## Bonadies, Governing Body Strike Murphy

### Murphy Offers No Program to Town

Paul T. Murphy, political candidate for the local government, was placed under heavy fire today for his failure to produce a single constructive platform or proposal in the interest of the community with election day less than two weeks away.

In a joint statement, a trio of incumbent committeemen, Russ and Howard A. Flammer, lashed out at Murphy's campaign of self Sibole, William Balentine distortions and smears that deal only in personal attacks and half-truths while avoiding consideration of the needs of the community.

The three members of the governing body stated:

"In striking contrast, Mayor Vincent J. Bonadies has placed his record of progress and platform before the people as the basis of his deserving re-election. Mayor Bonadies has demonstrated with deeds — not words — where he stands on all important issues that will affect our community for years to come. On the other hand, Murphy has had ample opportunity to state his position on how he would contribute to community progress and what we have heard is nothing but personal invectives.

"On the important matter of fighting the highway threat to our community, while our governing body has rallied bipartisan support of Republicans and Democrats to fight the highway, Murphy has remained on the sidelines seeking to find someone to politically blame rather than join in the fight against the highway. This is lip-service to a community at its worst.

"On the important areas of

### Political Plum Made Of Tax Job

Mayor Vincent J. Bonadies today accused his opposition candidate for the governing body, Paul T. Murphy, of pushing for a political appointment for the post of Tax Collector.

Bonadies declared that Murphy sponsored a letter to the governing body that clearly reflected the same tactics of the past rejected political administrations here that Murphy represents in power politics first, and the community's interest, second.

Bonadies declared: "Murphy cannot deny that his only interest in the Tax Collector post vacancy created by the retirement of Charles Huff after 32 years of service was to gain the appointment of a political friend for the job.

"Springfield has had enough of this kind of power politics under the past political administrations that handpicked Murphy in another bid to attempt to regain a political foothold in our community.

"If Murphy also bothered to regularly attend meetings of the governing body except election time, he would not be so uninformed on municipal procedure or display so flagrant a lack of administration.

"The vacancy in the Tax Collectors' Office cannot be filled permanently until January 1, 1962, and prior to that time, elections for that post must be held next year. Any appointment in the interim can only be a temporary one. This is what the law requires and Murphy's attempt to deliberately distort these facts is another illustration of his campaign of half-truths in which he offers the community nothing but empty promises and lip-service only."

### Murphy Opposition To Huff Termed Callous by Mayor

Mayor Vincent J. Bonadies today sharply attacked the callous opposition of political opportunist candidate, Paul T. Murphy, to the consideration given by the governing body in granting retired Tax Collector Charles Huff a leave of absence with pay after more than 30 years of dedicated community service.

Bonadies stated: "Mr. Huff served the Township faithfully

### Mayor Hits Rival on Sewer Stand

Mayor Vincent J. Bonadies today charged his political opposition candidate, Paul T. Murphy with attempting to exploit a former title as special counsel to the past rejected administrations here by covering up the real reason for that appointment — the Shumpke Sewer.

Speaking before home audiences of Republicans and Democrats, Bonadies stated: "Murphy was called in by the past rejected political administration majority, which has since been voted out of office, to draft the Shumpke Sewer contract that ultimately the people of Springfield took to court and had nullified.

"These same people of Springfield do not have short memories nor can they be deceived by Murphy's failure to mention why he was called in. The facts are that as a special counsel, Murphy helped consummate the Shumpke Sewer contract which was rejected by the people of Springfield.

"And in case Mr. Murphy forgets, the Shumpke Sewer is the reason why this past political administration, whom he continues to represent politically, was promptly voted out of office.

"The people of our community opposed paying a disproportionate share of taxes for the Shumpke Sewer — against the past governing body majority's willingness to oppose the wishes of the people on this matter."

Bonadies concluded: "As a private citizen of Springfield, Murphy had the opportunity to reject the Shumpke Sewer as the people of Springfield did but he failed to do so. It remained for the people of Springfield to reject the past administration which represented as a special counsel."

## Briar Hills Circle Evacuation Success

The Briar Hills Circle area in Springfield was the scene of a unique experiment last Sunday afternoon. Over 200 people were evacuated in a "mock" plane disaster, presumed to be carrying radioactive materials.

The test was conducted by the Springfield Civil Defense Squad under the directorship of Saul Freeman. This was the first such test ever to be tried in Springfield and it was a huge success. The Civil Defense had the complete cooperation of all the affected residents. Witnessing the mass evacuation were Mayor Vincent Bonadies and Russell Sibole, township committeeman. The Mayor termed the drill "excellent."

Though the weather was wet and the wind nippy, the residents went through the motions of an actual disaster smoothly and effectively. The group arrived at the Watching Reservation at 1:30 p.m. without lunch in a convoy of 40 cars that practically emptied the quiet neighborhood of Briar Hills Circle. Dressed warmly, everyone downed lots of stew, coffee, milk, and donuts handed out by the Union C.D. emergency canteen. The meal was prepared by Mrs. Evelyn Couch of the Welfare Department.

The injured "victims" were taken to Overlook Hospital in Summit in 30 ambulances, recruited from neighboring rescue squads. Dr. R. W. Buchanan was in charge of the Disaster Plan at Overlook Hospital.

Ten victims were wheeled out with a Geiger counter when they were found to be carrying a tiny amount of planted radioactive material. Larry Blitzer, a member of the radiological

MASS EVACUATION—Last Sunday Springfield was the scene of a mass evacuation in the Briar Hill Circle. Sponsored by the Springfield Civil Defense Squad, over 200 residents left their homes in a large scale exercise. ## Lucy Gives Reasons For Resignation

Township Committeeman Daniel M. Lucy issued a statement today explaining his reasons for resigning as a member and chairman of the Finance Committee.

Township Committeeman Daniel M. Lucy issued a statement today explaining his reasons for resigning as a member and chairman of the Finance Committee.

Following is Mr. Lucy's statement:

"Two weeks ago, after serious deliberation, I resigned as Chairman and a member of the Finance Committee of the Township Committee.

"It is unfortunate that the event which led to my action occurred in the middle of a political campaign but as everyone acquainted with the facts of the situation well knows, I did not set that date. Mr. Bonadies did, and he set it months ago. He set it knowing full well what might result. Because it came about at this time, unfortunately, it has become clouded with the smoke of a political contest and, therefore, I feel that it is essential to clear away this haze, and bring the matter into true focus.

"It is not an easy matter for one elected official to take issue with another elected official who is not only a member of the same political party, but is its titular head as well. But, therefore, I have acted to preserve the best interests of the people at large.

"But, by clearly indicating that the Democratic Party, which I, too, represent, can and has put men into office who can think for themselves, I have proven my party's value. So, to remove this most important matter from the realm of politics and finally as regards the present campaign.

"Let us now get to the business at hand. This disagreement between Mr. Bonadies and me is one of basic principles. It is a wide division of opinion on several matters, two of which

## Lucy Refuses To Serve on Committee

of paramount importance: "First, the extent of the mayor's power to influence the affairs of the several departments and, second, whether sound business practices or purely political considerations shall govern the administration of the township's affairs. I look upon the office of Mayor, not as the seat of all power, but rather as a position from which to inspire and coordinate the activities of the several departments (working under the guidance and supervision of the particular committee's assignments. This is in accord with the committee chart of government under which the township operates. Next I will never agree with the philosophy that purely political considerations shall be injected into the administration of township affairs.

**IN DISAGREEMENT**

"It has been no secret that for many months Mr. Bonadies and I have been in disagreement on these issues. But during all that time I have sought to carry on the duties assigned to me. When, however, my willingness to try to cooperate was apparently construed as subject surrender to his philosophy, he passed the boundary beyond which I could not and would not go.

"The office of Tax Collector is an important part of our township's government. Last year it handled more than 2,500,000 of taxpayers' money. For the period ended September 30, 1960 it has already processed over 2,075,000 of tax dollars and for the full 12 months of 1960 it will exceed the 1959 total. But the Tax Collector has another important function which he performs. He also acts as Custodian of School Funds. In that capacity

## Murphy Challenges Appointment, Gov't Legality of Layng Post Queried

Republican Candidate for the Township Committee Paul T. Murphy questioned the legality of the appointment of Wilbert W. Layng as township tax collector at Tuesday evening's Township Committee meeting.

Mr. Murphy cited "Allgaier v. Township of Woodbridge, Supra, p. 637 in making the accusation.

"Appointment should not continue"

He stated, "the present appointment is illegal and should not continue."

Mayor Bonadies firmly said, "I have heard enough of illegal appointments. It is a serious matter. You may find it necessary to go further one day."

Murphy Stands By Pronouncement.

In retaliation Mr. Murphy emphatically announced, "I will stand by it."

**Distorted Facts**

The Mayor charged Mr. Murphy with distorting the facts. He stated, the statute cited was a permissive one. "I refer you to the statute and do not take

## Murphy Promises No More "One Man Rule" In Town

Springfield's Republican candidate for the office of Township Committeeman, Paul T. Murphy, promises "to eliminate one man rule, watch the annual budget and do something about the highway situation in the Township" in a statement released today.

