

THIS WEEK

BUSINESS GOOD IN SPRINGFIELD

The usual barometer of "business" in a town is the number of store vacancies in the main streets. This would indicate that "business is wonderful" in Springfield since, at this writing, there is ONLY ONE VACANCY in Morris avenue.

There is another small store vacant in a building near the intersection of Morris and Milburn avenues, and one in the small cluster of shops on outer Mountain avenue, near the new Edward Walton School.

Springfield business men, in an effort to keep up the happy ring of cash registers, are launching the first of a regular series of sales events under the leadership of the local Chamber of Commerce. Practically every merchant in Route 22, Morris and Mountain avenues is participating in the very elaborate Christmas promotion which includes "the landing of Santa Claus by helicopter on the Regional High School grounds, candy and gifts for everybody and a Christmas shopper of 20 pages which will be delivered to 30,000 homes in this area."

Shoppers are being attracted to Springfield by such dramatic merchandising and sales organizations as Newberry, Grand Union, Channel, Davega and many others. Some of this has been spilling over into Morris avenue and the impulsive urge to buy has been reflected in increased sales all over the Township.

SURE, IT'S TOO BAD

No one is very happy to see an industry like Doggett-Pfeil faced with the threat of "cease operations" because of some zoning ordinance.

However, members of the Township Committee had no alternative but to follow the advice of the Township Attorney.

It seems a pity that a firm that has been in Springfield for so many years, with no record of ever having any-one protest or object to the operation, was permitted to move into another section of Springfield. Some one should have emphasized the prohibition in the zoning ordinance which forbids the "manufacture" of their products. Certainly the real estate salesman who made the deal knew that there might be a question.

The Springfield Sun has been chastised for making so much of the "objections of residents in Clinton avenue regarding the odors, smoke and dust allegedly coming from the Doggett-Pfeil plant." Some of these callers claimed the Sun came to the defense of another industry in Route 22 because of protests by residents close to the plant.

The Springfield Sun made no attempt to take sides. The stories carried the facts—both in the Doggett-Pfeil matter and the protest against the Route 22 industry.

There is this difference, in the Doggett-Pfeil matter "some one MOVED the operation into a populated residential section" and in the Route 22 story "some one was trying to MOVE homes practically up against an industry that had been invited and accepted by Springfield."

We received one letter which, we believe, should be published regarding the Doggett-Pfeil matter. The name of the writer is not published but we know it was written by a resident who is interested in the welfare of Springfield. The letter follows:

"I believe in an informed public, and read with interest your latest editorial in which you

All United In Fight Against New Highways

Springfield is mustering its forces for an all out fight against the coming of the new highway.

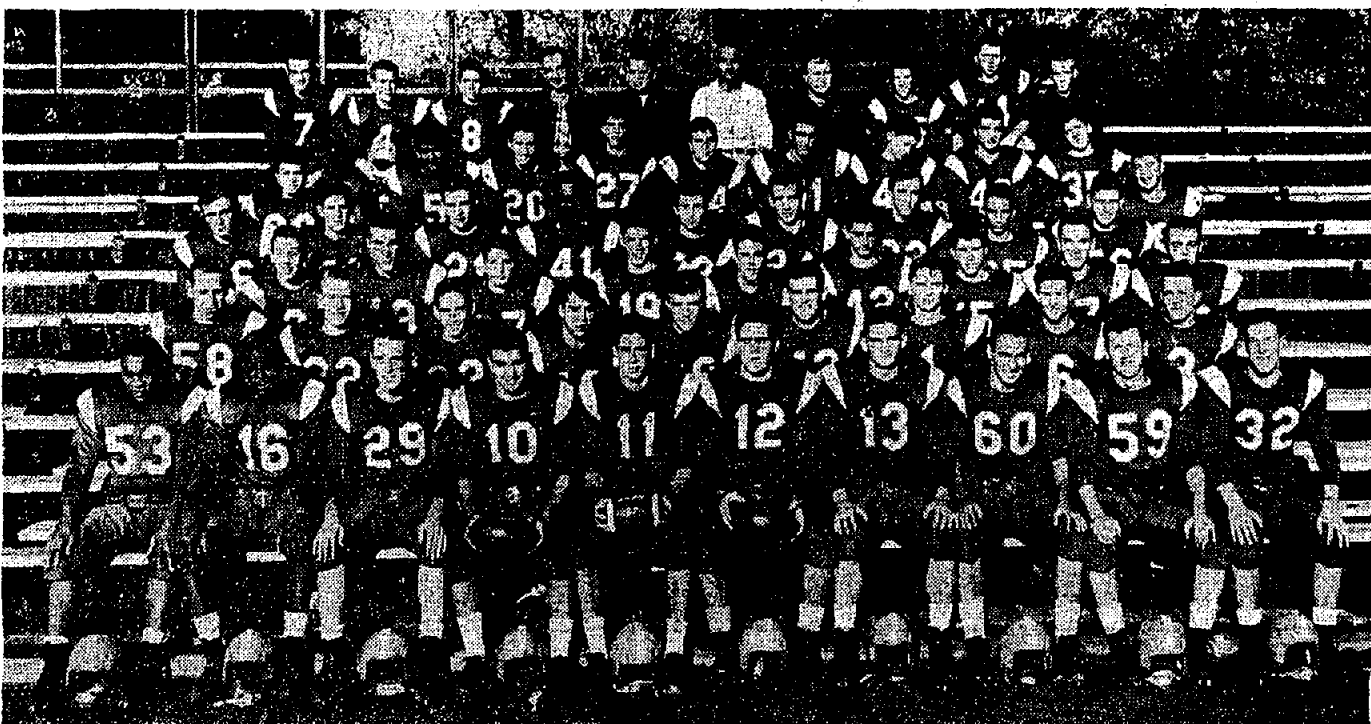

Mayor Albert G. Binder has sent invitations to every civic, church, veteran and fraternal organization in Springfield for a meeting to be held in the Council Chambers of the new Municipal Building, Friday evening, December 6.

