### GROWLS FOR A GROUCH

There are some people in Sayville, Long Island, as well as many other communities, where grouches manage to find fault with almost anything. The Suffolk County News wrote an editorial which is worth while reprinting.

It tells about a grouch who telephoned the newspaper recently to say that the next small boy who rang his doorbell in an attempt to sell him a subscription to this newspaper would be arrested for violating a town ordinance which bars soliciting without a permit.

"We hope he does, for he would be subject to a lawsuit for false arrest, we would be blessed with a corking good story and he would be embarrassed in front of his neighbors, which should be the fate of all grouches.

However, we'll spare him that. The town ordinance does not require permits for solicitors under the age of 18. Town Attorney explains that it has been the feeling of the Town Board that children should be encouraged to engage in legitimate little merchants activities, and operating newsboy routes or selling home town newspaper subscriptions falls within the category of legitimacy. Thus, the grouch doesn't have a legal leg to stand on.

From time to time, since this newspaper was founded, small boys with a consuming passion for a bike, a month's supply of ice cream sodas, or to buy Christmas presents for mom and dad have tramped through their neighborhoods on a whirlwind subscription campaign until they ran out of aunts and grandmothers.

Occasionally some boy sells subscriptions to help swell his Boy Scout Troop treasury or to work his way through the fifth grade. Almost always their motives have been noble, their efforts herculean and their return adequate. It has been a happy association.

Most of those boys have since grown into grandfathers without becoming grouches and in the meantime have become useful citizens. Many have gained prominence in their fields. If there are a few who have gone to jail their names escape us. At any rate we expect we will be peddled by little boys so long as they and we exist.

Our suggestion to the grouch who phoned is that he first read up on town law and, second, yank out his doorbell. If that doesn't work he can always move to a place where there are no little boys, and if he will call again we'll tell him where that is."

### EVERYBODY'S OPINION COUNTS

Grass-Roots opinions ARE needed, stoutly affirms Editor Tom Griffin who editorializes: "A prime requisite for the newspaper publisher to retain his emotional stability is to maintain his sense of humor.

The threatening phone call, the many subsequent phone calls, the icy greeting, the hostile declamation followed by the slamming of the office door—these are everyday routine during an election campaign, local or nationwide.

And they are Americana—they stem from the intense interest and fierce pride in our country's system of free elections... however, we must touch on a point with which we were most concerned. A few readers vehemently expressed the opinion that a weekly newspaper must not comment on matters relating to elections on a county, state or national scale, but should dwell only on subjects of interest to our community. We were advised to leave such important larger matters to the metropolitan newspapers.

We disagree, most decidedly... is our community newspaper any less a newspaper because it is small? Are not our opinions as valid as those of the publishers of the country's largest dailies?

Frankly, we feel that as a weekly, we have more right than the syndicated daily columnists to express an opinion. We feel that no answer is necessary to the group of local citizens who cornered the writer in a business house and informed him that editorials were not welcome in this community, and who demanded that the editorials be discontinued... except to say that we would fear for our nation if the over-12,000 weekly newspapers were silenced editorially."

### MERRY CHRISTMAS TO EVERYBODY!

The Springfield Sun, members of the staff and this column wish to extend to all residents of the Township our warmest season's greetings.

### AUR WEIDERSCHEN

For the first time in nine years the Springfield's official family will be without the services of Raymond W. Forbes and Frederick A. Handville when the new Township Committee organizes January 1.

Mr. Forbes who was a member of the outgoing Republican controlled governing body announced very early that he did not intend to run again but Mr. Handville tried for re-election and was defeated. He and Isaac Freedman were the Republican candidates who lost to Dan Lucy and Howard Flammer, the Democratic nominees, giving the Democrats control of the Township Committee.

Retiring without being defeated places Mr. Forbes in the position of, perhaps, preparing for another political campaign. Many coservers in Springfield believe that he will make himself available to the Republican party when the "wind is right and the moon high."

Mr. Forbes has been a dedicated town official and his experience as both president of the Regional Board of Education and the Township Committee should not be entirely lost.

