CATHOLIC INFORMATION

HEAVEN? . . . NOW MY IDEA IS THIS . . . "Heaven!" cries the little girl, "oh, that's the place with a million lollypops and not a single stomachache!" "Heaven?" queries the worn working man. "Give me my own business, my own salary, my own hours, and a whole gang to boss, and I'll call it real heaven."

"Eternal health!" "Eternal youth!" "Eternal freedom!" "These must be heaven!" cry the sick, the aged, the persecuted. Surely we all have our own ideas of what heaven should be. And just as surely those ideas, however extravagant, can never approach the peace, happiness, joy, and bliss of man's reunion with his Maker in heaven.

"Eye hath not seen," says St. Paul, "nor ear heard, neither hath it entered into the heart of man, what things God hath prepared for them that love him" (1 Cor. 2:9).

There is then a Heaven so indescribably wonderful that it is well worth working for, suffering for, sacrificing for, living for, dying for. And to the Catholic all these are what he must do if he is to attain his heavenly goal.

"His true Christ's sacrifice on the Cross redeemed mankind, thus opening the gates of heaven to every man who 'doeth the will of my Father who is in heaven.'"

And it was Christ Himself who told us, as related in the Bible, just what the will of His Father is. For instance: Baptism, belief, worship, fast, penance, eating His flesh, drinking His blood, summing it all up with the obligation "to observe all things whatsoever I have commanded you" (Matt. 23:20).

The way to Heaven, according to the Catholic Church, is not a moving stairway of mere belief or acceptance. It is rather, a long, spiral stair-case, winding up and up and around and around. Cooperating with the grace of God, each of us can mount to the top; but, knowing the right way, if we deliberately refuse to exert our God-given energies, we shall slide back and back, ending perhaps in a spot devoid of joy, peace, health, youth, freedom and—yes, even a single lollypop.

Imogene Coca To Star At Grist Mill

Television's most popular comedienne, Imogene Coca, is the latest big name star to be signed for an exclusive appearance at the Grist Mill Playhouse in Andover, New Jersey. Miss Coca will appear in the Broadway hit "The Time of the Cuckoo," for one week, beginning Tuesday evening, August 21st, through Sunday evening, August 26th. There will be a matinee on Wednesday, August 22nd, and two performances Saturday evening, August 25th, one at 6:00 and one at 9:00 p.m.

Beloved by television audiences for her co-starring appearances with Sid Caesar on Max Liebmann's "Show of Shows," Miss Coca has had a varied experience in the legitimate theater, musical comedy, and night clubs. Her first Broadway success was in Leonard Sillman's revue "New Faces of 1934." This led to a series of night club appearances throughout the country. It was while she was working at Camp Tamiment in Pennsylvania that she first met Max Liebmann, who persuaded her to appear in a television show he was producing called "The Admiral Broadway Revue." This show was the forerunner of the famous Caesar-Coca "Show of Shows," one of the most successful television series ever presented.

Miss Coca recently closed on Broadway in the hit play "Janus," and last winter she appeared on the legitimate stage in a revival of "Happy Birthday," and introduced a new night club act in Las Vegas which broke all records.

Tea Room, Beauty Salon To Be Features At B. Altman

B. Altman and Co. has announced that their new Short Hills store will be opened soon to the people in the Springfield-Millburn-Summit area.

One of the outstanding features of the new store, located on Morris Turnpike, will be their new Charleston Garden, which will serve luncheons and teas. They will also provide auditorium facilities in the Penthouse for meetings, bridges and other community endeavors.

The Charleston Garden is to be decorated in soft greens and pinks with white wrought iron and rosewood furniture. The auditorium, decorated in Hampton blue, is equipped with a movie screen and speakers platform.

Another new feature of the new Altman's store will be the new Charles de Ritz Salon offering beauty and good grooming services. Here the decor provides restful comfort and the plan is conceived to offer the greatest convenience.