Xmas Mailings

Early for P.O. Thanks Giving

"The significance of Thanksgiving Day is apparent to all of us," but Postmaster A. V. Del Vecchio states, "there is an added significance as far as the local post office is concerned. To all postal personnel Thanksgiving Day heralds the start of the Christmas rush period and points up the need for your cooperation on the 1957 post-office 'Mail Early for Christmas Campaign.' The postmaster stated, 'It is now time to start your Christmas-mailings.' During the past week there has been a steady increase in the flow of Christmas packages through the post office. Postmaster Del Vecchio says if you will follow these simple rules, all of your gifts can be delivered before Christmas Day: WRAP THEM SECURELY; ADDRESS THEM CORRECTLY AND MAIL THEM EARLY. Amplifying these basic rules, the postmaster advises all patrons to avoid the risk of mailing poorly wrapped packages. Use corrugated cartons, plenty of heavy brown wrapping paper and tie each package with strong cord. It must be pointed out that size and weight limitations for parcel post vary according to place of mailing and destination, and the postmaster recommends that we

Gridiron Rivals Come to Grips For 21st Time

A football series dotted with upsets returns to Springfield tomorrow. Springfield Regional meets its arch-rival Rahway in the 21st clash between the two elevens. The rivalry is a heated one and both teams will play with the fervor that has become a trademark with this series.

The gridiron rivalry dates back to Springfield Regional's first year of existence. The first contest being played in 1937. The Rahway Indians were heavily favored in that game and they trounced the Bulldogs 25-0. Rahway's talented backfield tallied time after time with Indian halfbacks Sam Kobesky and Charley Shupper each netting two TDs. Rahway served notice on Springfield that the football series would be a long and arduous one for the Bulldogs.

Rahway shackled Regional as the series grew. The Big Red Wave held sway over the Bulldogs to 1944. Finally in that year, the plucky Bulldogs broke Rahway's seven year winning streak behind the stand-out running of Mal Alldridge. Springfield tallied once and held on to hand Rahway a 6-0 loss.

From then on, the Bulldogs served notice to county opponents that Regional was to be feared. In 1947, an unbeaten Rahway squad heading for state honors was rudely toppled from their lofty pedestal by an inspired Springfield Eleven. Behind the stand-out running of Ken Belliveau and the famed Belliveau brothers and Ray Volden, the Bulldogs ran wild. The final score 38-0 and Regional walked off with the state championship.

In 1949, the football battle was called as the "Battle between Unbeaten's". With Ken Belliveau and Frank Vicendese running and passing, the game was sealed with an overwhelming victory 27-2. The first tie occurred in 1950.

Name Compton Chairman of Charter Study

The Charter Commissioners, elected recently to make the charter study in Springfield, have organized and selected Fred W. Compton as their chairman and Robert T. Southward as secretary. All five commissioners were formally sworn in by Mayor Albert G. Binder Tuesday evening and the group plans to start work immediately on exploring the need for any changes in the present form of government in the township. The Township Committee has assigned the offices of the Recreation Commission in the Municipal Building as temporary meeting place for the Charter Study Commissioners. The study program will begin as soon as the Commissioners are able to meet with some specialists on the subject of government changes in other communities.

10,000 Expected To Watch Turkey Day Grid Battle

Regional hopes to carve the Rahway turkey tomorrow as the two elevens clash in their 21st Thanksgiving contest. Springfield Regional goes into the game a decided underdog. The Rahwayites are favored by 3 touchdowns and the Indians are looking for revenge after last year's 19-14 loss to the Bulldogs.

A crowd of 10,000 is expected at Springfield's Meisel Avenue field to see the teams clash. Regional hopes to set a precedent that has eluded them in the past. No Regional team has ever posted consecutive victories over Rahway. Springfield holds only five scattered victories over Rahway since the beginning of the series and a second victory in a row would make Jonathan Dayton smile.

As strategies and tactics are formulated for the Thanksgiving encounter, the line of thinking in the Bulldog camp concerns Rahway's shifty backfield. The vital cog in Rahway's gridiron juggernaut is fullback Joe Williams. The elusive Junior has scored 15 touchdowns this season and leads the county in that department. Regional will stack their defense against this fleet youngster but Rahway has considerable versatility in their backfield.

Besides Williams, who also can run the ends with speed, the Indian have two breakaway runners in lettermen Art Petroff and Pete White. One weak spot in Rahway's armor would seem to be at quarterback. The Indians' first-string quarterback, Charlie Taylor, has fractured his ankle and will not be available to Coach Burns on Thanksgiving. A unexperienced sophomore is trying to fill-in for Taylor and his passing may keep Regional's defenses honest.

Regional had much the same problem with Union as they will have against Rahway. Union had inside running power and when Regional clogged the middle against the Farmers with a nine man line, the Farmers took to the air with disastrous results to the Bulldogs. But Union had the county's best passer in quarterback Bob Hayes while Rahway has only an inexperienced sophomore. Rahway knows from last year who the big Bulldog gun is

Bulldogs Count On Funcheon On Line

Jim Funcheon

If Don Carpenter has a counterpart on the line, it is Jim Funcheon. Jim is a 185-pound senior playing his second year of varsity ball and he has played both tackle and guard positions in Regional's shifting offensive alignments. He is the team's best blocker and many a yard has been gained through "Funcheon" line play. On defense, he plays tackle and the likes of Linden's Don Coleman and Union's Dick MacGrath haven't gained a yard through a stalwart defensive job by Funcheon.