But for 1959, neither Mr. Forbes nor Mr. Handville will be sitting in their usual places as members of the governing body. In politics "that's the way the ball bounces." Mr. Forbes' record in public service should not be put away in deep freeze.

## Sun To Publish New Job List In Next Issue

Next week's issue of the Springfield Sun, to be printed Monday, December 29, and available on newsstands on Tuesday, will contain practically a complete list of the new appointments to be made by the Democrats who take control of the Township Committee on January 1.

Victory of Dan Lucy and Howard Flammer, the Democratic candidates over Frederick A. Handville and Isaac Freedman, the Republican representatives on the ballot, in the recent general election gave control of the governing body to Democrats for the first time in over 100 years. Two Republicans, Mayor Albert G. Binder and Township Committee member Eugene F. Donnelly have one more year to serve.

Conferences have been held by the two committeemen-elect with the present Democratic member of the Township Committee Vincent J. Bonadies and other leaders since election and it is understood that the complete organization program has been resolved out to everybody's satisfaction.

Announcement on how the Democratic majority has worked out the various assignment of committees and those who will be named to replace some of the present job-holders is expected to be available for the Springfield Sun article for next Monday's issue.

The organization meeting will be held in the Municipal Building at noon sharp Thursday, January 1. All residents of the Township are invited to attend the swearing in ceremonies.

No indication as to just what Township officers are to be replaced has been given by the Democrats and the result of the many conferences is very "hush hush." However, the Springfield Sun has been assured that the names of the new appointees and the committee assignments will be available in time for publication in the next issue.

## McMullen & Dammig In Legion 40 Yrs.

Forty-year membership cards were presented last week to Magistrate Henry C. McMullen and Alvin H. Dammig by Continental Post 228, American Legion, in the Post Home.

Magistrate McMullen and Mr. Dammig have been members of the post since it was organized in 1922, transferring their membership at that time. Magistrate McMullen was one of the founders. Presentation of the cards was made by David Roe, commander. The post cooperated last week with Bayway Post 280 of Elizabeth to entertain veterans at the Veterans Administration Hospital, Lyons, at a Christmas party.

## Old Route 22 Nixed By \$70 Million Extra

The Newark Star-Ledger reported Saturday that the State Highway Department's study of the feasibility of "revitalizing" the present Route 22 has resulted in a negative decision.

The report says that the Highway Department estimated that the conversion of the present Route 22 into a limited-access freeway would cost from \$60 to \$70 million more than construction of the proposed new Route 22 (now called Route 78).

Cost estimates in the latest study include the loss of tax ratables that would result from widening the present highway, and the cost of parallel marginal roads that would be needed to convert the highway into a limited access road.

Apparently the Highway Department ignored the suggestions made by J. Robert Proctor and Henry Buch Smith for a continuous access roadway. Those two men had told Springfield audiences of the desirability of having entrance and exit to the highway from commercial firms along the highway as well as from many side roads.

The State is rejecting this plan in favor of the Federal requirement for access at widely separated interchanges.

Because of the public uproar over the eastern part of the alignment, formal approval of the road will take so far has been limited to the section from Springfield westward. Construction is already under way in Somerset and Hunterdon Counties.

The findings of this "revitalization" study seem to pave the way for further hearings (Union, Irvington) as work will continue on the highway's planning.

## Deadline Set For Regional Bd. Aspirants

The Regional High School Board of Education announced today that the final date and time for filing petitions for membership to the Board of Education of The Union County Regional High School District No. 1, is December 26, 1958, at 4 p. m.

All persons wishing to vote in the next annual school election who are not registered should do so prior to December 24, 1958, in their respective community. The new election law specifies that a voter must reside at least 6 months in the state and 60 days in the county and must be registered 40 days prior to the date of election. ## New Color Magazine To Be Part Of Springfield Sun

Beginning with the issue of January 8, the Springfield Sun will add an interesting color magazine supplement SUBURBIA TODAY to the features of our newspaper.

Within the past forty years the widespread distribution of color supplements in America's newspapers has reached an astonishing proportion. In large metropolitan areas, over 67 million families enjoy the attractive color, the illuminating articles, and the practical service features of the color magazine supplements.

