## Hwy. Dept. Stops Troy Village Work; Condemnation Started

### Joint Meetings Of Education Board and Committee To Be Held Only When Considered Needed

Springfield Board of Education refused to be pinned down to a set number of meetings with the Township Committee when the idea of joint sessions was revived at its regular meeting Tuesday evening, April 19.

However, the school board had no objection to meeting with the township board, provided it was satisfied there was a definite reason for such a gathering.

Subject: Raised Dr. B. H. Josephson, who has been a consistent advocate of periodic joint sessions, made the matter part of the business of this week's meeting when he offered a motion that two meetings a year be held by the school trustees with the Township Committee, the president of the Board of Education and the chairman of the Township Committee (Mayor) to determine when such meetings should be called.

There was immediate objection by Board President Howard S. Smith and Frank W. Haydu Jr. Mr. Smith said he (continued on Page 2)

### Case Wins Handily Here; DiBuono Swamps Dunn

Springfield, where only a handful of its 7178 registered voters found their way to the polls Tuesday, went for Senator Clifford P. Case (783) in the Republican primary in a big way, giving him a 3 to 1 margin over Robert Morris (246).

The Democrats gave their top vote (320) for a county-wide office (after a complimentary 365 to Mayor Vincent J. Bonadies) to Mayor Vincent J. DiBuono of Hillside for nomination as Congressman.

Dunn Wins Over-All However, this local support was of no avail, as Jack B. Dunn (179) won out in the race to face Congresswoman Mrs. Florence Dwyer in November.

Thorn Lord, with 201, was given good support in his bid to face Case in the Fall.

In the spirited Freeholder contest among Republicans, ten candidates for three nominations — Springfield favored Philip E. Matthews (404); Harry V. Osborne Jr. (396); and Edward H. Tiller (390); with Peter J. McDonough (387); Albert S. Knopf (329) and Edward A. Pizzi (319) not far behind.

Mrs. Dwyer Popular The popularity of Congresswoman Mrs. Dwyer, who ran unopposed, was attested by the 863 votes given her.

Locally, there was little to excite the voters.

There is but one seat on the Township Committee to be filled this year — that to be vacated by Mayor Vincent J. Bonadies when his second term expires. He is a candidate for re-election, his re-nomination vote being listed above.

For the Republicans, Paul T. Murphy, who will try to break up the governing board, received 858 votes.

There were no contests for election to the Republican or Democratic County Committee. Those who were listed on the ballot were elected, but only a few of the spots with no candidates were filled by write-ins.

Several Vacancies In the Republican Primary, there were no County Committee candidates listed in the Second, Fifth, Sixth and Eleventh Districts and only one candidate each in the Third, Eighth and Twelfth Districts.

### R. T. Marino Is Exalted Ruler Of Elks Lodge

Robert T. Marino

Installation of officers for the year 1960-61 took place at Springfield Elks Lodge Monday when Robert T. Marino was installed as Exalted Ruler of the lodge.

District Deputy Grand Exalted Ruler Kenneth Geiselman presided over the ceremony. Past Exalted Ruler Richard M. Blake of Springfield Lodge was the installing Exalted Ruler and he handed over the gavel to the new Exalted Ruler, Robert T. Marino.

In his acceptance speech, Mr. Marino paid tribute to Herbert Fay for the efficient manner in which he performed his duties during the past year. Presentation of a gold watch was also made to Mr. Fay, in appreciation of his loyalty to the lodge.

The following officers were installed for the coming year: Robert T. Marino, Exalted Ruler; Thomas Brogan, Esq., Past Exalted Ruler; Saul Gaskin, William Thompson, Knight; John Luciano, Esteemed Lecturing Knight; Harold Olsen, chaplain; John Grifo, Esquire; William Royal, Inner Freeman; Esteemed Loyal Tiler; Henry Cumberley, secretary; Harry Monroe, treasurer; Edward Gerber, organist.

### Speakers Chosen For Breakfast

Final arrangements have been completed for St. James Holy Name Society's annual Communion breakfast Sunday, April 24, at the Hotel Zuberke, Summit.

The Rev. Theodore J. Zubek, who taught theology in the Franciscan seminary in Zilina, Slovakia, from 1941 until the suppression of Slovak seminaries by the Reds in 1950, will be the principal speaker. He escaped from that country in 1951 and came to the United States in 1952. He now is a member of the faculty at Seton Hall University.

Jerry Malloy, associated with the "Hoboken Recreation Department" and a well-known Madison Square Garden basketball referee, also will speak. All men who have not yet made ticket arrangements are urged to do so without delay by calling co-chairmen John Dzuma, MUdock 6-1005, or John Browne, Drexel 6-7275.

### GLADIOLUS SALE STARTS SATURDAY

Members of the group meet at the Parish House of the church on Main Street at 2 p.m. to receive final instructions. The gladiolus bulbs to be sold are described as "excellent quality, about to start out on the 'Great Spring with Gladiolus' campaign being conducted by the Westminster Fellowship, a First Presbyterian Church of Springfield group of high school students. The drive will start Saturday, April 23, and their annual retreat to Island Heights.

### April 28 First Day For Registering Children

Dates have been set for the annual Kindergarten roundup in Springfield. Children who are five or before Dec. 1, 1960, are eligible for registration.

Kindergartners will be registered Thursday, April 28, from 1 to 3 p.m. at the James Caldwell School; Thursday, May 5, from 1 to 3 p.m. at the Edward V. Walton School; Thursday, May 12, from 1 to 3 p.m. at the Raymond Chisholm School.

Parents of kindergartners who have been contacted by the P.T.A. preschool census committee have been informed through the mail as to the exact time they should report with their children on the above dates, and they should bring their medical and dental forms properly filled out by their doctors.

Parents who have not been notified by mail should contact their neighborhood school as soon as possible for a specific time to report on the above dates.

Certificates of birth, vaccination (vaccination is compulsory for entrance to Springfield Schools), diphtheria (Schick test) and whooping cough inoculations, and Salk inoculation (this also is compulsory) should be brought in at the time of registration.

Dr. Robert Belliveau, school dentist, will be present at these designated times. All parents have been urged to register their children on the specific dates. No other registration will be held until the latter part of August.

### Dr. Josephson OK's School Lunch Room

Dr. F. H. Josephson, chairman of the lunch room committee of Springfield Board of Education, reported to the Board Tuesday evening, April 19, that he had eaten in the cafeteria of the Florence M. Gaudineer School since the preceding meeting of the Board and had found the food "wholesome and satisfying."

The spectator who had created a furor at the school board's meeting on March 15 by declaring what was served in the lunch room was ultimately extended from Tuesday evening but he made no comment on Dr. Josephson's report.

The committee chairman spoke about the finances of the cafeteria, lauded the way the women who work there do their job, said he was studying some suggested improvements and recommended an increase in salary for Mrs. Evelyn Couch, manager of the cafeteria, which was approved by the Board.

He also won approval for his recommendation that a sick-leave formula be established for the cafeteria personnel, all of whom, with the exception of the manager, are part-time employees paid on an hourly basis.

### Hadassah Sale Set For April 25 Meet

Springfield Hadassah Chapter's annual "white elephant sale" will be held on the regular meeting night, Monday, April 25, 8:30, at Temple Beth Ahm, Balsur Way, Springfield.

Price of admission will be new or antique articles for resale. Local merchants have donated merchandise for this "bargain night." David Schwartz again will be auctioneer.

Mrs. David Schwartz, Chapter vice-president, will preside over a short business meeting.

### Where That French Accent Comes From

If you notice that your children are speaking with a French accent, blame it on the Mountaintop school system.

Orlin E. Johnson reported last week that of the 300 pupils taking French, only ten received grades below 80 percent. He attributed the high scholastic rating of the students to the use of a tape recorder for pronunciation exercises.

### APOLOGIES

We wish to extend apologies to the following town merchants who, through error, were omitted from the list of contributors to the Mothers Guild of S. James Fashion Show Card Party: Conte's Del. Mendes Florist, Mt. Florist, Mt. Spring Bakery, Nagel's Pork Store, J.J. Newberry's, Rau's Meats, Tiny Town, Towne-Mark, Van Ness Opticians.

