### Comparing Growth in Springfield

One certain barometer of community growth is the annual report of the Building Inspector which gives official figures on construction during the preceding year.

Last week's issue of the SUN turned the spotlight on the annual report, submitted by Springfield's Building Inspector Wilbert J. Binder, with all construction records shattered—the total valuation for all classifications being an all time high of \$7,636,805.00.

This may just be "a lot of statistics" but a comparison with some of our neighbors is very startling. For instance, Summit is pounding itself on the chest with a published report in the Herald, the headline reading "New Building in 1956 Put At Record \$5.3 Million." We must keep in mind that Springfield's total was over 7 and a half million dollars.

But, most important is the fact that there were 349 ONE FAMILY DWELLINGS in the Springfield construction report which accounted for \$5,165,500.00 of the total. Building of homes reflects increased consumer and purchasing power, and Springfield is one of the leaders in this growth.

As compared to our 349 One Family Dwellings in last year's report, the City of Linden figures showed that "In 1956, permits were issued for 226 one-family residences with a total valuation of \$1,768,000.00 . . . In 1955, there were 292 one family houses."

Another item which is very important is that Springfield, during 1956, collected \$19,121. in fees—while the City of Linden received approximately \$17,000 for permits in 1956.

And indications are that Springfield will even exceed these construction figures this year. Nick Angleton's new lush garden apartment project, the Saks Fifth Avenue Store, the various one family developments, the finishing touches to the Municipal Building expansion program and several still to be announced, should make 1957 the banner year for building in Springfield.

### Do You Have A Reservation?

One of the famous trite last lines is "I never thought we'd live to see the day, etc."

But it's true: There is now a velvet rope at the entrance to Terry Dempsey's dining room and, if you haven't made a reservation on one of those nights when the place is really jumpin', you will have to wait to be seated.

We're not certain whether it is the garlic bread, the roast beef or the proprietor's personality but the fact remains that people no longer have to travel through miles of traffic to enjoy dining out.

Springfield is fortunate in having, in addition to Dempsey's, excellent eating and liquor places as Jack Powers' Twigs where the luncheon-crowd is really something, Walter's Inn, Howard Johnson's and Orchard Inn on Route 22. But there isn't a place in the center of the Township where one can take a business associate for a little table conference at the cocktail hour.

### A Little Culture For The Week End

For a rather reluctant devotee of culture—who practically had to be lassoed and carried off by force to witness his first real ballet performance—we drooled with genuine enthusiasm over Carmen Amaya and Her Company of Dancers and Musicians at the McCarter Theatre in Princeton last Saturday.

We don't like to appear as nonchalant name-droppers but Carmen Amaya is to Flamenco dancing what Rogers and Hammerstein are to light opera and musical shows, what Pulitzer is to the newspaper world and what Willie Mays is to New York Giant rosters.

The trip to Princeton was worth the whole day's outing for those who want to get away from their split-level and ranch type worlds because the minute you turn into that ivy covered, hushed community of colonial beauty you immediately realize that you're safely out of the Elvis Presley rock 'n roll influence.

Carmen Amaya was, as the critics described her "A human Vesuvius who smoldered, flamed and exploded her way through a most exciting dance ever seen." They manage the most unusual rhythm and, to this uninitiated but thrilled open-mouthed spectator, they do a great deal of their dancing with the clapping of hands which sets fire to the usual reserved Princetonian. Even the typical college boys with their crew cuts and gray flannel Ivy League clothes couldn't restrain their "Bravos!" when the gal with the devil in her body, alive with animal vigor, excited a well filled theatre with her whirlwind and frenzied fire of dance.

The performances are staged at the McCarter Theatre, owned and operated by Princeton University—but if the shows are successful financially as well as artistically it is, probably, because of the very personable Isadora Bennett and Richard Pleasant, the Managing Directors. They not only carry the grief of getting all the bugs out of general arrangements but they do a remarkable job of public relations which should rub off on a lot of little people who strut about theatre lobbies confidently as Ziegfeld, Barnum,

## Boy Scout Campaign Needs Workers

A call has gone out for more volunteers—more workers to help in the Springfield Boy Scout Fund Drive which is to be held from February 6 to February 12 as part of the nation-wide finance campaign. H. Lee Sarokin who is handling publicity for the coming fund drive announces that the complete list of workers will be published as soon as all the districts have filled all the jobs.

Otto Granick, who has accepted the job as residential chairman, is especially in need of more volunteers to make certain that every home in Springfield is covered during the drive for funds. Mr. Granick resides at 85 Remer avenue and can be reached by telephoning DRexel 6-6252. Volunteer workers are needed for each block, says Granick, and he hopes all districts will be filled when the drive actually starts.

Frank W. Holler of 137 Meisel Avenue who has charge of the First District campaign announces that the following workers have volunteered for the drive in that district: Mr. and Mrs. Dambros, Mrs. Claire Rizzo, Ed Baumer, Robert C. Zeiser, Mr. and Mrs. William Seal, and Stanley W. McConkey.

Tom Gian, Jr., residing at 90 Adams Terrace, will have a good working team in the Third District, made up of Stanley Siegel, Max Sherman, Thomas Geddes, Mrs. Morris Josephs, Mrs. Florence Montag, Joseph Seidel, Sidney Atkins, Louis Cohen, Edward Schnell, Mrs. Minerva Stammelman and Ralph Jacobson.

The Sixth District will have Harry Monroe of 447 Meisel Avenue as its captain and he already has the following enlistments for work in that area: Ephraim Weininger, Leon Xerolnick, Victor Schapiro, Milton Kappstatter and Arthur Miniman.

Springfield, for Scouting purposes, is part of Union County, Boy Scouts of America which includes the 12 communities in Eastern Union County. The total Council area is subdivided into 4 smaller workable sections called "districts."

Springfield, Union and Hillside form the northern district of the Union County and is served by a full time professional scout leader, Edward P. Clark, the District Scout Executive.

## Women Voters Talk Of World Crisis

At a meeting of the International Relations group of the Springfield League for Women Voters held on January 8th at the home of Mrs. S. Miller of 114 Jefferson Terrace, the membership decided tentatively, to undertake a local campaign among the town's citizenry to arouse interest in the present critical world situation and its effects upon us as Americans.

At the next meeting on January 21st at the home of Mrs. Norman Freedman of 205 Hawthorne Ave., the group will meet again to discuss the current critical international situation. A "sample" discussion group will be formed at this time. The League hopes to interest all community groups in its campaign to disseminate information concerning these crises and will welcome any representatives from such organizations at the January 21st meeting. Inquiries may be addressed to Mrs. Freedman or she may be reached by telephone at DR. 6-8308.

## Heard Up For 2nd Term At Overlook

Charles F. Heard

Charles F. Heard, 7 Alvin terrace, is included in a list of 16 area persons selected by a nominating committee to be candidates for 14 vacancies occurring in March, 1957, and two unexpired terms, on the Overlook Hospital Board of Trustees. Mr. Heard, a present board member, is re-nominated for a second term.

The Board of Trustees of Overlook Hospital is comprised of 43 members—14 elected each year for a 3 year term plus the President of the Women's Auxiliary. In accordance with the terms of the by-laws of the Overlook Hospital Association, further nominations may be made by written request of twenty-five members of the Association to the Secretary before the regular meeting of the Executive Committee in February at which time nominations shall be closed. In recent years no nominations in addition to those of the nominating committee have been made. Election will be at the annual meeting of the Association in March.

## Incumbents To Run For School Board

All three present members of the Springfield Board of Education—Robert G. Smith, Edwin G. Davenport and S. Bryant Haas—have filed petitions to succeed themselves in the elections to be held Wednesday, February 13. No other petitions have been filed to date but the reports have it that several residents are considering becoming candidates.