It is only now, for the first time, however, that such a privilege is extended to the subscribers of suburban newspapers in a neighborhood like ours.

The Springfield Sun is proud to be one of the newspapers in America, published in suburban areas, which will be distributing the new and sparkling, 4-color magazine supplement, SUBURBIA TODAY. Created to add interest through color and unique country wide coverage of the suburban scene, SUBURBIA TODAY, in appearance and editorial quality, compares favorably with the Sunday supplements carried by the big metropolitan newspapers.

SUBURBIA TODAY will be a part of the Springfield Sun once a month. The publisher of SUBURBIA TODAY is planning to make it a semi-monthly publication; eventually a weekly.

Behind SUBURBIA TODAY is a large organization, thoroughly able to sustain a standard of excellence, issue after issue. SUBURBIA TODAY is headed by Leonard S. Davidow, one of the country's most outstanding publishers. It was his genius which inspired, and it is his energetic direction which stimulates, a small army of executives, editors, writers, artists and technicians in the cooperative efforts which have produced a \$50,000,000 book publishing business. In addition to SUBURBIA TODAY, Mr. Davidow is also publisher of another color magazine supplement, Family Weekly, which is a part of nearly 200 newspapers, in metropolitan areas, with a circulation of four and a half million each week.

The editorial staff of SUBURBIA TODAY draws on a wide (Continued on Page 2)

## Ice Skating Rink Here Is Crowded

Ice skating enthusiasts have been making the most of the cold weather by crowding the recently opened rink in Meisel avenue and the County Parking Commission property.

The skating area was made possible through the efforts of the Springfield-Millburn Kiwanis Club with the cooperation of the County Park Commission. The skating area is now open but the section to be used for a hockey rink has not been completed. The plans also include benches and possibly a field house for the skaters.

Arrangements are also being made to have volunteer students from Regional High volunteer to "police" the skating area and help maintain order.

There is no illumination for the local skating rink as yet but skating is permitted until 11 p.m. Barring sudden changes in the weather, the Union County Park Commission says many ice skating areas will continue to be open in the county, including several illuminated at night.

Night lighted areas are at Warinanco Park, Elizabeth; Galloping Hill area, Kenilworth; the Upper Lake at Echo Lake Park, Mountainside; Rahway River Park, Rahway; and the Cedar Brook and Green Park areas in Plainfield.

Other park areas are open at night but do not have lighting facilities. They are Lake Surprise, Mountainside; Briant's Pond, Summit; Bloodgood's Lake and Jackson's Pond, Clark; Milton Lake, Rahway; Munsee Drive, Nomahagan Park and trap shooting grounds, Cranford; Drake's Pond and Seely's Pond areas, Scotch Plains; Salem Ave. and Woodruff areas, Hillside; Black Brook, Kenilworth, and the Springfield rink.

# SCHOOL BEAT

By MARSHA WILSON

By the time this article is printed, students of Regional High School will be on their Christmas vacation.

The Christmas Concert, given last Thursday evening, was a complete success. Numbers which highlighted the program were: The Song of Christmas, All Hail The Power of Jesus' Name, and the benediction, entitled The Lord Bless You and Keep You. For the latter number, all alumni were asked to come to the stage and join in. Mr. Edward Brown, director of the vocal music department, was presented with a gray sport jacket by the vocal music groups.

As the Senior Play will be given in March, a new club has started. Its name? The Senior Play Selection Club. Its purpose? To select a suitable play for presentation by the senior class.

So far—the choice has been narrowed down to two, plays, Stardust and You Can't Take It With You. Casting will begin after Christmas.

Our basketball season is five games old, and so far we've won one game. When we lost, however, it was only by a few points. This proves that when our team gets a little more experience it will be a threat to everyone.

