SAROKIN'S LETTER

Editor, Sun:
Armed with a dictionary, a bright light and a copy of the Springfield Sun, we discovered that we had entered the ranks of those who have been slaughtered by the long-worded sword of Stanley K. Freeman, Ph. D., the Zarro of Springfield.

Although the meaning of many of Mr. Freeman's words may require extensive research, his definition of "the enemy" is obvious. The victims of his personal and confused attacks only need to have committed one act—they must issue a statement which is contrary to the views of one Stanley K. Freeman, Ph. D. Such a display of colossal nerve on the part of any citizen of Springfield brings forth a geyser of old words, malicious inferences and character assassination but never a discussion of the issues or facts involved.

Those who dare to disagree with Stanley K. Freeman, Ph. D. run the risk of his word-stoning. To add to the discomfort of his victims, Mr. Freeman forces them to consult a dictionary to find out just what names he has called them.

To those who can accept such abuse and laugh it off we extend our admiration. However, we "seconded," Paul Murphy and myself are not holders nor candidates for public office.

We issued a public statement which we prepared without the assistance or influence of anyone. The statement represented our sincere and honest views on a public question.

We, and many others before us, have been personally and publicly condemned by the long-winded Mr. Freeman. We cannot fight Mr. Freeman's kind of battle, since our weapons are limited to the facts and short words—neither of which he has ever employed.

The facts are these:
1. Neither Paul Murphy nor I sought, requested or were promised any jobs.

2. We prepared our "Vote No" pamphlet without the assistance of anyone.

3. The Springfield Citizens for Charter Study, of which Murphy and I were members, NEVER unanimously approved of Plan E.

4. Before our pamphlet was circulated, anything and everything that could have been said in favor of Plan E, had been said, repeated, re-written and re-printed.

Mr. Freeman's hint that we were part of an organized underground to defeat the proposal is laughable. Neither Paul Murphy nor I ever thought that Plan E would be defeated. We believed, however, that despite our own predictions, we should take a public stand on the question.

If those who have courage and conviction to speak out on a public question must become the target of a malicious, personal attack from a poison pen, then even the Council Manager Plan E won't save us.

Very truly yours,
H. LEE SAROKIN

MURPHY'S LETTER

Editor, Sun:
I had intended to answer at length Stanley's latest but I was delayed. My dictionary was mislaid and I wasn't sure whether his letter was complimentary or not.

In any event, polysyllabic Stan has struck again!

I rushed to Democratic Heaven and demanded my reward. Alas, it was not to be had. When I discovered Stan's letter was erroneous.

Very truly yours,
PAUL T. MURPHY, P. S. 32

THIS WEEK

Stanley K. Freeman, Ph. D., who would almost rather die than be caught using only two or three syllable words in his letters to the editor, has been given the full flavor of the bean as far as "freedom of press" in the Springfield Sun is concerned.

We have given space, without any deletions or serious editing, to every one of his letters, written evidently while dilating his delectably aristocratic Ivy League nostrils.

In his latest abuse against the Springfield Sun, in general, and the opponents of the now defeated Council Manager plan, in particular, he flexes his five and six syllable words by accusing this newspaper of not giving his (favoring the adoption of Council Manager Plan E) side of the question any Page 1 publicity.

"Filtering his eyelashes in anger, he makes reference to the 'monetary' staff of this newspaper, inferring that the Springfield Sun would not give publicity unless 'they ran a series of paid advertisements.'"

"When leads us to the observation: 'Darling! You're shouting again!'"

"This is one accusation no one can truthfully make. We hesitate to clarify Mr. Freeman's statement, but never have we suppressed any publicity whether or not we received paid advertising."

"We have never personally met Mr. Freeman and frankly, there doesn't seem any prospect of cultivating 'togetherness' with this critic who has been acting like a person who has been denied a passport or something. Perhaps, carrying around that heavy volume of Robert's Thesaurus of the English Language has caused some Vitamin deficiency. Let's send this boy to camp."

"This literary knight in steel armor—accuses the Springfield Sun of doing a 'hatchet job' culminating in the retention of our present governmental form."

"We have as much right to our opinions on the proposed change in charter for Springfield as Mr. Freeman."

"Some of his prepared statements that '85 million people in the United States are now under the Council Manager form of government' was an insult to everyone's intelligence. So was the publicity release which said '16,000 municipalities in the United States were now under the Council Manager form of government.'"

