

Tax Rate Lowered 27 Points For 1959

Springfield's tax rate for 1959 will be lower by 27 points, the rate this year being \$5.50 as compared with \$5.77 in 1958.

This was indicated Monday night when the 1959 municipal budget was introduced and ratified, totaling \$1,161,793.00 as compared with \$1,209,016.82 in 1958.

The budget is to be published in the Springfield Sun next Thursday, February 19, and a public hearing is scheduled for Wednesday, March 11, at 8 o'clock in the evening.

The explanatory statement accompanying the budget says that "ample capital improvement fund has been provided for capital projects contemplated in 1959. Operating appropriations show salary adjustments and increases amounting to \$48,855, while other expense appropriations have been reduced by \$31,547. All appropriations were kept at a minimum and with planned purchasing and economical expenditures should provide ample service for all residents."

Mayor Vincent J. Bonadies and the other two Democratic members of the Township Committee spent considerable time with Township Auditor Joseph J. Seaman in working out the details of the budget which resulted in the lowering of the tax rate for 1959. Mayor Bonadies, noting that the total was \$1,209,016 last year, said the budget represents "prudent housekeeping" and added that the township will expand some services. Mayor Bonadies also pointed out municipal employees will receive salary increases of about 4 per cent.

This year's budget will lower the tax rate to \$5.50 as compared with last year's \$5.77 rate. The rate for municipal purposes will be \$1.72 this year, 12 points less than last year. The county rate is \$1.74 as compared with \$1.77 last year. The township school rate will be \$1.94, nine points less, and the regional school rate \$1.13, same (Continued on Page 2)

Mayor Revives Committee For New Highways

Mayor Vincent J. Bonadies and Township Engineer Alfred H. Swenson spent yesterday with engineers and officials of the New Jersey State Highway Department in Trenton discussing the many problems confronting Springfield with the coming of the new highways. The exact route of the highway as it affects Springfield may come out of yesterday's day long conference.

Mayor Bonadies has set in motion the machinery for the reviving of the organization to be known as the Mayor's Committee on Highways, intended to look out for Springfield's interests with the coming of the big road building program.

Approximately 35 civic minded residents of Springfield responded to his invitation to attend a meeting at the Municipal Building last Friday night and considerable interest was indicated by those present in the Mayor's program.

Definite word is expected soon from the New Jersey Highway Department on just where the new highway to replace the present Route 22 would pass through Springfield. The Mayor's Committee hopes to explore every possibility to avoid having the new highway erasing too many trees in the Township but to meet the problem of the new route by planning for proper control of ingress and egress.

Representatives from practically every civic organization attended last Friday's meeting—all of whom took an active part in the discussion on how to meet the impact of the new highway in Springfield.

Mayor Bonadies plans to organize a committee of about 12 with four or five men to be selected from representatives of the various civic associations. He is also asking residents especially qualified in some special fields to volunteer for service with this committee. "We would appreciate the help of engineers, transportation and traffic experts, attorneys, public relations men, those with some planning know-how—any qualified expert to help us do this job," said Mayor Bonadies. "I would like to have them drop me a line at the Municipal Building and telephone me. We need everyone's help."

Members of the Mayor's Committee will work close to the Township authorities in an effort to meet the new highways to the best advantage of Springfield, said the Mayor.

Dr. Davis Appointed To State Com.

Dr. Warren M. Davis, Superintendent of the Union County Regional High School District No. 1, has been named by State Commissioner of Education, Dr. F. M. Raubinger, to serve on a special State committee to study community colleges and technical institutes.

The committee will explore not only the types of programs and opportunities to be developed, but also the legal and financial arrangements which would be best suited to the needs of New Jersey.

In addition to Dr. Davis, the committee consists of 15 other educational and industrial leaders from throughout the State. Included are: Dr. K. C. MacKay, President, Union Junior College; Dr. J. H. Davis, President, Stevens Institute of Technology; Dr. W. Hazell, Jr., Dean of Administration, Newark College of Engineering; Mr. F. D. Learner, Director of Personnel, Bell Telephone Laboratories, Inc.; Dr. A. E. Meder, Jr., Dean of Administration, Rutgers; Mr. E. V. Murphy, President, Esso Research and Engineering Co.; and Rev. J. J. Shanahan, President, St. Peter's College.

Bunnell Home Reported Sold For Market

Another important real estate transaction is in the news this week—the sale of the Richard Bunnell property at 294 Morris avenue, just north of the new public parking lot where Mountain avenue intersects Morris.

The news of this sale comes from an authoritative source which means that one of the oldest homesteads in Springfield will soon make way for a commercial development.

There have been several rumors as to the purchaser of the property but it has narrowed down to another large super market with several stores already in this part of New Jersey.

The same purchasers who negotiated for the Bunnell property have also contracted to buy 3/4 acres of the Jenco vacant land adjoining the Bunnell home. This, it is understood, will give the new owners enough area to use the Bunnell property as an entrance off Morris avenue into parking space for the proposed super market.

First rumors also had it that the Gibson Diner had been purchased along with the Bunnell property but Mrs. May A. Gibson yesterday denied that an offer has been made to her for her property.

The stories also included a well known New York City store as being the purchaser of this piece of land but later developments pointed to another shopping center with a large super market as the featured unit.

NOTICE REGISTER TO VOTE!

All citizens who are residents of Union County for 20 months and 6 months residents in the state will be eligible to vote in the Primary Election on April 21.

The Town Hall will be open from 9 a.m. to 9 p.m. on March 9, 10, 11 and 12 for all those who wish to register. Other times, during regular town hall hours 9 a.m. to 5 p.m. Monday thru Friday.

Naturalized persons must bring in their papers in order to be eligible.

March 12 is the final day for registering to vote or filing petitions to run for Township Committee.

State Officials Visit Schools

On Thursday, February 5, 1959 the Springfield schools were visited by a group of representatives of the State Department of Education and the State Department of Health who were interested in learning more about the dental program in our schools. This program became widely publicized and out of the State of New Jersey as a result of the interest aroused in various quarters by Dr. B. E. Swain, an orthodontist from Morristown, N.J., who observed this program in action over a period of several weeks last year. In summing up his observations he indicated that this program was in his opinion one of the most outstanding in the nation.

Participating in last week's visit were: Dr. Albert H. Flury, Assistant Commissioner of Education; Dr. Everett L. Hebel, Director of Health, Safety and Physical Education; Miss Crosby, R. N.; Assistant to the Director of Health Education; Dr. Gleason, State Department of Health; Mrs. Wright, Regional Supervisor of Health Education for the Metropolitan State Health District.

Representing the Springfield schools at the meeting held in the Gaudinier School were: Mrs. A. Russell Hillier, President of the Springfield Board of Education; Mr. B. F. Newsinger, Superintendent of Schools; Mrs. Lucy Forsyth, Mrs. Thelma Sandmeier, Mr. William Fallon and Mr. Daniel Murray, principals of the schools; Miss Florence M. Gaudinier, R.N.; and Mrs. Lillian Hadler, R.N., school nurses.

In addition to having many of their questions answered, the visiting officials of the respective State Departments observed various phases of the dental program at work. They were pleased with the exhibits and bulletin boards that were in evidence in connection with National Dental Health Week (February 8th-14th).

In the Gaudinier School they listened to a paper discussion in (Continued on Page 2)

Girl Scouts To Get Help From Rotary

The Rotary Club of Springfield will kick off their girl scout fund raising campaign with a letter to all businessmen in town this week.

According to Fund Chairman, Carl J. Jehlen, the project was inspired by a need to further the ever-increasing interest in scouting in town, and the Rotary Club feels its responsibility to the community in this effort.

Jehlen, manager of the Balfus Golf Club and his committee of Will Binder, Town Building Inspector, and Walton School Principal Dan Murray expect to reach their \$4,300 goal within a few weeks.

"Our effort," said Jehlen, "will be directed to underwriting the operational expense for the 420 Girl Scouts and the 134 adults that comprise the participants in this scouting activity in our town."

Industries, merchants and professional men are being asked to contribute in this drive which is scheduled to start the week of April 2 and end April 20.

Walter A. Hohn Teacher Of Month

Walter A. Hohn, head of the Science Department and chemistry teacher at the Jonathan Dayton Regional High School for 21 years, will be honored as Teacher of the Month at the February meeting of the North Jersey Section of the American Chemistry Society.

Like other recipients of this honor, Mr. Hohn has been very active in sponsoring extra-curricular activities of his students.