Last year's game with Rahway, saw him paired against All-County selection Joe Natson. Funcheon consistently blocked Natson out of plays and when the contest was over, the spectators knew who was the better guard. A year's more experience has given Funcheon time to improve and if Natson of Rahway is paired against Funcheon of Regional, the results should be highly interesting.

Robert Southward Promoted by Pru.

Promotion of Robert T. Southward, of Springfield, to manager of the district agencies administration division has been announced by the Prudential Insurance Co. Mr. Southward joined Prudential in 1934. He was assistant manager in the debit policy department prior to this promotion. He received a bachelor's degree in business administration from Rutgers University in 1935, is currently working for his master's. While an undergraduate, he was president of the University College Honor Society. He served in the Air Force during World War II and the Korean War. He is a member of the Charter Study Commission in Springfield. He lives at 194 Bryant avenue, is married, and has two children.

Urges Citizens to Respond to Seals

Springfield Chairman Charles H. Huff is urging residents to send in their Christmas Seal contributions as soon as the seals are received in their homes. Huff, township tax collector, says that the drive will continue from now until Christmas for the Union County Tuberculosis and Health League. "We are asking those who are able to increase their contribution," Mr. Huff said, "the price of Christmas Seals is still the same as it was in the first Seal Sale in 1907, but the cost of our program of activities rises steadily because of rising prices." C. H. Richards of the National State Bank is treasurer for Springfield in the drive.

played remarkably well for his inexperience at right end. Ronnie Bell is also only a soph but he has showed breakaway power from the fullback slot. Senior Bob Keith is one of the more versatile members of the Bulldog squad. He has played both quarterback and halfback in the backfield. He also is a mainstay of Regional's secondary defense.

Rahway seems to have a ponderous line to complement their fine running backs. The key man in Rahway's forward wall is All-County guard Joe Watson. The 185-pound senior is reinforced by the presence of two family members. His brother, Russ Natson, weighs in at 227 pounds and anchors the left side of the line at tackle. His cousin, Doug Natson, is the favorite target of Clarence York and the other passers on the Indian squad. Arelative midget between giant tackles is 150-pound Ed Smith, playing at the left guard spot. Opposition has found out that it is better to run against the other behemoths of Rahway's line rather than against tiny Eddy.

With Doug Natson at one end at 165-pounds and Clarence York playing the other end slot when not quarterbacking, the Rahway Red Wave has a formidable offensive unit. But on defense, the ends seem to be the weakest of all line positions. Summit and Westfield ran well to the outside during their engagements with Rahway and the Bulldogs will try to exploit this weakness to the utmost.

Pass defense caused the Indian downfall last Thanksgiving with Regional scoring twice through the air, but the Rahwayites seem to have remedied this. Westfield completed only 2 out of 12 pass attempts for a net gain of 24 yards. Summit only completed two out of nine attempts against the Rahway pass defense. Rahway would seem to have a fairly solid ball club this year.

ber 6 meeting. He is expected to tell Springfield what progress has been made in having the proposed highway to the Gethals Bridge taken out of Springfield entirely. Senator Crane has advocated changing the location of the spur to follow the Elizabeth River through Hillside, and is making a thorough study of all phases of the relocated highways as they will affect Union County.

Mayor Binder has also invited

a team including Regional is lack of depth on a ball club and Rahway is no exception. Rahway conditions her athletes superbly but they lack the sharpness that counts in the crucial second half of a close ball game. The lack of depth was part of Rahway's loss to Cranford. At times the Cougars of Cranford were able to substitute an entire second unit.

The contest between the two arch-rivals will start at 11:00 a.m. and with an expected crowd of 7,000, the spectators should plan on arriving at the Meisel Avenue Field at approximately 9:00 to be sure of getting good seats.

Congresswoman Florence P. Dwyer and the Sixth District Representative is expected to bring to the Springfield meeting some information from the Washington end of the highway program.

Invitations have been sent to State Highway Commissioner Dwight R. G. Palmer and their engineers but Mayor Binder hasn't received any response to his letter. "We would be very happy," said Mayor Binder, "if Commissioner Palmer sent his chief engineer to answer some of Springfield's questions."

Several groups have already been formed in the Township to fight the proposed highway route through Springfield and it is Mayor Binder's plan to have all these unite in one force. The Spring Garden Homeowners Association has been in the forefront of the fight thus far against the realignment of the highway and their members are very enthusiastic over the prospect of having all groups join in the fight.

Invitations have been sent and representatives are expected to attend the December 6 meeting from the Woodside, Colonial Gardens, Spring Brook Gardens, Baltusrol, Colfax, Briar Hills, South Springfield and Shunpike civic

associations, Garden-Oval Home Owners Assn., Country Oaks and Hawthorn-Henshaw associations, Chamber of Commerce, Civic Alliance, St. James, Springfield Methodist and Springfield Presbyterian churches, Temple Beth Ahm, PTAs, and Baltusrol Top.

Carpenter Is Key

of Senior Richie Rychlik for touchdowns and quarterbacked his team to another.

Despite being injured in a mid-season game against Caldwell, the 170-pound senior has played close to his peak this season. Against Linden he showed signs of being a highly dangerous breakaway runner with a lightning 61 yd dash around end for a TD. He holds the key to the Bulldog fortunes and he will have to play the best game of his career to help Regional overwhelm Rahway. Besides being a top-notch of-

fensive player, Carpenter excels on defense. He has played corner line-backer and middle line-backer and no enemy ball-carrier has ever eluded his sure tackling. He also does the team's punting and many an opponent has been driven back to his goal with one of Don's lofty kicks. He will need all these assets plus some heavenly ones to help conquer Rahway.

