## March Of Dimes Campaign Starts; Finnerty, Chairman; Mrs. Dorsky Heads March

Peter Finnerty, member of the Administrative Board at Pace College and well known educator in business administration, has already started the drive machinery as chairman of the March of Dimes in Springfield. His appointment as Springfield chairman was announced some time ago by Union County Director H. Lee Sarokin.

The annual campaign for much needed funds which continues throughout the month of January will have its dramatic climax at the end of the month with the usual Mothers' March.

Mrs. Sonya Dorsky, well known civic leader in the Township, has been designated as head of the Mothers' March and plans are being made for the complete coverage in Springfield.

Mrs. Dorsky will announce her complete committee of workers in a few days.

"MOVING FORWARD FROM the successful fight against polio, the 1962 New March of Dimes will support one of the most potent medical programs ever launched against chronic, crippling disease," Springfield Chairman Finnerty said today.

Mr. Finnerty pointed out that the March of Dimes organization, while continuing its 24-year successful fight against polio, is also attacking crippling birth defects and arthritis.

"FUNDS ARE NEEDED to support research which offers real hope of discovering preventives and cures for these diseases. This is the program that developed first: the Salk vaccine and then the Sabin vaccine - exclusively with March of Dimes funds. And we must continue our program of training vitally needed medical and scientific personnel through National Foundation fellowships and health scholarships.

"Perhaps even more important at the moment; we must aid those already stricken by these crippling, March of Dimes funds are being used now by chapters in many parts of the nation to establish or support special treatment and diagnosis can be given," Mr. Finnerty declared.

"CHAPTERS WITH available funds are also authorized to aid victims of all types of birth defects where such help is needed.

Of course, The National Foundation is still meeting its responsibilities to aid past and present victims of paralytic polio.

"We are faced with a big job, but you can be sure your dimes will do it again if during this coming January you say 'yes' to the New March of Dimes," Mr. Finnerty promised.

PETER FINNERTY  
Head of March of Dimes Drive in Springfield

## Elect Rotwein As Chairman Of Planning Board

Donald S. Rotwein of 25 Sycamore Terrace, Springfield, was elected chairman of the Springfield Planning Board at its annual organization meeting last Thursday in the Municipal Building.

Mr. Rotwein, an architect with offices in Union, was appointed to the board February 14, 1961. He has lived in this township with his wife, Beverly, and two daughters, Cindy, six and Randi, five, the past four years.

Francis J. Keane of 33 Henshaw Avenue, who has served on the board a number of years, was re-elected as vice chairman. Wilbert Binder of 558 South Springfield Avenue was elected secretary.

CHAIRMAN ROTWEIN appointed Township Engineer Alfred H. Swenson, Kenneth Young and Mr. Keane to the subdivision committee.

Regular meeting nights of the board were changed from the first Thursday to the first Tuesday of every month.

Mayor Philip Del Vecchio and Committeeman Robert D. Herdgrove Jr. were welcomed to the board as new members.

Also Wilbert J. Binder, whose term on the board expired, began a new six-year term.

The board also elected to retain David B. Zurav of Arch-bridge Lane as its attorney for the year.

A minor subdivision was granted General Greene Village Inc. providing that the applicant comply with certain traffic stipulations of Ensey Bennett, township traffic consultant.

The applicant wants to subdivide 8,000-sq.-feet of its apartment house tract for the construction of a rental office building for the apartments. A variance recommended by the Board of Adjustment has been approved by the Township Committee subject to the Planning Board's subdivision.

A letter was received from Russell T. Kerby Jr. of the firm Moser, Griffin, & Kerby of Summit, indicating that he would like an informal discussion about changing the zoning ordinance to garden apartment use on the Jakobson property in Mountain Avenue. No action was taken on this matter.

A revised plan of Elmer L. Walker for a garden apartment at 845 Mountain Avenue was discussed. Mr. Walker, who was granted a garden apartment variance use in 1960, was represented by Max Sherman, and was requesting the board's advice on apartment layout. The application will be considered by the Board of Adjustment.

## 10 Acres Given For Play Area

Recreation Director Edward J. Ruby announced today that final agreements with the Springfield Board of Education for use of some 10 acres of land at the Thelma L. Sandmeier School for recreational purposes are being drawn up.

The area, which Recreation Director Ruby said should become the most beautiful site in town, will be shared with the school during the school year.

The property involved includes about 600 feet along Beverly Road, Recreation Director Ruby said, and indicated that the play site when completed will far eclipse the Irwin Street Playground, which consists to 5.9 acres.

Board of Education Attorney Howard Casselman is in charge of negotiations for the school board.

## Tentative Date February 3. Committee Planning Dedication Of New Post Office Here

Leonard E. Best, Springfield Industrialist and General Chairman of the Springfield Post Office Dedication Committee, announced the organization of his General Committee to arrange for appropriate ceremonies incident to the occupancy by the Springfield Post Office of the new quarters at 210 Mountain Avenue.

Mr. Best stated, "This will be an event which will be a source of great satisfaction to all of us who live or work in this town."

The Committee is as follows: Finance: Saul Freeman, Director of Civil Defense; assisted by Drew Morrison, past President of the Chamber of Commerce. The Chamber of Commerce has undertaken the task of raising sufficient funds to meet the cost of the dedication ceremonies.

Treasurer: Arthur H. Smith, Jr., Assistant Vice President and Branch Manager, Springfield Office, National State Bank of Elizabeth.

Entertainment: Dr. Warren Davis, Superintendent, Union County Regional Board of Education.

Arrangements: Benjamin Newswanger, Superintendent, Springfield Board of Education.

Dinner: Carl Jehlen, Manager, Baltusrol Golf Club.

Mr. Best stated tentative program has been outlined by the Committee to include musical interludes by the Jonathan Dayton Regional High School Band, addresses by Congresswomen Florence P. Dryer, Senators

Harrison A. Williams and Clifford P. Case, local dignitaries and Post Office Department officials.

All civic and service organizations will participate in the program which is scheduled to be of approximately 1 hour duration.

The American Legion and the Veterans of Foreign Wars will participate with the Boy Scouts in a colorful flag raising ceremony.

The flag to be used is one that has flown over the Capitol Building and the Post Office Department Building in Washington, D.C.

After completion of the outdoor ceremonies, there will be an open house and inspection of the new building at which time refreshments will be served.

Tentative time of dedication is set for 2:30 p.m. on Saturday, February 3.

Saul Freeman, Finance Chairman, has stated that since no official funds are provided for these ceremonies, it is the responsibility of his committee to obtain sufficient monies to meet the cost of the program.

He requests that any contributions should be addressed to Mr. Smith, Treasurer, c/o the National State Bank, Springfield and checks should be made payable to the "Post Office Dedication Committee."

## 8 Compete For 3 Vacancies On School Board

Springfield Board of Education Secretary A.B. Anderson announced today that a total of eight persons have filed for the three vacancies on the local school board.

In addition to those already reported Robert T. Jeffery of 14 Molter Avenue and Howard S. Levin of 99 Troy Drive have also filed. The deadline for filing was last Thursday.

Secretary Anderson Friday night drew ballot positions as follows: 1-Jeffery; 2-Frank W. Haydu Jr.; 3-Mrs. Sonya Dorsky; 4-Mrs. Helen Sabo; 5-Levin; 6-Robert T. Southward; 7-Alan Cunningham; 8-Stanley W. McConkey.

School board incumbents who are running for re-election are Mr. Haydu and Mr. Cunningham. The third member of the board, whose term is expiring is Rupert Humer.

A public hearing on the budget will be held Tuesday (Jan. 16) at 8 p.m. in Caldwell School. Election will be held February 13 from 3 p.m. to 9 p.m. Two polls will be located in Caldwell School and two polls in Walnut School.

Districts 1, 2, 3, 4, 5, and 6 will vote in Caldwell and districts 7, 8, 9, 10, 11, 12, and 13 in Walnut.

Mr. Levin who has filed as a candidate for the School Board election to be held February 13 recently established his own

management consulting practice in New York City after having been employed in this field for the last eight years.

He also maintains offices as a commodity broker and will shortly become President and Director of Probability Fund, Inc., a new financial organization with headquarters in Springfield.

Mr. Levin has a B.S. Degree in Mathematics from the University of Chicago and taught mathematics at the University of Illinois.

## Announce New Meeting Nights

Changes have been announced in the official meeting nights of two Township boards.

The Springfield Planning Board will meet every first Tuesday night of the month. It has been meeting on every Thursday night.

The Board of Adjustment will hold its regular meetings every third Tuesday night. It has been meeting every fourth Tuesday night.

There is no change in the official meeting nights of the Township Committee which are set for the second and fourth Tuesday of each month.

## Stefany Returns As Auditor For Township, 1962

Frederick J. Stefany, who has been appointed Springfield's auditor for 1962, is a partner in the firm of F. J. Stefany & Company of Irvington, New Jersey, and has been in public accounting practice for a period in excess of thirty years.

He is a Certified Public Accountant of both New Jersey and New York, a Registered Municipal Accountant of New Jersey, a Public School Accountant of New Jersey, and is also a member of the American Institute

of Certified Public Accountants.

The firm of F. J. Stefany & Company, in addition to its practice in the business field, are auditors for many school districts and municipalities within the State of New Jersey, including the Union County municipalities of Union, Kenilworth, Winfield and Roselle Park.

Robert Stefany, his son, who resides at 1515 Belter Street, Springfield, is a partner in the firm. He is also a Certified Public Accountant and Registered Municipal Accountant of New Jersey.

Other officers, all re-elected, are: Vice president, Elliott Lichtenstein; secretary, Mrs. Sylvia Bender; and treasurer, Superintendent of Schools Benjamin E. Newswanger.

Mr. Hetzel welcomed to the board Robert Halsey of 72 Denham Road, who just received a five year appointment.

Mr. Halsey, who has lived in Springfield many years was graduated from Regional High School and the Rutgers University School of Business Administration.

He is the administrative assistant for the Port of New York Authority, assigned to the George

Washington Bridge.

He is vice president of the Men's Club of First Presbyterian Church and active in boy scouts activities, serving as troop committee chairman for Boy Scout Troop 70 and Explorer Post 70.

Committees appointed by the new president are: Building and grounds; Mr. Halsey's operations; Mr. Lichtenstein; publicity; Mrs. K.A. (Jeanette) Abramson.

Regular meeting nights of the board are scheduled for the first Thursday of every month in the Library.

Other officers, all re-elected, are: Vice president, Elliott Lichtenstein; secretary, Mrs. Sylvia Bender; and treasurer, Superintendent of Schools Benjamin E. Newswanger.

## 1st Town Meeting Smooth

The 1962 Township Committee rolled smoothly through its first regular meeting Tuesday night, picking up a lot of loose ends in preparing for a very ambitious agenda for the new regime.

The first thirteen items on the list sailed along without a single dissenting vote, without a single abstention. But the very next item on the agenda ran into a parliamentary roadblock when Township Committeemen Vincent J. Bonadies and Russel W. Sibole suggested that "the Planning Board had no legal right to set salaries for any of its appointments without having these amounts included in the salary ordinance."

THE PLANNING BOARD had sent a letter to the Township Committee announcing the results of its organization meeting and the appointment of an attorney assigned especially to the Planning Board. The letter stated that it had set the salary as payment for these legal services.

The contention of Committeemen Bonadies and Sibole was that "the Planning Board had no authorization to set salaries for any of its appointees" and they questioned whether this part of the action by the Planning Board was valid.

The Planning Board notice of appointment was tabled with the request that Township Attorney James M. Cawley give the Township Committee an opinion on the legality of the appointment and the salary set.

OTHER ROUTINE matters were passed without any discussion which included a change in the recently passed snow removal and parking ordinance. Several new streets have been added to the list on which parking is prohibited during and after snow storms in Springfield.

The Citizens Swimming Pool Committee will probably be re-constituted with the same members so that the Township may carry on the work already done by this group.

The Chairman of the Township Committee and the Township Clerk were authorized, by resolution, to enter into a contract for the purchase and installation of parking meters for Public Parking, Lot No. 1. A total of \$4800 will be expended for this project which will include 106 meters, 68 of which are new and 38 to be refurbished.

THE BOARD OF ADJUSTMENT sent notice to the Township Committee recommending approval of a variance on property on the corner of Henshaw and Mountain Avenues. The variance was held in abeyance until some amendments and changes by the property owners are clarified.

## Daniel Murray Will Serve As Chairman of Red Cross Drive

Daniel R. Murray, assistant superintendent of Springfield Schools, has accepted the chairmanship for the Township's 1962 Red Cross Fund Drive.

The announcement was made by John C. Gacos, Chapter Chairman, at the monthly meeting of

Mr. Murray, who came to the Springfield Public Schools in 1951 has served as a teacher in the upper grades and as principal of both the Raymond Chisholm and Edward V. Walton Schools.

He has recently been appointed Assistant Superintendent of Schools while still continuing his duties as Principal of the Walton School.

Mr. Murray is a member of the Springfield Rotary Club and was its immediate past president. He has served the community at various times in the past on Boy Scout, Girl Scout, Mental Health, and Retarded Children fund raising drives.

Mr. Murray resides at 80 Linden Avenue with his wife and five children.

## Estate To Nieces

Joseph Johnson of Springfield, who died December 21, 1961, left his estate to Edna C. Fountain, a niece, of 33 Prospect Street, Springfield, and Grace Kelly, another niece, of 130 Fairview Avenue, South Orange, according to a will filed with Union County Surrogate Eugene J. Kirk.

**YOUR DIMES WILL DO IT AGAIN SO... SAY YES TO THE NEW MARCH OF DIMES**

## Will Filed

The will of Adeline M. Becker, of Springfield who died October 18, 1961, was filed in the office of Union County Surrogate Eugene J. Kirk in Elizabeth.

Richard T. Bunnell of 301 Short Hills Avenue, Springfield, was named executor with the estate going to Philip Becker, husband, of 31 Orange Avenue, Irvington

## Editorial

The New March of Dimes opened its 1962 campaign today with the promise that "Your Dimes Will Do It Again."

