Cooking Secrets Shared by Three

Union County homemakers like foods that can be quickly and easily prepared, but they are not averse to home preparation, according to Mrs. Mary W. Armstrong County Home Agent of the Home Economics Extension Service of Rutgers University. Mrs. Duguid's recipe for oatmeal bread takes us back not only in time, as far as home customs, but to the Nova Scotia area from which the recipe stems. We also know a Fanwood homemaker who makes a batch of Oatmeal Bread almost every week.

Mrs. Voelker prefers her Nut Ring, called by some, Miracle Cake, to most cakes made from mixes.

Mrs. Kirstein, on the other hand believes in using prepared coconut, gelatine and whipped cream for a company dessert. The refrigerator does most of the work for her but the dessert is delicious.

OATMEAL BREAD
 (Mrs. J. M. Duguid - Springfield)
 3 cups rolled oats
 3 cups boiling water
 4 tablespoons molasses
 2½ teaspoons salt
 2 packages dry yeast or 2 yeast cakes
 1½ cups lukewarm water
 3 tablespoons soft shortening
 6½ cups all-purpose flour
 Pour boiling water over oats in a large bowl, add molasses, salt and shortening stir well—cool to lukewarm. Add yeast to lukewarm water and stir till dissolved. Add to first mixture and quickly stir in sifted flour. Knead with hands, or if too soft, stir well with large spoon. Let rise until double. Turn out on board and knead, shaping into 3 small loaves. Let rise again until double and bake 1 hour, or until done at 400 degrees F. Brush top with melted butter and turn out on rack immediately to cool.

NUT RING
 (Mrs. Paul Voelker - Springfield)
 1 cup dark brown sugar
 1/3 cup shortening
 2 eggs
 ½ cup milk
 1 - 1/3 cups flour
 2 teaspoons baking powder
 1 teaspoon vanilla
 ¼ teaspoon salt
 1 cup chopped walnuts
 Cream shortening and sugar, add yolk of eggs, beaten well and the milk. Add dry ingredients sifted together—then vanilla—and nuts. Last add egg white beaten stiff. Bake in tube pan at 350° F. 45-50 minutes. Ice with mocha icing.

PINEAPPLE COCONUT WHIP
 (Mrs. A. Kirstein - Springfield)
 1 package orange gelatine
 1 cup boiling pineapple juice
 1 cup cold milk
 ¼ cup sugar
 1 cup cream—whipped
 1 cup coconut
 Dissolve gelatine in hot pineapple juice and ¼ cup of sugar. Then put that into refrigerator and let it partly set, then add 1 cup cold milk and stir together, return to refrigerator until set. Then add 1 cup whipped cream and coconut and mix all together and put it back in refrigerator.

TUESDAY, JUNE 18
The Wesleyan Service Guild will have their regular meeting at the church, time, 8 a.m.

SUNDAY, JUNE 23
Services of Holy Communion will be administered at both the 9:15 and 11:00 services. This is the last Sunday of the two services in the Methodist Church, beginning Sunday, June 29, the morning worship service will be held at 10:00 in the Presbyterian Church with the Methodist Minister, Rev. Virgil E. Mabry, preaching.

Mr. Philip O'Neal, Chairman of the Commission on Education of the Methodist Church states that their Commission has become more and more convinced that the "vacation-from-God" attitude that seems to prevail in many of the Metropolitan areas in which we live. The Commission has decided to do something about it in Springfield. Through June 29 to September 1, inclusive, Sunday Morning Sessions of the Church School will be held at the Methodist Church from 10:00-11:00 for all school grades, ranging currently with the Joint Church Service, for children of any denomination who would like to attend Sunday School through the summer.

Mr. O'Neal stated that the Commission likes to think of this as an "open door" policy and a time when children and teenagers will be helped to have worship experiences, helped to feel close to God, helped to recognize and be attracted to the best moments of having advantage of outdoor sessions on a completely non-sectarian basis. All those in the community of near-by communities are cordially invited to attend. The Commission is hopeful that the community as a whole will get behind them in their resolve to furnish worship services for the children.

