Reject 1-Way Possum Pass

Back On the Possum Pass Controversy

We poked our editorial nose into the Possum Pass controversy last week and contributed, what we thought was, a pretty fair assortment of adjectives and adverbs.

But, evidently, members of the Briar Hills Civic Association didn't share our journalistic enthusiasm. The members, we were told, didn't like our choice of words. Nor did "the Sun paint the proper picture," they said, in presenting the side of the residents.

Just to add to our chagrin, we were informed that "the Sun's attitude was no surprise since the Association was told long ago that "the local newspaper is held right in the palm of the Township Committee's hand, and it was useless to expect any fight in behalf of the home owner and taxpayer—etc., etc.!!"

All these years we have been laboring under the impression that the Springfield Sun was somewhat of a crusading newspaper—that we have gone off the deep end every time there was a good cause to fight against the powers-that-be in the Municipal Building. In fact, there were many days, after publication, when we walked into the Town Hall with much apprehension because of some cause we were supporting against the governing body.

This is not being written in the nature of an explanation but we don't like to be labeled as "tools of anybody." The Sun has been trying to avoid making a Federal case of incidents that will give Springfield the wrong kind of publicity. The other daily newspapers in this area have "instructions" to dig up head-line copy and every matter, where there are two very articulate sides to the question, is given wide publicity. It is intended to stir up reader interest—but it doesn't show Springfield in a very good light.

We believe the residents of Briar Hill Circle have a perfect right—and it is their duty—to protect their children against this age of screeching brakes. And, if there is any way for the Township Committee to resolve this entire matter, we feel confident Mayor Binder and his colleagues are just as anxious to cure the situation.

Possum Pass WAS on the Township maps. It was easier to open the street than it will be to close it now. A story in another part of this issue tells that the Bureau of Traffic Safety of the Division of Motor Vehicles rejects the request for making this short street available only to one way traffic.

There is now on the drawing boards plans for a new road to the Baltusrol Top area which may materially cut down on the use of the Possum Pass. But this is many years away—and the problems for the Briar Hills residents are immediate.

A Letter to the Editor

All this leads up to the letter printed below. We said we would print a letter from the Association and here it is—without comment, without doing an "I" or crossing a "U".

We do, however, reserve the right not to follow the advice in the last paragraph of this letter. Whether or not we publish anything further, regarding Possum Pass, is a matter only the Springfield Sun will decide.

Editor, Sun:
We are writing to tell you of our great displeasure with your recent editorial regarding Possum Pass. We feel you do the residents of the Circle and the members of the Association a grave injustice when you refer to them as "finger-pointers" and "name-callers".

Had you personally attended these meetings we strongly doubt that you would ever have permitted such an editorial to be printed. What has been done we fear is that sincere enthusiasm for something that is very pertinent and important to us has been misconstrued and labeled—hysteria. You must realize, Mr. Editor, that we are not fighting for money or even principles in this matter—what we are fighting for is our children's lives and if you can think of a better reason for parents to get excited—we would like to hear it.

True when you compare our enthusiasm for this problem with the callous complacency with which our remarks are met by the Town Council, I daresay our attempts at making our problem clear does appear somewhat frustrated. However, you must bear in mind that we do not profess to be clever politicians—we just don't know how to say one thing when we mean another. Also, it can become rather frustrating to have questions you'd like answers for left hanging unanswered and evaded.

No, Mr. Editor, we don't feel we are raucous or rowdy in our conduct at these meetings as you have inferred. Rather we feel we are exercising the God-given right of all parents—to defend and protect our children against anyone or anything that may bring them harm.

So, please, we would appreciate it if, in the future, a more accurate account of our behavior is printed. That being impossible—we would prefer no account at all.

Very truly yours,

BRIAR HILLS CIVIC ASSOC., INC.
John J. Sheehan,
President.

An Editorial On Same Subject

And just to wrap up our promise to do what we can to help the residents of the Possum Pass area, here is an editorial, submitted by the Briar Hills Civic Association, under the heading "Will the barn be locked after the horse is stolen?"

The old cliché mentioned above is familiar to all of us—we hope it will not apply to Possum Pass.

It is not unusual to read of streets being closed—after a tragedy. How much more pleasant it would be, however, to hear of a street being closed in an effort to avert one! That is truly working for the welfare of a town and its people. How fortunate are the members of the township committee—it is still within their power to say "we locked the barn before the horse was stolen" or, in other words, "we closed Possum Pass before an accident occurred."

