Don Lenny, manager of the Channel Lumber in Route 22, shows above shaking hands with Santa Claus after landing on the Regional High School grounds in Springfield last Saturday—as part of the townwide Christmas program prepared by the Chamber of Commerce. Despite the stormy weather, a large crowd of children jammed the field to greet Old Nick. The kids were kept in back of the camera because the helicopter propellers were still whirling to take Santa off for another visit.

Facilities of High School to Be Explained in Articles

With the advent of the recent Russian Sputniks, more Americans have become increasingly aware of the importance of education. Often the public schools are censured for not providing adequate or necessary courses for the training of young people.

Wrong concepts are formed because the citizenry is not fully cognizant of existing educational facilities. Wrong assumptions cause dissatisfaction and rumors; rumors are spread without foundation.

So that the people in this area can be completely informed, the SUN will publish a series of articles explaining the functions and facilities of the Jonathan Dayton Regional High School located here in Springfield.

The high school in Springfield serves the students of high school age from the communities of Springfield, Mountainside, Kenilworth and Berkeley Heights. A second school, the Arthur L. Johnson High School in Clark, is also a part of the Union County Regional High School District, serving the students of Clark and Garwood. These articles, however, will deal only with the local high school.

Local citizens are frequently pleasantly surprised when they learn of some helpful service offered by the high school of which they were unaware. Among the articles will be several dealing with the guidance program. Others will deal with a survey of Regional graduates who are attending outstanding colleges and universities, as well as with those who have gained desirable jobs and positions as a result of the efforts of the placement service offered by the school.

Because of the emphasis in the field of science recently, people are asking if our high school students are being prepared for training in science and mathematics. Several of the articles will outline and explain what is being done, which courses are available, and how much is accomplished in these areas. A review of accomplishments past and present, as well as plans for the future, will inform the readers as to the efficiency of training available in the sciences and mathematics.

An article dealing with scholarships explaining who is eligible and which are available will answer many questions on this important subject. Also included will be a list of scholarships already received and how well Regional students have fared.

Since man does not live by bread alone, the lighter, often more delightful, side of Regional life will be highlighted. The club

Orphans Treated By Altar Society

The Rosary Altar Society of St. James Church held a party for the children of St. Walburga's Orphanage in Roselle on Sunday, December 8.

At the regular November meeting members of the Society chose the name, age and size clothing of different children at the Orphanage to buy clothing and toys for each child. The gifts were given to the children by Santa Claus at the party.

The sewing group of the Society does sewing for the orphans throughout the year. This was the third Christmas party given St. Walburga's. Mrs. Ruth Clark and Mrs. Anna Schaffernoth were chairladies.

Mayor Binder's Reappointment Seems Certain

Even though there are no signs of any "political caucus in smoke filled rooms" and an eavesdropper could get very little startling information at any of the luncheon booths, the feeling still persists that something is cooking for the organization meeting of the Township Committee which is to be held New Year's Day.

There will be, as usual, a hush-hush conference of the Township Committee prior to the organization meeting but when and where this is to be held is a top drawer classified secret. This is charmingly known as an executive session at which time parts of the agenda for the organization meeting are discussed.

Appointments are to be made on that day, the most important job to be filled being the office of Municipal Magistrate. Magistrate Henry C. McMullen now holds that office, his third term or nine years of service ending this month.

Aside from the question of making this three year appointment there appears to be no other doubt on the political horizon. The office of Mayor will go to the present incumbent, Mayor Albert G. Binder, who has won the plaudits of practically everybody for "a job very well done."

Mayor Binder will get the full red-carpet treatment from his colleagues when the question of reappointment is reached on the agenda, and naming him again for that office is only a matter of routine since all four are reported to agree that "the job of Mayor is his."

Name Leaders Of Feb. Drive For Boy Scouts

Jay Longfield, associated with the local Realtors, the B. J. Chadwick Agency, has been named to head the annual finance drive for the Springfield Boy Scouts which is to be held in February. The campaign starts February 8.

Plans for the coming drive were made at a meeting of the Boy Scout Finance Committee in the Municipal Building at which time the various chairmen were named. A Steering Committee was selected with Rupert Humer as chairman and Otto Granick, Harold Bishop and Val Del Vecchio as the other members.

Postmaster Del Vecchio accepted the job of being chairman of the business division for the February drive. Dr. Leonard Eckle will head the special gift division, Thomas Brogan will contact industries as chairman of that division, H. Lee Sarokin will be in charge of publicity and Victor Bracht will lead the street to street-workers as the Residential Chairman.

Co-chairmen for Districts No. 1 to 6 are Frank Holler and John Billing; Thomas Glen, Jr., and Ben Davis will assist as co-chairmen of Districts No. 7 to 13.

More workers are needed in every division and those residents interested in the local Boy Scouts and willing to serve as district captains in the 13 districts or in any other activity are asked to telephone Jay Longfield at DRexel 6-0031.

Groups United Against Coming Of New Rte. 22

The realignment of Route 22 is no longer a bogeyman in Springfield.

It is still a problem here and all the civic groups are keeping their sleeves rolled up to battle the coming of the new Federal highways but the atmosphere has been cleared up considerably since last Friday night's interesting and well attended meeting at the Municipal Building.

Mayor Albert G. Binder called Friday night's meeting to unite the various civic associations in Springfield in protesting against the broad brush stroke shown on the latest maps as the route the new highway will take through the Township.

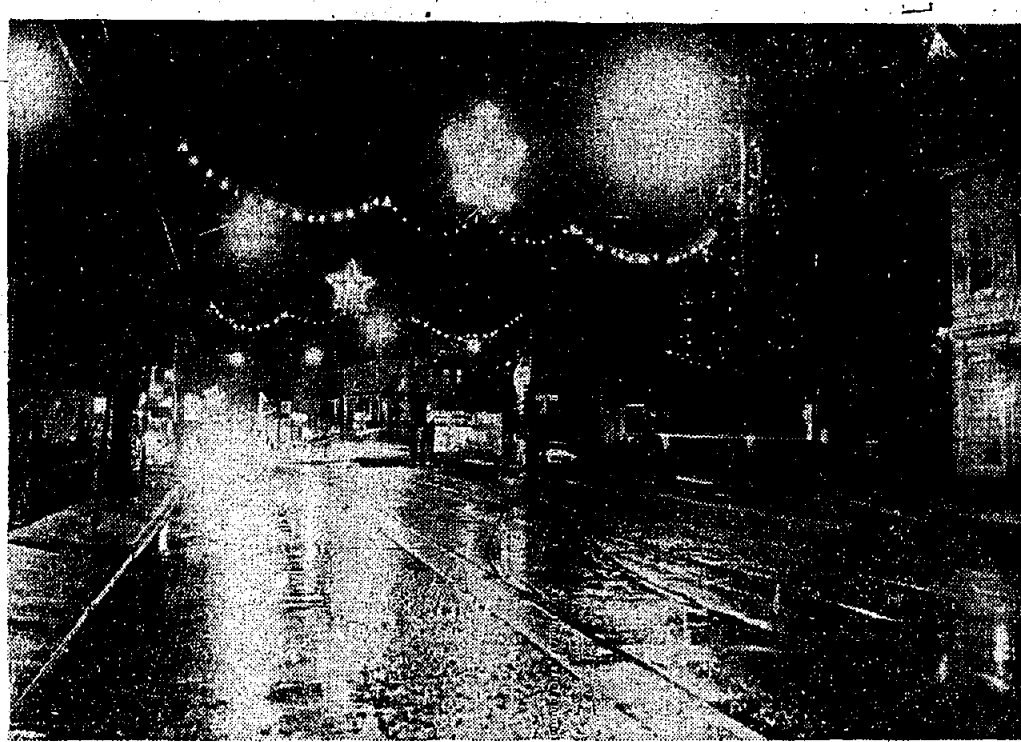

Practically every group in Springfield was represented at the meeting with Mayor Binder, State Senator Robert C. Crane and Rep. Florence P. Dwyer presenting the official approach to the local problem.

Politics definitely will not influence the state highway commissioner in selecting the route for FIA 102 and 107, State Senator Crane and Mayor Binder told

nearby 70 members of civic groups at the meeting.

The senator and the mayor warned the gathering that sponsoring mass meetings is not the answer since they seem to produce nothing but hysteria. Both urged that residents keep away from political leadership since the fight to change the routes of the realigned Route 22 and the spur highway should be clear of political connotation.

Senator Crane said he never has found that State Highway Commissioner Dwight Palmer has evaded issues. He said the maps, (Continued on page 2)

Spring Garden Group Has Just Begun To Fight

The Spring Garden Civic Association whose members have been leading the battle against the coming of the new highways to the Township, have "only just begun to fight."

As part of their flood letter writing program to officials and politicians, the Association yesterday released a letter addressed to State Senator Robert C. Crane, with copies delivered to Rep. Florence P. Dwyer, Mayor Albert G. Binder and Town Attorney Max Sherman.

The letter is as follows:

"Your address at the Springfield Town Hall last Friday, December 6, was well received and appreciated by members of our association in attendance. We feel that you opened up some important avenues of constructive thinking. However, there were a few important loose ends that were left dangling, important enough to make it mandatory that I write to you post-haste.

"At the onset, I must explain that we are official spokesmen for our group of over 100 homeowners, all actively interested in the highway situation. In fact, our group spearheaded the drive in town that resulted in the December 6th meeting being called, which led to the formation of a citizens committee.

"Mayor Binder properly and courageously touched on the subject of the economic effects that the 'proposed' highway will have on our town. We heartily endorse his forthright stand and would like to carry it one step further. As angry citizens, we are not pulling any punches either.

"Why is it that a small town that already is sliced up by two major highways (old route '22' and route 24) has to be slaughtered by the presence of two super highways meeting smack in the middle of the town?

"If the declaration of public policy of the Federal Aid Highway Act of 1956 is to be taken at face value, then why is it that the economic effects on Springfield have not been considered at all? It would be traitorous to say that we are against progress but why must one town be put on the

sacrifice block for all of New Jersey and out of state travelers. "It was pointed out that these lines are merely 'brush strokes' but that other towns have been successful such as Leonia, New Jersey and Berkeley Heights in correcting the brush stroke and converting it into an eradicator mark. After all, we really will not know the exact moment when the rather expensive 'brush stroke' precipitates into an actual route. "Just a word on the so-called 'brush stroke' theory. Few of us have accepted the validity of this premise without at least a litte eyebrow. Aside from the immense costs that have been invested into this 'casual stroke'—for cost purposes only, if a rough estimated cost was desired, without meticulous planning, it seems that the only logical, most economical procedure is to have a citizens committee.

