## THIS WEEK

### SPRINGFIELD'S GETTING ANGRY

The Hon. Dwight R. G. Palmer, Commissioner of the New Jersey Highway Department, wouldn't win a popularity contest in Springfield right now.

Mr. Palmer, busy spending millions of dollars on new state highways, has told Springfield that we must worry through another Winter of skidding on the exposed rails in Morris Avenue because the Township wouldn't comply with his order that all parking be prohibited on our main business thoroughfare.

He said the state highway department would remove the dangerous trolley tracks only if Springfield passed an ordinance banning ALL PARKING ON THIS STREET FOR 24 HOURS.

Springfield now has a two two hour parking ban on Morris Avenue—one in the morning rush and the other from 4:30 to 6:30—and the merchants have never stopped howling about it. Other municipalities where the state road runs through and becomes the business street have not been compelled to ban all parking.

There is considerable talk—although none of it is official—that the merchants will petition the Township Committee to rescind the ordinance which prohibits parking during the rush hours.

There is even some talk that all through traffic should be detoured so that local residents, wishing to shop in Morris Avenue, can do so without competing with the speeding motorists on their way from Newark to Summit, Chatham, Madison and other points.

Diverting all traffic away from Morris Avenue during the rush hours might be a very dramatic move on the part of Springfield but it will get some attention from the V.P.I.'s in Trenton.

How traffic coming from Newark and Elizabeth could get to Summit, Chatham and Madison will present a problem—but that's something Mr. Palmer and his experts could easily solve.

### 12 SWEETEST SENTENCES

According to a survey, the six sweetest sentences in English are these:

I love you. Dinner is served. All is forgiven. Sleep till noon. Keep the change. Here's that five.

To these, we would add six more to make an even dozen:

It won't cost a cent. You're elected. We won. You wonderful man! You beautiful thing! You certainly don't look your age.

Johnson City (Tenn.) Press Chronicle

### A LOGICAL JOB

A man was arrested for driving without a license. He could not get one, he said. Why? He had bad eyesight. Then the judge asked him what he did for a living. It turned out he parked cars in a parking lot.

Motorists addicted to the use of parking lots will not be surprised. Those dents which suddenly appear, almost overnight, weren't all put there by termites in the car port.

Jacksonville Florida Times Union

### JUST SIT THERE

In Pittsburgh the traffic department has decided that it's not drunken drivers who cause most of the trouble, but drunken walkers reeling off the curbs and generally getting in motorists' way. The menace of potted pedestrians is getting worse, says Traffic Commissioner T. T. Wiley and "no relief is in sight."

This seems to dictate a revision of the old temperance injunction which should now read: "If you drink, don't drive and for heaven's sake don't walk. Just sit there."

Montgomery (Ala.) Advertiser

### THEY RUN IN THEIR DREAMS

In a recent psychological study of children crippled by muscular dystrophy, it was found that little boys, long confined to wheel chairs, do not basically acknowledge that they cannot walk or run. Confronted with an imaginary emergency, and asked what he would do, a nine-year-old replied: "Run."

A seven-year-old, describing his ambitions, said: "I am going to be a cowboy. First I wanted to be a fireman, but that's too dangerous."

An understanding mother remarked: "They walk and run in their dreams."

But time is short for these children—even for dreaming. Of 200,000 Americans stricken with muscular dystrophy, the majority are children who will die before reaching maturity—unless help comes to them soon.

Muscular Dystrophy Associations of America, Inc., a voluntary organization founded in 1950, has launched an offensive against this crippling and killer of children.

MDAA sponsors nearly 100 medical-research projects both here and abroad. The recent discovery of a unique strain of inbred mice, suffering from a disease strikingly similar to muscular dystrophy, makes available, for the first time in history, a sufficient supply of animals for research purposes.

Through its nearly 300 Chapters, MDAA sponsors a nationwide network of muscular dystrophy clinics and patient service centers and its next major objective is the construction of a \$3,000,000 Institute for Muscle Disease to study not only the secret of muscular dystrophy, but of related diseases afflicting from three to five million victims.

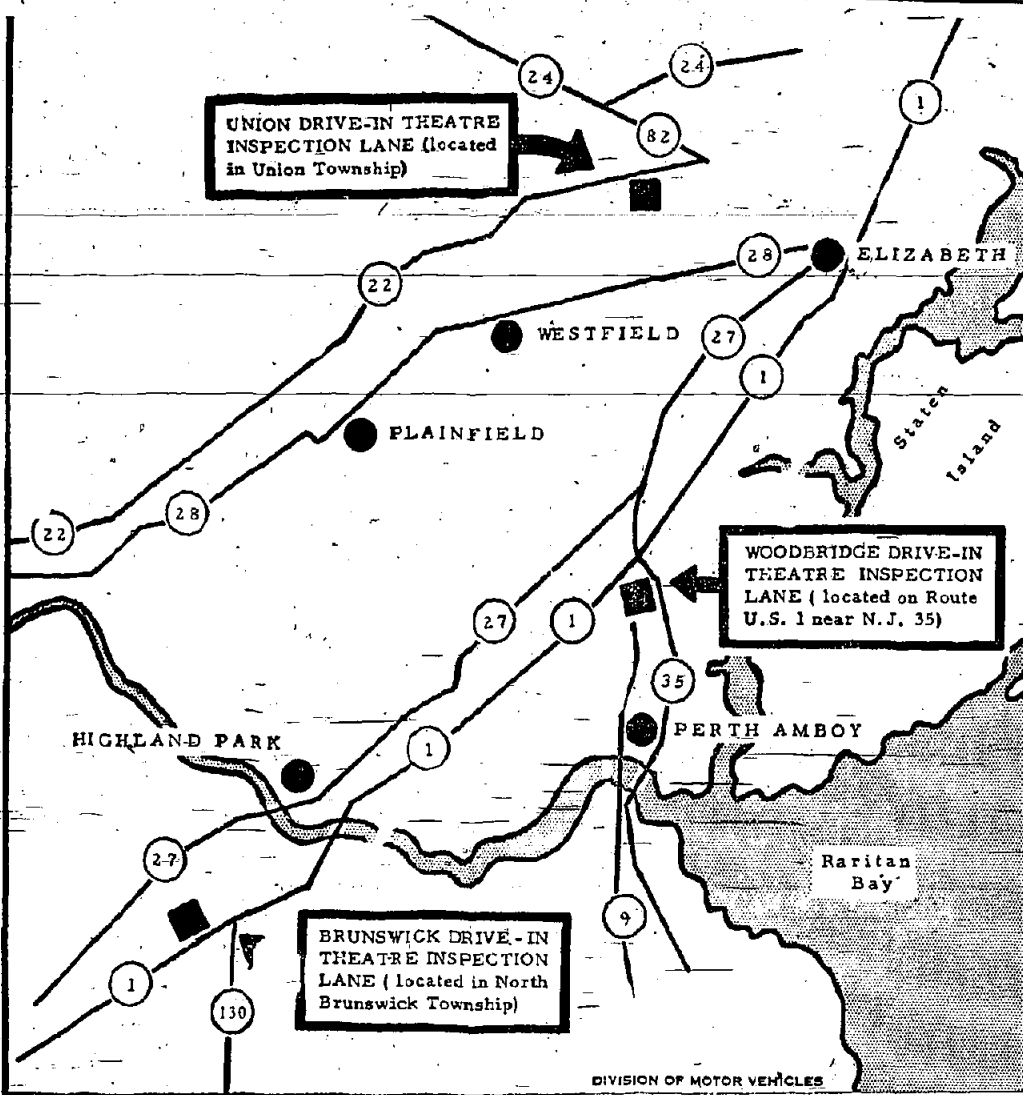

Continuation, expansion and acceleration of this program is an urgent necessity if the lives of thousands of children, and those of future generations, are to be saved. This can only be done with open-hearted public support.

Remember those dreaming children during Thanksgiving Week when volunteers in the March for Muscular Dystrophy ring your bell. Give generously—that they may walk and run in reality.

### MENU, STARTING NOVEMBER 26

After the Thanksgiving Day dinners, the menu for the week starting November 26, will be of special interest to those mothers of pupils attending Florence M. Gaudineer School who want to balance the diet.

Monday: Cream of tomato soup, toasted cheese sandwich, tossed salad, milk.  
Tuesday: Orange or pineapple juice, hamburgers on roll, potato chips, chocolate pudding, milk.  
Wednesday: Chow Mein, rice, Chinese noodles, peanut butter sandwich, peaches, milk.  
Thursday: Sliced ham, cheese cube, baked beans, buttered green beans, bread, butter, milk.  
Friday: Fish sticks, oven fried potatoes, cole slaw, roll, butter, milk.  
Subject to change when absolutely necessary. Ice cream daily.

For Car Inspections—The map shows locations of motor vehicle outdoor inspection lanes located in drive-in theatres in Union-Middlesex counties. Last week, two new outdoor inspection lanes were opened in Union Township, (Union County) and North Brunswick Township, (Middlesex County). A third outdoor lane at the Woodbridge Drive-In Theatre on U. S. Route 1 has been in operation since last November and has enjoyed remarkable success in that it handles over 300 passenger cars daily. The outdoor inspection lanes are open Monday through Saturday in fair weather 8 a.m. to 5 p.m., daily. The outdoor facilities are designed to handle passenger cars only. Also shown on the map are locations of permanent type inspection stations in the same area.

### Two Taken Into First Aid Squad

At its regular monthly business meeting, held in the new Squad Building, on last Thursday evening, the Springfield First Aid Squad accepted Howard and Andree Kiesel of 132 Hillside Avenue as regular members. The Kiesels recently completed their six-month probationary period. It was pointed out by Mrs. Madeline Lancaster, membership committee chairman, that the Squad is still seeking new members—especially those who are able to devote time during the daytime.