Each year about ten of his students enter the Greater Newark Science Fair and about ten enter the Lackawanna Sub-section's Creative Chemistry Contest. He is the only teacher to have sponsored two students at the Greater Newark Science Fair who have gone on to become grand winners at the National Science Fair.

His students have also taken a number of prizes at the Creative Chemistry contest. In eight years, five of his student have received scholarships from the National Science Talent Search.

Springfield Man, 23, Dies As Result Of Diner Fight

Daniel W. Wendland Jr., 23, of 103 Battle Hill Ave., Springfield Road Foreman, and an employee of the Road Department for the past five years, died Monday, February 9th, at the Overlook Hospital in Summit apparently from a severe head injury sustained in a fight with a Westfield man, Henry Kitchell Jr., 21.

Reason Not Disclosed

Reason for the fight or from what cause it stemmed has not yet been given out, but according to police records, Wendland and Kitchell were complete strangers until their unfortunate meeting at the Swingle's Diner on Route 22, where the fracas took place at approximately 2:30 a.m. Saturday.

It has been reported that Mr. Wendland and his brother, Arthur, were in the diner when first coming in contact with Kitchell, a companion of Kitchell's, Charles Betz. It has been stated that Danny and Arthur knew the Betz boy, and engaged in a conversation with him. While the discussion was taking place mainly between Danny Wendland and Betz, Kitchell evidently butted into the discussion and an argument ensued. Although there was no noticeable argument or heated discussion which might have attracted attention within the diner as reported by the proprietor, the heated affair was continued outside between Mr. Wendland and the Kitchell youth.

Argument Turns To Fight

According to police, Kitchell swung a fist at the Wendland boy, and hit the youth on the jaw, causing him to lose his balance. (Continued on Page 2)

Tax Collections Ahead of 1958

Tax collections for 1959 kept ahead of last year with the January report submitted by Collector Charles H. Huff.

The total money received for the first month was \$422,794 as compared with \$340,543 for 1958. The 1959 taxes received in January amounted to \$403,892. This is greater than the \$329,415 collected for the first month of 1958. Tax Collector Huff also reported receiving \$16,089 for 1958 taxes and there was even a payment of \$8.94 from a delinquent taxpayer for 1954.

Robert H. Multhaup, Rupert H. Humer and Alfred W. Rogers were victors Tuesday in a spirited campaign to fill three vacancies on the Springfield Board of Education.

Mr. Multhaup led the entire field with a total of 924 votes. Mr. Humer was second with 888 and Mr. Rogers, third with 883.

Milton Kappstatter, the only incumbent candidate, H. Lee Sarokin and Werner W. Penard were defeated although the difference in the voting was very close. Mr. Penard polled a total of 790, Mr. Kappstatter was next with 780 and Mr. Sarokin followed with 720.

The vote on the public question won approximately three to one, the greatest number of "no" votes being cast on the question of Capital Outlay, 218 to 591 in the affirmative.

The vote for school board candidates was a record high although it did not attract the number of votes that were cast in the recent Smith tract referendum.

All three defeated candidates polled a greater number of votes than any of the winning and successful school board contestants in the past. In the 1955 board elections Smith was high man and winner with a total of 615 votes. All three of the losing candidates on Tuesday polled more than 700.

In 1956, when Mr. Kappstatter was elected to the Board, he polled (Continued on Page 2)

Volunteer Firemen Conduct Ann. Drive

The Springfield Volunteer Firemen will conduct their 54th annual fund raising drive on Sunday February 15th and 22nd. The funds collected in the drive are used to purchase equipment and carry out the other activities of this organization.

The Volunteers are composed of 45 men who are on call 24 hours a day. There are also 25 Reserve men who are on call whenever additional men are needed. Although the familiar fire whistle is not sounded between the hours of 10 p.m. to 8 a.m., the Volunteers are summoned to duty by means of a bell system installed in each members home. These bells are tested twice a day to make sure that they are always in working order. During the year 1958, the Volunteers gave more than 2500 man hours to the service of the community.

The men are commanded by Chief Ormond Mesker, Deputy Chief Robert Day and Deputy Volunteer Chief Arthur Schramm. The Volunteers drill and attend school all year long so that they are always familiar with the latest techniques of fire fighting. These schools are held on township and county levels.

On a number of occasions the men have gone to our neighboring communities to give their assistance when needed. These communities have given us assistance on other occasions.

Welcome your Volunteer firemen when they come to your door on February 15th and 22nd for a donation to carry out their activities for your community.

Re-name Local Man As Bank Officer

Frank M. Pitt was re-elected President of the First State Bank of Union at the organizational meeting of the Board of Directors Tuesday. Benjamin Romano and Charles F. Heard of Springfield were re-elected Vice Presidents, Austin A. Kohl, newly elected Vice President and Walter H. Hilbrandt, elected Vice President and Treasurer and Anthony D. Schober, newly elected Secretary. A Joseph Coburn was appointed Assistant Vice President. Raymond A. Hecht, Assistant Treasurer and Roy H. Mason, Assistant Secretary.

At the Annual Meeting of the stockholders, the following Directors were re-elected: Herbert J. Dwyer, Charles F. Heard, Bernard J. Heitzman, Walter H. Hilbrandt, Milton J. Hull, Dr. Alan L. Jacobs, Austin A. Kohl, Howard L. McMurray, Frank M. Pitt, Benjamin Romano and G. Milton Salzmann.

Herbert H. Kern Principal Speaker

Herbert H. Kern

Mr. Herbert H. Kern of 224 Balfus Road will be the principal speaker at the Founder's Day meeting of the Edward V. Walton Parent-Teacher Association to be held on February 16 at 8:15 p.m. in the Walton School auditorium. Mr. Kern is Assistant Public Relations Officer for the Howard Savings Institution. The topic to be discussed is entitled "The Confidence Man."

During the meeting the following past presidents of the combined Parent-Teacher Association will be honored: Mr. Alvin Daming, Mrs. Charles Bauman and Mrs. Thomas Doherty.

Mr. Robert Jackson, program chairman, has promised a very interesting meeting for all.

Members of the Northern-New Jersey Region of the Rabbinical Assembly of America, representing 48 Conservative Rabbis, will hold their bi-monthly meeting locally.

At the invitation of Temple Beth Ahm and its Rabbi, Reuben R. Levine, the group will gather on the morning of February 17 to discuss organizational matters and hear a special lecture by Rabbi Isaac Kline, distinguished Rabbinic scholar of Buffalo, N. Y., and President of the National Rabbinical Assembly of America.

Presbyterian Church Gives God & Country Scout Awards

GOD AND COUNTRY AWARDS—Scouts Alan R. Isley and Kit C. Kennedy pose with Rev. Bruce W. Evans in front of one of their projects that gave them the God and Country Scouting Award preliminary throughout the United States.

Life Scouts Alan A. Isley, son of Mr. and Mrs. Robert Isley of 157 Balmoral Avenue and Kit C. Kennedy, son of Mr. and Mrs. Robert Kennedy of 1 Warwick Circle, will be presented with the God and Country Award by the First Presbyterian Church of Springfield at the 11 o'clock service. At this same service members of Boy Scout Troop No. 70 will be guests in observance of Boy Scout Sunday. Assisting the pastor, Reverend Bruce W. Evans, in the presentation will be Mr. Frank DiBiase, committee chairman and Robert Isley, Scoutmaster of Troop No. 70 and the father of Alan.

Troop No. 70, of which these boys are members, has been sponsored for over 15 years by the Springfield Presbyterian Church. This is the third time such an award has been given by the church in the long and profitable history of the Troop—the other two boys were Richard Bishop of 6 Remer Avenue, who is now a student of Grove City College in Pennsylvania and Timothy Stewart of 38 Salter Street, a junior at Regional High and who will escort Alan and Kit to receive their awards.

The God and Country Award is one of the highest and most sought after awards in scouting. It is awarded only after a year's activity of a prescribed course of study under the personal supervision of the pastor. Scouting recognizes the basic importance of religion in the process of character building and gives strong incentives toward the attainment of spiritual ideals. As a scout strives to achieve this award with the help of his pastor he is strengthened in four important endeavors: (1) to be more faithful in his religious duties; (2) to deepen his devotional life; (3) to encourage a deeper study of the teachings, practices, policies and organization of his church; (4) to give practical expression to his religious convictions in service to his church.

In the Presbyterian Church, work for the God and Country award is maintained in three different stages, each of which requires four months for completion.