Do what again, you may ask. Well, we know what your contributions to this national voluntary health agency did to polio. With March of Dimes funds The National Foundation financed the development of the Salk and then the Sabin vaccines.

Now The National Foundation's nationwide medical research program is being applied to the prevention of two other disabling diseases, birth defects and arthritis. Actually, these two are even more formidable than polio ever was.

Arthritis affects 11,000,000 Americans. Of these 30,000 are children and adolescents and 16,000 of these youngsters need medical care each year.

And each year 250,000 children are born with a significant birth defect. That's one out of every 16 babies.

The need is immediate and pressing. Often these diseases can overwhelm a family—both economically and psychologically.

So the March of Dimes organization has expanded its traditional and unique patient aid program by authorizing aid to victims of all kinds of birth defects and financing evaluation clinics and special treatment centers at hospitals and other medical institutions in many parts of the country. These facilities offer the expert services of medical specialists working as a team to alleviate the medical, economic and social problems of the patient and his family.

All of this will mean a greater demand for research and medical skills. Therefore, part of the funds raised in January will be set aside to train new hands in research and medicine under The National Foundation's program of professional education.

Your dimes—and dollars—will do it again if you say "Yes" to the New March of Dimes.

## SANE Launches Petition Drive Against U.S. Nuclear Testing

Watching SANE is greeting the new year with a petition campaign to President Kennedy urging the U.S. to refrain from atmospheric nuclear tests.

A message to its supporters and friends—in the Springfield area stated: "Nuclear test explosions have resulted in grave and continuing hazards of radiation to humanity. They have also adversely affected the prospects of world peace through heightening rather than lessening international tensions."

"We express our deep concern and profound regret that test explosions have been resumed by the Soviet Union and underground by the United States."

"We especially urge that the U.S. not follow the Soviet Union example, but refrain from atmospheric tests and also cease its current underground tests."

The next meeting of Watching Sane will take place January 25, at the home of Mr. and Mrs. Wm. Bousikaros, 41 Briarwood Dr. E., Berkeley Heights.

The Watching Committee for a Sane Nuclear Policy is affiliated with the Union County Committee, New Jersey Committee and National Committee for a Sane Nuclear Policy. Its purpose is to provide information about nuclear warfare and disarmament.

"We express our deep concern and profound regret that test explosions have been resumed by the Soviet Union and underground by the United States."

## Missioner, Returning To Africa, Will Get Aid Here

The newly independent nation of Tanganyika will get an assist from many residents of Springfield, Millburn, Short Hills and other communities in Essex County. The connecting link is Rev. Thomas H. Keefe, M.M., former member of St. Rose of Lima of Short Hills, presently home on furlough after six years in East Africa.

Thanks to many friends and neighbors in the County, Father Keefe will return to his mission station on January 15 with the necessary funds to build a sorely needed school and dispensary.

Much of the credit goes to the pastor of St. Rose of Lima in nearby Short Hills, Father John F. Ryan, who is graciously donating to Father Keefe's mission effort a collection made at every Mass this coming Sunday.

For the past six years the tall, sandy-haired Maryknoll missioner has been stationed in the Diocese of Shinyanga on the south-east shore of Lake Victoria.

Shinyanga, with an area about twice the size of the State of New Jersey, has 41 Maryknollers and 3 African priests ministering to a population of 661,000. On DECEMBER 9, 1961, while Father Keefe was visiting his home in Short Hills, Tanganyika became the 22nd African territory to gain independence since 1945. Rev. Keefe told his many friends here that reports from Tanganyika indicate the country joined the ranks of the independent nations in a spirit of peace and thanksgiving to God.

The new nation governed by Prime Minister Julius K. Nyerere—a product of mission schools—asked his people to "develop a sense of personal responsibility to their country combined with love and understanding for all in Africa regardless of color or creed."

"A good example of African sense of responsibility," says Father Keefe "was demonstrated at my mission when I was starting construction of permanent living quarters for our grade school teachers. Each morning, just as the sun was rising, our young students could be seen walking up the road—each with a fair sized building—stone balanced on his head."

"The missioner, too, has resorted to stimulate constructive action for peace.

Local dues are \$1.00, national dues are \$2.00. Your local committee has no more money to continue the bulletin and to provide speakers and information. Please send any contribution NOW to Mrs. Emily Hedal, 66 Wade Dr., Summit.

On Tuesday, Jan. 9, 8:30 p.m. at the Unitarian Church, 7th & Park Ave., Plainfield, there will be a debate between Dr. David Frost of Rutgers University and Dr. William Brown of the Hudson Institute. They will give answers to questions such as, What of residual radiation after you emerge from shelter? In a large-scale attack, what can fallout shelters prevent?

responsibilities in his adopted country" points out Father Keefe. "He must not succumb to temptations to superimpose his own western civilization, customs and manner upon mission people. In fact, oftentimes the American missioner finds himself defending the tradition, values and customs of his new country against the onslaught of western materialism."

Father Keefe attended St. Joseph's School in Roselle, St. Rose's in Short Hills, and Seton Hall Prep before joining Maryknoll in 1946 to begin studies for the foreign mission priesthood. Ordained to the priesthood in June 1955, Father Keefe left for the missions of Africa the following month.

He is the son of Mr. and Mrs. Leo J. Keefe, of 48 Park Place, Short Hills. Mr. Keefe is an executive with the National Cash Register Company. Father Keefe has one brother, Leo Keefe, residing in Andover, Massachusetts, and two sisters, Mrs. Arthur Saunders and Miss Sheila Keefe, both of Short Hills.

Friends interested in corresponding with Rev. Keefe after the 15th of this month may reach him by writing to: Wira Parish, P.O. 47, Shinyanga, Tanganyika, East Africa.

HERE FROM TANGANYIKA—Rev. Thomas H. Keefe, M.M., former member of St. Rose of Lima in Short Hills, and well known to Springfield residents, is pictured with some of the parishioners of Wira Parish in Tanganyika.

## Hart Appointed To Head Tree Commission

The Springfield Shade Tree Commission held its organizational meeting last Tuesday at the Municipal Building, at which time Nathan Hart was elected chairman.

The other members of the commission are Edward A. Cardinal and Adam P. LaSota.

Plans were formulated for pruning of shade trees in the very early spring, before leafing begins, so they will not be susceptible to high wind damage. Some new planting will also be done at that time.

The Shade Tree Commission requests that any communications be made in writing, addressed to The Shade Tree Commission, Municipal Building, Springfield.

## Pfeifer In N.C.

Marine Pvt. Louis J. Pfeifer, son of Mr. and Mrs. Louis F. Pfeifer of 39 Smithfield drive, Springfield, is serving with the Third Battalion, Tenth Marine Regiment, an artillery arm of the Second Marine Division at Camp Lejeune, N.C.

## Mrs. Yarrow Dies

Mrs. Lillian Yarrow, wife of Ben Yarrow, well known heating contractor of Springfield, of 17 South Springfield Avenue, died a week ago yesterday (January 3, 1962) in Beth Israel Hospital in Newark.

She was born in Russia 53 years ago and lived in Union and Hillside before moving to Springfield in 1942.

She was a member of the Flo Okin Cancer Relief Society.

Surviving are her husband, Benjamin; four sisters, Mrs. Rose Singer of South Orange, Mrs. Mollie Parnes of Newark, Mrs. Blanche Richman of Bradley Beach and Mrs. Rae Paszkow of Union, and two brothers, Morris Plotkin of Bradley Beach and Aaron Plotkin of New York.

## Grill, 81, Dies

Nicholas J. Grill of 107 S. Maple Ave., Springfield, died Friday at his home of a long illness. He was 81.

Born in New York, he lived here since 1927. For 26 years, until his retirement in 1952, Mr. Grill operated the N.J. Paper Box Co. in Newark.

He leaves a son, Nicholas of Roselle; two daughters, Mrs. August J. Keller of Springfield and Mrs. Peter Thiene of Stanhope; three grandchildren and nine great-grandchildren.

## Mrs. Kroeger Is Named To Board

The 1962 Township Committee, at its organization meeting last week, named Mrs. Stanley M. Kroeger of 142 Salter Street, Springfield, as a member of the Local Assistance Board. She and her husband have resided in Springfield for ten years and have two children, Jeffrey, eight, and Janice, four.

Mrs. Kroeger is a graduate of Union Junior College and also attended the University of Maryland where she studied psychology and home economics. She was formerly employed as an assistant manager by L. Bamberger and Company in Newark.

She is a member of the Springfield Presbyterian Church, a former District Committeewoman of the Springfield Republican County Committee, a member of the executive board of the James Caldwell P.T.A., Education Department Co-Chairman of the Springfield Woman's Club, a member of the Twin Brooks Civic Association.

She has assisted as a volunteer fund worker for the Springfield American Red Cross and Union County Mental Health Campaigns.

MRS. STANLEY M. KROEGER

Another REALTY CORNER sale: Property at 30 Archbridge Lane sold for Mr. and Mrs. Milton Hubschman to Mr. and Mrs. Sanford Tabakin of Irvington. Mr. Tabakin is an executive with Morris Tabakin & Son of Newark. This sale was arranged by Jean Hellman an associate of ANNE SYLVESTER'S REALTY CORNER.

PHONE 376-8838

Mr. and Mrs. Joseph Fierichman, of 16 Garden Oval, Springfield, have returned from a delightful twelve-day cruise aboard the S.S. Homeric. Ports of call were San Juan, Puerto Rico, St. Thomas in the Virgin Islands, Port of Spain, Haiti, Kingston, Jamaica, and Nassau in the Bahamas.

A son, Wayne Allen, was born to Mr. and Mrs. Robert Mayer, of 113 Irwin Street, Springfield, on December 24 at Overlook Hospital, Summit. Mr. Mayer is the owner of Clinton Drugs, in Irvington, N.J. Mrs. Mayer, the former Judith Daretz of Philadelphia, was previously a sixth grade teacher in East Orange. Young Wayne, who weighed seven pounds, six ounces at birth, is the Mayer's first child.

Springfield was well represented on Tuesday at the installation in Trenton of new Union County Assemblyman Jerry Krueger of Linden. In the audience were Jerry's in-laws, Mr. and Mrs. Joseph Segel, of 48 Warwick Circle, and his brother and sister-in-law, Mr. and Mrs. Sid Krueger of 227 Lelak Avenue, and their family. Jerry, who is an attorney with offices in B-

Nicest part of getting back was that wonderful "welcome home surprise party" given for them last Saturday night by Rita's brother and sister-in-law, Mr. and Mrs. Adrian Bloomfield of Millburn. Among the twenty-two guests were Springfieldites Arline and Larry Fine, Irene and Jules Blaustein, Judy and Jerry Shaffer and Joe and Shirley Kurtz.

Birthday congratulations go to Miss Aimee Kaplan, daughter of Mr. and Mrs. Joel Kaplan of 2 Laying Terrace, Springfield, who was ten years old on January 8. Aimee will celebrate with a party this coming Saturday, at which her guests will include her sister Cheryl, and the Misses Wendy Merkin, Jane Lester, Fran Tascher, Marcia Bass, Lynn Fruchter, Lori Gang, Karen Hammer, Carla Lillian, Gail Lubliner, Jill Williams, Helen Martinovich, Melanie Friedman and Jane Thieberger.

Mr. and Mrs. Harold Cohen, of 13 Cypress Terrace, Springfield, are back from three weeks at the Beach Haven Motel in Miami Beach, Florida, with sons David and Bruce. Wonderful tangos attest to the fact that Rita and Hesh did find that elusive sun.

has been named Judith Ann. On the welcoming committee were brothers Bernard, Jr., and Kevin.

Friends of the Harvey Pankins, of 21 Archbridge Lane, Springfield, will be glad to know that Harvey's sister, Helene, announced her engagement on December 25 and will be married on March 24 to Mr. Harvey Gerber. Both Miss Pankin, who is a teacher in the New York school system, and Mr. Gerber, who is a stock broker, are residents of Brooklyn, N.Y., where they will reside, after a Caribbean honeymoon.

Mr. and Mrs. Sam Goldman, of 13 Sycamore Terrace, Springfield, have returned from a vacation in the "sunny" South. Barbara and Sam spent their time relaxing at the Monaco Motel in Miami Beach, Florida.

Herbert and Ellen Gimeistob, of 68 New Brook Lane, Springfield, welcomed a son Mitchell, at Beth Israel Hospital in Newark, as a playmate for sixteen-month-old Debra. Young Mitchell weighed in at seven pounds, five ounces.

## Area Mayors Attend Conference On Joint Action With Dwyer

Mayors Eugene F. Rai of Mountainside, Edward A. Peterson of Scotch Plains, E.S. Hulsizer of Fanwood and Philip DeVecchio of Springfield were among the county and municipal leaders of Union County who attended a meeting called by Rep. Florence P. Dwyer urging "an organization of a coordinating committee on area problems."

SO FAR AS ITS functions are concerned, the proposed group might be thought of as the county-wide version of the advisory in a position to help, therefore, I see no reason why any of us should hesitate to use that help, so long as local control is respected," the congresswoman commented.

FEDERAL AID PROGRAMS discussed by Mrs. Dwyer included urban renewal, commuter

transportation, air pollution, flood control, sewage disposal, highways and airports, housing for the elderly, public health and welfare, health and hospital facilities, surplus property distribution, vocational education, employment development, labor market surveys, economic development and aid to the business community. Commission on Intergovernmental Relations—a national agency representing all levels of government in the United States—or the Metropolitan Regional Council, which does the same kind of work for the New Jersey-New York-Connecticut metropolitan area.

America's communications services are the most advanced in the world. Yet right now we are working on a series of technical breakthroughs that will truly revolutionize communications as you now know it. At Bell Labs here in New Jersey (home of the transistor and the solar battery) you'll find many projects that will take communications forward in giant steps. As these and other new communications advances are developed, you can be sure New Jersey Bell will be hard at work to bring the benefits to you.