These summer sessions are in no way confined to Methodist children and young people, but are designed to be helpful to any and all denominational groups. Since the community is not completely vacated during the summer months, the Commission felt it their duty to provide this service for parents who desire to worship on Sunday mornings while their children are in Sunday School.

Plan Another Bus Trip To Hear Billy Graham

Another local bus trip has been arranged for Friday, June 21, for those who want to make the trip to Madison Square Garden and attend the Billy Graham revival program.

Somerset buses will leave the Springfield Regional High School grounds promptly at 6 o'clock in order to arrive at the Garden in time for the start of the program.

Those wishing to make reservations for this bus trip to New York are asked to telephone Howard Fettel, DRexel 9-4178, or Ray Schneidermann at DRexel 6-2086. The buses will make round trips and there is no charge for admission to the Garden.

Over 100 Springfield residents provided in 2 buses for the May 24 trip to hear Rev. Graham at Madison Square Garden. Meetings are also being planned for the Yankee Stadium and the Polo Grounds.

Many Springfield people were turned down for the May 24 but an additional 100 reserved seats have been received for the June 21 trip and all wishing to attend the meetings are urged to make reservations immediately.

A good turnout of members of the Springfield Woman's Club, enjoyed an evening of fun and laughter at the regular monthly club night on June 5th, in the Edward G. Walton School, Mountain Ave. The meeting was presided over by Club President Mrs. Merton D. Williams.

Two new members were welcomed into the club, Mrs. William Tuck, Jr., 17 Dayton Court; and Mrs. James Cawley, 20 Keeler St. Springfield.

A report of the delegates' duties and activities to the New Jersey State Federation of Woman's Club Convention in Atlantic City, was given by Mrs. Merton D. Williams.

The newly elected department Co-Chairmen were introduced. They are as follows: American Home, Mrs. Stanley W. McCoinkey, Art, Mrs. Fred Spangler, Drama, Mrs. Robert M. Briggs, Garden, Mrs. Robert J. Moore, Historian and Year Book, Mrs. Edward A. Murdock, Hospitality, Mrs. Charles E. Miller, International Relation, Miss Alice Rieg, Literature, Mrs. Frederick L. Mitchell, Membership, Miss Evelyn Porter, Telephone, Mrs. Frank J. Beebe, Ways and Means, Mrs. Amy B. Anderson, Treasurer, Mrs. George M. Walton.

Mrs. Walter Anderson, Garden Department Chairman announced the change of their meeting night from the third Monday of each month to the third Tuesday.

Entertainment for the evening was Miss Lucille Rockefeller, her "Suburbia U.S.A." which was a character skit of Mrs. America at her best and funniest was a hit. At the conclusion of Miss Rockefeller's true to life skits, punch and cookies were served by Hospitality Chairman, Mrs. Robert D. Hargrove Jr., and very able committee. The Garden Department is to be commended for the colorful floral arrangement.

Twenty-eight friends and members of the Drama Department of the Springfield Woman's Club, enjoyed a wonderful evening at the Paper Mill Playhouse, on June 4th. The group attended a performance of "South Pacific." This being the last meeting of the club year the members really let their hair down by dining at Mario's after the performance and coming home in the wee small hours of the morning.

The Springfield Parent-Teacher Association has completed its final year as a combined organization representing the four schools in town. We are deeply appreciative of the help and cooperation you have given us in publicizing our plans and activities.

The article in the SUN of June 6 tracing the history of the PTA and its part in the development of Springfield was an excellent example of your interest in the aims of an organization devoted to the needs of the children and the Community.

Our thanks to you and your staff for assisting us during the past year.

Sincerely,
Mrs. Ben Paul Yuckman

Your Library

Because of the many patriotic holidays and local celebrations, some books with patriotic themes were listed in this column last week. But this subject can be viewed from so many angles, that a great deal can be written about it. Therefore it is fitting to take another side of the question for the column this week.

