WAIT 'TIL NEXT YEAR

An accepted cliché is the saying that "there is nothing quite so old as yesterday's newspaper." This is especially true about weekly newspapers—except the last issue containing the results of the recent election.

If you are interested in post-mortem or, to use a term not quite so harsh, result analysis, a quick survey of the tabulation of votes in Springfield reveals several interesting things.

First—there is now a definite two party system in the Township and both the Republicans and Democrats realize it. The approximately 2,700 votes attracted by the two Democratic candidates for Township Committee, can be put down as the firm figure of Democratic strength in Springfield—give and take a couple of hundred either way.

Second—that the election results proved the personal and individual strength of both Mayor Albert G. Binder and Eugene F. Donnelly who came through despite a campaign that bristled with charges and counter-charges.

It is difficult to measure the influence of President Eisenhower on the local scene except that a great number of "every four year voters" came to the polls last week to cast their ballots for the Republican standard bearer. And, it's safe to assume, that they pulled all the levers on the same Republican line while they were at it.

We don't mean to imply that Mayor Binder and Township Committeeman Donnelly sailed in on the coat-tails of President Eisenhower but being on the same ticket didn't hurt. However, it is our opinion that both Republican candidates had a strong enough personal following to have gained victory on the basis of their own records as members of the Township Committee.

While we congratulate the "pros" and the well-oiled machinery of the Republican organization in Springfield for this splendid victory, the Democrats in Springfield put on a top show and are to be reckoned with from now on. They had an inspired group of volunteers working in behalf of the Democratic cause, many of them exposing themselves to the political battle for the first time. But, the baptism of political fire, despite the fact that their two best candidates failed to make the grade, has made them part of the permanent Democratic team and, already they are beginning to map out the campaign for next year and the following year.

PRaise for Mrs. Amy Bandomer

The local election results gave many of the workers in both political camps a "pat on the back" but one of the Republican stalwarts did such a magnificent job that there is no challenge now to her title as Springfield's "Mrs. Republican."

We're referring to Mrs. Amy Bandomer whose hustle in the campaign was outstanding.

As a matter of fact the Elizabeth Journal singled out Mrs. Bandomer for special thanks, a statement by Senator-elect Robert C. Crane in his newspaper saying that "I would like to express my gratitude for the strong support from the women of the county as characterized by Mrs. Amy Bandomer of Springfield throughout the primary and general election."

"IT IS KISTOMARY TO CUSS THE BRIDE."

Of the making of books—yes, also of spoonerisms—there is no end. Dr. William A. Spooner, for whom the practice is named, was a warden of New College, Oxford, who passed on in 1930. During his career he acquired—shall we say by rind of diphthong—a certain kind of fame, so that his name now attaches to any "accidental transposition of sounds" (Webster), and it amusing so much the better.

Spoonerisms can be invented deliberately, but they rarely ring true unless unintended, as we have just shown. One of the most famous is Dr. Spooner's own announcement in 1879 of a bymn, "The Kinkering Coogs Their Titles Take." He spoke also of having a "half-warmed fish within us" when he meant a half-formed wish. "It is kistomary to cuss the bride," he told a wedding party. He even referred to a "showing leopard."

We were reminded of Dr. Spooner when a voice at the other end of our phone wire said that somewhat intended to accomplish a matter at "one swell foop." This was genuine spoonerism delivered in the proper state of sublimated unconsciousness, and we felt it should go into the record.

Perhaps what has made Dr. Spooner's talent of worldwide interest is that many of us are similarly gifted. It was not Dr. Spooner, but surely a worthy kinsman, who responded to an honor with speech that began, "I am flattered and gratified." Surely Dr. Spooner would be similarly pleased to know his followers carry one.

Especially that radio announcer who introduced a former president of the United States on a national network by saying "And now, we present Mr. Hoobert Heever."

IT TAKES ALL KINDS

There are chiefly three kinds of citizens in the county... those who make things happen, those who watch things happen and those who do not know things are happening. (Baldwin (Ala.) Times)

Newberry Employee Now At Fort Hood

Pvt. Clifford R. Henderson, Jr., whose parents live at 68-B Wabano avenue, is receiving eight weeks of basic combat training with the 4th Armored Division at Fort Hood, Tex.

Henderson is in the first of a three-phase program set up to train 7,500 replacements for the 3d Armored Division in Germany. The 22-year-old soldier is a 1956 graduate of Upsala College and a member of Kappa Beta Phi fraternity. Henderson was employed by the J. J. Newberry Company in Springfield before entering the Army.

WE ARE SORRY!

