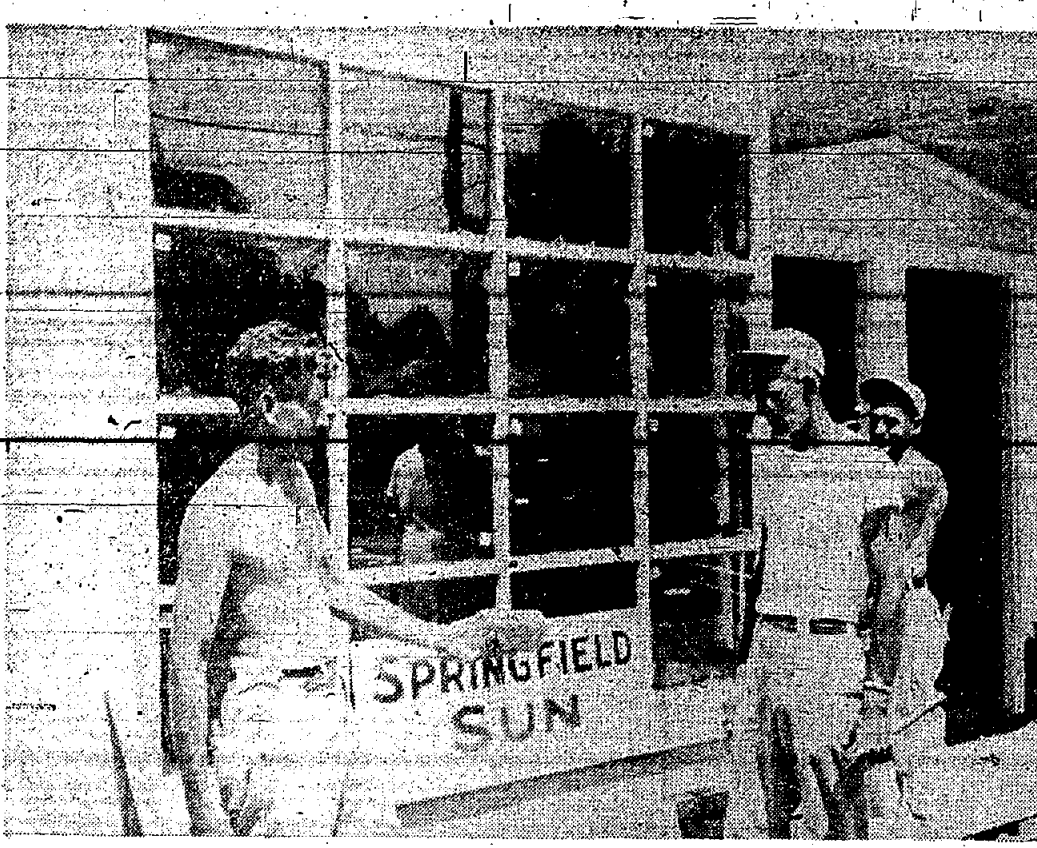

Full time supervision is well under way at each of the Township's playgrounds and schedules of play have been arranged throughout Springfield.

WANT TO BE A COP?

Police Chief Albert A. Sarge is still anxious to interview qualified men for that permanent place on the Township's police force.

All residents of Springfield, between the ages of 21 and 30, are qualified to apply for the job.

If you are interested and want more information, apply to Chief Sarge at police headquarters in the Municipal Building.

REMEMBER THE A & P BUILDING? Photo Grabarz, the general contractor, and Lew Lasser, one of Grabarz's carpenters who is taking a breather as the photographer clicks the shutter. The remodel job calls for a Colonial design front, new floors, lowered ceiling, new lighting system and now conditioning and heating system.

The Sarokins Build An Office

To this writer and his generation of newspapermen, moving into a new office merely means the chore of cleaning out the top of the desk that is piled precariously high with yellowed clippings, unanswered letters, half emptied bottles of Bufferin, forgotten passes to the Polo Grounds and other trivia and jetsam.

The Springfield Sun recently purchased the old A & P building at 268 Morris Avenue—to be used for new editorial and advertising offices and what's happening to the structure should make all devotees of Colonial design drool.

All because the distasteful side of this newspaper's management, Mrs. S. O. Sarokin, and her son, Julian, who helps divide the passions and grief of going to press every week, want to make the new offices catch the true spirit of "Washington slept here" architecture.

It's Really Colonial

And—they have evidently captured that spirit of Colonial design because the front of the new Sun Building looks like something lifted out of Williamsburg. To Henry Grabarz, the general contractor, a woman instructing him to do this, change that, with pencil drawings tumbled out of scale and, describing with gestures and pointing fingers just what she wants done was a new experience in his work.

But Mrs. Sarokin—than whom there is no person more sure of what she wants—had the dream of converting the old grocery building into a thing of Colonial beauty and nothing would dissuade her or divert her from her course.

Julian, because he is a graduate commercial artist and has a very esthetic temperament everywhere except on the golf course, agreed that the building should breathe like Thomas Jefferson and the two of them conspired to really do a job. Dad, being a "square" by practically everybody's yardstick, wasn't invited to sit down at the conference table to consult and advise.

Death of Girl, 17, To Be Investigated

A county detective has been assigned by Prosecutor H. Russell Moss to investigate the circumstances of the death of Miss Barbara Clark, 17, of 417 Milltown Road, according to a story appearing in the Newark Evening News.

The Newark news story states that "The girl died Saturday. An autopsy by Dr. Manley C. Williams of Rahway, who acted for Dr. George W. H. Horre, Union County physician, who was away for the weekend, revealed the cause of death as peritonitis, according to Police Chief Albert Sarge. The county physician was called after health officer Dr. Robert S. Milligan refused to sign the death certificate, according to Sarge. Moss described the investigation as routine."