Anyone interested in joining the organization is asked to contact Mrs. Lancaster of Police Headquarters for further information.

Also at the meeting a report was made on Squad activity during October. There were a total

of 23 calls—14 of these being emergencies and 11 transportations. 435 miles were clocked by the ambulance—402 man hours were devoted and 8 oxygen tanks consumed.

Calls for the first 10 months of 1956 were 22% greater than for the same period in 1955. This year a total of 315 calls has been recorded up to Oct. 31 as compared to 259 calls for that period last year.

Nominations were made at this meeting for officers to be elected at the next regular business meeting.

Members of the Springfield Lions Club were treated to an evening of enjoyment last Friday night when their program chairman, Howard P. Casselman, obtained the services of Patty Gaudineer, America's Ambassador of Goodwill.

Christened Aloysius E. Mosier, "Patty" captivated the Lions Club and raised a substantial increment for his garden seed program in Korea, Indonesia and the Far East.

Mosier was lauded for, not only his Irish wit, but by his devotion to the hungry people of the world. His philosophy is to sow a green band around the earth to offset the Red, and his activities in this regard make him the "Johnny Appleseed" of the modern era.

NEWBERRY'S will be open Wednesday evening, this week only, till 9 P.M. See NEWBERRY AD, Page 3.

### Invite Parents to Local PTA Open House, Nov. 26

An open house meeting will be held for parents of Springfield school children on Monday, November 26, 1956 by the Springfield Parent-Teacher Association. The four elementary schools will be open to parents who will visit the classrooms of their children, meet the teachers, explore the books in use, and see the displays of the work of the children. Each class mother will act as hostess for the classroom at this meeting.

A brief business meeting will be held in each of the three lower grade schools at 7:30 p.m. with a PTA Vice-President in charge, as follows: Edward V. Walton School, Mrs. Henry Voachard presiding; James Caldwell School, Mrs. Alan R. Cunningham presiding; Raymond Chisholm School, Mrs. J. Frank Jakobsen presiding. Visitation of classrooms in the three schools will follow the business meeting and refreshments will be served at 8:45 p.m. in the auditorium by the school hospital committee with the assistance of the third grade mothers.

The business meeting for the Florence M. Gaudineer School will begin at 8:15 p.m. with Mrs. Joseph A. Bender presiding and it will be followed by visitation of classrooms. Refreshments will be served afterwards in the gymnasium by the hospitality committee with the assistance of the eighth grade mothers.

A display of books has been planned for each school by the Springfield Free Public Library at the invitation of Mrs. Joseph A. Bender, Program Chairman. Many of the classrooms will have a display of books loaned by the public library also. These displays have been set up in honor of Book Week which begins on November 25 and extends through December 1. The children in each classroom will enjoy the use of the books while the local library is closed. A representative from the Springfield Library will attend each school meeting and explain library plans to interested parents.

Attendance will be registered by the Class Mother in the home rooms and the attendance award for each school will be announced through the PTA News column of the Springfield Sun next week.

### SCIENCE SEEKS DYSTROPHY CURE

Research can save the life of this child

Hope of muscular dystrophy victims is symbolized by this dramatic poster with a scientist pursuing research into the cause of the crippling and fatal disease, most of whose 200,000 victims are children. This appeal for funds is being displayed nationwide during the Thanksgiving March for Muscular Dystrophy.

## Millburn Officials In Attempt To Stall Work On Saks Store Opening

### Still Waiting For Light At Henshaw Ave.

Springfield's most dangerous intersection—corner of Mountain, Henshaw and South Springfield Avenue—is still without a traffic light even though the State Highway Department safety experts have agreed months ago that such a light MUST be installed.

Surveys have been made by the department officials and recommendations have been submitted ordering the installation of the traffic light but the matter has been snarled in the usual red tape and nothing can be done until "the entire matter goes through channels."

Need for the installation of a traffic light at this dangerous crossing was pointed out many months ago and the wheels were immediately set in motion. Safety experts realized the importance of such a light and the Highway Department announced that it should be installed.

In the meantime school children are having difficulty getting across the street and traffic out of Henshaw Avenue is held up waiting for a break in the Mountain Avenue rush of cars.

### Xmas Bazaar Set By Woman's Club

The Ways and Means Committee of the Springfield Woman's Club has set Thursday, December 7th, as the date of their Christmas Bazaar, to be held in the Methodist Church of Springfield from noon to 7 p.m. Under the chairmanship of Mrs. Edwin G. Davenport and co-chairman, Mrs. Daniel Donegan, plans are being completed for the affair.

Most of the departments will offer articles for sale which have been prepared, and an additional attraction will be the Snack Bar, where sandwiches and dessert may be purchased.

The public is invited to keep this date open and to take advantage of the wide assortment of articles offered for sale. Besides a variety of baked goods, there will be numerous luxury items and many practical gifts from which to choose. You are urged to join members of the Woman's Club for your Christmas shopping. You are sure to find a gift for each person on your list at the Bazaar.

### Christmas Lights To Brighten Town

The Morris Avenue shopping area will be transformed next week into a wonderland of shimmering lights in celebration to mark the official start of the Christmas shopping season.

The display of feathered lights put up by the Springfield Chamber of Commerce will add gaiety to the shopping scene until Jan. 1. According to C. C. president Ike Freedman, there will be five times as many lights on Morris Avenue this year than there were last Christmas.

The Chamber of Commerce is also playing Santa Claus with the parking meters again this year. The Township and the C of C are combining to put hoods over all the meters from Dec. 1 until Christmas as a present to Springfield holiday shoppers.

The Christmas street lights, which burned \$125 in electricity last year, are expected to warm the hearts of both the holiday-crowds and the Jersey Central Power and Light Co.

### Attends Youth Confab

Mrs. Merton D. Williams, State Allied Youth Chairman of the New Jersey State Federation of Women's Clubs, attended the Eleventh International Allied Youth Conference which was held on November 18 through the 17th at Buck Hills Falls, Pa.

Mrs. Williams, who lives at 222 South Springfield Avenue, participated as a delegate and heard talks given by the Reverend Daniel L. Poling, J. C. Pemney and other American leaders.

NEWBERRY'S—This week only—will be open Wednesday—Friday nights till 9 P.M. See bargains on Page 3.

The Township of Millburn isn't very neighborly about matters concerning Springfield—especially the coming of Saks Fifth Avenue to the Township.

As a matter of fact the two governing bodies held a conference Tuesday night to discuss the Saks Fifth Avenue project and the outcome of that huddle is still a well kept secret.

Millburn's chief gripe—although no one will admit it—is that Saks Fifth Avenue didn't accept the many offers made to them to locate this retail establishment in the Short Hills section of that Township. The Saks organization explored and thoroughly surveyed the area and Springfield was the final selection.

Now—the shovels, cranes and other excavating equipment of Spencer, White and Prentiss Co. are already making ready for the actual building of this fabulous retail store which will be in the hands of Fuller Construction. The work has actually started and there is very little chance that even Millburn can do anything about it.

However, officials of Millburn are insisting that they will not permit the entrance and exit being planned for Millburn Avenue. It is generally conceded that this will create a traffic problem for Millburn Avenue but the same thing is true of other stores.

Millburn has control of a certain number of feet on the Springfield side of Millburn Avenue and the story is that the officials will not permit the entrance and exit being planned for the parking lot.

This could, if Millburn officials can prevail, create a hardship for the Saks Fifth Avenue plans but Springfield believes the entire problem will be ironed out. Millburn Township wants to be in a good bargaining position but there is nothing the Essex County neighbors can do that will stop the construction of the big store in Springfield.

The plans have been approved, the building permit granted and work is being rushed so that the August target for opening can be hit. Representatives of the Saks organization are already in Springfield gathering information on the history of the Township and other interesting data for a brochure being prepared for the opening of the store.

Millburn insists that it is entitled to have control over the traffic problems that come with such an elaborate operation and Springfield officials are willing to sit down and discuss the matter. However, Saks Fifth Avenue is definitely building in Springfield and there is no problem that cannot be resolved.

At present the purpose of this group is for study only. This subject is extremely stimulating, and it is hoped all League members will attend.

The Springfield League of Women Voters will hold a Charter Study Unit Meeting at the home of Mrs. Richard H. Moore, 89 Remer Avenue at 8:15 p.m. on Tuesday, November 27.

At this meeting Joseph Seidel will speak on the Faulkner Act and Mrs. B. M. Dennington will recount her experience as a member of the Optional Charter Group in Livingston. This unit is concerned with the re-evaluation of the form of government as compared with those outlined in the Faulkner Act.

At present the purpose of this group is for study only. This subject is extremely stimulating, and it is hoped all League members will attend.

of the homes in this section of the Woodside development are again reminded they must provide house numbers and mail receptacles.

Though portions of this section of the development has been occupied for several months, Postmaster Del Vecchio stated that because all the Post Office Department requirements for city delivery service had not been met until this time the extension of the present letter carrier routes could not be accomplished.

With the addition of the 66 homes in the first section of the Woodside development to present letter carrier routes, a total of 184 new deliveries have been instituted in the past two months. Postmaster Del Vecchio estimates the annual cost to the Post Office Department for this service to new patrons is \$2400.

**To Address Ethical Society**

On Sunday, November 25, Henry Austin, leader of the Ethical Culture Society in Maplewood, will present the third in a series of addresses on "Technical Development and Human Values." Mr. Austin's talk will be entitled "The Robot in the Household—Technical Development and Changing Family Life."

The Sunday School, under the direction of Mrs. Daniel Solow, will meet with classes for children from pre-school to high school age at 10:15 a.m.

### Sarokins Start Trip With Sun, Drive Home in Snow

Whoever selected the Pyramids of Egypt, the Colossus of Rhodes, the Hanging Gardens of Babylon as part of the Seven Wonders of the World has never been to Grossinger's. For those uninitiated who still aren't impressed by the mention of Grossinger's, it is a fantastic year-round resort, deep in the borscht belt of New York State, with built-in seven course dinners and round-the-clock entertainment.

