## THIS WEEK

### Colonial Design Belongs Here

If you have been one of those who poo-poo the idea that Colonial design architecture "just fits historical Springfield" be sure to take a good look at the new municipal building, now nearing completion.

Visualize the effect on visitors who come here and see the interesting town hall, set far back, after all those atrocities and eye-sores on entering Springfield along Main street from Millburn or along Springfield avenue from Maplewood or Morris avenue from Summit.

Of course, there is no legislation possible to compel construction only with the Colonial design accent. But, proper planning, with a little off-the-record persuasion, could have induced many more of Springfield's newest buildings to carry out a definite design of architecture.

The Township was fortunate in having the Crestmont Savings and Loan Association transform the old St. James Church on Morris avenue into one of the finest looking buildings in Springfield. The new library and the addition to the municipal Building now join the First Presbyterian Church, the Cannonball House, the Methodist Church, the Crestmont Building and the Regional High School as the few gracious spots in a Township whose past is steeped in historical lore and tradition. Colonial design just seems to belong in Springfield.

### "Can't Stop A Man From Doing Business?"

Proper planning could have eliminated "gasoline alley" which might be another name for Morr's avenue.

There are more gas stations on Morris avenue than other comparable business thoroughfare and there appears to be nothing the Township can do about them.

However, it is a shame that some plan isn't evolved to discourage the continuation of some of these gas stations. We realize that "you can't interfere with a man's business" but most of these properties are owned by large, rich oil corporations and, if the continuation of the gas station is discouraged, the big oil companies will find some other use for the land.

As gas stations—right smack in the center of the town—they create traffic jams and discourage many other more acceptable lines of business. Instead of discouraging them, variances have been granted for expanding many of the stations, adding new pumps and construction of larger garage facilities.

Right now the Township is faced with the request of the Tide Water organization to permit expansion of the gas station at the corner of South Springfield Avenue and Hillside. Residents in the area are not very enthusiastic about adding to the traffic confusion at this corner. But Tide Water wants to purchase the property because it is known that Springfield is frowning on granting any new permits.

The Township could do without many of the gas stations now on Morris avenue. If permission were not granted for expansion and increasing the number of pumps, these properties would, in time, be given over to some other type of business.

So those who vote to permit more pumps, larger service stations, explain their stand with the shop-worn statement that "you can't stop a man from making a living." Practically all the gas permits in Springfield are held by the big oil companies and we refuse to shed any tears about "stopping these men from making a living."

### So What About This Business Man?

And, if that line about "not stopping a man from making a living" has any merit, there appears to be some unusual activity in the matter concerning the Investment Castings Company.

Residents in the area are reported to have made formal charges that the operation of this company is affecting the health of the neighbors with noise, smoke and odors. We do not intend to discuss the merits of these complaints, although we understand there are official reports from both the local level and from the State Board of Health that no extreme nuisance exists.

What we are getting at is that those who reside in that area—those who have purchased or built homes there—always knew that Route 22 would eventually be more than a landscaped parkway. They knew industries would come to the highway.

The big mistake was to put all that section in a residential zone and Mayor Albert G. Binder, as we remember, was one of those who thought there should be a bigger buffer zone and that homes should not be permitted too close to the industrially zoned section of Route 22.

Two of Springfield's members of the Township Committee visited the Investment Casting Company's plant in Newark and invited this manufacturing plant to come to Route 22. They are said to have made a thorough investigation of the manufacturing methods used by Investment Castings and arranged to have them come here.

Now, the company is not being permitted to proceed with expansion plans that would eliminate most of the nuisance charges. If the objections are real, the Board of Health should have very little trouble compelling Investment Casting to eliminate the nuisance.

But, in a rapidly growing community like Springfield, we cannot always maintain that "oasis for jangled nerves." We happen to live in Walker Court on Morris avenue and we knew what Morris avenue traffic was when we signed the lease. The rumbling of the heavy trucks along Morris avenue early in the morning and the backfire of those souped-up motorcycles in the gas station across the street are not our idea of quiet living. But we're not calling out the Marines or sending letters to our Congressman about it because we realized all these conditions when we moved in.

### Open Season For Accidents

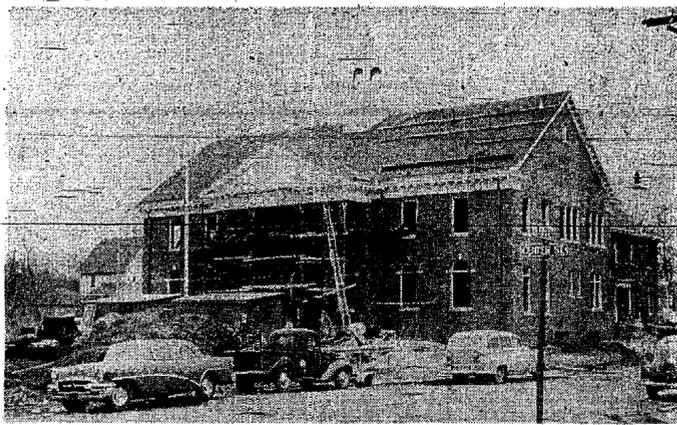

When spring house-cleaning time rolls around there is no place like home—for accidents. This year try adding a pad of paper and a pencil to your cleaning equipment, and perhaps you can accomplish this inevitable work more efficiently and safely.

The Institute for Safer Living of the American Mutual Liability Insurance Company advises the homemaker to sit down and make a list, chore by chore, of the entire cleaning program. From this you can plan each day's work so that you don't overdo, yet remain on schedule.

Wise planning means varying your work. First tackle a heavier job, then a lighter one; plan to do work that requires standing, then choose a task at which you can sit or kneel.

Last year accidents in and about the home took 28,000 lives. It is estimated that there were close to 5 million injuries. Home-making is a hazardous occupation but modern

BEAUTIFYING SPRINGFIELD. Addition before end of Summer. Colonial architecture to the Municipal Building is nearing completion and landscaped green, in front, will add to beauty of the Township's new building.

## Chas. Knowles Wins Coveted Scout Award

Charles Knowles, Jr.

Explorer Scout Charles Knowles, Jr., son of Mr. and Mrs. Charles Knowles of 54 Salter street of this city, will be presented on Sunday, March 31, with the coveted "God and Country Scouting Award," by the Methodist Church of Springfield at its 11 o'clock worship service through Scoutmaster Robert Isley and Mr. William Melick of Troop 70 to which Charles Knowles Jr. belongs.

Under the personal supervision of the pastor, the Rev. Dr. Marvin W. Green, more than 100 service hours have gone into earning the award as well as a like number of hours in study and special preparation in understanding the aims and objectives of Christianity, the teachings of Protestantism and the world-wide program of the Methodist church, in particular. Two full years of training have gone into these and other phases of Charles' program.

The award is a special medal revealing the form of a white shield on which there is superimposed a masonic cross, and earns its wearer the congratulations of the entire church. Charles is a member of the church, business manager of the 1957 Confirmation Class, and active in many organizations in the church. Presentation of a second lapel-medal will also be a part of the award ceremony.

