Dems Challenge Naming Cawley

Former Mayor Vincent J. Bonadies and his Democratic colleague, Township Committeeman Russel W. Sibole, the minority members of the 1962 Springfield governing body, made it clear to a packed auditorium at Monday's organization meeting that "we are not abstaining nor voting 'no' on appointments because we are opposed to any individual."

"We weren't given the opportunity to sit in with the other members of the Township Committee when these people were interviewed and we have no way of determining their qualifications for the jobs," they stated.

Mr. Bonadies, however, emphasized that "the minority members of the Township Committee believe an investigation should be made in the position of the new Township Attorney James M. Cawley, allegedly a member of a corporation in Springfield which has been in violation of the zoning ordinance."

Mr. Bonadies later stated that he was referring to the Springfield - Nadel Cab Company of 2 Woodside Road, Springfield, which, he said, lists Township Attorney Cawley as a stockholder and officer.

Bonadies said the records will show that the Springfield-Nadel Company is doing business in a residential zone and that the company was found guilty of zone violation but the company was given 45 days in which to comply with the ordinance.

Objection to the appointment of Eugene F. Donnelly as Court Clerk, charged Messrs. Bonadies and Sibole, was based on a directive from the Court in which appointments were to be made to all court positions without any political influences.

The abstentions and negative votes at Monday's organization meeting, said the Democratic minority members, were justified because we weren't given the courtesy of sitting in on any of the interviews. We knew nothing about the agenda for Monday's meeting until last Thursday night.

"When the Democrats took over control of the Township Committee," continued Mr. Bonadies, "we visited the then Mayor Albert Binder at his home because he was ill and could not attend the organization meeting. At that time we discussed the meeting's agenda with him."

"We also sat down with the then Township Committeeman E. F. Donnelly and discussed the January 1 agenda."

"We weren't given an opportunity to know what motions were to be made, what resolutions were presented or what names were being considered for important Township jobs until the type-written and complete agenda was handed us Thursday night."

Your Library In Springfield

New Year's Resolutions. That is what comes to mind as soon as one begins to think of the advent of a new year.

In the New Year 1956, use was made of this column to suggest an excellent resolution to be adopted by readers of the Free Public Library of Springfield, or for readers of any library. It is TO BRING BOOKS BACK ON TIME.

Evidently this suggestion for a good New Year's Resolution was not taken too seriously by a number of Springfield readers, because the number of notices sent to warn people to return books, increased.

Finally 649 notices were sent during April 1960. This was about an average number for a month, except that the number seem inclined to increase.

At this point, the Trustees decided that some steps should

Former G.O.P. Names Back In Town Affairs

Several names active in Township affairs under the Republican control before the Democrats took over three years ago, appear on the list of appointments made at Monday's organization meeting of the Township Committee.

Best known of the Republicans who played an important part in those days before the Democratic upsurge is Eugene F. Donnelly, former Township Committeeman, who was named Court Clerk by the new governing body.

"Gene" Donnelly will replace Michael Genovese, the Democrat who has held that position since the retirement of Charles Huff because of change in residency.

Other names not active on the Town government scene for some time or who recently had asked to be relieved of duties appear in the list of appointments made by the new GOP-controlled Township Committee.

Frederick J. Stefany whose auditing firm had done that important job for many years in

Springfield until the Democrats wrested control from the Republicans, was named auditor for 1962 at Monday's meeting. Mr. Stefany will replace the Joseph A. Seaman organization of Perth Amboy.

EUGENE F. DONNELLY

New Court Clerk

Dean Widmer returns to service with an appointment to the Board of Adjustment, Wilbert J. Binder was renamed to the Planning Board and Arthur H. Marshall, who has given many years to Town affairs and recently announced he is retiring, will be back at his old job as Sanitarian with the Board of Health.

Controller

Jack H. Stiefelman of 49 Mountain avenue, Springfield, and partner in the accounting firm of Stiefelman and Goldfinger here, has been named controller of Mid-Eastern Electronics, Inc., William W. Hartz, firm president, announced. Mr. Stiefelman

Township Will Enforce Snow Removal Ordin.

Springfield Township Committee Thursday night adopted on final reading an ordinance regulating parking on certain streets for the removal of snow. There were no objections from the audience on the measure. The ordinance prohibits parking temporarily for snow-removal, snow removal and other emergencies and specifies that when "accumulation is such that it covers the street," no vehicles shall be parked on the following: Mountain Avenue, South Springfield Avenue, Met-Sel Avenue, Shunpike Road, Baltusrol Way, Hillside Avenue, Wentz Avenue, West Briant Avenue, Tooker Avenue, Briant Avenue, Riverside Drive, Washington Avenue, Wabeno Avenue, Morris & Essex Turnpike from the Summit line to the intersection of Morris Avenue and Millburn Avenue, Short Hills Avenue from the Millburn line to Park Lane, Main Street from the Millburn line to Morris Avenue, Springfield Avenue from the Union line to Morris Avenue, Salter Street from Morris Avenue to Briant Avenue and Springfield Avenue from South Springfield Avenue to Mountain Avenue.

Violations shall be liable to a maximum penalty of \$50 or imprisonment for a term not exceeding 15 days or both.

On the recommendation of Committeeman Daniel M. Lucy, authorization was given for the signing of an agreement with Lions and a director and past president of the Springfield Chamber of Commerce.

Approval was given on the condition that a bond or cash deposit of \$4,000 be held by the township and released on the approval of the road by the engineer.

Purpose of the proposal is to establish ingress and egress for the industrial tract from Hillside Avenue instead of Route 22.

William P. Wishart of 38 Warner Avenue was appointed a constable. It was explained that the statute provides for two such positions in the township and there is only one now. There is no salary connected with the job.

On the recommendation of Fire Chief Ormond Mesker, Third class Fireman William R. Schmidt was promoted to a second class fireman effective January 1, 1962. The request of Fire Chief Mesker for a fire hydrant at the corner of South Trivett Avenue and Caldwell Place was granted.

Approval was given for the installation of three street light stanchions in Smithfield Drive with the additional annual payment of \$116.50 to New Jersey Central Power & Light Company.

Mayor Vincent J. Bonadies called attention to the fact that three of his Township Committee colleagues were leaving the committee at the last meeting of the year Thursday.

Although he did not mention them by name he noted that it

was "a pleasure and privilege to serve with you." "There have been times when we couldn't always see eye to eye," he said, "but added "a healthier condition can not exist." "I want to extend to you the thanks of the community," he continued.

"Mr. Sibole and myself have a balance of term to serve and will dedicate ourselves to the best interests of the community and assure the new members of the Township Committee that, where the interests of the community lies, they will have the fullest co-operation," Mayor Bonadies said.

The mayor extended his best wishes to the members leaving the Township Committee and assured them the community wished them well.

Also during the meeting, Mayor Bonadies acknowledged the presence of former Mayor Albert Binder in the audience and extended him a welcome.

Two More Petitions For School Board

With tonight (Thursday) closing time for filing of petitions, six residents have already announced that they will be candidates for the three vacancies on the Springfield Board of Education with election scheduled for February 13.

The latest to file petitions are Stanley W. McConkey of 18 Mel-sel Avenue, and Robert T. Southward, 194 Bryant Avenue.

Four other candidates were an-

Del Vecchio Takes Over As Mayor

It is now Mayor Philip Del Vecchio of Springfield.

The Republican majority of the five-man governing body named Mr. Del Vecchio Chairman of the Township Committee at the organization meeting held Monday at noon.

This designation carries with it the title of Mayor which returns to the Republican side of the floor after being in the hands of the Springfield Democrats for three years.

Mayor Del Vecchio was one of three Republicans elected in the last election which gave the GOP control of the Township's administration.

Mayor Del Vecchio was elected to the one-year unexpired term of former Democratic Township Committeeman William H. Balentine who resigned because he moved out of Springfield.

Del Vecchio defeated former Township Committeeman John C. Pitney for the one-year term after Mr. Pitney had been named to replace Mr. Balentine for the few remaining months in 1961.

