Bonadies Scores Decisive Victory

Werner Named Alumnus of Year by Fraternity Group

Richard E. Werner was selected as "Alumnus of the Year" by the Alpha Phi Omega Nu Alhanna Chapter of Upsala College, East Orange, and was presented a plaque at the annual Homecoming Banquet Saturday November 6th.

Mr. Werner, a graduate from Upsala College in 1950, was cited for his many civic and social contributions during the past ten years, including the founding of the present Alumni Chapter of Alpha Phi Omega, a national service fraternity.

He has also brought Mrs. Eleanor Roosevelt, Gov. Robert Meyner, Dr. George Gallup, Mr. John M. McCaffery, and others to address the annual "Journalism Day" at Upsala College of which he also was the founder.

Other activities cited included his being one of the charter members and founders of Pi Delta Epsilon, National Journalism Fraternity, being a member of the Springfield Board of Education, and his participation as Treasurer of the Upsala College Executive Council.

Mr. Werner had been previously cited by the Upsala College Alumni Association in 1957 for his outstanding contributions to the college.

A General Agent for the Manhattan Life Insurance Company in New York City, Mr. Werner resides at 36 South Maple Ave., Springfield, with his wife and three children.

RICHARD E. WERNER

Science Seminars Started

On Tuesday, November 8, 1960, the Union County Regional High School District Number 1 of Springfield, inaugurated a series of Science Seminars for the Science Teachers in the High School District.

The first seminar was conducted by Dr. Samuel Seiffer, Associate Professor Biochemistry at the Albert Einstein College of Medicine in the Bronx. Dr. Seiffer's topic was the Chemistry and Structure of the Proteins and in his discussion traced the evolutionary development of the proteins as a complex class of biological chemicals. In addition he covered many aspects of the role of the proteins in living organisms and related this to their special structural characteristics.

Dr. Seiffer is a recognized authority in the field of protein structure. His major contributions to scientific knowledge being in the area of the structural characteristics of the protein, collagen, which is found in the skin and bones of animals.

The purpose of the Seminars is to provide an opportunity for science teachers to keep abreast with the rapid advances being made in the many areas of scientific research thus making it (Continued on Page 2)

Legion Auxiliary Will Visit Vets

The American Legion Auxiliary will have their next visitation to Lyons Veterans Hospital on Tuesday, November 15.

All members and any interested residents of Springfield are asked to meet at the Legion Home at 6:45 p.m. Transportation will be provided by Chairman Ruth Campbell's committee.

President, Rita Natello reminds all that the rehabilitation of veterans is one of the most important projects in our country today.

B'nai B'rith Entertains Lyons Vets

Patients at the Veterans Administration Hospital at Lyons are being entertained this evening from 7:30 to 9:30 p.m. by B'nai B'rith Women Northern New Jersey Council.

The B'nai B'rith program calls for a card party for approximately 150 veterans.

Springfield Chapter of Springfield is being represented by Mrs. Harold Spiegel of Springfield, the chapter's veterans service chairman.

Lyons Chapter of Springfield is being represented by Mrs. David Weinstein of Springfield, the chapter's veterans service chairman.

Mrs. Weinstein is heading the overall program sponsored by the B'nai B'rith Women. Mrs. Herbert Hausman of Union, Council president, is coordinator. Refreshments and prizes are being distributed to the hospitalized veterans through Council and its 32 chapters.

Following the card party, veterans service chairman are taking part in a half-hour orientation discussion with a representative of the hospital's volunteer service.

ORT Holds Supper and Fashion Show

The Springfield Chapter of Women's American ORT (Organization for Rehabilitation Through Training) will hold its annual Fall Up Membership Supper tonight at 7 at Temple Beth Ahm, Springfield.

Mrs. George Levine, Pres., Mrs. H. Silverman, Membership Vice-Pres., and Mrs. L. Rosenbaum, Chairman and her committee have planned and prepared a full course, delicious supper for the entire membership to be followed by a gala evening of entertainment.

A Fashion Show will be presented by the Bandbox of Union featuring exciting new fashions for the current season and exquisite furs by M. Blaustein, Newark.

The models will be professional and members combined. Prizes galore have been made available for the lucky winners present including two seats to the New York production of "Do Re Mi."

The Bandbox announced that they will give a 10 percent discount on all shown merchandise ordered after the show.

Regional PTA 2-Day Bazaar To Hear Talk By Rev. Shea

Reverend Joseph T. Shea, Director of Admissions at Seton Hall University, South Orange, will speak before the next general meeting of the Jonathan Dayto, Regional High School P.T.A. Thursday November 17, at 8:00 P.M.

His subject will be college Admissions, post graduate studies in law, medical, dentistry and other professions.

A graduate of Seton Hall College, and Catholic University of America, Reverend Joseph T. Shea, was appointed to the faculty of Seton Hall in 1949 as assistant professor of classical languages and became University Director of Admissions in 1955.

This meeting is open to anyone who wishes to attend. Students are also urged to come.

Mrs. Michael Passero, Jr. is program chairman, and Mrs. G. Fletcher, Kenilworth, president will preside.

Refreshments will be served in the cafeteria.

Duplicate Bridge Winners Reported

Temple Sharey Shalom announces the following Duplicate Bridge winners of the game which was held on Tuesday evening, October 25. 1st place: Ingrid Hess, Harry P. Lowy, Jr.; 2nd place: Judy Couteil, Sonny Crouch; 3rd place: Cynthia Canter, Irving Greenbaum.

These A.C.B.L. Duplicate Bridge Contests, which are sponsored by Sharey Shalom, are open to everyone at a charge of \$1.25 per person. A.C.B.L. rating points are given and the winners work towards their master points. Sharey Shalom has the franchise for Duplicate Bridge in this area.

The games are held in the Temple House, 78 South Springfield Avenue in Springfield. For further information please call Stanley Sattenspiel at SO 2-3351.

Rosary Society Plans Annual Card Party

The St. James Rosary Society of St. James Church, Springfield, will hold their annual card party on Thursday, November 10 at the St. James Auditorium.

Mrs. Walter Zieser is chairman.

Women's Club Sponsored by Temple Kicks-Off Drive With Pitt as Speaker

The Women's Fellowship of the Battle Hill Community Methodist Church will hold its annual bazaar on Friday, November 18th, from 10:30 a.m. to 9 p.m., and on Saturday, November 19th, from 10:30 a.m. to 2 p.m. Preparations for the bazaar have been directed by Mrs. Richard Dravis, chairwoman, and Mrs. William Schnabel and Mrs. Fred Buttke, co-chairwomen.

A roast beef supper, under the direction of the Esther Circle, Mrs. Richard Vopelius leader, will be served on Friday from 5:30 to 7 p.m. Donation adults \$1.25, children 50 cents. Refreshments will be served both days.

All Circles will participate as follows:

Ruth Circle, Mrs. William Jenkins, leader, aprons, Dorcas Circle, Mrs. William Schnabel, leader, Christmas decorations and gifts, Martha Circle, Mrs. C. Stuerz, leader, general store, canned goods, salads and 1 cent candy. Mrs. Fred Guttko, fancy work.

The Men's Fellowship, under the direction of Mr. James Fatzinger, will also participate by selling religious articles.

Judge Talks to Old Guard of Battle of Springfield

Judge Henry C. McMullen addressed the "OLD GUARD of SUMMIT" on "The Battle of Springfield-The Lost Victory" at the regular Tuesday meeting November 8 at the YMCA.

Clocks were turned back 180 years in his vivid description of the battle of the Continental Army which met and repulsed the Red Coats at Springfield while enroute to capture valuable supplies and ammunition stored at Morristown. The battle was the last major engagement fought on New Jersey soil, which has been called the crossroads of the Revolution.

Judge McMullen attended Columbia University, is a graduate of Rutgers Law School, has practiced for 25 years and has been Magistrate of Springfield for the last 12 years.

History is his hobby. He was selected as one of the present 60 members of "The Round Table of the Revolution," a national organization of prominent historians. They meet four times a year at Franconia Tavern in New

Sharey Shalom Needs \$165,000 For Building

Frank Pitt, President of the First State Bank of Union will address the congregation of Temple Sharey Shalom on Monday, November 14 at the Club Diana, as the featured speaker in the kick-off of their financial campaign.

Mr. Pitt will speak of the "Individual Responsibility to Sound Financing in the Building of a Temple."

Selwyn Schechter, general chairman, announced the plans and campaign leadership this week. "The Congregation, Organized in 1957, has now grown to the place where a Temple for Worship, Study and Assembly Must Be Built," he said.

Co-chairman with Mr. Schechter, is Jack Slater and Nat Turen. Mr. Slater is treasurer and a member of the board of the Triangle Coudout and Cable Company. He is also a member of the New Brunswick Chamber of Commerce, on the Board of Directors of the Middlesex County Rehabilitation Center, and active in the National Electric Manufacturers Association. He is a charter member of the Sharey Shalom congregation.

Nat Turen is a prominent pharmacist in Livingston. He is a graduate of New York University and served as a captain in World War II.

Since the organization of the congregation they have been holding services in the Parish House of the First Presbyterian Church in Springfield. Religious classes have been meeting in the Chisholm and Edward V. Walton Public Schools, in the Temple

Contracts Signed for New Baptist Church Buildings

The Clinton Hill Baptist Church of Union has signed contracts for the first of three buildings to be erected on their property located at Morris Avenue and Larchmont Road, Union.

The Educational Building will be the first on the Church's 2-acre owned property and will be ready for April of 1961.

Planner & Mergent Inc. of 515 Lehigh Avenue, Union was given the general construction contract for \$69,784. Fred D. Baumann of 1324 Stuyvesant Avenue, Union was given the plumbing and heating contract for a combined total of \$32,000 and Industrial Electric Inc. of 140 Railway Avenue, Elizabeth received the electrical contract for \$9,879.

Harrison B. Johnson of Union represented the church.

There are several Springfield residents who have been with the church many years. Mr. and Mrs. Charles Klausmann and Mrs. M. Tufel who reside at Denham Road have been with the church over 45 years, George Joite of Troy Drive has been with the church over 50 years.

The church, formerly located at So. 14th Street and Clinton Avenue in Newark for 46 years was sold on May 1 of this year. The members have been meeting every Sunday morning at the Battle Hill Public School in Union from 9:45 a.m. to 12 noon and in the evenings at the American Legion Hall at 7 p.m.

The church is without a pastor now and the Pulpit Committee has been working diligently in hopes that a Pastor may be found about the time the first building is finished. The Church Sanctuary will be the next building to be put up and a third building, an all purpose hall, will follow after that. It is estimated that the total cost of all buildings will exceed \$400,000.

The Congregation welcomes anyone from Springfield, and evening service is a song filled

Murphy Out By 1500 Votes In Bitter Go

Vincent J. Bonadies, democratic favorite in Springfield, won handily over his Republican opponent Paul Murphy by a rough 1,500 majority in Tuesday's election.

His re-election for the third time, showed the Springfield Mayor far ahead of Murphy in a race that promised to be a close battle.

In Bonadies 4,528 total against Murphy's 3,067, the Mayor controlled 11 of the 13 voting districts. In the predominantly 4th Republican district, Murphy ran 393 to Bonadies' 244, but the margin was no where large enough to offset the Democratic sweep in other districts.

Murphy's home district scored a whopping 528 votes to the Mayor's 444, but the Democratic strongholds of the 8th, 9th, 10th, 11th and 12th were too much for the 'GOP' candidate.

Surprisingly enough, while Bonadies scored a very decisive victory, the entire Republican slate from Nixon right down through the Freeholder level won their seats.

Nixon, only a scant 200 votes behind Mayor Bonadies totaled a 4,338 vote. Kennedy could muster only 3,375. GOP Senator Clifford Case led the entire election with a 5,096 vote. Perennial GOP favorite Congresswoman Florence P. Dwyer rang up a substantial 4,870 vote.

The freeholder race was much closer than any of the fought for offices, with the Democrats

Post 228 Installs Officers

The installation of officers was held on Friday, Oct. 14th, 1960 at the post home.

Commander Francis Sammond opened the meeting. He introduced Mike Genovese, the S.A.L. Chairman. The program of the year was discussed briefly. The next speaker was Ray Schramm, County Commander from Post 228, who installed the S.A.L. Officers who are as follows Captain, Bill Heady; 1st Lieutenant, John Sammond; 2nd Lieutenant, William Doyle; Finance Officer, Dennis Doyle; Adjutant, John Rutz; Chaplain, Alan Quinton; Sgt. at Arms, John Scheen; and Historian, Bruce Colandrea.