We would like to take this opportunity to correct some mistakes that have appeared in the SUN in the past few weeks. The story on Stewart C. Fulton being made an executive manager at Esso, which appeared in the October 25 issue had a picture, which was definitely not Mr. Fulton. The picture on Crestmont Savings in last week's paper showed Mr. and Mrs. Richard Holland receiving gifts—not Holland as indicated in caption. The same caption listed Mrs. Mary Doby as assistant treasurer. Mrs. Doby is grateful for the new title, but informs the SUN that the position is still a secretary.

Township May Enlarge To 11 Vote Districts

Springfield's present six voting districts may be enlarged to eleven in time for next year's election.

The redistricting of the Township for voting purposes has been made necessary by the great number of new residents that have moved to Springfield and are now eligible to cast their ballots.

Preliminary steps were taken at the last meeting of the Township Committee when the new map, prepared by the governing body and Township Engineer Alfred H. Swenson, was submitted for study. Copies of the map will be given to both the Republican and Democratic municipal committee and the entire matter must then be referred to the Township Committee for proper legislation.

Final decision will be in the hands of the Union County Board of Elections after both municipal political parties agree on the boundary lines of the new districts to be created.

The election laws state that "no district shall contain more than 600 voters" which means that every one of the six districts in Springfield are over that number. However, it is understood that the First District will remain without a change since there are 757 voters registered within those boundaries.

The other five districts, from No. 2 to No. 6, will be split into two districts for each. The boundary lines will be announced after all the officials and part representatives have had an opportunity to thoroughly study the matter and make recommendations.

Guest speaker will be Mrs. Abner Benish, President of North Jersey Central Region, who will make an address from the pulpit of Temple Beth Ahm, Baltusrol way in Springfield. Mrs. Ivan Crouch, Chapter President, will join with Mrs. Benish and Rabbi Levine in greeting members and guests after services. Mr. Irving Kramer will serve as Cantor. State Highway Boss Still Ignores Morris Ave. Rails

With the usual bad Winter weather approaching, Springfield is again faced with the possibility of serious accidents in the business section of Morris Avenue due to the dangerous, exposed trolley tracks.

All because Hon. Dwight R. G. Palmer, Commissioner of the New Jersey State Highway Department, refuses to have the state spend "the puny few dollars" it would cost to cover the surface of the street and eliminate the danger of skidding cars.

Commissioner Palmer, after a long series of urgent and unanswered letters from Springfield's governing body, finally did send a reply in which he stated that "the Department was ready to cover the rails on condition that Springfield will prohibit parking on Morris Avenue AT ALL TIMES—24 HOURS A DAY."

Another letter, dated July 29, 1956, was addressed to Highway Commissioner Palmer by Mayor G. Binder on behalf of Springfield asking for the removal of the tracks but no reply has been received as yet.

No Answer Yet
State Highway Commissioner Palmer is ignoring the pleas of Springfield to eliminate the dangerous rails in Morris Avenue and some drastic action will have to be taken by the municipality, according to one Township official.

"Mr. Palmer has no difficulty finding the necessary funds and justification for adding extra lanes, building new highways, connecting Padunk with Peach Tree, and pouring a nice ribbon top on the Pulaski Highway," said one of the Morris Avenue property owners, "but he doesn't want to do anything about the exposed rails which would probably cost only a few thousand dollars."

The Commissioner has made a statement that the Public Service laid the tracks in this portion of the state by way. This is not true, of course, and Mr. Palmer should do some research before he makes a statement that arrangements should have been made with Public Service for the removal of the tracks.

"It will be news to Mr. Palmer" (Continued on Page 2)

Streets Torn Up; How About Zipper?

The recent facetious remark that "the utility companies should put zippers on the streets in Springfield" is still funny—except to those residents who have to listen to the staccato pounding of the pneumatic drills.

This week the Commonwealth Water Company is ripping through the area of Morris and Springfield avenues, running in a new water main which means tearing up the recently opened and closed paving.

Main street, Morris and Linden avenues have been opened up and repaved again about four or five times in the past few months, each utility company digging up the pavement whenever there was need of increasing the services.

Springfield is growing so rapidly, an official pointed out, that all the utilities find they need increased facilities, and the contractors don't take the trouble of scheduling the excavating work so that the work could be done at one time.

Signs Point to Bonadies and Grabarz Scrap

Now that the sound and fury of the recent political campaign in Springfield is dying out, the Monday morning quarter-backs are already shouting "wait until next year."

The Republicans, encouraged by the victory of Mayor Albert G. Binder and Township Committeeman Eugene F. Donnelly last week, feel confident about grabbing off the single contest next year. But the Democrats are smiling, even though they aren't saying too much at this time.

However, it is a known fact that both sides are already making plans for the coming campaign and, before hanging up the political gloves for the season, announcements are expected from both camps as to the candidates.