Part of the salon will be the Children's Barber Shop where the Junior Miss or Master becomes well groomed at the same time as Mother. Young folks who are in for their first haircut will carry away a special diploma attesting to their new status of graduation from babyhood.

If a man can't get on the melon side of the political fence he'd better stay out of politics.

Judie Merbler of 2785 Larch St., Union, New Jersey, just 17 years old, is now on tour with the Gae Foster Roxettes of New York City. She is touring throughout the United States, and Canada, including a stay at the Steel Pier in Atlantic City. Judie has been taking dancing lessons since she was 2½ years old. She is now a pupil of Jane and Roy Dodge of New York City.

She has been teaching dancing since she was 14 years old, and now has over 50 pupils. Last June at the age of 16, she hired a hall and put on a dance recital, at which over 300 people attended.

She has a Gold Seal Award given to her from the National Association of Dance Artists of America. A dance teachers organization of which she has been a member since she was of age to join. She attended their Convention at the Hotel Roosevelt in New York last year.

This September she will enter her senior year at Archbishop Walsh High School in Irvington. She is a member of The C.Y.O. organization of St. James in Springfield. Her future plans on graduation include teaching dancing, and studying further in the dance field.

Admits Purchase

(Continued from page 1) local residents have banded together to form a company which has taken a 90-day option for a 99-year lease on the land. The land is in front of the restaurant and is mostly landscaped or used for parking purposes.

The restaurant is not to be sold or closed as part of the transaction, Naue emphasized.

Closing of the deal depends on whether the developers are granted a change of zoning on the property, Naue said. The entire tract occupied by the Chanticleer is in a one-family residence B zone.

The developers will seek a zoning change at the Sept. 11 meeting of the Millburn Board of Adjustment, Naue said.

Don't cry, little man, don't cry...

This unhappy little fellow is learning an important lesson—tears do not solve problems.

Life brings many difficulties to the average person, often heavy burdens of responsibility, grief, and pain that must be met without compromise.

But there is a wise solution for all of us if we fortify ourselves with qualities that will give courage, faith, and hope in the face of all trouble.

In hours of stress and anxiety, the Christian religion is a rock of refuge. In the Church you will find spiritual strength, guidance, and enduring comfort. Go to God's House and put your trust in Him.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Table with 4 columns: Day, Book, Chapter, Verses. Lists Bible readings for each day of the week.

These Messages are being published each week in The Springfield Sun and are sponsored by the following interested individuals and business establishments:

Many Attend Rites Of Former Resident

A delegation of members of the First Presbyterian Church of Springfield, attended the Funeral Service of Mrs. May Caswell Liggett, widow of Dr. George Armstrong Liggett, former pastor of the Springfield Church, 2 P. M. Monday August 13 from her home in Afton, New York.

Church. If though she moved out of town, she retained her membership in the local church until her death.

Dr. Liggett retired from The Springfield Presbyterian Church in 1945 where he had been pastor for over thirty years. He passed away in June 1948 in Afton, New York.

WHAT THE BIBLE TEACHES ABOUT GOD

Most good citizens want to see honesty and justice exercised in government. We abhor the thought that anyone, whether government official or private citizen, can get away with dishonesty or crooked dealing. If there were no justice chaos instead of order would soon reign. The Bible teaches the righteousness and justice of God. Although many people expect reasonable justice in everyday life they cannot understand how a loving God can in any way carry out justice in the form of punishment. The first thing that should be realized is that God is holy. Psalm 99:9 says: "Exalt the Lord our God, and worship at his holy hill; for the Lord our God is holy." By holy is meant that God is absolutely without sin and can never do anything wrong. A light view of God's holiness will produce a light view of sin. Perhaps as one compares himself with friends and neighbors he may compare favorably, but as one compares himself with God's standard of holiness he can only be sinful. Moreover, God does not take a light view of sin; in fact, God must punish sin because He is holy and just. If God would overlook sin He would be condoning sin. This He cannot do.