The Legionaire fathers of these boys were assisting in the ceremony. Captain Bill Heady received the gavel from Chairman Mike Genovese and the meeting was in the newly installed captain's hands.

The members of the S.A.L. will endeavor to get their fathers to the monthly Scrap Drive and participate in the instructive program of this organization.

The next meeting of the S.A.L. will be on Nov. 23th at 7 P.M. The colors were retired and the meeting adjourned at 8 P.M.

Adult School Sets Up Spring Courses

At the recent regular meeting of the Board of Trustees of the Regional Adult School the curriculum for the Spring term as presented by the Curriculum Committee was approved.

The curriculum for the Spring semester included some 32 courses in all again these courses to be held at the three Regional High schools, namely: Governor Livingston School in Berkeley Heights, Arthur L. Johnson High School in Clark, and the Jonathan Dayton High School in Springfield.

Wednesday night is Clark night and the highlighted courses for this town will be: "Keeping Up With the News" (a new offering), Spanish for the Family (a family unit conversational course in the language also a first), and Judo for Women. In Berkeley Tuesdays is class night, and newsworthy courses are: Astronomy, Electronics (held on Wednesday), Drama (already in the formative stages of a drama group), Human Relations, and Oil and Water colors - two popular art courses. Thursday night Springfield courses include, Sculpture, Recorder, Labor Relations, High School Equivalency courses, and again French for the Family. The French course meets afternoons in the Gaudineer School, and will include both the ad-

vanced course for those who participated in the fall term and a beginning course.

The Reorganization Plan as submitted by Herman Beiber's committee was adopted and will go into effect shortly. Acting chairman, Fred Cooper appointed the following as Vice Chairmen for their respective areas under this plan: Lt. Louis Beiber, Clark; Herman Beiber, Springfield; and George Sommers, Berkeley Heights. The purpose of this plan is to facilitate the running of the adult school now that it has gone regional and includes the three schools, covering six towns in all.

The Adult School is one of twenty schools of its type invited to participate in a seminar on Adult Education to be held at Columbia University on December 3, 4, 5, and 6. The Board of Trustees will be represented by its director, Dr. M. L. Spivak and the Treasurer, Mr. Charles Driessens of Clark, and George Sommers of Berkeley Heights along with Dr. West of the Regional School system.

Helen Sabo

Mr. and Mrs. Samuel Miller, and son Ira, of 144 Briar Hills Circle, were hosts at a fourth reunion dinner at their home, on Sunday, November 6. Those present had met this summer at The Pines, in Fallsburg, N.Y., and had decided to continue their delightful relationship during the winter. Their guests were Mr. and Mrs. Seymour Netzer and daughter Vicki, of Valley Stream, N.Y.; Mr. and Mrs. Sol Lifson, of Huntington, with children Lauri and Elliot; and Mr. and Mrs. Sam Tucker and daughter Marilyn, of Rego Park. Also invited to the festivities was Mr. Lifson's sister, Mrs. Rose Walman of West Orange.

Mr. and Mrs. Alfred Bakanowski, of 85 Redwood Road, have added another daughter to the family with the birth of Mary Ann. The young lady weighed in at Overlook Hospital on October 28 at an even ten pounds.

Anniversary congratulations go to Mr. and Mrs. George Franklin, of 11 Ruby Street, who marked fourteen years on October 24. Helping with the celebration were eleven-year-old Terry, nine-year-old Sherry, and six-year-old Gwen.

Mr. and Mrs. Lawrence Landau, and daughter, Bonnie, are proud of ten-year-old Ellen Beth, who is a winner in the New York News "Beautiful Child Contest." The Landaus live at 7 Dogwood Terrace. Ellen is in the fifth grade at The Sandmeier School.

Good-wishes go to Dr. Sanford M. Miller, of 14 Evergreen Avenue, who has opened his offices for the practice of Optometry in Nutley, N.J. Dr. Miller is the son of Mr. and Mrs. Harry A. Miller of the same address.

Newcomers to Springfield are Mr. and Mrs. Michael Teichman, who have moved from Jericho, L.I. to 14 Forest Drive. Younger members of the family are eleven-year-old Peter, nine-year-old Richard, and six-year-old Nancy.

Mr. and Mrs. Rees J. Powell, of 128 Hillside Avenue, announce the birth of Rees John 3rd, at Overlook Hospital on October 30. The young man, who weighed eight pounds, three ounces at birth, has a three-year-old sister, Lanni Proud grandmother in Springfield is Mrs. Amy Pollitt, of 27 Renner Avenue.

One sure winner on election day was Lucille Hardgrove, daughter of Mr. and Mrs. Robert Hardgrove, Jr., of 125 Salter Street. Lucille celebrated her eighth birthday on November 8, by entertaining some of her friends at an "election day party," amid appropriate red, white and blue decorations. On the previous Sunday, Lucille was feted at a family dinner party, at which guests were present from Florida, Maplewood, Rahway and Delmar.

Three Springfield students on the current Honor Roll of the Pingry School in Elizabeth are James Chalmers of 117 Meisel Avenue, Bruce Evans of 41 Main Street, and Thomas Curtis of 250 Short Hill Avenue. Mr. Curtis is in the fifth form, while Messrs. Chalmers and Evans are in the sixth form.

Mr. and Mrs. Samuel Thomas, of 27 Diven Street, announce the birth of daughter Yolanda, who weighed in at six pounds, nine ounces, at Overlook Hospital on October 30. Other members of the family are six-year-old brother, Mark and four-year-old sister Sheridan.

Library Observes Book Week

Book Week has been for many years traditionally celebrated in the Children's Department. This year it is hoped everyone will join in this joyous tribute to good literature for children. The various fall exhibits in the Children's Room, "September Song," "United Nations," "Foot-Week," sponsored by the C.A.B., must now give place to the colorful little chubby clown who shouts "Hurray for Books!" on his single huge trombone.

Exhibit New Books

To celebrate Book Week (November 13-19) the Springfield Public Library will feature exhibits of new books: one in the Children's Room, one in the Adult Department and the third in the window of the Springfield Sun. The Children's Department adds to its collection from 85-100 books monthly. Each month seems to excel the previous one in fascinating, stimulating and educating literature for children. Even Bennett Cerf of Random House and TV fame cannot resist contributing his humor to the stock pile of books for children. Last year he published his "Book of Laughs," this year we have the "Book of Riddles." The prolific Dr. Seuss has a new one too, "Green Eggs and Ham."

For the picture book patrons, Ludwig Bemelmans' "Welcome Home!" with poetry by Beverly Bogert is new. This can be used most effectively with that old classic "Peter and the Wolf" for it plays upon the theme of the huntsman but reverses the fate of the hunted. This tale will thrill the many fans of Ludwig Bemelmans, who enjoyed, "Parsley" the stag who makes friends with a pine tree. His illustrations are wonderful, dramatic, comic and so "daffily apt and aptly daff!" in their bright and luminous colors.

Want Adventure?

For the intermediate group of adventure-seeking readers Catherine Woolley has produced another Ginnie book entitled, "Ginnie and the Mystery Doll." This beautiful doll named Lady Vanderbilt wearing gown of lavender tulle and a pearl around her neck, had disappeared for some time and the mystery of her recovery required all of Ginnie's ingenuity and determination.

Boys of the same age will be anxious to learn that the Abashkins have released another Danny Dunn entitled, "Danny Dunn on the Ocean Floor," an hilarious but very scientific and dangerous undersea adventure. Boys, thinking of their futures will not be able to resist the new "Real Book about Journalism" by M. C. Bonner, an exciting book about the world of those who gather news, print it, and publish it in our newspapers.

For similar reasons the career-minded girls will enjoy the new "Book of the Ballet," by James Audsley.

Other girls who like both mystery and historical adventures will be interested in "Spy for the Confederacy," by Rose O'Neal-Greenhow. The vital information she provided helped win the Battle of Manassas and led to Confederate victory at Bull Run. She slipped through the blockade at sea to plead for help in England and France on a last desperate mission. This is an intriguing biography of a beautiful woman packed with suspense from its romantic beginning to its violent end.

For eager scientists who begin

Letter to Springfield Mothers: I was overwhelmed to see what my sons brought home from Halloween trick or treat.

Besides what they collected for Unicef, they had candies, many that were of the 5-cent variety. The smaller candies that were packed in tiny trick or treat packages, some tied with gift ribbon, showed so much motherly patience that it really touched this mother's heart. One package which I thought was just so humble and showed such love for children was a little square package made up of small candy goodies in a piece of waxed paper tied together quite meticulously with sewing thread.

Our children are so fortunate that they might well collect for Unicef in the hope that it will make other children as happy as you Mothers of Springfield have made mine.

Yours sincerely,
Mrs. N. Pishtun

possible to offer to the high school science student a well planned and up-to-date science program, in the Seminar on November 1-1960, Dr. Seifter stated that the best estimates would

Methodists Hold Joint Meetings

On Tuesday evening, November 15 at 8 p.m. the WSCS and the WSG of the Springfield Methodist Church will hold a joint meeting in the Mundy Room of the church.

Reverend A. Willett, superintendent of the Methodist Home for the Aged, Ocean Grove, will be guest speaker.

A most interesting evening is anticipated since the problem of care for the aged is one of national concern at this time. Mr. Willett will explain what Methodists are doing to provide care for their own aged.

Refreshments will be served after a brief worship service and business meeting.

Passaic Account Goes To Keyes, Martin Co.

Thomas Electronics Inc. of Passaic appointed Keyes, Martin & Company of Springfield to handle advertising, merchandising and public relations on its complete line of special cathode ray tubes.

Their inquisitiveness at an early age there are two new sets of series. One is the "How and Why" Series. In this library has acquired six books, on the following subjects: dinosaurs, electricity, rocks and minerals, rockets and missiles, stars, and weather. The other is the Junior Science Book series. In this there are fine books covering material on flying, stars, trees, electricity, and beavers. These are easy-to-read and fun-to-learn books in large type with a vividly written text which has been checked by a well-known authority in each field and edited especially for primary grade readers.

Books for Young Scientists

With the new trend in including the study of foreign languages in the lower grades, publishers are coming out with duplicate books, one in English — the other in identical format in a foreign language. Berlitz has done this in German, French, Italian, and Spanish. Marcia Brown's famous classic "Stone Soup" has been translated "Une Drole de Soupe." This is only a small but tasteful sample of a great number of books with similar interest and appeal which will be on display during Book Week.

Visitors to the library will receive new book marks and little suggested reading booklets. Parents may purchase an excellent comprehensive graded list of books entitled "Recommended Children's Books of 1959-60," compiled by the Book Review Editor of Library Journal, for the small sum of thirty cents. The books are listed by grade and subject interest and are accompanied by authoritative annotations. Better books are starred and double-starred. It is an excellent guide to children's reading.

indicate that during the next 10 years—more contributions to the ever expanding understanding of scientific principles will be printed in the various scientific publications than have been written since man instituted the practice of recording his observations of scientific phenomena. This would indicate that the task facing the science teacher in keeping aware of progress in the world-of-science will continually become more difficult.

The Seminar Program will continue throughout the school year and will be held on the first Tuesday of each month at the Jonathan Dayton Regional High School in Springfield.

In addition to the Jonathan Dayton High School, the Union County Regional High School District—Number 1 includes the Arthur L. Johnson Regional High School in Clark and the newly opened Governor Livingston Regional High School in Berkeley Heights. Besides the science facilities from these three schools, the seminar program includes the science teachers from the Junior High Schools in Springfield, Kenilworth, Clark, Garwood, Berkeley Heights, and Mountainside. These communities send their students to the Regional High Schools.

The Seminar Program for the remainder of the school year is as follows:

December 7, 1960: The Chemical Basis of Heredity, Dr. Samuel Seifter.

January 7, 1961: Some Aspects of the Physical/Chemical Properties of Solutions, Dr. Joseph Beihel, Associate Professor of Biochemistry, Albert Einstein College of Medicine.

February 7, 1961: Photosynthesis, Dr. Eli Seifter, Chief Biologist, Long Island Jewish Hospital.

March 7, 1961: Atomic Structure, (Speaker to be announced).

April 4, 1961: Atomic Isotopes, (Speaker to be announced).

May 2, 1961: The Mode of Enzyme Action, Dr. Sasha England, Assistant Professor of Biochemistry, Albert Einstein College of Medicine.