## Mothers Guild To Meet

The Mothers' Guild of St. James School, Springfield, will hold its regular monthly meeting on Monday, January 21st at 8:30 p.m. in the school cafeteria. The program for the evening has been arranged by Mrs. Albert Benninger, Vice-President of the Mothers' Guild.

## Coin Cards Delivered In March Of Dimes Campaign

The March of Dimes coin cards, requesting financial help in the 1957 fight against polio, were in the hands of Springfield residents yesterday and, as usual, the Township is expected to respond with a flood of money.

The drive for funds in Springfield includes the placing of coin containers throughout the Township, the mailing of these coin cards and the Mothers' March of Dimes collections to be staged January 30.

The local drive needs more volunteers for this January 30 Mothers March when all residents are asked to be ready with a contribution when the worker calls.

The addressing of the envelopes containing the coin cards was a big task but J. Leo Moran, local March of Dimes chairman, received the assistance of members of the St. James C.Y.O. who helped get the requests in the mail.

"Let's finish the job" is the slogan for the 1957 March of Dimes campaign.

Some 80,000 persons in the United States still suffer physical disability as the aftermath of polio attacks. Though the Salk vaccine, developed under the sponsorship of National Foundation funds, promises an eventual end to paralytic polio, less than half the susceptible population—under 40 years of age—has as yet been inoculated. More victims of polio will inevitably be added to the 80,000 before vaccination is universal.

In 1957 the March of Dimes will help meet these challenges with a \$4,000,000 expansion program at its respiratory and rehabilitation center and by means of a \$5,000,000 special fund to start bringing the benefits of new team techniques to polio casualties.

The March of Dimes has been making grants to 13 medical schools and institutions to recruit experts for this highly specialized profession," he says. "March of Dimes funds have already been awarded to 4,200 men and women as a part of the National Foundation's educational program. Last year \$2,800,000 was allotted to this program. The total sum contributed by the March of Dimes for rehabilitation training since 1938 is \$24,900,000."

## Heart Fund Donations Given As Memorials

Ten memorial gifts in the last half year from Springfield residents to the Union County Heart Fund have totaled \$51.50. They helped swell the county total of \$1,888.32, according to Heart Association Secretary, Mrs. Henrietta Franchini.

## NOTICE TO KIDS!

IF the snow remains, there will be sliding on these streets:  
Colfax Road—From Short Hills Avenue down.  
Lyons Place—From Tooker Avenue to Sallet Street.  
Colonial Terrace—Towards the woods.  
Through the cooperation of the Recreation Commission and the Police Department, these streets will be barricaded to traffic from 3:30 to 5 p.m. and 7 to 9 p.m.

## 1st Aid Squad Emergencies Top One-A-Day

Nineteen fifty-six was a record setting year for Springfield's First Aid Squad. This fact became evident this week with the final report of 1956 activities given at the January business meeting held at the First Aid Squad House.

Not only did the organization (a few of the members, at any rate) deliver the first child to be born on the Garden State Parkway in 1956, but its many other, perhaps less exciting, ventures, added up to a new record for number of calls in a year.

According to Ed Street, 2nd Lieutenant, there were 387 calls registered for 1956—better than one call a day—and of these, 278 were emergencies and 111 were transportations to or from a hospital. Emergency calls necessitating use of oxygen accounted for 47 tanks.

The mileage clocked by the ambulance—which is generally used within town limits—nevertheless, totaled 4,890 miles—also a new record for distance covered.

There were a total of 1,493 man-hours devoted by members of the Squad during the same period.

With the population of Springfield rising every day, it is anticipated by Squad officials that the record number of calls set in 1956 would be substantially increased in the coming year.

APPOINTED—Eugene Shapiro

has been appointed division sales manager of the North Atlantic Division of Hoffman-LaRoche, pharmaceutical company located in Nutley. Shapiro joined the firm in 1942. He resides at 383 Hillside avenue.

## DAR To Hear Of Good Citizen

The next regular meeting of the Church and Cannon Chapter, Daughters of the American Revolution, will be held Tuesday, January 22, at the home of Mrs. James H. Chalmers. Mrs. Russell C. Gross, State Chairman D.A.R. Good Citizens, will be the guest speaker.

Each year local D.A.R. Chapters award "Good Citizen" pins to senior girls selected by their classmates and teachers as being outstanding in dependability, service, leadership, and patriotism. The winners attend a luncheon at the State Conference, where one of these "Good Citizens" is chosen on the basis of teacher recommendations as state winner, and given a \$100 Defense Bond. Last year 110 New Jersey high schools chose "Good Citizens."

## SUPER SKATING SEASON

Ice skating reached its peak here this week with the record breaking cold weather jamming all available skate areas. Briant Park—on the Springfield and Summit line—has been crowded with skating enthusiasts and one of the most popular rinks in the entire area is the 4th hole at the Baltusrol Golf Club. Springfield residents are grateful to the officials of Baltusrol who make this skating pond available each year.

## Youth Center Meeting Set For Feb. 19

Two very enthusiastic meetings were held this week—and another important call for a townwide session for next month—have been reported as part of the progress in the plan for establishing a Youth Center in Springfield. What the "boosters" termed as the "organization meeting" was held at Jack Powers' Twigs for luncheon Monday at which time several of the legal aspects of the organization were ironed out. Former Judge Felix Forienza presented all the necessary corporate papers, obtained the signatures of seven members of the temporary committee for the certificate of incorporation and arranged for the opening of a bank account in the name of the Springfield Youth Center.

The signatures and naming of officers, it was explained, were necessary to expedite the incorporation, and the banking of funds already received for the Youth Center. It was pointed out when the full plenary committee is named to include representatives from all the groups in Springfield, changes may be made, if necessary.

### Meeting February 19

Today's mail carries invitations to every group in the Township to send a representative to the important meeting called for Tuesday evening, February 19, in the American Legion Hall. This town-wide session is scheduled to start at 8 o'clock and a full report of all progress will be given those present. The sponsors of the Youth Center plan are hopeful that every organization, church and civic organization will send a representative to the February 19 meeting so that the work can proceed on this worthwhile project.

Monday's luncheon meeting at the Twigs also saw the introduction of a preliminary constitution and by-laws for the Youth Center whose object it will be "to provide a social center to promote the health, comfort, welfare and good citizenship of the community; to organize boys' and girls' clubs, and other associations for social, athletic and educational purposes."

Temporary officers selected Monday for the purposes of signing the certificate of incorporation and opening a bank account were I. Freedman, president; Edward Reibold, vice president; J. Norwood Van Ness, treasurer; and Dr. M. Gould, secretary.

Another meeting of a steering committee was held Tuesday at the Orchard Inn where it was decided to immediately set a date for the town-wide meeting. The date was set for February 19 and letters inviting all representatives were in the mail yesterday.

### CALLED FOR JURY DUTY

Mrs. Lillian M. Bohlin, 46 Severna Ave.; Edward M. Cook, 50 Warner Ave.; Mrs. Blanche M. Dambros, 61 Battle Hill Ave.; Mrs. Marjorie C. Ferguson, 41 Severna Ave., and Edward L. Kaplan, 23 Cambridge Ter., were among the 150 county residents summoned for petit jury panels up to January 15. The names were drawn by jury commissioners before Judge Milton A. Feller.

## Teachers Get Lion's Share Of Budget Rise

The Springfield Board of Education OK'd a 1957-58 budget increase of \$98,010 Tuesday night, \$58,300 of which is taken up in additional and higher teachers' salaries.

Springfield voters will go to the polls on Wednesday, February 13 (Tuesday is Lincoln's Birthday) to pass on the overall budget of \$221,510. Actually voters will see the figure \$249,410 in the polling booth. This is because interest on bonds and notes already approved by the voters cannot be voted on twice.