**On the way: A Communications Revolution (and what it will mean to you)**

Phones will dial your numbers automatically. The new automatic-dialing telephone will be ready for production later this year. You'll reach frequently-called numbers at the touch of a button.

Your conversation (and TV) will be carried via satellites. The Bell System stands ready now to launch a series of orbiting satellites that will make international phoning and world-wide TV via space an everyday reality.

A pencil-thin beam of light will carry your voice and thousands more. The optical maser, under development at Bell Labs, will provide exciting new channels to meet the future growth of phone service.

## Eger Boys Home On Army Leave

Two brothers, both from Springfield, and both home on leave from the Army, will soon be leaving to return to their Army duties.

Pvt. Donald M. Eger is home on leave from Fort Dix. On January 13th he is due to report to Fort Gordon, Georgia. His brother, Specialist David Eger is stationed at West Point, and

is currently a Company clerk. David served basic training at Fort Dix and then went on to specialized training in clerical work. He served thirteen months in Korea in the First Cavalry Division.

The boys are graduates of Jonathan Dayton Regional High School and are the sons of Mr. and Mrs. Harold Farber of 595 South Springfield Ave., Springfield. Donald is married to the former Lois Furst of Springfield.

Mr. and Mrs. J. Holub

Carolyn Montag

Ida Howarth

## 50th Anniversary Highlighted By Surprise Party

Mr. and Mrs. Joseph J. Holub of 123 Adelphi Street, Roselle, New Jersey, were given a surprise 50th Anniversary Party on Sunday, January 7, at the home of their daughter and son-in-law, Mr. and Mrs. Donald R. Lugannan, 229 Apple Tree Lane, Mountainside, N.J. Approximately thirty old friends and relatives helped them celebrate this important date.

Mr. and Mrs. Holub were married on January 3, 1912, in a Methodist-Episcopal Church in

New York City. After a year, they left New York and made their home in Elizabeth, N.J. In 1919 they opened "Holub's Hardware" in Elizabeth. They moved to Roselle in 1925 and resided at 306 East Third Avenue for twenty-one years. They have lived in Roselle since 1925 with the exception of three years when they resided in Manasquan, New Jersey.

In 1927, Mr. Holub went with Pur-O-Lator Products and retired from Pur-O-Lator in 1946 as their Chief Inspector.

Ever add both mayonnaise and French dressing to shredded green cabbage you are using for slaw? You can use equal quantities of both dressings, or vary the amounts as you please.

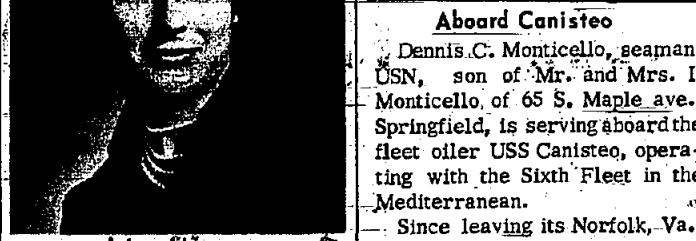

## Miss Montag Will Marry

Mr. and Mrs. I. Montag of 323 Hillside Avenue, Springfield announced the engagement of their daughter Carolyn to Norman Edelman son of Mr. and Mrs. J. Edelman of Leland Pl., Hillside, at a family dinner, Miss Montag a graduate of Jonathan Dayton Regional High School, and Conover Modeling School, attended Upsala College and is in her last year at Fairleigh Dickinson University, Madison.

Miss Montag's fiance an alumnus of Hillside High School served three years with the U.S. Navy and attended Fairleigh Dickinson University. Mr. Edelman is a agent with Janmar Realty Agency, Elizabeth.

Mr. and Mrs. S. Monaco of 11 Center St., Springfield, announce the engagement of their daughter, Lina, to Raymond Badger, son of Mr. and Mrs. M. Badger of Union.

Miss Monaco is a senior at Jonathan Dayton Regional High School, and Mr. Badger is a senior at Union High School. No date has been set for the marriage.

Lina Monaco

## Miss I. Howarth Becomes Engaged To Rev. S. Selig

Mr. and Mrs. Leonard Howarth of Colfax Road, Springfield, have announced the engagement of their daughter Ida Margaret to the Rev. Lawrence Ferree Selig, son of Mr. and Mrs. Ernest T. Selig, Jr. of Dobbs Ferry, New York.

regular deployment to the Mediterranean, the Canisteo has visited ports in Spain, Crete, Malta, Sicily, France and Italy.

## Carol Fox Is Engaged

Mr. and Mrs. Henry J. Fox of 308 Alden Road, Springfield, announce the engagement of their daughter, Carol, to A/2c Douglas Cope, son of Mr. and Mrs. Carl Cope of San Angelo, Texas.

Miss Fox attended Baldwin Wallace College in Berea, Ohio, graduated from Laboratory Institute of Merchandising in New York and is now attending Katherine Gibbs Secretarial School in Montclair, N.J.

Carol Fox

Mr. Cope attended San Angelo Junior College and is presently stationed at Palermo Air Force Base in Ocean City, New Jersey. No date has been set for the wedding.

## What'll you do in 1962?

According to all predictions we will see many changes and innovations in the coming year. Our success as a nation and as individuals will depend on our ability to interpret the coming events and respond accordingly. However, there are those who are oblivious to the changes and miss some of the most significant developments and opportunities in their lives.

That's why we at Pan American closely watch the latest techniques and equipment introduced to our industry... and apply those that are proven beneficial. In this manner we are able to constantly improve our services and provide you with the optimum in quality.

We wish to thank you for your past patronage and assure you that we will continue to merit your confidence in our "personalized" services. If you are not familiar with all of our skills, we hope you'll make the "change" in '62.

**Typing Class  
At Deerfield**

A typing class for 8th grade students wishing to elect it will be offered every Tuesday and Thursday morning from 8:00 a.m. to 8:45 a.m. at the Deerfield School. It was announced today by Dr. Levin B. Hanigan, Superintendent of Mountaintide School.

"We feel that typing is an important tool for a youngster about to enter senior high school - a tool that will not only aid our students in school, but for the rest of their lives. We are pleased that we can offer this practical kind of training to those youngsters who wish to avail themselves of this opportunity," Dr. Hanigan stated. "This is the first course that has resulted from a continuing study of curriculum improvement," he continued.

The course will be taught by Mr. Herbert Brown, a qualified typing teacher. Mr. Brown has been in Mountaintide for five years. He is a teacher of mathematics, and also serves as director of standardized testing for the school system.

Applications are in the hands of students, and the typing class will begin as soon as the applications are received and processed.

**Will Teach At  
Deerfield School**

Dr. Levin B. Hanigan, Mountaintide Superintendent of Schools, today announced the appointment of Miss Janice Robinson to the Mountaintide public school system. Miss Robinson will teach 8th grade English at the Deerfield School. She received her B.S. degree from Pennsylvania State University, majoring in English, and completed her practice teaching at Prospect Junior High School, Pittsburgh, Pa., where she was highly recommended by her supervisors. Dr. Hanigan expressed his gra-

**Will Address  
CPA Group**

Arthur F. Wilkins, Certified Public Accountant will address the Union County Chapter of the New Jersey Society of Certified Public Accountants at a dinner meeting on Wednesday evening January 10, 1962 at the Halfway House, Mountaintide, N.J.

"Latest Developments in New Jersey Personal Property Tax and Corporate Business Tax" will be the subject of Mr. Wilkins address. He will discuss the new tax forms, preparation of these forms and requirements of this new legislation.

Mr. Wilkins is manager of the tax department of Haskins and Selig. In addition to his role as chairman of the State Taxation Committee of the New Jersey Society of Certified Public Accountants, Mr. Wilkins has been appointed the chairman of a special subcommittee to work with the Director of Taxation of the State of New Jersey in the review of tax forms introduced under the Personal Property Tax Laws of the State of New Jersey. Since the introduction of the new legislation with respect to Tangible Personal Business Property, Mr. Wilkins has served as a member of the Advisory Committee of the treasurer of the State of New Jersey.

Robinson over the fact that Miss Robinson was one of a group of applicants that traveled rather extensive distances to apply for the position, indicated a desire on the part of young teachers to be a part of a school system presenting a quality program.

Dr. Hanigan praised Miss Robinson for coming to Mountaintide prior to being employed here, and spending part of her Christmas vacation away from her family in Chadds Ford, Pennsylvania, in order that she might become thoroughly familiar with her duties and the school system. Mrs. Helen Sutter, Coordinator of Language Arts and Reading in the Mountaintide school system, also

volunteered her time during Christmas vacation to assist Miss Robinson.

Miss Robinson is making her home in Mountaintide with Mrs. NIZEL Salmini, at 1058 Sunny View Drive. Mrs. Salmini also teaches in Mountaintide.

Miss Janice Robinson - Dr. Hanigan indicated that the school system would continue the policy of intensive recruiting to uncover the best in teaching talent as new vacancies occur.

**School Budget To  
Be AAUW Topic**

The Mountaintide school budget, which will be presented soon for public approval, will be the subject of discussion at the next meeting of the Mountaintide Branch of the American Association of University Women to be held on January 18 at the home of Mrs. Alfred Salmini, 1058 Sunny View Road, at 8:15 p.m. Mr. Frederick Wilhelm and Mr. G.M. Johnson, members of the local school board, will be present to explain the provisions of the budget and to answer questions.

Mrs. Harold Tulchyn, program chairman, in announcing the topic for this meeting, stated that the matter was of great public interest and one that should be thoroughly explored.

Due to space limitations the meeting will be open only to members of the branch and their guests.

**Tulsa Modern Choir  
First MMA Attraction**

Tickets went on sale this week for the Mountaintide Music Association's Artists Series which will start at 8:30 p.m. on Monday evening, at the Deerfield School Auditorium, January 29, with the third annual appearance of the University of Tulsa Modern Choir under the direction of Arthur Hestwood. This outstanding choral group, which makes a nation-wide tour every year, has been received in previous years in Mountaintide with such enthusiasm, that it has been brought back by popular request.

In addition to the Modern Choir, the MMA is offering two other musical and dramatic performances. On Tuesday evening, April 3rd Miss Cornelia Stabler, an accomplished and experienced monologist, will present her one-woman show, "Cast of Characters." After majoring in Dramatics at Swarthmore College, Miss Stabler did graduate work at Columbia University and attended Theodoros Irvine's Studio For The Theatre in New York City. She has written for and acted on radio for the major networks, has directed summer stock, and appeared on television. Monologues, however, have always been her favorite medium and her delightful character sketches have been acclaimed from coast to coast. The presentation is simple; the stage is set with a table and two chairs and the properties are imaginary. The costumes are hats or jackets or glasses or shawls which Miss Stabler dons over her basic gown as she sits at her make-up table between numbers and chats about the next sketch. But when she steps to center stage, she becomes a dime-store salesgirl or a visiting English lecturer or a great-grandmother.

The third and last offering in this season's series will be on Tuesday evening, May first when Miss Louis Armstrong, contralto and Willard Pierce, tenor will present a joint recital. Miss Armstrong, who has lived most of her life in Westfield, holds a Bachelor of Music degree from Syracuse University, with graduate work at Rutgers, Syracuse, and the Julliard School of Music in New York. She made her New York debut at Town Hall in 1959 and received enthusiastic and complimentary reviews from the New York Times, the New York Herald Tribune, and Musical America. Miss Armstrong has sung with the St. Louis Municipal Opera Company, the Chattanooga Opera Company and Symphony Orchestra as well as numerous solo engagements in New Jersey and New York, including contralto soloist in Handel's Messiah at St. Bartholomew's Church in New York City and with John Harms and his Chorus in Hackensack and New York.

Willard Pierce began his career as a boy soprano in his native city of Richmond, Virginia. He received his musical training at the Julliard School of Music and the American Theatre Wing. He served three years in the U.S. Army, during which time he directed and acted in Army musical and dramatic shows. Upon his return to civilian life he was engaged as soloist at Radio City Music Hall and has since toured the U.S., Canada, and Mexico under Columbia Concert Management. Mr. Pierce has played principal roles in "Annie Get Your Gun" and "Most Happy Fella" as well as appearing on television with the N.B.C. TV Opera Company.

In announcing this forthcoming series, Mrs. Robert Hose, president of the MMA stated, "It is because of the MMA's policy of bringing outstanding performing artists to Mountaintide on a non-profit basis that we are able to offer all three of these performances for a season, ticket costing only two dollars." Single admission tickets and student tickets will be available at the door.

NJ Aliens Must Report Addresses

District Director, E. F. Bouchard, of the Immigration and Naturalization Service estimated today that over 165,000 aliens will report their addresses in the State of New Jersey during January under the Federal Alien Address Report Program.

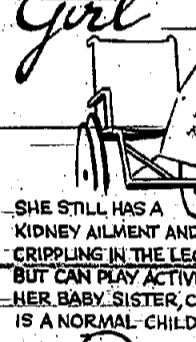

The Immigration officials said that 165,000 aliens reported their addresses during January 1961. Mr. Bouchard said that all non-citizens, except those in diplomatic status, foreign representatives of certain international organizations and those admitted temporarily as agricultural laborers, are required to file the address report.

He added that any alien who willfully violates the address report requirement may be fined up to \$200, imprisoned for 30 days, and deported.

In addition, aliens who are not in the United States during January must report their addresses to the Service within 10 days after their return.

The District Director said that address report cards will be available at the Immigration and Naturalization Service office at 1060 Broad Street, Newark, New Jersey, and local United States post offices beginning January 1, 1962.