These stages include: Christian Faith, Christian Witness, Christian World Outreach, Christian Citizenship and Christian Fellowship. In each of these areas the scout must complete appropriate service projects all of which are intimately associated with the course.

As the mark of this award these boys will be presented with a special medal in the form of a white shield on which there is superimposed a maroon cross. The sincere congratulations of the entire congregation is extended to these boys.

Both boys are members of the Presbyterian Church; are Life Scouts in their Troop; Alan is the bugler for Troop No. 70 with eleven merit badges to his credit and Kit is a Senior Patrol Leader with 14 merit badges to his credit. Mr. Robert Kennedy is Chairman of the Northern District in Scouting and is the father of Kit.

Women's Trim-Fit Classes To Resume

Women's Trim and Fit Classes will resume on Tuesday evening, February 17, 1959, at 7:30 P.M. in the James Caldwell School gym. School Elections have forced the cancellation of the last two classes and it is hoped that as we resume our classes a larger group will attend.

Anyone interested in this program may call Mr. Edw. J. Ruby, Recreation Director, at Town Hall. There is no fee for the classes; the only requirement is that you wear sneakers or soft sole shoes.

A well planned program of exercises and games are planned for you.

Mayor Bonadies explained the budget has incorporated a proposal to use \$200,000 from surplus funds and added that amount is \$50,000 less than the amount used last year.

Appropriations for municipal purposes total \$947,403 in the 1959 budget as compared with \$995,895.

Full Services
Mayor Bonadies emphasized there will be no curtailment of services. He said the services provided by some departments including the Police Department, will be increased. He pointed out that the Police Department now has two detectives and a fourth patrol car. Services of the Recreation Commission and the Board of Health are to be increased, the mayor said. The budget, he added, also provides for an increased appropriation to Overlook Hospital, Summit, from \$2,000 to \$3,000.

A new appropriation, \$500 for a mental health program, also has been provided. An item of \$22,000 for purchase of a new truck for the Fire Department also has been included.

Point With Pride

The budget represents the first step in the Democratic majority's plans to revamp the township's fiscal policies, Mayor Bonadies declared. He credited the finance committee, headed by Township Committeeman Daniel M. Lucy, with presenting "a good sound, basic budget." The other committee members who worked with Lucy were Committeeman Howard A. Flammer and Mayor Bonadies.

Officers Elected By Briar Hills

A general meeting of the Briar Hills Civic Association was held on Sunday, February 1st, at the American Legion Hall.

Election of Officers was held for the coming term. Elected were: President, Alec Blackman; Vice-President, Sam Leibowitz 2nd; Treasurer, Lee Lichter; Secretary, Seymour Wortzel; Asst. Treasurer, Fred Neubarth; and Corresponding Secretary, Jeanette Abrahamson.

Mrs. O'Brien's sixth grade dental health and noted the dental facilities in the health room in that building. They noted the charts displayed in each of the schools indicating the percentage of each class having had dental work completed and the fact that many classes had already achieved 100 per cent dental correction since the beginning of the school year.

At the Walton School the visitors observed the awarding of the gold cup to Mrs. Bizlewicz's class for being the first class in the school to have had all dental work completed. They also became interested in a third grade girls' physical education class in which scooters were being used as part of that program.

The officials left after a day crowded with activities and with a great deal of praise for the efficiency of the dental program.

a total of 313. Tuesday he received 780. Mrs. Hillier was high in the 1958 election with 338.

In 1955 Messrs Smith, Skousen and Gibbins were voters with Smith getting the high vote of 615. Mrs. Sally Bandemer was an independent candidate that year and managed to poll a total of 393 which was considered excellent against the winning bracket.

The Caldwell School voting districts have always given the winning candidates the greatest support. This voting district came out 729 against the Smith site in the December referendum and 148 said "yes," Tuesday the winning three candidates were given 500 more votes on the Caldwell School voting machines while Kappstatter, Sarokin and Penard received 156, 141, and 193, respectively. This, added to the fact, that a great many eligible voters in the Chisholm School district did not vote is given as the cause of the independents' defeat by the supporters of Kappstatter, Sarokin and Penard.

The board will hold its organization meeting Monday in the James Caldwell School, the board's headquarters. Mrs. A. Russell Hillier, current board president, and Alan R. Cunningham did not seek reelection.

Son Born

Announcement has been made of the birth of a son to Mr. and Mrs. John and Margaret Sheehan, of 84 Briar Hills Circle, Springfield, at the Overlook Hospital on February 3rd.

thereby falling to the ground and striking his head on the concrete. Immediately following this, Wendland was taken directly to Overlook Hospital where brain surgery was performed. Death was apparently due to a blood clot and fracture of the skull. An autopsy was to be performed and the outcome has not as yet been disclosed.

Kitchell was arrested following the fight on an assault charge by the Springfield Police, and this was later changed to manslaughter immediately following the death of the Wendland youth. Kitchell, as reported by the police, remained at the diner following the fight until the police arrived and took him into custody where he was arraigned Saturday on the assault and battery charge made by Lt. Otto Sturt of the Springfield police. He was then released in the custody of his father to await a hearing.

Released Following Arraignment
Following arraignment in Municipal Court before Magistrate Henry C. Mullen, where he pleaded not guilty to the manslaughter charge, young Kitchell was released on bail as set by the prosecutor's office. Frank C. Englehart, chief of the county detectives, represented the prosecutor at the arraignment. Kitchell's father, who resides with his wife, Mrs. Henry Kitchell, at 2075 Morris Avenue, Union, appeared with his son at the arraignment. Mr. Kitchell is a patrolman on the Union Police force, and brother of Township Committeeman and Deputy County Clerk Roy E. Kitchell of Union. Young Kitchell resides at present with his grandmother in Westfield.

Mr. Wendland is survived by his wife Lauretta, and three daughters, Lisa, 3; Danielle, 2; and Laura, 9 months; his father and mother, Mr. and Mrs. Daniel Wendland of Manassquan; a brother, Arthur, of Springfield, and a sister, Miss Dawn Wendland, of Manassquan.

Services will be held at the Smith and Smith (Suburban), 415

Morris Avenue, Springfield. Relatives and friends are invited to attend the funeral on Saturday, February 14, at 8:15 a.m.; thence to St. James Church, where, at 9 a.m., a High Mass of Requiem will be offered for the repose of his soul.

Much Ado About Pingry Honors

Four Springfield boys were named to the Pingry School Honor Roll this week.

The school in Elizabeth released the honors for the 3rd month as well as the first semester. Charles Stevens of 778 Mountain Avenue was named to first honors on both lists. He is one of four seniors so honored.

Kurt Christensen of 94 Colfax Road made second honors for the first semester. He is also a senior. Bruce Evans, a sophomore, of 41 Main Street, made second honors for the semester. Thomas Curtiss, a freshman, from 280 Short Hills Avenue, was named for second honors for the 3rd month.

An open letter to all Charities, Churches and Synagogues

Throughout the year, we at Channel Lumber receive many hundreds of requests from worthy charities, churches and synagogues. To these we are happy to respond to the limit of our abilities. However, there are many that we know we have not reached.

Our Executive Committee recently submitted a plan which we feel will prove of great benefit to these many worthy causes. As you know, February 15 to 22nd this year is designated as National Brotherhood Week. It seems to us that during this period, as its contribution to Interfaith Understanding, Channel should give material assistance to this movement of brotherly love and to the community.

Therefore, we have decided to set aside 5 days, Monday, February 16th, through Friday, February 20th, as CHANNEL BROTHERHOOD TITHE DAYS. On these days we will donate 10% of our receipts from sales, and a check for 10% of each purchase will be sent to the church, synagogue or charity designated by the purchaser, and made in the name of the donor.

By this tithing method we hope to reach many worthy groups we may have missed in the past, and perhaps set a worthy example of community participation in Brotherhood Week.

Sincerely,
BR Charin
Vice-President

Union Jr. College Gift Campaign

Frank M. Kerr, of 14 Crest place, Springfield, will be a captain for Union Junior College's special gifts campaign in Springfield, Union and Kenilworth. It was announced today by Albert W. Merck of Mendham and H. M. Poole, Jr., of Westfield, campaign co-chairmen.

Also serving as captains in the area are: Edward F. Cornwall, president of the Union-Kiwanis Club; Peter Reilly of Fords, a member of this Union Kiwanis Club, and School Superintendent Edwin K. Kraus of Kenilworth.

The campaign is part of the college's silver anniversary development program. The primary objective is to raise \$1 million for the college's building under construction on a new campus in Cranford. The building is scheduled for completion in September.