The program arrangements for the special Family Christmas Carol Service for the Church families, their friends and guests, to be held in the Springfield Methodist Church, Sunday evening, December 15, at 8:00 p.m., have been completed.

A welcome is extended to all who can come, for the spiritual insight and warmth received from the well chosen music of this Advent Season, will prepare you for Him in the hearts of all who sincerely and with faith join in this service of music and carols.

The music program is as follows: PRELUDE—Organist—Mr. Wilfred N. Flemer Sr. Will Probated; Left Bulk to Family

The late Carl H. Flemer Sr., retired owner and operator of F. & F. Nurseries, Holmdel, left bequests totaling \$170,000 in a will probated Monday in the office of Surrogate Charles Otto.

The will, dated Feb. 21, 1937, also stated his widow, Mrs. Carrie Bishop Flemer of 22 Forest Dr., Springfield, was to receive the income of one-third of the estate in trust.

Two bequests of \$85,000 each went to two sons, Carl H. Flemer Jr., of 47 Rolling Hill Dr., Chatham, and to Donald F. Flemer of Cincinnati, Ohio. A third son, Albert Flemer of Holmdel, who has operated the business since his father's retirement five years ago, was given the stock of the nursery company.

Mr. Flemer, who died Nov. 27 at the age of 67, served on the Springfield Board of Education during the 1920's and was a former vice president and director of the First National Bank of Springfield.

The Flemer family has been in Springfield 60 years and donated to the village land through which Flemer avenue was cut. For many years the nursery was situated on the street before being moved to its present location.

The National State Bank of Newark was named executor of the will. An official at the bank said it probably would be two months before the value of the estate would be known.

Francis McNeil Is Killed in Crash

Francis B. McNeil, 59, of 131 Claremont Place was killed Monday night when the car he was driving crashed into the rear of a parked truck on Route 22 in Mountainside.

His companion, Alfred Platt of Rutherford, also died in the east-bound lane crash. Both were returning from a dinner at the Washington House, Watchung, where they received watches in recognition of 35 years of service with Mack Motors of Plainfield.

Mr. McNeil's only survivor is his wife, Mrs. Edith Muir McNeil. They had lived in Springfield since February 1956 when they moved from Brooklyn. They moved here because the Mack company moved its headquarters from the Empire State Building in New York to Plainfield at that time.

Both McNeil and Platt had worked in the company's finance department for 35 years.

According to police, the truck driver, Perry John Akers of Milan, Mich., parked at the curb in front of Hall and Fuhs, White Truck dealers, to purchase a (Continued on page 2)

Jaywalkers To Be Fined \$10 In Safety Push

Springfield Police Chief Albert A. Sorge revealed this week that he has orders from the State to slap \$10 tickets on any jaywalkers throughout the town.

"We have been told by the Attorney General, Grover C. Richmond, Jr., to give tickets instead of warnings," Sorge stated. He says the severe steps are being taken as part of the Governor's "Back-the-Attack on Traffic Accidents" campaign.

"We do not need a reminder from Trenton to remind us of the drastic increase in pedestrian accidents in December," Sorge stated. "We are still trying to find the cause of the death of the Peart boy on Thanksgiving." 10-year-old Thomas Peart was found mortally injured along Meisel avenue at dusk.

"Records of past years show that during December there is a sharp rise in pedestrian mishaps," the Chief said, "and most are a result of a failure by both motorists and pedestrians to adjust themselves to the hazards of the shorter winter day." He pointed out that early darkness and decreased visibility make walkers difficult to see and, therefore, unsuspecting targets for the careless driver.

"During the month of December," he declared, "motorists should drive at a reduced speed, one which will enable them to stop within the distance illuminated by their headlights. Too many citizens fail to realize that early darkness is an added hazard for the driver. They think that because their car has good headlights, here is little need for extra caution."

Chief Sorge pointed out that last December 88 people were killed and over 5,000 injured in traffic accidents in New Jersey. "Of this group," he said, "pedestrians accounted for 40 of the dead and 550 of the injured."

Arthur Smith Named Head of National Bank

Arthur H. Smith Jr. has been appointed to the post of Officer-in-charge of the Springfield Branch of the National State Bank of Elizabeth.

The announcement came as an official action of the bank's Board of Directors this week.

The 40 year old Smith takes over his duties after serving with the original 1st National Bank of Springfield since 1936. He replaces Carlyle Richards, who is now in charge of purchasing and accounting activities at the Broad Street Elizabeth office.

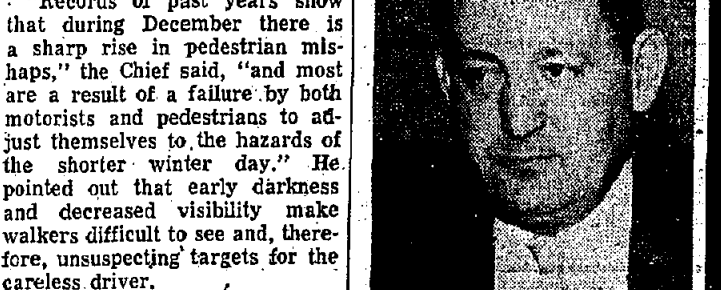

Smith started his banking career back in the early days of 1936 when the 1st National had a total staff of four. He served as a bookkeeper until his entrance into the U. S. Navy in 1941.

Upon his return from service, he was named cashier of 1st National and held that position until the bank was taken over by National State. He was then named Assistant Cashier.

He lives with his wife and two children in Chatham Township.

Richards, a Springfield resident, has been with the original bank since 1925 and worked his way up to the Vice-President's post. He now serves on the bank's Advisory Board.

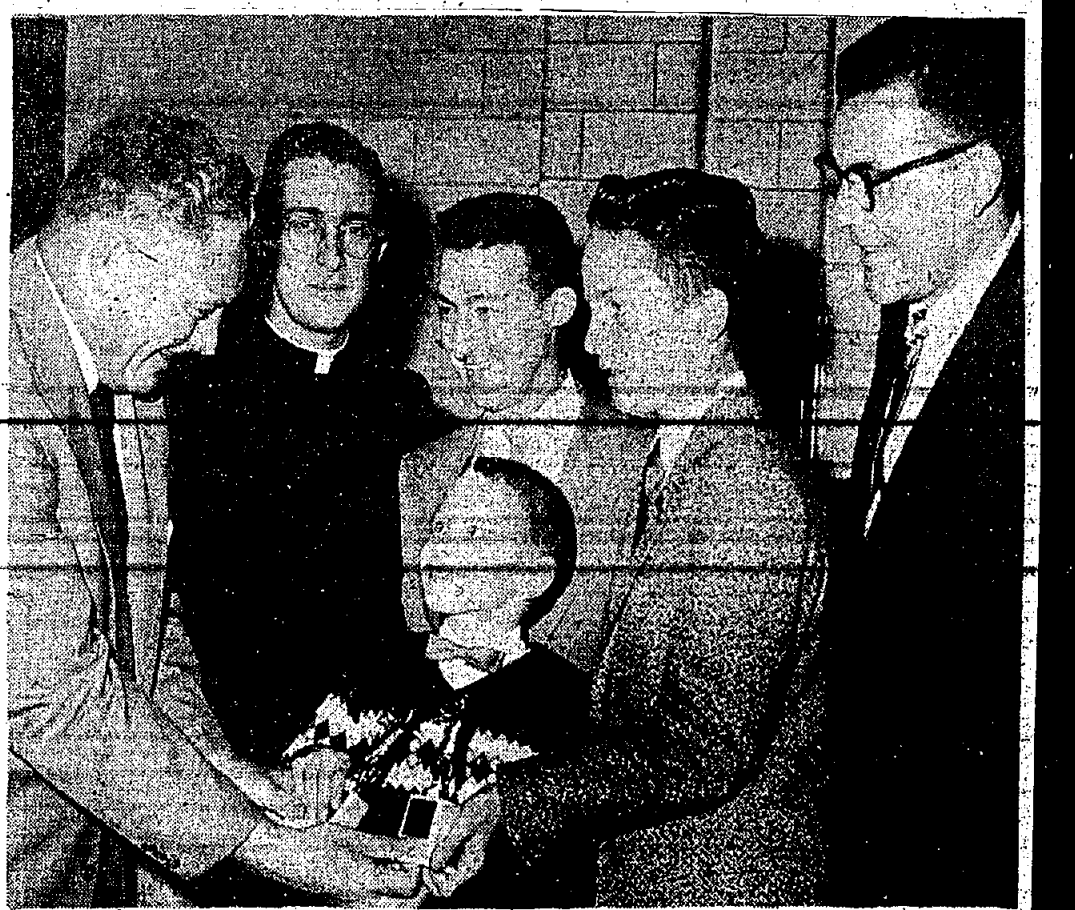

The new officer-in-charge will be ably assisted by Arthur H. Vail and Alice Gulamerian.

which are supposed to reflect the latest official thinking, constitute a "brush stroke." He said there is a need for a highway between Phillipsburg and Port Newark. Maps were compiled primarily to aid in establishing costs since the federal government, which is furnishing most of the money, wants to learn how much it must pay.

The senator observed that the maps were crudely drawn originally to follow natural paths and couldn't be defended engineering-wise. He read a letter sent by a state highway engineer to Mayor James Argyros of Roselle pointing out that alignment of the spur highway was only for the purpose of arriving at estimate of cost and stating that the spur has a low priority. Alignment studies for it will not be initiated for four or five years, the letter said.

Senator Crane expressed belief the highway department is attempting to be reasonable. He suggested co-operation with it to try to establish the best route.

He said he had suggested the Elizabeth River route as an alternative since it runs parallel to the proposed spur but is several miles to the east and is shorter. He assured the group that public hearings definitely will be held prior to adoption of the final routes.

Mayor Binder said the township committee knows no more than has appeared in newspapers. He told of the plan to hire a survey firm to gather data for use in persuading the state to change the two routes which will cut up Springfield if they follow the present paths.

He said the firm would examine all land, would study the proposed location of the two highways, would study alternate routes outlined by the township committee, would make assessment analyses, would study park land, would study highway patterns and would submit a summary of the physical impact on the community and analyze the effect on the tax rate. He said conferences also will be held with Millburn and Union which also would be affected by alternate routes.

Rep. Florence P. Dwyer pledged her cooperation. She said the federal roads act was designed to emphasize home rule as much as possible with the state mapping out the routes of the highways. She urged residents to remain alert.