"The Springfield Sun pointed out that this would mean that there must be more than 300 such towns in every one of the 48 states to reach this figure of 16,000. A spokesman for the Charter Study group said it would be 'okay' to change that 16,000 to 1,600 municipalities but 'not to change the figures of 85 million.'"

"Had the Springfield Sun seen fit to join with the 'change-for-change-sake-at-any-cost' group, we might have found place in Mr. Freeman's address book as 'good guys.' But because we couldn't go along with the heavily endowed mentalities, we were marked 'bad guys.'"

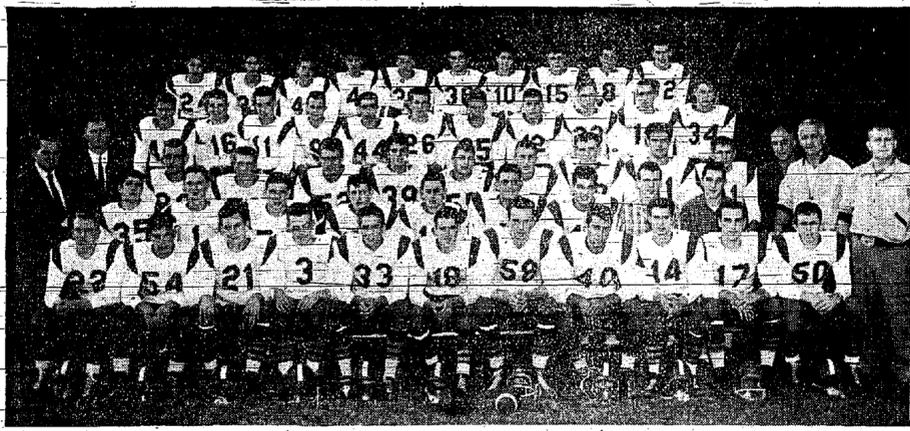

"Mr. Freeman has a perfect right to his own opinions and the Springfield Sun will always make available space to him and those who wish to air their ideas on matters of general interest to the community."

"We have no idea why Mr. Freeman is so much fire and brimstone. Or, why he has been so angry about everything in Springfield. Perhaps, bicarbonate of soda would offer some relief."

"There is always that picture before us of Mr. Freeman pacing up and down, like an expectant father, waiting for the moment he can sit before his typewriter, and give orders to his well trained troupe of five and six syllable words."

"Just to clear the records—Mr. Freeman said the Sun did not give the proponents of Council Manager front page publicity. Without spending too much time on slipping through our files, we added up to 130 inches of Page 1 stories in favor of the proposal. One was even a front page, bold face head giving room to a letter Mr. Freeman submitted with some of his thousand pound words."

Classic Rivalry Dates Back To '37

A football series dotted with upsets returns to Springfield Thursday. Springfield Regional meets its arch-rival Rahway in the 22nd clash between the two elevens. The rivalry is a heated one and both teams will play with the fervor that has become a trademark with this series.

The gridiron rivalry dates back to Springfield Regionals' first year of existence; the first contest being played in 1937. The Rahway Indians were heavily favored in that game and they trounced the Bulldogs 25-0. Rahway's talent laden backfield tallied time after time with Indian halfbacks Sam Kobesky and Charley Shupper each netting two TDs. Rahway served notice on Springfield that the football series would be a long and arduous one for the Bulldogs.

Rahway shackled Regional as the series grew. The Big Red Wave held sway over the Bulldogs to 1944. Finally in that year, the plucky Bulldogs broke Rahway's seven-year winning streak. Behind the seatback running of Mal Aldridge, Springfield tallied once and held on to hand Rahway a 6-0 loss.

From then on, the Bulldogs served notice to county opponents that Regional was to be feared. In 1947, an unbeaten Rahway squad heading for state honors was rudely toppled from their lofty pedestal by an inspired Springfield eleven. Behind the stand-out running of Ken Belliveau and Herb Etzold caught the other for a 63-yard gainer. The Springfield came through with their second victory of the season by downing Caldwell 18-12 in a real thriller. Skousen had two touchdowns and again gained over 100 yards. Ron Bell also played a great game. He gained (continued on Page 6)

Fire Truck Smashed On Way To Fire By Errant Crane

Springfield is down one fire truck again. The fire department's 17-year-old pumper was demolished Friday when a mobile power crane rained into it broadside while the truck was tearing to a fire.