June 6, 1961: Energy Production in the Animal Organism, Dr. Sasha England.

Kicks

House, 78 South Springfield Avenue, and in the homes of congregants.

Mr. Schechter announces the congregation is seeking to raise \$165,000 which will be used to erect the new edifice on the corner of Springfield Avenue and Shunpike Road early in 1961. Facilities in the Temple will include a sanctuary, chapel, 6 class rooms and others. The campaign will close on December 10.

Charles Danziger is the president of the congregation with Philip Ames a vice president. Philip Gurian, the Past President, is now on the Board of Trustees. Other leaders were announced today. Steering committee will be named by Philip Ames, Charles Danziger, Herman Horowitz, Philip Gurian, and Stanley Sattenspiel. Corporate gifts committee will be headed by Leo Heller, Neal Blumenthal and Dr. Frank Burstein will head up the Major Gifts Committee. Henry Klingler and Leo Newman are serving as co-chairmen of the Special Gifts Committee. Harold

Bass is the campaign treasurer and Martin Karp, the auditor. Others are being enlisted.

Women's activities are under the leadership of Mrs. Philip Ames, Mrs. Selwyn Schechter, and Mrs. David Belasco.

Victory

(Continued from Page one)

ers turning out in this important Presidential year, based on a total Bonadies-Murphy vote of 7,595, the percentage of voters casting their ballots ran close to 90% of those registered.

On the basis of early returns (as of 11 p.m., Tuesday) Bonadies victory is a singular one. For Union County on nearly every level went strongly for the Republicans. In all the Watching Weekly area, every community... Mountainside, Scotch Plains, Fanwood and Berkeley Heights came in with 100% Republican office holders. Through every office, president, vice president, senator, congressman, freehold.

Tours World For 2 Months

Miss Carolayne Matzek, Springfield, left Idlewild air-
formerly of 78 Eyergreen Avenue, port for a two month vacation.

THE INVESTOR'S CORNER

Best deal for those interested in stocks, bonds, & mutual funds
F. S. JOHNS CO., INC.

By JOHN A. TRICOLI

The topic this week is Mutual Funds and your child's education. Sending your child to college costs money, and money is often a problem. The Mutual Fund attempts to solve this problem.

Am Tel & Tel . . . Avco . . . Gen. Motors
What is a Mutual Fund? It is basically a combination of the investor, American industry and management. It is an opportunity for a unlimited number of investors to place unlimited monies in the hands of competent management who, in turn, takes these monies and invests them as wisely as their experience suggests. It is also as sound as American industry. It is also diversified. Your Mutual Fund dollar, for example, may be split up in a minimum of twenty different securities.

Int Bus . . . Nat Dist . . . Proct & G.
How does one invest in a Mutual Fund? There are various ways. Among the most popular is what is known as the "contractual plan." In a contractual the investor automatically places in the fund each month a stipulated amount. This amount can be as great as he chooses, but no less than twenty-five dollars. The plan is usually carried out over a ten year period. At the end of the ten-years the investor can liquidate his funds for cash value, which is invariably a greater amount than he had originally invested.

US Steel . . . Westg El . . . ZenithRad
What has the Mutual Fund to do with your child's education? It offers you, simply, an opportunity to finance the schooling, placement, prior to the time when the money will be needed. It is not a guarantee, but we think it is one of the soundest methods of preparing for the day when your boy or girl enters school.

G Tell & El . . . Gen Tire . . . Here Pdr
If you would like additional information, or a prospectus, we are at your service. No obligation, of course. Call or write us. **F. S. JOHNS CO., INC. 128 MORRIS AVE., SPRINGFIELD, New Jersey**

Janlyn Forster to Wed Camden Man

She plans on visiting Spain, the French Riviera, Italy, Greece, Egypt, Lebanon, Iran, India, Hong Kong, Tokyo, Alaska, and Hawaii.

She will be traveling with her roommate, Miss Carole Wolerech of Miami. The two girls are airline stewardesses for National Airlines.

Miss Marzek has made her home in Miami since joining the airlines. She was a graduate of Jonathan Dayton Regional High School and attended the College of William and Mary in Virginia. Her parents, Mr. and Mrs. William Matzek live at 35 Co Avenue, Hillside, and operate the Coe Avenue Liquors in Hillside.

Miss Herget Is Betrothed

JANLYN FORSTER

Mr. and Mrs. I. Forster, 4 Craig Road, Springfield, announce the engagement of their daughter, Janlyn, to Lawrence S. Brownstein, son of Mr. and Mrs. J. Brownstein, Magnolia Avenue, Camden.

Miss Forster, a graduate of Jonathan Dayton Regional High School, is a sophomore at Douglass College. Her fiancé is a graduate of Rutgers University where he was a member of Alpha Epsilon Pi fraternity. He is employed by the Traymore Hotel in Atlantic City. A January wedding is planned.

JUDITH LEE HERGET

Announcement has been made by Mr. and Mrs. Elmer W. Herget, Allwood Road, Scotch Plains

of the engagement of their daughter, Judith Lee, to John W. Burinda, son of Mr. and Mrs. John J. Burinda of Mount Bethel.

Miss Herget is a graduate of Woodbridge High School. Her fiancé was graduated from Scotch Plains High School. Both are employed at various chemical companies in Camden.

No date has been set for the wedding.

Caffrey Serves Again As Prexie

Eugene L. Caffrey of Westfield will again serve as president of the Union County Vocational and Technical Board of Education.

He was re-elected at the board's annual reorganization meeting last week (Tuesday, November 1) in Union.

Archibald of Union was named Charles Redden of Cranford, Dr. William H. West of Cranford, county superintendent of schools, was re-elected secretary, The Volusia of Linden.

Plains Girl Wins Wings

CAROL K. PICCOLI

Miss Carol K. Piccoli, daughter of Mr. and Mrs. J. G. Piccoli, 2282 Woodland Terrace, Scotch Plains, has won the silver wings of a United Air Lines stewardess.

After 4 1/2 weeks at the company's stewardess training school in Cheyenne, Wyo., she now serves aboard Mainliners flying in and out of San Francisco.

Miss Piccoli is a graduate of R. L. Simpson High School, Huntington, N.Y., and Penn State University. She also was educated at the University of South Carolina. She was a member of Pi Beta Phi and Kappa Delta Psi.

In becoming a stewardess, Miss Piccoli has entered a profession which was pioneered by United and is observing its 30th anniversary this year.

Crestmont Savings

and LOAN ASSOCIATION

FREE-MEMENTO*—for every visitor during two Open House days—and valuable free gifts* for new accounts and additions to present accounts with \$100 or more.

*While they last

Crestmont's modern new building, designed with the needs of the community in mind, is physical evidence of the confidence and loyalty of our members . . . diligence of our staff . . . ability of our officers . . . and foresight and guidance of our board of directors.

The building, a far cry from the small corner store which opened to serve a small membership in 1942, occupies more than half the block fronting Springfield Avenue from Prospect Street toward Park Avenue. The balance of the block frontage—all Crestmont property—is paved for member parking.

We, at Crestmont, are pleased to be able to offer the most up-to-date facilities and attractive surroundings in which our members—over 16,000 strong—can easily and conveniently transact business.

And, we take pride in the fact that every day more individuals are saying, "Crestmont is MY institution for saving."

WHERE You Save DOES Make A Difference

Thursday, November 10, 1960

Open 9:30 to 9:30, Saturdays until 6

Visit YWCA Winter Market & Have Lunch With Santa

The two-day annual Winter Market at the Summit YWCA will be open at the Summit YWCA next Wednesday morning from 10 to 10 p.m. and on Thursday until 6 o'clock.

An estimated 5,000 persons will shop in the many booths, have luncheon, and bring children for the attractions in the large downstairs area known as Santaland. The event is the one annual fund-raising event of the year in which the volunteer service of 500 or more women are involved.

Chairman of the Mart is Mrs. William Kohn of Berkeley Heights.

Booths in the adult area include attic treasures, fancy work, holiday novelties, baked goods, gourmet shelf, Broadway theater tickets, Christmas cards and wrappings, handkerchiefs, jewelry, plants and flower arrangements, children's portraits, informal snack bar and luncheon in the lounge. World Fellowship teas will be served each day between 4 and 5 p.m.

Special activities for youngsters include lunch with Santa and a marionette show "Aladdin and His Magic Lamp" for both of which prior registrations are needed. The marionette performances will be given in the parish house at the Presbyterian church across the street from the YWCA. There will also be a pet shop, used toy shop, gift shop for children to make purchases of their own, exciting games of skill, and snacks.

A huge stock of items assures second day shoppers a good choice from the thousands of items which have been produced

during the year for the occasion. For further information or reservations for children's activities or portraits call the YWCA at CR 3-4242.

ROUTE 24, SPRINGFIELD, DR 9-4300

Study Evenings At Union Junior

Miss Beatriz O. Ayala of 22 Ann Place and Anthony V. Vivinotto of 6 Irwin Street, both of Springfield, are among 215 freshmen who launched their college careers this semester in the Evening Session of Union Junior College, Cranford.

The college's evening session offers four majors: Engineering, liberal arts, science and business administration.

The Springfield residents are among the 1,200 persons enrolled in all programs of the Cranford community college, which this fall enrolled its largest freshman class in its 27-year history. The total includes students enrolled in the Day and Evening Sessions, the UJC Institute, which offers non-credit programs for adults, and off-campus courses conducted at nearby industrial firms.

Mr. Vivinotto is a graduate of Essex County Vocational and Technical High School, Irvington, and Miss Ayala is a graduate of Colegio Guadalupe High School in Jalisco, Mexico.

YMCA NEWS

The Sigma Phi Tri Hi Y Club is preparing for a dance sometime in December. A tea for incoming Freshmen girls is also scheduled. A Round Up for the officers of the Jr. Hi Y Clubs in this area is also planned for the first week in December.

Registration is now on at the Fairwood-Scotch Plains Y.M.C.A. for the annual junior high school age six-man "touch football league." Physical Director George W. Hoffman announced today that league play began on Saturday, October 8th, at 9:30 A.M. and will continue for six weeks each Saturday morning.

Games will be officiated by adults in a fast running game that includes most of the elements of regular football with the exception of tackling.

Boys in junior high school may bring a team into the league or join as an individual and be placed on a team, Hoffman said. They do not need to be members of the Y.M.C.A. to play in the football league.

Trophies will be awarded to the members of the winning team.

LEGAL

NOTICE TO CREDITORS

ESTATE OF MEYER LASKY, deceased. Pursuant to the order of EUGENE J. KIRK, Surrogate of the County of Union, made on the twenty-first day of October A. D. 1960, upon the application of the undersigned, as Executrix of the estate of said deceased, notice is hereby given to the creditors of said deceased to exhibit to the undersigned under oath or affirmation their claims and demands against the estate of said deceased, within six months from the date of said order, or they will be forever barred from prosecuting or recovering the same against the estate.

Frances Lasky, Executrix. Attorney: H. Schel, 11 Commerce St., Newark, N. J. Oct. 27, Nov. 3, 10, 17.

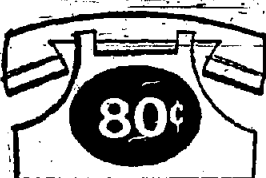

NOTICE

TAKE NOTICE that the Springfield Steak House, Inc. (Twp. No. 22 East) in the Township of Springfield in the County of Union in the State of New Jersey has applied for a license to operate a place of public entertainment.

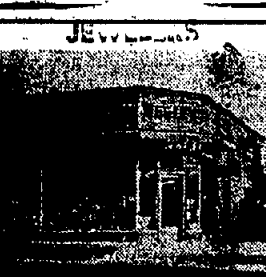

Place-to-place transfer includes, in addition to premises now presently licensed on Route No. 22 in the Township of Springfield, a building approximately 90 feet to the rear of said licensed premises.

Objections, if any, should be made immediately in writing to Eleanor H. Worthington, Township Clerk of the Township of Springfield in the County of Union in the State of New Jersey, SPRINGFIELD STEAK HOUSE, INC., Eastbound Route No. 22, Springfield, N. J. November 10, 1960.

