## Chamber Of Commerce Head Says Most Morris Avenue Merchants Are "Squawkers"

In a bristling, open letter aimed at the merchants of Morris Ave. in Springfield, Jack H. Stiefelman, chairman of the Springfield Chamber of Commerce Annual Christmas Light Committee, scolded "a minority group" of retailers who complained that this year's street lights were not turned on at the time promised.

Chamber of Commerce officials are reported to have been at odds with several of the Morris Avenue retailers because the merchants, the Chamber claims, have not cooperated in any of the campaigns to improve business.

"A year or so ago," said a Chamber official, "we named a working committee to make plans for a sales campaign, wrote letters to each merchant, set a date for an important meeting, telephoned the merchants alerting them to attend the meeting, and not a single Morris Avenue merchant put in an appearance."

The Christmas lights on Morris Avenue have been installed each year as part of the plan to attract shoppers and the cost of the installation has been shared by the civic-minded members of the Chamber of Commerce.

Mr. Stiefelman states that a great many have already sent in their checks for the present lighting costs and several have promised to do so in a few days.

However, Mr. Stiefelman says in his letter that the criticism "does not apply to the merchants, who are in the minority, who do support the Chamber."

## Haydu Files Petition To School Board

A. B. Anderson, secretary of Springfield Board of Education, has announced that Frank W. Haydu Jr. of 140 Pitt Road filed his petition Monday for nomination to school board.

Mr. Haydu's two-year term as a board member is expiring. He was appointed to the board in 1959 to fill an unexpired term of Aldred Rogers, who moved to Virginia, and was elected in 1960 to the remaining two years of that term.

A resident of this township for the past 11 years, Mr. Haydu is the controller of S. Haydu & Sons Inc., Newark meat concern.

He is active in Masonic circles and the local baseball and basketball leagues and is a trustee of First Presbyterian Church. He resides with his wife Iris and two sons, Frank, 3rd, 14 years old, and Gary, 11, at the Pitt Road address.

Mr. Haydu's petition is the

## Name Lee Sarokin Chairman Of County March Of Dimes

"Moving forward from the successful fight against polio, the 1962 New March of Dimes will support one of the most potent medical programs ever launched against chronic crippling disease," H. Lee Sarokin said today.

Mr. Sarokin's statement was made as he accepted appointment to direct the March of Dimes campaign in Union County from January 2 through 31.

The appointment was announced by Mr. Edward L. Whelan, Chairman of the local chapter of the National Foundation.

Mr. Sarokin, who is an attorney, pointed out that the March of Dimes organization, while continuing its 24-year successful fight against polio, is also attacking crippling birth defects and arthritis.

"Funds are needed to support research which offers real hope of discovering preventives and cures for these diseases. This is the program that developed first the Salk vaccine and then the Sabin vaccine - exclusively with March of Dimes funds. And we must continue our program of training vitally needed medical and scientific personnel through National Foundation fellowships and health scholarships."

## Open Letter To The Morris Ave. Merchants

"Our Town of Springfield is the only municipality that I have ever found, in my experience, wherein the merchants are not the backbone of the Chamber of Commerce. It is had enough that our Morris Avenue merchants, in the majority, do not support the Chamber, but every now and then an incident occurs which discourages the various committees of the Chamber who are attempting to perform a service which is beneficial to the merchants of the town."

It has been a custom in the past years, that the Chamber of Commerce looks after the installation of the Christmas lights on Morris Avenue and Mountain Avenue annually.

The committee had arranged to have the lights installed and turned on by the evening of Thursday November 30, but due to a slip up by the Power Company the Christmas lights were not turned on as originally scheduled, and by Friday night the secretary of the Chamber had received many calls and was quite abused.

Following the usual pattern of the Morris Avenue merchants, the loudest and longest squawking was done by retailers who do not support the Chamber of Commerce in our town. In fact some of them never contribute a "red cent" toward the cost of the Christmas lights.

This letter does not apply to the merchants, (who are in the minority), who do support the Chamber.

Sincerely yours,  
J. H. Stiefelman, Chairman  
Springfield Chamber of Commerce  
Christmas Light Committee

PS: The lights went on Saturday night, December 2.

## Rev. Collier To Preach

Temple Shary Shalom will be host to the Rev. John W. Collier Jr., pastor of the Israel Memorial A.M.E. Church of Newark, tomorrow (Friday) evening, December 15, during its regular Sabbath Eve Service.

Rev. Collier will be guest preacher at the Sabbath service which is held in the Parish House of the First Presbyterian Church, tomorrow at 8:30 p.m. Rabbi Dresner will lead the congregation in prayer.

Rev. Collier was chairman of the Inter-Facial group of ten ministers and rabbis -- which included Temple Shary Shalom's rabbi, Israel S. Dresner -- who were arrested and imprisoned in Tallahassee, Florida, for freedom riding.

Many Shary Shalom members will remember Rev. Collier's stirring remarks at the Oneq

second to be filed. A petition has also been filed by Mrs. Helen F. Sabo of 30 Hemlock Terrace.

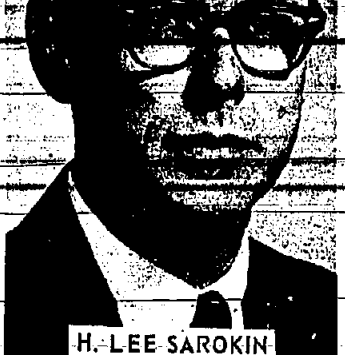

In addition to Board of Education member Haydu, the terms of Rupert H. Humer of 11 Dayton Court and Alan Cunningham of 58 Spring Brook Road are expiring.

Mr. Humer was elected in 1959 and is completing his first term of office on the board. Mr. Cun-

ningham had served two terms, then didn't run, and was appointed to the board in June, 1960 to fill a vacancy left by Robert Multhaup, who moved.

He was elected in February, 1961 to finish the remaining one year of Mr. Multhaup's term.

The deadline for filing is January 4 at 4 P.M. in the secretary's office in Caldwell School.

H. LEE SAROKIN

"Perhaps even more important at the moment, we must aid those already stricken by these crippling. March of Dimes funds are being used now by chapters in many parts of the nation to establish or support special treatment centers and evaluation clinics where specialized treatment and diagnosis can be given," Mr. Sarokin declared.

"Chapters with available funds are also authorized to aid victims of all types of birth defects where such help is needed."

Shabbat the evening of the Sabbath service at which Rabbi Dresner was welcomed back to his pulpit following his arrest and imprisonment in Florida along with Mr. Collier.

Rev. Collier is not unknown to these parts having served as minister of St. Thomas Church in Westfield and St. Mark's in Cranford, and as executive director of the Westfield Community Center.

Rev. Mr. Collier is the son of a pastor, and during his twenty-five years in ministry has also served on the faculty of the Payne Theological Seminary of Wilberforce University in Ohio, from which seminary he was graduated and later awarded an honorary Doctor of Divinity.

Rabbi Dresner, who is a good friend of Rev. Collier, was guest preacher at the latter's church on Sunday, November 26.

ningham had served two terms, then didn't run, and was appointed to the board in June, 1960 to fill a vacancy left by Robert Multhaup, who moved.

He was elected in February, 1961 to finish the remaining one year of Mr. Multhaup's term.

The deadline for filing is January 4 at 4 P.M. in the secretary's office in Caldwell School.

Several new properties along Springfield Avenue are shown on the map in the path of the new highway although it does not appear to affect the new industries building in that area.

7. The route of the highway has been diverted, according to the map, so that no property is to be taken on the No. 2 Municipal Parking Lot, at Caldwell and Morris avenues. The Good Deal Supermarket planned to build on the Bunnell property and part of the present parking lot

## Main Street Will Become "Dead End"

Mayor Vincent J. Bonadies, in a final effort to get some definite information from the State Highway Department on the new highway No. 78 as it slashes through Springfield, brought back an armful of maps from Trenton and presented them to the Township Committee with a lot of startling information.

The profile maps are now being prepared by the Township Engineer Alfred Swenson, a job expected to take several days, and when completed it is the intention of the Springfield Sun to publish the complete information in an early issue.

The maps now in the hands of Mayor Bonadies "are final." Property maps are being prepared by the Highway Department and should be in Springfield very shortly.

Mayor Bonadies made the trip to Trenton Monday, determined to bring back some definite information after years of indifference on the part of Dwight R.G. Palmer, Highway Commissioner.

"These maps are final," the Mayor told the Township Committee at Tuesday night's meeting. "Right of way contracts should be completed by September and work completed in about eighteen months. Springfield will be finished before any other part of the Route 78 project. The whole job should be done by 1964."

The maps in the possession of Township Engineer are too difficult for the laymen to read properly but a cursory examination of the many parts of the whole map reveal the following:

1. There will be no more Main Street through to Millburn. Where the new highway No. 78 crosses Main street just beyond the Presbyterian Church cemetery, the present Main street will be diverted so that it runs in back of the Methodist and Presbyterian churches, and will meet Morris Avenue along what is now Black's Lane.

2. Many changes have been made by the Highway Department and a great many more buildings will be in the path of Route 78.

3. The highway will be elevated as it goes through Springfield, Bryant Avenue, Claremont Circle, Short Hills Avenue, Tulip Road will be relocated.

4. It appears certain that most of the properties in Morris Avenue from Salter to Keeler will be in the path of the right-of-way negotiators.

5. There will be two dead ends in the Baltusrol Avenue and Park Lane sections where the map shows a bridge connecting with the proposed new Route 24 project.

6. Several new properties along Springfield Avenue are shown on the map in the path of the new highway although it does not appear to affect the new industries building in that area.

7. The route of the highway has been diverted, according to the map, so that no property is to be taken on the No. 2 Municipal Parking Lot, at Caldwell and Morris avenues. The Good Deal Supermarket planned to build on the Bunnell property and part of the present parking lot

## Planning Board Splits Vote For 48 Apartment Units In Zone For 1 Family Homes

### Next Meeting Of Town Committee Will Be Dec. 28

With Springfield facing a "rush of apartment building units" and only a few weeks left before the Republicans take over control of the Township Committee from the present Democratic majority, the date of every meeting of the various Township Boards becomes very important.

The Planning Board has recommended an application for a 48-unit apartment proposal to be constructed on the Fadam Farm property which, according to the objectors, is zoned now for one family homes. If there is need for a variance, the acreage calls for no more than 25 family units.

Another application for apartment approval is at 733 Mountain Avenue, where there is a request for 50 units on about one and three eighths acres. The present zoning ordinance calls for no more than 10 family units per acre which includes the off street parking area.

The name of Sam Piccione, Springfield resident and real estate developer, appears on the application for both the Fadam Farm proposal and the one at 733 Mountain Avenue.

The next Board of Adjustment meeting has been set for Thursday, December 21, at which time the recommendation of the Planning Board in the Fadam Farm matter will be determined. Whatever the Board of Adjustment does is then referred to the Township Committee for final decision.

### Plan Pageant At Methodist Church Sun.

The approaching Christmas season will be observed in the Springfield Methodist Church with a pageant entitled, "The Shepherd's Vision" on Sunday evening, December 17 at 7:30.

The cast will include fifty young people and adults of the congregation. Special lighting effects, costumes and music will add beauty to the traditional Christmas message as presented in word and song.