SNAPSHOT CONTEST

This year all the playgrounds are holding a snapshot contest, which carries over the entire season. All candid snapshots should be turned in to any leader at any of the various playgrounds around town. The winners of the contest will be announced at the end of the current season at Playgrounds' Special Event Day, which is held annually and marks the closing of the playgrounds in Springfield.

Come on now all you camera fans—Let's get to it!

20% Increase In Calls For 1st Aid Squad

At the regular monthly meeting of the Springfield First Aid Squad held last Thursday evening at 82 Hillside Ave. it was reported that the number of calls for aid by the Squad had increased over 20% in the first 5 months of 1956.

Otto Furst, who gave the report, stated that there were 154 cases reported up to May 31st of this year as compared to 128 calls in the similar period of 1955. The increase is accounted for by the continued rise in population of the town and of more families becoming familiar with the assistance offered by the squad.

It is generally felt that with the rapid growth of population, due to the current development picture in town, a second ambulance will be necessary in a short time in order to give the community proper coverage.

Furst also reported that for the month of June there were 38 calls—including 27 emergencies and 11 transports to or from a hospital. Five of the emergency cases involved the use of oxygen. The ambulance travelled a total of 332 miles and 157 man hours were recorded by the members of the Squad.

"Jim" Cawley Now Attorney-At-Law

James M. Cawley, former commander of the local American Legion Post and active in various other civic affairs, took the test with 32 others.

He will be sworn in as attorney on August 2 in the Supreme Court Chambers in Trenton.

Passes CPA Exam

The State Board of Public Accountants has announced that William C. Bruschel of 101 Claremont Place, Springfield, has passed his examinations, held in May. He was one of eight Union residents who passed the tests for CPA.

Mothers Plan March On Town Hall If Stagnant Water Hole Isn't Filled

Register Now, If You Care To Vote On Nov. 6

Those who want to vote in the very-important general election November 6—whether your interest is in the Presidential race or in the contest for the two vacancies on the Township Committee—had better make sure they are registered.

If you have just moved to Springfield—it is an easy matter to register; just go to the Municipal Building any working day, see Mrs. Eleanor H. Worthington on the second floor and the rest is easy.

If you have lived in New Jersey one year by November 6—and five months in Union County by November 6—you are eligible to vote in Springfield.

But you must come to the Municipal Building and have the Township Clerk's office fill out the necessary papers.

If you are a naturalized citizen, and want to fill in transfer papers to enable you to vote in Springfield on election day, PLEASE BRING YOUR NATURALIZATION PAPERS WITH YOU.

September 27 is the last day for registering. If you have moved to Springfield—recently, you should check with the Township Clerk's office to make certain you won't lose your right to vote this fall. The Township Clerk's office is open daily, except Saturday.

Civil Defense To Test "Paper Alert"

Springfield civil defense headquarters, along with other staffs in Union County, will go into action in a nationwide air raid alert Friday and Saturday, but residents of New Jersey, who have displayed outstanding cooperation in previous tests will be exempt from public participation.

The staffs will report Friday at 11 a. m., the starting time for a two day paper drill, designed to test CD organization, and cope with the problems of A-bomb casualties.

The main task will be to deal with thousands of casualties in Springfield caused by an A-bomb explosion in Newark. They must set up hospitals, and medical stations; mobilize fire and police forces; and provide food and shelter for displaced persons.

Local Merchants Offering Mid-Summer Bargain Sale

With the early arrival of fall-and-winter merchandise, Springfield merchants have decided to run a mid-summer bargain event. The purpose will be to clear present stocks and make way for new merchandise.

During Dollar-Days, scheduled for the week of July 28-August 2, the entire summer inventory of many stores will be reduced for sale.

In recent city-wide promotions it was found that there was a tremendous influx of shoppers from neighboring towns, resulting in some congestion and quick sell-outs of popular items. In view of this, local Springfield merchants have decided to limit Dollar

CAP Members Take Part in AF Review

Five members of the local Civil Air Patrol Squadron will participate in the formal review which will conclude the annual CAP Encampment at McGuire Air Force Base, Fort Dix, New Jersey, on July 21.

These boys, along with 161 cadets of high school age, 29 of them female, have been learning the whys and wherefores of Air Force activities.

During the past week they have been shown how parachutes are assembled and how base communications operate. The boys have seen complicated jet engine "mock-ups". They have participated in "wet-ditching" (safely and except in water). The Civil Air Patrol Squadron location for this area is in Springfield.

Residents in the neighborhood of South Derby Road are up in arms because nothing has been done to remove the slimy, mosquito breeding, stagnant water hole that has become a health menace and hazard to all in that area.

T. C. Curtiss Is Elected To V. P. Post

Thomas C. Curtiss, 290 Short Hills Avenue, has been elected a vice president of White Laboratories, Inc., Kenilworth, N. J. pharmaceutical firm.

Mr. Curtiss will retain his position as White's treasurer, a post he has held since 1951. Mr. Curtiss joined the firm in 1932.

A director of Triumph Federal Savings and Loan Association of East Orange and Newark, he is also a member of the financial section of American Drug Manufacturers Association.

The Curtisses have a son, Thomas, II.

Education Board Appoints Three

Three appointments were made at a meeting of the Board of Education held Tuesday, July 17.

Mrs. Kathryn Martland, a resident of Millburn, was named as English and reading teacher at Gaudinier School, and will receive \$3800. William Coppel was employed as a maintenance man at \$3400 and Dr. Robert Bellevue was retained as school dentist at \$1400.

At a special meeting called for Monday evening, the board inspected and officially accepted the Walton school, which opened in January.