Mr. Murphy's statement follows:

"The path of a minority candidate to the Township Committee is far from smooth.

"He may, if he chooses to follow Mr. Bonadies route, promise 'Baby Keep Well Stations,' 'Turn back my salary to the Township,' 'Civil Service for the Police,' 'Suff to stop the Highway,' 'Elimination of the Trolley Tracks,' and say other things that an ingenious public relations man can devise. The other route is to follow my course and promise only those things which you can accomplish.

"The first promise I have made is to eliminate 'One Man Rule.' My election will fulfill that promise. At present, only one Township Committeeman is exercising his obligation to vote independently on every matter before the Committee. With the elimination of Mr. Bonadies, every committeeman will be free to act independently for the greater good.

"The second promise, I make is to act as a bipartisan watchdog on our municipal budget. Our present municipal budget shows an increase of approximately 12 percent over the last year of Republican control.

"The third promise I make is to stop the Bonadies nonsense on the highway. Immediately upon my election and qualification, I will introduce a resolution directing the Township Attorney to investigate and report to the Committee and the Public on the advisability of following through on Mr. Bonadies broken promise to stop the highway with a lawsuit.

"The fourth promise I make is to introduce an ordinance prohibiting conflicts of interest in any local appointive position. The office of Township Attorney, should not be held by a party functionary. Nor should any other office. Once a man accepts a position of public trust requiring him to serve all of us regardless of party, he is morally disqualified, and should be legally prohibited from serving only part of us by virtue of his political position.

"The last promise, I make is to bring whatever skill I have acquired in my years of practice of law to my service on the

 city. In 1959, over 835,000. passed through his hands.  
 "In 1960 it will approximate 1,000,000 and in 1961 it will amount to about 1,200,000. Bear in mind this is taxpayers' money and the amounts handled signify to me the need for qualified people to do the job and with ample time in which to do it. In my daily business, there is a basic axiom: "to be responsible

for other people's money is a trust". I have looked upon my job as Finance Chairman as a "public trust" which should not be violated by political considerations.

"My opposition to Mr. Layng is not personal. We are friends of long standing and, in the midst of this situation, we are still friends and will remain so. Let it be clear that the appointment of Mr. Layng to this post did him no favors but, conversely, it made his lot most difficult. My opposition to his appointment was based upon four basic principles of sound government and business:

### JOB IMPORTANT

"Mr. Layng, as Tax Assessor, assesses property for tax purposes. This property tax brings to the township the largest part of its income. If for any reason he should fail to perform to his maximum efficiency, the town will lose income. On the other

hand, unless the Tax Collector collects the maximum amount of taxes, the town will lose income. Both of these jobs have grown to full-time proportions. If one man is in charge of both departments and he must divide his time between them, then one or the other will suffer.

"2. The records of the offices of Tax Assessor and Tax Collector are, in a large degree, inter-related. Therefore, they provide a sound means for double checking on the activities of each. If one man has control of the functions of both, this basis of double check will be seriously impaired or perhaps completely lost.

"3. If one person is to act as both Tax Collector-I believe-he is being given the means to exercise too much power, and that would be wrong. I do not mean to say that Mr. Layng would misuse his authority-not at all. But we could set a precedent whereby in the future a less worthy individual might succumb to temptation.

"4. The fact that the Tax Collector also acts as Custodian of School Funds causes an inter-relationship between the Board of Education and the Township Committee, on this point. If the township does not use its best judgment in filling this vacancy, it has an adverse effect on the function of the School Board.

"I was further strengthened in the knowledge that my opinion on this matter is correct when I conferred with the independent township auditors, Jos A. Seaman & Co., and they concurred with my belief.

"Now what does this mean as far as the operation of the Tax Collector's office is concerned? Well it means that for 24 months the office will have functioned under temporary leadership with a continuous line of temporary collectors.

team of CD, planted the sources on the victims. He found all ten victims with the Gelger counter.

Girl and Boy Scouts served as the "injured." All injured were taken first to the Florence M. Gaudineer School where they were given emergency treatment. From the school they were taken to the hospital.

Chief O. Meaker of the Springfield Fire Department was in charge of the demonstrations and rescues. The firemen showed rescue techniques for removing victims from windows and roofs.

Alex Blackman, president of the Briar Hills Circle Association, received Mr. Freeman's commendations for helping to so effectively organize the mass evacuation.

Officials of the Union County CD organization watched the exercise.

"I am motivated by my action in this instance still prevail. With me this is a serious matter."

"During the last couple of weeks efforts have been taken to lend to my action a political tinge. This is farthest from my mind. I am still a Democrat; I make this clear. This proves the value of the Party that we are able to stand up and say what we feel.

"I want it clearly understood that so long as Layng continues in the dual capacity and certain other matters still exist, I cannot function. It is a violation of pure business principles. This is the reason why I have taken this action."

Mayor Bonadies stated that he regretted the action that Mr. Lucy had taken. He "clearly indicated" that the body is constituted to serve the community. He went on to say, "I firmly believe the governing body will lean toward a workable situation to bring about the ultimate appointment of a Tax Collector on January 1, 1961-an individual properly indoctrinated in the office. Certain differences of opinion should be resolved as to the make-up of the Finance Committee as decided here, this evening. . . . Mr. Lucy has a great deal of information to add to the Finance Committee."

"Mr. Lucy would not change his decision. He had previously stated to the Committee that he would act as a consultant in an advisory capacity since it was his understanding that William Balentine, Howard Flammer and Russell Sibole would be the committee members. The instructions given by Mayor Bonadies authorized all five members to serve on the committee.

Mayor Bonadies asked the governing body to resolve the matter in conference.

Mr. Sibole, the junior member of the finance committee, made it clear that there was not any real dissension between Mr. Lucy and the other members of the Township Committee. He said, "I feel very strongly that we had an effective finance committee and I feel the problems still can be resolved before the first of the year. This conviction made me go along with the Layng appointment."

Township Committee.

"These promises may not seem as attractive as my opponents, but unlike him, I can deliver. I will never find myself in his position of going before the people of Springfield for reelection and being called upon to answer for broken promises.

"The campaign against Bossism is entering its final stages. It has met with tremendous popular support. In the last stage every political trick known to the Boss will be pulled and he knows many. Several weeks ago a tremendous and costly telephone installation was installed in the Democratic Brain Center.

"Last week I received numerous phone calls from outraged citizens complaining of calls from fictitious Republican organizations, recommending a vote for Mr. Bonadies. Mr. Bonadies concept of two party government is to pose as a Republican every three years. He in-

SPRINGFIELD Township Committee chairman Daniel M. Lucy yesterday resigned as chairman and member of the finance committee, and announced he would not support his fellow Democrat Mayor Vincent J. Bonadies for re-election.

Lucy said he quit the finance committee because of what he termed the mayor's political maneuvering today in a campaign to have himself re-elected as a member of the township committee.

Much of the dispute stems from Charles Huff's resignation as tax collector effective Oct. 15. Republicans have claimed the post should have been declared vacant in June when Mr. Huff began a leave of absence.

The third organizational meeting of the Springfield Junior Chamber of Commerce was held Monday, October 17. Among those Springfield members in attendance were Henry Wright, Dr. Gerald Sydel, William Matysek, and Jack C. Lamb.

Also present were New Jersey State Vice President, Walter Stuyker, of Somerville and National Director, Robert Watson, of Mountaineer. The Junior Chamber of Commerce more commonly known as Jaycees, a national and international organization is a young men's civic group with membership open to all men between the ages of 21 and 35.

The inception of the Jaycees was begun approximately 40 years ago in St. Louis, Missouri. From there it spread rapidly throughout the country and within recent years has attained an international flavor through the establishment of other young men's chapters in 85 countries of the Free World. The Jaycees are a non-partisan, non-sectarian, non-political organization whose aim is civic improvement through leadership training of young men within any and every community. Not a business

### Become Star Freeholder and Committee Candidates Will Answer Questions at LWV Meeting

Anthony D. Cucuzella of 704 Fieldstone Drive, and John C. Gacos of 287 Short Hills Road, both of Springfield, have qualified as members of the 1959-60 Club of New York Life Insurance Company, according to Arthur M. Ninner, C.L.U., General manager of the company's Newark general office.

The League of Women Voters of Springfield will sponsor a "Candidates Night" as a service to Springfield voters. The meeting will take place at the Walton School at 8:15 Tuesday, November 1.

The candidates that will be present are those seeking election to the Board of Chosen Freeholders and the Township Committee. The moderator will be Mrs. John deVries, President of the N. J. State League of Women Voters.

The candidates for Freeholder will be asked the following questions: 1. "Your functions include operating the courts, conducting the elections, road maintenance, and welfare. In view of the industrial and population growth in Union County, in what additional areas may services be provided?" 2. "In your opinion, what is the most important problem confronting Union County?"

The candidates for Township Committee will be asked the following questions: 1. "In what areas if any, do you feel municipal services should be expanded to keep pace with the needs of an in-

creased population?" 2. "What proposals would you offer for solving the Morris Ave. trolley tracks dilemma?" There will be a short presentation of the public question. The League invites all residents to come hear and question the Republican-Freeholder Candidates, Edward Tiller, Harry Osborne, Peter McDonough — in Democrat-Freeholder Candidates Dr. Edward Carlin and Thomas O'Brien. Mr. Dalziel will not be present and the Township Committee Candidates Vincent Bonadies, Democrat and Paul Murphy, Republican.