The entire production is under the direction of Mrs. B.W. Gilbert, wife of the Pastor, who has in the past year coached and directed two other pageants which brought out capacity audiences. Everyone is welcome.

### How They Voted On Plans For 48-Unit Apartment at Fadam Farm

It has been learned by the Springfield Sun that the vote of Springfield Planning Board on the proposal for garden apartments on the Colatruglio property was three to two in favor of the plan.

Of the seven board members, who were present at the meeting when the question was considered, three voted for it, two against it, and two members abstained from voting.

Two other members of the nine-member board did not attend the meeting.

Voting against the proposal were Vice Chairman Francis J. Keane of 33 Henshaw Avenue and D.S. Rotwein of 25 Sycamore Terrace.

Voting for the proposition were Springfield Township Committeeman John C. Pitney of 18 Sharon Road, W.J. Binder of 558 South Springfield Avenue, and Albert D. Evens of 68 Ruby Street.

Those abstaining were Mayor Vincent J. Bonadies and Board Chairman Azeglio Pancani, Jr. of 3 Briar Hills Circle.

Those members absent from the meeting were Township Engineer Alfred H. Swenson and Kenneth Young of 172 Pitt Road.

### Keane And Rotwein Explain Objections To Fadam Farm Plan

The two planning board members who voted against the Colatruglio garden apartment plan, and Mayor Vincent J. Bonadies have made known to the Springfield Sun their position on the matter.

Vice chairman Francis J. Keane announced that, as a member of the Planning Board, he feels responsible for having some say in the planning of the township.

He said that the garden apartment proposal for the Colatruglio property in Mountain Avenue represents "poor planning." This section, he explained, is in the heart of the residential area where there are no garden apartments and the approval of this plan would open a wedge for other garden apartments to spring up there, he contended. He also emphasized that it is in close proximity to three schools.

D.S. Rotwein, an architect, who has been a member of the board since February, reported Saturday that he was preparing a statement presenting his views on the matter and was sending it to both the Springfield Township Committee and the Board of Adjustment.

Mr. Rotwein said that he felt it was not proper to take garden apartments individually. He further indicated that he was concerned with the influx of apartment units into the township and thought the entire garden apartment question should be studied to determine what benefits the township receives from them.

It is understood that Planning Board Chairman Azeglio Pancani, Jr., abstained from voting on the Colatruglio proposal

inasmuch as he is one of the architects under whose name the plans were submitted.

Mayor Bonadies, pointing out to the Sun that he did not abstain from voting for the same reason as Mr. Pancani, said that he refrained from voting so that he might make a public statement on the matter.

When asked when this statement would be forthcoming, he said that he did not know, but "would choose his own time."

### Relocation For Nursery School Has Been Denied

The Township Committee has rejected the recommendation of the Board of Adjustment to permit the relocation of the Bert Bruder nursery school from its present quarters at 102 Salter street to 36 Evergreen avenue.

The vote to reject the recommendation was unanimous.

A crowded agenda at Tuesday night's meeting saw the governing body dispose of the following matters:

Award contracts to Humble Oil Co. for 1962 gasoline to Humble Oil Company and for fuel oil to Dean Oil Company, of Fanwood.

Pass an ordinance on its first reading regulating parking of cars and other matters to aid during emergency of snow removal.

Authorized the purchase of 100 parking meters at \$60.00 each.

Changed the next regular meeting time of the Township Committee from December 26 to December 28.

Springfield's Planning Board last week agreed, by majority vote, to recommend to the Board of Adjustment the proposal for the construction of garden apartments on the property of Frank Colatruglio of 305 Mountain Avenue, known as Fadam Farm. The whole proposal - "kit and catoodle" - was recommended, according to one planning board member.

The Board of Adjustment had forwarded the matter to the Planning Board for an advisory report after the board of adjustment held a public hearing on the application for a variance at its November 30th meeting.

When the matter was brought before the planning board, Chairman Azeglio Pancani, Jr., announced that he would disqualify himself from sitting on the board, inasmuch as he is the architect for the proposal. Francis Keane served as temporary chairman.

Stanley Gruen of Cypress Terrace, an attorney representing Mr. Colatruglio, said that the plan calls for 48 units totaling 150 rooms to be constructed on 2 acres of land. He added that there would be no basement apartments.

The Board of Adjustment is considering whether or not to should recommend a variance for three multi-family buildings on the land which is presently zoned S-75 residential for single-family homes.

Also to be taken into consideration are the 48 units planned inasmuch as ordinances, according to township officials, stipulate that "no more than 10 families are to dwell on one acre of land."

When the Board of Adjustment reaches a decision on the matter it will forward its recommendation to Springfield Township Committee for either acceptance or rejection.

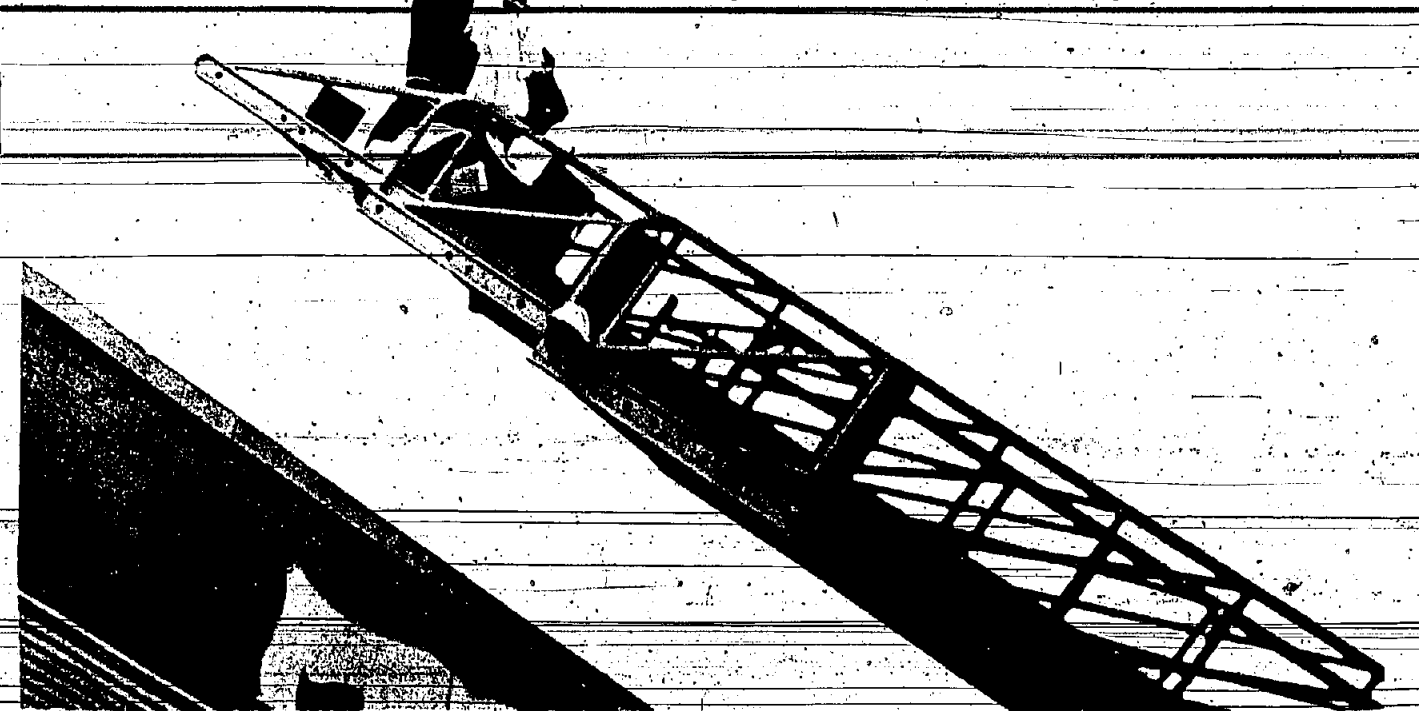

Approved place to place transfer of liquor license for the Springfield Steak House, Route 22.

Accepted resignation with regrets of Ed Cardinal as Chairman of the Springfield Shade Tree Commission. Mr. Cardinal has been head of that commission since its inception. His term expires in December, 1963.

The Swimming Pool Report prepared by the Citizens' Pool Study Committee was accepted and made public except the sites recommended for the pool and the cost of acquisition. This information was not made available because "appraisals are still being made on the properties" suggested in the report.

Industries in the Brown Tract, Route 22, were given the green light to extend Commerce street to Hillside Avenue. The interested industries will absorb all the costs.

**SANTA ARRIVES**—The arrival of Santa Clause to the Echo Shopping Plaza off Route 22, Springfield, last Saturday, made for a lot of excitement as the "jolly old fellow" came off the roof of the Plaza in high style on a ladder supplied by the Springfield Fire Department's hook and ladder truck. Children of all ages rushed up to Santa after he hit the ground, each wanting to make their request for Holiday gifts. (Dick Schwartz)

## Senior Citizens Arrange Fine Program For Dec. 21

Two new Springfield residents have been instrumental in starting a Senior League at Temple Beth Ahm, which is becoming very popular in the Township.

Mrs. Frank Robinson and Mrs. Wallace Catten, both formerly of Jersey City, who now reside on Mohawk Drive realized the vital need for a meeting place for the senior citizens of the community.

These two women were active in social service and have always participated in community activities as they feel that the community is as much an obligation as their home and family.

Mildred Robinson and husband, Frank, live with their two children, Carol and Stephen and mother, Mrs. Jackens, at 9 Mohawk Drive.

She is at present time, president of the Women's Auxiliary of the Hebrew Home and Hospital of N.J., has served as Donor Chairman of Hadassah and on the executive board and past president of the Sterling Womens Association.

Edith Catten and husband, Wallace, live with daughter, Roslyn and mother Mrs. Siegel, at 10 Mohawk Drive. She has always been active in school activities, being president of the following: PTA of the Demonstration School of N.J. State Teachers College, James F. Murray School, Henry Snyder H.S. and PTA of the Talmud Torah Ohav Sholem; vice president of Hadassah and on the executive board, also on the executive board of the Woman's

## Students Get Rotary Invite

At a meeting this past summer, the Springfield Rotary Club decided to invite male students from the Jonathan Dayton Regional High School, Springfield, and the Florence M. Gaudineer School, Springfield, to their monthly meetings. The boys, who must be seniors in their respective schools, are selected as those best representing the aims of Rotary ideals, and these qualified as "all-around" students, typical of the student body. They select one boy each month from each school.

## Township Says "No" On A Land Application For Springfield Ave.

Co-operation with the New Jersey State Highway Department -- something Mayor Vincent J. Bonadies said "he would be the last one to advocate" -- was recommended by him at the Springfield Planning Board meeting last week in the Municipal Building.

The point was raised when the board was considering an application which would permit ingress and egress on Springfield land into a proposed bowling alley to be constructed in Millburn.

The application, made by Sanford Nalitz of Staten Island, N.Y., sought a subdivision of 125-161 Springfield Avenue with two lots to be used for commercial use.

The property, now owned by LaBarre & Schuch, is zoned for general industry.

Mayor Bonadies, a member of the board, reported that it was evident from maps forwarded the board by the highway department regarding this matter that the proposed Route 78 would be constructed in this area.