Local Merchants Offering Mid-Summer Bargain Sale

Days to residents of the township, and publicize the event as such. They explain that the summer season thus far has been extraordinarily good, and they could not accommodate too great a demand.

Next week's Springfield Sun will display the many specials and bargains marked down for Dollar Days, with most retailers in Springfield participating.

Test New Air Raid Sirens Here Saturday at Noon

If you hear unusually loud sirens this Saturday at noon—DON'T BE ALARMED! It is just a test and the wailing will last only one minute.

This coming Saturday, July 21, is the day chosen for the townwide test of the newly installed air raid warning sirens. It was announced this week by the local Director of Civil Defense and Disaster Control. The test will last approximately one minute and will take place at exactly twelve o'clock noon.

The four new sirens have been installed at various locations throughout the town and, together with the siren formerly used, will provide full coverage for the community.

The installation of an adequate warning system in the community is a requirement of the Federal Government and the entire plan, including the sites for locating the sirens, required the approval of both the Federal and the State Civil Defense and Disaster Control authorities.

The cost of purchasing and installing the system is under the Federal Matching Funds program, which provides that one-half of the cost will be paid by the township and one-half by the Federal Government.

FUND-DRIVE REMINDER!

To assist the Springfield First Aid Squad in their drive for funds you are asked to fill the coin card in the space dated July 21, marked SPLINTS. Cards will be picked up by the squad in September. Make it a habit to fill the coin card regularly each week.

PLAYGROUND ACTIVITIES

REGIONAL HIGH SCHOOL PLAYGROUND
The highlights of the week's activities were our Hobby Show, which was a wonderful success. The contest was divided into 30 boys' divisions and a girls' division. We were also fortunate to have two very able judges present, Mrs. C. Curcio and Dennis McDermott.

place given to Steve Olczyk for his periodical and magazine clippings. This place was given to Danny Ginder for his "police" plans. Honorable mentions went to Larry Cole for his postcards, Steve Richmond for his rock collection, and Steve Beck for his hobby of flowers and a cowboy.

The girls' division winner was Janet Bush for her very attractive horse painting. She was followed by a group of beautiful dolls. Evelyn Bush took third place with her hobby of a complete wardrobe of homemade dolls' clothes. Honorable mentions went to Sandy Giger and Karen Fitzgerald.

Added to the big hobby show, last week was also very successful in our school program. Monday and Tuesday tryouts were held for starting positions on the upcoming team. Wednesday we played our first game, as we traveled to Irwin Field to play in the first game of the season.

Although we were beaten 4-2, it was a game worthy of both teams and it was had by the spectators. The first annual Playground Show was as follows: Jackie Aparicio, Dennis Przych, Billy Bucklew, Norman, Robert, Mike, Mike, Mike, L. Jimmy, L. Bob, Bobby, Gerdell, C. Keith, Ponce, Al, and Larry. The girls' division winner was Janet Bush for her very attractive horse painting.

JAMES CALDWELL PLAYGROUND
The registration at James Caldwell playground has reached 104, and is still increasing every day. These leading in the number of points earned for participating in the activities at the playground are: Greg Anderson, Laura, Moe, Fry, Hope, Diane, Dreher, Margo, Penard, Jackie Timinsky, and Mary Menkin. Checker enthusiasts are numerous on James Caldwell playground. Some of those who have shown their interest and skill in this game are Billy Bosco, Patsy Lynch, Kenny Lynch.

If you're saving for your independence...

...where you save does make a difference

Every advantage counts when you're saving for your "Independence Day." That's why it pays to put your savings in an insured Savings and Loan Association. You benefit by many important advantages. Excellent returns from your money is one advantage. Efficient service from men who know how to make your dollars work harder for you is another. And, of course, your money is safe because in insured Associations your savings are protected by sound management and substantial reserves. They are insured up to \$10,000 by the FSLIC—an agency of the U. S. Government. There are the reasons why Americans are putting more of their savings account dollars into insured Savings and Loan Associations than anywhere else! Whether you're saving for an "Independence Day" or a "rainy day"... visit your nearby insured Association tomorrow.

This sign identifies you as a member of The Savings and Loan Foundation, Inc., a nationwide organization of insured Savings and Loan, Building and Loan and Homestead Associations which sponsors this message in Life, The Saturday Evening Post and U. S. News and World Report.

If You Have Any News Call . . .

DREXEL 6-4502

LORRIE LEWIS

Happy Birthday wishes to Carol July 14th. Carol's guests were her Dawn Smith, daughter of Mr. and Mrs. Robert Smith of 12 Kew drive who celebrated her 5th birthday at an outdoor party on

Brownley, Cathy Kaufeld, Bobby Worthman, Wendy Jackson, Alan and Jerry Greenberger.

Exciting news to all local residents is the soon-to-be opened record, camera and hobby shop at 266 Morris avenue. The enthusiastic owners, Ruth and Felix Gold who live at 121 Hawthorne avenue are calling the store the "DISC AND SHUTTER." Among the features of the store will be a complete line of pop and classical records, cameras and photographic supplies, and sport and hobby equipment. One of the original innovations of the store will be a "do-it-yourself" dark room. The Golds plan to provide darkroom facilities and instructions for camera enthusiasts and amateurs who want to develop and print their own film. We wish Ruth and Felix lots of good luck in their new venture!

Mr. and Mrs. W. Barz of 511 Meisel avenue accompanied by Mr. Barz' mother Mrs. Katherine Barz and their son Ronnie, just returned from a most eventful motor trip. Their first stop in Conway, S. C., was to attend the wedding of Mrs. W. Barz' brother, James' Burnett to Miss Norma Jordan. The Barz family then proceeded to Florida and visited

Miami, Silver Springs and St. Augustine. They also visited Mrs. K. Barz' niece and nephew, Mr. and Mrs. Eric Wilson of Jacksonville, Florida. Shortly after the family arrived home, Ronnie left for a week to attend the Methodist Church conference held at Blair Academy, Blairstown, N. J.