The residents of Briar Hills Circle, Wentz Avenue and the Mountainside residents in the vicinity of Possum Pass sense something will happen. They sincerely hope it will not but see no way it can be avoided—the way is too clear and the conditions too inviting.

Who will accept responsibility the residents ask? Will the good township of Mountainside?—they insist it saves their residents some time, about 3 minutes—enough for them to assume this responsibility? We think not! Will the merchants on Mountain Avenue?—A few think it may lose them a customer or two and consequently some income. This, however, is somewhat unreasonable since whether people use Possum Pass or Route 22 they still come out to precisely the same point on Mountain Avenue. In any event their profit on this small percentage of customers sufficient enough for them to assume this grave responsibility? Again, we think not!

Or maybe the members of the Springfield Township

Manager Named For Area's New Saks 5th Avenue

LAWRENCE J. ROGERS

The appointment of Lawrence J. Rogers as general manager of the new Saks Fifth Avenue store at Springfield, is announced by F. Raymond Johnson, executive vice-president of Saks Fifth Avenue.

Mr. Rogers has been with Saks Fifth Avenue in an executive capacity for 11 years. He began his career there in 1946 while still in high school, leaving to go to the University of Wisconsin. After a period in the United States Maritime Service, he returned to receive a degree there as bachelor.

Kiwanis Club Is Sponsoring Ice Rink Here

Outdoor ice skating enthusiasts in Springfield may have a rink for their use right in the center of the Township if the members of the Springfield-Millburn Kiwanis Club succeed in carrying out their plans.

The idea of the ice rink is sponsored by the Kiwanians and negotiations are already under way with the Union County Park Commission for the use of the park property in the Meisel Avenue field area for the project.

The site for the ice rink is just south of the Meisel Avenue field where the county park commission has been doing considerable work in controlling the flow of

Report 3 Large Stores Coming Next To Saks

At least two, and probably, three of the nation's large retail establishments are coming to Springfield, with actual construction work starting next July when the present owner has agreed to move.

This information became known this week with some of the details on reported sale of the Conklin (Ideal Gardens) property on Morris avenue, close to the Saks Fifth Avenue operation which opens August 19.

The first rumor had it that the Prudential Insurance Company was planning offices on this land but the facts are as follows:

A deal has been practically closed for a 60-year lease with Theodore Conklin, owner of this Morris Avenue property. The purchasing holding company represents a syndicate made up of substantial people from Springfield and out of town residents. The entire property under this long term lease comprises approximately less than three acres and includes Morris avenue land on both sides of the private roadway now being constructed by the Saks Fifth Avenue establishment.

The Conklin property runs about 450 feet on Morris avenue, 300 feet on one side of the private Saks street and 150 the other side of this new roadway. It runs back about 300 feet and, according to the reports, two well known residents, two well known residents

Becker's Pansy Farm, 10 Acres, Sold For Homes

A deal for one of Springfield's few remaining properties was reported closed—or practically consummated—this week with the sale of 10 acres on Mountain avenue owned by G. Norman Becker, known as the Pansy King because he was renowned as the greatest producer of this popular brand of flowers. It is listed as located at 425 Mountain avenue.

The Becker property has approximately 800 feet on Mountain avenue and runs back about 500 feet, located south of Shupike road, one of the most desirable pieces of land in Springfield. It is zoned for residences with 75 foot lots and, while Mr. Becker would not divulge the names of the purchasers of these 10 acres, it is reported that the syndicate is made up of men interested in developing homes.

Mr. Becker, anticipating the closing of this deal, has already started moving his operations to a farm he owns in the Vaux Hall section of Union. "We have already started to fertilize and plant in our other farm," said Mr. Becker in discussing the deal, "and we hope to have everything cleared away in time for the new owners to start whatever development they have in mind."

The Becker pansy farm has been at this Mountain avenue location for approximately 10 years and is one of the largest remaining vacant properties in Springfield.

Traffic Safety Bureau Reports To Springfield

The Bureau of Traffic Safety, Division of Motor Vehicles, in Trenton, has rejected the idea of making Possum Pass a one way street.

Possum Pass is a short street in the Briar Hills Circle which has become the subject of heated controversy between the residents in this area who demand that it be closed to traffic and the township. Representatives of the Civic Association in that area have appeared before the Township Committee to point out the danger to residents and their children because of the increasing traffic.

The Township Committee, in an effort to find some solution to the problem, has been corresponding with the Traffic Safety Bureau and, this week, a letter was received turning down the request for permission to make Possum Pass a one way street.