YMCA NEWS

The first Junior Tri-Hi-Y, Hi-Y Canteen was held at the Fanwood-Scotch Plains Y.M.C.A. The theme material and decorations were supplied by the United Nations Day volunteer worker, Mrs. Robert Luckey. The Musicians Association Local No. 151 of the American Federation of Musicians—donated a four piece band to help commemorate United Nations Week. About forty members of the Junior Tri-Hi-Y and Junior Hi-Y attended. The Junior Clubs also held a roller skating party on Friday evening, October 1, at Bowgrate. Mr. Conley and Miss Phoebe Burgess advisors to the clubs led the festivities. Also scheduled this month is a Halloween party given by the Junior Hi-Y club. A trip to Princeton Y.M.C.A. and a swim in their Olympic size swimming pool was taken by the Alpha Hi-Y Club. The local club is also slated to enter the second annual Hi-Y Basketball Tournament to be held this year at the Scotch Plains Y.M.C.A. on the 30th of December.

The Westfield YMCA announced that non-residents registration for the winter term will be held in the Y.M.C.A. lobby on Wednesday, November 16th. Classes for the winter ten week session start on Monday, November 21st.

Gym classes for 5th Grade and higher offered will include various levels of ability in trampoline, tumbling, fencing and apparatus. The National Y.M.C.A. progressive aquatic program will be offered in swimming instruction at the various club levels including Minnow, Fish, Flying Fish and Shark. These classes will be available for youngsters in the 4th Grade.

Boys in grades 1 through 3 who are at least 49 inches tall are eligible to participate in the Indian division swimming instruction classes.

Additional information may be secured by contacting the Westfield Y.M.C.A.

First meetings of all Youth clubs were held this past week at the Fanwood-Scotch Plains Y.M.C.A. The Alpha Hi-Y Club sponsored a trip on Saturday, October 1, to the Muhlenberg-Lafayette football game at Easton, Pennsylvania. Also planned was a welcome at the College and a tour by several of the Freshmen.

The new building will be situated nearly midway in the service area of the Fanwood-Scotch Plains End-Y and will be easily accessible to all parts of Fanwood and Scotch Plains. The present building is located at the corner of Grand Street and Union Avenue, Scotch Plains and is presently operating at capacity.

The land, approximately two acres, is located on Marline Avenue in Fanwood, about a hundred yards from the corner of Trenton Avenue on part of what was formerly the Seville Nursery property. Present at the title passage ceremony were President William Tidridge of the Y.M.C.A. board of directors and secretary, Mrs. Anne Felmeiser George Wood, representing the Y.M.C.A., Mr. Sidney Graybar and Attorney Harry W. Bernstein representing Graybar, Inc., seller of the land. The Fanwood Scotch Plains Y.M.C.A. which has held an option on the land since last winter took title in signing a mortgage contract and making a sizable payment on the selling cost of the land.

The land will be the location for a fine new building in the future planned to include a swimming pool, gymnasium and other modern Y.M.C.A. facilities for both boys and girls and men and women.

Hohn Attends Confab at FDU

Walter H. Hohn, Science Coordinator at Jonathan Dayton Regional High School, was a guest of Fairleigh Dickinson University at a career day conference sponsored by the College of Science and Engineering on the Florham-Madison campus on Friday, November 4.

After an address by Dr. Glenn A. Nesty, vice president of Research and Development, Allied Chemical Corporation, students and teachers attended seminars in chemistry, engineering, mathematics, and physics. Each seminar was conducted by a professor from the university.

WOMAN'S CLUB NEWS

Dinner will be served tonight by the International Relations Department of the Springfield Woman's Club in the home of Mrs. Charles Heard, 7 Alvin Terrace. Because of the diversity of the menu (as printed in last week's column) and the excellence of the emcee who will prepare this international food, all who attend will undoubtedly find much to please their palates. From the reports we hear about this dinner, it would be wise to go there plenty hungry as it sounds quite like an ancient Roman feast.

On Monday, November 14 the Drama Department will meet in the home of Mrs. William Stumvoll, 50 Newbrook Lane. Co-hostess for the evening will be Mrs. M. Ketauer.

Also on Monday, November 14 the Literature Department will meet at the Cannonball House on Morris Avenue. Guest speaker will be Miss Phoebe Briggs and her topic will be "Springfield and the New Jersey Historical Society." Hostess will be Mrs. James Phelps.

The Springfield Woman's club would like to take this opportunity to thank the many mer-

B'nai B'rith Prepares Holiday Food Baskets

The November meeting of Springfield's B'nai B'rith Lodge will be held on Monday evening, the 14th at 8:30 P.M. Temple Beth A.M.M. on Battersea Way is the location.

Levi Norman, of Parkway Heights will be the featured speaker. Mr. Norman, a humorist and raconteur, has appeared at many night clubs and addressed groups throughout this country and Canada.

Morris Rohrberg of Newark, a faculty member of local B'nai B'rith workshops and seminars, will touch on the serious facets of B'nai B'rith the world-over.

There will be an admission charge—canned goods or non-perishable food items. The items collected at the meeting plus the food and other items donated by markets, food stores, and those of our friends and neighbors with connections in the food industry, will be used to make up the THANKSGIVING BASKETS FOR THE NEEDY. If you wish to help in procuring foodstuffs or in the distribution, please contact Rudy Bamberger at DR. 6-7137.

KIDS-PLAY WHILE MOTHERS SHOP — Clare Louise of Westfield has a new innovation in its store — a playhouse in which children may play while their mothers shop in the shop. From the smiles on the children's faces, the playhouse is a huge success.

WOMAN'S WORLD

A Column For And About Women

By MOREY LARUE'S Famous Homemaker Advisor

By BETTY BEST

TIPS ON STAINS. Stains from some permanent wave solutions, rinses and dinks are almost impossible to remove in the daily wash. What's more, the neutralizers used with home permanents can bleach colors and damage fabrics. When drying your hair use old towels you won't mind wasting. I also recommend that you wear an old dress when grooming your hair. Carbon grease: Napkins should not be used to pinch-hit for pot holders because discolored and carbonized grease, so easily picked up from pot and pans, is practically impossible to remove when the napkin is laundered.

ADD NEW-LIFE AND BEAUTY TO YOUR PRECIOUS RUGS. No doubt about it, your rugs represent costly, long-term investment. As a result, they deserve to be pampered—to receive the very best care and cleaning possible. This, of course, includes periodic cleansing by an expert, professional rug cleaner. You see, even your most diligent daily cleaning with a vacuum, carpet sweeper or soft-bristled broom will not remove all the dust and dirt your rugs collect. And rugs which are allowed to retain dust and dirt gradually change in appearance via fading or discoloration. In order to prevent this from happening to your precious rugs, I sincerely recommend Morey LaRue's new Mirza rug cleaning with "orvus" the new miracle restorer. For so little cost (only 9c per square foot for most domestics) Morey LaRue's rug specialists will restore buoyancy, tone and new life itself to your rugs. From the moment your rugs are taken from your home by Morey LaRue, they receive tender, loving care. The actual scientific cleansing is unhurriedly done in Morey LaRue's own "laboratory-clean" Rug Salon. And, just think, from cleansing through wrapping your rugs never touch the floor until they again reach your home. For a minimum extra cost Morey LaRue also provides these additional services: taking up or replacing... repairing: new binding, fringe, weaving, edging. Why not phone today for Morey LaRue's unexcelled one-week rug-cleaning service? Of course, free pickup and delivery!

MATCHED TOWEL AND WASH CLOTH SETS. When replenishing your towel supply I recommend you buy two wash cloths per towel since the wash cloths usually wear out so much faster than the towels. The second wash cloth make it possible for you to continue displaying "matched sets" until the towel wears out.

(Morey LaRue's Springfield store is conveniently located in the General Green Shopping Center. For Morey LaRue's fast, courteous routeman service phone ELizabeth 2-500).

Judaica Shop Can Obtain Religious Books and Items

Mrs. Philip Ames, president of Springfield's Temple Shalom's women's group, has advised the congregation that the women's group "Judaica Shop" is able to obtain any Jewish book that is now in print. The "Judaica Shop" also carries many religious items as well as special holiday items.

Temple Shalom has a library in the Temple House, 78 South Springfield Avenue in Springfield. The library is open to everyone in the community, regardless of whether or not they are a member of the congregation.

Mrs. Bernard Lesser is in charge of the library and may be reached at MU 2-9190.

PTA NEWS

Edward V. Walton School. Mrs. Leonard Atkin, president of the Edward V. Walton P.T.A., was the delegate attending the 60th Annual Convention of the New Jersey Congress of Parents and Teachers held in Atlantic City, November 2nd through 4th. Approximately 370 delegates attended from Union County.

The central theme of the 1960 convention was "Speak to Us of Children." In addition to workshops and business meetings, the delegates heard panel discussions on juvenile delinquency and the future problems facing those students seeking higher education in New Jersey.

A complete report of the convention will be given by Mrs. Atkin and the "Open House" meeting on November 21st.

Meeting of Parents of Pre-School Children

A meeting of the parents of pre-school children will be held on Wednesday, November 16,

1960 at 8:00 P.M. at the Edward V. Walton School.

Mr. Robert Hirsch, school psychologist, will be the guest speaker at the meeting.

Plans are being made to take a survey of the Walton and Sandmeter school areas to ascertain the number of pre-school children, who will be going to school in the next three years.

James Caldwell School

November 6th through November 12th is American Education Week. This is a time when the schools urge all parents and other local citizens to visit the classroom and see for themselves how and what the children are learning, as well as meeting the children's teachers. They learn about school achievements and discuss school problems. This year's national theme is "Strengthen Schools for the 60's." As Mrs. Lucy J. Forsyth, Principal of the James Caldwell School, points out, "We would like to stress, however, that parents are always welcome to visit the classroom while school is in session."

The week of November 13-19th has been designated as Book Week. The colorful poster this year of the folly little clown tooting a horn and juggling several books in the air, was painted by the well-known artist, Maurice Sendak. The theme this year, as inscribed on the poster, is "Hurray For Books."

Mrs. Thomas Smith, International Relations Chairman, would like to thank the parents, teachers and pupils who give their time towards making the UNICEF campaign this year so successful, in spite of the dismal Halloween weather. Mrs. George Kune, Mrs. Walter Gaestel and Mrs. Thomas Smith collected the filled cartons on Tuesday morn-

ing, November 1st, at the James Caldwell School.

There will be a meeting of the Executive Committee of the James Caldwell School P.T.A. on Monday, November 14, 1960, at 8:15 P.M. in the Florence M. Gaudineer School Library.

Gaudineer School

Mrs. William P. Wood represented the Florence M. Gaudineer P.T.A. at the 60th annual convention of the New Jersey Congress of Parents and Teachers last week in Atlantic City. The three days, November 2nd through Nov. 4th, found Mrs. Wood in a flurry of meetings and conferences. The theme of the convention was "Speak to Us of Children" with the opening general meeting devoted to a "Salute to the 60th Anniversary." In her own words Mrs. Wood commented, "This convention was one of the most stimulating, interesting and informative gatherings I have ever attended." A report to the membership will be forthcoming in the near future. Mrs. Robert B. Jackson, president, unfortunately, was unable to go because of illness in the family.

On behalf of the P.T.A. Mrs. Daniel Kalem, International Relations chairman, thanks everyone who participated in the recent UNICEF drive on Halloween—Special "thank-yous" to the Mesdames Gene Consales, Frank Bučel, John Unterwald, and E. Townley. Mrs. Kalem was very appreciative of the cooperation of Mrs. Mary Ackerman, art teacher at Gaudineer, and her students who contributed the beautiful posters publicizing the drive. Designers of the posters may collect them from Mrs. Ackerman if they wish.

Pontiac tailors body design to a new Wide-Track

Better balance and roadability! Control that can't be copied!