The civic groups will submit names of members to Mayor Binder and from the list he will name five to act as an advisory committee, he announced.

Mr. McNeil was at the wheel of the car, police said, when it smashed into the rear of the tractor. The right side of the two-door sedan was peeled back to the middle of the car.

The entire front was telescoped. The steering wheel was protruding through the windshield and onto the hood after the crash.

Both men were wedged in the front seat of the auto when Patrolman William Lenehan and Special Officer Melvin Krueger arrived. Mr. Platt died about two minutes after police arrived.

Dead at Hospital
It took firemen and police about 15 minutes to free Mr. McNeil from behind the wheel. The Rescue Squad rushed him to Overlook Hospital, Summit, but he was dead on arrival.

The funeral was yesterday, Wednesday, Dec. 11 from Hatcher & Barth (Colonial Home), Union. Interment is in Long Island National Cemetery.

Local Construction Firm, 1 Year Old, Very Active

Just about a year ago Maurice M. Weill, a Rutgers University graduate, decided that he didn't care anymore to hire out his engineering and construction know-how.

He had given his services to the well known architectural firm of Wintergrad and Waterman in Jersey City, supervised the construction of homes for the Robbins organization in Maplewood Village, Rahway, Woodbridge, Linden, Englewood, and recently with the Woodside Homes development here in Springfield.

On January 1, 1957, Mr. Weill organized the Murray Construction Co., Inc., with offices at 260 Morris Avenue, and the steam shovels and bulldozers haven't had a chance to cool off.

This week the Murray Construction workers broke ground and started a one story office and warehouse for The De Vilbiss Co. of Toledo, which will occupy approximately 11,200 square feet at 10 Stern Avenue.

This Friday the executives of the Power Regulator Company of Skokie, Illinois, will move into a one story office and warehouse building to occupy about 8,000 square feet at 30 Commerce Street.

Several months ago the same Murray Construction Company completed a 4,800 square foot office and warehouse for the Vickers Division of the Sperry Rand Co. at 48 Springfield Avenue.

Another finished job for this enterprising firm is the addition to the Acme Well & Supply Co. at 10 Brown Avenue of 5,000 square feet for a machine shop and oil

Methodist Men Entertain Wives

Monday evening, December 9, at the Annual Dinner Meeting of the Methodist Men's Club of the Springfield Methodist Church, the men entertained their wives and friends with a turkey dinner prepared and served by the Woman's Society of Christian Service and the Wesleyan Woman's Guild.

The tables were festive with the red and green decorations of the Christmas season arranged by Mrs. Alex Ferguson and Mrs. Herbert Bobolin.

Mr. Howard Flammer, president, presided. The dinner and entertainment was under the direction of Mr. Phillip O'Neal. A family Christmas Eve scene was staged by Mr. and Mrs. Elmer Andrew with the Junior Choir depicting snowflakes and Christmas Carolers.

Dr. Roland B. Leurich, the District Superintendent gave the invocation and the Rev. Robert Green of South Orange was guest speaker.

There was a very large attendance and those present had a most enjoyable evening which was concluded by singing a Christmas Carol. The benediction was pronounced by the pastor, Rev. Virgil E. Mabry.

Cabs Broadcast 100-Mile Radius

The Springfield-Nadel Taxi Company has installed two-way radios that give the only locally owned taxi firm a message range of 100 miles.

Herman Nadel, proprietor of the cab company, revealed this week that his new Motorola radios can reach as far as Idlewild Airport to the north and Atlantic City to the south. The FCC has granted him a license for the radio broadcasting. It is expected to make taxi service more efficient.

Mr. Nadel also declared that he is making arrangements to launch a Mountaineer Cab Company to better serve the widespread Springfield area. At present the Springfield-Nadel cabs meet all New York buses coming into Springfield until 2 a.m. They also offer a limousine service.

Maurice M. Weill

well drilling equipment for export. Kept Very Busy

These outstanding industrial jobs, added to some housing jobs in Mountaineer, has kept the local contracting firm very busy since its organization less than a year ago and prospects indicate an even greater 1958. Several very large construction contracts are already in the making and announcement of construction plans for a nationally known industry in Springfield is expected to be made by Mr. Weill in a few weeks.

Increased activities have forced Mr. Weill to make several additions to his engineering staff, the latest acquisition to the construction firm being Robert Brody, holder of a civil engineering degree from Cornell University.

Another staff addition is Daniel J. Sullivan, also holder of a Civil Engineer degree and graduate of Newark College of Engineering. Burton Morachnik is construction supervisor of the Murray Construction operation.

Mr. Weill, owner of the construction firm, was with the AAF in Europe for three years and has been very active in the construction industry since coming out of the service.

PROCLAMATION

WHEREAS, each year during the Holiday Season, from Thanksgiving through New Year's Day, traffic accidents exact the grimest toll of any season of the year; and

WHEREAS, last year in New Jersey there were 94 persons killed and 6,011 injured on our streets and highways during this season; and

WHEREAS, a nation-wide effort is being made to prevent traffic casualties during the month of December under the slogan "Let's all BACK THE ATTACK ON TRAFFIC ACCIDENTS"; and

WHEREAS, the blessedness of Christmas and the hopefulness of the New Year will again be marred by the tragedy of needless death and injury unless adequate preventive action is taken by pedestrians and motorists alike;

NOW, THEREFORE, I, ALBERT G. BINDER, Mayor of the Township of Springfield, do hereby proclaim the period through JANUARY 1, 1958, as a time for every traveler on New Jersey's streets and highways to dedicate himself to the careful observance of all traffic regulations and the protection of others through thoughtfulness and consideration so that the fullest measure of peace and good will may prevail this Christmastime;

AND FURTHER, I call upon the people of Springfield to cooperate with the safety officials at all government levels in their efforts to keep our communities accident free; to make moderation the watchword in speed of travel and indulgence in alcoholic beverages; and to impart this message of restraint to holiday guests, lest they menace their own lives and the lives of others;

AND FURTHER, I call upon all municipal officials to join forces with State agencies in rigidly enforcing the safety regulations in a concerted, unified effort to stem the tide of traffic casualties during this season;

AND FURTHER, I call upon all communications media to keep our people continuously alerted to the dangers at holiday time; and that added vigilance is necessary if accidents are to be avoided. And in support of these services, all groups and organizations, social, business and industrial, are urged to alert and inform their members of the prevalence of accidents during the Christmas holidays.

ALBERT G. BINDER, Mayor
Township of Springfield

Postmaster In Plea For Early Xmas Mailing

Postmaster A. Del Vecchio urges all residents of Springfield to follow certain rules in order to keep up with the expected rush of Christmas mail.

"The 1957 Christmas mail volume," said Postmaster Del Vecchio, "will exceed that of any previous year. The facilities of the Springfield post office will be taxed to the utmost in order to process this mail without delay. Once again we are requesting your assistance and cooperation to enable us to process the Christmas mails as effectively as last year."

"The most time consuming operation in mail handling is the placing of letters with stamps faced in one direction in preparation for cancelling. Will you please separate and tie your mail, stamps faced in one way, in bundles labeled as follows: Local—All mail for Springfield; Out of Town—All other mail."

"Air mail and special delivery mail should be kept separate from these bundles."

"Please use labels. They are for your convenience in preparing bundles of mail. You may deposit the bundles in any street letter box or at the post office where an employee will be available to assist you. WHEN DEPOSITING THE MAIL AT EITHER POINT, PLEASE DO NOT BREAK OPEN ANY BUNDLES."

"To avoid unnecessary waiting at the stamp windows, I suggest you purchase a supply of stamps prior to time of mailing. The service windows at the main post office and at Contract Station No. 1, located in the basement of the J. J. Newberry Store, will be open as follows for the sale of stamps and for parcel post:

Saturday, December 14 and 21, Main Office 8 a.m. to 5 p.m.; Sta-

tion No. 1, 9:30 a.m. to 5 p.m. Sunday, December 15 and 22, Main Office 10 a.m. to 5 p.m.; Station No. 1 Closed.

Monday, December 23, Main Office 8 a.m. to 6 p.m. Station No. 1 9:30 a.m. to 6 p.m.

Tuesday, December 24, Main Office 8 a.m. to 12 M.; Station No. 1 9:30 a.m. to 12 M.

"The following suggestions are made to expedite your mail and to assure delivery before Christmas Day:

1. Each piece of mail should bear your name and address in the upper left hand corner and have a clear, complete mailing address, including zone number if part of address.

2. Parcels must be properly packed, wrapped and securely tied. INSURE all parcels against loss and/or damage.

3. Christmas cards mailed at the 2c rate must be UNSEALED and CONTAIN NO WRITING except signature.

4. Consider the use of 3c stamps on all Christmas cards instead of 2c. The extra penny adds dignity to the cards and permits forwarding if the addressee has moved, or return to you if the addressee cannot be located.

5. PLEASE MAIL EARLY. It will again be the pleasure of each of us at the Springfield post office to assure you of the prompt dispatch and delivery of your Christmas mail. Each employee and I extend to you the most sincere Season's Greetings for a VERY MERRY CHRISTMAS and A HAPPY, PROSPEROUS NEW YEAR."

Mr. and Mrs. Milton Rubinstein of Lakeland avenue are beaming over the arrival of their daughter, Marcia Sue. The Rubinsteins have two other children, Howard age 9 years and Sharon age 5 years.

Mr. and Mrs. W. Fisher of 8 Cottage lane were hosts at a dinner-party to Chief Justice of the Supreme Court of New Jersey, Joseph Weintraub, Charles Weintraub, Judge Nelson Mintz of Morristown, Mr. and Mrs. H. Lasser of Short Hills (Mr. Lasser is chief counsel for Paramount Pictures), and Miss Sally Fisher.

Helene Borsky had a double celebration in honor of her 9th birthday. She was feted at a family party on Dec. 3 and a party for her friends on Dec. 4. Helene is the daughter of Mr. and Mrs. Allen Borsky of 122 Kipling avenue.

Happy birthday wishes to Edward Eckert who celebrated his 7th birthday on December 8. Edward is the son of Mr. and Mrs. A. Eckert of 14 Country Club lane.

Strains of "Happy Birthday" were also heard on Dec. 7 at the home of Mr. and Mrs. W. Savarin of Garden Oval when their son, Jimmy, was feted at a birthday party. Jimmy, who was 7 years

old, had as his guests his sisters, Susan and Deborah; his cousin, Dennis of Newark; David Gash, Gerri Lesser, Marc Berlin, and Wendy Birnbaum all of Springfield.

