You can learn a lot from this Statement of Condition. It shows how much money is entrusted to our care . . . a sum \_that reflects the confidence of many people. These figures also show what we do with these dollars . . . how we put them to work promoting this community's progress and the prosperity of everyone in it.

## Xmas Seal Receipts Reach \$69,885 Mark

ceived at the office of the Union County Tuberculosis and Health League, according to an announcement today by the Union County Christmas Seal chairman, Vincent F. Warkala of Mountainside.

Warkala reported that receipts in Union County now total \$69. 885, which is eight per cent less than the amount received from Christmas Seal contributors last year at this time.

"Realizing that the 644 tuberulosis cases known to the county case register represent only part of the problems as there are an unknown number-of undiagnosed cases in the community," the chairman observed. The Union County Tuberculosis and Health League feels it is urgent to intensify efforts to hasten elimination of the disease as a public health menance in this area. It will be impossible to carry out our present plans unless the resident of the county the Madison Community Center, support wholeheartedly the Christmas Seal campaign."