The amount to be raised by taxation is set at \$864,906 which, in terms of tax points, would mean an increase of about 30 points. Board member Allan Cunningham, in explaining the increase in teacher's pay, said that the Board was "quite proud of the staff we have, but that we must keep a good competitive position in salaries in order to continue to attract the best in the teaching profession."

### Al Benninger To Head CP Drive

Freeholder Director Albert J. Benninger, of Mountainside, will serve as county chairman of the 1957 Golden Deed Crusade for United Cerebral Palsy, according to an announcement made today by Julius R. Follitschek, President of the New Jersey and Union County CP organizations.

In accepting the county chairmanship for the seventh consecutive year, Mr. Benninger remarked that:

"The people of Union County each year become increasingly aware of the good that they are doing in supporting the Cerebral Palsy Center in Elizabeth and in helping to finance the research program which will eventually

conquer this dread affliction. "This year's realistic goal is \$12,000,000 throughout the nation, and here in Union County we hope to raise more than \$50,000 of that amount."

"Most of the money received locally will be spent locally. It must be heartening to the parents of any cerebral palsied child, when they cannot hope to meet the staggering costs for the necessary therapeutic treatments, medical attention, and training by themselves, to realize how generously Union County's more fortunate residents support the CP center where their youngster receives the finest care."

"Announcement of municipal chairmen will be made in a few days. These chairmen will soon be starting their Golden Deed Crusade. I sincerely hope that they will find many persons again willing to join the ranks of these crusaders, both as workers in the actual campaigning and as contributors to the extent that their own means and circumstances will allow."

### National State Elects Officers

W. Emilen Roosevelt, president, and Willard C. Forman, vice president, were re-elected to the same offices by the board of directors of the National State Bank of Elizabeth at the annual organization meeting held Monday at the Elizabeth headquarters, 68 Broad Street.

Carlyle H. Richards, vice president-in-charge of the Springfield office was reappointed to that same position and Arthur H. Smith, Jr. and Russell E. Schramm were re-named assistant cashiers.

Veterinary inspectors at Fort Dix, N. J., save the government \$100,000 a year by insuring that food is up to the rigid standards required by the Army.

### Local Gov't Study Held By League

The Charter Study Committee of the Springfield League of Women Voters met last Thursday at the home of Mrs. David Stameiman for the purpose of discussing the forms of local government.

Mrs. J. Stevens presented a report concerning, with the greater degree of "Home Rule" allocated to municipal governments under the Faulkner Act of 1950. It was pointed out that during the first five and a half years of this statute's existence, 36 communities have taken advantage of its provisions—this involved one quarter of the state's population including Newark and Jersey City. Thirteen cities adopted new charters; 16 communities defeated revision proposals; and in four cities the Commissions recommended no change in the form of organization.

Following this report, Mrs. L. Atkin discussed the pros and cons of two of the Act's suggested forms of government: Mayor-council and Council-manager. A committee discussion followed these reports.

The next meeting of the Charter Committee will be on Wed., Jan. 23 at which time the committee will discuss its future course of action.

On Feb. 5, the Charter Committee will sponsor an open unit meeting at which time the speaker will be Mr. David Rappaport, an attorney and former chairman of the Bloomfield Charter Commission. Many local organizations have specifically been asked to send representatives to this meeting, and all interested people are urged to attend.

Other scenes show residential and industrial uses of natural gas and the operation of giant compressor stations, spaced 85 miles apart across country, to produce the pressure that propels natural gas along its route. Transcontinental is the major supplier of natural gas to distributing utility companies in New York and New Jersey.

The film was enjoyed by a large turnout of Lion Club members.

### Local Lions See Film On Gas Line

A 25-minute sound color film, produced by Transcontinental Gas Pipe Line Corporation was shown at a meeting of the Lions Club of Springfield at the Orchard Inn on Friday evening, January 11, by Frank Schaeffer of the Bergen Motion Picture Service.

The film traces the route of Transcontinental's lines through New Jersey and tells the story of how natural gas is brought from the subterranean wells of Texas and Louisiana and moved underground some 2,000 miles to the metropolitan consumer's market in New Jersey and New York.

Scenes depict the manufacture and testing of heavy duty pipe, the intricate process of bending pipe in field operations to fit contours of the earth, excavating trenches and laying pipe across

At the first meeting of the new year the president of the Ladies' Guild of Holy Cross Lutheran Church, Mrs. Lee Beno, made the following appointments: Altar Committee—Mrs. K. Utzat, Mrs. E. Haselmann and Mrs. A. Wilkins; Combined Program—Mrs. B. Jacobsen; Publicity—Mrs. M. Gaestel; Hospitality—Mrs. A. Milion; Gifts—Mrs. E. Haselmann and Mrs. A. Utzat; Lajette Project—Mrs. K. Utzat.

This month the ladies have been concentrating on Foreign Missions and as part of the program are rolling bandages for the New Guinea Lutheran Mission. They are also collecting old eyeglasses which will be turned over to Eyes for the Needy of Short Hills.

After the business meeting refreshments were served by Mrs. Bublitz and Mrs. Yurecko.

The PTA meeting next Thursday night at the Jonathan Dayton Regional High School will feature a panel discussion by parents and students.

Some of the topics to be covered include: Use of family car, student owning a personal car, problems of dating, value of home responsibilities, and attitudes of students to parents visiting the school.

The student representative, Myrna Chesler, will introduce the panel and George G. King, Jr., the school guidance counselor, will moderate.

### Heart Drive Aims For \$1,503 In Springfield

Mrs. Amy Bandomer and Mrs. Myrtle Post of Springfield attended the kickoff dinner this week of the Union County Heart Association annual campaign in Newark. Mrs. Bandomer will lead the drive in Springfield.

Springfield's quota in the 1957 Heart Fund Drive has been set at \$1,503 which is \$300 more than a year ago. In 1955, a total of \$1,774.67 was raised in Springfield.

The 1957 quota for the Heart Fund drive in Union County will be \$64,990.17 according to Mrs. Henrietta Froehlich, executive secretary of the Union County Heart Assn., of 1137 E. Jersey St., Elizabeth.

Mrs. Froehlich announced the quota at a meeting of the campaign committee held recently in the Westfield Municipal Building by Mrs. Louise Vogt, general chairman of the 1957 Heart Fund campaign.

The new quota is \$12,770.83 higher than the 1956 quota of \$52,219.34 and \$7,587.94 more than the \$57,402.23 raised in the 1956 drive. Proceeds of the 1956 drive were highest since the drive was organized in 1950.

Mrs. Froehlich explained to the group that the increased quota is necessary because of the expanded program of the Union County

Marriage Lectures Begin

The Elizabeth YWCA starts a series of lectures for young people Tuesday on "Building a Happy Marriage."

There are to be eight Tuesday evenings devoted to marriage discussions for anyone over 18 at a cost of \$4 per person. Four qualified speakers have been engaged to handle the program which will

take place at the Y on East Jersey Street. There is to be a discussion period and informal coffee hour following the lecture.

LORRIE LEWIS

(Editor's Note: The "Hi Neighbor" editor has, finally, after all these years of hard labor for the paper, taken the step and headed for the sunny climes of the West Indies and left the Springfield shores just prior to the worst cold wave in many a day and yesterday's snowfall. But being a newspaperwoman at heart, she has managed to forward the following communique.)

Friday, The day of our departure (Jan. 4th) was glorious and I am glad I am a member of the Sarokin staff and not an actual member of the family. (Ed. note—It didn't rain.)

International flavor very much in evidence on board. Many people returning home to Panama. You can hear French, Spanish and even Greek in the dining room. Relaxation is the keynote and

everybody to bed early the first night.