The committee for Retarded Children wishes to remind all those who have not passed on or turned in their collection envelopes to do so as quickly as possible.

Our new neighbors at 221 Hillside avenue are Mr. and Mrs. Lewis Martino, formerly of Cranford. Mr. Martino is the owner of Jerry's Barber Shop in Westfield.

Mr. and Mrs. Bernard Frain of 588 South Springfield avenue are pleased to announce the arrival of their daughter, Mary Catherine, on November 16 at East Orange General Hospital. She weighed 7 lbs. 9 1/2 oz. Mrs. Frain is the former Mary Bolger of Woodside, L.I.

Birth congratulations to Mr. and Mrs. Donald O'Brien of Leland Gardens, E. Front Street, Plainfield who became parents of a son, Donald Jr. on November 21. Mrs. O'Brien is the former Virginia Bataille of Springfield.

The happy grandparents are Mr. and Mrs. E. Gilbert Bataille of 27 Proffit avenue.

Karen Gerber, daughter of Mr. and Mrs. L. Gerber of 80 Jefferson terrace, marked her 8th birthday with five of her friends by lunching out and attending a movie.

Then the group returned to Karen's home to end the festive day with dessert. Karen's guests were Robert Zaza, Linda Walker, Barbara Miller, Betty Ann Owens, and Michael Blake.

Nancy Friedman, daughter of Mr. and Mrs. Martin Friedman, celebrated her sixteenth birthday at a party given by friends last Saturday night, and one given by relatives on Sunday at the Friedman home, 144 Milltown road.

Your Library

The Book Exhibit and Sale which was held at the Free Public Library, 30 Main Street, Springfield, was acclaimed a tremendous artistic success. This exhibit, which helped to celebrate Book Week was open every day and evening for the entire week of November 18 to 23. The auditorium room in the basement was beautifully decorated by members of the Library Staff and mothers from the Parent Teacher Association.

The ladies from the Methodist Church loaned stuffed animals to break up the monotony. The Springfield Historical Society placed their book "Battle of Springfield" and cards showing historical sights on sale.

Fifty-three people took advantage of the sale to order books. A percentage of the list price of these books will go into the treasures of the P.T.A. for the four schools, Caldwell, Chisholm, Walton and Gaudinier. For this reason a larger return from the sale would have been welcome. However, a great many people came in just to enjoy the chance to look at the lovely art books from the Library's own collection. These are usually packed in so

"Surprise!" was the greeting Jo Ann Natello received from her friends who helped celebrate her eighth birthday on Saturday, November 23. Those who were present at the luncheon were her sister Paula, her brother Joseph II, Cathy Homlish, Doreen Jackson, Diana Dimina, Ann Schnell and Susan Oberst.

Jo Ann is the daughter of Mr. and Mrs. Joseph D. Natello Jr., of 83 Beverly Road, she is in the 3rd grade at St. James School.

tightly on the shelves that few people know they exist.

Parents appreciated the opportunity to talk with staff members about books suited to the reading level of their children. Adults discussed books on personal hobbies. After the exhibit was over some relatives of children who had seen the books, came to ask the librarians about purchases. These are all regular library services which are frequently overlooked.

To help with their own orders, a huge catalog "Books in Print," has just been purchased. This lists books from all the publishers in the U. S. A. which can be readily supplied at the present time. It was a fortunate coincidence that it arrived in time to check inquiries at the Book Exhibit. The public is welcome to come at any time to consult this book.

At the present time Brownies, Boy Scouts and members of the Women's Club are all searching the Library for material for Christmas programs. There are still a few lists giving titles of outstanding books in the Christmas collection. These will be distributed to those requesting them.

Power Saw Injures Mrs. Hillier Here

Mrs. A. Russell Hillier of 22 Park Lane suffered lacerations of four fingers and the palm of her left hand Monday night when her hand slipped while using a circular power saw, police reported.

Mrs. Hillier is a member of the Springfield Board of Education. Police report she was making toys for her grandchild when the accident happened.

She was taken to Overlook Hospital, Summit, by the First Aid Squad and released after treatment.

Woman's Club News

Because of inclement weather Springfield Woman's Club scheduled meeting of December 4 has been changed to December 18. Dona Gresco, the Cinderella girl violinist, will entertain the members as was scheduled.

The traditional "White Gifts" are to be brought in to this meeting. Please, members, mark your packages as to contents and size. This makes it easier for Miss Florence Gaudineer when she distributes them to underprivileged children at Christmas.

The Drama Department's Christmas party at the Cannon Ball House was enjoyed by all present. Games were played and prizes awarded. Sloppy Joe sandwiches were eaten and the big bowl of Holiday punch was consumed with gusto. Drama Department parties are traditionally held at Mrs. Michael Tatusko's home but this year Mrs. Tatusko is recovering from an illness and the members did miss their charming and gracious hostess, Mary Tatusko.

Garden Department will hold its Christmas Party at the Cannon Ball House, December 17. Hostesses for the evening are: Mrs. Walter Anderson, Mrs. Hilton Wood, Mrs. John Moore, Mrs. Leslie Kroeger. The members of the Garden Department of the Springfield Woman's Club are to be commended on the superb job they did in decorating the Cannon Ball House for Christmas.

On Friday evening, Nov. 29th, the following members of Boy Scout Troop No. 73, sponsored by the St. James Holy Name Society, Ed. Kaye Scoutmaster, Fred Gettau committee man, Explorer Scouts Richard Gettau, Eugene Finney, Boy Scouts, Lene Scharf, Phillip DelVecchio, Alan Wyckoff, Geo. Lalak, Robert Wishart, Ronald Puorro, and Wally Ziesler, attended a council Junior Leaders Training Course, at Camp Winnebago, which lasted thru Sunday, Dec. 1st. The attending complement were divided into 4 provisional Scout troops, with the above mentioned scouts and leaders becoming members of Troop No. 2, headed by Ed. Kaye as Scoutmaster, Richard Gettau as Senior Patrol Leader and Eugene Finney as one of the patrol leaders. A very rigid and rugged schedule was set up and followed with reveille at 6:30 A.M. and all cooking done out of doors over open fires, ending each day at 9:30 P.M. with a cracker barrel and hot chocolate. The weather bordered on extremes with torrential rains Saturday with sudden drop in temperature during the night with winds of gale proportions, snow flurries and frost. In spite of the weather the boys came thru with flying colors and

all were present for the closing ceremonies on Sunday afternoon, where they received a distinctive white neckerchief denoting participation in the course and on home, looking forward towards another weekend out of doors in spite of the weather.

On Tuesday evening, Dec. 17th, Troop No. 73 will hold its annual Christmas party for the boys together with parents' night. The place—St. James Auditorium, the time—8 P.M. We ask all parents to attend and show their interest in their boys' activities. Refreshments will be served.

At a pack meeting of Cub Pack 62 held Tuesday evening, December 10, the theme of the evening was Christmas in different countries. Christmas was presented by the cubs of each den depicting how Christmas was held at the Moon, in Sweden, Scotland, England, Holland, So. America, Germany and Mexico. It was kept with the season, it was also shown how Hannukkah is celebrated in Israel. A dramatization of "The Night Before Christmas" was done.

Awards were presented to the following:

- Den 2, Steven Seigel—Silver Arrow; Mark Horowitz—1 Gold Arrow; 2 Silver Arrows; Howard Rubenstein—1 Gold Arrow; 2 Silver Arrows; Ronald Faber—2 year pin; Barry Fullmer—Denner; Jimmy Cannon—Bobcat; Den 3, Jeffrey Peskin—Bobcat; Den 4, Steve Rosenthal—3 year pin; Ricky Seles—2 year pin; Richard Cohen—2 year pin; Den 5, Martin Pedinoff—Ass't Denner; Dennis Pedinoff—Bobcat; David Rich—Bobcat; Den 6, Martin Leibowitz—Bob-

Ireland has a hospital bed for every 67 people—leading the world proportionately. In the U. S. there is one hospital bed for every 100 people. Las Vegas, Nevada, estimates it had 7,800,000 visitors last year who spent \$162 million, including gambling losses.

Joan Christ Is Engaged to Wed

JOAN HELEN CHRIST

Mr. and Mrs. Frank A. Christ of Morris Avenue, Springfield, announce the engagement of their daughter Joan Helen to Frank J. Cooke Jr., son of Mr. and Mrs. F. Cooke of Gladstone Ave., Newark. A graduate of All Soul's Hospital, Morrisown, and now attending Seton Hall University, the bride-elect is presently employed as Clinical instructor at Clara Mass Memorial Hospital, Belleville. N. J. Mr. Cooke was graduated from Seton Hall Preparatory School, spent four years with the U. S. Air Force, attended Utah State College and is now attending Fairleigh Dickinson University. He is presently employed at Western Electric Co., Newark. A Spring wedding is planned.

Gift Wrapping Is Deborah Feature

Suburban Deborah League will hold a holiday meeting on Tuesday, December 17, 1957 at 8:45 at Temple Beth Ahm. Saks Fifth Avenue will demonstrate gift wrapping techniques for all members and their friends. Mrs. Norman Stromeyer, Vice President in charge of programs, announces that there will also be a gift wrapping contest. All people interested in supporting the Deborah Sanatorium & Hospital are advised to contact Mrs. Harold Barg—DR 6-0511.

The December board meeting of Suburban Deborah was held at the home of Mrs. Louis Seolnick on Monday, Dec. 9th. Reports were submitted by Mrs. S. Kessler on merchandise sales. Mrs. Harold Barg gave the formulation for further membership teas, since the interest in the work of Deborah Sanatorium & Hospital has greatly increased in this area with the admission of Union County patients. Mrs. Seolnick gave a detailed report on the local donor planned for March, honoring the 150 ardent workers in the Suburban League. The board approved a plan for a joint function being formulated with the Newark League of Deborah and the Newark Chapter of Pythias. Mrs. Allen Borsky and Mrs. Ben Kantor will represent Suburban Deborah and Mrs. William Decker, who resides at Troy Village and is President of the Newark League, will represent that auxiliary at a joint meeting on Tuesday, December 10th at the home of Mrs. Miller in Maplewood.

To Take Part in Consecration Rite

Forty boys and girls, who have begun their Hebrew studies this fall at Temple Beth Ahm, will take part in a special ceremony this Friday night. At the December 13 service which begins at 8:45 p.m., Rabbi Reuben H. Levine will conduct a Consecration Ceremony for the first year Hebrew students; thus recognizing their having embarked on their regular Hebrew training. Cantor Irving Kramerman and Frank Brown, principal of the school, will assist.