Mr. Kerr, who is with American Oil and Supply Company, Newark, is serving with Bertram E. Stewart, a member of the Union Board of Education; Jack McDonnell, president of the Union Center National Bank, and Philip F. Power, an executive of White Laboratories, Kenilworth, who are area co-chairmen.

Mr. Kerr is Springfield's representative on the Board of Education of the Union County Regional High School District No. 1.

Workers will be selected to solicit industries, businesses and individuals in Springfield, Union and Kenilworth under the leadership of the co-chairmen and captains.

This is the third major phase of the college's development fund campaign. Campaigns have been conducted in Cranford and among the alumni and major corporations in Union County, raising \$277,000. The alumni and major corporations campaigns still are in progress.

A similar special gifts campaign was launched Monday in the Linden-Rahway area and three others will begin in the near future.

The only raw material that has to be imported by the Japanese cultivated pearl industry is 1,000 tons of Mississippi River oyster shells each year. The American shells have proved ideal for use in artificially inseminating the Japanese oysters that bear the pearls.

ANOTHER REALTY CORNER SALE — Residence at 64 Mountain Avenue sold for the Misses Hazel and Dorothy Reeve to Mr. and Mrs. Joseph J. Visolski. This sale was arranged by Evelyn Scholtz of Anne Sylvester's Realty Corner. Mr. Visolski is a buyer and salesman for Hockey Auto Sales of Newark.

Ballet Academy Opening Soon

The Suburban Essex Branch of the American Ballet Academy will open in Millburn Friday, Feb. 20, at the Wyoming Club, 60 Linden St., corner of Wyoming avenue, under personal supervision of Fred Danielli, artistic director of the Academy. Danielli will teach mime on opening day, with classes at 4 and 5 P.M. every Friday.

The American Ballet Academy, located at 9 West Park St., Newark, is the home of Holiday Theatre, whose production of "Peter and the Wolf" will be featured at the Northeast Regional Ballet Festival in Scranton, Pa., June 22. "Peter and the Wolf" was selected for presentation at the Scranton conclude by Bill Manchester, adjudicator for the Ballet Festival, who saw the production last Christmas at Clifton Place Junior High School in Newark.

Registrations for the Suburban Essex Branch are now being accepted at the Academy's headquarters in Newark. Information may be obtained by phoning Market 3-1033. A registration clerk will be present at the Wyoming Club on Feb. 16, 17, 18 and 19.

Danielli, who has danced all over the world, made his professional debut in the Broadway hit, "On Your Toes." He has been a leading dancer with the Michel Mordkin Ballet, the American Ballet Caravan, and the Ballet Theatre in Chicago, in addition to performing on network television shows and in Broadway musicals.

He was associate choreographer for "Where's Charley?" on Broadway and re-staged the show for the Paper Mill Playhouse in Millburn. Danielli has also created shows for the Little Orchestra Society. His ballet, "Punch and the Child," had its premiere at New York's City Center.

SO SORRY!

A story about Rev. Bruce Evans, pastor of the Presbyterian Church, referred to a civic club in the area. Rev. Evans had made reference to the consumption of liquor as compared to the money spent on education in a small town in Alaska—and the press picked this up to include the whole, fair state of Alaska.

The SUN apologizes for taking out of the Elizabeth Journal, and out of context, a story that evidently is far from what Rev. Evans had in mind. Again, our apologies.

Rosenbaum Named National Manager

Leslie I. Rosenbaum, of 53 Troy Drive, has been named national manager of the newly created Merchandising Service Division of Life Magazine.

The new division will aid and service a dual circulation-merchandising program designed to promote sales of the magazine and products advertised in Life from the same prime location in food and drug outlets throughout the country.

Mr. Rosenbaum was formerly retail marketing specialist for Select Magazines, Inc., national distributor for Time Inc. publications. Prior to his association with SM, Mr. Rosenbaum spent six years as manager of TV Guide's supermarket sales division.

P.T.A. Plans Card Party And Fashion Show, Feb. 16

The Raymond Chisholm Parent Teachers' association cordially invites the public to attend the card party and fashion show to be held Monday, February 16th, 8:15 P.M. at the Florence Gaudineer School cafeteria. Departing from previous card parties, a fashion show has been planned to add to your enjoyment of the evening.

We are fortunate to be able to present — modelled by our own PTA members fashions by Eden Roc, of Springfield.

The managers of Eden Roc have just returned from Florida with many exciting creations collected from Honolulu, Texas, and other fashion centers — all new and all moderately priced.

Refreshments will be served to you at your tables by the PTA hostesses, and there will be over twenty door prizes contributed by Saks Fifth Avenue, Lord and Taylor's and many local merchants.

Tickets for this gala evening are priced at only \$1.25 and are available at Eden Roc, 248 Morris Avenue, Springfield, or by calling Mrs. Mary Vasilov, DR 6-6527.

Tom Keane Ends Marine Course

Thomas F. Keane, son of Mr. and Mrs. Francis J. Keane of 33 Henshaw ave., Springfield, completed recruit training Jan. 20 at the Marine Corps Recruit Depot, Parris Island, S. C.

Relatives and friends of many of the new Marines were on hand to witness the graduation ceremonies. This recruit training prepares young Leathernecks for further specialized infantry training at Camp Lejeune, N. C.

Letters to Editor

Editor, Sun:

On Sunday night, my wife's aunt, Mrs. Charlotte Grannis fell in our house and sustained what eventually proved to be a fractured hip.

I phoned the Police Department, who immediately summoned our First Aid Squad. They arrived promptly and took charge of the situation; moving the patient without pain to the Overlook Hospital.

My wife and I wish to thank this organization, not only for the particular service, but for all similar tasks which they have performed for residents of Springfield.

Sincerely
Alex Ferguson

in mountain tents and sleeping bags, and dispensed with such "soft" comforts as bough beds.

The group, led by two members of the university's military faculty, left the comfort of their barracks at eight o'clock the night before. Preceded by a pioneer group which, cleared the trail of underbrush and fallen trees, the detachment observed "noise discipline" on the cold climb to the bivouac in a stand of hardwoods more than a mile from the campus.

JNHAC Holds Its Membership Supper

The Paid-Up Membership Supper for the Springfield League of the Jewish National Home for Asthmatic Children was a wonderful success.

Al Waldman, local dealer for Fuller Brush Company, donated favors of shampoo, perfume and sachet.

Candy was donated by Barracinni, and the dairy supper was catered by Kartzman's Delicatessen in Irvington.

A special "thank you" to our past-President, Mrs. Jackie Katz, for her delicious and beautiful jello molds.

The highlight of the evening was an inspiring speech by Israel Friedman, Executive Director of the National Home in Denver. Mr. Friedman spoke about research, and cited particular cases. All the members and their guests were impressed by the speech, and the lovely evening that followed.

Under the direction of the membership chairman, Mrs. L. Fine,

the evening was responsible for four new members, and a silent vow of everyone present to do their best for this wonderful and worthy organization.

Homemaker Service Sets Spring Course

The SAGE Visiting Homemaker Service, which serves the Overlook Hospital area, which includes Springfield, will conduct its regular spring training course for Homemakers during the week of March 16 in Summit. During this week, women who wish to be Homemakers will attend lectures and demonstrations on home management, diet planning, occupational therapy, understanding mental illness, and understanding the elderly. Each lecture will be delivered by persons professionally qualified in that area. The course is given by the Extension Division of Rutgers University in cooperation with the Division of Chronic Illness Control of the State Department of Health, and certificates are awarded for satisfactory completion of the course. The Homemaker Service offers a splendid opportunity to mature

women living on fixed incomes to supplement that income by working two to six hours per day. Homemakers are selected for their personality and their desire to be of service. They are not domestics or practical nurses, but maintain a cheerful household during illness by doing light housekeeping, planning meals and doing errands. Homemakers give assistance to chronically ill patients, elderly persons who need help to maintain their own homes, new mothers and those needing pre- and post-operative care. The SAGE Visiting Homemaker Service has been serving families in the Overlook Hospital area since October 1954 when it was started with only six Homemakers. Now there are a total of 32 Homemakers on the roster and the total hours of service they give has risen to approximately 2,500 hours of service a month are given. Trainers for the Visiting Homemaker Service of Morris county and the Homemaker Service in-

corporated of Cranford will join candidates for the SAGE service for this spring training course. Candidates for the Homemaker training course in March will be interviewed at the Homemaker office, Room 7, 447 Springfield avenue, Summit. Any mature, warm-hearted woman who would like to become a part of this essential service may call CR 3-5550 Monday through Friday.