## More and More Calls For 1st Aid In Feb.

The constant rise in number of calls answered by the Springfield First Aid Squad continued through February, according to officers of the organization. At the regular business meeting held this week at the Squad House, North Trivett street, it was reported that a total of 34 calls were answered by Squad members during February, making a total of 77 for the first two months of the year. This compares to 69 calls for the same period in 1956.

A new plan providing for two crews to be available was set into effect by the Captain to give even greater coverage to the town. This has been necessitated by a number of calls where both ambulances were pressed into service.

A breakdown on February activities includes 15 emergencies, 19 transportations, 6 bottles of oxygen, 469 miles traveled and 113 man-hours volunteered by members.

## Extension Of Mountain Ave. Is Considered

Extending Mountain avenue across Morris avenue into the now land-locked 26 acres, known as the Ness property, has been the subject of some very serious discussions recently by members of the Township Committee.

The plan under consideration is for the Township to purchase the Morris avenue property where Mountain avenue now ends and hold it for the future development of the large tract of land on the northern side of Morris.

Township Committeeman Raymond W. Forbes has been the most ardent advocate of the idea, basing his arguments on the thought "that Springfield should look to the future and plan for extending of Mountain avenue to help ease the traffic load on Morris avenue as well as developing a large tract of land which is important to the growth of our community."

Forbes has not been meeting with much success, according to the reports leaking out of those meetings with his Township colleagues, but he is determined to carry the proposal into the open. The reports have it that some members display little enthusiasm for the idea because "there is no money available for such purposes, or that the Township cannot borrow the necessary funds or that now is not the propitious time for buying property."

### Now Is The Time

"I have no personal interest in this plan to have the Township purchase the Hague property for the extension of Mountain avenue into those vacant acres of land," said Forbes. "But, with property values skyrocketing in Springfield, the governing body should care."

## New Registration Figures Total 6374

Registration figures released yesterday show very little to encourage either party, a total of 6,374 being eligible to vote in Springfield in the coming primary.

The total of eligible voters last November was 6,537 and the opinion of leaders of both local political parties is that the registration rolls will be increased considerably for the general election.

Following are the figures showing the eligible voters in each of the new 13 districts for Springfield: 1—524; 2—434; 3—625; 4—732; 5—664; 6—550; 7—427; 8—140; 9—484; 10—287; 11—556; 12—615; 13—288. Total—6,374.

## Two Become American Citizens This Week

Two Springfield men became naturalized citizens of the United States this week in ceremonies before Union County Judge Milton A. Feller in Elizabeth.

Frank Angleton of 4 Forest Drive and Gaeppina Leone of 750 South Springfield Avenue took the oath of citizenship.

### NEED SUMMER JOB?

The Recreation Commission is accepting applications for playground leaders for this summer.

Applications may be obtained at the Township Clerk's office which is now at 59 Mountain avenue.

College students with some leadership experience or physical education training are especially asked to make application.

## Garbage Plan Discussed by Six Towns

Six municipalities: Summit, Westfield, Cranford, Kenilworth, Mountainside and Springfield, meet here tomorrow (Friday) evening to discuss the feasibility of a joint disposal plant.

The high cost of garbage collections and the problem of future disposal have caused these communities to look into the future for some incinerator plan to be used by all the municipalities meeting here tomorrow.

Mayor Albert G. Binder has sent out the invitation to have these representatives meet and discuss the problem. The five communities replied that they are interested and will have men at the meeting. Union was also contacted but will not attend as that township is planning a project of its own for garbage disposal.

## List 10 Streets Light Traffic Thoroughfares

In an effort to control traffic on residential streets, the Township Committee passed on its first reading at last night's regular meeting, an ordinance designating certain streets for light traffic only.

The ordinance limits the use of Archbridge Lane, Baltusrol Avenue, Briar Hills Circle, Evergreen Ave., Edgewood Ave., Hillside Ave., Kipling Ave., Mapes Ave., Possum Pass and Reiner Ave. to "passenger vehicles and commercial vehicles whose weight inclusive of load, does not exceed 4,000 pounds."

Appropriate signs will be placed on those light traffic streets and "any person convicted of operating a vehicle on any of these streets in violation of the ordinance shall be subject to a fine not in excess of \$50, or imprisonment in the county jail not to exceed 15 days, or both, for each violation."

The ordinance shall take effect 10 days after final passage. The public hearing on this ordinance will be held Wednesday evening, April 10.

## PROCLAMATION

Cancer is one of the most critical health problems our community, our state and our nation has ever faced. The American Cancer Society, through the Union County Chapter, is playing a leading role in the fight against man's cruellest enemy, which yearly in New Jersey alone takes the lives of more than 9,000 men, women and children; and

WHEREAS, the Society is the only national health agency which is combatting this menace through a three-pronged program of research, education and service, and is dependent entirely on public contributions;

THEREFORE, as Mayor of Township of Springfield I hereby proclaim that the residents of this community shall observe April as

## CANCER CONTROL MONTH

and I urge the fullest and most generous support for the annual Cancer Crusade which is conducted this month by the Society volunteers so that this life-saving work may be continued and expanded until this enemy of mankind is conquered.

Signed, ALBERT G. BINDER,  
Mayor of Township of Springfield.

## GOP Candidates For Governor To Visit Here

Both Republican gubernatorial candidates in the coming primary election, Senator Malcolm S. Forbes and Senator Wayne Dumont, Jr. will visit Springfield.

### RIVALS TO VISIT SPRINGFIELD

Senator Malcolm S. Forbes

Senator Wayne Dumont, Jr.

Springfield will participate in Dumont Day next Wednesday when Senator Wayne Dumont, Jr., of Warren County, one of the Republican candidates for governor, will stop off at the General Greene Shopping Center to meet members of the Dumont for Governor Club of Springfield. William J. Doyle, spokesman for the local Dumont supporters, announced yesterday that the caravan will arrive at Springfield Wednesday afternoon between 3 and 3:30.

Dumont Day will officially begin at 8 a.m. when the Senator and Mrs. Dumont appear at the Winfield Scott Hotel in Elizabeth for a breakfast given by the Dumont for Governor Club of Cranford. At 8:45 a motor caravan will leave the hotel and proceed through Elizabeth, Linden and Rahway and is expected to reach the Roselle Shopping Center at approximately 10 a.m. after which the caravan will pass through Roselle and Roselle Park where the first trip of the day will come to an end.

Senator Dumont will return at 2:30 and the caravan will re-form at that time in Union and proceed through Springfield—stopping at the General Greene Shopping Center between 3 and 3:30, where the Senator will greet any local residents interested in meeting him—then proceed to Summit, Mountainside and Westfield, arriving at Cranford about 5:30.

At 6:30 p.m. the caravan will proceed on to Plainfield where a stop will be made prior to continuing to a Dumont for Governor Dinner and Dance to be held at the Arbor Inn, Plainfield.

Word has been received by the committee that Senator and Mrs. Forbes will attend as well as Senator and Mrs. Robert C. Crane, Congressman Florence P. Dwyer and practically all the county candidates, present office holders and party leaders.