Mix together a starlit night, add the romantic setting of the Patio at Spring Garden Country Club, and blend in the danceable rhythms of Cy Greene and his orchestra, and you have a perfect evening. Cy, who resides at 187 Henshaw avenue, is the maestro at all Spring Garden dances.

Seen enjoying the festivities last Saturday night were Mr. and Mrs. E. Halper, Mr. and Mrs. H. Fried, Mr. and Mrs. R. Nemer, Mr. and Mrs. H. Barg (of Arrow Vodka fame), Mr. and Mrs. F. Gold, and Mr. and Mrs. D. Weinstein.

A hearty welcome to Mr. and Mrs. E. Schwartz of 35 Mapes avenue who moved here from East Orange. Mr. Schwartz is with Ford Motors in Jersey City.

Mrs. Philip Shuffman of Richmond, Virginia is visiting with her daughter and son-in-law Mr. and Mrs. Bernard Chodos of 32 Archbridge lane.

David Bonislavski of 41 Edgewood avenue, enjoyed a week's stay at Camp Winnebago, Marcella, N. J.

Mr. and Mrs. Stanley Michonowicz of 241 Hillside avenue announce the birth of their son, John Gregory, on June 22 at Overlook Hospital—weighing 6 lbs. 11 oz. Mrs. Michonowicz is the former Marie Palumbo of Elizabeth.

Brian and Paul Mead, sons of Mr. and Mrs. Martin Mead of 30 Remer avenue and Charles Stevens, son of Mr. and Mrs. L. Stevens of 778 Mountain avenue, enjoyed their two week stay at Camp Kittatiny.

Richard Sussman, son of Mr. and Mrs. Ben Sussman of 899 Milltown road, left last Saturday for Camp Kittatiny.

Mr. and Mrs. Harry A. Miller, formerly of Hillside and their son Sanford, have moved into their lovely new home at 14 Evergreen

avenue. Sanford recently graduated from George Washington University and will attend Boston College of Optometry in the fall.

A painting done by Robin Adell, daughter of Mr. and Mrs. Morton R. Adell of 6 Perry place, was one of the pictures selected by the Marino Art Galleries (46 West 56th St. N.Y.C.) for their special children's exhibit during the month of July. Robin celebrated her 11th birthday on July 15th.

Mr. and Mrs. John Sohan of 113 Mapes avenue, returned home after a week's visit with their friends Mr. and Mrs. James Welles Asbury of Lakemont, Georgia.

Congratulations to Mr. and Mrs. William Weiner of 10 N. Derby road, whose son Mitchell Jay, was born on July 14th at the Beth Israel Hospital weighing 8 lbs. 3 oz. The Weiners have two other children—Linda, age 5 years and Barry, age 22 months. Mrs. Weiner is the former Doris Spertner of Hillside.

Jacqueline Pettit, daughter of Dr. and Mrs. G. Pettit of 401 Milltown road, was feasted at a party on her 6th birthday on July 15th. Jackie's guests were her brothers Gabe and Carmen; her cousin, Jimmy Assitto of Newark; Allan and Anthony Serio of Belleville; Annette Decicco of W. O., Antoinette and Louis Giordano of E. O., and Joell Cucuzella of Springfield.

May God give unto us all that loving sense of gratitude which delights in the opportunity to cancel accounts.—Mavy Baker Eddy

Who Wants to buy a "pig in poke"?

The answer is: nobody! Folks rightly insist on seeing and knowing what they are buying. That's how we like it too! The more information they can get about a prospective purchase, the better they make it. When buying your car at L. & S., whether new or used, you can depend on us to give you all the details; exactly what you'll get—and the complete cost—No double-talk or misinformation! Our reputation over a span of 30 years has been our most important asset. It's your protection of an honest deal! If you're interested in a car now's the time to see us. We can offer you a good deal on new '56 Chevrolets and some real buys on clean used cars!

A FEW OF OUR MANY BUYS!

"Our large volume of New Car Sales enables us to have Many Bargains for you"

1955 CHEVROLET 4 dr. blue sedan with heater	\$1495.

AN ORDINANCE TO AMEND AND SUPPLEMENT AN ORDINANCE ENTITLED "AN ORDINANCE LIMITING AND RESTRICTING TO SPECIFIED DISTRICTS AND REGULATING THEREIN BUILDINGS AND STRUCTURES ACCORDING TO THEIR CONSTRUCTION AND THE NATURE AND EXTENT OF THE USE OF LAND IN THE TOWNSHIP OF SPRINGFIELD IN THE COUNTY OF UNION AND STATE OF NEW JERSEY, AND PROVIDING FOR THE ENFORCEMENT OF THE PROVISIONS THEREIN CONTAINED AND FIXING PENALTIES FOR THE VIOLATION THEREOF."

BE IT ORDAINED by the Township Committee of the Township of Springfield in the County of Union, as follows:

The above entitled ordinance is amended and supplemented as follows:

1. Section 4-B-420, LOT WIDTH OF, is amended to read as follows: The dimension measured at the front building line after due allowance for a required front yard.

2. A new section shall be added between Sections 19-B-50 and 19-B-50, to be known as 19-B-55 and shall read as follows:

Section 19-B-55. DETACHED BUSINESS SIGNS. Any detached business sign not placed on or attached to the exterior of a building shall be (5) feet clear of the ground and shall have a vertical dimension not in excess of fifteen (15) feet; said sign shall not exceed twenty-four (24) square feet in area and must be located wholly within property lines. All other references to business signs recited in the Zoning Ordinance incorporated in the provisions of Section 19-B-55 shall be construed to apply only to those business signs which are attached to the facade of a building and not to the detached business signs herein provided for.

