CITED AS THE BEST—Miss Florence M. Gaudineer, for 25 years school nurse at Springfield, N. J., receives 1958 award from New Jersey Society of Dentistry for Children for "outstanding service on behalf of children's dental health in the community."

Township School Nurse Honored Twice In Week

Miss Florence M. Gaudineer, Springfield school nurse, received two honors in a single week, the latest being Tuesday evening when the Board of Education appointed her as supervisor of health services for the entire Township school system.

The other citation came Monday when the New Jersey Society of Dentistry for Children, at its annual meeting in Atlantic City, honored a Springfield school nurse for her work in establishing one of the most effective school-dental health programs in the country.

Receiving the Society's annual award for "outstanding service on behalf of children's dental health in the community" was Miss Florence M. Gaudineer, for 25 years a school nurse in Springfield. The presentation was made by Dr. Saul M. Gale of Newark, Society president.

During the 1956-57 school year, 97% of Springfield's approximately 1600 school children had all their needed dental work completed by virtue of Miss Gaudineer's program, which enlists support of pupils, teachers and local dentists, Dr. Gale noted.

An award system including certificates, felt patch emblems, parties, and motion pictures is (Continued on Page 3)

A product of the Hamilton Township school system, Mr. Fallon attended Trenton State College graduating with a bachelor's degree in secondary education. He taught in the Upper Freehold Township High School, the Trenton Elementary Schools, the Mt. Hebron Junior High School in Montclair, and the Pingry School in Elizabeth.

Presently, he is teaching in the seventh and eighth grades of the Gaudineer School. Since coming to Springfield, he has served as secretary of the parent-teacher association, president of the teachers' association, and representative to the New Jersey School Development Council. He is now an officer in the Union County Teachers' Credit Union.

Urge Forwarding Mail In Summer

With the coming of summer, Postmaster A. V. Del Vecchio would like to remind patrons of postal matters involved in the vacation period.

The postman's arrival is full and overflowing mail box, resulting from the family's absence on vacation, is tempting to mail thieves and indicates the house is empty and easily ransacked.

Mr. Del Vecchio suggests that patrons visit the post office to make the necessary arrangements to have their mail forwarded to their place of vacation during their holiday period.

Panel Of Citizens Will Discuss New Government

Five citizens of Springfield, Joseph Bender, Norbert Berberich, Mrs. Francis Keane, Donald Lenny and Lauren Skousen, will hold a panel discussion on local government Tuesday evening, May 27, 8:15 p. m. at the Springfield Public Library. All citizens of the community are invited.

Just as industrial concerns study their organizational structure in order to compensate for rapidly changing conditions and to achieve greater efficiency and economy this panel will discuss the Charter Study and what is meant to this town.

The members of the panel have volunteered their time to discuss their personal opinions and ideas. Audience participation is essential to the success of this public meeting. Some members of the elected Charter Commission will be present as well as observers

from other communities.

Mrs. John K. DeVries of Essex Falls, Vice President of the League of Women Voters of New Jersey, will act as moderator.

Here is a brief sketch of each member:

Joseph Bender of 21 Ann Place, a mechanical engineer by profession, has served the community as Chairman of the Citizen's Recreation Committee, is an active member of the Brotherhood Council and is Chairman of Civic Affairs for Temple Beth Ahm. (Continued on Page 3)

Cancer Drive Here First To Go Over Quota

Springfield received the special commendation of the American Cancer Society for being first municipality in Union County to "reach its quota and go over the top" in the Cancer Crusade for funds just closing in the Township.

Springfield not only went "over the top" but the check of \$2,900 already delivered to the Union County Chapter is more money than was ever raised before during a Cancer fund drive in the Township.

Credit for this sensational showing goes to Mrs. Philip Lewis, chairman of the Springfield Cancer Crusade, and the capable teams of volunteers who carried on the campaign. The quota for Springfield, determined by the Union County Chapter, was \$2,300 but the local volunteers reached and passed that goal quickly.

The check for \$2,900 has been sent to Union County headquarters but more contributions are expected since some of the reports have not yet been completed. Mrs. Lewis expects the final figures to add considerably more to the Springfield total.

