10¢ A COPY \$4.00 BY THE YEAR

## Howard & Dan Ask Control Over "Influx of Housing"

Township Committee Candidates Howard A. Flammer and Daniel M. Lucy today sharply attacked their opponents in the November 4 governing body election for blaming Springfield's schools as the cause for runaway taxes here.

"Only irresponsible and power-desperate candidates would resort to deceitful attacks on schools to achieve a scape-goat for runaway taxes," Flammer and Lucy declared.

"These candidates," Flammer and Lucy said, "are silent when it comes to explaining away the fact that municipal spending alone, which does not include schools, has nearly tripled from \$237,442.48 in 1951 to \$840,448.35 in 1958 and is still climbing at an alarming rate.

"These same candidates remain silent on how to explain away the use of public funds—the costs of which our taxpayers must be burdened with for the next 15 years—on a \$130,000 storm sewer, whose prime beneficiary are housing developers, who are brothers of the Township Attorney."

"These same candidates do not even offer a whisper of reply to answer why every community in Union County has the same growth and expansion problems as Springfield, yet only Springfield continues to have one of the highest tax rates in Union County," Flammer and Lucy pointed out.

"These same power-bent opponents won't even acknowledge the need in Springfield for a positive action tax relief program, yet every community in Union County has adopted one, Flammer and Lucy asserted.

Flammer and Lucy declared: "Adequate controls over the influx of housing in proper place with our municipal services; an end to giveaway programs, such as the Shumpke sewer which will burden taxpayers for the next 15 years; complete annual tax information to the public; a program to attract desirable ratables; and most of all, an honest recognition for the need of a positive action tax relief program, can and will bring about a halt to Springfield's runaway taxes."

## Hunter's Safety Course At PD

The Springfield Police Department is forming classes to teach hunter safety.

New Jersey requires that everyone applying for a hunter's license must complete such a course. Patrolmen John Wentz of 51 Mountain Avenue and Louis Quinton of 33 Maple Avenue will conduct the courses.

## Herman's Fund Passes \$6,000

Springfield residents, businesses and clubs turned in another \$506.60 to help Herman Speisbach III last week.

The sum brought the total given by the town to the injured boy to \$6,376.09.

But during the long week, Herman himself showed no sign of improvement. He still lies in a coma at Overlook Hospital, slightly improved from the condition he was in when brought there on August 23.

The boy's physician says there has been no change either for the good or for the bad in the last seven days.

The appeal for money for Herman and his impoverished mother and father and five brothers and sisters is still going on. The American Legion post in town plans to contribute all its earnings on November 2nd when they conduct their scrap drive. Herman's father's employer, the Maplewood Country Club, is conducting a fund raising drive.

Residents and businesses who have not yet helped the boy and his family are urged to send money to the "Herman Speisbach III Medical Fund," care of the Springfield SUN, 262 Morris Avenue.

DEMOCRATIC CONVENTION—Mrs. Ephraim Weinger (back to camera) greets Governor and Mrs. Robert B. Meyner and N. J. Assemblyman Mildred Barry Hughes when they arrived at a tea here Wednesday while Township Committeeman Vincent J. Bonadies looks on. What had been billed as a reception tea for Mrs. Meyner became a major Democratic show when the Governor changed his plans and spent two hours at the Florence Gaudineer

## Lucy & Flammer Defend Volunteer Civic Service

Township Committee Candidates Howard A. Flammer and Daniel M. Lucy described today as disgraceful the efforts of their opponents to smear citizens who volunteer to serve on community projects.

Lucy specifically referred to the attack made by governing body candidates Frederick A. Handville and Isaac Freedman on his service together with the work accomplished by Springfield's Civil Defense and Disaster Control last year when he served as Director.

"Such politically inspired attacks," Lucy said, "are vicious in their nature and are an affront to every man and woman who give unselfishly of their time to serve our community. If any purpose is served by such ruthless attacks, Lucy said, it is to expose the smears on volunteer workers as power-thirsty candidates for public office.

"My answer to them," Lucy stated, "is best summed up by Springfield's Township Committee, who authorized the following message to be sent to me by Township Clerk-Ethelmore Worthington. The message follows:

"The (Township) Committee asked me to pass on to you their thanks and sincere appreciation for all the time and effort you have spent in re-activating the defense work. They realize what a tremendous job it has been and their hope is that someone may be found who can and will carry on your very fine work. In their opinion, the people of Springfield owe you a deep debt of gratitude." (End of text)

Flammer and Lucy also cited the smear tactics directed at Flammer for his service on Springfield's Charter Commission.

Flammer stated: "The many persons who volunteered to serve with me joined in presenting to Springfield the question of a charter study to determine if the people here wanted to review their form of government.

"Our work was successfully completed," Flammer noted, "when the question of a charter study was placed on the ballot and approved by the voters. This question is now in the final stage where the people themselves will rightfully make the decision whether or not to change their form of government.

"An attack on the service to our community performed by those who served with me is typical of Messrs. Handville and Freedman," said Flammer. "They have continued to exploit the charter question politically to the point where Mayor Binder, a member of their own political party, labeled them outright political opportunists for doing so."

"The emptiness of Handville and Freedman's bid for public office," Bonadies stated, "is only accentuated when they turn their irresponsible attack on me even though I am not a candidate.

"This scheme of intimidation, Bonadies pointed out, is not new. It has been tried before and failed before." Bonadies stated, "In re-election last year, when the same scheme failed is a vivid reminder that Springfield will not be deceived by such mud-slinging tactics as practiced by the mud-slinging trio of Handville, Freedman and their new Republican boss, Raymond Kravetz."

Bonadies added: "While Springfield cries out for vigorous leadership, Handville and Freedman have nothing to offer and turn to personal attacks on me. While Springfield demands an explanation for the use of public funds on a \$130,000 storm sewer whose prime beneficiary is a housing developer, Handville and Freedman have nothing to say and turn to personal attacks on me. While Springfield's concern grows over the need for a tax relief program, Handville and Freedman have nothing to offer and turn to personal attacks."

"With time running out on them," Bonadies said, "Handville, Freedman and Kravetz continue desperately to grasp for any diversion to avoid the aforementioned issues on which all Springfield wants the answers. Their silence, however, on the vital issues seems louder than their untruthful political assaults on me," Bonadies declared.

Bonadies added: "As for Mayor Binder's rightful analysis of Handville and Freedman as political opportunists, I can only comment that this is a true description of men driving so furiously for power in public office that they have placed politics first and forgotten the people."

## Raise Doubt About Charity Drive Here

Springfield residents are urged to investigate thoroughly before responding to a solicitation for funds for Muscular Dystrophy.

Several citizens have made inquiries at the Springfield Sun office stating that they had been solicited by mail with the request "to collect money from neighbors and mail it to 835 Broad Street, Newark."

Here are the facts: The Muscular Dystrophy Association of America, Inc., is the organization with Jerry Lewis at the head which holds fund raising telethons. It has scheduled this year's for November 29 and 30.

Local housewives have received literature and collection paraphernalia from the National Foundation for Muscular Dystrophy, 835 Broad Street, Newark.

According to information obtained in telephone conversations, the National Foundation for Muscular Dystrophy has nothing to do with the Jerry Lewis organization. Money has already been collected by Springfield residents and mailed to the 835 Broad Street address in Newark.

The Jerry Lewis Muscular Dystrophy organization ran a four column advertisement in last Friday's Newark Evening News announcing that "their group is not connected with any other organization soliciting funds in the name of Muscular Dystrophy."

In a telephone conversation yesterday with Thomas Gorman, executive vice president of the Essex County Chapter of the Jerry Lewis group at 671 Broad Street, Newark, the Springfield Sun was informed that "every effort will be made to educate the public as to the work being done by our organization in behalf of Muscular Dystrophy."

"This other group," said Mr. Gorman, "always starts collecting funds just prior to the Jerry Lewis telethon. I believe there is an injunction against their solicitation of funds for Muscular Dystrophy in New York and we are making every effort here in New Jersey to have them cease confusing the public."

George H. Browne at 433 Washington Street, Linden, is in charge of the Union County Chapter of the Jerry Lewis Muscular Dystrophy organization. A telephone call there elicited the information that they "have no connection with the National Foundation . . . and any money going to them is not added to the money raised by the Jerry Lewis group in the telethon solicitation."

Mr. Gorman, the executive vice president of the Jerry Lewis group, also stated that Newark has granted a permit to solicit funds for their group but the police department refused the same privilege to the National Foundation organization.

In a telephone conversation with the Newark office at 835 Broad Street, Newark, the Sun was informed that the National Foundation had received permission to solicit funds in Springfield from the local police department.

## Mayor Asks 'No' On Proposed Manager Plan

Mayor Albert G. Binder fires the first of the final two broadsides against the proposed Council-Manager Plan E which is to appear on the ballot in the coming elections.

Mayor Binder who announces that "he has no further political ambitions in Springfield" urges the Township to vote "No" on the question and has 33 reasons why the proposed Manager Plan E should be voted down.

The statement below gives 17 of those reasons and the other 16 will appear in next week's issue. Mayor Binder is the only public official who has publicly announced opposition to the Council Manager proposal but the reports state that a very active group of local citizens has been organized to fight against the plan to change.

Following is Mayor Binder's first installment urging residents to vote "no" on the Council-Manager Plan E proposal: "I have previously presented

## Town Workers Told Jobs Safe Under Plan E

This is the seventh in a series submitted by the Springfield Organization for Charter Study.

Two groups are better off under the Council-Manager plan: the citizens in general and the city employees in particular. Since 1912 there has never been a single example of competent township employees being fired for political reason after adoption of a Council-Manager form of government. In reality, city employees get security; they had never known before. Their jobs are safe as long as they do their work.

Springfield's township employees, whether they be professionals in the police and fire departments or the secretaries in town hall, have done a remarkably competent job under a rather antiquated form of government. Under the efficient council-manager plan they can enhance their careers by performing even better service to the community.

Mythical firings is the oldest story that is associated with a professional manager, that he would fire many of the municipal employees. The exact opposite is true since the manager is de-

## Art & Ike Call For Action To Bring Ratables To Town

## GOP Urges Party Unity: "Vote Row A All The Way"

"Ike" Freedman and "Art" Handville in a statement released by Raymond K. Kravetz, Republican Campaign Chairman, at the Republican Club meeting on Monday night urged all voters to VOTE ROW "A" ALL THE WAY and continue good government in local, county and state levels under Republican leadership.

In complimenting the Republican County Committee and its members on a job well done for the local candidates, "Art" and "Ike" also pointed out that each candidate and each community is a part of the entire team and every effort should be continued.

"We will bring our campaign of facts, the truth about all the issues, to the people of this community for the balance of time left before election day as we have done all through our campaign to date and we are confident that the people in their continuing search for truth will support our candidacies by returning us as victors on November 4th," Handville and Freedman concluded.

## Donnelly Says More People; So More Taxes

Eugene F. Donnelly, finance chairman of the Township Committee today challenged the Democratic candidates to tell the public "the true tax facts."

Donnelly asserted that "over the last ten years a larger portion of the tax dollar has gone for necessary school and mandatory county purposes and a smaller portion for municipal purposes, which is the only part of your tax dollar controlled by township committee. The Democrats as usual have failed to tell the complete story when they charge the Republican administration with runaway taxes," he said.