Letters to Editor

10,000 Expected

Dear Sir:
On behalf of all our members I wish to express our thanks for the wonderful cooperation given the Springfield First Aid Squad by the Sun during the 1957 Annual Fund Drive.

The success of this year's drive can be attributed not only to the generosity of the residents and businessmen of Springfield but also to the publicity given to our efforts by the Sun.

The continued operation of a volunteer organization such as ours depends a great deal on the "helping hand" extended by our many friends and the Squad is most appreciative of your assistance.

Sincerely yours,
HAROLD JENSEN
President Springfield First Aid Squad

Don Carpenter is one of the few persons that have haunted the Rahway Coaching Staff. Don has played against Rahway since his sophomore year and last year's contribution by the 160-pound quarterback to Regional's upset of Rahway was substantial. He passed for two touchdowns and quarterbacked his team to another. Despite a midseason injury to him, Carpenter has improved as the season has worn on and must be ranked as one of the better quarterbacks in Union County.

Mention must also be given to such stalwart linemen as Jim Funcheon, Leo Lospinoso and backs Ronnie Bell and Bob Keith. Funcheon is playing his last year for the Bulldogs and his terrific all-around play has stamped him as the best lineman on the squad. Lospinoso is a sophomore and has

Woman's Club News

Springfield Woman's Club Federation's Guest Day will be observed at the December 4 meeting in the Edward Walton School at 8:15 p.m. Invited guests to this meeting are all Seventh District Presidents and their guests. Mrs. C. Howard Sanborn, President of the New Jersey State Federation of Women's Clubs, whom we all love, will be guest of honor. Another officer who is planning to attend is Mrs. Allison Hearn, Seventh District Vice President.

An outstanding program is in store for the members and guests in Donna Grescoe, a superb violinist.

The traditional "White Gifts" will be brought in by the members to this meeting. Members are strangely urged to mark their packages as to content and size that they will not have to be opened before they are distributed by Miss Florence Gaudinier to underprivileged children.

Art Department meeting will be held in the home of Miss Gertrude Sala, 469 Morris Ave., on December. Alumnae craft will be continued. The members who have finished their geese and roosters are right proud of themselves. The finished product has the appearance of wrought iron but doesn't have the weight, so therefore is easier to hang. Any member who would like to attend this

meeting is welcomed, but please call either Mrs. Henry Vance, Chairman, or Mrs. Fred Spangler, Co-Chairman so material can be bought beforehand.

The Garden Department meeting at the Cannon Ball House on November 19, was most enlightening. Members went home with many ideas. Mrs. J. H. Staub of White House, N. J., the instructor, first showed the members how to make a swag. She stated she always used three different greens and tied them to a shaped wire coat hanger with a string. Mrs. Staub and her assistant made seven different swags. One had a bird cage with two red birds. Another had a large Christmas bell. One had angels. A ceramic planter of a girl dressed in red was a joy to see. A toy dog in a basket was so appealing you would be afraid to put it outside for fear a youngster would fall in love with it and take it home. There was another with small bells and last but not least one with little lanterns. Mrs. Staub made quite a few arrangements which could be used on tables, mantels or shelves. Styrofoam was the base for most of her arrangements. The arrangements included: A white sled filled with holly and greens and a big red bow tied to the side of the sled, an old lantern with a candle was surrounded with angels and greens, two victorian toy chairs

with holly tied on the back and a small table with a miniature Christmas tree on it, glass deer on a brass platter with dried magnolia leaves, beaded gold spears and a candle, a heavenly gate with blue angel hair, ceramic angels and candles; a replica of a living room with a cat sitting in a rocking chair, miniature Christmas tree decorated with tiny angels, gold chevrons on green Styro-foam; pine greens, green and gold spears and a baby chick, styro-foam covered with foil had three monk figurines surrounded by pine and andromeda greens and yellow chrysanthemums, rocking horse on triple layers of styro-foam, pine greens, small blue balls and silver trees, and a feather fanned wooden circle with two horses made a merry-go-round. Refreshments were served by three charming hostesses. Mrs. Harold Edsall, Mrs. Edward Schubert and Mrs. Howard Sherwin.

On November 14, International Relations Department's guest Mrs. Anja Scheffels, proved to be better than any member dreamed she would be. She held the members spellbound with her talk on Indonesian women, their habits and clothes. She had on display many articles she brought to the States from Indonesia.

Executive Board meeting of the Springfield Woman's Club was

held on November 20, at the Cannon Ball House. A spirit of Bon Voyage prevailed. On the table were a miniature boat and suitcases, all in honor of one of the members Mrs. William Konrad who will be leaving on a trip soon.

Mrs. Merton D. Williams, President attended Presidents Day at the Montclair Woman's Club on November 13.

Members don't forget the luncheon and bridge on December 12, and keep up the good work on The Springfield Sun subscriptions.

discussed the rejection of Davega's request to enlarge their parking lot.

"However, I searched in vain throughout the paper for a follow through article on the Doggett-Pfeil matter.

"I for one would like to know why a respected member of Springfield's industrial family for over 20 years should now be told they are not wanted.

"This is a concern who over the years in Springfield has brought fame to it. They have won, for a number of years, the Garden Club award for industrial landscaping and, during World War 2, they presented a mobile kitchen to Britain to help air raid victims.

"Their products which carry a Springfield address are known in most parts of the country.

"We certainly are not encouraging business organizations to come to Springfield or even to stay here. I know other towns such as Shert Hills can do this but I don't think anyone here in Springfield wishes to pay for this type of community in the form of higher taxes.

Very truly yours,
An interested citizen.