The Union County goal of \$122,000,000 should be reached according to Walter Hildebrandt, president of the Union County Cancer Chapter.

Detailed reports and lists of all the workers who helped Mrs. Lewis make such a sensational success of this year's Cancer Crusade fund drive are being prepared and should be made public in a week or so.

Local Air Patrol In Drill Sunday

The entire cadet unit of the Springfield Civil Air Patrol will participate this coming Sunday, May 25, in the first inter-squadron drill competition to be held in the state of New Jersey.

Out of some 30 squadrons in the state of New Jersey, only five felt qualified to enter in the competition, to be held at Morristown Airport. For six minutes each squadron must perform precision, close order drill, in accordance with Air Force and Civil Air Patrol regulations.

The winner on Sunday will represent the state in the National competition, and finally the international event, in which similar teams vie for the award of the coveted trophy.

Lutheran Youth Travel To Pa.

Officers of the Holy Cross Lutheran Welfare League, the youth group of the congregation, journeyed to Pittston, Pa., last weekend to attend a District Rally at St. John's Lutheran Church there.

The purpose of the conference was to discuss plans for the forthcoming New Jersey District Convention of the youth organization to be held in La Plume, Pa., on August 22-24.

Attending from Holy Cross Church were John Haselmann, Jr. of 37 Meisel Ave., John Keller of 28 Remer Ave., and Janet Lissy of Chatham. Also attending were 18 members of the New (Continued on Page 3)

\$3 1/2 Million Extra To Run Road Out Of Town

Springfield's one frail hope of not having the new Route 22 run through town was dealt a further blow when it was revealed Tuesday night that an alternate route skimming Springfield would cost an extra \$3 1/2 million.

Township Committeeman Raymond W. Forbes told a special mayor's committee that State Highway Department officials have told him that this additional cost makes it just about certain that the route will follow the one outlined in maps released so far.

Slogans Pour In For Best Town Motto

The Chamber of Commerce's "Slogan for Springfield" contest enjoyed a rollicking first week with "a bushel basket" of suggestions flowing into chairman Jack Stifelman's well guarded safe.

Homeowners, merchants, industrialists and students combined to stuff the ballot boxes with catch-phrases that will typify Springfield. Each morning a batch of post cards and letters arrived at the post-box (113), another batch had shown up in the box set up in the National State Bank of Elizabeth in Springfield and at Jonathan Dayton Regional High School.

The sloganeers were not only out to help Springfield, but to try and win one of the six prizes being given by the Chamber of Commerce for the best entries. The slogan that is adopted by the judges will win a \$50 U. S. Savings Bond for its author.

Not only did the contest bring forth a great stack of sincere slogans, but also a collection of somewhat sarcastic sayings. A few follow:

"Springfield, Gateway to Millburn."

"Park in Springfield, Shop in Summit."

Poppy Days Here Friday And Saturday

Friday and Saturday of this week, May 23 and 24, have been set aside as "poppy days" being conducted this year under the auspices of the American Legion Auxiliary with Mrs. E. J. Schnell, Sr., as chairman of the annual event.

"Wear a poppy in memory of America's war dead" will be the appeal of an army of volunteers gathered by Mrs. Schnell who will invade the streets of Springfield offering the little red flowers in return for contributions.

The money collected will be used for rehabilitation of all veterans and members of the American Legion Auxiliary Unit 228 will appreciate this support for the disabled veterans and their needy children.

The following ladies of the Auxiliary and juniors will participate in the two-day poppy appeal: Mesdames Edward Baumer, Albert Binder, Samuel Boibis, Neil Brown, Eugene Campbell, Joseph Collette, Edgar DeRonde, Stuart Douglas, Wm. Temple Weighs Possibility Of New Building

Over a 100 members met at Temple Beth Ahm on Sunday afternoon, May 18, to discuss the pros and cons of a new building.

Due to the increase in membership and the broadening of their activities these past few years, the present Temple facilities have proved themselves to be inadequate. The purpose of this meeting was to look into the future with a view towards planning for it.

The President of the Temple, Milton Kapstatter, conducted a general discussion period in which the membership took an active part. The group recommended that the Executive Board vote on the question of whether or not a new building be proposed and that this proposal should then be brought to the general membership for its approval.