### Stock Firm Opened Now

The recent formation of the F. S. Johns & Company, specialists in stocks, bonds and mutual funds, operating on 120 Morris Avenue, Springfield, was announced today.

The officers and personnel of the Corporation are: John A. Tricoli, President; John Cilverio, Vice-President; Frank S. Colura, Secretary-Treasurer; and Vincent Agostino, Senior Analyst; Registered Representatives, Larry Tricoli, Dan Milosca, Robert Cisco, Henry Ruiz, Peter Dowd, Al Regeyne, and Al Lozowski.

The F. S. Johns & Company give individual attention to the needs of the average investor and offers professional service to those primarily interested in attaining profitable growth in mutual funds, stocks and bonds. Each prospective investor is given personal guidance and advice as to the proper approach and buying of all-common and uncommon stocks.

### UNICEF Is Ready for Halloween

All plans for Springfield's third participation in UNICEF have been completed.

Young Halloweeners have been busy covering milk cartons with UNICEF bands which will identify their money containers for the world's hungry and sick children.

Parents can expect their children to bring home from school or Sunday School these containers to carry on Halloween.

Any children who have not received a container from school or Sunday School may do so at the Springfield library.

Flyers will be distributed to explain the "What, When, Where, Who and How" of the program to the parents.

Springfield has been so generous in the past that the children are looking forward to the trick being to treat through the United Nations International Children's Emergency Fund — UNICEF — on Halloween.

Elizabeth, Captain Leslie Joyner of the Springfield Police Department loaned a Colt ".44" "six-gun." Also on display are a Winchester rifle, Model 1873, and a "ten-gallon" cowboy hat, with Mexican braided-horsehair-hatband.

Also on exhibit in the Museum are several reprints of posters issued by Wells, Fargo & Co., about 1875, offering rewards for the capture of stagecoach robbers.

### Temple Religious School Moves to Larger Quarters

Due to the great increase in the number of students attending Temple Shavey Shalom's Religious School, Harry Katz, chairman of the Religious School Board, has announced the moving of the school to the Walton School on Mountain Avenue in Springfield.

Mr. Katz has said that "with-out the co-operation and great help that the Springfield Board of Education has shown, this move could never have been made. On behalf of Temple Shavey Shalom and our Religious School Board, I would like to express my sincerest appreciation to our Board of Education."

The change in Religious School buildings will be effective on Sunday, October 30. Classes will be held as usual, from 10:00 a.m. until 12:30 p.m. on that day.

### Western Relics On Display At Public Library

A new exhibit in the Springfield Library Museum which should be of interest to watchers of television "Western" programs consists of relics from the frontier era of the west, assembled by the Curator.

Included in the exhibit are a six-foot rattlesnake skin and a pair of Texas steer longhorns, loaned by James Harvey of Eliz-

**1st Children's Show to Start At Paper Mill**  
"Grandpa Whip's Family Album," a Story Players production, will be staged at the Paper Mill Playhouse in Millburn Saturday, Oct. 29, at 11 A.M. as the first of three shows for children to be presented this season.  
Ray Boguslav, who has appeared in concerts with Harry

Belofonic and Theodore Bikel, acts the role of the guitarist-folk singer whose songs narrate the action in which pictures from a pioneer's album come to life with the aid of a magic tree.  
Dee Henoch, who wrote and directed the show, adapted the story from an idea by folk singer Pete Seeger and dancer Marjorie Mazia. The music is a compilation of American folk music collected from all parts of the country in dance, song and story, the audience hears fiddlers, pioneers, railroad workers, and cowboys and personages from American folklore step from the pages of Grandpa Whip's album onto the stage.  
"Grandpa Whip's Family Album" at the Paper Mill are \$1.50, \$1.25, \$1, and 75 cents. They can be ordered by phoning DRexel 6-4343 and can be paid for by mail.

**Paper Mill Plans Varied Fall Season With Kids' Shows and Musicals**

The most active and varied fall season in many years at the Paper Mill Playhouse was inaugurated this week with the opening Tuesday night of the widely acclaimed musical, "West Side Story."  
This Saturday at 11 A.M., the Story Players will present their production of "Grandpa Whip's Family Album" as the first of three shows for children scheduled at the Paper Mill this fall. Coming Sunday afternoon, Nov. 13, will be the first of five Burton Holmes travelogue programs—"England, the Country of Charm" and "Roundabout London the Alluring City." Presentation of "West Side Story" at the Paper Mill fulfills a promise made to Playhouse patrons at the beginning of the year by Frank Carrington, director of the Millburn theatre. The promise was to resume musical productions after a summer of plays with stars. "A random sampling of audience opinion showed an overwhelming preference for 'West Side Story.' We were fortunate in being able to obtain the rights to the show while it is still running on Broadway," Carrington reports. "Another piece of good fortune was being able to sign for our company several alumni of the original New York production."  
Sampling of audience opinion also revealed that many parents wanted the Paper Mill to schedule children's shows on Saturday mornings. The opening children's show, "Grandpa Whip's Family Album," incorporates music, history, folk-lore, dance and singing narration—elements enjoyed by young audiences.  
The scheduling of five Burton Holmes travelogues also is the result of a poll of Paper Mill

LAS VEGAS TO MILLBURN—Luba Lisa, who plays the role of Anita in the "West Side Story," at the Paper Mill Playhouse, had been featured as a singer and dancer in the "Folies Bergeres" in Las Vegas before joining the cast of the Millburn production. She will be seen dancing with Maurice Chevalier in the upcoming movie, "Pepe."

**TAKING CARE OF YOUR GARDEN**

By Edward A. Cardinal

During the past two weeks I have had many inquiries as to the advisability of treating crabgrass. Enough seed has fallen by this time to make it too late for further post-emergence treatment. Pre-emergence materials can now be applied to control next year's crop of crabgrass. I would select a brand that is well known, and preferable one that carries a guarantee. Don't expect 100 percent control the first year, but rather a reduction in the amount of plants that mature. Consistent treatment is important, and more important is to keep the crabgrass from getting out of hand.

Q: I would like to use a crabgrass control, but my neighbor neglects his lawn. Shall I spend the money?

A: Years ago you had a problem, but the new pre-emergence treatment will kill most of the seed that finds its way to your lawn. However, you will probably have to treat it every year, unless your neighbor cooperates.

Q: My lawn has looked well all fall, but this week it has started to lose color. Is this a disease?

A: Hardly. The recent dry spell has caused it to lose color. Apply a good fertilizer and then water thoroughly. It will soon regain its luster.

Q: Is it too late to plant trees and shrubs?

A: These plants, including roses, are starting to lose their leaves at this time. They are entering their dormant stage and can be safely planted until the ground freezes solid.

Q: Can I plant tulips now?

A: This is an ideal time to plant tulips, daffodils and other Holland bulbs. Plant in soft earth, where the ground does not remain too wet, and use bone-meal as a fertilizer. Plant tulips in clusters of or bulbs for best effect when the budget doesn't allow beds.

Q: I like tulips, but they bloom such a short time I wonder if it is worth the effort?

A: Bulbs bloom over several weeks. Instead of planting just

are certainly worth the effort. Q: I saw what looked like a tulip, but it was only six inches tall. What was it, and where can I buy them?

A: These are botanical tulips, and can be purchased in any good garden center. There are many types of tulips such as peony flowered, lily, fringed, parrot, rembrandt and the conventional darwin, cottage and breeder varieties. Our garden center has at least a hundred varieties, with colored pictures of each.

Mrs. John Robert Avery

## Carol Pfeiffer J. R. Avery Wed

Miss Carol Audrey Pfeiffer, daughter of Mr. and Mrs. Arthur A. Pfeiffer of 31 Country Lane, Springfield, became the bride of John Robert Avery, son of Mr. and Mrs. John P. Avery of Watervliet, New York, on October twenty-second.

Pastor Lester Messerschmidt performed the ceremony at Christ Lutheran Church, Maplewood. A reception followed the ceremony at the Blue Shutter Inn, Union.

Given in marriage by her father, the bride wore a silk velvet gown with Alencon lace and seed pearls etching the neckline and sleeves. The skirt ended in a chapel-length train. Her silk cloud veil cascaded from a cloche of orange blossoms, and she carried a white orchid and stephanotis on a Bible.

Miss Gail Fowler, maid of honor, wore a princess style dress with scooped neckline of apricot velvet as did the flower girls, Misses Nancy Dunne and Candice Keays.

The bridesmaids, Misses Sandra Buerle and Marguerite Murphy wore the same style dresses in fern green velvet.

All the girls carried a cascade of chrysanthemums in fall colors

with the exception of the flower girls who carried baskets of fall flowers.

Wayne Pyles served as best man, with Irwin Buck and Peter Dunne ushering.

The bride is a graduate of Jonathan Dayton Regional High School and St. Vincent's School of Infant Care Technicians, Montclair. She is employed at Muhlenberg Hospital, Plainfield.