Engle Bros. Establish Agencies in Europe

Expansion of its worldwide moving and storage network was announced today by Engle Bros., Inc., 901 Julia Street, Elizabeth, with the establishment of overseas moving and storage warehouse terminals and agents in all key traffic areas of England, France and West Germany. Joseph Engel, vice-president of the 73-year-old Elizabeth firm serving all 49 states with nationwide and worldwide moving, said Engle Bros. moving and storage warehouse terminals have commenced operation in Southampton, England; Paris, France, and Heidelberg, Germany. Announcement is expected shortly, he said, of similar establishments in Spain and North Africa. Pending also, Engel said, is the appointment of Engel Bros. by the United States government as an authorized carrier to service the moving of U.S. military personnel and their families to and from these countries.

Mother's Guild Meets Feb. 16th

The monthly meeting of St. James Mother's Guild, to be presided over by Mrs. Jeanette Abrahamson, will be held in the school auditorium on February 16. Following a short business meeting, Zine Wallpapers of Newark will give a demonstration and showing of "Do-It-Yourself" Wallpaper. This should be of particular interest with the anticipated spring redecoration. Coffee and tea will be served by the 3rd grade room mothers.

Newcomer's Club Meeting Held

MOUNTAINSIDE—The regular monthly meeting of the Mountain-side Newcomer's Club was held Monday in the Westfield YWCA at 12:30 p.m. Mrs. Stephen Bumball, president, presided at the meeting.

Mrs. Lewis Strohmeier, hostess chairman, provided table decorations in the theme of St. Valentine's Day. Co-hostess was Mrs. Paul Darmann.

Mrs. Michael Sgarro made a report concerning the Mid-Winter Ball, which will be held Friday, February 20, at the Elizabeth Carter Hotel, in Elizabeth. Proceeds for the dance will go to the Westfield YWCA improvement fund. Tickets may be obtained from Mrs. Sgarro, 283 Garrett road. Mrs. Charles Speith, membership chairman, introduced Mrs. Walter Benzling, 1189 Puddingstone Road, as a new member. Attending their first meeting were Mrs. Urban Rickard and Mrs. Richard Wentworth.

The meeting was then turned over to Mrs. Charles Shomo, program chairman, who explained the rules of Pennant Bridge, which the members played at this meeting. Eight lovely prizes were given out.

The next meeting of the Club, March 9, will feature a fashion show presented by The Clara Louise Shop of Westfield. Mrs. George Kopping will be in charge of the program.

Scout News

The regular monthly meeting of Pack No. 171 was held Friday January 16 at the James Caldwell School.

The Theme of the Month was News, which included newspapers, newscasters, and any other form of reporting the news. Several Dens will visit newspaper offices to see how news is collected and printed. Many boys displayed their own ideas of newspapers. One den depicted the sports page, others the comic sections and headlines.

Thomas Glenn was inducted into the Pack as a Bobcat. His brother, Jeff, received the Webelos badge, the highest honor in cubbing. Scoutmaster Bob Isley of Boy Scout Troop No. 70, with the aid of Scouts Kit Kennedy and Alan Isley, welcomed Jeff into their troop.

Other Cub Scouts to receive advancement and achievement awards were as follows: Evan Schapiro, Bear Badge; Donald Buchner, Bear Badge and Gold Arrow on Bear Badge; Eddie Hydock, Bear Badge; Bobby Ferguson, Bear Badge; Douglas Jayne, Bear Badge; Mitchell Wiener, Wolf Badge; James Creede, Wolf Badge and 1 Gold and 1 Silver Arrow on Wolf Badge; Jeff Glen, Webelos.

A film on the Boy Scouts at Valley Forge was shown to the delight of the boys.

The program hostesses will be Mrs. Norman Lowenstein and Mrs. David Zurav. As an added humorous touch to the evening, the husbands will take over the meeting. ORT will devote the month of February to the Tel Aviv assignment. This project will help finance the building of a modern and comprehensive vocational high school, with facilities for 1,600 day students and 2,000 evening pupils, in Tel Aviv. The building is still under construction but opened first classes this fall.

ORT Will Present "Secret" Program

The Springfield chapter of Women's American ORT will hold its next regular meeting on Thursday, February 12, at Temple Beth Ahm at 8:30 p.m. The program for the evening will include an original comedy skit, written and moderated by Mrs. Jerome Fingerman, using the popular television panel program "I've Got A Secret" as the theme.

The selective panel will consist of the following husbands and members: Leon Katz, Julius Vogel, Mrs. M. Furchter, Mrs. M. Marech and as the guest celebrity panelist, our distinguished Mayor, Vincent J. Bonadies. The contestants will be Mrs. Charles Katz, Mrs. Irwin Kaston, Leonard Golden, Ivan Crouch and Mr. and Mrs. Mark Mendelsohn.

The program hostesses will be Mrs. Norman Lowenstein and Mrs. David Zurav. As an added humorous touch to the evening, the husbands will take over the meeting. UNICO Ladies Plan Crystal Ball To Benefit Overlook

The Ladies of Unico, Springfield Chapter, will hold a gala Crystal Charity Ball at the Hotel Suburban, Summit, on Saturday, March 7.

Proceeds will be turned over to the Overlook Hospital for its building fund. Arrangements call for an extravaganza, and a night of gaiety that should make this affair one of the outstanding events of the Spring social season.

A color scheme of aquamarine and crystal white, with lighting touches of glitter, will turn the hors-d'oeuvres, and gay cocktails in a bubbling fountain, into a magic wonderland. Saks Fifth Avenue of Springfield donated the crystal miniature chandeliers. A string ensemble will set the mood in music. After that their will be dancing in the Garden Terrace and Audubon Room to the sweet music of the Suburbanites.

Mayor Vincent J. Bonadies of Springfield serves as honorary chairman of the ball, with Mrs. Michael Passero, Jr., as general chairman and Mrs. Azeglio Pancani Jr., co-chairman. Dr. Gabriel J. Liull, and auxiliary president Mrs. Vincent J. Bonadies will welcome the guests. Among the evening honored guests will be Dr. A. T. Willett, President of the Medical Staff, and Mr. Robert E. Heinlein—Director of Hospital and Mrs. Edna Dover, Director of Nursing.

Mrs. Joseph Principe, and Mrs. Frank La Motta will present a bountiful to each gentleman. Mrs. Fred Puoro is chairman of Patrons, and Mrs. Joseph DePalma is in charge of entertainment and novelty dances. Mrs. Frank De Pino heading the gift committee and Mrs. Joseph Gargano the souvenir program book which will have special pages reserved for donors. As for reservations, Mrs. Azeglio Pancani Jr. is the lady to see and since the guest list is limited, early reservations are requested.

Irving Zeidner, son of Mr. and Mrs. Morris G. Zeidner of 49 Christy Lane, and Ian D. Struthers, son of Mrs. Jean A. Struthers of 48 Colfax road, both of Springfield, graduated from recruit training January 31 at the Naval Training Center, Great Lakes, Ill. The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries. In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

One ethnologist has described it as "the most perfect effigy found in North America." Across the outstretched wings the eagle measures 120 feet; its length is 102 feet. Scout News

The regular monthly meeting of Pack No. 171 was held Friday January 16 at the James Caldwell School.

The Theme of the Month was News, which included newspapers, newscasters, and any other form of reporting the news. Several Dens will visit newspaper offices to see how news is collected and printed. Many boys displayed their own ideas of newspapers. One den depicted the sports page, others the comic sections and headlines.

Thomas Glenn was inducted into the Pack as a Bobcat. His brother, Jeff, received the Webelos badge, the highest honor in cubbing. Scoutmaster Bob Isley of Boy Scout Troop No. 70, with the aid of Scouts Kit Kennedy and Alan Isley, welcomed Jeff into their troop.

Other Cub Scouts to receive advancement and achievement awards were as follows: Evan Schapiro, Bear Badge; Donald Buchner, Bear Badge and Gold Arrow on Bear Badge; Eddie Hydock, Bear Badge; Bobby Ferguson, Bear Badge; Douglas Jayne, Bear Badge; Mitchell Wiener, Wolf Badge; James Creede, Wolf Badge and 1 Gold and 1 Silver Arrow on Wolf Badge; Jeff Glen, Webelos.

A film on the Boy Scouts at Valley Forge was shown to the delight of the boys.