Regional Science Teacher Confers With Professor

At the invitation of the Education Policy Committee of the American Society of Biological Chemists, David M. Harkness, met with Dr. Arthur B. Pardee, member of this committee and professor of Biology at Princeton University. Mr. Harkness is a member of the science faculty at the Jonathan Dayton Regional High School in Springfield. The purpose of this meeting was to determine the extent to which the high school courses in biology contribute to the preparation of students who will pursue graduate studies in the area of biochemistry. The Education Policy Committee is primarily interested in evaluating the present program leading to the Doctor of Philosophy degree in biochemistry and is charged with the responsibility of recommending procedures which will strengthen this training. In this study, they are much concerned with the extent of training a student receives in the biological sciences during his introduction to this scientific discipline as a high school student. During the past three years, Mr. Harkness has developed a course in biology which is presented to the students of the Jonathan Dayton Regional High School and which places heavy emphasis on the basic molecular concepts of the living organism. In his approach to biology, Mr. Harkness has departed from the tradition method of descriptive biology which arises from the usual evolutionary treatment of the material. The Education Policy Committee of the American Society of Biological Chemists has expressed considerable interest in this method of presenting the biological sciences to high school students in that it does place emphasis on the chemical nature

of the living organism. In his approach to biology, Mr. Harkness has departed from the tradition method of descriptive biology which arises from the usual evolutionary treatment of the material. The Education Policy Committee of the American Society of Biological Chemists has expressed considerable interest in this method of presenting the biological sciences to high school students in that it does place emphasis on the chemical nature

PUT YOUR MONEY IN A BANK BOOK... NOT A STAMP BOOK!

Here's proof positive that you will save over \$300 in 1962.

\$33.70 SAVED IN THE LAST TWO WEEKS!

MONEY! That's what you save at Good Deal! In the last two weeks, Mrs. Good Deal Shopper has saved \$33.70 on her average order just by reading Good Deal ads and selecting from the money-saving specials.

THIS WEEK'S SAVING BRINGS TOTAL TO \$43.49

This week she will save another \$9.79 on her weekly order. After finishing this week's shopping she will go directly to the bank and deposit the money she has saved. In this photo she is proudly showing the new account she has just opened. Each week we will show you how fast their accounts grow. Why not start your Good Deal savings account today? YOU CAN DEPEND ON REAL CASH SAVINGS AT GOOD DEAL... THEY'RE LIKE MONEY IN THE BANK!

THE BILLION-DOLLAR NATIONAL SAVINGS PLAN... IT'S AGREED THAT THIS ACCOUNT IS OPENED UNDER THE RULES AND REGULATIONS CONTAINED IN THE PLAN DOCUMENT.

GOOD DEAL Supermarkets

At one time or another, all of us have enjoyed the game of 'Follow The Leader' and prizes. In some ways the buying of stamps duplicates the disadvantages because it may appear to be an enjoyable form of saving... YOU PAY FOR IT IN HIGHER PRICES ON THE MERCHANDISE YOU BUY. WE BELIEVE IN SAVING YOUR MONEY. It's as simple as that. Without the added frills of stamps, with our efficiency of operation Good Deal repays your loyalty with CASH SAVINGS... not stamps. # National State Bank Makes Promotions

W. Emlen Roosevelt, President of National State Bank, Elizabeth, N.J., has announced the appointment to Assistant Cashier of Edmund L. Hoener of the Main Office and John A. Phelan, Jr., a member of the staff at the Roselle Park office. Anthony A. Leonetti, also of the Main Office, was appointed Assistant Auditor.

Eleven years ago, immediately after graduating from Seton Hall University with a B.S. degree in Business Management, Anthony A. Leonetti joined the staff of the First National Bank in Summit. Through merger, that bank subsequently became the Summit Office of the National State Bank. Mr. Leonetti has also received pre-standard and standard certificates from the American Institute of Banking and, as a member of the National Association of Bank Auditors and Comptrollers, he is presently enrolled in their school at the University of Wisconsin.

Mr. Leonetti lives in Chatham, N.J., with his wife, Terry. He is a member of the Chatham Junior Chamber of Commerce, and served with the U.S. Army in the Korean War.

Prior to coming to National State Bank two and one-half years ago, John A. Phelan, Jr. was affiliated with the Connecticut Bank & Trust Company of Hartford, Conn., for more than two years.

He was graduated from the Wharton School of Finance and Commerce, University of Pennsylvania, with a B.S. degree in

Economics, and is a member of the Phi Delta Theta Fraternity. Mr. Phelan is a resident of Springfield, N.J., and is a U.S. Marine Corps, World War II veteran.

Edmund L. Hoener is in charge of the Bank's Credit Analysis Department and will continue in that capacity. Before joining the National State Bank a little over a year ago, Mr. Hoener was associated with the Chase Manhattan Bank

in New York City. He resides in Rahway with his wife, Ann, a son, Edmund, Jr., age 6, and a daughter, Ellen, age 3.

He is a member of the Robert-Morris Associates and the New Jersey Association of Credit Executives. Mr. Hoener is a graduate of Hope College of Holland, Michigan, and has done graduate work at City College of New York. He is also a veteran, having served with the U.S. Army.

# College President Still Finds Time To Hear Students

Burdened by problems of fund-raising, faculty recruitment, and admissions, many college presidents have complained that they have lost touch with their students.

This lament is shared by Dr. Kenneth C. MacKay, president of Union Junior College in Cranford, N.J., but he's doing something about it.

No matter what the reason, you cannot get an appointment with Dr. MacKay for 11 a.m. on Mondays. That slot on his busy schedule is reserved for meetings with students. A similar arrangement is applied to the schedule of Dr. Kenneth W. Iversen, dean, so he can meet with students. His "closed" hour is 11 a.m. on Wednesdays.

These are not counseling sessions in the usual sense of indoctrination sessions, but an attempt to permit Dr. MacKay and Dr. Iversen "keep in touch" with the students.

It also allows the students to air their feelings toward the college and the educational program and also to meet the top administration officials informally as they could not do otherwise.

Dr. MacKay recalls nostalgically the days when he knew every student enrolled in Union Junior College. The days when he could greet nearly every student in the corridor personally and feel free to chat with him informally. That's when UJC had only 200 or 300 Day Session students; when everyone knew

everyone else.

"With more than 1,000 students enrolled, we cannot, of course, know every student. But I became alarmed when it appeared I knew hardly any of them," Dr. MacKay said.

The students speak freely, after a brief period of shyness, Dr. Iversen said.

"The discussions are quite frank and revealing. Hopefully the students get to feel we are sincerely interested in their welfare and are here to help them in any way we can," the dean said.

Prof. Saul Orkin, director of admissions, who sets up the conferences, said the plan is an attempt to combat the problems of "bigness" that came with an expanded enrollment.

"We've been able to recapture to some degree the close association between Dr. MacKay and Dr. Iversen and the students which existed when we were in smaller, closer quarters. The conferences have opened a channel of communications which ceases to exist except in a very small college," Prof. Orkin said.

The greatest gain is to break down the barrier between the students and the administration, the admissions director explained.

"It personalizes a relationship which otherwise would be very cold and impersonal. It gives the students a feeling that the president and dean are interested in them as individuals and it en-

ables the college officials to see the students as persons rather than as statistics in annual reports," Prof. Orkin said.

Five students are selected each week to visit with Dr. MacKay, while five others meet with Dr. Iversen. They are often students of like interests or backgrounds or some other common denominator. Prior to the conferences, Dr. MacKay and Dr. Iversen check each student's folder. They often review their backgrounds with Prof. Orkin.

Although only a small percentage of Union Junior College's 600 full-time students confer with the president and the dean, the program has been a morale builder for both students and the administration, Prof. Orkin said. He emphasized that the meetings are not problem solving in character and are not gripe sessions.

The conversations often take up world affairs, politics, art, music and other areas—whatever subject happens to be on the minds of the students and Dr. MacKay or Dr. Iversen.

Most of the students participating report their hour-long conversations were stimulating and worthwhile.

And Dr. MacKay and Dr. Iversen both agree that they have a feeling they are in closer touch with their students.

# Snow Removers Causing New Accident Problems

The growing popularity of power-driven snow removers used to clear driveways and sidewalks, particularly in suburban areas, is posing a new accident hazard that could result in the loss of either fingers or toes. This was reported today by the New Jersey State Safety Council after studies and demonstrations of various types of power-driven snow removers were made, following reports of two accidents in Union County involving such units. In one case two fingers were lost and the other resulted in serious toe injuries.

The Council pointed out that the units studied were designed to be as safe as possible in operation, but the human factor was cited as figuring prominently in causing an accident, particularly in the rotary type, when the discharge chute becomes lodged. These units have rubber-type screw or auger conveyors that revolve at a speed of from 500 to 1,000 times per minute to drive this snow up through the chute and discharge it from 10 to 20 feet in the direction it is set.

When the snow is wet the chute often clogs. The same condition arises when the snow is around three inches or less and the

volume picked up is not enough to force it up through the chute. That is when the human factor cited by the Council figures prominently as causing an accident—resulting in loss of fingers or toes, the state safety council warns, and urges the proper precautionary measures: the surest way to save your fingers under such a condition is to stop the motor before cleaning the chute; a long thin stick can be used while the motor is running and when it is cleared you are apt to find the end of the stick chopped off. When cleaning the chute never stand in front of the unit with the toes close to the blades of the rotary auger. To further avoid toe injury, never kick the screw or auger if it is clogged—stop the motor and clean it with a long stick.

# Cancer Society Names E. Brown

Mr. Pittot Pachman, President of the Union County Chapter, American Cancer Society, today announced the appointment of Mrs. Ernest T. Brown as Industrial Education Representative for the Chapter.

Road, Watchung—is the wife of Ernest T. Brown, prominent Plainfield architect. Mrs. Brown, one of the Society's many active and dedicated volunteers, has served as chairman of the Education Committee bringing the Chapter's educational programs to schools, institutions, service clubs and industry for the past nine years. She has resigned her position as Chairman to devote all her time to the industrial aspects of the education program.

In making the appointment, Mr. Pachman stated that the Society realizes a growing need for greater communication with all Union County industrial employers so that the full scope and services of our Cancer Control Program are to be known and utilized.

Mr. George Longhurst, Chairman of the Chapter's Industrial Education Committee said, "Aside from the humanitarian aspects, the saving of lives and prevention of lost time of its employees is a matter of great concern to industry everywhere." Mr. Longhurst further stated, "Full use, by the employers in the area, of the educational programming efforts of Mrs. Brown and the service facilities of the Society, is nothing short of good business. It is firmly believed that these activities will merit the full support and cooperation of all employers."

**Keeping Pace with New Jersey's Future... that's Public Service!**

One reason New Jersey is such a great state is that it is continually growing. Its industry is growing. Its business is growing. Its population is growing. And to meet the demands of this growth trend Public Service must always be prepared for what the future might bring. That's why Public Service planning boards are always geared to the anticipated continued increase in demands for power.

With the responsibility of serving nearly 80% of New Jersey's population with electricity and gas, the past year saw Public Service invest more than \$120 million to expand its facilities. Without trying to count the proverbial eggs, Public Service sees no reason why New Jersey's growth pattern should change in 1962.

# SPORTS

High School, Local Sports Coverage Published Every Thursday

THURSDAY JANUARY 11, 1962

**Sports Track Down**

BY DICK SCHWARTZ

You've got to hand it to George Venezio, Scotch Plains Recreation Commissioner. George has set up programs for every sex age group in that town, and all endeavors have proved popular and successful. The latest, a Christmas decoration contest, ... Homes that won were really beautifully decked out.

When will this football season end? While nobody has yet decided what represents our "National Sport," football just might win the honor strictly due to its longevity. Just when you think you've seen the last of the gridiron post-season encounters, another pops up and Sunday is once again a "football Sunday."

Rumor has it that the annual NEL All-Star battle from the Coast will finally put a lid on the "first and tens" for 1961-62, but don't count promoters short. Sometime in April a few pre-season pigskin events could pop up and surprise everybody.

Speaking of football... Did you take a peek at the Eagles last weekend? One thought the Giants had hit the bottom of the "pathetic sea" until the Eagles changed all this with a disgraceful showing against the Motor City Lions. The Eastern Division had better take a second look next season if they want to stay in the same conference with Green Bay and Co.

With grappling and basketball now scheduled on high school calendars, one would imagine that local students are having a tough time deciding which varsity event to follow. However, most have found a solution to this pressing extracurricular problem... they attend neither.

Does Roger Maris deserve the reported \$70,000 he's seeking from Yankee management? The answer from this corner is yes!

While practically nobody expects this half of the "M" team to come back in 1962 with another record home run output, we feel that Rog deserves the financial boost (almost double last year's salary) strictly from what he achieved last season. What the Yankees received in public relations, attendance dollars, and free publicity would more than take care of ten \$70,000 demands. If the "business" of baseball is to remain an incentive sport, then management must continue to come across with incentive rewards... Stick with it Maris... if you don't get just what you want from the Front Office, sell underwear next Summer.

Butch Bell, Springfield sixth man, is getting his share of raw deals on the hardwood. Butch has been ejected from two games thus far, the latest thumb coming in the loss to Linden on Tuesday. It is this corner's opinion that Bell didn't deserve the last "heave-ho," but opinions and fifteen cents can get you a ride on any subway. The unfortunate part about Bell's record is that sooner or later the Bulldog is going to get a reputation in the Union County Basketball Official's Fraternity, and once this happens there might be no escape from the ref's eye.

Hats off to Ed Ruby and the Springfield Recreation Commission. Once again, local kids are fast breaking each Saturday in leagues gaged to their size and abilities. We hope to do a feature on Rec hoop play in the near future with interviews.

## Wietecha To Show Films

The annual Father and Son night at Temple Beth A.M., Springfield, will be held on Tuesday, January 16, at 8 p.m. President Saul Meurder and the program committee of Ben Grau and Arnold Shapiro have engaged Ray Wietecha, offensive center of the New York Football Giants, who has played in 105 consecutive NFL games, to speak to the fathers and sons and show football films. Wietecha will also be on hand to answer questions after the films are run.

## JV Bulldogs Fall In Two Contests

Out to break a four game losing skid, with only one victory to their credit, the Springfield Regional junior varsity basketball team took on two top-rated opponents last week. They lost both games. Union smashed the junior versions 82-40, and Plainfield coked out a 61-52 win.

The JV failed to penetrate a Union zone defense and after a close first half, fell apart for the remainder of the way. Charlie Roll led the Regional scoring in this one with 19 points.