Since God is holy and righteous He does always that which is right. Therefore, God punishes the wicked and rewards the righteous which is done on the basis that God knows everything whether good or bad. Let no one think that any evil doer will get away with an evil deed. It may seem to us that some people get away with shady deals in this life but everyone must stand before the judgment seat of God. St. Paul spoke of such judgment in Acts 24:25: "And as he reasoned of righteousness, temperance, and judgment to come, Felix trembled, and answered, Go thy way for this time; when I have a convenient season, I will call for thee." It is clear then that we must all face the judgment of God. God is righteous and just and as such must punish sin. Whether we like the thought of punishment or not does not eliminate the Bible fact.

God is aware of our sinful nature and our weakness as sinners. The Bible tells us: "all have sinned and come short of the glory of God." In view of man's helplessness God provided the way of forgiveness through Jesus Christ and His death upon the cross. God as a loving Father does not want to punish us but rather to lead us to salvation. If we fail to accept His Son as our Saviour then God must hold us accountable. God forgives sins of the penitent. I John 1:8: "If we confess our sins, he is faithful and righteous to forgive our sins, and to cleanse us from all unrighteousness." Furthermore, God rewards the righteous. Hebrews 6:10 says: "For God is not unrighteous to forget your work and labor of love, which ye have showed towards his name, in that ye have ministered unto the saints, and do minister."

God is righteous and just. He punishes sin and rewards righteousness. We can be righteous only as we are in Christ Jesus. It is through Christ alone that we have forgiveness of sins and acceptability with God.

NOW... G-E FILTER-FLO® WASHER with TWO-CYCLE WASHING FOR NORMAL AND DELICATE FABRICS

One simple dial... you have the choice of either a normal wash cycle for regular family wash or a special short cycle for your fine fabrics and delicate synthetics. All you do is set the one illuminated dial and let the washer do the rest... there's no worry about washables like nylon, sheer lingerie and other synthetics. The short wash cycle of one to four minutes is automatically followed by short rinse and spin periods that give fine clothes the gentle care they need.

PLUS—your choice of warm or cold water rinse.

Just touch a pushbutton to get the usual warm water rinse or a cold water rinse that saves gallons of hot water.

NO LINT FUZZ ON CLOTHES

Removes lint, sand and soap scum automatically! The full tub of wash water circulates and filters at the rate of six gallons a minute. As the wash-basket continuously overflows, sand settles out at the bottom. Soap scum floats away. Lint is caught in the filter—not on your clothes. The new G-E Filter-Flo Washing System cleans and recleans the wash water to give you cleaner clothes. Big Capacity, too. You get over 50% more clothes capacity than many other automatics. Water Saver lets you save gallons of water on spill loads. 5-year written warranty on transmission.

Shady Tree Realtor Offers Unusual Home Trade-In Plan

Five Points Realty of Union, selling agents for Shady Tree Estates, Milltown Road, have introduced a plan for purchasing Shady Tree Estate homes that is unique in this area—the home-trade-in plan.

This plan is directed to potentially good prospects for new homes who rarely show up at the real estate developments because the complexities of buying a better home frightens them. They may feel they need more cash in the bank. Perhaps the thought of having to move twice or of being caught in a bind with two houses on their hands keeps their interest lagging.

The trade-in offer made by Five Points Realty is intended to reach home with these people, kindly

the sale of the old home, the buyer is required to sign a formal contract and make the initial down payment on the purchase of the new home.

The sale of the old home and the purchase of the new home are handled as a package transaction by Five Points Realty, which precludes the possibility of difficulties arising when more than one real estate broker is involved.

Reports have it that the Home-Trade-In Plan has thus far proved quite successful.

