Springfield Fourth Graders School Promotes Local Professor

A group of fourth graders from Springfield had the time of their lives in a tour of the toyshops at the Fifth Avenue display rooms of the A.C. Gilbert Co. toy manufacturer, Tuesday.

And yesterday's Newark-Eveing News carried a picture of Donald Lewis, 10 years of age, son of Mr. and Mrs. Philip Lewis of 385 Milltown Road, through whom the day's outing was arranged. Donald has been a professional model and has posed for many products advertised in magazines. The Newark News picture showed Donnie and Toby Kaplan trying out some ink they made while visiting the Gilbert shops.

Following is yesterday's article in the Newark News written by Guy Savino, New York Staff Correspondent for the newspaper under a New York dateline:
Ten Springfield, N. J., fourth grade schoolchildren were turned loose in a toyshop yesterday and had the time of their lives.

The A. C. Gilbert Co. was their host. The party for the youngsters came about through the good offices of Donald Lewis, 10-year-old son of Mr. and Mrs. Philip Lewis of 385 Milltown Rd.

A professional model, Donnie, while posing for the Gilbert firm, remarked that his class had used money won in a Parent-Teacher Assn. contest to buy a chemistry set. And though the class taught by Mrs. Lillian Gushin in Raymond Chisholm School, had no science in its curriculum, the youngsters took to chemistry with enthusiasm.

Free Chemistry Sets
A Gilbert representative perked up her ears at this story. Soon some free sets arrived in Springfield. Then Donnie and a group of his friends were invited to attend the company's annual "Christmas party where new toys are exhibited.

Donnie chose nine he thought would be interested in science. Since school is out for the summer, his mother and Mrs. David Kaplan of 165 Henshaw Ave., escorted the youngsters.

They had a fine time trying out new science equipment, playing with a new rocket launcher, watching a cow bring a train to an automatic stop and peering through an assortment of microscopes.

Miss Elizabeth Quinn of the New Canaan, Conn., school system, said that science games can help mold children into potential scientists. Harvey Rath, vice president of the firm, also pointed out that toys can help teach science.

But the youngsters themselves, for all their interest in the gadgets, were lukewarm to the idea of scientific careers. Even Donnie the instigator, is at this point only a "maybe" scientist. He may go in for acting, he said. His young brother, Hal, a first grader, said he has no idea what he'll be when he grows up.

Gail Wilson, a gay little blonde and Toby Kaplan, a freckle-faced brunette, want to be schoolteachers. Gail in the fourth grade because it's the "nicest grade of all" and Toby in the first grade, "because first graders are so cute."

Diana Scobey, a serious-eyed child, wants to be a commercial artist; Susan Blumenfeld plans to be a nurse and Marcia Lilien just hasn't been able to make up her mind.

Two of the boys, George Argyis and Ken Max, a mischievous-looking pair, are terrors in Little League baseball and want to be professional players. Ken Marshall said he's the best artist in the class—a boast in which the other children concurred—and he's going to be an artist when he grows up.

Martin Henry alone said he likes science, but he qualified his aspirations by saying "maybe" he would be a scientist.

2 Attend PTA Confab
Mrs. J. Frank Jakobsen and Mrs. B. P. Yuckman of Springfield attended the New Jersey Congress of Parents and Teachers' Workshops Monday, June 17, at the Trenton State Teachers' College.

Morning and afternoon Workshops for all county PTA chairmanships were held with the State Chairmen as instructors.

22 American Legion Runs In Week Batters Youth League

P.B.A. 10 - LIONS 6
The P.B.A. romped home to a 14 to 6 victory over the Lions, with the help of a fine relief job by Edgar Pollock. One home run in the game is credited to Franklin of the Lions. Stewart and Palmer of the P.B.A., and Eckman of the Lions made spectacular catches in the outfield.

KIWANIS 5 - ROTARY 2
Kiwans had their hitting clothes on in defeating the Rotary. They collected 12 hits from the offerings of Becker, with Francis collecting 3 and Ward, Aggar and Finnerty and Paterson getting 2 each. Christiansen had 2 of the 5 hits allowed by Aggar of Kiwanis.

AMERICAN LEGION 17 - CAR HOPS 4
The American Legion powerhouse batters scored a smashing victory over the Car Hops star pitcher Tommy Geoghegan by winning at Irwin Field 17 to 4. Dick Cardone, Dave Bonislawski and Mark Friedman were the leading hitters. Bonislawski clouted 2 home

runs for the Legions and Geoghegan homered for the Car Hops.

LIONS 11 - ROTARY 4
Good fielding by Butch Arnold, Ripoy Franklin and Johnnie Shields, plus timely hitting by Harold Bell and Keith Neigel, enabled the Lions to get back to the .500 mark by trimming Rotary 14-5, behind stellar pitching by Mike Mitcheoff.

AMERICAN LEGION 5 - P.B.A. 4
Jimmie George's sensational catch of Stewart's long fly ball helped the Legion stop a rally by P.B.A. in the Legion's 5 to 4 victory over the P.B.A. In the final inning, Teddy Hellman, Legion's right-fielder, raced far to catch

Donald Stewart's long fly with 2 on base for the last out. Seltzer of P.B.A. hit a home run. Marcuro and Creed had 2 hits apiece.