3. Section 20-E-10 (b) is amended to read as follows:

Section 20-E-10 (b). In cases where such signs are used for advertising purposes designed for such use, when it has been voluntarily discontinued for a period of twelve (12) consecutive months.

4. Section 20-E-20 is amended to read as follows:

Section 20-E-20. A nonconforming use that has been abandoned as hereinafter defined shall not thereafter be reinstated except by appropriate application to the Board of Adjustment in the manner provided by this ordinance.

I, Eleonore H. Worthington, do hereby certify that the foregoing Ordinance was introduced for first reading at a regular meeting of the Township Committee of the Township of Springfield in the County of Union and State of New Jersey, held on Wednesday evening, July 11, 1956, and that the said Ordinance shall be submitted for consideration and final passage at a regular meeting of the said Township Committee to be held on Wednesday, July 25, 1956, in the Springfield Municipal Building at 8:00 p.m., at which time and place any person or persons interested therein will be given an opportunity to be heard concerning such Ordinance.

AN ORDINANCE PROVIDING FOR THE VACATION OF A SECTION OF BERKELEY ROAD LOCATED IMMEDIATELY IN FRONT OF AND ABUTTING UPON LOTS 40 AND 41 IN BLOCK 61, AND LOCATED IMMEDIATELY IN FRONT OF AND ABUTTING UPON LOTS 1A, 2 AND 2A, IN BLOCK 33, AS SAID BERKELEY ROAD AND SAID LOTS ARE MORE SPECIFICALLY DESCRIBED IN A REVISION OF A MAP OF SPRING GARDENS, SECTION C, SPRINGFIELD TOWNSHIP, UNION COUNTY, N. J., DATED DECEMBER 20, 1954, MADE BY ARTHUR H. LENNOX & SON, ENGINEERS & SURVEYORS, SPRINGFIELD, N. J., AND FILED IN THE OFFICE OF THE REGISTER OF UNION COUNTY ON APRIL 13, 1955 AS MAP NO. 420-E.

WHEREAS, that portion of Berkeley Road hereinafter described, has been dedicated to the Township of Springfield as a public road by the filing of a certain map entitled "Revised Map of Spring Gardens, Section C, Springfield Township, Union County, N. J., December 20, 1954" which said map was recorded in the Union County Register's Office on April 13, 1955, and the owners and developers of the lands reflected on the revised map of Spring Gardens aforesaid, have

front of and abutting upon Lots 40 and 41 in Block 61, and located immediately in front of and abutting upon Lots 1A, 2 and 2A, in Block 33, as said Berkeley Road and said lots are more specifically described in a certain map entitled "Revised Map of Spring Gardens, Section C, Springfield Township, Union County, N. J., December 20, 1954," made by Arthur H. Lennox & Son, Engineers & Surveyors, Springfield, N. J., and filed in the Office of the Register of Union County on April 13, 1955, as Map No. 420-E, which said map has been approved by the Planning Board and Township Committee of the Township of Springfield, and

WHEREAS, the replatting of Berkeley Road will provide adequate and necessary street access for the lots abutting on said road hereinafter more specifically identified; and

WHEREAS, by reason of the premises aforesaid the portion of Berkeley Road reflected on the filed map aforesaid abutting the lots hereinafter more specifically described is not necessary for use as a public highway and its vacation as such and release and extinguishment of the public rights arising therefrom from the dedication aforesaid is not derogation of the public interest;

THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Springfield, County of Union, as follows:

SECTION 1. That that portion of Berkeley Road located immediately in

front of and abutting upon Lots 40 and 41 in Block 61, and located immediately in front of and abutting upon Lots 1A, 2 and 2A, in Block 33, as said Berkeley Road and said lots are more specifically described in a certain map entitled "Revised Map of Spring Gardens, Section C, Springfield Township, Union County, N. J., December 20, 1954," made by Arthur H. Lennox & Son, Engineers & Surveyors, Springfield, N. J., and filed in the Office of the Register of Union County on April 13, 1955, as Map No. 420-E, which said map has been approved by the Planning Board and Township Committee of the Township of Springfield, and

WHEREAS, the replatting of Berkeley Road will provide adequate and necessary street access for the lots abutting on said road hereinafter more specifically identified; and

WHEREAS, by reason of the premises aforesaid the portion of Berkeley Road reflected on the filed map aforesaid abutting the lots hereinafter more specifically described is not necessary for use as a public highway and its vacation as such and release and extinguishment of the public rights arising therefrom from the dedication aforesaid is not derogation of the public interest;

THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Springfield, County of Union, as follows:

SECTION 1. That that portion of Berkeley Road located immediately in

front of and abutting upon Lots 40 and 41 in Block 61, and located immediately in front of and abutting upon Lots 1A, 2 and 2A, in Block 33, as said Berkeley Road and said lots are more specifically described in a certain map entitled "Revised Map of Spring Gardens, Section C, Springfield Township, Union County, N. J., December 20, 1954," made by Arthur H. Lennox & Son, Engineers & Surveyors, Springfield, N. J., and filed in the Office of the Register of Union County on April 13, 1955, as Map No. 420-E, which said map has been approved by the Planning Board and Township Committee of the Township of Springfield, and

front of and abutting upon Lots 40 and 41 in Block 61, and located immediately in front of and abutting upon Lots 1A, 2 and 2A, in Block 33, as said Berkeley Road and said lots are more specifically described in a certain map entitled "Revised Map of Spring Gardens, Section C, Springfield Township, Union County, N. J., December 20, 1954," made by Arthur H. Lennox & Son, Engineers & Surveyors, Springfield, N. J., and filed in the Office of the Register of Union County on April 13, 1955, as Map No. 420-E, which said map has been approved by the Planning Board and Township Committee of the Township of Springfield, and