It is a lush spot, always spilling over with pleasure-seeking throngs, even though the first look at the main building suggests packing-box architecture. However, once you step into the heavily carpeted lobbies, you can forget the decor of the outside and, you usually do, as you dive from the 100-foot board, into Gennie Grossinger's magic menus.

The Sarokins enjoyed the hospitality of Grossinger's from Thursday to Sunday and, even the bus-board at our table in the dining room will readily admit that Jennie showed no real profit after watching the writer do some sleight-of-hand with double portions. As a matter of dining room diplomacy, we did not hesitate to re-order in view of the fact that Mrs. Sarokin was still counting the calories and spent entire meals at Grossinger's reading the interesting bill of fare while nibbling on toast.

Food is a fetish at Grossinger's. Like everything else, there is so much of it, and you begin to wonder how you ever felt hungry. All of it is prepared in Jennie's own style, with well guarded recipes that make every dish a television spectacular.

The password of the day is "food" and if you happen to have left your table without enthusiasm, you may find two of Grossinger's staff keeping in step with you, one of them whispering out of the corner of his mouth, "you haven't finished your appetizer, you didn't even order soup, and Jennie won't like to hear that her broiled prime rib steak with smothered onions didn't even interest you." The two boys convince you by the simple method of putting a hand under each elbow and heading you back to your table.

Cannot Resist

By that time you decide not to fight it and you get down in prone position for a day at the races, starting with chopped chicken livers, game. The menu is so long, the appetizers are almost out of reach and the amount of food immediately suggests a scene in Washington Market but, of course, with tablecloths and silverware.

If you are interested in vital statistics, the slices of Jennie's pumpernickel bread, if placed end to end, would reach all the way from Grossinger's ski slide to the corner of Morris and Short Hills Avenue, Springfield. Of course, you'd have to stay on Route 17 and avoid all the detours at Harpman.

The Sarokins selected this past week end for the trip to Grossinger's.

you want to come back again. He even went overboard for the Sarokins—although we suppose he makes gestures of this kind to a lot of people. He sent over a couple of extra dry Martinis "on the house" and when we went to purroom in the Ritz Annex, there was a basket of fruit with the compliments of Paul Grossinger.

Anything You Want

There isn't anything in the fine holiday spirit that you cannot find at Grossinger's. There is skating, ski rides, golf, all sorts of indoor sports which includes watching the eligible daughters slinking in the lobby chairs with their left hands carefully placed so that you will know immediately that there is no wedding or engagement ring in the picture.

High class entertainment and dancing to two orchestras are part of every evening's program—with the Latin cha-cha musicians making the most noise. Skating champions give exhibitions, table tennis title holders play matches, and there is always something going on if you have the energy after establishing a beach head in the dining room.

There's a cultural program as well as watching Gene Fulmer, challenger who will meet Middle-

weight Champion Ray Sugar Robinson at Madison Square Garden for the title next month, attracting a great many from the boxing fraternity and the crowd around Lindy's.

To us one of the high spots of the entire stay at Grossinger's

was the daily one hour with Lou Goldstein who is Director of Day activities and one of the most talented young men in the story telling and audience participation form of entertainment. He's a glib, personable youngster who

we will not suggest—should be on Broadway but, as he says, he's perfectly happy and satisfied at Grossinger's, and the guests are just as happy that he is still there.

The famed leaning tower of Pisa in Italy leans about 14 feet.

stated previously. Mrs. Robert D. Hartgrove, Jr., Mrs. Stanford J. Hettinger, and Mrs. Adolf Stani will be hostesses.  
Mrs. Merton D. Williams, who is State Chairman of Allied Youth, attended the 20th Anniversary Conference, held at the Inn, Bucks Hill Falls, Pennsylvania, November 15-18.

Members of the Garden Department continued to work on articles for the Christmas Bazaar at their meeting on Monday evening, November 19th. Hostesses for the meeting were Mrs. Hilton G. Wood and Mrs. Leslie J. Kroeger.

The International Relations Department will work toward the completion of their plans for the Club Bazaar at their next meeting, to be held at the Cannon Ball House, Thursday evening, November 28th. Hostesses will be Mrs. Gilbert Mann and Mrs. George M. Walton.

Mount Washington is the highest mountain east of the Rockies and north of the Mason-Dixon line.

### Del Vecchio Urges Early Xmas Mailing

Postmaster A. V. Del Vecchio today urged the residents of Springfield to shop early and mail early this Christmas season to facilitate the processing of the largest Christmas mailing in the history of the local post office. A letter containing several suggestions in this connection will be delivered to each home on December 4th.

To put off mailing Christmas cards and parcels until the last moment results in an extra burden being placed on the postal employees and on the postal facilities of the Springfield post office, Mr. De Vecchio pointed out. Every facility of the local post office will be pressed into maximum service so that again this year, as in the past, the Springfield post office will be cleared of all Christmas mail by Christmas Day.

"There are still some people who retain the idea that a gift or card arriving on Christmas Eve has a special significance," Postmaster Del Vecchio said. "It is the thought behind the gift or card, NOT the time of arrival which is the important consideration." In an appeal to all the citizens of Springfield, Postmaster Del Vecchio praised the fine cooperation of past years when record mail loads were processed and delivered and asked that this same very fine cooperation be again displayed this year.

"By following the simple suggestions of mailing early, wrapping carefully and addressing plainly, local residents will be assured of the safe and timely arrival of their Christmas mail," the Postmaster concluded.

### Heart Fund Group To Meet On Nov. 29

Mrs. Louise H. Vogt, 1857 Heart Fund campaign chairman for the Union County Heart Assn., today announced that the first meeting of the fund raising committee will be held at 8 p.m. Nov. 29, in the courtroom in the Municipal Building, Westfield.

Mrs. Vogt will outline the supplies available and methods for conducting the annual campaign for funds to be used for research and education in the cause, control and cure of persons with heart diseases.

The annual fund raising drive is conducted each February in conjunction with the American Heart Assn.

### Astronomer To Speak

Mr. Ulrich Sherman Lyons, astronomer of the U.S. Naval Observatory, Washington, D.C., for more than thirty years, will speak before the Amateur Astronomers of Union County on the topic: "Mapping the Marginal Areas of the Moon," on next Friday evening, November 23rd, at the Regional High School headquarters of the Society in Springfield.

Anyone interested in hearing and meeting Mr. Lyons is welcome to attend this meeting without charge.

### Richard J. Jones Dies At Overlook

Richard J. Jones of 70 S. Maple Avenue died Saturday in Overlook Hospital, Summit, after a long illness. He was 51.

Born in Newark, Mr. Jones lived six years in Union before moving here 17 years ago. He was employed 18 years as a color matcher at the Interchemical Corp. of Elizabeth.

He leaves his wife, Mrs. Amy Dalton Jones; a son, Robert J. of Roselle Park; his mother, Mrs. Jennie Martin Jones of North Arlington; a brother, Harold, and a sister, Mrs. John Dean, both of North Arlington, and four grandchildren.

The funeral was held Tuesday morning from the Smith and Smith Suburban, 415 Morris Ave. A High Requiem Mass was offered in St. James Church at 9. Burial was in St. Teresa's Cemetery, Summit.

### Gets Award For 30 Years At Anaconda

Mr. William Wraith, Jr. of 6A Forest Drive, Short Hills Village, Springfield, was today presented an award for 30 years of service with The Anaconda Company. Mr. Wraith is assistant to the vice president in charge of metallurgical operations.

Presentation of a service award was made at luncheon ceremonies held at the Downtown Athletic Club honoring more than a hundred employees of the New York Office, each having served the organization 25 or more years. Anaconda officials who participated were headed by Roy H. Glover, chairman of the board; Clyde E. Wood, president; and Edward S. McGlone, executive vice president.

### T.B. Patients Get Assist From Funds

More than 200 tuberculosis patients in Union County are getting help from the various services supported by Christmas Seal funds, it was reported today by Charles H. Huff, Xmas Seal, Chairman of Springfield.

The Christmas Seal Sale for 1956 is now in progress. Contributions received will enable the Union County Tuberculosis and League to carry on its services to patients, ex-patients, and a general public for the coming year.

About 100 of the tuberculosis patients at the John E. Rumlins Hospital for Chest Diseases are engaged in "side activities" under the direction of the League's Occupational Therapist, director, Miss Dorothy Yaeger. Among the activities, which bed patients can carry on are leather lacing, painting and sketching, needlework, jewelry assembly, model building, copper tooling, woodburning and decorating, and other hobby studies.

Approximately thirty patients are able at present to go to the hobby shop where they engage in craft work such as ceramics, weaving, copper enameling, rug hooking, printing, leather work and sewing.

### Hohn & Simmons On Science Committee

Mr. Walter A. Hohn of 60 Severna Avenue, head of the Science Department of the Jonathan Dayton Regional High School, and Mr. Maitland P. Simmons of 168 Short Hills Avenue, a member of the faculty at Irvington High School, have been appointed members of the general committee for the 1957 Greater Newark-Science Fair, to be held at Newark College of Engineering, April 12 and 13.

The committee, headed by William Hazen, Jr., dean of administration at the college, consists of thirty-one educators, industrialists, and representatives of civic and religious groups from the five New Jersey counties of Essex, Union, Morris, Hudson, and Passaic.

Since 1954 a total of 465 students have displayed 412 exhibits in the five categories of biology, physics, chemistry, mathematics, and ninth grade sciences. This year entries will also be accepted from eighth grade students, which, with the rapid rate of increase shown from year to year, may mean that for the first time students who register late will have to be rejected for lack of space.