KIWANIS 9 - CAR HOPS 8
Although Car Hops had 18 hits 10-Kiwans' 8; they were defeated in a loosely played game at Irwin Field. Wurtzel and Argyris had 4 hits apiece for Car Hops. Berger chipped in with 3 hits, while Aggar and Finnerty of Kiwanis each had two.

CROWLEY'S 7 - BECKER'S 5
Those who failed to attend this game last Friday evening missed a real treat. A crowd of about 200 spectators watched this exciting thriller played at Irwin Field. The Becker's scored 2 runs in the first inning, with the Crowley's coming back with 6 runs in the fourth and 1 in the 7th inning to sew up the ball game. The Becker's add more excitement by scoring 3 in the 7th, but fell short of tying the game.

Miss Christensen Weds Mr. Hurst
Mark Friedman and Barry Becker pitched one hit ball until the fourth inning, when the Crowley's exploded for 6 runs, featured by solid base hits by Bonislawski, Geoghegan and Friedman, plus a home run by Mullaup. The Becker's 3 run seventh was the result of timely hitting by Friedman, Abrams and a home run by Francis.

Regi and Stewart finished up for the teams and did very well in relief. Stewart had to strike out the last batter with the bases loaded to insure victory for the Crowley's. Due to the interest created by this game, the Youth League expects to schedule more of the same next year, with each player in the League having the opportunity to participate.

BIG NEWS!

The Church may not have its name blazoned across every front page, but it is big news just the same.

From infancy to old age, the Church offers many things to each and every individual.

The Church introduces human beings to God.

The Church develops man's spiritual life through experiences of worship.

The Church emphasizes the beautiful through its architecture, its services, whether ritualistic or informal, its music.

The Church develops leaders through its many activities.

The Church broadens man's outlook through its work of sending the gospel to those in far-away places.

The Church exemplifies the brotherhood of man through the welcome it extends to all who believe.

Least and most important of all, the Church offers salvation and the assurance of eternal life for every believer.

Big news—the Church! Can you afford to miss it?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values, democracy, and civilization can survive. There are four sound reasons why every person should support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CATHOLIC INFORMATION

WE'RE ALWAYS OPEN

Have you ever been inside a Catholic Church? We're open every day from early in the morning until dark, so why don't you just drop in sometime and take a look around? You'll be perfectly welcome and no one will stare at you.

You'll probably find a few people kneeling here and there in the church—their eyes fixed on the altar, and if you'll look there, too, you'll see a metal safe or a box right in the middle. Locked in it are sacred cups which contain what we call our Blessed Sacrament. We believe that at Mass, Jesus Christ, through the priest, converts bread and wine into His own body and blood. We save several small particles of this consecrated bread, now become the body and blood of Christ, under lock and key so that we'll have Christ with us all the time.

Isn't the statues, then, nor the votive lights, nor even the altar, which makes our churches different. It is the abiding presence of Our Lord, under the appearance of bread. In other words, the people in our churches believe they are under the same roof with Jesus Christ, God, the Second Person of the Blessed Trinity. That's why Catholic men very often raise their hats when they pass outside one of our churches.

Now watch a person coming into church. First he'll dip his finger into a vessel of holy water beside the door and trace the Sign of the Cross on his person—this, in token of the spiritual cleansing which should accompany an entrance into the presence of God. Then he'll walk up the aisle a little and drop on one knee in adoration of the Blessed Sacrament. When he enters his pew, he'll kneel right down and begin his conversation with Our Lord. That's why he won't notice you particularly, unless you stray within the orbit of his eyes.

We Catholics are great kneelers, by the way. We get the habit as children, and while we do sit down or stand occasionally, we regard kneeling as the proper posture for adoration. You can see, too, why we don't talk in church, unless it's absolutely necessary, and then only in a whisper. It would be unbecoming and a distraction to our fellow-Catholics.

So just feel free to come in any time. We hope you will have time, too, to say a little prayer for God's help in your daily life.

THE BAHAI FAITH Teaches:
"The Cause of Baha'u'llah is the same as the Cause of Christ. It is the same Temple and the same Foundation. In the coming of Christ, the divine teachings were given in accordance with the infancy of the human race. The teachings of Baha'u'llah have the same basic principles, but are according to the stage of the maturity of the world and the requirements of this illuminated age."

There was a meeting of the adult Girl Scout membership of Springfield on Tuesday evening, June 18, in the Gaudineer School Auditorium at which time Mrs. L. W. Soos was elected Neighborhood Chairman of the Washington Rock Girl Scout Council. Mrs. Soos announced that there will be four neighborhood meetings a year, the first to take place on the third Tuesday of October. Mrs. L. W. Soos and Mrs. E. E. Arnold received pins for five years' consecutive membership in scouting. It was reported that this year's Strawberry Festival was most successful.