LETTERS FROM READERS

Receiving letters from readers is one of the bright spots in the day of the editor and the Herald Statesman of Yonkers says that most welcome among the many items in our mail are the comments of readers on the news or editorials, and we are delighted to consider these for publication.

"It is our pride that there is such a substantial participation on the part of readers, for it is important that a great variety of views be presented in the market-place of public opinion if the truth is to be arrived at by the community at large."

When emotions run high, tempers naturally flare (on all sides) and letters are inclined to be intemperate. For example, many abuse the newspaper and its editor, which is quite all right. One vigorous contributor took about 1,900 words to flail the editor in this discussion and since newsprint is high priced, the manuscript was returned with an invitation to be a little more concise—in the attack, perhaps limiting the vituperation to 200 or 300 words.

"Are letters to the newspaper edited? They certainly are. All material submitted for publication is edited."

"Copy is not revised out of perversity or with any motif other than service to the reader. We watch for accuracy so that no obviously misleading statement is made without proper warning to the reader. We look for errors in grammar, in spelling. (We don't always succeed.) We strive for reasonable brevity and conciseness so that the reader won't be bored. We strive for fairness—for example, we eliminate most personal references except those about that Ol' Debbit, the Editor. We prefer discussion of issues, not the personalities of those who hold the views."

Every effort is made not to alter the sense of the writer or the meaning. Often, we feel, the editing improves the letter and assures greater readability.

"Ah, but we are asked, is that not an invasion of the reader's right, his freedom of the press?"

The answer to all these questions is No. The entire and exclusive responsibility for publication belongs to the newspaper. If libel is involved, the newspaper is sued, not the writer, as a rule.

"We must accept that responsibility, and responsible editing is part of that obligation."

"Some writers, of course, place a warning atop their letter, reading, 'Publish Exactly As Is Or Not At All.' That makes for an easy decision in our office. We don't publish at all. For there is no 'holy' copy which must be published without proper editing and correction and revision."

"Every reader may be gratified that this is, for where there is 'sacred' copy that must be used 'as is,' the service to the reader is far less than it ought to be."

Summer Session at Pingry Ends Class

Classes will end tomorrow for the 283 students who have been enrolled in the academic courses and for the 235 boys and girls in the recreation divisions of the 15th consecutive Pingry Summer School Session.

The school attracted pupils from a large area. Forty-eight different public, parochial and private schools were represented in the academic classes for grades 4 through 12 alone. Boys or girls from 47 communities were enrolled in the various departments.

According to C. Elliot Knoke, Pingry Summer School director, the students took advanced courses, reviewed subjects that had given them trouble during the regular scholastic year or received help with reading problems. Mr. Knoke said that the classes had an average of six pupils which allowed for a maximum of individual help. The greatest enrollments were in these subjects: 1st year algebra; six sections; 1st year English and 1st year Latin; four sections each; and 1st year French, three sections. In the recreation division, the boys outnumbered the girls, 126 to 109.

During the eight-week school, the faculty enjoyed two picnics. The first was held at the home of Mr. and Mrs. Knoke in Basking Ridge; the second, at the school. Theodore L. Mayhew of the faculty was chairman of the entertainment committee.

Administratively, Mr. Knoke was assisted by Charles B. Atwater, head of the Middle School; Mrs. Edward C. Clayton, head of the summer session Lower School; Miss Ethel M. Schmidt, remedial reading director; and Reese Williams, director of recreation.

TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal
Chairman, Springfield Shade Tree Commission

During the course of the year many questions are asked about every phase of gardening. Through this column in the Sun I shall attempt to answer all of them at the appropriate time.

Crabgrass being the number one subject at this time of year, I will try to answer as many questions as possible before it goes to seed.

QUESTION: Is it possible to lick the crabgrass problem?

ANSWER: It certainly is possible. Good cultural practices are most important. Feed your lawn with a good, slow acting fertilizer very early in the Spring. Mow your lawn regularly with a sharp mower set to cut at least 1 1/2 inches high. Water only when necessary and keep a sharp lookout for lawn insects and diseases. Eliminate as many weeds as possible by hand pulling, or with chemicals. Feed again in late summer and apply lime some time late in the year.