Following is the accompanying letter from the Bureau Chief J. R. Manahan, dated August 1, and the report from Enslley R. Bennett, Jr., the State's Traffic Investigator, to Herbert J. Sklar, chief of the Traffic Engineering Section:

FROM TRAFFIC SAFETY CHIEF

This is in reference to your letter of June 17, 1957, and our reply of June 28, 1957, concerning your request that we study the possibility of making Possum Pass a one-way street in a westerly direction in the Township of Springfield.

Enclosed herewith are two copies of a report dated July 26, 1957, by Mr. E. R. Bennett, wherein he recommends that this roadway not be established as a one-way street, but that instead, children be discouraged from playing in the street and that the maximum

News for "Newark News": "Saks Is in Springfield!"

News that the new Saks Fifth Avenue store would open their latest and most up to date establishment in Springfield on August 19 has appeared in newspapers and periodicals all over the nation.

But for some reason, the article which appeared in the Newark Evening News failed to mention "Springfield" and residents of the Township are very much disturbed. In fact, Mayor Albert G. Binder has sent a letter to the Newark News pointing out that "the entire Saks establishment is in Springfield and none of it in Millburn."

The original release, sent to all the newspapers by the Publicity Department of Saks Fifth Avenue, definitely gave Springfield as the address of the new store. The heading of the publicity story from Saks read as follows: "General Manager Appointed for New Saks Fifth Avenue Store at Springfield, New Jersey." The name, "Springfield" was mentioned three times in the Saks story.

Following is Mayor Binder's letter to the Newark Evening News:

The Editor, Newark News:
In Friday's News, August 2nd, there appeared a news item announcing the appointment of a manager for a new Saks Fifth Avenue Store in New Jersey.

Saks New Store Ready To Open Here Aug. 19th

Springfield joins the select company of Palm Beach, Beverly Hills, etc., on Monday, August 19, when the big glass doors open on the luxurious new home of Saks Fifth Avenue.

Saks Fifth Avenue, long the nation's prestige department store (or as they say "Specialty Shop"), is going to meet its opening target date with time to spare (10 minutes). Interior fixtures and merchandise are arriving daily as the builders put the finishing touches on the spacious store.

Opening day will find the staff fully trained in the Saks Fifth Avenue manner. Bus loads of Saks personnel from the Springfield area have been shuttled daily to the White Plains, N.Y. store to, as the ad says, find out what makes Saks Fifth Avenue SAKS FIFTH AVENUE.

The executive in charge of building the new store for the general contractor, the George A. Fuller Co., says his firm has met the scheduled opening date by using a "crash program."

"We've battled carpenter strikes, cement strikes, sheet metal strikes," says G. F. Dalley, assistant to the president, "and still we'll be ready."

He says all of the exterior work, minus landscaping, will be done tomorrow (Friday).

Not only is Springfield in distinguished company with the coming of Saks Fifth Avenue, but the Saks building is in famous company as a finished product of the George A. Fuller Co. Fuller, the nation's first and largest general contractor, has, in addition to Saks Fifth Avenue in Springfield, built such landmarks as the Lincoln Memorial, UN Headquarters, Lever Brothers Building, and Penn Station, N. Y.

The new lush Saks Fifth Avenue establishment is located wholly in Springfield, along the Springfield side of Millburn avenue. There is an entrance on Millburn avenue and another through to Morris

avenue on a new private road, constructed by the Saks organization on property purchased by the firm to the easy flow of traffic in and out of the shopping and parking area.

MODELS MAKE MONEY—Eight Springfield girls took a cue from comedian Jerry Lewis last week and put their good looks to work for the Muscular Dystrophy Association. The girls decided to model their own clothes in a fashion show to raise money for the association. Tickets at 20c for adults and 10c for children went fast in Sydel Kantor's backyard. When money was turned over to the Union County Chapter, Muscular Dystrophy Association, Linden.

A lot of preliminary work must be done by the purchasers to clear the way for this business development but there has been a meeting of the minds on the deal and all details should be resolved in a very few days."

Scheme C
This scheme involves the construction of a diagonal, keep-right-to-turn-left roadway which would be used by the southbound Mountain Avenue traffic which presently turns left into South Springfield Avenue, as well as by the southbound traffic which turns right into Henshaw Avenue.

Scheme D
This scheme involves the construction of a new roadway across the northeast corner and the construction of a channeling island

Scheme E
With this scheme, South Springfield Avenue would be established as a One-Way Street away from the intersection, thereby eliminating the need to restrict any of the traffic movements from Henshaw Avenue and Oakland Avenue. However, this arrangement is not nearly as desirable as it might first appear. The left turn conflict involving southbound Mountain Avenue traffic would be retained as in Scheme D.