The mayor said: "I would be the last one to recommend co-operation with the state-highway department. In fact, if there were any other alternative, I would hamper the highway plans to the 'nth' degree."

He went on to point out that the bowling alley taxes would be paid to Millburn and the parking would be done in Springfield.

He said, "The police problem would be ours, with a liquor license for the premises aggravating the situation. Traffic would be Springfield's problem! The taxes would be Millburn's windfall."

Board Chairman Azeelio Pancani Jr. had also previously presented this viewpoint when he introduced the case.

Mayor Bonadies also added that the Victory Engineering concern across the street from the property in question had been guaranteed that its neighbors would be of the highest quality.

The application was denied. Decision was reserved for Springfield Township Committee

field; and Martin Sica, son of Mr. and Mrs. Harry Sica, 137 North 21st Street, Kenilworth.

The students from the Gaudineer School who have attended the meetings are James Belliveau, son of Mrs. Phyllis Belliveau, 25 Proffit Avenue, Springfield, and Dr. William Belliveau, Springfield; and Theodore Cunningham, son of Mrs. Lois Cunningham, 36A Linden Avenue, Springfield.

William Gold, son of Mr. and Mrs. Felix Gold, 121 Hawthorn Avenue, Springfield, a student at the Gaudineer School, will attend the Rotary meeting this month, which will be held on December 21.

## Deny Request For Building Next To Shopping Center

The application of General Greene Village, Inc. for a subdivision for 10,000 square feet of property, also bounding the General Greene Shopping Center and Church and Cannon D.A.R. Chapter's Revolutionary cemetery has been denied by Springfield Planning Board.

The vote was unanimous against the proposal because it was said that planned two-story structure would cover too much of the area of the subdivision property.

According to Stephen Maskeles of Short Hills, an attorney representing William Chirgolis, president of General Greene Village, the first floor of the building was to be used as a managerial-rental office from which to operate the garden apartments

## Builder Asks For 50-Unit Apartment On Less Than One And Half Acre Plot

In addition to the Colatruglio application for garden apartments on Fadam Farm property in Mountain Avenue, two additional proposals for garden apartments were brought to the attention of the Springfield Planning Board at its meeting in Municipal Building.

One was presented by Elmer Walker, who is interested in erecting garden apartments at 845 Mountain Avenue.

He indicated that a Board of Adjustment variance was considered a year ago on an apartment proposal for the property and informed the Planning Board that his present plans call for fewer apartments with more rooms and that the area of the total buildings with the elimination of porches is less.

Original plans were for 32 apartments and the present plans are for 29 apartments including one for the superintendent, he said. The site is said to be located next to a contemplated office building.

Mr. Walker was told that the new plans were not complete and therefore the board could not act on his proposal at this time in an advisory capacity.

The other plan was introduced by the Martin Donald Company with Donald Haas, the sponsor. The applicant was considering the construction of some 50 units at 733 Mountain Avenue, property owned by Samuel Piccione, it was said.

The side, described as about one and three eights acres, is located in split zoning, part in general business and part in residential. M. Markovitz, Elizabeth attorney, represented the applicant.

The board brought to the attention of the attorney that the density of the plan was out of proportion for the amount of land involved.

Recommendation was made that the applicant submit new plans. The proposal would also be expected to be presented to the Board of Adjustment, who would act on the application for a variance.

## Temple Service

A consecration service will be held at the Friday night services, December 15 at Temple Beth Ahm for the first year Hebrew School students.

It has become a custom of the Temple that this service be held once a year for those children who have embarked on their religious education.

A consecration service was held Friday, December 8 in honor of the adults who had become members of the Temple this year.

Rabbi Levine welcomed the new members and urged them to take an active part in the spiritual growth of the temple.

**Mrs. Armstrong, UC Home Agent Is Honored At Testimonial Dinner**

Mrs. Mary W. Armstrong, Union County Home Agent, was honored at a Testimonial Dinner at the Winfield Scott Hotel, for twenty-five years of service to Union County.

Mrs. Frank Stuehle, of Roselle, General Chairman and President of the Union County Home Economics Extension Council, welcomed the guests and introduced Mrs. Howard Steward, of Hillside, who gave the invocation.

Mr. F. S. Mathewson, of Plainfield, retired Union County Park Commissioner, acted as Toastmaster. He highly praised Mrs. Armstrong for her efforts in bringing to Union County information for parents of Pre-school, School Age and Adolescents. He spoke also of the Extension program for those looking to the future and announced a new program planned for this spring called, "It's All a Part of Marriage."

Mr. Mathewson pointed out that under Mrs. Armstrong's direction, from 75 to 100 volunteer leaders have been trained to conduct local meetings on these subjects and others each year.

He then introduced some of the guests outstanding in public life, including Congresswoman Florence Dwyer; County Judge Ervin Fulop and Executive Director Adrian Murray; Mr. H.V. Osborne, Freeholder from Cranford representing Mr. Jay Steiner, Director of the Board of Chosen Freeholders; Freeholder Mary Kanane; Mr. James Fawcett, Director of State Extension Service and the Dean's representative, and Miss Elizabeth Graddy, State Home Economics Leader. Each spoke briefly about Mrs. Armstrong's accomplishments.

Mrs. Stuehle made the presentation for the group of a silver coffee service to Mrs. Armstrong.

A beautiful three-tier flower decorated cake in honor of the occasion, baked by Miss Grace Poesica of Elizabeth, was on display and later served to guests.

## Miss Beyer Is Engaged

Mr. and Mrs. Ellsworth B. Beyer of 290 Old Tate Road, Mountainside, have announced the engagement of their daughter, Miss Jean, to John McCull Cooper, 111, son of Mr. and Mrs. John M. Cooper, Jr., of West Hartford, Connecticut, formerly of Chatham.

## To Entertain Palsy Victims

Forty Union County children 16 months to 7 years old—victims of cerebral palsy—will be entertained at a Christmas party, next Thursday morning (December 21) by students at Union Junior College, Cranford.

The party will be for the children at the Cerebral Palsy Center, Springfield Avenue and Holly Street, which is the former home of Union Junior College. The former Grant School building was sold by the college to the Union County Cerebral Palsy Association this summer. It had been the college's home for 17 years until the college moved to its new Norman campus in 1958. UJC students will provide small toys, games, and refreshments for the young cerebral palsy victims. The toys will be distributed by Santa Claus (portrayed by a student). The students will supply a Christmas tree and Christmas decorations. Each year the Student Council at the college entertains a group of less fortunate children. Previous parties were conducted at the Children's Country Home in Mountainside, St. Walburga's Orphanage in Roselle, and Janet Memorial Home in Elizabeth.

Roger Cross of 30 Longfield Road, New Brunswick, is chairman for the children's Christmas party.

## B.B. Women To Dist. Gifts

B'nai B'rith Women, Northern New Jersey Council, will climax their yearly program of service to the Veteran's Hospitals in this area by participating in the Veteran's Administration Volun-

tary Service Gift Distribution Night which will be held at East Orange Veterans Administration Hospital on Dec. 20th and at Lyons-Veteran's Hospital on Dec. 22nd.

Mrs. David Weinstein, Springfield, Veteran's Chairman for Northern New Jersey Council of B'nai B'rith Women, and Mrs. Gerald Freeman, West Orange, President of Council are in charge of the activities of 32 chapters participating in a year-round program of service at both of these hospitals. Mrs. David Greenberg, Colonia is co-chairman of the East Orange Hospital program. Members of

B'nai B'rith visit both hospitals once a month to sponsor a ward party and at East Orange Hospital are responsible for birthday parties for all veterans' whose birthdays occur on the 4th and 31st of each month during the year.

## McDowell Praises MS Volunteers In Fund Drive

Volunteers who have aided in raising funds for the Multiple Sclerosis Service Organization of N. J., campaign for a nursing home were highly praised today by Mr. L.A. McDowell,

President. Mr. McDowell reported that the house-to-house visits of the volunteers have substantially assisted the group toward its goal of a nursing home to take care of badly afflicted multiple sclerosis victims.

This nursing home program is in addition to the regular services of the Multiple Sclerosis Organization of New Jersey which now provides treatment in its East Orange clinic for many patients. Others, unable to visit the clinic, are cared for at

home by a therapist and nurse. Special equipment, wheelchairs, crutches, and other items are provided to victims by the organization without charge.

Multiple sclerosis is a disease which attacks the central nervous system and mainly adults who are between 20 and 40 years of age. Neither a cause or a cure has been found for the disease, which is marked by a series of attacks each more crippling than the other and often resulting in total disability, which is the reason the Service Organization decided to build a nursing home.

The plan for a 100 bed nursing home, to be built in sections of 50 units each, developed after it was found that many victims of the progressively crippling disease were unable to care for themselves. Ground-breaking for the nursing home, which is the first of its kind in the country, is scheduled for next Spring.

Mr. McDowell declared that "this would not be possible without the generous contributions of residents and also of our hard-working and devoted volunteers." "We will furnish a complete report on the total contributions locally as soon as our records are complete," said McDowell.

He urged volunteers who may not have completed their canvass to do so as soon as possible and thanked all for their interest and hard work.

## Land Development Issue Reviewed by Taylor

With new home projects springing up everywhere these days on what was previously raw land the question of "what is land development?" is frequently being asked by readers in this community.

We have asked Harry A. Taylor, Jr., president of the Board of Realtors of the Oranges and Maplewood, for information concerning the significance of land development, and here is what he had to tell us.

"First," said Mr. Taylor, "there is much more to establishing a new neighborhood than building a row of houses.

"In fact land development—whether it be residential, commercial, or industrial—is rightly regarded as one of the most challenging forms of real estate endeavor.

"With America's booming population, it is also one of the most active and profitable branches of the real estate business.

"But don't be misled by tales of the fortunes that have been made in building the suburban bedrooms of today. These fortunes were not made easily.

"It takes skill in all the major real estate specialties to produce a successful development. It also takes money, which means capital to invest and the reputation to justify loans.

"Executive ability is a primary requirement for anyone who hopes to turn a piece of raw land into a profitably marketable subdivision of new homes, a shopping center or any other development.

"Such a person must be able

to select a site, analyze costs, secure financing, install improvements, oversee construction, and arrange for merchandising the finished product.

"Land development varies from small-scale operations in which builders put up a few houses to the production of full-blown communities of hundreds of homes with their own shopping centers and recreational areas.

"The development of land is handled in various ways. Take a residential neighborhood for example:

"The developer's first step is selecting a site and assembling the land—buying the tract whole or in parcels depending upon its previous ownership. This step can make or break the enterprise because location is all important.

"After laying out the subdivision, the developer may then sell off some lots for construction by others, or he may do it all himself. Many firms now develop entire areas on their own.

"The developer must then borrow much of the money needed to build. He must contract for the construction work

## H.S. Combines Summer School

Because of the building construction at the Governor Livingston Regional High School in Berkeley Heights, the summer school for this building will be combined with that at the Jonathan Dayton School in Springfield for the summer of 1962 only. This action was finalized at Tuesday's meeting of the Regional Board.

With winter break during the summer in virtually all of the interior areas at Governor Livingston, with the consequent danger to pupils, and with constant interruptions to water, electrical, clock and bell service it was deemed advisable not to try to have summer high school in the building next summer.