The top winners will be sent to the eighth National Science Fair, to be held this year at Los Angeles, California, May 9 to 11, to compete against state and regional winners from other Fairs throughout the country. The National Science Fair is one of two major annual events conducted by Science Clubs of America and administered by Science Service, a non-profit institution for the popularization of science. The other event is the annual Science Talent Search for the Westinghouse Science Scholarships. Both are approved by the National Association of Secondary Schools' Principals' National-Contest Committee.

**P.T.A. NEWS**

The November meeting of the executive board of the PTA was held in the Teachers' Room of the Florence M. Gaudineer School on Monday, November 19 with Mrs. B. P. Yuckman presiding.

On Saturday, November 17 a full bus of excited children, accompanied by Springfield PTA sponsors, left Springfield from the F.M.G. School to attend the first Griffith Youth Concert at the Mosque Theatre in Newark. The musical production this month was "Hello World" by Susan Olt. In addition to this a brilliant young pianist from Millburn played the Caprice Brillante by Mendelssohn. As an added feature was a traditional Scotch dance plus the demonstration with the bag pipes. This interesting program of music, followed by a very pleasant trip home, provided a very fruitful experience for forty-six youngsters of our public schools in Springfield says Mrs. Benjamin Sussman, the PTA Music Chairman.

An interesting variety of delicious homemade cakes and cookies from which to choose at the PTA Cake Sale on Friday, November 30 at the Grand Union Store is promised by Mrs. E. Weinger and her committee. Remember that the Sale begins at 10:00 a.m.

Mrs. B. P. Yuckman, Springfield PTA president describes how the November PTA meeting has been transformed into four Open House meetings—one for each of the grade school auditoriums. The time for three of the meetings has been advanced in order to enable some of the parents to visit more than one school during the evening.

The business meetings will be conducted by the Vice-Presidents of the PTA this month. This will permit everyone to become acquainted with the vice-presidents who are not only elected officers of the executive board but also the representatives of the individual schools.

These meetings were arranged to enable parents to visit their children's classrooms and meet the teachers and the class mothers. Should any parent wish to discuss a child's work or progress, the class mother will be there to arrange a mutually convenient appointment for a parent-teacher conference.

Read the Springfield Sun's general news item on PTA Open House for further information on this meeting.

Mrs. R. B. Jackson, PTA Safety Chairman, reports that the sixth grade classes, under the supervision of Mr. Russell Post, have made safety posters to decorate the classrooms for PTA Open House meetings. Look for the safety reminder in each classroom when you visit it.

A Parent Education meeting will be held in the Florence M. Gaudineer School on Monday, December 3 at 8:15 p.m. The topic for this meeting will be "Mores and Morals". Remember the date and plan to attend. Further information will follow in next week's PTA news column.

Contrary to popular belief, porcupines do not shoot their quills. The erroneous notion probably arises from the animal's habit, when cornered, of fighting back with lightning strokes of its dart-studded tail.

Timbermen call the porcupine the forest gangster, for wherever this vegetarian travels on its nocturnal hunts for food, dead or dying treetops mark its path.

we're bubbling with excitement, hopes are riding high and happy thoughts envelope everyone. What will Santa bring to Altman's? The most exciting array of gifts ever!—fine lingerie and lovely fashions, handsome furnishings for the gentlemen and unusual decoratives for the home. ### Absentee Ballots Favor G.O.P. Team

Final figures in the recent re-election of Mayor Albert G. Binder and Township Committee Eugene F. Donnelly to the Springfield governing body show an increase in the margin of victory with the absentee ballots counted. Donnelly received 79 of these absentee votes which gave him a total of 3,126. Mayor Binder added 77 of the absentee ballots to his total which gave him 3,071 votes. Francis J. Keane, one of the Democratic candidates who lost, had 38 votes added to his total which gave him 2,773 while Irwin Weinberg, the other defeated Democrat, picked up 32 of the absentee ballots and the final total for his support is 2,650.

### Hi Neighbor!!

NEWS AND TIDBITS ABOUT YOUR FRIENDS & NEIGHBORS.

If You Have Any News Call... DREXEL 6-4502

LORRIE LEWIS

"Birthday" was the party by word all around town this past week. Christine Callahan, daughter of Mr. and Mrs. H.E. Callahan of 269 Baltusrol way was one of the young lovelies who celebrated a birthday on November 15th. Christine, who was 8 years old, was honored at a luncheon-theatre party on November 18th. Her guests were Sharon Romlinger, Jackie Smith, and Cathy Eick all of Springfield. Karen Luppy of Short Hills; and her sister, Kathi.

Magnifico of Newark. Patrolman Searles is a member of the Springfield Police force.

Among the newcomers to Springfield are former Newarkers, Mr. and Mrs. Lawrence Fine of 6 Redwood Road and their 20 month old son, Jeffrey Steven. Mr. Fine owns the Swan Motel in Linden.

Mr. and Mrs. William Huntley of 117 Wentz Ave. moved here recently from Newark. Their son, William, is 20 months old.

It wasn't a sun lamp, but the real thing, that gave the Florida glow to Ephie Weinger (of One Craig Road) and his son, Jay. They just returned from a week's stay at the Hotel Balmoral in Miami Beach where Mr. Weinger attended the U.S. Life Insurance Convention.

Benjie Kaplan, son of Dr. and Mrs. Elliot Kaplan of 8 Woodside Road, was guest of honor at a supper party on his 5th birthday on November 16th. Benjie had as his guests—John de Lorenza, John Shore, Charles Rawitz, Neil Nadel, Bobby Kramer, Ann Josephson, and Larry Flemer, all of Springfield; Lucas Charles of South Orange; Beverly Bergman of Hillside; Michael Kaplan of Irvington; and his sisters, Gail and Donna.

Mr. and Mrs. J. Morrison of 34 Morrison Rd. recently returned from a 6 week trip to Norwalk, California where they visited with their daughter and son-in-law, Mr. and Mrs. E. T. Hartnack, and their new-granddaughter, Jacqueline. The baby girl, born on Sept. 29th was named after her aunt, Mrs. Jacqueline Callahan of Springfield. Mrs. Hartnack is the former Peggy Morrison.

Mr. and Mrs. Eugene Finney, formerly of Merchantville, are now residing at 207 Milltown Road. Their three youngsters are

### Ladies Organize In Local Unico

A Ladies Auxiliary of the Springfield Union National was organized Monday night at the home of Mrs. Joseph Gargano, 89 Wentz Avenue, and plans made for a very active program throughout the year.

Mrs. Vincent Bonadies was elected president of the Ladies of Unico with Mrs. Joseph Gargano as secretary and Mrs. Azeglio Panicali, treasurer.

Announcement will be made shortly of another meeting at which time the work of the Auxiliary will be mapped out.

Members of the Springfield Unico will attend the three day session of the Eastern Conference of the Unico National to be held at the Bellevue-Stratford in Philadelphia Friday, Saturday and Sunday.

Among Springfield members who have already made reservations and will attend the conference are Township Committee-man and Mrs. Vincent J. Bonadies, Mr. and Mrs. Dominick La Motta and Mr. and Mrs. Anthony Fiorilli.

Eugene Jr. age 13 1/2 years, Robert age 12 years and Maryann age 5 years. Mr. Finney is with National Gage, Newark.

Having fun last weekend at the Nevele Hotel were Mr. and Mrs. Sherman Goodman of 34 Cambridge Terrace and five other couples (all the gals are members of Suburban Deborah). A truly festive air was added to the weekend because of the celebration of three anniversaries and Mrs. Sherman's birthday.

One of my favorite men-about-town, Fred Sussman, is celebrating his 10th birthday at a supper party at Howard Johnson's on November 23rd. Fred's guests include Robert Chodos, Marvin Segal, Richard Zegar, Donnie Lewis, Jay Weinger, Larry Forster, Jimmy Murphy, Carmen Petti, Richard Freedman, Douglas Kaappstaher, Kenneth Max, and Kenneth Weiss. Fred is the son of Mr. and Mrs. Ben Sussman of 399 Milltown Rd.

The stone likenesses of George Washington, Thomas Jefferson, Theodore Roosevelt, and Abraham Lincoln atop Mount Rushmore in the Black Hills of South Dakota, can be seen for 80 miles.

### Eden Roc To Set Style Note Here

Springfield is due for a breath of Miami Beach and Fifth Avenue when the new clothing store, Eden Roc Fashions, opens here at 246 Morris Avenue during the first week of December.

Mr. and Mrs. Lew Nay-Dell have designed their store with ideas from the world famous Eden Roc fashion center in Miami Beach, Florida, and they are stocking the shop from their long experience in the world of Fifth Avenue fashions.

Rose Nay-Dell has been a custom-fitter for many years at such leading New York shops as Mornings and Altman.

"I like to think I am molding a garment to a figure," she says, "Not just fitting it." Custom tailoring is to be the

feature of Eden Roc Fashions according to the Nay-Dells. But their fashions will include a wide assortment of medium to better priced women's wear. The branded merchandise is to include: sportswear, dresses, skirts and sweaters, blouses, coats, intimate garments, and for the first time in Springfield, hats. However, Mrs. Nay-Dell says she won't have her line of hats in until Easter.

Eden Roc Fashions have turned the store at 246 Morris Avenue into a work of art. The architect, Schnur-Appel, has done the store interior over into warm, intimate colors with an antique motif.

A patent was granted in 1891 for a three-section railroad dome car, but it never got beyond the drawing board because it would have required such substances as transparent, shatterproof plastics, unknown at that time.

### Wesley Jewelers Opens on Mt. Ave.

Wesley and Gengyevie Lewandowski are turning their Springfield home into their second jewelry store Saturday when they open the doors of Wesley Jewelers.

The main jewelry store of the family remains their outlet at 206 Ferry Street in Newark. But the Springfield store will carry the complete line of gifts, watches, diamonds, and jewelry.