## Miss Dickinson Is Betrothed

The engagement of Miss Virginia Marie Dickinson, daughter of Mr. and Mrs. Christopher E. Dickinson, 51 Burnside Avenue, Cranford, to James P. Biondi, son of Mr. and Mrs. James V. Biondi, 10 Prospect Avenue, Mountainside, has been announced.

A graduate of Cranford High School, Miss Dickinson is employed in the purchasing department of the National Gypsum Company, Garwood.

Mr. Biondi attended Valley Forge Military Academy, Valley Forge, Pennsylvania, and Jonathan Dayton Regional High School. He is associated with the W. J. Casey Trucking & Rigging Company in Newark.

## Lynn B. Pecklers Marries Walter E. Peal of Clark

Miss Lynn-Beverly Pecklers, daughter of Mr. and Mrs. Arthur Herbert Pecklers of 1846 Raritan Rd., Scotch Plains, and Walter Ernest Peal, son of Mr. and Mrs. Ernest Joseph Peal of 1228 Riverside Dr., Clark Township, were married at 4:30 p.m. last Saturday in Willow Grove Presbyterian Church.

Rev. Julian Alexander, Jr., pastor, officiated. The organist was Richard Erbacher of Hempstead, L. I. and the soloist was A. Henry Gehander of Scotch Plains. A reception was held at the Park Hotel, Plainfield.

Given in marriage by her father, the bride wore a gown of Dupont silk with bateau neckline trimmed with Alencon lace and pearls and skirt ending in a chapel sweep. Her crown of pearls and rhinestones topped a net mantilla trimmed with Alencon lace, which hung below the knees. She carried a cascade bouquet of white Georgiana orchids and stephanotis.

Miss Ellana Litch of Westfield was maid of honor. Bridesmaids included Miss Andrea Pedowitz of Scotch Plains; Miss Miss Helen Beth Frantz of Cranford, cousin of the bride; Miss Jean Marie Kortjohn of Jersey City, and Mrs. Clayton Peal of Fanwood, sister-in-law of the bridegroom.

The attendants were dressed alike in emerald green faille, street-length dresses, with matching head pieces of feathers, of white Fuja, anemone and button mums.

Harold Peal of Clark was best man for his brother. The ushers

were Allen Bregman of Elizabeth; Ronald Morsback of Roselle Park; Clayton Peal of Fanwood, brother of the bridegroom; and Raymond Tag of Dallas, Pa., cousin of the bridegroom.

The bride is a graduate of Scotch Plains-Fanwood High School and the Cambridge School of Business, New York City. She is employed by W. H. Meeker, Inc. of Elizabeth.

The bridegroom is a graduate of Thomas Jefferson High School, Elizabeth. He is in the construction business.

After a wedding trip to the South, Mr. and Mrs. Peal will live at 825 East Elizabeth Ave., Linden.

Pre-nuptial parties included a party for the bridal attendants given by Mrs. Pecklers at her home—a kitchen shower given by Mrs. Carol H. Frantz, and Miss Helen Beth Frantz at their home, 612 Brookside Pl., Cranford—a miscellaneous shower given by Miss Ellana Litch at her home, 553 Prospect St., Westfield, and a dinner party following the wedding rehearsal at the home of the bridegroom's mother.

## Clara Louise Celebrates 25th Anniversary With Expansion & Doll House

Mr. and Mrs. W. L. Pickering, owners of the Clara Louise, Quimby Street, Westfield, have announced the 25th-anniversary expansion of their shop.

The shop has been enlarged by 50% by absorbing the adjacent building formerly occupied by a Chinese restaurant. The departments and aisles have all been made larger to make shopping more leisurely and comfortable.

An unique feature of the enlarged store is a real live doll house for the children to play in while mother shops. The doll house will be equipped with play things of interest to the children.

It was 25 years ago that the Clara Louise started out as a "hobby" offering dresses exclusively. Shortly after, however, additional lines of coats, suits, sportswear and lingerie were added for Juniors, Misses and Womens size ranges. Moving next to the building formerly occupied by the library in 1943 and expanding to double its size in 1944 additional lines were added for children, girls, teens

and sub-teens so all the girls of the family could shop together. In 1952 Clara Louise moved to its present quarters on Quimby Street. At that time many new lines of better merchandise were added.

Mrs. Pickering and the Clara Louise have become widely known for the excellent fashion shows she conducts. Usually booked a year in advance by various womens organizations, they have become extremely popular.

#### JAMES CALDWELL SCHOOL

Mrs. George Kune, and Mrs. John Schoch, represented the James Caldwell School P.T.A. at the fall county conference of the Union County Council of Parents and Teachers, which was held on Thursday, October 20, 1960 in the Governor Livingston Regional High School in Berkeley Heights, N.J. George Anderer, well-known community relations co-ordinator for the Philadelphia Police Department, spoke on the Juvenile Aid — Philadelphia

meeting was "Community Resources to Meet the Needs and Challenges of Youth." Mrs. William Wood, Membership Chairman, reports that the membership of the James Caldwell School P.T.A. has reached 580. The goal set for this year is 600.

Mrs. Thomas Smith, International Relations Chairman, announces that the UNICEF cartons will be available at the school for all those children electing to take one with them on Halloween night. This year, the project is under the sponsorship

of the Methodist Church of Springfield. The cartons will be collected by the mothers on Halloween night and the next morning, at the various collection centers.

### GAUDINEER

The fifteenth birthday of the United Nations was celebrated at the October 24th meeting of the Gaudineer P.T.A. Mr. Weyman O. Steengrafe, chairman, Westfield United Nations Committee and well-known lecturer and educator, was introduced by Mrs. Daniel Kalem, International Relations chairman. Mr. Steengrafe's theme was "You and the United Nations" and with this view in sight he explained the ideals and workings of this world organization. "The United Nations is our best hope for peace," stated Mr. Steengrafe as he outlined the diverse activities of the U.N. such as UNESCO and the World Health Organization. The audience was told to keep in mind the fact that the U.N. is in its infancy and has not recognized its full strength as yet; it is based on the unanimity of the "Big 5" and more to the point the United States.

Mr. Steengrafe then outlined the following things that each of us may do to further the aims of the United Nations: Keep informed about the United Nations by reading the newspapers; join organizations that support the U.N. such as "The American Association of the United Nations"; join the U.N. committee in your town; and visit the United Nations headquarters in New York.

In closing Mr. Steengrafe said: "Patriotism is America First in the creation of a worldwide leadership which will, someday, put Humanity First." Contrary to usual practice je-

freshments were served prior to the meeting, immediately after the invocation by Dr. Benjamin W. Gilbert, of the Springfield Methodist Church. During the refreshment period Mrs. Harry Wemischmer, P.T.A. Civil Defense chairman, presented Mr. Saul Freeman, Springfield Civil Defense and Disaster Center chairman who emphasized the very important place of Civil Defense in the protection of the community, pointing out that "A powerful and effective Civil Defense is a strong deterrent to any would-be aggressor." Mr. Freeman left us with this thought: A thousand additional workers are badly needed in our town if the work of this project is to be effective.

The attendance award was won by Mrs. Fernicola's sixth grade class. Mrs. Daniel Kalem, International Relations chairman urges participation in one or all of the following organizations sponsored by the United Nations: UNESCO United Nations Educational, Scientific, and Cultural Organizations, which fights illiteracy through the distribution of books and educational materials to the institutions of needy nations. For gift coupon, and other information, write to the United Nations, New York, N.Y.

UNICEF United Nations Children's Emergency Fund. The P.T.A. joins the other town organizations to "Trick or Treat" on Halloween with thoughts for the sick and hungry children of the world. Posters made by Mrs. Ackerman's Art Classes will be displayed in town. For information and a colored brochure about UNICEF greeting cards, write to the U.S. Committee for UNICEF, P.O. Box 23, Church St. Station, New York 8, N.Y.

CARE sends food packages, books, and educational kits, abroad. To send donations, or for information, write CARE, 609 First Ave., New York 60, N.Y.

FOREIGN STUDENTS INVITATIONS To invite a foreign student to visit your home, call Mrs. Kalem at DRexel 6-0582. Save The Children Federation aids needy children in this country as well as abroad. This can be reached at 345 E. 46th St., New York City.

**HOW Water Works**

**RACCOONS DO NOT WASH THE FOOD THEY EAT!**

DUE TO A VERY WEAK DIGESTIVE SYSTEM, THESE ANIMALS SORTEN TOUGH FOOD IN WATER BEFORE EATING.

Tip: You know? You can preserve your valuable phonograph records by washing them. Use a mild solution of soap and water with absorbent cotton for removing surface grease and dirt. Rinse using clear water with cotton.

Clark U Rep Speaks To JDRHS Students
George H. Merriam, director of admissions at Clark University, will visit Jonathan Dayton Regional High School on Friday, October 28.

He will meet with students to discuss the values of small college education and to answer questions concerning Clark and its curriculum.

A 1944 graduate of Clark, Mr. Merriam also holds a master's degree from Brown University.