This action will aid the district in another way in that workmen will be able to proceed more rapidly than they would if pupils were using the rooms, corridors, and other facilities.

The Board plans regular summer school transportation from Berkeley Heights and Mountainside to the Jonathan Dayton school on the same basis as is done for all summer school pupils in the district who live beyond the minimum transportation distance.

With winter break during the summer in virtually all of the interior areas at Governor Livingston, with the consequent danger to pupils, and with constant interruptions to water, electrical, clock and bell service it was deemed advisable not to try to have summer high school in the building next summer.

### Rodents Become Tree Taster As Cold Gnaws

Off the screen and in the backyard, cartoonland's endearing rabbits, meadow mice and ground squirrels are anything but gentle and lovable. They turn into unquitting tree killers when the coldest days of winter sweeps in.

They're compulsive wood eaters and bridging them with tidbits left on the ground will do no good. They'll still dine on the bark of trees and buds and twigs of shrubs. Without half trying hungry rodents frequently can match the devastation caused by insect hordes.

There are ways of making rodents obey ground rules, advises J. J. Stocum, field representative of the Davey Tree Expert Co. The most effective means of safeguarding the edible landscaping is also the most troublesome for the homeowner: It's building "iron curtains" around valuable trees and shrubs, especially the in-

barked and newly transplanted. Hardware cloth or wire screening should encircle tree trunks or stem plants high enough to discourage rabbits and deep enough to prevent burrowing.

Homeowners averse to arming woody pets may find chemical repellents the answer. A number of sprays on the market are reasonably effective. These have odors disagreeable to the rodent. Since their effectiveness wears off in time, the chemicals must be applied at fairly regular intervals.

Rodents may be the classical timid heroes of the cartoon animals, but they loom as real-life "heavies" in the home backyard.

This has not always been the case. Not too many years ago science and scientists were still erroneously associated with things diabolical and mysterious. Just hark back to movies based upon the concept of the mad scientist. "Fossil sciences" even persist for large masses of the population in such pseudosciences as astrology and chiromancy. Astrology, for example, has many scientific attributes, but falls as a true science in having no foundation in basic facts.

Ideas, while they have certainly changed, have not been in themselves, entirely responsible. The perfection of experimental methods has been most responsible in that spectacular advance in technology. In addition, experimentation has fostered the development of gadgetry which in turn has led to still more refined experimental techniques.

As for brilliant ideas, none had more diversified theories for explaining the phenomena of

the universe than the ancient Greeks. There is no reason to suppose that the great minds among the ancient Greeks, some 20 centuries ago, were inferior to the great minds of today. Aristotle, one of the greatest thinkers of all times, probably proposed more theories for explaining various phenomena than any person ever did. Unfortunately, interwoven into Aristotle's ideas were countless errors, some of which have endured to the present time. Before the invention of instruments, such as the microscope and telescope, errors of the great philosophers and scientists remained unchallenged. Today any theory, regardless of the apparent logic it incorporates, will not survive long if experimental evidence does not support it.

Experimental methods are not readily applicable to all investigations, but when feasible, experimental proof is usually considered conclusive. The application of this principle, for example, was urged in confirming the effectiveness of the Salk vaccine against polio. A number of children were inoculated with the Salk vaccine and the results were compared to those in an equal number of children inoculated with a blank vaccine. While the proof was not absolute, it indicated overwhelming evidence of immunity in those inoculated with the Salk vaccine. Absolute proof has been most readily obtainable in chemistry and physics where it is easier to screen out interfering factors and to isolate the specific ones undergoing experimentation.

5. What is an explosion: any burning substance, rapid formation of gas, a loud noise, creation of a vacuum?

ANSWERS

1. Nothing. The notion of a vacuum is a fiction. The notion of a vacuum is a fiction. The notion of a vacuum is a fiction.

2. Eratosthenes. He calculated the circumference by estimating the distance from Alexandria to Syene and by measuring the angle of a shadow cast by a gnomon at Alexandria.

### Science Notebook

By Hans Klein

While philosophers question the ability of the mind to fully grasp reality, scientists tend to take a narrower, but more practical stand in analyzing nature and the world about us.

The products of scientific thought rather than its intrinsic qualities have exalted science to a position of high respect in our modern age—in fact, some of us forget that science actually has limitations.

Ideas, while they have certainly changed, have not been in themselves, entirely responsible. The perfection of experimental methods has been most responsible in that spectacular advance in technology. In addition, experimentation has fostered the development of gadgetry which in turn has led to still more refined experimental techniques.

As for brilliant ideas, none had more diversified theories for explaining the phenomena of

the universe than the ancient Greeks. There is no reason to suppose that the great minds among the ancient Greeks, some 20 centuries ago, were inferior to the great minds of today. ## Two Springfield Lodges Make Duncan Hines List

Two Springfield lodging establishments have received national recognition in the new 1962 edition of the Duncan Hines Travel Book "Lodging for the Night." Roy H. Park, editor-in-chief of the Duncan Hines Institute, announced today.

The Springfield establishments are among 4800 lodging places in North America "Recommended by Duncan Hines." They are: Dutch Maid Motel and Howard Johnson's Motor Lodge.

Other Duncan Hines books are the companion travel book "Adventures in Good Eating," also newly republished; and the Duncan Hines guide to resorts and holiday sports, "Vacation Guide," the latest edition published in July.

"This is our twenty-seventh year of continuous publication and service to the American traveling public," Park stated. "It is also our fifth year of continuing surveys — our public opinion audit

of eating and lodging establishments. This year we received 60,000 nominations of more than 12,000 restaurants, hotels, motels and resorts from 11,000 people who have the means to eat and stay at the best places in North America."

"These survey results plus comments from the traveling public and an actual inspection by a staff field representative," Park said, provide the guides for making the final selection of the 3 out of 100 establishments in the hospitality industry listed in the three Duncan Hines Travel Books.

"It has been our policy never to apply public ratings to places receiving the Duncan Hines recommendation," he explained. "Listings give the facts and are so worded that a traveler can decide for himself which establishment best suits his tastes and needs. Listings are by merit only."

The Future Farmers of America, who are all Agriculture students at Jonathan Dayton Regional High School, Springfield, are about to begin their third annual drive for funds. This drive will consist of the sale of Christmas wreaths and corsages. The selling will be done in school to teachers and students, but purchases can also be made by anyone not connected with the school.

Collected money will be used to pay the expenses of the representatives to the F.F.A. State Convention, which is held in June at Camp Pahaquara, at the Delaware Water Gap. Any money left over will be used to pay representative's fares on buses when they participate in field trips.

Mr. Adam LaSotta and Mr. Peter Danilo are co-advisors of this group of students.

Please take notice that the final date and time for filing petitions for membership to the Board of Education of The Union County Regional High School District No. 1 is December 28, 1961, at 4 P.M. Petitions may be filed with the Secretary at the office of the Jonathan Dayton Regional High School, Mountain Avenue, Springfield, New Jersey. One member from each community - Springfield, Clark, and Berkeley Heights - will be elected at the Annual School Election to be held on Tuesday, February 6, 1962.

All persons wishing to vote in the next Annual School Election who are not registered should do so prior to December 28, 1961, in their respective community. A voter must reside at least six (6) months in the state and sixty (60) days in the county and must be registered forty (40) days prior to the date of election. Berkeley Heights, Clark, Kenilworth, Garwood, Mountainside, and Springfield citizens of the Union County Regional High School District who wish to vote in the Regional High School District Election on Tuesday, February 6, 1962, may register at the Union County Board of Elections, Court House, Elizabeth, New Jersey.

## School Girls Serve Dinner

Girls of the Florence M. Gaudinier School, Springfield, who have taken a course in home economics for three years, had an opportunity on Nov. 29 to plan and serve a buffet meal to a group of visitors.

The menu, from appetizer to dessert, was a variety of favorite foods from many different countries and was served buffet style.

The young ladies who participated in the menu-planning, cooking, baking, setting up the buffet dinner and the final clean-up detail were: Ruth Slugocke, Marlene Chaiet, Edna Franklin, Irene Sommer, Barbara Tropp, Gail Post, Gretchen Purkisher, Rona Roth, Cheryl Boyle, Connie Wolte, Cathy Francis, Nancy Mumford, Cathy Celiham, Ellen Neilsen and Chrissy Jo Landruggan.

## Continental Post No. 228 American Legion, Inc. SPRINGFIELD, NEW JERSEY

A SPECIAL MESSAGE TO ALL SPRINGFIELDERS.

The Continental Post 228, American Legion would like to take this opportunity to express their gratitude for your warm-hearted support of our Veterans Day Dance, which was a financial success and in turn enables us to fulfill our obligation to this worthy community. Without your help this would be impossible.

With Sincere Thanks, The Dance Committee

The Scrap Drive Chairman would also like to thank the towns people for their gracious support of the monthly scrap paper drive, especially the latest Lindy Lee Fund Drive, which exceeded all previous records (51) tons.

It seems quite evident that the spirit of helping or giving by our citizenry prevails throughout the year, not just at this time of the season. A virtue you may be proud of.

IN CLOSING MAY WE EXPRESS:

OUR BEST WISHES FOR SAFE & PROSPEROUS HOLIDAY SEASON THE AMERICAN LEGION

# HIGHLIGHT NEWS

Madison Avenue at Punch Bowl Road, Morristown, N. J.

**OLD FASHIONED PAPPARKAKOR**  
 (Pep-par-kah-kor)  
 1/2 Cup Butter 1 Teaspoon Soda  
 1/2 Cup Sugar 1 1/2 Teaspoon Ginger  
 1 Egg 1 1/2 Teaspoon Cinnamon  
 1/4 Cup Molasses 1 Teaspoon Cloves  
 2 Teaspoons Grated Orange Rind 1/4 Teaspoon Ground Cardamom  
 3/2 Cups Sifted Flour  
 Cream butter, add sugar gradually creaming until light and fluffy. Add egg, molasses and grated orange rind; beat well. Sift dry ingredients to blend spices; stir in dry ingredients gradually, mixing until well-blended. Cover. Chill overnight (important). Roll out on well-floured pastry cloth or board to 1/4" thickness. Cut into desired shapes. Place on greased baking sheets. Bake at 375° F., 8 to 10 minutes. Swedish recipe made at Christmas time; cookies are often cut into animal shapes and decorated.

**PENCHE BARS**  
 4 Eggs 1 Pound Brown Sugar  
 1 Cup Chopped Nuts, Pecans or Walnuts 2 Cups Cake Flour  
 1 Teaspoon Baking Powder  
 Stir eggs and sugar in saucepan. Cook on low heat for 20 minutes, stir occasionally. Remove from heat; add nuts, then sifted dry ingredients. If a more piquant flavor is desired, grated orange or lemon rind may be added at this point. Spread out in a well-greased shallow pan 15 1/2 x 10 1/2 inch and bake 15 minutes at 375° F. Cut in squares when cool and dust with confectioner's sugar.

