Leo Moran Kicks Off Polio Drive

"Let's finish the job!" is the slogan of the 1957 March of Dimes campaign according to Springfield chairman, J. Leo Moran.

Because of the tremendous progress made against polio by the Salk vaccine, Moran says the March of Dimes people feel they are within striking distance of licking the disease.

Moran began distributing donation cans in Springfield stores this week and organizing the neighborhood workers for the campaign.

He says the "job" this year is two-fold: To raise funds for repair of the damage that polio has done to thousands of Americans in the past and to prevent the disease from crippling more thousands in the future.

Moran estimates that 80,000 persons have been left handicapped by polio, throughout the U.S., and he points out that the job of conquering the disease cannot be considered finished until these patients have been helped to regain normal and productive lives.

The second objective of the campaign is to promote the widest possible use of the Salk vaccine, which was developed under March of Dimes sponsorship, and which has been proven safe and effective many millions of times over.

Commenting on the 15,000 cases of polio reported in 1956, Moran said:

"We of the March of Dimes are determined that 1957 shall not see a repetition of the polio record of 1956. Even so, we know there will be attacks of the disease, and we must provide for the care of all who need it."

Drive Success For Retarded Children Here

Springfield has again responded to a worthy cause with needed dollars.

While the final figures are not ready, Mrs. Samuel C. Goldstein, chairman of the local drive for Retarded Children, reported this week that approximately \$1,000. was contributed by Township residents in the recent appeal for funds.

Mrs. Goldstein and her active campaign group are very grateful for the warm response in the recent campaign and all of them have asked to "express their sincere appreciation for Springfield's part in helping the Union County unit for the New Jersey Association For Retarded Children."

The Springfield Chairman, Mrs. Goldstein, also extends "heartfelt thanks to the many generous contributors and also to the workers for their cooperation." Through their efforts, Mrs. Goldstein continued, the campaign was most successful financially as well as bringing to light the problems and needs of retarded children.

This was part of a nationwide campaign, carried on by the National Association, to make possible further research, guidance clinics and training in behalf of retarded children.

Program chairman, Julius Masuch, for the Union County Unit, New Jersey Association for Mentally Retarded Children, announces the next meeting of the unit on January 10, 1957, at 8:30 p.m. at the St. Luke's Parish Hall at Fourth avenue and Walnut street, Roselle, will feature a speaker from the Elizabeth social security office.

Benefits under recent amendments to the social security law will be described in detail to parents who have children over 16 years old whose disability was incurred before that age.

The film, "No Less Precious," will be shown. This is the latest film produced by the National Association for Mentally Retarded Children and released this fall for use in the 3rd Annual Fund Drive.

Merges Insurance Agency

Raymond R. Kravetz of 30 South Derby Road has announced that his insurance company, M. Kravetz and Co., of Jersey City has made another merger with a Jersey City agency.

Kravetz says that his merger with Kory & Ostrow Insurance Agency is the second of the major agencies which has joined forces with him in his present expansion program.

ONLY THE BEGINNING! First contribution—\$1,000 check from the Carter Bell Manufacturing Co.—to get the initial contribution for the Youth Center check from "Ike" Freedman, temporary chairman of the committee, who is receiving it from Lawrence Chibold, President of Springfield Rotary, at left, waiting (center), President of the Carter Bell firm.

Mothers Seek Plan For Bike Safety Here

The injury to five-year-old Jonathan Williams by a cyclist on a sidewalk here two weeks ago has spurred a group of Springfield women into studying the safety aspects of bicycle riding.

The group under the leadership of the injured boy's mother, Mrs. Arthur Williams has contacted the police department in Millburn to find out what that township does with its 1,500 bicycle riders. The safety conscious women feel that Millburn sets a good example because of their licensing program.

The Township of Millburn set up an ordinance in 1951 to license all bicycles after they have passed a mechanical check. A police officer is hired specifically for the job, though the police department says that when registrations are slow during most of the year, he is used for regular patrol duty.

The registered bicycle must pass inspection for headlights, reflectors, warning devices, handlebar grips, brakes, carriers, stands, and overall mechanical condition. In addition to inspection at registration time (Sept.), the Millburn police are empowered to impound any faulty bicycle they see around town during the year.

Of the 15 driving regulations for bicyclists, Millburn police say they put special emphasis on enforcing the following three: riding with the traffic, one person to a bicycle, and keeping off the sidewalks.

A policeman who sees a youngster violating one of these rules first gives verbal warning. If there are repeated offenses or flagrant violations of safety, then the police are empowered to impound the bicycle.

The Millburn Bicycle Officer, Albano, says that there has been a "substantial decrease" in bicycle accidents since the registering of bicycles began, with the consequent enforcing of the regulations.

The Springfield women say that they will further study the problem with the idea of making some concrete suggestions to the Township Committee for bicycle safety here.

Mayor Suggests Plan To Defeat Garbage Problems

Springfield is seriously planning to "escape the clutches of increasing costs of garbage collections" by working out a disposal program with other communities in this area.

This recommendation was included in Mayor Albert G. Binder's "state of the union" message to Springfield residents at the organization meeting of the Township Committee Tuesday at noon.

Mayor Binder emphasized the "waste and garbage disposal" subject as "one of the major problems of our town both from a cost angle and the measure of service."

"Springfield should make a study of costs," continued Mayor Binder, "to determine the economies of collection by our own municipal equipment as against private contractors. Our current cost of \$57,000 per year has increased tremendously—and this will, undoubtedly, continue to spiral after

Youth Center Proposal Gets Support Here

The idea of a Youth Center for Springfield is "snow-balling" into the biggest civic movement the Township has experienced.

Spearheaded by the Springfield Rotary Club with the appointment of a temporary committee, the Youth Center idea has spread through the entire Township, with all other groups ready to cooperate and set up the machinery for a single town-wide drive for the necessary funds.