The specialty of the house is fine watch repairing. Mr. Lewandowski is an instrument technician who has spent many years working on precision time-pieces running on the gauntlet from tiny watches to baot clocks.

Before going into business on his own 10 years ago, Mr. Lewandowski was associated with his brother, Zenon, in the running of three jewelry shops.

The Lewandowski's have lived in Springfield for 8 years. They have two children, Raymond, 18, who attends Jonathan Dayton Regional High School and Marie, 5 1/2, who attend St. James School.

### TB Seal Funds Do Big Job, Chairman Says

More than 200 tuberculosis patients in Summit and Union County are getting help from the various services supported by Christmas seal funds. It was reported this week by Donald Holmes of 45 Maple Street, local chairman.

The Christmas Seal sale for 1956 is now in progress. Contributions received will enable the Union County Tuberculosis and Health League to carry on its services to patients, ex-patients and the general public for the coming year.

About 100 of the tuberculosis patients at the John E. Runnells Hospital for Chest Diseases at Berkeley Heights are engaged in bedside activities under the direction of the League's occupational therapy director, Miss Dorothy Yaeger. Among the activities which bed patients can carry on are leather lacing, painting and sketching, needlework, jewelry assembly, model building, copper tooling, woodburning and decorating, and other hobby studies.

Approximately thirty patients are able at present to go to the hobby shop. They engage in craft work such as ceramics, weaving, copper enameling, rug hooking, printing, leather work and sewing. The industrial shop for ambulant patients and for out-patients includes power woodworking, furniture repair, industrial sewing, typewriting, mimeograph and multigraph instruction and film editing and projection.

Christmas Seal funds support also a social service department which assists every new tuberculosis patient with personal, family and economic problems. Miss Gwendolyn Mc Connell is the League's social service worker.

Six patients are receiving high school instruction from Mrs. Clara Reeves of the Springfield Regional High School.

All patients and ex-patients requiring rehabilitation counseling are assisted by Miss S. Anna Rudovick, the League's rehabilitation director. Two patients were recently referred to the New Jersey Rehabilitation Commission for training, and six patients assisted in returning to their former employment.

The educational services of the League are also available to patients, as well as the x-ray follow-up for ex-patients.

The 1956 Christmas Seal Sale in Union County will continue until the end of December. Contributions for Christmas Seals may be sent to the local Seal Sale treasurer of the Union County Tuberculosis and Health League.

SHOPERAMA—Mountain & Henshaw Avenue  
Sponsored by Springfield Hadassah

Another charming Miss, who celebrated her 12th birthday at a party held on November 18th is Barbara Chodos, daughter of Mr. and Mrs. B. Chodos of 32 Archbridge Lane. Barbara's guest list included Jerry Burt, Steve Bender, Bob Seltzer, Christine Carlucci, Janice Adler, Barbara Nadler, Barbara Smith, Larry Simon, Larry Cohen, and Bob Kirk.

"Happy Birthday to you" was also the theme song on November 18th at the home of Mr. and Mrs. Ira Cohen of 27 Archbridge Lane whose daughter, Karen, was feted at a party attended by many of her neighborhood friends.

Tina Kofhaus, daughter of Mr. and Mrs. Eugene Kofhaus of 18 Cottler Ave., was the center of attraction at a party held on November 17th in honor of her 9th birthday. Tina's guests were Nancy Dziubaty, Pam Henry, Phyllis Andrew, and Diane deLeonard.

Diane Rose Searles, brand new daughter of Paulman and Mrs. Harold G. Searles Jr. of 240 Morris Ave., put in her appearance just in time to enjoy the Thanksgiving holidays with her family. Diane Rose was born on November 13th at Overlook Hospital weighing 6 lbs. 2 oz. She has a 3 year old sister, Gail.

Mrs. Searles is the former Rose

Phone— AND YOU'RE TOGETHER FOR THANKSGIVING

Sharing the Fun!

We're probably a little bit sentimental about phoning here at New Jersey Bell. But we like the idea of the telephone bringing families together just for fun.

Nowadays the phone is part of the friendly way we live. And on Thanksgiving Day especially—when you want to visit with friends and family—you naturally reach for the phone.

P. S. Low night rates are in effect all day. And if you want to arrange a 3-way or 4-way family call—just ask for the "Conference Operator."

### Big Breakfast For B'nai B'rith

The Springfield Lodge of B'nai B'rith had its first affair to stimulate membership at the Temple Beth Ahm, Jewish Community Center last Sunday.

The lodge, which was officially formed only three months ago, has grown to a membership of 110 prior to this affair and as a result of the breakfast increased the membership to 127.

The Membership Chairman, Seymour Cohen of Jefferson Terrace, arranged the affair to which 80 people responded in attendance. Members were asked to bring guests who might be interested in the lodge.

The list of new members is as follows: Sigmund Dubrow, Paul Usland, Morton Weiss, Dr. Ralph Mond, Dr. Ben Josephson, Nat Perlman, Julius Berkowitz, Philip Ames, Albert Smotreff, Harvey Pankin, David Strunin, Jack Hager, Herbert Axelrod, Bernard Shapiro, Lee McAlamé, Ben Slapin, Manasseh Mendelsohn. The last two members to recently join the organization just prior to this affair were Joseph Fleischman and Sidney Heller.

The principal speaker at the affair was Is Bookbinder, Mr. Bookbinder, a tireless worker for B'nai B'rith, resides in East Orange and is an insurance agent in N.Y. He has traveled through every state in the country helping to form new lodges and to aid in the membership drives. His sparkling and tremendous repertoire of interesting and amusing anecdotes kept the meeting in high spirits.

**To Sing Schubert**  
Mrs. Watis D. Chapin and Mr. Americo Di Pietro are two Springfield residents who will sing in the Summit Community Chorus concert on Dec. 5 in Madison. The chorus will be joined by the Colonial Little Symphony Society in presenting Schubert's Mass in C.

### Schumann Music Program Is Set

The Schumann Music Study Club will hold an evening Greeting Meeting on Saturday December 1, 1956, at 8:15, at the home of Mrs. Ernest Harder, 403 West End Road, South Orange, N. J.

Those taking part on the program are—Eva Berger and Rosina Harder, duo pianists; Ethel Bomelster and Rosina Harder, duo pianists; Elvira Delmonde, Soprano; Leoná Paulson, Harpist; Patricia Studer, Violinist; Louise Thompson, Cornetist; Lilo Gottschalk and Nancy Wilkins, Vocal duo; Marion Jackley, Pianist; String Quintette, Olive Button, pianist; Hazel Burleigh and Lillian Schell, Violinists; Lillian Kirberger, Viola; Edna Potter, Cello.

Established 1930

Millburn Ave. and Vaux Hall Road, Millburn

Open Daily & Sunday Until Dark DR. 6-1330

Cub Scout Pack No. 171: The regular monthly gathering of Cub Scout Pack No. 171, was held on Friday evening at the James Caldwell School. Opening exercises were led by Den 2.

Following this, individual cub scouts displayed their unique ideas depicting the theme for the month, "Thanksgiving." Although arts and crafts are an important phase of cub scouting, there are three key words that symbolize the objectives of an ideal cub scout—Follows—Helps—Gives.

What better way to teach the true meaning of the latter two words than by actual experience. Therefore it was decided, all canned foods etc. donated by the cubs would be distributed by Miss Florence Gaudineer to indigent families in Springfield.

This evening proved to be one filled with tingling excitement. First of all, we were honored by the presence of our Neighborhood Commissioner and his lovely wife, Mr. and Mrs. Brian Haas. Mr. Haas lauded our combined efforts and then, presented us with our Charter.

After membership cards were presented to all committeemen, Den Mothers and Cub Scouts, the following achievement awards were made: Philip Del Vecchio, 2 silver arrows on the Wolf Badge and the Lion Badge with one gold and two silver arrows; Tommy Nies, 1 silver arrow on the Lion Badge; Barry Patterson, one Webelos Badge; Doug Pierson, 1 silver arrow on the Bear Badge; Robert Ries, Bear Badge and 1 gold and one silver arrow on the Bear Badge; Lloyd Schaefer, 1 Lion Badge; Jeffrey Shapiro, 1 Bear Badge; Paul Soos, Lion Badge with one gold arrow; Peter Stamelman, 1 gold arrow and two silver arrows on the Wolf Badge.

In scouting, recognition is always given to those whose performance is beyond the normal routine. We're proud to be able to boast of two such adult leaders—Mrs. Helen Nies and Mrs. Rose Miller. In an impressive "Court Of Honor" ceremony, Mr. Edward Clark, Scout Field Executive, Union Council, Northern District of B.S. of A., presented to our Arts and Craft Chairman, Mrs. Miller, a medal and certificate "In Recognition Of Completion of Three Years Training Program."

Pack meetings can be fun for

cubs and parents alike. . . and this was proven by Mr. Frank Miller, our Cubmaster, when he arranged for a Father and Son Participation in a game of Dodge Ball!

To conclude our evening with a more solemn tone, Cub Scouts Karl Roettger, Robert Miller, Danny Mailing and Richard Humphrey of Den 4, participated in the ceremony of "The Four Winds," so that Barry Patterson could receive his Webelos Badge. Barry, son of Mr. and Mrs. Leo Patterson, 50 Fieldstone Drive was then graduated and inducted into Troop 73 by Scoutmaster Edward Kaye, assisted by Scouts Robert Zeiser and William Holler.

We wish you luck, Barry, as you begin your new experience in Boy Scouting. We know that you'll take advantage of all the opportunities afforded you, so that you will attain the moral qualities that make Scouts good citizens in their own communities.

NOTICE OF HEARING... Notice is hereby given that the Board of Adjustment of the Township of Springfield, County of Union and State of New Jersey will hold a public hearing on Thursday, November 29, 1956 at 8 P.M., Eastern Standard Time in the Municipal Building on Mountain Avenue to consider the application of Robert H. Wilkins for a variance to the Zoning Ordinance concerning Block 10, Lot 1 B, Route No. 22, Springfield, N.J.