Dinner is scheduled for 7 o'clock with dancing to follow the speech making and introduction of candidates and guests.

## V.F.W. To See TV Film Spectacular

Local members of the Veterans of Foreign Wars will have a special film showing of "Hemo The Magnificent," recent TV spectacular, at the VFW Post Home on Friday, March 29, at 8 p.m.

Commander-elect Steve Schmidt extends an open invitation to the general public to view this educational film in full color. Arrangements to obtain the film have been arranged through the New Jersey Bell Telephone Co.

## Juvenile Beer Drinkers Will Be Heard Mon.

Those interested in the problems of juvenile delinquency from all sections of New Jersey will be watching Springfield next Monday. That is the date set for the arraignment of the four youngsters, age 15 to 17, who were

## Watch Sun Window For Old Photos From Back Issues

The photo file of the Springfield Sun is beginning to bulge—and we want to get rid of some of these already used pictures.

Each week there will be a display of photographs that have appeared in the Springfield Sun in connection with some story.

These photos will be in the window of the SUN at 282 Morris avenue, Springfield, for a full week. Owners of the photographs can have the pictures by merely walking into the Sun office and asking for them.

THERE IS NO CHARGE... NOTHING TO BUY... THEY ARE ABSOLUTELY FREE! The display of photographs will start Saturday, March 29th.

If the photographs are not displayed for one full week are not claimed, the Springfield Sun reserved the right to destroy them or give them to anyone requesting any particular picture. WATCH THE SPRINGFIELD SUN WINDOW—STARTING SATURDAY, MARCH 29TH.

### ATTENTION!

### Heard Re-Elected To Overlook Board

Charles F. Heard of 7 Alvin Terrace, was re-elected for a second term as trustee of the Overlook Hospital Association at its annual meeting held last Thursday. Walter Beinecke, Jr. of Short Hills was elected president. F. Bruce Gerhard, retiring President, commenting on his successor said: "At a time when the hospital faces all the problems of financing and building a new wing we are especially fortunate to have as our new president one of the best informed men on our board. Mr. Beinecke has served as First Vice President for four years. He was Chairman of the Long-Range Planning Committee which studied the needs of this area and first recommended our new building program. He has been a member of our Joint Advisory Committee working with the Medical Staff for four years."

### July 4th Group Meets (Already)

A meeting of the Springfield 4th of July Committee will be held Tuesday April 2nd at 8:30 P.M. at the home of the secretary, Mrs. Lee L. Andrews, Jr. at 450 Meisel Ave. This will be the second meeting and plans are already under way for a still better celebration this year. It is explained the committee is entirely voluntary and is composed largely of representatives of civic and service organizations within the township. Further information can be obtained from Mrs. Andrews at DR. 6-0731.

### Theodore Naumann Dies In Overlook

Theodore H. Naumann of 51 Rose avenue died Monday in Overlook Hospital after an eight month illness. He was 40. He was born in Newark and lived in Springfield 33 years. He was an electrician and a member of Local 52, International Brotherhood of Electrical Workers. He was a charter member of the Holy Cross Lutheran Church of Springfield and a member and former captain of the Springfield Fire Department. Mr. Naumann leaves his wife, Mrs. Ethel Loenrs Neumann; three sons, Robert, Richard and Roger; his father, Theodore C. and a sister, Mrs. Arthur Schuchnick of Springfield. The funeral service will be today (Thursday) at Smith & Smith (Suburban), 415 Morris avenue. Burial will be in Graceland Memorial Park, Springfield.

### Juvenile Beer

(Continued from page 1)  
arrested last Friday night with 55 cans of beer in their possession. The arresting police also charged that the kids had been drinking the beer which, they are said to have told the arresting officers, was obtained in Staten Island.

Springfield was one of the first municipalities to pass an ordinance intended to ban drinking or transportation of beer and other alcoholic drinks by persons under 21 years of age.

The four juveniles were arrested in a car in a parking lot of the food stand at the corner of Mountain and Flemer avenues. Sgt. Daniel Marding who received a tip that the youngsters "were carrying on at the parking lot at that late hour of the night."

The youngsters are scheduled to appear this Monday evening, April 1, before Magistrate Henry C. McMullen and the results of that hearing will be watched with interest since it will be the first time the new township ordinance will be tested. The ordinance prohibits juveniles "from carrying or consuming alcoholic beverages in cars or public places."

Township officials are very much concerned with the apparent increase of beer drinking by juveniles in Springfield. Reports have it that the parking lots in various parts of Springfield are littered with empty beer cans and the police have been instructed to watch the youngsters especially on week ends.

The four boys, one 15 years of age and the other three, 17, were released in the custody of their parents who, it is understood, have been asked to appear with their children.

The Springfield Township Committee adopted this ordinance last November in an attempt to stop the flow of beer and liquor from Staten Island where the age limit for purchase is lower than New Jersey. Several other communities have adopted or are considering similar ordinances and the outcome of Monday's hearing will have great bearing on whether or not such a law is a solution to the problem.

### Town Offices Now In Temporary Bldg.

Last Friday was moving day from Springfield Municipal Building and by Monday Mrs. Eleanor Worthington, Township Clerk, and all other departments were set up for temporary housekeeping until the new municipal building is ready to move them back. The township owned house at 59 Mountain avenue now houses the Township Clerk's offices, Board of Health, Welfare Department engineer, road department, building inspector, sanitarian, and plumbing inspector.

Tax Collector Charles Huff has been moved to the offices in the new garage building and the Board of Assessors will share the quarters rented by the equalization and evaluation experts in the Rigby building at Profit and Morris avenue.

The police and fire departments remain in the same town hall quarters and all meetings and sessions of the municipal court will be held in the main section of the garage until the municipal building is completed.

### Spring Vacation for Co-ed

Miss Barbara A. Wolf a student at Centenary College for Women, Hackettstown, New Jersey, will begin her spring vacation Friday, March 29th at noon and return to the campus Tuesday, April 9. She is the daughter of Mr. and Mrs. Donald K. Wolf who reside at 53 Severna Avenue, Springfield.

### Girl Home After 4 Year Mission Work

Miss Margaret A. Bock, daughter of Mr. and Mrs. Henry Bock of 125 Tooker Avenue has returned home after an absence of four years. She spent one year in language school in Costa Rica and three years in Santiago, Chile as a missionary under the Association of Baptists for World Evangelism. Miss Bock expects to return to Chile after her furlough.

### Local Boy Begins 6 Months in Army

Army Pvt. William M. Charles, son of Mr. and Mrs. Walter M. Charles, 941 S. Springfield ave., Springfield, N. J., recently began six months of active military training under the Reserve Forces Act program at Fort Dix, N. J. Charles is receiving eight weeks of basic combat training which will be followed by advanced in-

dividual and unit training. Men volunteering for the RFA program are permitted to finish their military obligation in local Army Reserve or National Guard units. The 17-year-old soldier attended Regional High School. When Irving Berlin's song, "God Bless America" was published 20 years after he wrote it he assigned all royalties to the Boy and Girl Scouts of America. Their income from the song has passed the \$100 thousand dollar mark.