The wrestling season has opened

She writes to the undersigned at once making application for military service; to be voted in said election to be forwarded to you. If you are in the military service or are a patient in a veterans' hospital and desire to vote, or if you are a relative or friend of a person who is in the military service or is a patient in a veterans' hospital who you believe, will desire to vote in the Annual School Election of the Board of Education of the Union County Regional High School District No. 1, to be held on February 2, 1959, kindly write to the undersigned at once making application for military service; to be voted in said election to be forwarded to you. If you are in the military service or are a patient in a veterans' hospital, stating your name, age, serial number, home address and the address at which you are stationed or can be found, or if you desire the military service ballot for a relative or friend then make an application under oath for a military service ballot to be forwarded to him, stating in your application that he is over the age of 21 years and stating his name, serial number, home address and the address at which he is stationed or can be found.

Plans are being made for the Senior Ball to be held on Friday night, February 13th. The theme is based on Valentine's Day and at the dance the senior sweetheart queen will be elected.

In case there are any doubts as to what students will be doing over the Christmas-holidays, I would like to be the first to inform you that every senior is burdened with a term paper. It always seems as though teachers plan on the Christmas holidays for term papers to be completed.

A new sport has developed due to the cold weather. I think you've guessed that I am talking about ice skating. Everyone seems to be taking advantage of the new ice skating rink on Meisel Avenue. Seen avidly skating are Loretta Pirker, Anne Howe, and MaryLee Stickle, all seniors from Springfield.

I would like to wish each and everyone of you a Merry Christmas and a Happy-New-Year.

## Magazine Praises Township School

Springfield's program for teaching blind children come in for some fine publicity in the current (December 22) issue of Newsweek magazine.

Under the category of "Education" the magazine pointed out that New Jersey is the pioneer in treatment of the "current group of 6,000 blind-since-birth victims who are now attending regular classes across the nation."

Newsweek has a photograph of Mary Joyce Prichard, a third grade pupil at the Raymond Chisholm School—who can do little more than perceive light.

The article deals with the work of Miss Marilyn Tessicini who makes a circuit through six New Jersey communities teaching Braille readers. Miss Tessicini is quoted as saying that her Braille readers make fewer mistakes in comprehension than do sighted children.

The article refers to Mary Joyce Prichard as a "top art student" despite the handicap. Last week, the Newsweek article continues—the Chisholm School pupil, Mary Joyce, "trooped happily home with an expressive chalk sketch of Joseph

**Hair Styling Is Topic at NJHAC**

Springfield Chapter, National Jewish Home for Asthmatic Children had their regular meeting on Thursday, Dec. 17th, at Temple Beth Ahm. After a short business meeting an interesting demonstration was put on by Mr. Joseph and Mr. Frank of the Westfield Hairdressers.

Two of the models were Corine Fox and Terry Strauss, both members. Three other models were visitors accompanying the

hair stylists. Upon completion of the up-to-the-minute hair styles, pictures were taken. The audience enjoyed the demonstration, and refreshments were served to all.

**Xmas Party Held By Mothers-Guild**

The Mother's Guild of St. James had its annual Christmas Party on Dec. 22, in the school auditorium. Mrs. June Cotter rendered her interpretation of Gounod's "Ave Maria" followed by Traditional Christmas music by the Church Choir under Mrs. Cotter's direction.

Gifts were exchanged after which refreshments were served by Mrs. Lucille O'Conor and Mrs. Rosemary Zieser and their committee of sixth grade mothers.

**Your Library**

Again the joyful holiday season is here. Families are getting together for reunions, young people are home from college, and the youngsters are holding Christmas parties while wishing for sledding and ice skating.

In contrast to large city and industrial libraries, it is one of the busiest times for the suburban libraries. Greater variety and more exacting demands are made on them than at other times of the year. The students and business people at home take a little time out of their leisure period to try to catch up on some projects upon which they are working or to develop a project which has been in their minds for some time.

LIBRARY HOURS  
Mon. Dec. 22 9:30 a.m.-5:00 p.m.  
7:30 p.m.-9:00 p.m.  
Tues. Dec. 23 9:30 a.m.-5:00 p.m.

Christmas Day Closed  
Fri. Dec. 26 9:30 a.m.-5:00 p.m.  
7:30 p.m.-9:00 p.m.  
Sat. Dec. 27 9:30 a.m.-5:00 p.m.

As usual, the Springfield Library is glad to welcome all readers with a serious purpose. It is interesting to see how the college group have matured, and developed new ideas in the months they have been away. In addition, it is pleasant to take time to discuss a projected reading plan or hobby with older readers.