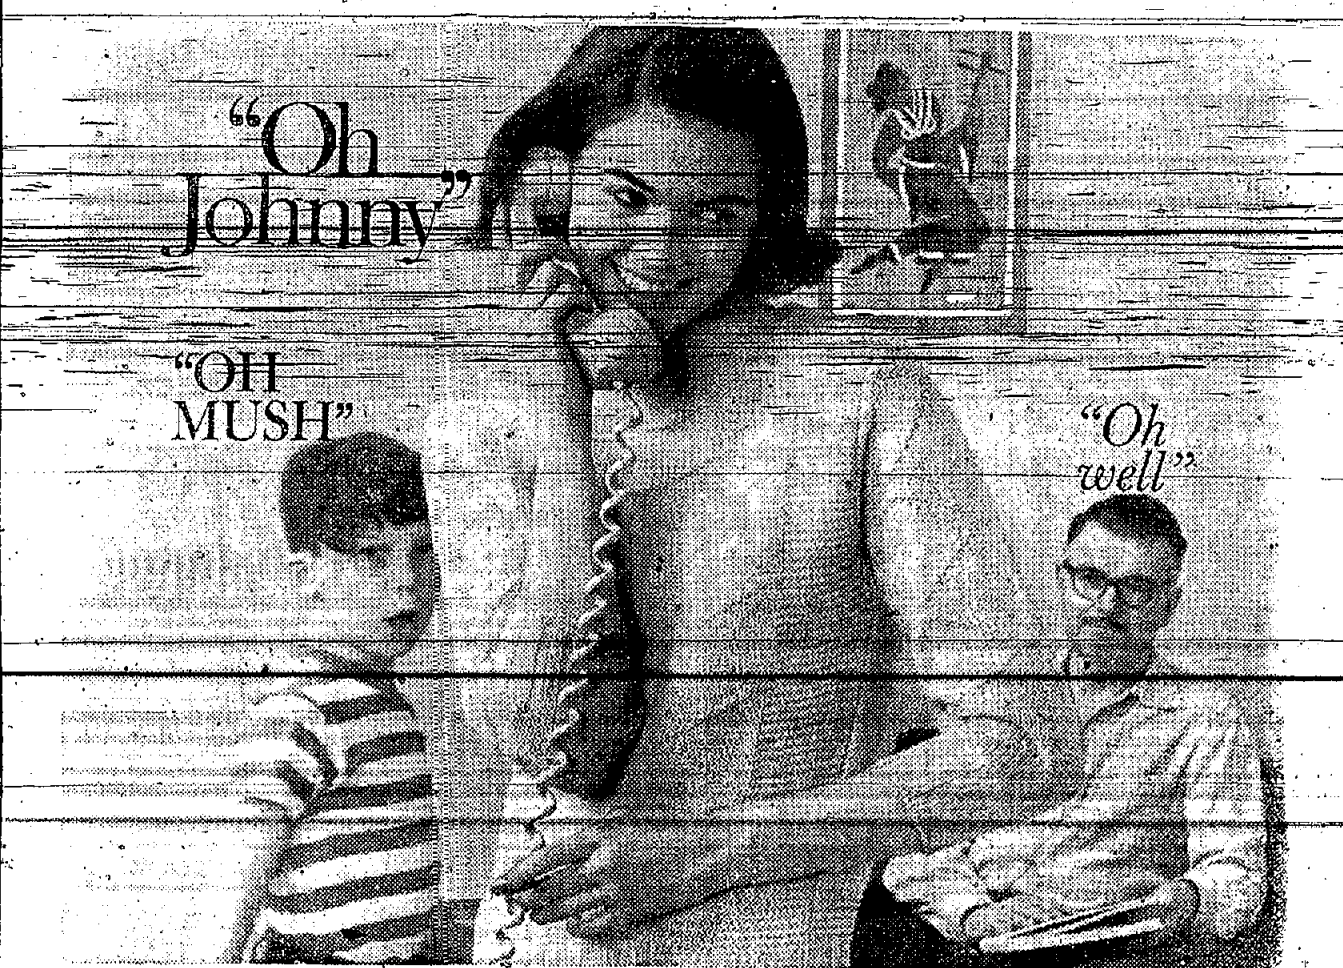

We've built more room and greater roadability into this sleek new '61 Pontiac. There's more headroom, legroom and footroom. Doors are wider and they're designed to open farther for greater convenience. By trimming side overhang, we balanced more weight directly between the wheels. The '61 Pontiac gives you greater stability. It gives you a greater sense of control for every mile, every maneuver. Isn't now the time to try the Wide-Track way to travel?

Xmas Seal Campaign G. L. R. S. Student Report Drive Starts Monday

Christmas Seals will be delivered to Union County residents Monday, November 14, as the Union County Tuberculosis and Health League opens its campaign for funds to combat tuberculosis in the coming year.

Campaign leaders in Union County are Honorary Chairman Mr. and Mrs. Harry A. Devlin and Vincent F. Warkala, county chairman. All are Mountside residents.

Mrs. Edward Stokes of Fairwood, president of the county tuberculosis league, paid tribute to the hundreds of volunteers who have worked in past months getting the Christmas Seals ready. "The generous help of our volunteers," Mrs. Stokes said, "enables us to send Christmas Seals to every home in the county, so that every person can help beat tuberculosis a knockout blow."

This year's Christmas Seals have two child carollers with songbook and lantern in hand, singing joyfully of the happy season. It was designed by Phillip Costigan of Lombardville, Pennsylvania.

Community Christmas Seal chairmen are Albert I. Nichols and Carl O. Sayward for Fairwood, John M. Hull, Jr. for Scotch Plains, and C. H. Richards for Springfield.

Dr. Jochen Stresses Technical Personnel

There is an international shortage of technical people, Dr. Albert E. Jochen, assistant state commissioner of education, said last Wednesday, November 2, at the official opening of the new Union County Vocational Technical Institute in Union.

Dr. Jochen said the technician is an important member of the researchers' team along with the engineer and the skilled worker. An imbalance in anyone of these areas "could mean we could lose everything."

The Board of Education of the Union County Vocational Technical Schools was commended by steps to organize the Union county Vocational Technical Institute.

"It will grow into something you can be proud of," Dr. Jochen said.

The state education leader pointed out that New Jersey has more major research facilities than any other state. Although there are 500 major technical laboratories in New Jersey, they have to go out of New Jersey for most of their employees.

"A state survey showed there were 12,000 boys and girls in the 1958 graduating classes of New Jersey public high schools who indicated an interest in technical training if it were available," Dr. Jochen said. "I wonder where they are now."

Dr. Jochen said the state is hoping to provide technical training for the youth and adults of New Jersey "regardless of where they live." He reported that 13 counties now have vocational systems.

Dr. William H. West of Cranford, county superintendent of schools, said the opening of the vocational technical institute is "a thrilling experience."

"If we are on the right track with this pilot program it means we will have to soon expand these facilities," Dr. West said.

The county superintendent of schools said there are 10 high school students today in Union County for every six only 20 years ago "and the growth has not stopped." More students are staying in high school longer and more are going on to college and other training beyond the high school.

"There is an annual one percent increase in the number of Union County high school graduates going on to college and a two percent increase in those going on to non-college training beyond the high school," Dr. West said.

Raymond Collins of Linden, student leader, opened the program and introduced George H. Buxel, Director.

Eugene I. Caffrey of Westfield, president of the Board of Education of the Union County Vocational and Technical Schools, presided. He praised the vision of the Union County Board of Freeholders and Freeholder John Donahue of Roselle for establishing the vocational and technical system.

John Del-Duca, First Mr. Regional, was crowned the first "Mr. Regional" at the Governor Livingston Regional High School, Berkeley Heights. John was elected by the senior class from a group of four boys. These boys had been selected by the varsity coaches for their leadership in varsity sports and their scholastic ability.

Those nominated besides Del-Duca were Kenneth Hamilton of Berkeley Heights, quarterback of the football team; Walter Rice of Mountside, a tackle on the football team and Union County heavy weight wrestling champion; and Peter Suchena of Berkeley Heights, a half back on the football team.

"Mr. Regional," John Del-Duca is the son of Mr. and Mrs. Angelo J. DelDuca of 298 Washington St., Berkeley Heights. He is a graduate of Columbia Grammar school in Berkeley Heights, where in Springfield Regional he played baseball and football and at the new Berkeley Heights Regional he is the first string end of the football team. In the future John plans to become an apprentice welder.

Wendy Tuttle Edits Yearbook - Miss Wendy Tuttle, daughter of Mr. and Mrs. Donald E. Tuttle of 1000 Mary Alcen Lane, Mountside, has been chosen editor-in-chief of the Governor Livingston Regional High School's first yearbook. Wendy has been a reporter for the Dayton Regional High paper and is now a reporter for the Highlander. In the past she has been active in yearbook work also. Her future plans include a liberal arts course at Duke University majoring in English and then a career in journalism.

Those who will assist Miss Tuttle are Nancy Best, Art and Publicity Editor; Peggy Sarg, Typing Editor; Girls Sports Editor; Barbara Keller, Literary Editor; Gregory Telek; Club Editor; Nancy Leonhardt, Boy's Sports Editor; Howard Rudominski, Photography Editor; William Pegg, Senior Editor; George Santucci; Layout and Copy Editor; Diane Mzozek; and Activity Editor, Roberta Perry.

At the present time a contest is being held among the student body to determine the name for the new yearbook. Any interested student may submit a name. The entries will be judged by the editorial board and the winner will receive a free yearbook. Faculty advisors for this year's book are business teacher, Harold Higgins and production, Mrs. Carol Baener.

"Mother is a Freshman" - The senior class of the Governor Livingston Regional High School will present its senior play entitled "Mother is a Freshman" on Friday, December 9, 1960. The play by Raphael D. Blair is a three act comedy about a mother who goes to college with her daughter and the hilarious situations they encounter. The lead roles are portrayed by Betty Badar as Abigail, Elaine Steiner as Susan and Robert Bennett as Professor Michaels. Others in the cast are Tony Mele, Judy Bartow, Alberta Bell, Linda Buthe, Barbara Heller, Barbara Lange, Steven Ryder, Paul Samek, Peggy Sarg, William Wood Rita Young and James Webb.

The production will be directed by Mrs. Margaret Salway, speech and dramatics teacher and Beverly Rottstock, student director.

"Hot Lab" - A group of physics and chemistry students at the Governor Livingston Regional High School in Berkeley Heights were guests of Brookhaven National Laboratories during High School Day at the internationally renowned research center for nuclear physics. They visited the world's highest energy particle accelerator, the reactor and "hot lab," and examined exhibits on the work of the center. At one of these exhibits they played tennis with an electron beam. Science.

PTA NEWS

The first of the Parent-Family Life Education Discussion Groups will take place Thursday, November 17, at 8 P.M. at the Gaudineer School. The topic for the evening is "Patriotism." Mr. William Pfeiffer, teacher of Social Studies, F. M. Gaudineer School will be the leader of the group. All parents are urged to attend what promises to be a lively and interesting discussion. The Executive Board will meet Monday, November 14th, 8 P.M. COMING PROJECT - T-shirt Sale - February 1961.

Those participating were Elizabeth Flanagan, Robert Nolan, Richard Graher, Robert Bennett, Steven Depp, Gregory Telek, William Fitzpatrick and Steven Ryder. They were accompanied by Miss Patricia Garner of Berkeley Heights, Mr. Frank J. Feeley, Jr., Mr. W. A. Depp of Mountside and Mr. Miles D. McMahon, the high school physics teacher.

Junior Officers - The Junior Class of the Governor Livingston Regional High School has recently elected its officers for the 1960-61 school year. William Powers was elected president. Other officers elected were Vice President, John Cavallias; secretary, Donna Kristiansen; and treasurer, Janet Witte. The faculty advisors for the class are Mr. Stephen Pollack and Miss Evelyn Kaminskas.

In September the class held a sale of red and blue sneakers for football games and on November 8th, Election Day they will hold a cake sale. The main event of the year will be the Junior Prom on April 21.

WE'RE IN "SEVENTH HEAVEN"

rain or shine

People are always being admonished by someone to save for a rainy day. (We do it too) but saving for only that objective is likely to become a dreary prospect.

There are plenty of sunny days ahead and you can save for these too—and enjoy them more when you have something laid away to spend on them.

Students of that most celebrated preacher of thrift, Mr. Benjamin Franklin, have found that he enjoyed the good things of life and spent money on them—but he did not borrow it but had it stored away in advance. We like the idea of two-way saving and so we think will you.

Kenneth Amada to Appear With Community Symphony Orchestra

Tschakowsky's Piano Concerto No. 1 will be the featured selection played by Mr. Amada at a concert to be given by the Community Symphony of New Jersey Sunday afternoon, November 20 at 3:15, at the Dayton Regional High School, 601 Mountain Ave., Springfield 1, New Jersey.

INTERNATIONAL COMPETITION FOR PIANISTS

He has received wide national acclaim and the Detroit Free Press once attached the word "genius" to his performance.

Mr. Amada is an accomplished pianist who began his study at the tender age of three. He made his New York Town Hall debut in 1951 and followed that with two outstanding performances there.

He has given numerous other solo recitals and orchestral concerts, among them appearances with the Philadelphia Orchestra under the direction of Eugene Ormandie, the Symphony of the Air, with Alfred Wallenstein and with the Detroit Symphony.