The new Springfield Mayor is 40 and has been very active in community, civic and political affairs for 11 years, serving as Chairman of the Springfield County Republican Committee. He is a licensed professional engineer and secretary of A. Munder & Son, Inc., a Long Island City construction company.

announced up to last week with Alan Cunningham and Frank W. Haydu, Jr., incumbents, seeking reelection with Mrs. Helen Saba and Mrs. Sonya having already filed petitions.

Working Committees Named Here For 1962

Mayor Philip Del Vecchio and his Republican majority colleagues, Township Committeeman Robert D. Hardgrove and Arthur M. Falkin, re-shuffled the various working committees for 1962 carrying out their program of "good government by team-work."

Township Committeeman Hardgrove was given the important job as chairman of the Department of Finance and Revenue which carries with it all matters concerning insurance, Township real estate, budget control, the Treasurer's office, Tax Collection, Assessment of Taxes and Pension Fund. Mayor Del Vecchio and Committeeman Russel W. Sibole are the other two members of this working committee for 1962.

The Department of Administration will be headed as chairman by Township Committeeman Falkin with Hardgrove and Sibole as members. This Department is in charge of the office of Township Clerk, Licenses, Township Attorney, Law Department, Director of Purchasing, Township Offices and Personnel Recreation, and Sanitation as it pertains to Collection of Ash and Refuse.

Mayor Del Vecchio is chairman of the Department of Public Works which includes Township Engineering Department, Road construction and Maintenance, Sewers and Drainage, Public Utilities and Building Department. Falkin and Bonadies are also members.

Former Mayor Vincent J. Bonadies has been named Chairman of the Department of Public Affairs and carries with it the Township Buildings and Grounds, be taken to correct this condition.

It was agreed to increase adult fines from 2¢ to 5¢ per book. Up until that time children had been excused from fines, but were now to be charged 2¢.

This was a drastic measure but it seems to have been effective. The increased fine began September 1, 1960; so that 1961 is the first full year that 5¢ fines have been charged.

In 1961 the total number of notices sent dropped to 4,279 from 4,914 in 1960. (In 1959, 5,320 notices were sent, and in 1958, 4,644). This makes notices for 1961 the lowest for a number of years. However there is still room for improvement.

Now for some reasons for returning books promptly:

(1) First and foremost it saves the individual money. A reader could use a library for years and literally read hundreds of books without paying a cent, if he were careful.

(2) It makes the needed books available for other readers. Everyone knows how distressing it is to go to the library and find that the library owns the book, but it is out.

(3) It saves the taxpayers money. All postal cards cost money and in addition it is necessary to pay clerical help to write them.

There are probably many more reasons for returning books on time, but everyone will agree these are three excellent ones.

During the year 1961, the Springfield Free Public Library collected \$2,574.90 in fines. This was returned to the Town Treasurer on January 1, 1962.

This and the fact that 4,279 notices were sent in 1961 shows that there is still a great deal of room for improvement.

Let every Springfield Reader make a New Year's Resolution, to take LIBRARY BOOKS BACK ON TIME.

HELEN SABO

Highest congratulations go to Mr. and Mrs. Louis Doroson of 35 Glenview Drive, Springfield, who celebrated their fiftieth wedding anniversary with a party at their home on December 25. The Dorosons, who have been residents of Springfield for the past ten years, are the parents of Mrs. Milton Kapstater, Mrs. Herman Nadel and Mrs. Lawrence Max, all of whom also lived in Springfield. Sixty guests were present on this delightful occasion.

A daughter, Lucinda Marianne, was born to Mr. and Mrs. William Gorham of 40 Harrison Drive, Berkeley Heights, on December 18 at Overlook Hospital in Summit. The new addition weighed six pounds, five ounces at birth. Other small try in the family are seven-year-old Catherine, six-year-old Mark, and Franklin Blanchard II, age two. Mrs. Gorham is the daughter of Dr. and Mrs. Herbert III of East Orange.

Mr. and Mrs. Shelly Fried, of 74 Garden Oval, Springfield, have returned from a trip to the nation's capitol. The Frieds spent five days sightseeing in Washington and Virginia with daughters Judy and Linda.

Mr. and Mrs. Frank Palmer of Scotch Plains received congratulations from approximately ninety relatives and friends on the occasion of their fiftieth wedding anniversary. The Palmers celebrated the event with an "open house" on Sunday afternoon, December 31 at their home at 2235 Algonquin Drive.

Mr. and Mrs. Bruce Jensen, of 261 Summit Road, Mountainside, announce the birth of their first child, a daughter, on December 18 at Overlook Hospital. The young lady, who has been named Catherine Lisa, weighed six pounds, 18 ounces at birth. She is the granddaughter of Mr. and Mrs. A. Craddock, formerly of Mountainside, who are now residing in Marion, Ohio.

Just back from a vacation at the Nevele Country Club in Ellenville, N.Y. are Mr. and Mrs. Raymond Kravetz, and sons Arthur and Mark, of 30 South Derby Road, Springfield; and Mr. and Mrs. Seymour Ohan and sons Alan and Harvey, of 102 Jefferson Terrace, Springfield.

A daughter, Kerry Sue, was

born to Mr. and Mrs. Robert Lenz of 58 Glenwood Road, Fenwood, on December 18 at Overlook Hospital in Summit. On the welcoming committee were brothers Kenneth, four, and Kurt, two. The Lenzs recently moved to this area from suburban Detroit, Michigan.

A new addition to the J. Gerhardt-Torborg family of 1186 Hefield Avenue, Scotch Plains, is son Jeffrey Ross, who weighed in on December 20 at seven pounds, fourteen ounces. There are two other young men in the family: J. Gerhardt, Jr., age three, and two-year-old Tadd. Grandparents in Scotch Plains are Mr. and Mrs. Howard Torborg of Alene Avenue.

Looking back on the births we've announced in the Party Line during the past twelve months, we come up with the winners and runners-up in our "Baby Sweepstakes" of 1961. Largest baby we've had this year was 10 pound, three ounce Jennifer Gay Jerstedt, born on November 7 to Mr. and Mrs. Charles Jerstedt of 273 Chaucer Drive, Berkeley Heights; while right behind her was ten pound, two ounce Robert Henry Scarpone, son of Mr. and Mrs. Anthony Scarpone of 39 Crescent Road, Springfield, who was born on April 21. In the "peanut division" we had three pound, six ounce Jeffrey Scott West, born on November 14 to Mr. and Mrs. Andrew West of 29 Princeton Ave, Berkeley Heights; and three pound, fourteen ounce Kenneth Douglas Schroder, Jr.

BEHIND THE MEN—Wives of the newly installed Springfield Township officials are, from left to right, Mrs. Robert Hardgrove, Jr. in green suit and hat; Mrs. Phillip Del Vecchio in black suit with white flowered hat; Mrs. Arthur Falkin in olive green velvet walking suit and maroon veiled pillbox; and Mrs. Fred L. Braun in black dress with white moose hat.

14 New Year's Babies Placed By New Jersey Children's Home Society

It was an extra special Happy New Year with added accent in fourteen fortunate New Jersey homes. Each was a home where a formerly childless couple and a homeless child were given an opportunity to "start the New Year right" in a very pleasant way. They were busy "getting acquainted" with one another after an "introduction" arranged for by the Children's Home Society of New Jersey.

For the fourteen youngsters, adopted under the auspices of the Society, the state's oldest privately financed, nonsectarian, nonracial, child-care and adoption agency, the New Year not only brought good tidings, but a new way of life. The newly adopted little ones will now have a chance to grow up to become normal participating members in their respective communities where they have become residents by way of adoption. For the parents, their former childless state, a seemingly unreasonable penalty imposed on some by a mysterious quirk of nature, will have been resolved.

Officials of the Society, maintaining their customary protective silence about children they place for adoption, gave few details regarding the New Year babies. They did state however that eight were girl infants while six were boys. The youngsters had been placed, they said, in homes located in eleven counties of New Jersey.

J. Stanley Teunon, president of the Society, said that the New Year babies, like others placed by the Society throughout 1961, if not so aided, would not have been able to enjoy a satisfactory family life with their natural mothers who were unable to support them or to give them good homes.