Firemen Floyd Merser, 28, of 87 Linden avenue and Reginald Ronco, 35, of 107 Tucker avenue, the only men aboard the fire truck, were thrown to the street. Ronco, driver of the fire truck, was released from Overlook immediately after x-rays. Merser was held over one day and released on Sunday. Neither suffered serious injury.

The driver of the crane truck, Jerry Bertha of Jersey City, was taken to Overlook for observation. Springfield, which just acquired a new hook and ladder, to bring the fire house up to all complement, may have to buy a new pumper. The Mack Company is sending an appraiser to see if the wrecked truck can be salvaged. If not, the insurance on a 17-year-old truck will hardly pay for a new replacement.

At present, Springfield has a pumper ready for first calls. But with the old truck out of commission, neighboring towns must cover for second calls.

The fire truck was crossing Flomer avenue on the way to a house fire in Linden avenue when the accident occurred. Fire officials said the crane swung out from behind an auto stopped to give the fire engine the right-of-way and hit the fire vehicle.

Bertha was trapped in the cab of his crane for several minutes, according to witnesses. Fire headquarters sent auxiliary equipment to the fire, which was minor and was extinguished within minutes. Patrolman Edward Roessner said a summons charging Bertha with failure to give the right-of-way to an emergency vehicle would be issued.

Linemen Could Figure In Win

Regional's starting line positions are: ends—Leo Lospinoso and Alan Stenfors. Tackles—Dave Lopanik and Dick Bieksha. Guards—Don Engle and Frank Campano. Center—Ron Geddis.

Lospinoso, until he was injured against Westfield was the Bulldogs' leading pass receiver. He and Herb Etzold could give the Rahway defensive secondary fits.

On certain days the line has shown exceptional ability in blocking and tackling. Other times, however, they have been weak in these departments. If they have one of their better days, Rahway could be in trouble.

Other linemen who play fairly regularly are Jerry Greenberg, Norman Goldberg, and Joe Testa. Offensive subs who play regularly are Charles Doyle and Fred Unglaub.

Greenberg plays middle guard and end. Goldberg plays guard, and Testa is a linebacker or high series with handicap. Tony laub played end in Lospinoso's absence.

6 Backs Spark Dayton Attack

Springfield Regional has unusual backfield depth this year. The starting backfield consists of Ed Reese at quarterback, Chip Skousen and Cas Wolowicz at the halves, and Ron Bell at fullback. However, Herb Etzold and Dennis Golcher both play on about an equal basis with the starters.

Ed Reese has exhibited an exceptional talent-at-ball-handling for the Bulldogs. He is the main cog in the Bulldog offense for the one backfield spot lacking in depth is quarterback. Pete Suchena plays the position but he has too little experience to substitute successfully for Reese.

Reese has on occasion shown possibilities of being a great passer. Against Somerville he completed eight of fifteen passes for 160 yards and against Westfield he completed 12 of 17 for 171 yards. He has had great success running the quarterback sneak. Reese also punts and has kicked extra points.

If one were to pick an individual star in the Regional backfield it would have to be Chip Skousen. Skousen has scored eight touch-

downs and gained more than 400 yards. He has the longest Springfield "run" of the year, a 72 yard jaunt against Linden. Most of Skousen's yardage has come on end runs.

In each of the three-Regional wins Chip gained over 100 yards and scored seven of his eight touchdowns in these three games. It seems that as Skousen goes so goes Regional.

Cas Wolowicz has been the hard luck boy in Regional's backfield. No matter how well he does, most fans remember only the long losses inflicted on him while running the "Sally Rand" (a deep double reverse). Wolowicz, however, is a fine breakout runner and a fine faker.

Last Game For Coach Suchena

By Victor Goldberg

Thursday, Springfield Regional meets Rahway in the twenty second annual Turkey Day meeting of the two teams. Once again Rahway is heavily favored but this game rarely holds to form.

The game is to be played at Riverside Park in Rahway. Starting time for the contest is 11:00 a.m. A capacity crowd is expected.

Regional would like to make Coach Mike Suchena's last game as head football coach a happy one. The Bulldog's will, however, have their work cut out for them as they are up against an undefeated Rahway team.

Rahway under Coach Buzzy Pirkser is looking for its fifth undefeated season in 19 years and its first since 1952. Their hopes are based largely on the presence of Joe Williams in the Rahway lineup. Williams, an 18 year old, 195 pound fullback with great speed has been Rahway's top performer for the past two seasons. He has scored 24 touchdowns en route to setting a new Union County scoring record of 149 points. Last year he had "only" 115 points scored.