QUESTION: What chemicals are best at this time of the year?

ANSWER: Many chemicals can be used including the following: PMAS (Phenyl Mercuric Acetate), SODAR (Disodium Methyl Arsonate), P. C. (Potassium Cyanate) and ZOTOX (Sodium Arsonite). PMAS

and SODAR are the safest to use and give very satisfactory results when properly applied. Follow the label directions carefully and you should get good results.

QUESTION: How can these materials be applied?

ANSWER: Both PMAS and SODAR can be had in either a dry powder for application with a fertilizer spreader, or as liquids to be applied with tank and hose type sprayers. The fertilizer spreader must be one that can be adjusted for a fine setting, or material will be wasted and damage to the turf may result. Liquid sprays should be applied with a fine mist spray as large droplets have a tendency to roll off the foliage. SODAR works best at temperatures above 85 degrees.

QUESTION: When is the best time to apply crabgrass killers?

ANSWER: For pre-emergence treatment, (control of weeds before they are visible), PMAS can be applied as early as late April and continue treatments weekly throughout the germinating period. This method has been quite successful for many years. After the crabgrass is visible start treating at once with PMAS or SODAR until plants are no longer alive. Two

CYO Sets Festival

The Catholic Youth Organization of St. James Church, Springfield will hold its third annual Harvest Festival on the school grounds on Saturday September 15. The time is tentatively set from 1:30 to 10 p.m.

Local Businessman Had Foreign Career

The many thousands of Brazilians who now dunk donuts and eat their breakfast coffee have a Springfield resident to thank for this contribution to their way of life. The man who introduced these delightful pieces of pastry to our South American neighbors is Herman Nadel, of Woodside Rd., Springfield.

Mr. Nadel, who is the new owner of Nadel's Service Center at 251 Morris Ave. (formerly Towne Sinclair and Doyle's Esso), spent 14 years in Brazil from 1930-1944. He held this office for four years, including the publishing of an English-language paper until World War II, when the United States Government asked him to assume the office of vice-consul in the Latin-American country. He held this office for four years until his return to this country.

A resident of the township for the last 7 years, Mr. Nadel resides here with his wife Selma, and their two children, Neil, 4, and Rona Sue, 3 1/2.

Admitted to Bucknell

Ian Struthers, son of Mrs. Jean Struthers of 48 Colfax Road, has been admitted to the freshmen class of Bucknell University, Lewisburg, Pa.

Struthers was graduated this year from the Pingry School, Elizabeth, where he was active in varsity sports and several other extra-curricular programs. At Bucknell, he will study for the degree of bachelor of science.

TEMPLE BIRTH ANNIV. DAY CAMP
Last Wednesday was a very busy day for our camp for we had our second annual carnival. About one hundred parents, friends and relatives of the campers attended. We had 22 different games to play. These were made by the campers. The following had booths: Jimmy Bender, Dart Toss; Gary Jacobson, Canon the Fish;

In addition to the games, we served a hot lunch. Assisting with the preparations were: Mrs. L. Max, Mrs. M. Kappeler, Mrs. D. Kaplan, Mrs. L. Johnson, Mrs. M. Polkome, and Mrs. S. Mardoff.

Special entertainment, the Nursery Day Campers put on a little show consisting of songs and recitations, under the direction of Mrs. Gail Johnson. Those performing were: Penny Simon, Irene Glicker, Susan Shaffer, Susan Hirsch, Shirley Weinberg, Ellen Krueger, Steven Max and Shelley Rutkowski.

The entire Camp spent Friday afternoon boating on the Lake at Echo Park. Every camper in the Day Camp can now row a boat by himself, except two oars. We are very proud of this achievement.