"As part of the adoptive process," Teunon said, "the backgrounds and personal qualifications of many applicant couples were carefully examined by the Society's case workers until the best set of adoptive parents were found for each child."

And so, like 127 other children who were placed for adoption by the Children's Home Society of New Jersey earlier in

1961, the 14 New Year's tots were also given an opportunity to be the center of a complete family group, where mutual love of child or parents, and parents for child, will bring light into the lives of the joyous three.

Alumnae Club Dinner Dance

The Northern New Jersey Alumnae Club of Alpha Gamma Delta will hold a Progressive Dinner-Dance on Saturday, January 13th. Mr. and Mrs. Ray Bokar, 6 Acorn Place, North Caldwell, will host the cock-

tail party at their home from 7 to 8. A buffet dinner will follow at 8:30 at the home of Mr. and Mrs. George Waite, 71 Ridgewood Avenue, Glen Ridge.

Assisting the Bokars with cocktails are Mr. and Mrs. R. A. Lambert of Livingston; Mr. and Mrs. J. B. Evans of Maplewood; the Wilson Chatfields of North Caldwell; and the Byron Malnes of Wayne.

The committee for the buffet dinner, which is being catered by the Towers of Cedar Groves, includes the Watons and Mr. and Mrs. A. S. Hogan of Glen Ridge; Mr. and Mrs. F. I. Smith of Short Hills; Mr. and Mrs. D. B. Lucas of Upper Montclair; and Mr. and Mrs. J. C. Jennings of Wyckoff.

Reservations, at \$10 per couple, should be made by January 8th with Mrs. Bokar.

Needy Children's Party

The first annual "Needy Children's Christmas Party" was held in Springfield, Sunday, December 17. The party attended by over 450 civic minded friends was held at the Springfield Steak House located on Route 22, Springfield, with the principal beneficiaries of the party being the 208 children at St. Joseph's Villa in Rockleigh, New Jersey and the Children's Country Home in Mountainside, New Jersey.

The ticket of admission was a wrapped gift of clothing for the children at St. Joseph's Villa, which was placed under the Christmas tree.

Miss Hartig Wed

The New Providence Presbyterian Church was the scene Saturday of the marriage of Miss Margaret Joan Hartig, daughter of Mr. and Mrs. Walter Hartig of 287 McMane Avenue, to Bernard Nolte 3rd, son of Mr. and Mrs. Bernard Nolte, Jr., of 938 Mountain Avenue, Mountainside.

The Reverend Richard A. Bryan performed the ceremony, the soloist and Miss Mabel Howarth was the organist. A reception followed at the Fort-nightly Club, Summit.

Miss Mary Lou Hartig, of Allentown, Pa., was maid of honor for her sister. Bridesmaids were the groom's sister, Miss Janet Nolte of Mountainside, Miss Lorna Dally and Miss Marjorie Case of Berkeley Heights and Miss Eleanor Manz of Orange.

George Nolte of Tewksbury was his nephew's best man. Ushers were Alan Palinkas of Irwin Hollow, N.Y., Richard Poelvoorde of Ithica, N.Y., Keith Jones of Mountainside and Robert Keith of Springfield.

The couple will live in Potsdam, N.Y. where the groom is a senior at Clarkson College of Technology. The bride attended Cedar-Crest College, Allentown, Pa., and is a graduate of Katherine Gibbs Schools, Montclair.

Mrs. Viola Boetel Weds O. Hohman

The marriage of Mrs. Viola M. Boetel of Springfield, formerly of Fair Haven, and Oscar B. Hohman of Union took place Saturday, December 30th, in the Chapel of the Red Bank Methodist Church with Rev. W. Gordon Lowden officiating. A small reception was held at the Shadowbrook following the ceremony.

Mr. and Mrs. Raymond F. Boetel, the bride's son and daughter-in-law attended the couple. Mrs. Boetel is the widow of the late John G. Boetel.

After a short wedding trip the couple will reside in Florida.

Miss Hofacker Is Bride To Be

Maurice Eisenberg

Cellist To Speak At B'nai Israel

Mr. Maurice Eisenberg, internationally acclaimed cellist will address the members of Congregation B'nai Israel of Millburn on Thursday, January 18, 1962. He will speak of his musical impressions of Israel where he recently served as the American Judge in the Third International Pablo Casals Cello Contest held in Tel Aviv and in Jerusalem. He was the honored guest of the Israeli Government.

Mr. Eisenberg, acclaimed throughout the musical world for the depth and virility of his interpretations and the mastery of his technique, revealed his exceptional talent at the age of 12. He early attracted the attention of Pablo Casals who invited him to Spain as his then-only pupil. Since his brilliant debut in Paris, he has been in ever increasing demand for major engagements on the Continent, in Great Britain and the United States.

He makes his home in Millburn but in recent years has divided his time between the two continents. During the winter months he is Director of the International Cello Center in London and during the summer is situated in Ascona, Switzerland. This program, complete with color slides of the contest and of Israel is under the auspices of the Adult Education Committee of Cong. B'nai Israel and will begin promptly at 8:40 P.M. The public is invited.

Science Notebook

By Hans Klein

To the chemist, elements are the basic ingredients of all matter. An element is a substance composed of only one kind of atom. The element oxygen is composed of only one kind of atom. Water, which is a compound, is composed of two kinds of atoms: hydrogen and oxygen. The idea of the atom is not new. The ancient Greek philosopher Democritus (460-370 B.C.) first suggested that matter was composed of atoms. As with most of the ancient Greek thinkers, their ideas were not confirmed by scientific experiment, so not much came of the idea of Democritus. The English chemist John Dalton (1766-1844) proposed a more workable atomic theory. Dalton believed that the atoms were the smallest particles of the individual elements that could exist, and that the atom could not be subdivided. To Dalton, an atom of sodium, and that atoms of the different elements were the smallest subdivisions to which matter could be reduced. The atom of each element was different from those of every other element, and it was from these distinct particles that all matter was composed.

Numerous scientists in the latter half of the nineteenth century began to find limitations to Dalton's theory. With observations on radioactivity it became apparent that atoms were not such

solid little particles after all. It also became apparent that the atoms of the elements were not so very much different from one another since all were composed of the same subatomic particles.

It was long known that hydrogen was the lightest of all elements and it was presumed that it had the least complex atom. In the modern concept of the atom, the hydrogen atom is composed of one proton and one electron. Niels Bohr, the Danish chemist, pictured the hydrogen atom as having at its center a proton with a single electron circling about it as a planet orbits about the sun. While Bohr's theories seemed to apply fairly well to hydrogen and the simpler atoms, it failed to account for the behavior of more complex atoms. While we still picture the atom as having protons and neutrons at its center around which electrons move in concentric orbits, the modern concept is more mathematical, and impossible to visualize.

Regardless of the actual appearance of atoms, which after all are too small to be seen by any means, it is generally accepted that all atoms are composed of the same fundamental particles: protons, neutrons, and electrons. Periodic charts of the elements which are common in chemistry classrooms have the elements arranged according to

the structure of their atoms. Hydrogen with one proton is No. 1, helium with two protons is No. 2, lithium with three protons is No. 3, and so on. The arrangement is simple enough up to calcium which is No. 20, but then the periodic table gets somewhat more complicated.

QUESTIONS, which aren't so easy to answer:

1. In the hydrogen bomb the fusion of deuterium and tritium release enormous amounts of energy and the formation of water, normal hydrogen, helium, uranium-235?
2. Ozone is a form of oxygen, which of the following is it: an isotope, an allotrope, a mixture, a compound?
3. Radium gives off three kinds of emanations: alpha, beta, and gamma. What are alpha particles: light rays, helium nuclei, X-rays, or hydrogen atoms?

ANSWERS

1. Helium.
2. Allotrope. Normal oxygen has two atoms per molecule, ozone has three.
3. Helium nuclei. The helium atom is made of 2 protons (positively charged), 2 neutrons (neutral) and 2 electrons (negatively charged); the alpha particle is a helium atom without the electrons which leaves it a positively charged helium ion.