AGE DOESN'T MAKE DRIVER

An editorial in the Elizabeth Journal says that Detective William J. Cahill, Un'on County's traffic safety coordinator, opens the door to lively debate when he is quoted to the effect that "today's teen-agers, in many cases, are better drivers than some of their elders." Swallow that in one gulp and there could be some dispute. Take it in small doses and he is right. MANY teen-agers ARE better drivers than SOME of their elders.

As long as any surveyor of driving skill limits his opinion to "some" and "many" he's on safe ground. Matching age class by age class is different and impossible. That can't be done with expected general acceptance.

There are middle-aged drivers on the road today who were bad performers the day they got behind the wheel of their new Maxwell. They still can find a way to mess things up even in one of these new juggernauts that do everything except make out the registration application. On the other hand there is his better balanced brother who was good before the competition came, who has grown up with increasing traffic and today, in middle life, for general usage, is the best driver on the road.

All things being equal there is nothing to beat road experience. The boy who learns about cars and safety in his high school has a long start toward being a good driver, if he has the coordination to go with "book la'rnh" and has been taught to respect horsepower and remembers the rules of the road. From such a background, plus driving

experience, he should not be long about becoming the sort of a client smart insurance companies ought to pursue.

To begin with motoring and motors have been made part of his education in this day and age. Besides most teen-agers lead the cautious life of a probationer. Most of them drive the family car and know full well the consequences of a bad report from the constable on the corner. On the other hand, the chances are the fellow in the low 20s is driving his own car for the first time, which makes him a man about town. And there's nothing like being a brand new man-about-town just out of the cocoon to encourage odd behaviors, among which highway highjinks seems to be foremost.

All that, of course, is for some, as Mr. Cahill says. But, Mr. Cahill says nothing about the ages of women drivers, which proves he's a gentleman and besides, what is there to say about women drivers that hasn't been said already?

Gridiron Rivals

(Continued from page 1)

Both teams came into the meeting unbeaten and the game developed into a bitter defensive contest. Both teams scored once and to the utter frustration of frantic fans, the teams battled to a deadlock.

The '50's brought a resurgence of Rahway power. Regional was unable to stem the tide till 1953. Rahway suffered a surprise that year with George MacKenzie doing the surprising. The elusive Bulldog halfback literally ran through the Rahway Wave as the Springfieldites pulled a 12-7 upset.

The 1956 game with Rahway will stand out as one of the most outstanding contests in this hectic series. Confident Rahway entered the game a TD favorite. Rahway had All-State back Bob Scarpitto and the newspapers justifiably picked Rahway to roll over the hapless Bulldogs. Regional had lost every game that season but comparative scores and statistics can be thrown out of the window in a Thanksgiving encounter. And they were as the Bulldogs pushed the Rahway aggregation all over a muddy gridiron. Regional passed for two touchdowns and ran for another as Springfield Regional climaxed a disappointing season with a resounding 19-14 victory over Rahway.

Just what future games hold are uncertain but you can be sure that the Bulldogs will administer quite a few more upsets on Rahway.

Woman's Club to Hear Violinist

On December 4, the Springfield Woman's Club will hear violinist Donna Grescoe as guest artist for the evening's entertainment in the Edward V. Walton School.

Donna Grescoe is a tiny, beautiful blonde from Winnipeg, Canada.

Miss Grescoe had her first violin lesson when she was five. At the age of eight she attracted widespread attention as a child prodigy. When ten she was awarded a \$5,000 Scholarship to the American Conservatory of Music in Chicago. At 14 she came to New York to study under Mischel Piastro who was Concert Master of the New York Philharmonic Orchestra. Donna made her violin debut when 18 at a recital in Winnipeg. Miss Grescoe has toured the United States and has appeared on Ed Sullivan's and other T.V. Shows.

Society to Hear Lessing Reading

Participating will be David Aronson and Nathaniel Barish. Jerrold Stern of Maplewood will preside at the meeting, which will begin at 11 a.m.

Chairman of the movie benefit which the Society is running at the Maplewood Theater on December 4, is Jerrold Stern. Assisting him is Nathan Hart of Springfield. The films to be shown are "Gates of Hell" and "Night My Number Came Up."

Presbyterians to Present 60 Voices

On December 5 and 6, the 60 voice combined choirs of the Presbyterian Church will usher in the Advent Season, with their Fifth Annual Concert at 8:15 p.m. in the Parish House.

Director Charles H. Sills has arranged a program which consists of secular music during the first half and features several American folk songs. During the second half there will be Christmas Carols from throughout the world. The concert will conclude with a rousing rendition of Adeste Fideles, with the audience joining in.

Tickets may be obtained from choir members or at the church office for \$1.00.

Kick-Off Overlook Building Fund Drive in Springfield

The opening kick-off meeting for the General Solicitation phase of the Springfield area campaign for Overlook Hospital was held at the Edward Walton School, Wednesday evening, November 20th. Charles Remlinger, Area Chairman, presided. He expressed appreciation to over 100 women present who had undertaken to call upon friends and neighbors for their support in this much needed expansion of our Hospital.

The Division Commanders who will canvass Springfield are: Mrs. Chas. F. Heard, 7 Alvin Terrace; Mrs. Adolph Sium, of 13 Remer Avenue; Mrs. Walt W. Baldwin of 118 Henshaw Avenue; and Mrs. Carl F. Ledic, of 188 Milltown Road.

General Solicitation of families in Springfield began on Thursday, November 21st, and the first report meeting is scheduled to be held at the Springfield Municipal Town Hall on Monday, December 2nd at 8:15 p.m.