Karl Duerr Wins Army Promotion

Specialist Duerr entered the Army in November 1936 and completed basic training at Fort Dix, N. J.

The 25-year-old soldier was employed by Springfield Tool and Die Company in civilian life.

Bonadies, With 2 Autos Wins Another Cadillac

That very old political hokum promise of "two cars in every garage" was re-written by Township Committeeman Vincent J. Bonadies this week.

Bonadies has been driving a brand new Cadillac for several months and Mrs. Bonadies has been happy with a Buick which already takes the space of their garage.

Saturday night the Bonadies attended the Union National Newark Chapter affair at the Military Park Hotel, Newark, where one of the highlights of the evening was the selection of a winner in the raffle conducted by this organization. The only prize was a new Cadillac automobile and Bonadies held a single ticket.

The lone Bonadies number won the Cadillac which gave the Springfield resident one car too many for the eligible drivers in the Bonadies family. The problem was solved, announced Bonadies, by exchanging the big Cadillac for smaller, two door job, which Mrs. Bonadies will use. The Buick is to be sold.

Bonadies accountants are planning to prepare a report to show how many raffle tickets and chances he has purchased over the years. The preliminary figures, the accountant says, will probably add up very close to the value of the new Cadillac.

The Saturday night affair was part of the "I Am An American Day" program and the raffle proceeds have been earmarked for the Unico scholarship fund.

Line Of March Announced For Memorial Day Parade

Springfield and Millburn will unite, as usual, in the Memorial Day parade one week from tomorrow (Friday) with largest line of march in the history of this Decoration Day event.

And for the first time, the full band from the Jonathan Dayton Regional High School will be in the parade which is scheduled to start at 9 o'clock sharp Friday Morning, May 30.

The Springfield units will assemble at 8:45 a.m. in North Trivett avenue, near the Municipal Building area and line up as follows in the parade: Police Department, Harmony Band, Fire Department, American Legion, American Legion Auxiliary, Veterans of Foreign Wars and Ladies' Auxiliary, High School Band, First Aid Squad and Auxiliary, Springfield Elks, Civil Air Patrol, Girl Scouts, Brownies and Cub Scouts.

Following is the route of the march: From town green left on Plemmer avenue to Morris avenue, thence over Main street, stopping at the Methodist and Presbyterian churches.

Concrete Bases For P.O. Boxes

Postmaster A. V. Del Vecchio has issued an advertisement soliciting bids for the anchoring of all street mail-box equipment on concrete slabs. Closing date for submission of bids is May 26. Details may be obtained from the Postmaster.

The anchoring of mail boxes is a requirement directed by the Post Office Department because of the great number of injuries sustained by mail box equipment tipping over on children and other persons.

To assist the Springfield 1st Aid Squad in their drive for funds you are asked to fill the coin card in the space dated May 24 marked RE-SUSCITATOR. Cards will be picked up by the squad in September. Make it a habit to fill the coin card regularly each week.

Your Library

This week exactly one year and two weeks after the dedication of the New Wing, the Free Public Library of Springfield is again expanding. This time two hundred and eighty shelves have been set up in the lower level.

Since one group of books had to be chosen for this level, it seemed best to choose the older fiction. This is the largest single group and can be kept together. It also is used the least for the answering of reference questions.

The new shelves are so fine, looking and convenient, (not crowded) and so well-lighted that books are easy to find. Everyone feels sure that when readers have gone down to the lower level, they will enjoy looking for books.

This change makes it possible to place Art Books (700) in a special room of their own. They will be to the left of the front door in the fireplace room. This will leave the back room for the whole group of 900 books. These are the histories and travel books. The biographies will remain approximately where they

SUNNING SPORTS

By **MIKE GOODMAN**

S. Haydu Wins 4 Without Loss

May 12, at Kotzen Field. S. Haydu 8 and Sun Publishing 5. Haydu struck out ten and walked five while giving up 7 hits. Meyer and Duval combined to strike out seven but walked 12. Hitting stars were Nelson with 2 for 3 and Reese with 2 for 3 including a double. Sun team.