Investigators Report
This report is in reference to your memorandum of July 1, 1957 wherein you requested that I investigate the advisability of making Possum Pass a one-way street in a westerly direction in the Township of Springfield.

Is Not Logical
The request of Briar Hills residents that Possum Pass be made one way in a westerly direction does not seem logical because, in order to reach their homes when they are traveling on Summit Avenue, the one-way arrangement would force these same people to use the highway route which they now denounce as being too circuitous since the highway center island has been closed. As you know, southbound Summit Avenue traffic can make only right turns at U.S. Route 22 because no opening is now present in this center island opposite that street. The original opening was closed by the State Highway Department as a result of many hazardous vehicular conflicts which constantly occurred between Summit Avenue motorists emerging via a left turn and eastbound westbound highway motorists.

posed the one-way street designation protest the fact that Summit Avenue motorists utilize Charles Street - Possum Pass to reach Mountain Avenue instead of going onto U.S. Route 22 and thence via the first "U" turn facility eastward onto Mountain Avenue via the underpass from the east-bound highway lanes.

Children on Streets
During my visits to the Briar Hills Area, I observed that a substantial number of children were playing in the streets. This practice has become one of the biggest problems that we must face in view of the increasing volumes of present-day traffic on streets of every kind.

It is also suggested that residents of this area utilize their driveways and garages to park their cars instead of leaving them at the curb where they are obstructions to sight distance and potential objects from behind which children can suddenly appear in the path of a moving vehicle.

It is recommended that:
1. "The proposal that Possum Pass be designated a one-way street in a westerly direction not be approved.
2. "Residents of this area be reminded of the potential hazard in allowing their children to play in the streets and every effort be made to eliminate this practice.
3. "Residents of this area be requested to make use of their driveways and garages to park their vehicles instead of doing so in the street where the vehicles are an obstruction to sight distance."

Selander Wedding Is in Rutherford

Mrs. Wilbur R. Selander

St. Mary's Roman Catholic Church in Rutherford was the scene of the wedding of Joan Patricia Pantoliano of that same city to Wilbur Roger Selander of 102 Tooker avenue on August 3. The Rev. Thomas Bagley officiated. The matron of honor was the twin sister of the bride, Mrs. John Wallace, Jr. of Clifton. She wore a mint green street length dress of chromspun taffeta, and carried a bouquet of yellow tea roses and mint green carnations. The best man was the brother of the bridegroom, Guy Selander, Peter Pantoliano of River Vale, brother of the bride and William Pollock of New York served as ushers. Miss Doris Bowd of Lyndhurst and Miss Linda Mitschke of Belleville were the bridesmaids. Their gowns were the same as the matron of honor's, and they carried bouquets of yellow tea roses with pink centers.

The bride wore a silk faille alencon lace gown with a finger tip veil and matching head piece of alencon lace and sequins. She carried a fan-shaped bouquet of white-shattered carnations and a locale of white roses. The bride, daughter of Mr. and Mrs. Patrick Pantoliano, is a graduate of Rutherford High School and was employed at Wright's in Woodridge. Mr. Selander is a graduate of Jonathan Dayton Regional High School and Montclair State Teacher's College and is the son of Mr. Wilbur C. Selander, and the late Mrs. Marie-D. Selander. The groom has served three years in the Army overseas. He will enter Columbia University in the fall for his Masters Degree. The reception was held at Lyle's in Kearny shortly after the wedding.

The couple will spend their honeymoon at the Jersey Shore. Upon returning, they will reside at 88 Gaston Place, Garfield.

THIS WEEK

(Continued from Page 1)

Committee are willing to assume sole responsibility for it. Apparently they are—they have been advised repeatedly of the danger. They have admitted a monster has been created and they have agreed that something should be done. The only question remaining is—WHEN? We hope and trust it will not be too late.

TOWNSHIP TID-BITS: Congratulations to Publisher Greg Hewlett of the Maplewood-South Orange News Record. Our neighbors just moved into their new office and plant on Valley Street, Maplewood, and we know the feeling of working out of your own premises. The Sun has the satisfaction of being in its own building and we can appreciate how pleased the News-Record people are. Good luck! It couldn't happen to a nicer chap... Ben Chadwick, one of Springfield's most active realtors, is on his annual vacation tour through New England... Springfield traffic police have been given a little protection from the hot rays of the sun. Umbrellas now shade them at the Morris and Mountain avenue traffic light and the one at Main street, at the General Greene Shopping Center... Special Officer Ernie Kallems, who does a fine job handling traffic and public relations at the corner of Morris and Mountain avenues, took the missus and their boy on a two week vacation, visiting all the spots where they spent their honeymoon years ago.