**JULE KAGE**  
 (A Christmas Bread Found on the Table in Norway for a "Glad Jule")  
 1/2 Cup Warm Water 1/2 Teaspoon Powdered Cardamom  
 1 Package Yeast 1 Egg  
 1 Cup Lukewarm Milk 2 Tablespoons Shortening  
 1/2 Cup Sugar 1 Cup Candied Fruit  
 1/2 Teaspoon Salt 1 Cup Raisins  
 3/4 to 1 1/2 Cups Sifted Flour  
 Place water and yeast in mixing bowl, stir until yeast is dissolved. Add milk, sugar, salt, cardamom, egg, shortening, fruit, raisins and half of flour. Mix with spoon until smooth. Add rest of flour until easy to handle. Mix with hand turn onto floured board. Knead until smooth and elastic. Round, place in greased bowl; cover and let rise until double, about 1 1/2 hours. Punch down; let rise again (about 45 minutes). Shape into round loaf; place in greased 8 or 9 inch round pan. Cover; let rise (45 minutes). Brush with egg yolk. Bake until brown. Temperature: 350°, 30-40 minutes.

**LITTLE SHOWER CANDY**  
 1 Package Semi-Sweet Chocolate Pieces 1 Teaspoon Vegetable Shortening  
 Melt chocolate with vegetable shortening on warm heat in saucepan; stir until smooth. Dip animal crackers, one-by-one, into chocolate; use fork to remove. Place on waxed paper to harden.

**HUNGARIAN COFFEE CAKE**  
 (Nut Encrusted Rolls - Baked As a Cake)  
 1/2 Quantity Sweet Roll Dough 1 Teaspoon Cinnamon  
 1/2 Cup Melted Butter 1/2 Cup Finely Chopped Nuts  
 1/2 Cup Sugar Raisins  
 Cut dough into pieces, the size of walnuts, and form into balls. Roll balls in melted butter, then in mixture of sugar, cinnamon and chopped nuts. Place one layer of balls so they barely touch in a well greased 9" tube pan. Sprinkle with raisins. Add another layer of balls, sprinkle with more raisins, pressing them in slightly. Let rise 45 minutes. Bake at 375°, 35 to 40 minutes. Loosen from pan. Invert pan so butter sugar mixture runs down over cake. To serve, break apart with 2 forks.

**BRAZIL** - It is midsummer in December below the equator, so the Christmas festa season is heralded in by an open air mass at midnight on Christmas Eve. Before a colorful altar in a gay atmosphere of banners and religious trappings, the worshippers pray and chant hymns.

**ENGLAND** - on Christmas Eve the yule log is lighted and processions of carolers sing old English hymns. Religious services are attended by many as are the performances of mummers who reenact the same traditional plays year after year.

**FRANCE** - most Christmas customs have a strong religious accent. A miniature nativity scene, called a "crèche," is arranged by the children and placed in the living room. The crèche is artistically lighted for the magnificent religious services when age-old hymns are sung, incense burned, and bells rung. Following the midnight mass, all partake of "reveillon," a luxurious meal of oysters and special wines and saucages.

**GERMANY** - many Christmas customs came from this country. The carol, "Silent Night, Holy Night," the Christmas Tree, "Tannenbaum," and "Kris Kringle" - our Santa Claus, all originated in Germany.

And here at home it is our custom to thank all of our customers for the privilege of serving them in 1961 and to wish them a Merry Christmas and a Happy New Year.

# Sports Track Down

BY DICK SCHWARTZ

We read in a current 'Hockey Illustrated' Magazine, that Russian Hockey teams are threatening Canadian-American supremacy on the rinks of International competition. The excellent article goes on to say that it is body-checking alone that is stopping the Reds from taking over in the immediate future. It seems the men from behind the Iron Curtain have not learned the art of giving the opposition the shoulder when necessary.

The story caused us to imagine just why the Russians haven't as yet mastered the 'legal' trick of throwing their weight around, and a little thought brought us to a conclusion as to possibly why the 'Comrades' from across the Sea are deficient in one of the more important of ice hockey techniques.

# Sports Review

BY DICK SCHWARTZ

## THE CRY'S UP!

Boosters, fans, players, cheerleaders, everybody in Springfield are all looking for the same thing, and we can't say we blame them. The cry is up from Mountain Avenue to Springfield Avenue. . . 'We want and we deserve, a NEW FOOTBALL FIELD!'

Well, the good folk might, but we're not, the Booster Club's not, and the boys who walk the tightrope each time there's a hike from scrimmage aren't either.

Springfield residents do not seem to mind the pathetic field their teams play on. But just give a local coach a poor seasonal record, and see how quickly explanations are in order.

The Bulldogs aren't just any second rate club. They're a Group III school, and this year, Group III Champions. They've carried more than their share of the load in instilling pride among Regionals and Springfield citizens. It seems they deserve nothing better than a fair shake from those same citizens.

Stop by the field some afternoon and take and take a look around. Climb the ripples between the goal posts, and slide in the mud resulting from improper county care. Picture your kid breaking a leg sweeping around left end, and then get in touch with the Boosters Club or your Board of Education.

## QUITE A GROUP

The Dayton Regional High School Booster Club is appealing to parents, residents, merchants and professional and industrial establishments in the township for funds to aid in procuring a decent athletic field, scholarship awards, and State Championship jackets.

Can you imagine the Rangers on top of the Stanley Cup heap? Can you imagine President Kennedy getting thrown for a thirty yard loss on the White House lawn? Can you imagine Archie Moore getting drafted into the Army? Can you imagine the American Football League not surviving another season as the result of poor TV payoffs? Can you imagine the Eagles being declared the victor of last week-end's game after films show that Ref Ron Gibbs had made three obvious mistakes (we can dream, can't we)? Can you imagine this writer being dumb enough to give his boss even-money odds and then taking the Eagles for \$2 against the Jints? Can you imagine Wilt 'The Stilt' going scoreless for one entire game? Can you imagine a club with five Wilt 'The Stilts'? all going scoreless? Can you imagine that we've run out of things that you can imagine?

## WE NEED A SPORTS WRITER!!

The Sports Department of the Watchung Weeklies is looking for a sports writer from the Scotch Plains-Fanwood area. We would prefer either a student who has a flair for the written word, or a member of the Alumni or Booster Club who would like to see Scotch Plains-Fanwood High School receive more publicity attached to its athletic program.

The hockey mentor had cause to scratch his growth. For two years he had been trying to teach his hard-nosed athletes the art of body-checking, and to no avail.

Petrovich-Marinovitch, hard-nosed lineman, and inspiration of the club, skated toward Palitsky and pulled up before his coach in a shower of ice chips.

"Is not so hot-a workout," grins the hard-nosed Marinovitch. "You know the orders, Comrade Coach, no body-check, no trip to Imperialist United States for matches next year in city of Denver. Cry-at-Kremlin is 'Remember McCarthai'!"

"You're not telling me anything 'Comrade Commissioner of Bearing West' hasn't made clear perfectly. I don't hang-nosed Marinovitch," answers the coach. "What is it with you lop-ears, anyhow? We get you the best equipment, No?"

"Yes," says Marinovitch.

"We build you from the People's pockets a stadium seating 50,000 Workers, No?"

"Yes," says Marinovitch.

"We only burden Comrade goalie with camera in one of his mits for U.S. trip, No?"

"Yes," says Marinovitch, carving a hammer and sickle into the ice with the tip of his skate.

"Then why in Fearless Leader's name you mixed-up lower class rabble can't learn to body-check, . . . tell me that hard-nosed Marinovitch?"

"Truth sometimes worse than Siberia resort," grins Marinovitch from under his hard-nose.

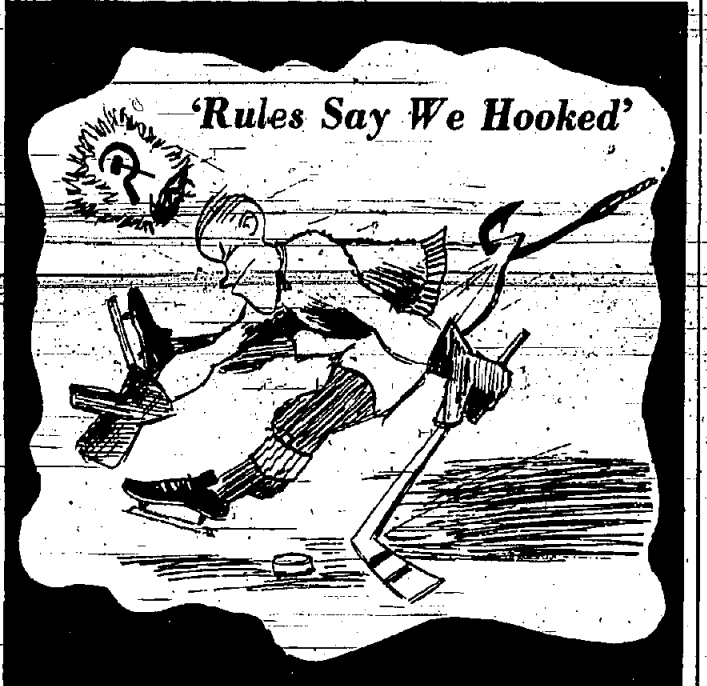

"Fool, idiot working class athlete," shouts Palitsky. "If you got what to spill something, come clean now. We have ways to make you talk otherwise, Inspirational Leader!"

"Alright already!" says Marinovitch. "Unhook me please from rink and we go talk in corner someplace away from other lop-ears."

"Already trying to rise above your station, Marinovitch?" replies Palitsky. "You still biggest lop-ear of all. . . turn around I unhook you."

The two men clamored up into the stands in the half rouble

section and sat down under a bold sign which read: 'DO NOT FRET! COMMISSIONER CHARGE COMRADES, CAPITALIST LINCOLN TUNNEL NOT PAID FOR EITHER!'

"The whole answer," whispered Marinovitch, is in our diets."

"In your diets!" yells Coach Palitsky. "Imbecile athlete, do you not eat better than Fearless Leader's own wife?"

"Rumors they say that Mrs. Fearless Leader not eating so hot

since she wears sensible oxfords-at last-Capitalistic Washington visit," Marinovitch shoots back.

"Watch your tongue, simple puok pusher, or you mysteriously get shipped to Class D League now playing games on floating iceberg in Arctic Ocean," replies the Coach, cautiously looking under his seat for wires.

"Answer me these few questions please," says the lineman. "If they within Party Constitution, I shall be glad to," says Palitsky.

"Rules of hockey say no booze for players, no?"

"Yes," says the Coach.

"Rules for hockey say five hours exercise every morning on Kremlin lawn, no?"

"Yes," says the Coach.

"Rules for hockey also say no women, fats, sweets, dancing, parties, cards, travel by car, or sunburns, no?"

"Yes," says Coach Palitsky.

"Miserable rules also say we must be hooked to rink with you holding only key and our lunch bags, no?"

"Yes," says the Coach.

"How then we expected to learn body-check when there's no strength left after three passes of puck? What you think we are, Super-Reds?"

"Very Interesting," says the Coach. "Go back to rink and I take up problem with soft-nosed 'Commissioner of Vices'. . . And break out healthy lettuce sandwiches, idiot Spartan hockey players beginning to bite each other around leg pads."

Hard-nosed Marinovitch clambers back onto the rink and hooks himself up, glowing with inspiration and trying to pull Igor Smolenovitch's teeth out of the goalie's arm. "Comrades, lettuce for all," shouts the lineman of the Muleskies.