WHEREAS, the replatting of Berkeley Road will provide adequate and necessary street access for the lots abutting on said road hereinafter more specifically identified; and

WHEREAS, by reason of the premises aforesaid the portion of Berkeley Road reflected on the filed map aforesaid abutting the lots hereinafter more specifically described is not necessary for use as a public highway and its vacation as such and release and extinguishment of the public rights arising therefrom from the dedication aforesaid is not derogation of the public interest;

THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Springfield, County of Union, as follows:

SECTION 1. That that portion of Berkeley Road located immediately in

front of and abutting upon Lots 40 and 41 in Block 61, and located immediately in front of and abutting upon Lots 1A, 2 and 2A, in Block 33, as said Berkeley Road and said lots are more specifically described in a certain map entitled "Revised Map of Spring Gardens, Section C, Springfield Township, Union County, N. J., December 20, 1954," made by Arthur H. Lennox & Son, Engineers & Surveyors, Springfield, N. J., and filed in the Office of the Register of Union County on April 13, 1955, as Map No. 420-E, which said map has been approved by the Planning Board and Township Committee of the Township of Springfield, and

WHEREAS, the replatting of Berkeley Road will provide adequate and necessary street access for the lots abutting on said road hereinafter more specifically identified; and

Your Library

If you are planning a vacation at the seashore or a lake, the Springfield Public Library has many books that will add to the enjoyment of your stay.

The animal and plant life found in and near the water can be a fascinating subject, and Herbert Zim's book "Seashores" is an indispensable guide. The book is subtitled "A Guide to Shells, Sea Plants, Shore Birds, and Other Features of American Coasts." The illustrations are clear, and

the text concise. For those who want a more comprehensive knowledge of the same subject, Rachel Carson's "The Edge of the Sea" is excellent. The young fry will be interested in "Sea Shells" by Ruth Dudley and "The Wonder World of the Seashore" by Marie Neureath.

The library is doing its best to keep up with the demand for books on skin diving. Most read "Canceling" (Boy Scout Merit badge series) for information on this subject have come from teen-age boys. Two that are highly recommended by the Springfield ex-

perience are "Skin-Diving and Underwater Exploring" by John Sweeney and "Dive" by Rick and Barbara Carrier.

The library also has many books on boating from "Rowing" (Merit badge series) to "Handbook of Sailing" by Charles D. White and "Piloting, Seamanship and Small Boat Handling" by C. F. Chapman.

If fishing is your favorite sport

and you're having trouble getting the big ones to rise, perhaps there are a few tricks you don't know. If so, the library has many books of instructive material just for you.

Readers who plan to be out-of-town for longer than the 28-day loan period of the Springfield Public Library, should inquire about the vacation plan of borrowing books.

Playgrounds

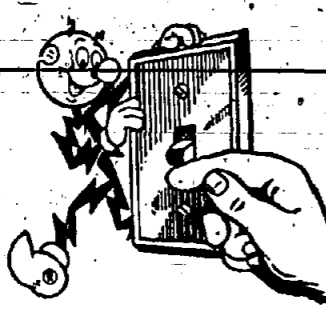

AARON GARNER PLAYGROUND
Despite the rainy weather this week, the turnout for the open house was excellent. We started the season off with a cleanup campaign in which all the children participated. On Monday afternoon we had foot races with the following participants: Marshall Anthony, Larry Anthony, Eddie Bullock, Dolores Brown, Kay Eskin, Ricky Eskin, Terry Franklin, Sherry Franklin, Mary Garner, Debbie Garner, George Garner, Wilbur Hill, Alvin Johnson, Norma Jean Johnson, Eugene Johnson, Herman Lee, Teddy Lee, David Morrison, Eugene Neville, Elsie Neville, Alfred Q. Nash, Lakrene Street, Dianna Wicher, and Bertha Worrida. On Tuesday we had a poster contest. The participants were: Claire Franklin, Doris Franklin, Mary Franklin, Mary Garner, Debbie Garner and Elsie Neville. Debbie came in first, Claire second, and Elsie third. On Wednesday we had our first ball game. Team A: Richard Franklin

JAMES CANNWELL PLAYGROUND
We are off to a promising start at James Cannwell playground, with increasing enrollment. Up to Friday, June 29, eighty-six children had registered for the summer program. Every morning the children can be found playing games such as checkers and dominoes. Some of those who are called to checker playing this week are Ruth Smith, Ricky Multaup, Peter Coon, Bobby Ballisau, James Belliveau, Bob Quinzel, Eugene Mitchell, Gary Faucher, and Bobby Nuttall.
Afternoons are spent in crafts of many kinds, some of which are the making of bracelets, rings, potholders, and lanterns. These who have participated in this are Fred Reu, Paul Fenard, Margo Fenard, Bob Quinzel, Barbara Rodke, Chris Landrikau, Ricky Multaup, Bobby Multaup, Lynn Redfield, Laura Metz, Carol Belliveau, Cynthia Brandle, Jackie Timinsky, Robert Nutall, Gary Faucher, Green Grant, Nancy Oakman, Ruth Smith, Diane Pomilo, Ricky Fenard, Arnold Havitze, Ernest Eskin, Richard