The Geljack Jewelers defeated the Chamber of Commerce team at Chisholm Field. Krank pitched a no hitter, striking out ten and walking but three. He was only in trouble once but snappy fielding by Chodos, P. Baumer and Condon pulled him through. Montag went two for two including a homer with two men on base.

On May 13, the Chadwick Realtors defeated the Geljack Jewelers 9-7 at Chisholm Field. Fleming was the winning pitcher. Isley hit a grand slam homer for Chadwick. Costanza homered with two on for Geljack and also contributed shutout relief pitching for the Chadwick team.

Silverman was the big man for the Colantone Shoe team in his team's 10-4 win over Sanderson's Dairy Queen played at Kotzen Field May 13. He pitched the whole game and collected three hits in three times at bat. Humphrey had two hits for the losers.

S. Haydu came up with another win on May 14 at Chisholm Field, this time over Sanderson's Dairy Queen. The winning pitcher was Eckelkamp. The hitting stars for Haydu were Green 2 for 2. Garner 2 for 3 and Ginter 2 for 2 including a double. For the Dairy Queen team, Ginter pitched for three innings including a double and Humphrey got two for three, one hit being a home run and the other a double. Tadato pinch hit a triple in the third. Garner made two sensational one hand catches of line drives in center field for the Haydu team, one doubling Muller off first with a fine throw. The Sanderson team also contributed a double play.

Chadwick had a nine run first inning in their 10-2 win over Scott Excavating on May 14 at Kotzen Field. Lyng had a homer and a triple in the first inning for Chadwick. Scott fought back but wasn't able to make it. Pleasanton was the winning pitcher. Fleming for Chadwick stopped Scott cold in relief with the bases loaded. Cadmus was the winning pitcher for S. Haydu in their 5-2 win over Colantone's Shoes at Chisholm Field on May 16. Haydu scored all 5 runs in the first inning. Silverman in relief for Colantone's shut out Haydu the rest of the way. Cadmus contributed two hits to help himself to his first win for Haydu. Tonkin tripled for Colantone in the second.

Belleveau was the winning pitcher and Tonkin again the big hitting star for Colantone Shoes. He defeated the Springfield Sun team on May 17 by the score of 4-0. Meyers and Ledig collected one hit each for the only two hits by the Springfield Sun team.

Springfield Regional advanced to the semifinal round of the Union County Baseball Tournament with a convincing victory over Cranford last Thursday. 4-2 John Kolesar pitched to his fourth straight win as the Bulldogs reached the Cranford Cougars for three runs in the first and an insurance run in the third inning. Don Carpenter drove in the first two with a booming triple then sophomore Ed Reese scored Carpenter with a single. Springfield's Dan Lacy singled sharply in the third, stole second base, reached third on an infield miscue and came home as Sonny Haubold sacrificed with a pop fly.

But the feat Baseball news originated in Newark this week. The Greater Newark Baseball Tournament Committee selected the entries for this year's classic and bypassed Springfield Regional. This came as a shock to Coach Russ Huncher who expected his squad to be among the seeded teams. Area coaches, observers and officials were also surprised a Linden (10-4) was seeded fifth in the tourney. The Bulldogs beat the Lindenites in regular seasonal play, 2-1. Other Union County teams entered in the Tournament were Rahway (11-1) seeded seventh, Jefferson (9-3), and Roselle (8-3).

Huncher Questioned
Coach Huncher attributed the team's failure to receive an invitation to the GNT tourney to one factor. The factor was pitcher Charley Janseo. Janseo was suspended approximately two weeks ago for a disciplinary violation. His value to the team is immense. He is the county's second leading hurler, only a half-step behind Linden's Richie Ochowski. But no boy is bigger than his team and Coach Huncher deemed it necessary to drop him from the squad. The GNT committee apparently thinks that the Bulldogs are harmless without Janseo.

Instead of inviting Regional, they sent an invitation to St. Peter's of New Brunswick. This squad sports a record of 8-3 while Regional is now 6-1. How wrong can their judgement be? Rahway took St. Peter's over the hurdles in a first round contest of the tourney yet.

Regional can show them how wrong their judgement was by copying the Union County crown. Regional plays Roselle home, this Saturday at 2 p.m. John Kolesar who has taken up the slack so admirably will go against the Rams' Ed Jones. After that comes the finals and if Regional meets Rahway for the crown and wins, revenge will be all the sweeter.