Walter Beinecke, Jr., President of the Board of Trustees of Overlook, outlined the needs of the Hospital, pointing out that some days recently the total occupancy was as high as 98 percent, while the recommended occupancy for safety recommended by U.S. Public Health Service is 80 percent.

Mr. Beinecke stated further that at the time of the meeting, there were 94 newborn babies being cared for in a space designed for 75. He also pointed out that in 1956 there were 338 patients admitted to the Hospital from Springfield, and that this number had increased to 721 for the year ended September 30, 1957. He concluded his remarks by saying, "These figures portray clearly why our Hospital needs to be expanded."

Charles Heard, a member of the Board of Trustees of Overlook, expressed appreciation for the fine work being performed at Overlook and stated that increasing demands upon the Hospital are caused both by increased population and by greater confidence in the Hospital's service to the sick and injured.

A film, "The House of Mercy," was shown. The film depicted the functioning of the many departments of a community hospital like Overlook as they were called into action by an emergency. It showed a typical citizen awakening to the realization of his dependence upon the hospital for the safety of his family, and the dependence of the hospital for its existence and maintenance on the contributions of socially minded citizens.

Uruguay became a sovereign nation in 1823 under the treaty which ended a war between Brazil and Argentina over disputed territory.

Family Sabbath Is Observed by Group

The Reform Jewish Congregation of Springfield held its second Family Sabbath Service last Friday night. Rabbi Malcolm Mendelsohn conducted the service with assistance from several Religious School students.

Madelaine Birnbaum, daughter of Mr. and Mrs. Arnold Birnbaum, opened the service by reciting the prayer for lighting the Sabbath candles. George Friedman, son of Mr. and Mrs. Martin Friedman, Susan Rubinfeld, daughter of Mr. and Mrs. Abraham Rubinfeld, and Steven Seigel, son of Mr. and Mrs. Stanley Seigel, also participated in the service by reading portions from the Union Prayer Book.

Almost 150 were present, about half of whom were children. Instead of a formal sermon, Rabbi Mendelsohn told a story to the children (which many parents also enjoyed) about an ambitious stonecutter who was unhappy with his lot in life. In his desire for power and fulfillment he was transformed into many different things, but realized contentment only when he was at last returned to his original identity of the stone-cutter.

Members of the Religious School Board were hosts after the services when refreshments were served.

Tea and Cinema At Duca Home

Mrs. Chas. Danziger, membership chairman in charge of the tea, wishes to announce that all interested prospective members as well as new members who have not seen the film are invited to attend. Mrs. Danziger will explain the League Current Agenda Items and outline League unit procedure. Refreshments will follow the discussion.

TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal
Chairman, Springfield Shade Tree Commission

TAKING CARE OF YOUR GARDEN

By EDWARD A. CARDINAL, Chairman Springfield Shade Tree Commission

Very soon work will start on shade tree pruning throughout Springfield. As the Shade Tree Commission has only a limited amount to spend each year they do only as much as their funds permit. Eventually the whole township will be covered, but if you are in an area not started, please be patient.

There are so many people inquiring about the Shade Tree Commission and their activities, I will attempt to answer as many questions as space will permit.

Q. Who is in charge of the Shade Tree Commission?
A. The Shade Tree Commission was appointed by Mayor Binder on January 1st, 1955. It is part of the Department of Public Affairs under Township Committeeman Vince Bonadies. Chairman of the Commission is Edward A. Cardinal, owner of the Cardinal Nursery and Garden Center at 272 Milltown Road, and formerly with the F&F Nurseries. The other two members are Felix Guld, owner of the Disc and Shutter, and active in township city affairs for many years, and Nathan Hart of 129 Remer Avenue, owner of a Garden Supply distributing company.

Q. Is the Shade Tree Commission a full time job?
A. I certainly begin to think that it is, for my phone is busy from early morning to late at night. However, the three members do not receive compensation for their work and on many occasions neglect their own businesses to serve the people of Springfield.

Q. Does the Commission have any paid employees doing tree work?
A. No. Emergency work is handled by local tree experts in town and they are paid either by the hour, or contract. Other work is contracted to the lowest bidder when necessary.

Q. What work is being done in that area?
A. Nine sections of the township are in the process of pruning operation at this time. If you note colored dots on the trees in your neighborhood it will indicate that pruning work is being done in that area.

Q. What type of work is being done at this time?
A. Dead, or diseased trees will be removed entirely. Low hanging branches over sidewalks and streets will be elevated to give sufficient clearance for pedestrians and motor vehicles. Sucker growth and dead limbs will also be removed to eliminate the hazard of falling branches.

Q. Where is the Shade Tree Commission headquarters?
A. The Commission meets regularly each month at the office with the Recreation Committee on the second floor of the new Municipal Building.

Q. How soon can I expect work to be started in my area?
A. We expect to have the entire township completed in a period of 5 years. Caring for the old trees and emergency work has preference. What you may consider an emergency may be only routine work to an experienced tree man, so be patient and remember that the Commission is only operating on a part time basis and is doing as well as can be expected.

Q. I belong to a civic group in town and wonder if someone on the commission is available to speak at one of our meetings?
A. Certainly. Just write to me in care of the Springfield Sun, or drop a letter to the Shade Tree Commission, Springfield, N. J.

P.T.A. NEWS

Problems of parent-teacher associations were discussed at a meeting of presidents of county units held on November 20th in the Grant School, Westfield. Mrs. Herman E. Wilde of Westfield, county president, conducted the meeting. Two local P.T.A. presidents were in attendance—Mrs. Alan Cunningham of the Caldwell School P.T.A. and Mrs. Joseph A. Bender of the Walton School P.T.A.