Congratulations

Congratulations to Robert H. Multhaup, Rupert H. Humer and Alfred W. Rogers on their victory in Tuesday's election for the three places on the Springfield Board of Education.

We wish the new members of the Board of Education the best of everything and we feel confident they will devote themselves to the best interests of the community in which all of us live.

Suburbia Today

Democrats Lower Tax Rate

One of the pledges made by the Democrats in seeking control of the Springfield Township Committee last November was "to stop the spiralling tax rates." And they have made good.

The 1959 budget for Springfield was introduced Monday night which will drop taxes 27 points. Last year (1958) it was \$5.77. This year it will be \$5.50.

All this was accomplished, say the Democrats, pointing with pride, "without curtailing services, without any firing and without abolishing any necessary jobs."

Mayor Vincent J. Bonadies and his two Democratic colleagues Township Committeemen Dan Lusy and Howard Flammer, are to be commended for taking over the enormous responsibilities of running the Township from scratch, and doing it so smoothly. The lower tax rate was made possible by the application of "good housekeeping and better fiscal policies."

There was a four percent salary increase across the board; there was an increased appropriation to the Overlook Hospital from \$2,000 in 1958 to \$3,000 for this year; there are now two detectives in the Police Department and a fourth patrol car. There is even an increase in the Reserve Capital Fund, the total for this year being \$110,000, as compared with \$85,000. in 1958.

To those who are somewhat confused by figures and statistics, we merely want to repeat that your tax bill for 1959 will be 27 points lower than last year — a campaign promise made by the Democrats when they sought support in the last election.

Just to emphasize the importance of this lowered tax bill — a glance at the pages of the Newark Evening News of Tuesday carried the following headlines:

Springfield Rate Drops 27 points.
Westfield Faces 60-Point Tax Hike.

Hillside Tax Jump Seen — 46 Point Rise.

S. Plainfield 56-Point Increase.
S. Orange Rate 56-Point Tax Increase.

There will be more. But this will give some idea on how fortunate Springfield taxpayers will be for 1959.

A pat on the back for Township Committeeman Lucy who heads the Finance Committee, for a job well done. And to Joseph J. Seaman, the new Township auditor, who knows every decimal point in this business of spending the taxpayers' money. He is conceded to be one of the best in that field and his guidance made it possible for Bonadies, Lucy, Flammer and Company to make good their campaign pledge to "stop rising tax rates."

Help Girl Scouts

Girl Scouting in Springfield needs money—and the Rotary Club of Springfield is starting a project of fund raising to help continue and expand the Girl Scout program which involves 420 girls and 134 adults.

The importance of Girl Scouting should not have to be emphasized, for every citizen is aware of the great work being done, but emphasis must be placed on the need for furthering the ever-growing scout

movement in town. The Rotary Club, realizing this, tries, merchants and professional is going to assist this worthwhile project by approaching all businessmen. Under the Chairmanship of Carl J. Jehlen, Manager of the Baltusrol Golf Club, the Rotary Club has set \$4,300 as the goal.

In order to assure the development and growth of the Scout movement in Springfield, every businessman is urged to back the Rotary Club in this worthy cause.

Who Is Qualified?

Because of space limitations we weren't able to publish the "suggested qualifications for members of local school boards," submitted by the Springfield Parent Teachers organizations. The copy below was prepared for publication prior to Tuesday's School Board election but we feel it may have some interest in elections to come.

Leadership on local boards of education is of vital interest to all parent-teacher members. Only citizens deeply concerned with educational standards and school needs should be elected or appointed to these boards. Members on local boards of education should be made up of persons with professional and non-professional backgrounds.

1. They should be men and women who hold universal public education in greatest esteem; who believe that America's future rests primarily on the superior development — physical, mental, moral, spiritual of all our children and youth.

2. They should work to provide, defend, support the highest degree of public education which their communities can be persuaded to demand.

3. They should recognize education as a broad, continuing process outside and beyond the generally accepted school curriculum.

4. They should have educational level high enough to command the respect and the cooperation of the community at large. As important as academic background is a willingness to learn and grow.

5. They should represent the interests of the community at large, rather than any political, social, religious, economic or other special interest or geographic area.

6. They should understand and respect the executive functions of the professional administrator.

7. They should have high standards of personal integrity and maturity and successful accomplishment as American citizens.

8. They should be guided by a broad principle of unity of purpose and subordination of self interest.

9. They should be sensitive to public opinion and have the moral stamina to take courageous action for the good of the schools despite self-interest pressures groups and influences.

10. They should have the skill in maintaining effective cooperation with the professional staff, and public relations with citizens and community groups, with opportunity for exchange of views.

TAKING CARE OF YOUR GARDEN

Chairman, Springfield Shade Tree Commission
By Edward A. Cardinal

This is a good time of the year to start pruning shrubs and trees. Before we start discussing the actual pruning, it might be wise to talk about the tools we will need for this job. I will mention only the bare necessities of the home gardener, and not the elaborate selection sometimes used by real professionals who take extreme pride in their work.

There are two types of hand pruners to choose from, one is the anvil type which has one sharp blade opposing an anvil of soft metal. This tool is light and extremely powerful, but is harder to use where a close cut is desired. It might also crush soft pithy wood where delicate pruning is desired. However, for general use it is favored by many gardeners. The other type is the conventional shear having a tool steel blade opposite a thicker hook that works with a scissors-like action. This type of shear can be purchased in a wide price range, but remember that an inferior tool will not hold a keen edge and spring out of shape just when you need it the most. A good tool of either type is available in the \$3.00 price range.

If heavy pruning is to be done on trees you will need a pruning saw. An ordinary carpenter's saw will suffice for occasional pruning, but if you expect it to be a seasonal job, it might be worth the investment of a few dollars to acquire a good crescent shaped pruning saw. This will make

cuts up to six inches, and will enable you to work in close quarters as well. The cleaning teeth of a pruning saw reduces friction, and makes the job that much easier.

Q: I know all cuts should be treated with tree paint, but I hate the black, unsightly spots that it leaves. Is there any other material less unsightly?

A: Yes. The O. E. Link Company now produces a transparent plastic that is almost invisible, or use Wilt-Pruf plastic spray undiluted. Shellac can also be used.

Q: When pruning the leader of a plant, how can I be sure it will not cause a fork to start instead of a single leader?

A: Prune an evergreen after the new growth has barely hardened, then a center bud will form. If it is necessary to prune at another time, and a fork has started, take the most centralized leader and bend gently to an upright position and tie in place with a soft string or strip of cloth. In pruning a young tree, cut the leader to leave a bud toward the center of a tree.

Q: Is there a good, inexpensive book to be had on pruning?

A: The Sunset "Pruning Handbook" is an excellent one that can be purchased in most garden centers for about \$1.50.

NOTE: Next week we will discuss pruning roses in the spring.

YOUR LIBRARY

In spite of the bad weather, the thick fog of the evening, the election, the Boy Scout and Brotherhood programs; a small group of dedicated readers met at the Springfield Public Library to talk about the first novel in the series called "Novels of Protest."

The conflict in meetings points up the fact that advance notices should be registered on the Calendar of Coming Events kept in the library. At the time the dates were chosen, no other meeting was entered for that night.

Mrs. Howard Flammer, who introduced "Vanity Fair," explained Thackeray's idea of the hero. He looked upon the hero as the person who dominated his fate and the people with whom he came into contact. For this reason, we can call "Vanity Fair" a novel without characters, Amelia is dominated by her family; and Becky Sharp, a hero, indeed a novel without a heroine. Of the two leading female although she strove very hard to make a place for herself in high society, is bowled over in each attempt at advancement by some trifling event she could not control.

In presenting "Bleak House," which is a blistering attack on the English Court of Chancery, Miss Reyner pointed out that New Jersey courts were molded on the English system. While the English made changes in their system in 1873, 1875, and 1925, the same court in New Jersey was not changed until 1947. It was further noted that the opinions about Dickens have been changing during the past generation, both among those who criticize him and those who admire and surrender to his spell. He was formerly recognized as an unsophisticated, erratic genius who gave us crude pathos, crude melodrama, and humanitarian zeal in a world of evil and crime, set off against the victims' sorrows and joys of the poor. These dramas were played against a background of stage coaches, snug inns, and cozy domestic good cheer.

Now it is recognized that he developed his writing skills and by the time he wrote his later books, such as "Bleak House," he had become a highly conscious artist, a sophisticated molder of symbolic patterns, a savage analyst of society. Readers familiar with Dostoyevsky, Kafka, and Faulkner, who come to these later books of Dickens, may be in danger of taking him too seriously and forgetting the humorous side of his writing which makes reading him such a delight.