While there is nothing official and both the Republicans and Democrats are coy about answering any questions on the subject—the lineup will probably be Henry Grabarz pitching for the Republicans against Vincent J. Bonadies, present Committeeman, who will defend the goal for the Democrats.

The Democrats, according to one of their spokesmen, are disappointed because of the set-back in the local elections last week but not the least bit discouraged. They recognize, this spokesman states, that President Eisenhower's great popularity was the difference between victory and defeat for the Democrats in Springfield last week and next year, they insist, they won't have to contend with either the personal vote getting ability of a Presidential candidate or the "once-every-four-year" voters.

Another encouraging sign for the Democrats is the unusual number of volunteers who labored in the recent campaign and the enthusiasm displayed by these workers. "We had more workers than ever," said one Democratic leader, "and much credit is due this group. There were a great number of new faces—new residents who want to be counted on when the next campaign gets under way in the Township."

Both sides—Republicans and Democrats did an exceptional job in getting out the vote in Springfield. In percentages the unofficial figures show that 93 percent of the eligible voters went to the polls last week, 6,071 casting ballots of a total of 6,537 qualified voters. Only Mountaineer and Linden reported a better percentage.

"I plan to make personal appearances before every municipality in Union County," said Bonadies, "to have them pass similar ordinances in an effort to combat the New York State laws permitting drinking at the age of 18 while our State says those under 21 are minors."

"I also plan to appeal to churches, civic and other organizations to cooperate in this matter."

Need Celebration
"We are not changing that our youngsters—the kids from Union County—are the offenders but Union County has become the spot for drinking alcohol, obtained in Staten Island but consumed somewhere in this area. We believe that the ordinance, as passed or its first reading in Springfield, will spotlight the problem and, if we can get the cooperation of all the municipalities in Union County, the job of passing such a law by the" (Continued on Page 2)

Yankee Baseball Star Is Guest at St. James C.Y.O. Dinner

Jerry Coleman, famous star of the Yankees, spoke before a packed house at the C.Y.O. Baseball dinner in St. James Cafeteria, stressing the importance of clean living and good sportsmanship and pointing out that good education is more important than even baseball. "Only 400 men can become major leaguers," Coleman stated, "and a fellow with a good education can become a major leaguer in many other fields."

Father Edward, former moderator of the C.Y.O., urged all the boys to follow the footsteps of Jerry Coleman, not only as a baseball star, but as a clean-living C.Y.O. youth who grew up to become "a fine father and family man." Father Edward lashed out at the hoodlum type of character that many of our youth seem to admire and pointed out the many advantages of following a course of decency and clean living.

Guests at the dinner were Toast Master "Bill" Burns, President Stan Cornfield, Father Edward, Father Oehling, Moderator of the C.Y.O. and Sponsors Vince Benadies and "Ken" Casale.

After the dinner prizes were awarded to winning teams in the major and midget classes and managers of the various teams were introduced. All parents present were asked to take an active part in C.Y.O. work and were urged to attend games to give moral support to the boys.

The Arabian A-ab-abu has galloped off with 19 ribbons this year. And Ernie that next year, he, the horse, and Miss Bricker, are really going to make an impression on the horse show circuit. Of special interest is the story of the thoughtful members of an eighth grade class in the Gaudin School. Although they did not have the official UNICEF cartons, these boys and girls contributed \$18.50 of the money they received on Halloween. What a fine gesture they made!

This year was a wonderful beginning for Halloween that will bring health and comfort to children around the world. Let's hope that the entire town of Springfield will participate in "Trick or Treat for UNICEF" in 1957.

What About Others?
This same official pointed out that Springfield has been the "guinea pig" for some of the Highway Department's new ideas on parking controls for highways running through the main business streets but none of the other municipalities are putting into effect the same regulations. Springfield, he pointed out, passed an ordinance prohibiting parking during the peak of traffic both in the morning and evening but the same rules do not prevail in the other communities where the highway runs through the business section.

The present two hour no-parking rule has Morris Avenue merchants still shouting that it spoils business for Springfield. He continued, and if Mr. Palmer's demand—that all parking be prohibited in Morris Avenue were ever accepted, Morris Avenue business men may have to do something about it on their own.

LETTERS

Editor Sun,
Due to inability to meet last week's "dead line" for inclusion of this letter, I would appreciate your publishing it in your November 15 issue.

To all those citizens of our township who voted favorably for Al Binder and myself, either in person or by absentee ballot, go my sincere thanks for your expression of faith in our ability and our integrity as administrators of your municipal affairs. We can best express our appreciation by pledging to continue the exercise of our best efforts in your behalf in the ensuing three years of our new terms. Such a pledge you are hereby offered.