Fresh Fish Is Not Difficult To Cook Peak Supplies Will Soon Arrive To Vary Menus

We will soon be coming in to the peak of the fish season and whether you catch your own or buy it at the market, fresh fish should be available to vary the weekly menus. Captain John Smith published a book several years before the Pilgrims landed at Cape Cod which told of the hundreds of fish one person could catch in one day in New England waters. Any salt-water fisherman can tell you this is a dream of bygone years but fish are still plentiful and are among the cheaper of good foods available to us.

Cooking fresh fish properly is not at all difficult. Fish with a delicate flavor (shad, bluefish, butterfish, salmon and swordfish) are best when very simply broiled. For the fish that has been split with the skin left on broil skin side up first. When the skin bubbles and browns, turn the fish and brush with butter. When done, sprinkle with paprika, broil on one side, then turn and brush with butter. Keep the fish four or five inches away from the source of heat.

Fish that are a bit more coarse (cod, halibut, had-dock and sole) may be cooked in a great variety of ways. Perhaps for the benefit of the inexperienced, it may be well to describe some suggested methods in detail.

Poaching

For poaching fish, court-bouillon is highly recommended. Place the fish on a rack in a pot. Use just enough hot liquid to cover the fish. Do not permit it to boil but just simmer until fish is done. Court-bouil-

lon will keep the fish attractively white while flavoring it delightfully. The court-bouillon may be kept in the refrigerator and re-used, adding a bit of water each time so the flavoring will not become too concentrated.

| 1/2 cup dry white wine | 1/4 teaspoon thyme |
| or vinegar | 1/2 bay leaf |
| 1 carrot, chopped | 5 peppercorns |
| 1 medium onion, chopped | |
| | 1/2 teaspoon salt |

Creamed au Gratin

Cook the fish for ten minutes in court-bouillon. Place in buttered casserole, add one cup of thick white sauce mixed with grated cheese. Top with bread crumbs, sprinkle with cheese, dot with butter and brown in hot oven.

Baked in Wine

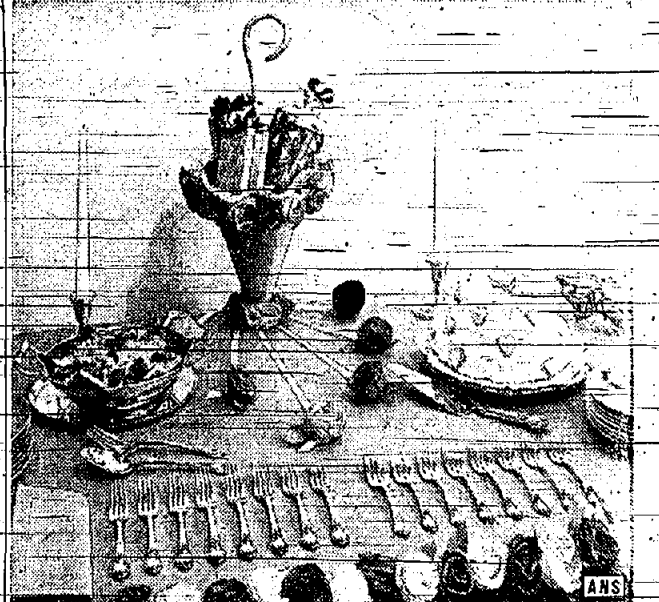

Place fish in buttered baking dish. Add one teaspoon chopped parsley, one medium onion sliced and parboiled, salt and pepper and 1/4 cup white wine. Cook in a slow oven about 45 minutes, basting frequently.

Portuguese Style

Cook fish in court-bouillon. Sauté sliced onions in butter in saucapan but do not allow to brown. Add

Bridal Buffet Shower

If the bride-to-be is a relative or close friend, here's an idea for a party on her wedding eve. Traditionally, this is the bridegroom-to-be's "last night out," so why not a "bachelor girl party" to take her mind off the "butterflies" in her tummy?

This beautiful buffet table; the centerpiece; the food all contribute to the festivity. Nothing on the table is overly complicated and can be managed easily even on that extra busy day before the wedding.