REGIONAL HIGH SCHOOL PLAYGROUND
Summertime activities began at the Regional High School Playground last Monday, during the first week 65 children were registered.
Among the popular children-numerous arts and crafts are the most popular activities. These activities include the making of pot holders and lanterns, the modeling of clay, and the decorating of tin cans.
We have two pot holder champions so far this year. The pot holders made by Sandra Glaser and Karen Fitzgerald were judged to be the most decorative of the week. In the clay modeling department James Bash originated a very clever model dinosaur, whom she called Elmer.
Every morning a very exciting mystery game is played by the children. This game, Clue, seems to keep the children in suspense for hours.
Many of the children have made considerable progress in bead work. With many bracelets, rings, and necklaces being made, the children are very busy.
To her ball, Volley ball, and Baseball have been by far the most popular of the competitive games for the older children. Baseball teams for places on the playground team will be held in the vicinity of Regional High School.
The winner was Larry Coy with Norman Lawn second, and Dennis Swensson third.
A Hobby Show is planned for next Wednesday and we urge all the children living in the vicinity of Regional High School to bring their hobbies to the playground next Wednesday afternoon and help make our Hobby Show a success. We also urge any parents interested in their children to view our show or participate as judges.

RIVERSIDE PARK
This season we have begun with a large enrollment for Riverside. We now have 74 youngsters registered. The park itself is an excellent location with a fine shaded area for playing games and a ball field. In addition, we have many children have such an opportunity for summer fun and have many of our own competitive activities. All our facilities? Most of our activities depend on the attendance of the children and we are certainly encouraging to have them all come as often as possible. At the park we have such things as softball and handball, tether ball, checkers, ping-pong and various arts and crafts. The park is an excellent location for our winners were: Marilyn Montefiore, Lynn Liskow, Gary Reminger, Peter Coon, and Jean Di Palma. Many more such contests have been planned and we hope to have many more participants.
Another season, another reason for the grand opening of the Riverside playground. As usual, the year's opening was eagerly awaited by the children. The registration, this far has reached the total of 151. This is the best turnout in the history of the playground. In comparison to all the other playgrounds in town, it shows that the children are very enthusiastic and appreciative of the facilities at hand.
The crew for baseball and softball will be the main attraction along the sports line. Our teams usually consist of: John Letz, Jim Letz, Arnold Green, Ronald Wolowicz, Michael Pisan, John French, Jack Apgar, Norman Niles, Anthony Montefiore, Brian Meade, Jay Gladstone, Mickey Leser, Richard Utz, Keith Negele, Richie Baker, Mike Mittersch, Louis Torino, Earl Thiele.
For those more artistically minded we have "art" in a yard—crafts, pot holders, drawing, clay modeling, and beading. Such as Karen and Arlene Kaur, Barbara Neigel, Vic Richard Miner, Richard Utz, Marie Denise, Paul and Valeria Del Teschio, Robert Costanza, Roger Timpon, Tom and Jim Conlan, Sharon and Pam Funcheon.
The coming events shall be an interpark—patigame, bead-craft, and painting.

advantage in their own training programs.
Dignan said "New Jersey Operation Surprise" has been developed to (1) test the attack warning communication system; (2) implement and test control center-mustering plans at all levels; and (3)—activate and test the adequacy of control center personnel on short notice.
The surprise alert for staff personnel will come during a two hour evening period, Dignan said, and there will not be any public participation.
"Operation May Day" on May 1 has a two-fold purpose, Dignan said, to test local civil defense and disaster control forces under "strictly local conditions and problems," and "to supply New Jersey's civil defense answer to the Communists' May Day."
New Jersey again will participate in a Federal Civil Defense, directed program, Dignan said. He said "Operation Alert 1956" this year has been called for June 16, 17, 18 and 19, and that as soon as New Jersey's part in the program has been mapped by FCDA, county and local directors will be notified.

Supply of Electricity Tripled in Last 10 Years

When you buy another appliance, or your family increases you need more electricity. And it is always ready and waiting at the end of the wire.
That's because your electric company plans and builds ahead of your future needs. In the last 10 years the power producing facilities of JCP&L have nearly tripled.
Right now, JCP&L is building all along the line — at a rate of more than \$20,000,000 a year. This is the largest construction program in the company's history and another example of how JCP&L strives to provide its customers with the best possible service at the lowest possible cost.

Jersey Central Power & Light COMPANY

CD Plans Tests For Early 1956
The New Jersey Division of Civil Defense and Disaster Control today announced a series of three test exercises during the first half of 1956, including a surprise exercise for control center personnel during late February.
Thomas S. Dignan, acting state director, in announcing the exercises in an informational bulletin to county and municipal directors, said the tests have been designed to augment the operational training program started in 1955, "and because our local directors can use these tests to

1 WEEK TO GO! \$10,000 TO WIN!

Time's running out in Plymouth's big \$10,000 New Jersey License Number Jackpot! You must register your car's license number by Saturday, July 28, to be eligible to win up to \$5,000 in cash! You can win if you own ANY car registered in New Jersey—any make, any model, any year!

EASY TO ENTER—AND WIN!

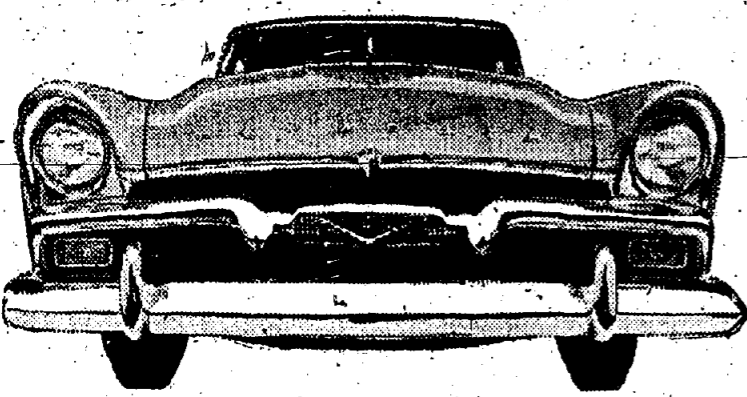

HURRY, HURRY, HURRY—and you may win up to \$5,000 in cold cash—if you own ANY car registered in New Jersey—and if you visit your Plymouth dealer and register its license number by Saturday, July 28. It's easy to enter, and your chances of winning are better than ever, since the prize money will go to New Jersey residents only.