Union County Trust Raises Interest Rate

Union County Trust Company, with ten offices in five communities, today announced that the bank will increase its rate of interest on savings accounts effective at the close of its present interest period, February 28, 1962.

The largest commercial bank in Union County of 1961, the bank also is the financial institution having the greatest number of individual savings depositors. George W. Bauer, President of the bank, expressed pleasure that this new savings opportunity can be extended to residents of the area based on current earnings of the bank and opportunities for improved loan and investment yields in the foreseeable future.

Mr. Bauer noted that Union County Trust Company has increased its interest rate on savings 4 times during the past 10 years -- the effective rates being 1% until June 1, 1955, 2% to June 1, 1957, 2 1/2% to December 1, 1959 and 3% since such date. The new interest policy will not change the bank's current practice of compounding and paying interest on a quarterly basis. Commencing March 1, 1962, all monies on deposit for three months will earn interest at the 3-1/2% per annum rate, the maximum permitted to Federal Reserve System and F.D.I.C. member

banks for funds left with the bank for this savings period. In addition to the announced increase in the rate to be paid on individual savings accounts, Union County Trust Company will also offer effective March 1, 1962, 4% savings certificates of deposit with 12 months maturity.

FDU On WNBC

On Tuesday, January 9, 1962, from 9:05 - 9:30 p.m., Fairleigh-Dickinson University will present its third program in the educational series, "Extra-Curricular," being broadcast five nights a week by WNBC. Ten area colleges and universities are cooperating in the series, with each institution presenting a program every two weeks. The third Fairleigh Dickinson University program will deal with the problem of the education of the modern woman. It will also include a discussion of events for women on the Florham-Madison campus of the university. Participants will be Dr. Samuel Pratt, Dean of Florham-Madison campus, Dr. Lois Pratt, Chairman of the Social Sciences Department on the campus, and Miss Judy Wilson, 386 Whittier Avenue, Dunellen, a senior English major, president of the Senior class, and a member of Student Council.

Nature Films

The visitors to the Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, will see two color films on Sunday, January 7, beginning at 5:00 p.m. The first film entitled "The Seasons" will show the changing of the four seasons in a remote and deserted Lake region of Canada.

The second film "The Legend of the Raven" will show the story of the Eskimo and the raven. Eskimo folklore is described in the film.

On Monday, January 8; Wednesday, January 10 and Thursday January 11, at 4:00 p.m. each day, Dr. Harold N. Moldenke, director of Trailside, will conduct the daily one-half hour nature talks for children. The topic to be discussed on these days is "Local Winter Birds".

UC Heart Assn. Aids In \$5,000 Research Grant

Dr. Nicholas A. Antonius, president of the New Jersey Heart Association has announced that its Union County Chapter is helping support, in the amount of \$5,000.00 a heart research grant under the direction of Dr. Carlo A. Pallini at St. Michael's Hospital, Newark, N.J.

Dr. Pallini, a research fellow at St. Michael's, is investigating "Precordial Pulsations in Coronary Atery Disease", seeking data by which pulsations in the

chest area overlying the heart may be used for early detection and correct interpretation of coronary artery disease.

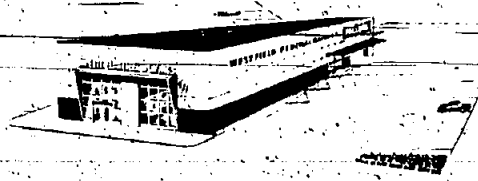

Concerning the studies going forward under the grant, Dr. Antonius said: "A vexatious problem for the attending physician is correct diagnosis of chest pain in a patient presumably exhibiting a normal electrocardiogram. It is hoped that the research in which Dr. Pallini is now engaged may provide us with still more accurate recording of various heart movements." The New Jersey Heart Association president stated that these pulsations, or kinecardiograms, have proved most sensitive in that respect so far.

The \$5,000.00 from the Union County Heart Association, Dr. Antonius said, represents some two-thirds of the total amount of the grant and as a result of the chapter's cooperation the State Association is enabled to release a portion of its research funds into other projects in that field.

Prior to coming to St. Michael's Hospital in 1957, Dr. Pallini was a medical resident at Fordham Hospital, Bronx, N.Y. He is a member of the Union County Medical Society and resides in Scotch Plains, N.J.

Save-On Drugs

To every homemaker - a message from your pharmacist about the importance of M.D.R.

Good health is a matter of planning, not chance - and that includes making certain your family gets all the vitamins they need. Vitamins are essential for the repair and maintenance of tissues. If the body is not sufficiently supplied with vitamins, vital processes may slow down.

The U.S. Food and Drug Administration has specified in regulations the minimum amounts of vitamins A, D, B1, B2, C and niacinamide which are needed every day by the healthy person - vitamins our bodies normally need to help maintain health and a sense of well-being. These are the "Minimum Daily Requirements" - M.D.R., for short.

But despite good planning, circumstances can interfere with your family's satisfying their M.D.R. Many of us - particularly younger members of the family - have poor food habits. They don't like this, or won't eat that. Vitamin-poor snacks... dieting... poor appetites... all can interfere with satisfying your family's M.D.R.

And that's where a reliable vitamin supplement comes in. We recommend Vigran, multi-vitamins by Squibb, to help you satisfy your M.D.R. For more than 100 years, Squibb has been a manufacturer of prescription-quality pharmaceuticals. The name Squibb is your assurance that each Vigran product provides the full vitamin potency as stated on the label.

Each Vigran Capsule provides 125 percent or more of the Minimum Daily Requirements of essential vitamins as specified in Food and Drug Administration regulations. To introduce your family to Vigran, you can get 30 Vigran Capsules absolutely free when you buy a bottle of 100 at the regular price... costs you less than 3 cents a day.

And for the younger members of the family we recommend Vigran Liquid, a delicious, orange-flavored multi-vitamin liquid that children really love. It's the tasty way to help prevent vitamin deficiencies.

Some Jobs Open At Post Offices

New examinations for the positions of Fireman-Laborer, Custodial Laborer, and Janitor in certain Post Offices in Union County, N.J., was announced today by the Civil Service Commission

through the Board of U.S. Civil Service Examiners at the Elizabeth N.J. Post Office. The Fireman-Laborer position is located at the Linden, N.J. Post Office and is covered under announcement

2-116-1 (62) Custodial Laborer, and Janitor vacancies under announcement 2-116-2 (62) are located at Berkeley Heights, Elizabeth, Linden, Plainfield, Rahway, Scotch Plains, Springfield, Summit, Union and Westfield Post Offices.

No written tests will be given. Applicants will be rated on a scale of 100 according to their skills and ability to perform certain tasks as described in the announcements.

Competition in these examinations is restricted by law to persons entitled to veteran preference. Others will not be considered. All existing registers for these positions will be expired upon the establishment of the new register resulting from these tests. Certification to fill vacancies at each office will go first to all local eligibles. Although immediate vacancies do not exist at all offices, the list will be used as future vacancies occur. There are no age limits for veterans applying under these announcements.

Further information and necessary application forms may be obtained at any of the Post Offices listed above or from the Executive Secretary, Board of U.S. Civil Service Examiners, Room 18, U.S. Post Office, Elizabeth, N.J. Applications must be received or postmarked no later than February 7, 1962.

Take advantage of these savings...

Sam Sez PUT YOUR SAVINGS IN A BANK BOOK NOT A STAMP BOOK
Trading stamps COST money and this cost is reflected in the price of every item you purchase. In order to receive them... We, at Good Deal, believe that what you really would like to save is MONEY. Money to purchase those extra luxuries you want, at the time that you want them, in the make, style and color you like best, and from a reliable merchant whose only business is to please you with his special line of merchandise. Stamp plans do not allow you to do this. They limit the way you spend your own money and are expensive to you. At Good Deal you can BANK on the savings... and you can BANK them in the next few weeks we will be showing you just how much you can actually SAVE at Good Deal. So stop Good Deal and SAVE MONEY!!