"The Democrats have used quasi municipal tax figures to suit their own ends without explaining what they provided and why taxes must of necessity increase to meet the needs of an ever expanding population," Donnelly asserted.

The population of Springfield has jumped from 7,213 in the 1950 (Continued on page 3)

## Chamber Hears Manager Runs Gov't Better

An open forum of the Springfield Chamber of Commerce heard a Livingston politician recommend the manager form of government at the Florence M. Gaudineer School on Monday night.

Arthur Skeels, a Livingston councilman, told of his experiences under both the township committee form of government in Kenilworth and the council manager form in Livingston. He is a former mayor of Kenilworth.

Mr. Skeels says that since Livingston adopted the manager form (Continued on page 6)

## Henry Grabarz Attacks Dem's Zoning Stand

Planning Board Chairman, Henry Grabarz, answered the Democratic candidates' charges that Springfield has favored certain mass residential housing developers in making planning and zoning regulations too liberal. The Democrats claim this has been one reason why taxes have gone up.

Grabarz released a statement to the SUN saying that in effect this means the Democrats want to "control planning and zoning to prevent newcomers from moving into Springfield."

"Such a proposal is so completely opposed to the principles of justice, equality and honor which are our heritage from Colonial days that I cannot believe that they were aware of the full implications of their proposal."

"The Bill of Rights guarantees among other freedoms, the right of each individual to live in a place of his choosing. Messrs. Lucy and Flammer would deny them the right and nullify the Bill of Rights!

"The first obligation of any official is allegiance to God and Country and taking oath to uphold all laws. Messrs. Lucy and Flammer have proposed using methods which would subvert existing laws and the Bill of Rights and make a mockery of duly constituted government functions! All this under the pretext of 'retarding development and denying to other citizens the right to live in Springfield."

"If the Democratic candidates are really sincere in their efforts and are as honest as they claim, then I recommend that they follow the dictates of their OWN consciences and admit that this sudden concern for the welfare of the citizens is an issue born of an election campaign — completely false in its premise—absolutely without legal or moral justification and to be forgotten one day after election."

"If, instead of following false issues, Messrs. Lucy and Flammer had devoted themselves sincerely to a study of our governmental and Planning Board procedures instead of dragging 'red herrings', they would be in a position to speak with authority. Since neither Mr. Lucy nor Mr. Flammer has even appeared before the Planning Board or studied planning problems and procedures in connection with the proposed Master Plan for the future development of Springfield, then I denounce both of them for their willful aspersions on the integrity of the nine bi-partisan members of the Planning Board (Continued on page 6)

## Fredrick "Art" Handville and "Ike" Freedman, Republican candidates for Township Committee at a meeting today of "Democrats for Handville and Freedman" urged the formation of an Industrial-Business Commission to bring desirable increased ratables to Springfield.

Handville and Freedman proposed that this commission to be formed consist of qualified real estate executives, municipal officials and residents who would work towards bringing the right type of industry and business ratables to Springfield.

"These new carefully-screened plants and businesses would provide increased ratables, add to the Township's income and proportionately reduce taxes," Handville and Freedman asserted.

"This is good business—good for the Township—it is a demonstration of progressive Republican thinking and government in action," Freedman said.

Handville pointed out that a good example of a place for such progress to begin would be the south side of Highway 22 where clean industry could be located in an area of this community that is already zoned for business and industrial use and would in no way detract from the residential sections of Springfield as they now exist.

Handville and Freedman pointed out that the Democratic candidates have provided slogans for tax relief, but only the Republicans have provided a program for this purpose.

"Here," said Freedman and Handville, "is a concrete proposal—the formation of such an Industrial Business Commission that will work year-round on a bipartisan basis for the overall benefit of Springfield. It will solicit the most desirable industries and businesses for Springfield by advertising the township's many advantages, such as strategic location and proximity to the metropolitan area plus a fine residential area for the new business employees."

"We welcome more homes of the type that have made Springfield the most attractive community in Union County. We also welcome the proper type of non-nuisance industry and business to be situated in areas as allowed by the township zoning ordinances," Handville and Freedman concluded.

## GOP "Senses" Victory As Dance Looms

The Republican Halloween Dance being held on Thursday evening, October 20, at Old Evergreen Lodge in honor of "Art" Handville and "Ike" Freedman seems headed for a smashing success according to reports received by the committee in charge.

Sensory victory on November 4 for both Freedman and Handville has made this dance a much larger and larger in the social calendar of all the Republicans in this community, along with a great number of requests coming from Democrats in favor of "Art" and "Ike," the prepared statement said.

The committee has arranged for invitations to be mailed to all of the residents of Springfield (Continued on page 3)

## Faulkner Act Author To Give Plan E Reasons

The League of Women Voters of Springfield will present Bayard H. Faulkner, former chairman of the Commission on Municipal Government in New Jersey, who will address the last lecture series on Council-Manager Plan E Thursday evening, October 30 8:30 p.m. at the Springfield Public Library.

Robert Southward, Secretary of the Springfield Charter Commission will also address the meeting that evening on a review of the local charter referendum.

Mr. Faulkner will speak on the merits and scope of the Optional Municipal Charter Law of 1950, New Jersey. The law is also com-

An Important Message from Republicans and Democrats for Howard A. Flammer and Daniel M. Lucy!

# MAYOR BINDER HOW RIGHT YOU ARE!

... when you so aptly described the Republican candidates, **FREDERICK A. HANDVILLE** and **ISAAC FREEDMAN** as **POLITICAL OPPORTUNISTS!**

Indeed, these same political-opportunist candidates for our governing body have now turned to a deceitful attack on members of our community who voluntarily contribute their time and their services to such outstanding projects as Springfield's Civil Defense Program.

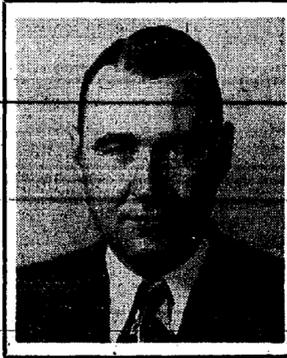

The following letter to Dan Lucy, authorized by Mayor Binder and the Township Committee reveals the deceitful attack by political opportunist candidates Handville and Freedman whose efforts to smear the volunteer workers of our community have failed.

## Crestmont Savings & Loan Marks Fourth Anniversary

Crestmont Savings and Loan Association will mark the fourth anniversary of the opening of its present office at 175 Morris Avenue on Friday, October 24. This office has experienced unusually rapid growth during this short period of time as reflected in the increase in assets from \$152,000 to \$1,000,000.

Further, individual savings accounts have increased from 150 to 5,500. Dividends paid in 1954 were \$5,892 compared to \$175,264 in 1957; by the end of 1958, well over \$200,000 in dividends will be distributed from this office.

This association resulted from a merger between Crestmont Savings and Loan Association, with main office located at 1886 Springfield Avenue, Maplewood, and the Springfield Savings and Loan Association. This merger came about under the leadership of Fred S. Stephens, then president of Crestmont and Loren E. Gardiner, executive vice-president and manager, and now president of Crestmont, with the guidance of the directors of both associations. Mr. J. Herbert Woolley of Short Hills is chairman of the board for Crestmont.

Mr. Gardiner credits the growth of the office to the rapid increase in Springfield's population and the understanding by the residents of the need for thrift and other financial services offered.

Although the growth in assets exceed the original projections, physical facilities have proved more than adequate. The familiar Crestmont building was remodeled from St. James Church according to the plans by the late Alfred O. Pollitt, architect, in a type of colonial architecture that conforms with that of many of the buildings in Springfield. Its inviting, spacious interior presents a relaxed atmosphere in which members transact business. Only changes made are refinements in landscaping and the recent expansion and fencing in of parking facilities to accommodate forty-five automobiles.

When Crestmont opened in 1954, its members were served by a staff of three headed by Mrs. Mary Doby of 155 Linden Avenue, Springfield, who continues as assistant secretary and manager. Mrs. Doby worked in Crestmont's Maplewood office from 1950 until her appointment in Springfield.

Today, a staff of seven full time employees work in this office. Besides Mrs. Doby, there are Carl L. Becker of Maplewood, treasurer, Arthur B. Taylor of Perth Amboy, secretary, Kathleen Krey of Springfield, assistant treasurer; also Cindy Woolley of Short Hills, Mary Betz of Madison, and Dorothy Bizik of Union. Directors now serving on Crestmont's board who were members

## Gerard Richelo Enlists In Army

Gerard P. Richelo, 22, son of Mr. and Mrs. George F. Richelo of 710 South Springfield Avenue, is undergoing eight weeks of basic training at Fort Dix.

Prior to entering the army, Richelo attended Jonathan Dayton Regional High School and was employed by the Magnus Tool & Die Company in Mountainside.

After the initial eight weeks, he will be given a two week leave and receive eight more weeks of advanced Infantry training. He will be transferred to another Army post for training in one of the Army's technical schools.

## Don't Burn Leaves In Street Gutters

Springfield Fire Chief Ormond Mesker this week warned local residents that permits are required to burn leaves or rubbish. The chief says that it is against the law to burn anything in the gutters or on the shoulders of any township street. Ashes cannot be dumped in the gutters either, Mesker revealed.

The chief says that with a permit residents can burn leaves anywhere on their own property, preferably in an incinerator basket.

Permits may be obtained at the Springfield Fire House at any time, Mesker says.

## Regional Juniors Learn Safety 1st

Efforts to reduce the toll of traffic accidents among youth have been launched by a new Student Traffic Safety Program planned as a part of the Driver Education course conducted for the Junior Class of the Jonathan Dayton Regional High School at Springfield.

John Swedish, the instructor of the school program, says that many activities are planned.

Last Monday 20 students witnessed the proceedings at the Springfield Municipal Court under Magistrate Henry C. McMullen. Informal question and answer discussion were held with the judge and Police Chief Albert A. Sorge. A tape recording was played to other members of the class the following day.

Yesterday a N.J. State Trooper visited the Driver Education classes to conduct a session on traffic safety.

The students plan to present a display at the school science fair to demonstrate safety.

Another project is a projected visit to an automobile assembly plant in Linden.

An insurance agent has been invited to speak on the actuality tables used in auto accident coverage.

A general safety program is being conducted in school and in the communities with posters and slogans.

**Town Workers**

(Continued from Page 1)  
 pendent upon the experienced township employees for assistance and guidance. Their knowledge is essential for the success of the manager's work and therefore his reputation.

**No One Man Rule**  
 The first time a voter hears about the council-manager system, he occasionally jumps to the conclusion that the plan calls for a one-man rule of the city—a dictatorship. This is nonsense often circulated to discredit the plan. The fact is that the professional manager is the servant of the town council—which has appointed him and which can discharge him at will. He must come

to the council for authority to make changes and for the funds to pay the costs.

There is nothing more democratic than appointing a trained top administrator in a city or county. Democracy demands that public officials be subject to popular control. The Council-Manager Plan carries forward the precepts of the United States Constitution by the separation of administrative from legislative functions. This is accomplished by putting in the town hall a policy-making council of elected citizens who appoint a professional administrator with skill and training to carry out their policies under council supervision.