Just go to your New Jersey Plymouth dealer's and register the license number of your car on the FREE entry blank. (Please bring some proof of ownership.) Then fill in the entry form, completing the statement, "I like Plymouth's Push-Button Driving because..." in 25 words or less. There's nothing to buy, nothing more to do.

Don't miss this chance to win a big helping of cash! Hurry over to your Plymouth dealer's and enter today. He has complete rules.

35 BIG CASH PRIZES!

1st PRIZE \$5,000 CASH
2nd PRIZE \$1,000 CASH
3rd PRIZE \$500 CASH
4th PRIZE \$300 CASH
5th PRIZE \$200 CASH
30 prizes of \$100
Grand total of \$10,000

Enter today—see your dealer who sells

PLYMOUTH

Nurseryman Turns To the Open Sea

Springfield has its men who go down to the sea in ships. In this case the ship is the 'Cardinal', owned and operated by Ed Cardinal of 248 Milltown Rd., proprietor of Cardinal's Nurseries on the same street. The men who ac-

company Ed on his scheduled and unscheduled flights from Springfield are Sam DeFino of 21 Meisel Ave., Frank Hagenberg of 706 So. Springfield Ave., and Ted Ganska of Mountain Ave. The 'Cardinal', a large cabin cruiser is berthed in Atlantic Highlands. It sports all modern conveniences, including a 'ship-to-shore' phone for the convenience of wives, business contacts,

and weather bureaus. It was proved seaworthy during two recent storms, one during a midnight search for striped bass. Once aboard ship the crew's major preoccupation is fishing. Ed Cardinal reports that over 650 fish have been boarded since the start of the season, mostly fluke. The totals have been swelled by guests invited by the owner. For example a group of Springfield policemen composed of Lou Quinton, Vince Pinkava, Robert Pinkava, and Harold Scaries hauled in over 70 fish in one afternoon, including the largest fluke to date.

An important by-product of Ed Cardinal's fishing expedition is the brisk traffic in garden supplies (and fluke) at his business Monday evenings. It seems that some patrons postpone their shopping until they can be assured of a couple 'flukes'.

Course Requested In Boat Handling

The Regional Board of Education heard a request by Commander C. B. Winters, Tuesday, July 17, for facilities in the Dayton Regional High to present a 10-week course in small boat handling and safety, beginning in September. He stated that from 400 to 500 people from all sections of Union County will be enrolled in the course. His request was turned over for study to Dr. Warren Davis, new superintendent, and Everett A. Fay, buildings and grounds chairman.

Dr. Davis was granted permission to have all students' records placed on microfilm. These will be kept permanently in a fire-proof vault. The action will conserve space.

Use Peanuts To Vary Menus

If you are looking for variety in protein foods for Lenten meals, don't overlook peanuts and peanut butter, says Mrs. Irene H. Wolgamot, extension foods and nutrition specialist of Rutgers University. "Make peanuts a part of your meals," she suggests. "Most people like them and they contain protein, fat, some important B vitamins, and minerals. Peanut butter is a favorite food of most children. Encourage them to enjoy a peanut butter sandwich with a glass of milk as a nourishing snack or part of lunch or supper. These foods help children grow. Peanut butter is good in salads, too, combined with cottage cheese or with a canned peach or pear half on crisp green lettuce. Used in muffins, breads, cookies and candies, peanut butter contributes both flavor and

Chopped Peanuts Add Interest

and food value to both fruit and vegetable salads and to a variety of desserts. They're also combined with chopped carrots and celery and with chopped apples and celery in Waldorf salad. Their flavor and texture combines well with cottage cheese or with cream cheese in salads and sandwiches. The New Jersey State Univer-

Specialist Adds That When

peanuts are combined with grated cheese, they provide a tasty and nourishing main dish suitable for Lenten menus and she offers the following recipe as an example. Peanut-Cheese Loaf
 2 tablespoons chopped onion
 1 tablespoon butter
 2 tablespoons water
 1 cup salted peanuts, chopped fine

2 tablespoons lemon juice

1 cup fine-bread crumbs
 1/2 cup milk
 Salt and pepper, if desired
 1 cup grated Cheddar cheese
 Cook chopped onion until tender in butter and water. Combine with other ingredients. Add seasonings, if desired. Pour into a buttered baking dish. Bake 20 to 30 minutes in a 350-degree F. oven.

HOLD TIGHT!

Ever find yourself caught out in the middle of a storm with your umbrella blowing itself inside out?

There you are, clinging like mad to that frail bit of cloth and metal... and you realize that if the wind gets one whit stronger your "protection" is going to blow right out of your hands.

Fortunately, it doesn't hurt to get wet, so losing your umbrella wouldn't be much of a tragedy. But when you're caught in one of the other types of storms life deals out... a storm that buffets at your inner sense of security... or your idea of right or wrong... a storm that tries to undermine your marriage, or your career... or a storm of sickness or strife... then it's a very different matter.

How fortunate that in those more difficult moments you don't have to rely upon something as flimsy as an umbrella. How fortunate that you can turn to the Church and find in it solace, protection, courage, and the faith to keep going. You will find that the Church is a shelter that will always protect you.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