In 1959 Mr. Amada was a gold medal winner in the Leventritt

Overlook Returns To Annual Giving

Do you have "Hospital Security"? Overlook Hospital in Summit is doing its best to see that every resident of the community can be assured of the finest medical and scientific care in time of need.

Plans for the launching of a Mail Campaign in early November as Overlook returns to an Annual Giving Basis, were announced today by Sturgis S. Wilson, President of the Overlook Hospital Association.

Overlook's goal for this year is \$200,000. Over the next three years a total goal of \$900,000 is so far foreseen.

Its new wing an accomplished fact, Overlook faces new needs to keep its enlarged facility running smoothly and to maintain its high caliber of service, according to Mr. Wilson.

"What are the actual needs Overlook faces today," asked Mr. Wilson. "First of all, we are trying to expedite our service in two ways -- an added elevator for faster service and better parking facilities. I'm sure all our patients and visitors are aware of these problems. It is

Deborah League To Show Children's Film

The Suburban Deborah League of Deborah Hospital will hold a children's movie on November 14th at the Edward V. Walton School in Springfield.

It will be an all-cartoon feature film in technicolor with two showings at 12:30 P.M. and 2:30 P.M. Admission is twenty-five cents -- to be paid at the door. Mrs. Marilyn Seltzer of Springfield is chairman for the affair.

UN Trip Planned By Hadassah Club

The Education Group of Springfield Chapter of Hadassah, the Women's Zionist Organization of America, and a non-governmental organization of the United Nations since its founding fifteen years ago, are planning an outstanding day at the United Nations on Tuesday, November 15.

Chartered buses will convey members and friends to the United Nations where they will sit in on a general assembly meeting, have luncheon in the delegates dining room, and be conducted on a guided tour of the buildings.

Mrs. David Schwartz, chairman of the Education Group and her committee, Mrs. Emanuel Masid, Mrs. Joseph Jacobs, and Mrs. Jules Kazin are endeavoring through this trip to answer the call of President Eisenhower to "demonstrate their faith in and support of the United Nations and contribute to a better understanding of its aims, problems and achievements."

"In a hospital, as in a home, the minute you stop improving, the property runs down. While we may put up with some inconveniences in our homes, when it is a matter of life and death, as in a hospital, we cannot afford to sit back and be unprepared," he concluded.

Residence accommodations for the added nurses and internes treated to start Overlook's new wing are another pressing need. Other members of the Mail Campaign Committee include: Clement N. Biddle, Chairman; Donald H. McLean, John E. Reeves, and Robert E. Heinlein, Director, all of Summit; Andrew P. Monroe of Short Hills; Benjamin Newsinger of Springfield.

On the Overlook Development and Planning Committee, in addition to Messrs. Wilson, Biddle, McLean, and Heinlein, are: Bayard Scheffelin of Short Hills, Chairman and Second Vice-President; Walter Beinecke, Jr.; James A. Betts, Jr.; Director of Development; Mrs. Walter E. Gude, Women's Auxiliary President; H. Stanley Krusen, John E. Reeves, Gilbert G. Roessner, Jr., G. M. Stevenson -- all of Summit; Alfred E. Busch, of Hills, Dr. Donald F. Kent, President of the Medical Staff, and Robert C. Porter, Treasurer, both of Chatham, are also on the committee.

Baha'i Writings

Winard Helps Study Needs Of New Suburban "Y"

Ralph J. Winard of 57-Sherwood Road, Springfield has accepted appointment to the Steering Committee of the Community Study for a new Suburban YM-YWHA.

Mr. Winard has agreed to serve on the study committee that will determine the activities and facilities of the new Suburban YM-YWHA.

The unique study will involve sixteen communities; residents of these communities will be asked to serve on each of the fact-finding committees.

"It will be the purpose of the year and a half study to determine what the special needs are and what implications these will have for the physical plant, the size of the staff, and the quantity and form of activities at the new 'Y'. The researchers, among other things, will have to explore what recreational and leisure time services are currently available in each of the sixteen communities.

Answers to the following questions will be sought by the study committees:

1. The "Y" currently runs an older adult program on a once-a-week basis. Is there a need for a five day week, all-day Older Adult program at the new YM-YWHA?
2. How large a swimming pool shall the "Y" have? Shall it have two... an indoor, an outdoor one with an eye toward using the new building and land around for a Day Camp?
3. In its program for adults, shall the "Y" emphasize physical education, health club facilities or a cultural program?
4. Shall the "Y" contain an arts center for grade school children?
5. Is there a need for a "youth" building? Is there a "large enough senior citizen" population in the suburb to warrant such a program?

These vital questions as well as many others will be studied in the communities of Maplewood, South Orange, Millburn, Short Hills, West Orange, Orange, East Orange, Livingston, Roseland, Essex Fells, Caldwell, Verona, Cedar Grove, Montclair, Bloomfield and Springfield. All of these questions will be examined after information has been gathered as to population of these communities and the existing services of leisure time serving agencies.

After the pertinent facts are obtained and analyzed a number of committees will be formed to develop projected programs for each of the age groups that will use the new "Y" building. Finally, these projected programs will be utilized to determine the necessary facilities, the operating budget, staff requirements and membership policies.

The Suburban "Y" has already acquired a site in West Orange.

Silver Rebeka Lodge 83 Sponsors Movie

The Silver Rebeka Lodge No. 83 of Summit is sponsoring "Count Three and Pray", a drama in color, starring Van Heflin and Joanne Woodward. The film will be shown in the United Lodge of Summit Building, Maple Street, Summit, on Monday, November 14 at 8:30 p.m. Admission is free.

Truly one of the finest films ever made, it depicts a person attempting to build a church who has to fight sin, corruption and an entire town single-handed.

With a hymn on his lips and a prayer in each fist, he brought Path to a mob and a church.

Civic Group Makes Plans For Holidays

The Shunpike Association announces that its next meeting will be held this Tuesday evening, November 15, at 8:30 P.M.

Norman L. Cooperman, president of the association, will preside and Mr. and Mrs. Frank Wehrle of 23 Shunpike Road will be host and hostess for the evening.

Plans for the annual Christmas party, to be held at Evergreen Lodge, will be made and plans for the next social event will be discussed. An open discussion of current civic affairs will be held and refreshments will be served.

All residents of the area of Shunpike Road, Warwick Circle and Kew Drive are invited to come meet their neighbors. For further information concerning the group may be had by calling Mrs. Mickey Doros, at MU 2-9195.

How About a Holiday Job?

Need some extra spending money? How about a job for the holiday shopping season?

Frank T. Judge, director of the Division of Employment Security, reports that the 37 local State Employment Service offices of the state agency are now accepting applications from persons who are interested in Christmas time employment, either part-time or full-time. Judge said that each year the Employment Service offices receive orders from retailers for many extra workers for the holiday season.

"With an up-to-date list of potential workers who are definitely interested in these jobs, we will be able to meet the needs of these employers as quickly as they are sent in to us," Judge declared.

Judge emphasized, however, that there are few, if any, of these "Christmas help" jobs immediately available but said that they will start opening up toward the middle of November. Most of the demand will be for sales people, wrappers, shipping clerks, deliverymen, some office workers, and an occasional Santa Claus.

Those interested in registering for seasonal employment were urged to contact the office of the State Employment Service nearest their homes. These offices are listed in the telephone directory under "New Jersey State Employment Service."

Local, Millburn Jaycees To Meet

According to Hank Wright, President of the Springfield Junior Chamber of Commerce, the next meeting will be a joint meeting with the Millburn Jaycees at their regular meeting place, The Wyoming Club, 80 Linden Avenue, Maplewood at 8 p.m., Wednesday, November 16.

Currently, several Springfield men are in the Millburn Chapter because it was formed several years ago when none existed in Springfield.

Among the potential Springfield members are William Daly, Baltuspol Avenue; Bob McCormick, Bryant Avenue; and Ken Hendricks, Kew Drive.

Expected to attend from Springfield are Jim Bell, Maple Avenue; Bill Matysiec, Hillside Avenue; Jack Lamb, Warner Avenue; Hank Wright, Colfax Road; and Ed Sydel, Milltown Road.

Any male between ages 21-35 can phone DR 9-2562 for a ride.

Now that the leaves are beginning to drop from trees it would be a good time to look for damage caused by borers, because the entrance through the bark can readily be seen. Dogwood, peach and lilac are often attacked by borers, but many other wounds—such as mower injury near the ground level, injury caused by axes sharpening clays, broken branches and wind damage. Treat wounds by removing loose bark, making clean cuts and painting or spraying with a good tree wound dressing.

Q: How shall I treat a borer in my dogwood tree?

A: First clean out the hole with a wire. Fill the hole by inserting Horkill paste to kill the borer, then apply tree wound dressing.

Q: Will any roofing paint do for tree paint?

A: No. Some roofing compounds may look like tree wound dressing, but sometimes contain chemicals which may injure the tree. Stick to dressings made for that purpose. Some paints have been proved to act as a culture for disease according to information from Dr. Davis of Rutgers.

Q: Can tree diseases be spread by pruning?

A: You bet they can. God tree surgeons often sterilize their tools when going from tree to tree if disease is suspected.

Q: I called a tree expert to remove a tree, but his price seemed exorbitant. I am sending you his estimate for your opinion.

A: This might seem high to the laymen, but it is reasonable. Tree men pay heavy insurance fees in their work for considerable risk—is involved to life and limb as well as property damage.

A: To weavers back this situation arose and the homeowner chose an extremely low bidder. The huge tree fell smack through the house an attic workman—one of those without permanent addresses—just disappeared. Yes, this is a true story, and it might have been your home involved.

Q: Is it time to put up windbreaks around my shrubs?

A: Think it is too early, unless you don't mind the sight of the burlap. Burlap is not necessary until severe weather sets in. By the way—green burlap is now available for this purpose. The green dye is actually a chemical applied to prevent rotting, and the burlap will last considerably longer than the untreated

Weequahic Plans

The Weequahic High School graduating class of June 1960 will hold a reunion April 30 at the Military Park Hotel, Newark. The 16-year anniversary event is under the chairmanship of Mrs. Elaine Biltzman-Plochman of Newark Wa 6-4498 and Mrs. Gloria Isenberg of Union (Mu-8-5181).

MEADOWBROOK STAR — Phil Leeds stars in "Girl Crazy" musical, Cedar Grove.

"Girl Crazy" Plays At Meadowbrook Thru Nov. 27

CEDAR GROVE — With a major assist from George and Ira Gershwin, the Meadowbrook Dinner Theatre, Route 23, has another hit (its 16th to be exact) wonderful hit musical comedy on its hands.

"Girl Crazy," featuring a talented cast selected by producers Helge & Gary McHugh and Carl Sawyer, is a joy-to-behold and listen to, with those exciting and haunting Gershwin melodies. While the principals: Phil Leeds, Paula Wayne, Sally Brown, Jack Blackton, Paul Hudson and Wallace Engelhardt are superb, special plaudits must go to Donald Yap for his brilliant musical direction. He directs, to perfection, the men in the pit, the chorus and principals in a score that ranges from ballads to blues.

Miss Wayne, as a Western postmistress, is a lovely blond with a June Allyson-type voice. She scores with "I Got Rhythm" and "But Not For Me." Handsome Jack Blackton, a charming New Yorker who overnight turns a lazy Arizona town into a gambling center, is not only a fine actor, but his duets with Miss Wayne on "Could You Use Me" and "Embraceable You" are show-stoppers.

Handling the role that sky-

rocketed Ethel Merman to fame in the 1930 Broadway production, is Sally Brown. She bangs out such tremendous numbers as "Barbary Coast," "Sam and Delilah" and "Boy! What Love Has Done For Me."

The chief comedy roles are handled by Phil Leeds, as a New York taxi-driver who becomes a sheik, and Wallace Engelhardt as the "bad guy." Leeds, sort of a Henny Youngman with a guitar, adds to the second act festivities with a Mexican comedy routine.

Fresh from the movie, "Portrait in Black," Paul Hudson is outstanding as Sam Mason, Blackton's rival for the attractive postmistress's affections.

The male chorus, led by Tony La Russo, Darrell Sandeen, Van Stevens and Gary Leatherman contributes heavily to the proceedings, particularly on "Bidin' My Time" and "Embraceable You." The girl dancers, Louise Cabot, Patience Jarvis and Kay Brower, add to the entertainment with choreographer Marc Hertzens, who has done a remarkable job with the spirited dance numbers.