Mayor Albert G. Binder's annual message at the organization meeting of the Township on Tuesday also called for a Youth Center and the appointment of a full time recreational director. Mayor Binder asked for "a comprehensive study be started . . . under the direction of the Township Committee . . . into the possibility of converting the town owned property on Mountain avenue into a Youth Center and it is also recommended that a full time qualified recreational director be employed."

How all these various ideas may be coordinated will be the task of the overall committee to be named at a later date to include all groups in Springfield. "Right now," said Rotary President Edward Reibold yesterday, "we have named a committee to spread the news to other groups and arrange for a meeting of all representatives."

The presentation of a check for \$1,000 by the Carter-Bell Manufacturing Co. for the proposed Youth Center program has brought responses from several individuals and other companies in Springfield. While neither Reibold nor Freedman would divulge the name of the donor, they stated yesterday that another very civic-minded individual, interested in Springfield's future, has made a very generous contribution for the Youth Center fund and announcement of this new donation and the name of the contributor will be made in a few days.

Various groups in Springfield have been discussing the matter of a Youth Center for some time and many of them have made considerable progress. All these plans will be thoroughly discussed when the committee meet.

Local Tailor Dies Of Heart Attack

Louis Freedman of 570 South Springfield avenue, died yesterday of a heart attack at Overlook Hospital, Summit. He was 70 years old.

Freedman, who was born in England has spent his entire life in the tailoring business and before coming to Springfield seven years ago started the Hi-Way Tailoring and Shoe Repair, he was in business in Newark.

He is survived by his wife, sons Ike and Saul both of Springfield and Lester of New York; daughters Mrs. Betty Freedman and Miss Ettie Freedman of Springfield and Mrs. Sylvia Dunayer of Union City.

Funeral services were held this morning at 11 a.m. at the Philip Apter Funeral Home in Newark. Rabbi Reuben R. Levine of the Springfield Temple Beth Ahm conducted the service.

Binder Re-Named Mayor; Urges Tax Revaluation

Springfield's 1957 Township Committee organized at Tuesday's noon meeting with no changes in the script.

Mayor Albert G. Binder was renamed chairman which carries the title of "Mayor" and all other Township offices remained the same as last year.

The organization meeting was held in the American Legion Hall this year because of the alteration job now going on in the Municipal Building.

The same working committees were renamed and A. Pancani was appointed a member of the Planning Board for a six year term expiring December 31, 1962. Arthur Buhner was named to the Board of Adjustment for a three year term and W. Bataille became the third member of the Assessment Commission with Edward J. Ryder as chairman and Leonard Gerber the other members.

Other appointments were Leslie Lawn to the Recreation Commission for a term of five years and Lemuel Stevens to the Library Board of Trustees for 5 years; and Eugene Beck for a 2 year term to the Local Assistance Board.

Tuesday's organization meeting held at noon was well attended with many interested citizens on hand to congratulate the town officials.

Tim Stewart Gets Church Scout Award

TIMOTHY J. STEWART

Explorer Scout Timothy James Stewart, son of Mr. and Mrs. James Stewart of 89 Salter street, on Sunday was presented with the "God and Country—Scouting Award" by the First Presbyterian Church of Springfield at its regular church service. Assisting the Pastor, the Reverend Bruce W. Evans in the presentation, were Robert Isley, Scoutmaster of Troop 70 and Harold Bischof, Church representative.

Troop 70, of which Tim is a member, has been sponsored for over fifteen years by the Springfield Presbyterian Church. This is the second such award given by the Church in the long and profitable history of the Troop. The first having been given to Richard Bischof of 6 Remer Avenue who is now a student of Grove City College, Pennsylvania. It was significant that Richard's father, Harold Bischof, should have a part to play in both awards.

The God and Country award is one of the highest and most sought after awards in Scouting. It is awarded only after a year's activity in the Church and completion of a prescribed course of study under the personal supervision of the pastor. Scouting recognizes the basic importance of religion in the process of character building and gives strong incentives toward the attainment of spiritual ideals. As a scout strives to achieve this award with the help of his pastor he is strengthened in four important endeavors: (1) to be more faithful in his religious duties; (2) to deepen his devotional life; (3) to encourage a

- DEPARTMENT OF PUBLIC AFFAIRS, including recreation, shade tree, animal welfare, sanitation (as pertains to ash and refuse removal): Vincent J. Bonadies, chairman; Frederick A. Handville and Eugene F. Donnelly.
- REGULAR MEETING NIGHTS—2nd and 4th Wednesday each month.

BOARD OF HEALTH

- PRESIDENT—Frederick A. Handville.
- SECRETARY—Eleonore H. Worthington.
- HEALTH OFFICER—Dr. Robert S. Milligan.
- SANITARIAN and PLUMBING INSPECTOR—Arthur H. Marshall.
- REGULAR MEETING NIGHTS—3rd Wednesday each month.

Springfield May Prohibit All Night Parking Here

Two of the several recommendations included in Mayor Binder's message, delivered at Tuesday's Township's organization meeting, promises to become controversial since even the officials are not in agreement.

One of the suggestions has to do with prohibiting all night parking in Springfield and Mayor Binder's message starts with the statement that "a tour of our streets after midnight will point up the need for this action. A large percentage of the cars now parked all night on our streets can be placed in garages or driveways. On our 80 or 40 foot roadways all night parking constitutes a hazard for the free flow of traffic and the policing and cleaning operations."

This problem, Mayor Binder continued, is of immediate concern and asks that appropriate steps be taken.

The other recommendation is the operation of radio equipped police patrol cars by only one officer. "With the many new residential and industrial developments here," the message stated, "we have increased the running miles of street patrol tremendously. In order to provide adequate protection for the town, it is obvious that we must increase our police patrols by, at least, one or possibly, two additional radio cars."

"To man these additional cars with 2 men each during night hours means a heavy financial burden. With proper control and coordination from police headquarters, I am reasonably sure that these patrol cars can be operated efficiently and safely by one officer. I realize that there are divergent opinions on this subject, nevertheless, some of our neighboring communities have adopted this practice and I recommend that such action be given immediate and serious consideration by this board."