During the first full day at sea I discover where "Rock 'n Roll" was invented and I'm beginning to think I have been associating with the Sarokins too much. Of the 117 passengers aboard, only 50 showed for lunch and less than 30 attended the captain's cocktail party and get-together dinner. I am not among the lucky ones, but I must admit that my hubby, Phil and Sylvia and Joe Bender are made of sturdier stock.

Sunday—The third day I began to acquire my sea legs and enjoy the balmy breezes. It was warm enough to discard outer clothing but not quite warm enough for swimming. We were off the coast of Northern Florida.

We start to brush up on our French in anticipation of landing in Haiti day after tomorrow.

Movie of the evening is "Tribute to a Bad Man"—the "Bad Man" being the producer of the movie. Dancing under the stars appeals to us more.

Monday—Awoke this morn to a bright and sunny sky. Today is the kind of day you dream about. Sight our first land in Crooked Island Inlet—one of the outer Bahama Islands.

We visit the Captain's bridge and get a complete tour of nautical equipment and radar. If we relax any more, we will all fall apart.

We are hosts at a champagne cocktail party in honor of two newlywed couples aboard. After dinner, we engage in the strenuous sport of Bingo, followed by a moonlight swim. Time to pack again for we arrive in Haiti at 6 a.m.

You can throw away all the previous material if you wish because our real adventure started today—Tuesday. We docked in Port-Au-Prince, Haiti at about 6:30 a.m. We passed speedily by the Immigration Officials, who come aboard, gulp breakfast and walk briskly onto the dock towards the customs office. There are many outstretched hands for our American money.

We hire a car and off we go to the Hotel Choucoume at an altitude of 1200 feet, high in the picturesque mountains. It has a completely tropical flavor and we are captured by its native charm.

After a fast dip in the pool, a French-creole luncheon—we are off to see what we can see. We visit the home of the deposed Chief of Police, the National Art Museum, native shops and markets, etc., and back to the hotel to get ready for our first evening in this colorful country.

We are fast becoming experts at the Haitian "meringue"—their national dance—but first, we have to unlearn the Dominican "meringue," which we learned in the States.

Our week's schedule calls for spear fishing, a trip into the country to see an authentic voodoo ritual, an evening of native folklore dancing, a "cock" fight, etc. When we are thoroughly exhausted, it will be good to board the S.S. Ancon for the return trip home.

This is certainly a fascinating experience and a country of bright color for the tourist.

Women's Club News

At the January 9th meeting of the Springfield Women's Club, held at the Edward V. Walton School at 8:15 p.m., members were favored with several accordion numbers, played by John Hettinger. A student at Regional High School, and an accomplished musician, John is the son of Mr. and Mrs. Stanford M. Hettinger, of 12 Remer Avenue. Among his selections were "Midnight in Paris," "Flashing Tambourine" and "El Relicario." The audience was then invited to sing as he played a number of "old" favorite tunes.

Mrs. Watts D. Chapin, Program Chairman, also introduced Mrs. Marjorie Stokes of the Public Relations Department of the New Jersey Bell Telephone Company, who gave an illustrated talk, showing the great improvements in housekeeping methods from early American times to the present.

After the business meeting and program, the Hospitality Committee, headed by Mrs. Adolf Sium, and consisting of Mrs. Arthur H. Buehrer, Mrs. Stanford M. Hettinger, Mrs. Edward J. Schubert, served fancy cookies and pastries, nuts, and coffee and tea. The lovely table decorations, featuring a centerpiece of gold cornucopia and gold candlesticks with glitter candles, were furnished by

Mrs. Merton D. Williams, Chairman of the Art Department, wishes to call attention to Federation Art Day, to be held January 22 at the State Museum in Trenton.

At the last meeting of the Art Department (Handicraft) members worked on "Soap Carving." One of the State Federation Projects is Sculpturing, and this department has selected the medium of soap carving of a religious figure or symbol, to be exhibited at the Spring Conference and later at the Convention.

Mrs. Merton D. Williams, Chairman of the Art Department, wishes to call attention to Federation Art Day, to be held January 22 at the State Museum in Trenton. There will be a program at the Museum with a special exhibition in recognition of the International Museum Campaign and for the Interstate Meeting of the Archeological Federation on New Jersey's place in Cultural History. This is a comparative exhibit from 1600 B.C. to 1625 A.D., showing a comparison of archeological materials representing the Indian Life of New Jersey with that of other areas, and is considered one of the finest ever to be shown in the State Museum. Also, the Arts of the Americas will be shown, including an exhibition of thirty original paintings of portraits of North American Indians by George Catlin, the artist who worked throughout North America from 1819 to 1838.

This will be followed by a reception and tea at the Trenton Contemporary Club, where members of this club will exhibit their work.

Miss Ruth Levens will take members of the International Relations Department on a "Pictorial Tour of North America" at their next meeting, to be held at the Cannon

Mrs. Harvey P. Sommerer, and members of the Garden Department.

For their January meeting, which will be held Monday, the 21st, at 8:30 p.m., the Garden Department has scheduled a visit to Weber's Crystal Stream Greenhouses on Route No. 22 in Springfield.

The Garden Department extends a cordial invitation to any member of the Women's Club who wishes to join them in this interesting venture. There will be no hostesses for this meeting, but a stop at one of Springfield's many Snack Bars is anticipated. See you on the 21st!

Mrs. Edward Reibold, Chairman, reminds everyone of the Club's Midwinter Dance, to be given February 15th, at the Hotel Suburban, in Summit. There will be dancing from 9:00 to 1:00, to the music of Bud Laird's orchestra. Tickets will be \$2.75 per person, and they may be secured from Mrs. Reibold or from any member of the Ways and Means Committee. Co-Chairman of the affair will be Mrs. William Geitz, and Mrs. Henry J. Bullman will be in charge of decorations.

Ball House Thursday evening, January 24, at 8:30 p.m. Members of the department are asked to bring clothing to be used for "Aid for the Kusan Hospital in Korea." Hostesses for the meeting will be Mrs. Kenneth E. Bandler and Mrs. Merton D. Williams.

Mrs. John C. Pitney, Chairman of the Public Welfare Department, held a meeting of this group on January 10th.

In spite of the extremely cold weather, a number of Literature Department members drove over to the home of Mrs. L. S. Stevens, in Mountaineer, for their monthly meeting on Monday evening, January 14th. Miss Evelyn Porter gave an excellent review of Raymond B. Fosdick's book, "John D. Rockefeller, Jr., telling a great deal of the family background and personal life of John Rockefeller, Sr., as well as his hon' and showing how their wealth has benefited many worthwhile causes.

Each year the Springfield Recreation-Commission and the Civics and Youth Conservation Committee of the Springfield Women's Club sponsor a number of Pre-Ten Dances, which are held at the Florence M. Gaudineer School. On Friday evening, January 11, the young people enjoyed another of these dances, which was well attended. Club members and their husbands supervising the group were Mr. and Mrs. K. E. Bandler and Mr. and Mrs. Robert T. Marino.

U. N. Authority To Speak To Ethical Culture Group

At the regular Morning Meeting at the Society for Ethical Culture, 516 Prospect Street, Maplewood, on Sunday, January 20, Samuel L. R. Levering, chairman of the Friends (Quaker) Peace Committee, will speak on the "U.N. Man's Hope and Challenge."

Mr. Levering is Vice-Chairman of the Friends Committee on National Legislation, and a member of the Department of International Justice and Good Will of the National Council of the Churches of Christ in America. A member of the National Executive Council of the United World Federalists, Mr. Levering has written on such subjects as "How Can the U.N. be Strengthened?" and "Building World Peace in the Atomic Age."