To those who were interested enough in our continuance in office to give so enthusiastically and unselfishly of their time and effort to spread the word among their fellow citizens, we also offer our thanks. Any attempt to enumerate all who worked so unceasingly would be fraught with the danger of someone's being missed.

"Operation Deep Freeze"

Last week the Boy Scouts of Troop No. 70 enjoyed an overnight camping trip to Camp Winnepego in Marcella, New Jersey where the temperature unexpectedly dropped to 15°F at night. However, the 21 Scouts, under the guidance of their Scout Masters, Bob Isley and Bill Hummel, certainly took this exceptionally cold weather in their stride.

A good portion of the time was consumed gathering firewood to keep the camp fires going but there was still time available for some of the Scouts to pass certain tests which can only be done on camping trips.

Two committee members of the troop, Mr. Bill Melneck and Mr. Henry Bruekner camped with the boys and were justly proud of the way they conducted themselves.

We are looking forward to more and bigger camping trips in the future.

Your Library

The day has finally come when the Springfield Library must close. The last regular circulation will be 5 P. M. Saturday, November 17. After that time the heating system will be renovated, and without heat it is impossible to use the building. However, the librarians are using the time to go over records and collect books long overdue, so that every reader will be ready to use the library as soon as the new wing is finished. Every Tuesday the librarians will be at the chapel of the Presbyterian Church, a few doors from the Library on Main St. This will give people with special problems a chance to stop in and consult them. Many books have been sent to

each school classroom, so that children may exchange them with each other, and have books to read while the library is closed.

CHILDREN'S BOOKS

All books which were borrowed for "duration" and all children's books which were borrowed after October 15, may be held until the new wing is finished.

"PAY" BOOKS

All seven-day books borrowed after November 3 may be kept without paying a fine, for one week after the library is in operation again.

"PAY" BOOKS

So-called "pay" books for which two cents a day is charged, will be paid for up to and including November 17; then they may be held without charge until one week

after the library is in operation again. If it is possible to open the library from time to time during the course of renovations, it will be announced in the newspaper. The Springfield Sun, a poster will be hung on building, and word will be sent to schools. Mail will be received and telephone calls to the library number, DR 6-4264, will be answered. Watch the "Springfield Sun".

Two of the most popular features of the new gas ranges are the built-in ovens and broilers with separate counter top burners. They are so flexible that you can arrange them any way you want. You get smokeless broiling with that flame-kissed flavor; you get automatic clock-controlled cooking with matchless performance; and gas ranges are so easy to clean. P.T.A. NEWS

A regular meeting of the executive board of the Springfield Parent-Teacher Association will be held in the Teachers' Room of the

Florence M. Gaudineer School on Monday, November 19, at 8:15 p.m. This is American Education Week. The official week began on November 11 and observance of the week will continue through November 17.

Mrs. E. Weinger requests all P.T.A. members and friends to remember the CAKE SALE planned for the benefit of the Springfield P.T.A. Cakes and cookies will be offered for sale at the Grand Union store at 10:00 a.m. on Wednesday, November 20. Plan to buy some of these homemade cakes or cookies for the P.T.A. on that day.

The officers of the Springfield Parent-Teacher Association met at the home of Mrs. B. D. Yackman, president on Monday, November 4, and elected a committee to study methods of disbanding the current P.T.A. and forming four new P.T.A. units, one for each school. The committee members are Mrs. W. W. Hartz, Mr. Stanley W. McConkey, Mr. J. Frank Jakobsen, Mrs. Joseph F. Patterson, and Mr. William C. Fallon.

Two members of the P.T.A. executive board who attended the NJEA Convention in Atlantic City on November 8-9 were Mrs. Edward J. Sulder, publicity chairman, and Mr. William C. Fallon, secretary of the P.T.A.

Falcone-Burton Nuptials Held

William Falcone, Jr., son of Mr. and Mrs. William Falcone of 2 Kemp drive, was married on Saturday, November 10th to Miss Katherine Ann Burton of Manhasset, L. I. The wedding took place at the Congregational Church of Manhasset.

Mr. Falcone is a graduate of Pratt Institute, Brooklyn, N. Y., and is employed by the U. N. Financial Division. After a short wedding trip, the couple plans to reside in Brooklyn Heights.