Sports Track Down

BY DICK SCHWARTZ

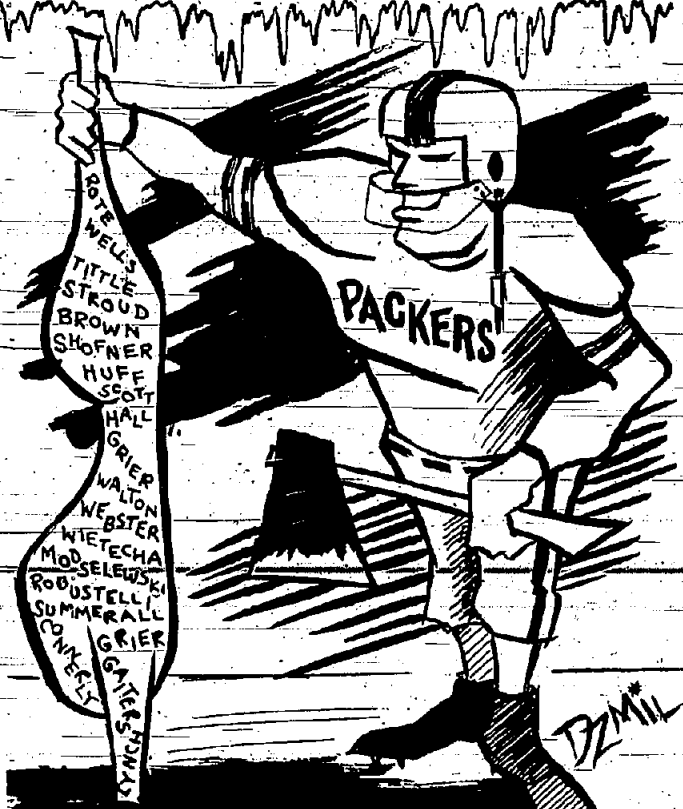

If Giant fans look at the recent Championship game held on Sunday in a rational light, and that word rational is the key, then the Green Bay trouncing of the Maramen might not come as such a surprise.

There's no denying that the New York Giants have a following in the Metropolitan Area. A following that's fanatical in praise and slightly subjective in critical analysis.

When sixty thousand fans shake the pillars of sturdy Yankee Stadium with a common, supernatural-like G-O-O-GOO!, one can readily see that there's a little more than a normal customer-team relationship between these folks and Sherman & Co.

Perhaps this 'cleat worship' made for a few nightmares Sunday evening. When eleven guys wearing pads become the football playing gods of an athletic 'religion', all reasoning goes by the boards. The Giants are an NFL team, not a way of life. As a club they couldn't come close to the Packers, and man for man, there are a couple of dozen in their League who can run circles around them.

This corner has never championed any particular team (save the Boston Celtics). We have always felt that sports were put on this earth for spectator enjoyment, not ulcers, heart attacks, and nervously-smoked cigarettes. Sure, we like one team over another on any given occasion, but we root them as they come, never sticking with any club long enough to suffer any 'personal disaster', or 'joyous feeling'.

We enjoyed the game Sunday from a football fan's point of view, not that of any team's fan. Watching an event objectively can be just as rewarding as chewing your nails down to the bone.

Let the ball players become nervous and tense, they're getting paid for it. Let the spectators sit back and witness an athletic exhibition, they're not getting paid off in anything but enjoyment.

The Titans have returned to their hearths after a not-too-successful gridiron campaign in the young American Football League, but their owner and General Loud-Mouth, Harry Wismer, apparently isn't finished yet. Mr. Wismer has again challenged the NFL-Giants to a post-season affair for 'charity'.

Someday the situation will probably be ripe for a Giant-Titan rivalry, and crowds will no doubt be turned away, but this year is definitely not that 'someday.' At this date, the Maramen would make the Titans look like something out of Class Z, and Wismer's fooling no one when he says his boys can take the Eastern Division NFL leaders.

Florida's so nice this time of year, Harry. Why don't you grab a plane South a maybe the sun can bake some shrewdness into your dome?

Bulldogs Find No Escape From Westfield Hot Hands

A Springfield-Bulldog basketball club that had been riding high with a 3-1 record, traveled to Westfield to do battle with the mighty Blue Devils featuring 6-foot-4 Bob King. The visitors succumbed 71-69.

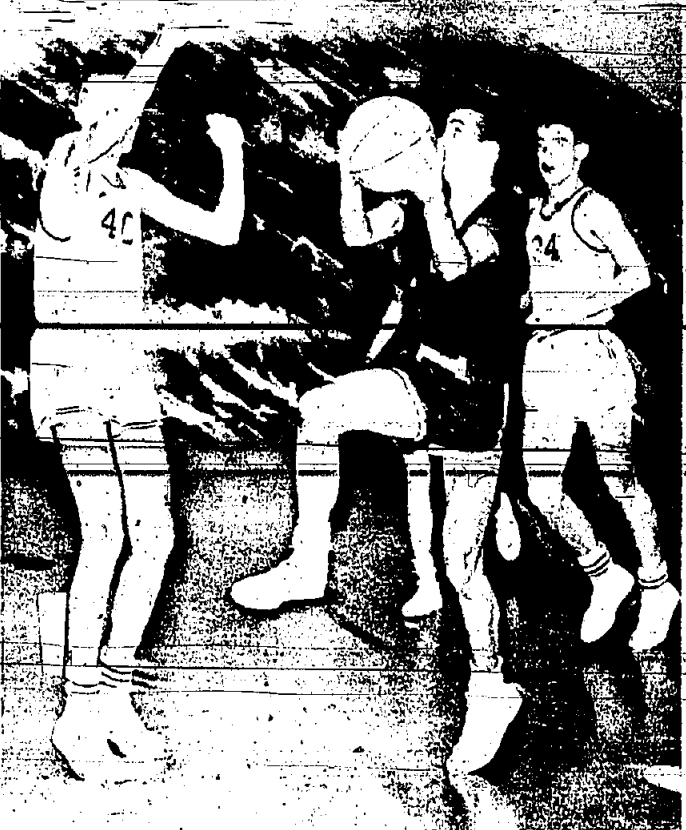

Both teams got off to a slow start as the Bulldogs found it difficult to hit a field goal until two minutes were left in the first quarter. With Bill Kretzer finally beginning to hit on the outside with jump shots it was 12-8 at the end of the quarter.

With Kretzer quite successful with outside jumpers, and Dave Bonislawski controlling the backboards, the Bulldogs managed to stay close in the second quarter. With less than two minutes left, King hit a jump shot and Bill Meyer showed why he is one of the best guards in the County with fancy passes and fine shots to pull Westfield ahead 32-30 at the half.

The third quarter saw Westfield fast breaking and running away with the contest, 61-33. With five minutes left, Westfield took out its entire first squad with score 67-35. The final count read 71-69.

Springfield Coach John Swedish in quest of coping with the Westfield forces, had planned to keep Kretzer far from the boards in order to draw King to the outside, while Jack Aggar would contain Blue Devil scoring ace Bill Meyer. However, Aggar was unable to play due to an ankle injury and King failed to be baited by Kretzer's offensive moves.

There is one bright spot on the Bulldog horizon, however, as the SUN learned this week that Larry Stickle, letterman from last year, who has been kept on the sidelines as a result of an injury sustained in the Railway football encounter, is due to return to the cage lineup soon.

MOUNTAIN CLIMBING...Dennis Francis is ready to take a shot but first he's got to get by 6' 10" Bob King, Westfield, a job in any man's book.

OLD REGIONAL HOOPSTERS NEVER DIE, THEY JUST RETURN FOR ALUMNI GAMES

Race Horse Families Represented

War Admiral and Citation, Triple Crown winners in 1935 and 1948 respectively, are among the many outstanding American race horses of recent years to be represented by sons and daughters in Monmouth Park's rich 2-year-old races, the \$100,000-guaranteed-gross Sapling and Sorority for 1962.

Over 1,000 colts and fillies are presently eligible to these six-furlong features, and track officials anticipate several hundred more nominations before the final closing on January 15. The fee is \$25 per nomination to these complementary events, which guarantee the winner a purse of at least \$60,000.