**HONEYMOONERS**—Newlyweds Mr. and Mrs. Edward Kuzma are shown getting ready for an evening's entertainment during their honeymoon at Ben Gaines' Sahara in Miami Beach, Florida. The couple are making 256 Hillside Avenue their permanent residence. Mrs. Kuzma is the former Doris Taraska. Mr. Kuzma is parts manager of General Appliance Service in town.

## Merchants Hope For Action On Jenco Property

The Ness property — now known as the Jenco tract — may become the most important piece of real estate in Springfield.

Development of this property depends on the proper entrance on Morris avenue and several solutions are in the picture. One is that the Township has encouraged Charles Jenco and his syndicate to negotiate for the purchase of the property belonging to the Hague interests in Elizabeth so that Mountain avenue can be extended and become a thoroughfare running through the property.

This plan has the cooperation of merchants on the north side of Morris avenue all of whom have practically agreed to devote part of the rear of their properties for a parking lot. Property owners adjoining the Jenco property have been interviewed and practically all of them have displayed considerable enthusiasm in the plan that would give Springfield additional free parking facilities.

Such a plan would need the Hague property or some similar piece on Morris avenue that would provide for a sufficiently large entrance to the property. The owners of the property at the head of Mountain avenue are asking a very high price but negotiations are still going on for some other piece of land that will provide the necessary entrance.

The Newark News, under the heading of "Last Frontier in Springfield" recently published the following by John B. Lauria: "With the recent sale of the Maron tract at Morris Ave. to a construction firm that specializes

in shopping centers, attention is focused on the 18-acre Jenco tract and its eventual disposition. This is the only tract of land left in the township which is adaptable to a shopping center or similar venture.

According to Charles Jenco of Short Hills, owner of the tract, several propositions have been made recently for either the purchase or development of the tract. He said he has been indirectly approached by New York stores but he wouldn't elaborate. The site, which is zoned for limited business, abuts the rear of properties fronting on Morris Ave. in the center of town and is bounded by lots fronting on Main St. and Denham Rd.

A problem which plagues Jenco is the lack of suitable land for ingress and egress. He said he owns a 70-foot wide strip of land which pens into the tract from Morrison Rd. This is a one-way street northwest, however, which would make it annoying for persons coming from Summit, who would have to bypass the exit end of the street and go to the southwest end of the road and make a hairpin turn to get to the strip.

It is understood that Jenco is desirous of getting some land

### A THANKSGIVING PRAYER

"We thank Thee for this place in which we dwell, for the love that unites us, for the peace accorded us this day, for the hope with which we expect the morrow, for the health, the work, the food and the bright skies that make our life delightful; for our friends in all parts of the earth . . . Spare to us our friends . . . Bless us, if it may be, in all our innocent endeavors. If it may not, give us strength to encounter that which is to come . . . and in all changes of fortune . . . down to the gates . . . loyal and loving one-another."

ROBERT LOUIS STEVENSON

The **FIRST STATE BANK OF UNION**

Morris Avenue at Buzie Parkway Union, New Jersey

MURDOCK 6-4800

From the First Presbyterian Church, which owns land abutting the tract and fronting on Main St. It is also understood that the church has made no commitment either way. Jenco does own an eight-foot right of way along Walnut Court, which empties into Main St.

Other large tracts left open in Springfield are 400 acres known as Baltusrol Top, which is zoned for one-family dwellings and 66 acres in Rt. 22 owned by the Hanovia Chemical & Manufacturing Co. of Newark, which is zoned for industry. The residence land is owned by Baltusrol Top Inc. of Elizabeth.

The chemical firm had planned to erect a plant on its acreage, but that plan was dropped, a company spokesman said yesterday. There are no plans for the immediate future.

In the case of the Baltusrol top acreage, which overlooks the Baltusrol Golf Club, the township had envisioned some "high type" of commercial venture. This hope was quashed when the owners started suit to force the township to approve its plan for subdivisions for one-family homes.

The planning board and then the township committee rejected an application for subdivision on the ground the owner did not submit all the necessary plans. An appeal was also denied when the owner went to the committee with revised maps before going to the planning board. It is understood, however, that the township is against further settlement in the area, because there is no road to it from Springfield. Fire equipment and police have to go through Mountainside or Summit to reach the hilltop area. The township is making surveys to determine if a road can be built which will connect the area with the rest of the township.

### Carton Makes Frat

John William Carton, son of Mr. and Mrs. John D. Carton of 70 Morrison Road, Springfield, New Jersey, has recently been pledged to Sigma Pi Fraternity at Newark College of Engineering. John is a very busy member of N. C. E.'s Class of 1960.

### News of Local Troops

The Girl Scout Cabin on the Watchung Reservation is available for Springfield's use during the week-ends of December 2 and December 28. If the leaders of any troops wish to reserve the Cabin for these dates, please get in touch with Mrs. E. E. Arnold, Camp Chairman at Drexel 5-827 at the very earliest possible moment. Talk it over, leaders and co-leaders, and ask Mrs. Arnold for more detailed information, if you find you can take advantage of this opportunity for a camping experience.

At a special Council meeting this month, it met with the approval of the leaders present to have the Girl Scout-Brownie picnic in the spring of '57, to take the place of the one cancelled this fall because of bad weather. Further plans will be forthcoming from the Program Committee.

"For the Duration", Mrs. Joseph Zidonik, 29 Remer Avenue, is holding the Girl Scout Books which have heretofore been in the children's department at the Springfield Public Library. Leaders may borrow the books at any time, and they will be charged out to them.

### Troop No. 18

Mrs. Vito Pettiti, leader Mrs. Francis Sammond, co-leader The weather man was on our side on Veteran's Day and made it possible for us to carry out our plans for a cook-out at the Girl Scout Cabin at Watchung. As well as the girls who "flew up" from Brownies last year, we now have in our troop Judy Bukawski, Grace Carracino, Maryann Kapraun, Carol Gofey, Kathy Graessle, Deborah Kolarsick, Kathleen Kozak, Barbara Myhrberg and Janice Pettiti. Mrs. Carracino, Mrs. Graessle and Mrs. Tatasko, mothers on our troop committee have given us help all along the way whenever we have called on

them, and we certainly appreciate it.

**Troop No. 22**  
Mrs. Whitfield Cox, leader Our time is pretty much taken up at present with Home Nursing Sessions, given by the Red Cross at the Cannonball House. As we are now 2nd year Intermediates we need this training toward 1st class rank. However, we did take time out for a hike at Echo Lake and to bake cookies to be delivered by the Red Cross Auxiliary to hospitals. We have swelled our ranks by one this year, namely Terry Goodman.

**Troop No. 36**  
Mrs. William VanFranken, leader Mrs. Paul Stern, co-leader Our fall hike was a bit different from the usual in that we collected leaves and classified them for a scrapbook, and now we can readily identify the trees from which they came. We weren't wearing disguises at the last meeting; it was simply excess flour from our "gingerbread men" cookie project, and what a healthy, happy mess and what by the end of the afternoon. Suzanne McGarrah has moved to Springfield from Summit and is now one of our members. We are governed by officers which we elect every

three months and who are responsible for refreshments and appointing the Color Guard. Mrs. Leonard Hodapp, Mrs. Alvin Fuerth, and Mrs. B. Lesser are working with us as a troop committee.

**Troop No. 21**  
Mrs. James Moses, leader Mrs. William Franklin Mrs. Alfred Parker Mrs. George Rau (co-leaders)

Our three patrols, the Bluebirds, Nature Girls and Campers have completed ceramic turkeys for Thanksgiving. We are working real hard on badge requirements. More about us after the Holidays.

**Troop No. 2**  
Mrs. Joseph Roller, leader Mrs. T. August Herman, co-leader Our meetings have been very busy and a lot of fun while working toward our 2nd class rank badge which we hope to earn before Christmas. On Veterans' Day we took a 4 mile hike on the South Reservation from Washington Rock to Summit Field area and had a wonderful time. Our cook-out lunch tasted good after all that walking. Jean Ann Herman is a newcomer to Springfield as of last summer and has joined our group.

## For Those Who Demand Perfection There Is Nothing Finer Than

CATALINA #3

A cabinet in light, modern design of graceful proportions avoids the heavy, box-like appearance of ordinary television receivers. The designer has achieved the appearance of a piece of fine furniture rather than a mechanical or electronic device. Constructed of genuine heavy mahogany veneers, hand-rubbed to assure permanent beauty this cabinet will be the major attraction in any room. Unexcelled Andrea Sharp Focus Television and superior sound system raise this instrument far above the level of ordinary receivers as a life-long source of the finest in home entertainment.

## ANDERSEN PONTIAC, Inc.

312 SPRINGFIELD AVE., SUMMIT CR. 3-9150

# From GOD... to MAN

A field of wheat . . . a human soul!

Gifts from God—upon which man puts the imprint of his own labor, and faith, and wisdom.

The result; a loaf of bread . . . a Christian.

Life is teamwork with God. Man receives what he cannot create, and fashions what he needs. But between resource and product are vital steps.

Between a field of wheat and a loaf of bread must be the mill and the oven.

Between the new-born soul and the mature Christian must be a Church and a religious home.

True thanksgiving is the sacred resolve to use what God has given to fashion what God desires.

## THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Psalms	97	1-7
Monday	Psalms	92	1-15
Tuesday	Psalms	95	1-7
Wednesday	Matthew	4	1-11
Thursday	Mark	12	23-34

## Ralph Montanus To Speak At Chapel

Rev. Ralph Montanus, America's Blind Evangelist, will be the guest speaker at Mountainside Union Chapel at the Thanksgiving Service on November 22 at 8 P.M.

