WHERE ARE THE FIREWORKS?

Springfield—usually the scene of some typical Pier 5 political brawls—hasn't been able to blow up a storm this year in the scramble for the two seats on the Township Committee.

The campaign is now turning into the home stretch but so little excitement has been generated that the political experts look for the lightest vote in local campaign history.

Whether the Democrats—who took over control of the Township after more than a hundred years of Republican rule—have succeeded in winning the confidence of a great majority of the qualified voters by their first year of government, or whether it is the lack of unity on the part of the GOP organization in Springfield, no one knows.

The Republican candidates haven't, as yet, been able to come up with an issue that has real appeal. Those who brought into the current campaign a plea for maintaining a "two-party system" in Springfield couldn't have been very serious. This campaign slogan fell far short.

The Democrats have been more fortunate in presenting their campaign to voters. Published stories in the past week or so told of the acquisition of land for a recreation expansion program, a gift from a developer to equip a new playground, another developer's gift towards the cost of building a pumping station.

This brings to mind the oft repeated statement in the past that the Union County Park Commission just refuses to "do any business" with Springfield. The playground property, as reported in last week's meeting of the Township Committee, will be made available to Springfield for the new playground by this same Park Commission.

The audit of tax collections should be kept entirely divorced from politics but it has managed to creep into several releases since the resolution was unanimously passed by the Township Committee.

Delinquent tax payers are always with us—and there are many cases where more time is readily given for the payment of back taxes.

The important thing in this audit, according to those who have seen the list of delinquent tax payers, is that practically the same names appear year after year.

We don't believe such an audit could be aimed at Charles Huff, Tax Collector—personally. He has been too good a public servant for so many years to be responsible for any delinquencies in the payment of taxes. The Democratic majority on the Township Committee says they want to make that clear. The list of tax delinquents is just the result of not very good business.

There needn't be anything political about an individual or businessman not paying his taxes on time. And, an audit doesn't necessarily mean that "skulduggery is to be found."

HELP BOY SCOUTS

With the opening of the 1959 Scout Fund Drive only two days away, residents of Springfield are reminded again of the need for and value of community sponsorship in scouting. Scouting is a major movement among youth in America.

It is almost completely local in its origins and programs with the thousands of local troops held together by a network of county, state and national officials who provide the planning and continuity necessary for a youth serving program to compete in today's world for the interest of the youth it serves.

On Saturday and Sunday, October 24 and 25, a member of the committees working on the 1959-60 scout fund drive should call on you to solicit your support in this drive. Your contribution, together with the contribution of your neighbors, must fulfill the need for scout supporting from Springfield. Your dollars will help to carry the work of scouting to more and more of the youth of Springfield.

If you should be missed in the general solicitations canvassing your contribution, mailed to Frank W. DiBiase, 445 Mountain Ave., will be added to the fund.

Early returns of the work of one advance committee of workers has shown a healthy interest in scouting on the part of local citizens. The committee, headed by Dean Widmer collected over one thousand dollars from one-hundred residents.

PRE-TEEN DANCE PROGRAM

For the past several years, as well as this year, the Springfield Recreation Commission in conjunction with the Springfield Woman's Club have sponsored a program of Pre-Teen Dances. These dances are for the enjoyment of 7th and 8th grade students here in Springfield.

Much success has been had in sponsoring these dances for they are popular with the youngsters as well as the parents. In addition to the many people who work on the committees, much of the success may be attributed to the generous help of the Rotary Club, who give a record gift to the dances of the top hits of each month.

While at the dance the girls and boys are served refreshments by members of the dance committee. Membership cards are given to each youngster and these membership cards are their admittance to the next dance.

Parents are always welcome and it is suggested that the parents drop in a half hour or so before the end of the dance. The parents are urged to be cooperative in calling for the children at the close of the dance. It is a rule of the dance that once a child is in the building, that child is not permitted to leave until the conclusion of the dance, unless called for by a parent.

These dances have been successful in the past and everything points toward another successful year. Anyone wishing to insure the success of these dances by helping on any of the various committees please contact Edward Ruby, Recreation Director, at DR 6-5300.

A REAR REPRESENTATIVE

Congresswoman Florence P. Dwyer doesn't believe in "just taking it easy" between sessions of Congress.

Pointing out a personal problem to her and she will burn up the telephone wires to her office in Washington; tell her she is needed to coordinate the Republican campaign in Union County and she will add six or seven more speaking commitments to her already crowded schedule.

Budget reductions and the passage of the labor management reform bill were the two chief successes of the first session of the 86th Congress—Rep. Dwyer said in her final report to the people this year. The report is being mailed to a cross-section of Union County families this week.

Public insistence, as evidenced by hundreds of thousands of telegrams and letters pouring into Washington, made possible both of these accomplishments. Mrs. Dwyer said: "This was the year the people spoke and the Congress listened," she said.

Mrs. Dwyer called the labor bill signed by the President "a sound one." "No decent union or honest union official will be hurt or handicapped by it. On the contrary, the constructive efforts of the AFL-CIO and many individual unions to make of the labor movement a more effective and responsible vehicle for the welfare of the working people should be greatly strengthened." She reported a majority of both Democrats and Republicans supported the bill.

Among other accomplishments of the session which ended Sept. 15, Mrs. Dwyer cited the housing bill, the rewriting of veterans' pension laws to adjust benefits more closely to needs, stronger Federal prohibitions against mailing pornographic literature to be reunited with their families.

Union County projects approved by the Congress included the deepening of the Arthur Kill channel and the vertical lift railroad bridge over the channel between Elizabeth and Staten Island.

New Post Office buildings are being provided in Mountain-side and Berkeley Heights and approval for a substitution in the Bayway area of Elizabeth was obtained.

Mrs. Dwyer said hearings had also been held on the question of excessive noise from jet aircraft at Newark.