The landing of troops on the coast of France on "D-Day," June 6, 1944, by the U. S. and Allies, began the greatest invasion in military history.

Spongy Metal Puts Local Firm on Map

A Springfield industry has developed a sponge-like substance that has become a major advance in American know-how in the field of high temperature metals. Metals and Residues, Inc. of Brown Avenue, has put a Tungsten Sponge Mix on the market that is superior in quality and cheaper in price than conventional ferrotungsten used as an additive in the production of types of steel.

The new product, called M and R. Tungsten Sponge Mix (patent pending), is a direct outgrowth of a recently developed process invented by Lester D. Supiro, treasurer and co-owner of the firm. In the past many expensive steps were required to get tungsten from the crude ore. The Sponge Mix can be produced at 30 cents to 40 cents less per pound than the old ferrotungsten.

Metals and Residues produces many ingredients for refractory metals, many of which are used in the nation's defense and research program.

Pvt. Completes Army Schooling

Pvt. John S. Donington, son of Mrs. Anne L. Donington, 99 Morris Ave., was graduated Dec. 6 from the lineman course at the Army's Southeastern Signal School, Fort Gordon, Ga.

The eight-week course trained Donington to construct and maintain both open and lead covered field communication wires and cables. He entered the Army last August and received basic training at Fort Dix, N. J.

Donington was graduated from Regional High School in 1953 and from Seton Hall University in 1957.

Cake Sale at Grand Union This Saturday

The Springfield League of the Jewish National Home for Asthmatic Children will sponsor a cake sale at the Grand Union in Springfield on Saturday, December 14th, 1957.

Proceeds will aid the research program of the Jewish Home. Mrs. Dorothy Rudner, chairman, will be assisted by Mrs. Edith Shapiro and Mrs. Diana Schulman.

Unico Aux. Plans Season Activities

Mrs. Fred Puorro of 88 Irwin street was hostess Monday evening at a regular monthly meeting of the Ladies of Union. Mrs. Vincent Bonadies, along with the membership expressed their gratitude to Mrs. A. Pancani for her recent and most successful effort as chairman of the luncheon card party, which was held December 3 at B. Altman and Company.

Christmas preparations for St. Wallburg's Orphanage were discussed. Members are going to visit the orphanage laden with gifts for the festive season. Plans were also formulated for a Spring Dance, which will be held March 9 at the Club Diana.

The highlight of the evening was exchanging Christmas gifts among members. Decorative holiday refreshments were served.

Harry Le Moine Named Club Head

Harry Le Moine of Springfield, chief teller of the National State Bank of Newark, was elected president of the Quarter Century Club of the bank.

The club was organized at a banquet recently at which all 90 charter members received \$250 in cash, a wrist watch and gold pins from the bank.

GIRL SCOUT Corner

The intermediate and brownie scouts of St. James Church with their parents, friends and leaders attended an Investiture Service on Sunday, December 8 in the Church at 8 o'clock. The services were for all the new brownies and intermediates. Twenty new intermediates were invested and received their pins at the altar and thirty one new brownies were invested and received their pins also at the altar. Seven new leaders were invested. Father Oehling blessed all the flags and pins and presented pins to the new girls and their leaders. Intermediate scout Josephine Cucuzella was in charge of the colors and the girls. Refreshments were served following the services.

Troop 755—Leader, Mrs. Edward Townley; co-leader, Mrs. Frank Smith. The girls enjoyed working on their Thanksgiving projects by making name plates for their parents from pine cones. They are now working on their Christmas project by making snow men of cotton. Practicing is going on with the flag-ceremony. Troop committee consists of Mrs. Gene Consales, Mrs. W. D. Crawford and Mrs. Sidney Rawitz.

Troop 752—Leader, Mrs. Lee Andrews Jr.; assisted by Mrs. Walter Zeiser, Miss Mary Ann Delaney and Miss Dorothy Ann Boehm. A

meeting of the Mothers of the troop was held on Tuesday, November 5 in St. James Cafeteria. Plans were made to help the girls with their badges during the year. On November 3 the girls began working on their dressmaker's badge under the guidance of the following mothers: Mrs. Gargalowitz, Mrs. Balbach, Mrs. Sussko, Mrs. Ost, Mrs. Cain, Mrs. Miller and Mrs. Minnetti. The girls meet at the various homes on Monday and Tuesday afternoons. Most of the girls have completed their first project, a shirt for themselves. One of the girls has made her own scout skirt and several others will start theirs soon. The girls under the guidance of Mrs. Kent Cooper and Mrs. Cataldo are bowling at the Springfield Bowling Alley each week. This is a requirement on the sports and games badge. Marilyn Sussko and Carol French hold the high scores of 124 and 118. On Saturday, November 16 Patrol leaders, Veronica Coakley, Theresa Gargalowitz, Patricia Callahan and Secretary Roberta Finney, with Mrs. Andrews and Miss Boehm visited the Miniature Village at 1 Evergreen avenue. There under the wonderful guidance of Harry Speicher the girls made a centerpiece for Christmas. Again on November 30 the same girls with Cynthia Puntigan visited the Village and were instructed in another Christmas project. On December 6 the entire troop enjoyed the Village.

The girls are looking forward to many happy hours which will be spent with the children of King's County Children's Home, story-telling and keeping the housekeeping corner well stocked with small toys and the like. Many of the girls are making stuffed animals to be given to the Red Cross for distribution at Christmas. Plans are under way for the troop Christmas party to be held on Thursday, December 19, at which time a girl scout Christmas play, will be presented under the direction of Miss Delaney. Basketball practice, another requirement on the sports and games badge, will be resumed after the holidays under the guidance of Mrs. Zeiser and Miss Boehm. The troop received a thank you letter from Father Cameron, Catholic Mission, Truk, Caroline Islands, Trust Territory, Pacific, for gifts sent by the girls last Spring.

The following scouts recently completed a first aid course given by Mrs. George Bowles, a member of the Springfield First Aid Squad, at the squad home: Troop 750, Janice Feig, Susan Bartlett, Ghny Stone, Patti Feller, Andrea Gash, Roberta Bachrach, Carol Sprauger, Paula Bodnar, Anita Holler, Paula Cain, Pat Cubberley, Bar-

bara Miele, Leslie Marino and Cathy Nigro; Troop 751, Linda Kuehn, Linda Lyon, Barbara Radke, Susan Cunningham, Diane Roller, Trudy York, Jean Ann Herman, Janice Brucker, Joan Howell, Judith Anderson and Patti Regi; Troop 754, Roganne Shotwell, Sigrid Patterson, Gail Shrader, Barbara Cannon, Carol Ann Hardy, Rachel Davis, Barbara Deutsch and Irene Pancani; Troop 756, Dorothy Sammond, Kathleen Kozak, Carole Gorey, Betty Russo, Kathy Graessele, Kathy Falk, Ann Kameon, Marguerite Cafrey and Peggy Cawley.

Service Guild to Have Party Tues.

The Wesleyan Service Guild will have their Christmas Program party on Tuesday, December 17, at 8:00 p.m. The devotional theme

"You Are My Witness" will be presented by Mrs. Jean Quinzel. Gifts for the Home for the Aged marked for gentlemen or lady will be appreciated. Secret Pal gifts are also to be exchanged. Hostesses for the evening are Dorothy Becker, Eileen Benitz, Ethel Benitz, and Ruth Bradbury.

Small-Fry Launch Basketball Season

The Springfield Recreation "Small-Fry Basketball" program opened last Saturday afternoon at the Florence Gaudineer School gymnasium, with most of the three hour period devoted to fundamental drills, dribbling, passing, and four shooting. Several informal games were also played, with the teams picked at random.

All boys were registered and were briefed on the organization plans of the "Small-Fry Basketball" league. The clinics and instructional period will continue this Saturday afternoon at the Florence Gaudineer School gym, with the school gym open at 1 p.m. for all Springfield youngsters interested in an organized league. Boys 9 through 12 will be permitted to play with any of the eight clubs, with boys over this age active in the Springfield Youth Basketball League.

The makeup of the eight team league will be announced after next Saturday's program, with every effort made to form a well-

balanced league. The Recreation Commission has increased the number of teams from six to eight, in this manner allowing more youngsters to participate. The entire basketball program is under the supervision of the Springfield Recreation Commission, with League Director Edward Ruby in charge of the program.

The Springfield Recreation Commission will also sponsor and organize the Springfield Youth Basketball League, with this activity scheduled Monday through Thursday evenings at the Florence Gaudineer School gymnasium. The school will open every evening at 7 p.m. and will close at 9:30 p.m. with the last hour of the evening devoted to an adult basketball or hockey program.

All boys in grade school are permitted to participate in the evening program until 8:30 p.m., giving way to the adult group at this hour.

The Goodwill Industries organization, providing jobs for handicapped and aged persons, was founded in Boston in 1900 by Rev. Edgar J. Helms, a Methodist minister.

ORT Joins Reform Group in Service

The Reform Jewish Congregation of Springfield and Springfield Chapter of Women's American ORT will hold a joint service this Friday, December 13 at 8:30 p.m. at the Presbyterial Parish House, Main street, Springfield.

At this time, through the cooperation of Rabbi Malcolm Mendelsohn, spiritual leader of the Reform group, the women of ORT will offer thanks for the rehabilitation of hundreds of thousands of their fellow Jews throughout the world.

Mrs. Ivan Crouch, chairman of the evening, announces that the following members will assist with the services. Readers will be: Mrs. Nat Turin, Mrs. Stanley Seigel, Mrs. Harry Katz and Mrs. Leonard Gerber. Kindling of the Candles: Mrs. Edwin Reichman and Mrs. Walter Canter.

Ushers will be: Mrs. Sidney Sklar and Mrs. Jack Hager. Mrs. Seymour Margulies, Chapter President, Mrs. Sid Garner and Mrs. Sam Ross, Omeg Shabat chairmen, cordially invite everyone to attend.

The Reform Jewish Congregation announces a school Chanukah program to be held Sunday morning, December 15th at 11 a.m. The school choir will perform for the first time during the program. All classes in the school have been preparing their presentations for the occasion. Parents of the pupils are cordially invited to attend.

Breakfast at the Lido Diner this past Sunday, December 8 was the setting for a very informal get-together by a large contingent of male members of the Reform Jewish Congregation.

Jack Slater, chairman, ways and means, conducted a short open discussion on the "Voucher Plan." From the standpoint of getting a lot accomplished over a cup of coffee, President Phil Gurian, suggested more frequent "breakfasts" which met with much approval and enthusiasm from the group. Another "breakfast" get-together is being planned for the near future.