### New Highway 78 Project Orders All Building To Cease; 76 Homes, 65% Complete, Affected By Ruling

The New Jersey State Highway Department has ordered Troy Village in Springfield to "immediately cease all operations."

This is part of the legal process in condemnation of the property for the purpose of building the proposed Federal Highway 78 through this area.

The order to "immediately cease work" affects 76 buildings which are reported to be 65 per cent completed. Many were scheduled to receive new tenants by June 1.

The area covered by the legal condemnation order is what is known as Section D of the lush Troy Village development, with approximately 800 front feet along West Briant Avenue and 450 front feet in Shunpike Road.

This is the first piece of property to come under the legal requirement for condemnation but it probably means that acquisition of needed land for the construction of the new highway No. 78 will soon be started wherever necessary.

### Springfield Is Also Site For Route 24 Interchange

With very definite signs that the New Jersey State Highway is beginning its legal condemnation program for the acquisition of land needed for the new highway 78, Springfield must face the prospect of being the site of the interchange for motorists on Route 78 and the new Route 24 Freeway.

The new Route 24 Freeway is planned as a completely modern limited-access super-highway to ultimately extend from Route 78 in Springfield through a wide area north of Morristown, and westerly to the Delaware River at Phillipsburg.

With the interchanges, turn-offs, clover-leaves and all other forms of traffic spill-overs scheduled for Springfield, this new Route 24 Freeway should relieve Springfield of a great deal of traffic congestion.

Although no starting dates have been set, according to a Department spokesman, earliest construction will be concentrated on the freeway sections between Springfield and connections with existing roads leading into Morristown as well as Route 202 north of Morristown.

A Public Hearing on the proposed alignment of the Route 24 Freeway in Morris County has been scheduled by the New Jersey State Highway Department for May 5.

The hearing will be held in the auditorium of Fairleigh Dickinson University on Route 24, Madison, beginning at 10:30 a. m. Residents, local officials, and other interested parties can express their views and make constructive suggestions on the proposed highway alignment.

Highway Department engineers will propose a freeway section 12.3 miles long beginning at existing Route 24 in Chatham, continuing through Madison, Florham Park, Hanover Township, Morristown, Morris Township, and ending at existing Route 24 in Mendham Township.

Future expansion to four or six lanes in the area will be possible, and all right-of-way needed for a dual highway is to be acquired simultaneously with acquisition for the original two lanes.

Dual roadways will be separated by a center island with a minimum width of 42 feet. All traffic lanes will be twelve feet wide flanked by 12 foot wide outer shoulders and inner shoulders paralleling the island of three feet. Average width of the route's right-of-way will be 300 feet.

According to a Highway Department spokesman, final determination of interchanges has not been made. Several local roads intersect the freeway as well as proposed Interstate Route 287. Access to the new freeway will be possible only at interchanges.

### Leonard Best Says Rt. 22 Follows First Alignment

Leonard R. Best, Springfield industrialist, who has been devoting considerable time and energy in an effort to get some consideration for other ideas of state highways, has finally admitted that "he has a lost cause."

In a memo issued to members of the Route 22 committee he has issued a statement in which he states that:

"I regret to report that apparently our attempt to have the proposed Federal Highway No. 78 relocated has failed. The New Jersey Highway Department has final approval for their proposed alignment through the Watchung Reservation and Springfield and there seems to be nothing further that we can do.

"First because the Highway proposal was presented in small segments so that only a few people are affected at any one time. Short Hills is now deeply concerned about the impact of new Route 24 but has shown no interest in our problem. The Mayors of Maplewood, Irvington and Hillside were not interested in Route 78 until the recent announcement of the section from Springfield to Newark."

It was this general apathy which we tried to overcome by asking for the complete plans and discussing the tax impact which hits everyone in the state. It was also my objective in discussing the general impact with the editors of papers in Plainfield, Westfield, Cranford, Elizabeth, Union and Irvington.

The second reason for our failure is that thousands of people have suffered the danger and inconvenience of travel on Route 22 for years. The county and the state have been unwilling or unable to clean up that mess. Gasoline and motor revenues that make up 47% of our state revenue have been diverted to other purposes and our state highway program is pitiful.

### Woman's Club To Have Final Event

The "Mr. and Mrs." evening dinner party which the Springfield Woman's Club will conduct as its final project for the year will be held Wednesday, April 27, at 8 P. M., at the Washington House in Watchung.

Mrs. E. Schubert and her committee, Mrs. T. Glen and Mrs. J. Brownie, as well as all the other members of the ways and means committee, report the sale of tickets is progressing. Final reports should be made no later than Saturday, April 23.

An impressive array of prizes and gifts has been accumulated. Ticket information is available from Mrs. Schubert, DRExel 6-5431.

News of these legal steps came from the New Jersey State Highway Department offices in Trenton on Monday.

A spokesman for the Highway Department said notice was served on the Troy Village owners by letter, making formal demands that all work be stopped and quoting the authority under which such orders are issued.

### Heights Has Top Jump In Local Rates

According to figures released by Union County Board of Taxation, the top jump in tax rates for the current year occurred in Berkeley Heights.

The county figures cite an increase of \$1.93 per \$100. This is represented in a hike from \$9.82 in 1959 to a new high of \$11.35 per \$100.

Springfield lowest lowest increase in towns in the Watchung Weeklies area in Springfield, where the tax rate went up 18 cents from 5.35 in 1959 to 5.53 in 1960.

Next lowest was Mountaintop, where an increase of 29 cents was reported. The figures there read 7.78 for 1959 as compared to 8.07 for the current (continued on Page 2)

### Mountaintop Woman Named Scribe Again

MRS. R. CHARLES SPETH

At the recent annual meeting and election of officers of the Advisory Council of the County Home Agent's office in Elizabethtown, Mrs. R. Charles Speth, of 1233 Wood Valley Road, Mountaintop, was re-elected secretary.

Trains In Methods Mrs. Speth, who has been interested in homemaking training about seven years and a resident of Mountaintop two years, having moved there from Cranford, is a specialist in job methods training — showing housewives how they can do their kitchen and homemaking jobs more quickly and efficiently.

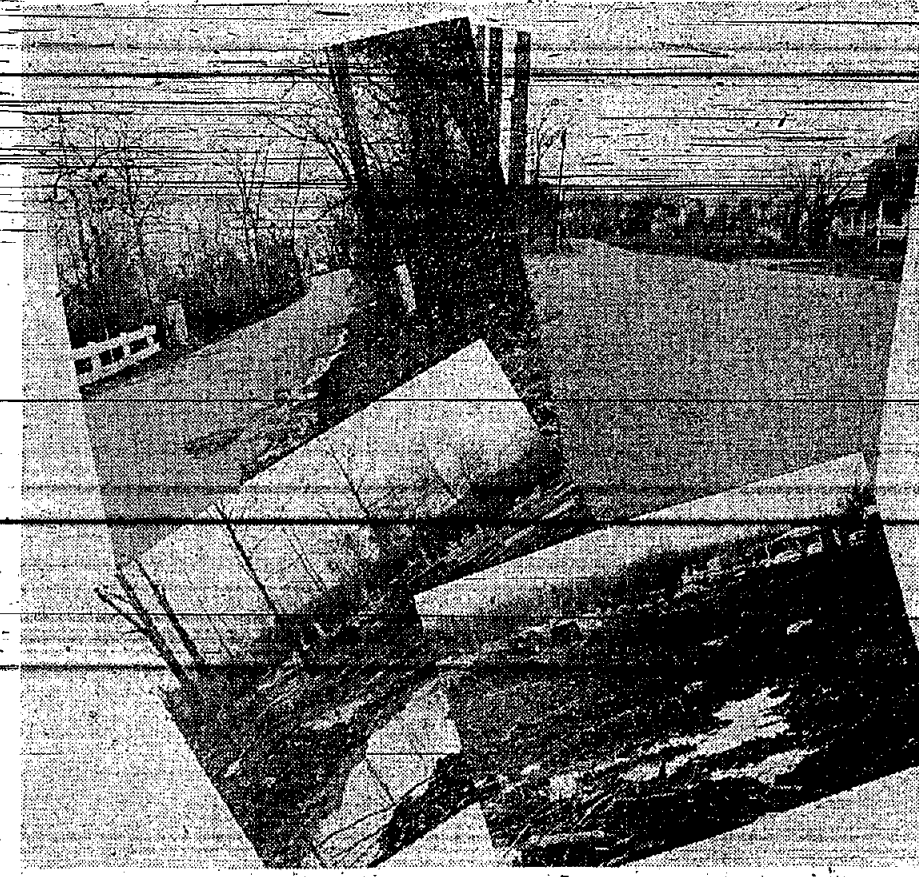

### Be Sure To Turn Clocks Ahead Sat.

If you want to be on time for church Sunday morning and in step with your neighbors throughout the day, be sure to turn all your clocks and watches AHEAD one hour before retiring Saturday night, April 23.