Calling the Congressional post a "fulltime job," Mrs. Dwyer said she had a 100% voting record, having voted on every bill (Continued on Page 2)

Voters League Sets Tuesday For Candidates

The League of Women Voters of Springfield will sponsor a Candidates' Night as a service to Springfield voters. The meeting will take place at the Gaudineer School at 8:15 p.m., Tuesday, October 27.

The four candidates seeking election to the Township Committee will be present.

They will each be asked the following questions: 1. "Do you have any suggestions to improve the cooperation of the State Government with Springfield on trolley tracks, federal highways, etc.?"

2. "Our present government body has suggested a study of our historic heritage. Specifically, what do you plan to do?"

There will be a short presentation of the public questions. The League invites all residents to come hear and question. James Cawley, Republican; Paul Beck, Republican; William H. Balentine, Democrat; and Russel W. Sibole, Democrat.

HELP-CLEAN-UP—Forty-two members of the Westminster Fellowship of the Springfield Presbyterian Church turned to clean up the Revolutionary Cemetery on their one day school holiday on Columbus Day, Oct. 12th. This was a work project presented by the Citizenship Committee of the Group, Timothy Stewart, chairman. Lunch was served by the girls in this all day activity. The work of these high school young people was supervised by Mr. and Mrs. George R. Lord, advisors and the Rev. Donald C. Weber. Pictured left to right are Thomas Patten, Alan Isley, David Lord, Donald Stewart and Richard Johnson.

Rabbi Tells Rotary Club About Art

The Springfield Rotary Club was treated to an illustrated lecture on "Art in Judaism" at its Tuesday meeting. Rabbi Rauben R. Levine of Temple Beth Ahm addressed the group on the architectural development of the synagogue. He also discussed certain ritual objects.

Rabbi Levine pointed out that there is no traditional synagogue building style. He said the current styles of any given time and place were used for the Jewish house of worship. He traced the change in position of the reader's desk from the center of the room in older sanctuaries, to the front of the room in modern congregations.

The speaker said the synagogue was never considered as only a house of worship, but always was, and still is, a place of instruction and learning as well as of communal fellowship. The democratic nature of Jewish worship was also explained. The group heard and saw how the principles of modern art are being applied to today's synagogues and ritual objects.

The talk was accompanied by beautiful color slides from Rabbi Levine's personal collection.

FBI Man To Speak At Gaudineer PTA

William C. Hinz, Jr., a former resident of Springfield, will speak about "The Work of the FBI" at a meeting of the Florence Gaudineer P.T.A. in Springfield, on Monday, October 26th, at 8:15 p.m.

Mr. Hinz is a native of New Jersey and was graduated from the University of Newark Law School. He was appointed Special Agent with the FBI in 1937 and was Assistant Special Agent in Charge at Philadelphia, Pennsylvania, Springfield, Illinois, and Detroit, Michigan, prior to his return to Newark in his present position in 1957.

Mr. Hinz's program has been recommended as outstanding in Union County. There will be a discussion period at the conclusion of Mr. Hinz's talk.

"Lassie" TV Program Sun. To Help UNICEF In Twp.

Springfield residents will participate in the annual Trick-or-Treat for UNICEF program this coming Halloween night, Saturday, October 31, with hundreds of children dressed as "spooks and goblins" calling on the people of Springfield to collect money to be used for the purchase of food and medicine for needy children in other lands.

In addition to their usual Trick or Treat fun, the children are hoping to collect pennies to help them share their Halloween with less fortunate children around the world. It is an annual project of UNICEF (United Nations Children's Fund) and the Springfield workers look for even better results this year in the Township.

G.O.P. Candidates Claim Dems Only 'Yes-Men'

James M. Cawley and Paul H. Beck, Republican candidates for Township Committee, speaking before a Candidates Night audience of the Springfield Republican Club, have accused their Democrat opposition of attempting to delude the people of Springfield with their campaign slogan of holding the tax line.

"Sibole and Balentine are attempting to make capital for political expediency of a catch phrase which they hope will delude the public and lure them from the facts which prove that the maintenance of the present tax rate is a mathematical impossibility," said Cawley and Beck.

As examples they cited the already announced increase in Springfield's share of county taxes, and the expenditures involved in the construction of the new elementary school, the Shumpke storm sewer, and the South Side sanitary sewer.

"How, in the face of these facts," asked Cawley and Beck, "can Sibole and Balentine attempt to lead the people of Springfield to believe that, by their election, they will be able to hold the tax line?"

"This type of irresponsible campaigning," stated Cawley and Beck, "emphasizes the need for Republican representation on the Township Committee."

"While the present Democrat administration can, by their majority vote, dictate the policies of the township for the next year, we feel that the public is entitled to be kept informed by Republican representation of the government actually running the township."

"The figures show a slight decrease in the total, but do not disclose that the cost of the day-to-day running of the government actually rose \$15,000.00. The remainder of the so-called decrease was possible because it was not necessary to make as large appropriations for capital improvements, because expenditures that fall in that classification were made when they became necessary or advisable and were handled on a pay as you go basis.

Candidates Charge Tax Rate Reduction No Credit To Democrats

James M. Cawley and Paul Beck continue to hammer away at the claims of the Democrats that they are entitled to credit for the 42 point reduction in the 1959 tax rate. Speaking at a meeting of neighbors and workers, the two Republican candidates presented tables from the 1959 and 1958 tax bills to support their argument. "These tables," they said, "which appear below, show graphically just how the reductions were effected and prove that the claims are not based on fact."

"Here is how the figures appear."

	1959 Tax Levy	1958 Tax Levy
County Tax	\$2,227,229.95	\$2,227,229.95
Regional High School Tax	456,828.10	456,828.10
District School Tax	82,811.59	82,811.59
Township Tax	74,837.65	73,622.19
Excess Produced by Rate	35.72	3,222.00
	\$2,581,743.11	\$2,577,523.83

"Another very important factor in the determination of the above rates is the ratables upon which these tax rates are computed. The 1959 base is \$45,164,791.00, while 1958 was \$41,192,721.00, an increase over which they had no control, but which gave them a bigger base upon which to work.