**The Citizens' Responsibility**  
 Former Governor Charles Edison of New Jersey put the case

for the manager plan in a nut shell when he stressed the point that a good council-manager and natural boss-ridden government difficult and unnatural, makes "good government easy. Good government is the responsibility of the citizens reflected in the council that they elect. The ultimate quality of the professional manager and his service to the community.

**Donnelly Says**

(Continued from Page 1)

cents to more than 16,000 residents this year, he said. "It is obvious that with such a great increase over such a relatively short time you'll need more services of all kinds," Donnelly said.

"More people and more homes means more schools, sewers, streets, street lights, fire hydrants, garbage disposal and recreational facilities as additional personnel for these departments and those of the police and fire department.

"These services have been provided for the new and old residents alike by far sighted Republican administration at substantial savings to the average taxpayer on our 'pay-as-you-go' program, the result of which has been a reduction in the township tax dollar being spent as well as a township whose future has not been mortgaged," the finance chairman pointed out.

"All capital improvement projects except the town hall, public library and garage have been provided for on this 'pay-as-you-go' basis. This means that no interest has been charged on the capital projects even though they could have been financed on a long-term basis," Donnelly said.

He challenged the Democratic candidates for example to tell the voters of Springfield how they plan to keep taxes down if the voters approve the bond issue totaling \$825,000 for the new school come December of this year. "Is their tax reduction propaganda to infer they oppose increased educational facilities?"

"The Republican party and its candidates 'Art' Handville and 'Ike' Freedman do not believe in falsifying the facts and figures for vote getting purposes," Donnelly said, "and the fact and figures prove conclusively that Republican administration of Township government has provided excellent services and facilities to the people at an ever reducing cost."

and has been fortunate in obtaining the services of Cy Greene and his orchestra to provide music for the dancing and show all of which are included along with gifts for all who attend this free affair.

Socially speaking, the opportunity to meet and hear the candidates at this dance will include the opportunity for the County and State candidates on the Republican ticket to say "hello" to their Township-County Committee workers and supporters in an atmosphere of fun and good fellowship. "Let's all have a fun-filled evening of dancing and surprises as a respite from the tremendous work load to date in carrying our message of truth to the people," Art and Ike commented and concluded with a personal invitation to all to join in this Halloween program.

**Faulkner Acts**

(Continued from Page 1)

monly referred to as the Faulkner Act. In the eight years of its existence, the Faulkner Act has shown interest in many communities of New Jersey. This meeting is open to the public and is presented by the League of Women Voters in an effort to inform the voter on the current local charter referendum.

A recent survey shows that about 10 per cent of New York companies regard a woman 35 or over as too old to hire for an office job.

**LETTERS TO THE EDITOR**

Dear Sir:

There have been a couple of references, in your paper, to the League of Women Voters by specific political parties; during the past couple of weeks. We feel this is detrimental to the League and we must therefore, remind your readers that the League of Women Voters is a completely nonpartisan organization. We support no specific candidate or party.

Respectfully,  
 Public Relations Committee

 Dear Sir:

Its most sincere thanks to the Girl Scouts who have taken on the job of distributing our candidate sheets to the voters of Springfield. Following are the leaders of the participating troops:  
 Caldwell School: Mrs. J. M. Cowles, Mrs. Whitfield Cox, and Mrs. Louis Gash. Chisholm School: Mrs. Theodore Dziubaty, Mrs. E. B. Townley, Mrs. Fred Merkle, and Mrs. D. Hendrick.

James School: Mrs. Lee Andrews Jr., coordinator, Mrs. J. Leonard, Mrs. P. Del Vecchio, Mrs. Neiberg, Mrs. F. Spangler, Mrs. William Babcock, Mrs. R. Hattersly, and Mrs. V. Quin. Walton School: Mrs. H. Wemischner, and Mrs. F. Patterson.  
 There are now 30 gold producing mines in Ontario, Canada, and their production of gold and silver is about \$3 million dollars a year.

History Society Assembles Wed.

The Springfield Historical Society will be held in the social room of the Springfield Methodist

Church at 8 p.m. on Wednesday, October 29. The guest speaker will be Mrs. Edwin Florence of Summit, who will talk on "Lessons in Americana." Refreshments will be served.

Sandra Day To Wed Donald G. Golcher

Sandra Judith Day, daughter of Mr. and Mrs. Howard A. Day of Prospect Place, Springfield, announced the engagement of their daughter, Sandra Judith, to PFC Donald G. Golcher, son of Mr. and Mrs. David K. Golcher of Kenilworth. Miss Day is the granddaughter of the former mayor of Springfield, the late Mr. Gabriel Larsen, and Mrs. Larsen, paternal grandparents are Mr. and Mrs. Howard H. Day of Atlantic Highlands. Miss Day is a graduate of Springfield Regional High School and attended Fairleigh-Dickenson University. She is presently employed by the Chemical Research Division of Engelhard Industries, Newark. Her fiancé, also a graduate of Springfield Regional High School, is stationed at Loring Air Force Base, Caribou, Maine. He will be discharged from the army in October. The couple plan a spring wedding.

Rector-Hartman Nuptials Held

The marriage of their daughter Faith to Mr. Warner G. Hartman, son of Mrs. Margaret F. Hartman of 491 Mountain Avenue. The wedding took place on October 18 at St. James Church, Rev. J. A. Farrell officiating. Mrs. William C. Smith was matron of honor for her sister, Mr. John W. Rebholz was best man. Mrs. Hartman is presently employed as a secretary for Bell Telephone Laboratories, Murray Hill. Mr. Hartman is a senior at Seton Hall University. After a wedding trip to Florida, the couple will reside in Springfield.

SPRINGFIELD WELCOMES CHANTICLER—Mr. and Mrs. Henry Ebbett of 30 Troy Drive, discuss decor of the new Chanticleer restaurant and supper club with Herman Litwack (left) and Mr. and Mrs. Jacob Steier at last Thursday's premiere of the popular night spot. Mr. Ebbett is manager of the Lord & Taylor Millburn store, while Litwack and Steier are architects responsible for rebuilding of this Millburn landmark.

Helps On Mixer Dance Program

Miss Rosalie Gold of 21 Essex street, Springfield, is a member of the committee planning the annual mixer dance of Union Junior College, Cranford, to be held tomorrow evening (Friday, October 24) at the Middlebrook Country Club, Bound Brook. The dance, which launches the social season at the college, will be sponsored by the Day and Evening Student Councils. It will have a Halloween theme with decorations in orange and black. An orchestra will play for dancing and entertainment will be provided.

Deborah To Hear Chief Neurologist

Surbur-n Deborah League will hold a regular meeting on Tuesday, October 28, 1958 at 8:30 p.m. in Temple Beth Ahm, Baltusrol Way. Speaker for the evening will be David J. Flicker, M.D., chief of the Department of Neurology and Psychiatry at Newark Beth Israel Hospital. Dr. Flicker is also National Consultant, Neurology and Psychiatry to the Veterans Administration, Washington, D.C., the U.S. Department of Labor and the U.S. Department of Justice. He will discuss "Our Children—What is Normal?" Mrs. Stewart Slerp, admissions chairman, will report upon applications received by the chapter to the heart-surgery pavilion of the Deborah Hospital, Browns Mills, New Jersey. A short skit, entitled "Concord Conquered," written and directed by Mrs. Bert Bruder will be presented. Mrs. Allen Borsky will preside.

Taylor Topics

from the realms of realty

Dear House Buyer:

We would like to have your home to sell because you want to sell it. With very little effort on your part this can be accomplished by adhering to some friendly tested tips which will appear in this column weekly.

1. Preparation For Showing. First impressions are lasting impressions. Inviting exteriors insure inspection of the interior. Keep your lawns trimmed and edged—the yard free and clear of refuse. Bright cheery windows and unmarred walls will assist your sales. The attic and basement are important features—remove all unnecessary articles that have accumulated. Bedrooms neatly arranged. Bright and clean bathrooms. For after dark inspection turn on your lights from the front porch on through and your prospects will feel a glowing warmth otherwise impossible to obtain.

Your Taylor representative for the week is Mr. Tom Richardson Your Host

Frank H. Taylor & Son

Note first name — Realtors 227 Millburn Ave., Millburn DR 6-4452 Eves. DR 6-1189 "IN CUR 74th YEAR"

Cruise Fair To Be Launched Friday

St. Stephen's Cruise Fair will be held in the Parish House, this Friday the 24 from 10 a.m. to 10 p.m. Mrs. Clifford Anderson is chairlady assisted by Mrs. Albert Pfirrmann. Mrs. William Peacock is president of the Evening Group and Mrs. William Brown is president of the Guild. Mrs. Henry Krautter is in charge of publicity. All organizations of the Church are cooperating in this affair and the money realized will be used for new carpeting in the Church, following the extensive changes that have been taking place.

School Menu

Menu For Week of October 27 Monday: Frankfurters, baked beans, sauerkraut, raisins, roll, butter, milk. Tuesday: Turkey chow mein, rice, Chinese noodles, pineapple or grapefruit, bread, butter, milk. Wednesday: Hamburgers, pickle, potato, peaches, roll, butter, milk. Thursday: Macaroni and cheese, cole slaw, fruit cocktail, peanut butter sandwich, milk. Friday: Tuna fish salad, potato chips, lettuce with French dressing, roll, butter, milk.

Hi Neighbor!!

NEWS AND TIDBITS ABOUT YOUR FRIENDS & NEIGHBORS. If You Have Any News Call...

Lorrie Lewis

DREXEL 6-5052

It was a party of the two parts for Mr. and Mrs. Harry Stein of 80 Twin Oaks Oval when they celebrated their birthdays last Saturday eve at the newly opened Chanticleer. Helping the Steins make merry were Mr. and Mrs. H. Roth and Mr. and Mrs. J. Grabois of Springfield; Mr. and Mrs. L. Buken of Union; and Mr. and Mrs. M. Friedman of Newark.

Miss Dana Lindauer spent the homecoming weekend at West Point as the guest of Cadet George M. Seckinger. She is the daughter of Mr. and Mrs. Edward Lindauer of 14 Wentz Ave.

A most enthusiastic party endorsement comes from the guests of Nancy Filreis who attended the celebration of her 5th birthday on October 18. Highlight of the party was the "whip ride" hired for the occasion.

Nancy's guests included her brother Alan, her sister Liane, Ilene Zurav, Eddie Zurav, Robert Kurtzer, Russell Greenberg, Lee Adler, Dale Ames, Susan Marder, Sandy Segal, Rona Nadel, Gretchen Kraft, Diane Johnson, Jill Mendelsohn and Marji Zlatin, all of Springfield; Betty Ann Prusak of Irvington, and Joel and David Link of Paramus. Nancy is the daughter of Mr. and Mrs. S. Filreis of 81 Evergreen avenue.

Mr. and Mrs. F. Waldorf of 391 Milltown road attended the Linen Council convention held last weekend at the Concord Hotel.

Welcome to Mr. and Mrs. Harry Levine, our new neighbors at 16 Pitt road. The Levines moved here recently from Roselle. They have two daughters, Alice age 13 years and Judy age 6 years. Mr. Levine is an engineer with Modern Engraving Machine Co.