Daylight Saving Time comes in at 2 A. M. Sunday morning and takes over until October. We GAIN an hour of daylight now and return it in the Fall.

### HELP SQUAD!

The Springfield First Aid Squad is now running their annual fund drive. Help support this worthwhile organization by placing a coin in the card marked AMBULANCE. Help them to Help You!

PLACES IN THE NEWS: There has been much in the paper in recent weeks about the widening of a portion of Milltown Road in Springfield and the replacement of the bridge on that street which connects this township with Union Township. The state has allocated funds to assist Springfield in the widening and improving project and the governing board of the township has petitioned the County Board of Freeholders to replace the bridge. The two top photos above are pictures of Milltown Road. The one at the left emphasizes the narrowness of the bridge (note car crossing span) and the picture at right indicates how sharply the road narrows after passing Cotter Avenue. Considerable uneasiness has been expressed in print and vocally about the progress of the Thelma E. Sandmeier School on South Springfield Avenue in Springfield. The two lower photos in panel above show how far the building had progressed up to last week. It is to be ready for use in September. The new playground (to take the place of the old one utilized as part of the school site) is supposed to be available May 1.

firmed this in a telephone conversation Monday.  
 "The route of the highway as presented at the public hearing," he said, "is the one approved and, except for very slight changes, it will be exactly as first described during those hearings."

Highway 78 comes into Springfield across Troy Village, slashes through a fine residential section, practically knocks out the post office (according to the map) drives down through the vacant Jenco property (north of Morris Avenue) and is then planned to squeeze between the churches coming over Main street... then on to Springfield Avenue and into Vaux Hall and Union.

No one has yet been able to pin down an answer as to whether or not the new highway is to be elevated or depressed—but the latest is that it will be elevated crossing over Morris Avenue.

## CRESTMONT MOVES UP; RANKS 16th IN ASSETS

In a report released by the New Jersey Department of Banking and Insurance, Crestmont Savings and Loan Association ranks as the 16th largest state-chartered Association in New Jersey, based on assets as of Dec. 31, 1959. Crestmont was in 17th place at the beginning of last year.

Crestmont Savings, with offices in Maplewood and Springfield, recorded total assets of \$27,882,957.58 at the end of 1959.

 thought it had been determined that such sessions were to be held when and if a need for them arose.

Mr. Haydu was opposed to stated meetings of the two bodies saying he could see the need for joint sessions only when there were matters of mutual concern to be discussed. In this category he placed land acquisition.

## Sibole Aims View

Township Committee member Ruel W. Sibole who attended the meeting Tuesday evening, said the governing board's representative, expressed the view that both boards were interested in the same thing—serving the people they represent. He could see areas of common interest, such as budgets and location of schools, and he was of the opinion that the two groups could hold joint meetings without questioning the motives or methods of one another. He said he felt much good could come out of discussing mutual problems even if such discussions took place only infrequently.

## Road Injected

Commissioner Sibole agreed that it would be difficult if not impossible to pin down any particular point of dissension—over Main street... then on to Springfield Avenue and into Vaux Hall and Union.

 improvement has been made in Union, Essex or Hudson County in years.

"With this background the users of Route 22 welcome ANY ACTION that promises to help the situation in the foreseeable future—even 1965. They are not concerned with the location or cost."

## Motion Defeated

Joseph A. Bender added that the Board wanted to buy the property "as insurance," that it was not desired for immediate use and that there was no need for a road at this time. As the locality is undeveloped, then there naturally will follow the need for a road.

To bring the matter of joint meetings to a head, Mr. Bender seconded the motion offered by Dr. Josephson. It was defeated. Those voting in favor were Dr. Josephson and August Caprio. Opposed were Mr. Smith, Mr. Bender, Mr. Haydu, Lorán E. Skousen and Richard E. Werner. Board members Robert H. Multhaup and Rupert H. Humer were absent.

Mr. Werner quickly made a motion that joint meetings of the two bodies be called when they were deemed necessary and advisable.

This motion, seconded by Dr. Josephson, was adopted unanimously.

## Andrew Conceded Top Bowling Spot

Team No. 5-Andrew just about clinched first place in Springfield Church Bowling League when it took all three from Team No. 3-La Sota on April 8. Team No. 3-Brunny won two from No. 7-Raab and is in second spot, a full nine games out of first. Team No. 14-Schmidt lost two to No. 6-Brandie and is in third position with No. 12-Stewart.

## Heights Has

(Continued from Page 1)  
 year—according to the county table.

## Fanwood recorded an increase of 33 points. The tax rate there was 9.43 in 1959 and is 9.76 for the current year.

Scotch Plains had an increase of 51 points as represented in figures of 8.95 for 1959 and 9.19 in 1960.

## County Rate Up

The county tax rate went up 22 points from .307 to .329. However, the actual increase in points in each individual town varies as to assessment ratios and several other variables.

The tax figures also can be deceptive because of a variance in the assessment method in the various communities. In one town, a higher tax rate might not mean that a person is paying more tax than a person in another town because of lower assessment ratio in the first town.

## Roselle and Roselle Park

were the only communities in Union County to report a decrease in their tax rates. In industrial Linden, the figure stayed the same in 1960 as it was in 1959.

## Andrew Conceded Top Bowling Spot

## Top Spot Lead

Team No. 5 (Andrew) added to its first place lead in Springfield Church Bowling League when it took all three games from Team No. 16 (Becker) on April 11. Brunny's No. 9 lost two to B'randie's No. 6 and tied for second place with Schmidt's No. 14, which lost three to No. 7 (Tice). In the process of sweeping its series with No. 12 (Stewart), Johnson's No. 9 hit a new high for three games and also for a single game.

Top man for the night was Isley of Team No. 9, whose games of 192, 201 and 236 gave him a 629 series. Others who had high games were: Kirk 235, Stewart 221, Grimm 219, and 205, Geerke 217, Dougherty 212, Schramm 212, Cardinal 211, Schank 210 and 203, Anflow 203, Johnston 202, Weiss 200.

**Photo Course To End Fri., Apr. 22**

A week-long course in basic photography for policemen will culminate tomorrow, Friday, April 22 at 1 p. m., in graduation exercises at Berkeley Heights Police Dept., where the course is being given.

Sponsored by Union County Police Chiefs Association, the instruction is being provided by Sgt. Ralph Del Zucca and Patrolmen Albert Christensen and Charles La Secca, all of Berkeley Heights Police Dept.

When the series of classes started Monday, April 18, brief opening ceremonies were held, with Berkeley Heights Chief Harold J. Curtis Jr., Chief Ed-wardson of the county organization, and Chief Lester W. Powell of Cranford, director of training programs for the association of chiefs, participating.

The three will take part in the closing exercises tomorrow.

**Local Girl Elected A.M.A. Unit Leader**  
Officers were elected recently at an organizational meeting of the student chapter of the American Marketing Asso-

ciation at the Florham-Madison campus of Fairleigh Dickinson University. Chosen were: president, Eugene Forman, Morristown; vice-president, Kenneth Sharpe, Cranford; secretary-treasurer, Catherine Furda, 14 Cambridge Terrace, Springfield; reporter, Robert Luba, Sparta; I.C.C. representative, Milton Whitley, Morristown.

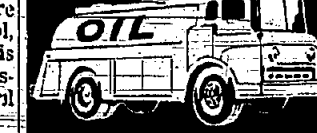

The student chapter of the AMS was initiated on the Madison campus to afford students an opportunity to acquaint themselves with persons already established in the business world and to obtain first-

hand information from these people concerning sales, marketing, market research, advertising, management and other fields related to marketing.