"The above figures tell the story (or almost all of it) of the tax reduction for which our Democrat opponents are claiming the credit. It is obvious that out of the 42% there is only 12% or less than 30% over which the local governing body has any control whatsoever.

"The figures show a slight decrease in the total, but do not disclose that the cost of the day-to-day running of the government actually rose \$15,000.00. The remainder of the so-called decrease was possible because it was not necessary to make as large appropriations for capital improvements, because expenditures that fall in that classification were made when they became necessary or advisable and were handled on a pay as you go basis.

"We do not believe that the thinking citizens is being fooled by the grand claims that are being bandied about with respect to where the credit is due for the reduction in taxes. The American public is too fair-minded to allow anyone to take credit where it has not earned it."

Community Free Church Buys Land For Building

The Community Free Church of Springfield announced this week that property has been purchased for the construction of a place of worship in the Township.

The site for the new church building is known as the Pasquale property and is located on Shumpke Road, diagonally across the street from the Business Country Club. The parcel is approximately 1 1/2 acres of ground with a building which, for the time being, will be used by the youth director. Plans call for an educational building and recreational hall as well as the church itself. There will also be ample off street parking facilities and a picnic area.

Ray Schneidermann has been elected as Building Chairman with Vernon O. Drake, Herman Gardes, Mrs. Helen Drake, and Mrs. Dorothy Gardes also to serve on the building committee.

There has been widespread interest in the new "Community Free Church of Springfield" and there have been many inquiries into what the name of the church means, what it stands for, and why a Community Church.

The church is affiliated with the Evangelical Free Church of America, which held its first meeting in America in 1834. "Evangelical Free" describes the theological beliefs, and the system of church government. Evangelical may mean different things to different people. Web-

Edward S. Foster Wins Four Prizes

Edward S. Foster, of 53 Wenzel Ave., Springfield, a junior at Norwich University here, was awarded four academic prizes at a convocation held during Parents' Weekend on the military college campus.

The Thomas Medal, a gold medal to the cadet who has the highest general average for the previous year, competition for which is open to all classes except freshmen.

The Sophomore Academic Medal, a silver medal awarded by the University to the cadet whose academic average is highest for his sophomore year.

The Sophomore General Medal, a silver medal to the member of the prestige sophomore class whose combined academic and military average is highest for the same year.

The Spanish Prize, a gold medal awarded to the cadet with the highest academic average in the intermediate Spanish course.

Cadet Foster, who is Regimental Sergeant Major in the organization of the Norwich Corps of Cadets and has held membership on both the sophomore and Junior Honor Committees, has been a Dean's List student every semester of his college career. A West Orange, High School graduate in 1957, he is the son of Mr. and Mrs. Edward S. Foster, Sr.

Township Committee Candidates Russel W. Sibole and William H. Balentine declared to day that their opponents in the November 3rd election have no issues because there is no issue with the progress that the new administration has brought to Springfield.

Sibole and Balentine stated "We are pledged to build upon this progress not to destroy it with political footballing; we are determined to keep responsive, efficient government going, not obstruct it with political interests.

The progress that has come to Springfield is real progress (they continued) measured in deeds—not political words. The new administration has halted runaway taxes despite the past rejected administration's claim it couldn't be done. A system of advance budget planning has been established to help curb spiraling taxes in the future.

"The people of Springfield are the best judge of good government," they stated "and you can be sure they will continue to be heard from at the polls if they are fooled. The candidates opposing us say they are running only to represent their political party and give us two-party politics.

"They still haven't explained why under the hundred years of absolute township control by (Continued on Page 2)

Japanese Hostesses Will Greet Guests At Bazaar

Hostesses in Japanese costumes will greet guests in the Japanese Tea Garden, a feature of the United Nations Bazaar to be held in the Methodist Church, Main St. at Academy Green, by the combined groups of the Women's Society of Christian Service and the Wesleyan Service Guild.

The Bazaar will be open from 9 a.m. to 4 p.m. on Thursday, October 22, and from 11 a.m. to 4 p.m. on Friday, October 23.

For those who prefer a different program, the Tea Garden, under the direction of Mrs. William Pierce and Mrs. William Remper, will serve homemade cake, coffee and a choice of oriental, regular or spiced teas in the Trivett Room from 2 p.m. until 5 p.m. and from 7 p.m. until 9 p.m. on Thursday.

UN-HOSTESSES—Dressed in the native apparel of Japan, Mrs. Leslie James of 69 Springfield Road and Miss Dorinda Rempfer of 75 Colfax Road pose prior to the United Bazaar which will run October 22 and 23 in the Springfield Methodist Church.

CELEBRATE 10TH YEAR—Mayor Vincent J. Bonadies presents to Daniel Kalen, president of the Springfield First Aid Squad, a resolution prepared by the Township Committee to commemorate the tenth anniversary of the squad. Presentation was made this past Sunday, during ceremonies held in front of the squad house following a motorized parade which traveled throughout most of the town. The motorcade, which consisted of 24 ambulances and rescue vehicles, terminated at the township mall where over 200 people heard the mayor laud the squad for its ten years of service to the town. The high school band played a concert preceding the ceremonies.

which came up for consideration during the session. Her work on the Banking and Currency Committee and the Intergovernmental Relations Subcommittee involved lengthy public hearings on major bills which were later passed by the Congress.

Mrs. Dwyer said that she would be in Union County most of the time until Congress reconvened in January and that her Elizabeth office would be open every weekday to serve the public.

Increase Ratables

"The Democrats fail to mention that had it not been for the increased ratables in 1959 over 1958 there probably would not have been a reduction at all."

"And under whom did these ratables come into our town? This tax rate of which they are so proud was the result of previous groundwork, since the rate was determined in February, 1959, not after they had been in control for any appreciable period of time. What will their story be next year, because after all they will still be in the majority even after we have elected two Republicans to watch over them?"