Mr. and Mrs. Stanley Shur of 97 Pitt road are also among the newcomers to Springfield. The Shurs formerly lived in Union.

It's a trio of sons for Mr. and Mrs. Reginald Ronco of 107 Tucker avenue. Thomas Bruce put in

ORT Plans Fall Frolic Dance

The Springfield chapter of Women's American ORT will hold a Fall Frolic this year on Sunday evening, October 26 at 8:30. The Frolic, the first of its kind to be given by the Springfield chapter, will be held at the Evergreen Lodge on Evergreen Avenue in Springfield.

The evening's program of fun includes games, prizes and all sorts of dancing, from Cha-Cha to Square Dancing. Tickets may be obtained from Mrs. Leon Katz, Chairman or Mrs. Jack Slater, Co-Chairman. Mrs. Irving Shatten is Vice-President in charge of M.O.T. (Maintenance ORT Training) affairs.

The Burstein reside at 71 Wentz Avenue and Dr. Burstein maintains offices at 485 Mountain Avenue. They were accompanied on this trip by Mrs. Burstein's sister, Mrs. Irving L. Kranzer of Long Branch.

Enjoyable sidelight to the Chicago trip was the appearance of Mrs. Burstein and Mrs. Kranzer on Don McNeill's "Breakfast Club" radio broadcast.

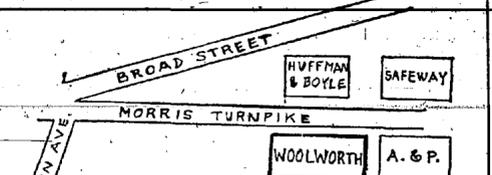

Before returning home the Bursteins and Mrs. Kranzer stopped at Hershey, Pa., and visited

TO EXHIBIT IN SHOW—Melvin and Jackie Klapholz of 112 Maple Avenue discussing which of their many paintings they will exhibit in the Annual Outdoor Art Show on October 25-26 at the Springfield Public Library. The show is sponsored by the Art Department of the Springfield Woman's Club in recognition of American Art Week, November 1-7.

## SCHOOL BEAT

By MARSHA WILSON

At a recent assemblage Elaine Kern of Springfield was the recipient of a Good Citizenship Medal presented to her by Dr. R. T. Jacobsen, principal. The annual award is sponsored by the Church and Cannon Chapter of the Daughters of the American Revolution. Todd Sheldon of Berkeley Heights was the senior boy-recipient of this award.

An active club throughout the entire school year is the sound studio, under the direction of Mrs. Martha Stang. This club operates during the school day by making announcements over the loud speaker system. Many Springfielders are active members. They are: Diana Bouchard, Margot Breier, Bill Bender, Elaine Zerolnick, Phil Lord, and Mike Hendricks.

The newest committee in Regional is under the leadership of Karen Rogers, a senior from Springfield. This committee, entitled the "PEP" committee, is under the school Student Council. Its purpose is to institute more school spirit among the students of Regional. It is generally considered that out of 1,700 students there are only about 300 that really take an active interest in school

functions. Karen's desire is to make students aware of this fact so that they can bolster the spirit of the entire student body. The committee already has about 45 members. Springfield Regionals include Bill Bender, Dave Powers, Joan Pitney, Sue Kerr, Johanne Hartz and myself. Future plans include an afternoon pep rally and several Friday night rallies with dancing afterward. The administration is backing this club 100%. We hope the students' reaction will be the same.

Seniors, under Don Booker, senior class president, have announced tentative plans for the Senior Sport Dance to be held on Saturday night, November 15. It will be held in the girls' gym with music by Nat Carrea and his Cosmopolitans. At this dance, the election of Mr. Regional will take place. This is an annual event in our school. Mr. Regional is a senior boy that represents the school's most outstanding athlete. This, however, does not include only sportsmanship on the field. He must also be a worthwhile member to his class. The winner, who will be voted upon at the dance, will receive a trophy.

### Parents Attend College Weekend

Mr. and Mrs. Howard F. Heerwagen and son, Howard, 27 Lewis Drive, Springfield, attended Parents Weekend at Wilson College, Chambersburg, Saturday and Sunday, October 18 and 19, where their daughter, Barbara, is a member of the freshman class.

The occasion marks Founder's Day at this 88-year-old college of liberal arts and sciences for women.

### Home Decorating Program For Aux.

The next business meeting of the American Legion Auxiliary will be held on Thursday, October 23, at 8:30 p.m. at the American Legion Post home.

After the meeting, a Home Decorating-Travelogue color slide program by Celanese Corporation will be shown entitled "New World of Ideas." This double feature program was inspired by a visit to Central and South America made by the famous home decorating consultants, John and Earline Brice.

Refreshments will be served by Mrs. Alex Bednarik and Mrs. E. DeRonde in cooperation with the hospitably chairman, Mrs. Joseph Colletto.

### Trim & Fit Class Set For Women

Tuesday, October 21, marked the opening of the Women's Trim and Fit class here in Springfield. This is to be a weekly class for the women of Springfield sponsored by the Springfield Recreation Commission under the direction of Edward Ruby, Recreation Director.

The classes are given weekly, every Tuesday evening beginning at 7:30 p.m. Miss Lois Papio, a part-time physical education teacher from Montclair State Teachers College is the leader of each evening's program. Miss Papio has many new ideas to make the program successful.

The women who attend are urged to dress in slacks or shorts and wear sneakers or rubber soled shoes. Pre-registration for the classes is not required or it is necessary, and the classes are given completely without charge. The place is James Caldwell School on Mountain Avenue.

### PTA CAKE Sale

On Friday, October 24, the Raymond Chisholm PTA will hold a cake sale at the Grand Union in General Greene Shopping Center. The home made cakes, pies and cookies will be on sale from 9 a.m. until they are sold out. The funds realized by this sale are used to help finance the PTA activities for the school.

### Named VP At Kent Place

Merriam Booth has been named vice-president of the Middle School Student Council at the Kent Place School in Summit.

### BOY TO RONCOS

Mr. and Mrs. Reginald Ronco of 107 Tooker avenue announce the birth of a baby boy born on October 16th at the Overlook Hospital, Summit.

TRICK OR TREAT FOR UNICEF—Springfield masqueraders Lynnne Jakobsen and Peter Creede will be joined by many other local youngsters on Halloween afternoon and evening when all the money raised by the Trick 'n Treaters will assist with milk, medicines and health services for the United Nation's Children's Fund—UNICEF.

### Mountainside Newcomers

One hundred and ten members and guests attended a luncheon and meeting of the Mountainside Newcomers Club, Monday, at the Washington House in Watchung. Table decorations were fall foliage and flowers. Hostesses for the day were Mrs. Robert Spagna and Mrs. Walter Stogryn.

Following the luncheon, the business meeting was opened with a sentence prayer by Mrs. Harry Wiseman. Mrs. Nicholas Byron, president, presided at her last meeting. An election of officers was held and each new officer was presented with a corsage. The new officers are: President, Mrs. Stephen Bumball; Vice President, Mrs. Charles Shomo; Recording Secretary, Mrs. Walter Bishop; Corresponding Secretary, Mrs. Alexander McDonald; Treasurer, Mrs. Robert Leist; Directors, Mrs. Earle Goodling, Mrs. Kenneth Knechtel and Mrs. Charles Speth.

Mrs. Robert Singer gave a report to the club on the success of the Crystal Ball, held on Sept. 25, proceeds of which will be donated to Camp Endeavor, Scotch Plains. Mrs. Raymond Herrgott, Social Activities Director, announced that there were openings in many of the activities afforded by the club, and those wishing further information should contact her. It was also announced that the Ballroom Dancing Lessons, under the instruction of the Pat Lane School of Dance, will start this Friday at 8:30 p.m. at the Mountainside Inn.

Mrs. Lyle Brown, membership chairman, introduced the following prospective members: Mesdames Richard Weeks, Frederick Compher, Wm. Ferguson, Henry Benz, John Nilson, Edward Oels, Jos. Principe, David Padfield, Albert Sherry, Fred Swingle, Louis Scolnick, Wm. Theis, and P. W. White. Those welcomed as new members were: Mrs. Alexander Freeman, Mrs. Raymond Hammond, Mrs. Dickinson French and Mrs. Harry Rowe. Miss Winifred Debbie, executive

### St. Stephen Women To Meet On Oct. 28

On Tuesday, October 28, at 8 p.m., the Women's Evening Group of St. Stephen's Episcopal Church, Millburn, will hold an Orange District Meeting. The speaker will be

the Rev. Richard Linn Rising, an Episcopal missionary priest who is serving in the Philippine Islands. In the Philippine Episcopal Church his present positions include the Chairmanship of the Committee on Evangelism, and membership on the Board of Examining Chaplains; the Committee on Apportionment, the Board of Trustees of the Brent School, and the Advisory Council of St. Andrew's Theological Seminary in Manila. He is also a member of the Editorial Board of the Overseas Mission Review, national magazine of the Episcopal Church.

**Your Library**

To be self-satisfied is almost certain to put an end to development and progress. This is one accusation which is not likely to be brought against the present day American authors. On my travels this summer I

was particularly impressed about the great deal that Europeans knew about the seamy side of American life and the very little they know about Americans of fine character. A young Swedish woman attending the Sorbonne could only remember reading Hemingway, Steinbeck, and "Peyton Place."

loved member of the Society of Friends know the world over for work on the American Friends Service Committee. Once when I was attending a Quaker meeting as a visitor, the Friends told me that they were so sorry I could not come the next week when Rufus Jones would be there. The very tones of their voices recalled the great spirit of this man. This

relating her experiences as teacher to the Japanese Crown Prince shortly after World War II. "Friends of Life" received excellent reviews in most journals, but so far the Springfield Library has not received a single request. At the same time we are getting dozens of requests for sensational third-rate fiction. This is quite unlike the reading taste that Springfield has shown in the past.

may be good, but can be overdone. A child continually nagged and belittled at home seldom amounts to much. When all that friends like the English hear about us is murder, accidents, or "Little Rock," something needs to be done. At this point I am reminded of years ago and seems forgotten. It

turn America's good face to the world and inspire ourselves by remembering the worthwhile things we have done.

**Drew Professor In Presbyterian Post**

The guest minister for this Sunday will be the Rev. David M. Graybeal, Director of Field Work and Associate Professor of Church and Society in Drew University's Theological School. Dr. Graybeal served as chaplain and associate professor of religion at Emory and Henry College for four years before going to Drew University. He is a native of Radford, Virginia and has a Bachelor of Divinity degree from Yale. He was awarded the Doctor of Philosophy degree by the Yale Graduate School in 1952. Dr. Graybeal served as a lieutenant in the Naval Reserve during World War II. Dr. Graybeal will preach the sermon at both services this Sunday with the assistance of several men from the congregation. The following Sunday, Nov. 2nd, Rev. Bruce Evans will be back in the pulpit after a two week mission preaching trip to Alaska.