He has served as Clark's director of admissions since 1954 and was previously a teacher in Maine public schools and at Bates College.

libraries circulate is Maurice Evans reading 'Hamlet'. To hear Shakespeare's word used immeasureably to the understanding of the printed word before you. A sample of the motion picture is noteworthy for the beauty of its shots, showing sea life along the rocky Devon coast.

In Springfield we have not yet been able to afford such services. To find money to get more space to house our fine book collection is still a problem. However, we have been able to do something for people interested in films. We have collected sources of film materials which can be used for educational purposes. This week the Library is having the list of these catalogs made on the duplicator. Any interested person may ask for a list.

# INSIDE... UNION COUNTY

By S. Sarakin

## EFFICIENCY IN COUNTY GOVERNMENT

The selection of three members to the Union County Board of Freeholders, is of major importance to those who desire to retain sound, efficient and economically operated county government. Party affiliations should become secondary when that which is best for Union County becomes an issue.

Since 1959 the administration of county affairs has been in good hands. An aroused electorate voted into office for the first time in county history a Democratic majority. Three of the Freeholder incumbents, Edward J. Carlin, M.D., Thomas J. O'Brien and William W. William Dalziel, are seeking election to a second term. They have established an enviable record that deserves the support of the county electorate.

The rising cost of government operation has been reflected in the home owners' tax bill. It is gratifying to note that in 1959 the county taxes were lowered one point. Again in 1960 the tax rate was established equivalent to the 1956 rate. There are those who will say that county ratable increases made this possible. However, the ratable increases in the county as a whole were also enjoyed by all municipalities.

A hospital expansion and accreditation program at Runnells Hospital that added thirty-six beds was completed in 1959. Last Sunday, over 500 county residents took advantage of the opportunity to view some of the results of the conversion of Rose Hall.

Built in 1956 under the Republican Board of Freeholders at a cost exceeding \$900,000 this building was occupied by only twenty-four nurses. The conversion, when entirely completed, will provide over 100 beds for the chronic ill and, furthermore, will mean an annual savings of over \$100,000 for the county.

The Democratic controlled board has provided an amount of \$600,000 for aid to local hospitals. Their interest in recreation has been shown by their cooperation with the Union County Park Commission in the building of an ice-skating rink at Warinanco Park and a golf clubhouse at Ashbrook Park. The reorganization of the county's probation department and the enlargement of the courts through mandatory legislation created increased expenditures of hundreds of thousands of dollars. The taxpayers' attention is also called to the mandatory program for the care of dependent children which increased by \$400,000 this year. The mere fact that the Board of Freeholders, through economy of operations, were able to absorb these amounts and still keep the tax rate stable is a fact that should not go unnoticed. The establishment of centralized purchasing effected many economies.

An investment program which took approximately one million dollars of county funds out of non-interest bearing accounts and put them into U. S. Government short-term savings bonds has brought added revenue to the county treasury.

The Democratic majority's inheritance of a county hospital that had lost its hospital accreditation presented a challenge of major proportions. Within the past two years improvements and corrections of hazardous conditions have been under way and, through the efforts of the Democratic majority, Runnells Hospital accreditation return is imminent.

The Republican candidates for Freeholder have shown no reason why a change should be made. They have made unsubstantiated statements which, in most instances, have backfired. In some instances they have carried their campaign to what can be termed "sinec tactics" which an alert electorate will not swallow.

The reelection of Edward J. Carlin, M.D., Thomas J. O'Brien and William Dalziel will assure Union County of a continuance of sound, economical and efficient management of county affairs.

## CLARK TOWNSHIP SHOWS HOW!

Clark Township, one of our more aggressive and enterprising neighbors, like practically every other municipality, is boiling over with an exciting election next month in which William J. Maguire, present Director of Public Works and Property, appears to be far in front in the mayoralty contest.

A good reason for Mr. Maguire's acceptance by the electorate of this fast growing community is the clear and forthright story told to the taxpayers by the current administration in Clark made up of Mayor John J. O'Connor, Director of Public Affairs and Safety Walter J. Lilley, and Commissioner Maguire, the GOP candidate for mayor.

Voters, at this time of the year, are deluged and snowed under with thousands of well chosen words, by letters, circulars, newspaper and every form of communication — all intended to influence the selection in the ballot booth.

The inspiration for all this exploration of an election for the office of mayor in Clark is that, across this desk, has come an interesting and well prepared brochure, under the title of "Progress Report," on behalf of Clark Township's official family. This very readable piece of literature should do a lot of convincing in the cause of Mr. Maguire's candidacy.

What is especially refreshing about this report is that it doesn't attempt to confuse the voter, the taxpayer with a lot of flimsy political hog-wash. For instance the "Progress Report" includes table of figures, evidently the result of good research, comparing the taxes on a \$20,000 home in Clark Township and what the taxpayer would have to pay for the same property in neighboring towns.

This is the kind of political talk the taxpayer understands—or even wants to bother understanding. There are a great many other categories in this Clark report to which the present governing body points with pride; accomplishments in that thriving community under Mayor O'Connors regime which are intended to ask "for continu-

ation of that kind of an administration by electing Mr. Maguire as Mayor."

Taxpayers, as a rule, are confused with the razzle-dazzle of "growthism percentages, assessed valuations, tax rate statistics" and other political-hocus-pocus. The Clark Township story is this simple:

The average taxes on a \$20,000 home in Clark will be \$108.30 annually while in Cranford it is \$162.28; in Elizabeth, \$682.48; Fanwood, \$507.32; Garwood, \$460.80; New Providence, \$510.98; Plainfield, \$602.48; Rahway, \$567.68; Scotch Plains, \$477.88; Springfield, \$497.70.

This is the clear explanation of an election issue closest to most of the taxpayers in a community, and we believe voters will be able to make up their minds when they have this economic picture.

Budgets, appropriations, tax requirements and other double-talk doesn't answer questions. This understandable table of taxes should help Mr. Maguire in the mayoralty race in Clark Township where there must have been a very excellent administration to show such community growth both in industrial development, housing, education—and so on.

Other municipal officers and, especially, candidates should "take a page" out of Clark Township printed report. Industry must have liked the way the governing body did business or they wouldn't have attracted such plants as the Western Electric, RCA, General Motors, Hyatt Bearings Division and a long list of other nationally known firms.

## Telephone Workshop Launched by GOP

### After Independent Voters

Telephone wires in the county hummed this week as Republicans moved into their most intensive effort ever to encourage support for the Nixon-Lodge-Case ticket.

Mrs. Helen Ogden of 19 Park Avenue, Cranford, and Vincent P. Wakala of 1495 Force Drive, Mountainside, are telephone co-chairmen for Union County.

The Republican telephone committee in the county is participating in the state-wide drive called the "Telephone Workshop."

More than 1,000,000 voters in the state are expected to be reached before Election Day by Election Day by the batteries of phones in each county.

Telephone chairmen of each of the state's 21 counties met this week in the Trenton GOP Campaign Headquarters to launch the "Telephone Workshops."

The campaign is particularly designed to see support of the independent, the still undecided and the person who only votes in Presidential elections.

Coordinating the state-wide drive will be the Women's Division of the State Campaign Committee under the co-chairmanship of Mrs. Eleanor Todd, Republican National Committeewoman from New Jersey; Mrs. Katherine K. Neuberger, president, New Jersey Federation of Republican Women; and Mrs. Helen Glasser, vice chairman, Republican State Committee.

The drive is based on the belief of Republican leaders that the majority of the independent, the undecided and the four-year voters will support the Nixon-Lodge-Case ticket.

Mrs. Todd said that "the majority of votes Republican Presidential candidates have received in New Jersey after 1944 gives us confidence that any effort to get out the vote and to encourage independent and undecided voters will benefit the Nixon-Lodge-Case ticket."

Republican telephone workers will canvass registered voters, and those still undecided will be sent to Nixon-Lodge-Case literature.

Also, voters will be encouraged and assisted in obtaining applications for absentee ballots before the October 31 deadline.

The second phase of the drive will be to encourage voters to get to the polls Election Day. Transportation and baby sitters will be offered by Republican workers.

Mrs. Neuberger urged that "those who can spare a few hours take part in this important campaign effort by calling their county telephone chairman and offering their services."

**BOY SCOUT NEWS**

The monthly Pack Meeting of Cub Scout Pack 172 of Springfield will be held tomorrow night, Friday, October 28th in the James Caldwell School auditorium. Supervised play will precede the meeting. All boys are reminded to wear sneakers, and be accompanied by one or both parents. This will be a Halloween party and the boys will wear the costumes they made at their den meetings. Small gold cups, donated by Mr. George Kunc, will be awarded to each boy in the Den with the best costumes. All the boys will receive apples on the stick.

Induction ceremonies for the new boys will also be held on this night, under the supervision of Cubmaster Ed Smith, assisted by the boys in Webelos. About 37 boys will be inducted. On Saturday, October 29th the Cubs in Pack 172 will distribute "Get Out To Vote" doorknob hangers. These will be hung on the door of residential homes.

Pack 172 is sponsored by the Springfield Lions Club and consists of the following as Council: Chairman, Ben Colandrea; Treasurer, Ellis Chisholm; Secretary, Helen Huneke; Publicity, Mary Cumberley; Cubmaster, Ed Smith; Assistant Cubmaster, Stanley Gold; Advancement, Murry Hurwitz and Funds, Irwin Kasston.