On Friday evening Plainfield invaded Springfield and the JV put on their customary show before the Varsity event. Having been inspired by Coach Ray Yanicus' pre-game pep talk, the Bulldogs played heads up ball but once again shooting percentage was the main drawback to victory. Plainfield found themselves with a 16 point lead approaching the end of the first half, but three jump shots by Gary Faucher pulled the home forces to within ten points at the buzzer, 31-21. The Bulldogs came back in the third period when they tied at 32. After sporting a brief lead, Bulldog shooting accuracy failed once again and the visitors pulled ahead and never relinquished their advantage.

Gary Faucher topped the RHS scorers with 17 points and was followed by Steve Arnold with eleven.

## Pin Tourney

The Springfield Junior Chamber of Commerce is sponsoring a bowling tournament for boys and girls in grades 7, 8, and 9. The tournament, which will be conducted in accordance with Junior American Bowling Congress Rules, will be held at 2:00 on Saturday, February 3, at the Echo Lanes, Rt. 22. Contestants will bowl three games at this time. Entry forms are available at Florence Gaudineer, St. James and Regional High School. This form, accompanied by a check for \$1.00 to cover the cost of bowling and shoe rental, must be returned by January 15 to Mr. Robert F. Henry, Chairman Junior Bowling Contest, 57 Caldwell Place, Springfield.

Trophies will be awarded for high single games and high three game series in both the boys' and girls' divisions. The winners will be entered in the New Jersey Jaycee Bowling Tournament in Fanwood-Scotch Plains on March 17, with all expenses paid by the Springfield Jaycees.

# BONISLAWSKI MAKES SURE BULLDOG FIVE BEATS VISITING PLAINFIELD CLUB, 61-60

DAVE BONISLAWSKI

## Can Make Or Break Highlanders

A combination of factors suddenly have thrust the ambitious basketballers of Governor Livingston Regional High School into a crucial phase of their schedule. The next few games, it would seem, can make or break the Highlanders.

A 10-day holiday layoff that took the fine edge off the Highlanders' play was primarily responsible for Governor Livingston being upset by Rahway, 57-53, on January 3. This unexpected setback has put added pressure on the Highlanders in their bid for a winning season.

Following last Tuesday's meeting with Middlesex—a game the Highlanders figured to win on their own court—the cagers of Coach Don Wodock now must face three straight rugged opponents.

Tomorrow night, the Highlanders play host to the powerful Pioneers of New Providence High. The once-beaten Pioneers are favored to win.

That's bad enough. But next Tuesday Governor Livingston must journey into the lair of Highland Park, a Central Jersey powerhouse that handed the Highlanders their worst beating of the regular season last year. To top off a hectic eight-day period, the Highlanders will return home on January 19 to engage Watchung Hills Regional in a return engagement.

Governor Livingston whipped Watchung Hills, 64-53, in December at Warren Township. This was considered something of a surprise in Somerset County circles and the Warriors are smarting for revenge.

The loss to Rahway was a real shock to Wodock and his team. The Highlanders had finished up 1961 with fine performances against Bound Brook and Watchung Hills and Wodock was certain his squad could handle a Rahway team that had dropped four straight games.

The long layoff, however, took its toll. While Governor Livingston was idle, Rahway had been busy playing three games. The Scarlet cagers were on target from the start and the Highlanders were not. That was enough to make the difference.

Rahway streamed off to a 22-10 lead in the first period and it took the Highlanders considerable effort during the two middle sessions to get back in the running. With Lynn Nesbitt leading the way, Governor Livingston battled back to a 31-23 deficit at half-time.

Little Jack Weiss lent Nesbitt a helping hand in the third period as the Highlanders rolled up a 17-9 margin and tied the score entering the final period. Twice more in the final period, the Highlanders battled back to tie the score.

But the tremendous comeback had taken its toll. Rahway stormed through for four straight baskets against the tiring Highlanders and then stood off a last-gasp rally that fell four points short.

Except for Nesbitt and Weiss, the Highlander marksmen were off target. Nesbitt zipped home 26 points—a season high for a Summit Area player. Lynn's 12 field goals also were a personal career high for the jumping junior. Weiss added 15 points, including seven from the foul line.

## Three Cage Groups Take To Hardwood In Springfield Play

The Springfield Recreation State Leaguers opened play last Saturday afternoon, with five games played. The scores do not reflect the talent in this league, most of the results being low scores. Several players were over anxious and were just a bit off in their marksmanship, but this should change with another week of play and several workouts scheduled.

In the opening game the West Virginia "Hillbillies" jumped off to an early lead, but lost to an aggressive California combine, the score 12-8. Richie Sherman and Johnny Schoch were the leaders for West Virginia, with Joe Butci the top scorer for California. The high scoring Texas five walloped Florida 26-13, with Richie Cohen, Ferrigno, Glen Behrens, and Keith Anderson the leaders. Fred Vollherber and Keith Brink were the best players for the losing Florida combination.

Ed Ruby Commissioner

Oklahoma had too much power for Utah as they easily won by a 19-7 score as Enge Zort, Gordon Cunningham, and Dougie Jayne posted the most points. Don Buehner and Ken Brammer were the best for the losing Utah team. The Wyoming cowboys scored over the North Carolina wolfpack as Gary Kurtz and Timmy Somers provided the scoring punch. The Catapano brothers, Mike and Bobby were the scoring leaders for North Carolina. In the night-cap it was Kentucky over Minnesota as Fred Title and Billy Jensen sparked the victory. Howard Spielman, Alan Silverstein and Joe Sarno were the best for the losing Minnesota five.

Action continues this Saturday with 5 games on tap at the Gaudineer school gym. Any boys who have not registered to date are requested to be on hand this Saturday for assignment. Dads who would like to serve as coaches are also to be on hand.

The 1962 basketball season opened for the Springfield Recreation Commission Small-Fry basketball league last Saturday at the James Caldwell School gym with four games played. In the opening game the Knicks trimmed the Nats 20-9 with Schotiner, Stokes, and Blum the top scorers for the winners, with Rothfeld the best for the Nats. In double overtime the Bullets defeated the Celtics 8-6, with Campbell scoring the winning goal.

In other games, the Bullets trimmed the Aggies 9-6, with Reichman the best for the Bullets. The league will continue play this Saturday afternoon, with activity at both the James Caldwell and Thelma Sandmeier schools. Boys who haven't registered as yet are requested to be on hand at either gym this Saturday.

Fathers who would care to serve as coaches or scorers should be available for assignment this Saturday.

## Regional Forward Racks Up 29 Points In Nip-And-Tuck U.C. Cage Encounter

They all count in the win column, the ones a team takes by twenty points, and the one point squeakers. Of course, spectators get a bigger bang out of the close calls, and there was a close call at the Springfield Regional gym last Friday evening as the Bulldogs pushed past a Plainfield quintet, 61-60. Dave Bonislowski led all scorers, with 29 markers, and put on a one man show in many instances to insure an Orange and Blue victory.

One could almost sense that this game was going to be a cliff-hanger. Both clubs exchanged baskets at the onset of the contest and with 1:30 left in the first stanza, Plainfield wrestled a 14-13 lead from the home forces; but fine all-around play by backcourt man Dennis Francis tied to three quick Bulldog buckets and wards of Coach John Swedish led at the quarter, 20-16.

The second period saw the visitors show superior offensive power, but a one-man crusade by Dave Bonislowski kept Springfield within reach. Dave scored all but one of Regional's baskets in the second quarter to keep the Orange and Blue only one down, 32-31 at halftime.

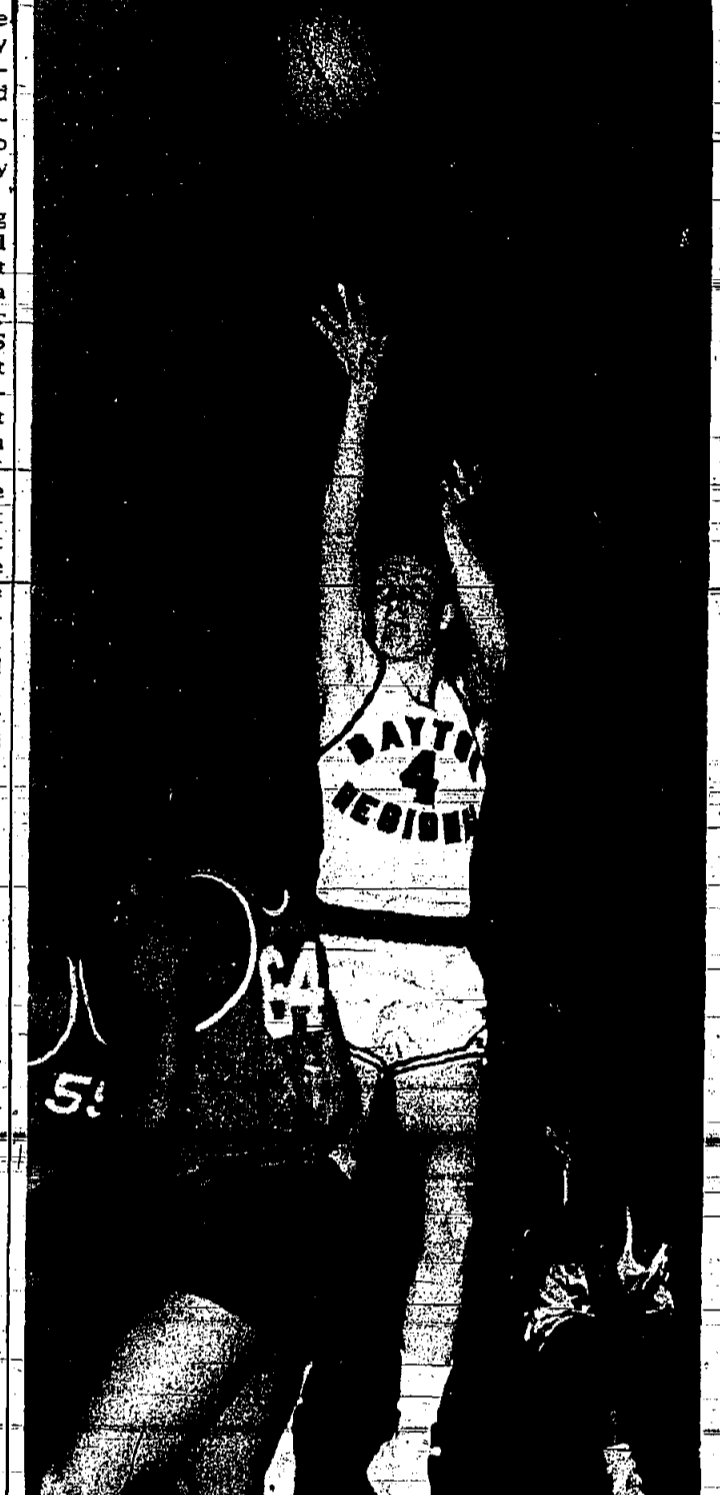

Bonislowski kept right on going in the second half. The Regional Junior scored on the first shot of the third period and after a Plainfield basket, Jack Appagar hit for two tallies to give RHS a 37-34 lead. Then "Bono" hit again to push the count to 39-34, but the visiting forces fought back to grab a 40-39 lead on six fast points.

Once again Bonislowski came to the fore to tie the game at 40 on a foul shot with 3:10 left in the third quarter. He then broke the tie on a push shot from the foul line and for an encore grabbed two rebounds, saved the ball from going out-of-bounds, and fed Bill Kretzer for an easy jumper.

With the score 44-42 in favor of the Bulldogs, Bonislowski was fouled once more and converted two charity tosses to up the counts to 46-42. With seconds to go in the third quarter Francis made an easy layup to make the score 48-43 at the buzzer.

Plainfield surged back early in the fourth quarter but Bonislowski converted an Appagar "touchdown" pass for a 50-48 advantage. A foul shot, jumper and a layup, all by Bill Kretzer made it 55-48 with five minutes left in the game. Plainfield pulled within two before Kretzer dished Francis a perfect pass for a layup and a 56-54 margin. Another Bonislowski layup and a Kretzer foul shot made the score 61-56 and the difference as Plainfield got two quick buckets to pull within one point at the final buzzer.

Bonislowski hit for 29 points, a RHS scoring record thus far in the 62 season... Larry Stickle, back with the hoopsters after the healing of a hand injury showed well in his 2nd appearance, and should be an asset to the club... Ted Schuss was unable to make the Plainfield game due to a virus bug... Varsity stood 4-3 after the narrow but impressive win over Plainfield.

THAT'S HOW HE DID IT—Dave Bonislowski goes up for jump shot in first quarter as Plainfield defenders look on. Dave converted this one and a few more in scoring 29.

## Springfield Matmen Away With Win Over Plainfield

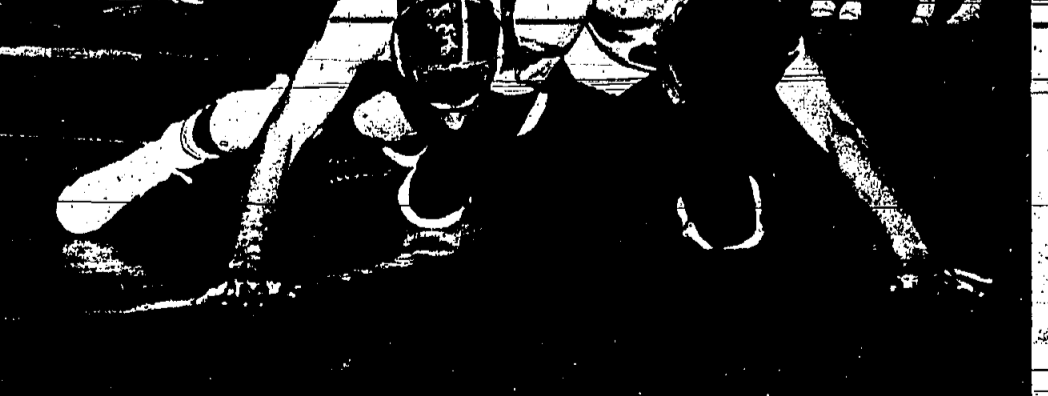

Coach Herb Palmer's Springfield Regional wrestlers, started off their 1962 campaign on a high note on January 3 when they walloped a highly-touted Plainfield club 33-11.