The P.T.A. presidents wish to remind parents that the schools will be closed on Thursday and Friday—November 28th and 29th—in observance of the annual custom of Thanksgiving. P.T.A. presidents are especially thankful for the large enrollment of interested members—and for the record number of parents who attended the "Open House" meetings at each school.

The "Open House" meeting at the James Caldwell School was well-attended by P.T.A. members who expressed appreciation for the opportunity to visit the classrooms, hear the teachers outline plans for the year's program of

work, and see the display of materials used and work done by the children. Each and every classroom was visited by a record number of interested parents who also studied the phases of the arithmetic program and the arithmetic outlines displayed by grade levels on the bulletin boards in the upper and the lower corridors of the building. Mrs. H. E. Forsyth, school principal and all of the teachers were happy to welcome so many interested parents for "Open House."

Chisholm School

Mrs. Thomas Argyris, Finance chairman of the Raymond Chisholm School P.T.A., spent a busy week from November 17 through 23 working at the Book Sale at the Springfield Library. Members who also worked in shifts at the sale were Mrs. Barry Baron, Mrs. Niles Christensen, Mrs. Irving Gershen, Mrs. Daniel Kalem, Mrs. Murray Mitterhoff, and Mrs. Chris Vassilow. Mrs. Argyris wishes to thank them and all the people who purchased books during the sale.

Mrs. Christensen announced that Mrs. Arthur Buehrer, vice-president, has been appointed Spiritual and Character chairman.

Walton School

The Edward V. Walton School is sponsoring a special project at this time called "Eyes for the Needy," under the chairmanship of Mrs. Frank Burstein. Mrs. Burstein asks that anyone having the following articles bring them to the organization in charge: Metal frames in any condition, reusable plastic frames (with or without lenses), sunglasses, soft eyeglass cases, precious scrap metal such as jewelry, dentures, or discarded silver.

Any person wishing a subscription to the National Parent-Teacher Magazine may contact Mrs. William H. Franklin, Jr., chairman of publications.

Gaudineer School

The membership enrollment for the Gaudineer School has been most successful, and at this time we have 844 paid memberships. A chairman cannot do all the necessary work herself, and many thanks go to Mrs. Sandmeier, who sponsoring a special project at cases, precious scrap metal such

as jewelry, dentures, or discarded supported the drive. Mrs. M. Schneider, who took most of the clerical work into her hands, and to Mrs. Ackerman, who made the membership charts for the bulletin board, and to all the class mothers who contacted the parents.

Our membership does not represent every family in the Gaudineer. For those who are not members and would like to join, please send 50 cents for each membership with your child to his homeroom teacher, and you will be enrolled as a member of the Florence M. Gaudineer P.T.A.

Regional High

At the Jonathan Dayton Regional High School Parent-Teachers Association meeting last Thursday, Mrs. Horace J. Libby, president, gave her report on the recent P.T.A. convention in Atlantic City. Mrs. Libby stated the theme of the convention was the P.T.A. role in the community where P.T.A.'s were urged to participate in all community projects such as civil defense, safety and health programs.

Mrs. Harold Danielson, program chairman introduced the speakers whose subject was "After Graduation, what then?" Mr. Wormsley of Hyatt Bearing Division of

General Motors spoke on Industry and what it can offer a High School graduate Mr. Wormsley said "General Motors offers, trainees for various phases of industry, tuition for higher education during the apprentice period." Mr. Henry Evans, Associate Director of Admissions for Rutgers University, speaking on higher education, urged students to work with guidance counselors in wisely selecting the college which meets the needs of the students. Mr. Evans stressed the fact to the High School student that "College is a continued growth experience."

A most interesting question and answer period followed with both Mr. Wormsley and Mr. Evans discussing the problems many students will face after graduation.

REMINDER—On Saturday evening December 7th, 1957 at 8:30 p.m. the P.T.A. Variety Show will be held in the Regional High School Auditorium. Tickets are \$1.25 and are available through Mrs. Horace Wilson DR 6-2318.

Family Discussion Mary: "Thanks for doing the living room." Harry: "Think nothing of it, my pet. With these electric de-cide, housekeeping's a cinch!" Mary: "Say, who! But anyway it's a joy to have the use of automatic appliances." Harry: "Gas, too, is a big help. Since the help put in his appearance that water heater has been a real comfort." Mary: "Even though we pay Public Service more each month, it's worth it. We do much more with electricity and gas since we started housekeeping." Harry: "That's why Public Service says, 'Electricity and Gas do so much and cost so little.'"

AUTO BODY WORK ELLEY - (155 Morris Ave., rear of Chrysler-Plymouth agency Springfield) When your rear end is out of shape look for: (1) a firm with the necessary fancy equipment, (2) a firm with the know-how of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Elley Auto Body Shop. AUTO REPAIR CLARK'S GARAGE - (Just over Route 22 overpass on South Springfield Avenue, Springfield) If you own a 1914 Ford, Frank Clark is probably the only person in town who knows how to service it. That was the year he first began undoing the mischief Detroit had wrought under the hood. Today his reputation is such that he needs no sign over his garage - people know him. SPRINGFIELD GARAGE - (311 Morris Ave., Springfield DRexel 6-9654) Bob Briggs has been pounding the forward look back into cars ever since 100 horses was considered power and V-8 was regarded as luxury. His skilled crew do mechanical, collision, and painting. And very well, too. FLOOR COVERINGS LINOLEUM & CARPET FACTORY OUTLET - (Route 22, Springfield, DRexel 6-5220) Mel Horn's linoleum, tile, and broadloom emporium sports a vast range of floor coverings at low budget prices. Almost all of the nation's leading manufacturers are represented on the big display floors. The Outlet is particularly respected for the quality of its installations. HI FI & SOUND STEREO SOUND CORP. - (173 Mountain Ave., Springfield, DRexel 6-4547) Your two ears play an important part in listening to sound. The story of high fidelity sound reproduction is largely an effort to add another ear to the traditional one eared speaker. This development, called stereophonic sound, is available for home listeners as well as the Radio City Music Hall. This firm can set you up with either dual recorded tape sound systems or AM-FM radio binocular sound. HOME IMPROVEMENTS CHANDEL LUMBER CO. - (Route 22, Springfield, DRexel 6-5000) Chandel's Chisel account system makes it possible to buy anything in the sun (or as advertised in the SUN) and take 18 months to pay for it. This, of course, includes lumber, home improvements, houseware, paints, hardware, and so on. A service to the community is Chandel's standing offer to loan extra chairs for card parties, club meetings, etc., absolutely free of charge.