The Den Mothers are: Den 2, Dolores Prussing; Den 3, Dorothy Casillas with Mrs. Gargano, assistant; Den 4, Mrs. Musko; Den 5, Juanita Eaton, with Joanne Harback, assistant; Den 6, Marion Kane; Den 7, Maxine Adams with Kay Dobushak, assistant; Den 8, Ruth Greenfield; Den 9, Rose Colandrea with Joan Nitolo, assistant. Cubmaster Ed Smith is also in charge of Webelos Den 1.

**RUMMAGE SALE**

The B'nai B'rith women of Springfield will hold a rummage sale at the Millburn-Short Hills Bank at 170 Essex Street, Millburn in the Community Room.

It will be held on Tuesday, Wednesday, and Thursday, November 8, 9, and 10. The hours will be from 1 to 5 p.m. on Tuesday; and on Wednesday and Thursday from 9 a.m. to 5 p.m. For further information, contact co-chairman Helen Helsenhuber, DR 6-2290.

**Name Konrad Sales Head**

W. A. Konrad has been appointed head of the sales development section of export sales at the New York office of Creole Petroleum Corporation.

Development Company, now Esso Research and Engineering Company, 1947 as a chemical engineer. He is a chemistry graduate of Moravian College and later was awarded a bachelor of science degree from Lehigh University. He transferred to Creole Petroleum in 1956 as assistant head of the sales development section.

**Opening in Town**  
Philip Del Vecchio, Campaign Manager for Paul T. Murphy, and Walter Baldwin, Republican City Chairman announced the opening of the local Republican headquarters this week at 210 Mountain Avenue, near Henshaw Avenue.

The local Republican Party has the distinction of being the first group to establish a political headquarters in town. Both Mr. Del Vecchio and Mr. Baldwin pointed to this as evidence of the revitalization of the Republican Party in Springfield. Refreshments will be served at the headquarters on Sunday, between 3 and 5 P.M. It is expected that a large crowd of party workers, and those interested in working, will attend the opening.

## Don't let them play dirty!

Much of the children's play clothing is made of wash and wear fabrics. However, soap and water will not remove many types of dirt... and the clothes get progressively dirtier in appearance as they are worn.

Therefore, we recommend that you have these play clothes dry cleaned periodically to remove grease spots and dirt that resist your washing machine's efforts. The garments will look cleaner and get more wear.

You can also restore added life to your robes, house coats, dusters and other cotton synthetic fabrics by having them dry cleaned, too. We'll be happy to help keep the family looking their best, both at work and at play.

# Roselle Got BREAKS While Springfield Got BRAKES

Last week this paper's headlines read: "Bulldogs hungry for top billing." We would have been closer to reality if we had added: "but Roselle hungrier." That was the story Saturday as Roselle came another step closer to clinching their sectional championship, as Springfield drifted further away from title recognition.

In short order Roselle convinced the Bulldogs that they came to win. It took them only 7 plays to march 62 yards for the first score after Springfield had punted.

This Roselle march was assisted by a crucial 15 yard penalty against Springfield that set the ball on the 20. Richie Soules than skidded his right end for 20 yards and the touchdown.

**WASTED LITTLE TIME**

This first quick score by Roselle was indicative of what was to be expected the rest of the afternoon. This was a Roselle team that was anxious to get the job done. They were quick in their actions. They were alert throughout the afternoon intercepting three passes and recovering three Springfield fumbles.

The Bulldogs showed little in trying to cope with the

Roselle aggressiveness. Springfield moved the ball on the ground satisfactorily, but it required a more than satisfactory performance to shoot down the Rams. The Rams were outgained 177 to 97 yards on the ground, and held even in first downs, but when the Bulldogs showed signs of coming to life, Roselle was equal to the task (except for Herb Etzold's 80 yard touchdown run). If they had not been the Bulldogs might have pulled this game out in the fourth quarter.

After Etzold scored, and Tom Marino converted the score was 18-7. After forcing Roselle to punt, Etzold returned to the Rams 30. Once again Roselle indicated they had no intention of handing the game over to Springfield. They promptly recovered a Kirchberger fumble on their own 17.

Springfield's frustration had not yet reached its pinnacle. Once again they were knocking on the touchdown door, after recovering a Ram fumble on the Roselle 17. The Bulldogs moved to the Roselle 2 yard line, where Karl Kirschberger fumbled. Roselle then ran out the clock.

**FAIL TO CAPITALIZE**

You can look back over any ball game and pick out certain breaks that played a major part in the outcome of a game.

This game provided breaks for both teams. . . the difference being that Roselle capitalized on them, while Springfield watched them pass through their fingers.

Penalties hurt Springfield on Roselle's first scoring march. Fumbles, and interceptions also hurt the Bulldogs. But when Roselle fumbled, or their kick was blocked Springfield never took advantage of the opportunity. Roselle got the BREAKS, Springfield got the BRAKES.

**FILMS DISCOURAGING**

Herb Palmer's burden has not been lightened with the exiting of Roselle, because he now faces another undefeated team this Saturday. Edison has romped to five straight allowing their opposition only 12 points. Putting this "nightmare" aside for a few minutes, Palmer reverted back to Roselle.

"We weren't as high as they were," commented Palmer on his team attitude. "They put us in a hole and we were never able to get out of it. We didn't play a good game, but the boys never quite trying. I think this was obvious in the fourth

quarter." Back on the subjects of breaks, Palmer felt that "penalties hurt us, but that is no excuse for our loss. We had breaks that we failed to take advantage of. With all the crucial penalties called by the officials, I can't help but credit them with an outstanding officiating performance."

Palmer was asked if he was discouraged after the results of the Roselle performance. "It's a funny thing . . . I didn't become discouraged until I looked at the films. They showed how much we moved on them, but were unable to score."

**NOW FOR EDISON.**

The Roselle game is now history. Edison is now the problem. . . from they will be a "long sized" problem. In only their second year of varsity competition they have compiled an amazing 8-0 record, scoring 112 points.

With figures like that going for them, it would hardly be necessary to elaborate on their talents. Everyone in the Springfield camp is quite aware of the job awaiting them Saturday. The big question is . . . Can the Bulldogs bounce back as they did after the Carteret loss?

## Ole Casey Strikes Out

By Z. SPOUTER

There isn't much to say about the "Casey Stengel Issue" that hasn't already been said by the sympathetic New York writers. They have all paid homage to this controversial character in their only available way . . . extensive coverage in their papers. They have all taken the same stand . . . Casey was railroaded by the ruthless Yankees executives.

Who am I to contradict the big-timers? I'm sure Arthur Daley, Jimmy Cannon, Red Smith, Dick Young and the rest have their reasons as well as inside info to back up their convictions.

Being isolated from the game along with the average sport fan, I can only read what they write and draw conclusions from their material.

My conclusions are . . . 1) it was something you would expect of the Yankees, 2) there is sound logic in their reasons for firing Stengel, 3) the Yankees will continue to dominate the American League.

Let's take them one at a time.

You would expect this from the Yankees, because they are the only baseball club, that is run like "business." They have no favorites, they have no sympathy for "has bens." Either you produce or you look for another job. Granted, Stengel was still producing but the Yankees have in the past, showed an uncanny knack of knowing when a person has reached his peak. They don't wait until he has started the long slide down.

Yankee personnel don't get the opportunity to slide by, they are disposed of before their top value is lost.

The Yankees owe Stengel nothing, and Stengel owes them nothing. Stengel made a name for himself with the Yankees. He also made a name for the Yankees. He was the best "walking advertisement" any Madison Avenue firm could ever hope to dream of.

But the Yankees are all business. They won't tolerate mediocrity, or horse play. The case of Billy Martin is a good example. Martin was the sparkplug of the ball club, but he was also the sparkplug of the "guy boys pack." What happened . . . they traded him and continued to win pennants.

My second conclusion has been partially explained. You can't criticize or second guess a successful operation. Would you think it wise to criticize a company as successful as . . . say . . . A.T.&T. I don't think it would. In the same breath, how you can criticize the Yankees. They gave Stengel the players, and the money to work with, they'll do the same for Ralph Houk. And they'll continue to be the class of the league.

## The Spouter Says:

We goofed pretty bad last week in our Springfield selection, but we were lucky in the other two games.

I guess if you look hard enough, consolation can be found in the most distressing situation. We were way off on the Springfield game, but so were most of the "weekly guessers." The weekly guessers were also way off on the Berkeley Heights game, but we weren't.

What really hurt about the Springfield game was that I lost money in a "friendly little" office pool. Being the hot shot sports editor, I thought I had some real "fish" in the office. The one coming closest to the correct score won the jackpot.

As you well know I certainly didn't win. I'm almost ashamed to divulge the winner.

We have some girl that is loyal to any institution she has ever attended. If her grammar were playing the New York Giants she would bet against the Giants. Well to make a distasteful story short, she attended Roselle. So naturally she picked up Roselle. So naturally she won the pool. So naturally I was mad.

Now for this week.

### EDISON OVER SPRINGFIELD

This is the first week that I have not picked Springfield. Aside from the fact that Edison is undefeated, I don't think Springfield will be ready for Edison.