The Reform Jewish Congregation wishes to remind its members and friends to make reservations for the New Year's Eve Party as soon as possible, since accommodations are limited. The affair will be held at Temple Emanu El

Northfield road, Livingston. Chairman of the program, Mrs. Paula Gash, advises making a phone call immediately to any one of the following people: Mrs. Eleanor Bachrack, Dr. 9-4707; Mrs. Dorothy Lesser, Dr. 2-5176, or Mrs. Mimi Bierman, Ad. 2-2868.

Women Voters to Examine Colleges

A film strip entitled "The Children are Here" will be shown by the League of Women Voters as part of their current unit meeting on the League general agenda item, "Education Beyond High School." This meeting will take place on Tuesday, December 17, at 8:15 p.m. in the Springfield Public Library.

The film strip will be narrated by Mrs. S. Miller; Mrs. E. Schwartz will supply the resource material; and Mrs. J. Seidel will lead the general discussion.

The need to expand our facilities for higher education both in our state and in our nation is of prime importance today. What facilities are available within the state, the county or within a 30 mile commuting distance of Springfield? What proportion of New Jersey's eligible students will be able to attend college in the near future? All Springfield League members are urged to attend this meeting and discuss the answers to these as well as numerous other pressing questions. Refreshments will follow the discussion period.

MR. AND MRS. BEN CHADWICK RETURN FROM CONVENTION
Ben J. Chadwick, local realtor and head of the very active firm bearing his name with offices in Morris avenue, is back in Springfield after spending the week-end and early part of the week at the annual convention of Realtors in Atlantic City.

Mrs. Chadwick accompanied her husband to the Hotel Traymore for the combination convention and short vacation. Officials of the Realtors organizations, said Chadwick, appeared to be very optimistic in their reports to the members of the convention and there was a consensus of opinion that the real estate business should be very good in 1958.

Chadwick reports a very good year in local real estate for 1957, a record number of transactions having been completed in the year just ending.

Busy Is Signal As Phone Co. Moves

The local business office of the New Jersey Bell Telephone Company will open in new quarters Monday at 388 Millburn Avenue.

The company manager John H. Lockwood said the need for larger quarters is due to a 25 percent increase in the number of telephones served by the business office here since service in the Millburn-Springfield-Short Hills area was converted to dial operation two year ago.

The business office will remain open at its present location, 62 Main Street, until 5 p.m. tomorrow, Lockwood said records and equipment will be moved over the weekend to minimize inconvenience to customers. The new office will be opened at 9 a.m. Monday.

APPROVE NEW UNITS FOR COLONIAL MOTOR COURT

The Colonial Motor Court, one of Springfield's motels in Route 22, has received approval from the Board of Adjustment on their request for the construction of six additional units. The recommendation will be considered by the Township Committee at the next regular meeting Wednesday, December 18.

The motor court is located in Route 22 opposite the Davega Store.

P.T.A. NEWS

Many local P.T.A. members could not attend the 57th Annual Convention of New Jersey Congress of Parents and Teachers held in Atlantic City in late October. These members may be interested in the "highlights" of the convention as described in a report made by a local delegate who did attend. The delegate was requested to "brief" local members on matters which were emphasized at the Convention. A brief account of the important issues follows.

Springfield delegates were among 1789 delegates representing 410,449 members of 1271 local P.T.A. units distributed over the state of New Jersey. The 1789 delegates convened in Atlantic City to take action on particular matters which affect every New Jersey community — including

1. The general theme of the Convention—"The Role of the P.T.A. in Today's Society."

Mrs. Leonard H. Garber, Chairman of the Book Sale Committee of the Edward V. Walton School Parent-Teacher Association, announced that orders for books which were placed at the Library during Book Week are now available. They may be picked up at the Library anytime during the regular hours.

"Because of so many mobile families, there is a lack of community-mindedness and a feeling of rootlessness on the part of children. It is up to each P.T.A. to encourage greater cooperation between the school, the community, and the family to avoid serious social and cultural problems." (Sam Wittich, speaker, Glassboro Teachers' College)

2. "We must provide each child with the best physical, mental, social, and spiritual education. World Peace and survival of mankind may depend upon the way we educate the citizens and leaders of tomorrow. Schools are doing a good job in adjusting children to society, but they need the help of the entire community, especially the examples of the family to put the training into practice." (Mrs. Cecil Garey, speaker)

3. "Who is the Most Important Person in the World?" "The master teacher is the one who thinks that each child in the class is the most important person in the world." (Dr. A. D. Holt, Vice President of the University of Tennessee, speaker)

4. "There are no short-cuts to solving critical shortages of college facilities. Evening College courses, technical training schools, and junior colleges are not long-range solutions to the problem. Society and business do not accept the technical training school as a substitute for a college degree; and high school students are aware of the prestige factor." (General conclusion)

The Publicity Committee members plan to publish some of the resolutions adopted by the New Jersey Congress of Parents and Teachers at the Convention in next week's "PTA-News" column of the Springfield Sun. At that time the name of the delegate who has enlightened members on the "highlights" of the 57th Annual Convention will also be announced.

Vice President of the National Congress of Parents and Teachers, speaker)

3. "The best ways to accomplish the objectives of the P.T.A. is for the local Presidents to call on every member to get behind the National and State programs, sharing the common purpose of improving community conditions which affect the lives of children and youth. Three phases of particular concern in the community are: (a) safety education; (b) better educational facilities; and (c) increased mental health facilities to detect and treat mental illnesses." (Mrs. Phillip A. Hyatt, President of New Jersey Congress of Parents and Teachers, speaker)

4. Every P.T.A. should make it its business to be more thoroughly informed than ever concerning immediate and long range plans of local Boards of Education. More large sums of money will be needed between now and 1965 for success in planning and expanding school facilities for that leveling-off period from present critical conditions. New Jersey School population increased 281,000 during the past eight years and will increase 281,000 during the next eight years. Members of the P.T.A. have a high stake in providing funds for long range school expansion programs. (Fred M. Raubinger, New Jersey State Commissioner of Education, speaker)

5. "Who is the Most Important Person in the World?" "The master teacher is the one who thinks that each child in the class is the most important person in the world." (Dr. A. D. Holt, Vice President of the University of Tennessee, speaker)

6. "There are no short-cuts to solving critical shortages of college facilities. Evening College courses, technical training schools, and junior colleges are not long-range solutions to the problem. Society and business do not accept the technical training school as a substitute for a college degree; and high school students are aware of the prestige factor." (General conclusion)

The Publicity Committee members plan to publish some of the resolutions adopted by the New Jersey Congress of Parents and Teachers at the Convention in next week's "PTA-News" column of the Springfield Sun. At that time the name of the delegate who has enlightened members on the "highlights" of the 57th Annual Convention will also be announced.

Caldwell School Mrs. George Kunc, the Publications Chairman for the Caldwell School P.T.A., will be happy to accept subscriptions to the National Parent-Teacher, the P.T.A. monthly magazine. The subscription rate is \$1.25 per year. The November issue offered a list of Good TV Programs for the very young child—page 7. The list followed a general discussion of "The Case of Television vs. the Children." P.T.A. members who have subscribed for the National Parent-Teacher magazine report that each issue contains articles of vital interest to parents and teachers, too. Mrs. Kunc can be contacted at DR 9-5685.

Walton School A meeting of the class mothers was held at the school on Wednesday afternoon, December 4. In spite of the storm, Mrs. William Peacock, Room Representative Chairman, reported that there was an excellent turnout, and plans were made for the various parties to be held in the classrooms before the holiday vacation. The parties for the kindergarten classes will be held on Thursday, December 19, and the parties for the 1st through 5th grades will be held on Friday, December 20.

Hanukkah Ceremony At Hadassah Wed. Springfield Chapter of Hadassah will hold their monthly meeting on Wednesday evening, December 18, 1957 at 8:30 p.m. at Temple Beth Ahm 60 Baltusrol Way, Town. Mrs. Nathan Sherman will preside. Mrs. Fred L. Braun, membership chairman will report on the recent paid-up membership luncheon. At that time, Mrs. Sherman presented to the group the banner that Springfield Chapter was awarded for membership at the convention last month in Atlantic City. Henceforth this award will be on display at every meeting.

Mrs. Irwin Gershen, program chairman, has arranged an unusual program for the evening. Mrs. Arthur Williams, musical director, and several of the members will conduct a Yeminite Chanukah, the traditional Festival of Lights. A 28 minute color sound film "A New Morning" will be shown. This is a travelogue through Israel from Dan to Eilat showing

the impact Hadassah has through-out the land. The film is narrated by stage and screen star, Alexander Scourby. Mrs. Ralph Jacobson, hospitality chairman, and her committee have planned a social hour after the meeting.

Local Men Record Top Selling Disc

A comedy Christmas record featuring two local men may prove to be the top new Christmas hit of 1957 according to sales figures received to date. The record, a sound-studded modern version of the classic "Twas the Night Before Christmas" is performed by Frank Feilmer of Summit, a disc jockey at WMTR, Morristown, and Jack Silverman, an ex-disc jockey of Springfield. An equally unusual treatment of "Jingle Bells," also featuring Frank & Jack, is on the reverse side.

Public response has been extremely favorable. In both Detroit and Cleveland the record is currently among the top ten best sellers and sales in Philadelphia and Chicago place it just outside the top ten in these cities. "Twas the Night" is no one-shot hit. Together with partners Ralph Stein of Lake Hiawatha and Sid Frank of Springfield, the boys own and operate Spot Productions, an organization which creates and produces radio and TV jingles and children's records in addition to comedy material.

Tolerance Theme Of Meeting Sun.

There will be a panel discussion on tolerance as expressed in Gotthold Lessing's play, "Nathan the Wise," at the Sunday morning meeting, December 15, of the Society for Ethical Culture, 516 Prospect St., Maplewood, at 11 a.m.

On Tuesday, December 17, the Society will hold an open Board and General Membership meeting at the building. Refreshment and coffee will be served at 7:30 p.m. The business meeting will start at 8:30 p.m. Nathan Hart of Springfield is chairman of the Membership Committee.

The impact Hadassah has through-out the land. The film is narrated by stage and screen star, Alexander Scourby. Mrs. Ralph Jacobson, hospitality chairman, and her committee have planned a social hour after the meeting.

Spfd. Market Leads League As Parkview Bowlers Fold

The Springfield Municipal Bowling League, at Springfield Alleys, scrambled their team standings Monday night. Drake's Fuel took all three from Parkview Atlantic and topped that team out of first place. Springfield Market, last year's champs, moved into first place with three wins over Cozzolino Furs.