Some study has been made by Township Committeeman Frederick A. Handville, in charge of the Public Safety Department in Springfield, but he says, law enforcement officials in New Jersey are not ready to "make a definite decision." This matter of one man patrol cars, said Handville, has been discussed very often and it was the topic of considerable thought at the last convention of New Jersey Police Chiefs where the opinions were about evenly divided. However, there is merit on both sides of the question and Springfield will thoroughly survey the problem since it does add to our police protection without increasing the force and costs of police operation."

Appointment of a full time tax assessor and official steps taken for "the revaluation and re-assessment to 100 percent true value" of all real estate in Springfield highlighted the annual message delivered by Mayor Albert G. Binder at Tuesday's organization meeting of the Township.

Other suggestions made by Mayor Binder included the re-organization of the governing body in the establishment of a youth center and the naming of a full time recreational director, flood and drainage control and the development of the remaining vacant land in Springfield.

Mayor Binder also took State Highway Commissioner Palmer "over the coals" for not responding to all the appeals made by Springfield to remove or cover the exposed trolley rails on Morris avenue which have caused many accidents because of the slippery tracks.

Following is some of the highlights of Mayor Binder's message:

On behalf of my colleagues, as well as all of those who are a part of your local Government, I extend to all the citizens of Springfield a most cordial Happy New Year, together with a sincere hope for extended peace and prosperity thru the year that lies before us.

To those here this morning, who have honored us with your presence, we are indeed grateful. I extend a standing invitation to visit with us on my 2nd and 4th Wednesday evenings throughout the year. I am sure you will find your Town Meetings both interesting and educational, and your presence will undoubtedly inspire us all.

As most of you may know, we are meeting here in the American Legion Hall today due to remodeling and expansion of the Town Hall across the street, and we are indeed indebted to the Legion for the temporary use of their facilities. Needless to say we are all looking forward to the day, in the late summer or early fall of this year, when all branches of your government, including Police, Fire, Road Department, Library and Administrative, personnel and equipment, can resume operations in their new enlarged quarters. You will find no frills or fancy trimmings in any branch of the expansion program. We have made every effort to be conservative; and are ever conscious of the expenditure of the taxpayer's money. Nevertheless, we are confident that the increased facilities will afford more and efficient services for the Town at large, whose phenomenal growth has seriously handicapped us in that respect.

Population Over 14,000 Speaking of growth and what Town doesn't these days, Springfield is now well over the 14,000 mark. In the last year and half, over 400 homes have been constructed and occupied. In the planning stages for this year, 1957, there are an additional 400 to 500 homes to be built and undoubtedly occupied. This continued unprecedented growth in our Town presents a problem and a challenge, and it is our job to overcome the obstacles. With the help and cooperation of our citizenry, we are confident we can succeed.

In reality it might be said we are changing from a strictly suburban area, as we knew it ten (10) years ago, to a semi-urban community with all the implications and complications that follow. If you will bear with me I would like to review with you some of the operational problems involved which are primarily due to our rapid expansion, and I do now and hereby make recommendations to the Governing Body for intensive study and action along suggested lines.

"Revaluation and Re-assessment to 100% True Value?" This is not a new topic, but (Continued on Page 7)

Xmas Lights Fade As Season Ends

All Springfield has left to remember Christmas-by-is-the-cold weather.

Yesterday the Christmas lights and the free parking bays were taken down and the town returned to its normal appearance. Henceforth, pennies and nickles are needed for the parking meters and the only light on Morris avenue will come from the store windows and the street lamps.

Thanks for the Christmas decorations and parking bays are due to the Chamber of Commerce and the Township Committee.

PISTOL MATCH—WINNER—Chief Samuel F. Rosenberg of Union is congratulated by Lt. B. G. Hirsch of 196 Lelak Avenue, Officer in Charge of the Pistol Team of the Port Newark Naval Reserve training Center, on Rosenberg's winning a trophy at a pistol match sponsored by the Police of Wyckoff. Rosenberg operates his own gun shop in Union; is past president of the Springfield Revolver Club and has been associated with the Naval Reserve since 1928. He was called to active duty in 1942 and since the war's end has been attached to the Port Newark unit.

THURSDAY, JANUARY 3, 1957

LETTERS TO EDITOR

Editor, Sun:

There is a traffic problem in

Springfield I'm sure we could do something about without the aid of the State Highway Department—the parking lot surrounding the General Greehe Shopping Center. I see no reason for driving over the speed limit (10 m.p.h. or so)

SO WHAT?...

If you have WOOLLEY service, your house is comfortably warm inside. Good Old Company Lehigh coal is burning steady and bright; or your oil burner is singing along smoothly, sending cozy warmth through your radiators.

All under the watchful eyes of WOOLLEY, who brings you carefully selected fuels and gives you expert equipment service—all so dependably, so promptly, so courteously, so economically.

CALL WOOLLEY AND RELAX.

WOOLLEY

"Your Comfort is Our Business"

necessary in a parking lot and against the directional arrows. There is a blind corner by the China Sky Restaurant that should be one way. There is no room for a pedestrian but yet people do have to get around that corner. I'm sure something could be done about people parking so close to this alleyway at the very least. I've seen several near misses at this corner. Perhaps a 10 mile per hour speed limit would be a step in the right direction.

I'm an expectant mother and I cannot move as fast as I could. I've nearly been clipped several times; and I know I'm not the only one. There must be more people who feel about this as I do.

Sincerely,
 MRS. D. O. MILROY
 234 Riverside Drive

Editor Sun:

I would like to take the opportunity at this time to thank the kind people of this community who offered of their time and their money in a program for the Hungarian refugees.

Kindly turn my check of \$25 over to the Red Cross relief program.

I would also like to thank you for your kind efforts in this matter.

Very sincerely yours,
 Henry Mulhauser, D.D.S.

Kuwait, a sheikdom in the Near East, gives all its government officials considerable money rewards so they can be "above temptation" to take bribes.