"Since the preparation of the 1959 budget the citizens have voted for a new grade-school in town, the Regional High School system is constantly expanding, requiring increased expenditure for that worthy purpose; and we are led to believe that our proportion of County taxes will be higher if only for the reason that the ratios of real values to assessed values have increased as has been reported recently in the local press."

"Are the Democrats ready to accept the blame for these conditions as readily as they now appropriate the credit for present conditions—over which they have no control?"

"The traditional American system of 'checks and balances' is an integral part of our life. It is true that a minority cannot stop a majority from taking any given action, but it can give it pause and it can throw the light of publicity on any actions which it considers not in the best interest of the tax-paying public. This we promise to do."

"Political Job
Such minority representation would, for instance, point out a recent appointment in the road department where we would consider that politics rather than the best interest of the town governed the selection of the Public Works Committee made, by letter, over the recommendation of the Township Engineer who felt that an-

other man was possessed of more experience and better training."

"The man who was selected had been in the Department for a matter of a few months and his prior training had no relation to the job to which he was appointed. The only reason that was advanced for the taking of this step was the better man did not live in town—a qualification he was not required to have when he was originally hired. The effect on the morale in this and other Departments, can well be imagined."

"We are not unaware of the verities of political life, and we know all about the phrase 'to the victor belongs the spoils,' but we think it should be applied in such manner and such times as the taxpaying public is not 'shortchanged' in the ability department. We hope that this action is not the start of a trend in this direction."

"In your best interest as taxpayers you should carefully consider the questions inherent in the problem of whether Springfield is ready, or can afford to have five Democrats running the government," the statement concluded.

Sibole

(Continued from page 1)

"New master planning so vitally needed to keep pace with our needs is underway. In keeping with true and genuine responsive government—not closed door government as practiced by past administrations who played politics at our expense—citizens advisory committees have been expanded. These groups will concern themselves with recreation; township history and culture; insurance and industrial matters."

"Bi-partisan appointments of qualified Republicans and Democrats to municipal boards and agencies has keynoted the new administration. Compare this with the record of the past rejected Republican administrations who during more than 100 years of absolute township control never once asked for bi-partisan government—until they were voted out of office."

"Rezoning of the south side

of Route 22 will now help bring more ratables into Springfield. Provisions have been made for a new fire engine pumper.

This is but a partial picture of the truly outstanding program of progress that has come to Springfield they said. "This is the progress that we want to build upon. This is the progress that the rejected past administrations failed to provide."

their political party until last year they never asked for this two-party system.

"The answer is simple. When their political party is out—they want in. When their political party is in—they just forget about a two-party system. The people of Springfield will not be fooled by this political platform."

"In the meantime, what about the people, the taxpayers? They threw out the past administration and voted in a new administration."

"Under the new administration real progress has come to Springfield on every level of municipal administration. We want to contribute to that progress—not obstruct it with politics."

"We cannot afford a return to the kind of administration that was so soundly rejected at the polls last year for inefficiency, for years of indifference to government and for power to runaway taxes, for closed-door government and for power-politics."

with the South Side sanitary sewer, and scrapping a previous agreement for the developer to assume HALF of its cost.

3. A program of acquiring new land for township purposes wherever it is available, and then for political impact surrendering two lots for the expansion of Hawthaw Playground to the developer.

4. A township insurance report which states that the 1959 premiums compared to those of 1958 show only a nominal increase, while the real increase is a mere (144 nominal \$2600). "This is the type of leadership under which Sibole and Balentine are running for office" concluded Cawley and Beck, "and we feel sure that the people will reject it at the polls on November 3rd."

Cawley and Beck went on to say that "The Democrat candidates' endorsement of the investigation of the tax collector's office is a prime example of the me-tooism that may be expected from these men if they are elected. When the Democrat administration launched an obvious politically-inspired smear of the tax collector, Sibole and Balentine, acting as puppet-master's direction, began to 'develop the mess in tax collection'."

"These unverified accusations were made before any audit of the Collector's Office, and before the auditor's report was submitted to the Township Committee. Such premature charges flung at a township official, before the facts are reported, show political immaturity and are certainly alien to our American principle of presumed innocence until proved otherwise," said the Republican candidates.

"Even though the audit of the Tax-Collector's department has not yet been received by the Township Committee," said Cawley and Beck, "we would like to express now, our complete confidence in the integrity of Mr. Huff and feel sure that when the operations of his office are finally reported upon, he will be completely vindicated even by his would-be detractors."

"The united governing body" said Beck and Cawley which the Democrat campaign literature like to call its goal of a packed township committee," Cawley and Beck went on, "will lend itself to such half-truths as:

1. Builders donating an acre of land for a future firehouse, when in truth this acre was made available only by winking at the maximum allowable number of housing units per acre.

2. Developer paying \$25,000 toward the cost of an \$80,000 pumping station in connection

Mr. and Mrs. Thomas Beening, Berkeley Heights. Policemen are squaring new leather three quarter length jackets. The fur collars that set the jackets off as something special were paid for by the individuals. Very nice gentlemen!

The boys aged from 10-17 that bowl in the Berkeley Junior Bowling League still need sponsors. Ladies, ask your businessman spouse if he would like to be a sponsor. It would be a shame to see these kids go without sponsors in Berkeley Heights. Nothing to do except pitch in \$20.00 for the whole season. Call Ed Ryan CR 7-2278.

Pack 68 Cub Scout parents of Berkeley Heights. There will be a very important meeting Thursday, October 29 at the Library. Unless parents take an interest the Pack will be dissolved.

Next Social Dance at the Summit YWCA is scheduled for next Saturday, October 24, from 9 to 12 p.m. The theme for the occasion is to be "Dreamer's Holiday," good live music and refreshments will be served to the post high school young people attending.