He's considered a sure candidate for all-state and has been mentioned in connection with the High School All America. Other Rahway stalwarts are Clarence York, Russ Natson, and Ed Smith. York is only a junior and plays either quarterback or end. Natson a huge 230 pound tackle and Smith a tiny, by-comparison, 150 pound guard anchor the left side of the Rahway line.

Although Regional boasts no individual stars of Williams magnitude, they have many individuals worthy of note. In the backfield Regional has not four but six players who are designated as starters. They are Cas Wolowicz, Chip Skousen, Ed Reese, Dennis Golcher, Herb Etzold and Ron Bell. Details on their play are to be found in another article.

Regional has on occasion exhibited a fine defense notably against Union and Linden. Powerful Union was held to two touchdowns by a determined Bulldog defense. Linden gained only 20 yards rushing and had four passes intercepted. Three of these passes and a fumble were returned for touchdowns. Rahway has shown a great defense this season. So far Cranford is the only team to have crossed the Rahway goal line. They did it three times and gave the Indians their biggest score of the season. Rahway won 27-19.

Who will win Thursday? If the Bulldogs can hold Williams they can bring off the second major upset in three years. Come on out to Riverside Park and see if they can do it.

Ron Golcher Opens Photo Studio Here

Springfield is finally getting a photographic studio. A 1956 graduate of Jonathan Dayton Regional High School is opening up a studio opposite the school on Flomer Avenue.

Ron Golcher of Kenilworth has founded Davron Studio under the supervision of his father, David Golcher, a well-known Kenilworth photographer. Ron has worked with his father for years and will take advantage of the elder Golcher's fine reputation throughout this area. The studio, at 130 Flomer Avenue in the Fred H. Strubbe building opened officially yesterday, Nov. 25.

Ron Golcher has the facilities at training to excel in portrait, wedding and commercial photography.

Incidentally, Ron's younger brother, Dennis, has just been named "Mr. Regional" because of his athletic prowess. The student is a fullback on the Regional team.

Ron is engaged to marry Sandra Day, daughter of Mr. and Mrs. Howard A. Day of Prospect Place, Springfield in the spring. He was discharged from the Army in October.

SCRAP DRIVE SUNDAY
The scrap paper drive will be held November 30 with the local American Legion volunteers doing the job as usual. All bundles of paper should be securely tied and placed at the curb in time for the collection starting at 10:30 a.m.

4 Congregations Unite To Observe Thanksgiving At Joint Service

Rabbi Israel Dresner Rev. Bruce Evans Rabbi Reuben R. Levine Rev. Virgil E. Mabry

The ministers and rabbis of four local congregations announce the observance of Thanksgiving at a Joint Service on the eve of the holiday. Participating in the plans are Rev. Bruce Evans of the Presbyterian Church, Rev. Virgil Mabry of the Methodist Church, Rabbi Reuben R. Levine, Temple Beth Ahm, and Rabbi Israel Dresner, Sharey Shalom Reform Congregation.

As in the past, the Service will include prayers common to both faiths and will be conducted jointly by all of the clergymen. According to the rotating basis upon which place of meeting and main preacher have been arranged, the Service is being held at the Methodist Church at 8 p.m., with Rabbi Dresner delivering the sermon, and the Methodist choir singing.

Springfield has been proud of the genuine spirit of fellowship that exists between our religious denominations. This joint observance serves to re-emphasize the common aspects of faith which are part of our American heritage. It has become Springfield's natural expression of man's brotherhood under the Fatherhood of God.

The clergy and leadership of the four participating congregations call upon all their members and friends to join in offering thanks on November 26th for our blessings as individuals, as Americans, and as residents of Springfield.

Everyone is urged to partake of this great and inspiring opportunity to "Serve the Lord with gladness; Come before His presence with thanksgiving."

Homes Needed Here For 2 Small Boys

Couples in the vicinity of Springfield who may be interested in becoming foster parents are being sought by Bonnie Brae Farm for Boys in Millington, which is expanding its program to include supervision of a limited number of boys in foster care.

Miss Harriet Bloomfield, Supervisor of Social Service at Bonnie Brae, said in an interview today that two boys who are now at the Farm are ready for community placement and will benefit far more from the individual attention foster care offers than they can by continuing their residence at Bonnie Brae.