### Honor Township Resident On His 75th Birthday

Charles Phillips, one of Springfield's oldest residents and a civic leader in the community, was honored on the occasion of his 75th birthday by members of his family at a dinner in a Summit hotel last Friday night.

Charles Phillips

Mr. Phillips still at 108 Morris avenue with Mrs. Phillips, has been a resident of Springfield for 36 years during which time he has played a very important part in the civic affairs of the Township. He served as a member of the Board of Education from February 10, 1931 until he resigned November 17, 1942. He was elected president of the School Board on February 17, 1941. Mr. Phillips was also appointed to the Township Committee and served for the year of 1943.

The guest of honor was presented with a purse from all the family and greetings and felicitations from those absent were received. Those present to honor both Mr. and Mrs. Phillips were Mr. and Mrs. Charles Phillips, Jr. of Pine Lake; Mr. and Mrs. Arthur Phillips with their son, Arthur, and daughter, Marion, of Red Bank; Mr. and Mrs. Frank Phillips with their daughters, Hope and Deborah, from Morristown; Mr. and Mrs. J. H. Homberg, their sons, Donald and Richard, from Somerville.

ina at 9:45 a.m. on February 8, 15, March 1, 9, 15, 22, Mrs. Mary Armstrong, Union County Home Agent, will conduct the series.

Some of the resolutions recently adopted by the New Jersey Congress of Parents and Teachers at Convention are:

1. Be it resolved: "That the N. J. Congress urges the most earnest consideration and support by the Governor and the members of the Legislature of Senate Bills 202 and 203, which embody the recommendations of the Commission to study Library Services in New Jersey."

2. Be it resolved: "That every local unit member of the N. J. Congress hereby pledges himself thoroughly to acquaint himself, his neighbor, and his legislators with the pressing needs of higher education in N. J. and the fact that education in N. J. can be financed in the future only through a broad-based tax support program. Be it resolved, therefore, that legislative action be taken as soon as possible."

3. Be it resolved: "That the New Jersey Congress urges the Legislature of N. J. to take immediate steps to pass legislation authorizing the prompt construction of a building that will adequately house the Dept. of Education of the State of New Jersey."

### P.T.A. NEWS

The regular Monthly meeting of the P.T.A. Executive Board will be held this coming Monday, January 21, at 8:15 p.m., in the Teachers' Room of the Florence M. Gaudineer School. The discussion will center on the proposed division of the P.T.A.—a subject which will be submitted to vote at the regular meeting on January 28.

Don't forget the annual P.T.A. Card Party which is scheduled for Monday, February 4, at 8:00 p.m., at the Baltusrol Golf Club. Tickets are now on sale at \$1.25 each. Reservations may be made by returning the bottom half of the fliers sent home by the schools or by calling Mrs. I. J. Gershen, DRexel 6-5772.

A joint meeting of the Parent Education Groups and the Pre-School Group was held last Monday evening in the Gaudineer Cafeteria to hear a discussion of the topic, "Recreation in Our Town." Mrs. Thomas Doherty, Chairman of the Recreation Commission, explained the organizational background of the commission then presented members Mr. Les Lawn, Mr. Bob Marino, and Mr. Ed Ruby who told of the various opportunities available. The audience, though small, showed great concern and voiced many questions during the discussion period which followed. Plans for this combined meeting were made by the Parent Education, Chairman of Christlun, Gaudineer, Pre-School, and Walton. Mrs. Otto Granick, Chairman of the latter group, presided at this meeting and Mrs. Ralph Jacobsen was chairman of the hospitality committee.

Mrs. E. J. Harback, Chairman of the Pre-School Survey Committee, would like to thank the following volunteers who are doing an excellent job in making this year's survey a success: Mrs. Louis W. Soss, Mrs. E. K. Wuerz, Mrs. W. A. Scott, Mrs. Thomas E. Smith, Mrs. Lanny Baron, Mrs. Edward J. Tackels, Mrs. Eugene E. Kalhaus, Mrs. Lawrence Max, and Mrs. Otto Granick.

Of interest to all pre school parents will be the series of six programs on "Child's Growth and Development" which will be held at the Elizabeth Y.W.C.A., 1131 E. Jersey Street, Elizabeth, start-

### TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal  
Chairman, Springfield Shade Tree Commission

This week was the coldest of the season and we can expect snowfall very soon. With the snowfall we can expect damage from wild-life ranging from field mice and rabbits to deer. I have seen deer on my property on several oc-

casions in the past few years. When a heavy snow covers the ground it buries the grass and small wild vines and shrubs, and other natural food, so they feed on the bark of young trees and ornamental plants. Sometimes everything above the snow line will be consumed and this is a terrible problem for the nurseries as well as the home owner. Watch your plants carefully because it only takes one night to ruin them.

**QUESTION:** Will wrapping my plants help prevent rodent damage?  
**ANSWER:** Wrapping the trunks of trees to a considerable height should be effective. Burlap screens are not too effective against small animals unless they are tight enough to keep them out.

**QUESTION:** Are rodent repellents effective?  
**ANSWER:** Under ordinary conditions they are, but if the snow lasts quite a time the animals become hungry enough to eat most anything. Para-dichloroben-

zine crystals (moth crystals) are very effective for short periods of time, but will evaporate and lose strength. Spraying with dormant oil also will make the plants unpalatable to most animals. Some nurseries use a mixture of lime-sulphur and arsenate of lead and spray over the plants. This is poisonous to the animals, but they rarely eat it. Don't make the solution too strong or it may damage the plants, although it is also effective sprayed on the ground at the base of the plants.

**QUESTION:** Would you recommend placing food out for the animals?  
**ANSWER:** In some cases this works well and is a fine gesture, but sometimes it draws many more animals and then you have a real problem.

**QUESTION:** What harm do wild animals do to a plant?  
**ANSWER:** They may eat the entire plant down to the snow level and this could kill most evergreens. It may not kill a deciduous shrub and the trimming could make it a better plant. Rabbits sometimes eat the bark and cambium around an entire small tree such as dogwood and crab apples. This would probably kill the plant, or allow the entry of borers later on.

### Springfield Duo In Summit Concert

Mrs. Wats D. Chapin and Americo Di Pietro of Springfield will sing in the Summit Community Chorus Winter Concert at 8:15 p.m. on Sunday, Jan. 20, at Calvary Church in Summit.

They will sing three musical settings of the Roman Mass, each from a different century and musical period, offering great contrast in treatment of the same subject.

The early 18th century Baroque period will be represented by a portion of the Crede from the B Minor Mass of J. S. Bach. This great work was written in 1733 and has often been described as "one of the masterpieces of Western Civilization." The second work will be the Schubert Mass in G, written in 1815 when the composer was 18 years old, and representative of the lyricism of the early Romantic period. The final work will be the Missa Brevis of the contemporary Hungarian composer Zoltan Kodaly. This piece was composed in 1945 during the Second World War, and was completed while Budapest was under siege, thus bringing to mind recent events in that same city.

### Teachers Going To School At Rutgers

Two Springfield educators, both teachers at Jonathan Dayton Regional High School, are enrolled in Master of Education programs being given by Rutgers School of Education in Newark.

Mary Ann Ulbrich, head of art and home economics, who holds a B.S. degree from the College of St. Elizabeth, is studying towards an Ed. M. in home economics education.

A teacher-counselor at Jonathan Dayton, Melvin E. Lefever has an Ed. M. in personnel and guidance as his objective. He received a B.S. degree from Shippensburg, Pa. State Teachers College.

The two Springfield teachers are enrolled in two of the seven programs given by the State University School of Education in Newark leading to graduate degrees in elementary and secondary school teaching, guidance and personnel, and school administration.

### Regional Adult Courses Begin

The agriculture department of the Jonathan Dayton Regional High School started its Spring series of adult courses on Tuesday. Again this year two courses will be offered to the adult groups—Farm Mechanics and Home Gardening.