The casserole was made with two four-ounce cans of sliced mushrooms, one ready-to-cook stewing chicken (3 1/2 lbs.) cut up, chopped parsley, chopped almonds, chopped pimiento, and a can of condensed celery soup. The cake is made from a prepared mix decorated with candy hearts and silver shot.

Since the guests invited have probably already been obligated to buy one or more shower gifts plus a wedding gift, it might be well to limit gifts at the "bachelor-girl party" to \$1. and make them amusing as well as useful. Gaiety should be the by-word for this party.

Chicken Mantua

In a large skillet brown a cut-up young chicken in about 1/4 cup butter or margarine. Those long 1925 ropes of beads are losing favor in Paris. Latest trends show 10 to 15 rows of short beads, all on one neck.

Picnic French Style

Planning a picnic? Pack your lunch the French do. Wrap the buttered bread or rolls, the sliced meat and the lettuce separately in waxed paper or aluminum foil. If you are using salad sandwich fillings, pack them separately in jars or plastic bags or containers. Assemble the sandwiches when you are ready to eat and they will be fresh and delicious, no more soggy bread or wilted lettuce.

Add a little instant minced onion to the biscuit topping for meat pie.

For luncheon, add thin strips of cooked corned beef and Swiss cheese to a tossed salad.

Fresh Fish
(Continued from Page 1)
fish, cover with one cup thick tomato sauce and heat thoroughly without boiling.
Fried.
Dredge fish in prepared breading with two tablespoons of flour seasoned with salt and pepper. Don't fry in butter; it browns too quickly. Don't fry in olive oil; it's flavor is too strong. Vegetable oil is recommended. Use medium heat and don't overcook the fish. Just before serving fried fish, brush with butter and sprinkle with chopped parsley.
Leftover fish of almost any variety goes well in a salad. Any leftover vegetables can be used with the fish. Marinate the cooked vegetables at least an hour in French dressing so they may absorb its flavor. Flake the leftover fish and place it in the center of the plate on lettuce leaves. Pile little mounds of vegetables in a circle around the fish and serve with mayonnaise mixed with French dressing.
To bring out the full flavor of any fish you cook, sprinkle the raw fish with monosodium glutamate before cooking.

Plan Balanced Picnic Menus

Memorial Day ushers in the picnic season. Edith Magall, Asst. Home Agent, and there are many more choices for your outdoor eating which are listed below.
Plan your picnic meals so they are well balanced for nutrition, color, texture and flavor. Even in mind that the fresh air and activity increases appetites; you will need a larger amount of food than if eaten at home.
There is a right way to pack your picnic basket for best results. Pack heavier things, such as a jar of pickles, or canned goods, at the bottom. Wrap sandwiches individually and label with type for easier selection. Moist foods, such as fresh fruit and vegetables, should be washed and placed in aluminum foil or plastic bags. Cakes that are best for picnics are butter or sponge type with confectioner's frosting. If possible, pack them in the baking pan, or a firm box, and cover with waxed paper or aluminum foil.
Here is a suggested menu for a cold picnic lunch or supper.

Collector's Item

Dolls, like toy trains, seem to delight youngsters of all ages. Long before trains were ever thought of, however, dolls had found a permanent place in feminine hearts. Long after their own doll-playing years, women have found a fascination in making dolls and doll clothes for their own children, as gifts to others, and building doll collections. Books have been written on the subject of doll collecting as a valuable hobby, but suffice it to say that it is a "fun" hobby and that its appeal is universal.

work, there are many interesting patterns from which to choose. One of the prize-winning entries in the 1957 Nationwide Crochet Contest was a beautiful set of ten doll outfits crocheted by a 17 year old girl from Rhode Island. She had great fun making them and plans to continue to add to her collection in the months ahead.

- 2 1/2 teaspoons salt
- 1/2 teaspoon black pepper
- 2 teaspoons paprika
- 1/2 cup sliced-stuffed green olives
- 1 1/2 to 2 cup canned or cooked green peas, not seasoned

Place 3 tablespoons of the cooking fat in a large skillet or Dutch oven. Add the onions and garlic. Cook slowly until onions begin to brown about 15 minutes. Remove onions and garlic from skillet. Add the remaining 2 tablespoons of fat and the chicken. Brown the chicken well on all sides. Pour in about 1/2 cup of the water. Mix together the onions and rice. Arrange under the chicken. Add the salt, pepper, paprika and the rest of the water. Cover and simmer about 35 minutes or until the rice is tender. Halfway through the cooking time, stir gently to mix any uncooked rice into the water. Add a small amount of water if the mixture cooks dry.