These two books lead on to the next novel, "Nana," by Emile Zola. Here Parisian society at a period fifty years later than the English stories will be examined. Interesting comparisons may be made between "Nana" and an adventures such as Becky Sharp. Since "Nana" comes in a thirty-five cent paper-back book, the library has secured a number of copies. These copies may be borrowed so that many people can come prepared to enjoy this second discussion, which will be on February 24. Mrs. Bryant Haas will lead on that night.

SCHOOL BEAT

Doings At Regional High School

By Marsha Wilson

Senior play tryouts, held last week, showed that Springfield possesses much dramatic talent. Judy Vance was selected as the female lead. Other seniors from Springfield who received parts are: Diane Berger, Judy Crowley, Diane Ashfield, and Roberta Kappstatter.

The Senior Ball, to be given tomorrow, promises to be a social success. Tickets were limited to begin with and were all sold out in four days. The queen will be announced at 11:00 p.m. Decoration motif follows the tradition of hearts and cupid. Favors will be given out to all the girls.

Mr. Walter Hohn, head of the Science Department here at Regional, has been selected by the North Jersey section of the American Chemistry Society, as its teacher of the month. He will be honored by the society at a dinner, February 23rd at 7:30 p.m. at Regional University. Mr. Hohn has taught chemistry at Regional for twenty-one years. He sponsored two students in the Greater Newark Science Fair and they subsequently became grand winners in the National Science Fair. Congratulations, Mr. Hohn, you deserved to be honored!

Each morning representatives from their homerooms take a walk to the telephone booth where they pick up the required number of New York Times newspapers for subscribers in their homeroom. Two hundred twenty-six students receive papers each morning. This activity is sponsored by the National Honor Society.

This Wednesday, the Freshmen class will sponsor a cake sale during lunch in the cafeteria

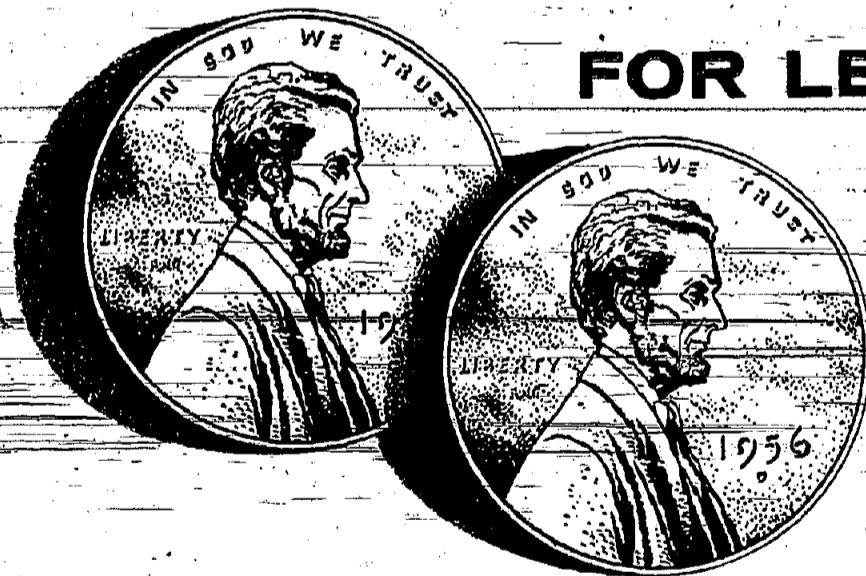

to raise money for their freshmen dance. Not only cakes are for sale, however. There are cookies and pies also. Each class has given at least one cake sale this year, of which all of them have been successes. It proves one thing—Regional students like to eat!!!

An annual debate tournament was held in Regional last Friday. Schools all over New Jersey participated in the debate. The subject was, "That the United States be resolved to adopt the essential features of the British system of education." Opposing schools took the affirmative while Regional took the negative. Debates were held in English and history classes. Each panel was marked by the teachers of the respective English or history class in which they talked.

All seniors will wear red this Friday in honor of Valentine's Day and the Senior Ball. The senior class will really be a knock-out!

The following seniors have been accepted into colleges or secretarial schools of their choice: Diana Bouchard, Muhlenberg College; Judy Horreiter, Gettysburg College; Diane Berger, Temple University; Allen Menkin, Liz Ford, sev. Somerset College; Jeff Manuel, Ohio State; and Bill Van Nest, Drew University; Nancy Rumson, and Ted Sheldon, Franklin and Marshall College; Peggy Wood, Purdue University; Carolyn Wood, Marjorie Blanda, Margie Case, and Pat Wright, Berkeley Secretarial School; and myself, Katharine Gibbs Secretarial School. The rest of the seniors will hear some time in April. Remember the Senior Ball, this Friday night, and the basketball game on Saturday night.

What's in it for me?

If he'll work, there's faith in his future.

Nothing... and everything

It will demand your free time—often when you want that free time for other things. It will demand sincere enthusiasm and concentration. It will demand money, perhaps... certainly hard work and the sacrifice of some personal pleasures and whims. In return you'll have nothing you can hold in your hand... or put in the bank... or stick up over the mantelpiece. Nothing but priceless faith. Hardly a specific. But faith is not a specific thing. It comes when you need it most... and where. That's part of its strength—a strength that's as strong as you want to make it.

Lutheran Ladies Church Projects

The Ladies Guild of Holy Cross Lutheran Church, 639 Mountain Avenue, last Wednesday evening voted a total of \$175 to aid various projects in the congregation. These projects include the purchase of two dozen Revised Standard Version Bibles, Lenten advertisement in the Springfield Sun, The Mountside Echo, The Summit Herald and The Millburn-Short Hills Item, the purchase of twelve film strips for the church's audio-visual library, and erection of a new double-face "Seotchlite" road marker at the entrance of the parking lot.

The money was raised through the ladies' "Talent Dollar" project, in which members contribute profits earned from investment of their time and talents in various fund-raising ventures.

The group also voted to embark on "Operation Kindness," a service project designed to aid sick and needy members and friends of the parish, as well as to help new church families in the community become oriented more quickly.

Lutheran Youths Attend Retreat

Attending a mid-winter weekend retreat last week at Merry Hill Resort, Cresco, Pa., were John Haselmann, Jr., 37 Meisel Avenue and John Keller, 26 Remer Avenue. The spiritual retreat was conducted under the auspices of the New Jersey District of the Walther League, youth fellowship of the Lutheran Church—Missouri Synod. A local society of the youth group is included in the youth program of Holy Cross Lutheran Church, 639 Mountain Avenue.

Besides Bible study, topic discussions and forums, the youths also found time for various sports activities in the form of skating, baseball, basketball and archery. Upon their return last Sunday evening the total youths summed up the weekend in one word: "Fabulous!"

Open House

The Sharey Shalom Religious School has invited all parents to see their school in operation on Sunday, February 15. Parents will meet the staff and Rabbi Dresner who will explain the methods and aims of the school.

COMBINED PTA NEWS
National Brotherhood Week
February 15-22

A good citizen of New Jersey will subscribe to this Creed: As an American I will be loyal to my country. As a human being I will extend good will to all mankind. As an employer I will hire persons according to their ability without discrimination. As a worker I will deal fairly with my fellow workers, extending to each the same rights and privileges I wish for myself. In public places I will accept all who come without regard for race, creed, or color. In our schools I will wish to have all youth educated denying no facility. And establishing no restrictive lines based on race, creed or color. I will extend every courtesy to my neighbor regardless of his race, creed or color, which I might expect him to extend me. I will look with favor upon groups which are working toward the ideal of Brotherhood.

GAUDINEER PTA
An Executive Committee meeting for all officers and committee chairmen of the Florence Gaudineer PTA was held Monday evening, February 9th, at 8:15 p. m. in the Teacher's Room of the school. Mrs. J. Frank Jakobsen, president, asked all chairmen to give committee reports.

Mrs. John Brownie reported

that the "T" shirt sale began Monday, February 9th. Please return the lower portion of the flyer to your child's home room teacher promptly whether or not you wish to purchase anything.

Mrs. Lawrence Kymmer, Parent-Family Life chairman has planned another Parent-Family Life study group discussion meeting for Monday evening, March 2, 8-15 in the cafeteria. Mr. David Engler, a high school teacher in the George Washington High School, New York, and author of the book "How You Can Raise Your Child's I. Q." will be guest speaker. His subject will be "Academic Subjects and Homework." A short film, "To Go To College" will be shown. Refreshments will be served by the Hospitality Committee.