Meanwhile Coach Palitsky walked toward his office, scratching his tiny beard, and quietly munching on a roast beef sandwich neatly concealed in a head of lettuce.

"Maybe their noses just too hard," he mutters.

## 'IDLE TOOLS DO NOT A FIELD MAKE'

### Bulldogs Capture Group 3 Sec. 2, NJSIAA Crown

The Springfield Regional High School football team, still swimming in the success of their gridiron endeavors this season, have received still another accolade, this one from the New Jersey State Interscholastic Athletic Association.

The Springfield Sports league saw an unusual night of bowling as the four top teams in the league each won 3 games.

Marco Latella led Colontones to a 3 game win over Carol Tool with scores of 203-311-226, for a 536 series. Carol Tool lost their lead in two of the three games' rolled to Colontones, Inc. to a cluster of strikes in the 10th frame by Colontones team.

Sam's Amoco continued to lead the league with a clean sweep of Milton's Liquors. Sam's now has won 6 in a row.

Conte's Deli is breathing hot on the backs of Sam's as they

### JV Club Bows To Hillside 50-22

The JV basketball club of any high school usually trails either behind or before their parent team. The Varsity, and takes on the opposition's Junior Varsity quintets. More often than not, the outcome of these games reads almost the same as the main attraction. So it was when the Springfield JV met Hillside in the program opener last Friday evening. The junior crew lost it, 50-22.

The need for material on the Varsity bench has naturally hurt Coach Ray Yanchus' junior veterans. Two boys did look good in the losing effort against Hillside. They were Gary Faucher, a forward, and Steve Arnold, a guard.

The JV's play a race-horse game, fast breaking at every chance and keeping the pressure on whenever possible.

The starters thus far this season are Faucher, Arnold, Bruce Ledig, Charles Roll and Jim Liles.

## Fouls Prove Costly To Regional Quintet

A lack of depth, coupled with personal fouls and an all-court press in the first half, defeated Springfield Regional's hoop team in its initial game of the season, 66-54, before a packed house at Hillside High School.

The contest began with the Comets jumping on a 7-1 lead in the opening stanza, while the Bulldogs bravely fought to break the home team's all court press which bottled the visitors up below their mid-court line. By the time the Bulldogs broke the defensive move, and began scoring, the Comets were far ahead, and remained that way although they were contained in the third quarter and out-scored 12-7 in the second period.

DON'T DO IT!! Comet man (34) appears to be ready to haul off at somebody during first quarter action of Hillside gym. Bulldogs Kretzer and Bonislowski are in there fighting for rebound along with Hillside who's at least two feet off the floor.

At the 5:52 mark of the last quarter, the visitors found themselves down by only six points, 49-43, with a chance to make hay. However, two easy layups were blown, and the Comets took advantage by racking up seven straight markers and virtually putting the contest on ice.

### BULLDOGS' BITS

A few apparent weaknesses were pointed out in the Hillside affair last Friday. The most obvious being the lack of depth on Coach John Swedish's club. Over a long season's pull, personal fouls and the possibility of injuries could hurt the Bulldogs unless the bench can be bolstered. Larry Stickle's return (if and when), should improve this situation.

Personal fouls proved a sticky business Friday as Appgar and Schuss were both in trouble until they fouled out. Harold Bell, straight from the football field, was the recipient of an unusual ruling, when the referee decided Bell had enough for the evening after committing four fouls within a short period of time. This corner feels that the purpose of the personal foul in basketball is to weed out the violators, and this opinion should be sufficient. It is our opinion that a ballplayer has to pull something pretty off-color to get tossed on 'general principles'.

A rundown of individual efforts in the Hillside affair might read like this: Jack Appgar: Appgar's only disadvantage was his height. The backcourt man played a very strong, aggressive game, showing good hands and a fine shot. Bill

# Beacon on Sports

BY JAMES

In the 15 months it has been open, Governor Livingston Regional High School's athletic teams have turned in some noteworthy achievements. To mention just a few:

- Two successive winning football seasons.
- A Union County Conference soccer championship.
- A third place finish in the Union County Conference bowling tournament.
- A 4-1 upset baseball victory over a Rahway team that annually ranks with the best in New Jersey.
- Qualifying for the Union County Conference tournaments in basketball and baseball, and for the New Jersey State Interscholastic Athletic Association tournaments in basketball and baseball.
- Outstanding achievements all, and there have been others. There also have been frustrations for the athletes, the coaches and the supporters of the Highlanders. One of these certainly concerns the Highlanders' inability, thus far, to defeat natural neighboring rival Summit High School in an athletic contest.
- The Hilltoppers whipped the Highlanders in soccer (once) and in basketball (twice) and in baseball (once) during Governor Livingston's first endeavors in athletics.
- That was bad enough, but during the past soccer season Summit whipped the Highlanders, 3-1, in the opening game. This turned out to be Governor Livingston's only loss in a 15-game-regular season schedule that saw the Highlanders capture the Union County Conference title.
- And Summit's Frank Brita added salt to the Highlanders' wounds by edging out Governor Livingston's John Wadas by one goal, 15-14, for the Union County soccer scoring championship.

The Highlanders' frustration reaches another boiling point tomorrow night when Governor Livingston's basketball team plays host to Summit's cagers in the Highlander gym.

Coach Don Wodock's team has three players who suffered through two losses to Summit last season—Lynn Nesbitt, Jack Weiss and Jerry DePasquale. All three were starters last season, with Nesbitt the top rebounder and second highest scorer. They are especially anxious to avenge those two losses.

Wodock also has other players who saw action last season. They include Bill Sawyer, a reserve last season; Bob Heuer, a 6-4 sophomore, the biggest man on the squad; and Richie Neubauer, a 6-3 senior. Then there are two newcomers to the varsity that he is counting on, Ken McGowan, a transfer student who played for a Pittsburgh, Pa., Catholic high school last season, and Bob Clarksen, a 5-9 stalwart up from the jayvee team who Wodock considers a possible starter.

These are the boys Wodock is relying on when he speaks hopefully of improving on last season's 6-11 record. The personable coach is confident his team will top the .500 mark this season. Whether or not his team achieves that ambition remains to be seen. But Wodock's cagers could take a big step towards a winning season with a victory over Summit tomorrow night.

The neighborhood battle figures to draw a good crowd to the Highlanders' spacious gymnasium. And the fans should get their money's worth in a "ding-dong" battle. Nesbitt's scoring and rebounding should tell the story.

If husky Lynn comes through as Wodock hopes—and expects—Governor Livingston should be celebrating its first athletic triumph over Summit High School late tomorrow night.

Jerry DePasquale, a bulwark of the Governor Livingston Regional High School football team's defense during the past season, has been reaping honors in post-season polls to select outstanding Union County scholastic football players.

Jerry, a guard, was selected for the third all-Union County team by both the Newark News and the Elizabeth Journal. DePasquale, the ace pitcher of the Highlander baseball team last spring and a regular on the basketball team as well, also received honorable mention on the Union-Essex County all-star team selected by the New York Sunday News.

Lynn Nesbitt, end; John Carvelias, tackle; Ben Russell, half-back; and Frank Fish, quarterback, all received honorable mention on the Journal team. Russell, the Highlanders' top scorer during the past season with eight touchdowns and a total of 52 points, also received honorable mention on the Newark News' all-county eleven.

## Highlander Hoopsters Will Oppose Summit Tomorrow

Governor Livingston Regional High School's basketball team will begin its bid for the Summit Area championship tomorrow night when it plays host to Summit High School.

Coach Don Wodock's Highlanders, who opened their season last Tuesday against Piscataway High School, also will be looking for their first victory over Summit. The Hilltoppers downed the Highlanders twice last season when Governor Livingston made its basketball debut.

Three of last season's veterans—Lynn Nesbitt, Jerry DePasquale and Jack Weiss—will carry the Highlanders' hopes for victory. Nesbitt, a 6-0 junior, was the team's second leading scorer and best rebounder last season.

Lynn is the key man in Coach Wodock's hopes for a successful season. Although only 6-0, Nesbitt is rated capable of out-rebounding opponents two and three inches taller. The only question concerning Nesbitt to his early season form.

Lynn was an end on the Highlander football team and missed much of the early basketball practice sessions. The same is true of DePasquale, a top-notch guard on the football team. Jerry also will be at guard in basketball.

Nesbitt, DePasquale and Weiss will have to step up their scoring to offset the loss of Howie Rudominer, who averaged more than 20 points per game last season.

In Summit, the Highlanders will be taking on the defending Suburban Conference champion. The Hilltoppers, however, have been hit hard by graduation losses. Summit has only one regular from last season, Peter Leech, 6-4, who along with Governor Livingston's sophomore Bob Heuer, will be the biggest boys

in regular action. Summit's only experienced player is 5-5 "Skip" Gaine, a reserve last season.

After the Summit game, the Highlanders will close out the 1961 phase of their basketball season with a third consecutive home game against Bound Brook High School on Tuesday, December 19, at 8:30 p.m. and the first

### Nesbitt Hits For 19 In Piscataway Win

The Highlanders of Berkeley Heights got their basketball season off to a good start Tuesday afternoon with a 52-45 win in its opener with Piscataway High School. The game was played at the Governor Livingston gym.

After the first quarter resulted in a 10-10 deadlock, the Heights crew opened the second stanza with six straight points on Lynn Nesbitt's basket and Bob Heuer's goal and two fouls.

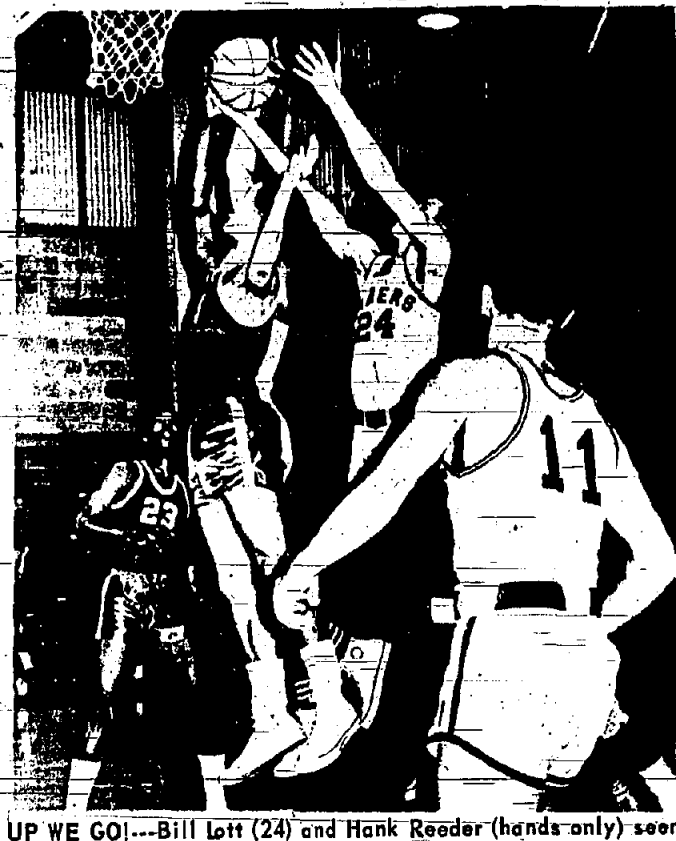

Nesbitt, who scored nine in this quarter, finished up with a total of 19 markers.