Bockmann's Market are in second spot by virtue of a two-game win over D'Andrea Driveways, Bunnell Bros. took the odd game from Frank's Auto, Mend's Florists dropped two to American Legion No. 2, and Brunner's Excavating shut out Legion Team No. 1.

Booby Anderson of Springfield Market was high man hitting 193, 206, and 235 for a 634 series. Stan Burdett's 616 series included, a 244 high game for the night. Ed Geerke had a 234; George Roesser, 232; Bob Eckman, 210 and 233; Walter Schramm, 224; Herman Mendel, 216; and Matt D'Andrea, 219.

Magistrate's Court Monday night saw Judge Henry C. McMullen fine a Summit man \$55 for failing to have his truck inspected in over four years. The truck owner, Charles F. Schwep of 27 Robin Hood road, said his truck is out of state six months out of the year. McMullen ruled that that does not constitute an excuse for not having had the vehicle inspected.

Local Man Heads Nwk. Science Fair

Maitland Simmons of 166 Short Hills avenue will serve as the Chairman of the Committee on the Friday Program in the 1958 Greater Newark Science Fair to be held April 11-12 at Newark College of Engineering, according to William Hazell, Jr., General Committee Chairman.

A total of 150 public, private, and parochial junior and senior high schools in Essex, Union, Hudson, Passaic, Morris, and the southern part of Hudson County, will be invited to participate. The two top winners will be sent to the 9th Annual National Science Fair in Flint, Michigan, May 7-10, to compete against state and regional winners from other States throughout the country.

The Science Fair movement was originally instituted to provide opportunities for scientifically-minded students to develop their abilities under competitive conditions in order to attract as many as possible to thinking of science as a career.

License Revoked For 4 Tickets

Springfield showed up on the Motor Vehicle Agency license revocation list for the second time in a month when 21-year-old Rayo Reiff of 417 Hillside avenue had his license revoked for 2 months. Reiff was charged with passing a red light, a stop sign and two speeding violations. Magistrate's Court Monday night saw Judge Henry C. McMullen fine a Summit man \$55 for failing to have his truck inspected in over four years.

The Springfield Sun Guidebook

- AUTO BODY WORK: ELLIY — (155 Morris Ave., near of Chrysler-Plymouth agency, Springfield. When your rear end is out of shape look for (1) a firm with the necessary fancy equipment, (2) a firm with the know-how of experience, and (3) a firm with the integrity to do the best job at the lowest rate. On all 3 counts, the SUN recommends Elliy Auto Body Shop.
- AUTO REPAIR: CLARK'S GARAGE — (Just over Route 22 overpass on South Springfield Avenue, Springfield, 1915 Ford, Frank Clark is probably the only person in town who knows how to service it. That was the year he first began undoing the mitchell Detroit had wrought under the hood. Today his reputation is such that he needs no sign over his garage — people know him.
- CUSTOM LAMPS: RIGBY'S (Profit Avenue corner of Morris Avenue opposite Smith and Smith, Springfield) — Lee Rigby, Springfield's veteran civic leader, has moved into an aptly named shop behind his former big showroom to concentrate on the work he loves most — designing and making lamps and lamp shades. He has a stock of ready-made lamps on hand which he can adapt to personal needs.
- FLOOR COVERINGS: LINOLEUM & CARPET FACTORY OUTLET — (Route 22, Springfield, DRexel 6-5202) Mel Horn's linoleum, tile, and broadloom emporium sports a vast range of floor coverings at low budget prices. Almost all of the nation's leading manufacturers are represented on the display floor. The Outlet is particularly renowned for the quality of its installations.
- FOOD MARKETS: SPRINGFIELD MARKET — (272 Morris Ave., Springfield, DRexel 6-0431) If you're an expatriate member, or just a mother expecting good service, these boys take phone orders and deliver. Springfield Market's modern merchandising means. Everything from the builder's supplies to the select selection of housewares is arranged in neat displays to catch the eye. Free delivery is available from both the Springfield store and the even bigger Westfield home headquarters.
- HARDWARE: HYPE AND ELLIS, INC. (719 Mountain Ave., beside Mt. Spring Bake Shop, Springfield, DRexel 6-7590) A sparkling new hardware superstore has opened up in the growing south end of town and is showing Springfield what modern merchandising means. Everything from the builder's supplies to the select selection of housewares is arranged in neat displays to catch the eye. Free delivery is available from both the Springfield store and the even bigger Westfield home headquarters.
- HI FI & SOUND: STEREO SOUND CORP. — (173 Mountain Ave., Springfield, DRexel 9-4547) Your two ears play an important part in listening to sound. The story of high fidelity sound reproduction is largely an effort to add another ear to the traditional one eared speakers. This development, called stereophonic sound, is available for home listeners as well as the Radio City Music Hall. This firm can set you up with either dual recorded tape sound systems or AM-FM radio binocular sound.
- HOME IMPROVEMENTS: CHANNEL LUMBER CO. — (Route 22, Springfield, DRexel 6-5000) Channel's charge account system makes it possible to buy just about anything under the sun (or so advertised in the SUN) and take 18 months to pay for it. This, of course, includes lumber, home improvements, housewares, paints, hardware, and so on. A service to the community is Channel's standing offer to loan extra chairs for card parties, club meetings, etc., absolutely free of charge.

- INSURANCE & REAL ESTATE: ANNE SYLVESTER'S REALTY CORNER — (609 Morris Ave., Springfield, DRexel 6-2900) Was the man who said "We're understanding the power of a woman." He could well have had in mind Springfield's Honors Realty Corner where Anne Sylvester's staff of exceptionally competent women are setting local records for sales and reliability. For everything from selling your home to personal insurance, the SUN recommends these sales.
- LAUNDROMAT: BUNNELL BROS. — (8 Finner Ave., Springfield, DRexel 9-2460) Springfield without the Bunnells would be like Boston without the Cabots. Robert and Richard Bunnell have been writing insurance of all kinds in town since 1918. Their big friendly office is in the bank building near all other big friendly money. Their advice on insurance matters, though in a good deal more than friendly, their years of experience show in the soundness of their advice.
- LAUNDROMAT: COURTESY LAUNDROMAT — (228 Morris Ave., Springfield) Everybody knows that you just drop off your laundry here and come back in an hour to pick it up fluffy dry. But did you know that Adolf Mirabelli does expert shoe repairing here too? And he's fluffy dry all the time.
- LUMBER & SUPPLIES: COLUMBIA — (Morris Ave., Springfield, DRexel 6-5050) These are all sorts of accordion doors on the market now, most of them of the cheap modern variety. Columbia has the solution to this problem in the handsome grained woods used in the Pella-Wood Folding Door. These quality craftsmen doors come in a variety of rich woods. There is a substantial quality in these doors that would do credit to any home, whatever the decor.
- LIGHT FIXTURES: MODERN LIGHTING (615 Morris Ave., opposite Terry Dempsey's, Springfield) Now that it is getting dark early in the evening, it's time to light the outside of your home both as a welcome to guests and a safety factor. Joe Hochstadt has a great variety of outdoor lights, including low black mushroom lights, stake lights, lantern grills, and built-in flood and spot. He gives away a booklet "Light for Living Outdoors" as a guide to homeowners.
- PAINT & WALLPAPER: R. CLEMING — (248 Morris Avenue, Springfield, DRexel 6-7725) Along with art's supplies and about a million gallons of wallpaper, Roy Cleming carries the fabulous complete ERH line of paints. This firm has pioneered some startling developments in paints, including Alkyd base and latex emulsions that cover in one coat. The Cleo-Match system of selecting the 324 color variations is the cleverest we've ever seen.
- POULTRY: CARALE'S FARM — (128 Springfield Ave., Springfield, DRexel 6-1809) What's the good of living in the country (ie. Springfield) without being able to get country fresh food? Carlo Coscia, the turkey king, makes all this scrumptious worthwhile by growing his own poultry, selling his own eggs, and making his own butter. All of it is available every day at his showroom.

- RESTAURANTS: CHINA SKY — (Springfield Shopping Center, DRexel 9-5010) Here's a restaurant sampling from the menu showing that there's practically everything under the China Sky. SAM GOP TAI — sliced lobster meat, white meat of chicken, Chinese roast pork prepared with imported Chinese mushrooms, snow pea pods, water chestnuts, bamboo shoots and hearts of bok choy. All this for \$4.75 in Jack Chin's cheerful dining room.
- SIP & SURF DRIVE-IN RESTAURANT — (Corner of Morris Avenue and Springfield Avenue, Springfield, DRexel 6-2800) If you're one of a fashionable race of restaurateurs who will still totter out of your car and eat indoors, Jack Bullock's colonial-modern dining place offers a big new dining room. However, you'll get the same good food by simply staying in your car and let the girls run the food out to you. Either way the food is what makes stopping here an event.
- WALTER'S INN — (595 Morris Ave., opposite Hillburn Ave., Springfield) The old board compound about the pizza being too big to eat must have originated here where the pizzas come king size in both diameter and seasoning. We like getting a pizza among everybody at the table and ordering individual portions of their delicious lasagna, ravioli, and veal and peppers. You sure know you've dined out after that.
- MOUNTAIN AVENUE LUNCHEONETTE — (549 Mountain Avenue, Springfield, next to Walton School) Right in the middle of nowhere, that is Mountain Avenue, is a brand new luncheonette that would be hard to beat for location. Mrs. Germania has outfitted an appealing dining area and luncheon counter for breakfast, lunch and snacks. Her food is homemade and delicious.
- TV SERVICE: A & A TV — (2706 Morris Ave., Union, 1/2 mile from Springfield, MUdock 8-5900) Al Jones has been in TV since 1932 when it was considered a lugh. Jones kept a straight face, though, and by seriously keeping abreast of the electronic world has made available to Springfield a shop that is tops in its field. Fixed charges, same day service, and guarantees on all work are the other reasons why people phone A & A.
- SPRINGFIELD RADIO & TELEVISION CENTER — (173 Mountain Ave., Springfield, DRexel 9-4545) Five mobile repair trucks, six mobile repair men, and enough testing equipment to man the CBS master control room, make this a logical choice when Lawrence Welk gets bleary. The service is quick and all work is guaranteed. The proof of the pudding is the rate this firm has expanded in recent years.