One of the lads is a ten year old, white, protestant youngster, whose mother is ill and unable to care for him and whose father's employment makes it impossible for him to make permanent plans for

the boy. It is anticipated that he will need foster placement for a year or two.

The other boy is a twelve year old, negro, protestant who has no family ties; no place to spend vacations and holidays and would need long term care.

Bonnie Brae is looking for couples, Miss Bloomfield said, who have sufficient accommodations to accept a child and can provide him with his own bed. She explained further that warm, accepting foster parents are needed who can understand that the child may be frightened and uneasy on first being placed, but that the problem he may present can usually be worked-out with a professional staff member from Bonnie Brae who will be visiting the boy while he is in placement.

Couples in the Springfield area who are interested in becoming foster parents are asked to write to Miss Harriet Bloomfield, Supervisor of Social Service, Bonnie Brae Farm for Boys, Millington, N. J.

Elementary Schools Conduct Intramural Sports For All

Teacher Geraldine Finch & Pupil Elaine Bouchard

For many years the Springfield Elementary Schools have had intramural activities, which include the competitive and recreational sports that are a part of the regular physical education program. This is in keeping with the findings of committees during both World Wars, and more recently with President Eisenhower's Council on Youth Fitness. The reports of these committees have shown that the majority of American youth fall far below the standards set for physical fitness. With more labor-saving devices and increased leisure time, recreation takes on greater significance.

Our after-school program in the James Caldwell and Edward V. Walton schools is directed by Miss Patricia Grady. It is initiated in the fifth grades and consists mainly of activities and games that are within the scope of their neuro-muscular development. The Raymond Chisholm fifth grades attend the Florence M. Gaudineer School and participate in a program of offered there. Some of the popular games are kickball, prison dogeball, softball, and scooter ball.

Both the Caldwell and Walton fifth grades enjoy the games and activities once a week, with the girls and boys alternating every other week. Special effort is made to develop an awareness of good sportsmanship and fair play.

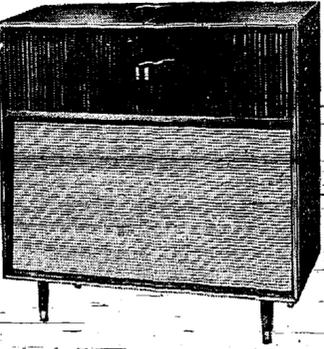

Extra-curricular sports for girls at the Gaudineer School are under the direction of Miss Geraldine Finch. The program is based on the idea that all girls should have an opportunity to participate in an activity regardless of skill. Consequently, it is aimed at providing activities for all girls with the emphasis on participation and attendance, not on winning teams. In order to achieve this, the physical education facilities are reserved three afternoons during the week for each grade to participate at least once. During the fall and spring seasons, a fourth afternoon is set aside for girls in the seventh and eighth grades who wish to learn the skills of archery. Individual, dual, and team sports are offered. These include archery, field hockey, and soccer in the fall, volleyball, basketball, and badminton for the beginner and novice in the winter, and softball and archery in the spring. Records showing the number of times a girl has participated in each activity are kept. At the end of the year, the girls with 100 per cent participation in an activity receive a specified number of points for each activity. Points can also be earned for 75 per cent participation in a sport, as well as for being a captain or manager, or for being on a winning team. Awards are given to the girls who accumulate the highest number of points. The boys at the Gaudineer School, supervised by Mr. Norman LeBeuf, have an after-school program of volleyball in the fall, basketball in the winter, and baseball in the spring. They elect their own captains who are responsible for the selection of

the players and substitutes as well as for the general conduct of their teams. Elimination tournaments are not used since a team, once defeated, usually does not play again. The round robin type of play gives a team a chance to play every strong team in the league, whether they win or lose. The number of games played is determined by the number of homerooms at each grade level. Since there are five eighth grades, seven seventh grades, and eight sixth grades, these teams must play a total of ten, twenty-one, and twenty-eight games respectively. In each of the three sports, the intramural schedule provides an opportunity for the great number of students to engage in vigorous and healthful activity. The pupils are members of teams enjoying the thrills of success which crown achievement, learning to take defeat intelligently and gracefully, developing worthwhile habits of leisure time, and forming a permanent interest in sports.