### Miss Titley Wed To Westfield Man

Mrs. Vincent J. Veninata

Miss Catherine Elizabeth Titley, daughter of Mr. and Mrs. Ralph H. Titley of 31 Bryant Ave., was married last Saturday, March 23, to Vincent John Veninata, son of Mr. and Mrs. Corrado Veninata of Westfield. Reverend Dr. Marvin Green, pastor of the Springfield Methodist Church performed the ceremony at the home of the bride's parents, where a reception followed.

Mrs. Robert Repsher served as matron of honor for her sister and Mrs. Leslie Evans was bridesmaid. Mr. Evans served as best man and the ushers were William Titley, brother of the bride and Mr. Repsher.

Mrs. Veninata attended Maryville College, Tenn., and is a buyer for Hahn & Co. Her husband attended Colorado A & M College and was graduated from Denver University. He is Personnel Manager with the Suburban Division of Grand Union Co., Ridgewood. The couple are spending their honeymoon in Bermuda and will reside in Belleville on their return.

### Briar Hills Civic Association Meets

A general meeting of the Briar Hills Civic Association was held on Sunday evening, March 24th, at the American Legion hall.

Vincent Bonadies, a councilman of the Township of Springfield, attended as a guest of one of the members. During the course of the meeting, Mr. Bonadies was kind enough to answer various questions proposed by the members concerning zoning, ordinances and other aspects of township regulations.

### Woman's Club News

Don't forget about the Drawing to be held on Saturday afternoon March 30, at the Cannon Ball House, at which time the Springfield Woman's Club will present the holder of the lucky Raffle ticket with a beautiful mink stole. The sale of these tickets makes possible our donations to local charitable and educational organizations, and some tickets are still available, if anyone still wishes them, at twenty-five cents each.

The next regular club meeting will be held Wednesday evening, April 3, at the Edward V. Walton School, will be the last under the present administration, and there will be election and installation of new officers and department chairmen at this time, as well as observation of Hobby Night. One of the highlights of the program will be the presentation of a One-Act Play, "The Silken Scarf," by the Drama Department. The incoming officers will be installed by Mrs. Ford A. Starkweather, of Cranford, who is Fifth District Vice-President.

The Springfield Woman's Club takes great pride in the fact that our Art Department won several awards in the District contest, the winners of which were announced on March 26, at the Fifth District Spring Conference. The Scrapbook-American Modern Art from 1800-submitted by Mrs. Merton D. Williams, Mrs. Glen Oyster, and Miss Gertrude Sala, won third place. A design for a Mosaic panel, made by Mrs. Merton D. Williams also was in third place, and one submitted by Miss Gertrude Sala won fourth. In the Soap Carving competition, four pieces were entered by the group, two pieces by Mrs. Merton Williams, and one each by Mrs. Glen Oyster and Miss Gertrude Sala, and these will be entered in the State Contest at Atlantic City in May. Congratulations!

Twelve members of our Club went over to Roselle on Tuesday morning, March 26, to attend the Fifth District Spring Conference, with the Civic Club of Roselle-Roselle Park as the hostess club. Mrs. Ford Starkweather, Fifth District Vice-President, was the Presiding Officer. Greetings were brought by several State Officers, and a delightful musical program was presented by students from Roselle Park High School, consisting of several violin selections and a program given by the A Capella Choir, directed by Miss Elizabeth Wood. Two-minute reports on the club activities of the year were presented by the Presidents of all of the Clubs in the District, and our own President, Mrs. Charles F. Heard, gave an excellent report. Mrs. Catlin, of

the Convention Committee gave highlights of the forthcoming convention program, and urged ALL Clubwomen to attend the Convention in Atlantic City in May, if possible.

A delicious luncheon was served in the church cafeteria, and at this time guests had the opportunity of viewing the Art Exhibit which had previously been judged.

Among members who attended from this club were: Mrs. Charles F. Heard, President, Mrs. Robert Harogrove, Jr., Mrs. Anthony Pilar, Jr., Mrs. DeForest Hillyer, Mrs. Stanley McConkey, Mrs. Edwin Davenport, Mrs. William A. Konrad, Mrs. William Peacock, Mrs. Merton D. Williams, Mrs. Kenneth Bandemer, Mrs. Glen Oyster, and Mrs. Azeglio Pancani.

At the next meeting of the Art Department, to be held on Monday evening, April 1, members will make novelty jewelry of corsets, sequins, and pins. All materials will be furnished at the meeting by the demonstrator, Mrs. M. D. Williams, Chairman, is anxious to have all members attend, if possible, as this will be the last meeting of the year.

Our President wishes to again remind members of the Seventh District Conference, to be held at the Woman's Club in Maplewood, on April 3. The hostess club will serve dessert and beverage for fifty cents, and guests are asked to take a box-lunch.

The State Legislative Luncheon will be held on April 1, in Trenton, New Jersey.

No doubt, readers are weary of being reminded each week of Hahn's Day, which will be held on April 4; however, it is done because (1) the club hopes for a very good representation at Hahn's store on that date, and (2) those who forget the date will miss a day of fun. This is the last call!

### CARDINAL TOPICS

by Ed Cardinal

Scott is a big name in the fertilizer business. Specializing in lawn care products the O. M. Scott & Sons Company has done unlimited research to produce the best materials available.

Many people are under the impression that Scott's material is expensive, but considering the application rates and analysis Scott's is usually least expensive in the long run. Backed up by guarantee and specific instructions in the use of their materials, you just can't go wrong in buying Scott's. If you could see the fine lawns all over the nation that are maintained with Scott's, you would soon become an enthusiastic user.

Scott's fertilizer spreaders were rated as a best buy in a popular consumer report magazine and our experience with rentals proves it to be far superior to most other makes. It is extremely accurate and sturdy, and parts are still available for their earliest models.

You can't go wrong with Scott's.

inventions have made it less drudgery. Budget your time for house-cleaning. Plan the tools that you need. Save the heavier furniture moving jobs until the man of the house can help. Take it easy and avoid fatigue.

A quick look at the section in the local supermarket devoted to cleaning compounds and equipment will show you the many new things on the market to make your job easier. Specially treated dusting papers will eliminate the need for having oily furniture rags about. Glass spray applicators and paper towels will make window washing easier.

New detergents make washing paint less of a problem and most are less likely to harm paint surface. New polishes and waxes are designed to make cleaning easier and more lasting.

Take advantage of all the "short-cuts" on the market and thereby avoid becoming overly tired. Many home accidents occur when the housewife tries to do more than she should.

type of exceptional child—the gifted, the slow learner, the mentally handicapped—was discussed by an able panel member. Mr. James JanTausch, our school psychologist, acted as moderator at the request of Mrs. S. C. Goldstein who arranged the program.

Attendance award winners for the evening were: Caldwell—Mrs. Porter (a.m.), Chisholm—Mrs. Gushin, Gaudineer—Mr. Fallon, and Walton—Mrs. Ross.

It was voted to have the annual meeting in April and to dispense with the May meeting so that the new organizations may meet at their respective schools to elect officers.