### Fanwood Youth on TV Plays Rugby

A Fanwood youth made his national television debut Sunday, April 10, when the Dartmouth College Rugby Club met Stanford University at West Point, N.Y.

Arthur Cockburn, son of Mr. and Mrs. R. G. Cockburn, of 389 North Avenue, Fanwood, has been a member of the Rugby Club for two years. He was a member of the Dartmouth team which swept five of seven games in England during Christmas 1958.

Cockburn is a 1956 graduate of Scotch Plains-Fanwood High School. He is majoring in international relations at Dartmouth and is secretary of the Rugby Club and on the field plays "second row."

The Fanwood athlete recently competed in a series of games on the West Coast during which Dartmouth recorded a 2-4 record.

**Rugby Like Football**  
Football and rugby have certain similarities but, at least in this country, rugby is played in a more informal atmosphere, as represented by the designation Rugby Club of Dartmouth.

However, that does not mean that there is any lack of stern competition when the players get on the field. Cockburn noted that rugby offers more opportunity for friendship between teams.

He stressed that "no matter how angry you may get at an opposing player during a game, afterward all is forgotten and you have a good time together."

**Pvt. R. C. Adam Gets Paratrooper Wings**  
Pvt. Robert C. Adam, 18, son of Mr. and Mrs. Charles W. Adam, of 2 Azela Court, Scotch Plains, was awarded his wings recently as a paratrooper following maneuvers in Puerto Rico.

He is a member of the 101st Airborne Division and is stationed at Camp Campbell, Ky., as a member of the 187th Infantry. A June 1959 graduate of Scotch Plains-Fanwood High School, Adam enlisted in the paratroopers last September.

### Plains Man Is Promoted, Sent To Joliet, Ill.

John H. Soennichsen, of 2556 Mountain Avenue, Scotch Plains, who has been promoted to plant manager of the Joliet, Illinois, plant of American Cyanamid Company, was honored recently at a dinner party at the Coach and Four Restaurant, North Avenue, Cranford.

Prior to his promotion, Soennichsen was superintendent of the heavy chemicals area at the Warners-Plant of American Cyanamid Company in Linden.

He graduated in 1939 from the College of Engineering, New York University, with a B.S. degree in chemical engineering, and began his employment with Cyanamid in 1940 at the company's Stamford, Conn., laboratories. He remained there until 1952, when he was transferred to Warners-Plant as senior chemical engineer.

Soennichsen served in the army with the Corps of Engineers in the European Theatre of Operations during World War II from 1941 to 1945 and was discharged with the rank of major.

The farewell party was sponsored by fellow-employees at the Warners Plant, with Leo M. Minucci, area superintendent of phosphorus chemicals, serving as chairman of the committee in charge.

A gift was presented to Soennichsen by the employees of Warners Plant.

### Seven Fined In Plains Court

Thomas D. Thomas, of 448 Otisco Drive, Westfield, was fined \$10 Wednesday night, April 6, by Scotch Plains Magistrate George W. Jackson for failing to keep to the right of a dividing island.

Fines of \$15 each were imposed on John E. Boothman, of 81 Madison Avenue, Fanwood, and George J. Loscutti of Plainfield for careless driving.

Theodore A. Webb of Plainfield was fined \$18 for not having his driver's license with him when he was stopped by police. Albert Klinger of Somerville and Felipe L. Celliein of Passaic were fined \$10 each for passing a red light.

Marta E. Bauer of Cranford was fined \$10 for not having her registration in her possession while operating her car, and Benjamin G. Southwick Jr. of Plainfield paid \$10 for passing a stop street.

### Rotarians Hear Vacations Talk

Nelson Newcomb, of Pick Point Lodge, Wolfboro, New Hampshire, addressed Fanwood-Scotch Plains Rotary Club at its Wednesday, April 6, meeting on vacationing in New Hampshire. The meeting was held at Wally's-on-the-Hill, Watchung.

Newcomb presented a color movie describing the beauties of this mountainous resort land in Spring, Summer and Fall. Proximity to New Jersey, inexpensiveness and simplicity of a New Hampshire vacation emphasized.

After President Laurence Andrews thanked the speaker, Wayne Orlik, door chairman, noted the presence of six visitors from other Rotary Clubs, including two from Cranford.

Both club bowling teams reported victories in the April's Rotary League matches. Seven

### TAKING CARE OF YOUR GARDEN

By Edward A. Cardinal

During the past winter I had 1959 prices knowing that the same item would increase by 20% in March 1960. It is too bad that people entirely forget their gardens during the winter. We learned too, that the state of New Jersey is doing a great deal to protect the home owner from unscrupulous peddlers, both the door to door variety, as well as the mail order ones. Emphasis was placed upon the growing of better plant varieties as an inducement to the buy-

### Nursery School Taking Pupils For September

Every day, Monday to Friday, at 9 A.M. sessions of the nursery school at Temple Beth Ahm, Springfield, convene. Certified by the State Dept. of Education—and in existence three years, the school has won a reputation for its fine music, art and individual development. Questions, sharing of ideas, use of creative-art materials, rhythms, singing, outdoor-play—musical-instruments—all these combine to make a day at the school valuable and helpful to the young folks who attend.

Parents are invited to share in the program through a Parent-Teacher Association and by helping at a special functions.

Mrs. Donald Rowlein is chairman of the nursery school committee. Mrs. David Blumckranz is chairman of the P.T.A. and Mrs. Viola Tatt is director of the school. Registration is open for the Fall term beginning early in September. Information is available from Mrs. Tatt at DR 9-9888 or DR 9-2570.

### ELECTION FAIR

At the next regular Edward V. Walton—Parent-Teacher Association meeting, Monday, April 25, at 8:15 P.M. in the school auditorium, Mrs. Leroy J. Mumford, chairman of the nominating committee, will present a slate of officers for 1960-61, as follows: president, Mrs. Leonard Atkin; vice-president, Mrs. Isadore Yablonsky; recording secretary, Mrs. Bernhardt Aronow; corresponding secretary, Mrs. Stephen Benoit; treasurer, Mrs. Morris Reisberg.

The program for the evening, "Science in the Edward V. Walton School," will be presented by Daniel R. Murray, principal, and Miss Joan Cannon, Edith Grede, and Miss Rita Berne, consultant for the D.C. Heath Book Company, will demonstrate and make more meaningful "Science and Your Child." Children's work, models, exhibits, experiments and science books will be featured.

With the age of science at hand, most children are alive to its reality and all the exciting future which it promises. The science curriculum, which was revised last year in Springfield—and teacher-enthusiasm have served as a stimulus for the students of the Edward V. Walton School to participate in its forthcoming "Science Fair."

Mrs. Leonard A. Golden, vice-president of the P.T.A., has arranged for the program. Mrs. William Franklin will preside and Mrs. Elliott Schechter and her committee will serve refreshments.

Armed Forces Day is an exercise in, and a demonstration of, the working relationship of the Armed Forces in all respects.

Experiment Station.

Q: Can I prune my rose bushes yet?

A: I have a feeling the winter is over, but there is plenty of time so why not wait another week or two. I will cover pruning of roses in an article in the proval of our own Agricultural near future.

# Introduction Of New Phone, 'Princess' Announced for May; Contest Underway

The "Princess," a newly designed, compact color telephone with an illuminated dial, will be introduced in this state May 16, New Jersey Bell Telephone Company announced today.

The new instrument represents the sixth major home telephone design change since Alexander Graham Bell's original invention in 1876. The "Princess" is the result of five years of research by Bell Telephone Laboratories during which time many problems in miniaturization, encountered in the effort to reduce the size of the phone, were solved.

**Non-Skid-Base**  
The "Princess" is an oval-shaped instrument with a new non-skid base. It is four inches high, 3 3/4 inches wide and 3 1/2 inches long. It takes up one-third less space than the standard phone now in use, and was designed with in mind for use anywhere in the home. The "Princess" model will be available in white, beige, pink, blue and a new telephone color, turquoise.

Jesus, 13 stone, 2 pounds," and viewers could see that he had, in fact, more names than just "J" because he bore several initials across the front of his shirt.

The camera turned to the launch where the Princess and Mr. Armstrong-Jones were tensely waiting. Mr. A-J was talking earnestly—perhaps telling his fiancée about his rowing days for Cambridge.