Nashua, who beat Swaps in the famed match race in Chicago; Needles, who won the Kentucky Derby and the Belmont Stakes; Tim Tam, who won the Kentucky Derby and the Preakness Stakes; Native Dancer, who won 21 of 22 starts; and Swoon's Son, a winner of \$970,605 during his brilliant career, are other cracks who have sired nominees to the Sapling and Sorority.

Because of the importance of the Sapling and Sorority, America's leading stables will be represented in the two rich races. Brookmeade Stable, Claiborne Farm, Dixiana, Harbor View Farm, Hasty House Farm, Maine Chance Farm, Alfred G. Vanderbilt, George D. Widener and C.V. Whitney are just a few of the prominent patrons of the turf participating in the two stakes.

In addition to the winner's share of at least \$60,000, the victorious owner in each race receives a handsome and costly trophy designed by the famed jeweler, Cartier of New York. If the winning owner is also the breeder, a special bonus also accrues, while the prestige of the winning horse is enhanced for an eventual career at stud or in the broodmare ranks.

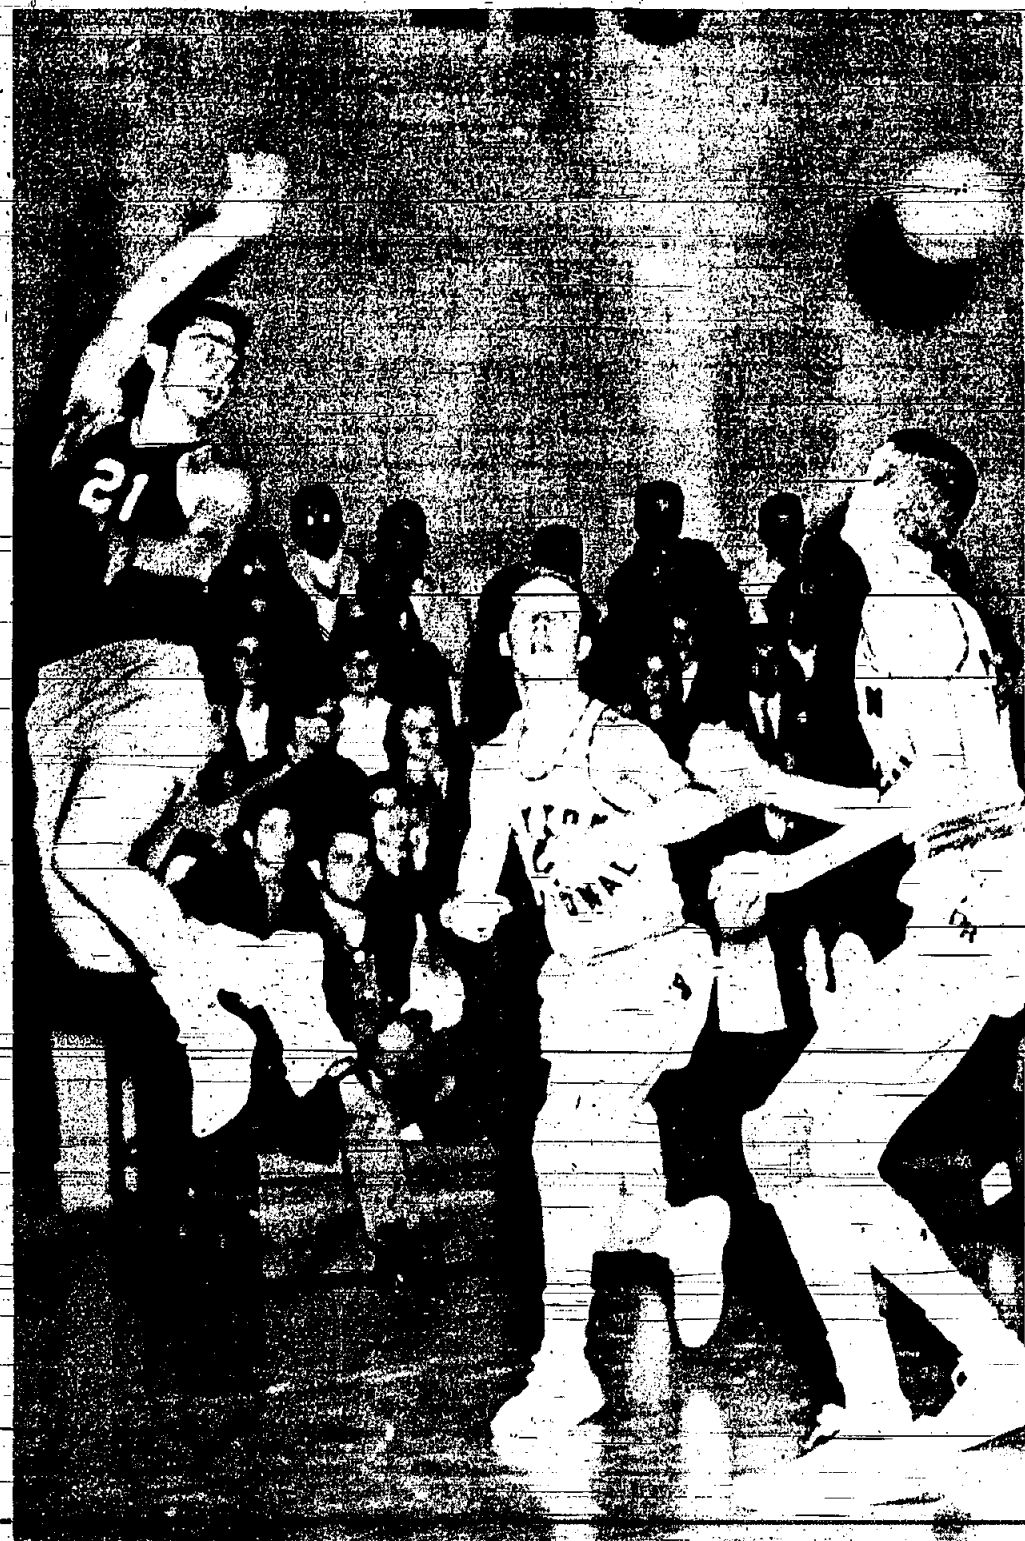

To facilitate nominations in the final weeks prior to the January 15 closing, Monmouth Park's general manager, Edward J. Brennan, will tour racetracks in the Miami area shortly. Other Monmouth Park representatives will contact horsemen in New Orleans, Lexington, Ky., Los Angeles and the winter training quarters in South Carolina and Florida.

JVs In Defeat

Springfield Coach Ray Yanchus's JV's in quest of their second victory in a row, dropped a decision to Westfield, 50-38.

Steve Arnold's shooting and Charles Roll and Steve Berger's defensive play managed to keep the Bulldogs in contention until late in the third quarter when the Blue Devils cracked down and began hitting their outside shots.

Arnold wound up with 17 points for Springfield. The JV record is, to date, 1-4.

IT'S A PASS...Jay Gladstone (21) of the Alumni squad leaps high and fires a pass to a teammate as Dave Bonislawski and Dave Kretzer of the Varsity look on in first quarter action of annual affair at Springfield gym.

'Old Men' Give Varsity Battle In Overtime Loss

Springfield Regional's Varsity basketball club ran into a bit of trouble last Friday evening when the Alumni invaded the Springfield gym to meet the current Bulldogs. The Varsity eventually won in overtime, 55-53.

A fine crowd saw Regional record holder Bill Benner lead Alumni to a 12-12 deadlock at the end of the first stanza. Neither squad could pull commandingly ahead as the Varsity took the court without star guard Jack Aggar who was unable to play due to an ankle injury.

Toward the end of the regulation time, each club had utilized their time out as the Bulldogs pulled ahead with but seconds remaining.

Ed Reese sunk a jumper to knot the count at 52 with seconds to go and Varsity man Dennis Francis, who played the entire game without a score, took a desperation heave from mid-court at the buzzer only to watch the apple roll around the rim and bounce out. The game was then thrown into overtime.

A quick jumper by Ted Schuss at the onset of the extra period gave the Varsity a field goal spread and soon after when Coach Danny Schayer of the Alumni got too carried away, a technical foul was called which Dave Bonislawski converted to give the home team a three point spread.