## Formative Meeting For Charter Study Tuesday

The formative meeting of the Citizens' Committee for Charter Study, temporarily under the auspices of the Springfield League of Women Voters, will take place on April 2, at the Springfield Public Library at 8:15 p.m.

The purposes of this committee are threefold. First, it will inform Springfield of the many advantages that may be gained from a Charter Study. Second, it will work to obtain petitions and/or an ordinance to put Charter Study on the ballot in November. Lastly, the Committee will prepare a slate for a "Charter Commission" to be considered by the voters in November.

The guest speakers at this meet-

ing will be Mayor James G. Ego of Rahway and his city administrator Mr. O'Key. Mayor Ego has been invited to speak since this city has been governed for the past few years by a charter provided for in, and adopted in accordance with the Faulkner Act. Mayor Ego and Mr. O'Key will discuss various problems that have been solved through the adoption of a new form of govern-

ment. A discussion period will follow.

It is of the utmost importance that all township residents interested in good government attend this meeting. Participation of all local organizations in this meeting is imperative so that a truly representative Citizens' Committee will result. All interested and capable persons are also needed so that Springfield will achieve the best possible Citizens' Committee for Charter Study.

Following are some of the questions answered by the League of Women Voters:

**How should the Study Commission be selected?**

The Charter Study Commission consists of five members. Whether or not the voter approves of a Charter Study, he should vote for five of the candidates on the ballot for the Study Commission. Because should the referendum pass, he would wish surely to help elect as highly qualified a Commission as possible.

To be on the ballot, the candidates must be registered voters. They must have had petitions signed by at least three percent of the registered voters.

Since they work without pay, these men and women should be willing and able to devote long hours, and exhaustive study, over a period of months, not exceeding nine, to the project. Their objective is to determine the best possible plan of government for their own community, so people of divergent views are an asset,

provided they are capable of modifying or even changing their views through open discussion, and when faced with facts. In short, the Study Commission, to be effective should be comprised of public spirited, community minded men and women, with a background of service, and with no personal or political axes to grind.

**What are the duties of the Commission?**

"A Charter Commission is an agency of the Municipality created under the laws of the state." Therefore, its individual members must continually bear in mind that their objective is to make an intensive, unbiased study of the present government become familiar with all the approved Optional Charter plans of government, and, after careful deliberation, come up with recommendations in a report to be submitted to the voters. Their efforts may result in a recommendation of the continuance of the present status, improvements or revisions to better the present form, or a change. These men and women are colleagues in a venture not only important to themselves and their community now, but to those who come after them. They are endeavoring to discover the best possible tools for the citizens who serve in their own local government. After organizing on a parliamentary basis, one of the first advised steps is for the Commission to choose a competent consultant. He may be, perhaps, a professor of political science or public administration who has specialized in municipal government, a lawyer experienced in this field, or a research expert who has had advisory experience at the municipal level. Such a consultant can save the Commission a great deal of time and labor by acting as technical advisor, gathering data, evaluating information, serving as staff advisor, at public hearings.

The Optional Municipality Charter Laws require that funds be allocated by the municipality to the Commission, but privately contributed money can augment funds. After a budget has been set up, presented, and the amount of public money available known, the Commission must determine whether or not to go to private citizens for further funds.

**NAMED EDITOR**—William H. Jewett was named editor-in-chief of the Amherst College yearbook. Jewett was co-layout editor of this year's book and producer on the student radio station. He is the son of Mr. and Mrs. Hugh Jewett of 55 Forest Drive.

**Freshman in Newark**

In the February Freshman Class at Newark College of Engineering is Raymond McGuinness of 8 Denham road, who is majoring in electrical engineering.

According to Frank A. Grammer, Director of Admissions, there are 125 day and evening students in the February Freshman Class who plan to major in either chemical, civil, electrical, or mechanical engineering at NCE.

## Florida Student Pledged to Frat

Leslie W. Lawn, 3 Rose avenue, Springfield, was among 70 male students at Florida Southern College recently pledged to one of nine national fraternities or two fraternal colonies on the Frank Lloyd Wright Campus.

Lawn, a freshman at Florida Southern, has been pledged by Sigma Alpha Epsilon, one of the national fraternities, and will be initiated in the latter part of the current semester.

## Presbyterian Ladies To Meet Wednesday

The regular monthly meeting of the Ladies' Benevolent Society will be held next Wednesday, April 3, at 2 p.m. The program will include short-talk on four of the countries being studied this year in mission study groups. Mrs. Eugene Brooks will speak on Thailand; Mrs. George Lord on the Philippines; Mrs. James Chalmers on Hong Kong, and Mrs. Roy Lewis on Indonesia. There will be an exhibit for each country. This promises to be a very informative meeting.

The annual meeting of the Elizabeth Presbyterian Society will be held in the Plainfield Crescent Avenue Church on Tuesday, April 9, at 9:30 a.m. The speaker will be the Rev. Robert B. Cunningham. Mr. Cunningham is the author of several manuals dealing with Evangelism and has written for religious magazines and periodicals. At present he is Secretary of Evangelism for the Eastern Area. Cars will leave the Parish House at 9:15 a.m. If transportation is needed, please contact the committee chairman.

A compulsory social security system was introduced in Germany 75 years ago. Its purpose at first was to protect persons with low incomes. At present about 80 per cent of West Germans pay social insurance fees.

## Woman's Club Play To Enter Contest

At the regular monthly meeting of the Springfield Woman's Club, to be held Wednesday evening, April 3, at the Edward V. Walton School, Hobby Night will be observed, with special displays showing the work which each department has done during the past club year.

Of special interest will be the Drama Department's presentation of a One-Act play, "The Silken Scarf", written by Mrs. Natalie Fritsche. Members of the department have been rehearsing for several weeks under the direction of Mrs. Beidler, of Fanwood, and the cast is as follows:

Grandmother, Mrs. Harry Spiker; Mother, Mrs. John Williams; Daughter, Mrs. Norman Le Boeuf and Maid, Mrs. Stanley Frank.

Mrs. Robert Briggs will be Prompter for the play, and Properties Committee is composed of Mrs. John Tatusko, Mrs. Louis Schneider, and Mrs. Leonard Fields.

Mrs. Fred Spangler, Chairman of the Drama Department, announces that the Department has entered the Drama Festival, to be held at the Paper Mill Playhouse in April, at which time they will again present "The Silken Scarf". Mrs. Spangler advises that their play will be first play to be given, and the time has been set for 10:00 o'clock in the morning. Anyone in-

terested in obtaining tickets for the Festival is asked to call Mrs. Spangler at DRexel 6-6659.

## Regional High PTA Sets Date For Play

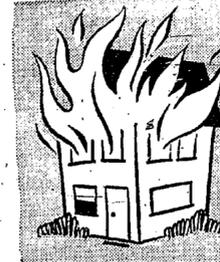

The Regional High School Parent-Teacher Association will present "The Tender Trap" on May 11 at the local Regional High School.

The Stony Hill Players of Berkeley Heights will act the parts. Monies raised will go to the student scholarship fund. Donation: \$1.25.