At the finish, both crews sagged forward in their boats, and a few seconds later, rowed rowed slowly to shore. There must have been cheering, although we couldn't hear it. None of the boys smiled, victors and vanquished alike hauled themselves out, shouldered their shells, with strict precision, and walked toward the boathouse.

# Finishing Touches Being Put To Temple's Show

With show time coming closer every day, only the final polish remains to be added to the performance of "Damn Yankees." The play which is to be presented by the Dramatic Group of Temple-Beth Ahm of Springfield, is "rounding out" even better than expected, according to George Chergotis, director.

**Famed Trial Is Theme of Drama At Playhouse**  
The Playhouse Association will present "Inherit the Wind," by Jerome Lawrence and Robert E. Lee, as the final production of its 42nd season. There will be a special performance of the play Saturday, May 14, for the benefit of the building expansion program preceding the regular week's run Monday, May 18 through Saturday, May 21. All performances will be open to the public and tickets will go on sale at Pierson's Hardware store beginning Monday, May 2.

Although the play is based on the celebrated Scopes trial, in which Clarence Darrow and William Jennings Bryan were the antagonists, the authors have modified the circumstances and given fictional names to the characters. Paul Muni and Ed Begley had the leading roles in the 1955 Broadway production.

Sneak previews of the show have brought rave notices about the brilliant portrayals of Corrine Klien, Dobby Freedman, Billy Fisher, Jack Silverman, Saul Gladstone and Murray Zeidner. Many of these people will be remembered for their outstanding work in "Guys and Dolls" and all the "aids sitters" are certain that "Damn Yankees" will not only make the grade but set a new mark for excellence.

**THE CELEBRATED PAIR**  
On April 2, for the 10th time, the Cambridge and Oxford crews battled it out on the Thames in an exciting boat race. Thousands of British fans crowded along the banks of the river to watch; many thousands of others (like us) stayed home to see it on BBC-television. This year, for the first time since 1920, it was watched by (as they say) Royally. Princess Margaret and her fiancé, Anthony Armstrong-Jones, sped along in the Cambridge launch.

# Effort Being Made To Get More Children In Country For Vacation

Mrs. Norman Kempson, 228 Evergreen Court, and Mrs. Edwin Klingsberg, 1257 Cedar Avenue, both Mountaineers, chairman and chairman, respectively, of the group promoting the bringing of New York City children to this area for Summer vacations through the Herald Tribune Fresh Air Fund, met recently to make plans for this Summer's activity.

**Spurring Interest**  
Both women have had several children as their guests for the past two Summers and would like to stimulate a similar interest among other families in Mountaineer and families in Berkeley Heights, Springfield and other neighborhood communities.

Children brought to the country for vacations under this program come from homes which cannot afford vacations. They are recommended by one of 50 social and welfare agencies operating with the Herald Tribune in selecting the most deserving and most needy children.

The family inviting a child may specify age, sex, race and religion. Each child receives a thorough physical examination just prior to his departure from New York. The Herald Tribune Fresh Air Fund pays all transportation expenses and any medical bills which may arise and maintains liability insurance.

**Child's Reaction**  
This year there will be three vacation periods when children arrive, the choice to be made by the host: July 19, Aug. 2, Aug. 18.

Saying that they found their own experience with the project most rewarding and that they would be "delighted to hear from anyone willing to take a youngster for two weeks," Mrs. Kempson and Mrs. Klingsberg said:

"A friendly town is a friendly town because all the people are friendly." This is the way one bright-eyed youngster wrote to his mother while vacationing in the suburbs. There are many, many kind citizens opening their hearts and their homes to thousands of New York City's needy children, allowing them to experience

the many wonders of living and playing in the country — away from traffic and the cement playgrounds on hot city streets.

**Vacation Needs**  
"Let us try to make our communities such as to be considered friendly towns by many more youngsters this Summer than ever had the opportunity in the past. There are numerous boys and girls who need desperately the two weeks vacation we can offer them in our homes."

In the two years Mountaineer has been a "Friendly Town" more than 20 have been hosts to city children. In New Jersey 570 children have been entertained.

Organizations which would like to have Mrs. Kempson or Mrs. Klingsberg as a speaker and individuals who would like more information about the program are invited to call Mrs. Klingsberg at AD 2-1108 or Mrs. Richard Platoff, publicity chairman, at AD 2-9205.

## Driver Loses License For Missing Court

Springfield Municipal Court Judge Henry G. McMullen fined Lena Dent of Newark \$10 Monday evening, April 18, for failing to have her car inspected. He then tossed her a 30-day suspension of driving privileges for not appearing in court when she was ordered to. She was slated to appear Sept. 11, 1959.

Five other drivers were fined for not having their vehicles inspected: Joan M. Schullz of Union, \$6; Douglas Brush of Berkeley Heights, William Bush of Plainfield and John F. McQuillan Jr. of Maplewood, all fined \$10.

Howard Clark Jr. of Linden was fined \$10 for not having his car inspected and another \$8 for not having his registration with him while driving. Four drivers were fined \$10 each for failing to have their

# Gov. Meyner Given Gavel Made From Union-Grown Rhododendron By Haag

If Gov. Robert B. Meyner's Presidential nomination and he elected in November, he should gain the Democratic will have a very unusual gavel to use when he presides over the U. S. Senate. It is made from rhododendron wood.

It was presented to him recently on behalf of Union County Rhododendron Display Garden Committee by Mrs. Charles R. Haag of Cranford, chairman, and Mrs. Edward Coffey of Westfield. The committee is conducting a campaign to raise \$25,000 for a rhododendron display garden in the Watchung Reservation in cooperation with Union County Park Commission.

The gavel was made by Benjamin Shapiro of East Brunswick, president of New Jersey Chapter of the American Rhododendron Society. Mr. Shapiro is supervisor of the curriculum laboratory in the Division of Vocational Education of the State Department of Education. The wood for the gavel came from a rhododendron plant in the yard of the First Presbyterian Church, Cranford, which was cut down by Arthur Owen, church sexton, in September 1958. Examination of the wood indicated it was 32½ years old. The wood is a light color of close grain and finishes to a high polish.

Accompanying Mrs. Haag and Mrs. Coffey on their visit to the Governor's office in Trenton was assemblywoman Mildred Barry Hughes of Union. State Senator Robert C. Crane of Westfield, honorary chairman for the fund-raising campaign, was unable to be present for the presentation.

"Rhododendron wood is very highly prized for fine furniture in the Orient, where some tropical varieties attain a height of 60 to 80 feet. In this country, our native varieties grow as large shrubs and would never be large enough for furniture, but might more often be used for handcraft," Mrs. Haag said.

sign violation. Charles Cuzzo of Colonia was fined \$10 for carrying an insecure load in his truck.

**Banjo Group Hears New Book Reviewed**  
Mrs. Paul Ios, Mrs. Joseph Ios and Mrs. Raymond Rouse were hostesses at a kaffeeklatsch at the latter's home, 66-Denham Road, Springfield, Wednesday morning, April 20, during which the new book, "God Loves Laughter" by William Sears, was reviewed.

"God Loves Laughter" is by from the Middle West who became one of America's top-flight TV stars. But he was bothered with a boyhood

dream and eventually left the big time to "go to Nieneveh" (like Jonah).

To many the coming true of the dream is a greater achievement than the professional success which the author won. The crux of the dream was a voice saying to him "Be like Peter. Fish!"

The subsequent story of struggle and fortitude, disillusionment and doubt, and the final winning through to faith and assurance, with ever the memory of his dream to sustain him, portrays the eternal drama of man in the Valley of Search, and may encourage and help many who find themselves caught in the toils of 20th Century unbelief.

**Joe Schaffernoth Starts Ball Season With 2-Hitter**  
Mrs. Charles A. Schaffernoth, 804 Schaffernoth Place, Springfield, was quite pleased this week with the way in which her son, Joseph, began another year of pro-baseball last Saturday. Equally pleased were Joe's wife, the former Miss Patricia Mazucco of Berkeley Heights, and Joe's 10-year-old brother, Dale, who attends St. James School in Springfield.

All three watched Joe pitch the opening game for the Housatonic "Buffs" in the American Association League at Charleston, W. Va., on April 16.