The contest was never close as the Bulldog grapplers pulled away to a 19-0 margin after six matches.

Rich Lucerliello, wrestling out of the 97lb class, claimed the first three points of the season by outscoring his opponent 4-0. Pete Puntigam, 105 lb., followed with three more points, and Barry Becker at 114 lbs. scored the first and fastest pin

seconds remaining, Tuffy Hartz turned a near loss into a 4-2 victory. He picked up a point when his opponent was called for stalling and another two on a last second takedown. Carmen Rica, 156 lbs., scored a 2-0 decision and Bill Geoghegan, 177 lbs., pinned his man at 3:44.

Tom Venice, 166 lbs., was pinned at 2:53 after it appeared that he somehow had lost his footing. In the final match, Marty Sica, Heavyweight, overpowered his man 8-1.

GIVING NO GROUND—Ron Puroro on right and Ken Cornell of Westfield knotted up in their 123 lb. match. Westfield took this match, 34-5.

# Beacon on Sports

CY JAMES

The "GAME" is tomorrow night as far as the Highlanders of Governor Livingston Regional High School are concerned.

The "GAME" is with New Providence High School's once-beaten Pioneers at Governor Livingston's gymnasium.

The objective of the "GAME", as far as the Highlanders are concerned, is to send the powerful Pioneers reeling down the long hill toward New Providence with their second defeat of the season.

New Providence, needless to say, has other ideas. The Pioneers trimmed the Highlanders twice last season—both times before overflow crowds—and they'll be out to make it three in a row tomorrow.

A win for New Providence also would solidify the borough team's claim to being "King of the Hill" in the Summit Area.

New Providence trimmed Summit High last month at Summit. Unless the Highlanders can ambush the Pioneers tomorrow, it is quite likely that New Providence will go to capture the Summit Area's unofficial championship.

New Providence will play both Summit and Governor Livingston again later in the season, but these games will be played in the Pioneers' gymnasium where Coach Ed Lieder's crew is mighty rough to handle.

Governor Livingston likely will carry a 3-3 record into tomorrow's contest. The Highlanders were favored to claim Middlesex High School as their third victim of the season last Tuesday afternoon.

On the records, the game would appear to be something of a mismatch. On the records, that is. Actually, with a little bit of luck, Don Wodock's Highlanders could be coming into the game with a 5-1 record.

A pair of close defeats—to Bound Brook by two points and to Rahway by four points—have tarnished the Highlanders' record. The loss to Rahway was particularly galling for Wodock's boys because they made up a 22-point deficit to tie the score before running out of steam in the final minutes.

A comparison of games with mutual opponents—for what it's worth—also would seem to give the edge to the Pioneers. Both teams have whipped Piscataway, New Providence having done it twice, and both have routed Clark Regional, with Governor Livingston romping over the Crusaders in a pre-season practice game.

New Providence, however, took the measure of Rahway High just two days after the Scarlet cagers upset Governor Livingston. Sharing interest with the battle for victory in this clash of neighborhood rivals will be the scoring duel that is anticipated between the Highlanders' Lynn Nesbitt and the Pioneers' Rich Kessler and Carmen Piccolo.

With New Providence having played three more games than Governor Livingston, Kessler and Piccolo are running ahead of Nesbitt in the race for individual scoring honors in the Summit Area. Nesbitt, however, boasts the area's highest per game scoring average—19.9 points going into the Middlesex game.

Lynn went over the 20-point mark in a game for the first time this season against Rahway, tossing in 26 markers, a season high for an area player. In contrast to most of the Highlanders, Nesbitt seemed to benefit from the 10 day layoff during the Christmas holidays.

Nesbitt, of course, pretty much holds the key to the Highlanders' chances of upsetting New Providence. Lynn is Governor Livingston's best rebounder and scorer.

A heartening performance for Wodock and his Highlanders in the upset by Rahway was that turned in by Jack Weles. Little Jack came through with 15 points—a career high—and bore out Wodock's great expectations for him. The coach just hopes that Jack will keep it up.

The New Providence contest also will put considerable pressure on sophomore Bob Heuer. The 6-4 Highlander is being counted on to help Nesbitt battle the rugged Pioneers for the rebounds.

The Highlanders are capable of an upset. New Providence undoubtedly has the better personnel, but Governor Livingston teams traditionally have spirit and scrap. They'll need lots of both tomorrow night. You had better plan on being there early.

A healthy Jack Apgar, fully recovered from an ankle injury that sidelined him for the Alumni game, was back in action as the Springfield Bulldogs met Union at the Springfield gym last week.

Apgar's presence was felt but not enough to off-set Union's offensive punch as the visitors won going away, 65-56.

Union quickly pulled ahead with two foul shots but Apgar tied it up with a long set shot. Union dominated the boards and stretched to a 9-4 lead midway through the first quarter.

Jack Apgar was influential in trimming the gap to 16-12 at the end of the first stanza.

Both teams matched shots with very few misses in the second period. Larry Stickle, back in action for the home team, took over the center position and Ted Schuss was effective from the corner on jump shots.

A long Apgar set tied the count at 26 with 1:30 left in the half, but Union scored twice before the buzzer sounded and moved ahead at the break, 30-26.

An odd note to first half play was struck when statistics showed that Regional did not send anyone to the foul line in the entire first half.

The second half saw Union pull away for good as the Bulldogs got off to too slow a start and could never catch up.

PUORRO AGAIN—Ron Puorro is still wrestling Ken Cornell (see pg. 10) but this time the Westfielder has the advantage. Cornell ran the score 6-1 in defeating the Bulldog.

## Bulldog Grapplers Thrown By Tough Westfield Crew

Riding high after a through victory over Plainfield on January 3rd, the Dayton Regional Wrestling Team invaded Westfield on the 5th and were decidedly turned back, 34-5.

The first match in the 97lb class pitted Regional's Rich Lucerliello against Westfield's Jim Power. Lucerliello easily won on points, 9-5 and gave Regional the first three points of the contest.

Pete Puntigam of Regional then lost to Dick Stefkin, 6-2. Barry Becker dropped one to Dennis Mimmo, 2-1. Ronny Puorro lost to Ken Cornell, 6-1. Tom Baker dropped his match to Steve Ferrurione, 3-0. Mike Bracht fell to Bob Graf, 6-2, and Joe Scelfo went down to defeat, 5-0.

At this point the Orange and Blue were down 18-3 and appeared to be losing ground after each succeeding match. Each grappler showed his best, but it just didn't seem to be Springfield's day.

Tuffy Hartz wrestled to a tie with Blue Devil Bill Hedden giving each man two points on the draw.

Carmen Rica dropped three points to the opposition in the 156lb class as did Tom Venice in the 167lb. weight. Bill Geoghegan lost to Bill Tomlinson, 7-3, and in the battle of the Heavyweights, Regional's Marty Sica was pinned at 2:36 by Bruce Sargent.

Final score, 34-5, a most disheartening match for the Bulldogs, since this was their first contest in the Watching Conference which they just joined. Westfield is the defending champion.

**Kempo Anyone??**  
The Westfield Y.M.C.A. is seeking to form a group of young men who are interested in learning Kempo. Kempo is a form of fighting in the line of Karate and Jujitsu. Kempo differs in that it emphasizes speed, caution punches, kicks and reserving power for defense as well as offense.

The instructor for the group will be Peter Skirka who holds a black belt degree in Kempo.

## Ice Rink Schedule

The Maritano Park Ice Skating Center, which was visited by over 6,000 ice skating enthusiasts during the Christmas holiday week, announces the following schedule beginning Friday, January 12.

On Friday, there will be an afternoon session from 3:00 to 5:30 p.m. A special "Family Night" session is also scheduled from 6:00 to 8:00 p.m.; at these sessions the skaters may continue to skate until the 11:00 p.m. closing hour for the one admission. An evening session from 8:00 to 11:00 p.m. will also be held.

Saturday, January 13 and Sunday, January 14, morning sessions will be offered from 9:30 a.m. to noon; afternoon sessions from 2:30 to 5:30 p.m. and evening sessions on Saturday from 8:00 to 10:30 p.m. Morning, afternoon and evening sessions will be conducted on Wednesday, January 17.

"Bargain rates" for children 15 years of age and under, will be offered on Monday and Thursday afternoons.

## Plainsmen Drop One To Millburn Quintet

Scotch Plains basketball fortunes took a slight turn for the worse last week as the Blue Raiders dropped a hoop decision to Millburn on the losers court.

The Plainsmen closed the scoring gap to 41-38 before two foul shots iced the contest for Millburn.

At the quarter the visitors led 14-9, and found themselves down by four at the half, 23-19 on some Scotch Plains offensive might.

As the third period ended the visitors held a one point margin, 33-32, and eventually increased their lead until the final buzzer saw them six points ahead.

## Raiders On Top Over Park 83-65

Scotch Plains jumped out to an early lead last week against Roselle Park, at Park, and never relinquished their lead as they ran away with an 83-65 victory.

Once again, Tom Rutishauser was top gun for the Raiders netting 26 markers and connected with a key field goal early in the first period that set the visitors off on a nine point tear, and what was to be a victory surge.

Other big scorers were Bob Smith with 17 and Bill Lott with 13.

## Ehrhardt Elec. Increases Lead In Bowl League

Ehrhardt Electronics maintained its hold on first place in Springfield Municipal League play last week, moving a game and a half in front of second place Springfield Bowl who dropped three contests.

## Loop

Standings:	W	L
Ehrhardt Elec.	31 1/2	16 1/2
Springfield Bowl	30	18
Springfield Mkt.	28	20
Cuzzolino Furs	27	21
Cardinal Gar. Cen.	25	23
Mende Florist	25	23
Frank's Auto	23 1/2	24 1/2
Baldwin Shell	23 1/2	24 1/2
Casternovia Bros.	23	25
Policarpio Atian.	23	25
Legion 2	22	26
Brunner Excav'g.	22	26
Evergreen Lodge	21	27
Springfield Exs.	20 1/2	27 1/2
Bunnell Bros.	20	28
D'Andrea Drives.	19	29

Ehrhardt increased their lead to a game and a half as they won one game whereas Springfield Bowl dropped all three.

High series for the week was rolled by Bob Anderson with a 205-257-209 total, 67%.

Other 200 or better scorers were:

Al Gerossey	232
Hand Andrews	224
Harry Selander	223
Ron Hart	220
Roy Hattersley	216
Nick Passamatto	214
Rich Battalle	213

Tom Dougherty	208
Harry Osmulski	204
Ralph Policarpio	203
Bob Walters	201
Bob Bevan	201
Mac Coburn	200

## To Play Hillside

A gymnastic exhibition by the Springfield College, Springfield, Mass., gymnastic team, who because of their popularity must be booked at least two years in advance, will be at Hillside High School Saturday evening, February 10, 1962, at 8:00 p.m.

The exhibition will be of two hours duration. The Springfield College gymnasts will perform on the parallel bars, rings, horses, mats and other equipment that they will bring.

At the last exhibition in this area over 1000 people were turned away at the gate. 1500 attended. The new Hillside High School stands accommodate 1500 people. There will be an additional 400 seats on the gymnasium floor.

Special arrangements are being made with many residents of Hillside to house the twenty-eight members of the team and their coach.

The committee in charge of arrangements have set prices for the tickets at \$1.00, for High School students, and \$1.25 for all others. Tickets can be had by writing to Joseph Silver at Hillside High School, Gerald Goldman c/o Columbia Lumber, Maple avenue, Springfield, and Franklin Feltman, 1859 Springfield avenue, Maplewood, or 122 Bailey avenue, Hillside, N.J.

In addition to the gymnastic exhibition, a special affair is being arranged for the students later that same evening.

The affairs are under the direction of the Athletic Department of Hillside High School, assisted by the Dads' Club and the Men's Progress Club who are underwriting all of the expenses.

The committee consists of Ruhl L. Custer, Joseph Silver, Sidney Englander, Franklin Feltman.

Having completed a pair of rugged road assignments against two teams being touted as leading contenders for the Watching Conference wrestling championship this season, the Highlanders of Governor Livingston Regional High School are anxiously awaiting their home debut tomorrow afternoon against Middlesex High School. The meet will get underway at 3:30 p.m.

Middlesex was one of two teams that the Highlanders defeated last year in their initial campaign on the mats. Coach Ray Higgins is hopeful his charges can repeat that triumph tomorrow.

The Highlanders dropped their opening match to powerful Westfield, 30-16, in a match that was much closer than the final score indicates. Higgins' team was

rated an even chance of upending Clark Regional last Tuesday at Clark, particularly if "Chuck" Whitford, the Highlanders' 177 pound ace, was back in action. Whitford missed the opening meet against Westfield.

The Highlanders will be on the road again next Tuesday afternoon, traveling to Piscataway Township to take on a strong Piscataway High School aggregation. Piscataway was runnerup in the Middlesex County Christmas Tournament and came out with two individual championships.

A week from tomorrow, on January 19, the Highlanders will return home for an afternoon meet with Seton Hall Prep of South Orange.

## Heights Grapplers Await Tomorrow's Home Match

The Highlanders of Governor Livingston Regional High School are anxiously awaiting their home debut tomorrow afternoon against Middlesex High School. The meet will get underway at 3:30 p.m.

Middlesex was one of two teams that the Highlanders defeated last year in their initial campaign on the mats. Coach Ray Higgins is hopeful his charges can repeat that triumph tomorrow.

The Highlanders dropped their opening match to powerful Westfield, 30-16, in a match that was much closer than the final score indicates. Higgins' team was

rated an even chance of upending Clark Regional last Tuesday at Clark, particularly if "Chuck" Whitford, the Highlanders' 177 pound ace, was back in action. Whitford missed the opening meet against Westfield.