The Free Public Library of Springfield is justly proud of an unusual collection of "Jerseyana". Several of the books are so rare and valuable that they can only be consulted under supervision. However, every attempt will be made to accommodate serious students with a comfortable place to work in the library.

There are many less valuable works which will give beginning students all the information they need. The library has three histo-

ries of New Jersey which have four volumes in each set. These are "New Jersey as a Colony" as a State" by Francis Bailey Lee, 1897; "New Jersey a History" edited by Irving S. Kull, 1892; and "The Story of New Jersey" by William Starr Myers, 1945.

Among one volume works are "History of Union County" by F. W. Ricard, "History of Union and Middlesex Counties, New Jersey" by W. Woodford Clayton, "New Jersey a Guide" by Federal Writers Project, and New Jersey and the Rebellion" by John Y. Foster. Further local materials will be found in seven volumes: three volumes on the "History of Union County" and four volumes on "The Municipalities of Essex County".

A complete set of New Jersey Archives in 47 volumes is another work of great value to researchers. Recently John T. Cunningham has been writing about our state in the supplement of the Newark

Sunday News. These articles have been collected in several books: "This is New Jersey" and "Made in New Jersey". Extra copies of these have been purchased so that they may be circulated. Other works in the circulating collection are "Exploring the Little Rivers of New Jersey", "Historic Road-sides in New Jersey", "Garden State", "Lesser Crossroads", and "Railroads in New Jersey".

Among materials very helpful to high school students are some booklets "Handbook of New Jersey State Government", "County Government in New Jersey", "Municipal Government in New Jersey", "Municipal Charter Revision in New Jersey", "Other books: "The Wonderful World of New Jersey" and "New Jersey the State and Its Government" help also.

Each year our senator presents to the library a copy of the New Jersey Legislative Manual which keeps the information up-to-date. The titles listed last week and

TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal
Chairman, Springfield Shade Tree Commission

Native rhododendron and laurel are used extensively in landscaping homes in modern development projects. They are primarily used because they are inexpensive and plentiful, but unfortunately they are sometimes planted in the wrong environment and soon die.

These plants will not tolerate full sun in the summer months and the leaves droop and wither. They do not like hard, packed soil and can-

not thrive under such conditions. The answers below will help you keep them alive.

QUESTION: My rhododendron plants are wilting and drying up. The plants are at the front of the house facing south. What shall I do?

ANSWER: Remove the plants and put them in a shady spot. Mix the soil with a half bushel of humus and water in well. A handful of acid type plant food around each plant will help them grow healthy. Rhododendron, laurel and andromeda should have shade at least during the hottest hours of the day.

QUESTION: None of the plants the builder put in are doing well. What can I do to help them?

ANSWER: Sometimes the plants are poorly planted in hard packed

earth. Dig them up and add some humus, or manure to the soil. A good, liberal amount will enrich the soil and your plants will probably grow much healthier. An application of fertilizer twice a year will do wonders.

QUESTION: Can you name some desirable ornamental trees for my front lawn?

ANSWER: Japanese cherry, pink or white dogwood, Japanese flowering crabapple and clump white birch make splendid trees. Japanese weeping cherry is a more unusual, but excellent ornamental tree and its unusual shape will be appreciated after the leaves have dropped in the fall. Thundercloud purple leaf plum is noted for the rich, purple coloring throughout the spring and summer as well as the pink flowers in May. Most of these plants can be found at your local nursery.

QUESTION: The rhododendron in front of my home have never bloomed. What is wrong?

ANSWER: They are probably

the wild or native variety which do not bloom often. Buy the hybrid type which come in several colors and bloom profusely year after year. These are more expensive than the native plants but are nursery grown and grow much better.

The San Francisco Bay bridge between San Francisco and Oakland is eight miles long.