INSURANCE & REAL ESTATE ANNE SYLVESTER'S REALTY CORNER - (289 Morris Ave., Springfield, DRexel 6-2200) Wasn't the man who said "never underestimate the power of a woman." If you've had in mind Springfield's vigorous Realty Corner where Anne Sylvester's staff of exceptionally competent women are adding local records for sales and reliability. For everything from selling your home to personal insurance, the SUN recommends these gals. BUNNELL BROS. - (8 Flemer Ave., Springfield, DRexel 6-2400) Springfield without the Bunnells would be like Boston without the Cabots. Robert and Richard Bunnell have been writing insurance of all kinds in town since 1916. Their big friendly office is in the bank building near all the big friendly money. Their advice on insurance matters, though it is a good deal more than friendly; their years of experience show in the soundness of their advice. LAUNDROMAT COURTESY LAUNDROMAT - (286 Morris Ave., Springfield) Everybody knows that you just drop off your laundry here and come back in an hour to pick it up fluff dry. But did you know that Adolf Krawinkel does, upon seeing your laundry here, too? And he's fluff dry all the time. LUMBER & SUPPLIES COLUMBIA - (Maple Ave., Springfield, DRexel 6-5850) There are all sorts of woodwork done on the market now, most of them of the cheap modern variety. Columbia has the solution to this problem in the handsome grained woods used in the Pele-Wood Folding Door. These quality craftsmen doors come in a variety of rich woods. There is a substantial quality in these doors that would do credit to any home, whatever the decor. LIGHT FIXTURES MODERN LIGHTING (615 Morris Ave., opposite Terry Dempsey's, Springfield) Now that it is getting dark early in the evenings, it's time to light the outside of your home both as a welcome to guests and a safety factor. Joe Hoekadel has a great variety of outdoor lights, including low black mushroom lights, stake lights, lantern strings, and bullet floods and spots. He shows away a booklet "Light for Living Outdoors" as a guide to homeowners. PAINT & WALLPAPER R. GLEMMING - (248 Morris Avenue, Springfield, DRexel 6-7795) Along with artist's supplies and about a million samples of wallpaper, Fog Glemming carries the fabulous complete BEH line of paints. The electro-Match system of selecting the 324 color variations is the cleverest we've ever seen. POULTRY CASALE'S FARM - (128 Springfield Ave., Springfield, DRexel 6-1500) What's the good of living in the country (in Springfield) without being able to get country fresh food? Casale's turkey king, makes all this country worthwhile by growing his own poultry, selling his own eggs, and making his own butter. All of it is available every day at his showroom.

RESTAURANTS CHINA SHY - (Springfield Shopping Center, DRexel 6-5050) Here's a restaurant sampling from the "heaven" showing that there's practically everything under the Olden Sky. S.A.M. GOE TAI - sliced lobster, meat, white meat of chicken, Chinese roast pork prepared with imported Chinese mushrooms, snow pea pods, watercress, bamboo shoots and hearts of bok choy. All this for \$1.75 in Jack O'Neil's cheerful dining room. SUN'S SUPPLIES IN RESTAURANT - (Corner of Morris Avenue and Springfield Avenue, Springfield, DRexel 6-2000) If you're one of a vanishing race of restaurant-rooms who will still tuck out of your car and eat indoors, the Sun's supplies in restaurant dining place offers a big new dining room. However, you'll get the same good food by simply staying in your car and let this little run the food out to you. Either way the food is what makes shopping here so sweet. WALTER'S INN - (288 Morris Ave., opposite Millburn Ave., Springfield) The off heard comment about the place pie being too big to eat must have originated here where the place comes king size in both diameter and seasoning. We like getting a nice, warm, everybody at the table and ordering individual portions of their delicious lasagna, ravioli and veal and pepper. You sure know you've dined out after that. MOUNTAIN AVENUE LUNCHEONETTE - (549 Mountain Avenue, Springfield, N.J.) Right in the middle of nowhere, this is Mountain Avenue, a brand new luncheonette that would be hard to beat for cheerfulness. Mrs. Germana has outfitted a sparkling dining area and hospitable, fast, breakfast, lunch and snacks. Her food is homemade and delicious. TV SERVICE A. & A. TV - (708 Morris Ave., Union, 1/2 mile from Springfield, MURdock 8-5800) At Jones has been in TV since 1938 when it was considered a laugh. Jones kept a straight face, though, and by seriously keeping abreast of the electronic world has made available to Springfield a shop that is top in its field. Fixed charges, same day service, and guarantee on all work are the other "features" you people should know. SPRINGFIELD RADIO & TELEVISION CENTER - (173 Mountain Ave., Springfield, DRexel 6-4547) The mobile repair trucks, air mobile repair men, and enough testing equipment to treat the CBS master control room, make this a logical choice when Lawrence Wolf goes blurry. The service is quick and all work is guaranteed. The proof of the pudding is the rate this firm has expanded in recent years.