The Highlanders will be on the road again next Tuesday afternoon, traveling to Piscataway Township to take on a strong Piscataway High School aggregation. Piscataway was runnerup in the Middlesex County Christmas Tournament and came out with two individual championships.

A week from tomorrow, on January 19, the Highlanders will return home for an afternoon meet with Seton Hall Prep of South Orange.

## Y Gym And Swim Classes

The Mid-Winter Term of gym and swimming instruction classes will begin the week of January 29 it was announced today by the Westfield YMCA.

Registration for the boys classes will be held on Wednesday, January 17 for Westfield residents and on Wednesday, January 24 for non-residents. Registration will be accepted after 9:15 a.m. at the YMCA desk on or after the registration dates.

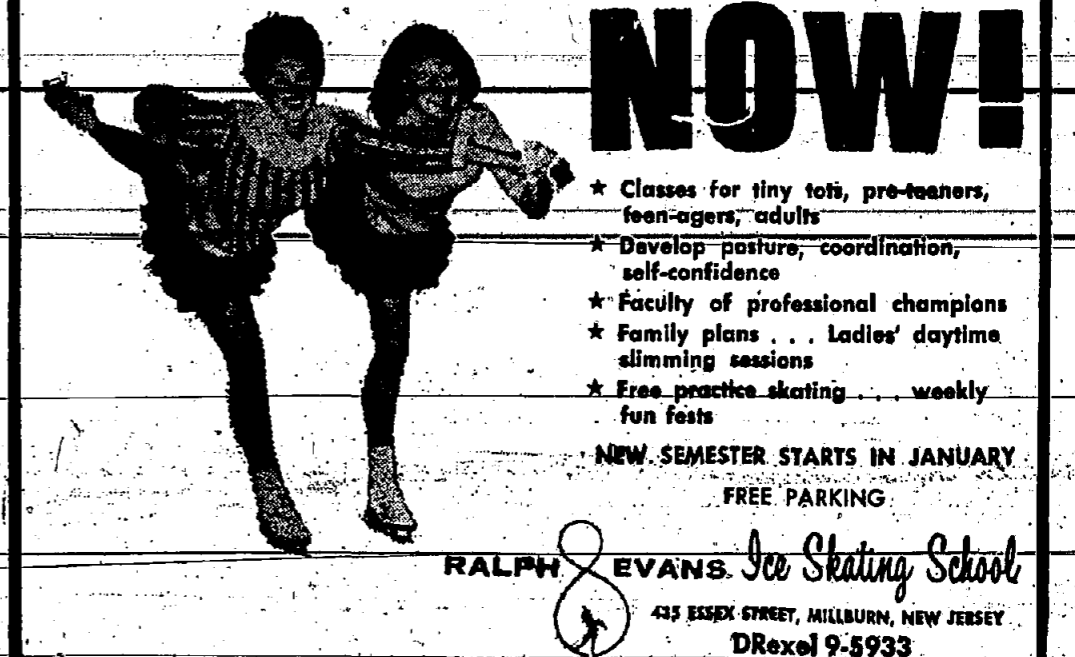

Registration is on a first-come, first served basis.

Swimming instruction classes for boys in all levels of ability will be offered who are in the 1st through 12th grades and are at least 49 inches tall. The National YMCA Progressive Aquatic Program will be followed by qualified YMCA instructors Lawrence Thomas and James Ayres.

Beginning, Intermediate, and advanced fencing will be offered under instructor William Kaufer for the ten week term. Boys in grades 5 to 12 are eligible. Bowling instruction will be available for boys in grades 5 and 6. Instruction in gymnastics, tumbling, trampoline and basketball, will be offered to 5th graders.

## Linden Tops Springfield

Jack Apgar hit on Springfield's first four points, but the beginning was no indication of the end, as Linden took the Bulldogs 59-46 in a game at the Springfield gym on Tuesday.

The Bulldogs shot ahead 7-1 before Linden started to hit, and the affair was see-saw for the rest of the half as neither club could hit consistently. Linden, however, controlled the boards while Springfield began racking up the personal fouls.

In the second half, Regional could do little in the way of defense, being hampered with

the possibility of fouling out.

After Jack Apgar fouled out in the final quarter, Linden ran away with the contest.

Linden	Springfield

### Film On Arizona Will Be Shown

The growth of Arizona from the days of Indian civilization to its rise as the 48th State in 1912, will be shown at the Union County Park Commission's Trailside Nature and Science Center, in the Watching Reservation, on Sunday, January 14, at 3:00 p.m. The color, sound film entitled "Arizona and Its Natural Resources" will show views of the Grand Canyon and man-made dams, rare closeups of wildflowers and wildlife, glimpses of Navajo artistry and customs, and scenes of copper mines and agricultural developments brought about by efficient irrigation systems.

The Hoover, Roosevelt, Coolidge and other important dams are shown along with scenes of citrus groves, alfalfa and other essential crops, the people, industries, cities, highways and special geographic features of the State are depicted in the film. On Monday, January 15; Wednesday, January 17; and Thursday, January 18, at 4:00 p.m.

### Chorus Taking New Members

Mrs. William Kerr of Livingston, President of The Masterwork Chorus, has announced that the chorus is now receiving applications for membership in the group. There are openings in all voice sections, and interested singers are invited to attend one of the chorus' regular rehearsals and arrange for an audition. The Masterwork Chorus meets for rehearsal every Wednesday evening at the Hillcrest School, Hillcrest Avenue, Morristown, N. J., from 8 to 10:30 P.M. The conductor is David Randolph of New York, Music

Director of The Masterwork Music and Art Foundation. The Masterwork Chorus is a mixed choral group made up of approximately 200 amateur and volunteer singers and is interracial, inter-denominational and non-political. One of the largest and most important vocal groups in the United States today, it is also rated by the critics as one of the best musically. It annually presents concerts in New Jersey and New York, and tapes and recordings of its rehearsals and performances have been broadcast throughout the world. The chorus already has commenced work on the music which it will present as a part of The Masterwork Seventh Annual Spring Festival of Music and Art. The music is Johannes Brahms' "A German Requiem", which will be sung in the original German. This work, a product of the 19th century Romantic period, will represent a departure from the more recent presentations by The Masterwork Chorus, which have been drawn largely from the Baroque period. Further information about membership may be obtained by calling the office of The Masterwork Foundation in Morristown at Jefferson 8-1860, or by calling Membership Chairman Mrs. Robert Smith of Stony Brook Drive, Rockaway, at Oakwood 7-6817.

### Science Notebook by Hans Klein

Chemists have long known the properties of the different elements. However, the modern concept of atomic structure is a means of explaining why elements behave as they do. In this concept protons and neutrons compose a central core of the atom called the nucleus. Beyond the nucleus the orbital electrons are arranged in concentric shells. As we have said, the hydrogen atom has one orbital electron with a single shell. No more than two electrons can be contained within any simple shell or orbital. Hydrogen and helium are the only elements with only one shell or orbital. This first shell of electrons is called the K shell. Elements following hydrogen and helium have in addition to the K shell a second orbital or L shell composed of paired electrons in a set up to four orbitals. The L shell is said to be complete when it contains four orbitals with two electrons each or a total of 8 electrons. Neon, the element whose atom contains 8 electrons in the L shell is then followed by sodium which begins an M shell possessing one electron. After hydrogen and helium, 8 electrons in an outer orbit seems to be a magic number which completes the outermost shell. All elements having complete outer shells are inert gases which do not react chemically to form any compounds whatsoever.

Atoms of different elements react with one another because in so doing the electrons in the outer orbit can arrange themselves to form complete or stable outer orbits. For example, let us use the elements lithium and fluorine which react violently with one another. The lithium atom has a total of 3 electrons, one of which is in the outer L shell. A loss of this single electron would leave the K shell complete. The fluorine atom has a total of 9 electrons with 7 electrons in the outer L shell. By grabbing the electron from the lithium atom the fluorine atom gets its full complement of 8 outer electrons. Thus each atom achieves a more stable state with complete outer orbits. However, now the lithium atom has 3 protons and only 2 electrons

while the fluorine has 10 electrons and only 9 protons. Since a proton has a unit positive charge and the electron has a unit negative charge, the atoms involved are no longer electrically neutral. The lithium has an overall positive charge and is called a lithium ion; the fluorine atom has taken on an extra electron to make it a negatively charged fluoride ion. The resulting compound is known as lithium fluoride, a crystalline substance composed not of atoms but of positive lithium ions and negative fluoride ions. Common table salt or sodium chloride is formed similarly of sodium ions and chlorine ions. We are well acquainted with the relatively peaceful nature of sodium chloride which is quite a stable compound. Sodium is a soft silvery metal which reacts violently with water, and chlorine is a heavy greenish gas once used as a poison gas in warfare. These elements react violently since the sodium atom is ready to give up an electron, and chlorine is ready to grab it to complete its outer orbit. Thus while we can use the sodium and chloride ions in our food with impunity we dare not come in contact with sodium or chlorine atoms.

therefore neither burns nor explodes? 4. Diamond, Diamond is pure carbon which if burned produces carbon dioxide. Soda water is merely water in which carbon dioxide is dissolved under pressure; it actually contains no soda at all. 5. Russian, Dmitri Mendeleeff was the first to arrange the elements into a workable table. However the idea came first to an Englishman, J.A.R. Newlands, and the modern table based on atomic numbers is due to the work initiated by another Englishman, H.G.J. Mosely.

### Hiking Club

The members of the Union County Hiking Club will participate on a seven-mile hike from Bound Brook to Millstone, New Jersey, on Sunday, January 14. The hikers will ramble along the Delaware and Raritan Canal; if weather conditions permit ice skating may be available. The group, under the direction of Robert Higbie, Cranford, will meet at the Administration Building of the Union County Park Commission, Warrinanco Park, Elizabeth, at 8:30 a.m. Those interested in participating with the members of the Union County Hiking Club are requested to contact the office of the Park Commission for further information.

### Made Chairman Of Telethon Hostess Comm.

Mrs. Seymour Flisser, 645 Amherst Road; Linden, has been appointed Chairman of the United Cerebral Palsy Telethon Hostess Committee, according to Julius R. Pollatschek, President of the Union County Cerebral Palsy League and President of United Cerebral Palsy Associations of New Jersey. Mrs. Flisser and her committee will be in charge of refreshments to be served at the United Cerebral Palsy Telethon Message Center, Park Hotel, Plainfield, during an 18-1/2 hour period beginning Saturday, January 13, 10:30 P.M., ending Sunday, January 14, 5 P.M. During these hours, hundreds of volunteers will man telephones, to receive pledges from residents of the State, in support of United Cerebral Palsy's program of services to the cerebral palsied. Television, Radio, and Movie Stars will provide entertainment, to be televised on WOR t.v., Channel 9, with Dennis James, as Master of Ceremonies.

### With Glee Club

Miss Priscilla I. Pollacek of Springfield, N.J., will accompany the Bucknell University Women's Glee Club when the group makes its annual mid-winter concert tour later this month. Miss Pollacek is among 77 students selected by the club Director Allen W. Flock to present a series of 10 concerts in nine eastern cities from January 25 through 29. During its five-day tour, the highly popular musical organization will appear before church, high school and Bucknell alumni audiences in Pennsylvania, New Jersey and New York. Daughter of Mr. and Mrs. Edgar H. Pollacek of 115 Bryant Avenue, Miss Pollacek is a senior at Bucknell this year. She is studying for the degree of bachelor of science in music education.

### Army Openings

Immediate openings for technical school assignments in such fields as electronics, rocketry, and guided missiles are now available to qualified prior service men, regardless of former branch of service.

Prior service men are vitally needed to train into critical fields in the new Aerospace Force, where they will be working with such projects as radical new bombers and fighters, and the space planes of the future. Over 40 other career fields covering every possible skill from photography to aircraft maintenance is also available. You may get all the details on this program by contacting MSGT. William Many, USAF Recruiting Office, 9 Caldwell Place, Elizabeth.

### QUESTIONS

1. What is the origin of energy in gasoline which is able to run an automobile; the sea, the air, the sun, or the moon?
2. Energy is given off when sodium and chlorine react to form common salt. What is necessary to transform salt back into the original elements; a magnet, electrical energy, water, extreme cold?
3. Why is helium preferred over hydrogen in lighter-than-air craft? It is less dense, its atom has a complete outer orbit, it is more abundant, its atom has more neutrons?
4. From which of these substances plus water could soda water be made; soda, ammonia, diamond, ice?
5. Of what nationality was the person who first arranged the elements by their atomic weights into a workable table; Russian, American, English, Greek?

### ANSWERS

1. The sun. The energy from the sun millions of years ago was stored up by countless organisms which in dying underwent partial decomposition to form deposits of petroleum.
2. Electrical energy. Complex apparatus in which fused salt is subjected to an electric current carries away electrons from the chloride ions and gives them to the sodium ions changing them back to atoms again.
3. Its atom has a complete outer orbit. Because of this helium forms no compounds and

MINUTES TOWNSHIP COMMITTEE MEETING-December 12, 1961

Unanimous approval minutes regular meeting November 28th.

Unanimous approval of award of fuel oil bid for 1962 to Dean Oil Company, Fanwood, N.J., at .0363 under tank wagon price.

Unanimous approval of award of gasoline bid for 1962 to Humble Oil & Refining Company, Elizabeth, N.J., at .0376 under tank wagon price.

Unanimous approval of rejection of offer of George Franklin to purchase Township owned property, Block 70, Lots 16-19, at \$700.00 as too low an offer.

Unanimous approval of rejection of offer of Bert J. Jones to purchase property on Marion Avenue, Block 3, Lot 20, for \$2300.00, as the property is to be retained for municipal use.

Unanimous approval on first reading of snow removal ordinance. Final hearing December 28th.

Unanimous approval of holding second regular meeting on Thursday, December 28th, rather than December 26th.

Unanimous approval of authorization for Township Engineer to purchase necessary parking meters for Municipal Parking Lot #1.

Unanimous approval of authorization for Township Engineer to purchase necessary signs for enforcement of snow removal ordinance.