Herb Palmer will have a tremendous problem getting his team mentally ready for the rugged Edison group. There have been upsets before.

### SCOTCH PLAINS OVER HILLSIDE

All year Chuck Nelson has been saying his team has not yet reached its potential. Maybe after their win last week, they have finally found themselves. It won't be easy, but with Willie Jones on the line and Bruce Springer in the backfield it should mean victory for the Raiders.

### BERKELEY HEIGHTS OVER NOTRE DAME

I'm basing this strictly on the fact Notre Dame has not won in two years. Why should this Saturday be any different. Notre Dame is not in the class of Hanover Park, so Livingston should get back on its winning path.

(Spouter's Record To Date: 8 wins, 5 losses, 1 tie.)

## Some of The Bright Spots In Springfield's Loss

**THEY'LL NEVER CATCH HIM** — It happened to score his seventh touchdown of the season as NOT THIS TIME — Etzold was stopped this time, once all afternoon, a Springfield back broke loss he leaves Donald Lopez of Roselle in the rear. but not before he picked up five yards. Etzold labored to make the stop, to score a touchdown. Herb Etzold is on his way he leaves Lopez of Roselle in the rear. picked up 88 yards in 8 carries for the entire

afternoon, On this play two Roselle tacklers col- laborated to make the stop.

## Highlanders Fail To Compensate for Poor Start

### Hanover Led 34-7 At Half

Too little too late. Too late: The 12 points tallied in the second half.

Too late: After being outplayed and outthrust for 2 periods, they finally woke up, but it was too late to overcome their 34-7 halftime deficit.

This is the story of Governor Livingston's 41-19 defeat to Hanover Park.

An outstanding back, Bill Smith, raced for two touchdowns before the Highlanders realized they were playing football. Not until Al Brown was able to "pop them up at halftime" did the Highlanders resemble the team that had won two consecutive games. Brown described the team's performance as "non-aggressive, slow-reacting, while the opposition moved free and easy."

This has been Brown's season long objective . . . to make his team aggressive . . . hard tackling . . . hungry ball players. If Brown can instill this spirit, he should put a patent on his formula. Every coach in the country, whether they be Pop Warner, high school, college or pro seeks to have hungry personnel.

### AMONG OTHER THINGS

Among all the other problems Brown was faced with, he was also without the services of his first and second team quarterbacks. His second team signal caller, Ken McCann has moved to Michigan, while first stringer, Ken Hamilton has been out with the virus. The days before the game, Brown decided to use untried Frank Fish.

Commenting on Fish's performance Brown said, "Frank turned in a very fine game considering that it was his first game at the position. He was also outstanding on defense."

Brown summed his other problems as: 1) inexperience, 2) lack of aggressiveness, 3) poor tackling.

These are the some problems Brown has been speaking of since the start of the season, which might cause some fans to ask: How come they won two games if the team is still making the same mistakes?

There are a combination of factors. The team has improved immensely but it is still learning. When you meet opposition of Hanover Park's caliber, you can't afford to make the same mistakes as you do against a team like Manchester.

Brown also thinks a little luck was involved in the first two victories. "The Fate of Gods were with us the past two weeks. They deserted us this past week," Brown said philosophically.

### GOOD OFFENSIVE TOTAL

When all was completed for the afternoon, the Highlanders showed 285 total offensive yards. Their running game accounted for 195 yards with Jim Fish picking up 127. Averaging 8.7 yards per carry, Fish ran for two scores.

Giving Fish some support in the running department was a relative unknown senior back, Bill Price. According to Brown, Price "ran well" in his first chance of the year. Price scored his first touchdown of the year on a 7-yard end run in the fourth period. Price averaged 5.1 per carry for the afternoon.

### ADEQUATE BLOCKING

Another of Brown's pet projects this year has been the offensive blocking of his linemen. Against Hanover he termed their blocking as "adequate but it has to be better than adequate against a team like Hanover."

Brown singled out Ken Stanton and Jerry DiPasquale as doing good blocking jobs.

### WINLESS IN TWO YEARS

This Saturday the Highlanders will be taking on Notre Dame, (of Trenton not South Bend) who has yet to win in two years of varsity competition. Last week they came as close to winning as they ever have with a 13-13 tie. Maybe the Fate of the Gods will return to Governor Livingston's side this week.

### Bowlers Strike

### At Cancer Ills Nov. 5 To 28

Contributing to charity will be part of a prize-laden game for New Jersey bowlers beginning November 5, and may lead to a free tour of Europe.

The state's bowling proprietors association is conducting a head-pin tournament from November 5 to 28 to benefit the Children's Cancer Fund. The Fund was started by twenty-eight women in 1950 with donations of \$10 each. They since have distributed upwards of \$600,000 for medical care, research and hospital facilities to alleviate sufferings of children with cancer.

Top prize in their state-wide bowling tournament is an expense-paid trip to Europe for also will be on the line in the two. Awards of \$1,000 and \$500 final, in addition to forty cash prizes for the leading scorers in each participating bowling arena. Entrance fee is \$1. Eighty-three of the state's 182 bowling centers affiliated with

the Bowling Proprietors' Association are slated to run the tournament. The top scorer from each house will participate in a roll-off for the grand prizes. Arrangements for the tourney were completed by Mrs. Herbert T. Mundin, president of the Children's Cancer Fund. No limit is placed on the number of times a bowler may enter the tournament. An individual

also may enter in more than one house. Each arena will have prizes for the first and second high scorers each week and for the top twenty-nine in the final standing. Three extra prizes are reserved for the leading women bowlers. A bowler will be limited to one final prize in each arena and if top scorer in more than one house will hold only one place in the grand-prize roll-off.

Members of the Professional Bowlers' Association are not eligible. Headpin bowling permit roll per frame for twelve frames with the total pinfall the score. However, the bowler draws a blank for any frame in which his ball fails to knock down the head pin. A maximum score of 120 would, under regular scoring, be a 300 game.

## Potts 696, Merritt Tavern, Somerset Bus in 1st Spot, N. J. Mixed, Echo Lanes

Joe Potts, one of the area's steadiest performers, led week-end pin-spilling activity in sanctioned league competition when he posted a 696 series for Merritt Tavern Sunday night in the New Jersey Mixed Major League at Echo Lanes, Mountainside. Sweeps were registered by Robert Treat Hotel, Thomas Furniture, Flemington Fur, Somerset-Bus-and-Stanley-Warner Theaters. Ann Noga's 604 Phil Cerone's 603 were high for Somerset Bus which leads by two games. Al Stranich posted a 613 for Robert Treat and Charles Rotunno listed a 610 for Thomas Furniture. Odd-game victors were John Franks, Sandler Worth, Irving Tavern, Seales Insurance, Lido Diner, Bilinskas Bros., Suarez Shell, Merritt Tavern, Larison Turkey Farms, The Rock Aeronautical Tool and Carol Travel. Joe Da Prile's 653 paced Irving Tavern, while Sam Dallipole's 614 and Bob Schack's 609 came in a losing effort for Coppola Builders. Pete Zaluski's 627 and Pete Bilinskas 612 were high for the Bilinskas Bros. squad, while John Smreczak had a 628 for Aeronautical Tool. Ray Ogter listed a 628 for Carol Travel and Lou Solafane hit 611 for losing Eastern Fuel. Warren Griffin led The Rock with a 601.

### Officials Meet

The New Jersey Basketball Officials' Association will conduct their annual written and oral examination for new candidates on Thursday, November 27, at the Mount Vernon Avenue School, 44 Mount Vernon Avenue, Irvington, New Jersey, beginning at 8 p.m. Prior to the test the Association will conduct a two session clinic for new candidates to help prepare them for the examination. The clinic will be held on Monday, November 7; Thursday, November 10; and Tuesday, November 15 at the Mount Vernon Avenue School, beginning at 8 p.m.

The Association furnishes officials for school, industrial and club leagues, and is affiliated with the New Jersey Association of the Amateur Athletic Union of the United States. All that are interested in taking the examination should contact William T. Rallo, Chairman, 3 Gerard Avenue, Sayre Woods South, Old Bridge, New Jersey for an application blank. In conjunction with the football clinic currently underway for Springfield youngsters between the ages of 9 and 12. All parents and friends are invited to come to the program which will be held from 9 to 11.

## Grid-Iron Star Chosen Mr. Regional

Herb Etzold this past Saturday was awarded in still of Mr. Regional.

Mr. Regional is one of the highest athletic honors awarded at Jonathan Dayton Regional High School. It is based on ability, sportsmanship and the coaches opinions of the student.

Herb was picked from six candidates, three of those fellow football players. John Leis, Regional end, standout on the basketball team and baseball player; Carl Kirchberger, Regional halfback; Tom Marione, Regional quarterback and a good man to have on the basketball court; Dave Lord, center on the basketball team; and Ken Ryder, center for the soccer team.

The award was presented Saturday at the Mr. Regional Dance held at JDRHS.

Johnson Makes Presentation. Dr. Jacobson, Principal of the school, was on hand for the presentation. The award was presented by the president of the Student Council, Rich Johnson.