An Alumni charity toss made the count 55-53 with eight seconds to play and again the 'oldsters' got the ball. An Alumni man tossed one up—unsuccessfully as the result of a Butch Bell block, and Bill Benner shared the rebound but was unable to let loose with a hook shot when Bill Kretzer blocked the attempt.

Only four Varsity Bulldogs managed to reach the scoring column. Schuss led all scorers with 21 markers, Bonislawski had 16, Kretzer dumped in 14 and Butch Bell contributed 4 points.

Bill Benner led the Alumni with 12 points while Stu Chesler and Jay Gladstone had eight apiece.

All concerned agreed that this was the most thrilling Alumni game.

Colantone First

Colantone Shoes move in to first place tie with V.F.W. Colantone Shoes won all 3 games from Sams, who have been in first place most of the season, to gain a tie with the V.F.W. for the lead. The V.F.W. moved to first by taking all 3 games from Conte's Deli.

Sams' dropped to 3rd place and Conte's from 2nd to fourth place.

Carol Tool won 2 out of 3 from Milton's Liquor to maintain 5th place.

Big Boys Hold Lead In Entries For Gloves

Boxers in the heavier divisions are outnumbering the smaller fellows among the early entries for the New Jersey Golden Gloves tournament, which starts January 12 in the Elks Club here.

Twenty scrappers ranging in size from middleweights through heavyweights have submitted their entry blanks for the six-week tourney. Entries will close next Sunday afternoon, at which time contestants will be examined and screened at the Elks Club, 17 Westfield Avenue.

Richard Heizer, 18-year-old heavyweight from Guttenberg, is the heaviest lad entered to date. William Colontelle, 17, of Princeton, and Fred Marrone, 23, of Princeton, have entered the light heavyweight class. All three will compete in the novice division.

Novice middleweights entered are Robert Muzzicato, 24, Hackensack; Charles Sadava, 21, West End; Michael Latzo, 22, East Brunswick; Frank Leonard Jr., 23, Keansburg; Joseph Traaska, 18, Edison, and John De La Roche, 23, Union City.

One of last year's novice champions, Johnny Johnson of the Newark Dukers Club, will seek honors in the 126-pound open division.

Johnson, 18, of 79 Rutgers St. in Newark, is handled by Charlie Davis and Tim Still, veteran trainers who have come up with strong Newark-Duker squads in the last three N.J. Golden Gloves tournaments in Elizabeth.

Johnson decided Albert Santana of Paterson to win the 126-pound novice title in last year's tourney.

Raiders In Win

The Scotch Plains cage quintet, sporting a 4-1 mark as of Tuesday, squeaked past their last competition by downing a Roselle five 53-52 in the last eighteen seconds of play.

Bill Lott led the victors with seventeen markers and Tom Rutishauser scored fifteen and the all-important last bucket to ice the win.

The game got off to a fast start, with the Raiders taking the lead at the quarter 14-10, and holding slimly on at the half, 22-20.

The third quarter saw another Plains surge. The visitors dumped in eighteen points in the period to Roselle's nine, and the count was 40-29 as the last period began.

Roselle pulled close midway through the fourth quarter and led 52-51 before Rutishauser drove through to score the winning basket.

Westfield Matmen Rip Heights But Grappling Picture Hopeful

As was anticipated, the powerful wrestling team of Westfield High School boasted too many standouts for the Highlanders of Governor Livingston Regional High School, but the strong showing of Coach Ray Higgins' squad lends credence to the belief that it will improve on last year's 2-5-1 record.

Westfield captured eight of 12 matches in defeating Governor Livingston, 30-16, at Westfield, on December 28. It boosted the Blue Devils' four-year mark under Gary Kehler to 30-5. Last season Westfield finished with an 11-1 record, losing only to Plainfield.

Frank Christiansen, 140-pounder, and Len Semon, 167, a standout footballer last season, turned in the top performances for the Highlanders. Christiansen pinned Westfield's Bob Graf in 3:33 minutes, while Semon pinned Rick Goheen of Westfield in 4:23 minutes.

Ron Cote, 135-pounder, also won decisively for Governor Livingston, outpointing Westfield's Frank Mancuso by a 10-5 margin. The Highlanders' other win was scored by John Wadas, the all-county soccer ace, who decided Steve Petrucione, 4-2.

Tony Conte, the Highlanders' 147-pounder, lost a narrow 3-2 decision to Bill Hedden in the closest match of the day. The Highlanders' cause was hurt by the absence of 177-pound "Chuck" Whitford, who had the best record on the team last season. Harry Shallock, outweighted by some 15 pounds, took his place and dropped a decision.

The Highlanders will return to action on January 9 when they travel to Clark to take on the strong Clark Regional grapplers.

The summaries:

97 pounds -- Jim Powers, Westfield, pinned Phil Hof, 5:23.
105 pounds -- Bart Phelps, Westfield, decided John Farrar, 4-1.

114 pounds -- Dennis Milano, Westfield, decided Bob Buckley, 10-2.

122 pounds -- Ken Cornell, Westfield, pinned Sam Testa, 2:58.

129 pounds -- John Wadas, Governor Livingston, decided Steve Petrucione, 4-2.
135 pounds -- Ron Cote, Gov-

ernor Livingston, decided Frank Mancuso, 10-5.
140 pounds -- Frank Christiansen, Governor Livingston, pinned Bob Graf, 3:33.
147 pounds -- Bill Hedden, Westfield, decided Tony

Conte, 3-2.
155 pounds -- Bob Adelaar, Westfield, decided Frank Fish, 7-0.
167 pounds -- Len Semon, Governor Livingston, pinned Rick Goheen, 4:23.

177 pounds -- Dave Morash, Westfield, decided Harry Shallock, 7-1.
Heavyweight -- Bill Tomlinson, Westfield, pinned John Carvellas, 1:42.

THAT'S MY ARM...James Powers of Westfield on left isn't relaxing in that position, he's in the process of being rolled over by Phil Hof, 97lbs of Berkeley Heights. Hof was eventually pinned and Westfield took the match, 30-16.

HELD ON!!!...Highlander John Farrar, 105 lbs hangs on to Bart Phelps of Westfield momentarily. Farrar was decided by the Blue Devil, 4-1.

Beacon on Sports

BY JAMES

Don Wodock, coach of Governor Livingston Regional High School's basketball team, is a sports writer's delight. He is cordial, cooperative and conspicuous by his ability to look at the right side of things.

Don was optimistic about his Highlander team's chances for a successful season during pre-season practice. After four games, two of which were lost, he still is.

"We're sure that both losses were tough for Wodock to take. One was to Summit High, a school that has whipped Wodock-coached teams three consecutive times. Don will have another chance to end that hex in the final game of the regular season. Probably the toughest part of the loss to Summit is that Wodock was sure his team would win.

"I was sure we would beat them," Don said the other day during the Christmas holiday lull. "In fact, I thought we would win by at least 10 points. (Summit won, 62-45) It's hard to explain what happened. It was just one of those things.

"We stayed with them for awhile, but when the score reached 19-17 they suddenly got hot and we couldn't hit anything. Everything they threw towards the basket seemed to be going in." The most heartbreaking was the loss to undefeated Bound Brook. The Crusaders, perennially one of the State's top Group 3 outfits, figured to whip the Highlanders. They did last year and did so this year.

In pre-game figuring, Bound Brook loomed as a heavy favorite. The two-point loss, 59-57, on paper would seem to have been a moral victory for Governor Livingston, On paper, that is.

Actually, the Highlanders deserved to win. In Wodock's own words, "We played our best game of the season against Bound Brook even though we lost." It was a game in which the score was tied four times in the final period. It was a game in which the breaks would determine the final outcome. It was a game in which the losing coach would wind up with nightmares about how he might have used different strategy. It was a game that was decided by the team with the final chance to score.

Bound Brook had the chance—and scored—as the game ended. It was a heartbreaker for the Highlanders, but Wodock's team has heart. Three days later it bounced back to whip a Watching Hills Regional team that on paper was almost as tough as Bound Brook. And the Highlanders whipped the Warriors decisively, 61-53.