 passing, the game was sealed with an overwhelming victory of 27-2.
 The first tie occurred in 1950. Both teams came into the meeting unbeaten and the game developed into a bitter defensive contest. Both teams scored once and to the utter frustration of frantic fans, the teams battled to a deadlock.
 The 50's brought a resurgence of Rahway power. Regional was unable to stem the tide till 1953. Rahway suffered a surprise flat year with George MacKenzie

doing the surprising. The elusive Bulldog halfback literally ran through the Rahway Wave as the Springfieldites pulled a 12-7 upset.
 The 1956 game with Rahway will stand out as one of the most exciting in the history of this hectic series. Confident Rahway entered the game as a 4 TD favorite. Rahway had All-State back Bob Scarpitta and the newspapers justifiably picked Rahway to roll over the hapless Bulldogs. Regional had lost every game that season but comparative scores and statistics can be thrown out of the

window in a Thanksgiving encounter. And they were as the Bulldogs pushed the Rahway aggregation all over a muddy gridiron. Regional passed for two touchdowns and ran for another as Springfield. Regional clinaxed a disappointing season with a 34-14 victory over Rahway.
 Last year a powerful Rahway team led by Joe Williams met the Bulldogs who were yawning in the midst of a prior 1-5 season. Springfield surprised the Indians by playing them evenly for the entire first half. However, the Rahway power finally began to show as the In-

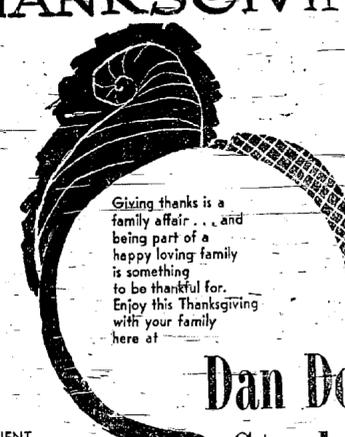

dians romped in the second half, scoring 39-13.
 This year Rahway once again is a heavy favorite. However, perhaps history will repeat itself and the final results will show, as in 1956, the Bulldogs on top.
LOCALS FIGHT
 Regional next met Roselle on a thoroughly rain-soaked playing field. It fell came out on top 26-15. The Bulldogs put on a fine comeback after being down 19-0 but could not quite catch Roselle.
 The Bulldogs scored a moral victory against highly favored Union by losing only 14-0. The first touchdown was set up by blocked kick and the second was scored on a wobbly fourth down pass from a second string quarterback to a second string halfback who caught the ball on his knees in the end zone.
 Westfield built up a 13-0 lead against Regional but saw it go up in smoke as the Bulldogs

scored two times in five plays. Herb Etzold returned the kickoff following the second Westfield TD 86 yards for a Regional sixpoint er. Shortly thereafter Dennis Golcher caught an Ed Reberer pass in the end zone for a touchdown as the half ended. Westfield led by the running of John Wolfgang who gained 235 yards, scored with 33-20.
 Regional's defense put on a whole of a show against Linden as it cashed in for four TDs in nine plays. Skousen scored two on intercepted passes, Golcher one, and Bell scored one on a fumble. Skousen turned in the longest run of the year for the Bulldogs, a 72 yard jaunt.
 Springfield's record now stands at three wins and five losses with just the Thanksgiving game to go. Whether they win or not this will be their best season since 1955 when the Bulldogs posted a 7-2 record.

 tackles. He demonstrated his ability against Caldwell, a game in which he gained 100 yards. In one touchdown drive of five plays he carried the ball on four plays for forty yards.
 Bell was the regular punter and did the kicking off in the beginning of the season but has since been relieved of those duties. Some of his punts went 60 yards from scrimmage. He now kicks the extra points and has so far been perfect making six of six.
 Herb Etzold is the best pass receiver in the backfield and possibly the best on the team. Against Westfield he gathered in nine passes for 137 yards. He showed great skill in evading defenders and was sure-fingered as

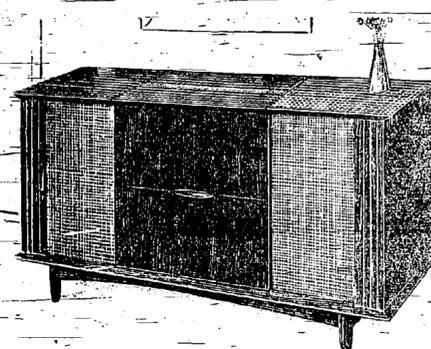

Rahway Relies On Star Joe Williams
 Rahway's big star is Joe Williams—a prolific scorer who has already shattered the Union County scoring mark. Williams Campbell's record of 143. Campbell set his record in 1952 at Plainfield and has gone on to be one of the big names in sports.
 Williams has 24 touchdowns and five extra points in seven games. Campbell set the previous mark in nine games. Williams a powerful fullback, is also a great open field runner. His touchdown plays have averaged 2 yards.