Other scorers for the home team were Heuer with thirteen, Clarkson with six, Weiss with five, and Sawyer with one tally.

## RAIDERS BURY ROSELLE UNDER 54-34 WIN

NO DOUBT ABOUT IT...Roselle player is obviously fouling Bill Lott (24) as the Raider comes down with one of many rebounds he made during afternoon.

UP WE GO!...Bill Lott (24) and Hank Reeder (hands only) seem to have the better of the lone Roselle defender. Looking on, ready to help is Art Coon (11) of Raiders and John Wactor (23) of Roselle.

## Height Too Much For Roselle Five

The Blue Raiders of Scotch Plains High School came into their initial season's opener against Roselle Tuesday with just too much height as the Plainsmen swamped their visitors, 54-34.

Bill Lott, 6-4, scored 24 markers and took 15 rebounds off the boards in aiding his team's victory. Rich Smith and Hank Reeder, both at 6-3, grabbed 14 and 11 rebounds respectively. The team as a whole took 49.

The Raiders scored the first eight points of the game and were never headed. The only Roselle threat came in the third quarter when the visitors bunched six points in a row to get as close as 31-26. The Raider, however, pulled away again, this time for keeps.

Totals read twenty-five field goals, four fouls for the Raider's 54 points.

Other scoring statistics read: Smith eight points, Reeder, four points, Rutishauser, ten points, Art Coon, four points, Smith (Billy), two points, Mytinger, two points.

## Mermen From Westfield Take Shore Area Team For Second Big Victory

Members of the "Y" division of the Westfield YMCA Swim Team are celebrating their second victory of the season, attained last Saturday when they conquered the Shore Area team at a meet at the Asbury Park pool. Final score was Westfield 132, Shore Area 47. Ted Connell and Bob Sinshelmer both took first place in two events.

Members of the Westfield "M" division fared somewhat worse, having been conquered by the Jersey City YMCA team by a score of 103 to 58. Westfield won three of the four relay events, and Westfield's Kip Reed took first place in the diving event for boys 14 and under.

Next week the "Y" team will take on Plainfield's swimmers at the Plainfield pool, and the "M" division will swim against the Newark team at Westfield.

HELEN SABO

Miss Elaine Giannattasio, daughter of Mr. and Mrs. Gabriel Giannattasio of 250 Milltown Road, Springfield, was guest of honor at a bridal shower held last Sunday at the home of Mr. and Mrs. Rocco Giannattasio, on Waverly Road in Springfield. There were fifty guests present on this happy occasion. Elaine will be marrying Mr. Lou Klubenspies of Roselle on February 3.

A son, Robert Frederick, was born to Mr. and Mrs. Edmund Sikorski of 340 Longview Drive, Mountside, on November 25 at Overlook Hospital in Summit. The Sikorskis have three other children: Edmund, Carolyn and Nancy. Mrs. Sikorski is the former Edith Johnson. Young Robert weighed seven pounds, fourteen ounces at birth.

Mr. and Mrs. Thomas McCardle of 2022 Lyde Place, Scotch Plains, announced the birth of a son, Dennis James, on November 23 at Overlook Hospital. Other member of the family is two-year-old brother Michael. Happy grandparents are Mr. and Mrs. Thomas McCardle of Scotch Plains, and Mr. Arthur Westenberg of Summit.

Miss Gail Sylvester of 17 Great Oak Drive, Short Hills, formerly of Springfield, has just returned from a fifteen day extended trip to Mexico. During her stay she visited Mexico, Taxco, Guernavaca and Acapulco. Miss Sylvester is associated with Anne Sylvester Realty Corner in Springfield.

Congratulations go to Mr. and Mrs. Richard Grimley of 238 Sullter Drive, Berkeley Heights, on the birth of their son John Arthur, who weighed in at eight pounds, four ounces on December 2. Other small fry in the family are Margaret, Anne and David, who are six, four and one-year-old respectively. The new addition was born at Overlook Hospital in Summit.

The Panda Bear Mittens  
by Geldt Mallay

Jimmy and Jan pressed their noses against the cold window pane and watched the snowflakes falling all around their yard. "Let's go out and make footprints," suggested Jimmy. They put on their snowsuits and boots and their Panda Bear mittens. Then away they went! "I'm a giant!" called Jimmy, taking huge steps. "I'm an elf!" cried Jan, taking tiny steps. "Let's roll a snowball," they cried. They made a small one, rolling it around the yard until it grew and grew. Jimmy slipped and fell on top of the snowball. Jan slipped and fell on top of Jimmy. They rolled over and over to the very edge of their yard. "Let's clean the sidewalk for Daddy!" they cried. "We haven't any shovel," said Jan.

"Oh, Mommie!" cried Jan. "We had so much fun in the snow! My scarf came off!" "My hat came off!" cried Jimmy. "Your mittens, too," said Mommie. "You've each brought only one." "Oh, Mommie!" they cried. "We've lost a mitten! Can't we go back and find it? Can't we please?" Mommie smiled but shook her head. "It's getting too dark to find mittens in the snow. Tomorrow you may go and look for them," she said. "Take off your things and get washed. Supper's all ready." The children hung up their snowsuits and put their boots in the corner. They spread out the little mittens to dry. "Don't be too lonesome," they said, as a little melted-snow tear rolled down each Panda Bear's cheek. Next morning Jimmy and Jan got out of bed early. They dressed quickly and tiptoed down the stairs. The lonely little mittens had dried their tears but they still looked sad. "Don't worry," the children said. "We'll find your mates. Wait and see!" They put on their snowsuits and boots, then opened the door

softly and away they went. Jimmy looked on his side and Jan looked on her side but they could not see even one lost mitten. They looked at each other. "Let's ask the snowball," they said, and hurried to the corner. But the snowball had rolled into the street and been squashed by a car. "Let's change sides," they said. "Then maybe we'll find them." Just as they were changing sides they looked into Mrs. Jones' yard. There, stuck in the snow by her steps, were two little sticks, each with a Panda Bear mitten on its top. And something white was sticking up between them. "Our mittens!" cried Jan, running to Mrs. Jones' steps. "And a letter! A white letter!" cried Jimmy. They took their mittens and the letter and ran home as fast as they could. "Mommie! Mommie!" they cried. "We've found our mittens! And a letter, too! What does it say, Mommie? What does it say?" Mommie opened the letter and read: "Dear Jimmy and Jan: I know it was you who cleaned a little path on my sidewalk, for two lost Panda Mittens told me so. I hope the surprise in this

envelope will tell you how thoughtful I think you are. Thank you, From Mrs. Jones."

**Busy Motorist Is Fined \$105.**

Magistrate Thomas A. Argyris fined Elliott Solomon, 32, of 24 Oswald Place, Vaux Hall, \$105 for driving while his name is on the revoked list Monday night in Springfield Police Court. Solomon was apprehended by Patrolman Harold Searles October 10 in Morris Avenue. Two other cases against the defendant are also pending in police court. He was apprehended again last Saturday, December 9 while, still on the revoked list after leaving the scene of an accident police said. According to police he was in a collision with another automobile driven by Fitzroy Rouse of 28 Grenada Place, Montclair in Springfield Avenue near Maple Avenue. He was apprehended by Patrolman Daniel Halsey in Morris Avenue. The head-on collision caused damage to the front ends of both cars.

SEE/HEAR: Know anyone with

a problem he'd like to share with 20 million people? The producers of "Tell It To Groucho" are combing the country for interesting people with problems to appear as guests of Groucho Marx on the new comedy-variety-human interest series premiering Thursday, Jan. 11, on CBS-TV. Anyone with an unusual story to tell will be considered by the program's screening staff, according to producer Barrie Sauter. He advises potential candi-

dates to write to Groucho Marx, P.O. Box 1989, Hollywood, 28, California. Those selected will be invited to spend two days in Hollywood, appear on the show and "Tell It To Groucho."...

Gower Champion will direct "My Six Loves," starring Debbie Reynolds, for Paramount Pictures. Written by John Fante and produced by Gant Gattiker, the film presents Miss Reynolds as a musical comedy star who adopts six children after their

parents are killed in an auto accident...

In the spirit of the Yuletide, Steve Allen and his wife, Jayne Meadows, open their Royal Oaks (Calif.) home to television viewers and offer the four Allen boys the opportunity to perform on "The New Steve Allen Show" on ABC-TV Wednesday, Dec. 20. Joey Dee, star of "Hey, Let's Twist," currently filming in New York, has been signed by pro-

ducer Harry Romm to star in two additional film musicals to be made next year. Dee and his musical group, The Sariliters, are twist-set favorites.

Mrs. Wilbert T. Reilly of the drama department announced her dept. will be in charge of the February meeting which will be "Husband's Nite".

Mrs. Emery B. Gebert and her dept. made over 40 corsages for the various state and local guests for this meeting. Her dept. will meet on Wednesday December 20

at 10 a.m. at the home of Mrs. M. Allen, 328 Westfield Rd., at which time they will make Christmas decorations. Their January meeting will be a covered dish luncheon at the home of Mrs. E. Ekarius of 2356 Seneca Rd.

The International Relations chairman, Mrs. Rudolph Dorfman, announced that this dept. will hold a joint meeting with the Literature dept. of which Mrs. Edwin C. Bregus is chairman, at the home of Mrs. James S. Bell, 2424 Richelle Pl. on Dec. 14 at which time they will study and discuss Finland. She stated that \$3.50 was donated to CARE in the name of this dept.

It was announced by the Welfare chairman, Mrs. Walter Martin that food baskets will be donated to the local needy in the name of the SPWC.

There will be an exchange of Christmas gifts and a party for the members of the recreation dept. in the home of Mrs. Wm. Sidun, 1981 Brookside Dr. on Thursday, December 21 at 1 p.m. this was announced by the chairman, Mrs. Frederick Chambers.

Mrs. George J. Fischer, liaison of the evening membership dept. of the SPWC announced this dept. have adopted a needy family and will help fill their wants. Mrs. Norman Lacombe, chairman of the membership dept. announced that 5 new members have been added to the club. These women were welcomed by the club president, Mrs. George E. Oram; Mrs. R.M. Burgess, Mrs. Bruce Taylor; Mrs. Dominic Apriceno, Mrs. Frederick Heinemeyer and Mrs. Al Ziemlenski.

Mrs. Thomas Manahan, chairman of the Nursing Scholarship Fund announced the card party etc. will be held Scotch Plains Country Club. Mrs. Jack Wilson, announced the SPWC has donated \$35 to the Scotch Plains Community Fund.

Mrs. Robert B. Yeakle, chairman of the Building Fund committee thanked her committee for the excellent help given her on the recent Dinner, Theater,

and Dance held at the Meadowbrook for the benefit of the Building Fund.

It was announced by the club that the founder and one of the past presidents, Mrs. Grandin Neighbor has been made an associate member. She has moved to Florida with her husband. These were the guests from the State and District Levels who attended the meeting.

The Woman's Club of Scotch Plains, N. J., had a Christmas dinner at the home of Mrs. James S. Bell, 2424 Richelle Pl. on Dec. 14 at which time they will study and discuss Finland. She stated that \$3.50 was donated to CARE in the name of this dept.