We didn't mind the rainy day last Monday because we had such a wonderful time at the Community Theatre in Morristown. We saw the film "The King and I," which we all enjoyed.

On Wednesday, August 15, we are going on our second annual trip to New York. We are going to see the Statue of Liberty, the Campers voted to go there even though some had been there before. Most of the group have not been to the Statue before and can't wait to climb to the top. We will have our lunch at Central Park in the afternoon.

The following new campers will spend the rest of the summer with us: Diane Greenstein, Marjorie Wenzel, Jimmy Bender, Susan Hirsch, Abby and Patsy Fisher and Myrna Bernstein.

Championships were held, featuring playoffs among the winners from the seven playgrounds in various sports and games. Those representing James Caldwell were Laura Merz-Talbot, Eddie Pollock-Horseshoes, Jack Moore-Quota, Ricky Mulhaupt and Chris Landrigan-Chester. Tom Lynch-Chester, Eric Reu-Pool shooting, Barbara Thompson and Holly Hoffman-Jacks, and Diane Fopisto-Horseshoes.

Those children who entered the photograph contest, the results of which will be printed in next week's issue of the Springfield Sun, are: Jerry Bryner, Sue Beatty, Holly Hoffman, Tom Lynch, Gary Fatcher, Laura Merz, and Alan Preston. The judges, who are all experienced in the art of photography, will have a tough time trying to pick the winning photos, since all of those entered by our amateurs are excellent.

HENSHAW PLAYGROUND
This week winds up the playground season of Springfield. Once again it has been an exciting and enjoyable season at Henshaw Playground. As it has been noted the children here seem to "love" some of the grounds. Our very energetic group has brought the playground up to a grand total of 20.

Our playground has introduced basket weaving into the craft circle. The children have made beautiful baskets, baskets for such snacks as potato chips, nuts, and crackers, baskets for fruit, baskets and covers for the flower pots. We have really become experts in this line. Miami University has nothing on our course in Basket Weaving! Very nice and useful baskets were made by the following: Mrs. Mocanna, Karen and Sara DelVecchio, Marilyn Miller, Richard Minnette, Tom Minnette, Tom and Jim Condit, Sharon Hinton, Jackie Aggar, and Bob Worman.

(Continued on Page 11)

Mr. and Mrs. Robert G. Smith and son, Barry are leaving on Saturday for Florida where they will visit with their son and daughter-in-law, Lieut. and Mrs. Robert A. Smith. Lieut. Smith is stationed at Panama City with the U. S. Air Force. On their return trip, the Smiths will stop at New Orleans, Louisiana as guest of Mrs. Smith's cousins, Mr. and Mrs. Walter T. Long.

Roger Smith will leave for Gambia, Ohio where he is enrolled in the sophomore class of Kenyon College for Men.

Mrs. Edith Squire of United Fabrix, 167 Morris Avenue, is leaving this week for a two-week visit in Jamaica, West Indies, with her husband, Walter Squire.

REGIONAL PLAYGROUND
The City Championships last Wednesday and softball game with Kentworth on Thursday were the highlights of the week's activities at Regional Playground.

The children were very busy on Monday and Tuesday preparing for the City Championships. Five of the events were held at the Regional Playground, these events were: horseshoes, boys' tether ball, chess, and ring tennis.

The team representing Regional Playground did very well in the City Championships, there were four winners and two second place finishers. Winners were: Bob Burt, Nancy Schubert, checkers; and Barbara Nicol, four shooting. Mike Kenworthy finished second in boy's foul shooting and Alan Wycoff finished second in boy's ring tennis. The other Regional Playground representatives were: Kathy Detrick, girl's tether ball; John Frenon, boy's tether ball; and Sandy Greiner, horseshoes.

The Springfield Playground Softball Team played host to the Kentworth team at the Regional Playground on Thursday.