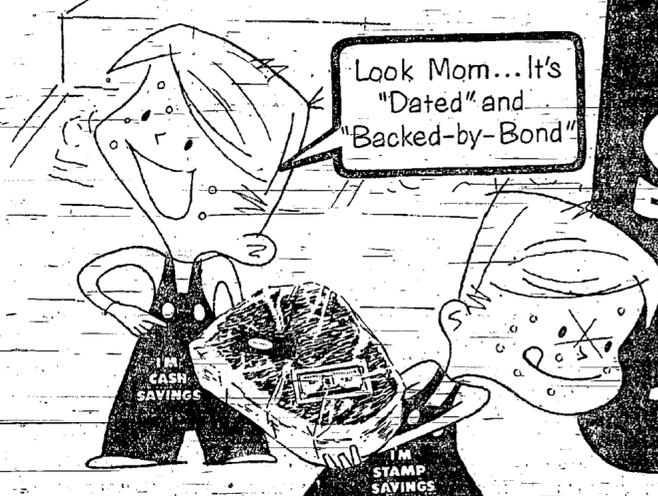

**Help To CP Drive Given By 2 Youths**

Howard Tiss, 8, of 2 Arch-bridge lane, and Glenn Friedman, 10, of 238 Millburn road, collected \$22.00 for the Cerebral Palsy Fund, from their friends and neighbors, Sunday, October 19th. Howard is in the third grade at Raymond Chisholm School, and Glenn is a member of the fifth grade at Florence Gaudineer School.

America's highest golf course, the 9,000-foot-high links at Cloudcroft, N. M., becomes part of Cloudcroft's skiing area during the winter months.

**BAHA'I WORLD FAITH**  
 "Religion is a radiant light and an impregnable stronghold. The light of a good character surpasseth the light of the sun."  
 Call Dr. David G. Sosa to write Bahai, 141 Salter Street, Springfield, N. J. for free literature.

### Apples Are A Halloween Tradition Save Some For Ducking, Some For Cooking

Halloween is the season for hobgoblins and witches and chalk marks on your car and pixies at the door with "trick-or-treat" bags bigger than they are and pumpkins and apples and cider. Apples came to America in colonial days and Governor Endicott of the Massachusetts Bay Colony is credited with planting the first European apple trees here in 1629. By the mid-1600's apple trees were cultivated by settlers throughout New Jersey and Colonial Governor Carteret wrote in 1682 "at Newark is made great quantities of cider." Certainly today apple production is an important industry in New Jersey where a harvest of close to two and a half million bushels is expected this year.

If you are giving a Halloween party, apples can be used for more than a ducking contest and even if you are not having a party, here are some brand new apple recipes you will enjoy making for the family.

#### APPLE TORTE

Beat 3 eggs slightly. Blend with 2 1/2 cups sugar and 2 1/2 cups thinly sliced apples. Sift 1 1/2 cups flour, 3 teaspoons double-action baking powder and half teaspoon salt. Combine mixtures and blend well. Fold in half-teaspoon almond extract and 3/4 cup chopped walnuts. Pour into three eight-inch layer cake pans, greased and lined with brown paper. Bake at 325 degrees F. 25 minutes. This makes three very thin layers. Remove from pan after running knife around edge of layers. Strip off brown paper. Cool. Whip one cup heavy cream until stiff. Beat in two tablespoons sugar and half teaspoon vanilla. Put three layers together with whipped cream. Garnish top with a few thin slices unpeeled apple and an extra dab of whipped cream.

#### APPLE-CREAM FROSTING

Wash 1 1/2 pounds apples, peel, cut in quarters and remove cores. Put apples in saucepan, add quarter-cup water, cover and simmer 10 to 15 minutes or until pieces are tender but not mushy. Add half cup sugar and few drops lemon juice. Cool. Beat one pint heavy cream and gradually add brown sugar to taste. Continue beating until mixture is stiff enough to form peaks. Fold applesauce and cream together and put into refrigerator to "set." Spread on cake (angel food is recommended) and sprinkle with crushed Brazil nuts. Scarcely a week can go by without a French recipe finding its way into the column and here we go again. Never a crumb is wasted when you cook French style and this recipe is wonderful for using stale coffee cake or sweet buns. If you don't have any, thin slices of bread may be used.

#### APPLE CHARLOTTE

Cut the leftover cake or sweet buns in thin slices and brush well with melted butter. Arrange them around the bottom and sides of a deep casserole. Peel, quarter and core apples. Cook in frying pan in a little

butter until apples are soft but not mushy. Add juice of half lemon and put the whole thing in the casserole. Place the casserole on a cookie sheet and bake in a hot oven about 40 minutes or until golden brown. Invert

onto serving dish. Make a sauce using 1/2 cup of home-cooked apricots. Drain apricots, force through a sieve. Mix one tablespoon corn starch with a little apricot juice to form smooth paste. Add one cup of apricot juice. Cook and stir over low heat until thick. Remove from heat and beat in apricots, adding sugar to taste. Both the charlotte and the sauce may be served either warm or cold. If sauce is too stiff, add extra apricot juice or water.

**HOLIDAY TRADITION:** Christmas customs call for Yule logs and mistletoe and fruit cake and Mrs. Edward Reiss Jr. is pictured above getting an early start with the cake. Her recipe for Holiday Fruit Cake won \$10 in our Favorite Recipe Contest this week.

### \$10 For Favorite Recipe

With Christmas only nine weeks away, the home cook may be thinking of whipping up a few fruit cakes and here's a simple recipe for the traditional holiday cake that you are certain to enjoy making. This recipe won \$10 in our Favorite Recipe Contest for Mrs. Edward Reiss Jr., of 976 Colonial Ave., Union.

Why not mail us a copy of one of your favorite recipes? A \$10 prize is awarded every week and all you need do is mail your entry to this newspaper at the address in the upper left-hand corner of this page. Please include your telephone number.

**HOLIDAY FRUITCAKE**  
Combine:  
1 can (3 ounce size) each: candied cherries, pineapple, citron, lemon peel  
1 large package (15-ounce

size) seedless raisins  
1 teaspoonful each: clove, cinnamon, nutmeg  
1/2 teaspoon salt  
2 cups water

Bring to boil and simmer five minutes. When cool, add: (alternating liquids and flour)  
- 1 cup dates cut in pieces, if desired  
3 cups sifted flour  
1 teaspoon baking powder  
4 tablespoons melted butter  
1 teaspoon baking soda mixed in 1/4 cup coffee  
1 ounce rum (other liquor may be substituted, if desired)  
1/2 pound broken nuts

Mix well. Add nuts last. Bake in tube pan slowly at 350 degrees F. for about 2 hours. Cake will be moist and will keep for a long period. May be served plain or with a rum sauce.

**FASHION STUDY:** Trapeze jumper of wool flannel is teamed with striped wool jersey shirt. The slim skirt is much in evidence this year.

**New Patio Materials**  
  
 With the patio fast replacing the living room or den as the center of the average family's summertime activity, new building materials are gaining wide popularity. Of these, none is catching the public's fancy faster than translucent floor-glass reinforced plastic panels, such as those used in the patio roof and fence pictured above. These colorful, weatherproof panels provide shade without darkening adjacent areas. Fence assures privacy while also serving as an effective wind-break. Local lumber yards can give you all the advice you need for either professional or do-it-yourself projects.

**Flowers For Your Desk**  
 It's so much more fun to do your everyday household tasks in pleasant surroundings. I know many homemakers who devote lots of energy to making their kitchens gay and attractive. But what about the desk where you pay your bills, answer your invitations, write all of your correspondence?  
**A CHEERY DESK**  
 Good-looking desk accessories brighten your work load, there's no doubt about it! They in a letter-writing more fun, too. Here's our suggestion for a start: a pretty little letter holder you can make yourself in a thick, quick crochet cotton. It even has a metallic gleam to add that extra spark. And it couldn't be easier to make: grade a simple base of single crochet stitches with pearl-centered flowers, and there you are! As these new cottons come in a wide variety of colors, you're sure to hit on just the combination for your den or living room.  
**A SHOWER GIFT**  
 If you're looking for something fresh and different in the way of a shower gift—or if you'd like to make something personal for a special bride—this hearts and flowers letter-holder may be the perfect answer. With a long list of thank-you notes keeping her at her writing table for extra hours every week, she'll be particularly pleased at your thoughtfulness. To make the letter holder for a gift, for your own use, or for a bridge prize or church bazaar, write the Needlework Department of this newspaper for your free instructions. Just enclose a stamped, self-addressed envelope and ask for Leaflet No. S-914.

**Busy Day, Big Breakfast**  
  
 Breakfast is the most important meal of the day, and yet it is the one most often skimped, or skipped altogether. Nutritionists agree that we need at least one-fourth of our day's food intake at breakfast to carry us through the busy morning hours.  
 What makes up an adequate breakfast? Fruit, cereal or bread in some form, and protein—hot cakes are an all-family favorite and fill the cereal requirement nicely. Chilled fruit—juice and a pitcher of crisp bacon or spicy-kod sauce—best structure for yourself: is at breakfast, when we have the menu that will earn the a-whole day's work-ahead of us.  
 There is good reason for this growing interest in the better breakfast: Food is the fuel needed for activity, and the best structure for yourself: is at breakfast, when we have the menu that will earn the a-whole day's work-ahead of us.

**more PROTEIN**  
 ...the food element so vital to the good health of your family, is found in  
**Fischer's BUTTERCUP BREAD**  
 because each pound of Buttercup contains the non-fat milk solids of 7 ounces of milk.  
 So-o-o delicious, too!  
 If you had a million dollars you couldn't buy better bread!

**Theater Exhibits  
Maris' Paintings**

During the current run of "Wonderful Town," the most recent paintings by Valdi S. Maris, professional artist, will be on display at the Paper Mill Playhouse Art Gallery in Millburn. The exhibition will show approximately 30 of Mr. Maris' oil paintings — landscapes, flowers, cityscapes, etc. Maris studied at the Academy of Fine Arts in Riga, Latvia, and later in the "Universitaet" of Heidelberg in Germany. A professional artist for the last 15 years, Maris has been active in landscape and flower painting.

Maris has exhibited his works in Germany, Heidelberg, Stuttgart, Mannheim, etc., and is represented in most New Jersey State shows in Montclair Art Museum, the Oranges, Newark and Clinton. His works can be found in many private collections in New Jersey, New York, Ohio, Texas, and Florida.

A piece of wire window screening wrapped around a block of wood is fine for scrapping down very rough areas of the last peeling or blistered paint. It will do the job quickly, without gouging.

**ROBERT ECKLES:** Appearing as Appopolous, the Greek landlord

**McManus Bros.  
Celebrates 78th  
Anniversary**

McManus Bros., furniture store at 1152 E. Jersey St., Elizabeth, is celebrating its 78th anniversary with a sales event through Nov. 22. Walter and Joseph McManus, grandfather and great-uncle of the Paper Mill Playhouse presentation of "Wonderful Town," Robert Eckles is marking his 16th season at the Millburn theatre. The fast-moving musical will remain at the rural playhouse through Nov. 25.

John A. McManus, president of the firm, opened the Newark store at 234 Market St. in 1880. Three years later, they opened another store on First St., Elizabeth. The firm consolidated operations in Elizabeth in 1917 and moved into the present six-story building in Jersey St. During the past four years, each store has been expanded. The new Boulevard, Kenilworth, and Highway 9 and King Georges Rd., Woodbridge.