## Awarded Honor

Mr. John C. Gacos, Field Underwriter for the New York Life Insurance Company in this area, has been awarded the signal honor by his associates in the Northeastern Division of being elected to the Agents' Advisory Council of the New York Life Insurance Company.

This Council is comprised of 24 men selected from 2000 Underwriters throughout the United States. The men present the salesmen's viewpoints on marketing problems to the officers of the Company at a meeting to be held early in 1962.

Mr. Gacos has been a Field Underwriter for the New York Life for the past twelve years and has been one of the leading producers associated with the Newark General Office.

In addition to his having qualified for the Company's Production Clubs since joining the New York Life in 1950, Mr. Gacos is also active in Community affairs. At the present time, he is serving on the School Board of Springfield and is Chairman of the Springfield Chapter of the Red Cross.

## Meeting For First Cong. Beth Ahm

Temple Sharey Shelom will hold its first congregational meeting of the season tonight, December 14, in the Chapel of the First Presbyterian Church, at 8:30 p.m. The Chapel is located on Main Street, directly across the street from the Parish House, and next door to the Springfield Library.

Many interesting items are on the agenda including a very important congregational vote concerning an item in the Temple's constitution, and a report by the president, Philip Ames, on his recent trip to Washington, D.C., where he attended the Union of American Hebrew Congregations Convention.

## Legal Notice

AN ORDINANCE TO PROHIBIT PARKING TEMPORARILY FOR SNOW PLOWING, SNOW REMOVAL, AND OTHER EMERGENCIES AND PROVIDING PENALTIES THEREFOR.

BE IT ORDAINED by the Township Committee of the Township of Springfield, in the County of Union and State of New Jersey, as follows:

Section 1: Whenever snow has fallen and the accumulation is such that it covers the street or highway no vehicle shall be parked on the following, with, traveled or major road ways or portions thereof:

- Mountain Avenue - entire length
- So. Springfield Avenue - entire length
- Main Avenue - entire length
- Shunpike Road - entire length
- Baltusrol Way - entire length
- Hillside Avenue - entire length
- Wentz Avenue - entire length

## "Can Can" Going Strong At Meadowbrook Theater

There's more than a touch of Gay Paree when the wonderful Lilo appears on stage nightly in Cole Porter's "Can-Can" at the Meadowbrook Dinner Theatre. Recreating the role she originated on Broadway, Lilo is nothing short of magnificent as she wins friends for herself at the "Brook".

The French star really gets around the Meadowbrook stage which rocks with can-can girls and some excellent apache dances choreographed by Jack Beaber.

Lilo is accustomed to traveling and the rigors of making entrances are taken in stride. When she first auditioned for the Broadway version of "Can-Can" she had one of the fastest look-sees of any actress. "I left Paris on a Friday night," said Lilo, "and met with Ernie Martin and Abe Burrows in New York the next afternoon. On that Saturday night I took off for Hollywood to audition for Mr. Porter. I was back in New York on Monday, signed a contract on Tuesday and then

boarded a plane for Paris. I was back in France in time for a 7:30 curtain that Wednesday night."

Lilo's whirlwind audition was a breeze compared with the way she won New York audiences and critics. She played the role of La Mome Pistache 960 times, a record for a French musical comedy star. The previous mark was set by Irene Bordoni in 1928.

After meeting Lilo, Cole Porter wrote "I Love Paris" specifically for her. She sings it like it was all hers, too, captivating audiences nightly at the Meadowbrook.

The French star is supported by an outstanding cast. It includes film star Erik Rhodes; baritone Daniel Ferray; comedian Joe Claudine; the ballerina and Leonard Drum and Peter Brunl. "Can Can" will continue Tuesday through Sunday evenings at the Meadowbrook, ending New Year's Eve. There will be no performance Christmas Eve, but there will be a show Christmas Day (Monday, Dec. 25).

## Reservations Now Open For Beth Ahm Weekend

Reservations are now open for the Temple Beth Ahm sponsored week-end at the Raleigh Hotel, South Fallsburg, New York for February 16, 17 and 18.

Special plans are being made by the hotel for Temple Beth Ahm guests to make this a gala affair.

The Raleigh Hotel will sponsor as an added attraction a cocktail party, a swim party and several other affairs for Temple guests. All are welcome and invited to contact the following for reservations or information: Mr. B. Wildman, MU 2-9250; Mr. F. Hodes, MU 2-9317; Mr. L. Norkin, DR 9-5403; Mrs. L. Bross, MU 2-9114; Mrs. B. Levine, MU 2-9422; Mrs. R. Perlmutter, MU 2-9154.

## Dress Buying For Holiday

A new dress for the holiday is in order for many women. Stores and pattern magazines feature a variety of styles for this festive season. Usually the style and material are on the

elaborate side, thus making such a dress a one-time occasion gown. Whether you make or buy your holiday dress, it is wise to remember to choose the style and material that is most becoming to you.

Generally, everyone wants to look their best at this time of year, therefore, basic style lines and fabric cannot be ignored just because it is Christmas-time. Too often, a holiday dress is chosen for the glitter rather than the becomingness.

Regardless of the occasion, don't try to complete with the Christmas decorations just because everyone else seems to be doing it. Choose the accessories for the dress carefully, too. Remember, if the material of the dress is elaborate, very little jewelry is needed. With a highly decorative fabric, too much jewelry or spots of contrast will create a busy, confused picture.

If the fabric is plain or solid with a subdued color and texture, jewelry and other accessories can be more elaborate. Dresser accessories can be used effectively to add interest to your outfit.

Be well aware of the style lines that flatter your figure. Know which colors are the most becoming to you. Don't be tempted to deviate from this combination just for the holidays. In selecting a special dress, some thought should be given to the practicability of the fabric. Even though it may be a one-time occasion dress, proper care information may make it wearable for another time.

## Springfield Library

Up go the Christmas decorations; out come the Christmas books and the holiday season is in full swing in the Springfield Free Public Library.

Through the years a really impressive collection of Christmas books, both secular and religious, has been built up. It was one of the first special groups assembled. Now because of the number of Jewish families who have moved into town, Hanukkah books are being secured as fast as possible. There are still not enough to fill the demand; but the collection is being built up rapidly. Suggestions from readers will be welcomed.

The bulletin board highlighting the holiday in the Children's Room has a gay red and green background. On it is an amusing picture of children and their pet dog seated before a fireplace gazing at their stocking hanging there. The captions are taken from Christmas carols and poems: "The First Noel" and "Twas the Night Before Christmas." Red bells and white stars in plastic and evergreens add a lively touch.

Christmas greens and plants will be featured in the adult display. Various Christmas candle holders, candles, little Christmas trees, Christmas angels—all add a festive touch. And on Saturday the Christmas tree will be decorated. The Christmas tree is much loved by the children.

Finally the schedule of Christmas hours has been worked out

to give everyone as much time as possible to enjoy the holidays, and yet not to deprive the public of any essential service.

The library will be closed at 1:00 p.m. on Christmas Saturday, December 23, and the same on New Year's weekend the following Saturday, December 30.

The building will be closed the entire day on the Monday holidays: Christmas, December 25, and New Year's Day, January 1.

Otherwise the regular hours 9:00 a.m. to 5:00 p.m. will be followed; and in addition the library will be open 7:30 to 9:00 p.m. on Fridays.

## Set Meeting

Mrs. Saul Sneed, president of Temple Sharey Shalom's Sisterhood, has announced a Sisterhood Board Meeting to be held on Monday evening, December 25, in the Temple House, at 8:30 p.m.

Announcement has also been made by Mrs. Sneed, that the Sisterhood will hold a Card Party-Luncheon-Fashion Show on January 4, at B. Altman & Co., in Short Hills.

Chairing this event are Mrs. Harry Klingler, Mrs. Philip Zwalsky and Mrs. Murray Mantell, all of Union.

This event is open to all Sisterhood members, their friends and card groups. Tickets, at \$2.00 per person may be obtained from Mrs. Mantell, MU 6-7762, Mrs. Zwalsky, MU 7-1985, or Mrs. Klingler, MU 8-7748.

## Class Of 42 To Celebrate At Chanticleer

The Class of January 1942 of West Side High School, Newark, N. J., will celebrate their 20th anniversary with a Dinner-Dance at the Chanticleer in Millburn, N. J., on Sunday evening April 29, 1962.

President of the Reunion Committee is Joseph M. Di Julio

of 97 Woodside Road, Maplewood, N. J., (Phone SO-3-2365). Assisting him are John Siohoda of 37 Shumpke Road, Springfield and Joseph Natiello of 53 Beverly Road, Springfield.

The committee reports that to date, 190 graduates out of a total class of 273 have been located. Any member of the class not contacted is asked to get in touch with above mentioned alumni.

The committee reports further, that among the guests of honor will be Miss Cora E. Hill and Mr. Andrew G. Siska, formerly the faculty advisors to the class.

Will Show Film

A film entitled, "Casting Unlimited," a story of man and space, will be shown at the Union County Park Commission's Trailside Nature and Science Center...

The film will include a visit with the nation's leading space authorities at the missile test center at Cape Canaveral, Florida, and the Wright-Patterson Air Force Base in Dayton, Ohio...

On Monday, December 18; Tuesday, December 19; Wednesday, December 20; and Thursday, December 21; Miss Irma-Heyer, educational assistant at Trailside, will conduct the daily one-half hour nature talks for children at 4:00 p.m. each day...

The Trailside Nature and Science Center is open to the public each weekday, except Friday, from 9:00 to 5:00 p.m. and on Saturdays, Sundays and holidays from 1:00 to 5:00 p.m. On weekdays during the school year the Center is reserved for school teachers and their classes...

by contacting the Director of the Trailside Nature and Science Center.

Acting Classes

Israel Horowitz, who was instructor of Acting at the Paper Mill Playhouse this summer when the theatre had a dozen apprentice students on the staff, will teach acting here in Jersey during the winter months...

Mr. Horowitz, who is also assistant stage manager at the Playhouse, studied at the Boston University Theatre School, the Actor's Workshop, and Harvard. A native of Boston, he was associated with the Cambridge Drama Festival, the Phoenix Theatre in New York, the Westport Country Playhouse and several other professional theatres.

Last year Mr. Horowitz was featured on Boston television as Hotspur in Henry the 4th. He is also the author of two plays, The Comeback and The Simon Street Harvest. Young acting students wishing auditions can contact Mr. Horowitz at 86 Broad Street, Summit, or telephone CR 3-5887.

"Do-It-Day" For Christmas Seals

Sunday December 17, has been designated "Do-It-Day" by Mayor Vincent J. Bonadies, in an effort to encourage all Springfield and other Union County residents to answer their Christmas Seal letter.

Christmas Seals support the work of the Union County Tuberculosis and Health League. Mayors in Union County municipalities are joining with Mayor Bonadies to proclaim "Do-It-Day."

Returns from the 1961 Christmas Seal campaign in Union County up to last Friday totaled \$45,395.

Mayor Bonadies announced. "This is far below the amount needed by the Tuberculosis League to carry on its program for the coming year. Last year's total contributions from Christmas Seals were \$89,958."

No School

Temple Shalom Synagogue has announced that there will be no Religious School on Sunday, December 24 and 31. Classes will resume as normal on Sunday, January 7.