The Founder and President of the Gospel Association for the Blind, Inc., Rev. Montanus and his wife are heard each Sunday on radio with a Gospel message for the blind and the sighted. Blind Sunday School teachers minister the Word of God from his Braille, Sunday School quarters and Bible Study Course.

Currently, Rev. and Mrs. Montanus are working on a new kind of camping program for blind boys and girls. Original plans which contemplated a special Bible camp just for blind children have yielded to what they consider a better idea, placing blind children in a sighted children's camp. Each blind child is teamed with a Christian sighted child who helps him or her become a "Mountainside Union Chapel cordially invites everyone to attend this service."

## Dr. Green Presents 4th Book Review

Dr. Marvin Green, pastor of the Methodist Church, will present the fourth in a series of six book reviews on "The Dead Sea Scrolls" on Wednesday evening, November 28, at 8:00 o'clock. The general public is cordially invited to attend the lecture to be held in Mundy Room at the Methodist Church on Main Street. The admission will be free.

The scholarship world was startled on learning that, in 1947, the now-famous "Dead Sea Scrolls" had been found which included an entire Jewish sectarian library dating to slightly before the time of Christ. With John D. Rockefeller backing the world has found out exactly what these 300 scrolls contain, and are now trying to determine how they will influence Jewish and Christian emphases of religious faith.

**CHRISTIAN SCIENCE**  
can help you . . .  
Have you ever wondered how?

Free Lecture Entitled  
**"CHRISTIAN SCIENCE: It's Answer to Man's Need in the Atomic Age"**

by

### Legion's No. 2 Team Dumps Leaders In Keg League

Fourth Place American Legion No. 2, who have been climbing the standings steadily, upset the Springfield Bowling League leaders, Springfield Market, 2-1, to highlight action Monday night at the Springfield Bowling Alleys.

The Legionaires took the first two games from a slumping Springfield Market team before they lost the finale by only 19 points.

At the same time Beckmann's Market took undisputed possession of 2nd place away from Mendel Florist by winning the last two games of a three game set. Other action saw Parkview Garage snap out of their two week slump to sweep three from Frank's Auto and climb into a 5th place tie. D'Andrea Driveways nipped big living Bunnell Bros. 2-1, and Cuzzolino Pura and American Legion No. 1 scrapped in a battle for the cellar. The Furriers won the odd game, but Legion was saved from the depths when Brunner Construction swamped Drake's Fuel plunging the Drake team into 7th place.

Two hot 2d games included: Ralph Polcarpio 200; Martin 227; G. Schwartz 268; Conchar 211; Jacobovitz 206; Schmidt 209; H. Burtlett 202; Hagenbush 212; Salzano 217; R. Schramm 206, 204.

### Old Tombstones To Be Replaced

The Daughters of the American Revolution have joined with the Sons of the American Revolution in a county-wide program that will see many of the crumbling tombstones in Springfield cemeteries replaced.

The Joint SAR DAR Memorial Committee is replacing worn out and undecipherable stones throughout Union County. Their first project is to clean up the Battle Ground Cemetery and Presbyterian Cemetery in Springfield. They obtain new marble headstones from the U. S. Government.

Next May, the patriotic groups will dedicate the new stones in connection with the 100th Anniversary of Union County.

### Hadassah Receives Special Citation

At the board meeting of the Springfield chapter of Hadassah, held last Wednesday evening, Mrs. Jack Chotiner, chapter president, informed the board with pride, that Long Island University had conferred a special award on Hadassah for its unique contribution in the field of Adult Education.

The following is a report on the presentation of the award. Mrs. Chotiner remarked that the Springfield chapter could be proud of its role in the national Hadassah program and pointed out that this award re-emphasizes the diversity of the Hadassah program.

The unique contributions of Hadassah, the Women's Zionist Organization of America, in the field of adult education, as specifically evidenced by sponsorship of a \$25,000 International Historical Research Project, were hailed last week by several hundred educators and scholars attending a reception at Hadassah House, 65 East 52nd Street.

The reception was in the form of a tribute to the seven historians who collaborated in the five-year Hadassah project to study "the basic ideas, ideals and values of the Jewish historical experience and their relevance to contemporary life in the United States." Results of their survey were published last week by Random House under the title, "Great Ages and Ideas of the Jewish People."

Highlight of the reception meeting was the presentation to Hadassah from the School of Education of Long Island University of a special award for the organization's work in the field of adult education. Presented on behalf of Long Island University by Dr. Jacob Hartstein, Dean of the School of Education, the citation read:

"Presented to Hadassah, the Women's Zionist Organization of America, in acknowledgement of Hadassah's contributions to the field of adult education, and its productive efforts to give fresh meaning to Jewish culture as an integral part of American living, as specifically evidenced by sponsorship of the book, 'Great Ages and Ideas of the Jewish People.'"

### Hadassah Opens Gift Shop

Springfield chapter of Hadassah has announced the opening of their "Shoperama" on Sunday, Nov. 25 in the old Conle store on Mountain Ave.

The sale, planned to serve the community at this season of holiday shopping, will offer a wide variety of items for gift giving. Mrs. K. Ellner, chairman, and her committee has gathered merchandise to be sold at huge savings. Among the items to be offered for sale are; gift items such as leather goods, pottery, costume jewelry, crystal and linens; a varied selection of gift wrappings and greeting cards; clothing; and a complete selection of home-baked cakes and cookies as well as candies and nuts.

The sale will continue through Tuesday evening.

### CATHOLIC INFORMATION

Can You Keep A Secret?

Honestly? — and never breathe it to a soul? — as long as you live — even though the one who told it to you might crucify you? — even though it might make no difference to the one who told you?

That would be a pretty hard bargain, wouldn't it? — one might almost say an impossible bargain; and yet thousands of people enter into a pact of that sort every day, without the least twinge of hesitation.

We Catholics trust the seal of confession. We can go to a Catholic priest, anywhere, and confess that we have done anything, from making an unkind remark to poisoning our Uncle Humphrey; and we know with absolute certainty that, as far as we and confessor are concerned, the matter is dead. We might as well have shouted it down a well. Never will that priest betray what we have told him. At the time, he may have expressed pain, or horror; our sins may or may not have been forgiven; but, no matter what, they are a dead issue as far as he's concerned.

What gives us that assurance? History: the record of priests through the centuries. Of the priests in hundreds of thousands who have served Christ through the ages, a rare few may have lost their faith; but never have they been known to reveal who told them what in the confessional.

Think back on it yourself. Wouldn't the inside story on the confessional make a snappy article for some cheap magazine? — and have you ever seen such an article? Have you ever heard of an ex-priest, real or bogus, who even pretended to be specific about what he heard in the confessional? Have you ever heard of a priest's trying to blackmail a penitent? Never in your life!

Think of cases . . . think of any possibility which might seem to justify a priest's breaking the seal, and we can say that in no case would he do it! — in no case has he done it. More: he may not bring up the matter again with the person who confessed to him. And still more: he may not let such information even effect his action!

Ask anyone who has gone to confession. He'll be able to tell you. Or look up the story of St. John Nepomucene in the Catholic Encyclopedia. He was the Bohemian confessor who suffered his tongue to be ripped out of his mouth rather than divulge the confession of a penitent.

14 Reimer Avenue  
Springfield, N. J.

### Local Woman Gets 30 Year Co. Award

Miss Sylvia L. Barlow of 78 Forest Drive, Springfield, was today presented an award for 30 years of service with the Chile Exploration Company, a subsidiary of The Anaconda Company. Miss Barlow is secretary to the chief accountant of the company.

Presentation of a service award was made at luncheon ceremonies held at the Downtown Athletic Club honoring more than a hundred employees of the New York Office, each having served the

organization 25 or more years. Anaconda officials who participated were headed by Roy H. Glover, chairman of the board; Clyde E. Weed, president; and Edward S. McGlone, executive vice president.

Military Bridge of St. Stephen's Plans are being completed for a military bridge to be held at St. Stephen's Parish House on Friday, December 7th at 8:15 P.M.

The Evening Group is sponsoring this affair. Mrs. Ralph Williams is chairlady — assisted by Mrs. Robert Smith and Mrs. William Stoeckle.

### Springfield Aid To Hungary Asked

Springfield residents of Hungarian extraction are leading the way locally in collecting relief materials to send to that revolutionary torn country.

The International Rescue Committee is a well-established relief organization, existing for the past twenty years, ready to furnish emergency aid in stricken areas of the world. General Lucius Clay heads the present Hungarian drive of the Committee.

Food in Hungary is scarce, many areas are facing starvation, epidemics of typhoid and other diseases are spreading. Thousands of wounded casualties of the revolt are at hospitals where supplies of medicine are hopelessly inadequate. The Russians are now beginning, to let aid come in through Yugoslavia. The International Rescue Committee is ready to deliver this aid and will see to it that it is sent, if at all possible, where the need is greatest.

Local units affiliated with the International Rescue Committee are appealing to businesses, organizations and individuals for cooperation in the drive. The greatest need now is for financial help, to buy food and medical supplies, and for warm clothing for the winter. Workers are needed in handling local collections; pick-up, sorting and repair of clothing; and telephone canvassing.

For further information call Mrs. Andrew Bato, 269 Scotland Rd., South Orange, SO. 3-5081; Helen Blair Corset Shop, 231 Essex, Millburn, DRexel 9-5750 and Mrs. F. M. Newman, 34 E. Hartshorn Dr., Short Hills, DRexel 9-2007.

Money may be sent directly to the International Rescue Committee, 62 West 45th Street, New York, N. Y.

Help Vets For Xmas Six members of the American Legion Auxiliary Rehabilitation Committee went to Lyons Hospital last Sunday to help the hospitalized vets pick out Christmas gifts to send home. Gifts were donated by the Auxiliary through the contributions of all units.