### Mayor Binder Hits Again At Highway Department

Mayor Albert G. Binder who has been trying for several years to have State Highway Commissioner Dwight R. G. Palmer do something about eliminating the hazardous, exposed trolley rails on Morris Avenue, without even the courtesy of a reply to official letters, attempted something new this week.

Mayor Binder addressed a letter to the Newark Evening News concerning that stretch of highway between Hillside and the intersection of Route No. 1, which he has named "the misery mile." The letter was printed in the Newark newspaper and while there has been the usual silence from Mr. Palmer's Highway Department offices, the letter did get some response from Bill Cullen's morning radio program whose traffic reporters went to the scene to look into the situation and announced over the radio that "the traffic snarl at that point was intolerable."

Following is part of Mayor Binder's letter which appeared in the Newark News last Monday and attracted considerable comment from many people although nothing has been heard from the "18 carbon copy" highway department experts or Mr. Palmer.

"Daily commuting on Route 22 (East) to Newark is an experience all psychiatrists should include in their study of the human mind, because undoubtedly most of their patients are a direct result of the frustrations developed from traffic congestion on what I might term 'The Misery Mile,' that stretch of highway between Hillside and the intersection of Route No. 1.

"I am loath to make requests or suggestions to the State Highway Commissioner because my experience in this respect has not been too favorable. In this instance he might suggest that all traffic originating west of Union should be detoured by way of Goethals Bridge.

"The point in mind is that seemingly nothing is being done to alleviate the bottle neck at the Routes 22 and 1 intersection. I appreciate that accidents, breakdowns, flat tires, etc., often time results in traffic being backed up to the Union-Springfield line, and in such instances other emergency steps would have to be taken to relieve the tie-ups. However, the slow down and stoppage caused by the merging of traffic at the intersection mentioned is constant during the peak hours, morning and night.

"I am also aware of the fact that mention of this condition will bring a quick response from the highway department that the millions required for overpasses, cit-

cles, etc. are not available, therefore, the commuting motorists will have to continue to suffer. (On the other hand, I would estimate that the accumulated loss in time and wasted gasoline would offset any necessary construction cost.)

"May I so boldly suggest that highway engineers are paid not only to spend money on repairs and construction but also to provide initiative and ideas to alleviate such conditions as mentioned, even though they be only temporary and makeshift. I feel quite confident that a thorough study of the conditions as exist can be eased in a number of ways.

"No doubt the experts can think up many other devices of accomplishing some semblance of order out of chaos, most of which no doubt would not solve the problem. However, anything would be better than that what exists, and trial and error is often the father of wisdom.

Sincerely,  
ALBERT G. BINDER.

# Consider...

After the bleakness of winter comes Spring. Fulfilling a promise of long ago, the seasons follow one another in divinely planned succession.

All around us we see evidence that evil prevails throughout the world, but the Church gives positive assurance that God is ever present. As Spring brings new life to nature so God, through the Church, brings more abundant life to human beings.

Consider the daffodil—its freshness and beauty speak of hope. Consider the Church—its steadfast faith reaches out to undergird and strengthen mankind. God creates daffodils without our help, but intelligent cultivation makes them even more beautiful. Likewise, He depends on us to work in His Church, helping to spread its influence, to broadcast its message, to make a better world.

Let us accept this tremendous challenge and become a part of God's Church today.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly, and read your Bible daily.

## CATHOLIC INFORMATION

**"I ABSOLVE"**  
Do you want to know what it is that draws millions—no, hundreds of millions of us Catholics to confession, week after week, and year after year? It's the beauty and the spiritual effect of the words spoken by the priest over our contrite souls. This is what he says:  
"May the Almighty God have mercy on you, forgive you your sins, and bring you life everlasting."  
"May the Almighty and Merciful Lord grant you pardon, absolution, and remission of your sins. Then—"  
"I absolve you from your sins in the name of the Father, and of the Son, and of the Holy Spirit. Amen!"  
The priest goes on, saying this prayer:  
"May the passion of Our Lord, Jesus Christ, the merits of Blessed Mary, ever a virgin, and of all the saints, whatever good you do, whatever ill you suffer, avail you to the remission of your sins—the increase of grace, and the reward of life everlasting. Amen."

The words are spoken not as by a man, but as by an ambassador of Christ, provided with power and credentials by His Church. Christ had once said: "And whatsoever thou shalt bind on earth, it shall be bound also in heaven; and whatsoever thou shalt loose on earth, it shall be loosed also in heaven" (Matt. 18:19). Now, on the first Easter Night, He appeared to the apostles and said: "Peace be to you. As the Father hath sent me, I also send you" (John 20:21). Then He breathed on them and continued: "Receive ye the Holy Ghost. Whose sins you shall forgive, they are forgiven them; and whose sins you shall retain, they are retained" (John 20:23).  
The duty of using the power is as binding on the Church as Our Lord's command to spread the Gospel. No Christian living today was in the upper room to receive that power of forgiving sins; nor was any Christian living today on hand to hear that command of preaching the Gospel. But, if the Church must spread the Gospel, then she must forgive sins, too.  
This power has been carefully guarded by our Church. It has been handed down from bishop to bishop, and from bishop to priest, by the laying of hands. Men are empowered to loose other men from sin, just as a governor grants a pardon. Our Church has vindicated that power against every challenge and, as far as we know, there is no group of men, outside the Catholic priesthood, who lay claim to so stupendous a power.

Mrs. Forbes plans to continue his plea for the Mountain avenue extension by purchase of the Hague land in Morris avenue. "It will add considerably to our ratings by having something worthwhile occupy the now vacant land," said Forbes. "But, more than that, it is a good investment for the Township to acquire that Morris avenue land before somebody comes to Springfield and seals off our plans by constructing a building on this piece of property."

Extension Of

(Continued from page 1) fully plan for the future instead of realizing some day, when the price of properties have increased, that we should have another street—that we should extend Mountain avenue."

Special Gifts Team Opens Up Hospital Drive

A large group of Summit citizens last night attended the opening dinner of the special gifts committee of Overlook Hospital Building Fund at Canoe Brook Country Club, where hospital and campaign officials outlined the urgent reasons for enlarging the present institution's facilities.

TAKING CARE OF YOUR GARDEN

By Edward A. Cordain Chairman, Springfield Shade Tree Commission

In the past few weeks many people have complained about material they purchased from door to door salesmen. Glib salesmen, armed with beautiful colored pictures and plans, leave the customer with the impression that a van load of material will soon cover their grounds from front to rear.

ORDINANCE

AN ORDINANCE TO AMEND AN ORDINANCE ESTABLISHING RULES REGULATIONS AND STANDARDS GOVERNING THE DIVISION OF LAND WITHIN THE TOWNSHIP OF SPRINGFIELD PURSUANT TO THE ANTI-CORRUPTION ACT IN CHAPTER 43 OF THE LAWS OF 1933 AND AMENDMENTS AND SUPPLEMENTS THEREOF.