Unanimous approval, with certain stipulations, of application of Springfield Steak House, Plenary Consumption License No. C-6, to include in their licensed premises a third building.

Unanimous approval of increase in lighting at Brown Avenue and Route 22, and a request to the State Highway Department for a lighting survey on Route 22.

Unanimous approval of adoption of resolution requesting State Highway Department for state-aid for lighting for 1962 in the amount of \$1,769.00.

Unanimous approval of denial of application of B. Bruder to relocate a Nursery School at 36 Evergreen Avenue.

Unanimous approval of application for variance made by Jersey Central Power & Light Co. to relocate an existing substation and place it on property of Holdville Construction Co.

Unanimous approval of accepting with regret resignation of Edward A. Cardinal as Chairman and a member of the Shade Tree Commission, to be effective December 31, 1961.

Unanimous approval of accepting with regret resignation of Allen Ravin from Board of Adjustment, to be effective immediately.

Unanimous approval of accepting report of Citizens Committee on the proposed swimming pool and authorizing necessary appraisals of proposed sites, and making report public.

Unanimous approval of extending Commerce Street to Hillside Avenue, with understanding that cost for same is to be borne by industries in the Brown tract.

Unanimous approval, on recommendation of Planning Board, of Final Approval of Final Subdivision Plat, Noel Homes, Inc., Milltown Road, Block 66A, Lots 20-23.

Adjournment.

Plan Expansion Of Vocational Guidance At Regional School

At the request of the Jonathan Dayton Regional High School, Springfield's B'nai B'rith Lodge will expand its vocational guidance program which it inaugurated last year.

This program will be conducted with the cooperation of the Kiwanis Key Club, a student-honor society and the school's guidance office. S. Garner, Vocational Guidance Chairman for B'nai B'rith, Paul Becker of the Kiwanis Key Club, and Mr. Gambino, sophomore guidance counselor at the school, will coordinate the program.

At present, vocational preference questionnaires are being distributed to the sophomore class. After the questionnaires have been completed, the results will be compiled and the class will be grouped by vocational preference.

Each group will then be invited to hear a panel of B'nai B'rith members discuss the day-to-day problems, the educational and other requirements and the rewards and satisfaction which may be attained in various business, professional and other vocations.

Last year's program consisted of a series of panels of three or four speakers in each classification who gave short talks of related vocations. The bulk of the time was devoted to individual and group question and answer discussions, many of which extended far beyond the time allotted for that purpose.

Because of the enthusiastic reception of the program, the school authorities requested that this program be made permanent and expanded. Speakers will be required for many diverse fields of endeavor. Those wishing to participate should contact B'nai B'rith President Seymour Cohen or Vocational Chairman, Sid Garner.

Legal Notices

AN ORDINANCE TO PROHIBIT PARKING TEMPORARILY FOR SNOW FLOWING, SNOW REMOVAL AND OTHER EMERGENCIES AND PROVIDING PENALTIES THEREFOR.

BE IT ORDAINED by the Township Committee of the Township of Springfield, in the County of Union and State of New Jersey, as follows:

Section 1: Whenever snow has fallen and the accumulation is such that it covers the street or highway no vehicle shall be parked on the following main traveled or major road ways or portions thereof:

- Baltusor Way - entire length
Caldwell Place - entire length
Hillside Avenue - entire length
Main Street - from the Millburn line to Morris Avenue
Metel Ave - entire length
Milltown Road - from the Summit line to Morris Avenue
Morris Avenue - entire length
Munster Avenue - entire length
North Trivet Avenue - entire length
Riverdale Drive - entire length
Silver Street - from Morris Avenue to Hillside Avenue
West Avenue - from the Millburn line to Park Lane
Shimpike Road - entire length
South Springfield Avenue - entire length
South Trivet Avenue - entire length
Tooker Avenue - entire length
Wabeno Avenue - entire length
Washington Avenue - entire length
Wenz Avenue - entire length
West Briant Avenue - entire length

The above parking prohibition shall remain in effect after the snow has ceased until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic.

Section 2: Any unoccupied vehicle parked or standing in violation of this Ordinance shall be deemed a nuisance and a menace to the safe and proper regulation of traffic and any peace officer may provide for the removal of such vehicle. The owner shall pay the reasonable cost of the removal and storage which may result from such removal before regaining possession of the vehicle.

Section 3: The effectiveness of this Ordinance is contingent upon signs being erected as required by law.

Section 4: Unless another penalty is expressly provided by New Jersey Statute every person convicted of a violation of a provision of this Ordinance or any supplement thereof, shall be liable to a penalty of not more than fifty dollars (\$50.00) or imprisonment for a term not exceeding fifteen (15) days or both.

Eleanor H. Worthington, do hereby certify that the foregoing Ordinance was introduced for first reading at a regular meeting of the Township Committee of the Township of Springfield in the County of Union and State of New Jersey, held on Tuesday evening, January 9, 1962, and that the said Ordinance shall be read for consideration and final passage at a regular meeting of the said Township Committee to be held on January 23, 1962, in the Springfield Meeting Building at 8:00 P.M. at which time and place any person or persons interested therein, will be given an opportunity to be heard concerning such Ordinance.

Noticed and certified to be correct: Leopold P. Isserman, Emily Clark, Executives; Kohler, Augenblick & Freedman, Attorneys; 17 Academy St., Newark, N.J.

CRESTMONT SAVINGS Shows Assets up

A dramatic climb in assets to \$39,637,744.71 was reported yesterday by the Crestmont Savings and Loan Association as the highlight of its annual report by the Board of Directors.

President Loren F. Gardner, in making public the association's statement for 1961, pointed out that much of the credit for the continued rapid growth of Crestmont must be given to such factors as the opening last fall of the new Tuscan Office and the continued acceptance by the public of Crestmont's new main office.

Revised plans and specifications of the premises being constructed may be examined at the office of the Township Clerk, and objections, if any, should be made immediately in writing to Eleanor H. Worthington, Township Clerk of the Township of Springfield, County of Union, State of New Jersey.

STATIC

There will be a new twist — the mambo twist — when the NBC-TV network ends one year of programming...

New York. Directed by Garson Kanin, the two-act stars Pat Stanley, Robert Redford, Conrad Janis and features Ron Nicholas, Pat Harrington, Sr. and Sondra Lee...

STAR STUFF: British actor Robert Shaw, currently starring on Broadway in "The Caretaker," has run the gamut in every type of production from the Old Vic in London to his own adventure kiddy show on TV...

Ann Bancroft, who just completed the film version of her stage hit "The Miracle Worker," got her acting break in TV when she acted as a "Studio One" show...

One of the funniest Broadway hits is packing them in these cold winter nights with David Merrick's production of Norman Krasna's comedy, "Sunday In

"Twist" himself, Chubby Checker, the 20-year-old singer who began the current-craze with his recording of the Twist over a year ago...

LOOK/LISTEN: One of the interesting sections in the new "Sing Along With Mitch" King-size book of songs, published with full illustrations by Bernard Gels Associates...

Robert Weede, star of the Broadway hit musical, "Milk and Honey," had special reason to be proud this past Saturday (10). His protegee and voice pupil for many years, John Alexander...

Kiddie Korner The Christmas Puppy by Geldt Mallay

Perry's Dream

by Geldt Mallay

"Don't forget a loaf of bread," called Mother, as Perry started down the street. "I'll take the long-way-around path through the woods," thought Perry...

Perry saw a meadow full of lovely flowers and golden sunlight. Tiny animals scampered about. Beyond the meadow stretched a little brown path...

"Don't go in there," barked a wee dog. "There's more in the forest than trees." "Yes!" cried the animals. "There's a dragon who frightens us so we have to hide..."

"I'll light the way," offered

a bright firefly. "If you'll go." "Take one-of-my horns for a weapon," said a little black bull. "Go ahead, pull. It'll come right out for you..."

"How about the tree-witches?" ramoned a fuzzy brown bear. "They'll scratch you and pull your hair..."

"Wear my shell on your head," said the green turtle. The turtle's shell fit Perry perfectly. "But won't I need a weapon in my other hand?" he asked...

Perry twisted the tail and off it came, snapping like a real whip. With the horn and the whip and the little firefly riding his turtle-shell hat, Perry went into the forest searching the dragon. He looked everywhere...

"On, please let me in!" cried Perry. "I just need a loaf of bread, please!" The storeman looked across but he opened the door. "Why do you come so late?" he asked...

Perry raised his horn-weapon and snapped his tail-whip. The dragon was caught by surprise. His pretzel tail lashed out and cinnamon sparks flashed from his eyes...

"I stopped to see the brook," said Perry. "But I won't do that again." "Next time buy your bread first and see the brook afterward," advised the storeman. "I will," promised Perry, thankfully...

To Hold Party For Bond Drive

Mr. and Mrs. Joseph Bender, of 21 Ann Place, Springfield, will present a party in their home in behalf of State of Israel Bonds on Tuesday evening, January 23...

The following, all of Springfield, serve on his committees: Fred Becker, Meyer Herdick, Mrs. Ruth Burstein, Joseph Horowitz, Philip Lewis, Allen Rabin, Selwyn Slichter, and Sanford Weiss...

This event will be only for residents of Springfield, and the Israel Bond chairman of this community is Mr. Alan Kempler...

**RECEIVES AWARD**—Alfred W. Razzetti, manager and buyer of floor coverings for Huffman & Boyle furniture store, Hackensack, which received the American Carpet Institute Award for retail excellence at the annual dinner of the Chicago Floor covering Association held in Chicago, January 9.

**Gaudineer Menu**

Monday: Frankfurters, baked beans, sauerkraut, raisins, roll, butter, milk.  
 Tuesday: Oven fried chicken, buttered corn, buttered peas, apricots, corn bread, butter, milk.  
 Wednesday: Spaghetti, with meat sauce, carrot sticks, applesauce, peanut butter or bread and butter sandwich, milk.  
 Thursday: Hamburger on a roll, peas, potato chips, peaches or pears, milk.  
 Friday: Macaroni and cheese, tossed salad, chocolate pudding, or fruit cocktail, bread, butter, milk.

**Vocational Guidance Is B'nai Brith Topic**

Springfield's B'nai Brith Lodge will meet on Monday evening January 15, 1962, 8:30 p.m. at Temple Beth Ahm. Dr. Samuel Mintz of Plainfield, a member of Northern New Jersey B'nai Brith Vocational Guidance Board will be the guest speaker. His subject will be "The Importance of Vocational Service."

At the request of the Guidance Office of the Jonathan Dayton Regional High School, Springfield Lodge will again furnish Vocational Guidance panels for the student body. Mr. Thomas Gambino, Guidance Counselor to the Sophomore class, Mr. Paul Becker, of the KIWANEEES KEY CLUB, a student-honor society, and Mr. Sidney Garner, Vocational Guidance Chairman for Springfield B'nai Brith Lodge, have set up the program. Vocational-preference questionnaires were distributed to the entire Sophomore class at the school and the results tabulated. The students are being grouped so that they may participate in the appropriate panels.

The talks are presented by panels of two or three B'nai Brith members in related vocations. Each speaker discusses the educational requisites and other requirements, the day-to-day problems, and the rewards to be accumulated in his particular business, vocation or profession. Question and answer periods follow each presentation, and individual conferences, where necessary.

The first session of the current school year was held on Thursday, Dec. 21, 1961. Mr. Melvin Zeller covered the field of Accounting and Mr. Julius Voge, that of Statistical and Actuarial Work. The members of Springfield B'nai Brith are compiling a directory of occupations so that the entire membership will be available to counsel the youth of this community.

Then followed a presentation by Rabbi Reuben R. Levine of color slides depicting the famous Marc Chagall windows. This was particularly fitting at this time in view of the great impact the originals have made upon all who were fortunate enough to view them these past months at the New York Modern Museum of Art.

Mrs. Sidney Stein presided; Mrs. Rudolph Bamberger was program chairman.

**GIFT**—Mrs. F. Puorro, president of Springfield UNICO, (On left) presents check for \$1,100 to sister M. Eleanore, Superior for the children at St. Walburga's Orphanage in Roselle. Looking on is Mrs. F. DeFino, Chairman and Mrs. J. Pancani, vice president.

**Torah Month Honored By Sisterhood**

This past Monday evening, January 8, members and friends of Sisterhood, Temple Beth Ahm, Springfield, were treated to a memorable evening of entertainment and information.

In honor of Torah Fund Month, currently being celebrated by member congregations of United Synagogues of America, Mrs. Jack Wexler, local Torah Fund Chairman, presented Mr. Leroy Diamond of Union, N.J., a rabbinical student, who spoke on the way of life of the Jewish Theological Seminary, which Torah Fund helps to support. Mr. Diamond holds a Bachelor of Arts

**Student-Nurse Grandmother Proves It Is Never Too Late To Learn**

It's never too late to begin a new life, as shown by the story of Mrs. Ivy Blake, a grandmother from across the sea who is now a student at the Overlook Hospital School of Practical Nursing in Summit. President of her class, Mrs. Blake further distinguished herself last Friday by winning a scholarship award as an outstanding student at the school's

**Unit of the Morristown Junior League**

Mrs. Blake is blazing the American Trail in expectation that her 24-year-old son and his family will come to this country when he finishes his service in the British Air Force. She is just back from a visit to England over the Christmas holidays, when she saw her new grandson for the first time. While here, she is staying with friends, the A. B. Gordiners of 141 Maple Street, Summit.

**25th Anniversary**

Mrs. Margaret P. Schilling, 146 Mountain Ave., clerk at the Summit office of Jersey Central Power & Light Company, this week celebrated her 25th anniversary with JCPL.

**Sermon Series**

Rev. Harold S. Lundin, pastor of the Community Free Church of Springfield will begin a series of 16 sermons this next Sunday dealing with Future Events. Some of the subjects to be dealt with will include the Rapture, Tribulation, Anti-Christ, Armageddon, Millennium, Judgments, Lake of Fire, and The New Heaven and New Earth. The public is cordially invited to hear these sermons from God's prophetic word. The Community Free Church is located at 240 Shunpike Road in Springfield.