When the rice is tender, add the olives and peas. Cover and heat several minutes. Uncooked peas may be placed over the chicken when the rice and onions are added. However, the peas are not as perfect in appearance. Since a young chicken is used in this recipe, it cooks tender in the 35 minutes. This recipe makes 5 to 6 servings.

Pineapple-Waldorf

An unusual flavor treat is a Waldorf salad to which one cup of pineapple chunks is added to two or three red apples which are coarsely chopped. Combine with one cup sliced celery, one-half cup walnuts and toss lightly with salad dressing.

Formal Glitter

Full Dress affairs are on the comeback, but the male uniform is quite a departure from the "soup-n-fish" of old. After six, for example, has taken the "penguin look" out of formal wear by using brilliant metallic yarns. The traditional white jacket is spruced up by a matching multi-colored set of cummerbund, tie, cufflinks and handkerchief. And for the bolder male there is a textured silk and shimmering blue dinner jacket of metallic yarns with a full set of accessories to match.

While the bread bakes mix together the 1/2 cup milk and the mushroom soup in a small saucepan. Add the tuna and peas. Heat gently until voracious.

When the bread is done, cut around the edges. Turn out one layer onto a large hot plate. If necessary, run a spatula underneath to loosen.

This recipe makes 6 generous servings

Bride-Elect Cake

This lovely heart shaped cake is a conversation piece for showers or other festive occasions. It's made with two standard pans—one square, one round. It's rich with unsweetened chocolate and topped with shell-pink peppermint frosting.

Cupid's Cake
4 squares unsweetened chocolate
1/2 cup hot water
1/2 cup sugar
2 cups sifted cake flour
1 teaspoon soda
1 teaspoon salt
1/2 cup butter or margarine
1 1/4 cups sugar
3 eggs unbeaten
1/2 cup milk
1 teaspoon vanilla

Place chocolate and water in top of double boiler. Cook and stir over hot water until chocolate is melted and mixture thickens. Add 1/2 cup sugar and cook and stir 2 minutes longer. Cool to lukewarm.

Sift flour once, measure; add soda and salt, and sift together three times. Cream butter or margarine, add 1/4 cups sugar gradually, and cream together until light and fluffy. Add eggs, one at a time, beating thoroughly after each. Then add flour alternately with milk, beating after each addition until smooth. Add vanilla and chocolate mixture and blend.

Divide batter between one 9x9 1/2-inch square pan and one round 9-inch layer pan which have been lined on bottoms with paper. Measure and make depth of batter the same in each pan. Bake in moderate oven (350° F.) 25 to 30 minutes, or until cake springs back when lightly pressed. Cool. Place square cake diagonally on a large tray, cardboard, or wooden board. Cut round cake in half. Place half circles with cut edges against two upper sides of square cake, to form a heart. Trim, if necessary.

Tint icing with just enough red coloring to make it a delicate pink. Decorate cake with outline of heart, using shaved chocolate. To serve, cut heart down the center and in lengthwise strips. Then cut each half-of-heart in diagonal strips, parallel to upper edge of square cake, to form small diamond-shaped petits fours. Makes about 40 small cakes.

REPORT TO THE PEOPLE FROM YOUR CONGRESSWOMAN

FLORENCE P. DWYER

and angles, factors and significant- nces to Vice-President Nixon's Latin-American adventure that it will provide food for thought for politicians, news analysts and interested citizens for a long time to come.

Two of the most obvious are the fact of large-scale Communist infiltration in Latin America and the huge boost received by the Nixon-for-President-in-1960 campaign as a result of the Vice-President's superb performance under fire. But there are other, possibly less obvious, elements in this situation that deserve some emphasis.