He was a member of the Sons of the American Revolution and the Crescent Temple, F.A.M., of Trenton.

He leaves his wife, Mrs. Florence Hildebrecht Magowan; two daughters, Mrs. D. Roger Munsick of Summit and Mrs. William M. Gosman of Carmel, Calif., and three grandchildren.

A private funeral service was held at Smith & Smith Suburban, 415 Morris Ave., Springfield.

Kiwanis Club

(Continued from Page 1)

The Kiwanians have discussed the skating rink proposal with the park commission engineers and the plan now is to clear off the entire area and convert the pond into a skating rink. Maintenance crews have been clearing away the weeds and two dams are to be constructed to hold the water for the rink.

Supervision will be under the Kiwanis Club with high school students assisting during the skating sessions.

The Springfield skating rink is one of the many projects sponsored by the Kiwanis Club for the benefit of the Boys and Girls Welfare Fund. To build up this fund, the "President's Own U.S. Marine Band is being brought to the Millburn High School on Thursday, September 26, for concerts. The famous and foremost military symphonic band will present programs at 2:30 and 8:30 on the September 26 date.

This Marine musical organization is well known in this area and the Kiwanis Club looks for a sell out to help swell their welfare fund. Tickets are available from all members of the Kiwanis Club.

Manager Named

(Continued from page 1)

of business administration in 1947. In 1948 he went to be general manager of Saks Fifth Avenue at Southampton, Long Island. In 1949-1950, he divided his time, remaining at the Southampton post in the summer and being general manager for Saks Fifth Avenue in Palm Beach during the winter.

Then for six years, 1950 to 1956, he was general manager for Saks Fifth Avenue in Pittsburgh. Following this he toured all Saks Fifth Avenue Stores, instituting merchandising systems. During this time he helped set up the new Saks Fifth Avenue store in Saint Louis. From September, 1956 to February, 1957 he was general manager for Saks Fifth Avenue in Philadelphia.

Mr. Rogers is now active in the organization of the latest Saks Fifth Avenue addition, the sixteenth, at Springfield.

As the season progresses, the competition for points becomes

in 13 communities, 12 industries, and in a number of schools where absentees, teachers and students had not been covered during the school X-raying schedule in the fall.

Two active cases of tuberculosis were found as a result of the X-rays, one each in Summit and Linden. Both of them are under treatment, one in a sanatorium, and one at home under the care of a private physician. Four inactive cases of tuberculosis were reported, all of whom were already under supervision.

Other chest pathology has reported for 17 persons, including pneumoconiosis, sarcoidosis, cancer and cardiac ailments. Eighteen X-rays were reported as requiring further study for conditions that may or may not be significant.

The remaining 5,923 persons had negative X-rays, meaning that their chests were apparently when X-rayed.

Keener. The order in the race so far is as follows: Boys — George Garner, Eddie Bullock, Richard Franklin, Michael Parker, Bobby Yeager, Vernon Watkins, Gil Peart, Elise Parker, Debbie Garner, Frances Furhman, Kay Eskin, Betty Watkins, Dirinda Witcher. The next two weeks will tell the final story, so those who are interested will have to work fast. Extra points will be given for perfect attendance.

The Inter-Playground Tournaments in Checkers and Chess were held at Garner Playground on Wednesday. The contestants in the Girls' Checkers were: Janet Bash, Caldwell; Linda Barrett, Irwin; Elise Parker, Garner; Linda Cox, Washington and Karen Kauer, Henshaw. Winner, Karen Kauer; second, Elise Parker and third, Janet Bash.

Boys' Checkers: Reinhold Regal, Caldwell; Edwin Schnell, Irwin; Eddie Bullock, Garner; Nick Rizza, Washington and Bobby Wartman, Henshaw. Winner, Eddie Bullock; second, Edwin Schnell and third, Reinhold Regal.

Boys' Chess: Larry Lichter, Irwin; Gil Peart,

Washington and Tom Conlon, Henshaw.

This tournament was not completed because of draw games. Gil Peart and Tom Conlon will have to compete for the finals. The winners in these tournaments will have to play in the other playgrounds next Wednesday at Warinane Park. Let's hope Springfield comes out on top this year.

and he can hit in the clutch, too. Dan Oliva—who plays left field scored a home run against Henshaw; Marilyn Monticello is still doing a great job at first base and her hitting is better than ever. Harold Bell does well at relief pitching and John Shields covers shortstop with skill.