First prize in the Strawberry Festival Cake Contest went to Mrs. Oliver Owens, second prize to Mrs. Mary Russo, and honorable mention to Mrs. A. Pinehardt. The judges were: Mrs. Harry Quinzell, Miss Flora Day and Mrs. Frank Jahn.

Some of the troops wound up the Scout Year with a special activity. We find that troops No. 3, 18, 22, 33 and 40 of St. James School had a cook-out on their picnic grounds, planned by Mrs. Lee Andrews. Soda and ice cream were provided for all. Mrs. Del Vecchio's troop No. 40, went to Howard Johnson's for a sundae on their last meeting day.

Mrs. Marino's troop No. 1, had a father-daughter cook-out on Saturday, June 15. Mrs. Smith's troop No. 35, had a cook-out in her yard and had a fine time playing games and celebrating the girls' birthdays of the last half of the year. Mrs. John Wentz assisted Mrs. Smith. Mrs. London's troop No. 38 had a cook-out at Echo Lake and reported a good time. Mrs. Milton Bittel helped the leaders. Mrs. Leonard's troop No. 32, took a late spring trip to the Barry Biscuit Co. Mrs. Patterson's troop No. 16, had a cook-out on June 15 in Mrs. Patterson's yard. Nancy Lester, Sigrid Patterson and Bonnie Weinberg received four stars for membership. They had been Brownies one year before coming to Springfield. The other girls in the troop received 3 stars with the exception of Barbara Deutsch who received two. Barbara will be eligible for her third star in February. Second Class badges were awarded to every member. Catherine Aschner, Barbara Cannon, Carol Ann Hardy, Joyce Kurtz, Irene Pancani, Sigrid Patterson and Dolores Truncale, as well as the co-leader, Mrs. Spencer Cannon were presented World Association Pins by Mrs. Patterson.

150 Teenagers To Hear Billy Graham

One hundred and fifty mezzanine seats have been reserved for Springfield teenagers to attend the Billy Graham meeting on Wednesday, July 10 in Madison Square Garden.

Three buses will leave Regional High School at 6 p.m. to take young people between the ages of 13 and 19. There will be no charge for the trip, which will include two chaperones in each bus.

Teenagers are asked to contact Paul Van Ness, 14 Alvin Terrace, Howard Oertel, 193 Henshaw Ave., or Ray Schneidermann, 24 Shunpike Road.

Holy Cross Begins Summer Schedule

The Springfield Sun Guidebook

This guide has been prepared by the staff of the Springfield SUN after a thorough study of the stores, restaurants, dealers, and firms offering services in the Springfield area. Our reporters have looked into the history, reputation, and quality of each business. Those appearing in this GUIDEBOOK are highly recommended.

AUTO BODY WORK
ELERY - (155 Morris Ave., near of Chrysler-Plymouth agency, Springfield). When your car is out of shape look for: (1) a firm with the necessary tools and equipment; (2) a firm with the know-how of experience; and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Elery Auto Body Shop.

INSURANCE & REAL ESTATE
ANNE SYLVESTER'S REALTY CORNER - (649 Morris Ave., Springfield, DRexel 6-2000). These eight busy girls seem to have a corner on the local market. Their motto is "good looks and good sales" is good news for homeowners looking for a cool deal on a hot spot.

RESTAURANTS
MARCEL'S LUNCHEON - (271 Morris Avenue, Springfield) This is luncheon headquarters for the entire SUN staff with the Marcel turkey sandwich high on the popularity list. During this warm weather season, the chicken salad and other salad plates are highly recommended by the Marcel luncheon club.

HOME IMPROVEMENTS
CHANEL LUMBER CO. (Route 22, Springfield, DRexel 6-8000) They have a beautiful aluminum stock chair here for gardens and porches which you can buy for \$3.98. But if you just need some extra chairs for a card party or club meeting, Manager Don Leary will loan you as many as you need at no charge whatsoever. Of course, Chanel is also nationally famous for their lumber, housewares, paints, hardware, etc.

MUSIC & PHOTO
DISC & SHUTTER - (268 Morris Ave., Springfield) The only sound Fair and Ruth Gold haven't heard in their immense record collection is that of a dissatisfied customer. Oh, come now, we can hear you, surely some Presley purchase was heaved? Well, no. You see even an Elvis album counts towards free records in the Record Club - for every 10 LP's = 2 free ones.

SPORT'S STORE
LARRY'S CYCLE & SPORT SHOP - (397 Broad Street, Summit) If you're looking to get out of Springfield and onto some lake for boating, Larry is going to help you do it. Among the selection some of the stocks-to-help-you-make your getaway is a complete line of Evinrude outboard motors. The smallest is the spunky 3 hp. Lightwin, the biggest is the 35 hp. Big Twin electric, which will move a mountain.

TV SERVICE
A & T V - (2708 Morris Ave., Union, 1/2 mile from Springfield, MURdock 6-2626) Jones, the pioneer since 1926, has the technical know-how to (1) fix cheap, (2) same day service, and (3) guarantee for all work 35% of their business is in Springfield, where people have learned they can depend on A & T.