**Car Hop Opens  
Party Pavilion**

A new and colorful Party Pavilion has been opened at the Big Top-Car-Hop, Route 22, Springfield. An ideal place to have a children's party, the management will look after all details. Make the texture of egg omelets, pancakes and waffles extra interesting by adding some of the cooked rice you've stored in the refrigerator. For a quick cereal, simmer the cooked rice in milk until thick. Some raisins are good in this.

## Chanticleer Marks Opening With Gala Dinner Party

The Chanticleer restaurant, a landmark in Millburn, N. J., a "landmark" in the history of the large metropolitan area, re-opened last week after months of complete reconstruction and refurbishing of the supper club. A preview party for the press and special invited guests of honor marked the grand re-opening of the newly renovated and lavishly decorated Chanticleer.

More than 150 persons attended the dinner party in the new Embassy Room, hosted by Leo and Morris Bauman, the new owners and veteran restaurateurs in the area. In addition, there were over 500 regular "reservation" patrons attending the preview evening's festivities which started at 7 P.M. with a cocktail reception in Chanticleer's new Cafe Venezia. Adequately wine and dined, they feasted on a special dinner which started with Mexican orange and melon au Gracioso and included some prinkiere, mountain trout poached in Champagne with parsleyed Parisienne potatoes, filet de boeuf Wellington with potatoes Champs Elysees and string beans—Foresters, half avocado pear salad, and ended with a tri-color parfait au menthe and petit fours and coffee.

Prominent industrialists, professional men and women, show business personalities, public officials of the city-state and federal governments, political figures, business and other dignitaries from all walks of life were present at the premiere on Thursday, October 16. All of the ladies at the opening received gifts of a large orchid corsage and a bottle of Lanvin perfume courtesy of Saks-Fifth Avenue.

Chanticleer will now be open six days a week for luncheon, cocktails, dinner and supper with Erwin Kent and his orchestra providing music for dancing nightly (except Monday).

Herman Litwack of the Newark architectural firm of Litwack-Shter made a special trip abroad to capture the ideas necessary to create this original, imaginative continental atmosphere for suburban New Jersey. The new Chanticleer truly reflects the finest essence of Europe's great restaurants typifying the dignified elegance of Continental tradition. The new front of the structure is an impressive imported marble surface featuring columns with classic cornices and gilded ornamentation. All the exterior lighting fixtures of antique gold have been imported from Florence, Italy. The entire facade of the two-story edifice has been changed to pleasing gray brick. The majestic lobby within is decorated with carvings by sculptor Emilian and is twice its former size recalling the atmosphere of the Italian Renaissance.

The Embassy Room will have a changing exhibition of the work of contemporary American painters. In the adjoining Cafe Venezia cocktail lounge an outstanding feature is a 26-foot-long mural depicting characteristics of Venice from the aspects of houses and canals, created by Tom Vincent, recognized young American artist. The Empress Room, Chanticleer's main dining room, is highlighted by gold accents on white wall covering and employs the use of crimson in the carpeting and on the ceiling.

### HAM LOGS

Over a low heat, cook together 2 tablespoons chopped onion, 1/2 cup uncooked white rice, 1/2 cup water, 1/2 teaspoon salt, 1/2 teaspoon black pepper. Cook about 14 minutes. Allow to stand, with lid on, 10 minutes. Stir in 1 tablespoon prepared mustard, 1 teaspoon Worcestershire sauce, 1 egg and 1 1/2 cups ground, cooked ham. Cool. Cover and chill. Divide into 8 portions. Shape each portion around a strip of American cheese to make a log-shaped croquette. Roll in a beaten egg, then in cracker crumbs. Fry in deep fat until crisp and brown. Serve with a mushroom soup sauce.

**'CLEAN CUT':** Opening of Columbia Laundry and Dry Cleaners at 2824 Morris Ave. last Friday was highlighted by cutting of ribbon by Mayor F. Edward Biertuempfel (center). At opening ceremonies are, left to right, Township Committeeman Robert P. Osterlag; A. John Plonski, Columbia president; the mayor; Mrs. Edward Leschinsky, assistant store manager; and Dan Healey, sales manager.

## NEXT WEEK'S SCHOOL MENU

### BATTLE HILL

MONDAY — Frank on roll, sauerkraut, relish, fruit.  
TUESDAY — Creamed chicken on hot biscuit, jello.  
WEDNESDAY — Hamburger on roll, sliced pickle, fruit.  
THURSDAY — Macaroni, chopped meat casserole, fruit.  
FRIDAY — Fish sticks, mashed potatoes, peas, donut or fruit.

### CONNECTICUT FARMS

MONDAY — Pea Soup-Grilled Cheese Sandwich, plums.

## Housewives Are Invited To Free Recipe Show

Four Union County homemakers will show a favorite main dish or dessert at a demonstration on "Foods From Many Lands," planned by Edith Mae Ingalls, assistant home agent of the Union County Home Economics Extension Service, Wednesday, in the Architect's Display Building, Route 22, Mountaintide, at 1:15 p. m. Among the countries represented with recipes will be Australia, England, Germany, Italy, Poland, Hungary, Armenia and Sweden. This wide selection of interesting dishes from other cultures will give Union County homemakers an opportunity to try some appealing variations for their family and company meals.

A sheet giving the recipes for all foods shown will be available to those attending the meeting. All homemakers are invited to attend.

TUESDAY — Boiled ham, potato chips, sliced tomato and lettuce, jello.  
WEDNESDAY — Frankfurter on roll, baked beans, peas.  
THURSDAY — Beef stew, vegetables, peaches.

### FRANKLIN

THURSDAY — Frankfurter, potato salad, relish, applesauce.  
FRIDAY — Tomato soup, tuna salad sandwich, Halloween cake.

There are three major types of rice produced in the United States. These are long-grain, medium-grain and short-grain rice. Basically, there are no differences in the nutritional value.

**CAR COAT:** The ever popular car-coat is teamed this year with slim skirt. The smart separates are made of easy-care corduroy for campus wear. The coat is pile lined.

Thursday, October 23, 1958

## Columbia Laundry Offers On-Premises Dry Cleaning

The Columbia Laundry and Dry Cleaners, located at 2824 Morris Ave., Union County, is now open for business. The company was established in 1875 as the Columbia Steam Laundry and its principal service was the laundering and pressing of men's collars and cuffs by hand. Plonski said today, modern steam-powered machinery is used.

The firm is a member of the American Institute of Laundering, the National Institute of Drycleaning, the New Jersey Laundry and Cleaning Institute and Professional Laundry Foundation. Betty Best, radio and TV personality of the Professional Laundry Foundation, is available as a guest speaker at no charge to any group and inquiries for her services may be directed to the firm or any of its route representatives. Plonski pointed out.

Before starting to plane a door that sticks, find out exactly where planing is needed. Chalk the sill and inside of the door jamb with colored chalk. When the door is closed the chalk will rub off on the door where it binds, showing where you should plane. If necessary, close and open the door several times to get well-defined markings.

## PUBLIC NOTICE

### Waistlines Are "Real Gone"

**PRINTED SHEATH:** Curly-cue brush strokes create an intriguing print in Orlon-and-wool jersey. Deceptively simple, a generous bow gives the high-waisted illusion with fitted sheath lines. Dress is fully lined to retain shape and comes in blue, green or red at Robert Hall Clothes.

**LOW DOWN BELTS** are a favorite way of bypassing the waistline, and bypassing the waistline is, as everyone knows nowadays, a definite hallmark of the new silhouette. These Low-Placed Belts are employed everywhere, in dresses, suits, and coats. Hi-School and College girls swing along in their Low-Waisted Pleated Skirt. Dresses looking for all the world like Leslie Caron of "Gigi" fame. Their elders parade the fashion boulevards on both sides of the Atlantic, wearing the Slim Bright Suits of Autumn '58, gently girdled at the hipline. Sports-loving ladies adopt a low, loose belt, and a brand new look in coats when they choose the boyish doublebreasted style shown in the photograph above.

**CAMPUS TOUR:** On the campus the college man will undoubtedly appear in one of his sport jackets. One shown has burly stripes with muted coloring.

### Autumn Favors Green

**GREEN GROW THE FASHIONS OF AUTUMN** for this is the color palette that is inspiring some of the top designers. They're charming, these new Mossy Greens—soft and flattering—and they seem to go with every other color just as the changing greens of Autumn-foliage blend with the Blue of the sky, the Gold of the maples, the Red of the sumac, the Bronze of the oaks, the Russet of the pumpkins. In wool they take on a special beauty and are a favorite choice for the beloved jumpers of the college girl, and the new, short, free-form dresses that young America has adopted so enthusiastically.

Back-to-school separates sum up the wardrobe picture in smooth cotton. Styled by Fligelman of New York, the chemette top pairs up with a printed blouse and skirt.

### Raise Hemline Fashion Says

One way to help bring last year's wardrobe up-to-date is to shorten the skirts, says Mrs. Florence G. Milne, extension clothing specialist of Rutgers University. The shorter hemline is one of the really important fashion news highlights of the season.

Doing three hemline jobs simultaneously may save you time in the long run. Hemlines frequently become uneven from wear, laundering or dry-cleaning, so first check to see if they need to be straightened. If the hem is too wide, it would be wise to cut off the excess. Old and frayed seam tape may need to be replaced. The type of fabric and style of the garment will help to determine the width of the hem this is necessary, ask someone to assist you by marking your skirts with a skirt marker. Remove the stitches that hold the hem in place, and also the seam tape if necessary. Give your hemline folds a good pressing. If the skirt needs to be remarked, have your helper do it at this time. If remarking is not needed, turn up the hemline to the desired length and press in a new hemline fold. If the hem width is too wide, it would be wise to cut off the excess. Old and frayed seam tape may need to be replaced. The type of fabric and style of the garment will help to determine the width of the hem this is necessary, ask someone

### Sportswear Goes Plaid

Pleated skirt-shorts once again bid for popularity in bright plaids and subdued menswear, flannel this fall. Newer version of the shorty skirt is an unpressed pleated knee length "day" skirt. Pants and Bermudas are included in every coordinate series. Pants continue slim and tapered. Most manufacturers have replaced the popular summer

### Weequahic Reunion

The January, 1939, graduating class of Weequahic High School will hold its 20th class reunion with a dinner dance at 7 p.m. tomorrow at the Essex House, Newark. Call or write Marvin Brownstein, 144 Parker Rd., Elizabeth, for reservations.

**LIBRARY BROWSING:** The library is an important part of school life and so is this wool plaid coat in trapeze or pyramid shape. Velvet collar and velvet-covered buttons add a "little girl" look.

### Fish And Wine, Casserole Style

Here's a recipe that is a favorite at the captain's table, where seafaring folk really know fish and fine food! Whether you're an old hand at wine cookery or just beginning to use it in a few favorite ways, this recipe is for you! It's an easy, made-ahead casserole, and all of the ingredients are inexpensive. Most famous restaurants have a specialty like this of wine and one of the white fish varieties such as haddock, sole or perch. Here, the wine sauce is dotted with green pepper and celery and is a gorgeous tomato-paste pink!