Four Way Tie

(Continued from page 6)
 clouting the ball at a 455 clip. The Angletons team batting average suffered when they were the victim of a one-hit game at the hand of Richard Evans and a three hit game at the hand of Norm Lavan. Tom Marino maintained his average at .387, while Don Gibbons is at .385 and Ed Bloom at .367. De Santis of the Drakes and Evans of the Schabiles both boosted their pitching stock and there is much speculation as to how manager Bruno Becker of the Schabiles, Ed Molitor of the Channels, Jack Brink of the Drakes and Tom Dougherty of the Angletons will juggle their pitching staffs to get the most out of them in the last few days.

On Friday night, June 28th, the managers and coaches of the Babe Ruth League are scheduled to play the managers and coaches of the Youth League at Meisel Field. Final arrangements will be made and announced next week.

As part of the regularly scheduled Fourth of July Activities, the pennant winner of the Babe Ruth League will play against a selected team from among the other three teams of the league. This game will also take place at Meisel Field and will be held at 2 p.m.

SCHABILES 1 ANGLETONS 0
 Behind the one hit pitching of Richard Evans, the Schabiles accounted for their sixth win of the season by a 1 to 0 score over the second place Angletons Wednesday evening, June 5 at the Meisel Avenue Field.

The big blow of the game was Richie Baker's triple to left field. Jay Gladstone scored Baker with a ringing single to left center. French and Seltzer accounted for the Schabiles' other two hits.

on both runners. French pulled down several well hit balls in center field.

For the Angletons, Tommy Marino pitched an excellent game by allowing but four hits. Marino struck out ten of Bruno Becker's batters and connected for the only Angleton blow. Don Gibbons at second for the white and blue turned in three nifty fielding plays. Howard Selander turned in some nice plays at first base particularly his play of a line drive from the bat of John French. Lenny Arnold played a dandy game at short stop for the Angletons.

Both teams played the brand of baseball that deserves the support of the entire population of Springfield. The box score follows:

DRAKES 7 CHANNELS 7
 The Drakes and Channels hooked up in their second 7 inning tie of the season—Wednesday June 5th at Gaudineer Field. Nuttall and Lord were the pitchers.

After a scoreless first inning, the Drakes scored three times in the second. Hopta opened with a fly ball that was played into a double by Johnson. Hohn singled and after Lord retired Monticello and Pisano, Nuttall and Eder singled to drive in three runs. For the Channels in the third, Bell singled with one out, Smith followed with an infield hit and after Chesler struck out, Etdold scored Bell and Smith with a double. Bill Franklin then came out of his hitting slump with a terrific home run to the school wall scoring Etdold

ahead of him. The game rocked along to the top of the 6th. Monticello singled with one out for the Drakes, Steinerwalked, and after Nuttall was retired, Fisher singled two runs home. Scoflo then singled but Baker was an easy out to end the inning. In the seventh for the Drakes, Rupp got on through an error. Hopta singled for his third hit and Hohn went out. Rupp was out at the plate on a fielder's choice. DeSantis doubled two runs home to make the score 7-4.

The fighting Channels came roaring back to tie the game in the bottom of the seventh. With one out, Sussman batting for Weiss walked. Bell followed with a hit inside third. Bob Smith then singled and on a short over-throw Sussman was nailed at the plate. With two out, Etdold came through with his third hit scoring Bell and Smith. Franklin was given an intentional walk, and when Baker bobbled Soriente's grounder, Chesler scored the tying run. Lord was called out on strikes to end the game.

Etdold for the Channels and Hopta of the Drakes with three hits apiece and Franklin's homer took hitting honors for the game. It looks like the Drakes and Channels will be battling each other until Labor Day to complete their schedule.

DRAKES 12 SCHABILES 5
 The big bats of the Drakes were too much for the Schabiles to overcome. Behind the five hit pitching of Ron DeSantis and fine support by his team mates, the Drakes slipped back into a two way tie for second place and chopped a game off the lead of the Schabiles team.

Big and timely hits by Hopta, two doubles by Monticello, Bob Baker's 3 for 5 and De Santis's adding to his own cause with three hits for four at bat led the Drakes in their 12 to 5 win.

The Schabiles didn't have too much to cheer about. There was an obvious let down from their game on the previous Wednesday. However fine outfielding by French and Baker's two for four