Attending from the Springfield Unit were Mrs. William Doyle, Mrs. Frank Sammond, Committee Chairman; Mrs. Robert Day, Mrs. Neil Brown, Mrs. C. Palmer and Mrs. Herbert Quinton, Jr.

### Caggiano's 633 Series Tops Sports League Bowling Here

The V. F. W. Mavericks have won 12 out of their last 15 games to lead the Sports League by 6 games. The Lynn decorators forced the winners to bowl record breaking scores and every match was decided by the anchor man.

While the P.B.A. and Disc & Shutter teams were idle, the Jimbo's took 2 out of 3 from Springfield Tree to tie for third place. The idle teams will bowl their games on Thanksgiving Day.

R. Caggiano's 633 series was better than many TV stars have bowled in Echo Lanes during their championship series, and it boosted him to the top of the Individual Averages with a 183. Caggiano is only 16 years old and will probably be a top ranking bowler someday. He bowled 221, 220 and 196, and was overshadowed only by Rud Jennings' 258 game. Other 200 scores were Billy Lynn 221, Ed Schaefer 212, Smozanek 211, Ronkavitz 211.

Team Standings

Team	W	L	Pct.	T.P.	Avg.
Disc & Shutter	12	12	.500	23,121	459
V.F.W. Mavericks	15	8	.750	22,939	441
Jimbo's To Tie	13	14	.481	22,778	441
Springfield Tree	11	15	.423	22,513	430
P.B.A.	11	15	.423	21,192	398
Lynn Decorators	13	12	.520	22,397	429

### Hadassah To Meet Wed.

Springfield chapter of Hadassah will hold its next regular meeting on Wednesday, November 28, at 8:30 p.m. at Temple Beth Ahim. This meeting coinciding as it does with the festival of Hanukkah, will be highlighted by the kindling of the first of the eight candles lit in homes all over the world to commemorate the Festival of Lights. The traditional prayer will be recited and Hadassah members and their guests will once again be reminded of the great miracle that occurred in the days of Judas Maccabee.

Mrs. Harry Ganek of Millburn will entertain with interpretations appropriate to the festival season. Mrs. J. Chotiner, chapter president, will preside. Refreshments will be served.

Boosters To Fete Regional Team

The entire Regional football squad, which includes the junior varsity and freshmen, will be tendered a steak dinner next Thursday evening at the Orchard Inn, Route No. 22, Springfield. The footballers have experienced long going during the campaign, but have gained considerable experience and should become a solid club next fall. The Regional Booster Club recognize the hard work and spirit of the youngsters and are busy organizing sponsors for the boys to this dinner. Anyone wishing to sponsor a boy is requested to forward a check or money to Mrs. Sally Ruby, Treasurer, of the Regional Booster Club. The cost of the dinner is \$3.50 per plate.

Regional Swirls To Football Dance

One of the largest turnouts of the school season will be on hand at the annual Thanksgiving Football Dance at the Regional gym Thursday with dancing from 8 P.M. to midnight. The 19th annual Booster Club Football Dance draws a large turnout of Alumni members as well as a gala affair for all undergraduates. Tickets are on sale for \$1. and may be procured at the door. The entire proceeds will go towards the Regional Booster Club All-Sports Dinner which will be held in May.

Boys to Tryout For Basketball

Basketball tryouts will be staged next Wednesday night at the Florence Gaudineer gymnasium for all-boys between the ages of 13 and 15, under the guidance of the Springfield Recreation Commission. Boys are requested to bring their sneakers, shorts, and T-shirts. All boys must be residents of Springfield and must register for league play. The Springfield Youth League will organize into either a four team or six team league, depending on the number of boys participating. T-shirts will be issued to boys after three workouts, with the boy assigned to either of the 66 teams. Every effort will be made to form a strong but well-balanced league. No team will be allowed to line up an all-star aggregation. The league will operate on Monday, Tuesday and Thursday evenings, with all league games starting at 7:30 P.M. sharp. A uniformed basketball official will be in charge of the game, with adults keeping the score. Dads or adults who are interested in coaching the teams are requested to attend this Wednesday's opening day program. For further particulars, please contact Edward Ruby, Director of Leagues.

BASKETBALL CLINIC SET FOR SMALL FRY

The Springfield Recreation Commission announced today that the Small-Fry Basketball Clinic will be held on Saturday morning, December 1. Boys 9 through 12 are eligible to participate in the Saturday morning program. Boys will be registered, given fundamentals of the game, then assigned to various teams, playing regularly scheduled games every Saturday morning. Boys are requested to bring sneakers, shorts, and T-shirts, also a sweater, jacket or sweat shirt. Dads of any of the boys are also requested to be on hand to serve as Coaches or scorers. The Recreation Commission plan to organize an 8-team league with a fair distribution of talent. Each boy will be given a T-shirt with the name of his respective team. Schedules will be announced, with the results of each week's activity announced in the Springfield Sun. Last year six teams participated in league play each Saturday morning at the Florence Gaudineer School, but should eight teams be formed, the James Caldwell School would then be opened, with two games at each school starting at 9:30 A.M. For further particulars please contact Edward Ruby, Director of Leagues.

Masque Ball To Be Dec. 8 at Temple

The Annual Masque Ball of the Temple Beth Ahm will be held Saturday, Dec. 8, at the Jewish Community Center according to Milt Kappstatter, Temple president. The fifth annual Chanukah ball will feature the music of the "Two Sighs from Springfield" and the food of G&L Doljesssen. Prizes will be given for costumes. Ralph Feldman is the dance chairman. The donation is \$1.00 per person, with food and drink optional.

Some Score! We Win 1009 to 970

The Minutemen of the Springfield Revolver Club today defeated the Essex Deputies in a regularly scheduled match of the North Jersey Revolver League by a score of 1009 to 970. Today's victory broke a losing streak that started with the opening of the season for the Minutemen, the newly formed team of the local club. Individual scores were as follows: Minutemen—S. Rosenberg, 273; D. Caivano, 272; M. Penick, 226; R. Hirsch, 228. Total 1009. Deputies—Vita, 264; Pense, 257; Timinsky, 236; Katz, 213. Total 970.

ORDINANCE TO AMEND AN ORDINANCE ENTITLED "AN ORDINANCE RELATIVE TO THE REGULATIONS AND STANDARDS GOVERNING THE SUBDIVISION OF LANDS WITHIN THE TOWNSHIP OF SPRINGFIELD PURSUANT TO THE AUTHORITY SET FORTH IN CHAPTER 436 OF THE LAWS OF NEW JERSEY AND AMENDMENTS AND SUPPLEMENTS THEREOF. SECTION 1. THE PROVISIONS OF THE BOARD AND THE TOWNSHIP OF SPRINGFIELD IN APPLYING AND ADMINISTERING THE SUBDIVISION REGULATIONS AND STANDARDS AND THE PENALTIES FOR THE VIOLATION THEREOF."

BE IT ORDAINED BY THE Township Committee of the Township of Springfield in the County of Union that Article VII, paragraph (a) and article VIII, paragraph (d) 3, and paragraph (c), be amended to read as follows: ARTICLE VII IMPROVEMENTS 1. Before the granting of final approval, the subdivider shall have installed or shall have furnished performance guarantees for the ultimate installation of the following: (a) Pavements, curbing and sidewalks in all residential areas shall be of modified penetration medium 36 in width and 4 in thickness, and in industrial areas shall be of the same type and width as in residential areas but the thickness shall be 12 in. Granite block curbing set in concrete shall be required in all developments. Concrete sidewalks of 4 in thickness and 4 feet in width shall also be installed on both sides of the street. All underground utilities must be in place and trenches thoroughly consolidated before any pavement or curbing is installed. All of the above shall meet requirements as established by ordinance and approved by the Township of Springfield and on file in the office of the Township Engineer. ARTICLE VIII Design standards. 2. Streets. (d) 3. Minor Streets, vii. 4. Lots. (c) Each lot must front upon an approved street at least 60 ft in width, except lots fronting on streets described in paragraphs 2 (d), 4 and 5 of this Article. 4. The foregoing ordinance shall take effect immediately upon adoption after final reading and publication in accordance with law. 1. Eleanor H. Worthington, do hereby certify that the foregoing Ordinance was introduced for first reading at a regular meeting of the Township Committee of the Township of Springfield in the County of Union and State of New Jersey, held on Thursday evening, November 9, 1956, and that said Ordinance shall be submitted for consideration and final passage at a regular meeting of the said Township Committee to be held on Wednesday evening, November 28, 1956, in the Springfield Municipal Building at 8:00 P.M., at which time and place any person or persons interested therein will be given an opportunity to be heard concerning such Ordinance. Dated: Nov. 9, 1956. ELEANOR H. WORTHINGTON, Township Clerk, Nov. 15 '56

THE MIGHTY CHRYSLER '57 Riding in it is a brand new kind of motion! The minute the wheels start you know something important has happened. On rough country road or superhighway, Chrysler's new Torsion-Aire Ride lets the wheels ride the contours but the body doesn't—the road just pours under you. Chrysler's completely new Torsion-Aire Ride didn't just happen. To achieve it Chrysler engineers had to develop and apply new principles of design. They wanted a lower car with a lower center of gravity. To get it they eliminated front end coil springs and substituted the greater, smoother resilience of torque rods. The whole chassis is a blueprint of advanced engineering. From this ground-hugging ride sprang the long, low styling of the new Chrysler, as functional as it is glamorous. Pride in fine engineering is one of the solid satisfactions of Chrysler ownership. You'll find this exciting Chrysler ride, powered by a 325-hp. engine, a personal pleasure you cannot duplicate in any other conveyance that travels on wheels. So when you visit our showrooms, don't just look at the racy new beauty of this car. Get behind the wheel and travel as you've never traveled before! Most glamorous car in a generation MORRIS AVE. MOTOR CAR CO. 155 MORRIS AVENUE SPRINGFIELD DREXEL 6-4210