For all these reasons, the Free Public Library in Springfield will be closed only the days before Christmas and New Year's Day and the two holidays themselves. In other words, the library will be closed December 24, 25, and 31, and January 1. Since the days after the holidays come on Friday, one of our long days, the library will be open as usual 9:30 a.m. to 5:00 p.m. and 7:30 p.m. to 9:00 p.m. Regular hours 9:30 a.m. to 5:00 p.m. will be observed on Saturday.

**"College Night" Service At Temple**

With so many of our young people of college age home during the winter recess, Rabbi Levine will dedicate the Friday Night Services of Dec. 26 at Temple Beth Ahm to them.

All those in this age group, whether members of the Temple or not, are invited to attend. The sermon that night will be, "The Problems and Pleasures of Growing Up as a Jew."

**Beth Ahm Attends Ladies' Convention**

Rabbi Simon Glustrom of Fairlawn Jewish Center was the guest speaker at a luncheon of the Central N. J. Branch of the Women's League of the United Synagogue of America at Temple Beth Shalom in Union on Dec. 11th.

His topic was "Answering Children's Questions," dealing especially with the problems of the adolescent. There was also an interesting workshop on visual aids.

**Sisterhood To Meet Jan. 5th**

At a recent meeting of the Board of the Sisterhood of Temple-Beth Ahm, plans were discussed for the regular meeting of the Sisterhood on Jan. 5th at 8:30 p.m.

Mrs. Miriam Biddelman, president, announced that the \$25,000 question will be discussed and a solution proposed. Mr. Milton Hood Ward, Campaign Director for the Temple, will address the meeting.

There is no doubt that the families living on Briar Hills Circle believe in the true community spirit. Once again they proved this point at their 3rd annual dinner-dance held last Sunday eve at the Chanticleer. About 40 couples attended the gala event which was sponsored by the Briar Hills Civic Association.

Mrs. Abby Weinberg of 35 Briar Hills Circle had an extra reason to make merry at the Briar Hills Circle dance since she celebrated her birthday that evening.

Mr. and Mrs. Eugene McKenna of One Redwood Road became parents of a son, Michael John, on December 4 at the Hospital Center at Orange. They have four other children—Gregory, Hugh, Jeffrey, and Patricia.

First Lieut. and Mrs. James Sevebeck and their daughter Lori Kay will spend the Christmas holidays with Mrs. Sevebeck's mother, Mrs. Fred Rapp of 500 Mountain Ave.

The Sevebecks will arrive in Springfield on Monday, December 22 for 2 weeks and Judy and Jim would be most happy to see all their old friends.

Lieut. Sevebeck is stationed at

Eglin Air Force Base, Florida.

Among our newer residents are Dr. and Mrs. Charles Doppelt of 105 Pitt Road, formerly of Bradley Beach. They have a 9 months old daughter, Susan.

Dr. Doppelt is a dentist with offices at 5 Mill Road, Irvington. Their son, Nathan, is five years old.

Mr. and Mrs. Everett Kaufman of 45 Country Club Lane moved here recently from Elizabeth. Their son, Nathan, is five years old.

Six good friends with two good reasons to celebrate were the ingredients for a pleasant Saturday evening. The three couples, Mr. and Mrs. Felix Gold, Mr. and Mrs. S. Kessler, and Mr. and Mrs. L. Seroff, celebrated the birthdays of Mrs. Kessler and Mrs. Seroff by attending a hockey game in New York and dining afterwards at the "Martini".

Mr. and Mrs. Jack Schwartz of 201 Henshaw Ave. announce the birth of their son, James Thomas, at Overlook Hospital on December 6. He weighed 8 lbs. 4 oz. The Schwartz' other children are Robert, Jack, Nancy, and Candice.