Deborah Chapter To Show Picture
A film entitled "Gift From the Earth" will be shown at the next meeting of the Berkeley Heights Chapter of Deborah on Tuesday evening, Plainfield Avenue. In sound and color, the film will show the laying of the pipeline from Texas to New Jersey. It will be presented by W. E. Baldwin of Fanwood.

This is the second meeting of the newly-organized Berkeley Heights Chapter of Deborah, one of many such chapters working to help maintain Deborah Hospital at Brown Mills, New Jersey. The hospital is a free, non-sectarian institution for the treatment of tuberculosis, operable heart disease and thoracic cancer. Originally brought into being in 1922 to combat the number-one killer of man at that time, tuberculosis, Deborah is continuing its function of providing free medical and surgical treatment of tuberculosis; and pulmonary surgery.

The hospital is fully prepared to carry out any type of open heart surgery, as well as all other operative procedures for diseases of the organs of the chest—all without prejudice as to race, color or creed and without exacting any fee from the afflicted who demonstrate a need for their help. Sixty per cent of the applications today are for children afflicted with congenital heart disease or other complications.

At the meeting while refreshments are being served, Mrs. Martin Leiman will display articles, which will be on sale to anyone who may want to do some early Christmas shopping. The proceeds will go to Deborah Hospital.

The public is welcome to the meeting.

ORT Arranges Rummage Sale
The Springfield Chapter of Women's American ORT (Organization for Rehabilitation through Training) lists under its calendar of activities a dress club with Jodis of Chatham; publication of an ORT calendar; rummage sale, and merchandise shop.

In charge of these projects are Mrs. Victor Schapiro, dress club chairman; Mrs. Freeman and Mrs. Howard, calendar chairmen and Mrs. Spal, handling the chapter gift shop with jewelry, handbags, and many gift items.

Nurses to Talk To Guild Group
Miss Rosemary Burn, supervisor of Visiting Nurses' Assn. of Union County and the school nurse of St. James School will be guest-speakers Monday night at the meeting of the Mothers' Guild at the school.

They will answer questions on children's health following the talks. Refreshments will be served.

Regionalogue
Advertisement space is even more limited now than the last time I mentioned it. At this point—F—like to once more state the reason for this year's book. For a less expensive year book this year, we are selling advertising space or patron space, which ever one you prefer, to lower the cost of our book. I'm sure that you would be proud to advertise either your business or your firm in this book. It is well read and I will almost guarantee to give you more business. For this advertising space the rate is \$5.00. If a patron is more to your liking than \$1.00 will suffice. This entitles you to a little more than a seat in the park, your name or whatever name you wish or a saying (such as best wishes) in the year book. Please get your orders in early as space is limited and is quickly being filled. Thank you. As they say on T.V. the phone numbers to call are D-Rexel 6-2517 for Elaine Giannattasio or Adams 2-0719 for Cynthia Harter.

CYNTHIA'S CHATTER

was a trio of Senior Girls who call themselves the Harmonettes. They were Elaine Giannattasio of former yearbook fame from Springfield and Pat Zatko and Annette Sbordone also of Springfield. They sang Moonglow and were accompanied by Cynthia Harter of chatter fame (?). Bruce Miller and Bob Wilson played a drum duet which was a sight and sound to behold. This was also a highlight of the program. Funny Gloria Rouse certainly did make us laugh with her monologue depicting a freshman getting her picture taken for the first time. Arlene Kaveberg imitated a roaring twenties type with dubbed in "I Want To Be Loved By You (poo poop doo) and When The Red Red Robin Comes—A Bob Bob Bobbin Along. The six cha chaers from Kentworth met with applause after their rendition of Tea For Two Cha Cha in rockette style. Chris Corrigan accompanied by Steve-Waters did a very nice job on "I Could Have Danced All Night." The show was emceed by Eugene Becker a Senior from Springfield. Congratulations kids you were all great. Today is the last of your talent shows. This week the upper classmen get a look at the show.

Girls... Beware
In our school believe it or not, we have a female trying either willingly or not, to take over the boys who have the Ag course. She is no other than 14 year old Beverly Ann Johnson of Springfield. Being the first girl to take the Ag course at Regional she has caused quite a stir both inside and outside of school. In the Newark Sunday News a feature article appeared stating that Beverly enjoyed caring for animals and that she hopes this will encourage more girls in the future to take the Ag course. Lots of luck Bev. beware of jealous girls and boys you beware of Beverly!

Original Play Set By Woman's Club
"Bridal Shower," an original play, written by Mrs. William J. Hicks, has been presented to the Drama Department of the Woman's Club of Berkeley Heights. Mrs. Hicks is founder and the first president of the Woman's Club. Mrs. George J. Kempf, chairman of the Drama Department, has announced that the play will be produced by the department. Mrs. Hicks will be the director and will be assisted by Mrs. Roger T. Ellert. The casting committee members are Mrs. Joseph B. Baranoski, Mrs. Russell G. Romond, and Mrs. Kempf. The officers of the Drama Department for 1959-1960 are Chairman, Mrs. Kempf; Corresponding Secretary, Mrs. Edwin Ehler; Treasurer, Mrs. Silas G. Connett; Program, Mrs. Thomas Lumley; Mrs. H. Bruce Van Order and Mrs. Herbert F. Walter; and Publicity, Mrs. Franz A. Bohne. The next meeting of the de-

partment will be held at the home of Mrs. William Herak, Mountainview Road, Millington, on Tuesday at 8 p.m. Hostesses will be Mrs. Connett and Mrs. Eugene H. Kinelski.

Sprinkle drained and buttered spinach with crumbled crisp bacon, fresh or dried rosemary, nutmeg, chopped hard-cooked eggs or grated Parmesan cheese.