P.T.A. NEWS

This column begins the new year of 1957 by expressing appreciation to the people who helped in the Hungarian Relief Collection of Clothing which was sponsored by the Springfield Parent-Teacher Association in December. It is recognized that these people gave of their time during a very busy pre-holiday season, and the P.T.A. appreciates their generosity: Mrs. A. Buchner, Mrs. C. Ball, Mrs. H. Bouchard, Mrs. W. Hartz, Mrs. F. Jakobsen, Mrs. H. Oakman, and Mrs. H. Wilson.

The following girls also deserve a vote of thanks for assistance with the collection: Sharon and Debbie Huntton, Josephine Pinto, and Barbara Neigel. Members of the P.T.A. are grateful to Mr. Conde for the use of his store. It is felt that the collection was a success. Many articles of warm clothing were collected to be sent to the Hungarian refugees in Austria. The above information comes direct from the president of the P.T.A., Mrs. B. P. Yuckman.

A meeting of the International Relations Chairmen of various township organizations has been scheduled for January 8. The Springfield P.T.A. will be represented by Mrs. J. Frank Jakobsen and Mrs. Bryand Haas at this meeting.

Tim Stewart

(Continued from page 1)

deeper study of the teachings, practices, policies and organization of his Church; (4) to give practical expression to his religious convictions—in service to his Church.

In the Presbyterian Church, work for the God and Country award is maintained in three different stages, each of which requires four months for completion. These stages include: Christian Faith, Christian Witness, Christian World Outreach, Christian Citizenship and Christian Fellowship. In each of these areas the scout must complete appropriate service projects—all of which are intimately associated with the course. At the completion of the course, the scout is examined in his progress by the Session of the local Church.

As the mark of this award, Tim was presented with a special medal in the form of a white shield on which there is superimposed a maroon cross. The sincere congratulations of the entire church were also extended to him at this service.

Tim is a freshman at Jonathan Dayton Regional High School where he is a member of the high school band and a participant in the school science project. Upon graduation from Gaudineer

School, he received the Industrial Arts Award. He is a member of the Presbyterian Church, assisting in its services and active in the Westminster Fellowship program. He is also a former newboy for the Springfield Sun. He came up through the ranks of scouting in Troop 70 and it is hoped that his example will be an inspiration to other boys of the Troop to work for this same coveted award.

Also present at the time of the award were his grandparents, Mr. and Mrs. W. E. Mader of Cleveland, Ohio.

Presbyterians To Hear Hungarian Talk

The Fireside Group of the Presbyterian Church will hear an on the spot report of the refugee problem in Hungary at its meeting on January 9th.

The Rev. Albert G. Dezzo, Pastor of the Onocida Presbyterian Church of Clark-Cranford will be the speaker. At the present time he is on the high seas serving as Protestant Chaplain to Hungarian Refugees enroute to this country. Mr. Dezzo was chosen by Church World Service for this special task because of his fluency with the Hungarian language and knowledge of the country. In addition to his religious services aboard the ship, a part of his as-

signment will be an explanation to the refugees of the things they will find in this new country.

The Fireside Group is fortunate in having such a timely speaker who will be able to give us a first hand report on matters in this strategic area of the world. Mr. Dezzo is also the Moderator of Elizabeth-Presbytery. The meeting will begin at 7 o'clock with a covered dish supper.

2 On Pingry Honor Roll
 Two Springfield boys have made the honor roll at Pingry School in Elizabeth for the third school month, headmaster announced. 10th grader Jan Kennedy of Warwick Circle was named for his honors and 7th grader Thomas Curtis of 200 Short Hills Avenue was given 2nd honors.

MENU FOR THE WEEK OF JANUARY 7, 1957
 For mothers of pupils in Gaudineer School who wish to balance the diets of their children, here is the menu for lunches to be served next week:
 Monday: Macaroni and sausage casserole, sweet corn red cabbage, applesauce, peanutbutter sandwich, milk.
 Tuesday: Chicken-hoodle soup, toasted cheese sandwich, tossed salad, milk.
 Wednesday: Orange juice, hamburger on roll, potato chips, jelly, milk.
 Thursday: Turkey chow mein, rice, Chinese noodles, peaches, bread, butter, milk.
 Friday: Fish sticks, oven fried potatoes, cole slaw, roll, butter, milk.

Hi Neighbor !!

NEWS AND TIDBITS ABOUT YOUR FRIENDS & NEIGHBORS. If You Have Any News Call . . .

DREXEL 6-4502

LORRIE LEWIS

Gay parties, family reunions, and holiday entertaining were the rule all over town last week.

A traditional yearly get-together was enjoyed at the home of Mr. and Mrs. Arthur Smith of 384 Millburn Road. Mr. Smith's brother and sister-in-law, Vice Admiral (U.S.N.-retired) William Smith and Mrs. Smith came up from Washington, D.C. Also present from Chicago were Mr. Smith's sister and brother-in-law Mr. and Mrs. S. De Camp and from Springfield, his sisters, the Misses Carrie and Mabel Smith. About 20 other members of the family attended the reunion.

Strains of "Auld Lane Snye" sounded clear and strong from the home of Mr. and Mrs. L. Kriegman, of 182 Hawthorne Ave., on New Year's Eve. The Kriegmans and five other couples dined at Gene Boyle's before returning to town to usher in the New Year.

Mr. Melvin Golden of 180 Lelak Ave. recently returned from Miami Beach, Florida where he visited with his sister and brother-in-law, Dr. and Mrs. Norman Reiss.

Starting a new year in their new home at 80 Redwood Road are Mr. and Mrs. Jack Williams, formerly of Bayside, L.I. Their 2 youngsters are Jill age 5 1/2 years and Ricki age 4 1/2 years. Mr. Williams is with Metal and Thermo, Rahway.

Mr. and Mrs. August L. Nanz of 38 Clinton Ave. are so happy to have as their houseguests their daughter and son-in-law, Lieut. and Mrs. John A. Pfeifer of Washington, D.C. and their grandson, John Braxton Pfeifer.