Joe, who has been in pro ball since he graduated from Jonathan Dayton Regional High School, Springfield, five years ago, faced the Charleston Senators of Charleston, with Bob Porterfield in the box. The local boy allowed two hits, one of which was a homer, and struck out five, going the whole route. The "Buffs" won by a score of 2-1. Manager of the "Buffs" is "Einos" Slaughter.

# What County Schools Cost Told By West

What the municipalities (and the one regional district and the one consolidated district) in Union County pay for education was given statistical form last week in an analysis issued by County Superintendent of Schools Dr. William H. West.

The figures given by Dr. West are divided into five categories: Estimated Enrollment, Total State Aid, Debt Service, Total Budget, Total Amount to be Raised Locally.

For the towns in the Watchung Weeklies area of coverage, the sums are as follows:

**Figures By Towns**  
Springfield has an estimated enrollment of 2,100, gets \$127,845 in state aid, has a debt service item of \$173,824.80, with a total budget of \$1,216,424, and raises by taxation \$1,055,776.12.

In Berkeley Heights the figures are: 1,865—\$96,880—\$183,827.75—\$354,717.75—\$819,327.75.

In Mountainside the figures are: 1,276—\$78,188—\$124,711.50—\$765,380.50—\$678,894.50.

In Scotch Plains, with which is consolidated Fairwood, the figures are: 5,804—\$413,900—\$449,129.75—\$2,814,905.75—\$2,308,805.72.

Regional District (high school service for Springfield, Mountainside, Berkeley Heights, Garwood, Clark, Kenilworth) — 3,178 — \$260,322 — \$467,066.25 — \$2,711,348.25 — \$2,315,026.25.

Totals for the county are: 92,373 — \$9,058,385 — \$5,840,658.97 — \$49,285,390.36 — \$41,717,827.85.

**STUDENTS HEAR ABOUT COLLEGE IN MAINE**  
Students at Jonathan Dayton Regional High School in Springfield met with C. James Colville Jr., Nasson College's director of field relations, Thursday, April 14.

Colville discussed the admissions policies of the college and the opportunities available and traced the history of the Springvale, Maine, college.

### Organizations Invited To Use Delwood Pool

Delwood Recreation Center in Berkeley Heights, with a big swimming pool as an outstanding feature, is introducing itself to the community this week by inviting organizations to take advantage, free of charge, of its facilities between May 1 and 15.

Letters have been sent to numerous church and civic groups, in which Joseph E. Twaits Jr., manager of the establishment, points out that this new family recreational club in Berkeley Heights will "open for its membership on May 15."

However, the letter says, the facilities will be ready May 1 and the club would like to use the interval as a get-acquainted period. That is the basis for the invitation, Mr. Twaits said.

Those interested in using the club's facilities during this time must make reservations for the two daily periods when the pool will be available. Reservations may be made by calling Mr. Twaits at CR-2-3849 or they may be made in person at the Center, 633 Springfield Avenue, Berkeley Heights.

Emphasis is placed on the rule: children must be accompanied by at least one parent. Facilities at the Center, Mr. Twaits said, are the club's 100' x 40' swimming pool (attended by a qualified lifeguard), wading pool, badminton court, ping-pong tables, dancing, deck shuffle board, ice skating (Nov. 1 to April 1) and a snack bar.

In addition to regular membership, it is planned to make all facilities available to groups at special rates throughout the year at hours before and after those reserved for members.

### African Violet Show Apr. 29, 30

Mrs. Edgar L. Klotz, of 1883 North Gate Road, Scotch Plains, has been named general chairman of the seventh annual African violet show and plant sale to be presented by Union County Chapter of the African Violet Society of America, Inc.

The show will be held Friday, April 29, from 7 to 10 p.m., and Saturday, April 30, from 10 a.m. to 5 p.m., at the Masonic Temple, Westfield. Co-chairman of the show is Mrs. J. F. Brenner of Franklin Park and Mrs. C. B. Howard of Westfield is honorary chairman and president of the club.

Mrs. Klotz has announced that the following ladies are among those who will assist her: Mrs. John J. Conner, Berkeley Heights; classification, Mrs. Joseph Toll, Mountainside, guest book.

Classes are open to all members of Union County chapter.

For non-members, there are two special classes: one specimen each of a single-flowered named variety, any color, and one specimen each of a double-flowered named variety, any color. Non-members may enter as many specimen plants as they wish but only one of a kind.

The show will be open to the public admission will be free.

### Local Folks Aiding Drive

Mrs. William Stine, campaign chairman for the 1960-61 Union Community Concert membership drive, recently held a meeting at her home, 1527 Walker Avenue, Union, for all area chairmen. Assisting Mrs. Stine as co-chairmen for the drive are Mrs. Bertha Dassing of 100 Millburn Plains, Mrs. Ruth Winton, and Mrs. Hugh Wain.

Plans were made for this year's campaign which will be held the week of April 25 to 30, with headquarters at Union Center National Bank.

Mrs. Stine announced that one of the outstanding artists for next year's concert will be a return engagement by Jerome Hines, world-renowned bass of the Metropolitan Opera Company. Two other equally fine concerts will be announced later.

This year's kick-off dinner will be held Monday, April 25, at American Legion Hall, Rosemont Avenue, Union, where a smorgasbord dinner will be served. Mrs. Michael Permissio is dinner chairman.

Area chairmen for the 1960-61 membership campaign include Mr. and Mrs. Sydney Krueger and Mrs. Rosina Conklin, of Springfield.

### SPLINTERS FROM THE BOARD

By RICHARD E. WERNER  
Chairman, Public Relations Committee  
SPRINGFIELD BOARD OF EDUCATION  
(Nothing in this column is to be considered an official opinion of the Board of Education.)

This is the first in a series of Springfield Sun to keep you better informed on the Springfield Board of Education and its activities. Any signed letter addressed to this column with suggestions or opinions concerning your school system will be acknowledged and answered, so please feel free to write in with your comments.

Let's start our first column with some wonderful news. You may or may not be aware that annually, your school system gives a battery of achievement tests for all children in Grades Three through Eight. They are the machine-scored California Tests, covering reading, language, arithmetic fundamentals

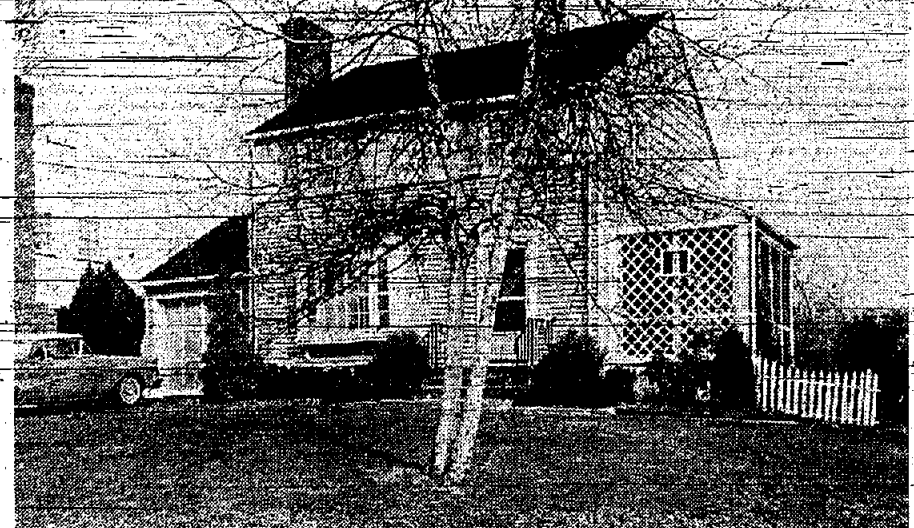

and problem solving. Tabulation of this year's results is as follows:

Grade	Norm	Springfield's Median
3	3.0	4.1
4	4.0	5.0
5	5.0	6.0
6	6.0	6.7
7	7.0	8.5
8	8.0	9.3

These figures indicate that on a system-wide basis, our children are accelerated on an average of slightly better than one year. This is the most favorable record since the initiation of our present testing program in 1953. Congratulations to our children and school system are certainly in order.

**THANKS TO HAYDU**  
Since we are handing out compliments today, Frank Haydu should be given our thanks for his untiring efforts in securing a ballfield for our Little League baseball team.