This casserole is ideal for a bridge luncheon and a real joy to the family which enjoys sophisticated food.

**Ingredients:**  
 3/4 cup uncooked white rice  
 2 1/2 teaspoons salt  
 1 1/2 cups water  
 2 tablespoons lemon juice  
 1 to 1 1/2 lbs. fish fillets (sole, haddock, halibut, whiting, etc.) thawed  
 6 tablespoons margarine or butter  
 1/2 cup chopped celery  
 1/2 cup chopped onion  
 1/2 cup chopped green pepper

1/2 cup all-purpose flour  
 2 1/2 cups rich milk  
 2/3 cup sherry wine  
 1/2 cup tomato paste

Cut the fish into serving-sized pieces. Pour the lemon juice over the fish. Melt the margarine or butter in a saucepan. Add the celery, onion and green pepper. Saute until soft. Blend in the flour and 1 1/2 teaspoons of the salt. Slowly stir in the milk. Simmer, stirring, about 5 minutes or until the mixture is smooth and has thickened. Stir in the wine and tomato paste.

Spread the cooked rice over a well-greased, 2-quart shallow baking dish or casserole. Arrange the fish over the rice. Pour on the sauce. Bake in a pre-heated 375° F. oven about 20 to 25 minutes or until hot through and fish flakes easily. For a bridge luncheon, bake individual servings in pyrex or oven-proof casseroles. Garnish the tops with green pepper or celery rings. Makes 6 servings.

Rice is usually sown in April and May. The first flooding occurs when plants are 6 to 8 inches high. As the plants grow, the water depth is increased. Harvest time is in August, September and October.

### Two To Dinner Is A Problem

Two for tea and every other meal presents a challenge to many homemakers, says Edith Mae Ingalls, Union County Assistant Home Agent. Buying, planning and preparing economical, well-balanced meals that are attractive and appealing to her two-member family is what she must know.

A basic food plan helps in buying and planning wisely. This plan consists of the amount of food two people need to keep them healthy and strong, and able to do a day's activities. Here is a food plan which may help you with your market list and week's menus.

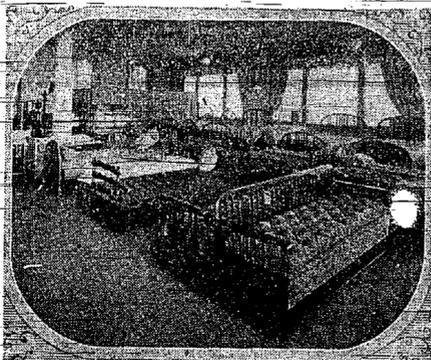

Green and yellow vegetables, 3 to 4 lb.  
 Citrus fruit, tomatoes, 3 to 4 lb.  
 Potatoes, sweet potatoes, 6 lb.  
 Other vegetables, fruit, 5 to 6 lb.  
 Milk, 8 to 9 qt.  
 Meat, poultry, fish, 5 to 6 lb.  
 Eggs, 8 eggs  
 Dry beans and peas, nuts, 1 lb.  
 Cereals, 2 to 3 lb.  
 Enriched and whole grain bread, 2 to 3 loaves.

If ample storage space is available, it is more economical to buy larger quantities, saving some for later use.

"Dovetailing" meals saves time, heat, energy and money. This means to cook double the amount needed at one meal and varying its appearance at later meals. This is best exemplified with meats, vegetables and desserts, but proper storage is essential.

## Stuffed Onions 'n Burger Hoops Cotton-Collegian

- 6 large mild onions (about 3 1/2 ins. in diameter)
- 2 1/2 cups cooked white rice
- 1 teaspoon Worcestershire sauce
- 1/2 cup canned tiny green peas, drained
- 1/4 teaspoon black pepper
- 5 tablespoons milk
- 1 1/2 lbs. ground beef
- 1 egg
- 1 1/2 teaspoons thick steak sauce
- 1/2 teaspoon salt
- 6 small slices American cheese

Remove the brown skins from the onions. Simmer the onions until tender. Drain. Cool. Cut a large hole in the tops of the onions. Cut down into the onion to remove the center. Leave a substantial wall of 2 or 3 layers of onion.

Mix together 1 1/2 cups of the rice, Worcestershire sauce, green peas, 1/2 teaspoon of the black pepper and 3 tablespoons of the milk. Fill the onions with this mixture.

Mix together the ground beef, 1 cup of the rice, the egg, steak sauce, salt, 1/2 teaspoon of the pepper and 2 tablespoons of the milk. Form into 6 equal-sized balls. Place on a large shallow baking pan which has been well greased with cooking fat. Flatten into meat patties. Make a hole in each meat patty large enough to hold a stuffed onion. Place an onion in each hole. Press the meat up around the onions to within about 1/2 inch of the top. Bake in a preheated 350° F. oven for 15 to 20 minutes or until the meat is done. Cover the rice filling with cheese. Heat until the cheese melts.

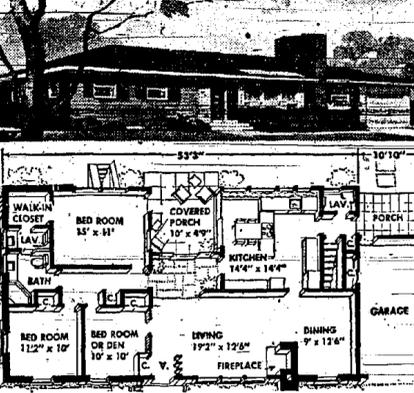

If desired, make a gravy from any drippings. Or serve with a piping hot tomato sauce or a sauce made from diluted condensed cream of mushroom soup.

## PECAN CRUNCH-DESSERT

Cook and cover 1 1/2 cups uncooked white rice and 2 1/4 cups of milk over a very low heat, until the milk is absorbed, about 45 minutes. Stir occasionally. Do not boil. Stir in 1/2 cup granulated sugar and 1 1/2 teaspoons vanilla. Divide into 6 equal portions. Cool. Cover and chill. Roll into balls with hands moistened. Roll balls in chopped pecans. Cover well. Store in the refrigerator. Serve with a hot chocolate sauce.

One way to beat the high cost of hosiery is to sub-wash new stockings before they are worn. This helps to make them more flexible and, therefore, more durable.

## Plan Loaded With Luxury Aimed To Keep Cost Low

A house that comes as close to offering luxury living at low cost as any ever designed is shown in this plan by architect Rudolph A. Matern, of Jamaica, N. Y.

It is compact and can be built on a small lot, yet it has such features for graceful living as two complete lavatories in addition to a complete bathroom, two porches, a 22-foot living-dining area, fireplace, separate entrance foyer, breakfast nook and combination bed-room.

Outside the house has that "solid citizen" look that makes a home welcome in any neighborhood. To enhance this appearance Matern designed a low, hip-style roof with a wide overhang. The deep green blend of asphalt shingles specified by the architect helps maintain the long-low look, yet gives the house the distinction of more exterior color.

Louver shutters flank windows and the entrance door. They add more outside color and help make the house seem bigger by accentuating the horizontal line. Painted in a color to harmonize with the roof, the shutters help unify the entire structure. These are stock shutters, available from build-

ing material dealers.

Comfort and convenience are stressed in the interior design. The large kitchen, for example, is centered between the covered porch and a convenient lavatory that doubles as a "mud room" for children and pets.

Summer comfort has been provided for with a specification of thick mineral wool insulation in walls and ceiling. If the owners want central air conditioning, a 6-inch-thickness of mineral wool would be installed in the ceiling, plus at least 3 inches in walls.

This extra insulation would, in effect, cost nothing, since the thick mineral wool makes it possible to install smaller cooling equipment. In addition, savings would be realized annually in the operation of both cooling and heating equipment.

Other features of the house include a walk-in-closet that can double as a dressing room, a storage closet in the garage, and entrances to the basement from inside and outside.

Additional information, blueprints, and specifications can be obtained from Rudolph A. Matern, 90-04 161st St., Jamaica, L.I., N.Y. Refer to Plan No. 9418.

**Bayou Pecan 'n Rice Dessert Is Southern Treat**  
The cook in the Deep South has used the home-grown products pecans, rice and syrup to make a dessert so wonderful you'll never forget it!

It takes 40 minutes baking to toast the pecans and blend the vanilla, eggs, butter and dark syrup into a heavenly sweet. Use one of your fancy baking dishes and serve this dessert from the baking dish at the table.

2/3 cup uncooked white rice  
1 1/2 cups water  
1 teaspoon salt  
3 eggs, beaten  
1 1/2 cups drak corn syrup  
1 cup granulated sugar  
3 teaspoons vanilla  
3 tablespoons melted butter  
3/4 cup milk  
1 1/2 cups coarsely chopped pecans

While the rice cooks, mix together the eggs, dark syrup, sugar, vanilla and butter. After the rice cooks, stir in the milk. Cover and cook over low heat until the milk is absorbed. Stir occasionally. Press the rice over the bottom of a glass pie plate or shallow baking dish holding about 6 cups. Just before baking, pour the egg-syrup mixture over the rice. Sprinkle with the pecans. Push the pecans into the syrup mixture.

Bake, uncovered, in a preheated 350° F. oven 40 minutes. Serve warm. Top with vanilla ice cream or whipped cream, if desired. This recipe makes 8 generous servings.

**Potatoes Provide Good Nutrients**  
It's digging time on New Jersey's 16,000 potato-producing acres, and locally grown potatoes abound in the markets. Mrs. Mary W. Armstrong, Union County Home Agent, says potatoes are too good a source of nutrients to be limited in use to salads and potato chips just because the weather's warm.

Even in mid-summer, most families yearn for a good beef and potato dinner now and then. You can provide it without heating up the kitchen too much by serving a pot roast with potatoes, carrots and celery sticks cooked in the well seasoned meat juices. It makes a meal that's easy to prepare, takes only one burner to cook and you have only one cooking vessel to wash afterwards.

In selecting potatoes, size is important. Medium or small potatoes can be thrifty buys for general use and are preferred

## Percentage Of Youngsters Hurt In Accidents Is High

The high percentage of youngsters under 15 years of age killed and injured in traffic mishaps while passengers in vehicles operated by adults is cited by the New Jersey State Safety Council as an important aspect of the traffic accident problem too often overlooked by drivers.

In pedestrian accidents involving youngsters in this age group, the blame in many cases is shared by either the youngster or the driver, or by both; but in cases of youngsters involved in accidents as passengers in vehicles, the blame rests wholly with a driver, according to the Council.

Last year in New Jersey 48 youngsters in the 5-14 years-of-age group were killed in traffic mishaps. Thirty-five were pedestrians and six were cyclists, but 10 were passengers in vehicles operated by adults. In the same age group, 5,902 suffered injuries and 2,904 of these were passengers in vehicles.

Of the 24 youngsters in the 0-4 years age group killed in the state last year, 11 were passengers in vehicles. In the same age group, of the 2,285 injured, 1,596 were passengers in vehicles, 699 were pedestrians and 4 were involved in bicycle accidents.

In a total of 8,167 youngsters under 15 years of age killed and injured in traffic mishaps in the state last year, 4,521 were passengers in vehicles. The figures show, the State Council points out, that the faulty practices and attitudes of adults are taking a heavy toll of youngsters.