Mr. and Mrs. Harry Hillard of 15 Archbridge Lane and their daughter, Nancy returned from their three week vacation in Miami Beach, bronzed and relaxed. Shortly after their arrival in Florida the Hillards were joined by their neighbors, Mr. and Mrs. A. Blafer of 11 Archbridge Lane and the three Blafer youngsters, Pamela, Natalie, and Richard. A fabulous time was had by all!

It will be a Happy New Year indeed for Dr. and Mrs. Ralph

Mond of 545 Morris Ave. because of the arrival of their daughter, Susan Leslie. Susan was born on Dec. 26th weighing 5 lbs., 12 oz.

The first 10 tickets to this Year's annual card party of the Springfield P.T.A. have already been sold, the tickets were reserved by a group of men who attended last year's card party and enjoyed playing with each other so much that they formed a club and have been meeting regularly ever since. They will celebrate their "first anniversary" and charter night at this year's P.T.A. card party. Included in the group are Irv. Gershen, Fred Merkle, Art. Williams, Jack Slater, and Seymour Cohan all of Springfield and J. Gershen of Elizabeth.

The P.T.A. card party will be held on Feb. 4th at the Batusrol Golf Club. To avoid any overcrowding, 50 less tickets will be sold. Anyone interested in purchasing tickets, which are now available, may do so by phoning

Mrs. Miriam Gershen at DRexel 6-5772.

The happiest of birthday wishes to Nancy Dziubaty, daughter of Mr. and Mrs. T. Dziubaty of 371 Milltown Rd. Nancy's 9th birthday party was held on January 2nd and her guests included Diane DeLeonard, Nancy Hillard, Maxine Fried, Hal Lewis, Tina Kolhaus, Joan Vogel, Jackie and Gabe Petli, and Natalie and Pam Blafer.

Another lovely Miss who is celebrating her 9th birthday on January 3rd is Maxine Fried, daughter of Mr. and Mrs. H. Fried of 23 Archbridge Lane. Maxine will entertain the following guests at her birthday supper-party: Evelyn Grimshaw, Joan Vogel, Nancy Dziubaty, Marjorie and Susan Fried, Peggy Kramer, Barbara Tropp, Lauren Blaustein and Sandra Geiger, all of Springfield; her cousin, Meryl Goodman of Hillside; and her brother Steven.

Merriment reigned on New Year's Eve at the home of Mr. and Mrs. J. Slater of 20 Warwick Circle who hosted a party.

Accountant Elected

New York—John Acanofra of 66-A Wabeno Ave., Springfield certified accountant, has been elected a member of the American Institute of Accountants, national professional society of CPAs.

Mr. Acanofra is associated with the firm of MacNicol, Roswell & Co. in New York.

Chatham Girl To Wed Lou Principe

Dorothy Louise Augenstein

Mr. and Mrs. Emil Augenstein of Chatham announce the engagement of their daughter, Dorothy Louise to Louis Principe, son of Mr. and Mrs. Joseph Principe of Hillside Avenue.

Miss Augenstein is a graduate of Chatham High School and is now attending Centenary College for Women, Hackettstown.

Her fiancée is a graduate of Regional High School and is now with the U. S. Army.

Jane Geoghegan To Wed In Fall

Jane Veronica Geoghegan

Mr. William J. Geoghegan of 26 Edgewood Avenue, Springfield, announces the engagement of his sister, Jane Veronica, daughter of the late Mr. and Mrs. William J. Geoghegan to Robert George Ziegenfuss, son of Mr. and Mrs. Peter Ziegenfuss, of 387 Morris Avenue, Springfield.

The couple are graduates of Springfield Regional High School. Miss Geoghegan is employed by The Palnut Company, Mountlaine. Her fiancée has served two years with the Army and is now employed by The Richard Best Pencil Company, Springfield. A Fall wedding is planned.

2 Born On Christmas Day

A boy and a girl were born to two Springfield couples on Christmas day and a girl was born to another couple on Dec. 22, all at Overlook Hospital.

William and Antoinette Brewer of 15 Maple Avenue became parents of a boy, on Christmas and George and Dorothy Hussey of 212 South Springfield Avenue became parents of a girl. James and Janice Traister of 545 Morris Avenue became the parents of a girl on Dec. 22.

Presbyterian Ladies Meet

The Ladies' Benevolent Society will hold its regular meeting on Wednesday, January 9 at 1 p.m. at

luncheon will be served and the new officers will be installed in a service conducted by Mrs. Dwight E. Faust, an officer of the Elizabeth Presbyterian.

WHEN I GROW UP . . .

Magical words these, "when I grow up"—full of promise, replete with confidence. What youngster hasn't uttered them?
 This lad is no different. He looks into the future that will be his when he grows up, and the world is his oyster, intact with pearls. This month he wants to be a fier. Next month he'll want to be an engineer, spanning bridges across great rivers and wide channels. The month after that he'll see himself as a surgeon, scalpel poised between skilled fingers. And the month after that—who knows?
 For youth is ever changing, ever restless. That's why it is so important that youth's naturally impulsive nature be held fast by an anchor that is good, firm and permanent. They need a faith that will sustain them whether they become doctors, fieres, or engineers. The Church provides this faith, this anchor.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

White Elephant Sale At Temple

A "White Elephant" sale will be held by the Sisterhood of Temple Beth Ahm at their regular monthly meeting on Monday, January 7th at the Temple, Baitusroi Way. The members of the Sisterhood have been urged to

bring an assortment of various unwanted household and personal articles, trinkets, etc., which will be auctioned off for the benefit of the organization. Refreshments will be served.
 Further information about the White Elephant sale may be obtained by calling Irene Weiss, chairman of the committee in charge, at Drexel 6-2877.