Talent Assembly Is Hit
The first running of the 1959-1960 talent show at Regional last Thursday was a big hit. Included in the program was a band led by Bruce Miller on drums, Charlie Jagra and Wild Painter on trumpet, Ken Patrylow on piano (excuse me I made a goof last week when I said he'd be playing guitar) and Bill Slapin on Bass. They played Night Train, I Got Rhythm and When the Saints Go Marching In. Next on the bill

TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal

The heavy frost this week will hasten the planting season because it will remove the leaves from deciduous trees and shrubs, and slow down the flow of sap in the other plants enough to make it safe for transplanting. The hot, dry weather of September was not the best conditions for transplanting many evergreens.

At our nursery we have a tough time inducing a customer to prune back a tree or shrub when transplanting, because they hate to lose all the growth they have just paid for, but believe me the pruning will be more than made up in two years by a thicker and better growth. Don't attempt to move any deciduous plant loaded with foliage without pruning and stripping off the leaves. (Deciduous plants are those which lose the leaves during the winter months.)

Q: My lilacs and zinnias look horrible. Can you tell me what is wrong?
A: They have been attacked by mildew disease. Hot, humid weather promotes this fungus which turns the leaves a mouldy gray color. Control may be had by spraying with sulphur spray, or dust with a sulphur fungicide. Proprietary mixtures containing sulphur and/or phthalic are also suitable. Periodic sprays during the mid-summer months will prevent mildew from getting a head start.

Q: How deep should a tree be planted?
A: This is a very important question because a tree can easily be killed by burying below the natural level. Some trees stand soil around the trunk, but many others will not tolerate this condition. Generally speaking, a tree should be planted at the same depth it

was planted in the nursery. You will usually find the soil line clearly defined on the tree trunk. Do not mound up the soil around the tree for this acts the same as planting too deep. Rather, make a slight recess around the plant to catch a little extra water when it rains. It is fatal to plant a dogwood three or four inches below the natural level.

Q: We have heavy-clay soil in our yard. Shall I add material before planting?
A: We have been experimenting at our nursery and find it a lot better to remove the soil completely rather than try to add materials to the soil. Remove and refill with good topsoil fortified with manure and humus.

Note: Free bulletin "How to Plant" available upon request.

FROM THE GRANDSTAND

By Doug Voigt

Last Saturday, the football squad looked its best in all its games this year, as they defeated Caldwell 19 to 0 for the visiting "Chicks" in the Springfield touchdown game. Joe Cornilisse scored his face for the visiting "Chicks" by scoring their lone tally late in the fourth period.

Caldwell might as well have not shown up as they couldn't even get out of their own territory until after the beginning of the second half. The Caldwell eleven managed four first downs, but two of these were secured through penalties. The visitors were able to gain only sixty-eight yards total through rushing and passing. This outstanding defense was joined by an equally superior offense which gained 151 yards on the

ground and scored in the second half. The Caldwell eleven scored to stay within reach of the hapless visitors. Even the lone score for the Caldwell squad came through a short drive after a fumble by Bob The frustration of the first half came in the form of two passes that were dropped with touch down written all over them; and two fumbles within the Caldwell five which also helped thwart the scoring threats of the local contingent.

Etzold finally broke the ice for the home team as he took a

Salesman Wins Talk Contest

Edward T. Stolze, 1668 Ramapo Way, Scotch Plains, a member of the Patrick L. Hedden sales organization, won first prize in the Annual Eight District Real Estate Clinic held at the Maplewood Country Club on October 8, 1959. Mr. Stolze won over six other contestants speaking on the topic "What I Learned From 'The Deals I Lost'." Mr. Stolze was elected to speak at this clinic after having won the local speaking contest of the Real Estate Board of the Plainfields. He will now be nominated for the state wide contest to be held in Atlantic City during the State Convention early in December.

Shalom Group Plans Party

The Women's Group of Shalom Congregation, Springdale, will hold its monthly Board Meeting Monday at the Temple House, South Springfield Avenue and Shampike Road. The meeting will start at 8 p.m. Discussion of the coming Card Party, November 9, reports from the successful Rummage Sale and a report from the Paid-up Membership dinner, December 1, will comprise the agenda for the evening.

Uniformity Is Discussed By School Nurses

The Union County School Nurses Association met recently at Scotch Plains-Fanwood High School. The hostesses were the school nurses of the Scotch Plains-Fanwood School system; Mrs. William Tyndall, Mrs. James Lotz, Mrs. William Keeffe, and Mrs. Jeanne Hazley. A committee was appointed to consult with Doctor William H. West, Union County Superintendent of schools, on a uniform health transfer card which could be throughout the county, and which would be urged for use in the entire state. Miss Susan Chakan of Elizabeth is chairman.

The Story Of Y.M.C.A.

The Washington, D. C. Y. M. C. A., in 1860 published a collection of religious works for the purpose of sale in order to raise funds to provide attractive facilities to serve young men. A big hall, library, reading room and other facilities which would help to improve the social, intellectual, and spiritual well being of young men, was what they wanted.

At the same time the National Assembly of Y.M.C.A.'s was recognizing these same needs for proper buildings and recommended that gymnasiums be built in big cities and towns where Y's saw a need and were able to accomplish it. They were taking a broader view of their job in tending the needs of young men and recognizing that an interesting program in a good facility might accomplish a lot in keeping the young out of bad environments and the trouble that follow participation in unwholesome activities.

Proper scientific apparatus was one of the things the joint meeting of Y's recommended and here was the beginning of the many pieces of special physical education equipment developed by the Y.M.C.A.

In the National Confederation of YMCA meetings, as always the local associations were unwilling to give up any local rights or to subordinate themselves in any way in relation to either Y's or the Confederation.

Two Romanesque frescoes, probably the oldest in Austria, were uncovered recently in the Benedictine Monastery at Lambach in Upper Austria.

They were painted in the 13th Century and for 300 years were hidden by a wall. They depict scenes from the life of Christ and are in excellent condition.