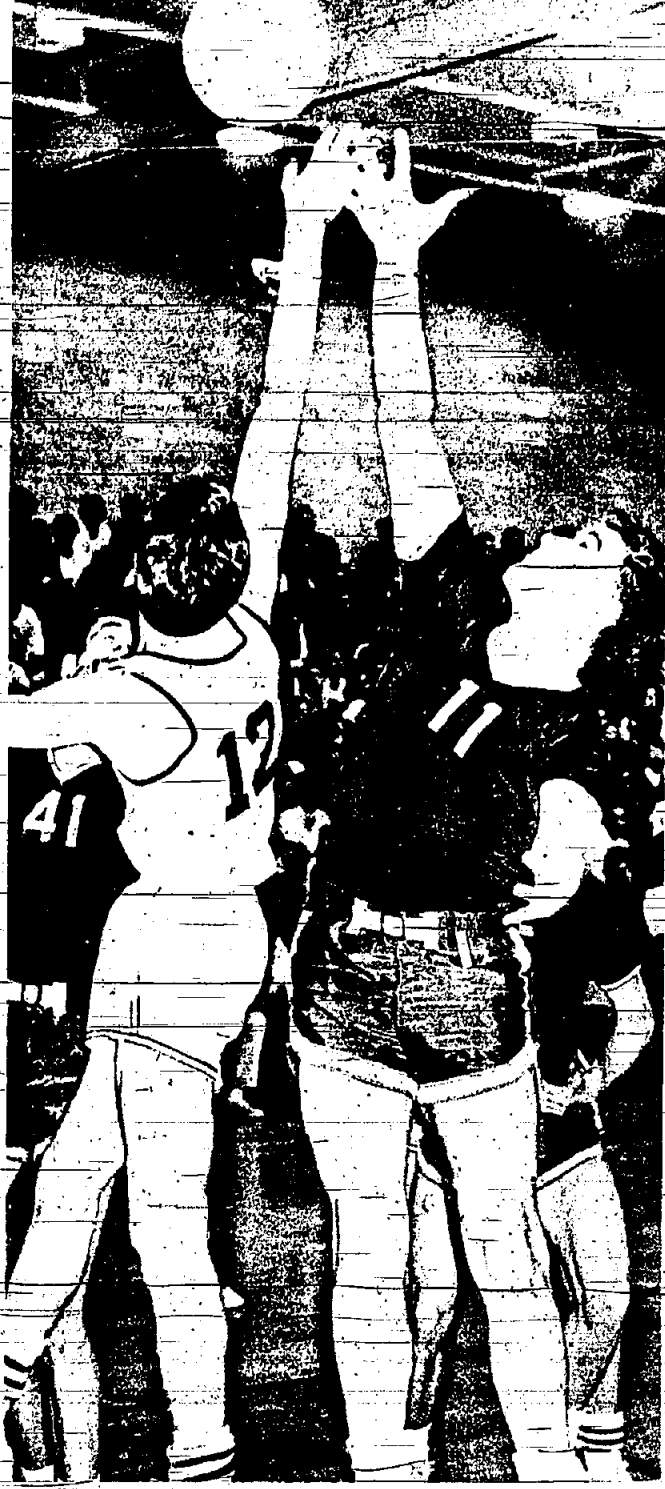

Now the Highlanders are ready for the 1962 phase of the season with a 2-2 record. They played at Rahway yesterday and had a good opportunity to get off to a winning start. In the new year as the Scarlet is having a sub-par season. Rahway's only win in five previous games was over a Clark Regional team that the Highlanders clobbered in a pre-season scrimmage.

And what does the ever-optimistic Wodock foresee for the rest of the season? "Success. Even though we haven't hit our full stride yet, we're off to a much better start than last season. (The Highlanders were 0-3 at this point last season and are 2-2 now). We looked best against Bound Brook. We looked much better against Bound Brook than against Watching Hills, even though we beat Watching Hills. We are not shooting as well as we can. We're only hitting about 33 per cent of our shots and I know this team can do much better than that. When it does, we should really start to roll in high gear.

"Our foul shooting, however, has been excellent. We've hit on about 72 per cent of our attempts. Against Watching Hills we hit on 20 of 26 attempts.

"Although we have been using our starting five through most of our first four games, we have a boy on our jayvees, John Adamik, who will see considerable action with the varsity as the season progresses. John is 6-2 and though he has some rough edges, he is very coachable and is a real comer. He also gives us some added height. And we need that with only Lynn Nesbitt and Bob Heuer six foot or more among our current starters.

"Speaking of Nesbitt, he has simply been tremendous. Lynn is only a six-footer, but he has been grabbing off rebounds at a tremendous pace. Lynn has been credited with 41 rebounds in the

REBOUNDING—Butch Bell of Regional battles Westfielder for control of rebound in Blue-Devil Bulldog affair last week. Home team Blue Devils took contest, 71-39.

games against Bound Brook and Watching Hills.

"Lynn also has been our most consistent scorer. He has tossed in 73 points in four games, spreading them over the four games in totals of 19, 18, 18, and 18.

"Heuer is really coming in to his own. His only poor showing was against Summit. He's averaging 11 points a game and his last game was his best. Against Watching Hills he scored 16 points and helped Nesbitt control the rebounds.

"Jack Weiss, one of our veteran backcourt men, had a slow start, but has looked good in the last two games. I'm still looking for Jack to come up with a really big game that I know he is capable of.

"Our other starters, Jerry DiPasquale and Bob Clarkson, have loosened up their football muscles and should get better and better as the season progresses. Clarkson is a good scorer, while Jerry works well with Weiss in the backcourt."

New Year Record Finds Highlander Cagers At 2-2

New Year Sporting a 2-2 record as they began the 1962 phase of their basketball season, the Highlanders of Governor Livingston Regional High School were hopeful of getting off to a winning start yesterday when they traveled to Rahway to engage the Scarlet of Rahway High School.

Although the Highlanders rated as favorites on the basis of Rahway's 1-4 record thus far this season, Governor Livingston was wary of an upset. Despite its record, the Scarlet cagers have given some rugged opposition some tough battles.

Rahway's only win this season was over Clark Regional, a team that the Highlanders handled easily in a pre-season practice game. Rahway was out to avenge a 69-65 loss to Governor Livingston last season, which was historic in that it was the Highlanders' first basketball victory in their history.

With Lynn Nesbitt and Bob Heuer providing scoring punch and rebounding strength, Coach Don Wodock is confident that his team will bear out his prediction of a winning season. Jack

Weiss has begun to hit his stride and Bob Clarkson and Jerry DiPasquale are rounding into form. Wodock figures that with improved shooting (the team has hit on only 33 per cent of its shots) the Highlanders should have no trouble finishing with a winning record. He considers Nesbitt a top candidate for all-Union County laurels.

Yesterday's game at Rahway will be the Highlanders' only activity this week. The team has been unable to fill an open date in its schedule tomorrow.

The Highlanders will return to action on their home next Tuesday, at 3:30 p.m., when they take on Middlesex High School. The Somerset County team bowed twice to Governor Livingston last season and will be out for revenge.

The contest with Middlesex will be the Highlanders' final test before the big game with arch-rival New Providence on Friday, January 12, in the Highlanders' gym. The Pioneers took the Highlanders, twice last season, a fact that has galvanized Wodock and his cagers for nearly a year.

Marmen Beat Princeton Y

WESTFIELD - The "M" division of the Westfield YMCA swim team came from behind last Saturday to defeat the Princeton YMCA team in a tense and hard fought contest. By the fourth event Princeton had garnered exactly twice as many points as Westfield. The tide changed gradually, with Westfield coming from behind to lead by one point at the end of the butterfly events, only to lose first place in both diving events to Princeton's George Good and Mark Hoffman, putting Westfield nine points behind. Westfield's relay teams saved the day by winning all four relay events. Final score was Westfield 100, Princeton 82.

The Demarest brothers, Chip and Dave, contributed a total of ten points by winning their butterfly events, and they also took part in two of the winning relay teams.

Good, whose score for diving was 156, beat Terry Gass of Westfield by a slim margin of two points. Next week the "M" division will swim against Trenton at the Trenton pool.