Catherine Titley Announces Troth

Catherine Elizabeth Titley

Mr. and Mrs. Ralph H. Titley of 34 Bryant Ave., announce the engagement of their daughter, Catherine Elizabeth, to Vincent J. Veninata, son of Mr. and Mrs. Carrado Veninata of Cumberland St., Westfield.
 The couple are graduates of Regional High School. Miss Titley attended Maryville College and is now a buyer with Hahn & Co., Newark. Mr. Veninata graduated from Denver University and attended Rutgers University School of Law in Newark, and is a member of Sigma Chi. He is Personnel Manager of the Suburban Division of the Grand Union Co.

Jeanne Gustavson Engaged Recently

Jeanne Gustavson

Mr. and Mrs. R. E. Gustavson of 79 Flomer Avenue, announce the engagement of their daughter, Jeanne, to Mr. Thomas H. Dowd of 77 South Main, East Orange, son of Mrs. H. Oglet and the late Mr. Thomas Dowd.
 Miss Gustavson is a graduate of the H. B. Whitehorse High School in Verona, N.J. and the Ann May School of Nursing, Fitkin Memorial Hospital, Neptune, N.J. She is presently on the staff of Overlook Hospital.
 Mr. Dowd is a graduate of the Detroit school system and attended Cornell University. He is employed by the Die Construction Co., N.Y.C. The couple plan a June wedding.

Bazaar Is Termed "Success" By Club

The Springfield Methodist Church was the scene of the Springfield Woman's Club's second Christmas Bazaar, on Thursday, December 6th. The doors opened promptly at twelve o'clock, and the Snack Bar, which was operated by the Ways and Means Committee, was immediately open for business, and had a very successful afternoon, serving sandwiches, various kinds of desserts, coffee, tea, and soft drinks.

One of the most popular spots was the Fish Pond, where the Small Fry contributed their dimes and came up with a gift at the end of the line. This was sponsored by the Drama Department, of which Mrs. Fred Spangler is chairman.
 The American Home Department furnished an assortment of cookies and home-baked cakes, which were contributed by many members of the club, and which Mrs. Vincent Bonadies, Chairman, had no trouble selling.
 Mrs. Williams and the members of the Art Department spent many hours painstakingly decorating gifts for their booth, and these articles were in demand. Equally charming were the table decorations, place cards, and decorated candles made by members of the Garden Department, and the department, under the chairmanship of Mrs. Harvey P. Sommerer, found a ready market for their wares. Mrs. Thomas Geddes, Chairman of the International Relations department, had an attractive table featuring imported sweets, tea, and other delicacies; and also, the Music Department, despite their having spent much time in preparation for their Christmas Musical Program, had Christmas candies and found time to make lovely aprons, under the chairmanship of Mrs. Stanford Hettinger. The pot-plant and "surprise" gifts, sold by Mrs. Edward Muldock and Mrs. Robert Dvor sold like hot cakes!

The services of the two fortune-tellers, Mrs. William A. Korrad, a club member, and Mrs. Arthur Levine, of 2088 Dogwood drive, Westfield, were much sought-after. These ladies, lovely in typical gypsy attire, invited their "customers" into a dimly lighted room, where they were able to give them the desired information as well as a glimpse into what the future holds for them.

CHURCH SERVICES

Binder Re-named

(Continued from page-1)
 certainly a controversial one. With pressure from the County and the State, time is running out, and it is apparent that steps must be taken to reevaluate the entire Town. This calls for a relatively large expenditure of money and the end results can only be determined by the final figures. Undoubtedly there will be some inequities that will be adjusted, and this is as it should be. The Tax rate will be lowered, but your assessments increased, and in many instances your tax dollar will be the same. However, the effect on Veterans Exemption, Town Borrowing Capacity, and other facets of the tax structure, will be drastic and unacceptable, and for that reason the State Government must make the necessary revisions. Your local government has already gone on record, thru

your State representatives, that a "Tax Convention" be called, and once and for all some semblance of just and orderly procedure be set forth in new State Statutes regulating Realty and Personal Taxes. In the meantime, I recommend we proceed with a re-valuation program and money be set aside in this year's Budget to cover a portion of its cost.
 In connection with this program, we should seriously consider, and make necessary provisions, for a full time Tax Assessor to carry on the program during and after the revaluation. It would be wasteful to expend 20-25,000.00 for a re-valuation program and then allow the records to deteriorate thru lack of time by part time assessors.
 "Youth Center and Full Time Recreational Director."
 A comprehensive study be started promptly to determine the feasibility and practicability of converting the town owned property

on Mountain Avenue into a Youth Center. This study to be made under the direction of the Township Committee. In conjunction with this, it is also recommended that a full time qualified Recreational Director be employed to supervise, coordinate and control all community-recreational activities, and such a position be established and made responsible to the Township Committee.
 "Flood and Drainage Control". That representation be made to the Union County Board of Freeholders for a regional study on this subject, particularly in those towns that are affected by the Rahway River and its tributaries. A solution to the unbrid damage and hardship from floods occurring annually in such Union County municipalities lies beyond the boundaries of the local towns. The Board of Freeholders by virtue of their responsibilities and authority is the logical agency to undertake such a study. The ultimate cost for corrective conditions could be shared by affected municipalities.
 "Economic Expansion Commission"
 We must make a concerted effort for the development of the remaining vacant land in Springfield that lends its environment to a return in rentals which will be an economic asset to our financial structure. The past year has seen two (2) such projects

realized, namely: Troy Village Garden Apartments and Sak's 5th Ave. Store. We are particularly happy to welcome both of these developments to Springfield, the former for a high type, luxurious garden apartment, and the latter, an exclusive shopping area operated by a house of national repute, which I am sure will add prestige and prominence to our community. We should encourage more of this type of development and others, in some choice locations still available in our Town. To stimulate this encouragement and further work along lines suggested, it is my intention later during this meeting, to appoint a commission made up of prominent citizens and Township officials, whose efforts will be to foster and establish contact with such individuals or organizations that desire to become established in a town which has many distinct advantages.
 The next matter is by no means a live subject, as a matter of fact, it appears quite dead, and so will some innocent soul if corrective steps are not taken soon. For three years now we have pleaded and begged the State Highway Department to remove or cover the exposed car rails on State Highway No. 84, known as Morris Avenue. In the beginning we received offers of "deals" whereby we could save the life of a motorist or a pedestrian if