THEIR NEW STORE—Steven and Margaret Wittman are shown in the hosiery section of their new Broadway Shops supermarket on Springfield's Route 22. It is a far cry from the small hosiery shop the Millington (N. J.) couple opened 30 years ago in Jersey City. At that time the whole staff of the store consisted of Mr. and Mrs. Wittman. Now there are 18 Broadway Shops of which Springfield's is the largest and most spectacular. The huge emporium next to Channel Lumber carries ready-to-wear clothing for women of all ages (1-100). Legislature will be easier.
"I am gathering information and copies of similar ordinances for Assemblyman Carl W. Crane of Plainfield who has promised to help make this a state wide law

by introducing and sponsoring legislation in Trenton as soon as he has all the material."
The ordinance banning "possession, transportation, distribution and consumption of alcoholic beverages by minors" will have a hearing at the Township Committee regular meeting of November 28. This is the first measure of

this type in Union County and Bonadies states that the State Division of Alcoholic Beverage Control has shown great interest in such legislation. The ordinance provides fines up to \$200 for violators.
Anxious to Help.
Assemblyman Crane's letter to Bonadies is as follows: "Sorry for

Church Honors 50-Year Members

A special recognition service was held on Sunday at the First Presbyterian Church for those who have been members of this church for over 50 years.
Special recognition was given to Miss Lizzie Kessler of 257 Short Hills Avenue who has been a continuous member for 79

years and is the oldest living church member.
Those in attendance were: Miss Caroline Day and Miss Flora Day, Miss Marion Gardner, M. Herbert Higgins, Mrs. Harvey Roberts, Mrs. Clifford Willis and Mrs. Benjamin Woodruff. Those who were unable to attend because of illness or residents elsewhere are: Mr. George Ayers, Mrs. Albert Cain, Mr. Jesse Cain, Mrs. William N. Heard, Miss Elsie Leber, Mr. William Graves and Mrs. Edward Williams.
The records of the church show that the first service held in the present building was held on November 11, 1791. Hence it was

most fitting that this day is annually-observed as a Recognition Sunday.

Ethical Culture To Hear Talk

Henry Austin, leader of the Ethical Culture Society in Maplewood, will present the second of a series of addresses on "Techni-

cal Development and Human Values." Mr. Austin's talk will be entitled "Spectators in the Living Room—Technical Development and Freedom of Speech."
The Sunday School, under the direction of Mrs. Daniel Solow, will meet with classes for children from pre-school to high school age at 10:15 A.M.

Police Unit To Meet

The Civilian Defense Police Reserve Unit will meet at Town Hall tomorrow night (Friday) to hear a lecture on State Motor Vehicle Laws.
A State Representative will be present to deliver the lecture which is scheduled to begin at 7:30 p.m.

the delay in replying to your letter with regard to legislation which would make it unlawful for minors to possess or consume beer or any intoxicating liquors in public or in automobiles.
"I have been giving the matter some thought and discussion and certainly believe it has merit. I would appreciate your making available to me the information you have been gathering and I would also like to get copies of ordinances already passed in various municipalities with reference to the subject. If you do not have duplicate copies of such material I can return it to you after I have looked it over."

Korean Missionary To Lecture Here

The Woman's Society of Christ-
ian Service and the Wesleyan
Service Guild of the Methodist

Church here will hold a joint meet-
ing Tuesday at 8:00 p.m. to hear
a missionary report on Korea.
Mrs. Olin Buckholder, the speak-
er, has been in charge of Kinder-
garten work of the Methodist
Church throughout Korea. She and
her husband narrowly escaped

WE'RE SORRY!

In last week's report of the an-
nual dinner of the Youth Baseball
League the names of the Spring-
field Bakery and Art and Bob were
omitted from the list of local mer-
chants who contributed food for
the dinner.

SUNNING SPORTS

By RITCHY SCHWARTZ

For the last few weeks (7) we
have delivered messages to you
concerning the Regional High
School football team. Well as the
season draws to a close we've run
out of adjectives, good or other-
wise. What can we say after
we've said we're sorry?

The coaching as we have said
so many times before is superb
and a staff made up of Earl
Blak, Pop Warner and Knute
Rockne could do no more. The
team, boy for boy can be classi-
fied as a fighting troop with
spunk and determination. The only
real fly in the ointment is the
RHS schedule. It is an unfortu-
nate situation. Every squad we
have put a Regional team up
against has been comprised of
veterans and gridiron scarred
athletes.

When an eleven faces another
eleven all twenty-two are humans.
All twenty-two have two arms,
two legs and two eyes. Experi-
ence might be the only thing lack-
ing in one group; experience is
the keyword in the Bulldog fold.

This idea of being equal was
put into practice last week-end
as our cousins from Clark de-
feated the Railway Indians and
their medicine man Bob "All-
State" Scarpitto. We don't take
anything away from Scarpitto but
it appears that his name and ac-
complishments have much to do
with his success. Half the battle
is won when an opponent feels
that he's not just tackling any
old quarterback, but an All-Jer-
sey quarterback . . . yet.