A seven run inning by Kentworth was disastrous for Springfield and although we scored eight runs in the fourth inning, Kentworth held on to win the game 10-9. The big hits for Springfield were trips by Jay Gladstone and Alan Wycoff, and a home run by Rich Coan. The Springfield line-up was as follows: Richard Greene, 1st; Bob Kenworthy, 2nd; Rich Coan, 3rd; Lou Lora, 4th; Jay Gladstone, 5th; Fredy Porro, 6th; John Letts, 7th; and Ricky Baker, 8th.

A new craft was introduced at the Regional Playground last week, basket weaving. This has been extremely popular ever since its introduction and artistically done baskets were made last week.

JAMES CALDWELL PLAYGROUND
We now have 135 children registered at James Caldwell Playground. Those who joined this week are Carol Spranger, Holly Hoffman, Mike Oslawski, Thomas Lido, Michael Lido, Reinhold Regal, Sue Rolly, Dennis Coggio, and Mike Gurow.

As far as points are concerned, as we end the sixth week of competition, those girls leading are: Chris Landrigan, 58; Laura Merz, 50; Barbara Thompson, 60; Diane Deisher, 58; Diane Ponzio, 46; and Karen Wenzel, 45. Those who are tops in the boys category are: Ricky Mulhaupt, 103; Gregg Anderson, 92; Drew Hope, 78; Alvin Preston, 61; Fredie Reu, 57; and Paulach, 57.

Other low-price cars can't possibly give you these 7 big Plymouth extras!

- 1 Tomorrow's styling today: You can easily see Plymouth is all new, while other low-price cars haven't changed much in the last two years.
2 Biggest, inside and outside: Plymouth's the biggest, longest, roomiest car of the low-price three. A smoother ride and more room to enjoy it!
3 Exclusive Push-Button Driving: With a mere finger touch, you select your driving range—as you'd ring a doorbell. On left, out of children's reach. Positive, mechanical linkage.
4 Choice of two superb engines: Pick either Plymouth's sensational Hy-Fire V-8 (up to 200 hp—240 hp in the Fury) or the PowerFlow 6.
5 Top take-off and passing power across the board: Plymouth's 90-90 Turbo-Torque provides the greatest breakaway and passing power in all models of any low-price car.
6 Greatest attention to safety: Plymouth gives you many more standard equipment safety features—Safety-Rim wheels, electric windshield wipers, SafeGuard door latches, dozens more.
7 Far more extra-value features: Plymouth's low price includes many exclusive luxury features. Compare at your Plymouth dealer's today!

PLYMOUTH costs less From the day you buy it...through all the years you own it...you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.

Obituaries

Harry W. Ober
 Harry W. Ober of 86 Colfax Rd. passed away Wednesday, August 8th, of a heart attack at the age of 65. He lived in Springfield for fifteen years. Prior to that he made his home in Irvington. He was a jewelry designer and engraver for the Jabell Ring Mfg. Co. in Irvington for 36 years. He leaves his wife, Matilda and one daughter, Mrs. Eichenlaub. Also his mother, Mrs. Louise Ober of Jacksonville, Fla., 2 sisters and 2 grandchildren.

Funeral services were held Saturday at 2 P. M. at the Haerberle & Barth Funeral home in Irvington. Rev. Bruce Evans, Presbyterian Church officiating. Interment was held at the Hollywood Memorial Park in Union.

Trailside Museum Announces Annual Art Exhibition

Artists throughout Union County may enter paintings in the Annual Art Exhibition to be held at the Trailside Museum in the Watching Reservation on September 23. The Union County Park Commission announced. Cooperating with the Park Commission in sponsoring the exhibit are the following art associations: Cranford Creative Art Group, Elizabeth Art Group, Plainfield Art Association, Summit Art Association and the Westfield Art Association. Entrants need not be members of these groups. Exhibits are welcome from all county organizations and from individuals. A popular vote taken during the exhibit will determine the winning painting and the two runners-up.