"Girl Crazy" will be performed Thursday through Sunday evenings at the Meadowbrook until November 27.

Sinatra Stars

Frank Sinatra heads a star-spangled cast in "Oceans 11," his own Dorchester Production for Warner Bros. now at the Rialto Theater in Westfield.

The Technicolor comedy-melodrama, which has a glamorous Las Vegas background, also stars Dean Martin, Sammy Davis, Jr., Peter Lawford and Angie Dickinson, with cameo guest star appearances by Red Skelton and George Raft. Lewis Milestone produced and directed.

POST OFFICES CLOSE
All Post Offices will be closed in observance of Veteran's Day, November 11.

Spoutin' Sports

By Z. SPOUTER

With just two games remaining on the high school calendar, it seems timely to review the records of Springfield, Scotch Plains and Governor Livingston. Just what has transpired from our football previews to the present is very interesting.

Have the teams lived up to their preseason expectations? Have they surprised the forecasters? What lies ahead in the two remaining games? We'll try to answer these questions.

WESTFIELD APPLYS CLINCHER

The Springfield Bulldogs are clinging to one last hope of turning in a "good" season. After their third loss of the season to a very powerful Westfield team. That one last hope will depend on the Rahway tussle.

Even after their setback to Carteret the Bulldogs were regarded as one of the teams to be reckoned with in Union County. They made amends with two successive victories over Caldwell and Somerville.

They were then presented with an opportunity to knock off one of the County's leaders, Roselle. This was a win they needed to boost their value. They couldn't do it. Roselle handled them with comparative ease.

After beating previously undefeated Edison, the Bulldogs were once again on the verge of high ratings. Westfield wrote finish to any hopes the Bulldogs had of having a "terrific season."

Their only salvation remaining is to win over Rahway. We are taking for granted that Piscataway will not provide much of an obstacle.

So what started as a "big year" for the Springfield Bulldogs has gradually settled down to a not-so-hot season.

When you look at the teams that defeated Springfield, especially Roselle and Westfield, you can find little room to criticize any of the coaches or players.

Herb Palmer has about 15 men he can rely on. Beyond that he has very little in the way of dependable reserves. He has a small line that was outweighed in both the Roselle and Westfield games. The desire was there but how long can a 150-pounder bang heads with a 200 pound opposition. Something had to give and it was the Bulldogs.

RAIDERS IN TITLE CONTENTION

After losing all but one starter from last year's championship team, Scotch Plains didn't figure into the picture of the Watchung Conference. But Chuck Nelson and his young Blue-Raiders have turned the tables and have wormed their way into a show-down battle with Cranford, which in all probability will decide the Conference.

The Raiders pulled a surprise in their very first game by tying a powerful Roselle squad. After two sound trouncings by North Plainfield and Bound Brook, interrupted by a 36-0 win over Piscataway, the Raiders have come on like "Silky Sullivan." With three consecutive lopsided wins in their favor, the Raiders are as ready as they ever will be for the Cranford battle.

One factor that can't be overlooked is that Cranford dropped Roselle from the ranks of the undefeated Saturday. That should give you some idea of the path that blocks the Raiders from notching their second Watchung Title.

THE MIRACLE AT GOVERNOR LIVINGSTON

Whether you believe in miracles or not, you must agree that the Berkeley Heights 1-2 record is certainly on the borderline of miraculous.

I don't know who deserves the credit, but I would guess that it is the result of capable leadership by the coaches... an indelible desire by the players... and an ability to learn.

They have beaten a few teams that were as equally inexperienced, but they have also defeated teams like Piscataway and Watchung Hills. Neither of these two teams are tops in their class, but they have been playing football much longer than Livingston, and were rated much higher than the Highlanders. Now it is the Highlanders, who are rated heads and shoulders above the pack.

To every member of the Livingston football team, to every member of the successful coaching staff and to every supporter of the Highlanders, I say congratulations on a superlative job.

The Spouter Sez:

We've almost dealt the knock-out punch last week. But we managed to sneak a quick score before the clock ran-out. It could not have been much closer, as Livingston scored in the last four minutes and then made the extra point to win 7-6. Springfield lost handily, while Scotch Plains won handily. If you bet just the opposite to my figuring you made yourself some change.

There is one consolation. I know things can't get any worse.

CRANFORD OVER SCOTCH PLAINS

This one is for the championship and both teams will be playing for all the marbles. Cranford's win over Roselle impressed us more than the Raiders' win

Westfield Too Much for Bulldogs

Lack of Depth and Weight Takes Toll

What is left to write about a game after a coach says that "This was the best team we've faced all year... that they just were just too big for us... that we played a good ball game."

That is how losing coach Herb Palmer, described his team's 19-7 bounding to Westfield. And bounding it was, as the bigger and stronger Westfield literally trampled the lighter Bulldogs into submission.

Westfield is not a colorful team to watch from the stands but they get the job done. They play an old-fashioned type single wing game which means continual battering—gaining three and four yards at a clip. The result is that the opposition is continually on the defense.

RUN THREE PLAYS

The first quarter was typical, as the Bulldogs managed to run only three plays from scrimmage. In the meantime, Westfield was grinding out yardage and wearing out the lighter Bulldog line.

Westfield relied on three basic plays, that proved too much for the Bulldogs. Jim Kovacs provided the power, while tailback Dave Reitze ran the ends for the Blue Devils. Throughout the afternoon, Reitze found huge holes in the Bulldog defense for large gains. Reitze was outstanding as he raced 45 yards for one score and threw to Ross Mannio for another.

98 YARD MARCH

In the first period, Tom Marino, kicked out of bounds on the Westfield 98 yard line. The Blue Devils then started a march which covered 98 yards only to fumble in the Springfield end zone. This march consumed the entire first period aside from three Springfield running plays.

With the ball moved out to the 20 yard line, Herb Etzold fumbled after racing 25 yards, on a screen pass. Westfield promptly marched 45 yards in 11 plays. This time there were no fumbles. Kovacs bulled over from the 1.

Springfield dauntily fought back moving the ball all the way to the Westfield 10 yard line. Then came the play that probably put the game safely in the Blue Devils possession.

Tom Marino attempted a pass only to have it intercepted on the 2 and returned to the Westfield 30 by Pete Braun. After a 15 yard penalty against Springfield, Reitze hit Mannio for a 55 yard touchdown.

So what could've been a 7-6 halftime buldge for the Bulldogs turned out to be a 13-0 deficit.

OLD TIME FOOTBALL

The type of football Westfield plays, brings back a feeling of nostalgia for the old-time rock'n-sock football player. They play "hard-nose" aggressive ball. Their plays are simple but expertly carried out. "They have mastered the single wing," felt Herb Palmer.

Their backs are not fancy runners. They prefer running over a defender rather than around. That is an exception in this day and age. The speedy-shifty halfback is usually the most effective and headline star.

ETZOLD HOLDS OWN

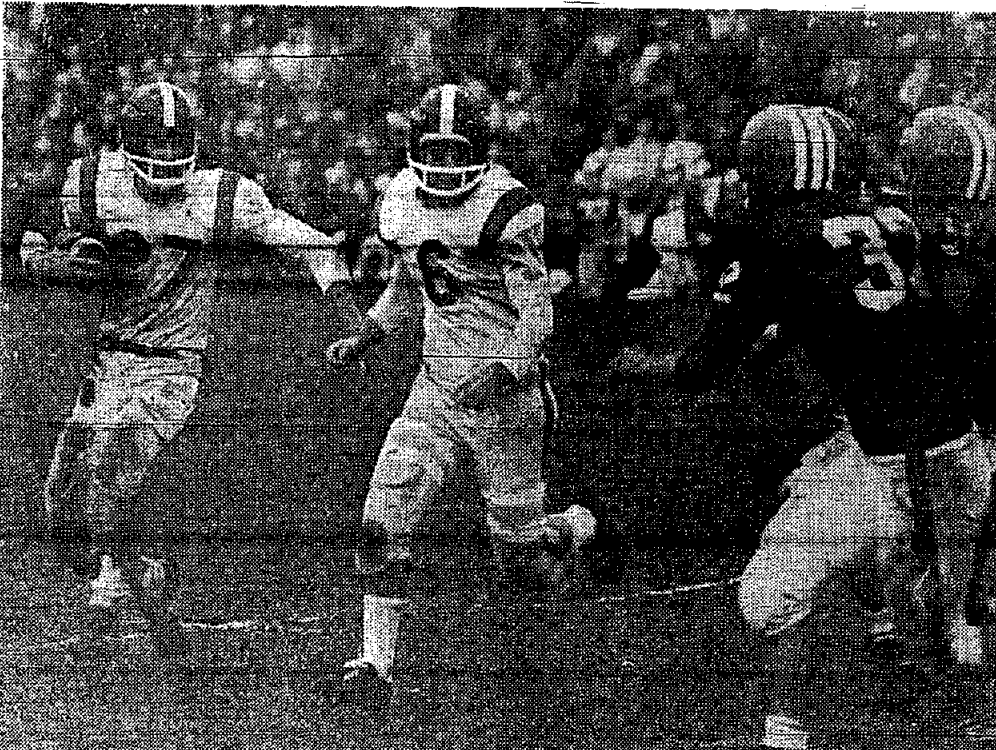

Even with the stellar performance of tailback Dave Reitze, Herb Etzold was not over shadowed. Etzold failed to break into the scoring column, but he impressed Palmer more than he has at any time in his three years at Springfield.

"Herb was not getting good blocking, but he was still managing to pick up yardage. A couple of times he was stopped by the last man. Etzold ran harder and tried harder than any other game I can remember. He made a couple of defensive effort that were really outstanding," Palmer said.

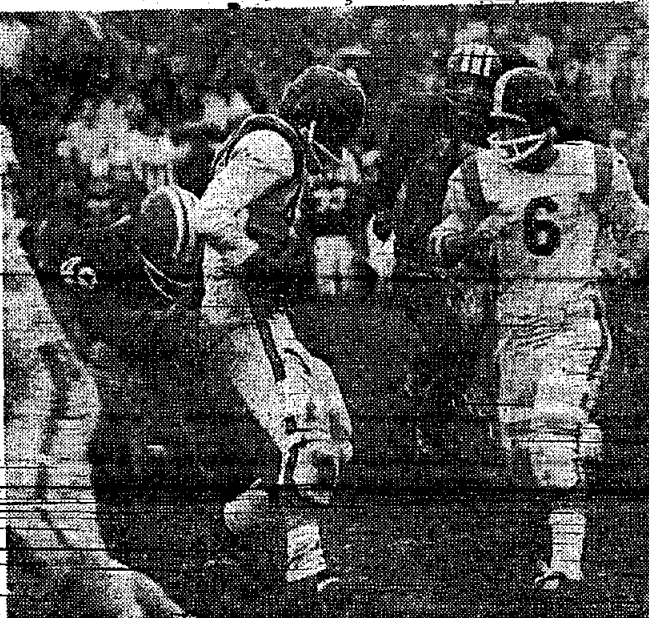

WAITING FOR RAHWAY

The Bulldogs will be involved in one more "spotlight" game this year. They take on Rahway on the Turkey Day classic. Barring upsets this week, Roselle will go into the finale with one loss, and Springfield three losses.

Bulldogs Battle To The Bitter End

ABOVE—His uniform showing the effects of a hard fought game, Herb Etzold still has enough left to pick up a first down in the final minutes of the bruising Westfield game. Tom Marino (no. 6) has quite a blocking assignment as three Blue Devils come charging up to make the tackle.

LEFT—Carl Kirschberger, Springfield back, is about to be brought down by a diving tackle by Greg Weiss of Westfield. Team mate Tom Marino can do little to aid the lost cause.

Livingston Almost Boots Linden

The hustling Highlanders of Tom Kertesz, the Highlanders Governor Livingston Regional top scorer, booted home his fifth High School throw a real scare goal to give Governor Livingston into Linden High's champion, a 1-1 tie in the first period. The ship-conscious soccer team last deadlock lasted until midway in Friday (Nov. 4) at Linden.

Although outplaying the highly regarded Little Tigers most of the way, the Highlanders dropped a tough 2-1 decision. On Nov. 1st another powerhouse, Chatham High, proved too strong for the Highlander. The two ties in 12 games, is a lead. Huskies won 6-2 at Chatham. In repeating an earlier victory over Livingston, Chatham

over Metuchen. If the Raiders continue on their torrid spree an upset could evolve, but the Cranford defense has proved quite stubborn throughout the season.