The farm mechanics course is for farmers and home gardeners who are interested in repairing, building or rebuilding their equipment. Both acetylene and electric welding facilities are available as well as woodworking tools and other equipment relative to farm shop work.

Information regarding the gardening course and its starting date will be announced at a later date.

All persons interested in either of these courses should contact Mr. P. Danilo, Agriculture Department, Jonathan Dayton Regional High School at DRexel 6-6300.

### Chest X-Rays Here

Plans for chest x-ray surveys in 14 communities are being worked out by the Union County Tuberculosis and Health League in cooperation with the local boards of health, it was announced today.

If arrangements can be completed, the league's portable x-ray unit will visit Union County communities between late February and early May of 1957.

### How-a-Ford-is-made. Fathers are also invited.

Fun and frolic was in store for Pack 172 on December 19 at the James Caldwell School. Santa came to visit with presents and goodies for all. There were songs sung by the Cubs and parents—a good time was had by all.

Mr. R. Ronco, secretary, read a letter of thanks from Miss Gaudin, Springfield School nurse, thanking the Cubs of Pack 172 for the wonderful Thanksgiving baskets they made for less fortunate families.

Mr. DiBiase, advancement chairman, made the following awards—Den 3, James Belliveau, wolf badge with silver arrow; Richard Cinquina, silver arrow on wolf badge; Den 4, Tommy Tomkins, Bear; Den 5, Doug DiBiase, Bear badge; Den 6, David Gibbons, 2 silver arrows on bear badge.

Each den participated in singing Christmas carols which led to the entry of Jolly Ole-Santa with his large pack. After receiving their gifts, the Cubs and their parents were served refreshments.

"May we at this time thank everyone who has purchased, linsel from our cubs during their house-to-house sale, and extend our wishes for a Happy New Year."

### Industry's Fast Work Wins Praise

How Springfield's industry "delivers the goods" came to light this week with a transcontinental call from the University of California thanking the Bond Electronics Corporation "for an emergency production job well done."

The story starts Friday afternoon when a call came from the Pacific coast university where some top-secret nuclear project needed a certain component part immediately. Contact had been made, according to the telephone information, with several electronics manufacturing concerns in the far west and mid-west but one could promise delivery of the much needed part "before starting time on Monday morning."

Township Committeeman Vincent J. Bonadies who is also president of Bond Electronics carefully noted the precision specifications of the component part and promised delivery in time for the start of work Monday morning.

Bonadies contacted several additional skilled technicians to help produce and deliver the part over the week-end. The entire facilities of the Bond plant were made available and the machinery hummed until late Sunday afternoon when the job was completed.

The University of California officials made arrangements with a trans-continental plane to wait especially at the Newark airport. The carefully guarded package was delivered to the waiting plane Sunday afternoon and in the hands of the project chief in time to carry on without missing a single minute in production.

### Girls Will Play For Hungarians

Springfield musicians will play at a recital for Hungarian Relief tomorrow night at the Epworth Methodist Church in Elizabeth.

Daisy Wolf, vocalist, of 145 Balthusol Avenue, Gail Curstis, violinist, and Prudence Curtis, organist, will perform on a program that includes a talk by two of the Hungarians themselves. The musical side of the program will include an aria from Madam Butterfly and other classics.

### Four To Play In Rumpelstiltskin

Four Springfield teen-agers have been cast in important parts in the "Summit-Student Theatre's production of Rumpelstiltskin."

The Student Theatre announced that Judy Vance has been named to the female lead, Margo Brier will be Twinkfoot, David Powers is the Prince, and Roberta Kaystatter is the Queen.

### Wins WE Promotion

Western Electric Kearny Works has announced the promotion of Warren C. Poppre of 115 Balthusol Way, to section chief in Merchandise. He has been a coordinator in merchandising since 1954.

Mr. Poppre, originally from West Orange, started his career with Western Electric in 1941. He is a member of the merchandise bowling league and a past advisor of the Wekearny Club.

Dr. Mehl and Dr. Werfel Add To Dental Ranks Here

DR. HARRY G. MEHL DR. EDWARD WERFEL

Springfield has increased its professional fraternity with the announcement this week that two new dentists have opened offices in the Township. The rapidly increasing population movement to Springfield has attracted many new doctors, both medical and dental, with Dr. Harry G. Mehl and Dr. Edward Werfel, both dentists, announcing that they will practice from their residences here.

Dr. Harry G. Mehl starts his dental practice in Springfield this week at 355 Meisel Avenue. Dr. Edward Werfel has been practicing at his home at 121 S. Springfield Avenue since October. The Newark born dentist and his Baltimore raised wife, Gerry, moved here from Newark in September. Dr. Werfel is a 1950 graduate of Indiana University and attended the University of Maryland Dental School until 1954. After practicing in Newark, he entered the Air Force Dental Corps. He is a member of the Union County Dental Society and the Alpha Omega Dental Fraternity.

New Taxi Service Starts Operation In Springfield

Springfield is to have its own taxi service—with a bargain introductory rate of "50 cents anywhere in the Township."

New cabs, black and orange, will answer calls for taxi service starting with next Monday, January 21, at noon.

The service will be available by telephone—DRExel 6-5200—and at the hackstand in front of the Bank, at the corner of Morris and Pierson avenues, or at the Nadel Sinclair station, Morris avenue at the corner of Center.

Herman Nadel, head of the new taxi service, announces that he has several ideas in mind for the comfort and convenience of the public which will include a waiting room at his service station, the use of bonded cab drivers, full insurance coverage on all the taxi drivers, 2-way radio for each cab and an attractive schedule of rates for service anywhere.

"The taxi service will be available 24 hours a day," said Nadel, "and we hope to make these comfortable rides within the reach of all. Our drivers are experienced and know the entire territory. We have rates for trips to adjacent towns, to shopping centers, to B. Altman Co., Lord and Taylor, and we will even make a trip from any place in Springfield to the Newark Airport."

"Our cabs will also be ready to rush anyone to meet a bus, a train or to keep an appointment. We will make special rates for round trips and arrangements can be made to deliver the day worker and maid to the bus, or to take the baby sitter home."

The taxi service will be operated by the Springfield-Nadel Cab Company who received necessary permits for running the cabs from the Springfield Township Committee at the last meeting.

Nadel also announces the installation of an automatic car washer in the service station at the corner of Morris and Center avenues where "a fine job on your car can be done perfectly in just seven minutes," he says.

REP. DWYER WELCOMED TO WASHINGTON

Representative Florence P. Dwyer, Republican, of New Jersey's Sixth District, is shown being welcomed to Washington by former Speaker of the House Joseph W. Martin, Jr., just prior to the opening session of the Eighty-fifth Congress.

THIS WEEK

Schubert and Josh Logan all rolled in one. These 2 P. R. professionals stand guard at every performance, introduce themselves, smile and make every ticket holder a welcome member of the family. They say "hello" in such a manner that should make each one in the audience want to come back for the next show. Just to make certain they haven't missed greeting any one, they percolate up and down the aisles during intermission, turning on the charm and saying "hello" to everyone.

From all this it is safe to assume that we like Carmen Amaya, we loved being in Princeton and we think there should be more such cultural interludes.

A Good Community Force
The Boy Scouts of America, granted a federal charter in 1916 by the Congress of the United States, has touched the lives of 24,500,000 American boys and adult leaders since its founding in 1910.

Available to boys of every race, religion, and economic background, Scouting is truly a living cross-section of American life. Perhaps most American families have felt its influence.

Scouting has helped millions of boys to grow "physically strong, mentally awake, and morally straight" to quote the Scout Oath or Promise each of its members has taken with earnestness.