Ron Coles, Joe Sisia and Don
Bresny stepped onto the field with
cotton in their ears and deflated
the "big wheel". They crashed on
every offensive play and got Bro-
ther Bob so "shook" that he
tossed the pigskin twenty yards
over his receiver in a few in-
stances.

The Clark stands also exploded
in one of the greatest exhibitions
of school spirit ever put on in
high school hall. We would like
to congratulate the "better half"
and their fine coach Lou DeRose if
the Mentor can hear us. The last
we saw of him he was high in
the clouds atop his squad's shout-
ers.

If the Springfielders can get
"up" for the Turkey-Day tilt and
feel that they are on a par with
the "mighty" Indians . . . well
who knows, strange things are
happening . . . (Union 18-Plain
field 13).

Just about every one we know
is munching on Girl Scout Cookies
these days, particularly those with
Girl Scouts and Brownies in the
family; and no matter which kind,
cream-filled, shortbread, or choco-
late thin mints, they are so good.
Mrs. Joan Doege is our Cookie
Chairman again this year and
deserves a lot of credit as it is
a big job.

Leaders have finished the Basic
Training Course set up by Mrs.
Blanche Zidonik and taught by
Mrs. E. Mayer of Union. At the
last session the group was divided
into 3 patrols, and each patrol
presented a dramatic skit. Those
invested at this time were: Mes-
dames Gertrude Del Vecchio, Kay
Eppinger, Lillian Sprauer, Elsie
Wentz, Mary Ann Beck, Mary
Sammond, Julie London, Jane
Van Vranken, Mildred
Pelitti, Elsie Roller, Aili Herman,
Anita Hattersly, Lucy Leonardis,
Lily Cone, Paula Gash and
Marion Ehrhardt. Mrs. Jennie
Kent, Muriel Anderson and Ruth
Goldman were present but had
been invested before. The leaders
gave Mrs. Mayer a very lovely
handbag in which was a hamper
with a paan for good luck. Mrs.
Teresa Doherty and Blanche
Zidonik served refreshments.

TROOP No. 35.
Mrs. Edward Smith, leader.
We are a new Brownie Troop
and have really been busy as you
will see. Our first trip, was to
Trailside Museum to see nature
slides by Dr. H. N. Moldenke and
to take a hike along the trails
marked out there. Mrs. Penard
furnished transportation for the
trip. Our mothers were invited to
see us "planned" in October, which,
needless to say, is the highlight of
a Brownie's first year. Mrs.
Smith invested the following girls:
Joan Proto, who has since moved
to Pennsylvania, Gail Post, Ruth
Smith, Carol Wilson, Margo Pon-
ard, Marlene Voorhees, and Karen
Wentz. Margaret Anderson joined
us late and will be invested after
attending the required number of
meetings. We are happy to wel-
come Joan-Werner who has trans-
ferred from Pine Brook. Hallowe-
en was occasion for a party. Thank
you, Mrs. Post, for the scrump-
tious fancy cookies. Election Day
found us enjoying a cook-out in
Mrs. Smith's yard; so you can

see we really have packed these
nice fall days full of activity.

TROOP No. 41.
Mrs. Edward Kent, leader.
Mrs. William Anderson, co-leader.
This is the first you have heard
from us this year as 2nd year
Brownies. In addition to last
year's group we are happy to
have a new member, Patsy Dick-
erson. We were divided into 2
patrols—the Cubs and the Eagles,
and one day we hiked into the
woods near Bryant Avenue and
followed a trail, marked by the
girls in one patrol—real adventure.
Each patrol has elected an officer
and hostess, and we will re-
elect each month throughout the year.
On Halloween the Cubs and the
Eagles carved out our own pump-
kins and came up with real inter-
esting faces. Our Troop Commit-
tee consisting of Mrs. Edith Bell,
Carolyn Marler and Beulah Ruiz,
helping us out on transportation,
telephoning and the cookie sale
certainly are a big factor in the
smoothness with which our troop
is running. We missed Joan Cingar
those weeks—she was ill and are
glad she can be back with us now.
The Burry Biscuit Company
toured their plant in Elizabeth.
We were served all the cookies
and soda we wanted and our lead-
ers and mothers who went en-
joyed coffee.

TROOP No. 40.
Mrs. Philip DelVecchio, leader.
Mrs. Patrick Peeney, co-leader.
There are 10 girls in our 1st-
year Brownie Troop, and we, too,
are having our share of fun and
learning to help others. Our mem-
bers are: Patricia Feeney, Sandra
Karvoski, Carol Dorsline, Patricia
Kaufhold, Karen Hobbie, Judy
Oppel, Theresa Ondish, Joyce
Madura, Denise DelVecchio, and
Christina Callahan. We are work-
ing on Christmas gifts, big sur-
prises. Our troop committee, Mrs.
Kaufhold, Mrs. Ondish, and Mrs.
Callahan are giving us plenty of
co-operation. You'll be hearing
more from us in the near future.
We might add that we made all
our decorations for a Halloween
Party which were real bright and
gay.