LIVINGSTON OVER HILLSIDE

Another tough game for the Highlanders. Although Hillside has won only once this year, they have met many top teams in the county. The Highlanders having gained too much momentum to be stopped by Hillside.

SPRINGFIELD OVER PISCATAWAY

An easy one for Springfield. This should provide them with a breather for their finale against Rahway. (RECORD TO DATE—11 WINS, 8 LOSSES, 1 TIE)

Bulldogs Bark

In Last 3 Tilts

End With 5-6-2 Record

By HERB HEISCHUEBER
After losing five in a row the Springfield soccer team showed a strong three game streak beating Wardlaw, Cranford, and Scotch Plains in the closing games of the 1960 soccer season. The Bulldogs showed a much stronger defensive team during the closing games. Their offensive unit tallied 18 goals during the season.

Ryder Excels

Ken Ryder a senior at Regional helped the team toward their three victories. Ken scored the tying goal during the Wardlaw game with a 35 yard boot, and in the Cranford game kicked a ten yard goal in the closing seconds of the final period for a 1-0 victory.

Vizzoni Scores 9

Joe Vizzoni, a senior at Regional, turned in a fine season, scoring half of Regional's 18 goals. Joe will probably be an all-state candidate. Another fine player Bob Vanning, acquired from Berkeley Heights during the schools exchange program, turned in an outstanding season.

Regional Turus Spillers

After losing five games in a row, Regional didn't give up, instead they turned spillers, beating Cranford, Wardlaw and Scotch Plains.

Standouts

A few games worth mentioning during the previous soccer season was one with an undefeated Edison team. They led for only 50 seconds in the game, with their first goal coming at one minute of the second period. Springfield's first goal came at one minute and fifty seconds of the second period. Then with two minutes to go in the game,

Hockey League Forms

There will be a meeting of the Union County Ice-Hockey League sponsored by the Union County Park Commission, on Tuesday, November 15 at 8:00 p.m. at the Administration Building of the park commission, Acme and Canton Streets, Elizabeth.

The league is planning to start its second year of operation. However, although the league was organized last year, there were no games played due to insufficient ice.

The following teams are expected to return: Summit Red Wings; Cranford Hockey Club; Zanowic Sunoco of Plainfield; Scotch Plains Eagles; Inarians of Linden; and the Rahway Rockets.

If weather permits, games will be played on the natural ice of the Rahway River Park ice-hockey rink.

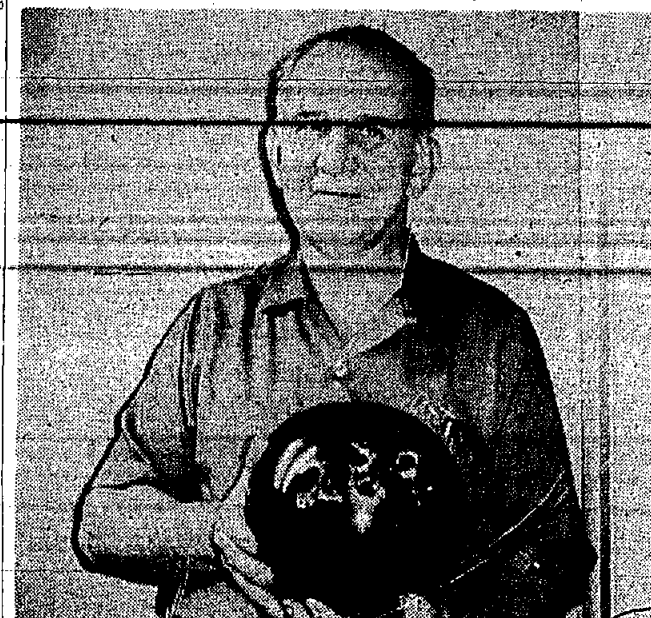

All interested clubs are invited to attend the meeting or contact the recreation department of the park commission for further information.

Joe Vizzoni booted a goal to take the game for Regional.

Although losing to Linden, Regional showed a strong comeback in the fourth period, scoring 2 goals, but this was also, no avail as the Bulldogs lost 5-3.

The standout of the season was the game with Berkeley Heights, now turning into a traditional soccer game, as the Rahway game is during the football season. The Berkeley Heights team is composed mostly of old Regional players.

Rehberg Rolls 10 Strikes

Art Rehberg almost entered the select circle of 300 bowlers when he tossed 10 strikes to wind up with a 288 game. This is the highest game rolled thus far at the Springfield Bowl. Art bowls in the Springfield Sports League.

Continue Meteoric Progress

Poised In 7-6 Win

Rated Best Win Of Year

Can Al Brown guide his "Whiz Kids" through two more triumphs and thus end this season with a truly amazing record of 6 wins and just two defeats?

This question will be answered Saturday when Governor Livingston risks their two game win streak against the Hillside Comets.

Hillside in winning only one game thus far can't be taken too lightly by the Highlanders. They have faced more formidable opponents throughout the year in losing to Springfield, Roselle, Scotch Plains and Summit. Their lone win was over winless Clark.

The Highlanders have meteorically risen to fame with their win over Piscataway. This boosted their record to 4-2 and have attracted county wide interest and praise.

The one question people would like to have answered is "What is Al Brown's secret of success?"

Best Win Of The Year
The Piscataway win must be considered the Highlanders biggest win of the year. They were definitely the underdog according to the poll of sports writers, but the role gave them more impetus. While the statistics showed very little in Livingston's favor, they were very deceiving.

After Piscataway got off to an early start with a score in the first quarter, Livingston played conservative football. It was not entirely their choice, since Piscataway contained them deep in their own territory most of the game.

Coach Brown explained his extreme conservatism as such: "After they scored first, I felt that we would get to them eventually. I didn't want to give them an easy score, so we were kicking on third down at times when we were deep in our own territory. I knew we could get one touchdown back, but I didn't want to chance having to make two scores. When the time was right, we went for the home run and it payed off."

The Right Time
And just what was the right time?

After Jim Flint returned a punt of 25 yards to the 50 yard line on one of Brown's patented ruckback patterns, the Highlanders were then ready to spring out of their conservative shell.

On the very first play, Frank Fish faked a handoff, then faded back and hit Tom Foster cutting over the middle. Foster never breaking stride, carried to the 5.

The other half of the Fish combination then took over.

Jim Fish bulled to the 1, and on the next play tied the score at 6-6. It was his ninth touchdown of the year.

Former starting quarterback Ken Hamilton then mechanically booted the extra point for the deciding margin. Since his injury, Hamilton has been used effectively as a defensive halfback.

Suchena, DeDuch and Fish
Trying desperately to regain the lead, Piscataway surged to Highlander 15 yard line with a third and 1 1/2 yards to go for a first down. Headed by John DeDuch, Pete Suchena and Jim Fish the Highlander defensive contingent thwarted any hopes the Piscataway had of notching a victory.

Richard Haas and Jerry DePasquale were also vital for the Highlanders on defense. A surprising defensive move by Brown was using Jim Fish on defense. In the past, Brown has been reluctant to use Jim on defense, since he carries the ball so frequently. But with Lynn Nesbitt out with an injury, Fish played linebacker and gave his best all-round performance of the season. It didn't seem to slow him up offensively as he gained 72 yards on 15 attempts.

Good Passing Percentage
An interesting facet of the Highlander offense is their passing game. It is their "ace-in-the-hole" used with fantastic success. They seldom throw long.

In 19 attempts Frank Fish has completed 13 passes. He completed 4 out of 8 Saturday.

This is one of the points Brown

Pretty Cheerleaders From Springfield Regional, Gov, Livingston and Scotch Plains

Raiders Gear For Second W. C. Title

To Battle Cranford Sat. At Home Field

Win Would Climax Successful Year

Chuck Nelson has nurtured his Scotch Plains Raiders with patience, knowledge, guidance and a desire to win that has brought his team to the threshold of a championship. His efforts have not been in vain as Nelson is now faced with a chance to win the Watching Conference for the second consecutive year. At the beginning of the year, this was the remotest of all possibilities. But now it is within the Raiders' grasp.

John Torbyn has also played an important part in the Raiders' success with aggressive offense and defensive play from his tight end position.

MORE THAN THE CHAMPIONSHIP

This game will decide more than the championship of the Watching Conference. This game will decide how successful a season each team has had. It is definitely the biggest game of the year for Scotch Plains, and probably for Cranford as well.

There is the possibility that Cranford may have reached their peak last week against Roselle and may let down just a little against the Raiders. Whether they do or not, one thing is for certain the Raiders will be up and ready for the Cougars. It is going to take a gigantic effort by the Raiders, but then it has been a gigantic effort for them to get this far.

TIME IS RIGHT

No one in the Raider camp would ask for a better time to be battling for the championship. Not until the Hillside game did the Raider offense start to feel the following week convinced the skeptics that it was no fluke as they ran up a 30-7 romp over a strong Metuchen eleven.

Highlander Highlights

Pullback Jim Fish has tied Herb Etzold of Springfield Regional for third place in the Union County individual scoring race with 54 points. Each has two games to play. The Highlander star lost ground to the two leaders over the weekend. Bill Jaworevich scored four touchdowns for Rahway to take the lead with 73 points. Pingry's Pete Hilgenhoff scored twice to boost his total to 66 points. Dave Reitze of Westfield is fifth with 52 points.

Governor Livingston has been classified as a Group 2 school (based on number of male students) by the New Jersey State Interscholastic Athletic Assn. With Clark Regional dropping from Group 3 to Group 2, it looks like a natural future rivalry for Thanksgiving Day games. Neighboring Watchung Hills Regional, another natural rival, also has been classified as a Group 2 school.

Continue Progress

(Continued from page 16)

has been emphasizing in practice this week. He hopes to be able to develop the "home run" pass. He has also introduced some new defensive patterns for the Hillside game. Brown detected a weakness of the Highlander in going for the quarter-back's take. This resulted in a score by Piscataway, when the defense was out of position. It will be corrected!

Remember Roselle Game Some people may be taking the "Hillside game" lightly, but Brown has reason to respect the Comets. He saw Hillside, outplay Roselle for the first half before they finally fell to the then undefeated Roselle Rams. The "winning" Brown felt that "we have to respect a team that can look that good against Roselle. I think that Hillside will really be aiming for us. This will be their chance to redeem themselves."

When comparing the two team's physical attributes, Nelson thought Cranford to be a "very strong wing team with great running power. Our offense has the full, theirs has the power."

Doing most of the ball-lugging for the Congress will be the twin brother combo of Bob and Richie Kupcho. The twin scored 14 points for Cranford in their upset win over Roselle.

The Scotch Plains offense is generated by Bruce Springer. Springer has been adept at passing as well as running. Just far. Other offensive standouts have been Sal Verini and Willie Jones. Jones' play throughout the season has established him as one of the finest linemen in the area.

If that sounds like a "pep talk" for the opposition, you can well imagine what Al Brown is telling his boys.

Letter To The Spouter

Parent Wants Action On Field For Springfield

Dear Spouter:

After having read the article, (No Field for Springfield) in last week's issue of the Sun, and having played and observed these conditions for a number of years, I am elated to see that someone has finally brought it to the attention of our people.

We have youngsters from little league to high school playing on this field, both in baseball and football.

The condition of the fields are not conducive to the safety of these boys. And if it certainly doesn't give a boy much assurance, when trying to field a line drive, he steps in a hole and falls down.

This may not be important to some of our people, but I have three boys who are playing and will be playing on these fields.

One question I should like to ask our school board as a taxpayer. We in Springfield are paying more into the system than any other town, yet we are the only one without our own field.

I don't know what condition the fields are in the other towns, but at least they have their own and should keep them up. I should like to see our board member representatives get together with the county and see if they can come up with a concrete agreement whereby we will have complete assurance that the field will always be available.

As far as I know there may be an agreement, but if there is, it certainly hasn't taken into consideration the condition and maintenance problem.

If the county would give the school sound assurance that they would have a field as long as they need it, then it would not be too expensive to rebuild the field and maintain them.

I don't blame the school for not wanting to sink money in to a field that they have no guarantee will be available the next year.

My feeling is, if we can't get a satisfactory agreement within the county, we should consider building one of our own.

I'm sure there are other parents who feel as I do, and hope they will back you up in this effort.

Very truly yours, Reginald H. Ronco