"Do you realize what you might have done?"

 This man didn't know he was speeding. He didn't see that stop sign he passed! Last year, nearly 40,000 died in traffic accidents. In too many of these cases, the drivers who caused them didn't realize they were at fault until too late. Suppose the officer hadn't stopped this driver in time!

Help stop senseless killing on our highways. Drive safely yourself. Insist on strict law enforcement for your own protection. Work actively with others to support your local Safety Council. Remember—where traffic laws are strictly enforced, deaths go down.

90 Parents Back For School Week

In response to an "Open House" invitation in observance of American Education Week, over ninety parents visited the Jonathan Dayton Regional High School recently. The visitors attended regular classes, looked in on special areas such as the shops and science rooms, and observed the high school in actual operation.

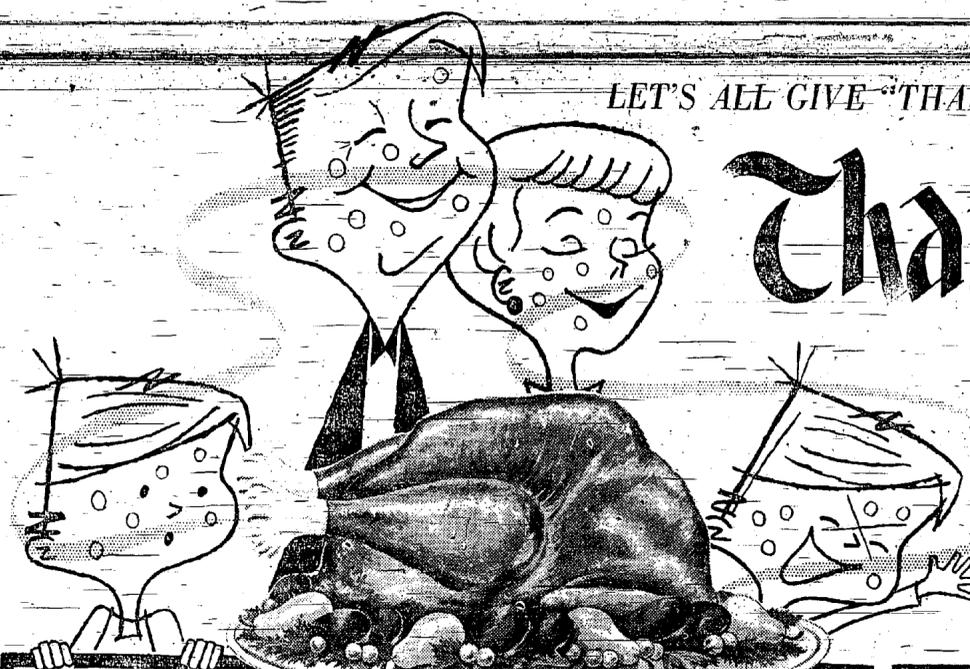

Members of Regional's Future Teachers of America club provided for the comfort of their school's visitors. Some served as receptionists, while others acted as guides throughout the day, answered questions, made luncheon reservations for the guests, and provided parents with their children's schedules.

A number of parents stayed for lunch and were served at specially reserved tables in the school's cafeteria.

Attends College

Chester J. Albinowski of 54 Fieldstone drive, Springfield, is among the 116 members of the freshman class this semester in Union Junior College's Evening Session. There are 729 students in the college's Day and Evening Sessions.

A graduate of Jonathan Dayton Regional High School, Mr. Albinowski is majoring in business administration.

7 pounds, 8 ounces of Sacred Trust

If you have youngsters of your own, then this picture must call up wonderful memories. How happy, how proud you were of the new baby. Proud, happy, and grateful, too. For no one had to tell either of you that your child was a sacred trust . . . that his or her happiness depended in large measure upon the way you measured up as a parent.

Today, you know better than ever how true

that is: It's you the children look to for all things . . . for love, for learning, for fun . . . and, above all, for the good example to follow in life.

That's quite a responsibility. But, thanks to God, not a lonely one. For God blessed you with children, knows you need His constant help to raise them wisely — and that help is yours for the asking. Worship together, at your Church or Synagogue, every week.