we would ban parking on this highway 24 hours a day, 7 days a week. This was both arbitrary and ridiculous, inasmuch as no one would be allowed to park along the stretch of this highway from Elizabeth to Morristown are such restrictions enforced. For the last year we have received nothing but silence from Mr. Palmer, Commissioner of State Highways. In spite of appeals from the Governor and every branch of the Government to prevent accidents and save lives, the State will not raise a finger to eliminate a known and dangerous hazard on a thoroughfare that is entirely under their control. I have no solution to offer, however, to drive home the seriousness of this condition, I suggest we erect a sign on Morris Avenue approaches to town and paint a cross on it for every accident that occurs on that thoroughfare, due to the slippery car rails. Perhaps Mr. Palmer will pause to watch this scoreboard when he drives thru town on his way to Trenton.
 I have tried to touch on what I believe to be some of the most important phases of our growing economy. There are no doubt others that will arise from time to time. They must all be handled

with finesse and understanding, and with the ultimate before us at all times that the end results must be in the best interests of all Springfield. With the help of the many fine civic-minded men and women who serve on the various boards and commissions, with the cooperation and understanding of the citizenry at large, and with the blessing and guidance of Divine Providence, we will, I am confident, continue to govern in a manner that will bring respect and understanding from our citizens and afford a peaceful coexistence, one with another, for our citizens, now and in the future of our Town.

Back From Japan For Visit Here

Mr. and Mrs. Arthur Jacobs of 18 Warwick Circle entertained Mr. Jacobs' sister and brother-in-law, Mr. and Mrs. Horace Z. Feldman who have just returned to this country after two years in Tokyo, Japan. The Feldman's brought their two sons, Stephen (23 months old) and Johnny (14 months old) with them. The Jacobs have recently moved to Springfield from New York City.

John Stroppone Proves Stories About Fishing
 John Stroppone, proprietor of the Beauty-e-te Salon, Morris Avenue beauty parlor, is proudly showing his many friends in Springfield a newspaper clipping from a Miami Beach daily to prove all the stories he has been telling of his fishing luck.
 John recently returned from a vacation at the famous Florida resort and related some of his experiences as a fisherman. The carefully guarded newspaper clipping shows a photograph with the heading "What A Catch!" and a great many more fish than fishermen. The caption underneath the cut tells of "A night trip to the Reef under a full moon with plenty of action; 15 kingfish to 8 1/2 lbs.; a 6 lb. cobia, 2 snapper

at 7 lbs.; 1 snapper at 3 lbs.; 5 lb. gag grouper, 6 lb. rock hind grouper, margates and yellowtail. Party's follows: John Stroppone of Springfield, N.J., and the names of six others from various parts of the nation.

1926 30th Anniversary 1956

Dear Friends:
 The officers and directors are very grateful for the confidence our members have placed in us to make this financial statement possible. We are very happy to distribute \$533,000.00 in dividends during 1956 to 27,376 members. Starting Jan. 1, 1957 our anticipated dividend will be at the rate of 3 1/4% per annum. We are looking forward to your continued support during 1957.

Willard L. Hulst, President

Lynn Decorators Hand VFW Worst Defeat of the Season

The Mavericks suffered their worst defeat since the start of the season in losing three games to the super-charged Lynn Decorators. With Lynn's five men at their best and the Vets plagued with splits and one pin burners all three contests were decided long before the usual 10th frame. With only 5 games separating the two teams anything can happen from now on.

While the Vets were being clobbered by Lynn, the Felix Gold Disc and Shutter team unleashed their fury on the local gendarmes and sent them staggering to the cellar with a six game defeat. Three games were regular scheduled games and three were games postponed from early in the season. The P.B.A., also plagued with splits and way off their game, were no match for the powerful D & S team who finally hit their stride.

Springhouse Tree, with anchor man Snogonek absent and a blind score, managed to take two out of three from Jimbo Texaco and relegated them to 4th place. WOW! Whatta-night.

Two hundred scores were as follows: R. Reiff 22, E. Gerke 24, R. Ziegenfuss 216, R. Ayers 213-210, Burdette 213, Caggiano 210-200, Baumer 202 and J. Weber 200.

Small-Fry League Begins Saturday

The Springfield Recreation Commission Small-Fry Basketball League will inaugurate their 1957 basketball season, this Saturday morning at the Florence Gaudineer School gymnasium. The league will operate Saturday mornings only, playing a ten game schedule. The winners of the first half race will play the winners of the second half, with the championship final game staged on a weekday night in order for parents to see their youngsters in action.

The Florence Gaudineer School gym will open each Saturday morning at 9 A.M., with the first game of a triple-header starting at 9:30, the second and third games an hour apart. All parents are invited to see their youngsters play in this highly interesting league. Every effort is being made to keep the league well-balanced, with several player changes contemplated after two weeks of play. The league is open to all boys who are residents of Springfield, with the age limit being 9 through 12 years.

Boys who haven't registered to date are requested to contact Director of Leagues Eddie Ruby for registration and assignment. All boys must wear basketball shorts, T-shirts and sneakers. The results of all league play will be published in the Springfield Sun each week, also the standings as well as league statistics.

Dads who would care to serve as scorers or Coaches are requested to attend this week's opening program.

Elmer Walker Named As Kiwanis Vice President

Several Springfield residents have been elected officers of the Springfield-Millburn Kiwanis Club among them being Elmer Walker, well known Springfield apartment builder and owner who was named vice president and will take office at the installation meeting to be held January 3.

John Schaible and Donald Garland, other local residents, were elected to the board of directors and George M. Turk, Treasurer. Ellsworth Fisher of Undercliff Road, Millburn, was elected President.