TROOP No. 1.
Mrs. Robert Marino, leader.
Mrs. Frank Holter, co-leader.
We have begun work to meet
2nd-class requirements, which is
taking up our time as there is
much to be learned and so worth-
while. Andrea Gash has joined
us this year. Our Troop Mothers
are: Mrs. John Sellar, Mrs. How-
ard Autenrieth, Mrs. Howard
Stone, and Mrs. Martin Bachrach.

Begins Army Service
Pvt. Robert E. Wyckoff, son of
Mr. and Mrs. John W. Wyckoff
of 21 Hillside Ave., has begun
eight weeks of basic training at
Fort Dix.
Private Wyckoff attended John-
athan Dayton Regional High
School and was employed by
Singer, Engineer's in Livingston
before joining the Army.

Phyllis Schweitzer Is Engaged To Wed

Miss Phyllis Schweitzer (Chief Patroness)

On Sunday, November 4th, Mr.
and Mrs. James R. Schweitzer
of Meisel Avenue gave a party
in the Legion Hall in honor of the
engagement of their daughter,
Phyllis M. and Mr. Joseph J.
Raymond, son of Mr. and Mrs.
J. Raymond of Central Avenue,
Mountain. About 250 guests
were present.

Miss Schweitzer, a graduate of
Regional High School, is an em-
ployee of Allstate Insurance Com-
pany in Berkeley Heights. Mr.
Raymond, who served three years
in Korea with the U. S. Army after
graduating from Newark Techni-
cal High School, is presently
employed by the Bell Telephone
Company in Murray Hill.

TROOP No. 40.
Mrs. Philip DelVecchio, leader.
Mrs. Patrick Peeney, co-leader.
There are 10 girls in our 1st-

learning to help others. Our mem-

Karvoski, Carol Dorsline, Patricia
Kaufhold, Karen Hobbie, Judy
Oppel, Theresa Ondish, Joyce
Madura, Denise DelVecchio, and

ing on Christmas gifts, big sur-
prises. Our troop committee, Mrs.
Kaufhold, Mrs. Ondish, and Mrs.
Callahan are giving us plenty of
co-operation. You'll be hearing
more from us in the near future.
We might add that we made all
our decorations for a Halloween
Party which were real bright and
gay.

TROOP No. 1.
Mrs. Robert Marino, leader.
Mrs. Frank Holter, co-leader.

while. Andrea Gash has joined
us this year. Our Troop Mothers
are: Mrs. John Sellar, Mrs. How-
ard Autenrieth, Mrs. Howard
Stone, and Mrs. Martin Bachrach.

AMERICAN BIBLE SOCIETY
 Dept. U, 450 Park Avenue
 New York 22, N. Y.

It happens in offices, in factories, in barracks . . . on ships and airplanes . . . in the quiet of churches, in the thunder of battle; we pause in the turmoil of time to read the Word of Eternity.

And the pages we read bring us close to those at home, or to those away from home.

For the Bible brings us to God, in Whom there are no distances, with Whom love encompasses all.

One of the great Christian enterprises of our time is the American Bible Society. Through the support of Christian churches and individuals it seeks to bring these divine pages before the eyes of men, women and children the world over.

Like the churches of our community it calls men to the Truth on which unity and freedom are founded.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal, Chairman, Springfield Shade Tree Commission

Winter is near at hand and now is a good time to mulch your plants before you lose enthusiasm. It is not necessary to mulch every plant, but broad leaved types such as rhododendron, laurel, and azaleas which lose considerable moisture through their large leaves, are benefited by a good thick mulch of peat moss.

If your plants have suffered winter injury in the past, spraying with Wilt-Pruf, Stop-Will, or other anti-transpirants will undoubtedly help protect them from loss of moisture. The use of burlap, although rather unsightly, is very effective.

The prize-winning question this week was submitted by Mrs. David Kees, 248 Northview Terrace. She will receive the latest edition of the Amateur's Guide on Lawn Care.

QUESTION: Please settle a neighborhood controversy. Is it desirable to prune roses in the fall and spring, or just the spring? Also what is the proper pruning of hybrid roses?