TROY, N. Y. - Jim Stieva, former Scotch Plains High School star, is Rensselaer Polytechnic Institute head coach Ed Hoffman's only middle-line veteran. Jim is a 5-9 1/2 pound junior guard.

A high school track man, Jim will lead many sweeps in Hoffman's running guard offense. Stieva won three varsity football nationals at Scotch Plains and captured the junior varsity as a freshman.

R. Weiss Wed to Eleanor Juch

Miss Eleanor Juch, daughter of Mr. and Mrs. August Juch of Madison Avenue, Irvington and Roger Weiss, son of Mr. and Mrs. Max Weiss of Bryant Avenue, Springfield were married Oct. 17. The ceremony at the First Presbyterian Church of Springfield was officiated by the Reverend Bruce W. Evans. A reception followed at the Hotel Suburban in Summit.

Miss Mary Ann Kozlowski served as the bride's maid of honor with Mrs. Erica Sprauer, Elsie Grossmann, Carol Loda, and Miss Suzanne Hull as bridesmaids. The groom's father acted as best man with Messrs. David Dimmick, Kenneth Rogers, Bruce Harrison, and Raymond Weiss ushering.

The bride wore a Princess of Boston creation made of Banquet taffeta trimmed with fingertip lace and pearls, and carried a spray of white pom-poms and lilies of the valley. The attendants wore red embroidered taffeta dresses and carried sprays of Fall flowers.

Mrs. Weiss attended Trenton State College and is now employed by the Washington National Insurance Company. The groom is an alumnus of Lehigh University and is employed as an Industrial Engineer with the Onaus Scale Corporation of Union.

Mrs. Roger Weiss

they will reside in Union, New Jersey.

Twin Brook Civic Bd. Plan Meeting

The executive board of the Twin Brook Civic Association met last Tuesday evening at the home of Robert D. Harb, Jr. Plans were discussed for the next general business meeting.

Information is being actively sought concerning the status of the proposed highways which are planned to traverse the Township of Springfield. This information will be presented at the next general meeting which will be held at 8 p.m. on Tuesday, November 10.

Mr. Leonard Best will be the guest speaker and a short movie concerning the Federal highway system will be shown. The place of the meeting will be announced at a later date.

Urges Early Mailing For Christmas

In anticipation of the increase mailing of parcel post packages to other countries during the holiday season, Postmaster A. V. Del Vecchio has announced that mailings be made as early as practicable to assure delivery by Christmas Day.

The long sea transit frequently involved in the transmission of parcels by surface means, and customs inspection and other formalities that parcels may be subjected to in the countries of destination, make it absolutely necessary that parcels be mailed no later than the dates shown below:

South & Central America—November 10; Europe—November 10; Africa—November 1; Near East—November 1; Far East—October 15.

Air service is available to practically all countries of the world, Postmaster Del Vecchio stated. Airmail parcels to foreign countries must be mailed during the early part of December in order to reach the addressees before Christmas.

The Postmaster reminds that Contract Station No. 1 located at the Newberry Store and Contract Station No. 2 located at The Country House, 785 Mountain Avenue, do not accept foreign packages for mailing.

Mr. Del Vecchio stated that postage, custom declarations, weight and size limitations vary for each foreign country and he advises all senders of parcels to check at the main post office before mailing their parcels.

All articles for overseas delivery should be packed in boxes of wood, metal, solid fiberboard, or strong double faced corrugated fiberboard. All fiberboard boxes should be securely wrapped in heavy paper, which materially strengthens the package. Each box should be well tied with strong cord. Unless completely packed and tightly filled, boxes are likely to be crushed. Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package. A slip showing list of contents and addressee should be enclosed in the parcel.

Postmaster Del Vecchio suggests that any questions regarding a foreign mailing should be directed to the Post Office before mailing.

Chief Huter Lists Code Regulations

Fire Chief Ronald N. Huter today warned the Fire Prevention Code of the Borough of Mountainside requires that all bonfires be enclosed or else the person responsible for the fire obtain a permit for it. Permits may be obtained at Police Headquarters at Borough Hall on Route 22 at no charge, he said.

The purpose of this procedure is to enable the Fire Department to know where bonfires are being lit and to restrict them on days when weather conditions make such fires hazardous. Your cooperation in observing this requirement is appreciated.

Mother's Club Makes Plans

At the regular monthly meeting of the Mother's Club of St. Bartholomew the Apostolic School plans were completed for the annual Taste and Tell Supper to be held on Tuesday, October 27th. Mrs. Thomas Mosser, the club's president, announced that on alternate Saturdays starting October 17th children's movies will be shown in the school auditorium. Admission will be twenty-five cents. Program will start at 1:30 p.m.

Following the business meeting, the Reverend Thomas McCann showed slides of his recent trip to Europe.

Attend Art Day Event, Museum

The Springfield Woman's Club was represented at Federation Art Day by Miss Gertrude Sala and Mrs. R. D. Hardgrove, Jr. This event took place on Tuesday, October 13, 1959 at Montclair Museum, Montclair.

It has been announced that the next Executive Board meeting of the women's club which was scheduled for the home of Mrs. Glenn Oyster will now be held at the home of Mrs. Howard Sherwin, 287 Northview Terr., with Mrs. Walter Anderson acting as Co-Hostess. This meeting will be held on Wednesday, October 28, 1959.

Jim Stores Plan 40th Anniversary

Jim Stores will celebrate its 40th anniversary with a month-long sale, it was announced by Larry Kassover, advertising manager.

The anniversary sale will be in effect from October 22 through November 23. During this period, retail prices on television, stereophonic and Hi-Fi units, refrigerators, radios, washing machines, dryers and other major appliances for the home will be reduced to an unprecedented low.

In honor of its anniversary, Jim Stores will also sponsor a "Life Begins at 40" beauty contest with awards totaling \$10,000 in cash being presented to three finalists and consolation prizes of major appliances to 57 runners-up.