Last Wednesday at Riverside we had a birthday party for everyone with a summer birthday. Sue Arlett, Linda Cox and Marilyn Monticello baked cakes for the party and the rest all brought their lunch. We all had a good time.

RIVERSIDE PARK PLAYGROUND

The Riverside baseball team has broken even with a four and four record. The youngsters have a lot of spirit and expect to win more by the end of the summer. Gary Benco has come through with some fine hitting, making two singles and a triple in the last game. Frank Monticello has a fast ball that can hardly be seen

<p>AUTO BODY WORK</p> <p>ELERY - (155 Morris Ave., rear of Chrysler-Plymouth agency, Springfield). When your car and its outfitting look for (1) a firm with the necessary fancy equipment, (2) a firm with the know-how of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Elery Auto Body Shop.</p>	<p>INSURANCE & REAL ESTATE</p> <p>ANNE SYLVESTER'S REALTY CORNER - (649 Morris Ave., Springfield, DRexel 6-2800) The most important purchase of a lifetime is a home. It can also be the most complex unless you have an efficient realty firm like this one handling this million dollar transaction. The same is true in selling your home. It is of vital importance that you are represented properly. You will find home buying and selling a pleasure if you're helped by this all woman real estate firm.</p>	<p>RESTAURANTS</p> <p>WALTER'S INN - (293 Morris Ave., opposite Millburn Ave., Springfield) The old hand comments about the pizza pie being too big to eat must have originated here where the pizza comes king size in both diameter and seasoning. We like splitting a pizza among everybody at the table and ordering individual portions of their delicious lasagna, ravioli, and chili and peppers. You sure know you've dined out after that.</p>
<p>AUTO REPAIR</p> <p>CLARK'S GARAGE - (Just over Route 22 overpass on South Springfield, Ansonia, Springfield) If you own a 1946 Ford, Frank Clark is probably the only person in town who knows how to service it. That was the year he first began undoing the mischief Detroit had wrought under the hood. Today his reputation is such that he needs no sign over his garage - people know him.</p>	<p>LAUNDROMAT</p> <p>COURTESY LAUNDROMAT - (268 Morris Ave., Springfield) What could be more convenient than to drop your clothes off here when you begin shopping and pick them up when you finish with the groceries? What could be more economical for that matter? Everything is done for you at 1/3 the cost of a regular laundry.</p>	<p>SERVICE STATIONS</p> <p>GULF CENTER - (326 Morris Avenue, Springfield, DRexel 9-9859) Joe Calabria has built up quite a reputation for himself in the first short months he's been in town. He's brought a lot of the latest technical knowledge with all the new service equipment he's installed. If you stop here you'll save more than Green Stamps - you'll save your car.</p>
<p>CARPET & LINOLEUM</p> <p>CARPET DECOR by FRED W. MOORE, JR. - (515 Millburn Avenue, Short Hill, DRexel 6-2975 - near the Chandler's) A carpet should do more than cover the floor. It should cheer the room. The problem in deciding carpeting is to know how it will stand up years hence. The solution is to buy a known quality carpet (like Mohawk) from a dealer like Fred W. Moore, Jr. who has earned a 10 year reputation in Short Hill for standing behind his products.</p>	<p>LUMBER & SUPPLIES</p> <p>COLUMBIA - (Maple Ave., Springfield, DRexel 6-5930). If looking in your medicine cabinet is a threat to life and limb from falling objects, Columbia has a whole batch of new ideas to protect your head and bearably your shoulders. The Columbia medicine cabinets have compartments for medical supplies that can be safely locked against children; drop test shelves for more surface space; and refrigerator-like doors with storage shelves. They come in all sizes and designs and certainly will make your bathroom a showplace, as well as a safe place.</p>	<p>TV SERVICE</p> <p>A & A TV - (2708 Morris Ave., Union, 1/2 mile from Springfield, MURdock 6-5900) All kinds of TV picture since 1922 runs an efficient repair shop that has (1) fixed charges, (2) same day service, and (3) guarantee for all work. 35% of their business is in Springfield, where people have learned they can depend on A&A.</p>
<p>DELICATESSENS</p> <p>G & L - (Springfield Shopping Center, DRexel 9-9872) About the best way to put on the dog is to go to Springfield to give them a piece of G & L. You'll have them a few of these sly goodies and they'll never notice you're dining on an old car, living in an old house, and wearing an old dress. In fact, they'll probably make a nuisance of themselves coming back for more and more vittles. Ask George Sykes for advice on what to serve.</p>	<p>LIGHT FIXTURES</p> <p>MODERN LIGHTING (815 Morris Ave., opposite Terry Dempsey's, Springfield). The haven then on the Big Top Young luncheon at 80c? What every Spring-friidie doesn't know is that Jack Olin's American dishes are just as generous. Also consider the cheerful surroundings and the air conditioning. You don't need a fortune cookie to tell that we highly recommend this place.</p>	<p>RESTAURANTS</p> <p>HERNARDT ELECTRONICS - (168 Tucker Avenue, Springfield, MURdock 6-1153 or DRexel 9-3926) John Eberhardt has become an expert in all fields of electronics from high fidelity sound systems to color television sets. John, who has an expanding shop in Union, makes all his calls personally and guarantees all work. By the way, he can install and repair TV antennas that can improve your picture more than buying a complete new set. As any rule, he will advise you of what can be done to improve reception - be it antenna, tube, or electronic "whistle-bang".</p>
<p>FOOD MARKETS</p> <p>SPRINGFIELD MARKET - (273 Morris Ave., Springfield, DRexel 6-0431) The only supermarket from here to kingdom come offering free telephone and delivery service (except on modern notes), Jim Funchon and Lee Schmittman can be relied on to pick only the top quality items. Their prices are competitive - can't be beat.</p>	<p>PAINT & WALLPAPER</p> <p>R. GLENNING - (248 Morris Avenue, Springfield, DRexel 6-7184) Here is a neighbor who has become one of the family. Boy Glenning has moved his sparkling store into the middle of the Morris Avenue shopping area from his old location on the Springfield border at 160 Main Street, Millburn.</p>	<p>PHONE NUMBERS</p> <p>POLICE _____ DRexel 6-0400 FIRE _____ Call Operator FIRST AID SQUAD _____ DRexel 6-4600 TOWNSHIP CLERK _____ DRexel 6-8300 PUBLIC LIBRARY _____ DRexel 6-8400 CALDWELL SCHOOL _____ DRexel 6-1421 CHISHOLM SCHOOL _____ DRexel 6-4334 GARDNER SCHOOL _____ DRexel 6-5800 WALTON SCHOOL _____ DRexel 6-1454 REGIONAL HIGH _____ DRexel 6-6300 ST. <p>HOME IMPROVEMENTS</p> <p>CHANNEL LUMBER CO. (Route 22, Springfield, DRexel 6-6000) They have a beautiful aluminum stack chair here for gardens and porches which you can buy for \$6.95. But if you just need some extra chairs for a card party or club meeting, Manager Don Lecky will loan you as many as you need at no charge whatsoever. Of course, Channel's is also nationally famous for their lumber, saws, planes, sanders, etc.</p>	<p>POULTRY</p> <p>CASALE'S FARM - (128 Springfield Ave., Springfield, DRexel 6-1600) What's the good of living in the country (i.e. Springfield) without being able to get the freshest food? Casale's Country Farm, makes all his own committments worthwhile by growing his own poultry, selling his own eggs, and making his own butter. All of it is available every day at his showroom.</p>