Throughout American more than 1,070,000 adults of good character are volunteering their services now as leaders of Scout units, merit badge counselors, and in many other capacities.

There is a world-wide brotherhood of Scouting in sixty nations with a membership in excess of 6,360,000 members. The boys wear different uniforms, speak other languages, and follow different customs, but all share the same friendly Scout smile and Scout spirit. All work together for the benefit of their fellow man.

The Union Council, Boy Scouts of America, with headquarters at Elizabeth, is responsible for the growth of Scouting in this area. Its leadership comprises 2,723 devoted men and women who come from all walks of life. The Union Council is a good community force which merits your financial and moral support. In helping Scouting grow, you are helping the community and the sons of your friends and neighbors who may well be our community's leaders tomorrow.

warded when we received our 2nd class rank badges at a Christmas Tea given for our mothers. We are now working for the Games and Personal Health Badges and are planning many interesting activities to take place at future meetings.

The Semi-annual Meeting of the Springfield Girl Scout Council will be held on Thursday evening, January 17 at 8:15 in the Florence Gaudineer Cafeteria. Reports will be given by the committee chairmen at that time. Under the rotating system, the election of officers and chairmen that was to have been held is being cancelled since Area Coverage takes effect on May 1. At a recent Executive Board Meeting it was resolved that the present officers would remain in office until that date. We hope that all leaders and their troop committees will get out to this meeting.

Troop No. 2
Mrs. Joseph Miller, leader
Mrs. T. A. Herman, co-leader
The first three months of this scout year were very busy ones for us, but our work was well re-

Troop No. 35
Mrs. Edward Smith, leader
Rhona Greenfield, who came from Irvington and Margaret Anderson have joined the troop and have been invested. Mrs. Helen Falmine of Summit generously gave of her time and the necessary materials to make string ties for our mothers. We just couldn't have managed nearly as well without her help.

Troop No. 8
Mrs. Walter Anderson, leader
Mrs. Carl Sprauer, co-leader
Mrs. Rupert Himer came to our first meeting of the new year and helped with Girl Scout songs. We have elected Peggy Cawley as secretary and Judy Anderson as treasurer for the winter term. Kathleen Negro, outgoing secretary and Linda Kuehn, outgoing treasurer for these last three months did a very good job. We are eagerly looking forward to our next meeting on Tuesday as Mr. Saul Freedman, Lynn's father, will tell us about life in England, particularly in regard to the children there. This will complete our requirements for International Relationship toward the 2nd class rank badge.

Troop No. 34
Mrs. Arnold Birnbaum, Leader
Mrs. J. M. Cowles and Mrs. Victor Bract, co-leaders
We believed we have established a "first" during our visit to the Gruning Ice Cream plant. We were given samples, but the ice cream was so rich as it came from the machine we just couldn't finish our portions. Unbelievable, isn't it? We too will have the opportunity of seeing slides of Switzerland and getting first-hand information about that country from Miss Kiss, who teaches at the Raymond Cheholm School. One slide of particular interest is of the Girl Scout Chalet there. If this freezing weather holds, we are planning a skating party for next week.

Mr. John Streppone of Hawthorn Ave. and Proprietor of the Beautifette Salon, is recovering from an operation at the Irvington General Hospital. He hopes to be home very soon. Everyone wishes him well.

"BUDGET PAYMENTS - UP TO 36 MONTHS - NO PAY"

HOW MUCH INTEREST SHOULD I PAY?
Thousands of people now and then borrow money. There isn't anything wrong with that; everybody, at times, needs money for emergencies.
But how much interest do these loans cost you? If the cost is more than \$6.00 per \$100.00 per year, it is too high. For example, a \$3,000.00 personal loan need not cost more than \$18.00 for a full year.
If you are paying more, why not borrow here.

### Seniors Contend For Scholarships

Regional high school seniors are eligible to compete for scholarships to be awarded for the 1957-1958 year by Douglass College, women's college of Rutgers, the State University.

As announced by Dean Mary I. Bunting, scholarships offered exclusively to New Jersey residents include the Elizabeth Rodman Voorhees Scholarship, which, combined with a State University scholarship, will cover tuition, room and board. This combination scholarship is valued at approximately \$1,150 annually, or \$4,600 for the four undergraduate years provided the holder maintains a record satisfactory to the College Scholarship Committee.

Other scholarships open only to residents of New Jersey and renewable annually until graduation include: the Bonnie Wallace LeClear Scholarship of \$500, renewable to a \$2,000 total; the Carrie Whitton Bailey Bacon Scholarship of \$200 and a potential value of \$800; the Society of the Daughters of Colonial Wars Scholarship of \$200, renewable to a \$800 total; and the Food Fair Stores, Corporation Scholarships, open to students entering any division of Rutgers University and having an annual value of \$250 and a potential value of \$1,000.

Several general scholarships in varying amounts have been offered to New Jersey girls for the past several years by the New Jersey State Federation of Women's Clubs, and it is expected that funds will be available again for the 1957-1958 year. In addition, the Federation offers Citizenship Institute Scholarships of \$200 each, and American Home Department Scholarships, in varying amounts.

Available for the freshman year only are the Associate Alumnae Scholarship of \$400; the Daughters of the American Revolution Scholarship in Home Economics of \$400, and Sears-Roebuck Foundation Scholarships in Home Economics of \$200 each.

In addition, approximately 100 State University scholarships covering tuition and certain other fees are available to entering students from the various counties of New Jersey, subject to the appropriation of necessary funds by the State Legislature.

Open to both New Jersey and out-of-state students are the Richard W. Herbert Memorial Fund Scholarship of \$500, renewable to a total value of \$2,000; the Mary and Bertha McClymonds Scholarship with an annual value of \$500 and a potential total value of \$2,000; and a number of general scholarships and music scholarships.

### ships in varying amounts.

For the 1956-1957 academic year, Douglass College awarded more than \$30,000 in State University and college-administered scholarships to freshmen. Of this total, approximately \$47,550 was awarded to 125 New Jersey residents. Scholarships which are renewable are re-awarded when the holder maintains a record satisfactory to the Scholarship Committee of the college. Awards are made on the basis of financial need, general character, and scholarly ability as determined by secondary school records and by tests administered by the College Entrance Examination Board.

### Re-enrollment Award To Be Given To ORT

The Springfield Chapter of Women's American ORT (Organization for Rehabilitation Through Training) will receive an award next Thursday for having reached a 100 per cent re-enrollment. The award will be accepted by Mrs. Ivan Crouch, chapter president. The goal was attained through the efforts of Mrs. Sidney Garner and Mrs. Norman Lowenstein, tea chairman. The meeting will serve as official kick-off of ORT Day Campaign for March 6.

### CATHOLIC INFORMATION

#### HAIL MARY!

Do we put her above the apostles? We certainly do. No arch-angel ever complimented them as Gabriel complimented her. "Hail, full of grace," he said. Not "Hail, holy woman," or "Hail, saintly maiden." No—but "Full of grace," that's what he called her. And if she was full of God's favor, there must have been no trace of sin in her, not even the taint of Adam's original sin.

While the apostles still thought of Christ's kingdom as a worldly affair with Jesus in the role of a conquering hero, killing off all opposition, Mary alone knew that His Kingdom was not of this earth. She knew He had come to put down the mighty from their seats and to exalt the lowly. She knew that God had done great things to her and lifting up her eyes, she could see generation upon generation rising up to bless her name.

She knew the secret of His ministry. She knew why He was spending 30 years at Nazareth with St. Joseph and herself. It was no mystery to her—and she understood the meaning of His suffering and death. Thirty-two years before, the Prophet Simeon had told her that a sword would pierce her heart. She was prepared for these things.