Because of the terrible Spring weather, it was not possible to have the playground behind the new Sandmeier School ready (as had been promised to your Township Committee) for the ball season. Realizing the seriousness of the situation, Mr. Haydu was able to get the cooperation of William Wagner, superintendent of buildings and grounds, to create a brand new diamond at Chisholm Field. (There are now two diamonds available in place of the previous one.) Incidentally, the entire cost of the project was paid for by Springfield

**ANOTHER REALTY CORNER SALE:** Residence at 36 Park Lane, Springfield sold for Mr. and Mrs. Richard Holland to Mr. and Mrs. LeRoy Terry of Hackensack. Mr. and Mrs. Terry have one child, a daughter. Dr. and Mrs. Terry is executive secretary and manager of the Elmora and West End Building and Loan Association of Elizabeth. This sale was arranged by Evelyn Schiold, an associate of Anne Sylvester's Realty Corner.

**TO BE OR NOT TO BE—READY**  
June 1, 1960, is a very important date for all of Springfield! On that date the contractor in charge of our new Sandmeier School will inform the Board of Education whether or not the new school will be ready for the September term. If it is not ready, double sessions loom. The unusually damp Spring has been a great hindrance to progress, since it limited the amount of cement that could be poured. A study is presently under way for the rezoning of students either to attend the

new school, or for the double session plan. Further developments will be announced in this column soon.

**PRO AND CON ON FIRE SYSTEM**  
One of the most spirited issues of the last school board campaign concerned the advisability of a fire detection system for our community. The two opposite viewpoints were championed by Dr. Ben Josephson and Joe Bender. It is interesting to note both have been appointed by your Board to investigate various systems and report their findings. Desiring to get the services of the most competent men possible, Dr. Josephson and Bender are currently talking with several prominent Springfielders to get them to serve on the committee. Your Board will keep you informed of the results of their findings.

**LAST WORD ON LUNCHES**  
We simply can't close our

gentleman who was completely ing had been told by some children "that the food was like rubber or a raft." Your writer queried his daughter, who attends Gaudineer, and she replied, "Gee, Dad, that rubber on a raft is a delicious grilled cheese sandwich, and I wish Mom could get the recipe because it is so good!"

**COMMENT INVITED**  
This brings to a close our first edition of "Splinters from the Board." Please feel free to write your opinion of this column to the editor of the Springfield Sun. Let us know how you feel this column can best serve your interest in keeping you informed about your Springfield Board of Education.

**OFFICE OF THE SECRETARY OF THE BOARD OF ADJUSTMENT**  
Take notice that at a meeting of the Board of Adjustment held on Thursday, March 24, 1960, approval was given to the application submitted by Rayco Seal Covers Corporation for a variance to erect a detached sign on property known as Block 22, Springfield, N. J.

Mr. and Mrs. Harold Engelman and one-year-old son Stewart have moved from West Orange to 80 Troy Drive. Mr. Engelman is with the Columbia National Corporation in Newark.

Newcomers to Springfield small fry division: Mr. and Mrs. Arthur Davis, of 78 Redwood Road, became the parents of a daughter, Pamela Cindy, on April 2. She was born at Beth Israel Hospital in Newark. Also welcoming the new arrival was five-year-old sister Laurie Beth.

Another arrival on Briar Hills Circle this week was Linda-Joy Weiss, born to Mr. and Mrs. Sanford Weiss, of 82 Briar Hills Circle. Little Linda, who weighed in at seven pounds, joins a family that includes

**STUDENTS AT INSTITUTE:** Three Jonathan Dayton Regional High School students—Howard Meyers, 224 Milltown Road, Springfield, second from left; Elaine Giannattasio, 250 Milltown Road, Springfield, at right—were among the more than 300 high school students who attended the first annual junior industrial management institute at Westfield High School Saturday, March 26. The institute is sponsored by the Executive Foremen's Club of Elizabeth and Plainfield and Industrial Management Club. With the young folks is Harold Berry, discussion leader.

Three-year-old brother Stevie, and one-year-old sister Kathy.

Mr. and Mrs. Melvin Zeller, of 20 Briar Hills Circle, announce the arrival of Jeffrey Mark at Beth Israel on April 5. Other members of the family are five-year-old Larry and three-year-old Richard.

Also arriving at Beth Israel on April 6 was Zach Kerzner, son of Mr. and Mrs. Ivan Kerzner, of 53 Christy Lane. Delighted with a new playmate were brothers Jori, four years old, and Seth, three years old.

Mr. and Mrs. Thomas Kennedy, of 148 So. Maple Avenue, are happy to announce the birth of a son on April 3 at Overlook Hospital. The baby, who weighed eight pounds at birth, has been named Thomas Edward.

It was a first boy on April 9 at Overlook for Mr. and Mrs. Walter O'Neill, of 243A Morris Avenue. This young gentleman, who tipped the scales at eight pounds two ounces, has been named Walter Francis.

Mr. and Mrs. Norman Robinson, of 70 Meeker street, became the parents of a son, Darrow, born at Overlook Hospital on April 12. Other members of the family are sister Dawn, one-year-old, and happy grandparents Mr. and Mrs. John Robinson, also of 70 Meeker street.

**County Trust To Build New Heights Branch**

Berkeley Heights—Construction has been started on the new Berkeley Heights office of the County Trust Company. Located at the corner of Springfield and Snyder avenues, the new building will replace the office now located at 372 Springfield Avenue. In keeping with the community atmosphere, architects Drake, Tuttle, Convery & Cueman have designed a colonial structure, which will incorporate every modern banking facility. In addition to a drive-in banking window and ample free parking space, the new building will include safe deposit facilities, and a special sitting room for women. To handle the increased demands in the area, space will be provided for six tellers. In commenting on the new building, George W. Bauer, president of the County Trust Company, said, "The architects have told us that we may look forward to an early fall opening of this new office. From these new quarters, we will be able to serve adequately the expanding needs of the Passaic Valley area."

# SUN Rays

That was quite a story splashed all over the front pages Tuesday morning of last week about the boy who went from Long Island by bike, taxi, train, plane to Chicago and Buffalo for \$25. Romantic. Smacks of the Pioneer Days. "Don't fence me in." "Go West, Young Man." Quite a nice bit of lying was necessary to carry through the stunt, too. Hope the kid's mother meant it when she intimated that she did not think it was such a praiseworthy safari and that her son would be made to understand this.

"COMPARE BEFORE YOU BUY!" shouted an ad of a cemetery in Plainfield in a Plainfield paper one day last week. Quite a good idea, methought, and I went to work on it. I took more particular note of the cemeteries I pass and from work via the Garden State but ruled them out because of the noise and car fumes. There's one in Bergen County along my route that is adjacent to a golf club. Definitely an advantage. Then there's the one which borders a bubbling brook. But I'm not going to be hasty. I am going to do some more comparing. In all fairness, I'll have to visit the one that advertised before making a decision.

Welcome to my newest fellow-columnist: Richard E. Werner. As Public Relations chairman for Springfield Board of Education, Mr. Werner will contribute an occasional column on school matters from the standpoint of a Board member. Technically (as he points out in his first piece) he will not be speaking officially, but he will be writing with the advantage of information available to a Board member.

Such a column can be of distinct service to the community. There is much that goes on in the school system on a policy level which the local paper, because of lack of manpower and time, cannot keep up with. This data should be placed before the people and Werner is in an excellent position to do so.

Obviously, while he may be, consciously or unconsciously, reflecting the thinking of Board members (at least some, if not all), the new columnist must, if he wants his work to be effective, be careful to exercise as much objectivity as is humanly possible.

Having gotten to know Mr. Werner pretty well since he took office in February, I have no hesitation in predicting that he will provide a dignified and scrupulously fair adjunct to the news columns of this paper.

I do not want to make anyone feel badly but it is worth pointing out: In the table of school costs issued last week by County Superintendent of Schools Dr. William H. West, Winfield was listed as not having a cent of debt service in its school budget. Perhaps being the smallest municipality in the county has something to do with it.

That a unit of the AAUW should exhibit an interest in matters educational and in a proposed program of school expansion is a natural. The AAUW, as you know, is an organization of women who have attended college. In Mountaineers the local branch is sponsoring a meeting to discuss this borough's plan to expand its classroom facilities. This is a worthwhile gesture and I certainly hope it is successful enough to encourage the university women to take similar action whenever the circumstances call for it.