The Nominating Committee this year will consist of: Mrs. William Hummel, chairman, and Mrs. A. Pancani, Mrs. John Moore, Mrs. Arthur Luehrer and Mrs. John Brownie.

Caldwell School
The February meeting of the James Caldwell School PTA executive committee was held in the Library of the Florence M. Gaudineer School on Monday evening, February 9. Mrs. Alan Gunningham presided and committee reports were given by the chairmen.

The regular meeting of the James Caldwell School PTA will be held on Monday, February 16,

at 8:15 p.m. in the school auditorium. At this meeting we will celebrate Founder's Day and the organization's second birthday.

Mrs. S. Bryant Haas, Founder's Day chairman, has a delightful evening planned. Rev. David B. Sageser will be the guest speaker and his topic will be "Exiles—A Judgment Upon Our Times."

An Attendance Award Banner will be given to the class having the highest percentage of parents in attendance at the meeting.

New Drivers Now Have to Make Date for Road Test

Acting Motor Vehicle Director Ned J. Parsekian has announced that New Jersey's motor vehicle driver license examination procedure have taken on a new look on Monday, February 2, when the "Appointment Plan" went into operation.

Two significant changes mark the departure from the old system of examining applicants for New Jersey drivers licenses. First, under the new procedure, an applicant will not be permitted to practice drive until he has satisfactorily completed a test of his knowledge of the traffic laws and regulations and a check of his vision. Secondly, the driving test will not be given until at least ten days after the applicant has passed the non-driving phases of the examination and has obtained an appointment for the driving test.

There will be a transition period ending March 31, when the old and new procedures overlap. During this period, valid old type permits will be honored.

An applicant who fails the knowledge test will not be re-examined until at least one week after the date of rejection. An applicant who fails the vision check may be rechecked at any time after the vision deficiency has been adjusted.

Must Purchase Permit
The purchase of a learner's permit, obtainable at any motor vehicle agency, is a prerequisite to applying for the driver license examination. The permit is valid for a period of sixty days from date of purchase and costs \$2. Persons under 21 years of age must produce a birth certificate or other acceptable proof of age when applying for the permit and at the time of appearing for the knowledge test.

A driver's manual containing information about traffic laws and regulations and tips on safe driving is given to the applicant, together with an instruction sheet

driving test will not be given earlier than 10 days after completion of the vision check and the knowledge.

An appointment for the driving test may be made by the applicant through personal appearance at a driver qualification center or by writing for an appointment to one of the permanent driver qualification centers or to the Inspector Force Office at Trenton. Telephone requests for appointments cannot be honored.

Latin Teachers Hold Conference

A conference of Latin teachers of the Association of Teachers of Independent Schools of Northern New Jersey was held at the Short Hills Country Day School on February 4. Edward Crichton represented Country Day. J. Howard Burnett of Rumson Country Day School and chairman of the Committee, conducted the meeting. Among the topics discussed were: "When should Latin be started?" "Is there a substitute for Caesar?" "How much stress should be placed on English to Latin translations?" and "How literal should the student make his translation from Latin to English?"

Edward R. Kast, headmaster of Short Hills Country Day, welcomed the group. Mr. Kast, who is vice president of the Association of Headmasters and Headmistresses of Independent Schools of Northern New Jersey, was instrumental in starting the Teachers' Association last spring. Groups divided according to their subject matter have held meetings throughout this year. The Latin group voted to meet again during the latter part of this month.

Sappho, the Greek goddess who was called "the greatest lyric poetess of all time," nevertheless wrote only one complete poem.

The average amount of life insurance owned by Americans now stands at \$8,300 a family, which is about twice what it was 10 years ago.

Director Parsekian explained that approximately 200,000 applicants will be examined this year and stressed that, "Under the new procedure, no applicant is permitted to practice drive on a public highway until the knowledge test and vision check have been satisfactorily completed."

The Director further added that practice driving with an unexpired or invalidated permit, "is tantamount to driving without a license and will subject the applicant and accompany driver to the penalties provided in the law."

Scouting Awards To Be Presented

Four scouts of Troop 82, sponsored by Temple Beth Ahm, will be presented with Aleph Awards at the Boy Scout Sabbath Service, Feb. 13. This award represents the achievement of the prerequisite step in attaining the "Net Tamid" medal.

Net Tamid means Eternal Light sized for all of us. There is no other non-sectarian youth movement of the Jewish Faith receiving upon completing a special course of religious study as well as a prescribed schedule of activities related to their religious life. Similar awards are given by the Catholic and Protestant Faiths also.

Rabbi Reuben R. Levine of Temple Beth Ahm, who is religious counselor to these scouts and who will make the presentation, stated: "When I work with these boys, as I have done with many other scouts over the years, the great values of scouting are re-emphasized for all of us. There is no other non-sectarian youth movement of the Jewish Faith receiving upon completing a special course of religious study as well as a prescribed schedule of activities related to their religious life. Similar awards are given by the Catholic and Protestant Faiths also."

It follows the wonderful American tradition of building group harmony and unity, while asserting the individual's right to, and need for, a religious conviction of his choosing.

The Scouts receiving the Aleph Award are: Elliot Wortzel, Steven Levitt Barry Hollander and Larry Lichter. Also participating in the Service are Paul Biddelman and Ronald Faber, the latter representing Cub Pack 62, which is sponsored by the Temple. Mr. Seymour Wortzel is Scoutmaster and Mr. Sydney Faber is Cubmaster.

Archdeacon Rath At St. Stephens

The first Lenten guest preacher at the week-day evening services at St. Stephen's Church, Millburn, will be the Venerable George E. Rath, Rector of All Saint's Church, Millington, and Archdeacon of Morris. Mr. Rath has for the past eighteen years been Rector of the Millington church and previous to that he was connected with several New York City parishes while doing graduate work in theology.

The Lenten evening services at St. Stephen's this year follow the established custom of Evening Prayer at 8:15 with choir and guest preacher. Following the brief Evensong service, there is a Bible study session in the Parish Hall. This year's topic of study is the Gospel according to St. John and these classes are led by the Rector of St. Stephen's Church.

West Virginia Leads Eastern

Bruce Ledig provided the scoring punch as the league leading West Virginia mountaineers posted an impressive 29-18 victory over Kentucky. Nuttal, Menkin and Gargano were the standouts for the losers who were in the game until the final three minutes of play.

A tall California tea mstopped the unbeaten progress of the Oklahoma cowboys by winning 21-19 in the most exciting game of the afternoon. Don Inamorate and Allan Greenberg scored 11 and 10 points respectively to pace the winning Californians, with Jimmy George and Tomm yBaker the standouts for Oklahoma.

Texas sniped Michigan 21-20 as Jimm yLies, Rick Multaup and Bob Clea sparked the win. Keith Neigel and Chip Argyris scored 10 points each in a losing cause.

In the finale of the 4-game card Minnesota had an easy time walloping Illinois 22-9. Cici Monticello and Zegar were the workhorses for the hard luck Illini, with Ned Billings and Gary Faucher the standouts for Bill Roman's talented ball club.

AAA Offers Auto Tax Booklet

Motorists who wish to take advantage of possible income tax deductions in connection with the ownership, operation and maintenance of automobiles can obtain the necessary information from a folder distributed by the New Jersey Automobile Club (AAA). It was announced today by F. Kenneth Schultze, club general manager.

The folder, prepared by the AAA, covers possible deductions for both personal and business use of autos. It is available to motorists at the Auto Club's offices at 136 Clinton avenue, Newark; 1 Hanover road, Florham Park, and 200 West Seventh street, Plainfield.

N. J. Symphony Names Manager

Percy Rappaport, president of the Board of Trustees of the New Jersey Symphony Orchestra, has announced the appointment of Nicholas George as full-time manager of the orchestra. Mr. George is a native of Oakfield, New York, and veteran of the Second-Worlds War. He received his B.A. from the University of Louisville, Kentucky in 1947. After graduate work in Journalism at the University of Missouri, he worked for several years as a radio and television reporter. Since 1955, he has been employed by the City of Waterloo, Iowa, as manager of the Municipal Auditorium. He also managed the local symphony and the baseball team.

Among his duties here will be publicity and promotion of the Symphony, planning of rehearsals, concerts, and other events, and guiding committees of volunteer workers in ticket sales and solicitations from individuals, business, and industry. It will be the first time in the 37-year history of the Orchestra that this service will be available on a full-time basis.