What did the apostles think of her? On the Cross, Our Lord had given her to the care of His most dearly beloved apostle, the virgin St. John—a fitting guardian of the Virgin Mary. Then we find that, while the apostles were awaiting the coming of the Holy Spirit on that first Pentecost, to quote the Acts of the Apostles, "They were persevering in prayer with Mary, the Mother of Jesus."

"Hail, Mary, full of grace!"—then we go on with the words of St. Elizabeth as found in St. Luke's Gospel. "The Lord is with thee, blessed art thou among women, and blessed is the fruit of thy womb, Jesus." The Church continues with a prayer of her own: "Hail Mary, Mother of God, pray for us sinners, now, and at the hour of our death. Amen."

That is the "Hail Mary," the Ave Maria, set to music so often and so beautifully by the masters, by Schubert and Gounod, for instance. After the Our Father, it is the prayer most often found on Catholic lips. We learn it at our mother's knee, and its fragrance lingers over us when we have closed our eyes in death.

### THEY'RE GOING TO STICK A NEEDLE IN ME

Yes, Sonny, we do it all the time! Mommie holds you in her lap. And that nice, friendly doctor gets the needle ready. Then... OUCH! And there's one less disease for you to worry about.

If only it were that easy to protect you from some of the other diseases that infest the world... the plagues that eat away man's moral and spiritual fibre.

But religion can't be injected with a needle!

So it requires wise parents, and Christian homes, and worshipping families, and vigorous churches to get you ready for a noble, happy life.

Better take it up Sunday with your folks: ISN'T IT TIME FOR ALL OF US TO GO TO CHURCH?

# SUNNING SPORTS

By RITCHY SCHWARTZ

This writer is not ashamed to state that he has a few athletic idols. The two most prominent both play for the same home club. One of Ted Williams who rank as the greatest of all time. The other is Bob Cousey, our answer to the perfect basketball player.

Watching Cousey play for the Celtics through the years one becomes amazed at his dexterity and poise with a basketball. Let the girls have Elvis, we've got Brother Bob who could probably throw a guttar behind his back if need be.

Not only a magician on the hardwood floor, Cousey is always a gentleman, teacher and arbitrator. Born with almost super human reflexes his play and leadership in the NBA has brought the 'shoot for loot' boys to the height of the national athletic scene. A terrific inspiration to American youth, we can only hope that Bob Cousey plays basketball forever.

And now once more we come to the Regional High School basketball team. Quite a let-down after Bob Cousey, (well that's life). Our Hoopsters have had enough trouble without having to pass behind their backs. Still sporting only one win on the year, a trick turned in against Plainfield, the Swedish-Men are finding the road rougher as they near the home stretch.

Scoring certainly hasn't improved and individual totals are dropping faster than the Market back in 1929.

But that burning competitive spirit still glows. And don't get the impression that they've just tossed off their losses matter of fact—not these boys. You readers should be on the team bus heading home after a resounding defeat to the Bulldogs.

Strategy is discussed—top level strategy. But of course, our readers aren't ignorant, they realize that a whipped basketball squad doesn't sing songs and kibitz on the bus as if they had just come from a Sunday School picnic. Let's be serious about this thing. These boys are level-headed youngsters who are constantly looking for ways to better themselves.

Yes sir, that's one thing about our Cagers, they might be losing but nobody can look them square in the eye and tell them they don't give a damn!... Huh boys?

## VFW Lead Hewn To One Game By Lynn

The P.B.A., smarting from nine straight losses, took revenge by handing the Mavericks a 2 to 1 defeat and narrowing their margin to a single game. The Vets finally came out of their slump by handing the P.B.A. a terrific globbering of 891 to 770 and setting a new 3rd place record game. Rud Jennings aided the cause by bowling his second highest game of the season, a whopping 241.

Disc and Shutter continued its climb by taking 2 out of three from the Jimbo's Texaco and are now 3 games out of first place.

Lynn Decorators had to press hard to defeat Springhouse Tree 2-out-of-three and retain their second place standing.

Two hundred games were as follows: Rud Jennings 241, Smith of P.B.A. 220, Quinton 212, Burdette 207, Zigganfuss 201, Monroe 201, Reiff 200.

## Parkview Is New "Threat" To S'field Market Lead

Parkview Garage pulled out of the pack Monday night at the Springfield Bowling Alleys to become what is laughingly called the top contender to Springfield Market's league leadership.

Parkview is New Threat. Parkview, in second place all by themselves by virtue of a sweep over Beckmann's Market, trails the Market bowlers by 11 games. Springfield Market kept rolling along at its 784 clip by taking two out of three from Brunner Excavating.

Some kind of record was set Monday night when two games ended in flat ties. The Legionaires, in a fraternal scrap, ended their middle-game locked at 771 apiece. League No. 1 won both the other contests. Drake Fuel Sales chalked up an identical 833 with D'Andrea Driveways in the 3rd set after they had split the first two. Their action saw Cuzzolino Furs take two out of three from Bunnell Bros., and Mendel's Florist do the same against Frank's Auto.

Two hundred games included: T. Graziano 214; Julio Polcarpio 227; Jacobovitz 237 and 212; Mel-siek 204; Zieser 215; Walton 201; D. Bunnell 201; R. Anderson 220; J. Funcheon 200.

## NJEA Seeking Higher Salaries

Raising the level of teachers' salaries in New Jersey will be the main objective of legislative activity by the New Jersey Education Association this year. A proposal for raising the scale of minimum teacher salaries required by State law tops the 1957 NJEA Legislative Program announced in the January issue of the professional organization's monthly magazine, the NJEA REVIEW.

The NJEA proposal, which it is asking the State Legislature to approve, calls for amending the present State law to provide minimum schedules of \$3,600 to \$5,400 for teachers with less than four years' preparation; \$3,800 to \$5,800 for teachers with a bachelor's degree or equivalent; and \$4,000 to \$6,200 for teachers with a master's degree or equivalent. The proposed new minimums are designed to enable New Jersey schools to retain the able teachers they already have and to attract a supply of fully qualified professional teachers for the increasing number of pupils.

A special feature of the teachers' 1957 Legislative Program is a request directed to the various candidates for State offices regarding the forthcoming State election campaign. In view of the impending educational needs caused by increasing school enrollments, NJEA is asking the candidates not to commit themselves against a revision and broadening of the State's tax structure. It specifically asks that party platforms take a realistic approach to the State's revenue problems and avoid the use of No-New-Tax pledges.

In the area of federal legislation the NJEA is urging that Congress take positive action on some form of federal aid for school construction. Such a proposal lost by a close margin in the House of Representatives last summer and seems certain to be reintroduced and brought to a vote again this year. The Association is also asking Congress to create a National Board of Education as an independent agency to administer the U. S. Office of Education and to supervise federal education activities.

Other proposals in the Association's 1957 program include: adoption of recommendations made by the Governor's Committee on Inadequate Pensions to provide a cost of living adjustment for all teachers who retired before 1950.

A clarification of the length of service requirements in the State's non-contributory pension act to protect those teachers who formerly were not required to become members of the Teachers' Pension and Annuity Fund.

repayment to teacher veterans of contributions made on their behalf by employing boards of education while they were in service on the same basis as returns were made to State and local employees under the Public Employees Retirement System.

amendment of the definition of "veteran" in the teacher retirement law to bring the terminal date for World War II service into conformity with federal practice.

referral of the problem of State school building aid for county vocational schools to the State Tax Policy Commission.

direction of the State Tax Policy Commission to study the need for adequate State aid for adult education.

construction of a new and separate building for the State Department of Education.

construction of a new building for the school of education at Rutgers, the State University.

There is at least one of these behind every accident: I don't know; I don't care; I forgot; what's the use; it can't happen to me; I can look out for myself—and this safety stuff is all propaganda.