Citing nation-wide statistics pointing as strongly to adults, the Council reports that of the 4,450 youngsters under 15 years of age killed in traffic in the nation last year, 2,350 were passengers in vehicles operated by adults. In the same age group, 220,000 suffered injuries in the same period in the nation and 134,000 were passengers in cars.

All adults, including parents, need to understand and accept their responsibility for the safety of children not only in traffic but also as passengers in vehicles, according to the Safety Council, and those who have missed an accident, involving a youngster while a passenger, should be convinced that children are much more likely to be influenced by parental and adult practices than by preachments—and, too often, the faulty traffic attitudes and practices are visited on their children, and it takes years of school training to overcome them.

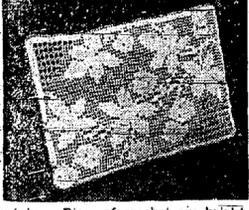

**WHITE IS THE COLOR**  
Yes, white is the most popular color for summer gloves, and today we show a pair which is the last word in coolness, brevity, and good looks. You will enjoy crocheting these in an interesting open-work pattern, finished off with a solid white cuff. Directions for making these gloves are available to you. Simply send a stamped, self-addressed envelope to the Needlework Department of this paper with your request for Leaflet No. PC-8576.

**Needlecraft News**  
There is something about crochet work that seems particularly appealing and refreshing in the summertime. It is so cool and crisp-looking, and is also cool to wear. You can peek up your warm-weather wardrobe in any number of ways, merely by putting the crochet hook to work on some of the many interesting patterns available. Gloves, hats, blouses and stoles are some of the many useful things you can make yourself.

**GLOVE COMPARTMENT**  
Everyone needs a good collection of gloves, and for some reason we seem especially aware of this in the summer. In the winter it seems easier to get by with maybe just one or two pairs of different colors. In the summer, however, we always make a special effort to look and feel cool, clean, crisp and clean. This naturally means we need a greater assortment of gloves, particularly white ones, and we never seem to have enough. Then, too, gloves—like earrings—seem to have an exasperating way of getting lost, usually one at a time. When you crochet a pair of gloves, however, it costs so little that you don't mind this quite as much. The practice of wearing gloves is sufficient, of course, and I thought you might be interested in hearing a little about their symbolism in earlier times. At one time they were symbols of death when worn on the hands of a victorious army. And symbols of rank and authority on the hands of kings who bestowed their gloves to the heir to the throne. Familiar expressions to all of us are phrases like "throw down the glove" as a challenge, and "handle with kid gloves."

### Handsome Pillow Top

A man's job does more than support his family. It builds his confidence, by giving him an outlet for his abilities and his need to create. At home, his wife must fulfill the same needs through other channels. Women often make the kitchen the center of their creative activity, turning out gourmet meals to dazzle guests and family. Many find an even greater source of

feminine. Piece of crocheted air bright spots of gracious living throughout a household. And if the handwork's your own, a product of your own leisure efforts, it will be a reflection of your personal talents and charm.

#### CONVERSATION PIECE

It's fun to be recognized for your accomplishments—and we all know how everyday homemaking tasks often go unnoticed. Here's a handsome filet pillow top that's quick and uncomplicated to work, and sure to win praises. We've chosen this floral pattern partly for its ease and attractiveness, and partly for its versatility—the design's in best taste for period or contemporary decors. If you'd like to make it, just send a stamped, self-addressed envelope to the Needlework Department of this newspaper with your request for FILET PILLOW TOP, free Leaflet No. PC-8946.

**Blouson Sweater:** "Add plenty of sweaters" is part of the formula for a successful campus wardrobe. This chemistry student chooses a striped, blouson-styled cardigan, featuring solid-color collar, cuffs and waistband.

### Bananas Make Good Dessert

The Banana Charlotte recipe below is one example of the fruit's convenient quality of combining well both flavor and texture-wise with a wide variety of other foods. Bananas contain vitamins A, B and C and a wide range of minerals from calcium to zinc, reports Mrs. Mary W. Armstrong, Home Agent. Bananas contain about 88 calories, but are not high in fat content.

**Ingredients:**  
 1 cup sifted flour  
 1 teaspoon baking powder  
 1/4 teaspoon salt  
 3 eggs (1/2 cup)  
 1 cup sugar  
 5 tablespoons water  
 1 teaspoon vanilla  
 3 cups heavy cream  
 1/4 cup sugar  
 5 firm, ripe bananas  
 Powdered sugar

Sift together flour, baking powder, and salt. Beat eggs until thick, gradually add sugar and continue beating. Add water and flavoring; blend. Add dry ingredients. Beat until smooth. Pour into well-greased and wax paper lined jelly-roll pan. Bake at 375 deg. for 12-15 minutes. Turn out on sugared cloth and roll up in cream and gradually unroll. When cake is cooled, spread with whipped cream. Place 2 whole bananas on edge of cake and begin rolling. Roll up in cream. Place remaining bananas on top, and place them cut-side down on whipped cream. Roll up. Dust with powdered sugar. Refrigerate. Serve with topping of whipped cream on each individual slice.

### Clever Recipe Uses Leftovers

These crusty ham cutlets make the last of the ham first choice with your family. They are like a croquette but are made pork chop-shaped. Instead of frying them in fat, bake them in the oven to save time and calories!

During the day, you can make the ham cutlets to store in the refrigerator. Twenty minutes baking gives the rice cereal crust a tempting, crisp, golden brown.

**Ingredients:**  
 1/2 cup cooked white rice  
 1 1/2 cups water  
 1 1/2 cups well packed ground, baked ham  
 1 1/2 cups dry mustard  
 1-10 1/2 ounce can condensed cream of celery soup  
 1/4 cup butter or margarine  
 About 2 cups over-toasted rice cereal

Mix together well the rice, ham, mustard and 1/2 cup of the celery soup. Cover and chill in the refrigerator. When cold, divide into 6 equal portions of about 1/2 cup each. Melt the butter or margarine in a shallow pan large enough to hold 6 cutlets. Crush the rice cereal into a fine crumb. Place in a shallow bowl. Shape the rice-ham mixture into flat pork chop-shaped cutlets. With a spatula, dip both sides into the melted butter or margarine. Cover well with cereal crumbs. Place cutlets back in the pan of melted butter or margarine. Cover and store in the refrigerator until meal time.

Place the cutlets in a preheated 425° F. oven 20 to 25 minutes or until crisp and golden brown. Serve immediately. Serves six.

### Potato Recipe From Cornell

This recipe for Mushroom Escalloped Potatoes is recommended by the Food and Nutrition Department of the New York State College of Home Economics at Cornell University, says Mrs. Mary W. Armstrong, Home Agent.

**Ingredients:**  
 1 10 1/2 ounce can condensed cream of mushroom soup  
 1 cup milk  
 1 teaspoon salt  
 1/4 teaspoon pepper  
 2 tablespoons flour  
 4 medium potatoes, peeled and thinly sliced (about 1/8-inch thick)  
 2 tablespoons chopped green pepper  
 1 medium onion, sliced  
 2 tablespoons butter

Combine the soup and milk. Mix together the salt, pepper, and flour. Arrange layers of potato, green pepper, and onion in the casserole. Sprinkle combined salt, pepper, and flour between the layers. Pour the soup-milk mixture over all. Dot the top with butter. Cover and bake in a moderate oven, 350° F., for about 45 minutes. Remove cover and bake about 30

**CHICKEN-PEPPER BAKE**  
 Mix together 2 cups cooked white rice, 1 cup diced cooked chicken, 1 chopped pimiento, 1/2 cup cooked yellow corn, 1/2 teaspoon black pepper, 2 tablespoons soy sauce and 2 tablespoons mayonnaise. Cut the tops from 6 medium-sized green peppers. Scoop out seeds and membranes. Stuff with the rice-chicken mixture. Place peppers in a large, deep skillet. Add water to come half-way up the sides. Salt the water. Cover skillet with a lid. Cook about 12 minutes or until the peppers are tender. Water should not boil too vigorously.

How can you use leftover roast beef? Cut in small cubes and mix with lightly cooked carrots and peas and a can of mushrooms. Season as you like and moisten with leftover natural gravy. Heat and serve with grated Parmesan or Romano cheese.

minutes longer or until potatoes are tender and the top is browned.

### Chicken Means Economy Menu

"Chicken for Dinner" could be the call often now since there are so many tasty ways to serve it that are appealing for family or company meals. Edith Mae Inalls, Union County assistant home agent, here is a simple dinner menu where the biscuits with chicken are baked all in one pan. The chicken is extra tasty because spiced peaches are cooked with it also.

**Oven-fried Chicken with Biscuits**  
 Buttered Carrots  
 Mashed Potatoes  
 Tossed Green Salad with Favorite Dressing

**Baked Apples with Custard Sauce**  
 1 chicken  
 1/2 cup shortening  
 1/2 cup peach halves  
 1 (Mix in paper bag)  
 1 cup flour  
 2 teaspoons salt  
 1/4 teaspoon pepper  
 2 teaspoons paprika

Place shortening in 13x9 inch pan. Bake 20 minutes. Shake 2 or 4 pieces of chicken at a time in bag to coat thoroughly. Place chicken skin-side-down, in single layer in hot shortening. Bake 45 minutes; then turn. (425 deg. F. oven). Meanwhile make baking powder biscuit dough. Roll dough 1/4" thick, cut into biscuits. Drain peach halves and place a whole clove in each, chicken tender.

### Basement Safety

Here are some suggestions offered by the National Board of Fire Underwriters, for making the basement safer:

Make "out of bounds" to children all laundry equipment such as washing machines, wringers, dryers, electric irons, etc.

The washing machine cord should be electrically grounded.

A slatted wood platform in front of the laundry equipment will reduce the hazards of slipping on a wet floor or getting an electric shock.

Laundry tubs should be securely mounted to prevent the danger of toppling over.

All tubs should be kept high enough from the floor so that small children cannot fall into them.

All electrical appliances, outlets, switches, and water faucets so that it is not possible to touch the electric unit and the grounded metal at the same time.

If the cold water pipes sweat and drip on the floor, wrap them with insulating material. Keep the basement in good order. Good housekeeping is just as important here as in

any other part of the house.

Store paints, turpentine, pesticides, and other poisons out of the reach of children.

Keep power tools locked.

Have a covered metal can to dispose of hot ashes.

Regularly dispose of all unneeded newspapers, magazines, boxes, and rags.

Store oily dust mops and rags in closed containers.

Clear and keep clear of equipment, chimneys, and flues before starting the fires in the fall.

Do not permit children to play around the furnace or to fire it.

All gas furnaces and gas water heaters should be vented to the outside.

Store all combustible materials away from heating

equipment. Nothing that will burn should be within 18 inches of furnace or flue pipes. This includes coal, wood, rubbish, or clotheslines.

Fuses should be of proper size—15 amperes on most home circuits.

Provide a good light on the basement stairway with the light switch at the top and bottom of the stairs.

For convenience grate some of the hard cheeses such as Parmesan or Romano and keep covered, in a jar, in your refrigerator. They can be used to add subtle and wonderful flavoring—and protein—to many foods such as vegetables, salads, soups or meats.