News For

(continued from Page 1)
 Either the editor or the press release have distorted geographical facts, in that they have located Saks Fifth Avenue new store in Millburn.
 This latest of high type commercial establishments to cross the Hudson to suburban areas in New Jersey is located wholly within the confines of historical Springfield. We, in Springfield, are happy and proud of this latest addition to our fast growing community, and the prestige it will add to our community will be a welcomed asset.
 Of course, our many friends and neighbors in Millburn and Short Hills, I am sure, will take advantage of this highly reputable merchandising establishment.

and we are happy to share with them this progressive step in suburban living.
 It is a fact that a few officials of Millburn Township have watched the growth of Saks in Springfield with envious eyes. As a matter of fact, they have made their welcome to the area a source of heartaches and hardship. It is a case where the offspring grows up to bring annoyance to the parent.
 You are aware of course that 100 years ago Millburn was an integral part of Springfield and has now matured into a fine and prosperous town. However, some individuals want their cake and eat it too.
 There will be many more fine establishments coming to the suburban communities such as Saks, and there is no reason why

any mutual problems created by their emergence cannot be amicably resolved by neighboring town officials.
 We sincerely welcome the Saks Fifth Avenue store, located on the east side of Millburn Avenue, at the foot of the Short Hills in Springfield, N. J.
 Sincerely,
 Albert G. Binder, Mayor.

Playground Activities

HENSHAW PLAYGROUND Vincent Altieri Jeannette DeVone

The third week of the Henshaw playground was filled with some interesting activities. The Henshaw Hurricane little leaguers lost a 9-7 baseball game to the Riverside Rats...