ANSWER: The major pruning of all roses, except the ramblers, should be done during the dormant season. The best time is just before spring growth begins, as winter injury can be determined and the cuts heal more rapidly. Fall pruning is usually done just before winter mulching and is primarily for the purpose of getting rid of unsightly branches and debris that will have to be removed in the spring anyway. Roses that are pruned in the fall should be checked in the spring to remove dead wood caused by severe cold. Ramblers should be pruned soon after flowering as they produce blooms mostly on new wood. Remove old canes at the base to produce new, vigorous shoots.

Where winter injury is severe, cut back to the live wood. This can be determined by the color of the pith, or center portion of twig. It should be white and if a brown color it is winter-killed and should be removed to healthy pith reached. A plant that is severely pruned (3 to 5 inches from the crown) will usually produce larger but fewer blooms. Moderate pruning (12 to 18 inches) will produce a larger number of fair size flowers and a plant that is lightly pruned, or not pruned at all will produce many comparatively small blossoms. Use a sharp knife or shears and make the cut not more than 1/4 inch above the bud.

QUESTION: My weeping Willow and Mountain Ash trees are dropping leaves which are hard to rake up without injuring the grass. Shall I take the leaves, or let them alone?

ANSWER: Both these trees have a very small narrow leaf and I

would only attempt to remove those that remain on the surface of the grass. Those that fall between the grass blades could be left to rot. However, a law sweeper would probably do a fine job of removing most of the leaves without injury to the turf. Never leave a mat of leaves on young tender grass for any length of time.

NOTE: I will send a garden book to the person submitting the most interesting question to this column each week for the next four weeks. Address your question to this column in care of the Springfield Sun.

The Alaskan brown bear is the size of a rat at birth. Cubs are usually born while the mother is denning up for the winter, and weigh 15 to 20 pounds when she leaves the den.

"Game" that is hotter than the sun's surface.

The Springfield Chapter of Hadassah held its regular board meeting last night at the home of Mrs. Fred Braun, 530 Ashwood Road. Mrs. Jack Chotiner was

chairman. Included on the agenda was a report on integration by the chairman of the Integration Program, Mrs. N. Sherman. Mrs. M. Tax Collection Up For October

While the Republicans and Democrats were shouting at each other over taxes during the recent election campaign, Charles Huff, the collector, went off quietly and did something about it.

He collected \$67,944 more for October 1956 than he did for October 1955. This brings the total field \$14,298 above its budget.

The only delinquent taxes collected in October were \$2,868 picked up from last year.

To date this year, Huff has pulled in \$1,353,990 (\$186,522 in October), whereas the budget anticipated by November 1 called for \$1,358,288. This puts Springfield 300 feet above sea level.

Mende & Beckmann Sweep Into Second

Mende Florist and Beckmann's Market are still bowling as though they had a chance to catch Springfield Market in the Springfield Bowling League. The Florist men took three straight from Drakes Fuel and Beckmann's swamped American Legion No. 1 in Monday night action at the Springfield Bowling Alleys.

But Springfield Market continues to roll on undisturbed by the commotion behind them. They won three easily from Parkview

Garage sinking the once promising garage bowlers down to the 500 level. Other games saw American Legion No. 2 continue to improve by sweeping D'Andrea Driveaways, and Frank's Auto Service take two out of three from Bunnell Bros. In a battle for last place, Brunner Construction shaded Cuzzolino Furs by taking the odd game.

High game for the night was Jim Funcheon's 245. Other 200 bowlers included: R. Anderson's 211 and 225; Funcheon's 201 as well as his 246; Meisiek's 207 and 202; Mende's 211; Caggiano's 212; W. Schramm's 211; Leacraft's 211 and H. Burdett's 235.

Torrid Pace Keeps VFW Team on Top

Taking two out of three from the Disc and Shutter, the red hot V.F.W. team continued its first place standing. They have won 12 out of their last 15 games with a pace that has brought them from the bottom of the statistic column to the top in just a few weeks.

Close on their heels are the Springhouse Tree and Lynn Decorators winning ten out of the last 15 games. Although the Lynn team is still in the cellar, it is only 2 games out of second place and with the change of handicaps this week might easily be in the top spot five weeks from now. From now on anything can happen.

A Proclamation to ye House Holders - Being ever circumspect in all matters domestic, and ye rigorous of Winter being ever unpredictable, Ye will do well to hearken to our urgent suggestion: Be there whatever of the least defect or indisposition within the heating system—albeit oil or coal—it is of the wisest course to pursue to call upon our sturdy and proficient staff of skillful men, brooking no delay, to the end that all such shortcomings be wholly rectified.

This will Ye, forearmed in this great satisfaction, be truly warm and at ease, in body and mind. 'Tis well known that small imperfections off to greater proportions grow. Hark ye, therefore, good people. Call us this very day!