I was most impressed by the reaction of my colleagues in the House of Representatives in connection with our passage of the Mutual Security Bill. It could not have been less so. For instance, that the coincidence of anti-American demonstrations along the Vice-President's route and the burning of American libraries in the Middle East and Algeria, with House consideration of foreign aid, might have brought an angry response in the form of drastic cuts or major changes. As the crucial vote neared, in fact, the usual drama of an important decision was heightened by the tension of periodic bulletins of the news tickers reporting the assaults on the Vice-President.

Nevertheless, the lines held firmly. The substantial margins by which crippling amendments had been defeated during previous days' debates were repeated in the nearly 2-to-1 vote by which the bill was finally passed. The convincing arguments presented by the Administration and by Mr. Nixon himself demonstrating the need for the mutual security program were irrefutable. And the thorough studies of such groups as my own Government Operations Committee in exposing and correcting abuses in the administration of the program contributed greatly to the strengthening of it and obtaining its approval this year by such a big majority—a majority of 125 votes as against 100 last year.

The Vice President's own very thoughtful and responsible and generous reaction to his experience was one of the most favorable and encouraging aspects of the whole business—and very much in contrast to some of the more inflammatory statements that have been made by others.

He refused to blame the majority of Latin Americans for

insisted on searching for basic economic and social causes of the anti-American feeling he found, conditions which Communists and other extremists find it profitable to exploit.

Both he and the President insisted that our friendships with our South American neighbors had not been impaired, that the United States was deeply concerned at cooperating with these countries to improve their opportunities for political and economic advancement; and—most encouraging of all—they indicated our Governments will ingness to learn from the un- fortunate experience and to seek ways to improve our Latin American policies.

This is constructive and positive—and it is the kind of attitude that befits a great world power—genuinely concerned with exercising its power responsibly. It is, happily, a far cry from the brutality and repression inflicted by Soviet Russia on any of her "friendly neighbors" whose hostile feelings might show.

I hope that Congress will follow the lead of the President and Vice-President especially now that we are about to take up legislation extending the Reciprocal Trade Agreements Act. There is a concrete opportunity to cement friendly relations with other nations, to the mutual advantage of all, since all of us profit from a healthy and expanding foreign trade.

Mr. Nixon's reference to the hardships suffered by Latin Americans when trade restrictions injure their markets for oil, coffee, tin, wool, lead, zinc, copper, etc., products and prices on which whole national economies are dependent—points up the critical importance for the US to continue leading the way toward expanded world trade.

As I wandered about in the warm sunshine of the big airport here, waiting for the Vice-President's plane to land, I was struck by the informality and spontaneity of 15,000 people who simply came out to welcome the Nixons home. Republicans and Democrats, officials and plain citizens were joined without thought of partisanship in a spirit of national pride and personal affection for a man who did a good job under tough conditions.

Nothing here was regimented or rehearsed. The bands and banners and signs were homemade, not mass-produced. This was the kind of free and tolerant and friendly manifestation of the American spirit that will go a long way to convince the world that the United States is true to its ideals.

Tasty, No-Bake Prune Whip Pie

This no-bake prune whip pie has a wonderful flavor and the filling cooks quickly on top of the stove. The crust is of crunchy rice cereal crumbs. Whipped cream or vanilla ice cream are recommended for toppings.

- 1 1/2 cups water
- 1 teaspoon salt
- 3/4 cup uncooked white rice
- 1 1/2 cups milk
- 6 tablespoons butter or margarine
- 2 tablespoons beet or cane sugar
- 3 cups rice cereal, crushed fine

Put the water salt and rice in a 2-quart saucepan. Bring to a vigorous boil. Turn the heat down. Cover with a lid. Simmer over this low heat 12 minutes. Stir in the milk. Continue to cook over a low heat until the milk is absorbed, about 35 minutes. Do not boil. Cook very slowly.

While the rice cooks, melt the butter or margarine in a deep pie plate holding 8 cups. Stir in the 2 tablespoons sugar and the cereal crumbs. Mix well. Press over the bottom and sides of the pie plate. Chill.

After the rice cooks, cool slightly. While still warm, stir in the prunes, sugar and vanilla. Cool. Spoon over the crust. Cover and store in the refrigerator. The dessert may be stored overnight. Serve topped with whipped cream or vanilla ice cream. This recipe makes 8 servings.