- PHONE NUMBERS: POLICE — DRexel 6-0400 FIRE — DRexel 6-0800 FIRST AID SQUAD — DRexel 6-2800 TOWNSHIP CLERK — DRexel 6-4254 PUBLIC LIBRARY — DRexel 6-1431 CALDWELL SCHOOL — DRexel 9-4334 CHESTERMOUNT SCHOOL — DRexel 6-5080 GAUDINER SCHOOL — DRexel 6-1454 WALTON SCHOOL — DRexel 6-5300 REGIONAL HIGH — DRexel 6-5300 ST. Bulldog Cagers Lose Two; 62-60 in 1st; 57-49 in 2nd

On December 6, Regional's cagers began their 21st season with a loss that could have easily been a win. The second game was played on December 10, at Plainfield where a second defeat was handed the varsity.

Both scores were close and the contests could have gone either way. At Westfield, Regional saw leading by 4 points with only one minute left to go. Although some calls went against them, the game should definitely have been Springfield's. At Plainfield, the Swedes exhibited poor shooting throughout most of the first half. However in the second half, after applying a full-court press, the deficit was once out to 5 points. The final score at Westfield 62-60. At Plainfield the score was 57-49.

Outstanding men for Regional in the Westfield game were: Bill Benner, a forward whose abilities are known to all Regional fans. Tony Della, the 6'6" center whose rebounding abilities were shown to be great. Don Carpenter, a jump shot artist who once again showed his wizardry in the first half, and Dennis Golcher, whose three consecutive field goals at the beginning of the second half helped bolster the Regional lead. Not to be overlooked were Warren Watkins and Al Parker. Warren scored some timely baskets, while Parker had to fill Della's sneakers many times in the game because of the personal fouls Tony had committed.

The high scorer for Regional was Benner with 22 points. Della not only showed his ability to rebound with the best of them with 18 rebounds but he also showed a degree of proficiency in driving.

he scored 8 points. Don Carpenter and Dennis Golcher were both in double figures and Watkins and Parker both fought hard under both backboards and each tossed in some buckets.

In the contest against Plainfield, here is how the scoring went for Regional, who sorely missed the presence of big Tony Della. Benner had 7 points, Golcher scored 9 points mostly on drives, Watkins had 8 points, Sabatini made three foul shots, Carpenter scored 15, Krowne scored 3 points, and Jerry Stuver had a field goal.

In the Junior Varsity game at Plainfield the "Up and coming Bulldogs" won by about twenty points. They were coached by Mr. Hunchar. The player who showed the most promise was Jay Gladstone whose 18 points were high for all Regional players that day. A tremendous season should be in store for these promising boys, who include: Richie Baker, Richie Evans, Ed Reese, Bill Franklin, Larry Rous, Paul Siock, Don Gilbert, Herb Rupp, Ted Hohn and a red named Walter Duda. All the members of the J.V. are sophomores and in the future they will be heard from, by just looking at the box scores.

Pennsylvania raised over \$31 million in community chest funds in 1956, highest of all the states. The next five, in order, were Ohio, California, Michigan, New York and Texas.

SUNNING SPORTS

By MIKE GOODMAN

by MIKE GOODMAN

This is the time of year for the local newspapers, among them the "Newark News" and "Elizabeth Daily Journal," to pick their Union County "All-County" selections. Some football players will be honored and a great many won't, many Coaches will blister and rage because their brawny athletes didn't make that hallowed list as first or second team selection, and John Q. Public will read supposedly about the cream of the county's football players and sit back in his easy chair, and say, "So what?"

So what does it mean? Does it mean that every player on the selection list is destined for great things in college ranks. Are they assured scholarships to institutes of higher learning? By no means. Then what good are the "All-County" selections year after year. The sportswriters of these newspapers readily admit that the selections are a form of recognition for the outstanding teams in the area. They admit that the players that make the lists are good, but they also admit that many good players are lost in the shuffle when they play for losing teams. This year, Union with a 8-1 record dominated the "All-County Eleven" with four men. Plainfield and Rahway each contributed two and Roselle and Cranford one apiece. Only one boy from a losing ball club made the first-string. It was Don Coleman of Linden. These selections were made by the "News" while the "Journal" stuck to the formula of putting only boys from winning teams on the first-string. Their pick was George Williams of Cranford who wound out the backfield.

This "All-County Eleven" is a fairly well representative team of the winning squads in Union County. But stacking this team up against Essex County or any of the other areas in New Jersey, it is weak. The ends in Fruchey of Cranford and Sam of Union leave much to be desired. The center weighs only 150-lbs. and would be hardly an anchor of an offensive wall.

FUTURE STAND-OUTS

It may be beating the home team's drum but I predict that Don Carpenter of Springfield Regional and Joe Sissa of Clark will go far in collegiate circles. Both played on losing teams. That accounts for their relatively low standing on the selection lists.

Joe Sissa played three years of varsity ball as guard—one at Springfield and two at Clark. He tips the scales at 255 lbs. and he is mentioned as the best pro prospect to come out of Union County since "Rosie" Crier of Linden joined the professional football giants.

Carpenter has played three years of varsity ball, handling the team from the quarterback slot. He has the makings of a fine collegiate quarterback or tailback. He can run, pass and kick. He is one of the top kickers in the state, averaging 42 yds. a punt for the season and 57 yds. a quick kick.

Defense has been his forte and today when collegiates have to play both ways offensively and defensively, he is outstanding. He has usually backed up the defensive line as corner or middle linebacker.

TO ALL DADS—if your son wants to play high school football or you want him to go to college at a college's expense, follow this sound advice taken from Sports Illustrated, "raise him to be a vicious linebacker on the field and an excellent student in the classroom. This is a winning combination and one that every college wants to have."

Conte's Takes 3 Games From Cops

by JOE PEPE

Conte's Delicatessen swept the P.B.A. by taking all 3 games to increase their Springfield Sports League lead. R. Ginnattasio had a good night for Conte's, leading the team with a 222 game.

Drexel Cleaners has started their climb in the league standings. Drexel, winning all 3 games from Lynn Decorators, are just 2 games out of second place. R. Hattersley and Ed Schaffer led

the Drexel attack with some fine bowling. Stereo Sound won 3 games by forfeit over Springhouse Tree, as the Tree men would have only had 2 men bowling.

50 Grapplers Set For County Foes

by Eric Dalrymple

With the football scene passing from the spotlight, winter ushers in Basketball and Wrestling. These two sports will dominate the thinking of all sports-minded high school individuals for the next three months.

The latter, Wrestling, is to many people one big hilarious Broadway play at which one is supposed to cheer either for "Man Mountain" Dean or Argentina Rocca. However, this is not case in the wrestling which goes on at Regional High each afternoon. Wrestling here is a highly developed sport which to master takes a good deal of perseverance and a wealth of knowledge. Unfortunately far too few people know this and fewer still come to see Regional's grapplers take on county foes. Union County is a "hotbed" of wrestling but the way students support this sport hardly belies this belief.

This year approximately 50 boys are on the wrestling squad. About 12 of these boys will see varsity action. Looking over the gamut of varsity, here is the run-down on the varsity members:

Eugene Becker—the small man of the wrestling team. He wrestles in the flyweight 103 weight class. Eugene is a sophomore with a little previous experience from last year. He wrestled in two varsity matches last year.

Dan Staruch—a senior who will wrestle in the 115 lb. class. He has only one year of Jay Vee experience to back him up.

George Harms—small strong and mighty sum up George's qualifications. George has two years of varsity wrestling behind him. He is quick and sure of himself and should go to the State Wrestling Tournament with a chance to capture the State title in the 123 lb. class.

Richie Röttman—will wrestle in the 129 lb. weight class. Another Senior with a year's varsity experience to bolster him.

Pete Rupp—a tall lanky Junior will be wrestling on the varsity for the second year. He will compete in the 135-lb. weight class.

George Fleetwood—will wrestle in the 140-lb. weight class. He too suffers from an acute case of inexperience.

In the 147-lb. weight class, the starting berth is still undecided. Junior Ray Lewandewski and Senior Bob Keith are fighting it out.

Lou Munch—has cinched the starter's lot in the 157-lb. weight class. He is a Senior and this is his first year out for wrestling but he has progressed faster than expected.

Bernie Keil—will wrestle in the 168-lb. class. He has two years of varsity experience and great things are expected of him.

Bill Kelsay will start in the 175 lb. weight class. This is a new division added to the wrestling format this year. It will be in-

teresting to see how this new class fits in with the current wrestling picture.

Fred Hochstrasser will carry Regional's colors in the heavy-weight division. He wrestled varsity last year. He has to fill the oversized shoes of graduated Jerry Vinella. Vinella carried the heavyweight matches time after time, giving the margin of victory to the few matches that Regional won. Hochstrasser must carry a large load this year.

Come and cheer for the Grapplers. They won a State Championship in 1955. They have a outside chance to repeat this year. It will be well worth it in excitement and suspense.

All Local Skating Rink Needs Ice

The Springfield Recreation Commission recently completed the grading of the Hershaw Playground, providing an ice skating rink for local ice skating enthusiasts. With the arrival of the next cold snap the area will be flooded by the Springfield Fire Department and will be available for use. A floodlight will illuminate the skating area and from all indications it should prove to be a popular addition to the Recreation Commission sponsored activities.

The playground soil was graded to provide safety as well as immediate ice for skating, all dependent on the weather.

The first all-steel railroad passenger coach was built in 1907.

Local Cage Star Now College Star

Les Lawn of Springfield will be one of nine former New Jersey-New York high school stars who will see action with the Florida Southern basketball team during a four-game tour of the New York-New Jersey area next week.

Lawn, a former all-county player at Jonathan Dayton Regional High School in Springfield, is a starting guard for the Moccasins.

The 5-10 cager made the squad as a freshman last season when Florida Southern captured the Florida Conference championship and compiled a 19-4 record.

Union County, N. J., cage fans will have a chance to see Lawn in action in nearby East Orange, on December 16 when Florida State meets Upsala College. The other games are with Colgate, Hobart College and Niagara. Lawn is considered a fine outside shot by Coach Tom Greene. At Springfield Regional he played three seasons. In 1955 he was a member of Regional's "Cinderella" team which reached the final round of the New Jersey Group 3 tournament after a sub-par season.

Youth Group to Observe Hanukkah

Mrs. Seymour Wortzel chairwoman of the Temple Beth Ahm Youth Activities Committee, has announced that a supper party will be held at the Temple on Thursday evening, December 19, at 5:00 p.m., in observance of Hanukkah. All children who are members of the Temple youth group are invited to attend.

Rabbi Reuben R. Levine will direct the candle lighting ceremony which is traditional during this holiday, and the children will participate in the program.