A Bergen County paper carried an item one day last week reporting a charge of alleged rape by a woman model 20-25 years of age. The accused man's name and address were given. The girl's name and address were withheld, other than to say she was "from Paterson" — a city of considerable size. This sort of reporting illustrates an inhibition that I call dastardly.

The woman is protected and the man is held up to the scorn of the entire community. Suppose the girl's story is disproved. . . the man is found innocent (a possibility I accept as every bit possible): what of his reputation?

From the foregoing it is a short jump to discussion of the yes and no of printing the names of juveniles when they get involved with the police. At the moment they are able to hide behind the law and newspaper tradition. Volumes have been written on the subject. Yet only a handful of papers have had the courage to break with custom and print names.

Police chiefs, psychologists, lawyers, school people, parents — and any others interested in the subject — are invited to express their opinions here.

The decision by Berkeley Heights Board of Education to hold another special election on the purchase of the Emerson Lane property as a school site makes sense. A ruling from the State Commissioner of Education must perforce take considerable time. And time is what the Berkeley Heights school board does not have much of. A clear-cut vote by the people should settle the controversy.

There is some talk about town, however, which may be disquieting to those who favor the Emerson Lane location.

This writer has heard that proponents of the Horseshoe Road spot are planning to take advantage of the Lombardi-imposed impasse to campaign for purchase of that plot instead of the one-on-Emerson Lane.

Watch for a rash of three- and four-alarm fires . . . and kidnappings.

The Union County sample ballot for the Primary Elections held Tuesday, April 19, was a handsome printing job for any print shop to get — but what a waste of taxpayers' money!

**FRANKLIN P. ADAMS, COLUMNIST, 78, DIES**  
This headline in my morning newspaper Thursday, March 24, shocked me — and brought back memories. Perhaps there are other old-timers who remember Franklin P. Adams — F. P. A. — as columnist in the old New York Tribune and New York (Morning) World. I confess I had lost track of him in recent years. There was a time, however, especially when the Conning Tower was a feature of the World, when I could not start the day without reading what F. P. A. had to say. It was more important than my morning "beaker" of coffee.

Of particular interest to me was the Saturday column — "The Diary of Our Own Samuel Pepys" — which I limited for a number of years on a paper in Bergen County for which I wrote.

F. P. A. was a unique columnist. There was nothing like his daily piece before he started and there has been nothing like it since he quit doing his daily stint some years ago.

This column may not be successful in eliciting contributions from readers, but it has achieved the distinction of changing a man's habits — one, at least. The barber about whom I wrote two or three weeks ago has become loquacious.

Every meeting of Springfield Board of Education I've covered as a reporter for this paper has been attended by representatives of Springfield League of Women-Voters. Lately I have noted delegates from this wide-awake organization at meetings of the Township Committee. This is good. It always is satisfying to note Citizens taking an interest in the activities of the agencies of municipal and school government.

But what happens to the notes taken by the League's private correspondents? Do they form the basis of discussions at meetings? Or are they just filed? In either case, the general public is deprived of the benefit of whatever thinking may have been stimulated among League women by the transactions reported. My suggestion is that the League issue a concise digest of its opinion on the "business" conducted at the meetings covered.

The columns of The Sun are open to you, ladies.

My recent observation about "finding a place where the toast and scrambled eggs are placed on the table at the same time" drew two replies this week. Elena Proctor of Centre Sandwich Shop and Mrs. Frank Ryan of Ryan's, both on Morris Avenue, suggested that I try their cateries for the kind of service I'm seeking. Will do. —S.E.L.

## Local Officer To Wed May 7 In Tennessee

The engagement of Miss Bonny Jean Smith of Memphis, Tenn., to Lt. Raymond Arthur Vohden was announced recently by her parents, Mr. and Mrs. Ansel Smith of Memphis. The wedding will be solemnized May 7, at Grace-St. Luke's Episcopal Church there.

Lt. Vohden is the son of Mr. and Mrs. George S. Vohden, of 24 Bryant Avenue, Springfield. He is a graduate of Jonathan Dayton Regional High School and received his Bachelor's degree from Rutgers University. He is a jet instructor with the Naval Air Force, stationed at Millington.

The bride-elect was graduated from Central High School, Memphis, where she was a member of Beta Delta sorority. She was formerly a stewardess with Central Airlines.

D of A Meets  
District 6 of the Daughters of America will hold their annual rally in Atkins Hall, 1050 Springfield Avenue, Irvington on Saturday, April 23 at 8 p.m.

The state councilor and her staff of officers will be honored by the D. of A.

Following introductions and demonstrations, dancing will follow. The affair is open to the public.

**Three Delegates To Represent Hadassah**  
Springfield Chapter of Hadassah will be represented at the Northern New Jersey Regional Spring Conference by the following delegates: Mrs. Joseph Menkin, Mrs. Bernard Kazin, Mrs. Nathan Sherman.

Approximately 500 women will attend seminars and conferences at the New Irvington Hotel Lakewood, April 24, 25 and 26.

Manhattan was purchased from the Indians for a reputed \$24 in 1626. That sum now would have been equal in value to all the real property on Manhattan if it could have been invested at 8 per cent compound interest.

## First Aid Drive Begins; Coin Cards Are Mailed

"When someone has a heart attack or an accident occurs in the home, on the street or in the school—a call on the phone starts a chain reaction.

"One or both of the Springfield First Aid Squad's two well-equipped ambulances heads for the location. Police and medical authorities are alerted. Within a few moments, qualified workers are on the scene.

This is the beginning of a letter which went out this week to almost every resident in Springfield. It accompanied the well-known coin card which the Springfield First Aid Squad mails out each year at this time and comes around to collect each September. It is the formal "kick-off" of the 1960 Squad Fund Drive and the cooperation of every Springfield family is requested in order to get the drive over the top.

## Union Joins Berkeley Heights In Opposing Industry Group Plan

The Berkeley Heights Township Committee is not the only Union County governing body which has taken an official stand against the proposed county industrial commission.

The Board of Freeholders has received notification of similar action by the Township of Union. The Freeholders intend to create an industrial commission which will help bring industrial rates to the county and lighten the tax load on present property owners, or so the Democratic supporters of the plan say.

Could Co-ordinate  
The backers of the move contend that such an agency could co-ordinate the efforts of various municipalities and private organizations in the county in securing new industry. The commission would be able to tailor a location to fit an incoming company.

However, critics claim that the proposed \$25,000 expenditure is a waste of money. They argue that existing organizations handle the job sufficiently without any help.

In addition, some towns have stressed that they can either secure their own new industries or are not interested in additional commercial expansion and thus do not want to contribute to the \$25,000.

**Smythe Hits Plan**  
At a recent Township Committee meeting in Berkeley Heights, Luther M. Smythe, a member of the Planning and Zoning Board, charged that the Freeholders are "not content with jamming an unsanctioned blood-bank and an unwanted

school down the throats of small communities; they are now insisting upon this industrial commission."

Smythe said that the commission would be "impossible to fit to his community." He claimed that the body would help only the large cities in the county to the detriment of smaller municipalities.

However, the Union Township action, taken after Smythe made his remarks, indicates that not all of the larger towns in the county are behind the plan.

#### CONQUERING HEROES RETURN

Saturday, April 9, the National Forensic League participated in the last of its major activities for the year. This was the N.E. District Congress. Of the six districts awarded at this session of the Congress our members received four of them. KEN RYDER was awarded the gavel used in the House for being elected Speaker of the House of Representatives. BRUCE GOLDSTEIN was awarded the gavel used in the Senate for being elected president of the Senate.

DAVID YANCEY was awarded the medal for being elected a superior Senator. ROBERT SELTZER was awarded the medal for being elected as superior Representative. All the boys are from Springfield. This has been a winning year for the N.F.L. and Debate Clubs. A new chapter will be set up in the Governor Livingston High School in Berkeley Heights next year. It would be worth while joining.

#### OPERA TRIP ENJOYED

With such a beautiful day to go to New York, who could honestly say they didn't have a good time? Monday April 11, MR. BROWN and MR. KROPINICKI escorted two bus loads of Regional students to see the opera Don Giovanni at the Metropolitan Opera House. For those, like myself, who are not opera fans, the Community Free Church of Springfield.