PROCEDURE

1. Submission of Sketch Plan. (a) Any owner of land within the Township of Springfield shall prior to subdividing or re-subdividing land, as defined in the ordinance, submit to the Township Engineer at least two weeks prior to the public hearing of the proposed subdivision for the purpose of classification and preliminary plan of the Township a fee of \$10.00 to cover the costs of publishing the determination of the Planning Board pursuant to Rule 435-4 of the Rules Governing Civil Practice in the Superior Court.

PROCEDURE

ELERY

(185 Morris Ave., year of Chrysler-Plymouth agency, Springfield). When your rear end is out of shape look for: (1) a firm with the necessary fancy equipment, (2) a firm with the know-how of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Elery Auto Body Shop.

CLARK'S GARAGE

(Just over Route 22 overpass on South Springfield Avenue, Springfield). If you own a 1918 Ford, Frank Clark is probably the only person in town who knows how to service it. That was the year he first began undoing the intricate Detroit had wrought under the hood. Today his reputation is such that he must sign over his garage — people know him.

SPRINGFIELD GARAGE

(341 Morris Ave., Springfield, Drexel 6-8856). Bob Briggs has been pounding the forward look hood cars ever since the 1920s. He has worked on every make and year of automobile since 1927. He has a skilled crew of mechanics, collision, and painting. And very well, too.

CAKE COTTAGE

(Springfield Shopping Center) The SUN sampled a few cakes here and was most impressed with the results. It is going to be a happy baker, as in all his baked goods, Ted has added a personal touch to the bakery — an extra rich flavor — that makes them the pick of the street. The Cake Cottage is open 7 days a week — Springfield — you know. We met a lady from Dover who drives over for Ted's Danish pastries. "Do do so, she must pass six bakeries, both ways!"

REGIONAL

(232 Mountain Ave., by Henshaw Ave., Springfield). Throw away those old-fashioned barber shops. There's nothing more wonderful than a barber lounge — Alex Dominick's modern shop. These remarkable chairs are the older brother to the Barber Lounge. While relaxing, by the way, Alex gives a darn good haircut.

SAM'S BARBER SHOP

(236 Morris Ave., Springfield). The trouble with the barber business is that your customers are here today and gone tomorrow. But Sam knows that they'll be back. They always do come back to this friendly shop.

CABINET KING

(433 Spring St., U. S. 1, Elizabeth, Elizabeth 4-2023) If you live in a square house, you must have used cabinets and crutches that do nothing but collect dust. This is where Jones Rose, the Cabinet King, steps in. He can custom design and build for you the cleverest built-ins to hold everything but your mother-in-law's temper. He's the kind of cabinet maker who won't let anything other than perfection pass as his work.

CHRISTINE'S CHILDREN'S FASHIONS

(3725 Morris Ave., Laraborn's Section, Union) Christine Caprio has had the happy idea of combining Fifth Avenue's atmosphere with popular priced children's clothing. The result is the SUN's idea of the most tastefully decorated store around. From layettes to size 14 girls and 12 boys, Christine's has a wonderful selection of styles for the young folk. From bow ties to pocketbooks, it is a regular children's boutique.

THE SPRUCE SHOP

(232 Morris Ave., Union, just over the Springfield border) If Florida and the tropics seduce, best perfume, and does this outfit drive by their modern plain redwood front and wondered what's inside, they'd be in Florida now. As is, women from Springfield are finding out to their delight that a wonderful line of popular priced, hand-made dresses is behind the redwood. For example, the easy front spring style dresses.

G & L

(Springfield Shopping Center, Drexel 9-9872) There are three treats for a good deli-cious: the potato salad, best pesto, and does this outfit go to Florida each year. G & L's potato salad is deliciously spicy, the hot pesto is seasoned to make your mouth water, and to show you how popular this deli-ciousness is — owner George Byrne is sporting a beautiful sun tan.

WEBER'S

(Route 22, Springfield, Drexel 6-0626) The world has been made more than a path to Weber's Crystal Florida since it was founded in 1932. They've been a highway right through the bogonia beds. Undaunted, Weber's has become a leader in a town famous for florists. Same day delivery plus the town's trust in the beauty of every arrangement has been the secret.

AUTO BODY WORK

ELERY — (185 Morris Ave., year of Chrysler-Plymouth agency, Springfield). When your rear end is out of shape look for: (1) a firm with the necessary fancy equipment, (2) a firm with the know-how of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Elery Auto Body Shop.

These remarkable chairs are the older brother to the Barber Lounge. While relaxing, by the way, Alex gives a darn good haircut.

CARPENTER

CABINET KING — (433 Spring St., U. S. 1, Elizabeth, Elizabeth 4-2023) If you live in a square house, you must have used cabinets and crutches that do nothing but collect dust. This is where Jones Rose, the Cabinet King, steps in. He can custom design and build for you the cleverest built-ins to hold everything but your mother-in-law's temper. CLOTHING

CHRISTINE'S CHILDREN'S FASHIONS — (3725 Morris Ave., Laraborn's Section, Union) Christine Caprio has had the happy idea of combining Fifth Avenue's atmosphere with popular priced children's clothing. The result is the SUN's idea of the most tastefully decorated store around. From layettes to size 14 girls and 12 boys, Christine's has a wonderful selection of styles for the young folk. From bow ties to pocketbooks, it is a regular children's boutique.

DELICATESSENS

G & L's potato salad is deliciously spicy, the hot pesto is seasoned to make your mouth water, and to show you how popular this deli-ciousness is — owner George Byrne is sporting a beautiful sun tan.

FLORISTS

WEBER'S — (Route 22, Springfield, Drexel 6-0626) The world has been made more than a path to Weber's Crystal Florida since it was founded in 1932. They've been a highway right through the bogonia beds. Undaunted, Weber's has become a leader in a town famous for florists. Same day delivery plus the town's trust in the beauty of every arrangement has been the secret.

FOOD MARKETS

SPRINGFIELD MARKET — (272 Morris Ave., Springfield, Drexel 6-6431). The only supermarket from here to kingdom come offering free telephones and delivery service (except on major holidays). Jim Fuschman and Les Schulman are so dedicated to pick only the top quality items. Their prices are competitive — can't be beat.

FURNITURE

MODERN ERA — (Route 22, Springfield) Each week the SUN will shine on a different design note as observed at this decorator's wonderland. The glow this week comes from Paul McCobb's linear Room Divider — structural minimum legs combined with walnut studies and drawers. It's the straight simple lines that were featured in LOOK magazine last month.

INSURANCE & REAL ESTATE

ANNE SYLVESTER'S REALTY CORNER — (649 Morris Ave., Springfield, Drexel 6-2300) Someone once said, "If you want to get a job done, ask the busiest person in town." Well, you should see the activity at Realty Corner. Anne Sylvester has her personality (and plenty), staff setting all kinds of records in the "House Sold" category and providing top-flight service for personal insurance.

LAUNDROMAT

COURTESY LAUNDROMAT — (268 Morris Ave., Springfield) If all you're looking for is an easy way to save money — then Sam Caserovita's Laundromat is your answer. It's easy because all you do is drop a laundry bag off — do an hour's shopping — and up you go. Clean, fast, dry. You save because it costs 65% less than taking your clothes to a laundry.