The Irwin Indians, the playground's basketball team, led the playground league with a 7-2 record. During the past week the Indians beat Regional by forfait...

In recent games the Indians have been sparked by David Bonislavski, Ted Levitt, Butch Arnold, Ed Schnell, Steve Berger, Tom Geoghegan and Steve Levitt.

The checker tournament which took place at Irwin within the past few weeks was won by Ronnie Gargano. Other finalists in the tournament were Ted Levitt and Brian Sheehan.

Checkers and chess have remained the most popular activities at the playground throughout the summer. There have also been a great number of laryards and pot holders made...

Denham Playground This week the children have been kept busy with two tournaments. Those who have been trying their wits in the King's Tournament are: Dick Jelinek, Robby Wittish, Frank Calabria, Diane Dreher, Lynn Ernst, Paul Soos, Karen Healey, Bruce Perry, Dorothea Rempfer, Rose Calabria, Rich Healey, Denny Mahoney, Neil Longfield, John Tucker, and Donnie Cardone.

Though daily attendance fell off slightly during the third and fourth weeks at Irwin Playground, activity picked up considerably. Games of chess, horseshoes, jacks and washers have been added to the already popular checkers and kings, latherball, softball, basketball, dodgeball, and laryard, pot holder and bracelet making.

The playground's baseball team, the Irwin Indians, is on top of the playground league with a 5-1 record. During the past two weeks the Indians have defeated Regional 12-6, Riverside 15-7, and Henshaw 10-6, and lost to Regional 13-6.

Finalists in the playground's checker tournament, which took place during the third week of activity at Irwin, include Ronnie Gargano, Ted Levitt and Brian Sheehan.

Irwin Playground Al Hector Betty Sellitto Connie Abruzzato

Though daily attendance fell off slightly, the third week at Irwin Playground was the most active. Checkers and its variations, cow boy checkers and kings, remained the most popular games, followed closely by soft ball, ball, pot holder and laryard making.

The playground's baseball team, the Irwin Indians won its two ball games during the past week. Tom Geoghegan's pitching and hitting, along with home runs by Butch Arnold and John Johnson, led the team to a 12-5 victory over the Regional team.

Reform Judaism

Reform Judaism does not insist upon observing dietary practices because it is felt that they do not represent moral principles in Jewish life.

Continuation of news on the week's encampment at Camp Wnebago, which the scouts and explorers of Troop No. 73, under the leadership of Ed. Kaye and Ed. Siebert, scoutmaster and asst. scoutmaster, enjoyed.

Merit badges for swimming were awarded to Leonard Schaffenberg, Richard Gettau, and Eugene Finney. Richard Gettau also received a merit badge for first aid.

Butch Zieser received his tenderfoot badge at an impressive Indian ceremony in which all boys dressed as Indians.

The boys and their leaders all returned home tired, but happy, looking forward to camp next summer.

Robert Zieser, one of the explorers of Troop No. 73, spent a week at the Jamboree at Valley Forge.

John Streppone, who has been conducting the Beautette Salon at 261 Morris Avenue in past years, has retired and sold the business to Paul L. Speranza of Irvington, a former employee, and Louis T. Maletta of Old Bridge.

Mr. Louis will act as the style director of the new management, and Mr. Paul will specialize in permanent waves.

Both men have distinguished experience in the hair stylist field, which includes working at such places as Altman's, Charles of the Ritz, and LaBelle Beauty Salon.

The staff will remain the same, and the new management promises the latest in hair fashions.

During the eight-week course, Lord received instruction in phases of parade and ceremonial functions as well as learning to perform as a member of marching, concert and dance bands.

The 23-year-old soldier entered the Army last January.

Army Pvt. Peter J. Lord, son of John A. Lord, 11 Briar Hills Cir., recently was graduated from the 19th Army band training unit at Fort Dix, N. J.

Tomatoes! They're Great...

FROM THE GARDEN STATE

Pick up a bright red, plump New Jersey tomato... cut it in quarters... then take a big bite into this luscious, fresh vegetable... man, isn't it delicious?

One of the most popular foods in our country, the tomato has been grown here since 1871. Much of the development in new varieties has come as a result of research at the N. J. Agricultural Experiment Station at Rutgers, the State University. In fact, one of the finest tomatoes is named "Rutgers" after the University.

Of course, tomatoes are used as one of the most important commercial vegetable crops and are processed into many popular tomato products. New Jersey's tomatoes are favored all over the country.

Whenever you buy fruits and vegetables from your chain-store, supermarket or local grocer, ask the man: "Are they from Jersey?" Help yourself to the riches of the Garden State.