The contest, which will be judged by a panel of newspaper and syndicated columnist, is limited to women born in 1919, the year in which the company was founded. Entry blanks may be obtained at any one of the Jim Stores. No purchases are required.

Western Fair At St. Stephens

St. Stephens Parish Hall on Main Street will be the scene tomorrow of the Annual Fair by the Women of St. Stephens. A real Western atmosphere will prevail, complete with sheriff's office and jail. Doors will be open from 10 a. m. to nine p. m.

Springfield residents who are chairmen of projects include: Mrs. Helen Berstler, Publicity; Miss Barbara Booth, Kiddies fun; Mrs. Claude Baker, Handmade articles; Mrs. James Webster, Christmas Corral; Mr. Victor Bracht, Men's Gadgets; Mrs. Frank Madison, Parol Post Packages; Mrs. William Peacock, Luncheon. Mrs. John Lanes is President of the Women of St. Stephens. Mrs. Clifford Anderson is chairman of the Wing-Ding.

Featured items include: White elephants, Cards and religious articles including stationery and plates with picture of the Church; Hand-crafted items, Christmas gifts and novelties, plants, needle items, both hand-crafted and donated, parcel post packages, homemade foods of all kinds, luncheon, tea, and supper. Proceeds of the Fair will be used in various projects now under discussion.

Suburban Deborah League Will Meet This Tuesday.

Mrs. Norman Stromeyer, President of the Suburban Deborah League, announces that a regular meeting will be held on Tuesday, October 27, at 8:30 p. m. in Temple Beth Ahm, Baltusrol Way, Springfield.

The meeting promises to be interesting, entertaining and educational. Mrs. Mary Carriero, of Millburn, will give a demonstration on the art of arranging flowers, both fresh and dried. Mrs. Carriero is well known in her field, having studied at Rutgers, and being the instructor at a floral arrangement school in Millburn.

In addition, Mrs. Carriero has lectured at psia College and the New York Flower Show.

Mr. Estelle Forman will make a report on National Donor and final reservations for the week-end at the Concord Hotel will be taken. Mrs. Donald Stevens and Mrs.

Junior Bowlers Hit High Games

The Junior Bowling League consisting of ten teams which bowl on Saturday morning at 9:00 a. m. with boys ranging in age from 10 to 17 years at Berkeley Recreation Bowling Lanes have had some high games in the four weeks that they have bowled.

The first week William Newson, 16, rolled high series with a 185-183-180-512 but the high game for the day was rolled by Richard Neubauer, 15, with a 220 in the second game.

The second week saw Greg Thomas, 13, take high series with 173-184-141-498, but the high game that day was rolled by Frank Antonette, 15, with a 193 in the second game. The third week saw Greg Thomas come back and roll the high series for the day with a 184-193-167-544 and the high game was rolled by Jim LaSasso, 14, with a 198.

It looks like Greg Thomas did again Saturday by rolling high series for the day with a 188-189-166-504, the second high series for the day was rolled by Nick Ferritto with a 126-169-165-459. High game for the day was rolled by Jim LaSasso, 17, Dave Goodrich, 17, Dan Connell, 10, Michael Fonser, 17, Billy Byers, 16, Richard Skidmore, 12, Mel Wood, 16, Peter Caliguari, 15, Mike Romano, 15, and Peter Brownscombe, 15.

RAILROAD FEATHERBEDDING:

\$500,000,000 LOSS TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

Schrafft's Offers Sundaes At Home

Schrafft's sundaes which have been dispensed to millions of New Yorkers, generation after generation, in fact since way back in 1898, can now be made authentically at home. For the first time, Schrafft's line comes in a convenient 8-ounce package for take out or size and the chocolate syrup sale, L.E. 50000, 50000 t... is also available in a 16-oz. size.

have made their soda fountains popular with young and old alike.

Available now at Schrafft's in Newark and at Schrafft's Quality Ice in the Safeway Store, Springfield, are chocolate syrup, a pineapple dessert sauce, butterscotch, chocolate fudge, strawberry, raspberry—wild cherry and walnut. The entire line comes in a convenient 8-ounce package for take out or size and the chocolate syrup sale, L.E. 50000, 50000 t... is also available in a 16-oz. size.

The jars have been designed so that the syrups may easily be spooned out... the easy turn caps are a convenience, and a ridge in jar and cap makes for easy stacking in the home pantry shelf. The chocolate makes a delicious chocolate milk, as well as ice cream or dessert topping.

Alcatraz Island was the site of the first lighthouse established in California. That was in 1855.

Ackerman Attends

Aniline Conference
Les Ackerman of 67 Sherwood Rd., Springfield, attended a Corporate Analytical Conference last week at the Linden plant of General Aniline & Film Corporation. The Chemical Quality Control Section was host. Visitors were present from...

"I feel like a millionaire"

...with my new bedroom phone!"

Gone are the days when bedroom extension phones were found only in the homes of the well-to-do. Today extension phones are a part of the modern way of life for everyone. Saving time, saving steps, saving worry. And sometimes—as with this young mother's Sunday morning chat—worth 3¢ a day just for the well-deserved luxury of it.

in the **ELECTRICALLY HEATED** home...

it's what isn't there that counts!

No furnace, flues, pipes or radiators. Electric resistance heating is simple — so simple it offers the lowest maintenance costs and the longest life of any home heating system. The heating units are set inconspicuously in the baseboards, walls or ceilings. Because there are no pipes or radiators it cuts decorating and house cleaning problems. And the beauty of it is — now anyone can afford it!

Look for the **GOLD MEDALLION**, the sign of complete electric living.

Make sure there are no bits of shell in your shelled oysters. Then melt three tablespoons butter and add one pint of oysters and their liquid and cook over low heat until the edges of the oysters begin to curl. This should take about three minutes. Add one quart of hot milk and one teaspoon salt. Serve hot. Sprinkle each serving with paprika. Makes about four servings.

Oyster stew is easy to make and always a treat for seafood lovers.