Welcome to Mr. and Mrs. Samuel Pillot of 144 Briar Hills Circle who moved here recently from the Bronx, N. Y. Their son, Ira, marked his 10th birthday

**ANOTHER REALTY CORNER SALE**—Residence at 147 Newbrook Lane sold for Mr. and Mrs. Joseph H. Reynolds to Mr. and Mrs. Fred J. Adams of Irvington. This sale was arranged by Alicia Romano, an associate of Anne Sylvester's Realty Corner. Mr. Adams is with the National Newark and Essex Bank, Newark.

on December 1st.

Mr. and Mrs. Seymour Sternbach, formerly of Union, now list 84 Pitt Road as their address. The Sternbachs have two sons, Robert age 8 years and Larry age 5 years.

Mr. Sternbach is associated with Tenney Engineering, Union.

Happy birthday wishes to Frances, daughter of Mr. and Mrs. P. Ames of 25 Archbridge Lane. Fran celebrated her birthday first

with her classmates in Mrs. Hardy's class at Raymond Chisholm School and topped off the day with a dinner party. Her guests were Joan Gurian, Marcy Hager, Sandy Segal, Andrea Pankin, Christine Schmidt, Lisa Wasserman, Andrea Stein, Holly Roth, Marcia Bass, and her sisters Dale and Jo.

Hal, Donnie, Phil, and I wish all of you a very Happy Holiday Season!

## Presbyterians Set "Student Sunday"

At the First Presbyterian Church on Sunday, December 28, at both services Student Recognition Sunday will be observed. Special guests at both of these services will be college students and Servicemen. Members of this group will also participate in the services.

Mr. John Borter, a student at Western Theological Seminary, Pittsburgh, Penna. will present the sermon entitled "On Humility". John Borter is the son of Mr. & Mrs. John Borter of Hillside Avenue of this town.

In the afternoon from 3 to 5 p.m., Mr. and Mrs. Evans will hold their annual "Open House" at the manse for college students

## Youth Group Holds Its Chanukah Party

On Wednesday evening, December 10, the 7th and 8th Grade girls and boys of the Youth Group of Temple Beth Ahm, Springfield, held their annual Chanukah party. Their party was held at the Daughters of Israel, Home for the Aged, High Street in Newark.

A special bus was hired for the affair, and the young people were laden down with gifts, fruits and candies for the old folks at the home. Under the supervision of their leaders, Mrs. Frances Shulman and Mr. Sam Berliner, they presented a Chanukah program.

This included the ceremony of the lighting of the candles and prayers by the boys of the group; a piano solo by Sue Rifkind; a Chanukah story read by Beverly Ross; an accordion solo by Barry Leibowitz; and a "Hura" by all the girls of the group. The program ended with many of our youngsters dancing with their "hosts." A good time was had by all, young and old.

The group was chaperoned by the Mesdames Seymour Wortzel, Sam Weinberg, and Fred Neubarth.

## Home For Holidays

Miss Barbara R. Heerwagen, a freshman at Wilson College and daughter of Mr. and Mrs. Howard Heerwagen, 27 Lewis Drive, Springfield, N. J., arrived here December 18 for the Christmas holidays.

Christmas vacation at Wilson will begin at 10:40 a.m. Thursday, December 18, and will continue until 10:30 p.m. Monday, January 5, 1959.

The Westminster Fellowship Group will welcome to their meeting alumni of their group home from colleges and servicemen.

A child asks questions Faith can answer

# "Why did my dog die?"

He's your son, and he expects you to give him the answers—not just the everyday answers to everyday problems, but the big answers to the big problems. Like why his dog had to die.

Allright. What will you tell him? How will you prepare him to face his life squarely—with confidence? Only by helping him find Faith—Faith in something greater than himself. And you yourself must have that Faith if you expect to help him find it. Begin this week to find the Faith for your life. Worship with all the family at your church or synagogue.

## Christmas

**W**his Christmas, let us give thanks to God, who guides our destiny, for the many blessings bestowed on America—free worship, free speech, free press, free ballot, free schools and free enterprise. As we pay homage to the birth of Christ in our churches and in our homes, around the festive board and Christmas tree, let us so value these privileges that we may ever be on the alert to defend our freedom against tyranny. Let us by our actions and deeds give succor and courage to those less fortunate people who suffer from aggression and oppression. Let us pray that America forever stand a Christian bulwark before all the world.