Future Bright For Small-Fry Players

The Springfield Recreation Commission Small-Fry Basketball League have exceptional talent sprinkled throughout their league, and should develop into better than average basketball players in several years. The idea of exposing the youngsters to organized basketball and coaching was introduced by the Recreation Commission two years ago, although boys 12 through 15 years of age were playing in the Springfield Youth Basketball League for the past four years. The "Small-Fry" basketballers love the activity as evidenced by the large turnouts for basketball "clinics" and fundamental drills which were part of the organization of this league.

The preliminary workouts staged by the Recreation Commission were devoted to registration of all boys, fundamental drills, dribbling and foul shooting. The closing period of each Saturday morning was devoted to informal games, with observations made on the boys' ability. Teams were then selected, with every consideration given to forming a well-balanced league. Dads who were present and interested in coaching were assigned to various teams as either a Coach or a trainer.

The Pistons have several stand-out players in Don Stewart, Jim Crowley, and Bob Regi, the Celtics are headed by Mike Pisano. Eddie Fischrom and playmaker Larry McConkey. The defending champion "Knickerbockers" have Larry Cyre, Barry Becker and Eddie Schnell, with the Bullets spearheaded by the colorful Pete Coan and Don Francis. The Nats have John Agar and Al Wyckoff as their leaders, with the Lakers the darlings with Bill Geoghegan, Jimmy Lies and J. Strub as their leaders.

Look for several bright prospects from boys who haven't been mentioned as these boys improve tremendously as the weeks go by. See you Saturday.

Tap-off Tuesday In Hoop League

The Springfield Recreation Commission Youth Basketball season will open next Tuesday evening at the Florence Gaudineer School gymnasium, with the Royals, 1956 Champions, battling the Hawks. The tap-off is scheduled for 7:30 p.m., with the gym opening a half hour earlier for fundamental drills. The league will operate Tuesday and Thursday evenings, with the Springfield "Minutemen" playing outside teams on Wednesday's at home, playing away on Saturday afternoons or night.

The Springfield Youth Basketball League is under the direction of Eddie Ruby, Director of Leagues. Boys who haven't registered to date and wish to participate are requested to be on hand tonight or Monday evening for assignment to either of the four teams. The league is open to boys who are thirteen years of age or no older than fifteen and residents of Springfield.

The league seems well-balanced, although as the weeks go by several teams will progress faster than others, all dependent on the team work of the various personnel. The Globetrotters have Howard Selander, Richie Baker, Tom Marino, Paul Meade and Vern Watkins as their standouts, the Hawks have Lennie Arnold, George Setzer, Johnny Lynch, and Ted Kubecker as their leaders. The defending champion Royals are spearheaded by Jay Gladstone, Norm Lawn, Dziabaty, Hopta and Stieckel, with the Warriors sparked by Loyd, Etzold, Gibbons, Bell and Lesser.

All indications point for a well-balanced league, interesting and exciting, and should draw a good turnout of parents and basketball fans.

Father-Daughter Banquet Jan. 7

The annual Father-Daughter Banquet of the Men's Club of the Presbyterian Church will be held at 8:30 Monday, Jan. 7, in the Parish House. Tickets are available through the members of the Men's Club who are planning a special entertainment which will be of interest to all daughters regardless of age. One ticket will admit a father and daughter or daughters. President George Wunderlich has made the announcement that this will be a memorable evening quite in keeping with the tradition of other such dinners. Mount Marcy, in New York's Adirondack Mountains, is the highest peak in the state. It is 5,343 feet high.

STATE OF NEW JERSEY DEPARTMENT OF PUBLIC UTILITIES BOARD OF PUBLIC UTILITIES COMMISSIONERS NOTICE OF HEARING Docket No. 5727 IN THE MATTER OF THE REVISION IN RATES FILED BY COMMONWEALTH WATER COMPANY INCREASING ITS RATES FOR WATER SERVICE NOTICE IS HEREBY GIVEN that the Board of Public Utility Commissioners have fixed Wednesday, January 2, 1957, at 11:00 A.M. as the time in the Board's office, 1400 Raymond Boulevard, Newark, New Jersey, as the place for hearing on the question of the justness and reasonableness of the proposed increase, changes or alterations in the existing water rates of Commonwealth Water Company. Any person or corporation interested in the same may appear and be heard. Dated: December 26th, 1956. COMMONWEALTH WATER COMPANY By A. J. GRIBCO, President. JAN. 3, 1957.

LEGAL Township of Springfield PUBLIC NOTICE is hereby given that the Board of Trustees of the Free Public Library of the Township of Springfield, New Jersey, is holding and laying of floor covering on designated floor surfaces or area of the Free Public Library as more specifically recited in the specifications on file with the Township Clerk. The said bids will be opened and publicly read at a special meeting of said Board of Trustees of the Free Public Library to be held at the municipal building, Mountain Avenue, Springfield, New Jersey on Wednesday, January 9, 1957 at 7:30 p.m. Specifications may be examined at the office of the Township Clerk, Municipal Building, Springfield, N. J. This Board of Trustees of the Free Public Library reserves the right to reject any and all bids and to waive informality and award contracts as may be deemed in the best interests of the Free Public Library. Certified check in the amount of ten percent (10%) must accompany bids. Successful bidder will be required to furnish to said Board of Trustees, a performance bond, issued by a surety company, authorized to do business in New Jersey, insuring the complete performance by the contractor of the work contemplated by said proposal. HELEN SKOUSEN, Secretary Board of Trustees of Free Public Library. Dec. 27, 1956, Jan. 3, 1957.

DRY CLOTHES any day.

Neither snow, nor rain, nor gloom of night will stay the modern homemaker from the swift completion of her laundry tasks. Clothes are dried quickly and safely in the automatic GAS clothes dryer. There're no winds to buffet them, no clothespins to tear them. So much easier for the homemaker, too. No stairs to climb, no loads to carry, no stretching, tugging, lifting.

See Automatic Gas Dryers at Public Service stores or visit your local dealer.
