for Suburban Essex

Now's the time to make changes or additions to improve your listing in the Telephone Directory. Check the list below for ways your listing can be made more helpful to you.

Is your listing complete enough to avoid confusion with others who have similar names? Adding an initial or first name may be helpful. There's no cost. Relative or other person living. with you? A separate listing for them-particularly if their last name is different from your own-would make them easier to find.

Check list for your home phone

Teen-age daughter or son? They'd appreciate a listing of their own.

Wife active in her club or group? She'll be easier to reach with a separate listing in her own name.

Check list for your business phone

ing in directories of nearby areas will make it easier for prospective customers and clients who live out of town to find you.

Many businesses find that a separate listing for key people in the organization is a good idea-especially if these people live in different directory areas than that in which your business listing appears.

Is your listing in the Classified _ Directory (Yellow Pages) large enough to attract attention? (An eyecatching display ad costs less than you'd think.)

Are you listed under all Yellow Page classifications that can bring you business?

ur Telephone Business Office as soon as possible

of the Miller Filler of the State of the second

Lawn Fungus A Problem?

Here's the medicine developed by Scotts to arrest fungus growth.-SCUTL® is clean, dry, easy to apply with the trusty Scotts Spreader. Just fill the hopper,

set the dial, and walk it on. Takes only half an hour, start to finish. It's the lawn expert's way to control fungus. Bet that's what your golf club uses.

More and more folks are coming to us for advice on improving their lawns through an easy-to-follow Scotts Program. Come in anytime.

-We'll be glad to prescribe the correct Program for your lawn. Scutl fungus control for 5000 sq ft, 3.25 Save now on a new 1960 Scotts Spreader

A Better Way To Gut Grass

The Silent Scotts mows to an even crew cut (at any desired height). It cuts grass without tearing, distributes clippings evenly. Better results, with astonishing ease. Powered by electricity, the Scotts starts instantly, stops just as fast—and never falters. The motor's purr will not disturb napping babies or sleeping neighbors. (Mow any time, it even has night lights). The Scotts is unconditionally guaranteed for five years. Before you labor through another mowing, come-in-for-a-demonstration-of-the-modern-Scotts.

The matchless Silent Scotts Mower with 50' 3-wire cord and plug 119.95

The inside story of a Water Heater or "How to get into hot water and like it!" Decoded report from Agent_WH-9, inside a very special type water heater somewhere in New Jersey: "Approached subject-cautiously. Found nothing to be cautious about. Water heater electric. Only danger was drowning in all that (Whee!) hot water. Uncovered some important facts." (1) Flameless electric water heater has_ insulation all around - sides, top and botheating. (2) Crystal-clear water inside tank. This tank has special electroplating feature for longer life. (3) Heating units immersed right in water or wrapped around tank. No corrosive hot spots. No heat wasted. (4) Special baffle to trap incoming cold water so hot water is never diluted." "Called Electric Company. Discovered special 'off-peak' water heating rate. Big bargain. More hot water than you need for only pennies a day. Please accept resignation, effective immediately. Going into electric water heating business.