This honor was first presented to Don Carpenter, three years ago. The second, Ed Reese, and now Herb Etzold.

Herb, a three-letter man in football and leading yard gainer this year, now has seven touchdowns, leading the Regional team and second in Union County.

# Raiders Finish Strong Against R. P.

## Springer From the Ground and The Air

READY TO CONNECT — Bruce Springer goes to the air for quick pass to end John Torbyn. Springer gets some good blocking from Willie Jones, who has been the Raiders' outstanding lineman thus far. (Photo by Bill McIntosh)

SPRINGER DIVES FOR TD — Chipping a 64 yard score against Roselle Park, Springer sprinted for march, Bruce Springer dives into end zone for 30 yards at one point in the 64 yard march. (Photo by Bill McIntosh)

Last week this paper reported that Chuck Nelson was not pleased with his Scotch Plains team's second half performance. He went into detail, explaining just what measures he planned to take to combat his second half blues. So after a week of concentrated effort with his new 3-Unit system, which he hoped would give him four quarters of aggressive football, what do you think happens?

— His team plays an unimpressive first half and a strong second half in beating Roselle Park 17-6. Both teams scored all of their points in the second half.

**STAYS WITH 3-UNIT**  
Actually Nelson deviated a little from his 3-Unit system. It would be pretty difficult for any high school coach let alone one at a school the size of Scotch Plains, to be able to field 3 equally strong units. For the most part Nelson alternated just 2 units. Every six minutes a new unit was inserted, unless a unit was going exceptionally well. This happened in the third period when the Blue Unit started to move effectively. Nelson then decided to abandon the unit system in favor of his individual substitution.

**PROFITABLE FOURTH QUARTER**  
For three quarters both teams were equally ineffective with penalties adding, Roselle Park, but unable to take advantage of them. Park was running from exceptionally long counts, which resulted in offside infractions against Raider linemen. But when the Raiders were given an opportunity they jumped at the chance. A blocked Park punt was recovered by Scotch Plains on Park's 33.

Five plays later the Raiders had broken the scoreless deadlock as Haywood Gipson broke through from the 1 yard line. The then tired-up Raiders took possession on their own 88 yard line and in just seven plays this time, marched 64 yards for their second touchdowns of the quarter. Bruce Springer highlighted this march with a 30 run on a roll out.

**FIRST IN FOUR YEARS**  
With a 14 point lead and a few minutes remaining, Chuck Nelson went to a weapon that is used often in the pros—the field goal. From 20 yards out (actually it is 30 because of the 10-yard end zone), John Torbyn made like Pat Sumner and added 3 points to the Raider score. At this point, Park scored its only touchdown, as Joe Augustine romped 80 yards with the kick off return for their only score. Nelson commented on Augustine's performance, "He is without a doubt the finest back I have seen in the last couple of years. He really

gave us a rough time throughout the afternoon."

**PRAISE FOR WILLIE JONES**  
After every game thus far, regardless of the outcome, Nelson always mentions the fine play of Willie Jones. According to Nelson, Willie has yet to have a bad game this year. . . . Willie plays middle guard on a five man line and really gives the opposing center a going over. He is not enormously big, but he is extremely strong with good speed. Nelson seems to think much of the Raider's success has to be attributed to Willie Jones.

**THIS MAY BE THE WEEK**  
This is a team that has yet to find itself, Nelson seems to think. They have not been able to combine their strong passing game with their running game. When one is working the other is bogged down. Their offense is centered around their passing, but they have to use their running to open up the defense. When this happens the Raiders may be ready to pull some upsets.

With a couple of teams like Metuchen and Cranford still on their schedules, upsets will definitely be required.

This week the Raiders will be at home against a rugged but not too winning Hillsdale. They have only beat Clark, but have lost to some very strong teams including Springfield and Roselle, by comparatively close scores.

### Short Hill Skiers Meet

The first meeting of the Short Hills Ski Club will take place on Wednesday, November 2nd, at 8:30 p.m. at 488 Ridgewood Rd. in Maplewood. All interested individuals are invited to attend, skiing experience is not necessary. A lodge in Londonderry, Vermont is available to all members in addition to visits to other ski areas. Nightly programs include speakers, movies, and holiday parties.

Club officers for the 1960-61 season are William Everett, president; Norman Merz, vice president; Adriana Rioli, secretary; William Henn, treasurer; and Robert Vliet, trip chairman.

## Area Bowling News

By ED CARDINAL  
Colontone won two games from Drexel Cleaners in a dull match, and retained their number one spot. Hal Burdette, bowling like the champ he is, sparked the Colontone team with a high game of 211 and 583 series, upping his individual average to 185. After the first game Drexel just couldn't get rolling.

Conte Dell, despite the high scoring of three of Springfield's finest on the P.B.A. team, took two games in a hard fought match in which Ted Smith, of the police, set the seasons individual 3 game series at a high of 623. Kennedy continued his high scoring drive with a 211 and 573 series and clinched the second place individual average with a standing of 180. Herb Quinton's 593 series was not quite enough to reach the charmed 600 circle, but he posted two fine games of 291 and 211. The P.B.A. also posted a high 3 game series of 1042.

Bond Electronic climbed no higher than 6th place in their 2 game win over Carol's Stamping. Wes Eich's 208 was the highest game posted in this match. Sam's Friendly Station fielded firmly to the spot in the sub-climax despite their 2 game victory over the third place Milton Liquor team. Once again it showed that high scores are necessary with the new point system inaugurated this year.

This year the Sport's league inaugurated a new system of scoring. Each team receives a point for a victory, and the four teams having the highest three game scores receive 1 additional point. Lets look at the record. Without the extra points, and considering only games won, the standings would remain the same for the first three teams. However, while only two games separate the first and seventh place teams in the games won column, there is a difference of five games because of the point system of scoring. Drexel Cleaners with 10 wins and 11 defeats has benefited the most by the new system as they have gained 4 points for high scoring. The Colontone team with 12 wins and 9 losses has only gained 5 points while holding their 1 game lead. Bond Electronic, while only 1 game out of first place, is in sixth position because they have only gained 1 point for high scoring. Looking at the entire record the point system has hurt only Bond and P.B.A., and this

is by a margin of 4 games and 1/2 game respectively.

### TEMPLE BETH AHM

Results in the Temple Beth Ahm bowling league on Sunday at the Blue-Star Lanes showed D. Kaplan's team tied with S. Atkin's team with 144 records. I. Cohen and his team are a close second with a 135 record with 4 consecutive three-game sweeps.

High series honors went to I. Cohen with a 698 series and a 224 high game. S. Garner had a 568 series with games of 208 and 219. S. Atkin had a 559 series and 221 game. A. Green bowled 200 even.

League Secretary Sid aber announced today that 2 bowlers are needed to round-out the league. Faber is seeking bowlers in the 150-160 average area. Anyone interested call Faber at DBexel 6-6104.

## Skin Diving, Scuba Class Offered at Y

The Summit YMCA is now accepting applications for a new skin diving and SCUBA diving course to begin on fall at the Playhouse.

This course is the new national YMCA training course, and will be taught by experts from the SCUBA Club of New Jersey, a Summit YMCA affiliated club.

over sixteen years of age, both members and non-members of the YMCA. Interested persons should call Mr. Choquette at the Summit YMCA, Crestview 3-3330.

Skin diving is a fast growing new sport and the YMCA feels that because of the many dangers involved, people should be well-trained. SCUBA, which is the abbreviated form of "self-contained underwater breathing apparatus," is the art of using the aqua lung.

The course will consist of both lectures and water work in the pool, and will meet the first and third Thursday of each month for three hours each session. Material to be covered in the first part of the course includes: Basic equipment, medical aspects of diving, physics, snorkel and surface diving, first aid and water safety. The SCUBA course will deal with medical and physiological aspects of diving, physics, SCUBA equipment, compressed gases and diving environment. There will be several water tests in each part.

The enrollment will open to twenty people, male and female.

The speaker was Maj. Richard C. Orphan of the special weapons group at Eggham Arsenal.

He said that the President is the only one who can decide on the use of nuclear weapons. He added that future wars will be fought by troops scattered widely so as not to present an attractive target for nuclear weapons.

Louis Clagen of Westfield will

moderate a panel discussion on "Engineering in the Sixties" to be held tomorrow night at Bell Laboratories, Murray Hill, for 200 high school guidance counselors, it was announced.

## How About Volley Ball

All women interested in playing volleyball are invited to come out to the Gaudineer School every Thursday evening at 8 p.m.

The Springfield Recreation Commission is sponsoring these volleyball nights. Don't forget, get some exercise and have lots of fun—come to the Gaudineer School and play volleyball.

## Army Ready For Warfare

The Professional Engineers Society of Union County was told Monday evening at their weekly meeting that the Army is ready for a conventional war, one fought with limited atomic weapons, or an all-out nuclear war.

The meeting was held in the Howard Johnson Restaurant in Springfield.

The speaker was Maj. Richard C. Orphan of the special weapons group at Eggham Arsenal.

He said that the President is the only one who can decide on the use of nuclear weapons. He added that future wars will be fought by troops scattered widely so as not to present an attractive target for nuclear weapons.