LUMBER & SUPPLIES

COLUMBIA — (Maple Ave., Springfield, Drexel 6-5050) It's getting time for a young man's fancy to turn to thoughts of spicing some paint on the old homestead. Columbia has done it before this Spring that would cause a rainbow. Their main line is the world-famous Lowe Bros. Paints for exterior or interior work. A shiny high grade enamel called paint is on their shelves and Super Kem-Tone with its latex base adds a valuable economy line to Columbia's paint variety. Elsewhere in the Columbia's store you'll find the Pelewood Folding Door, with the accordion action, which saves space, and space. These are just examples of the quality buys the SUN recommends at Columbia.

LIGHT FIXTURES

MODERN LIGHTING (815 Morris Ave., opposite Terry Dempsey's, Springfield) The old world brings a lot of new charm to the selection of imported fixtures. Joe Hookland has just unveiled, from Czechoslovakia, a red and white glass chandelier with lead crystals. From an elaborate wrought iron chandelier that shows why Edna never built in a day.

MUSIC & PHOTO

DISC & SHUTTER — (268 Morris Ave., Springfield). Their photo service reproduces like rabbits — exact duplicates of the original. The SUN finds it saves hours of typing to have a document copied (and they come out the original). Disc & Shutter has a selection of records, of course, in records. Have you heard London in Hi-Fi? Wow!

PETS

FIN 'N' FEATHER — (281 Morris Ave., Springfield) If you go for inedible fish, here's a whole zoo full of living fish. Bill and Betty Thomas have assembled 32 individually designed aquariums (or is it aquaria?) full of the dearest thing you've ever had — dry land. They have everything from a 25c guppy to a \$200 underwater paradise. All other pet supplies, too.

POULTRY

CASALE'S FARM — (128 Springfield Ave., Springfield, Drexel 6-1500) Casale Casale has been good news to fresh killer turkey eaters and bad news to about 6,000 turkey farmers since he graduated from Rutgers in 1941. He took a tip from the SUN: If you're fed up with the week-end, packed-in turkey you get in supermarkets — see what "farm fresh" means in Casale's.

RESTAURANTS

CHINA SKY — (Springfield Shopping Center) There are two hazards of the superstitious East which you won't have to face at Jack Chin's superb Chinese-American restaurant. One is ordering strange sounding dishes, and the other is paying in yen. The China Sky menu includes a lucid description of each dish, and Jack is perfectly willing to accept dollars. Through your dog's eyes, how few take time to feed a family. Our favorite is the "Big Boy" Young (85¢ for lunch and \$1.15 for dinner). The SUN will be a fool's egg that their large portions will fill any member of your family with plenty left over.

WALTERS INN — (355 Morris Ave., opposite Millburn Ave., Springfield) The 2½ hour wait at Walter's Inn is a reputation for himself. In the five short months he's been in town, he's brought a lot of the latest technical know-how to go with all the new service equipment. He's installed: If you stop here you'll save more than Great Stamp, you'll save your car.

**NOT AT ALL SHY** — Distaff members of the Dramatic Workshop group pause between rehearsals of their forthcoming productions to pose for the photographer. Left to right—Frankie Zurav, Anita Ross and Della Weinstein. This year's production is "The Tender Trap" set for April 18 and 20 at the Regional High School.

**British Girl Says Regional Is Tops**

Recently Sara Chaff of Great Britain visited the Jonathan Dayton Regional High School in Springfield—the last stop of the annual student delegation to the 1957 Herald Tribune Forum for High Schools. She had visited three other high schools before her two weeks' stay at Regional.

Prior to her visit here she was quoted in an article, entitled "What's Wrong with American High Schools?", published in the March 22nd issue of Senior Scholastic magazine.

She wrote: "In the classroom you encourage American students to use their minds and to enter open discussions. But when you give them examinations you use a type of test that actually discourages any original thought! You give them these 'objective-type' tests which contain purposely ambiguous choices or inadequate answers—Such tests make students careless in their studies."

Her opinions were highly critical of the American system of education.

After her visit to Regional she

wrote: "I was very impressed and also very surprised but pleased to discover that the school possessed such talent in oratory, sports, and also academic work."

"Jonathan Dayton Regional High School is the only American school which I have visited which had such wonderful facilities and, moreover, was using them. I have, as a result, moderated my condemnation that the majority of American students do not know how to work."

**GIRL ELECTED TO STUDENT COUNCIL**

Miss Carol Odell of 10 Springbrook Road, a junior at the College of Saint Elizabeth, Convent Station, N. J., has been elected to represent the senior class on the Student Council of the college for the academic year 1957-58.

A graduate of the Academy of Saint Elizabeth, Miss Odell is the daughter of Mr. and Mrs. William Odell. At college she is majoring in home economics.

**Ganska Dies After 79 Years Here**

Martin J. Ganska of 450 Mountain Avenue died Sunday at 79. A lifelong resident of Springfield, Mr. Ganska had been a farmer here since 1921. Previously he had been a carpenter and, for a few years, had served on the Springfield Police Department.

Mr. Ganska leaves his wife, Mrs. Mary K. Ganska, to whom he had been married 51 years; a daughter, Mrs. Carl A. Mente of Springfield; three sons, Theodore M. and Richard M. of Springfield and Capt. Norbert M., with the Air Force in California; a sister, Mrs. Charles A. Schaffernoth of Springfield; three brothers, John of New Market, Anthony of Maplewood and Stephen of Spring-

field; seven grandchildren and one great-grandchild.

The funeral was Wednesday at Smith & Smith (Suburban), 415 Morris Ave., Springfield. A High Requiem Mass was offered at St. James Church. Burial was in Gate of Heaven Cemetery, East Hanover.

Tailenders Outclass Springfield Market in Bowling League

Seems that everybody wants to get into the act of knocking off first place Springfield Market in the Springfield Bowling League.

Monday night even last place Cuzzolino Furs opened the once proud Market bowlers with a 2-1 victory at the Springfield Bowling Alleys.

They won one game by 58 points and the last game by 171 points. Which just goes to show that the Kansas City Athletics may be in the World Series this year.

In the meantime, Parkview Garage was rolling its way toward clinching second place with a 3-0 sweep over American Legion No. 1.

The rest of the rabble were knocking each other around without proving much of anything. Frank's Auto took two out of three from Brunner Excavating.

Who bowled so poorly the week before they dropped right out of the SUN's standings. D'Andrea Driveways looked good in besting Mendel's Florists 2-1.

And Bunnell Bros. disposed of Beckmann's Market 2-1. Drake's Fuel, with a whopping 54 handicap, defeated American Legion No. 2 winning the last two games.

The Standings: Springfield Market... 58 23; Parkview Garage... 50 31; D'Andrea Driveways... 43 38; Mendel's Florist... 41 40; American Legion No. 2... 40 41; Frank's Auto Service... 40 41; Beckmann's Market... 39 42; Brunner Excavating... 38 42 1/2; Drake's Fuel... 37 43 1/2; Bunnell Bros... 33 46; American Legion No. 1... 32 47; Cuzzolino Furs... 32 47.
